I. Council Committee Reports

Mayor Johnson stated that he spoke to Melissa Bettendorf from the North 65 Chamber of Commerce and the Chamber is unsure on what they would like to do for the parade but there has been discussion about cancelling it. Johnson went on by asking City Council if they would like to continue fireworks or not.

Councilmember Collison stated that fireworks can be done with social distancing regardless if the parade is cancelled or not. Collison continued to share that it was already budgeted for and many can enjoy the fireworks from their home and cars.

Johnson agreed with Collison and stated that the fireworks will give people something to enjoy.

Councilmember Steve Lundeen stated that he does not think anything should be cancelled until the last minute. Lundeen further shared that the fireworks give people something to look forward to.

Councilmember Bergley stated that City Council should encourage the Chamber of Commerce to have the parade and wait until the last minute to make final decision whether to have parade or not. Bergley continued by stating that the fire district should wait to make a final decision with the rodeo as well.

Johnson stated it is up to the rodeo association to make the final decision.

Lundeen stated that as of right now they are still planning on having the rodeo event.

City Administrator Josi Wood stated that the PRCA (Professional Rodeo Cowboys Association) has rodeos on their website that have been cancelled and ones that are still intended on going. They have not updated anything past July 3rd

Collison stated that advanced notice is for people with hotel reservations and travel plans and those people need time to get their stuff together if it is still on and they need time to cancel if it is not. Collison further shared that the big task for the rodeo and parade is if social distancing is still required at that time how it will be policed.

Wood shared that it is up to the organizer to maintain social distancing if it is still in place and for that reason many cities such as St. Francis, North Branch, Princeton, East Bethel and Coon Rapids are cancelling events. Wood continued to share that some cities have cancelled June and July events because the liability falls upon the organizer to have social distancing maintained. Wood further shared that the rodeo is separate because they are a closed circuit and if they get full of space, they can shut their doors. Wood continued sharing that the street dance is a city event and there are no doors to close. Wood asked what the plan would be from Council for staff to carryout social distancing and if that may be putting up snow fence and keeping track of people. Wood stated that staff has reached out to some of the food vendors and the question vendors are asking is the number of people attending, as they need to plan for how much food to make and how much beer to buy. They do not want to buy too much so that food and beer is wasted. Wood further stated that if social distancing is still happening at that time and everyone is trying to plan, the vendors and bands may cancel on the city. Wood stated that staff has reached out to most vendors and they are fine with waiting to see what happens however, if they do not feel safe, they are not coming to the event.

Collison stated he would consider cancelling the June street dance as that is not that far away, but hopeful July street dance would happen.

Wood stated that her recommendation from staff would be to cancel the June street dance and postpone the Mayors Luncheon to July with the hope that all the July and August events happen.

Johnson stated that this may change May 18th and suggested waiting until May 19th city council meeting to make final decision.

Lundeen agreed that the final decision for events should be made at the May 19th city council meeting.

Wood stated it will be brought back to the city council on May 19th.

Councilmember Jimmy Gordon stated that he agreed and people can attend at their own risk and possibly have the city attorney draft a waiver if city council thinks it is necessary.

Collison stated that it needs to be remembered that a person does not have to be showing symptoms to be carrying the virus.

Mayor Johnson asked if there was any more Council/ Committee Reports.

Councilmember Dan Collison shared that the BMX National Event has been cancelled however, it has been postponed for September.

J. Public Hearings
None

K. Business Items
City Administrator Josi Wood

1. **Resolution 2020-096** Approving a Special Event Permit Request for the Cambridge-Isanti School District for Senior Graduation Parade

   Mayor Johnson shared that the school board has contacted him about doing a parade for the seniors on June 5th at 7:00 p.m. and will be their virtual graduation along with a parade that will go through Cambridge and Isanti.

   Councilmember Collison asked if the school board is responsible for everything.

   Johnson stated that the only thing the city would be responsible for is to help out with closing roads, police presence and fire department presence. The school board will be sending home a permission slip for this event for liability purposes.

   Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

2. **Resolution 2020-097** Approving a Conditional Use Permit for a Religious Institution at 1321 Heritage Blvd.
   Community Development Director Sheila Sellman shared that the applicant is Tibetan American Foundation of Minnesota (TAFM) and they are requesting a conditional use permit for a religious institution at 1321 Heritage Blvd. Sellman continued to share that the district is zoned B-2, General Business District where the religious institution requires a conditional use permit. Sellman further shared that Spirit River Church previously occupied the space and did not have a CUP, therefore

TAFM needs one and TAFM meets all the requirements for a CUP. Sellman continued to state that Planning Commission held a Public Hearing on April 21st and the applicant attended virtually and was able to answer any questions. The Planning Commission unanimously recommended approval with the conditions that the parking lot be fixed within one year.

Motion by Bergley, second by Lundeen to approve resolution as presented. Motion passed 5-0. Motion carried.

3. **Ordinance-729** An ordinance approving the amendment to Ordinance 445 (Zoning) The Official Zoning Map
   Community Development Director Sheila Sellman shared that the applicant Deann Bunes of Serenity Circle Counseling is requesting to rezone property located at 201 Main Street from R3-A Low Density Residential to B-1 Central Business District with D-1 Downtown Overlay to build a new office building. Sellman further stated that the R3-A district does not allow office building therefore, rezoning is necessary. Sellman went on to share that the purpose of the Comprehensive Land Use Plan is to ensure the orderly growth and development of the city while maintaining a sound infrastructure and economy. The subject site has a Comprehensive Land Use designation of CBD, Central Business District. The Planning Commission held a Public Hearing on April 21st and the applicant was available for questions. The adjoining property owners did ask that if they were going to be rezoned and it was said at the meeting that they will not and the rezoning is specific to this property only. Sellman continued to share that because it is amending the zoning map which is part of the zoning code, a site ordinance is required.

   Motion by Lundeen, second by Gordon to approve ordinance as presented. Motion passed 5-0. Motion carried.

4. **Ordinance-730** An ordinance Amending Ordinance 445, Section 7, Article 1 to include commercial recreation as a conditional use
   Community Development Director Sheila Sellman shared that Scott Boecker has requested an ordinance amendment to allow for Commercial Recreation in the Central Business District. Sellman continued to share that right now commercial recreation is not an allowed use. Boecker has asked to add commercial recreation as a permitted use in the B-1 district, however the other business district in town allow commercial recreation as a conditional use, therefore staff recommends if added, it should be a conditional use and because this amendment is not site specific it would apply to all of the B-1 district. Sellman further shared that the Planning Commission held a Public Hearing on the zoning request at the April 21st meeting and also agreed that this should be under conditional use permit if added to the zoning district.

   Motion by Lundeen, second by Collison to approve ordinance as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $300,551.77 Payroll in the Amount of $97,225.04
2. **Resolution 2020-098** Approving the Hire of Community Development Specialist Ryan Saltis
3. **Resolution 2020-099** Approving the Hire of Administrative Assistant Intern Sarah Bjork
4. **Resolution 2020-100** Setting Work Session for 2021 Budget
5. Approving Request for Proposals for Position Classification and Compensation Study
6. **Resolution 2020-101** Awarding Quote and Authorizing to Enter into a Contract for Refuse Services for all City Facilities

Councilmember Gordon asked if the Community Development Specialist position is a new position and if it was replacing Planner.

City Administrator Josi Wood shared that this is a position that was previously listed as the city planner. Wood further shared that when the city planner resigned the job description title did not suit exactly what was in the job description so it was renamed with a new title that is more consistent with what other cities have. Wood continued to share that it is not a new position, but a new title with same job description.

Motion by Bergley, second by Gordon to approve the Consent Agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

None

Adjournment

Motion to adjourn by Bergley, second by Collison. Motion passed 5-0. Motion carried. The meeting was adjourned at 7:48 p.m.

Respectfully Submitted,

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of City Council**

From: Katie Brooks, Human Resources/ City Clerk

Date: May 19, 2020

Subject: 3.2 Beer (Malt) Off-Sale Liquor License for Coborns, Inc.

Background:
Coborns, Inc. has submitted an application for a 3.2 Off-Sale Liquor License.

All Liquor License and applications are reviewed for completeness by staff, the license applicant has passed a background check by the Isanti Police Department.

Staff has received the completed application and the applicant has met the requirements outlined in City Code Chapter 76.

The effective date of the 3.2 Off-Sale Liquor License if approved shall be April 1, 2020 through March 31, 2021.

Action:
Staff is requesting City Council action on this item.

Attachment:

- Resolution 2020-XXX Approving the 3.2 Off-Sale Liquor License for Coborns, Inc.

RESOLUTION 2020-XXX

APPROVING THE 3.2 OFF-SALE LIQUOR LICENSE APPLICATION FOR COBORNS, INC.

WHEREAS, Coborns, Inc. has submitted an application for a 3.2 Off-Sale Liquor License; and,

WHEREAS, the applicant has completed the application for the City of Isanti and for the State of Minnesota and submitted proof of liquor liability and workers' compensation insurance; and,

WHEREAS, the Police Department has reviewed the application and made a recommendation for approval of the application;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that:

1. Coborns, Inc. 3.2 Off-Sale Liquor License is hereby approved.
2. The effective date of the 3.2 Off-Sale Liquor License shall be April 1, 2020 through March 31, 2021
3. Staff shall forward all necessary information to the State of Minnesota to complete the liquor license process.

This Resolution is hereby approved by the Isanti City Council this 19th day of May 2020.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation, and Culture Manager
Date: May 19, 2020
Subject: Resolution 2020-XXX Approving a Special Event Request for Grab and Go End of the Year Good-Bye parade at Isanti Primary School and Isanti Intermediate

---

Background

The city has received an application for the upcoming special event planned for Isanti Primary School (IPS) and Isanti Intermediate School (IIS). Each school will be conducting a good bye parade for teachers/staff at each school for the students of each school to drive by and wave good bye to each other on the last day of school. A map is included to show the route for each school.

The event will take place on Thursday June 4th, 2020 from 11:00 am to 1:00 pm. This event is open to the public and will have about 80 staff and about 500 families taking part.

Police assistance is being asked for at the crosswalks at each school and may also need assistance at the exit of IPS onto Heritage Blvd to keep traffic exiting east.

There will be no parking impact as this is a parade type of event. No additional requirements of restrooms, security, clean up, live entertainment, public address system is needed/requested.

Staff Request

City staff is requesting approval of the Special Event Permit application and attachments.

Attachments

- Resolution No. 2020-XXX
- Special Event Application – Grab and Go End of Year Good Bye Parade
    - Application
    - Maps of routes for each school

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR A GRAB AND GO END OF THE YEAR GOODBYE

WHEREAS, Isanti Primary School (IPS) has submitted a Special Event application requesting a permit to host Goodbye event at IPS and Isanti Intermediate School (IIS); and,

WHEREAS, the event will consist of staff standing along the sidewalks or school grounds at each school and the students/parents will drive by, providing students and staff the opportunity to wave Goodbye to each other on the last day of school; and,

WHEREAS, a parade type of event is scheduled to take place on Thursday, June 4; and,

WHEREAS, the event will take place from 11:00am – 1:00 pm; and,

WHEREAS, the estimated number of staff is 80 and 500 families; and,

WHEREAS, the applicant will not be required to provide restrooms for the event; and,

WHEREAS, the applicant is requesting Police assistance for traffic and pedestrian control; and,

WHEREAS, no public addressing systems or live entertainment will be utilized during the event; and,

WHEREAS, the $100 clean-up deposit fee is being waived; and,

WHEREAS, no posting of temporary signage is being requested;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the special event permit application for the Grab and Go End of the Year Goodbye event at IPS and IIS,

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 19th day of May 2020.

Attest: _____
Mayor Jeff Johnson

May 5, 2020

Dear Isanti Neighbor,

On June 4, 2020 our schools will be sponsoring an unparade for our school families. Families will be driving their cars around our school and we will have staff waving at them and holding signs. We are doing this to celebrate the end of another school year. As you are aware, we have not been in session since March and have been doing our education through distance learning. June 4, 2020 will be our last day of school for this school year, and will be one last opportunity to connect (from a safe distance) with our students. We will be doing this from 11:00-1:00. You may see an increase in traffic during this time. Thank you for being part of our school community. We have missed seeing many of you and look forward to working with you again. Have a great day!

Sincerely,

Mark Ziebarth
Isanti Intermediate/School For All Seasons Principal

Memo for Council Action

To: Mayor Johnson and City Council Members

From: John Jacobi, Liquor Store Manager

Date: May 13th, 2020

Subject: Donation Request for 7th Annual MMBA "Support Our Troops Supplies Drive" promotion in-store

---

Background:
Each year the MMBA supports a Troops Drive for the sole purpose of raising funds as well as supplying donations to help support local troops and veterans. I am requesting that we promote this program in-store and customers can donate "supply items," or make a cash donation in any amount that they wish to help support this program. The dates of the Support Our Troops Supplies Drive are May 26th through July 5th, 2020.

Request:
Staff is requesting City Council action on this item.

Attachment:

- Resolution 2020-xxx Approving Donation Box at Liquor Store

RESOLUTION 2020-XXX

APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2nd, 2009 City Council approved a donation box policy; and,

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the "MMBA Support Our Troops Drive"; and,

WHEREAS, the Donation Policy has been reviewed the request and recommended its approval;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the "MMBA Support Our Troops Drive" at the Isanti Liquor Store from May 26, 2020 through July 5, 2020.

Adopted by the Isanti City Council this 19th day of May 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

7th Annual MMBA "Support OUR Troops" Drive

FOLDS of HONOR

2020 Support Our Troops Program

- In the continuing effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in partnership with Anheuser-Busch, is coordinating the *Annual Municipal "Support OUR Troops" Drive* **benefiting your local military personnel and their families.**

- This is an effort to support military personnel in Minnesota. We'll be raising funds for the Folds of Honor organization. Donations will go to support scholarships to families of fallen or wounded soldiers in Minnesota.

ABOUT FOLDS OF HONOR

HONOR THEIR SACRIFICE. EDUCATE THEIR LEGACY.

Folds of Honor is a 501(C)(3) nonprofit organization, rated a four-star charity by Charity Navigator and platinum on GuideStar, that provides educational scholarships to the families of military men and women who have fallen or been disabled while on active duty in the United States armed forces. Our educational scholarships support private educational tuition and tutoring for children in grades K-12, as well as higher education tuition assistance for spouses and dependents. Founded in 2007 by Major Dan Rooney, a PGA Professional and F-16 fighter pilot in the Air Force Reserves who served three tours of duty in Iraq, Folds of Honor is proud to have awarded approximately 24,500 scholarships in all 50 states and some US territories, including over 4,500 in 2019 alone. For more information or to donate in support of a Folds of Honor scholarship, please visit foldsofhonor.org

Additional Details

- The Drive will run from May26th – July 5th, 2020.
- Each participating MMBA member will collect money. Each member will send a check payable to the Folds of Honor to MMBA office upon conclusion of fundraiser. Please send an email to Kevin Karel and Paul Kaspszak upon completion of fundraiser. Each members collection will be imputed into a tracker to find out total amount raised.
- The member who raises the most, will be asked to join in a ceremony with the Folds of Honor team.
- Wholesalers will provide ***customized*** signage, assist with designing and building displays to fit retailer needs and provide collection bin/box to collect items.
    - Displays should include the Budweiser Patriotic pack along with signage calling attention to the #THANKAVET Program.
- Anheuser-Busch will be donating a $1 per case of Budweiser sold to the national Folds of Honor fundraiser.

Request for City Council Action

To: Mayor Johnson and Members City Council
From: Sheila Sellman, Community Development Director
Date: May 19, 2019
Subject: **RESOLUTION NO. 2020-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 1, SUN PRAIRIE FOURTH ADDITION WITH J ROBINSON CONSTRUCTION, INC**

Background:
On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity and in 2018, the City Council extended the program to December 31, 2019 by Resolution 2018-268. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for three new lots legally described as Lot 6, Block 1, Sun Prairie Fourth Addition, for the construction of a single family home. The business is in 'good standing' upon review of the MN Secretary of State Office as of May 13, 2020.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Request
Staff is requesting that the City Council adopt the attached Resolution.

Attachments:
- Resolution 2020-XXX
- Repayment Agreement

RESOLUTION 2020-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 1, SUN PRAIRIE FOURTH ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304 and extended the program to December 31, 2019 by Resolution 2018-268; and,

WHEREAS, A boiler plate Repayment Agreement was drafted by City Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and,

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the properties legally described as: Lot 6, Block 1, Sun Prairie Fourth Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and,

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and,

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to the payment of the building permit; and,

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of May 13, 2020.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 19st day of May, 2020.

Attest: _____ Mayor Jeff Johnson

_____
Katie Brooks
Human Resources / City Clerk

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2020, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct three single family homes (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the single-family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 6,071.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,692.00** in Water Availability Charges and **$ 3,379.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 2020 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $6,071.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 107 9th Ave SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Request for City Council Action

To: Mayor Johnson and Members City Council

From: Sheila Sellman, Community Development Director

Date: May 19, 2019

Subject: **RESOLUTION NO. 2020-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 7, BLOCK 1, SUN PRAIRIE FOURTH ADDITION WITH J ROBINSON CONSTRUCTION, INC**

Background:

On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity and in 2018, the City Council extended the program to December 31, 2019 by Resolution 2018-268. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for three new lots legally described as Lot 7, Block 1, Sun Prairie Fourth Addition, for the construction of a single family home. The business is in 'good standing' upon review of the MN Secretary of State Office as of May 13, 2020.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Request

Staff is requesting that the City Council adopt the attached Resolution.

RESOLUTION 2020-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT ON LOT 7, BLOCK 1, SUN PRAIRIE FOURTH ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304 and extended the program to December 31, 2019 by Resolution 2018-268; and,

WHEREAS, A boiler plate Repayment Agreement was drafted by City Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and,

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the properties legally described as: Lot 7, Block 1, Sun Prairie Fourth Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and,

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and,

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to the payment of the building permit; and,

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of May 13, 2020.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 19st day of May, 2020.

Attest: _____ Mayor Jeff Johnson

Human Resources / City Clerk

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2020, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct three single family homes (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the single-family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 6,071.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,692.00** in Water Availability Charges and **$ 3,379.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 2020 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $6,071.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 103 9th Ave SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: May 19, 2020
Subject: Engagement Letter for 2019 TIF Reporting

Background:
Minn. Stat. § 469.175, subd. 6, requires an annual reporting and disclosure of the sources and uses of tax increment financing (TIF) districts within the state of Minnesota as prescribed by the Office of the State Auditor. Statute further authorizes the cost of such reporting to be for thru tax increment collected by each district.

Recommendation:
Staff has reviewed the proposal and recommends approval

Request:
Consider Resolution Approving Engagement Letter for 2019 TIF Reporting

RESOLUTION 2020-XXX

APPROVING ENGAGEMENT LETTER FOR 2019 TIF REPORTING

WHEREAS, MN State Statutes require the City of Isanti to employ a certified public accounting firm to audit, examine and report upon the books and records of the accounts of the City; and,

WHEREAS, the City of Isanti, through Resolution 2016-298, designated the public accounting firm of Abdo, Eick & Meyers, LLP for their auditors for 2019,

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approve the proposal for 2019 TIF reporting in the amount of $500 per district. Costs will be allocated to each reported district as an accepted use of tax increment per state statute 469.175.

This resolution was duly adopted by the Isanti City Council this 19th day of May, 2020.

Management, Honorable Mayor, and City Council
City of Isanti
Isanti, Minnesota

Thank you for the opportunity to prepare your annual TIF reports for filing with the Office of the State Auditor (OSA). The filing deadline for the TIF reports is August 1. We will complete the reports during the months of the June and July. Our engagement is not to determine compliance with any legal requirements. If any arise, we will communicate any issues or difficulties observed to City Council in writing.

Annual TIF Report to the OSA, 2019 – **Per District**	$	500

We look forward to working with you in the very near future. Please call with questions or concerns.

Sincerely,
ABDO, EICK & MEYERS, LLP

MEMORANDUM

Date: May 12, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

Work began May 4, 2020 closing the TH 65 median. This median work is anticipated to be completed by the end of the month. They will then move to working on the Cajima Street east and west sides of TH 65.

2) 6th Avenue Rehabilitation

The contractor plans to begin work on this project in late August 2020 with work planned to be completed in mid to late October 2020.

3) 2020 Pavement Management Project

The contractor plans to complete all spot repairs on the pavement, sidewalk, and curb this month. They will return next month to complete the sealcoat and striping work.

4) 2020 Storm System Management Project

The majority of this project has been completed. Minor remaining items will be completed when the pond water level goes down.

5) Legacy Pines 2nd Addition

A pre-construction meeting is scheduled for May 14, 2020. The contractor plans to begin work the following week.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Mayor's Proclamation

City of Isanti

WHEREAS, 2020 gave way to unprecedented circumstances which have prohibited typical high school graduation, year-end activities and celebrations;

WHEREAS, Cambridge-Isanti High School seniors have exhibited incredible strength, resiliency, and Bluejacket pride;

WHEREAS, the class of 2020 makes our community and school system a fantastic place to live and learn;

WHEREAS, educators at Cambridge-Isanti High School work closely and passionately with our students and families to provide a wonderful education;

WHEREAS, the Cambridge-Isanti High School Class of 2020 makes our citizens proud of their commitment to responsible citizenship in this unprecedented time of COVID-19;

WHEREAS, the Class of 2020 will be our future leaders, pioneers, creators, motivators, and role models;

WHEREAS, the community of Cambridge-Isanti supports and congratulates all the students who will continue to influence our community long after this current crisis has ended;

NOW, THEREFORE, I, JEFF JOHNSON, MAYOR OF THE CITY OF ISANTI, do hereby proclaim that the week of June 1, 2020 as a Time of Appreciation for the Dedication of the Cambridge-Isanti High School Class of 2020 who have worked hard, preserved and risen to the challenges before them:

IN WITNESS WHEREOF I hereunto set my hand and cause the Seal of Isanti, Minnesota, to be herein affixed.

_____

Mayor Jeff Johnson

G.1.

City Administrator Josi Wood shared the Arts and Science Academy would like to have a Grab and Go event similar to K.2

Motion to approve Arts and Science Academy to have a Grab and Go event by Lundeen, seconded by Gordon. Motion passed 5-0. Motion carried.

J. Public Hearings

None

K. Business Items

1. Resolution 2020-XXX Consider the 3.2 Off-Sale Liquor License Application for Coborns *(Mary Kruck)*

Mayor Johnson asked if Mary Kruck from Coborns was in attendance virtually.

There was no response.

City Administrator Josi Wood recommended postponing K.1 to the end of the meeting to ensure a representative from Coborns was able to join the meeting virtually.

A motion was made by Gordon to approve resolution.

Wood stated that per city code a representative has to be present for approval for a liquor license.

A motion was made to postpone until the June 2nd City Council meeting, seconded by Lundeen. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. **Resolution 2020-102** Approving a Special Event Permit Application for a Grab and Go End of the Year Goodbye *(Shane Dordal and Mark Ziebarth)*

City Administrator Josi Wood shared that a special event permit application has been received for the Isanti Primary and Isanti Intermediate Schools for a goodbye sendoff for the teachers and students to say goodbye to each other as families come through for the grab n go lunches at both locations. Wood further shared that all require documentation has been submitted.

Shane Dordal and Mark Ziebarth shared that with COVID-19 the way of educating students has drastically changed. Dordal and Ziebarth continued to share that is an opportunity to say goodbye and wish them well for the Summer. Dordal and Ziebarth further shared that it is a big transition for students moving from Isanti Primary to Isanti Intermediate and Isanti Intermediate to move on to the Middle school and bring closure to an unusual school year. The purpose is to follow social distancing guidelines and spread school staff out around the property and wave at families as they pick up their gran n go meals and depart for Summer.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

D. Public Comment
None

E. Committee Meeting Items

1. Discussion on Summer Events
   - Events in June such as Street Dance, Mayors Luncheon and Fireworks as the fireworks date was slated for a day the coincided with Jubilee and Rodeo days but those events have been cancelled by the organizers.
   - Governors order is no gatherings of more than 10 people.
   - The Community Center is closed currently because due to Governor Walz's order of no gatherings of more than 10 people with the exception of senior dining and the blood drive.
   - The Lions Club is concerned if there is a limit of people
   - Staff requested Committee of the Whole's recommendation on Summer events.
   - Recommendation from Committee is to wait until the June 2th City Council meeting to discuss the street dance, request fireworks vendor to move fireworks to July 11th, Mayors Luncheon on June 17th to a later date that will be determined

and continue to keep the Community Center closed until the Governor's order is lifted to allow for more than 10 people in a gathering.

2. Liquor Updates
    - Gross Profit for the months of February to April was 27.54%.
    - March 18th, 2020 was the largest one day of sales ever at approximately $35,000 at the start of the pandemic.
    - March and April were both record breaking months with March sales at approximately $325,000 and April at $335,000.
    - The liquor store has been following CDC guidelines as close as possible since it is considered an essential business.
    - Public Works has put a split shield in front of the registers as well as provided gloves for all employees, regularly sanitizing doors and door handles and installed stickers on the floors to keep customers 6 feet apart.
    - The liquor store hours have been modified to Monday-Saturday 9 a.m.-8 p.m.
    - The liquor store has also enacted a credit card only form of payment that began April 6th, 2020.
    - 3 staff members are working at all times to monitor the number of customers in the store in order to adhere to social distancing guidelines.
    - The pet drive is currently going on for the month of May. Next month will be the 7th Annual "Support the Troops Drive" and will run from May 26th, 2020 through July 5th, 2020.
    - The liquor store has faced many out of stock issues since the pandemic but the suppliers are doing what they can to best accommodate.
    - Sales representatives have been calling in orders over the phone in order to stay out of the stores.
    - Since the Star Tribune article came out in January there have been 9 new wine customers and most of them are case buyers.
    - Beer distributers have lowered costs on bottle beer since the restaurants and bars are closed which helps raise gross profit.

3. Review Comp Plan Update
    - Public input was gathered at the beginning of the process in 2019 and an Open House was held in January 2020 on the draft plan.
    - At the March 17, 2020 public hearing a presentation was given by City staff and any concerns or questions by the public on the plan update were addressed.
    - No further recommendations were made from Committee.
4. Discussion Annex Property Enforcement
    - It was discussed at the December 2019 Committee of the Whole meeting general code enforcement on parcels recently annexed into the City.
    - The focus was mostly on parking and vehicles.
    - It was agreed that any outside storage of rubbish, junk, inoperable vehicles, miscellaneous refuse or garbage will be enforced immediately.
    - It was discussed at the February Committee of the Whole a rough draft of an ordinance amendment was presented.

- The draft included limits on size of vehicles and number of vehicles for parcels over 1-acre.
- The Committee openly discussed one member of the public that spoke at the meeting suggested that the current code be enforced when property ownership changed and until the people that live there are allowed to have what they currently have for vehicles, trailers etc. and Committee directed staff to look at the logistics of the idea.
- At the March Committee of the Whole meeting the Committee discussed this item and requested staff to draft an ordinance to review.
- Staff discussed ownership idea with the City Attorney and he explained that will be quite difficult to enforce.
- Staff suggested creating a specific zoning district for the annexed parcels that will allow for some of the concessions that Committee would like including driveways and number of vehicles/ trailers.
- The City Attorney suggested including all residential parcels over one acre south of Palomino.
- The proposed district maintains the same uses and general requirements of the R-1 zone but has different allowances for driveways and number of vehicles.
- Recommendation from Committee is to move forward with public hearing at Planning Commission meeting on June 16th, 2020 to adopt ordinance and then come back to City Council meeting for approval on July 7th, 2020.

5. Building Permit Fees
- In 2003 the City of Isanti adopted the State Building Code by ordinance and is regulated in Chapter 111 of the City Code which states "The application, and enforcement of this code shall be in accordance with the Minnesota State Building Code."
- Section 1300.0130 Sub. 3 of the State Building Code states "The building official shall receive applications, review construction documents and issue permits for the erection, alteration, demolition, moving and repair of buildings, structures, including all other equipment systems regulated by the code."
- Section 1300.0130 requires construction documents to be submitted for review.
- Building permit fees are set in the fee schedule that is adopted by the City Council on an annual basis.
- MN State Statute outlines a fee schedule that can be adopted or cities can adopt their own.
- City of Isanti schedule is very similar to what is in statute.
- The city's plan review fee is based on the statute.
- Recommendation from Committee is to discuss and review the fee schedule.

6. Discussion of COVID-19 Related Expectations for 2021 Budget
- Department Heads will begin meeting to review the budget for 2021.
- Evaluations for taxes payable are already locked into 2021 from January 2nd.
- Unemployment are near 25% may have some impact.
- No further recommendations were made from Committee.

7. Code Enforcement Process Discussion
    - Since 2016 if a complaint is received a letter is sent out and there is 14 days for the property owner to become compliant and after 14 days a citation is issued.
    - Staff requested guidance if Committee would like to continue with this process.
    - Recommendation from Committee is to bring back to Committee of the Whole meeting for future discussion.

F. Adjournment

Meeting was adjourned at 7:01 p.m.

Respectfully Submitted,

Jaden Moore

   - B. Request from Deanna Bunes for Rezoning property located at 201 Main Street from R3-A low density multiple family residential to B-1, Central Business District with D-1 Downtown overlay for an office use under City Ordinance 445, Section 23., Article 1, PID 16.050.0770: Sellman gave the staff report. One member of the public spoke during the public hearing and asked if all the properties were being rezoned. Staff clarified the rezoning was only for the property at 201 Main Street. Motion by Lundeen to approve, second by Collison, motion passed 6-0.

   - C. Request from Scott Boecker to amend the City Zoning Code, Ordinance 445, Section 7, Article 1 to include commercial recreation as a permitted use, under City Ordinance 445, Section 23., Article 1.: Sellman gave the staff report and explained that this amendment is only for the CBD district and not site specific. No one from the public spoke on this item. Motion by Lundeen to approve, second by Collison, motion passed 6-0.

4. **Other Business: None**

5. **Discussion Item**
   A. Impervious Surface Maximum: Sellman explained that complaints have been coming in about impervious surface maximums. This is an item that will be brought to the next Plannning Commission meeting for consideration.

6. **Adjournment:** Motion by Lundeen, second by Bergley to adjourn at 8:19pm. Motion passed 6-0.

Respectfully Submitted – Sheila Sellman Community Development

RESOLUTION 2020-XXX

DECLARING ISANTI, MN AS A BUSINESS-FRIENDLY COMMUNITY AND ENCOURAGING GOVERNOR WALZ TO ALLOW FOR THE SAFE REOPENING OF ALL MINNESOTA BUSINESSES

WHEREAS, the Isanti City Council is urging Governor Walz to allow all businesses, in the City of Isanti to reopen; and,

WHEREAS, the City has in place an emergency order for which no end date has been established; and,

WHEREAS, the "Stay at Home Order", and subsequent Orders, has caused undue hardship and financial loss to many small businesses, some whom will never recover from this catastrophe, as businesses continue to have financial strain due to health and business insurance, taxes, rent, utilities and other costs, with no source of revenue to cover those costs; and,

WHEREAS, all businesses can reasonably reopen as the "Orders" are not a one size fits all solution. "Critical" businesses, such as hardware and grocery stores, can stay open but must successfully follow the guidelines handed down by the MN Department of Health and the CDC; our City's non-critical businesses are just as capable of following those same guidelines; and,

WHEREAS, we firmly believe that all our businesses can reopen safely, and still provide adequate protection to our most vulnerable citizens;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Isanti Minnesota, hereby declares Isanti as a "Business Friendly Community" and respectfully requests that all our non-critical businesses be allowed to reopen without stringent regulations as soon as possible as we are concerned that some of those businesses may no longer be viable once the Governor allows them to do so;

BE IT FURTHER RESOLVED, that each business must prepare and post a Preparedness Plan on-site prior to reopening. The Plan must address the items contained in the MN Department of Health and CDC guidance.

This Resolution is hereby approved by the Isanti City Council this 2nd day of June, 2020.

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of City Council**

From: Katie Brooks, Human Resources/ City Clerk

Date: June 2, 2020

Subject: 3.2 Beer (Malt) Off-Sale Liquor License for Coborns, Inc.

Background:
Coborns, Inc. has submitted an application for a 3.2 Off-Sale Liquor License.

All Liquor License and applications are reviewed for completeness by staff, the license applicant has passed a background check by the Isanti Police Department.

Staff has received the completed application and the applicant has met the requirements outlined in City Code Chapter 76.

The effective date of the 3.2 Off-Sale Liquor License if approved shall be April 1, 2020 through March 31, 2021.

Action:
Staff is requesting City Council action on this item.

Attachment:
- Resolution 2020-XXX Approving the 3.2 Off-Sale Liquor License for Coborns, Inc.

RESOLUTION 2020-XXX

APPROVING THE 3.2 OFF-SALE LIQUOR LICENSE APPLICATION FOR COBORNS, INC.

WHEREAS, Coborns, Inc. has submitted an application for a 3.2 Off-Sale Liquor License; and,

WHEREAS, the applicant has completed the application for the City of Isanti and for the State of Minnesota and submitted proof of liquor liability and workers' compensation insurance; and,

WHEREAS, the Police Department has reviewed the application and made a recommendation for approval of the application;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that:

1. Coborns, Inc. 3.2 Off-Sale Liquor License is hereby approved.
2. The effective date of the 3.2 Off-Sale Liquor License shall be April 1, 2020 through March 31, 2021
3. Staff shall forward all necessary information to the State of Minnesota to complete the liquor license process.

This Resolution is hereby approved by the Isanti City Council this 2nd day of June 2020.

Request for City Council Action – MEMO DISCUSSION

To: Mayor Johnson and City Council Members

From: John Jacobi, Liquor Store Manager

Date: June 2, 2020

Subject: Discussion for Accepting Cash and Liquor Store Hours for June

---

Background:

During the last Committee of the Whole meeting, an inquiry was made into going back to accepting cash on June 1st. After discussing the issue with staff, I feel that they are comfortable doing so with current hand sanitizing practices in place.

Also discussed during the last Committee of the Whole meeting was returning to regular store hours on June 1st. Regular liquor store hours are Monday through Thursday 9:00 a.m. to 9:00 p.m., Friday through Saturday 9:00 a.m. to 10:00 p.m. and Sundays 11:00 a.m. to 6:00 p.m. After talking with staff and communicating with other local municipal liquor stores, I feel that the best option is to change the store hours to Monday thru Saturday 9am-9pm and Sunday 11am-4pm.

We have been facing an unusual amount of traffic and an increase in total sales during the last 3 months. The store sees the heaviest customer traffic between the hours of 2pm-6pm Monday thru Saturday. Sundays have seen 3 to 4 times the amount of sales and customers since the start of the pandemic. Both St. Francis and Cambridge have been closed on Sundays since the pandemic began. Cambridge and St. Francis will still be closed on Sundays in June. This has, and will continue to, put a burden on Sunday payroll since customer traffic requires us to put on an additional part time staff member to accommodate increased Sunday sales amounts. Since the pandemic began, we have increased sales $90,000 to $100,000 + per month, even with us not accepting cash and closing at 8pm. As shown in the attached reports, our busiest time frames are between 2pm-6pm Monday thru Saturday.

Request for City Council Action

To: Mayor Johnson and Members of City Council

From: Sheila Sellman, Community Development Director

Date: June 2, 2020

Subject: Ordinance Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business Districts, Article one, "B-1" Central Business District and Article two "B-2" General Business District, Subd. 2: Permitted Uses, to add mobile food units as a permitted use.

Background:

In February of this year the Council approved an ordinance amendment to Chapter 245 Peddlers Solicitors and Transient Merchants to include food trucks. The zoning code now needs to be updated to include food trucks as a permitted use within the B-1 and B-2 district as well as added definition.

The proposed amendment adds a definition of Mobile Food Unit to the zoning code definitions – "Mobile Food Unit - A food and beverage service establishment that is a vehicle mounted unit or free-standing food stand." This proposed definition aligns with City Code.

In addition, this amendment adds Mobile Food Units as a permitted use in the B-1 and B-2 zoning district which aligns with City Code.

The Planning Commission held a public hearing at their May 19, 2020 meeting, no one from the public spoke on this item. The Planning Commission recommends approval.

Request:

Consider approving the ordinance amendment

Attachments:

ORDINANCE NO. XXX

AN ORDINANCE AMENDING ORDINANCE NO 445 ZONING; SECTION 2 DEFINITIONS; SECTION 7 BUSINESS DISTRICTS, ARTICLE ONE, "B-1" CENTRAL BUSINESS DISTRICT AND ARTICLE TWO, "B-2" GENERAL BUSINESS DISTRICT, SUBDIVISION 2: PERMITTED USES, TO ADD MOBILE FOOD UNIT AS A PERMITTED USE

THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

Ordinance No. 445 Zoning, Section 2. Definitions are hereby amended to include the following:

Mobile Food Unit – A food and beverage service establishment that is a vehicle mounted unit or free-standing food stand.

II. AMENDMENTS

Ordinance No. 445, Zoning, Section 7: Business Districts, Article One, "B-1" Central Business District, Subdivision 2 Permitted Uses shall be hereby amended to add/delete the following:

P. Mobile Food Unit, providing that such use meets the requirements as provided within Chapter 245 of the Isanti Code of Ordinances.
~~P.~~ Q. Museums.
~~Q.~~ R. Personal service establishments.
~~R.~~ S. Print shops.
~~S.~~ T. Theater, indoor (not adult-use).
~~T.~~ U. Thrift store.

III. AMENDMENTS

Ordinance No. 445, Zoning, Section 7: Business Districts, Article Two, "B-2" General Business District, Subdivision 2 Permitted Uses shall be hereby amended to add/delete the following:

Y. Mobile Food Unit, providing that such use meets the requirements as provided within Chapter 245 of the Isanti Code of Ordinances.
~~Y.~~ Z. Personal service establishments.
~~Z.~~ AA. Print shop.
~~AA.~~ BB. Showroom.
~~BB.~~ CC. Theaters, indoor (not adult use).
~~CC.~~ DD. Thrift store.
~~DD.~~ EE. Tool / equipment rental facility (indoor only).

IV. EFFECTIVE DATE

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this ___ day of _____, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: June 2, 2020
Subject: Ordinance Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business District and Article two, "B-2" General Business District, Subd 3: Conditional uses, to add micro distillery cocktail room as a conditional use.

Background:
In February the City Council adopted an ordinance amending Chapter 76 Regulating the Possession, Sale and Consumption of Alcoholic Beverages. Included in that amendment was the addition of Micro Distillery Cocktail Room. The zoning code now needs to be updated to include the definition and use.

This Ordinance will add the definition of Micro Distillery Cocktail Room to the definitions section "Facility for on-sale of distilled liquor produced by the distiller for consumption on the premises of or adjacent to the location of owner's distillery pursuant to Minnesota Statute section 340A.22, as amended from time to time." This is in line with city code.

In addition to the definition the zoning code needs to add Micro Distillery Cocktail as a conditional use within the B-1 and B-2 district. This is in line with city code.

The Planning Commission held a public hearing at their May 19, 2020 meeting, no one from the public spoke on this item. The Commission recommends approval.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: June 2, 2020
Subject: Ordinance Amending the City Zoning Code, Ordinance 445, Section 6, Articles 1, 2, Subd. 6.B. Maximum Impervious Surface Coverage.

Overview/Background
Over the last few months staff has taken complaints from builders and developers about the maximum impervious surface of 25% in single family residential zones. The last couple of subdivisions have been approved with smaller lots yet the impervious surface maximum has remained at 25%. This is not a realistic percentage for the lots that have been approved. For example, in Legacy Pines there are lots as small as 7,814 square feet, with an average house of 1,514 square feet (foundation and garage are used to calculate impervious surface) the impervious surface has come in at 30% (this includes driveways) not only does this limit the size of the house, it also limits any sheds or patios for the lot. If they are limited to 25% the maximum house/garage and driveway would be 1,953.5 square feet.

The R-1 district has a minimum lot size requirement of 11,000 square feet (unless part of a PUD) 25% of that allows for 2,750 square feet of impervious surface. The R-2 district minimum lot size is 9,000 square feet 25% of that is 2,250 square feet of impervious surface.

The table below represents what surrounding cities requirements are.

City	Single Family Lot Size	Impervious
Isanti	*9,000 Sq ft – 11,000 sq.ft*	*25%*
Cambridge	9,400 sq ft – 11,000 sq ft	30%
Princeton	12,500 sq ft	30%
North Branch	10,800 sq ft – 15,000 sq feet	50%
St. Francis	10,800 sq ft – 14,000 sq ft	35%
Elk River	11,000 sq ft – 14,000 sq ft	25%
Milaca	10,000 sq ft	25%

Request:
Staff is requesting an ordinance amendment to increase the maximum impervious surface in the two Single Family Residential Districts.
The Planning Commission held a public hearing at their may 19, 2020 meeting and recommended increasing the maximum to 40%.

Background:
Public input was gathered at the beginning of this process in 2019 and an Open House was held in January, 2020 on the draft plan. At the March 17, 2020 public hearing a presentation was given by City staff and any concerns or questions by the public on the plan update were addressed. The Committee of the Whole reviewed the draft on May 19, 2020 and had no additional questions or comments.

The actual document is out for biding and will be distributed at the City Council meeting. A link will be available on our webpage and a paper copy is available at the front counter in City Hall.

Request:
Consider resolution to adopt the 2020 Comprehensive Land Use Plan Update.

RESOLUTION 2020-XXX

ADOPTING THE 2020 COMPREHENSIVE LAND USE PLAN UPDATE

WHEREAS, The City of Isanti adopted the 2008 Comprehensive Plan on November 20, 2007; and,

WHEREAS, The City of Isanti recognizes that the City must continue to grow and develop in a contiguous and sustainable pattern; and,

WHEREAS, the City of Isanti believes that the 2008 Comprehensive Plan is an expression of the community's overall vision and the goals, policies, and objectives provided in the Comprehensive Plan will guide future development and should be updated time to time; and,

WHEREAS, the City of Isanti is granted through Minnesota State Statues the right to prepare, adopt, and amend a Comprehensive Plan; and,

WHEREAS, the Planning Commission held a public hearing on March 17, 2020, to discuss the draft document and recommended approval of the 2020 Comprehensive Plan Update the motion carried unanimously; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that it adopts the 2020 Comprehensive Land Use Plan Update.

This resolution was duly adopted by the Isanti City Council this 2nd day of June, 2020

_____
Mayor Jeff Johnson

Attest:

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: June 16, 2020
Subject: Approving a COVID-19 Preparedness Plan

Per Executive Order 20-74, issued on June 5th, all critical sector businesses including municipalities are required to have an approved Preparedness Plan for the City. Staff has reviewed the requirements and to the best of their knowledge believe the attached plan meets all the requirements and guidance suggested.

Recommendation:
Staff is recommending approval of the attached Preparedness Plan.

Attachment:

- Preparedness Plan

COVID-19 Preparedness Plan for the City of Isanti

Overall General City Plan

Executive Order 20-74, issued by Gov. Tim Walz on June 5, 2020, requires critical sector businesses establish a "COVID-19 Preparedness Plan"

The City of Isanti is committed to providing a safe and healthy workplace for all our workers, customers, clients, patrons, guests and visitors. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic. All employees are all responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 in our workplaces, and that requires full cooperation among workers and management. Only through this cooperative effort can we establish and maintain the safety and health of our workers and workplaces.

City of Isanti department heads and supervisors have our full support in enforcing the provisions of this policy. The COVID-19 Preparedness Plan is administered by Josi Wood, City Administrator, who maintains the overall authority and responsibility for the plan. However, management and workers are equally responsible for supporting, implementing, complying with, and providing recommendations to further improve all aspects of this COVID-19 Preparedness Plan. The City of Isanti's managers and supervisors have full support enforcing the provisions of this plan.

Our workers are our most important asset. We are serious about safety and health and keeping our workers working at the City of Isanti. Worker involvement is essential in developing and implementing a successful COVID-19 Preparedness Plan. We have involved our workers in this process by providing gloves, masks and hand sanitizer upon request to all employees. Our Preparedness Plan follows Centers for Disease Control and Prevention (CDC) and Minnesota Department of Health (MDH) guidelines and federal OSHA standards related to COVID-19 and addresses:

- Ensuring sick workers stay home and prompt identification and isolation of sick persons
- Social distancing – Workers must be at least six-feet apart
- Worker hygiene and source controls
- Workplace building and ventilation protocol
- Workplace cleaning and disinfection protocol
- Drop-off, pick-up and delivery practices and protocol
- Communications and training practices and protocol

City of Isanti has reviewed and incorporated the industry guidance applicable to our business provided by the State of Minnesota for the development of this plan, including our industry of Municipal Government. Other conditions and circumstances included in the industry guidance and addressed in the plan that are specific to our business include:

- additional protections and protocols for customers, clients, guests, visitors: Plexiglass
- additional protections and protocols for personal protective equipment (PPE): Masks and gloves
- additional protections and protocol for distancing and barriers: stickers on the floor- 6 feet
- additional protections and protocols for managing occupancy: Max per Governors order
- additional protections for receiving or exchanging payment: Online payment options

Ensure sick workers stay home and prompt identification and isolation of sick persons: Screening Policies

Workers have been informed of and encouraged to self-monitor for signs and symptoms of COVID-19. The following policies and procedures are being implemented to assess workers' health status prior to entering the workplace and for workers to report when they are sick or experiencing symptoms. Prior to their work shift each employee will review the symptoms to self-determine any they may be experiencing: 1. Do you have a new or worsening cough? 2. Do you have shortness of breath? 3. Do you have a sore throat? 4. Do you have muscle aches? 5. Do you have a temperature? 6. Do you have new loss of taste and smell? 7. Do you have a headache or chills? Employees should contact their immediate supervisor if they believe that they are symptomatic before reporting to the workplace. Supervisors will report to the Human Resources department names of any employees reporting symptoms for follow-up. The Human Resources department will reach out to them for further instructions. Employees who are at work and begin to experience symptoms should call their immediate supervisor to make arrangements to be relieved of duty. Employees will work with the City to help identify other employees they have had close conduct with during the past 14 days. Employees are encouraged to contact their clinic for medical advice.

The City of Isanti has implemented "Covid leave" that promote workers staying at home when they are sick, when household members are sick, or when required by a health care provider to isolate or quarantine themselves or a member of their household. Employees will need to complete either a request form for Public Health Emergency Leave or Emergency Paid Sick Leave ("Covid Leave"). If qualified leave is approved, the hours granted will not be deducted from their sick, vacation, or personal leave banks. Leave granted under the Families First Coronavirus Response Act will run consecutively with FMLA. When requested by an employee and documentation from a medical professional considered at high-risk from exposure to COVID-19, the City will:

- Provide options for alternative work assignments such as telework, alternative work locations, reassignment, or social distancing measures. Options considered will be dependent by position type and essential functions of the position.
- Where alternative work assignments are not possible, permit a high-risk employee to use any of their accrued paid time off or take a leave of absence per the City's Personnel Policy.
- Maintain all employer-related health insurance benefits for employees already eligible for benefits until the employee is deemed eligible to return to work, even if the employee has exhausted all their own paid time off during the period of leave.

The City of Isanti will inform workers via email notification if they have been exposed to a person with COVID-19 at their workplace and requiring them to quarantine for the required amount of time. The City will try to determine which, if any, employees were exposed to COVID-19 and inform those employees in a timely manner. Those employees should refer to CDC guidance for how to conduct a risk assessment of their potential exposure.

All employee health information is private data. A limited number of employees are authorized to access this information. The information is secured in a locked location with only certain employees having access.

Social distancing – Workers must be at least six-feet apart

Social distancing of at least six-feet will be implemented and maintained between workers, customers, clients, patrons, guests and visitors in the workplace through the following engineering and administrative controls: Employees are encouraged to drive separately to a job site, remain aware of staying 6' away from other employees, and whenever possible wash hands for 20 seconds. The City will also provide hand sanitizer, disinfectant cleaner and gloves in each department. The city will provide manufactured or homemade PPE to the extent local suppliers are able to provide. Department Heads are encouraged and authorized to use flexible work hours and staggered shifts. Workers and visitors are prohibited from gathering in groups, and from using other workers' personal protective equipment, phones, computer equipment, desks, cubicles, workstations, offices or other personal work tools and equipment. If a piece of equipment is shared, employee is to properly clean the tool or computer when they are finished with it.

Worker hygiene and source controls

Basic infection prevention measures are being implemented at our workplaces at all times. Workers are instructed to wash their hands for at least 20 seconds with soap and water frequently throughout the day, but especially at the beginning and end of their shift, prior to any mealtimes and after using the toilet. All customers, clients, patrons, guests, visitors to the workplace are required to wash or sanitize their hands prior to or immediately upon entering the facility. Some workplaces may have hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) that can be used for hand hygiene in place of soap and water, as long as hands are not visibly soiled. Employees are provided hand sanitizer placed in the facility and soap in the restrooms to thoroughly wash their hands. (For more information on handwashing see appendix A)

Workers, customers, clients, patrons, guests and visitors are being instructed to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands. They should dispose of tissues in the trash and wash or sanitize their hands immediately afterward. Respiratory etiquette will be demonstrated on posters and supported by making tissues and trash receptacles available to all workers and visitors. Respiratory etiquette will be discussed when this policy is presented. (For more information on respiratory etiquette, see Appendix A)

Workplace building and ventilation protocol

Operation of the building in which the workplace is located, includes necessary sanitation, assessment and maintenance of building systems including water, plumbing, electrical and HVAC systems. The maximum amount of fresh air is being brought into the workplace, air recirculation is being limited, and ventilation systems are being properly used and maintained. Steps are also being taken to minimize air flow blowing across people. Employees are encouraged to open windows and prop open doors to produce outside air flow.

Workplace cleaning and disinfection protocol

Regular housekeeping practices are being implemented, including routine cleaning and disinfecting of work surfaces, equipment, tools and machinery, and areas in the work environment, including restrooms, break rooms, lunch rooms and meeting rooms. Frequent cleaning and disinfecting will be conducted in high-touch areas, such as phones, keyboards, touch screens, controls, door handles, railings, copy machines, etc. It is recommended to

clean high touch areas upon arrival at work, noon and before leaving work for the day, as well as immediate cleaning when sharing of equipment. Cleaning products are provided as they are available per local providers. Appropriate and effective cleaning and disinfectant supplies have been purchased and are available for use in accordance with product labels, safety data sheets and manufacturer specifications, and are being used with required personal protective equipment for the product.

Drop-off, pick-up and delivery practices and protocol

Regular practice of deliveries is implemented by delivery to the front desk practicing social distancing and staying on the opposing side of additional Plexiglass. If additional help is needed for large packages, help will be facilitated outside.

Communications and training practices and protocol

This Preparedness Plan was communicated verbally and a copy given to all workers by June 19, 2020 and necessary training was provided upon request. Additional communication and training will be ongoing as information evolves COVID-19, with and provided to all workers who did not receive the initial training. Managers and supervisors are to monitor how effective the program has been implemented by daily observation. Management and workers are to work through this new program together and update the training as necessary. This Preparedness Plan has been certified by City of Isanti City Council and was posted throughout the workplace June 19, 2020. It will be updated as necessary.

This COVID-19 Preparedness Plan was communicated verbally and a hard copy to all workers on June 19, 2020 and necessary training was provided. Additional communication and training will be ongoing as information evolves COVID-19, with and provided to all workers who did not receive the initial training.

Instructions will be communicated to all workers, including employees, temporary workers, staffing and labor-pools, independent contractors, subcontractors, vendors, and outside technicians, customers, clients, patrons, guests, visitors on protections and protocols, including but not limited to:

1) Social distancing protocols and practices

2) Drop-off, pick-up, delivery and general in-store shopping

3) Practices for hygiene and respiratory etiquette;

4) Recommendations or requirements regarding the use of masks, face-coverings, and/or face-shields by workers, customers, clients, patrons, guests, visitors. All workers, customers, clients, patrons, guests and visitors will also be advised not to enter the workplace if they are experiencing symptoms or have contracted COVID-19 by posted signs.

Managers and supervisors are expected to monitor how effective the program has been implemented by addressing concerns, offering reminders and leading by example. All management and workers are to take an active role and collaborate in carrying out the various aspects of this plan, and update the protections, protocols, work-practices, and training as necessary. This COVID-19 Preparedness Plan has been certified by City of Isanti City council and the City Administrator, Josi Wood, and the Plan was posted throughout the workplace and made

readily available to employees on June 19th, 2020. It will be updated as necessary by Josi wood, City Administrator.

City Administrator

Community Center Rental: Preparedness Plan

The City of Isanti is committed to providing a safe and healthy venue space for all renters and visitors to the Isanti Community Center. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic.

Renters must ensure the people within their group are informed of the guidelines that are in place for the Isanti Community Center. A copy is sent to the renter.

Renters/visitors exhibiting signs and symptoms of COVID-19

CDC guidance posters stating to not attend the event if you exhibit symptoms has been placed on the entrance door of the facility. All people entering the ICC should do a self-check and if anyone is showing signs of COVID-19, please do not enter the facility for the safety of all.

Handwashing

CDC guidance posters are placed throughout the facility instructing people to wash their hands for at least 20 seconds with soap and water frequently throughout the day. Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) that can be used for hand hygiene in place of soap and water, has been installed throughout the facility.

Respiratory etiquette: Cover your cough or sneeze

CDC guidance posters are placed throughout the facility instructing people to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands. They should dispose of tissues in the trash and wash or sanitize their hands immediately afterward.

Social distancing and Food

Social distancing has been communicated to all renters and guidance posters placed throughout the facility. Non family groups should be spaced 6' apart. The maximum capacity for the facility is 215 people. The City will modify what is allowed based on Governor's Orders. For events limited to 25% capacity, no event will be rented for more than 53 persons. For events limited to 50% capacity, no event will be rented for more than 107 persons.

Reserved and assigned seating is encouraged to limit interactions. Families should be grouped together.

Masks are encouraged to be worn for any person that serves food for the event. Communal serving of food (e.g. buffet-style, self service) is not permitted. If providing food, we recommend following safety guidelines as provided by the Minnesota Department of Health.

Housekeeping

Frequent cleaning and disinfecting protocols are being implemented at the facility. The renter is responsible for cleaning and disinfecting the facility once they are done. This includes the sanitizing of door handles, sink handles, all tables and chairs used and before being put away in storage. If you did not use any additional tables or chairs, please note that for us as a courtesy. If the kitchen area is used, it must be clearly communicated to the PRC Manager and before vacating the facility it must be sanitized after use which includes all handles, counters, sink, refrigerator, etc.

There will be a checklist provided that must be returned to receive your full deposit.

The City will do their best to provide ample amounts hand sanitizer, disinfectant cleaner, disposable towels and gloves for renters/visitors to use at the facility, however, renters are encouraged to bring their own cleaning supplies as amounts may get low and the City is not required to have all types of cleaning supplies provided at all times.

The City custodian will also clean between each event to ensure all surfaces have been disinfected.

Communication

This Preparedness Plan is communicated verbally and a copy given to all renters at the time they reserve the facility. A reminder is also given at the time they pick up their key.

City Events & Programs Preparedness Plan

The City of Isanti is committed to providing a safe and healthy event/program for all attendees. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic.

Attendees exhibiting signs and symptoms of COVID-19

CDC guidance posters stating to not attend the event/program if you exhibit symptoms will be placed on the City website and Facebook page advertising for the events. It will also be shared with all attendees for events that have registration. Attendees should do a self-check and if anyone is showing signs of COVID-19, please do not attend the event.

Handwashing

Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) will be provided in the portable restrooms, at each of the vendor food establishments, and at any communal program table(s).

Respiratory etiquette: Cover your cough or sneeze

CDC guidance posters instructing people to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands will be placed on the City website and Facebook advertising for the events. Masks are encouraged to be worn by attendees and for any person that serves food at the event.

Social distancing

Attendees are encouraged to follow all guidance and recommendations regarding social distancing. Social distancing of 6' between families will be encouraged to all attendees. The City will modify what is allowed for attendance based on Governor's Orders at the time of the event/program.

For events that allow for viewing from their vehicle (i.e. fireworks display), attendees are encouraged to remain in their vehicle to allow for safe social distancing.

Staff will wear a mask when performing programs indoors. Attendees are encouraged but not required.

Housekeeping

Program supplies will be sanitized between family groups and regularly during the program.

Frequent cleaning and disinfecting protocols will be required at the food vendor booths who attend the events. They are responsible to have a preparedness plan in place for their food establishment as required by the Governor's Order(s).

Picnic tables, tables, and program supplies will be sanitized throughout the event/program. Program supplies will not be shared between family groups. Attendees are encouraged to bring their own chairs to use. Food will not be provided to youth programming; families may bring their own if there is snack time.

Communication

This Preparedness Plan will be placed on the City website under the emergency preparedness and events page.

This City of Isanti Preparedness Plan was duly adopted by the Isanti City Council this 16th day of June, 2020.

I. Council Committee Reports
Councilmember Steve Lundeen shared that the Joint Powers Agreement has not proceeded.

Councilmember Dan Collison shared that Rum River BMX is now opening the doors for limited practice and by appointment.

J. Public Hearings
None

K. Business Items

1. Resolution 2020-109 Declaring Isanti a Business Friendly Community
City Administrator Josi Wood shared that she had received a request from Councilmember Gordon to include a resolution for discussion for the possible approval which is to state that the City of Isanti is a business friendly community and encourages Governor Walz to allow for the safe opening of all Minnesota businesses which include Isanti businesses.

Mayor Jeff Johnson shared that this was a serious pandemic and that all could agree that opening the city and defying the governors order would not be a good idea but sending this proclamation encouraging the governor to open would be a good idea.

Councilmember Gordon stated that he agreed that the proclamation was a step in the right direction.

Councilmember Dan Collison asked if there are any restaurants utilizing outdoor seating.

Johnson stated that the city has lost the Creamery Crossing and possibly Great Clips within the city however, yet to be confirmed. Johnson continued to share that he does not want to see anymore businesses lost within the city.

Community Development Director Sheila Sellman shared that she has seen one business utilizing outdoor seating. Sellman continued to share that they are not in the parking lot as they have enough space so the business did not have to do anything additional. Sellman went on to share that Great Clips is unconfirmed on closing but there have been stylists that have confirmed it but corporate has yet to confirm. Sellman further shared that she spoke with the owner of the Creamery Crossing and the closing is due to rent increase.

Councilor Steve Lundeen stated that the governor has had his hands full the past week.

Councilor Paul Bergley stated that if we do not open up the city will be losing more and more businesses.

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

2. Resolution 2020-XXX Off-Sale 3.2 Liquor License Application for Coborn's (*Mary Kruck)*
Mary Kruck shared that what they are asking for is the 3.2 license and the approval of the application. Kruck continued to share that this is one of the locations in the organization that does not sell 3.2 liquor and to this point is an option that Coborn's would like to offer their guests.

Liquor Store Manager John Jacobi shared that he has the gross profit and dollars that are made at the liquor store between two vendors showing 3.2 and NA profit. Jacobi continued to share that if this resolution is passed the city is giving up profit that goes back to the community and that is what the liquor store is all

about. Jacobi further shared that he has another vendor that has about $10,000 more of the profit so the city would be giving up a percentage of $45,000 profit.

Councilmember Dan Collison stated that a lot of Kwik Trips are equipped with 3.2 beer in their cooler as well.

Jacobi stated that city code does not allow for gas stations to sell 3.2 which is why Kwik Trip does not have it.

Councilmember Steve Lundeen stated that Cub Foods and Wal-Mart in Cambridge sell 3.2 liquor and he does not see it hurting the liquor store. Lundeen continued to share that

Councilmember Jimmy Gordon stated that he would be behind Coborn's to obtain a 3.2 liquor license and that it would be the right thing to do.

Motion by Gordon, second by Bergley to approve resolution as presented.

Collison that the liquor store earns money so taxes do not have to be raised that is why the city has a municipal liquor store. Collison further stated he is against anyone else having a 3.2 liquor license.

City Administrator Josi Wood shared that $350,000 per year gets transferred from the profits from the liquor store to the general fund which directly offsets tax increases.

Motion failed 2-3 with Collison, Lundeen and Mayor Johnson voting nay.

3. Summer Events Discussion
City Administrator Josi Wood shared that Governor Walz shared that there will be multiple phases throughout the stay safe plan. Wood continued to share that in the governors list of what will be allowed in the phases, outdoor entertainment such as movies in the park and concerts which is where the street dances would fit. In phase 2, which was in effect on June 1st, it was only allowed to have drive-in events. Phase 3 would be for potential for phased opening with capacity restrictions and social distancing requirements. Wood went on to share that the phase after that would be increase capacity. Staff would like to city council to discuss if June 20th street dance will be held with the guidelines. Wood further shared that there is no date on when the governor will be releasing phase 3 to start. Wood stated that the vendors would need to know by June 11th so they could plan for food, beer, etc. Staff has still not heard back from the band if they are calling it yes or themselves. Staff is looking for direction from city council.

Councilmember Bergley stated to cancel June and keep July and August.

Councilmember Collison asked if phase 2 started yesterday, June 1st.

Wood confirmed that phase 2 began June 1st.

Councilmember Steve Lundeen suggested moving June's street dance to August.

Wood stated that staff can asked the vendors but they need to know a decision by June 11th.

Motion Lundeen, second by Bergley to postpone the June street dance to August. Motion passed 4-1 with Gordon voting nay.

Liquor Store Manager John Jacobi

4. Discussion for Accepting Cash and Liquor Store Hours for June
Liquor Store Manager John Jacobi shared that during the Committee of the Whole meeting and inquiry was made to go back to accepting cash on June 1st. Jacobi continued to share that discussion with staff has determined they are comfortable with doing so with the current hand sanitizing practices in place. Jacobi further shared that it was also discussed at Committee of the Whole to return to regular store hours on June 1st. Regular store hours are Monday through Thursday 9 a.m. to 9 p.m., Friday and Saturday 9 a.m. to 10 p.m. and

Sunday 11 a.m. to 6 p.m. Jacobi stated that discussion with staff and communicating with other municipal liquor stores the best option is to change the hours to Monday through Saturday 9 a.m. to 9 p.m. and Sunday 11 a.m. to 4 p.m. Jacobi further stated that Cambridge is still closed on Sunday and St. Francis is closed on Sundays. The store sees the heaviest amount of traffic between 2 p.m. and 6 p.m. Monday through Saturday and three to four times the number of customers in the store on Sundays since the beginning of the pandemic.

Motion by Lundeen, second by Collison to approve liquor store hours to Monday through Saturday 9 a.m. to 9 p.m. and Sunday 11 a.m. to 4 p.m. Motion passed 4-1 with Gordon voting nay.

Community Development Director Sheila Sellman

5. **Ordinance-731** Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business Districts, Article one, "B-1" Central Business District and Article two "B-2" General Business District, Subd. 2: Permitted Uses, to add mobile food units as a permitted use.
   Community Development Director Sheila Sellman shared that in February an ordinance was passed updating the peddlers, solicitors and transient merchants code to include food trucks so now zoning code needs to be updated to include food trucks to provide a definition and allow as a permitted use in commercial districts. Sellman continued to share that a public hearing at the last Planning Commission meeting and Planning Commission recommends approval.

   Motion by Lundeen, second by Collison to approve ordinance as presented. Motion passed 5-0. Motion carried.

6. **Ordinance-732** Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business District and Article two, "B-2" General Business District, Subd 3: Conditional uses, to add micro distillery cocktail room as a conditional use.
   Community Development Director Sheila Sellman shared that in February an ordinance was adopted regulating the possession and sales of alcoholic beverages and added micro distillery cocktail room so now the definition needs to be added to zoning code and added as a use in the zoning code. It is recommended as a conditional use in the business district. Sellman further shared that Planning Commission held a public hearing in May and recommended approval.

   Councilmember Gordon asked if the liquor store has had any drop in sales since the distillery opened.

   Liquor Store Manager John Jacobi stated he does not believe any sales have been lost.

   Motion by Lundeen, second by Bergley to approve ordinance as presented. Motion passed 5-0. Motion carried.

7. **Ordinance-733** Amending the City Zoning Code, Ordinance 445, Section 6, Articles 1, 2, Subd. 6.B. Maximum Impervious Surface Coverage.
   Community Development Director shared that in the past few months there have been complaints from builders and developers about the city's impervious surface maximum coverage and right now it is 25%. Planning Commission discussed raising this and staff has suggested 30% and Planning Commission recommends increasing to 40% which aligns more with the size of the houses Isanti is getting. Staff recommends approval with the Planning Commission recommendation.

   Motion by Lundeen, second by Bergley to approve ordinance as presented. Motion passed 5-0. Motion carried.

8. **Resolution 2020-110** Adoption of Comprehensive Land Use Plan Update
   Community Development Director Sheila Sellman shared that Planning Commission held a public hearing for the Comprehensive Land Use Plan update and this is the final update for adoption.

   Motion by Lundeen, second by Bergley to approve ordinance as presented. Motion passed 5-0.
   Motion carried.

9. **Resolution 2020-111** Allowing In-Person Meetings of the City Council and Other City Meetings to Resume While Observing 6' Distancing
City Administrator Josi Wood shared that on March 25th of the city council meeting due to the unprecedented uncertain times of COVID-19 a local emergency was declared and per state statute it was impractical to hold meetings in person and meetings had gone virtually. Wood further shared that passing this resolution is to open meetings back up and no longer have virtual meetings however, will ensure 6' distancing where the public will be able to come in but on a first come basis.

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Consent Agenda

1. Accounts Payable in the Amount of $240,454.52 Payroll in the Amount of $116,767.37

M. Other Communications

None

Adjournment

Motion to adjourn by Lundeen, second by Bergley. Motion passed 5-0. Motion carried. The meeting was adjourned at 8:27 p.m.

Respectfully Submitted,

RESOLUTION 2020-XXX

APPROVING DOWNTOWN STREET DANCES FOR JUNE 20 AND SEPTEMBER 12, 2020

WHEREAS, City Council voted to postpone the original June 20 street dance due to the uncertainty of the Governor's Orders; and,

WHEREAS, the original June 20 street dance with The Farmer's Daughters will be held on Saturday, September 12, 2020; and,

WHEREAS, the Governor's Orders have been modified to allow for outdoor entertainment; and,

WHEREAS, the Council has determined that the City will hold a street dance for June 20 with the Bad Jacks band in the amount of $1,100.00; and,

WHEREAS, the City of Isanti will be hosting Downtown Street Dances to be held at the intersection of 1st Avenue and Main Street within downtown Isanti on June 20, July 18, August 8, and September 12, 2020 from 7:00 pm to 11:00 pm; and,

WHEREAS, the events are free and open to the public; and,

WHEREAS, the City of Isanti will require assistance from both the Police Department and Public Works Department for the events; and,

WHEREAS, City staff are requesting that the $100.00 clean up deposit fee and the $50.00 temporary sign permit fee be waived for all events; and,

WHEREAS, the vendor fee will be waived for the June 20 street dance as limited attendees may be required; and,

WHEREAS, the City will encourage social distancing and attendees to follow Orders set by the Governor;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby waive the $100.00 clean up deposit and $50.00 temporary sign permit fee and approve assistance and authority in the areas as provided below for the Street Dances to be held on June 20, July 18, August 8, and September 12, 2020:

1. Assistance from both Public Works and the Police Department for the event when necessary.
2. Closure of a portion of Main Street W beginning at the Railroad tracks to 2nd Ave NW. Closure of 1st Ave NW/SW from City Hall to the alley behind Custom Meats and the Post Office.
3. Placement of a stage within City right-of-way located between Isanti Retail Meats and the Creamery.
4. Parking to be provided at City Hall, public parking areas behind Isanti Custom Meats and the Post Office, and on City streets.
5. Ability to serve alcohol from a beer wagon and have designated food and non-food vendors present and located as shown on the site plan.
6. Allow a public address system and sound amplification for the bands.
7. No back up locations will be booked.
8. Placement of temporary directional signs on City property and private property (with property owner permission) to direct individuals to the event and parking areas.
9. The vendor fee be waived for the June 20 street dance.
10. Social distancing and other guidance by the Governor's Orders will be encouraged.

11. Funding for the $1,100.00 will be from 101-45300-499.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Events.

This Resolution hereby approved by the Isanti City Council this 16th day of June 2020

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of City Council**

From: Katie Brooks, Human Resources/ City Clerk

Date: June 16, 2020

Subject: 3.2 Beer (Malt) On-Sale Liquor License Renewal for Patlok Design, Inc DBA Sanbrook Golf Course.

Background:
Patlok Design, Inc DBA Sanbrook Golf Course has submitted an application for a 3.2 Off-Sale Liquor License Renewal.

The liquor license renewal application has been reviewed for completeness by staff, the license applicant has passed a background check by the Isanti Police Department.

Staff has received the completed application and the applicant has met the requirements outlined in City Code Chapter 76.

The effective date of the 3.2 Off-Sale Liquor License if approved shall be April 1, 2020 through March 31, 2021.

Action:
Staff is requesting City Council action on this item.

Attachment:

- Resolution 2020-XXX Approving an On-Sale 3.2 Percent Malt Liquor License to Patlok Design, Inc. DBA Sanbrook Golf Course

RESOLUTION NO. 2020-XXX

AUTHORIZING AN ON-SALE 3.2 PERCENT MALT LIQUOR LICENSE TO PATLOK DESIGN, INC. DBA SANBROOK GOLF COURSE

WHEREAS, Minnesota Statute provides for the licensing of 3.2 Percent Malt Liquor Licenses; and,

WHEREAS, City Code Chapter 76, Article IV provides for the licensing of 3.2 Percent Malt Liquor; and,

WHEREAS, said license would be considered a renewal of their 3.2 Percent Malt Liquor License which is valid for all days of the week and does not require a separate license for Sunday sales; and,

WHEREAS, the applicant has completed the renewal application for the City of Isanti and for the State of Minnesota and submitted proof of liquor liability and workers' compensation insurance; and,

WHEREAS, all taxes and assessments against the property are current; and,

WHEREAS, the applicant has no delinquent City fees; and,

WHEREAS, the applicant has passed a police activity review; and,

WHEREAS, the Police Department has reviewed the renewal application and that the applicant has not been cited during the past five years for any state/local liquor law violations;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The renewal of a 3.2 Percent Malt Liquor On-Sale license valid on all days of the week including Sundays for the period from April 1, 2020 to March 31, 2021 to Patlok Design, Inc. doing business under the assumed trade name of Sanbrook Golf Course, located at 1260 County Road 5 NE, Isanti Minnesota 55040, is hereby approved.

2. An on-sale 3.2 Percent Malt Liquor On-Sale license valid on all days of the week including Sundays is hereby granted, subject to and condition upon compliance by the licensee with all conditions applicable to such licensees under the laws of the State of Minnesota and City Ordinance.

3. Staff shall forward all necessary information to the State of Minnesota to complete the 3.2 Percent Malt Liquor On-Sale

license process.

4. That the Mayor and City Clerk are hereby authorized to sign all required documents to provide for the issuance of the on-sale 3.2 Percent Malt Liquor On-Sale license in accordance with the provisions hereof.

This Resolution is hereby approved by the Isanti City Council this 16th day of June 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: June 16, 2020
Subject: Approving a COVID-19 Preparedness Plan

Per Executive Order 20-74, issued on June 5th, all critical sector businesses including municipalities are required to have an approved Preparedness Plan for the City. Staff has reviewed the requirements and to the best of their knowledge believe the attached plan meets all the requirements and guidance suggested.

Recommendation:
Staff is recommending approval of the attached Preparedness Plan.

Attachment:

- Preparedness Plan

COVID-19 Preparedness Plan for the City of Isanti

I. Overall General City Plan

Executive Order 20-74, issued by Gov. Tim Walz on June 5, 2020, requires critical sector businesses establish a "COVID-19 Preparedness Plan"

The City of Isanti is committed to providing a safe and healthy workplace for all our workers. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic. All employees are all responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 in our workplaces, and that requires full cooperation among workers and management. Only through this cooperative effort can we establish and maintain the safety and health of our workers and workplaces.

City of Isanti department heads and supervisors have our full support in enforcing the provisions of this policy.

Our workers are our most important asset. We are serious about safety and health and keeping our workers working at the City of Isanti. Worker involvement is essential in developing and implementing a successful COVID-19 Preparedness Plan. We have involved our workers in this process by providing gloves, masks and hand sanitizer upon request to all employees. Our Preparedness Plan follows Centers for Disease Control and Prevention (CDC) and Minnesota Department of Health (MDH) guidelines and federal OSHA standards related to COVID-19 and addresses:

- hygiene and respiratory etiquette;
- engineering and administrative controls for social distancing;
- housekeeping – cleaning, disinfecting and decontamination;
- prompt identification and isolation of sick persons;
- communications and training that will be provided to managers and workers; and
- management and supervision necessary to ensure effective implementation of the plan.

Screening and policies for employees exhibiting signs and symptoms of COVID-19

Workers have been informed of and encouraged to self-monitor for signs and symptoms of COVID-19. The following policies and procedures are being implemented to assess workers' health status prior to entering the workplace and for workers to report when they are sick or experiencing symptoms. Prior to their work shift each employee will review the symptoms to self-determine any they may be experiencing: 1. Do you have a new or worsening cough? 2. Do you have shortness of breath? 3. Do you have a sore throat? 4. Do you have muscle aches? 5. Do you have a temperature? 6. Do you have new loss of taste and smell? 7. Do you have a headache or chills? Employees should contact their immediate supervisor if they believe that they are symptomatic before reporting to the workplace. Supervisors will report to the Human Resources department names of any employees reporting symptoms for follow-up. The Human Resources department will reach out to them for further instructions. Employees who are at work and begin to experience symptoms should call their immediate supervisor to make arrangements to be relieved of duty. Employees will work with the City to help identify other employees they have had close conduct with during the past 14 days. Employees are encouraged to contact their clinic for medical advice.

The City of Isanti has implemented "Covid leave" that promote workers staying at home when they are sick, when household members are sick, or when required by a health care provider to isolate or quarantine themselves or a member of their household. Employees will need to complete either a request form for Public Health Emergency Leave or Emergency Paid Sick Leave ("Covid Leave"). If qualified leave is approved, the hours granted will not be deducted from their sick, vacation, or personal leave banks. Leave granted under the Families First Coronavirus Response Act will run consecutively with FMLA. When requested by an employee and documentation from a medical professional considered at high-risk from exposure to COVID-19, the City will:

- Provide options for alternative work assignments such as telework, alternative work locations, reassignment, or social distancing measures. Options considered will be dependent by position type and essential functions of the position.
- Where alternative work assignments are not possible, permit a high-risk employee to use any of their accrued paid time off or take a leave of absence per the City's Personnel Policy.
- Maintain all employer-related health insurance benefits for employees already eligible for benefits until the employee is deemed eligible to return to work, even if the employee has exhausted all their own paid time off during the period of leave.

The City of Isanti will inform workers via email notification if they have been exposed to a person with COVID-19 at their workplace and requiring them to quarantine for the required amount of time. The City will try to determine which, if any, employees were exposed to COVID-19 and inform those employees in a timely manner. Those employees should refer to CDC guidance for how to conduct a risk assessment of their potential exposure.

All employee health information is private data. A limited number of employees are authorized to access this information. The information is secured in a locked location with only certain employees having access.

Handwashing

Basic infection prevention measures are being implemented at our workplaces at all times. Workers are instructed to wash their hands for at least 20 seconds with soap and water frequently throughout the day, but especially at the beginning and end of their shift, prior to any mealtimes and after using the toilet. Some workplaces may have hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) that can be used for hand hygiene in place of soap and water, as long as hands are not visibly soiled. Employees are provided hand sanitizer placed in the facility and soap in the restrooms to thoroughly wash their hands. (For more information on handwashing see appendix A)

Respiratory etiquette: Cover your cough or sneeze

Workers and visitors are being instructed to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands. They should dispose of tissues in the trash and wash or sanitize their hands immediately afterward. Respiratory etiquette will be demonstrated on posters and supported by making tissues and trash receptacles available to all workers and visitors. Respiratory etiquette will be discussed when this policy is presented. (For more information on respiratory etiquette, see Appendix A)

Social distancing

Social distancing is being implemented in the workplace through the following engineering and administrative controls: Employees are encouraged to drive separately to a job site, remain aware of staying 6' away from other employees, and whenever possible wash hands for 20 seconds. The City will also provide hand sanitizer, disinfectant cleaner and gloves in each department. The city will provide manufactured or homemade PPE to the extent local suppliers are able to provide. Department Heads are encouraged and authorized to use flexible work hours and staggered shifts. Workers and visitors are prohibited from gathering in groups, and from using other workers' personal protective equipment, phones, computer equipment, desks, cubicles, workstations, offices or other personal work tools and equipment. If a piece of equipment is shared, employee is to properly clean the tool or computer when they are finished with it.

Housekeeping

Regular housekeeping practices are being implemented, including routine cleaning and disinfecting of work surfaces, equipment, tools and machinery, and areas in the work environment, including restrooms, break rooms, lunch rooms and meeting rooms. Frequent cleaning and disinfecting will be conducted in high-touch areas, such as phones, keyboards, touch screens, controls, door handles, railings, copy machines, etc. It is recommended to clean high touch areas upon arrival at work, noon and before leaving work for the day, as well as immediate cleaning when sharing of equipment. Cleaning products are provided as they are available per local providers.

Communications and training

This Preparedness Plan was communicated verbally and a copy given to all workers by June 19, 2020 and necessary training was provided upon request. Additional communication and training will be ongoing as information evolves COVID-19, with and provided to all workers who did not receive the initial training. Managers and supervisors are to monitor how effective the program has been implemented by daily observation. Management and workers are to work through this new program together and update the training as necessary. This Preparedness Plan has been certified by City of Isanti City Council and was posted throughout the workplace June 19, 2020. It will be updated as necessary.

II. Community Center Rental Preparedness Plan

The City of Isanti is committed to providing a safe and healthy venue space for all renters and visitors to the Isanti Community Center. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic.

Renters must ensure the people within their group are informed of the guidelines that are in place for the Isanti Community Center. A copy is sent to the renter.

Renters/visitors exhibiting signs and symptoms of COVID-19

CDC guidance posters stating to not attend the event if you exhibit symptoms has been placed on the entrance door of the facility. All people entering the ICC should do a self-check and if anyone is showing signs of COVID-19, please do not enter the facility for the safety of all.

Handwashing

CDC guidance posters are placed throughout the facility instructing people to wash their hands for at least 20 seconds with soap and water frequently throughout the day. Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) that can be used for hand hygiene in place of soap and water, has been installed throughout the facility.

Respiratory etiquette: Cover your cough or sneeze

CDC guidance posters are placed throughout the facility instructing people to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands. They should dispose of tissues in the trash and wash or sanitize their hands immediately afterward.

Social distancing and Food

Social distancing has been communicated to all renters and guidance posters placed throughout the facility. Non family groups should be spaced 6' apart. The maximum capacity for the facility is 215 people. The City will modify what is allowed based on Governor's Orders. For events limited to 25% capacity, no event will be rented for more than 53 persons. For events limited to 50% capacity, no event will be rented for more than 107 persons.

Reserved and assigned seating is encouraged to limit interactions. Families should be grouped together.

Masks are encouraged to be worn for any person that serves food for the event. Communal serving of food (e.g. buffet-style, self service) is not permitted. If providing food, we recommend following safety guidelines as provided by the Minnesota Department of Health.

Housekeeping

Frequent cleaning and disinfecting protocols are being implemented at the facility. The renter is responsible for cleaning and disinfecting the facility once they are done. This includes the sanitizing of door handles, sink handles, all tables and chairs used and before being put away in storage. If you did not use any additional tables or chairs, please note that for us as a courtesy. If the kitchen area is used, it must be clearly communicated to the PRC Manager and before vacating the facility it must be sanitized after use which includes all handles, counters, sink, refrigerator, etc.

There will be a checklist provided that must be returned to receive your full deposit.

The City will do their best to provide ample amounts hand sanitizer, disinfectant cleaner, disposable towels and gloves for renters/visitors to use at the facility, however, renters are encouraged to bring their own cleaning supplies as amounts may get low and the City is not required to have all types of cleaning supplies provided at all times.

The City custodian will also clean between each event to ensure all surfaces have been disinfected.

Communication

This Preparedness Plan is communicated verbally and a copy given to all renters at the time they reserve the facility. A reminder is also given at the time they pick up their key.

III. City Events & Programs Preparedness Plan

The City of Isanti is committed to providing a safe and healthy event/program for all attendees. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic.

Attendees exhibiting signs and symptoms of COVID-19

CDC guidance posters stating to not attend the event/program if you exhibit symptoms will be placed on the City website and Facebook page advertising for the events. It will also be shared with all attendees for events that have registration. Attendees should do a self-check and if anyone is showing signs of COVID-19, please do not attend the event.

Handwashing

Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) will be provided in the portable restrooms, at each of the vendor food establishments, and at any communal program table(s).

Respiratory etiquette: Cover your cough or sneeze

CDC guidance posters instructing people to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands will be placed on the City website and Facebook advertising for the events. Masks are encouraged to be worn by attendees and for any person that serves food at the event.

Social distancing

Attendees are encouraged to follow all guidance and recommendations regarding social distancing. Social distancing of 6' between families will be encouraged to all attendees. The City will modify what is allowed for attendance based on Governor's Orders at the time of the event/program.

For events that allow for viewing from their vehicle (i.e. fireworks display), attendees are encouraged to remain in their vehicle to allow for safe social distancing.

Staff will wear a mask when performing programs indoors. Attendees are encouraged but not required.

Housekeeping

Program supplies will be sanitized between family groups and regularly during the program.

Frequent cleaning and disinfecting protocols will be required at the food vendor booths who attend the events. They are responsible to have a preparedness plan in place for their food establishment as required by the Governor's Order(s).

Picnic tables, tables, and program supplies will be sanitized throughout the event/program. Program supplies will not be shared between family groups. Attendees are encouraged to bring their own chairs to use. Food will not be provided to youth programming; families may bring their own if there is snack time.

Communication

This Preparedness Plan will be placed on the City website under the emergency preparedness and events page.

This City of Isanti Preparedness Plan was duly adopted by the Isanti City Council this 16th day of June, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: June 16, 2020
Subject: Call for Public Hearing -nuisance abatement 105 Railroad Ave

---

Background:
In Spring 2019 the exterior wall at 105 Railroad Ave collapsed. The owner pulled a building permit to fix the wall in August 2019, the roof sustained some damage as well and is required to be repaired. Permits are valid for 180 days, which stay valid as long as you are making visible progress. The owner's of the building have been working on these repairs for 10 months. MNSPECT has had several conversations and written correspondence with the owner about the repairs and the timing. The wall has been repaired, but is not complete the outside still needs weather barrier and siding (that is consistent with code requirements) and the re-roof is not complete. The last written correspondence from the owner when asked when it would be complete was in January and they stated that the roof would be completed weather permitting. That was six months ago and the weather has been nice enough to complete this project.

Staff has sent the owner a final letter indicating that if the roof is not complete by June 15, 2020 the City Council may take action. There are a couple different actions the council can take to gain compliance. This building has become a public nuisance and is potentially unsafe. Staff is presenting the council with the following options:

1. The City Council can call for a public hearing to do a nuisance abatement per city code 216-2 which would allow the City to complete the project and assess back to the property owner.

1) The Building Official can declare the building unsafe/public nuisance. Once that is declared, the Council can order repairs to be done or order the building to be demolished. There are more legal steps with this process which will take longer than what is outlined above.

Request:
City Council call for a Public Hearing at the next City Council meeting for an immediate nuisance abatement.

A Community For Generations.

Isanti

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: June 16, 2020
Subject: Resolution Authorizing Purchase of Generators for City Facilities

Background:
Generators are necessary at our facilities to prevent power outages during an emergency situation. Generators at our lift stations would prevent backups of sewage into homes and businesses. Generators at the Public Works Shop as well as the Police Department would be a necessity for staff to continue working during a complete power outage. Without power at these facilities staff would not be able to manage the situation and could cause it to escalade. A Generator at the Isanti Community Center would be needed as part of our Emergency Operations Plan and would be utilized as a shelter. The portable generator would be used at City Hall and a transfer switch would need to be added to make that feasible.The 2020 Capital Improvement Plan (CIP) included funds to add generators to these facilities. Staff reached out to vendors for quotes and was able to receive one quote. The Quote was from Advanced Power Systems totaling $293,253.00 which includes state bid pricing. Public Works will be pouring the concrete pads for the generators to sit on totaling $5,000.00. The budgeted amount in the Capital Improvement Plan for all the generators is $324,450.00

Location	Quote
ICC	$22,945.00
PD / Well I	$38,100.00
PW Shop	$36,900.00
8th Ave LS	$23,900.00
City Hall Transfer Switch	$11,848.00
Rum River, Carlson, Deer Haven, Palomino, Subway, BMX, East Dual, Unity Lift Stations	$19,945.00 each

Recommendation:
Staff is recommending that we accept the quote from Advanced Power Systems for the purchase of generators for City facilities.

Request:
Staff is requesting action on this item.

Attachments:
Quotes from Advanced Power Systems
Resolution 2020-XXX Authorizing the Purchase of Generators for City Facilities
Example of what the Generators look like

RESOLUTION 2020-XXX

RESOLUTION AUTHORIZING THE PURCHASE OF GENERATORS FOR CITY FACILITIES

WHEREAS, the 2020 Capital Improvement Plan has $324,450.00 for the purchase of generators for the Police Dept., PW Shop, ICC, and nine remaining Lift Stations; and,

WHEREAS, the generators are a necessity in an emergency situation where power is lost; and,

WHEREAS, City Hall would have a transfer switch installed so that the portable generator could be utilized; and

WHEREAS, staff solicited quotes and received one quote from Advanced Power Systems in the amount of $293.253.00; and,

WHEREAS, the quote received will utilize state bid pricing; and,

WHEREAS, Public Works will pour the concrete pads at a cost of $5,000.00; and,

WHEREAS, the total project cost will include a 5% contingency; and,

WHEREAS, funding sources would be Streets 920-43100-500, Municipal Building 920-41941-500, Police 920-42110-500, Sewer 602-49450-500, Water 601-49400-500;

WHEREAS, the budget shall be amended to reflect the shared use of the generator to be located near the Police Station and Well 1. The Budget shall be amended to reduce expenditures in 920-42110-500 by $19,050.00 and increase expenditures in 601-49400-500 by $19,050.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the quote from Advanced Power Systems in the amount of $293,253.00 with a total project cost of $313,165.65 including the 5% contingency with the funding source identified as Streets, Police, Water, Municipal Building (500) and amend the budget. Authorize the City Administrator to sign for acceptance of quotes. Authorize staff to direct installation at the specified locations. Authorize staff to include the generators on the City's liability policy.

This resolution was duly adopted by the Isanti City Council this 16th day of June, 2020.

Owner's Manual: Print Copy (Qty 2)

Warranty: 2 Year / 2000 Hour

Freight: Included

Installation: Electrical Installation Included

Startup: Training Included

Price Total: $23,900

Sales Tax: TBD

Payment Terms: Net 30

Lead Time: 12 Weeks

Terms & Conditions:

- This quote is valid for a period of 30 days.

- This proposal is our interpretation of your requirement. It includes only the items listed on this quotation. Should there be other requirements or specifications, we will re-quote accordingly.
- Units are shipped wet to include lube oil and 50/50 water and antifreeze mix unless otherwise noted in this quotation.
- Quoted prices include normal testing, packaging, and instructional literature.
- It is the distributor/purchaser and end user's responsibility to ensure that this equipment is operated in accordance with all applicable local, state, and federal laws and regulations governing the use and operation of this equipment.

Quote Date: 04/13/2020

Project Title: Rum River, Arabian, East Duel, BMX, Carlson, Unity, Deer Haven Lift Stations

Prepared for: City of Isanti (Matt Sylvester)

Engine Model: John Deere 4048D 30kW Standby Power Rating at 1800 RPM

Gen Model: Blue Star/Marathon 30KW 12 Lead Wired 120/208V 3 Phase Low Wye 130°C Rise Over 27°C Ambient

Fuel: Diesel

CSA Approved: Yes/ UL2200

Voltage: 120/208V 3 Phase 60Hz

Voltage Regulator: Marathon DVR2000E+ Digital Voltage Regulator with PMG Excitation Automatic Voltage Regulator

Control Panel: Blue Star DGC-2020 Microprocessor Based Gen-Set Controller Mounted Facing Left from Generator End (Unless Specified Otherwise) Standard Features: Low Oil Pressure, High Coolant Temp, Overspeed, Overcrank Shutdowns Emergency Stop Pushbutton, Audible Alarm Buzzer with Silencing Switch Optional Features Include: Generator Protection (Undervoltage, Overvoltage, Underfrequency, Overfrequency, Overcurrent)

Enclosure: Level 2 (Weather Proof Enclosure with Foam) Powder Coated 14 Gauge Steel Rugged and Durable 150 MPH Wind Rated Enclosure Pitched Roof for Increased Structural Integrity and Improved Watershed Punched Intake with Baffle and Punched Exhaust Openings Keyed Alike Lockable Doors with Draw Down Latches and Stainless Steel Component Hinges Additional 1.5" Thick Polydamp Type D Acoustical Foam (PAF) Formed Steel Base with Mounting and Lifting Holes. Includes Vibration Mount

Sound Attenuation: Sound Attenuation Installed in Enclosure

Cooling: Unit Mounted Radiator (50°C Ambient)

Mainline Breaker: Optional Breaker Required OPTIONS: (1) 100A 3P 480V with Auxiliary Contact and Shunt Trip.

Jacket Water Heater: Engine Block Heater 1500W 120VAC Rated for -20°F Heater Installed with isolation valves and wired to terminal

Silencer: Critical Grade Compact (CPJ Series) Silencer Mounted to Engine

Battery: 12 Volt System with Rack and Cables

Battery Charger: 12 Volt 6 Amp Mounted and Wired

Fuel Tank: 24 Hour / 120 Gallon UL 142 Listed Sub-Base Fuel Tank with Stub-up Area Double Wall Construction with Secondary Containment Standard Includes: Supply & Return Connections, Fuel Level Gauge, Fuel Leak Switch and Fill & Vent Plumbed

ATS #1: Asco 300 Series. 120/208V. 100A. 3 Pole Nema 3R

Factory Test: Standard Commercial Testing Includes: Verification of Alarm Shutdowns, Voltage Settings, Block Loading to Rated kW and PF

Owner's Manual: Print Copy (Qty 2)

Warranty: 2 Year / 2000 Hour

Freight: Included

Installation: Electrical Installation Included

Startup: Training Included

Price Total: $19,945.00

Sales Tax: TBD

Payment Terms: Net 30

Lead Time: 12 Weeks

Project Title: Well#1 & Police Station

Prepared for: City of Isanti (Matt Sylvester)

Engine Model: John Deere 1104D-E44TAG2 60kW Standby Power Rating at 1800 RPM Governor - Electronic Isochronous

Gen Model: Blue Star/Marathon 60KW 12 Lead Wired 277/480V 3 Phase Low Wye 130°C Rise Over 27°C Ambient

Fuel: Diesel

CSA Approved: Yes/ UL2200

Voltage: 277/480V 3 Phase 60Hz

Voltage Regulator: Marathon DVR2000E+ Digital Voltage Regulator with PMG Excitation Automatic Voltage Regulator

Control Panel: Blue Star DGC-2020 Microprocessor Based Gen-Set Controller Mounted Facing Left from Generator End (Unless Specified Otherwise) Standard Features: Low Oil Pressure, High Coolant Temp, Overspeed, Overcrank Shutdowns Emergency Stop Pushbutton, Audible Alarm Buzzer with Silencing Switch Optional Features Include: Generator Protection (Undervoltage, Overvoltage, Underfrequency, Overfrequency, Overcurrent)

Enclosure: Level 2 (Weather Proof Enclosure with Foam) Powder Coated 14 Gauge Steel Rugged and Durable 150 MPH Wind Rated Enclosure Pitched Roof for Increased Structural Integrity and Improved Watershed Punched Intake with Baffle and Punched Exhaust Openings Keyed Alike Lockable Doors with Draw Down Latches and Stainless Steel Component Hinges Additional 1.5" Thick Polydamp Type D Acoustical Foam (PAF) Formed Steel Base with Mounting and Lifting Holes. Includes Vibration Mount

Sound Attenuation: Sound Attenuation Installed in Enclosure and Exhaust Hood

Cooling: Unit Mounted Radiator (50°C Ambient)

Mainline Breaker: Optional Breaker Required OPTIONS: (1) 350A 3P 480V with Auxiliary Contact and Shunt Trip.

Jacket Water Heater: Engine Block Heater 1500W 120VAC Rated for -20°F Heater Installed with isolation valves and wired to terminal

Silencer: Critical Grade Compact (CPJ Series) Silencer Mounted to Engine

Battery: 12 Volt System with Rack and Cables

Battery Charger: 12 Volt 6 Amp Mounted and Wired

Fuel Tank: 24 Hour / 150 Gallon UL 142 Listed Sub-Base Fuel Tank with Stub-up Area Double Wall Construction with Secondary Containment Standard Includes: Supply & Return Connections, Fuel Level Gauge, Fuel Leak Switch and Fill & Vent Plumbed

ATS #1: Asco 300 Series. 480V. 600A. 3 Pole Nema 1

ATS #2: Asco 300 Series. 120/240V. 200A. 3 Pole Nema 3R

Also Included In Price: Transformer to step down the voltage from the generator for the Police Station.

Factory Test: Standard Commercial Testing Includes: Verification of Alarm Shutdowns, Voltage Settings, Block Loading to Rated kW and PF

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: June 16, 2020
Subject: Approving an Agreement for Services for Position Classification and Compensation Study

---

Council approved a position classification and compensation study titled "comparative worth study" in the 2020 Budget in the amount of $25,000. On May 26, Council authorized Staff to advertise the request for proposals for such study. Eight proposals were received. Staff reviewed the proposals and spoke to the finalist they felt met all the criteria and also outlined how the City could save money by indicating what services staff could do internally.

Recommendation:
Staff is recommending to enter into an agreement with Abdo, Eick & Meyer in an amount, not to exceed, $25,000 for the position classification and compensation study.

Attachments:
- Resolution 2020-XXX
- Proposals received

RESOLUTION 2020-XXX

APPROVING AN AGREEMENT FOR SERVICES FOR POSITION CLASSIFICATION AND COMPENSATION STUDY WITH ABDO, EICK & MEYER

WHEREAS, the 2020 budget includes funds for a classification and compensation study in the amount of $25,000 to develop a complete and equitable compensation structure, ensure MN Pay Equity compliance, develop knowledge for recruitment and retention and to assess the overall compensation of all City employees; and,

WHEREAS, the City of Isanti advertised, in the official newspaper, for requests for proposals from qualified service consultant for a position classification and compensation study on May 26, 2020; and,

WHEREAS, eight proposals where received and are attached:

Consultant	Base Quotation not including optional/additional expenses
Abdo, Eick & Meyer	**$17,600**
Bakertilly	$14,500
David Drown	$17,000
Flaherty Hood	$21,500
Gallagher	$35,750
GovHR	$21,250
MGT Consulting	$19,430
Segal	$37,500

WHEREAS, after a thorough review and careful consideration for services offered, including information on how staff can reduce costs by working with the service consultant, staff recommends entering into an agreement with Abdo, Eick & Meyer;

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the following:

1. Authorize the City Administrator to sign an agreement with Abdo, Eick & Meyer for position classification and compensation study services in an amount, not to exceed, $25,000.
2. Authorize the City Administrator to execute necessary steps to achieve success for the study including collaboration with all City Staff to evaluate each position duties and revise/update job descriptions to ensure accuracy and compliance with Federal and State regulations.
3. Authorize the City Administrator to work with the consultant to develop an implementation plan for recommended changes and final report to be shared with Council.

This resolution was duly adopted by the Isanti City Council this 16th day of June, 2020.

Attest: _____ Mayor Jeff Johnson

_____
Katie Brooks
Human Resources/City Clerk

Value

Position Classification and Compensation Study

Project Phase – to be billed as completed	Proposed Investment
Job Description Assessment and Updates – *approx. 45 positions* *OPTION #1 - Assuming AEM Workforce Solutions performs all job questionnaires, description updates, and regulatory review*	**$ 10,800.00**
OPTION #2 - Assuming City of Isanti performs all job questionnaires and updates, providing AEMWS with current and updated job descriptions for regulatory review	**$ 5,050.00**
OPTION #3 - Assumes City of Isanti completes all job description updates using templates provided by AEMWS. AEMWS will simply analyze FLSA compliance for each position.	**$ 1,100.00**
Market Wage and Benefit Analysis	**4,000.00**
Job Classification and Compensation Plan Development	**7,500.00**
Pay Equity Reporting and Testing	**1,500.00**
Presentation of Findings and Communication Plan	**3,500.00**
Implementation and Plan Administration Staff Training – OPTIONAL – *includes meetings, mileage, and travel time for on-site training.*	**3,000.00**
TOTAL PROJECT INVESTMENT (Lump sum not to exceed)	**$ 30,300.00**

ABDO EICK & MEYERS LLP

AEM Workforce Solutions™

5. Project fees

Professional fee

Baker Tilly will perform all the tasks delineated as described in this proposal for a professional fee **$14,500**, including expenses. This fee is based on 32 positions, two employee orientation sessions as well as required meetings with administration, three implementation options and associated work outlined in this proposal. This proposal includes up to three on-site visits by the project manager.

Baker Tilly would invoice the City for work completed based on the following schedule:

Completion of Project Initiation (or Employee Orientation)	25%	25%
Completion of Position Analysis Questionnaires	25%	50%
Completion of Draft Pay Structure(s) or Pay Structure Updates	40%	90%
Completion of Final Report	10%	100%

Additional work

Should the City of Isanti request and authorize additional work, we would invoice the City at an agreed upon fee or our standard hourly fees. Additional Implementation Plans will be billed at a cost of **$750**/plan. In addition, we would charge, at cost, for any related out-of-pocket expenses.

Principal, Partner, Firm Director	$300
Senior Manager, Director	$260
Manager, Senior Staff	$215
Staff	$160
Support	$75

Additional work would include work outside the scope of services as agreed to including, but not limited to:

- Additional position descriptions
- Additional job audits
- Additional on-site meetings
- Additional reports
- Work related to a special request

[illegible]ations

[illegible] we will provide the City of Isanti with our standard engagement terms. Should [illegible] to provide alternate terms or proceed on the basis of its own format agreement, [illegible] the ability to negotiate mutually acceptable terms and conditions prior to [illegible] contract.

[illegible] Minnesota

PROPOSED FEE FOR SERVICES

Our fees below are based on a compensation plan with 30 job descriptions.

Fee Proposal Options

	Market Study Only	Full Study
• General Project Setup and Administration	$ 2,000	$ 2,000
• Classify Job Descriptions	--	3,750
• Complete Market Study	7,000	7,000
• Plan Design and Budget Implementation	2,250	2,250
• Report & Presentation	_____	2,000
Totals	**$ 11,250**	**$ 17,000**

If the City decides to include re-writing job descriptions, which includes employee and manager surveys and re-write job descriptions, it will be an additional $5,000 or $150 per job position.

These fees provide for the consultant to attend one (1) on-site meeting each for an employee kickoff meeting, the presentation of a final report, and performance evaluation training. We are able to attend unlimited meetings via skype and teleconference at no additional cost.

Ongoing Maintenance Program

This exclusive DDA Human Resources, Inc. program is designed to eliminate the need for large classification and compensation study every 4 to 6 years. Services include everything needed to keep a freshly updated compensation plan perpetually current. We find that over half of larger communities who have completed a compensation study with DDAHR have opted to convert to this management approach. Services include:

- We review, update and reclassify as necessary one-third of job descriptions annually. (rotating cycle, starting year 2)
- We annually update a market analysis of wages with benchmark communities and suggest changes to pay plan system as necessary to remain in tune with the market.
- We will periodically provide the City with market data on benefits offered by comparable communities and suggest changes as warranted.
- For any new jobs or changed jobs, we will write and classify the job for placement in the compensation system
- We will complete and submit a pay equity report every three years or when otherwise required.
- If desired, we will handle data input of wage data into the LMC/AMC salary system
- We will provide budget support by:
    - Recommending an adjustment to your Pay Plan for the coming year based upon COLA and market factors.
    - Preparing up to two (2) analysis of budget impacts of alternatives for wage adjustments.
- Making an annual presentation to the staff and/or Board on the status of your compensation system.

Flaherty & Hood, P.A. will draft the following communication to incumbent employees explaining the job evaluation points review process:

- Timeline outline
- Forms
- Execution guide
- Notification for employees
- Template responses for City management

Proposed Timeline, Optional Services, And Cost Proposal

Flaherty & Hood, P.A.'s Position Classification and Compensation Study for the City of Isanti will include the following services billed to the City at the hourly rate of $145 per hour plus expenses incurred, subject to the not-to-exceed total lump sum fee referenced in the request for proposal (RFP), for the approximately 45 classifications referenced in the RFP. Services highlighted in yellow are those that in which the City of Isanti can assist with that may mitigate the costs of the study.

Phase	Services	Timeline after Start	Est. Cost
1.	Introduction and Project Orientation • Review the City of Isanti 's current classification and compensation system, which includes: o Classification and compensation-related policies and plans o Job descriptions o Job evaluation system and ratings o Organizational chart o Compensation and structure o Pay equity report • Draft communication to incumbent employees explaining the Position Classification and Compensation Study, execution guides and responses to FAQs for City of Isanti's management	0 - 4 Weeks	$750
2.	Position Analysis • Draft and distribute job questionnaires to specified incumbent employees addressing the skill, effort, responsibility and working conditions of the job • Management reviews and comments on completed questionnaires • Review and analyze completed questionnaires and management comments	4 - 12 Weeks	$1,250

Phase	Services	Timeline after Start	Est. Cost
3.	Updates to Position Description • Evaluate existing job descriptions to ensure they are current, accurate and complete and provide written evaluation to management • Draft a uniform job description template and Position Description Drafting Guide • Analyze descriptions to ensure compliance with Federal and State regulations pertaining to compensation standards, including but not limited to Americans with Disabilities Act (ADA), FLSA, and pay equity law	24 – 28 Weeks	$1,250

4.	Position Classification/Ranking/Grade/Job Evaluation
	• [redacted]
	• General
	  ○ Using City's current job evaluation system or Flaherty & Hood's Job Evaluation System:
	  ▪ Define uniform compensable factors and subfactors
	  ▪ Establish points for factors and subfactors
	  ▪ Draft internal outline and external summary for City of Isanti on communicating and/or presenting in person proposed job evaluation system with/to employees and State of Minnesota Management and Budget (MMB)
	• Job specific
	  ○ Establish and draft spreadsheet that systematically and objectively assigns points for each job using factors and subfactors
	  ○ [redacted]
	  ○ Determine Fair Labor Standards Act exempt status of jobs
		12 – 18 Weeks	$3,000

Phase	Services	Timeline after Start	Est. Cost
5.	Wage/Labor Benchmarks/Market Pricing • [redacted] • Determine benchmark jobs to compare • [redacted] • Draft market comparison data spreadsheets and discuss with City of Isanti 's management	4 – 12 Weeks	$6,000
6.	System Structure Development • Utilizing statistical analysis and Base Pay Development Questionnaire submitted to City of Isanti, analyze internal job evaluation points compared to external market survey data to develop basis on which to update or build pay structure • Draft proposed modifications to pay structure and schedule that include pay ranges based on job points • [redacted]	20-22 Weeks	$3,000
7.	System Testing for Internal Equity and External Marketplace Fairness • Utilizing statistical analysis, ensure proposed job points and pay are internally and externally equitable and legally compliant • [redacted] • [redacted]	22-24 Weeks	$500

Phase	Services	Timeline after Start	Est. Cost

8.	Preparation of Final Documents
	• Prepare a final report describing the study results and implementation recommendations
	• Present on one-day findings and recommendations, including written and/or oral reports to City of Isanti Council, employee groups, and/or unions
	• Draft
	  ○ Recommended revisions to policies
	  ○ Compensation plan to clearly, effectively, consistently and efficiently manage compensation
	  ○ How-to and execution guides and usable electronic spreadsheets for updating job descriptions, job evaluation ratings, and compensation, including methodology for determining the validity for requests for reclassification and/or compensation changes
		24-28 Weeks	$3,000

9.	Training on System Maintenance and Updating  • Provide recommendation on a system for determining the validity for requests for reclassification and/or compensation changes • Identify additional post contract services available to review new positions or requests for reclassification	24-28 Weeks	$1,000
10.	System Implementation • Recommend the best possible approach to coordinating the recommended pay plan with current collective bargaining agreements and wage plans, including timelines for implementation, and communicating it with employees and unions	24-28 Weeks	$750

Phase	Services	Timeline after Start	Est. Cost
11.	Job Evaluation Point Review Process • Draft a process, forms, execution guide, and template responses for requested reviews by employees of job descriptions and/or job evaluation ratings. • Advise the City of Isanti on handling specific requested reviews.	24-28	$1,000
		Lump Sum Not To Exceed	$21,500

- **Additional and Further Services and Costs**

The services that follow are additional related services Flaherty & Hood could provide to City of Isanti billed to the City at the hourly rate of $145 per hour plus expenses with a cost not to exceed amount as specified:

- **Additional Optional Services**

Service	Total Cost
Prepare PowerPoint and present to incumbent employees explaining the Position Classification and Compensation Study.	$1,000
Interview using position questionnaires for incumbent employees addressing the skill, effort, responsibility and working conditions of their position	$4,500
Draft updated job descriptions for all job classifications	$4,750
Establish supplemental variable pay system, such as performance pay, merit pay, and/or skills or competency pay	$2,000
Compile, review and analyze market compensation data other than wages, wage structure, and health insurance contributions	$500 per category

- **Additional Job Classifications or Same Job Classifications after Study is Complete**

Service	Total Cost
Draft, review, and analyze position questionnaires for incumbent employee, if any, and management addressing the skill, effort, responsibility and working conditions of the position, and draft new or updated job description and establish points after initial job classification pointed	$800

COST OF SERVICES

We understand the importance of this study and realize the delicate nature of local government spending. Therefore, we are proposing a fee schedule that is fair, sensible and that generates project results in conformance with the City's RFP. It will ensure that the City has the ability to attract, retain, and motivate employees in providing quality services to its citizens and ensure the system is not an administrative and/or costly burden. Thus, the following are estimates of our fees to conduct services for the City:

PHASE	DESCRIPTION	FEES
I	**Study Initiation** - Includes potential on-site or virtual meetings and employee presentations	$3,000
II	**Classification Study** - Option 1 – Use of current job descriptions only - Option 2 – supplement job descriptions with employee PDQs - Does not include pricing for writing new job descriptions.	Option 1 $6,750 Option 2 $9,000
III	**Job Evaluation Study** - Includes on-site training on job evaluation method	$3,500
IV	**Compensation Study** - Cost estimate is based on a survey sent to up to 15 participants with 20 benchmark jobs, and use of published survey sources	$19,500
V	**Project Management and Finalization** - Includes one day of final on-site presentations	$3,000
	Total Professional Fees	**$35,750 – $38,000**

For work *beyond that specified in this proposal*, additional fees and out of pocket expenses will be involved. We are available for discussion if the study requires additional services beyond the scope contained in the proposal.

Cost Proposal

Segal is fully aware of the sensitivity of budget allocations for public sector employers. We believe that you will find our approach focused toward achieving the City's objectives in the most cost-effective manner consistent with quality, accuracy, and timeliness.

Step 1: Project Initiation Assumes we will be on-site one (1) day to meet (or meet via video-conference) with the City's Project Team, as well as time associated with learning about the City's current compensation and classification structures, policies, and practices. Develop communication plan.	$2,500
Step 2: Classification Analysis Assumes the following: • Develop one customized Job Description Questionnaire • Analyze 45 current job titles covering 33 full-time (9 are exempt), 19 part-time, 3 interns and 3 seasonal employees • Develop a recommended classification structure (one draft, one final) • Recommend assignments of individual positions to job titles • Conduct FLSA Exemption Analysis • Review Internal Equity Approach • Review and Recommend Updates to Job Descriptions	$10,000
Step 3: Salary Market Assessment Assumes the following: • Develop a customized salary compensation salary market survey document with up to 30 benchmark job titles, to be distributed to no more than 10 public sector peer employers, as well as the use of up to three (3) published data sources to represent the private sector market • One draft and one final report of the market study findings	$15,000
Step 4: Recommendations Development Assumes the following: • Develop pay schedule(s) to cover all jobs covered by the study • Recommend grade assignments for all job titles covered by the study • Draft language for recommended compensation policies • Estimate the cost of implementing the recommended pay schedule, including recommendations regarding placement of each employee within the pay ranges, as well as one revised estimate based on Project Team's review and revisions • Assist with implementation and conduct training session with Human Resources staff* • Training and Knowledge Transfer* (*assumes up to eight (8) hours of consulting time)	$5,000
Step 5: Develop Recommendations for a Performance Management System Assumes the following: • Develop recommendations for implementing a performance management system	Included in Step 4
Step 6: Pay Equity Analysis	$2,500

Assumes the following: • Analyze census data, job description questionnaires, other materials • Identify whether any pay disparities exist among employees performing similar work	
Step 7: Present Final Results to the City Assumes we develop and deliver one presentation, either on-site or via video conference, to senior management or elected officials	$2,500
Optional Service 1: Conduct Employee Presentations Assumes we conduct one (1) day of employee presentations	$2,500 per day
Optional Service 2: Conduct Employee Interviews Assumes we conduct one (1) day of employee interviews	$2,500 per day
Optional Service 3: Implement Segal Evaluator™ Job Evaluation Approach Assumes we apply the **Segal Evaluator™** job evaluation approach to 45 job titles to establish internal equity	$5,000

The proposed fee includes charges for all professional, analytic, and administrative services, as well as all expenses associated with materials, supplies, overhead, and travel for all tasks outlined in this proposal except as otherwise noted.

Our total fixed fee (without optional services) will be billed at the end of each month in 3 equal invoices for $12,500.

Please note: if the information in the census file is inaccurate additional hourly fees may be charged for data correction and preparation.

Travel expenses for meetings scheduled less than one week in advance will be charged additionally. If a scheduled meeting is cancelled by the client, any non-refundable travel expenses will be billed to the client at cost.

To the extent our proposed scope and fees differ from your needs or the level of effort described in other proposals you may receive, Segal is prepared to discuss alternatives to the fees stipulated in our proposal.

RESOLUTION 2020-XXX

ACCEPTING PART-TIME LIQUOR STORE CLERK LETTER OF RESIGNATION FOR STEPHEN SCOTT NORSWORTHY

WHEREAS, part-time Liquor Store Clerk, Stephen Scott Norsworthy has submitted a letter of resignation to the to Liquor Store Manager, John Jacobi on June 8, 2020; and,

MEMORANDUM

Date: June 10, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

This project is scheduled to be completed by the end of this month. The intersection will remain closed through the end of the month as well.

2) 6th Avenue Rehabilitation

The contractor plans to begin work on this project in late August 2020 with work planned to be completed in mid to late October 2020.

3) 2020 Pavement Management Project

The contractor has completed all spot repairs and patches proposed for this project. They will return within the following month to complete the sealcoat and striping work.

4) 2020 Storm System Management Project

The majority of this project has been completed. Minor remaining items will be completed when the pond water level goes down.

5) Legacy Pines 2nd Addition

All utilities are installed, all curb & gutter has been placed, and the first lift of pavement is scheduled for June 11, 2020. The sidewalk and final lift of pavement are scheduled to be completed later this fall once private utilities are installed, and home building has commenced. The parking lot to Legacy Pines should be open to the public in the coming week.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Add L.4 Resolution 2020-120 Approving Temporary 3.2 Beer Licenses for the Isanti Lions Club for the 2020 Isanti Street Dances

Motion by Collison, second by Gordon to approve the agenda with the modifications listed above. Motion passed 5-0. Motion carried.

F. Proclamations/ Commendations/ Certificate Awards

1. Presentation of 2020 Isanti Ambassadors and Candidates
   The current Isanti Ambassadors introduced themselves and shared their favorite memory from their service year.

2. 2019 Waste Water Treatment Award
   City Administrator Josi Wood shared that Isanti has been awarded the Waste Water Treatment award for a number of years and it is a great testament of the great staff in the Public Works department. Wood continued to share that the award is achieved by having great testing results and Public Works does a lot of testing and mandated required reporting that needs to be done for the Waste Water facility.

G. Approve City Council Minutes

1. June 2, 2020- Regular Meeting of the City Council
2. April 21, 2020- Planning Commission Meeting

Motion by Lundeen, second by Bergley to approve minutes as presented. Motion passed 5-0. Motion carried.

4.	EDA Meeting	Tuesday, July 7, 2020 *(Following the City Council Meeting)*

I. Council Committee Reports
None

J. Public Hearings
None

K. Business Items

1. **Resolution 2020-112** Approving Special Event Street Dances for June 20 and September 12, 2020
Mayor Jeff Johnson shared the Farmers Daughters has been rescheduled for September 12th and June 20th Bad Jack will be performing along with 7 other vendors.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. **Resolution 2020-113** Approving a Liquor License Renewal for Patlok Design Inc. DBA Sanbrook Golf Course

City Administrator Josi Wood shared that Sanbrook Golf Course has submitted the renewal application and staff is recommending renewal of the liquor license and a representative is in attendance.

Sheryl Harker, Sanbrook Golf Course, shared that normally Sanbrook applies for renewal in March but were unable to make the deadline. Harker continued to share that Sanbrook owner Lyle and herself were still in Arizona because of COVID-19 they were unable to travel which is why it is being requested now.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

3. Approving COVID-19 Preparedness Plan
City Administrator Josi Wood explained that this is a revised Preparedness Plan for the City of Isanti and the Governor's orders required businesses to reopen safely with a Preparedness Plan. Wood continued to share that it did not originally include the critical sector businesses who were already allowed to be open until June 5th. Then later, it was required that critical sector businesses must have a preparedness plan. Wood went on to share that the reason there is an addendum on this is because it is required by law and this plan must to be adopted by June 29th , however, new

revisions were sent out yesterday and staff made the adjustments that morning. Wood further shared what the plan entails to have the workplace be safe for staff, patrons and residents.

Gordon asked if it was a requirement to offer COVID-19 sick leave.

Wood stated that COVID-19 leave is required from the government by the Cares Act to allow 80 hours for people to use for specific reasons for COVID-19 leave. It's for full-time employees who have been exposed to it, they are required and mandated to stay home. Wood further shared that it was also used for reasons that if people had child care issues they were allowed to take off to stay with their children because of social distancing school as well as distance learning.

Motion by Lundeen, second by Gordon to approve preparedness plan as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

5. Call for Public Hearing -Nuisance Abatement 105 Railroad Ave

Community Development Director Sheila Sellman shared that in Spring of 2019 the interior wall of 105 Railroad Ave had collapsed. The owner had pulled a building permit to fix the wall in August of 2019 and the roof also sustained damage as well and needs to be repaired. Permits are valid for 180 days and stay valid as long as there's visible progress. The owner of the building has been working on repairs for 10 months and MNSPECT has had several conversations and written correspondence with the owner. The wall has been repaired, but has not been complete where the outside needs to be weathertight and sided. Sellman further shared that the roof is not complete yet as well. The last written correspondence was asking the owner, back in November, to provide a written timeline of when the repairs were going to be made by December 10th. The written timeline was received on January 1st and the work would be completed as weather permitting. A final letter was sent to the owner indicating the repairs needed to be completed by June 15th or the council may take action. An inspection was done on June 12th and it was not completed. MNSPECT spoke with the owner and the owner said that he will begin repairing the rear wall and roof soon.

Motion by Lundeen, second by Collison to call for a public hearing at the next city council meeting for an immediate nuisance abatement. Motion passed 5-0. Motion carried.

Public Services Director Matt Sylvester

5. **Resolution 2020-114** Authorizing the Purchase of Generators for City Facilities
City Administrator Josi Wood shared that in the Capital Improvements Plan this is something that had been talked about before the plan was being developed. These generators are for emergency. Wood further shared that these are new generators; not replacements; as Isanti has not had generators at the following facilities Isanti Community Center, Police Department/ Well I, Public Works Shop, 8th Ave LS, City Hall Transfer Switch, Rum River, Carlson, Deer Haven, Palomino, Subway, BMX, East Dual and Unity Lift Stations. Wood further shared that there is a generator at the Water Treatment Plant that was installed in 2008 and runs Wellhouse III as well as a generator

at the main lift station as there is no place for it to go if there way a power outage and has had a generator for over a decade.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

6. **Resolution 2020-115** Accepting Donation for Isanti Redbirds and Authorizing Expenditure of Same
City Administrator Josi Wood shared that this is authorizing Isanti Redbirds to conduct baseball games within the City of Isanti and authorize staff to formalize by resolution said action. Wood further shared that the Minnesota Baseball Association is seeking that Redbirds have approval because their entity is within the City of Isanti.

Motion by Lundeen, second by Collison to authorize Isanti Redbirds to conduct baseball games within the City of Isanti and authorize staff to formalize by resolution. Motion passed 5-0. Motion carried.

7. **Resolution 2020-116** Authorizing Payment up to 50% for Appraisal of the Police Department/ Fire Station Facility
City Administrator Josi Wood shared that this resolution is offering to pay up to 50% for an appraisal of the Police Department/ Fire Station facility. Staff drafted this as it was previously discussed earlier in the evening at the Committee of the Whole meeting with a max cost for the City of Isanti of $1500.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

8. **Resolution 2020-117** Approving an Agreement for Services for Position Classification and Compensation Study
Councilmember Gordon stated that he knows this is in the budget but paying $17,000 to do a study to see if the City needs to hire more help or pay more where he trusts staff to make those decisions.

Wood stated that this study does not indicate if more employees need to be hired or if people need to be let go. This study is recommended by the League of Minnesota Cities every 10 years to ensure compliance with federal regulations and pay equity compliance. Wood continued to share that has never been one conducted in the City of Isanti. Wood further shared that what this study is going to do is look at job descriptions and ensure they are up to date and in compliance with federal and state regulations. The study also looks at classification which is assigning points and right now the City uses a point system however, there is more than one used. Wood stated the last part of the study is a compensation analysis where it compares other positions to ensure the City is competitive for recruiting purposes. Wood went on to share that there have been a lot of recruiting challenges that have happened in the City and the current staff now is a great group of people and this will help retain them. A way to save costs is to take a company that will give the City

templates to make sure certain elements are added into the job descriptions and then staff is doing the work of typing up the new job descriptions.

Motion by Lundeen, second to approve resolution as presented. Motion passed 4-1 with Gordon voting nay. Motion carried.

L. Consent Agenda

1. Consider Accounts Payable in the Amount of $822,763.83 Payroll in the Amount of $103,856.76
2. ~~Resolution 2020-XXX Approving an Agreement for Services for Position Classification and Compensation Study~~
2. **Resolution 2020-118** Accepting Resignation of PT Liquor Clerk Scott Norsworthy
3. **Resolution 2020-119** Accepting Donations for the 2020 Medallion Hunt and Family Day Event
4. **Resolution 2020-120** Approving Temporary 3.2 Beer Licenses for the Isanti Lions Club for the 2020 Isanti Street Dances

Motion by Bergley, second by Collison to approve the Consent Agenda as presented. Motion passed 5-0. Motion carried.

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, JUNE 16, 2020 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Chief of Police Travis Muyres, Finance Director Mike Betker, Community Development Director Sheila Sellman, Liquor Store Manager John Jacobi and Public Services Director Matt Sylvester

D. Public Comment
None

E. Committee Meeting Items

1. PW Updates
    - Public Works crew took advantage of an early spring and has been out patching potholes. Public Works has applied over 36 tons of hot patch to potholes this spring.
    - Public Works crew has completed the spring cleanup of sweeping streets and will be sweeping as needed throughout the summer.
    - The filter underdrain work at the WWTF was completed. The nozzle, media and piping from the blower building were all replaced. The filters are back in process and working great.
    - Public Works replaced one air release valve to the force main from the 8th Ave LS.
    - Air release valves have also been flushed on all force mains. Air release valves are installed at the high points in the force main to allow air out when the pumps start in when the pumps shut off to not surge in the line itself. They periodically need to be flushed of grease and grit to keep them functioning properly.
    - Wellhouse II had a check valve that was not sealing. The leaking valve was causing influent pressure to drop at the WTP which in turn causing alarms when the well would start up. Public Works has since replaced the valve and some piping.
    - Public Works crews have started fogging for mosquitos and will continue throughout the summer.
    - Spraying for dandelions was competed in the city parks.
    - The compost site is open and continues to be busy.

- The Farmers Market has opened up. As of now, there are 10 returning vendors and 5 new vendors with a different number that come weekly.
- The Community Garden opened up on May 21st.

2. Housing Study Update
   - At the 2020 goal setting meeting the City Council directed staff to look into updating the City's housing study. Through GPS:45:93 a Humphrey School student group is researching housing in East Central MN and this includes Isanti. At the March 17, 2020 Committee of the Whole meeting, staff suggested waiting to do an update to the housing study until the City sees what the group produces and if it is sufficient enough to use.
   - Recommendation from Committee is to go with current study an not perform a study in-house.

3. Liquor Store Market Study
   - Committee of the Whole discussed various options of the liquor store market study and for a new liquor store and the future of the Fire Station as well as the Police Station.

4. Public Safety Building
   - Three options were provided to the Committee for consideration of acquiring a new safety building:
     1. Save and pay cash for new building
     2. Issue debt for new building
     3. Issue debt for new liquor store and renovate current liquor store for police department
   - Recommendation from Committee is to explore plan #3 further to and build for a new liquor store and move the Police Department to Isanti's current liquor store.
   - Recommendation from Committee is to put on City Council meeting agenda that followed the Committee of the Whole meeting to split costs 50% with Fire District for appraisal of current Fire Station/ Police Department.

F. Adjournment

Meeting was adjourned at 6:26 p.m.

Respectfully Submitted,

Jaden Moore

   - D. Agenda Modifications: None

2. **Meeting Minutes**
   - A. Approval of Minutes from April 21, 2020 Planning Commission Meeting motion by Bergley, second by Lundeen motion passes 6-0.

3. **Public Hearing**

   - A. Ordinance Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business Districts, Article one, "B-1" Central Business District and Article two "B-2" General Business District, Subd. 2: Permitted Uses, to add mobile food units as a permitted use. Sellman explained that the city recently updated the city code to include mobile food units therefore the zoning code had to be updated to determine zoning districts for this use. No one from the public spoke at the public hearing. Motion by Lundeen, second by Collison to approve the amendment, motion passed 6-0.

   - B. Ordinance Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business District and Article two, "B-2" General Business District, Subd 3: Conditional uses, to add micro distillery cocktail room as a conditional use. Sellman explained that the city recently updated city code to include micro distillery cocktail room and therefore the zoning code had to be updated to determine the zoning district for this use as well as the definition. No one from the public spoke on this item at the public hearing. Motion by Lundeen, second by Collison to approve, motion passed 6-0.

   - C. Ordinance Amending the City Zoning Code, Ordinance 445, Section 6, Articles 1, 2, Subd. 6.B. Maximum Impervious Surface Coverage. Sellman explained that there have been complaints/concerns expressed from the development community on impervious surface. With the smaller lots being accepted for development, 25% impervious is just not enough. No one from the public spoke on this item at the public hearing. Staff recommended increasing the impervious to 35%, The Commission recommended increasing to 40%. Motion by Lundeen to increase the impervious surface to 40% and amend the ordinance accordingly, second by Bergley, motion passed 6-0.

4. **Other Business:** None

5. **Discussion Item:** None

6. **Adjournment:** Motion by Bergley, 2nd by Collision to adjourn, motion passed 6-0 meeting adjourned at 8:02pm.

Respectfully submitted Sheila Sellman Community Development Director

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
February 25, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:02 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: None added, motion by Witte, second by Thum to approve the agenda for February 25, 2020. Motion passed 4-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from January 28, 2020. Motion passed 4-0.

3. Discussion Items presented by PRC Board Member Thum: Thum brought to the board an idea of adding a walkway to connect the main Isanti Indoor Arena parking lot to the northeast parking lot in Bluebird Park. Thum is a frequent visitor to this facility. Thum added that this facility is getting more use and the extended parking areas are being utilized. One in particular is the parking lot that is in the northeast section of the park, just north of the skate park. The grass area between main parking lot, which runs along the tree line gets flooded or is very saturated with water throughout the year as it's a low lying area. Thum suggested a walkway be added to this area. Thum added that people have to walk along the street, which has no sidewalk to access the facility to avoid the grass area. There is a path that runs to the facility, but is south of the skate park and have to walk that distance to access the path. Zdon asked what the process was and if BMX was willing to help fund this project. Zdon also added that when the parking lot re-structure occurred a few years ago this idea was briefly discussed and he also agreed that this is an area that is difficult to walk through. Zdon and Thum were not sure if BMX would be in agreement with this addition. Zdon also added that this is a non-budgeted item this would need to be reviewed. Garvey added that this project would have to also meet ADA standards. The board discussed options and that maybe the city engineer could review this area. Witte clarified the area of question. Zdon continued that he would also like to see adding a pathway to the existing skate park and the parking lot. Zdon also commented that parking spaces would be lost with the addition of a walkway. Thum added that he has not talked or discussed this with the BMX board. Garvey added that City Engineer Jason Cook was in the audience, in which Cook reviewed that a culvert could be added and that the parking spots could be crossed off and labeled no parking, and a quick estimate was about $2,500. Cook also added there is a catch basin in this area and could maybe capture some of the water. Zdon added that he would prefer to have a walkway vs a catch basin. Thum agreed that he would also like to see the walkway option. Zdon added that in a prior PRC meeting the board had discussed the path in the south area that jogs out by the pleasure rink and straightening it out. Witte added that he also recalled this discussion. Motion by Witte, second by Thum, to look at the trails in the section in Bluebird Park by the skate park, the arena and the parking lots.

Thum also brought to the board to discuss the item of canopies to be set up along the tree line grass area and the parking lot. Zdon added that this was not a city/PRC rule, he recalled that this is a BMX item they had decided to put in place. Garvey continued that this is correct and that she reached out to BMX contacts and this was put in place by BMX, as cars were scratched by bikes. Garvey added that the restriction as a city for canopies is that they cannot be staked into the ground where the sprinkler system is in place.

The third item Thum brought to discuss was the idea of insect control around the staging area for racers in the IIA which is on the east side of the building and the rain garden is on this side of the building. Garvey commented that the rain garden is a pollinator area and mosquito control in the rain garden would not be possible. Thum added if there are any plants at that are a natural mosquito control. Garvey continued that she does not have that background knowledge but can look into this item further.

4. Department Updates:
Garvey reviewed that staff will move forward with the an egg hunt for 2021, a parade float option for 2020 and fireworks for 2020 after the parade in July. Garvey continued that a sledding hill will be added in 2020 to Bluebird Park and Public works will start this project in the fall timeframe. The spring newsletter will have a Parks calendar insert, so be on the watch for this when it is mailed out. It includes the events and a calendar

for 2020. The street dances are June 20, with The Farmer's Daughters, July 18 will be Brother Ferris and August 8 with The Brat Pack.

Adjournment: Motion by Witte, second by Thum to adjourn the February 25, 2020 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:25 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation, and Culture Manager

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: July 7, 2020
Subject: Call for Public Hearing -nuisance abatement 105 Railroad Ave

---

Background:
In Spring 2019 the exterior wall at 105 Railroad Ave collapsed. The owner pulled a building permit to fix the wall in August 2019, the roof sustained some damage as well and is required to be repaired. Permits are valid for 180 days, which stay valid as long as you are making visible progress. The owner's of the building have been working on these repairs for 10 months. MNSPECT has had several conversations and written correspondence with the owner about the repairs and the timing. The wall has been repaired, but is not complete the outside still needs weather barrier and siding (that is consistent with code requirements) and the re-roof is not complete. The last written correspondence from the owner when asked when it would be complete was in January and they stated that the roof would be completed weather permitting. That was six months ago and the weather has been nice enough to complete this project.

Staff has sent the owner a final letter indicating that is the roof is not complete by June 15, 2020 the City Council will take action. The owner did not contact staff regarding this matter nor did he attend the June 15th meeting. A certified letter has been sent to the owner notifying him of the public hearing for abatement. At the time of this memo the owner has not contacted staff. The estimate to finish the work is $16,343.00

Request:
Consider resolution to abate.

Attachments:
- Resolution 2020-XXX

RESOLUTION 2020-XXX

TO AUTHORIZE NUISANCE ABATEMENT FOR PROPERTY LOCATED AT 105 RAIL ROAD AVE

WHEREAS, the property owner of 105 Rail Road Ave is in violation of City Code 216-2 affecting health and safety; and,

WHEREAS, the process was followed under City Code §216-6 (Abatement) whereas the City served notice to the property owners regarding the violation; and,

WHEREAS, City Code §216-6 provides for calling a public hearing to hear on the matter and notice shall be provided to the property owner of the hearing date; and,

WHEREAS, City Code §216-6 after subject hearing the Council may abate the property and direct the City provide the services to allow compliance of the Nuisance Code;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. The property owner shall be given until Thursday, July 9, 2020 to come into compliance.

2. Staff shall inspect the property on Thursday, July 9, 2019 and if the property is found not to be in compliance, the property located at 105 Rail Road Ave shall be hereby abated.

3. Upon provision of City Code §216-6. Staff is hereby directed to submit to Council a list of the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minnesota Statutes, Section 429.I01.

This Resolution is hereby approved by the Isanti City Council this 7th day of July, 2020.

Request for City Council Action - MEMO

To: **Mayor Johnson and Members of City Council**

From: Jenny Garvey - Parks, Recreation & Culture Manager

Date: July 7, 2020

Subject: **2020-XXX Approving a Special Event Permit Application for the 2020 Summer Spectacular Car Show**

Background

The City of Isanti received a special event application from Rum River Rods to host the Summer Spectacular classic car show on August 8th from 7:00 am – 3:30 pm on Main Street in downtown Isanti. Attendance for this event is estimated at 300-400 people. Parking will be along City streets and within city owned parking lot. Because the event is running in conjunction with the City of Isanti street dance, Rum River Rods will not need to provide separate portable restrooms for their event.

A section of Main Street will need to be closed from the railroad tracks to its intersection with 4th Avenue, as well as 1st and 2nd Avenues north and south of Main Street to the alleys starting at 8am. The applicant will make arrangements to close off the road with barricades. The classic cars will be parked on Main Street and in the grass lot across from Faith Lutheran Church, and has approval from the church. Volunteers from the car club will assist with clean-up after the show.

Pop-up canopies will be placed on Main Street and 1st Avenue. Rum River Rods will be responsible for moving picnic tables in place for the Street Dance following the car show. A public address system and music will be utilized during the events. The Summer Spectacular event will include a $10.00 participant registration fee; money collected will go toward covering expenses. Spectators are free.

A $100 clean-up deposit fee, proof of insurance, and signed Release and Indemnification Form are on file.

The August 8th Summer Spectacular will also include a vendor fair, and swap meet. These activities require a background check form, which has been submitted by the organizer.

With the current national health pandemic that is occurring around us, this will need to comply with any Governors Executive orders that are in effect at the time of the event.

A copy of the application, department review, event map, and event flyer have been attached for City Council review.

Staff Request

City staff is requesting action on this item.

RESOLUTION 2020-XXX
APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR THE 2020 SUMMER SPECTACULAR CAR SHOW

WHEREAS, Rum River Rods has submitted a Special Event Permit application requesting approval to host the Summer Spectacular Car Show in Downtown Isanti; and,

WHEREAS, Summer Spectacular is scheduled for Saturday, August 8 from 7:00 am to 3:30 pm; and,

WHEREAS, the estimated number of people to be in attendance is anticipated to be 300-400; and,

WHEREAS, parking for the event will be at the public lot north of Main Street (City Hall) and along City streets where parking is allowed; and,

WHEREAS, a PA system will be used for announcements and music; and,

WHEREAS, barricades will be placed by the applicant on Main Street from the Railroad tracks to 4th Avenue and to the alleys north and south of Main Street, along 1st and 2nd Ave; and,

WHEREAS, the event will include a vendor fair and swap meet, and organizer has submitted the required background check form; and,

WHEREAS, the event will need to comply with any Governors Executive orders that are in effect at the time of the event; and,

WHEREAS, the Special Event Permit clean up deposit of $100 has also been submitted;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the 2020 Summer Spectacular Car Show to be held as specified above with the following conditions:

- Special Event Application submitted on behalf of the Rum River Rods, which include:
  - Rum River Rods will close the portions of Main Street needed for the event; City staff will reopen the portion from 3rd Ave to 2nd Ave after the Car Show.
  - Coordinate August 8 event details (electricity, vendors, stage placement and timing of placement, etc.) with the Parks, Recreation & Culture Manager prior to the day of the event.
  - A complete list of vendors must be submitted prior to the event.
- Closure of Main Street from the Railroad tracks to 4th Ave.
- Closure of 1st Ave and 2nd Ave for one block North and South of Main Street to the alleys on either side

BE IT FURTHER RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 7th day of July, 2020.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Car Show w/ Crafters and vendors in Downtown Isanti

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
N/A

(Special Events Holder Initials Here) (N)

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☐ NO ☑

(Special Events Holder Initials Here) (N)

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) CN

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) CN

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) CN

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) CN

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) CN

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) AW

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) AW

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: July 7, 2020
Subject: Approving an Expenditure Policy for Coronavirus Relief Funds

---

The federal Coronavirus Aid, Relief, and Economic Security (CARES) Act contains a component known as the Coronavirus Relief Fund (CRF) that allocated $454,377.00 in monies to the City of Isanti. Funds may be used for eligible COVID-19 related expenses outlined in the CARES Act that:

- are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19);
- were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government;
- were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020;

A policy has been drafted for Staff to determine and submit eligible expenses to be reimbursed by Coronavirus Relief Funds.

Request:
Staff is requesting discussion and action on this item

Attachment:
- Resolution 2020-XXX

RESOLUTION 2020-XXX

EXPENDITURE POLICY FOR CORONAVIRUS RELIEF FUNDS

WHEREAS, the City of Isanti is expected to receive $454,377.00 in Coronavirus Relief Funds (CRF) due to the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act; and,

WHEREAS, the CARES Act requires that the payments from the Coronavirus Relief Fund only be used to cover expenses that:

- are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19);
- were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government;
- were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020;

WHEREAS, COVID-19 eligible expenses will be expended from the General Fund Fund and be reimbursed with CRF; and,

WHEREAS, eligible expenses are outlined in the CARES Act and include, but are not limited to: technology, testing, disinfection supplies, telework capabilities, and medical supplies; and,

WHEREAS, the City Administrator and Finance Director or designee will file proper documentation for eligible expenditures to be reimbursed by the CRF; and,

WHEREAS, unused CRF monies will be returned to the County per procedures outlined in the CARES Act;

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota, hereby approves the following policy and guidance on Coronavirus Relief Funds:

1. The City Administrator or designee will complete necessary paperwork related to Coronavirus Relief Funds and CARES Act.
2. The City Administrator and Finance Director, or designee, will initiate and approve eligible expenses to be reimbursed by Coronavirus Relief Funds which will be within the accounts payable listing reviewed by Council.
3. Eligible COVID-19 related expenditures will not exceed the Coronavirus Relief Funds in the amount of $454,377.00.

This Resolution is hereby approved by the Isanti City Council this 7th day of July, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: July 7, 2020
Subject: Request by Dylan Investments LLC for a Conditional Use Permit under City Ordinance 445, Section 11, Article 5, Subd 4. said request is for a Drive-thru at 801 Highway 65 PID 16.020.1100

Request

Request by Dylan Investments LLC for a Conditional Use Permit for two Drive-thru windows at 801 Highway 65.

Overview/Background

The subject site is zoned B-2 General Business with the Highway 65 Overlay. In the Highway 65 Overlay district a drive-thru requires a Conditional Use Permit (CUP). As proposed, there will be two drive thru windows one on the east side of the building and one on the northwest corner of the building. The one on the northwest corner of the building will serve the existing CBD Joint retail space and the one on the east side is for a future tenant.

Section 13 Article two, subdivision 4 Subdivision 4: Drive-Thru Facilities
Are permitted by a Conditional Use Permit only as an accessory use to a business or restaurant, as identified within this Ordinance, providing the following requirements are met:

A. No drive-thru window shall be adjacent to a public street. *The drive-thru facilities are within the parking lot of the subject site.*

B. Drive-thru facilities shall be limited to one (1) service window which is part of the principal structure and not more than two queuing lanes, unless approved along with additional landscaping, screening, or other pedestrian amenities such as fencing, seating, raised pedestrian crossings, etc. *Each location has one service window.*

C. There shall not be any additional curb cuts on a public right-of-way exclusively for the use of drive-thru queuing or exit lanes. Drive-thru traffic shall enter and exit from internal circulation drives. *There are no additional curb cuts proposed.*

D. Queuing space for at least four (4) cars or seventy (70) feet shall be provided per drive-thru service land as measured from but, not including the first drive-thru window or teller station. *This requirement is met.*

E. Queuing space shall not interfere with parking spaces or traffic circulation with the parking lot or upon the public right-of-way. *This requirement is met.*

F. Alcoholic beverages shall not be served.

G. Exterior loud speakers shall be located a minimum of one hundred fifty (150) feet from any parcel containing a residential use and such speakers shall comply with the noise regulations as provided within Isanti City Code of Ordinances.

H. A by-pass lane shall be provided, allowing autos to exit the drive-thru lane from the stacking lane. *This requirement is met.*

I. Screening of automobile headlights must be provided. Screening shall be at least three (3) feet in height and fully opaque. Screening shall consist of a wall, fence, dense vegetation, berm or grade change or similar screening as determined to by acceptable by the City Council.

The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The property is guided commercial and is in line with the Comp Plan.
2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district. *The overlay district allows for drive thru facilities and the requirements are met as proposed.*

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort. *The drive-thru will not be detrimental or endanger the public.*

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood. *The use is a continuation of what has been there and will not diminish or impair property values.*

5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district. *The conditional use will not impede on the normal and orderly development and improvement of surrounding property.*

6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed. *A drive-thru does not require additional public facilities.*

7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located. *The use meets this requirement.*

8. The conditional use complies with the general and specific performance standards as specified by within this Article. *The use meets this requirement.*

Planning Commission Recommendation:
The Planning Commission held a public hearing at their June 16, 2020 meeting. The applicant was available for questions. No one from the public spoke on this item. The Planning Commission recommends approval with conditions.

Staff Recommendation:
Staff recommends approval with the following conditions:

1. Before the drive-thru is implemented a pavement typical section and proposed curb type plan shall be submitted and approved by the City Engineer.
2. Before the drive-thru is implemented a plan with proposed grades on the pavement surface and curb lines, depicting percent grade and flow arrows for drainage through the proposed improvement area shall be submitted and approved by the City Engineer.
3. The Conditional Use Permit shall be recorded by the applicant and proof of recording submitted to the City.
4. The CUP is limited to the two drive thru windows as shown on the site plan.
5. Requirements of Section 13 Article 2 Subdivision 4: Drive-Thru Facilities shall be met.

RESOLUTION 2020-XXX

APPROVING THE CONDITIONAL USE PERMIT APPLICATION FOR TWO DRIVE-THRU'S AT 801 HIGHWAY 65

WHEREAS, the applicant has requested a Conditional Use Permit approval for Commercial Recreation at 801 Highway 65 in the City of Isanti (PID 16.020.1100); and,

WHEREAS, the property is located within the Highway 65 Overlay District, of which requires a Conditional Use Permit for drive-thru; and,

WHEREAS, Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request; and,

WHEREAS, both proposed drive-thru's meet all of the General Performance Standards of the Zoning Ordinance; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on June 16, 2020 and recommended approval.

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit, and that the requested Conditional Use Permit for two drive-thru's located at 801 Highway 65, is hereby approved with the following conditions:

1. Before the drive-thru is implemented a pavement typical section and proposed curb type plan shall be submitted and approved by the City Engineer.
2. Before the drive-thru is implemented a plan with proposed grades on the pavement surface and curb lines, depicting percent grade and flow arrows for drainage through the proposed improvement area shall be submitted and approved by the City Engineer.
3. The Conditional Use Permit shall be recorded by the applicant and proof of recording submitted to the City.
4. The CUP is limited to the two drive thru windows as shown on the site plan.
5. Requirements of Section 13 Article 2 Subdivision 4: Drive-Thru Facilities shall be met.

This resolution was duly adopted by the Isanti City Council this 7th day of July, 2020

MEMORANDUM

Date: June 11, 2020

To: Sheila Sellman, Community Development Director

From: Jason W. Cook, P.E.
City Engineer

Subject: Highlands Shopping Mall – Drive Through - Submittal Review
City of Isanti, MN
Project No.: R13.120117

We have reviewed the plan entitled "Highlands Shopping Mall" with a signature date of 5/7/2020.

The plan includes the addition of a drive through lane on the east side of the existing building as well as a striped drive through on the north side of the building.

We have reviewed the submitted documents and require the following additional information:

1. Provide a pavement typical section and proposed curb type.
2. Provide proposed grades on the pavement surface and curb lines, depicting percent grade and flow arrows for drainage through the proposed improvement area.

We recommend approval of the project once the above items are submitted and approved.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

FINDINGS OF FACT AND CONCLUSION

Conditional Use Permit for Drive Thru – 801 Highway 65

Prepared by Community Development Director Sheila Sellman

Request

Request by Dylan Investments LLC for a Conditional Use Permit Two Drive-thru windows at 801 Highway 65 PID 16.020.1100

Findings of Fact

1. The applicant is requesting approval of a Conditional Use Permit for the property located at 801 Highway 65.
2. The property is zoned "B-2" General Business District with Highway 65 Overlay.
3. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on June 16, 2020 at 7:00 p.m. at City Hall within the City Council Chambers.
4. Notice of the Conditional Use Permit application was published with the *County Star* on May 28, 2020. Notices were sent to all property owners located within 350 feet of the aforementioned address.
5. Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2, Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in italics):*

   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The property is guided commercial and is in line with the Comp Plan.

   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   The overlay district allows for drive thru facilities and the requirements are met as proposed.

   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort. *The drive-thru will not be detrimental or endanger the public.*

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood. *The use is a continuation of what has been there and will not diminish or impair property values.*

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district. *The conditional use will not impede on the normal and orderly development and improvement of surrounding property*

1. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed. *A drive-thru does not require additional public facilities.*

F. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located. *The use meets this requirement.*

G. The conditional use complies with the general and specific performance standards as specified by within this Article. *The use meets this requirement.*

2. Section 21, Article 2, Subd. 4 addresses performance standards for Conditional Use Permit. The standards and staff responses *(italicized)* are below:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
The site is served by Highway 65 which is of sufficient capacity to accommodate the type and volume of traffic as a result of this development.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
All parking is met under Section 17 of this Ordinance. The City Engineer has approved the circulation.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles. *NA*

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Adequate off-street parking and off-street loading is provided in accordance with section 17 of this ordinance.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts

on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
This section is met.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
This area is surrounded by commercial and not residential uses.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
The site is already developed. This section is met.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
The site is already developed, no additional lighting is proposed.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
This is an already developed site, existing stormwater management has been reviewed and approved.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The building already exists, and as such, is compliant with our zoning code.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Existing garbage facilities will be used for trash and recycling purposes.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
The applicant will need to submit a sign permit for review and approval prior to any signage associated with this development being installed.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.

N. Any applicable business licenses mandated by City Code are approved and obtained.
The applicant may be required to obtain proper licensing from the City, State, County, and Federal Government as deemed necessary.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district. *This requirement is met as proposed.*

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.
This use complies with the performance standards of the zoning district.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
Any additional stipulations will be included in the Conditional Use Permit approved by the City Council.

Decision

The City of Isanti Planning Commission reviewed the request after a public hearing was held on June 16, 2020. The staff memo, and attachments shall be made part of the Findings of Fact and Conclusion.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: July 7, 2020
Subject: Request by Scott Boecker for a Conditional Use Permit under City Ordinance 445, Section 7, Article 1, Subd 3. said request is for Commercial Recreation in a B-1, Central Business Zoning District.

Request:
Request by Scott Boecker for a Conditional Use Permit for Commercial Recreation in a B-1, Central Business Zoning District.

Overview/Background:
The applicant, Scott Boecker, would like to use the former Family Pathways building located at 16 Main St W for an indoor playground and fitness center for kids. In order to be compliant with B-1 Central Business District standards, a Conditional Use Permit is needed for commercial recreation. The indoor playground, named "My Jungle Gym" is proposed to include playground structures, inflatables, climbing wall, obstacle course, and a toddler area. My Jungle Gym will host birthday parties and fitness classes, up to 15 kids in the building at one time. Business hours will vary by day and activity but will not open earlier than 8 A.M or later than 9 P.M. Vehicle access for the building will use the existing city lot and Main St. The applicant believes that this would be an appropriate use of the building, given its 12 ft ceilings and 6000 square foot open space, and would provide a unique opportunity for a business to draw families to the community.

The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The nature of the business is consistent with the goals and objectives of Isanti's Comprehensive Plan to redevelop the City's downtown commercial core. The subject property is serviced by city sewer and water.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
   Commercial Recreation is a Conditional Use in the B-1 zoning district, applying for the CUP meets the purpose and intent.

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
   The establishment will not be detrimental or endanger the public.

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
   The conditional use will not diminish or impair surrounding property values.

5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
   The conditional use will not impede on the normal and orderly development and improvement of surrounding property.

6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
   The site is served by City sewer and water, and will be able to reasonably accommodate the conditional use for commercial recreation.

7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
   The conditional use meets this requirement.

8. The conditional use complies with the general and specific performance standards as specified by within this Article.
   The use meets this requirement.

Planning Commission Recommendation:

The Planning Commission held a public hearing regarding this matter on June 16, 2020. The applicant was available for questions. The Planning Commission recommends approval of the Conditional Use Permit with conditions listed in the Staff Memo dated June 16, 2020.

Staff Recommendation:

Staff recommends approval with the following conditions:

1. Hours of operation are 8am – 9 pm.
2. The Conditional Use Permit shall be recorded by the applicant.

- Findings of Fact
- Resolution

Welcome to My Jungle Gym

Indoor Playground & Fitness for kids

Our indoor playground facility offers a safe, clean, jungle of fun space to celebrate your child's birthday or achieve their fitness goals. Play area will offer playground structure, inflatables, climbing wall, obstacle course, toddler area and much more. I believe that adults play a critical role in a child's life and with that understanding I believe our indoor playground will create an environment that invites both child & parent to spend "Quality" time together. Our playground will have open play, birthday party's and fitness kid's classes. Birthday party's and fitness classes will be limited to 10 to 15 kids. Families will park in city lot across the street from business and on Main St. Parents and guardians must always supervise their children to ensure their safety at My Jungle Gym. Open play will be Tuesday-Friday 10am-2pm and Saturday 9am-12noon. Fitness classes will be Tuesday-Friday 4pm to 9pm and Saturday at 8am. Birthday parties will be Friday, Saturday and Sunday.

I chose the City of Isanti because there is not a lot of places for kids to go play indoors or celebrate their birthday. The building would be a great fit because of the high ceilings and open area. I've been looking in this area for a building for over a year and no other buildings have 12ft ceilings and 6,000 sq ft of open area for kids to play like this building. Also having a business like this in Isanti would bring in families from other surrounding communities to see what Isanti has to offer.

Thank You for your Time

Scott Boecker

FINDINGS OF FACT AND CONCLUSION

Conditional Use Permit for Commercial Recreation – 16 Main St W

Prepared by Community Development Specialist Ryan Saltis

Request

Request by Scott Boecker for a Conditional Use Permit for Commercial Recreation located at 16 Main St W.

Findings of Fact

1. The applicant is requesting approval of a Conditional Use Permit for Commercial Recreation for the property located at 16 Main St W.
2. The Property is zoned B-1, Central Business District within the Downtown Overlay.
3. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on June 16, 2020 at 7:00 p.m. at City Hall within the City Council Chambers.
4. Notice of the Conditional Use Permit application was published with the *County Star* on May 28, 2020. Notices were sent to all property owners located within 350 feet of the aforementioned address.
5. Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2, Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in italics):*

   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans. *The nature of the business is consistent with the goals and objectives of Isanti's Comprehensive Plan to redevelop the City's downtown commercial core. The subject property is serviced by city sewer and water.*

   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district. *Commercial Recreation is a Conditional Use in the B-1 zoning district, applying for the CUP meets the purpose and intent.*

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort. *The establishment will not be detrimental or endanger the public.*

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood. *The conditional use will not diminish or impair surrounding property values.*

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district. *The conditional use will not impede on the normal and orderly development and improvement of surrounding property.*

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed. *The site is served by City sewer and water, and will be able to reasonably accommodate the conditional use for commercial recreation.*

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located. *The conditional use meets this requirement.*

H. The conditional use complies with the general and specific performance standards as specified by within this Article. *The conditional use meets this requirement.*

2. Section 21, Article 2, Subd. 4 addresses performance standards for Conditional Use Permit. The standards and staff responses *(italicized)* are below:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided. *Staff believes that the existing street is of sufficient capacity to accommodate the type and volume of traffic as a result of this development.*

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance. *The proposed CUP will be in an existing building that already is designed for access and parking in downtown overlay district. All parking is met under Section 17 of this Ordinance.*

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles. *Parking for this development does not impact pedestrian circulation.*

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance. *Adequate off-street parking and off-street loading is provided in accordance with section 17 of this ordinance.*

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance. *This section is met.*

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance. *The site is surrounded by other B-1 properties and is not adjacent to a residential district.*

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance. *The site is already developed. This section is met.*

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance. *Existing lighting complies with our zoning code. This section is met.*

I. The site drainage system shall be subject to the review and approval of the City Engineer. *This is an already developed site, existing stormwater management has been reviewed and approved.*

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment. *The building already exists, and as such, is compliant with our zoning code.*

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance. *Existing garbage facilities will be used for trash and recycling purposes.*

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance. *The applicant will need to submit a sign permit for review and approval prior to any signage associated with this development being installed.*

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City. *The applicant will be required to obtain all proper licensing from the City, State, County, and Federal Governments as deemed necessary.*

N. Any applicable business licenses mandated by City Code are approved and obtained. *The applicant may be required to obtain proper licensing from the City, State, County, and Federal Government as deemed necessary.*

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district. *This requirement is met as proposed.*

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated. *This use complies with the performance standards of the zoning district.*

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein. *Any additional stipulations will be included in the Conditional Use Permit approved by the City Council.*

Decision

The City of Isanti Planning Commission reviewed the request after a public hearing was held on June 16, 2020. The staff memo, and attachments shall be made part of the Findings of Fact and Conclusion.

Planning Commission Recommendation: Motion by Collison, seconded by Collins to recommend approval of the Conditional Use Permit.

RESOLUTION 2020-XXX

APPROVING THE CONDITIONAL USE PERMIT APPLICATION FOR COMMERCIAL RECREATION AT 16 MAIN ST W

WHEREAS, Scott Boecker (applicant) has requested a Conditional Use Permit approval for Commercial Recreation at 16 Main St W in the City of Isanti (PID 16.050.0490); and,

WHEREAS, the property is located within the "B-1" Central Business District, of which requires a Conditional Use Permit to operate for commercial recreation; and,

WHEREAS, Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request; and

WHEREAS, the proposed use for commercial recreation meets all of the General Performance Standards of the Zoning Ordinance; and

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on June 16, 2020 and recommended approval;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit, and that the requested Conditional Use Permit for Commercial Recreation located at 16 Main St W, is hereby approved with the following conditions:

1) Hours of operation are 8am – 9pm.
2) The Conditional Use Permit shall be recorded by the applicant.

This resolution was duly adopted by the Isanti City Council this 7th day of July, 2020

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: **July 7, 2020**
Subject: Request from Falcon National Bank for a variance to the sign standards section 16 subd 5 c for an additional freestanding sign at 905 6th Ave Ct NE PID 16.113.0010

Background/overview

Falcon National Bank is requesting a variance to allow an additional freestanding sign at 905 6th Ave Ct.

The bank is located in the B-2 General Business District with the Highway 65 Overlay. The Highway 65 Overlay district has its own overlay in the sign code. They Highway 65 sign overlay allows one freestanding sign of 200 square feet. The bank has been previously approved for the freestanding sign along highway 65 which is 90.5 square feet.

The bank is requesting an additional sign at the corner of Cajima and 6th Ave Ct NE. The proposed sign is for name and address purposes and is 12 square feet. The bank is requesting the additional sign because the current sign along highway 65 is not visible on the entrance side of the property and it is confusing to users as to where the bank actually is. The proposed sign would serve as an identifier for the entrance.

In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance.
The property owner will continue to use the property as a bank and the additional sign is reasonable due to the location.

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner.
The subject lot essentially has three frontages, Highway 65, Cajima, and 6th Ave Ct NE this is unique for signage requirements as signage is not per frontage resulting in one sign for the site and that sign can't be seen from the entrance making it difficult for patrons to find the bank.

C. A variance, if granted, will not alter the essential character of the locality.
Granting a variance for an additional sign that is only 12 square feet will not alter the essential character of the locality.

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

5. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Planning Commission Recommendation:
The Planning Commission held a public hearing at their June 16, 2020 Planning Commission meeting. No one from the public spoke on this item, the Planning Commission recommends approval.

Staff Recommendation:
Staff recommends approval with the following conditions:

1. The sign is limited to 12 square feet as shown on the attached sign plan.
2. The sign shall be set back 10 feet from the property line.
3. A sign permit is required before sign installation.

Request:
Consider resolution

RESOLUTION 2020-XXX

APPROVING A VARIANCE FOR FALCON NATIONAL BANK FOR AN ADDITIONAL FREESTANDING SIGN AT 905 6TH AVE CT 16.113.0010

WHEREAS, the applicant has requested a variance to sign standards to allow for an additional freestanding sign at 905 6th Ave Ct; and,

WHEREAS, the property is located within B-2 zoning district and is allowed one freestanding sign; and,

WHEREAS, the City of Isanti Planning Commission evaluated the request against the criteria established in Ordinance No. 445 Zoning, Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4(A), noting that the proposal met all of the criteria noted; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on June 16, 2020 and recommended approval;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota approves an additional freestanding sign for Falcon National Bank not to exceed 12 square feet for property located at 905 6th Ave Ct, is hereby approved with the following conditions:

1. The sign is limited to 12 square feet as shown on the attached sign plan.
2. The sign shall be set back 10 feet from the property line.
3. A sign permit is required before sign installation.

Item # 6

Falcon National Bank is requesting a variance to install an additional sign on the corner of 6th Avenue Ct NE and Cajima. The current sign that Falcon National Bank on Highway 65 is not visible from the East side of the bank. If you are driving West on Cajima Street there is nothing indicating the bank's name or address on that side of the property, which is a hardship for the bank. We are requesting a variance to allow us to have a sign installed that notes the bank's name and address and is visible from both 6th Avenue Ct NE and Cajima on the NE corner of the lot. The sign would be a PVC corner frame with a 4 foot by 3 foot sign on each side noting both the bank name and address.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: July 7, 2020
Subject: Resolution 2020-XXX approving Preliminary Plat, Final Plat and PUD Amendment for property legally described as outlot ALegacy Pines 2nd Addition, Isanti County, Isanti Minnesota

---

Background/Overview:

The Applicant, Everpine Land Holdings is requesting a Preliminary Plat, Final Plat and PUD Amendment for Legacy Pines 3rd Addition, Phases 1-3. The proposed final addition contains 96 single family lots.

In 2018 Odyssey Homes Inc received approval of a Preliminary Plat for Legacy Pines Addition. The Preliminary plat showed the entire site developed in phases to include 178 lots. The first addition is platted with 49 lots. The second addition is platted with 33 lots. The final addition is comprised of 94 lots broken into three development phases. As proposed the lots would be developed in phases and the breakdown is as follows: Phase one 28 lots, Phase two 32 lots and Phase three 34

Typically, a development plats the phases when they are ready to be developed, however the applicant is requesting preliminary and final plat approval for the remainder of the lots in this development, but not to develop them at the same time. This saves time for when they are ready to develop. This can be done through a development agreement. Staff suggests one master agreement for the 3rd addition and then each phase have their own development agreement. In addition to the platting the applicant is requesting a PUD amendment to allow for different setbacks and an increase in impervious surface coverage. The Council recently passed an ordinance amendment that allows the maximum impervious surface of 40%. At the time of application this ordinance was under consideration and the maximum was 25%, the applicant has requested an increase to 30%. Staff suggests the increase be to 40% to be in line with the recently passed ordinance. The setbacks that are requested in the amendment to change the house setback from 10 feet to 7.5 feet on both sides. According to the applicant this will allow for a 55-foot-wide home and provide proper front elevation of the home and a 3-car garage to be situated appropriately on the lot.

Analysis of Application

The subject site was originally part of the Villages on the Rum Planned Unit Development. Legacy Pines development is a "re-plat" of this development. Lot sizes, setbacks and other development parameters were established with the replat. The PUD allows for varying lot sizes and setbacks.

Zoning-The subject site is zoned R-1/PUD, R-2/PUD and R-3APUD. The PUD Master Plan sets the parameters for lot size, setbacks, house size etc. Minimum requirements not spelled out in the PUD Master Plan will divert back to the Zoning Code for R-1. As proposed Phase 3 is generally consistent

with the PUD, however the setbacks are proposed to be 7.5 feet instead of 10. The lot sizes range from 8,158 square feet to 23,676 square feet, these sizes are consistent with the PUD. Section 15 of the zoning code requires all residential lots to have two (2) trees per lot. lots that are 8,000 square feet or larger must provide three (3) trees and corner lots 12,000 square feet or larger require four (4) trees.

Legacy Park-the park is in its final stages of "development" the parking lot has been established and is being prepared for paving at the time of this staff report. Temporary pedestrian access should be installed until sidewalks are installed and accepted.

Comprehensive Plan – This proposal is consistent with the City's 2020 Comprehensive Plan Future Land-Use Map, which identifies this parcel as low and medium density residential for future development.

City Engineer Comments – The City Engineer's memo is attached. With minor revisions laid out in the report Engineering is recommending approval.

Planning Commission Recommendation

The Planning Commission held a public hearing at the June 16, 2020 meeting. No one from the public spoke on this item. The Planning Commission recommends approval.

Staff Recommendation

Staff recommends approval of the Preliminary Plat, Final Plat and PUD Amendment for Legacy Pines 3rd Addition with the following conditions:

1. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the 3rd addition. Each phase of the 3rd additional will require their own Development Agreements. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.

2. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.

3. Any and all costs associated with the recording and processing of each agreement and Plat shall be assumed by the developer.

4. The home sizes shall be a mixture with a minimum of 1,000 square feet above grade with an attached garage with a minimum of 400 square feet.

5. The setback requirements are as follows:

Front yard setback:	Thirty (30) feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.
Side yard setback:	7.5 feet
Street side yard setback:	Twenty (20) feet
Rear yard setback:	Thirty (30) feet
Accessory Structure:	Five (5) feet

6. A tree preservation plan shall be prepared by the developer and submitted to the City of Isanti for those portions of the development site that have significant tree stands. Such plans shall show the locations of homes and grading for these lots, so as to protect as many of these trees as possible. Trees shall be planted on each lot according to Section 15 of the City Zoning Ordinance.

7. Dedication, if required, of utility and access easements are granted to the City of Isanti.

8. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.

9. Access to Legacy Park shall be maintained during construction including temporary pedestrian access shall be provided in a form acceptable to the City Engineer.

10. Address items/conditions identified in the Memorandum from City Engineer Jason Cook dated June 10, 2020 to Community Development Director Sheila Sellman.

RESOLUTION 2020-XXX

A RESOLUTION APPROVING THE PRELIMINARY PLAT, FINAL PLAT AND PUD AMENDMENT FOR LEGACY PINES 3rd ADDITION

WHEREAS, Everpine Land Holdings LLC, has applied for Preliminary Plat, Final Plat and PUD Amendment approval for Legacy Pines 3rd Addition, a 96-lot residential subdivision for the property legally described as Outlot A, Legacy Pined 2nd Addition, Isanti County, Isanti, Minnesota; and,

WHEREAS, the lots will be developed into three phases, each phase will have their own development agreement; and,

WHEREAS, the City of Isanti Planning Commission held a public hearing on the proposed Preliminary Plat, Final Plat and PUD amendment of Legacy Pines 3rd Addition during the regular Planning Commission meeting held on June 16, 2020; and,

WHEREAS, the City of Isanti Planning Commission has recommended approval of the Preliminary Plat, Final Plat and PUD Amendment of Legacy Pines 3rd Addition based upon the Findings of Fact and Conclusion as presented;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested Preliminary Plat, Final Plat and PUD Amendment of Legacy Pines 3rd Addition and **BE IT FURTHER RESOLVED** that the requested Preliminary, Final Plat and PUD Amendment of Legacy Pines 3rd Addition be approved with the following conditions:

1. The developer must enter into a Development Agreement with the City of Isanti, which will outline the general terms for the 3rd addition. Each phase of the 3rd additional will require their own Development Agreements. Development fees will be charged to the developer at the time of each development agreement and based upon the City Fee Schedule.

2. The developer shall be responsible for any and all permits and approvals that may be necessary from other applicable governmental agencies. These permits and approvals shall be submitted to the City of Isanti and/or other governmental jurisdictions that may require said permits prior to development.

3. Any and all costs associated with the recording and processing of each agreement and Plat shall be assumed by the developer.

4. The home sizes shall be a mixture with a minimum of 1,000 square feet above grade with an attached garage with a minimum of 400 square feet.

5. The setback requirements are as follows:

Front yard setback:	Thirty (30) feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.
Side yard setback:	7.5 feet
Street side yard setback:	Twenty (20) feet
Rear yard setback:	Thirty (30) feet
Accessory Structure:	Five (5) feet

6. A tree preservation plan shall be prepared by the developer and submitted to the City of Isanti for those portions of the development site that have significant tree stands. Such plans shall show the locations of homes and grading for these lots, so as to protect as many of these trees as possible. Trees shall be planted on each lot according to Section 15 of the City Zoning Ordinance.

7. Dedication, if required, of utility and access easements are granted to the City of Isanti.

8. The developer, at their cost must install sidewalks consistent with City Codes and Ordinances.

9. Access to Legacy Park shall be maintained during construction including temporary pedestrian access shall be provided in a form acceptable to the City Engineer.

10. Address items/conditions identified in the Memorandum from City Engineer Jason Cook dated June 10, 2020 to Community Development Director Sheila Sellman.

Adopted by the City of Isanti City Council on this 7th day of July, 2020.

MEMORANDUM

Date: June 10, 2020

To: Sheila Sellman, Community Development Director

From: Jason W. Cook, P.E.
City Engineer

Subject: Legacy Pines 3rd Addition – Phases 1, 2 & 3 - Submittal Review
City of Isanti, MN
Project No.: R13.120117

We have reviewed the Preliminary Plat, Final Plat, storm water report, and site plan entitled "Legacy Pines Third Addition" with a signature date of 5/8/2020.

The plat includes 96 parcels with construction plans proposed to break the improvements into 3 phases.

- Phase I would extend Bellaire Boulevard to Whiskey Road to complete this street connection.
- Phase 2 would extend Moline Loop to Whiskey Road.
- Phase 3 would extend Bellaire Boulevard from Whiskey Road to 3rd Avenue.

We have reviewed the newly submitted documents and have the following comments:

Preliminary & Final Plat:

1. No Comment

Phase I Construction Plans:

1. Sheet 11 & 14:
    a. Verify CBs will not be in driveways. (CB 135 & CB 104) If they may be in future driveways, change casting to surmountable R-3501-TR, R-3501-TL, or R-3501-TB as needed.
        i. If casting is changed, verify spread calcs still meet requirements.
2. Sheet 13:
    a. Add a ped ramp in the SE quadrant of Whiskey Road & Bellaire Boulevard, heading west.
3. Street lighting will be required.

Phase 2 Construction Plans:

1. Sheet 9:
    a. A pipe conflict appears to occur at approx. STA 12+50 where the sanitary sewer crosses the storm sewer pipe.
    b. Move hydrant at approx. STA 13+35 to approx. STA 13+75 to line up with the property line.

Bolton & Menk is an equal opportunity employer.

2. Sheet 10:
    a. Move hydrant at approx. STA 16+00 to approx. STA 16+50 to line up with the property line.
    b. Move hydrant at approx. STA 19+80 to approx. STA 19+70 to line up with the property line.
3. Sheet 12 & 15:
    a. Verify all CBs will not be in driveways including the existing structure at STA 12+50. If they may be in future driveways, change casting to surmountable R-3501-TR, R-3501-TL, or R-3501-TB as needed.
        i. If casting is changed, verify spread calcs still meet requirements.
4. Sheet 14:
    b. Replace both existing castings with new R-3501-TR & R-3501-TL castings.
5. Street lighting will be required.

Phase 3 Construction Plans:

1. Sheet 10:
    a. Shift the hydrants to property lines.
        i. Move hydrant at approx. STA 31+60 to approx. STA 32+10. Also create a highpoint in the watermain line at the hydrant location.
        ii. Move hydrant at approx. STA 35+50 to approx. STA 35+70.
2. Sheet 11:
    a. Extend a watermain stub east from the end hydrant 10' east of the hydrant.
3. Street lighting will be required.

We recommend approval of the submitted documents once the above items are addressed.

Please contact me if you have any questions.

FINDINGS OF FACT AND CONCLUSION

Request

Request from Everpine Land Holdings, for Preliminary Plat, Final Plat, PUD Amendment Approval of Legacy Pines 3rd Addition, legally described as Outlot A of Legacy Pines 2nd Addition, Isanti County, Isanti, Minnesota.

Findings of Fact

1. The property is legally described as Outlot A of Legacy Pines 2nd Addition, Isanti County, Isanti, Minnesota.
2. The Applicant is requesting Preliminary Plat, Final Plat and PUD Amendment Approval in an effort to create 94 lots in the 3rd Addition of the development and to develop in phases.
3. The property is zoned "R-1" and "R-2" Single-Family Residential/Planned Unit Development, and "R-3A" Low Density Multiple Family District/Planned Unit Development.
4. A public hearing of the proposal took place before the Planning Commission on Tuesday, June 16, 2020 at 7:00 p.m.at City Hall within the Council Chambers.
5. The applicant has addressed or is in the process of addressing the conditions imposed by the City during the Plat review.

Conclusions

1. The platting is consistent with the 2003 Development Agreement and Planned Unit Development (PUD) for this property, and is consistent with the 2010 PUD Amendment
2. The platting of the property would appear to meet the Design Standards as required by Ordinance No. 536.

Decision

Planning Commission Recommendation:

The Planning Commission held a public hearing on June 16, 2020 and Recommends approval.

City Council:

A Community For Generations.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: July 7, 2020
Subject: Ordinance XXX An ordinance Amending Ordinance 445, Section 13, Article 4, Subd. 1(d) Accessory Structure Location

---

Background:

The City of Isanti has seen an increasing demand for accessory structures on properties for additional storage space. With new developments providing small lot sizes and unique lot configurations, many residents are finding it hard to meet requirements for setbacks of accessory structures. Currently the Zoning Code for Accessory Structure Location states that accessory structures must be located at least 10 feet from the principal structure on the property. This requirement, along with the requirement for 5-foot side and rear setbacks for accessory structures make it difficult to construct even a basic size storage shed, or it limits the area in which it can be placed. Corner lots are losing precious yard space, as they are in limited locations that meet all setback requirements. The inability to follow these setback requirements also limits the size of accessory structures that can be built on lots in new developments.

City Staff believes that by removing the 10 ft requirement and replacing it to refer the setback location to the State Building Code (which is currently 3 ft), it will reduce the need for future amendments from the city, and ease the restrictions for where an accessory structure can be located on a property.

The Planning Commission held a public hearing regarding this matter on June 16, 2020. No one from the public spoke on this item at the public hearing. The Planning Commission recommends approval of the ordinance as written.

Request:

Consider attached Ordinance Amendment.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: July 7, 2020
Subject: Ordinance Amending the City Zoning Code, Ordinance 445, Section 3, Subd 1 zoning districts and Section 6 adding R-1A Rural Residential zoning district.

Background/Overview

As directed by the City Council staff has prepared a zoning district "R-1A Rural Residential" for annexed properties and properties in town south of Palomino that are over 1-acre.

At the December 2019 COW meeting the Council discussed general code enforcement on parcels recently annexed into the City. The focus was mostly on parking and vehicles. It was agreed that any outside storage of rubbish, junk, inoperable vehicles, miscellaneous refuse or garbage will be enforced immediately.

At the February COW meeting a rough draft of an ordinance amendment was presented. The draft included limits on size of vehicles and number of vehicles for parcels over 1-acre. The COW openly discussed these items. One member of the public that spoke at the meeting suggested that the current code be enforced when property ownership changed and until the people that live there are allowed to have what they currently have for vehicles, trailers etc. Council directed staff to look at the logistics on this idea. At the March COW meeting the council discussed this item and requested staff to draft an ordinance for review.

Staff discussed the ownership idea with the City Attorney and he explained that will be quite difficult to enforce. Staff suggested creating a specific zoning district for the annexed parcels that will allow for some of the concessions that council would like including driveways and number of vehicles/trailers. When discussing this zoning district, the City Attorney suggested we include all residential parcels over one acre south of Palomino. Attached is a map that shows the annexed parcels in dark gray, and the parcels that would be rezoned to this new residential district have an X on them. If this new zoning district is created the process would be to adopt the ordinance and then rezone said parcels. The proposed district maintains the same uses and general requirements of the R-1 zone (what the properties are currently zoned) but has different allowances for driveways and number of vehicles. This proposed ordinance would allow existing driveways to remain unpaved and allow 7 vehicles/trailers/recreational vehicles to be parked outside.

The Planning Commission held a public hearing at the June 16,2020 meeting and are recommending approval. Staff will be holding a neighborhood meeting on July 14, 2020 to discuss this ordinance.

ORDINANCE XXX

ORDINANCE AMENDING THE CITY ZONING CODE, ORDINANCE 445, SECTION 3, SUBD 1 ZONING DISTRICTS AND SECTION 6 ADDING R-1A RURAL RESIDENTIAL ZONING DISTRICT.

THE CITY OF ISANTI DOES ORDAIN:

I. AMENDMENTS

Subdivision 1: Purpose
The "R-1A" Single-Family Residential Rural District is established for the purpose of providing residential development while affording the enjoyment of a rural lifestyle.

Subdivision 2: Permitted Uses
The following are permitted uses:

A. Dwellings, Single-family detached.

B. Essential services.

C. Farming.

D. Group family daycare facility licensed under Minnesota Rules 9502.0315 to 9502.0445, to serve fourteen (14) or fewer children as allowed under Minnesota Statutes 462.357, Subdivision 7, as amended.

E. Public open space.

F. State licensed daycare facility serving twelve (12) or fewer persons as allowed under Minnesota Statutes 462.357, Subdivision 7, as amended.

G. State licensed residential facility (group home) or a housing with services establishment registered under Minnesota Statutes Chapter 144D, serving six (6) or fewer persons as allowed under Minnesota Statutes 462.357, Subdivision 7, as amended. Residential facilities whose primary purpose is to treat juveniles who have violated criminal statutes related to sex offenses or have been adjudicated delinquent on the basis of conduct in violation of criminal statutes relating to sex offenses shall be considered prohibited.

Subdivision 3: Permitted Accessory Uses
The following are permitted accessory uses:

A. Accessory buildings in accordance with the provisions as provided within this Article and within Section 13 of this Ordinance.

B. Decorative landscaping features, fencing, and screening as permitted and regulated in Section 15.

C. Decks and patios.

D. Non-commercial gardening.

E. Permitted home occupations, as regulated by Section 13 of this Ordinance.

F. Private swimming pools with a depth exceeding twenty-four (24) inches and 5,000 gallons shall be located in the rear yard only and shall require fencing in accordance with building code requirements and Section 15 of this Ordinance. Additional standards as provided in Section 14 of this Ordinance shall be met. *(Ord. No. 644)*

G. Residential kennel, as defined in Section 2 of this Ordinance, which meets the registration and licensing requirements as provided within Chapter 87, Article II Dogs of the Isanti City Code.

H. Rummage, Garage, Craft and Boutique sales. The infrequent temporary display and sale, by and occupant on his/her premises, of personal property, including general household rummage, used clothing and appliances, provided the exchange or sale of merchandise is conducted within the residence or accessory structure.
   1. The number of sales shall not exceed four (4) per year.
   2. The duration of sales does not exceed three (3) consecutive days.
   3. Any related signage shall be limited to the premises and to other residential property provided that the property owner's permission has been obtained to display such signage, and signage shall conform to the sign ordinance and shall be removed at the termination of the sale.

Subdivision 4: Conditional Uses

The following are conditional uses allowed in the "R-1A" Single-Family Residential Rural District and shall require a Conditional Use Permit based upon the procedures set forth and regulated by Section 21 of this Ordinance. Additional specific standards and criteria may be cited for respective conditional uses and a request shall be evaluated based upon those additional standards and criteria.

A. Bed and Breakfast establishments subject to those standards as provided within Section 13of this Ordinance.

B. Cemetery.

C. Community recreation.

D. Educational institutions.

E. Public buildings.

F. Religious institutions.

G. Telecommunication towers and antennas. Standards as provided in Section 13 shall be met; in addition to the following stipulation.
   1. Towers and antennas located within the "R-1A" Single-Family Rural District are limited to municipal functions and applications only.

H. Adult Day Center serving twelve (12) or fewer persons. *(Ord. No. 594)*

Subdivision 5: Interim Uses

The following are interim uses allowed in the "R-1A" Single-Family Residential Rural District and require an Interim Use Permit based upon the procedures set forth and regulated by Section 21 of this Ordinance.

A. Special home occupations, which is accessory to a residential dwelling; subject to the requirements provided in Section 13 of this Ordinance.

B. Temporary Real Estate Offices, subject to the performance standards as provided within Section 13 of this Ordinance.

Subdivision 6: Lot Requirements and Setbacks

A. Lot Requirements.

Lot Size	1 acre
Lot Width	
Corner	100 feet
Other	90 feet

B. Setbacks and Height Restrictions – Principal Building.

Minimum Front Yard Setback	50 feet
Minimum Rear Yard Setback	30 feet
Minimum Side Yard Setback	10 feet, each side
Minimum Street Side Yard Setback	20 feet
Maximum Height	2 ½ stories or 35 feet
Maximum Impervious Surface Coverage	40%

C. Setbacks – Accessory Buildings.

Regulations for Accessory structures are provided in Section 13of this Ordinance.

Rear Yard Setback	5 feet
Side Yard Setback	5 feet
Street Side Yard Setback	20 feet

D. Garage Requirements.

With the exception of dwelling units constructed prior to the effective date of this Ordinance, all dwelling units shall include an enclosed attached garage. All such garages shall be attached and constructed to accommodate two (2) vehicles parked side-by-side. Tandem garage spaces are permitted providing the required number of side-by-side parking spaces are met.

Minimum Floor Area	720 square feet
Minimum Width	24 feet
Minimum Depth	20 feet

E. Usable Lot Requirements.
All portions of the required minimum lot size for the district, not located within the standard five (5) foot drainage and utility easements must be 100% usable, as defined in Section 2 of this Ordinance.

Subdivision 7: Special Regulations

A. All dwellings must have a minimum of twelve hundred (1200) square feet of livable floor space above grade. All dwellings must have a permanent, full-perimeter foundation and frost footings, which shall meet building code requirements.

B. No residence shall be less than twenty-four (24) feet in width, as measured across the narrowest portion of the dwelling.

C. Building elevations shall provide for diversity in terms of, to include but is not limited to, the type of materials, building orientation, window location, and roof pitch. The exterior design, proportions, and materials shall be selected to achieve a quality design and a sense of individuality.

D. The design of the structure shall be similar in character and appearance to other dwellings in the area with regard to unit size, roof overhangs, roof materials, roof pitch, and exterior materials.

1. A roof constructed of asphalt composition, shingle, tile, crushed rock, or similar roofing material, which is compatible with surrounding development shall be used.
2. Exterior siding of brick, wood, stucco, plaster, concrete, or other similar materials, which is finished and non-glossy and non-reflective; and which is compatible with the surrounding development shall be used.
3. A predominant shape and form that is compatible with the surrounding neighborhood shall be used.

4. With the exception of driveways in existence at the time of prior to the effective date of this ordinance, all driveways shall be paved with concrete, bituminous or asphalt pavers in accordance with Section 17 Subdivision 15.

5. The number of motor vehicles and trailers, recreational vehicles parked outside are limited to 7 units (any combination for a total of 7). As defined in Section 227 of the City Code.

I. EFFECTIVE DATE

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this ___ day of _____, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: July 7, 2020
Subject: Ordinance XXX An ordinance Amending Ordinance 445, Section 15 Fencing, Screening and Landscaping, Subd. 1(e) Setbacks.

Background:

City staff has received multiple complaints regarding fencing requirements for properties abutting a street right-of-way. The current Zoning Code addresses the location for privacy fences shall be setback a minimum of fifteen feet from any street right-of-way. This eliminates yard space for homeowners, especially if the property is located on a corner lot. Many homeowners are facing a choice of losing yard space and constructing a privacy fence, or having to put up a chain link fence. Several new lots in the city are small and have unique configurations, and would be unable to utilize a majority of their yard. Lots in developed neighborhoods are often abutting a right-of-way on the side and rear property lines, which is the only location where a fence can be placed in a homeowner's yard.

A right-of-way is defined in the City Zoning Code Section 2 as: "A strip of public land occupied or intended to be occupied by a road, crosswalk, utility line, railroad, electric transmission line or other similar use." Sidewalks would be considered part of a right-of-way, meaning that according to the City Code, privacy fences must be placed at least 15 feet from the sidewalk. Staff would like to eliminate this requirement to allow fences to be closer to a right of way and for homeowners to gain more usable yard space.

The Planning Commission held a public hearing regarding this matter on June 16, 2020. No one from the public spoke on this item at the public hearing. The Planning Commission recommends approval of the ordinance amendment to remove the requirement for privacy fences to be located a minimum of 15 feet from any street right-of-way and replace it with language that reads "Privacy fences shall be setback a minimum of two (2) feet from any sidewalk". Staff recommends the City Council discuss existing privacy fences that are located closer than two feet from sidewalks, and the location of proposed fences having to be setback further than these existing fences.

Request:

Consider attached Ordinance Amendment.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: July 7, 2020
Subject: Approving Request for Proposals for Codification, Publication and Supplementation Services

---

City Code is made available to the residents through a service that allows for searchable text, subject matter and by use of index. The City has utilized codification, publication and code supplementation services from General Code since 2007. There is currently no contract in place for the services received. Staff is recommending to request proposals for such services to ensure the City is getting the best service for the most reasonable cost.

Recommendation:
Staff is recommending approval of the RFP as written to post on July 8th with a due date of July 31th.

Attachments:
- Request for Proposals
- RFP ad for public notice

Notice of Request for Proposals (RFP)
Codification Services, Publication and Supplement Services for the Municipal Code of the City of Isanti, MN

The City of Isanti, MN is accepting proposals for Codification Services, Publication and Supplement Services from a qualified consultant with extensive experience in codification. Proposals will be received until **4:30 p.m. on July 31, 2020**. Proposals shall be submitted to Josi Wood, City Administrator, c/o Isanti City Hall, 110- 1st Ave NW, PO Box 428, Isanti, MN 55040. Electronic submissions accepted.

The submitting party acknowledges the right of the City to reject any or all proposals and to waive any informalities or irregularities in any proposal received and to award each item to different submitting parties or all items to a single submitter. In addition, the submitting party recognizes the right of the City to reject a proposal if the submitter fails to furnish any required data required by the RFP, or if the proposal is in any way incomplete or irregular. The City shall be the sole judge of compliance with the specifications and reserves the right to accept or reject any or all proposals or parts thereof.

REQUEST FOR PROPOSALS
Codification Services, Publication and
Supplement Services for the City's Municipal Code

I. OVERVIEW

A. Community Background

The City of Isanti, MN (herein referred to as the "City") is a statutory Plan A city of the fourth class incorporated and existing under the laws of the State of Minnesota. The City is located in Isanti County with a population of approximately 6,200.

B. Request for Proposals (RFP)

The City is seeking Proposals from qualified firms with considerable experience in the area of codification to provide continuation and updates of publication and supplement services to the City. The purpose of this RFP is to gather information from firms relative to the City's required scope of service and key selection criteria. If the City deems necessary it will select a group of finalists from the RFP submissions. Specifically, the City is requesting proposals for re-codification of the City's existing Code of Ordinances and the possible addition of the Zoning Code of Ordinances, a copy of which is available on the City's website (www.cityofisanti.us)

II. SELECTION OF CRITERIA

Selection of a codification firm will be based upon criteria deemed relevant to the City, including but not limited to the following:

A. size and experience of the firm;
B. number of years in business;
C. name and availability of contact person;
D. experience and educational background of legal editorial staff;
E. experience and educational background of editors and support staff;
F. pricing and value for services;
G. complete list of current Minnesota clients;
H. reference contacts from at least three (3) Minnesota municipalities for which similar projects have been completed;
I. website and list of Codes in online library;
J. data on average turnaround time for routine Code supplements;
K. letter attesting to financial stability of firm;
L. completed Quotation Sheet.

The City shall select the most responsive, responsible and qualified proposer based on this criteria. Pricing will not be the sole criterion for selection. Preference may be granted to the firm demonstrating extensive experience serving Minnesota municipalities, possessing knowledge of

Minnesota law and receiving favorable references from Minnesota municipalities concerning their services.

III. SCOPE OF SERVICES

The City is requesting proposals for the continuation and updates of codification of the ordinances of the City, including publication and supplemental services. Listed below are the various required components for the codification project. The codification firm shall clearly describe, in its response, a recommended process for achieving these components. The proposals should include an estimated timeline for each component.

The codification process shall ensure that all Code-relevant legislation is properly incorporated into the city code and zoning code and shall provide written documentation to the City.

A. The codifier shall use the current organizational and numbering system for the Code; however, the City will consider a new organizational and numbering system if recommended by the firm.

B. Continued services for the Code Index and table of contents for each chapter.

C. Prepare a legislative history of each section, citing the ordinance number and date of passage of the current ordinance, as indicated on copies of ordinances supplied to the codification firm.

D. Prepare statutory cross-references to sections of the City statutes and references to other pertinent parts of the Code, where applicable. These references shall appear at the end of the section to which they apply.

E. Prepare Tables of Special Ordinances listing chronologically, in groups, those ordinances in certain subject areas that the City and the codification firm mutually agree to be pertinent.

F. Continuation and updates of parallel Reference Tables showing:

(1) The disposition of ordinances (in numeric sequence) included in the codification (Ordinance to Code).

(2) A listing of Code sections based on City statutes (Statute to Code).

H. Deliver to the City, within three (3) months from the receipt of the materials deemed necessary by the codification firm to begin the codification, one copy of a manuscript of the Code for the City's examination, as well as the codification firm's written legal report detailing its legal research and analysis of the City's Code and ordinances.

I. Five (5) of the Code volumes shall be published. The Code volumes will be on 8½ x 11-inch pages, housed in heavy-duty post binders, imprinted with the name and Seal of the City on the front and spine. The codification firm shall indicate the color choices available for the binders. The codification firm shall provide a complete sample Code from another Minnesota client to illustrate the type of binders and page format to be used.

J. In addition to the printed copies, the City's Code and Zoning Code must be provided in searchable PDF format, in word format and provide web hosting.

K. Meet with the City to hold a manuscript conference to make final corrections, additions and deletions to the City's Code. Any of the pages of the manuscript may be changed at this time as the City sees fit.

L. Classify all ordinances which are of a general and permanent nature into titles, chapters and sections, according to subject matter. All ordinances repealed by implication, or which are outmoded or antiquated, shall be disposed of in accordance with the recommendations of the City.

M. Make changes to affect uniformity of style and to correct typographical and spelling errors, grammar and usage. Substantive changes shall not be made in the wording of the ordinances. Suggestions for additions or changes in the ordinances shall be submitted to the City.

N. Submit to the City, in writing, all prices for these codification services and a proposed invoicing schedule.

O. The codification firm should also:

(1) Submit to the City the costs and minimums for additional copies of the Code in the future.

(2) Provide an increase and decrease price for pages more than or less than the pages on which the proposal is based.

(3) List separately each cost for supplement services, such as shipping, editorial fees and extra charges for tabular material.

(4) Submit to the City the costs for updates and services to City Code and Zoning Code separately.

(5) State completion time for supplement service.

(6) Provide information about the codification firm's capability to provide free technical phone support, training and updates.

IV. SUPPLEMENTAL UPKEEP SERVICES

After publication of the Code of Ordinances and Zoning Code is complete, the codification firm will continue to maintain the Code as new legislation is enacted or ordinances are changed or repealed as follows:

A. Post updates to the website where the Code is maintained in an agreeable timeframe after receiving from the City;

B. Incorporate all changes and additions into the appropriate place in the existing Code, including deletion of repealed ordinances, and update table of contents and index as necessitated;

C. Publish loose-leaf supplements for 5 Code books after incorporating any changes to the Code. Include with each supplement a page of instructions for removal of the obsolete pages and insertion of the new pages. Also provide a new word document that includes the updated legislation;

D. If requested by the City, make available printed copies of selected chapters or portions of the Code, printed and bound in separate covers. Prices for such services shall be quoted at the time of the request.

V. OPTIONAL SERVICES

The codification firm may provide information on any additional product options or services related to this codification project not outlined in this Request for Proposals. Please include a complete description of the services, procedures involved, and a separate breakdown of all applicable costs.

The codification firm shall also provide for a complete review of the City's current ordinances, identifying any conflicts or inconsistencies within the ordinances or between the ordinances and applicable state statutes.

VI. INQUIRIES

All inquiries shall be submitted via e-mail no later than 4:30 p.m. on **July 24, 2020**. This will allow the City the opportunity to respond in a timely manner and to share any pertinent information with any applicants. Please direct any and all inquiries to:

Josi Wood, City Administrator
jwood@cityofisanti.us

PRICE QUOTATION

The codification firm shall provide a breakdown of costs for this codification project indicating not-to-exceed prices. Payment terms should also be specified. Five (5) copies of the printed Code have been requested, along with Five (5) copies of loose-leaf supplements on a quarterly basis. Please also indicate a cost for printing extra books beyond the Five (5) requested. Any variations from the specifications as outlined in this request for proposals should be noted on the price quotation sheet.

VII. SUBMISSIONS

Proposals will be received until **4:30 p.m. July 31, 2020** at Isanti City Hall, 110-1st Ave, PO Box 428, Isanti, MN 55040. Please send a completed proposal along with cover letter (electronic submissions will be accepted) to:

- Resolution 2020-XXX - Declaring Certain Property as Surplus and Authorize its Sale by Public Surplus Online Public Auction

RESOLUTION 2020-XXX

DECLARING CERTAIN PROPERTY AS SURPLUS AND AUTHORIZE ITS SALE BY PUBLIC SURPLUS ONLINE PUBLIC AUCTION

WHEREAS, on occasion the City of Isanti incurs supplies and equipment that is no longer of use for departments within the City; and,

WHEREAS, the City budgeted and purchased a new Progressive Mower to replace the existing Progressive Mower per the City's replacement schedule; and,

WHEREAS, the Progressive Mower has been replaced; and,

WHEREAS, Resolution No. 2016-197 provides guidelines for the disposal of surplus property; and,

WHEREAS, the items listed above will be placed on Public Surplus Online Public Auction;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorize the following:

1. To declare the above item from the Public Works Facility as surplus and post public notice that the items will go to public auction.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for auction of the surplus item identified per this Resolution.

This resolution was duly adopted by the Isanti City Council the 7th day of July, 2020.

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of City Council**

From: Jenny Garvey - Parks, Recreation and Culture Manager

Date: July 7, 2020

Subject: **Resolution Amending A Donation from the Rotary Club of Cambridge & Isanti**

Background

The City of Isanti developed and installed a dog park that opened in May 2019. The Rotary Club of Cambridge & Isanti donated $1,200 for an additional bench and dog park agility accessories with Resolution 2019-186. Staff has purchased a bench and are now requesting that the additional funds be used to install concrete around the bench and entrance gate area to the park, to assist with grass/dirt erosion that is taking place and to add a plaque to the park stating "Equipment for our furry friends provided by the Rotary Club of Cambridge and Isanti".

Staff Request

City staff is requesting Council approve the amended donation distribution from the Rotary Club of Cambridge & Isanti for use of the remaining funds to add concrete around the bench and entrance to the City of Isanti Dog Park.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Travis Muyres, Police Chief
Date: July 7, 2020
Subject: Approving Installation of CCTV camera system at City Hall, Water Treatment Facility and Police Department

---

The City Council authorized the installation of an cctv security camera system at City Hall, Water Treatment Facility and the Police Department when approving the 2020 Budget. This porject enhances the physical secutity of the cities critical infrastructure. The total amount included in the budget is $7,740 within Muni Building (500).

Staff secured $1,893.36 grant funding from UASI Urban Area Security Iniative Federal Grant for this project.

Quotes were solicited from two vendors. The following quotes were received:

Bidder Name	Total Quoted	Grant Funds	Total Project
Legacy Security Technology, Inc.	$9,348.04	$1,898.36	$7,449.68
Pro-Tec Design	$31,598.48	$1,898.36	$29,700.12

Recommendation:
Staff is recommending the City utilize Legacy Security Technology, Inc. to install the cctv security camera system and to approve the acceptance of $1,893.36 grant funding.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Affirm the scope of work to include City Hall, Water Treatment Facility and Police Department.
2. Accept $1,893.36 grant funding for the project
3. Approve Resolution as written.

RESOLUTION 2020-XXX

APPROVING INSTALLATION OF CCTV SECURITY CAMERA SYSTEM AT CITY HALL, WATER TREATMENT FACILITY AND POLICE DEPARTMENT

WHEREAS, the 2020 Budget included funds for cctv security camera system at City Hall, Water Treatment Facility and the Police Department; and,

WHEREAS, grant funding from UASI Urban Area Security Initiative Federal Grant in the amount of $1,893.36 was secured for the project; and,

WHEREAS, staff solicited quotes and the following were received:

Bidder Name	Total Quoted	Grant Funds Awarded	Total Project
Legacy Security Technology, Inc.	$9,348.04	$1,898.36	$7,449.68
Pro-Tec Design	$31,598.48	$1,898.36	$29,700.12

WHEREAS, funding has been identified in **total $7,740** as:

1. City Hall fund 920-41941-500 $2,580
2. Police Department fund 920-42110-500 $2,580
3. Water Treatment Facility 601-49400-500 $2,580

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. To accept the quote from Legacy Security Technology, Inc. for installation of the cctv security camera system at City Hall, Water Treatment Facility and the Police to not exceed a total amount of $7,740.00 with funding source identified as:
    a. City Hall fund 920-41941-500 $2,580
    b. Police Department fund 920-42110-500 $2,580
    c. Water Treatment Facility 601-49400-500 $2,580
2. To accept $1,893.36 grant funding from UASI Urban Area Security Initiative Federal Grant disbursed via Isanti County Emergency Management for this project.
3. Authorize Staff to sign necessary documentation for the grant and installation of the camera system.

This resolution was duly adopted by the Isanti City Council this 7th day of July, 2020.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Acceptance Signature:_____ Date:_____

Legacy Security Technology, Inc. Customer Sales Agreement

This agreement is made on this **25th** day of **June**, **2020**, by and between Legacy Security Technology, Inc. a Minnesota Corporation located at 4356 4th St NE, Columbia Heights, MN 55421 hereinafter referred to as "Company," and **City of Isanti** located at **110 1st Avenue NW, Isanti, MN 55040** hereinafter referred to as "Customer." WHEREAS, Company sells Security System Products (the "Equipment") and installation, and repair services associated with Equipment (the "Services"); and WHEREAS, Customer agrees to purchase Equipment and Services from Company

Sale and Installation Charges: Customer agrees to pay Company the sum of $ **4478.36**, plus tax, if applicable, for the sale and installation of the Equipment and Services.

Fees: The fee to be paid by Customer to Company for Equipment and Services shall be those specified by Company's Price List in effect at the time such Equipment or Services are provided unless otherwise specified. Customer acknowledges having received the current price list. Customer agrees that failure to make the payments herein shall automatically terminate Company's obligation to provide its Equipment and Services to Customer. Any fees shall not be refundable if this Agreement is terminated by actions of Customer. Customer shall be responsible for all expenses incurred by Company including reasonable attorney's fees, incurred by Company in connection with excessive alarm transmissions, false alarm fees, or collection of any past due amounts owed to Company by Customer.

Payment Terms: Customer agrees to pay all applicable charges, fees and taxes associated with Equipment and Services provided to Customer by Company ("Service Fees"). The timing of the assessment of Service Fees will be determined in the sole discretion of Company. If Company has agreed to charge Customer's credit card or debit card for the Service Fees (as opposed to billing the Customer for payment in cash, by check or money order), Customer authorizes Company to charge Customer's credit card and debit card for all such Service Fees. As applicable, Customer agrees to provide to Company updated credit card and debit card information on a timely basis prior to the expiration or termination of the credit card or debit card on file with Company or in the event that Customer's credit card limit or debit card balance is or will be insufficient to cover payment. If any payment is not timely received, or if Company is unable to charge Customer's credit card or debit card due to invalid credit card or debit card information or due to insufficient credit or funds, an administrative charge of $29 may be assessed and the Service may be disconnected. If the Service is disconnected, Customer may be required to pay a reconnect fee of $35 in addition to all past due charges before the Service is reconnected. Payments are expected to be paid in full when due. Company does not extend credit to Customers and the administrative charge is not intended as interest, a credit service charge or a finance charge. No acceptance of partial payment shall constitute a waiver of Company's right to collect the full balance owing. Customer authorizes Company to make inquiries and to receive information about Customer's credit experience from others, to enter this information in Customer's file, and disclose such information concerning Customer to appropriate third parties for reasonable business purposes.

Warranty: Company warrants to the original purchaser of Equipment that for twelve (12) months after the date the Equipment is delivered (the "Warranty Period"), the Equipment will be free from material defects in materials and workmanship. The foregoing warranty is subject to the proper installation, operation and maintenance of the Equipment in accordance with installation instructions and the operating manual supplied to Customer. Warranty claims must be made by Customer in writing within sixty (60) days of the manifestation of a problem. Company's sole obligation under the foregoing warranty is, at Company's option, to repair, replace or correct any such defect that was present at the time of delivery, or to remove the Equipment and to refund the purchase price to Customer. Excluded from the warranty are problems due to accidents, misuse, misapplication, storage damage, negligence, or modification to the Equipment or its components. Company does not authorize any person or party to assume or create for it any other obligation or liability in connection with the Equipment except as set forth herein.

Operation of the Equipment: Customer shall be responsible for operation of Equipment. Customer shall operate the Equipment in compliance with the operations manual for Equipment. Customer shall comply with all applicable rules, laws, and regulations in connection with operation of Equipment. Customer shall test the Equipment and communications service, at least monthly, and following changes.

Limitations of Equipment: Customer understands that Equipment installed will not function if cellular service, telephone lines or broadband internet connection are inoperative or non-functioning. Customer further understands that it is Customer's sole obligation to insure that the cellular service, telephone line and broadband internet connection are operative and in working order.

Insurance: IT IS UNDERSTOOD AND AGREED BY CUSTOMER THAT COMPANY IS NOT AN INSURER AND THAT INSURANCE IF ANY, COVERING PERSONAL INJURY AND PROPERY LOSS OR DAMAGE ON ANY CUSTOMER'S PREMISES SHALL BE OBTAINED BY CUSTOMER; THAT COMPANY IS BEING PAID TO DESIGN, SERVICE, OR INSTALL A SYSTEM DESIGNED TO REDUCE CERTAIN RISKS OF LOSS AND THAT THE AMOUNTS BEING CHARGED BY THE COMPANY ARE NOT SUFFICIENT TO GUARANTY THAT NO LOSS WILL OCCUR; THAT COMPANY IS NOT ASSUMING RESPONSIBILITY FOR ANY LOSSES WHICH MAY OCCUR EVEN IF DUE TO COMPANY'S NEGLECT, PERFORMANCE OR FAILURE TO PERFORM ANY OBLIGATION UNDER THIS AGREEMENT.

Indemnification: Customer agrees to indemnify and hold Company, officers, directors, shareholders, agents, employees, and agents harmless at all times from and after the date of this Agreement against and in respect of all damages, losses, costs and expenses including reasonable attorney's fees, which Company, its officers directors, shareholders, employees, and/or agents may suffer or incur in connection with: (a) Customer's failure to perform under this Agreement or to make any payment when due; or (b) Claims made against Company by any third party alleging damages as a result of Company's negligence or failure to perform under this Agreement.

Limitation of Liability: To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of Company and Company's officers, directors, shareholders, employees, and agents, and any of them, to the Customer and anyone claiming by, through, or under Customer for any and all claims, losses, costs, or damages whatsoever arising out of, resulting from or in any way related to the Equipment, Services, or the Agreement from any cause that the Company should be found liable, shall be limited to the lesser of the value of the Service Fees paid or $250; therefore, Customer agrees to accept the lesser of the value of the Service Fees or $250 as liquidated damages in complete satisfaction, discharge and release of Company's liability.

General Terms: 1. Company shall not be liable for any failure to perform its obligations in connection with any action described in this Agreement, if such failure results from any act of God, riot, war, civil unrest, flood, earthquake, or other cause beyond Company's reasonable control (including any mechanical, electronic, or communications failure).

2. This Agreement shall be governed and construed in accordance with the laws, other than its law dealing with conflicts of law of the United States and the State of Minnesota and Customer consents any dispute with respect to this Agreement between Customer and Company, including a dispute as to the validity or existence of this Agreement and/or this clause, shall be resolved by binding arbitration in accordance with the rules of the American Arbitration Association. Venue for any such arbitration shall be Minnesota.

3. Company reserves the right to make changes to this agreement at any time with written notice to Customer.

4. The section titles in this agreement are for convenience only and have no legal or contractual effect.

5. If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall never the less remain in full force and effect.

VALUE PROPOSITION

The following proposal outlines the necessary items to install a Axis camera system at the Water Tower, Police Station, & City Hall. These sites will all be linked together via a wireless Fluidmesh antenna system.

A centralized, on-site 16 channel Axis recording server will be installed at City Hall. The camera design PTD is proposing will use 7 channels leaving 9 channels available for future expansion. The recording server will be programmed for 45 day retention.

STATEMENT OF WORK

PTD to install one exterior camera at the Water Tower.
PTD to install four cameras at the Police Station. Two of these cameras will be interior and two will be exterior.
PTD to install two interior cameras in City Hall Lobby.
PTD to install Fluid Mesh Wireless Antenna system at each location to link the system together.
PTD to install the Axis camera server at City Hall.
PTD assumes line of sight between locations is achievable at a height reachable from ground via bucket truck or lift. If point to point needs to be high on the tower, a change order will need to be issued.
Cable distances are based on estimates since PTD was not provided prints or drawings of the locations. If additional cables are needed, a change order will need to be issued.
This proposal does not include a workstation for the system.
Customer is responsible for providing sufficient storage for the POE Network Switch at the Police Station, and the Axis Recording Server at City Hall. If they are unable to provide this, a change order will be issued.

ITEMS NOT INCLUDED

NETWORK- Owner to provide all network connectivity including switches with PoE and IP addresses. (None currently required for this project.)
POWER- 110VAC is to be provided by owner. (None currently required for this project.)
SUPPORT- Owner to provide any technical assistance need during project. This includes IT staff providing access to workstations and servers, and personnel to determine best cable-run routes.
PROGRAMMING- Owner to program all system information including, but not limited to, cardholder name, access privileges, and other system information not entered by Pro-Tec.
NEC/NFPA- Project will follow all applicable building and fire codes. This may require the client to coordinate with associated trades not specified in this scope.
Line of sight between locations is achievable at a height reachable from ground via bucket truck. If point to point needs to be high on the tower, a change order will need to be issued.
Customer is responsible for providing sufficient storage for the POE Network Switch at the Police Station, and the Axis Recording Server at City Hall. If they are unable to provide this, a change order will be issued.
Cable distances are based on estimates since PTD was not provided prints or drawings of the locations. If additional cables are needed, a change order will need to be issued.
This proposal does not include a workstation for the system.
Customer is responsible for providing sufficient storage for the POE Network Switch at the Police Station, and the Axis Recording Server at City Hall. If they are unable to provide this, a change order will be issued.

GENERAL NOTES

1. Pricing is based on the work scope and drawings developed by Pro-Tec Design.
2. 110 VAC is PROVIDED by others unless otherwise specified.
3. All patching and painting to be done by others unless otherwise specified.
4. Pricing assumes any existing equipment to be re-used is in good operational order. Additional time and material to repair existing equipment is outside this scope of work.
5. Pricing assumes any existing equipment to be re-used is fully compatible with new equipment in this work scope. Alterations to make existing equipment fully compliant with new equipment is outside this scope of work.

Standard Terms & Conditions

FINANCIAL

1. No provisions of this Proposal/Contract shall serve to void our rights under Mechanics' Lien Laws.
2. We do not accept back charges that have not been previously agreed to by us in writing.
3. Late payments of 60 days or more will bear interest at the standard prevailing commercial rate.
4. Unless otherwise specified, you will be billed for 30% of the project total immediately after the receipt of an order. Prompt payment is required to order parts and cover other costs associated with project start-up.
5. Progress billings will be issued monthly and unless specified in a separate contract all payments are due net 30.
6. Nothing in this Proposal/Contract shall be construed to require us to continue performance of work if we do not receive timely payment for properly performed work and suitably stored materials.
7. We retain title to all equipment until installation is complete and all payments due Pro-Tec Design have been paid in full. We reserve the right to retake posession of the same or any part thereof at your cost if default is made by you in any payment. If customer fails to follow payment schedule(s) above or if Pro-Tec Design anticipates Customer may be unable to perform hereunder, Pro-Tec Design may terminate this contract, defer, discontinue or suspend work, or demand adequate assurance of Customer's performance. If a Customer's account must be placed with an attorney for collection, whether a lawsuite is filled or otherwise, or if the services of an attorney are required to protect Pro-Tec Design's interest, Customer agrees to pay all collection costs, including reasonable attorney's fees.
8. Alterations or modifications of the original quotation or specifications, including changes in quantity, material, design or other features, must be communicated in writing by Customer to Pro-Tec Design and accepted by Pro-Tec Design in writing, it being understood any change may increase prices. Customer shall be liable for an reimburse Pro-Tec Design for any and all work in process at the time of Pro-Tec Design's receipt of notice of changes.

SITE CONDITIONS AND WORK PERFORMANCE

9. We are not responsible for protection of our work in place.
10. We will dispose of debris created by our work into Owner-furnished trash bins or container at the site.
11. You shall furnish and make available to us at the site reasonable storage and parking facilities, and convenient delivery access to our work.
12. You shall provide uncluttered and safe access for us to perform our work. The schedule of any other contractors invovled in this project shall be made in consultation with us, and unless otherwise agreed to, shall provide time for us to perform our work on an 8-hour day, 40-hour week basis. This Proposal/Contract does not include provision for our being required to perform overtime work for any reasons unless otherwise stated. An additional charge to the contract shall be made for any mutually agreed upon overtime.
13. We are not responsible for delays or defaults that are occasioned by causes of any kind beyond our control, including but not limited to delays or defaults of Architects, the Owner, the Contractor, any Subcontractors, other third parties, civil disorders, labor disputes, and Acts of God. We shall be entitled to equitable adjustment for delays caused by any Architect, Engineer, Contractor, or Owner.
14. If any drawings, illustrations, or descriptive matter are furnished with this Proposal/Contract, they are approximate and submitted only to show the general sytle, arrangement, and dimensions of equipment offered.
15. All work will be done during standard business hours, Monday through Friday unless otherwise noted.

WARRANTY

16. No liquidated damages will be due.
17. THERE ARE NO WARRANTIES THAT EXTEND BEYOND PRO-TEC DESIGN'S STATED SPECIFICATIONS. PRO-TEC SPECIFICALLY EXCLUDES ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY FOR MERCHANTIBILITY, IMPLIED WARRANTY OF FITNESS, IMPLIED WARRANTY OF DESIGN, AND ALL OTHER IMPLIED WARRANTIES. Customer's sole remedy in any action at law based hereunder (other than an action based on breach of warranty, which warranties are expressly excluded except as set forth herein) shall be limited to the repair or replacement of nonconforming goods or parts, or, at Pro-Tec Design's option, refund of the applicable quote. IN NO EVENT SHALL PRO-TEC DESIGN BE RESPONSIBLE FOR ANY CONSEQUENTIAL OR ECONOMICE DAMAGES OR LOSS. LOST PROFITS OR CONSEQUENTIAL DAMAGES FOR PERSONAL INJURY.

CUSTOMER AGREES THAT THIS PROVISION IS CONSCIONABLE.

18. Pro-Tec Design will warranty the labor and materials covered under this quotation for one year from the date of first beneficial use of the system provided the Owner is current in their payments to Pro-Tec Design, Inc. Accounts that are not current shall not receive warranty work until said accounts are made current. Pro-Tec Design will respond during normal business hours Monday through Friday. Weekends, Holidays and after hours warranty support will be billable to standard overtime rates. Warranty does not include replacement or repair of equipment damaged by Misues, Negligence, Over or Under Voltage, or "Actos of God: such as lightning or other weather related incidents. Warranty only covers the repair or replacement of any parts supplied by Pro-Tec and any labor and travel to and from the site to execute said repairs for one (1) year from the date the Owner has beneficial use of the system. No warranty is extended to not in contract (NIC) equipment. NIC equipment is defined as any equipment not supplied by Pro-Tec or existing equipment that is re-used. The troubleshooting, repair or replacement of NIC equipment will be provided by Pro-Tec at a time and materials basis.
19. Pro-Tec Design is not an insurer of Customer's risks and exposures, Pro-Tec shall not be liable for any failure to perform under this Agreement due to any "Act of God," "Force Majeure," of another cause beyond Pro-Tec Design's control. Pro-Tec Design shall not be liable for any loss or damage caused in whole or in part from negligence, fault, or wrongful act of Customer or of any third persons or parties. Services provided under this Agreement are for the sole benefit of the Customer and no rights are, or may be, conferred on any other party as a third-party beneficiary, by transfer or assignment, or otherwise. Pro-Tec Design's total liability is limited to the contract price; as matter of law, this limitation does not apply to fraud, willful injury, or willful violation of the law.

OTHER

20. This Proposal/Contract, including the provisions printed above and any specifications or other provisions attached hereto, when accepted by you and Pro-Tec Design shall constitute the Contract between us, and all prior representations or agreements not incorporated herein are superseded. Any terms or conditions contained in any Customer proposal/contract/purchase order are expressly rejected and shall not bind Pro-Tec Design or affect or invalidate any terms contained herein. Terms and conditions herein shall not be modified except upon Pro-Tec Design's written agreement.
21. This Proposal/Contract shall be interpreted and governed by the laws of the State of Minnesota. Any disputes arising out of business conduced hereunder shall be venued in the district court of the State of Minnesota. In case of dispute, the prevailing party shall be awarded reasonable attorney's fees.
22. The design and/or intent of the items listed in this system specification is considered intellectual property and owned by Pro-Tec Design and will not be disclosed to any party other than those intended by Pro-Tec Design. Disclosure of this design/intent will subject the discloser to Consultant Fees equivalent of the above listed design/build quotation.
23. Customer agrees that during the term of this contract and for two years following termination, they will not directly or indirectly solicit for hire nor contract for services any employee who performs services hereunder without Pro-Tec Design's written consent.
24. This proposal and any documents associated with it supersede any prior verbal or written information provided.

CITY OF ISANTI
PARKS, RECREATION AND CULTURE BOARD MEETING MINUTES
June 23, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager; Matt Sylvester- Public Services Director

Agenda/Modifications: Witte asked about River Bluff Preserve item and Garvey added that they will review this within the department updates. None added, motion by Witte, second by Gordon to approve the agenda for June 23, 2020. Motion passed 4-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from February 25, 2020. Motion passed 4-0.

3. Park Visits: Garvey reviewed that in 2018, the PRC Board determined that instead of doing a whole group tour during a meeting, it would be more effective for members to each visit a couple of parks ahead of the meeting to provide a more detailed review of the parks. The 2019 Park Assignments were: Aaron Zdon – Academy Park and Whisper Ridge; James Witte – Rum River Meadows, River Bluff Preserve and Isanti Hills Neighborhood Park; Jenny Garvey – Bluebird Park, Unity Park, and Riverside Park; and Jeff Johnson – Mattson Park, Legacy Park and VFW Park. Zdon said that he agreed this was a more efficient way to review the parks as the tour took a much longer time. Witte agreed this was a good way to review the parks. Gordon will take Bluebird, Unity and Riverside Parks and Thum will take Mattson, Legacy and VFW parks. The board members have the park ambassador check list and will bring these back to the July meeting.

4. Department Updates: Garvey reviewed the department updates. Staff cancelled the March Curious Creatures program and movie night, due to COVID-19 health pandemic that is occurring around the country and state. For June 9 we had Water Mania and for July 7 our theme is Cowboys and Cowgirls which was to coincide with the Rodeo. Council decided to move the Fireworks from Thursday July 9 to Saturday July 11 due to the cancellation of the Rodeo and Jubilee Days. The COW discussed the path/walkway that the PRC board had addressed extending or re-routing at the March 17, 2020 meeting and has decided to not pursue this, as the park layout and amenities within the park could change. Staff is continuing to plan for the Pop bottle rocket class, and free tennis lessons that will be in July. Currently we have 5 registered for the youth classes. Kids day is set for Friday July 10 at Bluebird park, with an inflatable water slide, kids dance and the Police and Fire chiefs will give brief safety talks. The medallion hunt will start with clues being released on Monday July 6. Council first postponed the June street dance until September, but decided to add a new band to the June 20 date, Bad Jack with the quick changes that were adjusted from the guidelines that have been in place. The other Street Dance Bands are Sept 12: The Farmer's Daughters, July 18: Brother Ferris and August 8: Brat Pack Radio. The Famer's market opened May 29 and will run through September 25, we will not have a market on July 3 with the holiday. Its open Friday's from 2-6pm. This year we have 18 vendors and each week brings a different variety to choose from. The layout is a bit different this year with having to provide social distancing within the market. The community garden opened on Thursday May 7 and all plots have been reserved, 75 in total; 67 ground plots, 7 raised beds and one elevated bed. Staff is in the process of planting sunflowers in the pollinator area and creating a walkway/maze through it. The northeast corner continues to remain open for future plots. The council has been discussing the upcoming budget and CIP. Within the CIP are items related to the future of parks. In particular, Whisper Ridge, VFW and Isanti Hills Neighborhood Park. These parks have been discussed in the past, almost annually, when we review the park tour items. As of now, the Council has not funded any future replacements for these parks. This is being presented for information for the Park Board to be aware of and to review at future meetings the ideas that the Park Board would have for new items. Sylvester added that within these parks are playground equipment that we can no longer get replacement parts for. Zdon added that he agreed we struggle with replacing parts and that he recalled this being an issue with these parks in the past. Witte asked if River Bluff Preserve had been addressed yet, as he had been in touch with staff with tree's that had fallen. Matt Sylvester reviewed that the PW crew was able to clean up some trees at the dock within River

Bluff preserve, after clarifying from the Mn DNR that this was possible. Tree's had fallen and were interfering with fishing. The river level is quite low right now.

Mayor Johnson had some questions or clarifications to the CIP/budget item that was discussed. Johnson added that the council has been discussing the CIP/budget items and that he wanted to make sure that the PRC board knew that the council is looking at these three parks (Whisper Ridge, VFW and Isanti Hills Neighborhood(IHN)). Council is reviewing moving funds from the equipment replacement to funding a bigger project for Bluebird and to have this park as the main park within Isanti. Thum added that he didn't want to see VFW park go away as kids are using it now and there are lots of kids in that area. Johnson added council was not looking at eliminating any park but that they are asking the board to look into new ideas and wanted to make sure this board was in the loop with this plan or budgeting area. Sylvester reiterated that these parks have the equipment that staff can no longer get replacement parts for and the board is being asked to look into new ideas for replacement, such as open space or other amenities. Zdon didn't want to see any parks eliminated within the city and asked if it was within the plan to have one in every neighborhood. Johnson added that it wasn't an ordinance and that council wasn't looking to eliminate a park and that within our city we have 14 parks. Mayor Johnson added the discussions at council have been to see if the VFW would want to take back or take on VFW park and an idea to have them take down the surrounding fence around that park. Mayor Johnson asked Councilmember Gordon if he had anything to add. Gordon added that he didn't agree with having the one main park idea and adding an amphitheater or other amenities to the park and the funding getting shifted to that, he would like to see more of a cost savings to the citizens. Witte added that he has used IHN park, and didn't want to see any park get eliminated. The idea is for the PRC board to review items that could be added instead of replacing the playground equipment. Zdon brought up a natural park in Waseca that he had visited. The mayor added that he wanted to make sure the PRC board had a voice and council will review this and provide direction to the bord and staff for future meetings to discuss this more. Zdon reviewed that the council and staff will provide more information at a future meeting for the PRC board to review.

Adjournment: Motion by Witte, second by Thum to adjourn the June 23, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 4-0, meeting adjourned at 6:32 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

MINUTES
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, JULY 7, 2020 – 7:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 7:00 p.m.

The Pledge of Allegiance was recited

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Chief of Police Travis Muyres and Community Development Director Sheila Sellman

Others Present: Joanne Albin, Rick Albin, Scott Boerlke, Mike Colbaugh and Mary Colbaugh

D. Public Comment

Rick Albin, 941 Winsome Way NW, shared his concern for fireworks within the city and what can be done to stop it.

Chief of Police, Travis Muyres shared that last weekend there were approximately six or seven fireworks calls and out of those six or seven only two contacts were made.

Mayor Johnson stated that if the police are not called, they do not know about it.

Chief Muyres stated the issue is that it is hard to pin point where the violations are and it helps when the caller specifies the exact location.

Johnson stated the caller can stay anonymous if they prefer.

E. Adopt Agenda

Addendum:
Remove L.12

Motion by Lundeen, second by Bergley to approve to the agenda with the modifications listed above. Motion passed 5-0. Motion carried.

F. Proclamations/Commendations/Certificate Award

None

G. Approve City Council Minutes

1. June 16, 2020- Regular Meeting of the City Council
2. June 16, 2020- Committee of the Whole Meeting
3. May 19, 2020- Planning Commission Meeting
4. February 25, 2020- Parks, Recreation and Culture Board Meeting

Motion by Lundeen, second by Collison to approve minutes as presented. Motion passed 5-0. Motion carried.

H. Announcements

1. Committee of the Whole	Tuesday, July 21, 2020 at 5:00 p.m.
2. City Council Meeting	Tuesday, July 21, 2020 at 7:00 p.m.
3. Planning Commission Meeting	Tuesday, July 21, 2020 *(Immediately following the City Council Meeting)*

I. Council Committee Reports

City Administrator Josi Wood shared that it is anticipated that Isanti County Public Health will be issuing an order regarding 207 Richard Ave. Once the letter is received, staff will be taking steps with the City Attorney regarding the property, as it has been a concern of Council and the residents of Isanti.

Mayor Johnson stated that the police department closed down a house involved with making methamphetamine at 207 Richard Ave. Johnson further shared that the house is now being deemed as a public health risk.

J. Public Hearings

1. **Resolution 2020-121** To Authorize Nuisance Abatement for Property Located at 105 Rail Road Ave

Community Development Director, Sheila Sellman, shared that at the June 16th City Council Meeting, council called for a Public Hearing for consideration of a nuisance abatement for 105 Railroad Ave. Sellman continued to share that the owners have had some time to replace the roof and siding and there has been progress made on the roof, but no progress on the siding.

Motion by Councilmember Lundeen to postpone the public hearing to August 5th.

Mayor Johnson asked how long it has been going on.

Sellman stated since August of 2019.

Councilmember Collison stated he would be willing to wait two more weeks and there is no reason that the work should not be completed in two more weeks.

Councilmember Bergley asked if Community Development Director Sheila Sellman has followed the progress.

Sellman stated that yes, progress has been made since notice of the public hearing and the tarp has been removed that was covering up the holes. However, the order has not been completed as of today. Sellman further shared that she has not heard from the owners, but she understood they were in attendance.

Lundeen stated that he strongly recommends that the owners communicate with Sellman.

Owner, Mary Colbaugh, 105 Railroad Ave, shared that the issue is that they do not know how long it is going to take until the roof is stripped and the shingles are off to see what is in there. Colbaugh

continued to share if they do not get a few days of non-rain and strip the roof before that there is thousands of dollars' worth of machinery and products inside the building that need to be moved.

Councilmember Gordon seconded the motion to postpone the public hearing to August 5th. Motion passed 5-0. Motion carried.

K. Business Items

City Administrator Josi Wood

1. **Resolution 2020-122** Approving a Special Event Permit for the 2020 Summer Spectacular Car Show *(Amy Davis)*
   Amy Davis, Rum River Rods, shared that the Summer Spectacular Car Show is on August 8th in downtown Isanti 10:00 a.m. to 3:00 p.m. and they are expecting a few hundred cars at the event.

   Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

2. **Resolution 2020-123** Expenditure Policy for Coronavirus Relief Funds
   City Administrator Josi Wood shared that a component of the Cares Act allocated $454,377.00 of Coronavirus Relief Funds to the City of Isanti. The funds are to be used for Covid-19 related expenses that occurred due to the public health emergency because of Covid-19. Wood went on to share that the expenses need to be non-budgeted expenses as well as would have had to be incurred between the dates of March 1st, 2020 and December 30th, 2020. With recommendation from the League of Minnesota Cities, staff has drafted a policy on how to spend the funds. The monies shall be used for technology upgrades, COVID testing, disinfection supplies, telework capabilities and medical supplies. Any money that is not utilized will be sent to the County for utilization and if there are still funds left it will be sent back to the federal government.

   Councilmember Lundeen asked if the funds could be utilized for when City Hall was closed to the public and some staff were on paid leave.

   Wood stated that staff that had to use Covid sick leave because they needed childcare services because they were quarantined may be reimbursable. Wood further stated that if staff stayed at home to telework, they are not. However, reimbursable expenses are still being developed.

   Councilmember Bergley asked if the city is going to be doing COVID-19 testing.

   Wood stated that medical supplies for testing will not be purchased, but the ability to get reimbursed for going to any testing center would be.

   Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

3. **Resolution 2020-124** Approving a Conditional Use Permit for 2 Drive-thru's at 801 Highway 65 PID 16.020.1100
   Community Development Director Sheila Sellman shared that the request is for 2 drive-thru windows at 801 Highway 65 which is the CBD Joint building. The one on the northwest corner of the building will serve the existing CBD Joint retail space and the one on the east side is for

a future tenant. A public hearing was held at the June 16th Planning Commission meeting where no one from the public spoke. Sellman further shared that because they are part of the Highway 65 overlay, a conditional use permit is required. Planning Commission and staff recommended approval.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

4. **Resolution 2020-125** Approving Conditional Use Permit for Commercial Recreation at 16 Main Street W PID 16.050.0490
   Community Development Director Sheila Sellman shared that in the B-1 Central Business Zoning District, commercial recreation requires a conditional use permit. Therefore, the applicant is requesting a conditional use permit for a gymnasium type use for children. A public hearing was held on June 16th at the Planning Commission meeting. Planning Commission and staff recommended approval.

   Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

5. **Resolution 2020-126** Approving a Variance for Falcon National Bank for an Additional Freestanding Sign at 905 6th Ave Ct NE PID 16.113.0010
   Community Development Director Sheila Sellman shared that Falcon National Bank is requesting a variance to allow an additional freestanding sign. The proposed sign is for name and address purposes and is 12 square feet. Sellman further shared that the bank is requesting the additional sign because the current sign along highway 65 is not visible on the entrance side of the property and it is confusing to users as to where the bank actually is. Sellman continued to share that the bank meets the requirements for the variance. Planning Commission held a public hearing on June 16th. Planning Commission and staff recommended approval.

   Councilor Bergley asked if the sign is temporary.

   Sellman stated it would be a permanent sign.

   Motion by Collison, second by Lundeen to approve the resolution as presented. Motion passed 5-0. Motion carried.

6. **Resolution 2020-127** Approving a Preliminary Plat, Final Plat and PUD Amendment for property legally described as outlot A Legacy Pines 2nd Addition, Isanti County, Isanti Minnesota
   Community Development Director Sheila Sellman shared that the applicant Everpine Land Holdings is requesting a preliminary plat, final plat and PUD amendment for Legacy Pines 2nd Addition and this will finish the project. Sellman continued to share that the plat contains 96 single family lots. The setbacks requested in the amendment change the house setback from 10 feet to 7.5 feet on both sides. The Planning Commission held a public hearing on June 16th. Planning Commission and staff recommended approval.

   Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

7. **Ordinance-734** Amending the City Zoning Code, Ordinance 445, Section 13, Article 4 Subd 1(d) Accessory Structure Location
Community Development Director Sheila Sellman shared that complaints have been received from residents and right now the way the zoning code is written, accessory structures need to be 10 feet from the principal structure on the property. With lots that have odd shapes and large utility easements the property owners are not able to do it. Staff is recommending to update the zoning code by removing the 10 foot requirement and replacing it to refer the setback location to the State Building Code (which is currently 3 ft), it will reduce the need for future amendments from the city, and ease the restrictions from where an accessory structure can be located on a property. The Planning Commission held a public hearing on June 16th. Planning Commission and staff recommended approval.

Motion by Collison, second by Bergley to approve ordinance as presented. Motion passed 5-0. Motion carried.

8. **Ordinance-735** Amending the City Zoning Code, Ordinance 445, Section 3, Subd 1 Zoning Districts and Section 6 Adding R-1 A Rural Residential Zoning District
Community Development Director Sheila Sellman shared that as directed by City Council staff has prepared a zoning district "R-1A Rural Residential" for annexed properties and properties in town south of Palomino that are over 1-acre. Sellman continued to share that it is to address outdoor storage issues and the impervious surface. Sellman further shared that this has to be done in two steps where this is the ordinance creating the district and the next Planning Commission meeting will be the actual rezoning of the properties. A neighborhood meeting will be held on July 14th to discuss this matter. The Planning Commission held a public hearing on June 16th and Planning Commission and staff recommended approval.

Motion by Lundeen, second by Collison to approve ordinance as presented. Motion passed 5-0. Motion carried.

9. **Ordinance-736** Amending the City Zoning Code, Ordinance 445, Section 15 Subd E Fence Setbacks
Community Development Director Sheila Sellman shared that this ordinance is to amend the fencing requirements and right now the zoning code states that privacy fences that abut public right-of-way need to be setback 15 feet from the public right-of-way. Sellman continued to share that staff is recommending to take the language out and the property owners can go up to their property line as the 15 feet setback takes up most property owners' backyards. Sellman further shared that if a property abuts a sidewalk, the fence needs to be setback a minimum of 2 feet from any sidewalk. Planning Commission held a public hearing and Planning Commission and staff recommend approval.

Councilmember Lundeen asked if Public Services Director Matt Sylvester was okay with 2 feet from the sidewalk.

Sellman stated that Sylvester is fine with 2 feet form any sidewalk.

Motion by Lundeen, second by Gordon to approve ordinance as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $503,597.10 Payroll in the Amount of $99,051.55 and Second Quarter Payroll for Council/ Boards/ Commissions in the Amount of $8,175.21

CITY OF ISANTI
PLANNING COMMISSION MEETING
TUESDAY, MAY 19, 2020
at **7:45 P.M. virtually* through gotomeeting.com;**

1. **Meeting Opening**
   - A. Call to Order: Chair Johnson called the meeting to order at 7:45pm
   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Dan Collison, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon (phone).
     Members Absent: Alexander Collins
     Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood.
   - D. Agenda Modifications: None

2. **Meeting Minutes**
   - A. Approval of Minutes from April 21, 2020 Planning Commission Meeting motion by Bergley, second by Lundeen motion passes 6-0.

3. **Public Hearing**

   - A. Ordinance Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business Districts, Article one, "B-1" Central Business District and Article two "B-2" General Business District, Subd. 2: Permitted Uses, to add mobile food units as a permitted use. Sellman explained that the city recently updated the city code to include mobile food units therefore the zoning code had to be updated to determine zoning districts for this use. No one from the public spoke at the public hearing. Motion by Lundeen, second by Collison to approve the amendment, motion passed 6-0.

   - B. Ordinance Amending the City Zoning Code, Ordinance 445, Section 2 Definitions: Section 7 Business District and Article two, "B-2" General Business District, Subd 3: Conditional uses, to add micro distillery cocktail room as a conditional use. Sellman explained that the city recently updated city code to include micro distillery cocktail room and therefore the zoning code had to be updated to determine the zoning district for this use as well as the definition. No one from the public spoke on this item at the public hearing. Motion by Lundeen, second by Collison to approve, motion passed 6-0.

   - C. Ordinance Amending the City Zoning Code, Ordinance 445, Section 6, Articles 1, 2, Subd. 6.B. Maximum Impervious Surface Coverage. Sellman explained that there have been complaints/concerns expressed from the development community on impervious surface. With the smaller lots being accepted for development, 25% impervious is just not enough. No one from the public spoke on this item at the public hearing. Staff recommended increasing the impervious to 35%, The Commission recommended increasing to 40%. Motion by Lundeen to increase the impervious surface to 40% and amend the ordinance accordingly, second by Bergley, motion passed 6-0.

4. **Other Business:** None

5. **Discussion Item:** None

6. **Adjournment:** Motion by Bergley, 2nd by Collision to adjourn, motion passed 6-0 meeting adjourned at 8:02pm.

Respectfully submitted Sheila Sellman Community Development Director

Economic Development Authority
Meeting Minutes
June 2, 2020

1. **Call to Order**: EDA President Johnson called the meeting to order at 8:35pm
   a. **Pledge of Allegiance**
   b. **Roll Call:** Members present: Jeff Johnson, Steve Lundeen, Dan Collins, Paul Bergley, Jimmy Gordon, Justin Nielson, Luke Merrill. Staff present: Sheila Sellman Community Development Director, Josi Wood City Administrator
   c. **Agenda Modifications:** None
   d. **Swear in Luke Merrill**

2. **Approval of the Agenda:** Motion by Lundeen to approve, second by Bergley motion passed 7-0

3. **Approve Minutes of March 4, 2020 Regular Economic Development Authority Meeting:** Motion to approve by Lundeen, second by Bergley motion passed 7-0.

4. Business Items
   a. **Consider Authorization for Advertising for Quotes for Lease of EDA/City Owned Crop Land:** Sellman requested authorization to advertise quotes for lease of the EDA land north of the WWTP. Merrill asked what the income from the land is, Sellman responded that it was around $6,000 for the year, but didn't have the exact number at this time. Johnson proposed the EDA sell the land. Nielson mentioned that a lot of businesses are looking to move north and out of the metro area. Sellman explained that the lease has a clause that the city can sell the land at any time. Motion by Johnson to seek quotes for crop lease and to get an appraisal with a not to exceed expenditure of $500, Second by Lundeen, motion passed 7-0.
   b. **RLF One-Time Exception Discussion:** Sellman explained that the City has a Revolving Loan Fund (RLF) to provide short-term financing to assist business in the form of a loan. This money is typically used for gap financing and can't be used for anything else. The State is making a one-time exception to the use of this money if the City gives 20% back to the State. If the city gave 20% back to the state then the remaining balance could be used for general funds this one time. The current balance is $144,885.00 if the city gave back 20% to the state ($28,977) then the balance would be $115,908. Staff recommended to keep the money and not return to the state. Merrill asked if there would be repercussions for future money or grants from the state. Sellman said there is no indication that will happen. Motion by Lundeen to keep the money, second by Merrill. Motion passed 7-0.

5. **Other Business / Updates / Communications:** Sellman gave updates.

6. **Adjournment:** Motion by Lundeen, second by Bergley to adjourn at 8:52pm motion passed 7-0 meeting adjourned.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Travis Muyres, Police Chief
Date: July 21, 2020
Subject: Resolution accepting DOJ COPS Hiring Program (CHP) 2020 Grant

---

The City Council authorized staff to seek out and apply for public safety grant oppertunities. The City of Isanti approved Staffing Plan outlines hiring a Police Officer in 2022. The Police Department applied for the DOJ CHP 2020 grant in March, 2020.

The U.S. Department of Justice on June 2 announced nearly $400 million in grant funding through the Department's Office of Community Oriented Policing Services, COPS, COPS Hiring Program, CHP. Funding awards to 596 law enforcement agencies across the nation were announced. The Isanti Police Department was one of 14 agencies in Minnesota receiving the award in the amount of $125,000.

Recommendation:
Staff is recommending the acceptance of $125,000 in grant funding for a Police Officer Position.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Accept $125,000 in DOJ CHP 2020 grant funding
2. Authorize Staff to sign agreements and documentation related to the DOJ CHP 2020 Grant
3. Authorize staff to fill the DOJ CHP Grant Funded Police Officer Position immediate
4. Approve Resolution as written

Attachments:

- Resolution 2020-XXX
- DOJ CHP 2020 award letter
- DOJ CHP 2020 award list

RESOLUTION 2020 -XXX

ACCEPTANCE OF DEPARTMENT OF JUSTICE COPS HIRING PROGRAM (CHP) 2020 GRANT AND AUTHORIZATION TO HIRE A POLICE OFFICER

WHEREAS, per Resolution 2020-018 Staff was approved to apply for grant opportunities that would promote, assist or encourage police efforts within the Police Department; and,

WHEREAS, the City of Isanti has been awarded grants for public safety projects in the past; and,

WHEREAS, the Isanti Police Department applied for a competitive CHP grant in March 2020; and,

WHEREAS, The Isanti Police Department was awarded a CHP Grant in the amount of $125,000; and,

WHEREAS, the awarded funding CHP reimburses $125,000 for hiring a new officer; and,

WHEREAS, the City of Isanti staffing plan outlined the hiring of an officer in 2022; and,

WHEREAS, the CHP grant award allows the City to hire the officer as early as July 1st 2020;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby accept $125,000 in grant funds from the Department of Justice COPS Hiring Program;

BE IT FUTHER RESOLVED by the City Council of the City of Isanti, Minnesota to approve the following:

1. Authorize Staff to sign necessary documentation to obtain the grant.
2. Authorize Staff to fill a new FT Police Officer position immediately per the City's hiring process and revise the Staffing plan for the Police Department.

This Resolution hereby approved by the Isanti City Council this 21st day of July 2020.

COPS

June 25, 2020

Chief of Police Travis Muyres
Administrator Josi Wood

Isanti Police Department
401 1st Avenue Northwest
P.O. Box 428
Isanti, MN 55040

Re: COPS Hiring Program award number 2020UMWX0409
ORI MN03003

Dear Chief of Police Muyres and Administrator Wood:

Congratulations on your agency's award for 1 officer position(s) and $125,000.00 in federal funds over a three-year award period under the 2020 COPS Hiring Program (CHP). The local cash match required for this award will be $208,073.00. Your agency may use CHP award funding to (1) hire new officers, (2) rehire officers who have been laid off, or (3) are scheduled to be laid off on a specific future date, as a result of local budget reductions, on or after the official award start date. Please note that any changes to the awarded hiring categories require an official review and approval by the COPS Office.

A list of conditions that apply to your award is included on your Award Document and Award Document Supplement, if applicable. A limited number of agencies may be subject to an Additional Award Notification as a result of an ongoing federal civil rights investigation, other award review, or audit of your agency by the Department of Justice. If applicable to your agency, the Additional Award Notification is included at the end of this letter and is incorporated by reference as part of this letter. In addition, a limited number of agencies may be subject to Special Conditions as a result of high risk designation or other unique circumstances. If applicable to your agency, these Special Conditions will be found in an Award Document Supplement in your award package. You should read and familiarize yourself with these conditions. **To officially accept your award, the Award Document (including the conditions and special conditions, if applicable) must be signed electronically via the Account Access link on the COPS Office website at www.cops.usdoj.gov within 45 days from the date of this letter.**

The official start date of your award is 07/01/2020. Therefore, you can be reimbursed for allowable and approved expenditures made on or after this date. Please carefully review the Financial Clearance Memorandum (FCM) included in your award package to determine your approved budget, as some of your requested items may not have been approved by the COPS Office during the budget review process and award funds may only be used for approved items. The FCM will specify the final award

amount and will also identify any disallowed costs.

Supplemental online award information for 2020 COPS CHP recipients can be found on the CHP Program page at https://cops.usdoj.gov/chp-award. We strongly encourage you to visit this site immediately to access a variety of important and helpful documents that will assist you with the implementation of your award including the 2020 CHP Award Owner's Manual, which specifies the programmatic and financial terms, conditions, and requirements of your award. In addition, the above website link includes the forms and instructions necessary to begin drawing down funds for your award. Please also ensure that you print out a copy of your application and maintain it with your award file records.

Once again, congratulations on your 2020 CHP award. If you have any questions about your award, please do not hesitate to call your Grant Program Specialist through the COPS Office Response Center at 800-421-6770.

Phillip E. Keith, Director Date: 06/25/2020

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: July 21st, 2020
Subject: LanguageLine Translation Services

Background:

Isanti Police is dedicated to serving all persons. Services to assist in the communication of persons whom require alternative language or ASL. The Police Department has a legal obligation to provide translation services during specific law enforcement actions.

Recommendation:
Staff is recommending approval utilizing LanguageLine remote translation services. The fee is based on per minute use. Fees will be paid out of Police Department Budget 112 Contracted Services.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Authorize staff to sign agreement with LanguageLine.
2. Approve Resolution as written.

Attachments:

- Res 2020-XXX
- LanguageLine Agreement

RESOLUTION 2020-XXX

APPROVING CONTRACT WITH LANGUAGELINE SERVICES

WHEREAS, The Police Department has the obligation to provide police services to all members of the community; and,

WHEREAS, there are legal requirements for officers to have the immediate availability of language translators at all times of the day; and,

WHEREAS, LanguageLine offers pay per minute remote translator services;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept user agreement with LanguageLine for translation service, and allow Staff to sign the agreement and other necessary documentation.

This resolution was duly adopted by the Isanti City Council this 21st day of July, 2020.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

   - 12.9-inch iPad Enclosure (Model: 290SENW-KIT or 299PSENW-KIT) $125.00

Additional Terms and Conditions for InSight® Video Interpreting

1. **TERMS REGARDING SOFTWARE APPLICATION.** The InSight® video interpretation Services (the "Services") are provided by LanguageLine through a proprietary desktop and/or tablet application owned by LanguageLine (the "App"). The App must be downloaded by Customer to Customer-Supplied or Customer-Owned devices to use the Services (see Section 8 below for additional terms). The App is pre-installed and configured on LanguageLine-provided leased Equipment (see Section 9 below for additional terms). Customer agrees (a) that it will not make any copies of the App or attempt to reverse engineer

it or make any changes to it; and (b) that the following uses of the Services are prohibited: the transmission of any message or other material which constitutes an infringement of any third party copyright or trademark; an unauthorized disclosure of a trade secret; the transfer of information or technology abroad in violation of any applicable export law or regulation; a violation of Section 223 of the Communications Act of 1934, as amended, 47 U.S.C. Section 223, or other criminal prohibitions regarding the use of telephonic or video devices to transmit obscene, threatening, harassing or other messages specified therein; a libelous or slanderous statement; or a violation of any other applicable statute or government regulation.

2. **INTELLECTUAL PROPERTY.** Customer acknowledges and agrees that all rights including copyright throughout the world in the App, in the LanguageLine TrueSound™, NotePad™, InSight®, and Interpreter on Wheels® trademarks (collectively, the "Trademarks"), and in the issued patents and pending patents relating to the Equipment, are exclusively owned by LanguageLine, and that neither this Agreement, nor Customer's use of the Services, the App or the Equipment grants to Customer any right, title, or interest in or to the Services, the Equipment, the App, the Trademarks, or any of the other technology, systems, processes or other aspect of the Services, including but not limited to any intellectual property rights therein (collectively, the "LanguageLine Properties"). Customer expressly agrees that it shall not assert any rights in any of the LanguageLine Properties, or challenge LanguageLine's rights in or the validity of any of the LanguageLine Properties in any country, nation, or jurisdiction in the world, and Customer agrees that it shall not directly or through others copy, decompile, reverse engineer, disassemble, modify, or create derivative works of the App, or any aspect thereof. Customer agrees that this Paragraph shall survive the expiration of this Agreement and will continue to apply after the Agreement ends.

3. **ENCRYPTION.** LanguageLine acknowledges that encryption is built into the App and the Services platform, ensuring the security of the live video as it traverses the Internet. This encryption allows LanguageLine to fulfill its obligation under any Customer Business Associate Agreement ("BAA") with respect to the Services. LanguageLine does not record the video call and therefore has no record of the call content. With respect to the App's electronic NotePad™ function, written information relayed during the call is also encrypted. As with the live video, no recording is made of information written on the NotePad™ and therefore this information cannot be retrieved after the call's completion.

4. **TRANSMISSION RELEASE.** Customer acknowledges that the use of the Services requires that the user's voice, likeness and/or image as well as the user's personally identifiable information is or will be transmitted over the Internet. Customer hereby authorizes LanguageLine to transmit each user's voice, likeness, image and/or personally identifiable information over the Internet solely for the purpose of the Services, and Customer agrees to obtain such privacy consents, releases and approvals as may be required to obtain authorization from each user to transmit all of the foregoing for purposes of the Services. Customer shall indemnify and hold harmless LanguageLine and its affiliates and their respective employees from all costs, fees, expenses, and damages of any nature whatsoever related to any claims relating to the unauthorized use by Customer of the image, likeness, voice and/or personally identifiable information of any Customer employee, agent, contractor, patient, customer, client or other user of the Services under Customer's control. This Paragraph shall survive the expiration of this Agreement.

5. **RESPONSIBILITY FOR UNAUTHORIZED USE.** Customer will safeguard its use of the Services against use by unauthorized persons and will be responsible for charges resulting from use of its Services, whether or not such use is authorized.

6. **AVAILABILITY OF SERVICES.** The Services may not be available at all times due to interruptions, technical problems, and/or system upgrades and maintenance. All interpreters provided in conjunction with the Services may not be available at all times and interpreters will be assigned solely by LanguageLine.

7. **QUALITY CONTROL.** Customer acknowledges that LanguageLine from time to time will monitor calls made through the Service for purposes of quality control.

8. **PURCHASED EQUIPMENT ADDITIONAL TERMS:** Customer agrees that (a) the TrueSound® patented technology will not be used with any non-LanguageLine equipment, and (b) the Equipment purchased from LanguageLine will not be used with or for any non-LanguageLine language interpretation services (including software and applications).

9. **LEASED EQUIPMENT ADDITIONAL TERMS:** LanguageLine agrees to supply the iPads, Interpreter on Wheels® stands and any other Equipment mutually agreed upon by LanguageLine and Customer for the duration of this Agreement for a monthly lease fee. The parties acknowledge and agree that this Equipment remains the sole property of LanguageLine and will be returned to LanguageLine, undamaged, upon termination of this Agreement, unless superseded by a purchasing agreement. The parties agree that the Equipment will be used for the sole and exclusive purpose of the Services and may not be configured and/or altered for any other purpose without express prior written consent from LanguageLine, including using the Equipment or the Services with any equipment, app, software or services provided (through purchase, lease or otherwise) by a language services provider other than LanguageLine. LanguageLine will enroll LanguageLine-Owned iPads in LanguageLine's MDM (Mobile Device Management) system. Customer agrees that Equipment will be kept only at the

Customer address(es) listed in this Agreement, or as otherwise mutually agreed by LanguageLine and Customer in writing. From time to time, upon twenty-four (24) hours' notice to Customer, LanguageLine, during a Customer's regular business hours, may enter the Customer's premises where the Equipment is located to inspect and maintain Equipment. Customer hereby agrees to such inspection by LanguageLine and agrees to provide such support and cooperation as is requested by LanguageLine. LanguageLine warrants that Equipment shall be free from defects in materials and workmanship, except that all warranties are waived if (i) Equipment has been altered or modified or the App, Equipment or components thereof are used other than as authorized under this Agreement, all without written approval from LanguageLine, or (ii) Equipment has been used by a person or entity other than the Customer or other permitted users. LanguageLine disclaims any and all other warranties, including all implied and express warranties of every kind and nature. Customer assumes and bears all risk of loss and/or damage of Equipment, other than normal wear and tear, from the time that Equipment is delivered until returned to LanguageLine following the expiration of this Agreement. Customer will be charged and agrees to pay for any lost, stolen, or damaged Equipment. Customer agrees that the sole and exclusive remedy for breach of warranty, damages or loss relating to Equipment is limited to the repair or replacement of the Equipment and acknowledges that LanguageLine reserves all rights and remedies to re-take possession of the Equipment if Customer fails to pay any undisputed invoiced amounts owed hereunder. Customer waives any and all legal claims for damages in connection with the Equipment.

Please confirm your tax exempt status by checking one of the boxes below, and providing the necessary supporting documentation.

Tax Exempt Status	
☐ No	☐ Yes - If yes, please include a copy of your tax-exempt determination letter or certificate.

The person signing this Agreement certifies that such person has read, acknowledges, and understands all of the terms and conditions, and is fully authorized to execute this Agreement on behalf of and bind the Customer to all its terms and conditions. Both parties agree the delivery of the signed service agreement by facsimile or e-mail shall have the same force and effect of execution and delivery as the original signature.

Language Line Services, Inc.

Master Service Agreement

Master Service Agreement with

Isanti Police Department

Language Line Services, Inc. (the "Company") and you, the Customer ("Customer" or "you") (together, the "Parties" and each a "Party"), agree that the terms and conditions below and in all attachments and addenda hereto will apply to the services provided by the Company to you under this Agreement.

TERMS OF SERVICE

1. **TERM OF AGREEMENT.** This Agreement is the Master Services Agreement for all the services currently offered by Company (the "Services"). Fees and any additional terms and conditions for each of the Services are identified in the respective Services Statements of Work, each of which is made a part of this Agreement. This Agreement and each of the Services you choose to receive from the Company will become effective upon the signing by you of this Agreement and the relevant Statement(s) of Work and will continue in effect until terminated under Section 12 ("Termination"). If you continue to request and receive Services after this Agreement has been terminated for any reason, this Agreement and the applicable Statement(s) of Work will continue in full force and effect.

2. **PAYMENT TERMS.** Customer agrees to pay all undisputed invoiced charges for Services in full within thirty (30) days of the invoice date. Any disputed charges in an invoice must be identified to the Company within thirty (30) days of the invoice issue date or right to dispute will be waived by Customer. Customer shall not have the right to set-off any disputed amounts. Amounts subject to dispute once resolved will be (i) credited to Customer on the next invoice (if resolved in favor of Customer), (ii) added to the next invoice (if resolved in favor of Company) or (iii) as otherwise mutually agreed upon. Invoices will be sent to Customer's billing address shown in **Schedule A** hereto, or to such other address as Customer may specify by giving written notice to Company to CustomerCare@languageline.com. If Customer will not be paying for any specific affiliates, those affiliate(s) must be identified on **Schedule A** and must enter into a separate Master Service Agreement with the Company. If Customer wants the Company to identify any such excluded affiliate(s) by a specific name in documentation, please provide a list of the affiliate(s) by name to the Company sales representative assigned to Customer.

3. **USE OF SERVICES.** Customer warrants that it will not (i) resell the Services to any third parties; however, Customer may charge its own customers, clients or patients for the Services and/or (ii) use the Services in any manner that may violate any applicable law, rule or regulation. Customer and each affiliate will be assigned a Client Identification Number ("CID") for use in ordering products and services. Customer shall be solely and fully responsible for charges resulting from the use of these CIDs, whether or not such use is authorized by Customer.

4. **CONFIDENTIALITY.** If the Parties have not signed a Non-Disclosure Agreement, the Parties agree that during the term of this Agreement and thereafter, neither Party will disclose any of the other's Confidential Information to any third party and each Party will use Confidential Information only for purposes specifically contemplated by this Agreement. These obligations do not apply to information that is expressly identified by a Party as not being confidential or that is in the public domain. If either Party has been requested to disclose or is required by discovery request in a litigation, subpoena, civil investigative demand or similar process to disclose any such information then that party so compelled may disclose such information without liability after giving reasonable notice to the other Party promptly to assert whatever objections the other Party desires to prevent such disclosure within such deadlines as are required by the governing statutes, rules or regulations. For purpose of this Agreement, the term "**Confidential Information**" means (a) information identified by a Party as being Confidential Information, (b) personally identifiable personal, financial, or health information protected under a law or regulation, including without limitation HIPAA, Graham-Leach-Bliley, and the General Data Protection Regulation (EU) 2016/679 (the "GDPR"), (c) the terms and conditions of this Agreement, (d) Company pricing for its Services, (e) information or data identified by a Party to the other as being "confidential," and (f) and all of the information provided in any invoices or other documents or in oral communications between the parties relating to the Services. Customer is obligated to inform Company if providing any of the Services would be governed by the GDPR.

5. **COMPANY PERSONNEL.** Customer understands and acknowledges that in providing the Services, the Company's linguist workforce consists of its own employees, individual independent contractor linguists and linguists provided through trusted professional linguist staffing agencies, which are in and outside of the United States (collectively, "Company Personnel"). All Company Personnel are subject to the Company's stringent quality control standards and certification criteria and Company is solely responsible for ensuring that that the terms and conditions of this Agreement are met. Customer hereby consents to the use of all Company Personnel by the Company.

6. **RELATIONSHIP OF PARTIES.** The Parties are independent contractors, and nothing in this Agreement will be deemed to place

the Parties in the relationship of employer-employee, principal-agent, partners or joint venturers. Each Party will be responsible for paying its own payroll taxes, disability insurance payments, unemployment taxes, any employee benefits (if applicable) and other similar taxes, benefits or charges.

7. **LIMITED WARRANTIES AND LIABILITY.** THE COMPANY WILL PERFORM ALL OF THE SERVICES IN A PROFESSIONAL MANNER CONSISTENT WITH INDUSTRY STANDARDS. THE COMPANY MAKES NO OTHER REPRESENTATION, WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, OF ANY KIND, AND THE COMPANY SPECIFICALLY DISCLAIMS ANY WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CUSTOMER ACKNOWLEDGES THAT INTERPRETATIONS, TRANSLATIONS, AND LOCALIZATIONS MAY NOT BE ENTIRELY ACCURATE IN ALL CASES AND THAT EVENTS OUTSIDE OF THE CONTROL OF LANGUAGE LINE MAY RESULT IN UNCOMPLETED OR INTERRUPTED SERVICE. EXCEPT FOR THE PARTIES' OBLIGATIONS UNDER SECTIONS 4 (CONFIDENTIALITY), 8 (INDEMNIFICATION) AND CUSTOMER'S OBLIGATIONS UNDER SECTION 2 (PAYMENT TERMS), AND TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, EACH PARTY'S AGGREGATE LIABILITY TO THE OTHER FOR CLAIMS RELATING TO THIS AGREEMENT, WHETHER FOR BREACH OR IN TORT AND INCLUDING BUT NOT LIMITED TO NEGLIGENCE, SHALL BE LIMITED TO THE GREATER OF THE AMOUNT INVOICED TO OR PAID BY CUSTOMER TO THE COMPANY WITHIN THE PREVIOUS 12 MONTHS AND EXCEPT AS IS PROHIBITED BY LAW OR SUBJECT TO A PARTY'S OBLIGATIONS UNDER SECTION 7 (INDEMNIFICATION), NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGE IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT (INCLUDING LOSS OF BUSINESS, REVENUE, PROFITS, USE, DATA OR OTHER ECONOMIC ADVANTAGE), HOWEVER IT ARISES, WHETHER FOR BREACH OR IN TORT, EVEN IF THAT PARTY HAS BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. LIABILITY FOR DAMAGES SHALL BE LIMITED AND EXCLUDED, EVEN IF ANY EXCLUSIVE REMEDY PROVIDED FOR IN THIS AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE.

8. **INDEMNIFICATION.** The Parties each agree to hold harmless and indemnify the other Party and their respective officers, directors, employees, affiliates and agents from and against any claims, causes of action, damages, costs, fees, expenses, settlement or any other form of damage or expense relating to (a) a third party claim for an intellectual property violation or a breach of Section 4 of this Agreement ("Confidentiality"), (b) a claim by an employee, vendor or agent of one Party asserted against the other Party, or (c) the fraudulent or intentionally wrongful act of any kind by the employee or agent of one Party resulting in damages to the other Party. Company will not be liable for intellectual property infringement arising merely from the Company's interpretation or translation of Customer communications or documents, respectively. The Company maintains extensive global insurance coverage for all its Services. A copy of the Certificate of Insurance will be supplied to Customer upon request.

9. **PUBLICITY.** Customer agrees that the Company may use Customer's name and/or corporate logo on Company's website and marketing materials and upon Company's reasonable request will provide a testimonial regarding Company's Services for use in Company's marketing of its Services.

10. **ASSIGNMENT.** Neither Party may assign this Agreement without the prior written consent of the other Party, except that the Company may assign its right to payment to an affiliated company and, either Party may assign this Agreement to a successor company without consent, provided that the successor company ratifies and assumes this Agreement in its entirety and provides notice of the assignment to the other Party.

11. **ACQUISITION OR MERGER OF CUSTOMER.** If Customer is acquired by or merged into an existing Company customer or acquires an existing Company customer, the terms and conditions of this Agreement, including pricing as set out in the applicable Services Statements of Work, shall remain unaffected unless the Parties otherwise agree in a written amendment to this Agreement.

12. **TERMINATION.** Either Party may terminate this Agreement (a) on one hundred twenty (120) days' notice for any reason, or (b) on thirty (30) days' written notice if the other Party has not cured the breach in 30 days, or if the breach cannot be cured in thirty (30) days, on the date agreed on by the Parties for cure to be completed. Upon termination of this Agreement for any reason, Customer shall pay the final invoice from the Company within thirty (30) days of the receipt of the final invoice. Any disputed charges must be identified by Customer within the thirty (30) day period. The Parties will use good faith efforts to resolve any disputed charges within the thirty (30) day period and any adjustment paid or credited will be made within thirty (30) days after the dispute has been resolved.

13. **ADDITIONAL TERMS.** (a) **WAIVER OR DELAY.** Any express waiver or failure to exercise promptly any right under this Agreement will not create a continuing waiver or any expectation of non-enforcement. (b) **SURVIVAL OF OBLIGATIONS.** The obligations of the Party under this Agreement which by their nature should continue beyond the termination or expiration of this Agreement will remain in effect after termination or expiration. (c) **NO THIRD-PARTY BENEFICIARIES.** Neither this Agreement nor the provision of Services shall be construed to create any duty or obligation on the part of Company to any third parties, including, without limitation, any persons participating in or the subject of conversations for which Services are provided, and except as provided by law, does not provide any third party with any right, privilege, remedy, claim or

cause of action against Company, its affiliates or their respective successors. (d) **CHOICE OF LAW.** Any action arising out of this Agreement, as well as the validity, construction and interpretation of this Agreement, will be governed by California law relating to contracts made in the State of California and controlling U.S. federal law. No choice of law rules of any jurisdiction will apply. (e) **BINDING EFFECT.** This Agreement shall be binding upon the parties hereto, their successors, or assigns, and upon any and all others acting by or through them, or in privity with them, or under their direction. (f) **CONSTRUCTION**. This Agreement is deemed to have been drafted jointly by the parties. Any uncertainty or ambiguity shall not be construed against either Party based on the attribution of drafting by either Party. (g) **COUNTERPARTS; HEADINGS.** This Agreement may be executed in counterparts and as so executed shall constitute one agreement, binding on all parties. The Headings have no substantive effect and are used merely for convenience. (h) **FORCE MAJEURE.** A Party is not liable under this Agreement for non-performance or delayed or interrupted performance caused by events or conditions beyond that Party's control if the Party makes reasonable efforts to perform. This provision does not relieve Customer of its obligation to make all payments then owing when due. (i) **NOTICES.** All notices to be given under this Agreement must be in writing and addressed as follows: (a) to Company at One Lower Ragsdale Drive, Bldg. 2, Monterey, CA 94930 Attn: Contract Administration, or by e-mail to customercare@languageline.com with a copy to contractadministrationteam@languageline.com, and (b) to Customer at the address or e-mail shown on **Schedule A** for the Operations Contact, or the most current address provided by Customer to Company. Any notices sent by overnight courier (such as FedEx, DHL, USPS, etc.), or by first class mail, postage prepaid, is effective upon deposit with the post office or the overnight courier and any notice sent by e-mail shall be effective on the date the e-mail is sent except that any e-mail sent on a weekend or holiday shall be effective on the next business day. (j) **COMPLIANCE**. Language Line Services, Inc., is an equal opportunity employer and federal contractor. Consequently, as and if applicable, the parties will abide by the requirements of Title 41 of the United States Code of Federal Regulations (CFR) §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), which are incorporated herein by reference. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, creed, sex, sexual orientation, gender identity, or national origin. These regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability. If and as applicable, the parties will abide by the requirements of Executive Order 13496 (29 CFR Part 471, Appendix A to Subpart A), relating to the notice of employee rights under federal labor laws.

14. **ENTIRE AGREEMENT.** This Agreement, including all Schedules and Services Statements of Work, constitute the parties' entire agreement relating to its subject matter. It supersedes all prior or contemporaneous oral or written communications, proposals, conditions, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the parties relating to its subject matter during the term of this Agreement. No modification to this Agreement will be binding unless in writing and signed by an authorized representative of each Party. If any provision, or part thereof, in this Agreement is held to be invalid, void or illegal, it shall be severed from this Agreement and shall not affect, impair, or invalidate any other provision, or part thereof, and it shall be replaced by a provision which comes closest to the severed provision, or part thereof, in language and intent, without being invalid, void, or illegal.

15. **AUTHORIZATION.** The person signing this Agreement on behalf of Customer certifies that such person has read, understood, and acknowledged all of its terms and conditions, and is fully authorized to execute this Agreement on behalf of and bind the Customer to all its terms and conditions. Both parties agree that the delivery of the signed service agreement by facsimile or e-mail or use of a facsimile signature or other similar electronic reproduction of a signature or electronic signature shall have the same force and effect of execution and delivery as an original signature, and in the absence of an original signature, shall constitute the original signature.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO ELIZABETH KERR

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, Elizabeth Kerr was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Elizabeth Kerr for the City of Isanti and that she shall be eligible to start in that position on or after July 8th 2020.
2. This position is part time and not eligible for benefits.
3. That Elizabeth Kerr shall start at Step 1 of the Wage Scale at $11.89 per hour.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 21st day of July 2020.

MEMORANDUM

Date: July 13, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

The intersection opened on Tuesday July 7, 2020. Minor punchlist items will be wrapped up in the coming weeks.

2) 6th Avenue Rehabilitation

The contractor plans to begin work on this project in late August 2020 with work planned to be completed in mid to late October 2020.

3) 2020 Pavement Management Project

The contractor has completed all spot repairs and patches proposed for this project. They will return this month to complete the crack fill and sealcoat work.

4) 2020 Storm System Management Project

The majority of this project has been completed. Minor remaining items will be completed when the pond water level goes down.

5) Legacy Pines 2nd Addition

The sidewalk is planned to go in at the end of July, and the final lift of pavement is scheduled to be completed later this fall. The parking lot to Legacy Pines is open to the public.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

AGENDA

CITY OF ISANTI
CITY COUNCIL BUDGET WORK SESSION
TUESDAY, JULY 21, 2020

(Immediately following Planning Commission Meeting which follows the 7:00 p.m. City Council Meeting)

CITY HALL

Mayor's Proclamation

City of Isanti

Whereas Employers and Employees are a dynamic part of the City of Isanti's and Minnesota's economy; and,

Whereas The promotion of our Employer's and their talented Staff showcase the strength and success which is an integral part of the City of Isanti's economic development strategy; and,

Whereas All Isanti employers located within the City of Isanti provide jobs which significantly contribute to the City of Isanti's standard of living and economic vitality; and,

Whereas The City of Isanti has approximately 1,930 people that are employed within its corporate limits; and,

Whereas Employees contribute to the economic success of Isanti businesses by buying local and supporting other Isanti businesses; and,

Whereas The City EDA is sponsoring an appreciation luncheon to the Employers and their Employees on August 12, 2020 highlighting certain businesses with milestone Isanti anniversaries.

Now, therefore, I, Jeff Johnson, Mayor of the City of Isanti, do hereby proclaim that the day of August 12, 2020 shall be observed as:

Mayor's Employer Celebration Day

in the City of Isanti on this 5th Day of August, Two Thousand Twenty.

_____

Jeff Johnson, Mayor

MINUTES

Mayor Johnson presented Rum River BMX with an award for recognition for the #1 BMX track in the nation in 2019 followed by a picture.

G. Approve City Council Minutes
1. July 7, 2020- Regular Meeting of the City Council
2. May 19, 2020- Planning Commission Meeting
3. June 2, 2020- Economic Development Authority Minutes

Motion by Bergley, second by Collison to approve minutes as presented. Motion passed 5-0. Motion carried.

H. Announcements

1.	Park, Recreation, & Culture Board Meeting	Tuesday, July 28, 2020 at 6:00 p.m.
2.	City Council Meeting	Wednesday, August 5, 2020 at 7:00 p.m.
3.	EDA Meeting	Wednesday, August 5, 2020 *(Following the City Council Meeting)*

I. Council Committee Reports

Councilmember Steve Lundeen shared that there is no news on the Joint Powers Agreement. Lundeen also shared that Oxford Township is having an election in November and the Fire District is in discussion whether to send flyers to Oxford residents informing them of the situation.

J. Public Hearings

None

K. Business Items

1. **Resolution 2020- 137** Consideration of Temporary On-Sale Liquor License for Thunder Brothers Brewery

Mayor Johnson shared that there was discussion at Committee of the Whole meeting earlier in the evening regarding an application received from Thunder Brothers for a temporary liquor license to sell alcohol at the upcoming street dances. Dahlheimer Beverage sponsors the street dances and the Lions are the only ones that have been selling alcohol at street dances for the last few years.

Councilmember Bergley asked if there was a written contract of the sponsorship with Dahlheimer Beverage.

City Administrator Josi Wood stated that Dahlheimer verbally agreed to give sponsorship to the City of Isanti for the Lions to sell alcohol if there were not competitive alcohol vendors. However, there is not specific contract in writing for the monetary donations and sponsorships other than the fee that the City has accepted.

Motion by Bergley, second by Gordon to approve the resolution as presented. Motion passed 3-2 with Johnson and Lundeen voting nay. Motion carried.

Chief of Police Travis Muyres

2. **Resolution 2020-138** Accepting DOJ COPS Hiring Program (CHP) 2020 Grant

Chief of Police Travis Muyres shared that there are two parts to the item, accepting the grant itself and hire for a fulltime police officer position sometime this fall.

Finance Director Mike Betker shared that the City did receive $125,000 for the grant. Betker continued to share that the Levy projections and tax rate projections are just projections, but Council was made aware that in 2022, on a calendar year basis, if an officer is hired, that a tax rate decrease to a small tax rate increase will likely happen. The City has already planned to add another fulltime officer 2022, but this grant will be able to make it happen sooner than projected. Fortunately, the budget is being managed well so this would about 1 to 1.5 % increase in the tax rate.

Mayor Johnson asked if the grant was for mental health for the officers.

Muyres stated that the position is a patrol officer that will focus on the aspect of mental health in the community.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $767,554.05 Payroll in the Amount of $101,392.69
2. **Resolution 2020-139** Accepting PT Liquor Store Clerk Letter of Resignation from Sarah Cisar
3. **Resolution 2020-140** Accepting PT Liquor Store Clerk Letter of Resignation from Sheila Johnsrud
4. **Resolution 2020-141** Approving Contract with LanguageLine Services
5. **Resolution 2020-142** Acceptance of Department of Justice Bullet Proof Vest Program Grant
6. **Resolution 2020-143** Acceptance of Urban Area Security Initiative Federal Grant
7. **Resolution 2020-144** Offering the Position of Part-Time Liquor Store Clerk to Elizabeth Kerr
8. **Resolution 2020-145** Offering the Position of Part-Time Liquor Store Clerk to Cory Hed

Motion by Lundeen, second by Bergley to approve Consent Agenda as Presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. June Police Department Reports
2. June Code Enforcement Officer Report
3. June Building Inspector Report
4. July Engineering Project Status Report

N. Closed Session

1. Closed Session for review and consideration of sale of City owned Real Property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.0401.030 and 16.0400.960

Mayor Johnson announced the Council was going into closed session at 7:25 p.m. regarding consideration of sale of City owned real property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.0401.030 and 16.0400.960

Mayor Johnson reopened the meeting for a decision. A motion was made by Lundeen, seconded by Bergley directing staff into negotiations regarding the sale of City owned real property at PID 16.0401.030 and 16.0400.960. Motion passed 5-0. Motion carried.

Adjournment

Motion to adjourn by Lundeen, second by Collison. Motion passed 5-0. Motion carried. The meeting was adjourned at 7:56 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Moore
Deputy City Clerk/ Human Resources

MINUTES
CITY OF ISANTI

D. Public Comment
None

E. Committee Meeting Items

1. Building Inspection Fees (Discussion)
   - In 2003 the City of Isanti adopted the State Building Code by ordinance and is regulated in Chapter 111 of the City Code. This section states "The application, and enforcement of this code shall be in accordance with the Minnesota State Building Code" Section 1300.0110 Subp 3 of the State Building Code states "The building official shall receive applications, review construction documents and issue permits for the erection, alteration, demolition, moving and repair of building, structures, including all other equipment systems regulated by the code."
   - Section 1300.0130 requires construction documents to be submitted for review.
   - Building permit fees are set in the fee schedule that is adopted by the City Council on an annual basis. MN State Statute outlines a fee schedule that the State uses and can be adopted by cities or cities can adopt their own. The City of Isanti's schedule is very similar to what is in statute. The City of Isanti's plan review fee is based on the City's adopted fee schedule.
   - The plan review is 65% of the permit fee, this is typical for plan review and several cities charge it this way. The Council has discussed doing a flat fee for basement finishes and decks. Sometimes flat fees are appropriate; it all depends on the nature of the project and should be reflected accordingly in the schedule.
   - The current building inspection contract with MNSPECT is based on the adopted fee schedule and is broken down as follows
     - The inspector shall be paid 70% of the permit fee as found in the City's fee schedule with a minimum charge of $50
     - The plan review fee is 65% of the building permit fee for the project. The inspector shall receive 100% of the plan review calculated (the city does not retain any plan review money)
   - Committee of the Whole discussed various options for building inspection services and fees.

- Recommendation from Committee is to discuss implementing building fees for 2021 and for staff to reach out to other cities about the possibility of sharing a building official and post building official position for if the services were to be done in house.

2. Police Updates

- Currently working on a hiring process to fill one vacancy. Several qualified applicants and several experienced officers seeking employment with Isanti Police Department.
- Due to Covid-19, the historical National Night Out has been canceled for this year. There is potential for a date in October for the event however nothing planned as of now.
- The Police Department has recently secured several grants:
  - ➢ $2,954.82 Department of Justice Bullet Proof Vest Partnership Grant
    - Cost share reimbursement for ballistic vests
  - ➢ $3,837.50 Urban Area Initiative Grant
    - Reimbursement for 2020 squad car mobile radio
  - ➢ $1,898.36 Urban Air Initiative Grant
    - Cost share towards the CCTV system at the Police Department
  - ➢ $125,000.00 Department of Justice COPS hiring program 2020 Grant
    - Hiring Police Officer

3. Mosquitos Spraying (Discussion)

- Public Works has gone out and sprayed six times for mosquitos so far this summer which began on May 27th.
- It takes 3 to 3 ½ hours to fog.
- Some residents have stated that the fogging is working great and some that say it is not working at all.
- The spray being used is garlic concentrate which is mixed with water.
- The approximate cost every time Public Works sprays is $65 with the garlic concentrate.
- If switched to Pursuit mosquito spray the cost will go from $65 dollars to $500 every time Public Works goes out to spray.
- Recommendation from Committee is trying Pursuit mosquito spray and bring back to Committee of a Whole for further discussion of whether to continue using Pursuit or go back to using garlic concentrate.

4. Street Dance Alcohol Sales

- City staff had a local business inquire about selling alcohol at the upcoming city street dances.
- Staff spoke with Isanti Lions and Dahlheimer Beverage regarding a verbal agreement since around 2013 that they have exclusively.
- The city receives a profit of the sales from the Isanti Lions from each street dance dependent on the number of alcohol sales from each dance with an approximation of $200 per street dance.
- The city does not have a sponsorship option, in which the city provides an opportunity for businesses to support the street dances.
- Dahlheimer Beverage has been a platinum sponsor for the last 5 years which is a $1,000 value.
- Dahlheimer Beverage also provides free advertising banners and signs for the city and allow the Lions to use the beer wagon at no cost.
- The city does risk the cancellation of the Dahlheimer Beverage sponsorship if other alcohol vendors are allowed to sell alcohol at the street dances.
- Recommendation from Committee is to bring to city council meeting later that night for a decision.

5. Utility Delinquent (Discussion)
   - When the emergency declaration was made due to Covid-19 pandemic it was recommended by the League of MN Cities to include restraining from shutting off residents' water.
   - Typically, from spring to fall, water can be shut off for non-payment on utility bills.
   - Since declaring the emergency water shut offs and late fees have not been enacted.
   - Recommendation from Committee is to continue with not enacting utility shut offs and late fees until the end of the year.

6. East Dual/ Heritage Blvd Intersection Control Update
   - The City of Isanti has communicated with Isanti County Engineering about the East Dual/ Heritage Blvd intersection and how to control it.
   - The city had a meeting with Minnco to discuss the option of a four-way intersection which would take acquisition of the property of Minnco but Minnco did not show support for this option because they felt that they would have to remodel to make the store front face a different direction.
   - The most viable options that were shared was a 3-legged intersection or a roundabout.

~~7. National Night Out Update~~

8. Volunteer Involvement for Potential Bluebird Park Projects
   - A resident asked Mayor Johnson about community members to volunteer and donate materials, services or money to help build pavilion at Bluebird Park.
   - Recommendation from Committee is for staff to draft a policy regarding the donation of material, services or money for building the pavilion at Bluebird Park.

9. Covid Relief Fund
   - The Cares Act was distributed to MN cities, townships and government entities but not to the Fire District due to the Joint Powers Agreement because the Fire District is a subdivision of the City of Isanti along with 6 townships that the Fire District services.
   - Isanti Fire District asked if a portion could be provided to them in order to have the proper equipment and PPE for the safety of the Fire District personnel.
   - Recommendation from Committee is for staff to see what where the remaining fund balance is at from the what has already been purchased and report back to City Council in the fall.

CITY OF ISANTI
PARKS, RECREATION AND CULTURE BOARD MEETING MINUTES
June 23, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager; Matt Sylvester- Public Services Director

Agenda/Modifications: Witte asked about River Bluff Preserve item and Garvey added that they will review this within the department updates. None added, motion by Witte, second by Gordon to approve the agenda for June 23, 2020. Motion passed 4-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from February 25, 2020. Motion passed 4-0.

3. Park Visits: Garvey reviewed that in 2018, the PRC Board determined that instead of doing a whole group tour during a meeting, it would be more effective for members to each visit a couple of parks ahead of the meeting to provide a more detailed review of the parks. The 2019 Park Assignments were: Aaron Zdon – Academy Park and Whisper Ridge; James Witte – Rum River Meadows, River Bluff Preserve and Isanti Hills Neighborhood Park; Jenny Garvey – Bluebird Park, Unity Park, and Riverside Park; and Jeff Johnson – Mattson Park, Legacy Park and VFW Park. Zdon said that he agreed this was a more efficient way to review the parks as the tour took a much longer time. Witte agreed this was a good way to review the parks. Gordon will take Bluebird, Unity and Riverside Parks and Thum will take Mattson, Legacy and VFW parks. The board members have the park ambassador check list and will bring these back to the July meeting.

4. Department Updates: Garvey reviewed the department updates. Staff cancelled the March Curious Creatures program and movie night, due to COVID-19 health pandemic that is occurring around the country and state. For June 9 we had Water Mania and for July 7 our theme is Cowboys and Cowgirls which was to coincide with the Rodeo. Council decided to move the Fireworks from Thursday July 9 to Saturday July 11 due to the cancellation of the Rodeo and Jubilee Days. The COW discussed the path/walkway that the PRC board had addressed extending or re-routing at the March 17, 2020 meeting and has decided to not pursue this, as the park layout and amenities within the park could change. Staff is continuing to plan for the Pop bottle rocket class, and free tennis lessons that will be in July. Currently we have 5 registered for the youth classes. Kids day is set for Friday July 10 at Bluebird park, with an inflatable water slide, kids dance and the Police and Fire chiefs will give brief safety talks. The medallion hunt will start with clues being released on Monday July 6. Council first postponed the June street dance until September, but decided to add a new band to the June 20 date, Bad Jack with the quick changes that were adjusted from the guidelines that have been in place. The other Street Dance Bands are Sept 12: The Farmer's Daughters, July 18: Brother Ferris and August 8: Brat Pack Radio. The Famer's market opened May 29 and will run through September 25, we will not have a market on July 3 with the holiday. Its open Friday's from 2-6pm. This year we have 18 vendors and each week brings a different variety to choose from. The layout is a bit different this year with having to provide social distancing within the market. The community garden opened on Thursday May 7 and all plots have been reserved, 75 in total; 67 ground plots, 7 raised beds and one elevated bed. Staff is in the process of planting sunflowers in the pollinator area and creating a walkway/maze through it. The northeast corner continues to remain open for future plots. The council has been discussing the upcoming budget and CIP. Within the CIP are items related to the future of parks. In particular, Whisper Ridge, VFW and Isanti Hills Neighborhood Park. These parks have been discussed in the past, almost annually, when we review the park tour items. As of now, the Council has not funded any future replacements for these parks. This is being presented for information for the Park Board to be aware of and to review at future meetings the ideas that the Park Board would have for new items. Sylvester added that within these parks are playground equipment that we can no longer get replacement parts for. Zdon added that he agreed we struggle with replacing parts and that he recalled this being an issue with these parks in the past. Witte asked if River Bluff Preserve had been addressed yet, as he had been in touch with staff with tree's that had fallen. Matt Sylvester reviewed that the PW crew was able to clean up some trees at the dock within River

Bluff preserve, after clarifying from the Mn DNR that this was possible. Tree's had fallen and were interfering with fishing. The river level is quite low right now.

Mayor Johnson had some questions or clarifications to the CIP/budget item that was discussed. Johnson added that the council has been discussing the CIP/budget items and that he wanted to make sure that the PRC board knew that the council is looking at these three parks (Whisper Ridge, VFW and Isanti Hills Neighborhood(IHN)). Council is reviewing moving funds from the equipment replacement to funding a bigger project for Bluebird and to have this park as the main park within Isanti. Thum added that he didn't want to see VFW park go away as kids are using it now and there are lots of kids in that area. Johnson added council was not looking at eliminating any park but that they are asking the board to look into new ideas and wanted to make sure this board was in the loop with this plan or budgeting area. Sylvester reiterated that these parks have the equipment that staff can no longer get replacement parts for and the board is being asked to look into new ideas for replacement, such as open space or other amenities. Zdon didn't want to see any parks eliminated within the city and asked if it was within the plan to have one in every neighborhood. Johnson added that it wasn't an ordinance and that council wasn't looking to eliminate a park and that within our city we have 14 parks. Mayor Johnson added the discussions at council have been to see if the VFW would want to take back or take on VFW park and an idea to have them take down the surrounding fence around that park. Mayor Johnson asked Councilmember Gordon if he had anything to add. Gordon added that he didn't agree with having the one main park idea and adding an amphitheater or other amenities to the park and the funding getting shifted to that, he would like to see more of a cost savings to the citizens. Witte added that he has used IHN park, and didn't want to see any park get eliminated. The idea is for the PRC board to review items that could be added instead of replacing the playground equipment. Zdon brought up a natural park in Waseca that he had visited. The mayor added that he wanted to make sure the PRC board had a voice and council will review this and provide direction to the bord and staff for future meetings to discuss this more. Zdon reviewed that the council and staff will provide more information at a future meeting for the PRC board to review.

Adjournment: Motion by Witte, second by Thum to adjourn the June 23, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 4-0, meeting adjourned at 6:32 p.m.

Respectfully Submitted

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: August 5, 2020
Subject: Resolution 2020-XXX Authorize Nuisance Abatement for Property Located at 105 Rail Road Ave

---

Background:
In Spring 2019 the exterior wall at 105 Railroad Ave collapsed. The owner pulled a building permit to fix the wall in August 2019, the roof sustained some damage as well and is required to be repaired. Permits are valid for 180 days, which stay valid as long as you are making visible progress. The owner's of the building have been working on these repairs for 10 months. MNSPECT has had several conversations and written correspondence with the owner about the repairs and the timing. The wall has been repaired, but is not complete the outside still needs weather barrier and siding (that is consistent with code requirements) and the re-roof is not complete. The last written correspondence from the owner when asked when it would be complete was in January and they stated that the roof would be completed weather permitting. That was six months ago and the weather has been nice enough to complete this project.

Staff has sent the owner a final letter indicating that is the roof is not complete by June 15, 2020 the City Council will take action. The owner did not contact staff regarding this matter nor did he attend the June 15th meeting. A certified letter has been sent to the owner notifying him of the public hearing for abatement. At the time of this memo the owner has not contacted staff. The estimate to finish the work is $16,343.00

At the July 7, 2020 City Council meeting the Council postponed this action to the August 5, 2020 meeting. Upon drafting this memo no additional work has taken place at the property and the project is still incomplete.

Request:
Consider resolution to abate.

RESOLUTION 2020-XXX

RESOLUTION TO AUTHORIZE NUISANCE ABATEMENT FOR PROPERTY LOCATED AT 105 Rail Road Ave

WHEREAS, the property owner of 105 Rail Road Ave is in violation of City Code 216-2 affecting health and safety; and

WHEREAS, the process was followed under City Code §216-6 (Abatement) whereas the City served notice to the property owners regarding the violation; and,

WHEREAS, City Code §216-6 provides for calling a public hearing to hear on the matter and notice shall be provided to the property owner of the hearing date; and,

WHEREAS, City Code §216-6 after subject hearing the Council may abate the property and direct the City provide the services to allow compliance of the Nuisance Code; and,

WHEREAS, the City Council held the Public Hearing on July 7, 2020 and postponed action to the August 5, 2020 City Council meeting;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. The property owner shall be given until Thursday, August 6, 2020 to come into compliance.

2. Staff shall inspect the property on August 6, 2020 and if the property is found not to be in compliance, the property located at 105 Rail Road Ave shall be hereby abated.

3. Upon provision of City Code §216-6. Staff is hereby directed to submit to Council a list of the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minnesota Statutes, Section 429.I01.

This Resolution is hereby approved by the Isanti City Council this 5th day of August, 2020.

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of City Council**

From: Jenny Garvey - Parks, Recreation and Culture Manager

Date: August 5, 2020

Subject: **City Santa Event Discussion**

Background

At the January 27, 2020 Goal setting meeting staff presented new programs and events for council to consider. Staff had included a Breakfast with Santa event, however there was not a solid direction staff should take with this type of event. Staff currently does monthly movies from November – March. One option would be to include a Santa visit at the December movie date. The cost breakdown if we would have a Santa at an event would be: cost for hiring a Santa is $600 for 2 hours, supplies and miscellaneous items $100, staff time is not included. The total cost would be approximately $700.

Staff Request

City staff is requesting Council discuss this type of event in further detail and provide staff with a clear direction how they should proceed with an event that could involve a Santa.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: August 5, 2020
Subject: Ordinance Amending the City Zoning Code, Ordinance 445, Section 3, Subd 2 Zoning Map

---

Overview/Background:
As directed by the City Council staff has prepared a zoning district "R-1A Rural Residential" The ordinance was adopted at the June 16, 2020 City Council meeting, next step is to rezone the properties.

A new R1a zoning district was created for properties south of Dogwood Street, west of the railroad, south of Palomino Drive and east of the railroad (map attached). Now that the district is created the next step is to rezone the parcels. Community Development staff held a neighborhood meeting on July 14th to discuss the rezoning, 6 people attended. Staff has received 2 e-mails and 2 calls about the rezoning, all just asking questions and no one objecting.

The Planning Commission held a Public Hearing at the July 21, 2020 meeting, no one from the public spoke on this item. The Commission recommends approval 7-0.

Request:
Consider adoption of the ordinance as presented.

- Proposed Ordinance

ORDINANCE _____

ORDINANCE AMENDING THE ZONING MAP TO RE-ZONE CERTAIN PROPERTIES TO R-1A, RURAL RESIDENTIAL DISTRICT

The City of Isanti does ordain:

Section 1 – Purpose

In 2017, the City annexed a number of properties that were surrounded by the City. One of the issues during that annexation was how the nature of the properties, which were mostly larger lots, would be regulated under the zoning ordinance. On July 7, 2020, the City Council adopted Ordinance _____ Amending the City Zoning Code by adding a new district, R-1A, Rural Residential District, that addressed some of the concerns raised during annexation. This ordinance amends the Zoning Map to illustrate where the new R-1A zoning district applies, which includes a number of the annexed parcels and several others that are similar in nature and location.

Section 2 – Ordinance

Pursuant to City of Isanti Ordinance No. 445, Section 21, Article 1, the City of Isanti 2020 Zoning Map is hereby repealed and replaced with the attached Zoning Map showing the locations of the new R-1A Rural Residential District. Said Map shall be the official zoning map of the City and placed in Appendix D of the City Code. The parcels included within the R-1A Rural Residential District as of the adoption of this Zoning Map are listed in the attached exhibit.

Section 3 – Effective Date

This Ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this ____ day of _____, 2020

MEMORANDUM

TO: Mayor Johnson and Members of City Council

FROM: Ryan Saltis, Community Development Specialist

DATE: 8/5/2020

SUBJECT: Resolution 2020-XXX Approving a Site Plan and Minor Development Agreement for an Office at 201 Main Street

---

Request:
The applicant, Deanna Bunes is requesting site plan approval for a proposed office building located at 201 Main St W for Serenity Circle Counseling.

Overview/Background:
The applicant would like to construct an office building for her therapy business on a vacant lot located at 201 Main St W. The building will contain five office spaces, two bathrooms, waiting room, and utility room. The lot was previously zoned R-3A, Low Density Multiple-Family Residential and was approved for a rezoning of the parcel to the B-1, Central Business District within the downtown overlay. The rezoning to the B-1 zoning district allows for the "General – Office" type of use for the building to be permitted on the lot. The site plans would include the building, four parking stalls and surrounding landscaping. The standards for the B-1 Zoning District as well as the standards set by the Downtown Overlay District shall be followed for approval.

Analysis of Application:
The site plan for the office building shall comply with the following requirements for both the B-1 District and the D-1 Downtown Overlay District:

Streets and Sidewalk Network

A. Developments that include public or private streets shall connect with and provide for the future extension of the community's existing street network.
The development will utilize the existing streets of Main Street W and 2nd Ave NW.

B. Sidewalks are required along all public and private streets within the Downtown Overlay District. The location and alignment of new sidewalks shall connect directly with the existing sidewalk network. The width of the sidewalk shall be consistent with City policy.

Sidewalks are proposed along the front and the east sides of the building, which will run parallel to the existing streets, extending the existing sidewalk network in the downtown district. The proposed sidewalks are intended to be 5 feet in width. The City Engineer's Memo explains that the sidewalk should be 6 feet wide when against the back of a curb, which would apply along Main St, 2nd Ave NW and the parking lot.

C. On-street parking shall be incorporated with the street design within the Downtown Overlay District. Parking areas shall be defined by curbing.
The site plans include 4 off-street parking stalls accessed from 2nd Ave NW as well as an on-street handicapped parking stall directly in front of the proposed building. After further discussion with the City Engineer and Public Services Director they determined that a handicap parking stall needs to be designated in the parking lot. The street designation does not work in this location as they would be opening their car door into oncoming traffic and would have to navigate in the street to get to the ped ramp. The applicant has indicated that their front door is on Main street and that is why they wanted the parking stall in front. The handicap stall in the rear of the lot will give room for maneuvering and have direct access to the sidewalk which leads to the front door. Staff agrees with the City Engineers requirement in his memo.

D. The number and width of curb cuts shall be in conformance with City policy. Sites within the Downtown Overlay District that have multiple buildings shall have unified / joint access.
There is one curb cut proposed for entering or exiting the parking area on the site. The width of the curb cut is 26 feet which is consistent with city policy.

E. Street trees shall be placed, no less than one (1) tree per fifty (50) lineal feet of frontage on any street within the Downtown Overlay District. Where street trees cannot be planted, sidewalk planters are encouraged in these areas. Such trees or planters shall be coordinated as part of the streetscape design.
A landscaping plan shall be provided for review of plant locations and species types. Landscaping plans shall follow requirements set forth in Section 15 subd. 5 of Isanti Zoning Ordinance 445.

F. All new utilities shall be encouraged to be placed underground. Compatible lines (e.g. electric, phone, cable) shall be placed in a common trench.
A utilities plan shall be provided to determine the locations for lines placed underground.

Site Plan Parking Area Design Criteria
Upon review by the Planning Commission and approval by the City Council, the plan for off-street parking shall meet the following site design standards:

A. Surfacing. All areas devoted for parking space and driveways shall be surfaced with asphalt, concrete, or other surface materials, as approved by the City Engineer,

suitable to control dust and drainage. All parking areas shall be designed to control surface runoff to adjacent properties either with curbing or grading techniques.
The parking lot will consist of bituminous surface. The City Engineer's memo explains requirements and conditions for approval of surfacing.

B. Lighting. Any lighting used to illuminate off-street parking areas shall be directed away from abutting property and public right-of-way. Lighting shall be provided in accordance with the regulations as provided in Section 14 of this Ordinance.
Lighting standards are provided in Section 14, subd. 5 of Isanti Zoning Ordinance 445. A photometrics plan was provided by the applicant that displays two different types of lighting sources around the building, including wall sconces and a freestanding LED pole to illuminate the parking area on the site. The Outdoor Lighting standards in Section 14 of the Zoning Ordinance limit the lighting sources to foot candle readings that shall not exceed one-half foot candle measured at the closest residential property and five-foot candles measured at the street curb line. The placement of the wall sconces and freestanding LED pole will not exceed these foot candle requirements and are in compliance with the lighting standards. Installation of the downtown decorative lights are required in front of the building. The applicant should work with public works to determine the location and to order the light.

C. Visibility. No sign shall be so located as to restrict the sight, orderly operation, and traffic movement within any parking area.
The City Engineer listed as a condition for approval that the existing street/info signs shall be relocated to green space in between the sidewalk and building. Signs for handicapped parking in front of the building and reserved parking in the lot are also proposed. The sign for handicap parking is not permitted in the street in front of the building because it does not meet ADA requirements. All signs shall follow Section 16 of Isanti's Zoning Ordinance and shall apply for a sign permit for review by City Staff.

D. Curbing. Except for single-family dwellings, two-family dwellings, and townhouses, all parking areas located in the R-1, R-2, R-3, and R-4 as well as B-1, B-2, B-3, CBT, RC, I-1, or S-1 zoning districts must have curb and gutter around the perimeter of the parking lot.
Concrete curbs and gutters are proposed around the perimeter of the parking lot.

E. Striping. All parking stalls shall be marked with either yellow or white painted lines not less than four (4) inches wide.
The striping of the four-stall parking area will be solid white and 4 inches wide, and will comply with this requirement, a handicap stall shall be striped to ADA requirements. This stall can be counted in the 4 required stalls

Setbacks
The following minimum requirements shall be observed in the Central Business District; subject

to additional requirements, exceptions, and modifications as set forth within this Ordinance:

A. Setbacks and Height Restrictions – Principal Building.

Minimum Setback from a Railroad Right-of-Way	10 feet
Front, Side, and Rear Yards	Zero Lot Line Maximum
Building Height	Three (3) stories or forty-five (45) feet, whichever is less

The proposed office building will be located on the north and east corner of the lot and have zero setbacks from the street. The building will be single story and not exceed the forty-five foot building height requirement.

Exterior Building Materials

Architectural Style of the building shall be similar to other existing downtown buildings. The evaluation of a project shall be based upon the quality of the design and on its relationship to the surrounding structures and uses. Extremes of style or attempts to recreate a style indigenous to the downtown area are discouraged.

Acceptable Materials. Exterior building materials shall not be dissimilar to existing structures within the immediate area or the downtown area as a whole. Exterior building finishes shall consist of material comparable in grade and quality to the following:

1. Brick

2. Natural stone

3. Wood provided the surfaces are finished for exterior use and only woods of proven durability shall be used.

4. Glass, to include glass curtain wall panels.

5. Tilt up concrete panels that have a grid or block like appearance.

6. EIFS (Exterior Insulating and Finishing System) may be used but not as a primary material.

7. Metal may be used as an accent but not as a primary material.

The proposed office building features mainly vinyl siding with stone along the base of only the front of the building facing Main St W. The architectural style of the building, along with the materials used is consistent with other existing downtown buildings.

Mechanical Equipment

Mechanical equipment shall be screened from the public right-of-way and from adjacent residential properties. Screening shall be compatible with the principal building and shall be provided in accordance with the regulations as provided within Section 15, Subdivision 3 of this Ordinance.

Mechanical equipment is intended to be inside of the proposed building in a utility room. If there is any proposed mechanical equipment on the outside of the building, the equipment must be screened and site plans must be altered to display the location.

Trash/Recycling areas
Subdivision 3: Refuse and Trash Receptacle Enclosures

A. Refuse. All lots within all zoning districts shall be maintained in a neat and orderly manner. No rubbish, salvage materials, junk, or miscellaneous refuse shall be openly stored or kept in the open when the same is construed by the City Council to be a menace or nuisance to the public health, safety, or general welfare of the City, or to have a depressing influence upon property in the area.

B. Trash Dumpsters and Garbage Receptacles Required: All new uses and buildings in all zoning districts, with the exception of the "R-1", "R-2", and "R-3A" Districts; shall have trash dumpsters or garbage receptacles provided on the parcel or lot and be adequately screened and enclosed. The location of trash dumpsters and garage receptacles shall be approved during the site plan approval process.

C. Standards for Trash Enclosures: Trash dumpsters and garbage receptacles shall be screened from all lot lines and public roadways, in accordance with the following provisions:

1. The screening devices shall be designed so that they are architecturally harmonious with the principal structures on the site and shall meet the requirements as specified in Section 15 of this Ordinance.

2. Trash enclosures shall be lit.

3. Trash enclosures shall be of an adequate size to accommodate all refuse and recyclables.

D. Enclosure and Receptacle Maintenance Required: Fencing and landscaping for trash dumpsters and garbage receptacles shall be maintained in good condition and shall be kept litter-free at all times.

The location for trash receptacles is not identified on site plans. The site plans display a chain link fence with a gate along the south side of the proposed building, which could enclose the trash receptacles, but must be identified on the site plans. Lighting for the trash enclosure area is provided by the wall sconces on the exterior of the building.

Planning Commission Recommendation: The Planning Commission held a public hearing regarding this matter on July 21, 2020. The applicant was available for questions. The Planning Commission recommends approval of the Site Plans for the proposed office building located at 201 Main St W with conditions listed in the Staff Memo dated July 21, 2020.

Staff Recommendation: Staff recommends approval of the proposed office building located at 201 Main St W with the following conditions:

1. The applicant shall enter into a minor development agreement.

2. Signs require a sign permit before installation.
3. A landscaping plan shall be provided for review of planting locations and species as part of the development agreement.
4. The location of trash receptacles must be identified on site plans as part of the development agreement.
5. Applicant shall apply for all permits associated with the building including a building permit, mechanical permit, plumbing permit, electrical permit, and sewer and water hookup.
6. A Utilities Plan shall be provided to determine the locations for lines placed underground as part of the development agreement.
7. All other conditions listed in the City Engineer's memo, dated 7/1/2020.

MEMORANDUM

Date: July 1, 2020

To: Sheila Sellman, Community Development Director

From: Jason W. Cook, P.E.
City Engineer

Subject: Serenity Circle Counseling - 201 Main Street - Plan Review
City of Isanti, MN
Project No.: R13.120117

We have reviewed the plan entitled "Serenity Circle Counseling" with a signature date of 6/19/2020.

The plan includes the addition of a building and parking lot at 201 Main Street with access off 2nd Avenue NW.

We have reviewed the submitted documents and have the following comments:

1. Add crosswalk blocks across Main Street to the north and blocks across 2nd Avenue to the East.
2. The sidewalk should be 6 feet wide when against the back of curb, this applies along Main Street, 2nd Avenue, and the parking lot.
3. Relocate all signs into the green space behind the sidewalk.
4. Move the handicap stall into the parking lot.
5. At west end of sidewalk along Main Street, flair walk out to match into the flat portion of the existing driveway apron.

We recommend approval of the project once the above items are submitted and approved.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

APPROVING A SITE PLAN AND MINOR DEVELOPMENT AGREEMENT FOR AN OFFICE BUILDING LOCATED AT 201 MAIN ST W

WHEREAS, Deanna Bunes (applicant) has requested approval of site plans for an office building located at 201 Main St W in the City of Isanti (PID 16.050.0770); and,

WHEREAS, the property is located within the "B-1" Central Business District and is subject to the additional requirements of the "D-1" Downtown Overlay Zoning District, in both of the Zoning Districts *General Office* is a permitted use; and,

WHEREAS, under Isanti Zoning Code Section 18, Subd. 2(A) the construction of a new building is required to obtain approval of the Site Plans/Building Appearance; and,

WHEREAS, the site plans meet the regulations set in Section 7, Article 1: "B-1 Central Business District as well as Section 11, Article 1: Downtown Overlay District; and,

WHEREAS, the proposed use for general office meets all of the General Performance Standards of the Zoning Ordinance; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed office building on July 21, 2020 and recommended approval; and,

WHEREAS, the City of Isanti City Council reviewed the requested Site Plans at its regularly scheduled meeting on August 5, 2020;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that the requested site plans for an office building located at 201 Main St W, is hereby approved with the following conditions:

1) Future signs will need a sign permit and plans shall be submitted to city staff for review
2) A landscaping plan shall be provided for review of planting locations and species
3) The location of trash receptacles must be identified on site plans
4) Applicant shall apply for all permits associated with the building including a building permit, mechanical permit, plumbing permit, electrical permit, and sewer and water hookup.
5) A Utilities Plan shall be provided to determine the locations for lines placed underground
6) All other conditions listed in the City Engineer's memo, dated 7/1/2020

This resolution was duly adopted by the Isanti City Council this 5th day of August, 2020

TO: City, Township, and School District Clerks

FROM: Chad Struss, Isanti County Auditor-Treasurer

DATE: July 27, 2020

RE: Request Approval of Amended Isanti County Election Equipment Plan

Isanti County needs to amend its Election Equipment Plan to include the use of the new OmniBallot assisted voting devices. The OmniBallot devices are a component of the electronic voting system in Isanti County. All Isanti County precincts will use the OmniBallot assisted voting devices in 2020.

A copy of the amended plan is enclosed. I expect the Isanti County Board of Commissioners to approve the amended plan at its Augusts 5, 2020 meeting. However, I wanted to distribute the amended plan now to facilitate the approval process for the municipalities and school districts.

Minnesota statutes require municipalities to approve the use of an electronic voting system as follows [emphasis added]:

> **Minnesota Statutes §206.58 AUTHORIZATION FOR USE**
> **Subd. 3. Counties.**
> The governing body of a county may provide for the use of an electronic voting system in one or more precincts of the county at all elections. ***The governing body of the municipality shall give approval before an electronic voting system may be adopted or used in the municipality under the authority of this section***. No system may be adopted or used unless it has been approved by the secretary of state pursuant to section 206.57.

The approval of the amended Isanti County Election Equipment Plan will serve as your entity's approval of the new assisted voting devices used in each precinct.

Please have your governing body approve the amended plan, complete the enclosed Certification of Approval of Isanti County Election Equipment Plan form, and return it by **September 1, 2020** to the Isanti County Auditor-Treasurer, 555 18th Avenue SW, Cambridge, MN 55008.

If you have any questions or concerns, please contact me at 763-689-1644. Thank you for your cooperation on this matter.

ISANTI COUNTY ELECTION EQUIPMENT PLAN

I. Purpose

The purpose of this plan is to document: 1) the election equipment used within the polling places of Isanti County, 2) compliance with statutory requirements, and 3) the responsibilities of Isanti County and each municipality in administering the election equipment.

II. Scope

For purposes of this plan, "municipality" refers to the 13 townships and 4 cities located within Isanti County.

This plan applies to all county, state, or federal elections held in Isanti County as well as local or school elections held in conjunction with county, state, or federal elections. The plan applies to local or school elections except if the municipality is only required to the use the election equipment identified in Section IV to the extent required by state or federal law.

III. Background and Statutory Requirements

Isanti County and its municipalities implemented the Election Equipment Plan in 2005 in response to the requirements of the Help America Vote Act of 2002 and Minnesota statutes governing the use of electronic voting systems and equipment. Isanti County and its municipalities updated the plan in 2016 to address a change in ballot counter model.

Minnesota Statutes § 206.57, subdivision 5 requires the voting method used in each polling place must include a voting system that is accessible for individuals with disabilities, including nonvisual accessibility for the blind and visually impaired in a manner that provides the same opportunity for access and participation, including privacy and independence, as for other voters.

Minnesota Statutes § 206.58 requires the governing body of a municipality to approve an electronic voting system prior to its use in the municipality. The municipality's approval of the Election Equipment Plan constitutes the required statutory approval.

IV. Election Equipment Used

Isanti County and its municipalities plan to use the following election equipment in each polling place, including any absentee ballot locations, in accordance with Minnesota statutes:

- DS200 model ballot counter manufactured through Election Systems & Software
- OmniBallot assisted voting device manufactured through Democracy Live

Isanti County and its municipalities may use the Poll Pad electronic roster devices manufactured through KNOWiNK in any polling place, including any absentee ballot locations.

Isanti County and its municipalities may utilize replacement models of any of the above election equipment provided the Minnesota Secretary of State has certified the replacement models.

V. Cost Allocation for Purchase of Election Equipment
Isanti County and the municipality will share evenly in the cost to purchase election equipment for a particular precinct or polling place unless mutual agreement between Isanti County and the municipality allows for an alternative allocation of purchase costs. The cost to purchase election equipment includes the cost of any warranty and supplies used for the initial operation of the equipment. Isanti County will pay the vendor invoice for any election equipment and bill the municipality for its share of the cost.

Isanti County is responsible for the cost to purchase any backup election equipment.

VI. Responsibilities for Election Equipment
Isanti County is responsible for the following activities related to election equipment:

- Ordering the election equipment
- Training election judges on the use of the election equipment
- Storage of the election equipment
- Testing of election equipment (unless the municipality stores the equipment)
- Insuring the election equipment (unless the municipality stores the equipment)
- Ordering paper rolls, ink cartridges, and other supplies for the election equipment
- Programming of the election equipment
- Maintenance of backup or substitute election equipment

The municipality is responsible for the following activities related to election equipment used in its polling places and precincts:

- Transportation of the election equipment before and after each election
- Hiring and appointing election judges to attend training on election equipment
- Testing of election equipment (only when the municipality stores the equipment)
- Insuring the election equipment (only when the municipality stores the equipment)
- Payment for maintenance and support of the election equipment after the initial warranty period including any firmware updates

Isanti County will arrange for maintenance and support of all election equipment. Isanti County will pay the vendor invoice for any maintenance and support costs and bill the cost to the municipality.

In the event of a standalone school election, the school district will fulfill the municipality responsibility for transporting the election equipment and hiring or appointing election judges to attend training on the equipment.

Isanti County and a municipality can amend or transfer any of the above responsibilities upon mutual agreement.

VII. Cost Allocation for Programming of Election Equipment
In local or school elections not held in conjunction with county, state, or federal elections, the municipality or school district will pay the costs of programming the election equipment.

In state and federal elections, Isanti County will initially pay for the programming of the election equipment and allocate the costs to the municipality and school districts using the formula established in the Minnesota Secretary of State's "Election Expense Cost Allocation Procedures" document dated May 2002.

Adopted: 5/21/2005; Revised: 5/18/2016; 8/5/2020

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: August 5, 2020
Subject: Approving Notice to the Paper for City Hall Used Chairs

---

Per the City's capital improvement plan, new desk chairs were purchased for city hall. There are 10 highly used and worn out chairs that are no longer of use to the city. The chairs, in total, are less than a $500 value thus following the surplus policy, these chairs can be placed for public offer. If no offers are received, the chairs will be disposed of.

Request:
Staff is requesting discussion and action on this item

Attachment:
- Notice to paper

City of Isanti

Public Notice of Offer of Used Desk Chairs

Please be notified that the City of Isanti has 10 used and worn out desk chairs that are for offer to interested parties. Contact City Administrator Josi Wood for more information or if you would like to submit a best offer price at 763-444-5512 or JWood@cityofisanti.us. If there are no offers received by August 21, 2020, the chairs will be disposed of.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
July 28, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, and Brian Thum
Members Absent: Council Member Jimmy Gordon
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: Mayor Jeff Johnson, 705 Main Street he has received several emails and is asking to add a discussion item regarding Bluebird park and the skate park area and teens that are being inappropriate to other users verbally and before it could potentially get physical. Motion by Thum, second by Witte to approve the agenda with the modification to add the discussion as 5a. for July 28, 2020. Motion passed 3-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from June 23, 2020. Motion passed 3-0.

3. Park Visits Annual Park visits were conducted by each board member; staff collected them and will gather all the information and bring back to the August meeting. Zdon added that unless there was anything that needed immediate attention. Thum brought up an item at Legacy, a larger tree/branch had fallen near the Sunnyside picnic table that he moved aside but staff should address this. Witte added about the community garden, and inquired about organic pesticides that could be used and to let the gardeners know of this. Staff asked if any board member has their forms that are electronic to email those to staff.

4. Equipment Requests- Garvey mentioned that staff had received a request from a resident about adding an ADA style swing to Rum River Meadows Park. The city does not have anything in the budget for specific items, but an over all replacement budget for park equipment. Staff is recommending that we look at the budget at the end of the year and see where we are and if the budget allows to add a ADA swing to Rum River Meadows, Academy and Mattson Parks. Zdon asked if staff would have time to apply or research if there are any grants that could be available for this type of equipment. Garvey added that she does watch for grant opportunities and if she does come across one for this or anything else related to the park department, she does research it more.

5. Fir Street Update – Garvey reviewed that in 2015 the PRC Board and City Council had given staff direction to acquire two parcels, through a Conditional Use Deed and staff has tried to get a more solid direction from the State and County as the timeframe we have to develop these lots into a park space. Initially it seemed that is was three years, but staff also found information stating we had 15 years. Staff reached out to the county and they are researching this a bit more and will provide staff more information when they can. Staff will then bring this back to the board to review the information. Staff had brought this item to the board in 2018 with ideas on how to develop this park area and nothing was decided at that time, as this park in unfunded, and when the time comes, we will have to budget for this development and amenities. Zdon asked if it's a Conditional Use Deed what does that mean, does that mean that it is our property forever that will be a park? Garvey responded that is how she understands it to mean, that we own the land and we would have the park forever. Witte asked if the board had discussed getting public input for this park. Garvey responded that when the time comes that is something we can do at the time we are further in the process.

5a. Added Discussion Item: Bluebird Park and skatepark. Zdon reviewed that at approximately 3:30 pm each day, children are being bullied by teens that frequent the skate park. Zdon suggested that the police could add it to their rounds. Mayor Johnson asked do we want to tie up our police with this and also added that he had talked to Chief Muyres regarding this item and police have been doing this daily and have been sitting in the lots and when they leave the teens start back up. The teens also use disrespectful language to adults that are speaking to them. The Mayor is asking the board for direction on what we can do. Thum added that this is between the individuals and that this isn't a city issue, the best we could do is to have police patrol, which they currently are doing, as they are not breaking the law. Parents and children need to try to address this on their own. The Mayor added that he said that this is all verbal at this time, but have made physical threats. Zdon added that then this is something they(those involved) can press charges for. Mayor Johnson also added that there was a physical fight between girls and then now its criminal, Police can now proceed with that. Witte added that there is not really anything we as a city can do, Thum and Zdon agreed. Thum suggested that maybe there is signage that could be placed. Witte inquired about trespassing and this could potentially occur with the Police. Mayor Johnson added that Police are continuing to patrol this area. Mayor Johnson is bringing it to the attention of the board before he sends these concerns he has received from the public to staff. The board discussed signage as a possibility and directed staff to research and see what is available as an option.

6. Department Updates; Staff reviewed that we had our July 7 curious creatures program and it was a big hit. BMW stables for brought out miniature horses. They showed the kids how to rope, feed, groom and saddle a horse. A big THANK YOU to them. July 11 was fireworks and they were launched in the grass area just south of the BMX building. Great show was put on and lots of positive comments. Mayor Johnson added that maybe we should do a 15-minute show for future. Zdon liked the 10-minute show and it was captivating to watch, they were a great steady show. July 10 was Kids day with Kids Dance from 11am-1:00pm and 11am-2:30pm the waterslide. This event was very well attended and some waited over an hour to go down that waterslide. Public works crew was a great help at this event. Brother Ferris performed at the July 18 street dance. The attendance was a bit lower than normal; the weather was unpredictable all day with storms in the forecast. The weather held off for the event. Aug 8 is the next dance with Brat Pack Radio, and will follow the Rum River Rods Car show, which is scheduled that day from 10am-3pm. Garvey continued that tennis lessons are finishing up this week, with three weeks of lessons. The youth classes had enough participants, with classes, M/W and T/Th. The medallion hunt started on July 6 and ended on July 6. Chase Imker was the lucky finder, who found it at Unity Park. Thank you to these local businesses who donated items: Best Western Isanti, Falcon National Bank, Fusion Nails, Isanti Tire and Auto Care, Inc, North 65 Chamber of Commerce, North American Title Company and Strike Life Tributes. Witte asked if a fishing event could be added to our programming. Zdon added that in the past the city and the DNR had this type of event at Martins Landing.

Adjournment: Motion by Witte, second by Thum to adjourn the July 28, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 3-0, meeting adjourned at 6:40 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

Water Fund Budget Summary (Fund 601)

	Title / Detail	PROPOSED 2021 BUDGET
TOTAL	**WATER FUND REVENUES**	**1,575,139**
TOTAL	**WATER FUND EXPENDITURES**	**1,922,956**
NET INCOME / (LOSS)		**(347,817)**
NET CASH FLOW / (LOSS)		**52,183**

Water Sales of $1,244,220 is projected for 2021 based on a trendline analysis of actual sales from 2017 thru 2019 and projected final 2020 sales.

Capital Expenditures are included in the above listed total expenditures. A summary of capital expenditures follows on the next page.

Expenditures include $423,000 in principal and $99,553 in interest payments toward debt service. The Water Fund currently makes payments on the 5 Debt Issues listed below.

Debt Issue	Final Debt Payment
2007 GO Revenue Note, PFA	August 2026
2008 GO Revenue Note, PFA	August 2028
2010A GO Utility Revenue Bonds - Water	November 2024
2011 GO Water Revenue Bonds, PFA	August 2031
2013A GO Refunding - Water	November 2028

Net Cash Flow differs from Net Income in that Net Cash Flow excludes non-cash items that are otherwise budgeted and represented in the listed Net Income. Non-Cash expenses excluded to arrive at Net Cash Flow include, Pension Expense (601-49400-129), OPEB Expense (601-49400-150), Depreciation (601-49400-405) and Amortization of Bond Discount (601-49400-630).

Water Fund Capital Budget Summary (Fund 601)

Department			2021
Water	Computing/Technology Devices	$	3,100
Water	Well House No. 2 Well Pump No. 2	$	109,270
Water	Rebuild Filter 1 Underdrain	$	327,820
Water	Contribution to Liquor Fund Capital Purchase	$	40,000
Total	**Water Fund Capital Expenditures**	**$**	**480,190**
	Water Sales	$	155,630
	Water Access Charge	$	138,640
Total	**Water Fund Capital Revenues**	**$**	**567,900**
	1 Year (Over) / Under Budget	**$**	**(185,920)**
	Running Fund (Deficit) / Surplus	**$**	**1,668,104**

Computing and Technology devices represents the Water Funds share of costs associated with replacing all computing devices every 5 years. This includes all laptops, desktop computers and ipads.

The pump at Well House No. 2 was last replaced in 1991 and has reached its 30 yr useful life. Well pumps 1 and 3 are scheduled to be replaced in 2038 after being installed in 2008.

The rebuild of Filter Underdrain 1 is part of a 4 year project to rebuild all four filter underdrains. A different Filter underdrain will be rebuilt in each of the next 4 budget cycles, concluding with the rebuild of underdrain 4 in 2024. The useful life on these projects is 10 years, based on the recommendation of the City Engineer.

All work is done on an as needed basis. The 20 year replacement schedule ensures funding is available for critical upgrades and replacements but does not require work to be done if it is unneeded. For example a well house pump in good condition after 30 years can be pushed back 1 or more years if there isn't excessive risk to the system in doing so.

Sewer Fund Budget Summary (Fund 602)

	Title / Detail	PROPOSED 2021 BUDGET
TOTAL	**SEWER FUND REVENUES**	**1,985,609**
TOTAL	**SEWER FUND EXPENDITURES**	**1,837,412**
NET INCOME / (LOSS)		**148,197**
NET CASH FLOW / (LOSS)		**707,179**

Sewer Sales of $1,575,000 is projected for 2021 based on a trendline analysis of actual sales from 2017 thru 2019 and projected final 2020 sales.

Capital Expenditures are included in the above listed total expenditures. A summary of capital expenditures follows on the next page.

Expenditures include $365,000 in principal and $59,561 in interest payments toward debt service. The Sewer Fund currently makes payments on the 3 Debt Issues listed below.

Debt Issue	Final Debt Payment
2010A GO Utility Revenue Bonds - Sewer	November 2024
2014B GO Bonds - Sewer	November 2025
2016A GO Sewer Revenue Bonds, PFA	August 2029

Net Cash Flow differs from Net Income in that Net Cash Flow excludes non-cash items that are otherwise budgeted and represented in the listed Net Income. Non-Cash expenses excluded to arrive at Net Cash Flow include, Pension Expense (602-49450-129), OPEB Expense (602-49450-150), Depreciation (602-49450-405) and Amortization of Bond Discount (602-49450-630).

Sewer Fund Capital Budget Summary (Fund 602)

Department			2021
Sewer	Computing/Technology Devices	$	3,100
Sewer	Contribution to Liquor Fund Capital Purchase	$	35,000
Total	**Sewer Fund Capital Expenditures**	**$**	**38,100**
	Sewer Sales	$	423,250
	Sewer Access Charge	$	174,020
Total	**Sewer Fund Capital Revenues**	**$**	**597,270**
	1 Year (Over) / Under Budget	**$**	**559,170**
	Running Fund (Deficit) / Surplus	**$**	**3,422,616**

Computing and Technology devices represents the Sewer Funds share of costs associated with replacing all computing devices every 5 years. This includes all laptops, desktop computers and ipads.

All work is done on an as needed basis. The 20 year replacement schedule ensures funding is available for critical upgrades and replacements but does not require work to be done if it is unneeded. For example if a lift station pump in good condition after 20 years can be pushed back 1 or more years if there isn't excessive risk to the system in doing so.

Capital Improvement Plan Updates (Significant Changes from Prior Year)

Additions:	**Year**	**Amount**
New Mechanical WWTF		
State Grant Funding – New WWTF	2040	7,000,000
Revenue Bonds – New WWTF	2040	8,000,000

Remove Blowers 1-4 and Valves	2037/2067	(135,000)
Remove Effluent Sampler Pump 1	2036	(10,000)
Remove Ponds Sludge Removal	2026	(3,500,000)
Total Reductions/Removals From Above		**(7,022,000)**

Storm Water Fund Budget Summary (Fund 603)

	Title / Detail	PROPOSED 2021 BUDGET
TOTAL	STORM WATER FUND REVENUES	386,150
TOTAL	STORM WATER FUND EXPENDITURES	337,954
NET INCOME / (LOSS)		48,196
NET CASH FLOW / (LOSS)		89,196

Storm Water Sales of $382,600 is projected for 2021 based on a trendline analysis of actual sales from 2017 thru 2019 and projected 2020 sales.

Capital Expenditures are included in the above listed total expenditures. A summary of capital expenditures follows on the next page.

Net Cash Flow differs from Net Income in that Net Cash Flow excludes non-cash items that are otherwise budgeted and represented in the listed Net Income. Non-Cash expenses excluded to arrive at Net Cash Flow include, Pension Expense (603-49500-129), OPEB Expense (603-49500-150) and Depreciation (603-49500-405).

Storm Water Fund Capital Budget Summary (Fund 603)

Department			2021
Storm Water	Computing/Technology Devices	$	3,100
Storm Water	Storm Water System Improvements	$	111,000
Storm Water	Contribution to Liquor Fund Capital Purchase	$	65,000
Total	**Storm Water Fund Capital Expenditures**	**$**	**179,100**
	Storm Water Sales	$	77,450
Total	**Storm Water Fund Capital Revenues**	**$**	**77,450**
	1 Year (Over) / Under Budget	**$**	**(101,650)**
	Running Fund (Deficit) / Surplus	**$**	**68,509**

Computing and Technology devices represents the Storm Water Funds share of costs associated with replacing all computing devices every 5 years. This includes all laptops, desktop computers and ipads.

After several years of relatively large projects, 2021 will be the last year of Storm Water System Maintenance Improvements. Going forward an inflation adjusted $10,000 will be allocated annually for maintenance of the Storm Water Infrastructure.

All work is done on an as needed basis. The 20 year replacement schedule ensures funding is available for critical upgrades and replacements but does not require work to be done if it is unneeded. For example a Street Sweeper in good condition after 20 years can be pushed back 1 or more years if there isn't excessive risk to the system in doing so.

Municipal Liquor Fund Budget Summary (Fund 609)

	Title / Detail	PROPOSED 2021 BUDGET
TOTAL	MUNICIPAL LIQUOR FUND REVENUES	3,213,605
TOTAL	MUNICIPAL LIQUOR FUND EXPENDITURES	3,228,447
NET INCOME / (LOSS)		(14,841)
NET CASH FLOW / (LOSS)		6,404

Sales of $3,187,840 is conservatively projected as 2.5% above 2019 actual sales. Cost of Goods Sold of 2,327,490 is projected as 2.5% above 2019 actual cost.

Capital Expenditures are included in the above listed total expenditures. A summary of capital expenditures follows on the next page.

Net Cash Flow differs from Net Income in that Net Cash Flow excludes non-cash items that are otherwise budgeted and represented in the listed Net Income. Non-Cash expenses excluded to arrive at Net Cash Flow include, Pension Expense (609-49750-129), OPEB Expense (609-49750-150) and Depreciation (609-49750-405).

Municipal Liquor Fund Capital Budget Summary (Fund 609)

Department		2021
Liquor	New Liquor Store	$ 3,484,740
Total	**Municipal Liquor Fund Capital Expenditures**	**$ 3,484,740**
	Capital Contribution From Water Fund	$ 40,000
	Capital Contribution From Sewer Fund	$ 35,000
	Capital Contribution From Storm Water Fund	$ 65,000
	Bond Proceeds	$ 3,344,740
Total	**Water Fund Capital Revenues**	**$ 3,484,740**
	1 Year (Over) / Under Budget	**$ -0-**
	Running Fund (Deficit) / Surplus	**$ -0-**

With the expectation that a new store will be built in the near future, no 20-year capital improvement plan has been attached for the Municipal Liquor Fund. If/When the new store is built, a new 20-year capital improvement plan will be created based on the actual bid amounts of the project. That document will help inform a future Council as to how much additional money can be transferred into the General Fund once the debt service schedule for the bond issue is complete.

H. Announcements

1. Committee of the Whole	Tuesday, August 18, 2020 at 5:00 p.m.
2. City Council Meeting	Tuesday, August 18, 2020 at 7:00 p.m.
3. Planning Commission Meeting	Tuesday, August 18, 2020 *(Immediately following the City Council Meeting)*

I. Council Committee Reports
Councilmember Paul Bergley responded to "Stranger Times" article in the Isanti Chisago County Star and stated that all police officers should be judged on their own merits.

J. Public Hearings

1. Resolution 2020-XXX To Authorize Nuisance Abatement for Property Located at 105 Rail Road Ave
   Community Development Director Sheila Sellman shared that building inspector Karl from MNSPECT, visited 105 Rail Road Ave earlier in the day and the Fascia is not complete as well as the siding has not been sealed and per code for the type of siding. Sellman continued to share that at the last council meeting and public hearing, council opted to postpone until tonight's meeting.

   Mayor Johnson opened the public hearing at 7:11 p.m.

Mary and Mike Colbaugh shared that the building inspector told them they did not have to seal the siding.

Councilmember Steve Lundeen asked how soon property owners Mary and Mike could have the building caulked and sealed.

Mary and Mike Colbaugh responded they could have the work done in two weeks.

Lundeen stated that it would be best to contact MNSPECT and ask what needs to be done to so it can be completed in two weeks.

Sellman stated she agreed that contacting MNSPECT and asking what needs to be done in order to be signed off would be best.

Johnson recommended calling first thing in the morning.

Mayor Johnson closed the public hearing at 7:30 p.m.

Motion by Lundeen, second by Bergley to not take action to abate the property but to allow completion of work until the August 18th city council meeting. Motion passed 4-1 with Collison voting nay. Motion carried.

K. Business Items

1. City Santa Event Discussion
   Parks, Recreation and Culture (PRC) Manager Jenny Garvey shared that at the January 27th Goal Setting meeting she had presented new programs and events for council to consider. One of the events included a breakfast for Santa event, but there was no solid direction for staff for the type of event. Currently, the PRC Manager hosts a monthly movie from November through March. One option could be a Santa visit at the December movie as it is usually a holiday themed movie. Garvey continued to share that the cost for a Santa to be at an event is approximately $600 for 2 hours and miscellaneous supplies and items could be approximately $100. This projected cost does not include staff time so the approximated cost would be about $700.

   City Administrator Josi Wood shared that it is through a certified reputable company that does background checks and carries their own liability insurance.

   Councilmember Gordon stated there is a lot of places around the area and town that do a similar type event.

   Wood asked if the funds would be coming from the parks budget.

   Garvey stated the funds are within the parks budget.

   Motion by Lundeen, second by Bergley to move forward with Santa event. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

2. **Ordinance 2020-737** Amending the City Zoning Code, Ordinance 445, Section 3, Subd 2 Zoning Map
   Community Development Director Sheila Sellman shared that this is stemming from the creation of the R-1A District where properties were rezoned. This is to amend the map in order to rezone those properties.

   Motion by Lundeen, second by Gordon to approve ordinance as presented. Motion passed 5-0. Motion carried.

3. **Resolution 2020-146** Approving a Site Plan Agreement for an Office at 201 Main Street
   Community Development Director Sheila Sellman shared that the resolution needed to be changed to approve only the site plan. The minor development agreement cannot be approved as there are some conditions that need to be met and the city attorney is working on the agreement so the minor development agreement. The

development agreement will come back to the August 18th meeting so the site plan agreement is what is being approved tonight.

Motion by Lundeen, second by Bergley to approve site plan agreement. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $609,524.92 Payroll in the Amount of $102,959.89
2. **Resolution 2020-147** Approving Applications for Exempt Gambling Permits for Rum River BMX 50/50 Raffles
3. Approving Amended Isanti County Election Equipment Plan
4. Approving Notice to the Paper for City Hall Used Chairs

Motion by Bergley, second by Gordon to approve Consent Agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. Draft Minutes from the July 28, 2020 Parks, Recreation and Culture Board Meeting

Adjournment

Motion to adjourn by Bergley, second by Collison. Motion passed 5-0. Motion carried. The meeting was adjourned at 7:45 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Moore
Deputy City Clerk/ Human Resources

MINUTES

Jaden Moore

Jaden Moore
Deputy City Clerk/ Human Resources

CITY OF ISANTI
PLANNING COMMISSION MEETING
TUESDAY, JUNE 16, 2020

1. **Meeting Opening**
   A. Call to Order: Chair Johnson called the meeting to order at 7:45pm
   B. Pledge of Allegiance
   C. Roll Call: Members present: Jeff Johnson, Dan Collison, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon, Alexander Collins.
   Members Absent: None
   Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis
   D. Agenda Modifications: None

2. **Meeting Minutes**

   A. Approval of Minutes from May 19, 2020 Planning Commission Meeting motion by Collison, second by Bergley motion passes 7-0.

3. **Public Hearing**

   A. Request by Dylan Investments LLC for a Conditional Use Permit under City Ordinance 445, Section 11, Article 5, Subd 4. said request is for a Drive-thru at 801 Highway 65 PID 16.020.1100. Sellman explained that the current owners of the building located at 801 Highway 65 have applied for a conditional use permit to install two drive-thru windows, one on the north side of the building and one on the southeast side. One of these windows will be for future tenants of the building. The request meets all of the CUP requirements, and the requirements set by the B-2 Zoning District. Dennis Buchanan, the owner of the business was present at the meeting, and spoke to the Planning Commission, answering questions regarding accessibility to the store and the opportunities this would give to his customers and future tenants to the building. No one from the public spoke on this item at the public hearing. Motion by Gordon, second by Lundeen to approve the CUP, motion passed 7-0.

   B. Request from Scott Boecker for a Conditional Use Permit under City Ordinance 445, Section 7, Article 1, Subd 3. Said request is for commercial recreation at 16 Main St W PID 16.050.0490. Commercial Recreation is permitted in the B-1 Central Business District as a Conditional Use. For the intended use of an indoor playground for kids, the proposed business would need a Conditional Use Permit to operate in the city. Scott Boecker, the new owner of the former Family Pathways building located at 16 Main St W was present at the meeting to answer questions from the Planning Commission and to describe his plans for the business. No one from the public spoke at the public hearing. Motion by Collison, second by Collins to approve the CUP for Commercial Recreation, motion passed 7-0.

C. Request from Falcon National Bank for a variance to the sign standards section 16 subd 5 c for an additional freestanding sign at 905 6th Ave Ct NE PID 16.113.0010. Sellman explained that Falcon National Bank is in the B-2 Highway 65 Zoning Overlay District, which has their own sign code requirements that businesses must follow. Falcon Bank has proposed an additional freestanding sign of 12 square feet to direct traffic to the business coming off of Highway 65. No one from the public spoke on this item at the public hearing. Motion by Lundeen, second by Bergley to approve the variance, motion passed 7-0.

D. Request by Everpine Landholding LLC for a Preliminary Plat, Final Plat and PUD Amendment for property legally described as outlot A Legacy Pines 2nd Addition, Isanti County, Isanti Minnesota. Sellman explained that this Addition to Legacy Pines will include 96 single-family lots which will complete the development as a whole. There will be three phases for the project, with Phase 1 including 28 lots, Phase 2 with 32 lots and Phase 3 with 34 lots. The request for a PUD amendment is for side setbacks of 7.5 feet instead of the required 10-foot setbacks per the Planned Unit Development standards. No one from the public spoke on this item at the public hearing. Motion by Collison, second by Lundeen to approve the Preliminary Plat, Final Plat and PUD Amendment, motion passed 7-0.

E. Ordinance Amending the City Zoning Code, Ordinance 445, Section 13, Article 4, Subd 1(d) accessory structure location. Saltis explained that the current requirements for the location of accessory structures in relation to the principal structure on a property is 10 ft. Staff suggested removing this requirement and replacing it with the proposed language "Separation between the accessory structure and the principal building (if detached) shall meet building code requirements." The current building code states that accessory structures shall be setback from principal structures 3 ft. No one from the public spoke on the item at the public hearing. Motion by Lundeen, second by Simon to approve the ordinance amendment, motion passed 7-0.

F. Ordinance Amending the City Zoning Code, Ordinance 445, Section 3, Subd 1 zoning districts and Section 6 adding R-1A Rural Residential zoning district. Sellman described the proposed R-1A Rural Residential zoning district to include properties annexed by the city and properties in town south of Palomino Rd that are over 1 acre in size. By creating a new zoning district, this would enable these properties to have flexibility for driveways and vehicle/trailer parking requirements. The proposed ordinance would allow existing driveways to remain unpaved and allow 7 vehicles/trailers/recreational vehicles to be parked outside. No one from the public spoke on the item at the public hearing. Motion by Lundeen, second by Bergley to approve the ordinance amendment, motion passed 7-0.

G. Ordinance Amending the City Zoning Code, Ordinance 446, Section 15 Subd E fence setbacks. Saltis described the proposed ordinance amendment to remove the requirement for privacy fences to be located a minimum of 15 feet from any street right-of-way. The City Code states that a right-of-way includes sidewalks, meaning that privacy fences must be placed 15 feet from a sidewalk. The proposed ordinance would allow homeowners to place a privacy fence up to a right-of-way in order to gain more usable yard space. The commission recommended that privacy fences shall be located at a minimum of two feet from a sidewalk to prevent snow build up in the winter caused by the fences along city streets and sidewalks. Motion by Lundeen to allow privacy fences to be placed a minimum of 2 ft from a sidewalk and amend the ordinance accordingly, second by Collison, motion passed 7-0.

4. **Other Business:** None

5. **Discussion Item:** None

6. **Adjournment:** Motion by Collison, 2nd by Lundeen to adjourn, motion passed 7-0 meeting adjourned at 8:41 pm.

Respectfully submitted by Ryan Saltis, Community Development Specialist

Economic Development Authority
Minutes
July 7, 2020

1. **Call to Order:** Chair Johnson called the meeting to order at 8:36pm
   a. **Pledge of Allegiance**
   b. **Roll Call:** Members present: Jeff Johnson, Steve Lundeen, Jimmy Gordon, Paul Bergley, Dan Collison, Justin Neilson, Luke Merrill. Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood.
   c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by Collison, Second by Lundeen to approve the agenda, motion passed 7-0.

3. **Approve Minutes of June 2, 2020 Regular Economic Development Authority Meeting:** Motion by Merrill, second by Bergley to approve, motion passed 7-0.

4. **Business Items**
   a. **Resolution 2020-XXX authorizing Nagel Appraisal to do an appraisal update for EDA Land in an amount not to exceed $800**: Sellman explained that the EDA approved an updated appraisal in the amount of $500. After seeking three bids Nagel Appraisals bid $800 for an update the other bids were over $1,000. Motion by Collison, second by Merrill to approve the resolution, motion passed 7-0

5. **Other Business / Updates / Communications:** Sellman gave business updates and discussed a potential buyer for the EDA 2.5-acre lot, more information will be forthcoming.

6. **Adjournment:** Motion by Collison, second by Lundeen to adjourn, motion passed 7-0 adjourned at 8:45pm.

Respectfully Submitted
Sheila Sellman, EDA Secretary, Community Development Director

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: August 18,2020
Subject: 105 Rail Road Ave Discussion

Background:
At the July 7, 2020 City Council meeting the Council postponed the public hearing to the August 5, 2020 meeting for consideration of nuisance abatement for 105 Rail Road Ave. At the August 5, 2020 Council meeting the Council closed the public hearing and gave the owner until August 18, 2020 to complete the repairs.
At the time of this memo the following items are outstanding: inspection of the insulation and vapor barrier and then the final inspection to close out the permit.

Request:
Staff seeks direction on this item

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: August 18, 2020
Subject: Amendment to the Development and Subsidy Agreement – B. P. Metals LLC

Background:
The City entered into a Development Agreement with BP Metals Inc. in March 2020 for the development and sale of EDA owned land. The agreement required BP Metals to provide 20 jobs withing 2 years from the date of the agreement.

BP Metals is requesting an Amendment to the Development and Subsidy Agreement to reduce the number of jobs to 15. Due to the COVID-19 Pandemic BP Metals has had to lay-off some people and will not be able to employ 20 people in the next to years. In addition to the job requirement change, staff recommends amending the agreement to list B. P. Metals LLC as the developer rather than BP Metals INC, as the business is actually registered with the State as the LLC. The city attorney has reviewed the request and the amendment and has no issues with the changes.

Request:
Consider Amendment to the development and subsidy agreement

Attachments:
- Amendment to the Development and Subsidy Agreement

CITY OF ISANTI

AMENDMENT TO THE
DEVELOPMENT AGREEMENT AND SUBSIDYAGREEMENT FOR
B.P. Metals, LLC

This Amendment is by and between the City of Isanti, a Minnesota municipal corporation, and B. P. Metals, LLC, a Minnesota limited liability company, and amends the Development and Subsidy Agreement – dated March 4, 2020, by and between the City of Isanti BP Metals Inc.

Recitals

A. The City and BP Metals Inc (hereinafter "the developer") entered into the Development and Subsidy Agreement (hereinafter the "Agreement") for the sale and development of EDA owned land.

B. The agreement listed the developer as BP Metals Inc, and the state registered name is B.P. Metals LLC.

C. Pursuant to Section 10 c of the Agreement required the developer to create a minimum of 20 full-time, or full-time equivalent, jobs within two years of the date of the agreement.

D. Due to the COVID-19 Pandemic B. P. Metals LLC had to lay-off some employees and have requested to lower the employment count to 15 employees.

Agreement

In consideration of the mutual promises set forth below, and other good and valuable consideration the receipt of which is acknowledged, the parties agree as follows:

1. The above recitals are incorporated herein as if fully set forth.
2. The City accepts the name modification to B. P. Metals LLC.
3. The City accepts the reduction of jobs to 15 full-time, or full-time equivalent.
4. Section 10(c) of the Agreement is hereby modified by replacing BP Metals, Inc. with B. P. Metals LLC and to reduce the number of required jobs to 15.
5. This amendment is effective Auguat 18, 2020.
6. All other terms of the Development Agreement not modified by this Amendment shall remain in effect as originally stated.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: August 18, 2020
Subject: Resolution Approving a Special Event Application for Rum River BMX to host Detroit Lakes (DL) 412 Mn State Qualifier

---

Background

The City has received an application for the upcoming special event planned for the Rum River BMX Association to host the DL 412 MN State Qualifier. This event is scheduled for Sunday, October 4th from 7:00 a.m. to 5:00 p.m. Rum River BMX estimates the number of individuals in attendance is 600. Portable restroom facilities will be provided by the Association for the event, and the organization is responsible for clean-up of the outside areas. Team canopies may be put up on the grass outside the arena (to the east and south), all canopies must use weights to secure canopies, the Association will notify participants to not use stakes to protect the irrigation lines. The Association is planning for spectator parking to take place at the Indoor Arena and within the Bluebird Park lots as overflow parking, along with the soccer field parking lot. Event camper parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs. The standard public addressing system would be used throughout the event. Association is not requesting that any roads be closed. A portion of the race fees collected on Saturday will benefit the Cancer Society.

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT APPLICATION FOR RUM RIVER BMX TO HOST 2020 DETROIT LAKES (DL) 412 MN STATE QUALIFIER EVENT

WHEREAS, the Rum River BMX Association submitted a Special Event application requesting approval to host the DL 412 MN State Qualifier; and,

WHEREAS, the event is scheduled to take place on Sunday, October 4th from 7:00 a.m. to 5:00 p.m. at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, the estimated number of people to be in attendance is 600; and,

WHEREAS, the canopy users must use weights and not stakes in the ground to secure canopies; and,

WHEREAS, the applicant is required to provide additional portable restroom facilities for the event, in which the applicant will be contacting its current supplier to do so prior to the event; and,

WHEREAS, event camper parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs; and,

WHEREAS, overflow parking will occur in the paved lots at Bluebird Park, and the Soccer field parking lot, and there will be no fees for this use; and,

WHEREAS, the south and east sides of the Isanti Indoor Arena will be reserved for team canopies and event activities;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the Special Event Permit request for the 2020 DL 412 MN State Qualifier race event with the following conditions:

- No signage shall be posted for the event, unless allowed under Zoning Ordinance section 16, or a Temporary Sign Permit Application and fee are submitted.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 18th day of August, 2020.

EVENT INFORMATION

Event Name: DL 412 Bmx Minnesota State Qualifier

Date(s) of Event: Oct 4th 2020

Hours of Event: Sunday 7:00am-5:00pm

Type of Event: [✓] Open to the Public [ ] Private [ ] Other: _____

Describe Event (List all activities. Provide flyer or other marketing materials as available.):
Minnesota State Qualifier is a qualifier for the Minnesota State series. Due to Covid restriction in the city of Detroit Lakes. Rum River Bmx is hosting the qualifying round for DL 412 Bmx.

City of Isanti
110 1st Avenue NW • PO Box 428 • Isanti, MN 55040 • Phone (763) 444-5512 • Fax (763) 444-5560

Proposed Location of the Event (be specific, site map also required):
Isanti Indoor Arena. Grass area to the south, east & west may be used for team canopies.

Estimated Number of People in Attendance (includes staff, participants, and spectators):
600 people per day

Parking Impact – Describe in detail:
Parking will be on paved surface parking lots (expect for the Dog Park). There will be camping & paid parking on grass area to the south per agreement between RRBMX & City of Isanti. Some over flow may be at the Bluebird Park parking lot or Skateboard Park parking lot.

Tents, equipment, amusement rides, etc.
Type: BMX teams will bring their own pop up tents.
Size: 12'x12' up to 24'x24'
Location: South and east sides of the building. Depending on weather.

Are Fire Prevention or EMS needed? Please specify and if being provided, please identify the name or entity providing these services:
Off duty first responders will be on hand. Allina Heath Services Ambulance may be on site, unless they need to respond to another call.

Are you requesting any street closures? If yes, list streets:
No street closures are required.

Restrooms (Portable) – Name or entity providing these services; and number of facilities to be provided. When other restroom facilities are not provided on-site or are limited; the applicant will need to pay for additional restroom facilities. For those events exceeding 75 persons, one (1) additional restroom shall be provided; for events exceeding 150 persons, two (2) additional restrooms shall be provided. For events exceeding 250; the Planning for Special Events-Usage Chart shall be used.

Absolute Portable Restrooms, Cambridge MN. Besides the existing bathrooms at the Isanti Indoor Arena, five portable bathrooms will be added around the outside of the building.

Security Plans – Name or entity providing these services. (A Police Officer is required if alcohol is being served or at the discretion of the Police Chief).
No alcohol will be served during this event. Security is not required.

Clean-up Plans – Describe in detail:
Rum River Bmx & DL 412 Bmx volunteers will be cleaning up on the property. We will have a roll away dumpster to handle the garbage.

City of Isanti
110 1st Avenue NW • PO Box 428 • Isanti, MN 55040 • Phone (763) 444-5512 • Fax (763) 444-5560

Live entertainment – Describe in detail:
This will be live BMX pedal bike racing.

Will any other public addressing system or sound amplification be used? If so, describe:
Only sound audio system that will be used is the current indoor system.

If the event will be held on public property, please provide the following information: (1) Will tickets be sold for the event? (2) Is a donation of any kind required? (3) What is the purpose of the money that is collected?
Race fees are collected for riders on the track to cover cost of the event.

Depending upon the type of special event, some items may not be required or may be waived as part of the review process. Larger events may require additional information, in order to properly process the request.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
DL 412 Bmx MN State Series qualifier located at the Isanti Indoor Arena on Oct 4th, 2020

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
BMX pedal bike racing.

(Special Events Holder Initials Here) BM

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☑ NO ☐

(Special Events Holder Initials Here) BM

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) LM

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) LM

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

-EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Bmx pedal bike Race for Life, Gold Cup Qualifier & MN State Series qualifier located at the Isanti Indoor Arena on August 27th thru August 30th 2020.

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
BMX pedal bike racing.

(Special Events Holder Initials Here) BM

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☑ NO ☐

(Special Events Holder Initials Here) BM

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) LM

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) LM

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: August 18, 2020
Subject: Approving Updated COVID-19 Preparedness Plan to Include Face Covering Requirements

---

Per Executive Order 20-81, issued on July 25th, businesses must have an approved Preparedness Plan that includes mandated requirements for face coverings. Staff has reviewed the requirements and has updated the City's preparedness plan to include language to be in compliance.

Recommendation:
Staff is recommending approval of the attached Preparedness Plan.

Attachment:
- Revised Preparedness Plan

COVID-19 Preparedness Plan for the City of Isanti

Revised August 18th, 2020

Overall General City Plan

Executive Order 20-74, issued by Gov. Tim Walz on June 5, 2020, requires critical sector businesses establish a "COVID-19 Preparedness Plan"

The City of Isanti is committed to providing a safe and healthy workplace for all our workers, customers, clients, patrons, guests and visitors. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic. All employees are all responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 in our workplaces, and that requires full cooperation among workers and management. Only through this cooperative effort can we establish and maintain the safety and health of our workers and workplaces.

City of Isanti department heads and supervisors have our full support in enforcing the provisions of this policy. The COVID-19 Preparedness Plan is administered by Josi Wood, City Administrator, who maintains the overall authority and responsibility for the plan. However, management and workers are equally responsible for supporting, implementing, complying with, and providing recommendations to further improve all aspects of this COVID-19 Preparedness Plan. The City of Isanti's managers and supervisors have full support enforcing the provisions of this plan.

Our workers are our most important asset. We are serious about safety and health and keeping our workers working at the City of Isanti. Worker involvement is essential in developing and implementing a successful COVID-19 Preparedness Plan. We have involved our workers in this process by providing gloves, masks and hand sanitizer upon request to all employees. Our Preparedness Plan follows Centers for Disease Control and Prevention (CDC) and Minnesota Department of Health (MDH) guidelines and federal OSHA standards related to COVID-19 and addresses:

- Ensuring sick workers stay home and prompt identification and isolation of sick persons
- Social distancing – Workers must be at least six-feet apart
- Worker hygiene and source controls
- Workplace building and ventilation protocol
- Workplace cleaning and disinfection protocol
- Drop-off, pick-up and delivery practices and protocol
- Communications and training practices and protocol

City of Isanti has reviewed and incorporated the industry guidance applicable to our business provided by the State of Minnesota for the development of this plan, including our industry of Municipal Government. Other conditions and circumstances included in the industry guidance and addressed in the plan that are specific to our business include:

- additional protections and protocols for customers, clients, guests, visitors: Plexiglass
- additional protections and protocols for personal protective equipment (PPE): Masks and gloves
- additional protections and protocol for distancing and barriers: stickers on the floor- 6 feet
- additional protections and protocols for managing occupancy: Max per Governors order

- additional protections for receiving or exchanging payment: Online payment options

Ensure sick workers stay home and prompt identification and isolation of sick persons: Screening Policies

Workers have been informed of and encouraged to self-monitor for signs and symptoms of COVID-19. The following policies and procedures are being implemented to assess workers' health status prior to entering the workplace and for workers to report when they are sick or experiencing symptoms. Prior to their work shift each employee will review the symptoms to self-determine any they may be experiencing: 1. Do you have a new or worsening cough? 2. Do you have shortness of breath? 3. Do you have a sore throat? 4. Do you have muscle aches? 5. Do you have a temperature? 6. Do you have new loss of taste and smell? 7. Do you have a headache or chills? Employees should contact their immediate supervisor if they believe that they are symptomatic before reporting to the workplace. Supervisors will report to the Human Resources department names of any employees reporting symptoms for follow-up. The Human Resources department will reach out to them for further instructions. Employees who are at work and begin to experience symptoms should call their immediate supervisor to make arrangements to be relieved of duty. Employees will work with the City to help identify other employees they have had close conduct with during the past 14 days. Employees are encouraged to contact their clinic for medical advice.

The City of Isanti has implemented "Covid leave" that promote workers staying at home when they are sick, when household members are sick, or when required by a health care provider to isolate or quarantine themselves or a member of their household. Employees will need to complete either a request form for Public Health Emergency Leave or Emergency Paid Sick Leave ("Covid Leave"). If qualified leave is approved, the hours granted will not be deducted from their sick, vacation, or personal leave banks. Leave granted under the Families First Coronavirus Response Act will run consecutively with FMLA. When requested by an employee and documentation from a medical professional considered at high-risk from exposure to COVID-19, the City will:

- Provide options for alternative work assignments such as telework, alternative work locations, reassignment, or social distancing measures. Options considered will be dependent by position type and essential functions of the position.
- Where alternative work assignments are not possible, permit a high-risk employee to use any of their accrued paid time off or take a leave of absence per the City's Personnel Policy.
- Maintain all employer-related health insurance benefits for employees already eligible for benefits until the employee is deemed eligible to return to work, even if the employee has exhausted all their own paid time off during the period of leave.

The City of Isanti will inform workers via email notification if they have been exposed to a person with COVID-19 at their workplace and requiring them to quarantine for the required amount of time. The City will try to determine which, if any, employees were exposed to COVID-19 and inform those employees in a timely manner. Those employees should refer to CDC guidance for how to conduct a risk assessment of their potential exposure.

All employee health information is private data. A limited number of employees are authorized to access this information. The information is secured in a locked location with only certain employees having access.

Social distancing – Workers must be at least six-feet apart

Social distancing of at least six-feet will be implemented and maintained between workers, customers, clients, patrons, guests and visitors in the workplace through the following engineering and administrative controls: Employees are encouraged to drive separately to a job site, remain aware of staying 6' away from other employees, and whenever possible wash hands for 20 seconds. The City will also provide hand sanitizer, disinfectant cleaner and gloves in each department. The city will provide manufactured or homemade PPE to the extent local suppliers are able to provide. Department Heads are encouraged and authorized to use flexible work hours and staggered shifts. Workers and visitors are prohibited from gathering in groups, and from using other workers' personal protective equipment, phones, computer equipment, desks, cubicles, workstations, offices or other personal work tools and equipment. If a piece of equipment is shared, employee is to properly clean the tool or computer when they are finished with it.

Worker hygiene and source controls

Basic infection prevention measures are being implemented at our workplaces at all times. Workers are instructed to wash their hands for at least 20 seconds with soap and water frequently throughout the day, but especially at the beginning and end of their shift, prior to any mealtimes and after using the toilet. All customers, clients, patrons, guests, visitors to the workplace are required to wash or sanitize their hands prior to or immediately upon entering the facility. Some workplaces may have hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) that can be used for hand hygiene in place of soap and water, as long as hands are not visibly soiled. Employees are provided hand sanitizer placed in the facility and soap in the restrooms to thoroughly wash their hands. (For more information on handwashing see appendix A)

Workers, customers, clients, patrons, guests and visitors are being instructed to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands. They should dispose of tissues in the trash and wash or sanitize their hands immediately afterward. Respiratory etiquette will be demonstrated on posters and supported by making tissues and trash receptacles available to all workers and visitors. Respiratory etiquette will be discussed when this policy is presented. (For more information on respiratory etiquette, see Appendix A)

Workplace building and ventilation protocol

Operation of the building in which the workplace is located, includes necessary sanitation, assessment and maintenance of building systems including water, plumbing, electrical and HVAC systems. The maximum amount of fresh air is being brought into the workplace, air recirculation is being limited, and ventilation systems are being properly used and maintained. Steps are also being taken to minimize air flow blowing across people. Employees are encouraged to open windows and prop open doors to produce outside air flow.

Workplace cleaning and disinfection protocol

Regular housekeeping practices are being implemented, including routine cleaning and disinfecting of work surfaces, equipment, tools and machinery, and areas in the work environment, including restrooms, break rooms, lunch rooms and meeting rooms. Frequent cleaning and disinfecting will be conducted in high-touch areas, such as phones, keyboards, touch screens, controls, door handles, railings, copy machines, etc. It is recommended to

clean high touch areas upon arrival at work, noon and before leaving work for the day, as well as immediate cleaning when sharing of equipment. Cleaning products are provided as they are available per local providers. Appropriate and effective cleaning and disinfectant supplies have been purchased and are available for use in accordance with product labels, safety data sheets and manufacturer specifications, and are being used with required personal protective equipment for the product.

Drop-off, pick-up and delivery practices and protocol

Regular practice of deliveries is implemented by delivery to the front desk practicing social distancing and staying on the opposing side of additional Plexiglass. If additional help is needed for large packages, help will be facilitated outside.

Face Covering Requirements

Workers and visitors are required to wear a face covering as required by Executive Order. As of July 25, 2020, per the Governor's Executive Order 20-81, people in Minnesota will be required to wear a face covering in all indoor businesses and public indoor spaces. Additionally, the Executive Order requires workers to wear face coverings when working in outdoor settings in situations where social distancing (i.e., keeping at least 6 feet of physical distance from other individuals not in the same household) cannot be maintained. This Executive Order also requires workers, customers, or visitors to wear a face covering when a business has opted impose stricter face covering requirements than the Executive Order or when the applicable industry guidance requires wearing a face covering. This Executive Order includes exemptions for people who are unable to wear or tolerate a face covering due to medical or mental health condition or other reasons—such as when wearing a face covering would create a job hazard. There are also situations in which a face covering may be temporarily removed. More information about face covering requirements and exemptions is available on the MDH website at Facemasks and Personal Protective Equipment (PPE) Webpage 5 of 16.

Workers should maintain an adequate number of face-coverings during their shift to change face-coverings as they become saturated, dirty, or compromised. Launder reusable face coverings before each daily use according to CDC guidelines at Use of Cloth Face Coverings to Help Slow the Spread of COVID-19 (www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html).

Communications and training practices and protocol

This Preparedness Plan was communicated verbally and a copy given to all workers by June 19, 2020 and necessary training was provided upon request. Additional communication and training will be ongoing as information evolves COVID-19, with and provided to all workers who did not receive the initial training. Managers and supervisors are to monitor how effective the program has been implemented by daily observation. Management and workers are to work through this new program together and update the training as necessary. This Preparedness Plan has been certified by City of Isanti City Council and was posted throughout the workplace June 19, 2020. It will be updated as necessary.

This COVID-19 Preparedness Plan was communicated verbally and a hard copy to all workers on June 19, 2020 and necessary training was provided. Additional communication and training will be ongoing as information evolves COVID-19, with and provided to all workers who did not receive the initial training.

Instructions will be communicated to all workers, including employees, temporary workers, staffing and labor-pools, independent contractors, subcontractors, vendors, and outside technicians, customers, clients, patrons, guests, visitors on protections and protocols, including but not limited to:

1) Social distancing protocols and practices

2) Drop-off, pick-up, delivery and general in-store shopping

3) Practices for hygiene and respiratory etiquette;

4) Recommendations or requirements regarding the use of masks, face-coverings, and/or face-shields by workers, customers, clients, patrons, guests, visitors. All workers, customers, clients, patrons, guests and visitors will also be advised not to enter the workplace if they are experiencing symptoms or have contracted COVID-19 by posted signs.

Managers and supervisors are expected to monitor how effective the program has been implemented by addressing concerns, offering reminders and leading by example. All management and workers are to take an active role and collaborate in carrying out the various aspects of this plan, and update the protections, protocols, work-practices, and training as necessary. This COVID-19 Preparedness Plan has been certified by City of Isanti City council and the City Administrator, Josi Wood, and the Plan was posted throughout the workplace and made readily available to employees. It will be updated as necessary by Josi wood, City Administrator.

City Administrator

Community Center Rental: Preparedness Plan

The City of Isanti is committed to providing a safe and healthy venue space for all renters and visitors to the Isanti Community Center. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic.

Renters must ensure the people within their group are informed of the guidelines that are in place for the Isanti Community Center. A copy is sent to the renter.

Renters/visitors exhibiting signs and symptoms of COVID-19

CDC guidance posters stating to not attend the event if you exhibit symptoms has been placed on the entrance door of the facility. All people entering the ICC should do a self-check and if anyone is showing signs of COVID-19, please do not enter the facility for the safety of all.

Handwashing

CDC guidance posters are placed throughout the facility instructing people to wash their hands for at least 20 seconds with soap and water frequently throughout the day. Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) that can be used for hand hygiene in place of soap and water, has been installed throughout the facility.

Respiratory etiquette: Cover your cough or sneeze

CDC guidance posters are placed throughout the facility instructing people to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands. They should dispose of tissues in the trash and wash or sanitize their hands immediately afterward.

Social distancing and Food

Social distancing has been communicated to all renters and guidance posters placed throughout the facility. Non family groups should be spaced 6' apart. The maximum capacity for the facility is 215 people. The City will modify what is allowed based on Governor's Orders. For events limited to 25% capacity, no event will be rented for more than 53 persons. For events limited to 50% capacity, no event will be rented for more than 107 persons.

Reserved and assigned seating is encouraged to limit interactions. Families should be grouped together.

Masks are encouraged to be worn for any person that serves food for the event. Communal serving of food (e.g. buffet-style, self service) is not permitted. If providing food, we recommend following safety guidelines as provided by the Minnesota Department of Health.

Face Covering Requirements

Renters and visitors are required to wear a face covering as required by Executive Order. As of July 25, 2020, per the Governor's Executive Order 20-81, people in Minnesota will be required to wear a face covering in all indoor businesses and public indoor spaces. Additionally, the Executive Order requires workers to wear face coverings when working in outdoor settings in situations where social distancing (i.e., keeping at least 6 feet of physical distance from other individuals not in the same household) cannot be maintained. This Executive Order includes exemptions for people who are unable to wear or tolerate a face covering due to medical or mental health condition or other reasons—such as when wearing a face covering would create a job hazard. There are also situations in which a face covering may be temporarily removed. More information about face covering requirements and exemptions is available on the MDH website at Facemasks and Personal Protective Equipment (PPE) Webpage 5 of 16.

Housekeeping

Frequent cleaning and disinfecting protocols are being implemented at the facility. The renter is responsible for cleaning and disinfecting the facility once they are done. This includes the sanitizing of door handles, sink handles, all tables and chairs used and before being put away in storage. If you did not use any additional tables or chairs, please note that for us as a courtesy. If the kitchen area is used, it must be clearly communicated to the PRC Manager and before vacating the facility it must be sanitized after use which includes all handles, counters, sink, refrigerator, etc.

There will be a checklist provided that must be returned to receive your full deposit.

The City will do their best to provide ample amounts hand sanitizer, disinfectant cleaner, disposable towels and gloves for renters/visitors to use at the facility, however, renters are encouraged to bring their own cleaning supplies as amounts may get low and the City is not required to have all types of cleaning supplies provided at all times.

The City custodian will also clean between each event to ensure all surfaces have been disinfected.

Communication

This Preparedness Plan is communicated verbally and a copy given to all renters at the time they reserve the facility. A reminder is also given at the time they pick up their key.

City Events & Programs Preparedness Plan

The City of Isanti is committed to providing a safe and healthy event/program for all attendees. To ensure that, we have developed the following Preparedness Plan in response to the COVID-19 pandemic.

Attendees exhibiting signs and symptoms of COVID-19

CDC guidance posters stating to not attend the event/program if you exhibit symptoms will be placed on the City website and Facebook page advertising for the events. It will also be shared with all attendees for events that have registration. Attendees should do a self-check and if anyone is showing signs of COVID-19, please do not attend the event.

Handwashing

Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) will be provided in the portable restrooms, at each of the vendor food establishments, and at any communal program table(s).

Respiratory etiquette: Cover your cough or sneeze

CDC guidance posters instructing people to cover their mouth and nose with their sleeve or a tissue when coughing or sneezing and to avoid touching their face, in particular their mouth, nose and eyes, with their hands will be placed on the City website and Facebook advertising for the events. Masks are encouraged to be worn by attendees and for any person that serves food at the event.

Social distancing

Attendees are encouraged to follow all guidance and recommendations regarding social distancing. Social distancing of 6' between families will be encouraged to all attendees. The City will modify what is allowed for attendance based on Governor's Orders at the time of the event/program.

For events that allow for viewing from their vehicle (i.e. fireworks display), attendees are encouraged to remain in their vehicle to allow for safe social distancing.

Staff will wear a mask when performing programs indoors. Attendees are encouraged but not required.

Face Covering Requirements

Attendees and visitors are required to wear a face covering as required by Executive Order. As of July 25, 2020, per the Governor's Executive Order 20-81, people in Minnesota will be required to wear a face covering in all indoor businesses and public indoor spaces. Additionally, the Executive Order requires workers to wear face coverings when working in outdoor settings in situations where social distancing (i.e., keeping at least 6 feet of physical distance from other individuals not in the same household) cannot be maintained. This Executive Order includes exemptions for people who are unable to wear or tolerate a face covering due to medical or mental health condition or other reasons—such as when wearing a face covering would create a job hazard. There are also situations in which a face covering may be temporarily removed. More information about face covering

requirements and exemptions is available on the MDH website at Facemasks and Personal Protective Equipment (PPE) Webpage 5 of 16.

Housekeeping

Program supplies will be sanitized between family groups and regularly during the program.

Frequent cleaning and disinfecting protocols will be required at the food vendor booths who attend the events. They are responsible to have a preparedness plan in place for their food establishment as required by the Governor's Order(s).

Picnic tables, tables, and program supplies will be sanitized throughout the event/program. Program supplies will not be shared between family groups. Attendees are encouraged to bring their own chairs to use. Food will not be provided to youth programming; families may bring their own if there is snack time.

Communication

This Preparedness Plan will be placed on the City website under the emergency preparedness and events page.

This City of Isanti Preparedness Plan was duly adopted by the Isanti City Council this 16th day of June, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: August 18, 2020
Subject: Resolution 2020-XXX Approving a Minor Development Agreement for Serenity Circle

---

Background:
On August 5th the City Council approved a site plan for an office building at 201 Main Street. As part of the development process a minor development agreement is required. The applicant has reviewed the agreement and has no concerns or comments.

Request:
Approve development agreement for Serenity Circle.

Attachments:

- Resolution 2020-XXX
- Development Agreement

RESOLUTION 2020-XXX

APPROVING THE DEVELOPMENT AGREEMENT FOR SERENITY CIRCLE 201 MAIN STREET

WHEREAS, Deanna Bunes (applicant) has an approved site plan for an office at 201 Main Street PID 16.050.0770; and,

WHEREAS, a Development Agreement has been prepared and reviewed by the Developer and is ready for consideration by the City Council of the City of Isanti;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves this Resolution with the following conditions:

1) Prior to the signing of the development agreement any outstanding escrows, fees and/or financial guarantees, as stated within the development agreement, shall be established and/or paid and any minor changes to the agreement can be done by the City Administrator.

IT IS FINALLY RESOLVED, that the City Council of the City of Isanti, Minnesota hereby direct the Mayor and City staff to execute said development agreement.

This Resolution hereby approved by the City Council of the City of Isanti this 18th day of August 2020.

City Clerk/Human Resources

CITY OF ISANTI

MINOR DEVELOPMENT AGREEMENT

THIS AGREEMENT (the "Agreement"), is made and entered into this _____ day of August 2020 between the **City of Isanti**, a Minnesota municipal corporation (the "City") and **Serenity Circle Counseling, LLC,** a Minnesota limited liability company (the "Developer").

RECITALS

WHEREAS, Developer seeks to construct an office building (the Development) on the property located at 201 Main Street W., PID 160500770, legally described as Lots 1 and 2, Block 9 of Original Townsite Isanti, Isanti County Minnesota (the Property); and

WHEREAS, the Property is zoned B-1, Central Business District, and the Property is to be developed in accordance with the zoning requirements of that District, subject to the terms and conditions of this Agreement; and

WHEREAS, it is the policy of the City to enter into development contracts as contemplated in Minnesota Statutes 462.358, subd. 2(a); and

WHEREAS, the City and Developer desire to set forth their respective rights and obligations in this Agreement.

NOW, THEREFORE, in consideration of the Recitals, the premises and of the mutual promises and conditions contained herein, it is agreed by the City and the Developer as follows:

1. **Development Agreement Provisions.** Subject to such changes as may be agreed between the City and the Developer(s), development of the Property shall adhere to the provisions set forth herein.

2. **Escrow for City Costs and Fees.** Developer shall, contemporaneously with execution of this Agreement, deposit with the City an escrow of $2,000 to cover the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. Any funds remaining in the escrow account(s) after

the completion of the Development shall be refunded to the Developer. In the event the escrow account is depleted, the Developer shall post additional sums of money to replenish the account to a maximum of $2,000 to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than $1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account.

3. **Developer Installed Municipal Improvements.** The Developer shall construct the following described municipal improvements for the Development, which are hereinafter collectively called "Developer Installed Municipal Improvements." The Developer Installed Municipal Improvements shall be constructed at the Developer's expense and in accordance with City requirements and specifications, unless otherwise stated. The Developer shall engage at its own expense a registered professional civil engineer to prepare plans and specifications for the Developer Installed Municipal Improvements. These plans shall be submitted to the City for review and be approved by the City Engineer. The Developer agrees to City inspection of all Developer Installed Municipal Improvements and payment for said inspection services.

    a. The Developer shall construct and/or be responsible for the installation of sidewalks as well as crosswalk blocks across Main Street and 2nd Avenue, pursuant to the conditions set forth in the July 1, 2020, memo from the City's engineer, Bolton & Menk.

    b. The Developer shall provide adequate off-street parking in accordance with the approved site plan.

    c. All utilities, including electricity, telephone, cable and natural gas, shall be installed underground within platted utility easements or road rights-of-way.

4. **Erosion Control.** Soil stabilization shall be employed to ensure the integrity of the soils and prevent erosion onto City streets, alley and neighboring parcels.

5. **Streetlights.** Two streetlights shall be installed by the City with the Developer responsible for 25% of the cost of materials and 100% of the cost of installation.

6. **Warranty of Improvements.** The Developer represents and warrants that all the Developer Installed Municipal Improvements made shall be guaranteed to be properly functioning as designed for a period of two years following acceptance by the City of the Developer Installed Municipal Improvements ("Warranty Period"). In the case of any material or labor that is supplied and that is reasonably rejected by the City as defective or unsuitable, then the rejected materials shall be removed and replaced with approved material, and the rejected labor shall be done anew to the reasonable satisfaction and approval of the City at the sole cost and expense of the Developer. In any event, none of the Warranty Periods identified herein shall begin to run until all the Developer Installed Municipal Improvements have been approved and accepted by the City. If the Developer does not proceed to correct or repair improvements under this section once notified by the City, it shall be considered an Event of Default under the Development Agreement.

7. **Signs and Markings.** All costs associated with markings and signs are to be borne by the Developer. Placement of City signage shall be as directed by the City Engineer.

8. **Lowest Floor Elevation.** No building shall be constructed unless the lowest floor elevation is at least two feet above the 100-year flood elevation or two feet above the high groundwater elevation, whichever is greater. Additionally, the lowest floor elevation shall be specifically referenced and designated on a certificate of survey, which survey shall be provided to the City before any building permits are issued.

9. **Miscellaneous Provisions.** The Developer specifically understands that approval for this development is given subject to the following requirements:

a. Exterior lighting or advertising activities on the site shall comply with City ordinance regarding same.

b. The Developer shall permit access to the land herein for periodic inspection to assure conformance with the conditions herein.

c. The Developer shall remove all temporary soil stabilization and erosion control devices, such as silt fencing, before the escrow held by the City is returned to the Developer.

10. **Special Provisions.** The following shall apply:

a. **Liquidated Damages.** The Developer agrees to pay liquidated damages to the City in the amount of $500.00 if the Developer encroaches upon any City road right-of-way or utility easement without first obtaining a written permit from the City expressly authorizing said encroachment. The City shall be authorized to retain an appropriate percentage of the financial guarantee referred to above as security for payment of any liquidated damages owed to the City.

b. **Sodding and Seeding Requirements.** Prior to issuance of a certificate of occupancy, it shall be the responsibility of the Developer to install sodding in all lot front yards, side yards, and back yards per City Zoning Ordinance. Said sodding shall be complete, established and growing within sixty (60) days of issuance of a Certificate of Occupancy, except that, if the Certificate of Occupancy is issued between the dates of October 1 and May 1, then the sodding required herein shall be complete, established and growing no later than July 1 of the following year with the appropriate escrow established for the lot.

11. **Warranty of Title.** The Developer warrants and represents to the City that it is the fee owner of the land described in the Plat and that it has authority to execute this Agreement and agree to the conditions hereof.

12. **Lien Waivers.** Copies of signed and recorded lien waivers are required from each of the Developer's Contractors and Subcontractors involved in constructing the sidewalks. The Lien Waivers shall be submitted to and approved by the City Engineer prior to accepting the sidewalks and starting the warranty period.

13. **Restrictions on Transfer/Indemnification.**

    a. **Indemnification.** The Developer agrees to defend and hold the City, and its officials, employees and agents, harmless against any and all claims, demands, lawsuits, judgments, damages, penalties, costs and expenses, including reasonable attorney's fees, arising out of actions or omissions by the Developer, its employees and agents, in connection with the Development.

    b. **Enforcement by City; Damages.** The Developer acknowledges the right of the City to enforce the terms of the Development Agreement against the Developer, by action for specific performance or damages, or both, and by any other legally authorized means. The Developer also acknowledges that its failure to perform any or all of its obligations under the Development Agreement may result in substantial damages to the City; that in the event of default by the Developer, the City may commence legal action to recover all damages, losses and expenses sustained by the City; and that such expenses may include, but are not limited to, the reasonable fees of legal counsel employed with respect to the enforcement of the Development Agreement.

14. **Hold Harmless Agreement.** The Developer acknowledges that its failure to control erosion in accordance with the plans and exhibits as contained herein may cause flooding and/or damage to adjoining property owners. In such event, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties or the Developer for damages arising out of such flooding and/or damages. Further, in the event the City undertakes any corrective actions to prevent or minimize any such flooding and/or damage, the Developer agrees to hold the City harmless and indemnify the City from claims

of all third parties for damages arising out of said corrective action by the City, and agrees to reimburse the City for all out of pocket expenses incurred by the City arising out of the corrective action including, but not limited to, any cost necessary to re-landscape disrupted soils located within the Development.

15. **Events of Default.**

a. **Events of Default Defined.** The following shall be "Events of Default" under the Development Agreement and the term "Event of Default" shall mean, whenever it is used in the Development Agreement, any one or more of the following events:

i. Subject to unavoidable delays, failure by the Developer to commence and complete construction of the Developer Installed Municipal Improvements pursuant to the terms, conditions and limitations of the Development Agreement. For purposes of this Agreement, "unavoidable delays" means delays which are the direct result of acts of God, unforeseen adverse weather conditions, strikes, other labor troubles, fire or other casualty to the Municipal Improvements, litigation commenced by third parties which, by injunction or other similar judicial action, directly results in delays, or acts of any federal, state or local governmental unit, and which directly results in delays.

ii. Failure by the Developer to observe or perform any covenant, condition, obligation or agreement on its part to be observed or performed under the Development Agreement.

b. **Remedies on Default.** Whenever any Event of Default occurs, the City may undertake any one or more of the following:

i. The City may suspend its performance under the Development Agreement until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under the Development

Agreement. Suspension of performance includes the right of the City to withhold permits including, but not limited to, building permits.

ii. The City may initiate such action, including legal, equitable or administrative action, as is necessary for the City to secure performance of any provision of the Development Agreement or recover any amounts due under the Development Agreement from the Developer, or immediately draw on the financial guarantees provided by the Developer pursuant to the Development Agreement.

iii. The City may draw upon any escrow or financial guarantee established pursuant to this Agreement.

iv. The Developer agrees that if the escrow or financial guarantee is insufficient or terminates, the City has the right to use the special assessment process under Minnesota Statutes chapter 429 to construct and pay for uncompleted Developer Installed Municipal Improvements or to correct and repair any improvements under warranty. This constitutes a petition to undertake such public improvements under Minnesota Statutes chapter 429, and waiver of any all rights to notices, hearings and appeal under said chapter.

16. **Notice and Demands.** A notice, demand or other communication under this Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; to the addresses as follows:

a. Developer: Serenity Circle Counseling, LLC
611 Cedar Street SW
Isanti MN 55040

b. City: City of Isanti

City Administrator
P.O. Box 428
Isanti, MN 55040

Either party may designate an additional or another address upon giving notice to the other party pursuant to this paragraph.

17. **Disclaimer of Relationship.** Nothing contained in this Agreement or any Development Agreement nor any act by the City or the Developer shall be deemed or construed by any person to create any relationship of a third-party beneficiary, principal and agent, limited or general partner, or joint venture among the City, the Developer, and/or any third party.

18. **Receipt Acknowledgment.** The City shall acknowledge receipt of the funds received at the time the Development Agreement is signed.

19. **Other Provisions.**

    a. **Modifications.** The Development Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

    b. **Counterparts.** The Development Agreement may be executed in any number of counterparts, each one of which shall constitute one and the same instrument.

    c. **Judicial Interpretation.** Should any provision of the Development Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself of through its agent or attorney prepared the same, it

being agreed that the agents and attorneys of both parties have participated in the preparation thereof.

d. **Governing Law.** The Development Agreement shall be construed under the laws of the State of Minnesota.

e. **Severable Provisions.** If any word, phrase, clause or part of this Agreement is found unenforceable, the balance of the Agreement shall remain in full force and effect.

The Remainder of this page is left intentionally blank.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed on the day and year first above written.

RESOLUTION 2020-XXX

APPROVING THE DEVELOPMENT AGREEMENT FOR LEGACY PINES 3rd ADDITION

WHEREAS, Everpine Land Holdings has an approved final plat known as Legacy Pines 3rd Addition consisting of 94 residential lots in three phases; and,

WHEREAS, a Development Agreement for Legacy Pines 3rd Addition has been prepared and reviewed by the Developer and is ready for consideration by the City Council of the City of Isanti;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves this Resolution with the following conditions:

1) A Letter of Credit in an amount approved by the City Engineer and in form approved by the City Attorney is submitted to the City.

2) Prior to the signing of the development agreement any outstanding escrows, fees and/or financial guarantees, as stated within the development agreement, shall be established and/or paid and any minor changes to the agreement can be done by the City Administrator.

IT IS FINALLY RESOLVED, that the City Council of the City of Isanti, Minnesota hereby direct the Mayor and City staff to execute said development agreement.

This Resolution hereby approved by the City Council of the City of Isanti this 18th day of August 2020.

CITY OF ISANTI

ISANTI COUNTY, MINNESOTA

MASTER DEVELOPMENT AGREEMENT

LEGACY PINES 3rd ADDITION

THIS AGREEMENT (the "Agreement"), is made and entered into this _____ day of August 2020 between the **City of Isanti**, a Minnesota municipal corporation (the "City") and **Everpine Holdings, LLC,** a Minnesota limited liability company (the "Developer").

RECITALS

WHEREAS, the City Council, by Resolution No. 2020-127, on July 7, 2020, approved Preliminary and Final Plats known as "Legacy Pines Third Addition" (the Plat). As to the real property covered by the Plat, this Development Agreement is in conformance with the Master Development Agreement, Villages on the Rum Third Addition 2nd Replat, dated August 17, 2010, as filed with the County Recorder of Isanti County, Minnesota, as Document No. 410672 (the "Existing Agreement"). In cases where there is variance between this Agreement and the Existing Agreement, the terms of this Agreement prevail; and

WHEREAS, the Plat, which is the third phase of the overall Legacy Pines development, contemplates development of real property into 94 residential housing units ("Lots") to be built in three phases (Phase One – 28 lots; Phase Two – 32 lots; Phase Three – 34 lots), each of which is subject to this Agreement; and

WHEREAS, it is the policy of the City to enter into development contracts as contemplated in Minnesota Statutes 462.358, subd. 2(a); and

WHEREAS, the City and Developer desire to set forth their respective rights and obligations in this Agreement.

NOW, THEREFORE, in consideration of the Recitals, the premises and of the mutual promises and conditions contained herein, it is agreed by the City and the Developer as follows:

1. **Development Agreement Provisions.** Subject to such changes as may be agreed between the City and the Developer(s), development of the Plat shall adhere to the provisions set forth herein.

2. **Escrow for City Costs and Fees.** Developer shall, contemporaneously with execution of this Agreement, deposit with the City an escrow of $_____, to cover the cost of legal fees, engineering fees, administrative expenses and other costs related to the Development. A separate escrow of the same amount will be established with the Developer for each of the three Phases. All fees and costs incurred by the City in connection with each Phase of the Development shall be charged against said escrow account which shall remain in effect until the completion of the Development Phase. Any funds remaining in the escrow account(s) after the completion of the applicable Phase shall be refunded to the Developer. In the event the escrow account is depleted, the Developer shall post additional sums of money to replenish the account to a maximum of $____ to cover projected City costs as determined by the City. The escrow account shall always have a balance of no less than $1,000.00. The Developer shall be entitled, upon request, to an itemized statement of all costs and fees charged against the Developer's escrow account.

3. **Developer Installed Municipal Improvements.** The Developer shall construct the following described municipal improvements for the Development, which are hereinafter collectively called "Developer Installed Municipal Improvements." The Developer Installed Municipal Improvements shall be constructed at the Developer's expense and in accordance with City requirements and specifications. The Developer shall engage at its own expense a registered professional civil engineer to prepare plans and specifications for the Developer Installed Municipal Improvements. These plans shall be submitted to the City for review and be approved by the City Engineer.

The Developer agrees to City inspection of all Developer Installed Municipal Improvements and payment for said inspection services.

a. The Developer shall construct and/or be responsible for the installation of sanitary sewer, water mains, storm sewer systems, and bituminous streets, with concrete curb and gutter, streetlights, sidewalks and trails.

b. The Developer shall provide adequate off-street parking on all lots abutting on cul-de-sacs, or termination turnarounds, so that the City can prohibit on-street parking if necessary, for safety and maintenance purposes.

c. Where grading is required, soils inspection and compaction testing shall be conducted by a registered professional engineer on all areas where soil has been disturbed. All grading shall be done in accordance with a Grading Plan approved by the City Engineer. A minimum of one (1) compaction test shall be obtained for every two (2) foot increment of fill that is placed. A summary of all inspections and compaction tests shall be provided to the City upon completion of the grading. The Developer shall provide a 79G, final compaction report for each lot that has more than two (2) feet of fill. It is recognized that the property may have been rough graded prior to the date of the Development Agreement.

d. All utilities, including electricity, telephone, cable and natural gas, shall be installed underground within platted utility easements or road rights-of-way.

4. **Erosion Control.** Soil stabilization shall be employed throughout each Plat as required to ensure the integrity of the soils. The Developer shall use topsoil, mulching, seeding, silt fence, and other such means as are approved by the City to prevent erosion of the soils. An erosion control plan shall be submitted by the Developer and approved by the City Engineer before a grading permit is issued for the Development. Before any grading is started on site, all erosion control measures, as shown on the erosion control plan approved by the City, shall be installed. The Developer shall be responsible for compliance with the approved erosion control plan. The Developer will be given a telephone notice when an unsatisfactory condition exists that is determined to be the Developer's responsibility. Work to

correct said unsatisfactory condition shall commence within 48 hours from the time of the telephone notice. If said work is not commenced within 48 hours of said telephone notice, the City is hereby given the right to enter upon the property and to proceed to do the required work at the expense of the Developer. If it is determined that the unsatisfactory condition could result in degradation of downstream water quality, the Developer shall, upon telephone notice, immediately proceed to correct said unsatisfactory condition. If the Developer does not immediately respond to said unsatisfactory condition, the City is hereby given the right to enter upon the property and correct said condition at the expense of the Developer. The City shall be entitled to all its reasonable costs and expenses associated with correction work done under this paragraph, including, but not limited to legal, fiscal and engineering costs. The City may at its option invoice the said costs for direct payment from the Developer or proceed to draw on the Developer's escrow established under paragraph 2 or the financial guarantee provided under paragraph 13. The erosion control plan shall be in accordance with the Minnesota Pollution Control Agency's NPDES Phase II requirements.

5. **Street Cleaning.** The Developer shall contract with a street cleaning firm to provide street cleaning services within and immediately adjacent to the Development. A copy of said contract shall be submitted to and approved by the City, in its discretion, prior to the issuance of a grading permit. This contract shall be submitted to and approved by the City prior to the issuance of a grading permit. This contract shall name the City as an authorized agent to order street cleaning services, as the City deems necessary. The Developer shall pay for the cost of the street cleaning under the contract. During development of the Plat, the Developer shall keep the streets adjoining its Development free of dirt and debris caused by its Development. In the event dirt and/or debris has accumulated on streets within or adjacent to the Development, the City is hereby authorized to immediately commence street cleaning operations if the streets are not cleaned by the Developer by 3:30 p.m. the day after the violation. If conditions are such that street cleaning operations are immediately necessary, the City may perform the necessary street cleaning. The City will then bill the Developer for all associated street cleaning costs. Failure to reimburse the City for street cleaning costs within ten days of such billing will result in the City drawing funds from the Developer's escrow established under paragraph 2 or the financial guarantee provided under paragraph 13.

6. **Stormwater.** The Developer shall construct storm sewer, swales, and/or such other storm water drainage devices as shall be necessary to control drainage within the Plat. A storm water drainage plan must be submitted to the City and approved by the City and the City's Engineer before any work is done within the Plat. Storm water systems shall be designed based on 100-year high water levels. No storm water retention or pond areas shall be constructed on residential lots. Drainage easements shall be given to cover storm water conveyance needs. The Developer shall maintain all drainage area easements on each Lot and no improvements, landscaping or grading shall be permitted in drainage area easements that would interfere with drainage.

7. **Sidewalks/Trails.** The Developer shall build all required sidewalks and trails located within the Development according to the approved plans associated with the Development.

8. **Streetlights.** Streetlights shall be installed within the Plat according to a lighting plan, which will first be approved by the City Engineer. The Developer shall also submit a street lighting plan to Connexus Energy for its review, comment and approval. The installation of the streetlights shall be coordinated with Connexus Energy so that the street light system is installed, constructed and operated in such a manner as will harmoniously exist with other street lights within the area. Lights shall be placed on Bellaire Boulevard NW, Eagle Street NW and Bluebird Drive NW. Street lights must be installed prior to acceptance of the municipal improvements and the beginning of the warranty period.

9. **Street Repair.** It is anticipated that heavy construction equipment will be using City and County roads to access the Plat, including, but not limited to, Isanti Parkway NW, Bellaire Boulevard NW, Whiskey Road NW, Moline Loop NW and 3rd Avenue NW. The Developer shall be responsible for the reconstruction and/or repair of said street(s) identified as damaged by the City of Isanti following completion of construction within the Plat. Said reconstruction shall return the street(s) to an equal or better condition than existed prior to commencement of the Development. Plans for such work shall be approved by the City Engineer prior to commencement of reconstruction or repair work. The Developer shall instruct all construction crews to ensure that the properties adjacent to this Plat have access to their property at all times during construction.

10. **Schedule.** All work for the Developer Installed Municipal Improvements, including street, sanitary sewer, storm sewer, and municipal water, shall be done subject to the approval of the City in accordance with City standards and requirements. All Developer Installed Municipal Improvements shall be fully completed to the reasonable satisfaction and approval of the City by the target date, which will be set for each Phase of the Development, subject to unavoidable delays. "Unavoidable delays" means delays which are the direct result of acts of God, unforeseen adverse weather conditions, strikes, other labor troubles, fires or other casualty to the Developer Installed Municipal Improvements, litigation commenced by third parties which by injunction or other similar judicial action that directly results in delays, or acts of any Federal, State or local government unit that results in delays, or any unforeseen circumstances beyond the Developer's reasonable control.

11. **Notice to Proceed.** The Developer agrees not to commence any grading, utility or street work within the Development until first receiving a written "Notice to Proceed" from the City Engineer.

12. **Warranty of Improvements.** The Developer represents and warrants that all the Developer Installed Municipal Improvements made shall be guaranteed to be properly functioning as designed for a period of two years following acceptance by the City of the Developer Installed Municipal Improvements ("Warranty Period"). In the case of any material or labor that is supplied and that is reasonably rejected by the City as defective or unsuitable, then the rejected materials shall be removed and replaced with approved material, and the rejected labor shall be done anew to the reasonable satisfaction and approval of the City at the sole cost and expense of the Developer. In any event, none of the Warranty Periods identified herein shall begin to run until all the Developer Installed Municipal Improvements have been approved and accepted by the City. If the Developer does not proceed to correct or repair improvements under this section once notified by the City, it shall be considered an Event of Default under the Development Agreement. The Developer shall post a warranty bond to guarantee completion of warranty items.

13. **Financial Guarantee.** The Developer shall provide a financial guarantee to the City, in the form of a cash escrow, or irrevocable letter of credit in the amount equal to one hundred twenty five percent (125%) of the estimated amount of the required Developer Installed Improvements to be completed in the Phase(s) of the Development. The form of such financial guarantee shall be at the option of the

Developer subject to the City's approval of the documentation evidencing the guarantee. Any letter of credit shall be from a FDIC insured financial institution approved by the City. The City's Engineer shall calculate the estimated cost of completion of the Developer Installed Improvements for each Phase of the Development. One hundred twenty five percent of that amount will be required as a financial guarantee. Except as hereinafter provided, the City shall have the right to retain the financial guarantee until the Developer Installed Improvements have been completed to the satisfaction of the City. The Developer has a right to request reduction of the escrow, or letter of credit amount as work on the Developer Installed Improvements progresses. Specifically, the Developer shall send a written request to the City's Engineer for a specific reduction in the amount of the escrow, or letter of credit. The City Engineer shall review that request and make a recommendation to the City as to whether the escrow, or letter of credit should be reduced and if so, to what amount. The City shall then decide whether to reduce the escrow, or letter of credit. The City, however, will not reduce the escrow, or letter of credit, below 20% of the estimated cost of the Developer Installed Improvements until after submittal of record plan documents as required by paragraph 23, or below 10% of the total construction cost of the Developer Installed Improvements until two years following acceptance of the Developer Installed Improvements. At that point, the escrow, or letter of credit shall be released or refunded, as applicable, if no warranty work remains to be done.

14. **Signs, Signals, & Markings.** All costs associated with markings and signs are to be borne by the Developer. Placement of signage, whether on a temporary basis for construction, or on a permanent basis as part of the Development, shall be as directed by the City Engineer.

15. **Lowest Floor Elevations.** No building shall be constructed on any of the Lots herein unless the lowest floor elevation is at least two feet above the 100-year flood elevation or two feet above the high groundwater elevation, whichever is greater, for the subject property. Additionally, the lowest floor elevation shall be specifically referenced and designated, for each Lot, on a certificate of survey, which survey shall be provided to the City before any building permits are issued.

16. **Park Fee.** The City has a policy to build up a capital account for future park acquisition and development by means of a park dedication fee. For each Phase the Developer agrees to pay the then current park dedication fee based on the number of

residential units. Park Fees for Final Plats approved shall be as per the City Fee Schedule. Fees are to be paid before any work on a Phase may begin. The fees current as of the date of this Agreement and applicable to Phase One are set forth in Exhibit B.

17. **Signal Light Fee.** For each Phase of the Development, the Developer shall contribute a signal light fee based on the number of residential units (Lots). Signal Light fees for shall be as per the City Fee Schedule. Fees are to be paid before any work on a Phase may begin. The fees current as of the date of this Agreement and applicable to Phase One are set forth in Exhibit B.

18. **Trunk Utility Charge.** For each Phase of the Development, the Developer shall pay a utility trunk charge based on the number of residential units (Lots) as per the City Fee Schedule. Fees are to be paid before any work on a Phase may begin. The fees current as of the date of this Agreement and applicable to Phase One are set forth in Exhibit B.

19. **Agency Approval.** The Developer agrees to submit the utility plans, or any portions thereof, to all appropriate federal, state, county or local governing agencies or bodies for their written approval.

20. **Plat Conditions.** All general and special conditions, plans, special provisions, proposals, specifications and contracts for the Plat shall be and hereby are made apart of this Agreement by reference as if fully set out herein in full.

21. **Miscellaneous Provisions.** The Developer specifically understands that approval for Legacy Pines 3rd Addition is given subject to the following requirements:

a. The Final Plat must be submitted by the Developer to the City for signatures (and the Mylar "hard shells" must be fully executed) within 120 days of the Council approval of the Final Plat or said approval shall be null and void. The Developer will pay for all costs pertaining to Plat recording and submit to the County for recording. The Developer shall also submit the Final Plat and "as constructed street and utility plans" in electronic format. The electronic format shall be the most current version of AUTOCAD in NAD 83 Isanti County Coordinates for mapping purposes.

b. All applicable conditions of Plat approval must be met before any deeds are stamped for recording and prior to the recording of the Final Plat at the Isanti County Recorder's Office.

c. No building or other permits shall be issued until the Final Plat has been recorded with the Isanti County Recorder; all street signs have been erected by the Developer (as determined by the City); and curb, gutter and the bituminous base course has been placed. This provision specifically requires that the surface water drainage system must be completed and functioning to the satisfaction of the City.

d. Each Single-Family structure in future Phases shall meet the square footage requirements for the home and garage, and setback requirements per the Planned Unit Development and all applicable City Code and Ordinance requirements. The following setbacks shall apply:

   i. front yard setback: 30 feet; however, when adjoining principal buildings existing at the time of construction on a vacant lot, the required front yard setback for the new structure shall not be greater than the average front yard setbacks of the building on either side of the vacant lot.

ii.	Side yard setback:	b. 7.5 feet
iii.	Street side yard setback:	c. 20 feet
iv.	Rear yard setback:	d. 30 feet
v.	Accessory structure setback:	e. 5 feet

e. The Developer shall pay all fees relating to this subdivision, including the cost of recording documents relating to Developer's responsibilities hereunder with Isanti County.

f. Exterior lighting or advertising activities on the site shall comply with City ordinance regarding same.

g. Drainage and erosion control methods for this development shall be completed prior to the City accepting the roadways or the Developer Installed Municipal Improvements. All work shall be inspected by the City to ensure that it complies with City standards. The Developer is responsible for complying with the provisions of the MPCA's NPDES Stormwater Permit. Where the MPCA and City requirements differ, the more stringent or restrictive requirement shall govern.

h. The Developer shall permit access to the land herein for periodic inspection to assure conformance with the conditions herein.

i. The Developer shall remove all temporary soil stabilization and erosion control devices, such as silt fencing, before the escrow held by the City is returned to the Developer.

j. No material deviations from the approved Final Plat and or construction plans shall be allowed unless approved in writing by the City.

k. The Developer shall provide the City with legal descriptions of all parcels of land that are to be subdivided as a part of this project.

l. A certificate of survey shall be provided by the builder to the Building Inspector for each Lot at the time a building permit is requested for that Lot. The Developer shall also provide to the City a certificate indicating that all Lots in the Development are graded as per the grading plan submitted.

m. The Developer shall provide on-site a sufficient number of portable outhouses to be available for the persons who will be working on-site.

n. During the installation of the Developer Installed Municipal Improvements, Developer shall remove all tree waste; junk, miscellaneous debris, junk vehicles, and any other personal property from land still owned by Developer pursuant to the City Code and shall seal wells as directed by the State of Minnesota.

o. The Developer is responsible for the installation of mailboxes according to the United Stated Postal Service regulations. The Developer shall work with the local Postmaster to identify mailbox locations. The mailboxes must be installed before a Certificate of Occupancy is issued.

22. **Special Provisions.** The following shall apply:

a. **Planned Unit Development** - The Development is approved by the City as a Planned Unit Development, in which the conditions of such approval, authorized in City Council Resolution 2020-127, shall apply.

b. **Liquidated Damages.**

i. The Developer agrees to pay liquidated damages to the City if any Lot upon which a home has been built has a real estate closing to an individual intending to use such home as a residence before a certificate of occupancy has been issued for that Lot and/or before all Developer Installed Municipal Improvements within the Plat are certified as being substantially completed by the City. Specifically, the Developer agrees to immediately pay to the City liquidated damages in the amount of $1000.00 for each such closing that occurs in violation of this paragraph. The City shall be authorized to retain an appropriate percentage of the financial guarantee referred to in paragraph 13 as security for payment of any liquidated damages owed to the City. The City reserves the right to not issue a Certificate of Occupancy in addition to liquidated damages until all Developer Installed Municipal Improvements are certified as being substantially complete.

ii. The Developer agrees to pay liquidated damages to the City in the amount of $500.00 if the Developer encroaches upon any City road right-of-way or utility easement without first obtaining a written permit from the City expressly authorizing said encroachment. The City shall

be authorized to retain an appropriate percentage of the financial guarantee referred to above as security for payment of any liquidated damages owed to the City.

c. **Sodding and Seeding Requirements.** All boulevards, public areas, and storm water drainage areas shall be initially seeded and stabilized at completion of mass grading operation by the developer. Prior to issuance of a certificate of occupancy of a single-family residence, it shall be the responsibility of the Developer to install sodding in all lot front yards, side yards, and back yards per City Zoning Ordinance. Said sodding shall be complete, established and growing within sixty (60) days of issuance of a Certificate of Occupancy, except that, if the Certificate of Occupancy is issued between the dates of October 1 and May 1, then the sodding required herein shall be complete, established and growing no later than July 1 of the following year with the appropriate escrow established for the lot.

    i. All Lots shall receive four (4) inches of premium topsoil (as defined by MNDOT, from a source approved by the City Engineer) prior to sodding, in accordance with City Ordinance 445, Zoning Ordinance.

    ii. All seeded areas in the development shall be tilled to loosen compacted soils and receive 4 inches of topsoil. MNDOT #25 seed mix shall be used for all constructed storm water ponds and replacement areas.

23. **Record Information Requirements.** Following completion of all development activities for each Phase, the Developer shall provide to the City "as-built" plans for all Developer Installed Municipal Improvements and land within the Plat. This information shall be provided to the City by two printed copies, one mylar "hardshell" and one in an electronic GIS file format acceptable to the City Engineer. Such record drawings shall be submitted by the Developer and approved by the City Engineer, prior to the City accepting the Developer Installed Municipal Improvements and starting the warranty period. As-built information shall include:

    a. Topography in two-foot contour intervals.

    b. Water System facility information, including:

        i. Location, size and depth of all mains;

ii. Location and type of all valves; and,

iii. Location of all hydrants.

c. Sanitary sewer facilities information, including:

i. Location, size and depth of all mains;

ii. Location and invert elevations of all manholes; and,

iii. Location, size and depth of all lift stations.

d. Storm sewer facilities information, including:

i. Location, size and depth of all storm sewers;

ii. Location and invert elevations of all manholes; and,

iii. Location, type and outflow elevations of all storm water control structures.

e. Flood plain boundaries.

f. Ordinary high-water elevation for all water bodies.

g. Location of all easements.

h. Location of all road rights-of-way.

i. Location of all streets, sidewalks and trails.

j. Location and description of all surveying monuments.

k. The Developer shall also provide such other information regarding the Plat as is reasonably requested by the City.

24. **Warranty of Title.** The Developer warrants and represents to the City that it is the fee owner of the land described in the Plat and that it has authority to execute this Agreement and agree to the conditions hereof.

25. **Lien Waivers.** Copies of signed and recorded lien waivers are required from each of the Developer's Contractors and Subcontractors. The Lien Waivers shall be submitted

to and approved by the City Engineer prior to accepting the Developer Installed Municipal Improvements and starting the warranty period.

26. **Binding Effect.** This Agreement shall be deemed to be a restrictive covenant and the terms and conditions hereof shall run with the land described herein and be binding on and inure to the benefit of the heirs, representatives and assigns of the parties hereto, and shall be binding upon all future owners of all or any part of the subdivision, and shall be deemed covenants running with the land. Reference herein to the Developers, if there be more than one, shall mean each and all of them. This Agreement shall be placed of record to give notice hereof to subsequent purchasers and successor owners. The cost of said recording shall be borne by the Developer.

27. **Restrictions on Transfer/Indemnification.**

    a. **Indemnification.** The Developer agrees to defend and hold the City, and its officials, employees and agents, harmless against any and all claims, demands, lawsuits, judgments, damages, penalties, costs and expenses, including reasonable attorney's fees, arising out of actions or omissions by the Developer, its employees and agents, in connection with the Development.

    b. **Enforcement by City; Damages.** The Developer acknowledges the right of the City to enforce the terms of the Development Agreement against the Developer, by action for specific performance or damages, or both, and by any other legally authorized means. The Developer also acknowledges that its failure to perform any or all of its obligations under the Development Agreement may result in substantial damages to the City; that in the event of default by the Developer, the City may commence legal action to recover all damages, losses and expenses sustained by the City; and that such expenses may include, but are not limited to, the reasonable fees of legal counsel employed with respect to the enforcement of the Development Agreement.

28. **Hold Harmless Agreement.** The Developer acknowledges that its failure to control erosion in accordance with the plans and exhibits as contained herein may cause flooding and/or damage to adjoining property owners. In such event, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties or the Developer for damages arising out of such flooding and/or damages. Further, in the event the City undertakes any corrective actions to prevent or minimize any such

flooding and/or damage, the Developer agrees to hold the City harmless and indemnify the City from claims of all third parties for damages arising out of said corrective action by the City, and agrees to reimburse the City for all out of pocket expenses incurred by the City arising out of the corrective action including, but not limited to, any cost necessary to re-landscape disrupted soils located within the Development.

29. **Insurance.** The Developer will provide and maintain or cause to be maintained at all times during the process of construction of the Developer Installed Municipal Improvements until six months after acceptance of all Developer Installed Municipal Improvements and, from time to time at the request of the City, furnish with proof of payment of premiums on:

    a. Comprehensive general liability insurance (including operations, contingent liability, operations of subcontractors, completed operations and contractual liability insurance) together with an Owner's Contractor's Policy with limits against bodily injury, including death, and property damage (to include, but not be limited to damages caused by erosion or flooding) which may arise out of the Developer's work or work of any of its subcontractors. Limits for bodily injury or death shall not be less than $500,000.00 for one person and $1,000,000.00 for each occurrence; limits for property damage shall not be less than $200,000.00 for each occurrence. The City, City Engineer, and Developer's Engineer shall be additional named insureds on said policy. The Developer shall file a copy of the insurance coverage with the City.

    b. Worker's compensation insurance as required by statute.

30. **Events of Default.**

    a. **Events of Default Defined.** The following shall be "Events of Default" under the Development Agreement and the term "Event of Default" shall mean, whenever it is used in the Development Agreement, any one or more of the following events:

        i. Subject to unavoidable delays, failure by the Developer to commence and complete construction of the Developer Installed Municipal Improvements pursuant to the terms, conditions and limitations of the Development Agreement. For purposes of this Agreement, "unavoidable delays" means delays which are the direct result of acts of

God, unforeseen adverse weather conditions, strikes, other labor troubles, fire or other casualty to the Municipal Improvements, litigation commenced by third parties which, by injunction or other similar judicial action, directly results in delays, or acts of any federal, state or local governmental unit, and which directly results in delays.

ii. Failure by the Developer to observe or perform any covenant, condition, obligation or agreement on its part to be observed or performed under the Development Agreement.

b. **Remedies on Default.** Whenever any Event of Default occurs, the City may undertake any one or more of the following:

i. The City may suspend its performance under the Development Agreement until it receives assurances from the Developer, deemed adequate by the City, that the Developer will cure its default and continue its performance under the Development Agreement. Suspension of performance includes the right of the City to withhold permits including, but not limited to, building permits.

ii. The City may initiate such action, including legal, equitable or administrative action, as is necessary for the City to secure performance of any provision of the Development Agreement or recover any amounts due under the Development Agreement from the Developer, or immediately draw on the financial guarantees provided by the Developer pursuant to the Development Agreement.

iii. The City may draw upon any escrow or financial guarantee established pursuant to this Agreement.

iv. The Developer agrees that if the escrow or financial guarantee is insufficient or terminates, the City has the right to use the special assessment process under Minnesota Statutes chapter 429 to construct and pay for uncompleted Developer Installed Municipal Improvements or to correct and repair any improvements under warranty. This constitutes a petition to undertake such public improvements under Minnesota Statutes chapter 429, and waiver of any all rights to notices, hearings and appeal under said chapter.

31. **Notice and Demands.** A notice, demand or other communication under this Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; to the addresses as follows:

    a. Developer: Everpine Holdings, LLC
    4655 Nicols Road, Suite 106
    Eagan MN 55122

    b. City: City of Isanti
    City Administrator
    P.O. Box 428
    Isanti, MN 55040

    Either party may designate an additional or another address upon giving notice to the other party pursuant to this paragraph.

32. **Disclaimer of Relationship.** Nothing contained in this Agreement or any Development Agreement nor any act by the City or the Developer shall be deemed or construed by any person to create any relationship of a third-party beneficiary, principal and agent, limited or general partner, or joint venture among the City, the Developer, and/or any third party.

33. **Receipt Acknowledgment.** The City shall acknowledge receipt of the funds received at the time the Development Agreement is signed.

34. **Other Provisions.**

    a. **Modifications.** The Development Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

    b. **Counterparts.** The Development Agreement may be executed in any number of counterparts, each one of which shall constitute one and the same instrument.

    c. **Judicial Interpretation.** Should any provision of the Development Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a

document is to be construed more strictly against the party who itself of through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation thereof.

d. **Governing Law.** The Development Agreement shall be construed under the laws of the State of Minnesota.

e. **Severable Provisions.** If any word, phrase, clause or part of this Agreement is found unenforceable, the balance of the Agreement shall remain in full force and effect.

The Remainder of this page is left intentionally blank.

IN WITNESS WHEREOF, the City and Developer have caused this Agreement to be duly executed on the day and year first above written.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO BRIAN WILLIAMS

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, Brian Williams was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Brian Williams for the City of Isanti and that she shall be eligible to start in that position on or after August 18th, 2020.
2. This position is part time and not eligible for benefits.
3. That Brian Williams shall start at Step 1 of the Wage Scale at $11.89 per hour.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 18th day of August 2020.

MEMORANDUM

Date: August 12, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

Minor punchlist items will be wrapped up this month.

2) 6th Avenue Rehabilitation

The contractor plans to begin work on this project after Labor Day, with work planned to be completed in mid to late October 2020.

3) 2020 Pavement Management Project

The contractor has completed the sealcoat and fog seal. They will return to stripe the roadway this month.

4) 2020 Storm System Management Project

Minor remaining items will be completed this fall.

5) Legacy Pines 2nd Addition

The sidewalk has been completed. The final lift of pavement is scheduled to be completed later this fall. The parking lot to Legacy Pines is open to the public.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

AUTHORIZING A REDUCTION IN THE LETTER OF CREDIT FOR LEGACY PINES SECOND ADDITION AND MOVING THE BALANCE TO LEGACY PINES 3RD ADDITION PHASE ONE

WHEREAS, Everpine Land Holding LLC (developer) has requested a reduction in the letter of credit as described in the development agreement between the developer and the City of Isanti; and,

WHEREAS, the developer has requested a reduction in the letter of credit for the remainder of the work in the 2nd addition and to transfer the remaining funds to Legacy Pines 3rd Addition Phase 1; and,

WHEREAS, the developer has successfully completed the majority of the work and has the wear course left; and,

WHEREAS, the Community Development Director and City Engineer have reviewed the request and recommend reducing the LOC for the 2nd addition to $84,006.42 and moving $355,782.33 to the LOC for Legacy Pines 3rd Addition Phase One.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, that the requested reduction in the letter of credit be hereby **APPROVED** as requested, **BE IT FURTHER RESOLVED** that the City Council of the City of Isanti authorizes City Staff to execute said reduction.

This Resolution is adopted this 1st day of September, 2020.

K. Business Items
Sheila Sellman Community Development
1. 105 Rail Road Ave Discussion
Community Development Director, Sheila Sellman, shared that at the last City Council meeting, Council decided to give the applicant another 2 weeks to complete the roofing and siding project. Sellman further

shared that as of this morning there are still outstanding inspections for insulation, vapor barrier as well as final inspection to close out the permit.

Mayor Johnson asked when the applicants/ property owners would be ready for inspection.

The property owners/applicants Mary and Mike Colbaugh shared their concerns about the do not occupy order on their building.

Councilmember Steve Lundeen stated for the property owners to get the work and inspections done as soon as possible.

Johnson stated that the occupancy of the building will be looked into further.

2. Amendment to the Development and Subsidy Agreement for B. P. Metals LLC.

Community Development Director Sheila Sellman shared that in March the EDA entered into a purchase agreement as well as a developer's agreement with B.P Metals for one of the city's industrial lot. The owner of B.P Metals has asked to amend the subsidy agreement due to Covid-19 layoffs. There was a requirement to have 20 employees within two years. The owner is asking to reduce it to 15 employees within two years.

Motion by Lundeen, second by Collison to approve the amendment to reduce the number of required employees to 15 within two years. Motion passed 5-0. Motion carried.

Josi Wood City Administrator

3. **Resolution 2020-148** Approving a Special Event Application for Rum River BMX to Host 2020 Detroit Lakes (DL) 412 MN State Qualifier Event *(Larry Merchlewitz)*

Rum River BMX's Larry Merchlewitz shared that due to the amount of restrictions due to COVID-19, Detroit Lakes was unable to get to their track to do maintenance and repairs. All the tracks try to work together and help each other out as much as possible. Detroit Lakes has reached out to Rum River BMX asking if they could host their state qualifier for the MN State Series. Merchlewitz further shared that this is a big event where they would be asking for camping as part of their Special Event Permit.

Motion by Collison, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

4. **Resolution 2020-149** Approving a Special Event Application for BMX 2020 Race for Life, DK Gold Cup Qualifier and MN State Qualifier Event *(Larry Merchlewitz)*

Rum River BMX's Larry Merchlewitz shared that on August 28th, 29th and 30th Rum River BMX will have their annual Race for Life Event. The Race for Life Event's donations and fees that are collected go to fighting for a cure for Leukemia. A young rider had developed Leukemia and raced BMX until he was taken by the disease.

The DK Gold Cup Qualifier is a race for a title in the Region. This year Minnesota is going to be able to host the championships in Mankato.

The State Qualifier where riders will be awarded with the "Rock Championship" where riders get to represent their team and Minnesota in Tulsa, Oklahoma.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the amount of $286,119.60, Payroll in the amount of $106,509.41
2. Approval of Revised Preparedness Plan to Include Face Covering Requirements
3. **Resolution 2020-150** Approving Minor Development Agreement for Serenity Circle
4. **Resolution 2020-151** Approving the Development Agreement for Legacy Pines 3rd Addition
5. **Resolution 2020-152** Offering the Position of Part-Time Liquor Store Clerk to Brian Williams

Motion by Collison, second by Bergley to approve Consent Agenda as presented. Motion passed 5-0. Motion carried.

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, AUGUST 18, 2020 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (arrived at 5:07 p.m.), Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Public Services Director Matt Sylvester, Community Development Director Sheila Sellman, Liquor Store Manager John Jacobi and Chief of Police Travis Muyres

D. Public Comment
None

E. Committee Meeting Items

1. Liquor Updates
   - Gross Profit for the months of May-July was approximately 29.04%. The largest sales increase ever.
   - The liquor store has been following CDC guidelines as close as possible since it is an essential business.
   - Employees have been following the current mask mandate and sanitizing the doors and door handles on a regular basis.
   - Stickers have been placed on the floor to keep customers 6 feet from one another.
   - The 7th Annual "Support the Troops Drive" went well with $92.36 raised in donations. Proceeds went to Beyond the Yellow Ribbon Isanti.
   - The liquor store has been faced with many "out of stock" items since the pandemic started. Suppliers are doing their best to accommodate any way they can.
   - Sales have still been strong on the weekends mostly Fridays during the Isanti Farmers Market as well as the first and last hour on Sundays as Cambridge is closing an hour earlier on Fridays, Saturdays and Sundays.
   - Staffing has been an issue recently; the liquor store has come close to being fully staffed and are working hard at training during these unprecedented times. As soon as the liquor store is fully staffed, an all employee staff meeting will be held to go over the store processes manual in detail.

2. Mosquito Updates/Discussion
   - Public Works tried Pursuit, a permethrin based agent, for 2 weeks to see how well it works compared to the garlic agent that has previously been used.
   - Recommendation from Committee is to move forward with Pursuit.

3. Chapter 87 Discussion on Pigeons
   - Chapter 87 prohibits the keeping of certain animals within city limits.

- Chapter 87 was amended April 27, 2011 by Ordinance 506 to include pigeons as a prohibited animal in the City of Isanti.
- A request has been received from a citizen to allow for racing pigeons within city limits.
- Recommendation from Committee is to work with city attorney on an Ordinance allowing racing pigeons in the R1-A district and bring back to City Council for consideration of the Ordinance.

4. Safety Training Renewal Update
   - Every 5 years a Request for Proposals goes out for Safety Training Vendors for the City of Isanti.
   - Where the city contracts with a vendor to give employees from all different departments training.
   - The safety vendor manages the AWAIR program, manage SDS database program, Tier Two reports and training for OSHA compliance.
   - Staff is requesting for safety training to be done in house with the assistance from the League of Minnesota Cities and to become part of a Resource Safety Group with other local cities.
   - Currently the city pays approximately $6,800 base cost without additional trainings excluding the Police Department as they have their own trainings.
   - Training in house will bring the cost below $3,000.
   - Recommendation from Committee is to move forward with bringing safety training in house.

5. Building Official Requirements
   - Applications were received for the building official position.
   - Staff is looking for direction on how to proceed.
   - Recommendation from Committee is for staff to interview applicants and bring recommendations back to council.

6. Isanti County CARES Relief Plan
   - Isanti County sent out a memo informing cities within the county what they plan on spending their CARES Relief funds plan.
   - County infrastructure, PPE, IT and public safety payroll reimbursement such as technology, payroll and PPE are allocating an approximate cost of $2.9 million.
   - Small business and non-profit relief $10,000 grants to reimburse lost profit.
   - $1.5 million for school relief for reimbursement for technology and PPE costs.
   - $300,000 individual housing relief.
   - $100,000 to Lakes and Pines.
   - Recommendation from Committee is to use the relief funds for the needs of Isanti first and then the Fire District and local businesses within the City

F. Adjournment
Meeting was adjourned at 6:10 p.m.

Respectfully Submitted,

Jaden Moore

PLANNING COMMISSION MEETING

TUESDAY, July 21, 2020

Immediately following the 7:00 P.M City Council Meeting;

1. **Meeting Opening**
   - A. Call to Order: Chair Johnson called the meeting to order at 8 p.m.
   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Dan Collison, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon, Alexander Collins.
     Members Absent: None
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis
   - D. Agenda Modifications: None

2. **Meeting Minutes**
   - A. Approval of Minutes from June 16, 2020 Planning Commission Meeting motion by Collison, second by Bergley motion passes 7-0.

3. **Public Hearing**
   - A. Request by Serenity Circle for approval of a Site Plan required under City Ordinance 44, Section 18, Subd. 6 (D). Said request is for an office building at 201 Main Street 16.050.0770. Saltis explained that a new office building is proposed at the vacant lot located at the corner of Main St and 2nd Ave SW. The lot was previously rezoned from R-3A, Low Density Multiple-Family Residential to the B-1, Central Business District to allow for office uses on the parcel. Saltis explained the proposed site plan configuration consisting of the building, a four-stall parking lot, utilities, the extended sidewalks and street network and surrounding landscaping. The site plans for the office building were to comply with the standards set for the B-1 Zoning District as well as the standards set by the Downtown Overlay District for approval. The Planning Commission questioned whether the four off-street parking stalls were sufficient for the business. City staff explained that the four off-street parking stalls were the minimum number of stalls the business would be allowed while following city code for the downtown overlay district. The applicant, Deanna Bunes was present at the meeting and available for questions. No one from the public was present to speak at the public hearing. The Planning Commission recommended approval of the site plans for the office building at 201 Main St W with conditions listed in the City Engineer's memo, dated 7/1/2020 and the City Staff memo, dated 7/21/2020. Motion for approval of site plans by Lundeen, 2nd by Gordon, motion passed 7-0.

B. Ordinance Amending the City Zoning Code, Ordinance 445, Section 3, Subd 2 Zoning Map. Sellman explained that the R-1, Rural Residential Zoning District was adopted at the June 16th City Council meeting, and now those properties shall be rezoned on the Zoning Map. City Staff held a neighborhood meeting on July 14th to discuss the rezoning of the properties to the R-1 Zoning District. No one from the public was present to speak at the public hearing. Motion for approval to amend the Zoning Map by Lundeen, 2nd by Simon, motion passed 7-0.

4. **Other Business:** None

5. **Discussion Item:** None

6. **Adjournment:** Motion by Bergley, 2nd by Collins to adjourn, motion passed 7-0 meeting adjourned at 8:25 p.m.

Respectfully submitted by Ryan Saltis, Community Development Specialist

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
July 28, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, and Brian Thum
Members Absent: Council Member Jimmy Gordon
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: Mayor Jeff Johnson, 705 Main Street he has received several emails and is asking to add a discussion item regarding Bluebird park and the skate park area and teens that are being inappropriate to other users verbally and before it could potentially get physical. Motion by Thum, second by Witte to approve the agenda with the modification to add the discussion as 5a. for July 28, 2020. Motion passed 3-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from June 23, 2020. Motion passed 3-0.

3. Park Visits Annual Park visits were conducted by each board member; staff collected them and will gather all the information and bring back to the August meeting. Zdon added that unless there was anything that needed immediate attention. Thum brought up an item at Legacy, a larger tree/branch had fallen near the Sunnyside picnic table that he moved aside but staff should address this. Witte added about the community garden, and inquired about organic pesticides that could be used and to let the gardeners know of this. Staff asked if any board member has their forms that are electronic to email those to staff.

4. Equipment Requests- Garvey mentioned that staff had received a request from a resident about adding an ADA style swing to Rum River Meadows Park. The city does not have anything in the budget for specific items, but an over all replacement budget for park equipment. Staff is recommending that we look at the budget at the end of the year and see where we are and if the budget allows to add a ADA swing to Rum River Meadows, Academy and Mattson Parks. Zdon asked if staff would have time to apply or research if there are any grants that could be available for this type of equipment. Garvey added that she does watch for grant opportunities and if she does come across one for this or anything else related to the park department, she does research it more.

5. Fir Street Update – Garvey reviewed that in 2015 the PRC Board and City Council had given staff direction to acquire two parcels, through a Conditional Use Deed and staff has tried to get a more solid direction from the State and County as the timeframe we have to develop these lots into a park space. Initially it seemed that is was three years, but staff also found information stating we had 15 years. Staff reached out to the county and they are researching this a bit more and will provide staff more information when they can. Staff will then bring this back to the board to review the information. Staff had brought this item to the board in 2018 with ideas on how to develop this park area and nothing was decided at that time, as this park in unfunded, and when the time comes, we will have to budget for this development and amenities. Zdon asked if it's a Conditional Use Deed what does that mean, does that mean that it is our property forever that will be a park? Garvey responded that is how she understands it to mean, that we own the land and we would have the park forever. Witte asked if the board had discussed getting public input for this park. Garvey responded that when the time comes that is something we can do at the time we are further in the process.

5a. Added Discussion Item: Bluebird Park and skatepark. Zdon reviewed that at approximately 3:30 pm each day, children are being bullied by teens that frequent the skate park. Zdon suggested that the police could add it to their rounds. Mayor Johnson asked do we want to tie up our police with this and also added that he had talked to Chief Muyres regarding this item and police have been doing this daily and have been sitting in the lots and when they leave the teens start back up. The teens also use disrespectful language to adults that are speaking to them. The Mayor is asking the board for direction on what we can do. Thum added that this is between the individuals and that this isn't a city issue, the best we could do is to have police patrol, which they currently are doing, as they are not breaking the law. Parents and children need to try to address this on their own. The Mayor added that he said that this is all verbal at this time, but have made physical threats. Zdon added that then this is something they(those involved) can press charges for. Mayor Johnson also added that there was a physical fight between girls and then now its criminal, Police can now proceed with that. Witte added that there is not really anything we as a city can do, Thum and Zdon agreed. Thum suggested that maybe there is signage that could be placed. Witte inquired about trespassing and this could potentially occur with the Police. Mayor Johnson added that Police are continuing to patrol this area. Mayor Johnson is bringing it to the attention of the board before he sends these concerns he has received from the public to staff. The board discussed signage as a possibility and directed staff to research and see what is available as an option.

6. Department Updates; Staff reviewed that we had our July 7 curious creatures program and it was a big hit. BMW stables for brought out miniature horses. They showed the kids how to rope, feed, groom and saddle a horse. A big THANK YOU to them. July 11 was fireworks and they were launched in the grass area just south of the BMX building. Great show was put on and lots of positive comments. Mayor Johnson added that maybe we should do a 15-minute show for future. Zdon liked the 10-minute show and it was captivating to watch, they were a great steady show. July 10 was Kids day with Kids Dance from 11am-1:00pm and 11am-2:30pm the waterslide. This event was very well attended and some waited over an hour to go down that waterslide. Public works crew was a great help at this event. Brother Ferris performed at the July 18 street dance. The attendance was a bit lower than normal; the weather was unpredictable all day with storms in the forecast. The weather held off for the event. Aug 8 is the next dance with Brat Pack Radio, and will follow the Rum River Rods Car show, which is scheduled that day from 10am-3pm. Garvey continued that tennis lessons are finishing up this week, with three weeks of lessons. The youth classes had enough participants, with classes, M/W and T/Th. The medallion hunt started on July 6 and ended on July 6. Chase Imker was the lucky finder, who found it at Unity Park. Thank you to these local businesses who donated items: Best Western Isanti, Falcon National Bank, Fusion Nails, Isanti Tire and Auto Care, Inc, North 65 Chamber of Commerce, North American Title Company and Strike Life Tributes. Witte asked if a fishing event could be added to our programming. Zdon added that in the past the city and the DNR had this type of event at Martins Landing.

Adjournment: Motion by Witte, second by Thum to adjourn the July 28, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 3-0, meeting adjourned at 6:40 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: September 1, 2020
Subject: Approving Expenditure Allocations for Coronavirus Relief Funds

The City received $454,377.00 in Coronavirus Relief Fund (CRF) monies. Funds may be used for eligible COVID-19 related expenses outlined in the CARES Act. Per Resolution 2020-123 Staff has determined City eligible expenses outlined within the Act and has made the following allocation recommendation:

Category	Description	Approximate Total Cost
Payroll	Payroll reimbursement for eligible staff	$100,000
Public Health and Safety	PPE, testing, public safety and health expenses	$24,000
Emergency Management	Emergency management and EOC expenses	$147,000
Technology	IT, technology and software support	$82,000
Isanti Area Fire District Relief	PPE	*To be determined*
Economic (Business) Relief	Up to *$5,000* grants to eligible businesses and non-profits	*To be determined*

The total costs for Payroll, Public Health and Safety, EM and Technology is $353,000. That leaves $101,377 remaining for Fire District and Economic (Business) Relief. Staff is recommending a Business Grant Program which would give Isanti businesses and non-profits an opportunity to request up to $5,000 for eligible expenses due to COVID-19 negative impacts. More details on this program are in the next Council agenda item.

Request:
Staff is requesting discussion to determine how much of the remaining $101,377 funds should be allocated to the Fire District and to Economic Relief for businesses/non-profits. Staff is also seeking action on this item

Attachments:
- Resolution 2020-XXX
- Fire District requests

1. 31 sets of turnout gear- $2,150 apiece
   $66,650
2. Gear dryers at 3 stations- $16,000 apiece
   $48,000
3. Washer extractor at Station 3- $11,000
   $11,000
4. Audio/visual/networking equipment to enhance distance learning at Station 2 & 3
   $32,000
5. Disposable PPE
   $8,000
6. TOTAL $165,650.00

RESOLUTION 2020-XX

APPROVING EXPENDITURE ALLOCATIONS FOR CORONAVIRUS RELIEF FUNDS

WHEREAS, the City of Isanti received $454,377.00 in Coronavirus Relief Funds (CRF) due to the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act; and,

WHEREAS, the CARES Act requires that the payments from the Coronavirus Relief Fund only be used to cover expenses that:

- are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19);
- were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government;
- were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020;

WHEREAS, Staff has determined that the following approximate expenditures are in the best interest of the City:

Category	**Description**	**Approximate Total Cost**
Payroll	Payroll reimbursement for eligible staff	$100,000
Public Health and Safety	PPE, testing, public safety and health expenses	$24,000
Emergency Management	Emergency management and EOC expenses	$147,000
Technology	IT, technology and software support	$82,000
Isanti Area Fire District Relief	PPE	*To be determined*
Economic Relief	Up to *$5,000* grants to eligible businesses and non-profits	*To be determined*

WHEREAS, unused CRF monies will be sent to Isanti County upon procedures outlined in the CARES Act by November 15th;

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota, hereby approves the following policy and guidance on Coronavirus Relief Funds:

1. The City Administrator or designee will complete necessary paperwork related to Coronavirus Relief Funds and CARES Act.
2. The City Administrator and Finance Director, or designee, will initiate and approve eligible expenses to be reimbursed by Coronavirus Relief Funds which will be within the accounts payable listing reviewed by Council.

3. Total costs as listed per this Resolution are approximate and may be adjusted by the City Administrator.
4. Eligible COVID-19 related expenditures will not exceed the Coronavirus Relief Funds in the amount of $454,377.00.

This Resolution is hereby approved by the Isanti City Council this 1st day of September, 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 1, 2020
Subject: Resolution 2020-XXX Approving Isanti Relief Business Grant Program

---

Background:
As part of the Cares Act cities are allowed to provide emergency assistance for businesses that have been impacted by COVID-19. Staff recommends designating funds for business grants in the amount not to exceed $5,000 per eligible business for a total allocation of $_____ (to be determined by Council). These grants are for businesses and non-profits within city limits that are locally owned and operated that have been affected by Executive Orders 20-04 and 20-08 and meet the listed criteria below including but not limited to:

a. Restaurants, cafes, coffeehouses, and other places of public accommodation offering food or beverage for on-premises consumption
b. Taverns, brew pubs, microbreweries, distilleries, wineries, tasting rooms and other places of public accommodation offering alcoholic beverages for on-premises consumption
c. Gymnasiums, fitness centers, indoor sports facilities, indoor exercise facilities, exercise studios, businesses offering massage therapy or similar body work, spas, salons, nail salons, cosmetology salons and barber shops. This includes, but is not limited to, all salons and shops licensed by the Minnesota Board of Cosmetologist Examiners and the Minnesota Board of Barber Examiners.
d. Art and music studios
e. Bowling alleys, skating rinks and other similar recreational or entertainment facilities
f. Other businesses deemed nonessential under executive orders adopted by the Governor of the State of Minnesota
g. Other businesses as approved by the City

2. The business must have been in operation prior to the Governor's Executive Order
3. Be a legal entity registered with the Office of the Minnesota Secretary of State and be in good standing
4. Be a conforming or legally nonconforming use under the current city zoning regulations of the city
5. Not be in violation of the city's zoning code
6. Be in compliance with city ordinances, codes, licensing, and must not have any delinquent taxes, bills, or other charges due to the city

Reporting:
As a condition for receiving funding, all recipients are required to submit a brief report to the City within sixty (60) days of receiving funds, specifying how the funds were used and providing evidence in the form of paid invoices, statements or similar documentation.

Permitted Fund Uses:
Awarded funds may be used exclusively for current payroll obligations (may not include employees who have been laid off), Expenses for Personal Protective Equipment (PPE), lease or mortgage payments, utilities (non-government), accounts payable, payment to suppliers and/or other critical business expenses that can't be paid as a direct result of the COVID-19 pandemic. Awarded funds may not be used for business owner's/manager's personal uses or expenses.

Ineligible Fund Uses:
Assistance cannot be provided to businesses or nonprofits that:

1. Do not have a physical business address within the City of Isanti
2. Are home-based businesses
3. Derive income from passive investments without operational ties to operating businesses
4. Primarily generate income from gambling activities
5. Generate any part of its income from adult-oriented or tobacco/vaping-related activities
6. Have no current or historical financial statements
7. National or corporate chains
8. Business in default before February 29, 2020
9. Individuals who have received any Federal assistance related to the COVID-19 Pandemic.

Request:
Staff is requesting Council to confirm grant funds for eligible businesses not to exceed $5,000 per business as outlined in the Program as well as the total maximum Coronavirus Relief Fund allocation not to exceed for the Program. Staff is requesting action on this item.

RESOLUTION 2020-XXX

APPROVING ISANTI RELIEF BUSINESS GRANT PROGRAM

WHEREAS, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law by President Trump on March 27, 2020, providing the State of Minnesota $1.8 billion, of which 45 percent may be distributed to local jurisdictions; and,

WHEREAS, the City of Isanti received an allocation in CARES funds from the State of Minnesota that must meet the eligibility criteria established by the US Department of Treasury; and,

WHEREAS, creation of a small business relief program is an eligible use of CARES Act funds; and,

WHEREAS, the proposed Isanti Relief Business Grant Program (referred to as "Program") will serve businesses that have been adversely impacted by the COVID-19 pandemic and the COVID-19 Peacetime Emergency; and,

WHEREAS, the program will provide grant funds for operating expenses, including payroll, rent/lease payments, mortgage payments, utility payments (non-government), payments to suppliers, PPE, or other critical business expenses as approved by an authorized program administrator; and,

WHEREAS, the program would serve the following businesses:

- Private, for profit business or non-profit 501(c)(3) or 501(c)(19) veterans organizations located and operated in the City of Isanti (physical presence here);
- Have been operating since December 2019;
- Demonstrate that its operations have been directly and adversely, negatively, affected by the COVID-19 Pandemic;
- The small business or non-profit must be a legal entity registered with the Minnesota Secretary of State, and be in good standing with the MN Dept of Revenue, Secretary of State, Isanti County and City of Isanti as of March 1, 2020;

WHEREAS, the following businesses would be ineligible for the program:

- Do not have a physical business address within the City of Isanti
- Are home-based businesses
- Derive income from passive investments without operational ties to operating businesses
- Primarily generate income from gambling activities
- Generate any part of its income from adult-oriented or tobacco/vaping-related activities
- Have no current or historical financial statements
- National or corporate chains
- Business in default before February 29, 2020
- Individuals who have received any Federal assistance related to the COVID-19 Pandemic; and,

WHEREAS, the Isanti City Council has determined the program is a necessary and reasonable response to the COVID-19 Pandemic, therefore eligible for use of the CARES Act funds;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that the city hereby implements a business relief program with use of CARES ACT funding, subject to the allocation of funds by the State of Minnesota and the following:

- Authorizes the City Administrator or designee to make final determination of award status.

- The City Administrator or designee has the authority to extend the program beyond the initial deadline of September 25, 2020 if funds are available and allow businesses to re-apply if funds are available, funding not to exceed $_____ for the program.

This Resolution is hereby approved by the Isanti City Council this 1st day of September 2020.

Isanti Relief Business Grant Program

City of Isanti
101-1st Ave NW
P.O. Box 428
Isanti MN 55040
763-444-5512

Isanti Relief Business Grant Program

Purpose
The City of Isanti has developed the Isanti Business Relief Grant Program (referred to as "Program") to provide financial assistance to locally owned and operated businesses adversely impacted by the COVID-19 pandemic.

Eligibility
The Program is available to locally owned and operated businesses located within the City of Isanti

1. Eligible business types include locally owned and operated businesses noted in Executive Orders 20-04 and 20-08, including but not limited to:
    a. Restaurants, cafes, coffeehouses, and other places of public accommodation offering food or beverage for on-premises consumption
    b. Taverns, brew pubs, microbreweries, distilleries, wineries, tasting rooms and other places of public accommodation offering alcoholic beverages for on-premises consumption
    c. Gymnasiums, fitness centers, indoor sports facilities, indoor exercise facilities, exercise studios, businesses offering massage therapy or similar body work, spas, salons, nail salons, cosmetology salons and barber shops. This includes, but is not limited to, all salons and shops licensed by the Minnesota Board of Cosmetologist Examiners and the Minnesota Board of Barber Examiners.
    d. Art and music studios
    e. Bowling alleys, skating rinks and other similar recreational or entertainment facilities
    f. Other businesses deemed nonessential under executive orders adopted by the Governor of the State of Minnesota
    g. Other businesses as approved by the City
2. The business must have been in operation prior to the Governor's Executive Order
3. Be a legal entity registered with the Office of the Minnesota Secretary of State and be in good standing
4. Be a conforming or legally nonconforming use under the current city zoning regulations of the city
5. Not be in violation of the city's zoning code
6. Be in compliance with city ordinances, codes, licensing, and must not have any delinquent taxes, bills, or other charges due to the city

Amount: Up to $5,000 grant

Supporting Documentation:

1. Proof of ownership or signed lease.
2. A W-9 form (with signature)
3. Other supporting documentation you wish to provide to the City to assist in understanding the applicant's situation.
4. Narrative descriptions and receipts (or calculations) of the negative impacts on the business due to COVID-19

Permitted Fund Uses:
Awarded funds may be used exclusively for current payroll obligations (may not include employees who have been laid off or Furlough), expenses for Personal Protective Equipment (PPE) lease or mortgage

payments, utilities, accounts payable, and other critical business expenses that can't be paid as a direct result of the COVID-19 pandemic. Awarded funds may not be used for business owner's/manager's personal uses or expenses.

Ineligible Fund Uses:
Assistance cannot be provided to businesses or non-profits that:

1. Do not have a physical business address within the City of Isanti
2. Are home-based businesses
3. Derive income from passive investments without operational ties to operating businesses
4. Primarily generate income from gambling activities
5. Generate any part of its income from adult-oriented or tobacco/vaping-related activities
6. Have no current or historical financial statements
7. National or corporate chains
8. Business in default before February 29, 2020
9. Individuals who have received any Federal assistance related to the COVID-19 Pandemic

Fund Availability:
Funds are granted on a first come, first serve basis and will be provided until the funds are exhausted or the city-declared state of emergency declaration is lifted, whichever comes first. All applications must be submitted by September 25, 2020 to be considered.

Reporting:
As a condition for receiving funding, all recipients are required to submit a brief report to the city within sixty (60) days of receiving funds, specifying how the funds were used and providing evidence in the form of paid invoices, statements or similar documentation.

Eligible Applicants

- All eligible business categories must be referenced in Governor Walz's Executive Orders (EO 20-04 and EO 20-08).
- Must have a physical, commercial location, whether owned or leased, that is located in city limits of Isanti, MN.
- Must be registered with the Minnesota Secretary of State.
- Must be current with Isanti County property taxes.

Application Requirements

- The Program application must be completed in its entirety by the applicant and submitted to:
  Ssellman@cityofisanti.us
  Hard copies can be mailed or dropped off at City Hall
  City of Isanti
  Attn: Sheila Sellman, Community Development Director
  110-1st Ave NW
  Isanti MN 55040

- All grants will be subject to the Isanti Relief Business Grant Program guidelines.
- Proof of ownership or signed lease.
- A W-9 form (with signature).
- Other supporting information requested from staff to review eligibility.
- If funds are awarded, a brief report to the City within two months after receiving funds, specifying how the funds were used and providing evidence in the form of paid invoices, statements or similar documentation.
- Application must be submitted by September 25, 2020 to be considered.

Applicant Acknowledgement:

- The applicant shall hold the City, its officers, consultants, attorneys, and agents harmless from any and all claims arising from or in connection with the Isanti Relief Business Grant Program or

its application, including but not limited to, any legal or actual violations of any state or federal laws.

- The applicant recognizes and agrees that the City retains absolute authority and discretion to decide whether or not to accept or deny any particular application, and that all expenditures, obligations, costs, fees, or liabilities incurred by the Applicant in connection with the application are incurred by the applicant at its sole risk and expense.
- The applicant acknowledges that they have read the Isanti Relief Business Grant Program guidelines and understands that if the application is approved for funding, grant funds awarded must only be used to pay eligible expenses.

Data Privacy Notice: The City is subject to Minnesota Statutes Chapter 13 (the "Minnesota Government Data Practices Act"). The application shall become the property of the City and is subject to the Minnesota Government Data Practices Act.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 1, 2020
Subject: Resolution 2020-XXX Variance request for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway.

Request: The applicant Scott Zimprch is requesting a variance to build a 580 square foot detached garage in the R-2 zoning district, which exceeds the size of the primary structure.

Overview/Background
On May 12, 2020 the applicant applied for a building permit to construct a detached garage at 720 square feet. On May 14, 2020 the Community Development Director (CDD) e-mailed him and explained that the proposed garage exceeds the size limit according to city code. He e-mailed back with some questions and the last correspondence was an e-mail sent by the CDD on May 25th outlining his options which included the following:

1) Build the detached garage at 580 square feet and there are no other steps
2) Build the garage attached to the house and it can possibly be bigger but can't exceed the size of the house
3) Apply for a variance - I have attached the application and calendar. This will take a public hearing at the Planning Commission and properties within 350' of your property will be noticed as well as a notice in the paper. The Planning Commission makes a recommendation to the City Council. Please call me if you would like to discuss.

On July 13, 2020 a stop work order was issued for this property because a building permit was never issued. The garage foundation has already been poured. This was never approved.

City Code defines Accessory Structure as A subordinate attached or detached building located on the same lot as the principal building, of which the use is incidental and accessory to the use of the principal building. Therefore, in addition to the variance for the size limit of 580 square feet, the garage can not exceed the size of the house, the applicants house is 624 square feet. Section 13 Article four has a maximum detached accessory structure limit of 580 square feet for parcels that are less than one acre.

In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the

applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *An accessory structure larger than the primary structure and larger than what is permitted by code in not a reasonable use of the land.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owner by starting the work without a permit and not meeting size requirements.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for an accessory structure to exceed the size of the primary structure does alter the essential character.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Planning Commission Recommendation:
The Planning Commission held a pubic hearing on August 18, 2020. The applicant was present for the meeting and was there to answer questions. One member from the public spoke in favor of the variance. The Planning Commission recommended denial of the variance with a 4-0 vote.

Staff Recommendation:
Staff recommends denial of the variance because the proposed garage is not in harmony with the general intent of the ordinance and does not meet the practical difficulties. In addition, the applicant started the work without a permit when he was specifically told the proposed garage is too big.

RESOLUTION 2020-XXX

A RESOLUTION DENYING A VARIANCE REQUEST FOR AN ACCESSORY STRUCTURE TO EXCEED 580 SQUARE FEET AT 201 BROADWAY STREET SE

WHEREAS, Scott Zimprich, (the applicant) has applied for a variance to the accessory structure limit of 580 square feet.

WHEREAS, The Planning Commission held a public hearing at the August 18, 2020 regular meeting; and,

WHEREAS, the Planning Commission is recommending denial of the request; and,

WHEREAS, The City of Isanti City Council reviewed the request during the regularly scheduled meeting of September 1, 2020; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested variance and is hereby denied.

Adopted by the City of Isanti City Council on this 1st day of September, 2020.

Attest:

Katie Brooks
Human Resources/City Clerk

FINDINGS OF FACT AND CONCLUSION
Garage Variance Denial
September 1, 2020
Prepared by Community Development Director Sheila Sellman

Request

Request from Scott Zimprich for a variance to build a 580 square foot detached garage in the R-2 zoning district, which exceeds the size of the primary structure and accessory structure size limits.

Findings of Fact

1. Scott Zimprich submitted a building permit on May 12, 2020 for a detached 720 square foot garage.
2. On May 14, 2020 the Community Development Director e-mailed and explained that the proposed garage exceeds the size limits according to City Code and the permit was not issued.
3. On July 13, 2020 a stop work order was issued for the property, as construction of the garage started without a permit.
4. The property is located at 201 Broadway Street SE
5. The subject site is zoned R-2 single family residential
6. Section 13, Article four of the Zoning Code limits detached accessory structures to 580 square feet for parcels less than one acre in size
7. Section 2 of the Zoning Code defines Accessory Structure as A subordinate attached or detached building located on the same lot as the principal building, of which the use is incidental and accessory to the use of the principal building.
8. A public hearing date before the Planning Commission was scheduled for Tuesday August 18, 2020 following the City Council meeting at City Hall within the Council Chambers.

Conclusions

In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made *(conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *An accessory structure larger than the primary structure and larger than what is permitted by code in not a reasonable use of the land.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owner by starting the work without a permit and not meeting size requirements.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for an accessory structure to exceed the size of the primary structure does alter the essential character.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Decision

The Planning Commission reviewed the request in a public hearing on August 18, 2020. The meeting minutes shall be made a part of the Findings of Fact and Conclusion. Motion by Johnson, second by Collison to deny the variance request. Motion passed 4-2. Gordon and Simon opposed.

The City Council reviewed the request a regularly scheduled meeting on September 1, 2020. The meeting minutes shall be made a part of the Findings of Fact and Conclusion.

LEAGUE of MINNESOTA CITIES

INFORMATION MEMO

Land Use Variances

Learn about variances as a way cities may allow an exception to part of their zoning ordinance. Review who may grant a variance and how to follow and document the required legal standard of "practical difficulties" (before 2011 called "undue hardship"). Links to a model ordinance and forms for use with this law.

RELEVANT LINKS:

I. What is a variance

A variance is a way that a city may allow an exception to part of a zoning ordinance. It is a permitted departure from strict enforcement of the ordinance as applied to a particular piece of property. A variance is generally for a dimensional standard (such as setbacks or height limits). A variance allows the landowner to break a dimensional zoning rule that would otherwise apply.

Sometimes a landowner will seek a variance to allow a particular use of their property that would otherwise not be permissible under the zoning ordinance. Such variances are often termed "use variances" as opposed to "area variances" from dimensional standards. Use variances are not generally allowed in Minnesota—state law prohibits a city from permitting by variance any use that is not permitted under the ordinance for the zoning district where the property is located.

Minn. Stat. § 462.357, subd. 6.

II. Granting a variance

Minnesota law provides that requests for variances are heard by a body called the board of adjustment and appeals; in many smaller communities, the planning commission or even the city council may serve that function. A variance decision is generally appealable to the city council.

Minn. Stat. § 462.357, subd. 6.

A variance may be granted if enforcement of a zoning ordinance provision as applied to a particular piece of property would cause the landowner "practical difficulties." For the variance to be granted, the applicant must satisfy the statutory three-factor test for practical difficulties. If the applicant does not meet all three factors of the statutory test, then a variance should not be granted. Also, variances are only permitted when they are in harmony with the general purposes and intent of the ordinance, and when the terms of the variance are consistent with the comprehensive plan.

Minn. Stat. § 462.357, subd. 6.

III. Legal standards

When considering a variance application, a city exercises so-called "quasi-judicial" authority. This means that the city's role is limited to applying the legal standard of practical difficulties to the facts presented by the application. The city acts like a judge in evaluating the facts against the legal standard. If the applicant meets the standard, then the variance may be granted. In contrast, when the city writes the rules in zoning ordinance, the city is exercising "legislative" authority and has much broader discretion.

A. Practical difficulties

"Practical difficulties" is a legal standard set forth in law that cities must apply when considering applications for variances. It is a three-factor test and applies to all requests for variances. To constitute practical difficulties, all three factors of the test must be satisfied.

1. Reasonableness

The first factor is that the property owner proposes to use the property in a reasonable manner. This factor means that the landowner would like to use the property in a particular reasonable way but cannot do so under the rules of the ordinance. It does not mean that the land cannot be put to any reasonable use whatsoever without the variance. For example, if the variance application is for a building too close to a lot line or does not meet the required setback, the focus of the first factor is whether the request to place a building there is reasonable.

2. Uniqueness

The second factor is that the landowner's problem is due to circumstances unique to the property not caused by the landowner. The uniqueness generally relates to the physical characteristics of the particular piece of property, that is, to the land and not personal characteristics or preferences of the landowner. When considering the variance for a building to encroach or intrude into a setback, the focus of this factor is whether there is anything physically unique about the particular piece of property, such as sloping topography or other natural features like wetlands or trees.

RELEVANT LINKS:

3. Essential character

The third factor is that the variance, if granted, will not alter the essential character of the locality. Under this factor, consider whether the resulting structure will be out of scale, out of place, or otherwise inconsistent with the surrounding area. For example, when thinking about the variance for an encroachment into a setback, the focus is how the particular building will look closer to a lot line and if that fits in with the character of the area.

B. Undue hardship

2011 Minn. Laws, ch. 19, *amending* Minn. Stat. § 462.357, subd. 6.

"Undue hardship" was the name of the three-factor test prior to a May 2011 change of law. After a long and contentious session working to restore city variance authority, the final version of HF 52 supported by the League and allies was passed unanimously by the Legislature. On May 5, Gov. Dayton signed the new law. It was effective on May 6, the day following the governor's approval. Presumably it applies to pending applications, as the general rule is that cities are to apply the law at the time of the decision, rather than at the time of application.

Krummenacher v. City of Minnetonka, 783 N.W.2d 721 (Minn. June 24, 2010).

Minn. Stat. § 462.357, subd. 6.
Minn. Stat. § 394.27, subd. 7.

See Section I, *What is a variance*.

The 2011 law restores municipal variance authority in response to a Minnesota Supreme Court case, *Krummenacher v. City of Minnetonka*. It also provides consistent statutory language between city land use planning statutes and county variance authority, and clarifies that conditions may be imposed on granting of variances if those conditions are directly related to, and bear a rough proportionality to, the impact created by the variance.

In *Krummenacher*, the Minnesota Supreme Court narrowly interpreted the statutory definition of "undue hardship" and held that the "reasonable use" prong of the "undue hardship" test is not whether the proposed use is reasonable, but rather whether there is a reasonable use in the absence of the variance. The new law changes that factor back to the "reasonable manner" understanding that had been used by some lower courts prior to the *Krummenacher* ruling.

The 2011 law renamed the municipal variance standard from "undue hardship" to "practical difficulties," but otherwise retained the familiar three-factor test of (1) reasonableness, (2) uniqueness, and (3) essential character. Also included is a sentence new to city variance authority that was already in the county statutes.

See Section IV-A, *Harmony with other land use controls*.

RELEVANT LINKS:

C. City ordinances

Some cities may have ordinance provisions that codified the old statutory language, or that have their own set of standards. For those cities, the question may be whether you have to first amend your zoning code before processing variances under the new standard. A credible argument can be made that the statutory language pre-empts inconsistent local ordinance provisions. Under a pre-emption theory, cities could apply the new law immediately without necessarily amending their ordinance first. In any regard, it would be best practice for cities to revisit their ordinance provisions and consider adopting language that mirrors the new statute.

Issuance of Variances, LMC Model Ordinance.

Variance Application, LMC Model Form.
Adopting Findings of Fact, LMC Model Resolution.

The models linked at the left reflect the 2011 variance legislation. While they may contain provisions that could serve as models in drafting your own documents, your city attorney would need to review prior to council action to tailor to your city's needs. Your city may have different ordinance requirements that need to be accommodated.

IV. Other considerations

A. Harmony with other land use controls

Minn. Stat. § 462.357, subd. 6.

The 2011 law also provides that: "Variances shall only be permitted when they are in harmony with the general purposes and intent of the ordinance and when the terms of the variance are consistent with the comprehensive plan." This is in addition to the three-factor practical difficulties test. So a city evaluating a variance application should make findings as to:

See LMC information memo, *Taking the Mystery out of Findings of Fact.*

- Is the variance in *harmony with* the purposes and intent of the ordinance?
- Is the variance *consistent with* the *comprehensive plan*?
- Does the proposal put property to use in a *reasonable manner*?
- Are there *unique circumstances* to the property not created by the landowner?
- Will the variance, if granted, alter the *essential character* of the locality?

B. Economic factors

Minn. Stat. § 462.357, subd. 6.

Sometimes landowners insist that they deserve a variance because they have already incurred substantial costs or argue they will not receive expected revenue without the variance. State statute specifically notes that economic considerations alone cannot create practical difficulties. Rather, practical difficulties exist only when the three statutory factors are met.

RELEVANT LINKS:

C. Neighborhood opinion

Neighborhood opinion alone is not a valid basis for granting or denying a variance request. While city officials may feel their decision should reflect the overall will of the residents, the task in considering a variance request is limited to evaluating how the variance application meets the statutory practical difficulties factors. Residents can often provide important facts that may help the city in addressing these factors, but unsubstantiated opinions and reactions to a request do not form a legitimate basis for a variance decision. If neighborhood opinion is a significant basis for the variance decision, the decision could be overturned by a court.

D. Conditions

Minn. Stat. § 462.357, subd. 6.

A city may impose a condition when it grants a variance so long as the condition is directly related and bears a rough proportionality to the impact created by the variance. For instance, if a variance is granted to exceed an otherwise applicable height limit, any conditions attached should presumably relate to mitigating the effect of excess height.

V. Variance procedural issues

A. Public hearings

Minnesota statute does not clearly require a public hearing before a variance is granted or denied, but many practitioners and attorneys agree that the best practice is to hold public hearings on all variance requests. A public hearing allows the city to establish a record and elicit facts to help determine if the application meets the practical difficulties factors.

B. Past practices

While past practice may be instructive, it cannot replace the need for analysis of all three of the practical difficulties factors for each and every variance request. In evaluating a variance request, cities are not generally bound by decisions made for prior variance requests. If a city finds that it is issuing many variances to a particular zoning standard, the city should consider the possibility of amending the ordinance to change the standard.

RELEVANT LINKS:

C. Time limit

Minn. Stat. § 15.99.

A written request for a variance is subject to Minnesota's 60-day rule and must be approved or denied within 60 days of the time it is submitted to the city. A city may extend the time period for an additional 60 days, but only if it does so in writing before expiration of the initial 60-day period. Under the 60-day rule, failure to approve or deny a request within the statutory time period is deemed an approval.

D. Documentation

Minn. Stat. § 15.99, subd. 2.

See LMC information memo, *Taking the Mystery out of Findings of Fact.*

Whatever the decision, a city should create a record that will support it. In the case of a variance denial, the 60-day rule requires that the reasons for the denial be put in writing. Even when the variance is approved, the city should consider a written statement explaining the decision. The written statement should explain the variance decision, address each of the three practical difficulties factors and list the relevant facts and conclusions as to each factor.

Minn. Stat. § 15.99, subd. 2.

If a variance is denied, the 60-day rule requires a written statement of the reasons for denial be provided to the applicant within the statutory time period. While meeting minutes may document the reasons for denial, usually a separate written statement will need to be provided to the applicant in order to meet the statutory deadline. A separate written statement is advisable even for a variance approval, although meeting minutes could serve as adequate documentation, provided they include detail about the decision factors and not just a record indicating an approval motion passed.

VI. Variances once granted

A variance once issued is a property right that "runs with the land" so it attaches to and benefits the land and is not limited to a particular landowner. A variance is typically filed with the county recorder. Even if the property is sold to another person, the variance applies.

VII. Further assistance

Jed Burkett
LMCIT Land Use Attorney

If you have questions about how your city should approach variances under this statute, you should discuss it with your city attorney. You may also contact League staff.

To Whom it May Concern:

I am looking at building a garage for my home located at 201 Broadway St. SE. This home currently does not have a garage on the property. I would like to build a 26ftx28ft two stall garage. The current city limit is a 24ftx24ft. I have included my building plans for this project. I would like to build this garage so I can fit two full size vehicles and a little work bench. At the current limit of 24x24 you cannot fit a full-size truck in and walk around all sides of the garage. I would like to extend the size of the garage by 2 feet on the on side and 4 feet on the other side. I feel like this garage will fit in with the neighborhood. There are several garages on my street with garages that are much larger than what I would like to build. If you would consider passing this variance I would love to have a garage on my property.

Sincerely,

Scott Zimprich

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: September 1, 2020
Subject: Resolution Approving a Special Event Application for Rum River BMX to host 2020 USABMX Land O' Lakes National Event

---

Background

The City has received an application for the upcoming special event for the Rum River BMX Association to host the 2020 USABMX Land O' Lakes National Event. The event is scheduled for September 9th – 13th, 2020. Hours of the event are Wednesday September 9th for set up; Thursday September 10th from 12:00pm-9:00pm; Friday September 11th from 9:00am-6:00pm; Saturday September 12th from 6:00am-8:00pm, and Sunday September 13th from 5:00am-5:00pm.

Rum River BMX has fulfilled all requirements, except the temporary sign permit which they are continuing to provide information to Community Development, for the special event application and staff has approved this application.

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT APPLICATION FOR RUM RIVER BMX TO HOST 2020 USABMX LAND O' LAKES NATIONAL EVENT

WHEREAS, the Rum River BMX Association submitted a Special Event application requesting approval to host the USABMX Land O' Lakes National event; and,

WHEREAS, the event is scheduled to take place on Wednesday September 9th for set up; Thursday September 10th from 12:00pm-9:00pm; Friday September 11th from 9:00am-6:00pm; Saturday September 12th from 6:00am-8:00pm, and Sunday September 13th from 5:00am-5:00pm at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, parking for the event will take place on the grass area to the south of the Isanti Indoor Arena, which will be paid parking, which will follow the agreed upon 50/50 fee split, per the Special Event Paid Parking Agreement, for cars and trucks. Volunteer parking will take place in the northeast parking lot in Bluebird park. Camping will occur at the Isanti Rodeo grounds Thursday night through Sunday evening, overflow parking will occur in the south soccer parking lot and no event parking will be permitted at the dog park or north Bluebird parking lots (see attached map); and,

WHEREAS, the estimated number of people to be in attendance is 2,000 per day; and,

WHEREAS, they have requested to have a banner be placed on the city sign posts on the corner of Hwy 65 and Heritage Blvd, and to be placed and removed by city staff from September 2, 2020 – September 14, 2020; and,

WHEREAS, the team pit areas, which will include canopies, will be placed along the grass area on the east side of the pine trees, the grass area east of the BMX building, and the grass area south of the outdoor rink and canopy users must use weights and not stakes in the ground to secure canopies; and,

WHEREAS, the application submittal does require a $100 clean-up deposit fee, which is on file with the City of Isanti; and,

WHEREAS, the applicant has requested that Isanti Parkway be closed in front of the facility on Friday, Saturday and Sunday of the event. Public Works will provide barricades and cones and detour signs, but it is the responsibility of the association to put them out each day and to the side after each night's events, and the compost site will remain accessible when it is open on Thursday and Saturday; and,

WHEREAS, the applicant will be required to provide additional restrooms for the event and will be bringing in 14 units from Absolute Portables,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the special event request with the following conditions:

- Rum River BMX will be responsible for repairing any damage to grass due to parking, camping, or other event activities.

- The requested road closure is permitted with barricades and detour signs provided by Public Works and placed by Rum River BMX Thursday September 10th from 12:00pm-9:00pm; Friday September 11th from 9:00am-6:00pm; Saturday September 12th from 6:00am-8:00pm, and Sunday September 13th from 5:00am-5:00pm and ensuring access is provided to the Compost site on Thursday September 10th and Saturday September 12th.
- Rum River BMX Association will be responsible for the upkeep of all restroom facilities, including those at the south end of the building, for the duration of the event.

This resolution was duly adopted by the Isanti City Council this 1st day of September, 2020.

MEMO

To: **Mayor Johnson & City Council Members**

From: Finance Director Betker

Date: September 1, 2020

Subject: 2021 Preliminary Budget and Levy Adoption

Background:

The proposed preliminary property tax levy is $2,987,163 and reflects an increase in the preliminary taxable market value for 2021 of 10.71%. The city will receive updated property tax values from the County in December.

The proposed preliminary property tax rate is 61.18%. An increase of 0.0% from 2020. The 15 year average tax rate from 2006 thru 2020 is 67.63%

As discussed in prior work sessions, other non-levy General Fund revenue sources have been adjusted to reflect prior year trends, rates per the fee schedule, and known agreements.

General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures thru June, actual maintenance agreements and contracted costs. All wages include a 3% COLA for 2021 and include the necessary step increases, where applicable. Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2020 and any necessary inflationary factor was applied. Health Insurance is projected to increase 5.0%. Final renewal numbers on Health Insurance scheduled to be available October 1st 2020.

Current Action:
Consider Resolution Setting the 2021 Final Budget and Levy Meeting
Consider Resolution Approving the 2021 Preliminary General Fund Budget for the City of Isanti
Consider Resolution Adopting the Proposed 2020 Tax Levy Collectible in 2021 for the City of Isanti

- Why Tax Rate Is More Important Than Levy Amount
- Levy Will Always go up over time
- Tax Rate Provides Better Comparison Between Cities and Years
- Property Value X Tax Rate = Property Taxes

RESOLUTION 2020-XXX

SETTING THE 2021 FINAL BUDGET AND LEVY MEETING

WHEREAS, before September 30, 2020, at the regularly scheduled meeting at which the City Council adopts a proposed tax levy, the City Council must also announce the time and place of the council meeting at which the budget and levy will be discussed and a final budget and levy will be determined; and,

WHEREAS, the time and place of the meeting that allows for citizen input and deals with the budget and levy must be included in the minutes; and,

WHEREAS, the following information must be provided to the county auditor:

- Time and place of one regular council meeting at which the budget and levy will be discussed and at which a final budget and levy will be determined
- Phone number that city taxpayers may call if they have questions related to the auditor's property tax notice.
- Address where comments will be received by mail;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the City Council has set the following meeting date at which the budget and levy will be discussed, and the final budget and levy will be determined.

   Tuesday, December 1, 2020 at 7:00 p.m.

2. That the City Clerk is hereby instructed to transmit a certified copy of this resolution to the County Auditor of Isanti County, Minnesota and provide the following information:

   a. Phone Number – Isanti City Hall, (763) 444-5512
   b. Mailing Address – Isanti City Hall, PO Box 428, Isanti, MN 55040

This resolution is duly adopted by the Isanti City Council this 1st day of September 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: September 1st 2020
Subject: Resolution 2020-XXX Declaring the Official Intent of the City of Isanti to Reimburse Certain Expenditures from the Proceeds of Bonds to be Issued by the City

---

Background:
When bonds are issued preliminary expenditures such as engineering generally don't require a prior declaration of intent be made for the City to reimburse itself with bond proceeds. However, the intent to reimburse for hard costs does require that a declaration be made within 60 days.

This resolution would act as an insurance policy in case we incur costs ahead of the planned liquor store project that would not otherwise be reimbursable thru bond proceeds.

Furthermore the Council should expect that going forward staff intends to bring a "fill in the blank" version of this resolution forward at the first Council meeting of each year to be sure that the City always has all of its options available even in unexpected circumstances.

Recommendation:
Staff is recommending approval of the attached resolution.

Attachments:

- Res 2020-XXX Declaring The Official Intent Of The City Of Isanti To Reimburse Certain Expenditures From The Proceeds Of Bonds To Be Issued By The City

RESOLUTION 2020-XXX

DECLARING THE OFFICIAL INTENT OF THE CITY OF ISANTI TO REIMBURSE CERTAIN EXPENDITURES FROM THE PROCEEDS OF BONDS TO BE ISSUED BY THE CITY

WHEREAS, the Internal Revenue Service has issued Treas. Reg. § 1.150-2 (the "Reimbursement Regulations") providing that proceeds of tax-exempt bonds used to reimburse prior expenditures will not be deemed spent unless certain requirements are met; and,

WHEREAS, the City expects to incur certain expenditures that may be financed temporarily from sources other than bonds, and reimbursed from the proceeds of a tax-exempt bond; and,

WHEREAS, the City has determined to make this declaration of official intent ("Declaration") to reimburse certain costs from proceeds of bonds in accordance with the Reimbursement Regulations;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI AS FOLLOWS:

1. The City proposes to undertake the following projects (the "Projects"):
   Municipal Liquor Store Construction Project

2. The City reasonably expects to reimburse the expenditures made for certain costs of the Projects from the proceeds of bonds in an estimated maximum principal amount of the following:

	2020-2021 Budget
G.O. Abatement Bonds, Series 2021A Lease Revenue Bonds, Series 2021A	$3,325,000

The City may declare other separate statements of reimbursement intent in connection with specific public improvement projects as they are initiated under Minnesota Statutes, Chapters 475, 429 and 444, or for other capital projects, with the understanding that such additional declarations of reimbursement intent will supplement this resolution. All reimbursed expenditures will be capital expenditures, costs of issuance of the bonds, or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Reimbursement Regulations.

3. This Declaration has been made not later than 60 days after payment of any original expenditure to be subject to a reimbursement allocation with respect to the proceeds of bonds, except or the following expenditures: (a) costs of issuance of bonds; (b) costs in an amount not in excess of $100,000 or 5 percent of the proceeds of an issue; or (c) "preliminary expenditures" up to an amount not in excess of 20 percent of the aggregate issue price of the issue or issues that finance or are reasonably expected by the City to finance the project for which the preliminary expenditures were incurred. The term "preliminary expenditures" includes architectural, engineering, surveying, bond issuance, and similar costs that are incurred prior to commencement of acquisition, construction or rehabilitation of a project, other than land acquisition, site preparation, and similar costs incident to commencement of construction.

4. This Declaration is an expression of the reasonable expectations of the City, based on the facts and circumstances known to the City as of the date hereof. The anticipated original expenditures for the Projects and the principal amount of the bonds described in paragraph 2 are consistent with the City's budgetary and financial circumstances. No sources other than proceeds of bonds to be issued by the City are, or are reasonably expected to be, reserved, allocated on a

long-term basis, or otherwise set aside pursuant to the City's budget or financial policies to pay such Project expenditures.

5. This Declaration is intended to constitute a declaration of official intent for purposes of the Reimbursement Regulations.

This Resolution is hereby approved by the Isanti City Council this 1st day of September 2020.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF FULL-TIME POLICE OFFICER TO MICHAEL GLAVAN

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a Full-Time Police Officer position; and,

WHEREAS, the Chief of Police and Human Resources selected Michael Glavan as the most qualified candidate for an open Full-Time Police Officer position; and,

WHEREAS, the candidate's offer is contingent on successfully completing and passing a Police Officer background investigation, medical evaluation, drug test and psychological evaluation;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources has offered the Full-Time Police Officer position to Michael Glavan for the City of Isanti and that he shall be eligible to start in that position after successful meeting all conditions of pre-employment evaluations.
2. That Michael Glavan shall start at Step 5 of the Wage Scale at $34.51 per hour.
3. That Michael Glavan shall be on probationary status per the Personnel Policy in the position of the Full-Time Police Officer position.
4. Michael Glavan's start date is effective on or after September 1, 2020, and will be determined when all above conditions have been met and paperwork is completed.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 1st day of September 2020.

Request for City Council Action- MEMO

To: **Mayor Johnson and Members or City Council**
From: Matt Sylvester, Public Services Director
Date: September 1, 2020
Subject: Resolution Terminating the Buyback Agreement with Crawford's Equipment

---

Background
In 2018 the City of Isanti entered into a Buyback Agreement with Crawford's Equipment. The program consisted of trading our skid steers in each year with an annual cost of $5,400.00 for two machines. Staff reached out to Crawford's Equipment and was informed that they no longer make our current model and that there had been a significant price increase on the model that would be replacing it. The quote received was $6,650.00 for each machine.

Recommendation:
Staff is recomending that we terminate the Buyback Program with Crawford's Equipment because of the price increase and put the skidsteers into the Capital Improvement Plan for replacement.

Requests:
Staff is requesting action on this item.

TERMINATING THE BUYBACK AGREEMENT WITH CRAWFORDS EQUIPMENT

WHEREAS, in 2018 the City of Isanti had entered into a Buyback Agreement with Crawford's Equipment to purchase new skid steers with an annual cost of $5,400.00 for two machines; and,

WHEREAS, staff reached out to Crawford's Equipment and was informed that they do not make our current model and that there would be a significant price increase; and,

WHEREAS, the current price would be $6,650.00 for each machine; and,

WHEREAS, staff will add to the CIP for future replacement; and,

WHEREAS, because of the price increase, it is no longer in the City's best interest to continue with the Buyback Program;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the City terminate the Buyback Program with Crawford's Equipment and add to the CIP for future replacement.

This resolution was duly adopted by the Isanti City Council this 1st day of September, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 1, 2020
Subject: Development/Subsidy Agreement - Swanees Trucking LLC

Background:
The EDA owns property located at XXX West Dual Blvd (PID 16.125.0020) and has this property for sale for $1. The subject property is a certified Shovel Reay Site. The subject site is zoned Industrial and is ready for development. Swanees Trucking LLC is a trucking company looking for space to expand their office and maintenance shop. They have been in operation since 2015 and are currently located in the city of Coon Rapids. They will be start out with 12 employees (including contract employees) with the plan to increase 35 employees as their business expands.

The EDA held a public hearing at the August 18, 2020 EDA meeting. There was no one from the public present for this item. The EDA recommends approval of the sale and the development/subsidy agreement.

Request:
Approval of development/subsidy agreement

Attachments:
- Development/Subsidy Agreement

CITY OF ISANTI

DEVELOPMENT AND SUBSIDYAGREEMENT FOR SWANEES TRUCKING LLC

This Agreement (hereinafter the "Agreement") is dated as of this 18th day of August, 2020 and is by and between the **City of Isanti**, a Minnesota municipal corporation (the "**City**") and **Swanees Trucking LLC**, a limited liability company under the laws of Minnesota (the "**Developer**").

1. Subject Property. Developer is, or will be, the owner of the Subject Property legally described as Lot 00A, Isanti Centennial Complex 3rd Rearrangement, County of Isanti, State of Minnesota, PID Number 16.125.0020, located at XXX East Dual Blvd. N.E., Isanti, MN 55040. Sale of the Subject Property by the City to Developer at a price below market value is the subsidy contemplated by this Agreement.

2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:

   a. The Developer's Execution of this Agreement. That the Developer enter into this Agreement.

   b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property.

   c. Proof of Authority. That the Developer provide proof that the governing boards or manager of the Developer authorized the Developer's execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board that grants such authority.

   d. Site Plan. That Developer's site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.

3. The Plans. The term "Plans" as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review; (b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

   a. Sanitary sewer
   b. Water
   c. Storm drainage facilities
   d. Stormwater maintenance
   e. Parking lot
   f. Concrete curb and gutter
   g. Lot grading
   h. Landscaping

5. Financial Guaranty for Required Private Improvements. The Developer shall provide a financial guarantee to the City guaranteeing the construction of the Required Private Improvements, and their timely completion. The Developer shall be responsible for a financial guarantee in the amount of **($_____.00),** which amount is 125% of the City Engineer's estimated cost of the Required Private Improvements. Upon completion of Improvements (including the removal of "temporary" erosion control measures as identified in the approved Grading Plan), acceptance by the City, supported by appropriate lien waivers, the Developer may request a reduction in the amount of the financial guarantee.

6. Inspection Fees for the Required Private Improvements. The Developer shall provide an inspection fee to the City to inspect the Required Private Improvements. The Developer shall be responsible for an inspection fee in the amount of **($_____.00)**, which amount is 5% of the City Engineer's estimated cost of the Required Private Improvements. The inspection fee must be in the form of a cash escrow. The balance in the escrow will be refunded upon completion of the Required Private Improvements, acceptance by the City.

7. Maintenance Guarantee for Landscaping. The Developer shall provide the City a maintenance guarantee to ensure the survival of the plantings. Said maintenance guarantee shall consist of cash or a Letter of Credit, approved as to form by the City, in the amount of $_____ [# plantings (XX trees) x cost/planting ($300/tree x 30% average non-survival rate, (XX shrubs) x cost/planting $75/shrub x 30% average non-survival rate], which shall be in effect for a two-year period commencing on the date of the City's acceptance of said plantings as part of the Required Private Improvements.

At the end of the two-year period, the maintenance guarantee shall be returned to the Developer. The determination that all plantings that have been planted in accordance with the Site Plan have either survived or have been replaced shall be made by the City. In the event the Developer fails to maintain the required plantings for a two-year period, the City Council may order the replacement of plantings with City day labor and/or by letting contracts and draw upon the escrow for payment. Only the City Council shall have the authority to direct replacement of the plantings and withdraw from the escrow account. The Developer hereby grants permission and a license to the City and/or its contractors and assigns to enter upon the Site for the purpose of replacing plantings in the event of the Developer's default.

8. Payment of Development Fees. The Developer must pay to the City the fees described on Exhibit A which may include, but are not limited to, Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees.

9. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

   a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with Minnesota Statutes chapter 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and

procedural objections or defenses the Developer may have to such special assessments;

b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;

c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and

d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

10. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. Pursuant to the City's appraisal, the Subject Property is valued at $125,000. The City sold the Subject Property to Developer for $1. The value of the subsidy is the difference between the appraisal value and the purchase price.

b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

c. Subsidy Goals. Developer shall create a minimum of 12 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.

d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.

e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.

11. Miscellaneous.

a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

c. Compliance with Laws and Regulations. If the City determines that the site plan does not comply with all City, State and Federal laws and regulations, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.

d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.

e. Boulevard and Wetland Restoration. The Developer shall be responsible for the cost of restoring all areas disturbed by the development grading operation in accordance with the approved Grading and Erosion Control plan. The Developer shall be responsible for the cost of cleaning any soil, earth, or debris from the wetlands within and adjacent to this Subject Property resulting from grading performed in the development of the Subject Property.

f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.

g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the

right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

i. Plat Approval Expenses. Not applicable.

j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.

k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City's Building Official, which authorizes the structure to be used for its intended purposes.

l. Notices. Required notices shall be in writing, and shall be either hand delivered to the Parties, its employees or agents, or mailed to them by certified or registered mail at the following address:

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
August 25, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:01 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, and Council Member Jimmy Gordon
Members Absent: Brian Thum
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Gordon with no modifications. Motion passed 3-0

2. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from July 28, 2020. Motion passed 3-0.

3. Park Visits Reports Review: Garvey explained that at the July 28, 2020 PRC Board meeting, all board members handed in their assigned park visits and staff has drafted a compilation of each members parks for review and to further discuss items and invited the PRC Board for their input and for prioritization of projects. Aaron Zdon reviewed Academy and Whisper Ridge. His findings for Academy was an overall rating of 5 and items he noted were to rake at landings of swings and slides. Garvey noted that this is battle at most of our playgrounds and that some of them have rubber mats at the slide to assist with this item. Zdon also noted another item is possible better ADA access from the road. Staff noted that they will look at this into more detail as this was not done with the original project as the park area was first developed for the school and that has ADA access via the sidewalk into the park area. Zdon noted for Whisper Ridge an overall rating of 2 and items noted were surface cracks on court, ridges and cracks from roots along trails leading into park area he also wants to ensure we discuss the future of the park in more detail in the near future on the cost to repair vs. cost to remove and replace with green space. Witte asked about a rubberized option for courts and the cost and longevity. Zdon stated we hasn't sure what that would be, Garvey also noted she was not aware of what that cost or option would entail. For tennis court repair the subsurface is what would also need to be replaced to ensure a better surface area. Garvey noted that the Whisper Ridge has a CIP plan and wasn't sure what the timeframe or items were on this park. Brian Thum had reviewed Legacy, Mattson and VFW parks. Thum noted for Legacy an overall rating of a 5 and noted these items of encroaching vegetation by FV overlook bench and stairs. Tree limb by Sunnyside landing had fallen and he requests to move the large park sign closer to the parking lot. Garvey noted that these items will be addressed by public works and are in the short-term plan and the sign was actually in the process of getting moved into the new location now that the parking lot is nearly finished. Garvey also noted that we had a map sign and that has also been returned to the park entrance along the trailhead. Thum also visited Mattson and gave an overall rating of a 3 and had nothing to note for this park. The board wondered the rating of a 3 as they all felt the park was in pretty good shape. For VFW park Thum gave an overall rating of a 4 and had nothing to note for this park. James Witte reviewed River Bluff Preserve, Rum River Meadows, and Isanti Hills Neighborhood (IHN) parks. Witte's findings for River Bluff Preserve were an overall rating of a 4 and items noted were the trails need a good cleaning, as habitat starts to move in on trails in between the steps and s curve. Steps could use the blower for debris. Witte inquired what rock base they use on the steps and to note that this shouldn't be removed when cleaning up the stairs. Branch on south zig/zag trail to look at for possible falling hazard. He noted for Rum River Meadows an overall rating of a 4 and items noted are wood chips kicked out by bench swing. Witte recommend a concrete border around playground. Garvey added that this project was actually completed two weeks ago and was our last playground area to have this completed, which we had on our project list to do. Witte also noted weed control in wood chips. Witte noted for IHN

an overall rating of a 3, and items noted were outdated park, damage to end slide piece. Various carving and scratches on equipment due to vandalism, the mulch looked aged and the pavilion showed no signs of damage. Garvey noted that this park is an example of what staff has mentioned at previous meetings regarding outdated playground equipment and that we can no longer get replacement parts for this playground. Witte added a comment about the volleyball net at Rum River Meadows has a hole and this court does not seem to get used. Garvey added that a volleyball court too often is not on a grass surface and that when Bluebird park was developed this park had that as an option and wasn't installed, and then when the additional lots were secured for RRM it was decided that one could be added to this park area to have one within our park system. Jimmy Gordon reviewed Bluebird, Riverside and Unity parks. Gordon findings for Bluebird were an overall rating of a 5 and items noted were swing chair could use some oil/grease, repaint hopscotch, missing garbage can by pavilion, and a merry-go-round addition was suggested. Garvey noted that many swings in the system squeak and have added this to the maintenance list, and continued that the city has stencils for the other items but not the hopscotch one and will look at end of year budget to see if we can purchase one to have. Gordon reviewed Riverside with an overall rating of a 4 and items noted were black residue on sides of stairs and platform and weeds in tot area in wood chips. Gordon noted for Unity an overall rating of a 4 and items noted were bleachers should be painted and/or boards replaced. Garvey indicated that the bleachers are in the 2021 CIP and will get replaced next year. Garvey then reviewed these items for prioritization:

Short-Term and Immediate Maintenance Projects:

- Academy: Rake mulch
- Bluebird: swing grease/oil, garbage can replacement(ongoing)
- Isanti Hills Neighborhood: mulch
- Legacy: sign to be moved when parking lot is complete and additional map sign to be brought back (completed August)
- Riverside: weeds removed from tot area and residue removal.
- Rum River Bluff Preserve: cut vegetation along trails, debris removal from steps
- Rum River Meadows: concrete edging project completed Aug 10; weeds removed from mulch.

Long-Term Projects:

- Ramp access at Academy from road
- Unity: Bleachers – 2021 CIP
- Discuss future of Whisper Ridge – resurface courts? Larger park overhaul?
- Bluebird Hopscotch – new stencil needed, end of year budget item to review

4. Tree Plan Review- Garvey reviewed the city does not have a tree plan in place, but staff is in the process of researching this in more detail and will bring back to a future meeting. The city has 11 parks and several of these parks are newer and have less trees than other more established parks. The parks that staff recommends to look at in more detail are: Academy, Bluebird, Riverside and Rum River Meadows. This fall PW will be creating the sledding hill in the northwest corner of Bluebird park on the existing hillside. With the addition to the hillside, trees need to be removed on the top of the hill and moved to a new location. Tree moving cost is estimated at $600 for the three trees. Staff is requesting recommendations for tree movement within Bluebird of the three trees that need to be moved for the sledding hill. Garvey reviewed the options within Bluebird to move the trees to bench areas to provide shade and provided pictures for the board to review. Zdon added that when Bluebird was first planned there was a tree plan put in place and it stopped with the crash in the market and to review this plan and the budget implications. Zdon added that they be moved to the play area and the bench areas. Witte asked about Rum River Meadows and that this has a couple of trees within the park area but on the north side of the park and inquired if that moving one to RRM be an option. Zdon asked the budgeting and plan for future years, Garvey noted that she has not started that process and that this was the start and we needed to just move these three trees at this time. It was noted that the bench in RRM on the west end would be the most beneficial to have a tree placed to provide shade. The board reviewed the Bluebird park

option to move the tree to the north bench and the west bench. Staff added that the west bench may not have enough space to plant a new tree, so asked if that was not an option what the next option they would like to see a tree be placed. Zdon suggested to shade the biffys on the north end. Gordon asked if bringing another tree to RRM would be an option. Zdon asked if it was still well used and indicated to add the other tree to provide a shade tree for the picnic tables. Direction was to have two trees at RRM, if the tree on the west side of BB playground would not be a viable option.

5. Department Updates – Garvey reviewed she does not have any updates at this time on the Fir Street item. Garvey created a new promotional event flyer that she gave to the board. Curious Creatures was held on August 11 with the Ice Creme theme with 10 kids at Mattson Park. Street Dance was held August 8th with Brat Pack Radio with 10 vendors and an additional alcohol vendor that was approved by city council. Attendance was a bit more than July's and this dance followed the Rum River Rods Car Show that was during the day. The dog park is being well used and new amenities have been added from our donation from the Rotary Club of Cambridge & Isanti. Staff is making a plaque to be place within the park. Bluebird park has had some vandalism in the past few weeks. A tunnel piece on the playground was damaged and a replacement part has been ordered and hope to have by end of September. The bathrooms on the south end of the BMX building have been vandalized twice in the last couple of weeks and they have been temporarily closed as we fix the hand dryer. The skate park had a few boards replaced that were damaged. The movie schedule has been created and movies picked the schedule will be Nov 6 – The Mighty Ducks 2; Dec 11 – The Polar Express; which we will include a Santa visit this night before the movie, which council approved at their Aug 5 meeting; Jan 22 – Frozen II; Feb 19 – Cars; and Mar 26- The Sandlot which I was not able to show this past March so bringing it back. The Isanti Family Farmers Market continues through Sept 25, Friday's from 2-6pm. The other upcoming events and projects are: the sledding hill project starting Sept 8; Family Day at Legacy Park – Sunday Sept 27 from 3-5pm to include, hiking, smores, and family photos and prize drawings from C-I Hockey Assc, CMK Financial Services, Connexus Energy, Coborn's Marketplace, Isanti Physical Therapy, Rockstad and Co. Relics & Wares), new event of a Candy Cane Flashlight Hunt – Sunday Dec 13 from 5-6:30pm at Legacy Park and the monthly Curious Creatures 9-10am Sept 15 – Back to School at Isanti Hills Neighborhood Park; Oct 6 - Police/Fire, Nov 10 – Gobble, Gobble and Dec 8 – Santa Fun all at Isanti Community Center. Garvey added that she creates Facebook events for the department on the city page. Legacy park parking lot is nearly completed. The community garden's sunflower maze is in full bloom and the maze is available for the gardeners to walk through.

Adjournment: Motion by Witte, second by Gordon to adjourn the August 25, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 3-0, meeting adjourned at 6:48 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

K. Business Items
Sheila Sellman Community Development
1. 105 Rail Road Ave Discussion
Community Development Director, Sheila Sellman, shared that at the last City Council meeting, Council decided to give the applicant another 2 weeks to complete the roofing and siding project. Sellman further

shared that as of this morning there are still outstanding inspections for insulation, vapor barrier as well as final inspection to close out the permit.

Mayor Johnson asked when the applicants/ property owners would be ready for inspection.

The property owners/applicants Mary and Mike Colbaugh shared their concerns about the do not occupy order on their building.

Councilmember Steve Lundeen stated for the property owners to get the work and inspections done as soon as possible.

Johnson stated that the occupancy of the building will be looked into further.

2. Amendment to the Development and Subsidy Agreement for B. P. Metals LLC.

Community Development Director Sheila Sellman shared that in March the EDA entered into a purchase agreement as well as a developer's agreement with B.P Metals for one of the city's industrial lot. The owner of B.P Metals has asked to amend the subsidy agreement due to Covid-19 layoffs. There was a requirement to have 20 employees within two years. The owner is asking to reduce it to 15 employees within two years.

Motion by Lundeen, second by Collison to approve the amendment to reduce the number of required employees to 15 within two years. Motion passed 5-0. Motion carried.

Josi Wood City Administrator

3. **Resolution 2020-148** Approving a Special Event Application for Rum River BMX to Host 2020 Detroit Lakes (DL) 412 MN State Qualifier Event *(Larry Merchlewitz)*

Rum River BMX's Larry Merchlewitz shared that due to the amount of restrictions due to COVID-19, Detroit Lakes was unable to get to their track to do maintenance and repairs. All the tracks try to work together and help each other out as much as possible. Detroit Lakes has reached out to Rum River BMX asking if they could host their state qualifier for the MN State Series. Merchlewitz further shared that this is a big event where they would be asking for camping as part of their Special Event Permit.

Motion by Collison, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

4. **Resolution 2020-149** Approving a Special Event Application for BMX 2020 Race for Life, DK Gold Cup Qualifier and MN State Qualifier Event *(Larry Merchlewitz)*

Rum River BMX's Larry Merchlewitz shared that on August 28th, 29th and 30th Rum River BMX will have their annual Race for Life Event. The Race for Life Event's donations and fees that are collected go to fighting for a cure for Leukemia. A young rider had developed Leukemia and raced BMX until he was taken by the disease.

The DK Gold Cup Qualifier is a race for a title in the Region. This year Minnesota is going to be able to host the championships in Mankato.

The State Qualifier where riders will be awarded with the "Rock Championship" where riders get to represent their team and Minnesota in Tulsa, Oklahoma.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the amount of $286,119.60, Payroll in the amount of $106,509.41
2. Approval of Revised Preparedness Plan to Include Face Covering Requirements
3. **Resolution 2020-150** Approving Minor Development Agreement for Serenity Circle
4. **Resolution 2020-151** Approving the Development Agreement for Legacy Pines 3rd Addition
5. **Resolution 2020-152** Offering the Position of Part-Time Liquor Store Clerk to Brian Williams

Motion by Collison, second by Bergley to approve Consent Agenda as presented. Motion passed 5-0. Motion carried.

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, AUGUST 18, 2020 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (arrived at 5:07 p.m.), Steve Lundeen and Dan Collison

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Public Services Director Matt Sylvester, Community Development Director Sheila Sellman, Liquor Store Manager John Jacobi and Chief of Police Travis Muyres

D. Public Comment
None

E. Committee Meeting Items

1. Liquor Updates
   - Gross Profit for the months of May-July was approximately 29.04%. The largest sales increase ever.
   - The liquor store has been following CDC guidelines as close as possible since it is an essential business.
   - Employees have been following the current mask mandate and sanitizing the doors and door handles on a regular basis.
   - Stickers have been placed on the floor to keep customers 6 feet from one another.
   - The 7th Annual "Support the Troops Drive" went well with $92.36 raised in donations. Proceeds went to Beyond the Yellow Ribbon Isanti.
   - The liquor store has been faced with many "out of stock" items since the pandemic started. Suppliers are doing their best to accommodate any way they can.
   - Sales have still been strong on the weekends mostly Fridays during the Isanti Farmers Market as well as the first and last hour on Sundays as Cambridge is closing an hour earlier on Fridays, Saturdays and Sundays.
   - Staffing has been an issue recently; the liquor store has come close to being fully staffed and are working hard at training during these unprecedented times. As soon as the liquor store is fully staffed, an all employee staff meeting will be held to go over the store processes manual in detail.

2. Mosquito Updates/Discussion
   - Public Works tried Pursuit, a permethrin based agent, for 2 weeks to see how well it works compared to the garlic agent that has previously been used.
   - Recommendation from Committee is to move forward with Pursuit.

3. Chapter 87 Discussion on Pigeons
   - Chapter 87 prohibits the keeping of certain animals within city limits.

- Chapter 87 was amended April 27, 2011 by Ordinance 506 to include pigeons as a prohibited animal in the City of Isanti.
- A request has been received from a citizen to allow for racing pigeons within city limits.
- Recommendation from Committee is to work with city attorney on an Ordinance allowing racing pigeons in the R1-A district and bring back to City Council for consideration of the Ordinance.

4. Safety Training Renewal Update
   - Every 5 years a Request for Proposals goes out for Safety Training Vendors for the City of Isanti.
   - Where the city contracts with a vendor to give employees from all different departments training.
   - The safety vendor manages the AWAIR program, manage SDS database program, Tier Two reports and training for OSHA compliance.
   - Staff is requesting for safety training to be done in house with the assistance from the League of Minnesota Cities and to become part of a Resource Safety Group with other local cities.
   - Currently the city pays approximately $6,800 base cost without additional trainings excluding the Police Department as they have their own trainings.
   - Training in house will bring the cost below $3,000.
   - Recommendation from Committee is to move forward with bringing safety training in house.

5. Building Official Requirements
   - Applications were received for the building official position.
   - Staff is looking for direction on how to proceed.
   - Recommendation from Committee is for staff to interview applicants and bring recommendations back to council.

6. Isanti County CARES Relief Plan
   - Isanti County sent out a memo informing cities within the county what they plan on spending their CARES Relief funds plan.
   - County infrastructure, PPE, IT and public safety payroll reimbursement such as technology, payroll and PPE are allocating an approximate cost of $2.9 million.
   - Small business and non-profit relief $10,000 grants to reimburse lost profit.
   - $1.5 million for school relief for reimbursement for technology and PPE costs.
   - $300,000 individual housing relief.
   - $100,000 to Lakes and Pines.
   - Recommendation from Committee is to use the relief funds for the needs of Isanti first and then the Fire District and local businesses within the City

F. Adjournment
Meeting was adjourned at 6:10 p.m.

Respectfully Submitted,

Jaden Moore

PLANNING COMMISSION MEETING

TUESDAY, July 21, 2020

Immediately following the 7:00 P.M City Council Meeting;

1. **Meeting Opening**
   - A. Call to Order: Chair Johnson called the meeting to order at 8 p.m.
   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Dan Collison, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon, Alexander Collins.
     Members Absent: None
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis
   - D. Agenda Modifications: None

2. **Meeting Minutes**
   - A. Approval of Minutes from June 16, 2020 Planning Commission Meeting motion by Collison, second by Bergley motion passes 7-0.

3. **Public Hearing**
   - A. Request by Serenity Circle for approval of a Site Plan required under City Ordinance 44, Section 18, Subd. 6 (D). Said request is for an office building at 201 Main Street 16.050.0770. Saltis explained that a new office building is proposed at the vacant lot located at the corner of Main St and 2nd Ave SW. The lot was previously rezoned from R-3A, Low Density Multiple-Family Residential to the B-1, Central Business District to allow for office uses on the parcel. Saltis explained the proposed site plan configuration consisting of the building, a four-stall parking lot, utilities, the extended sidewalks and street network and surrounding landscaping. The site plans for the office building were to comply with the standards set for the B-1 Zoning District as well as the standards set by the Downtown Overlay District for approval. The Planning Commission questioned whether the four off-street parking stalls were sufficient for the business. City staff explained that the four off-street parking stalls were the minimum number of stalls the business would be allowed while following city code for the downtown overlay district. The applicant, Deanna Bunes was present at the meeting and available for questions. No one from the public was present to speak at the public hearing. The Planning Commission recommended approval of the site plans for the office building at 201 Main St W with conditions listed in the City Engineer's memo, dated 7/1/2020 and the City Staff memo, dated 7/21/2020. Motion for approval of site plans by Lundeen, 2nd by Gordon, motion passed 7-0.

B. Ordinance Amending the City Zoning Code, Ordinance 445, Section 3, Subd 2 Zoning Map. Sellman explained that the R-1, Rural Residential Zoning District was adopted at the June 16th City Council meeting, and now those properties shall be rezoned on the Zoning Map. City Staff held a neighborhood meeting on July 14th to discuss the rezoning of the properties to the R-1 Zoning District. No one from the public was present to speak at the public hearing. Motion for approval to amend the Zoning Map by Lundeen, 2nd by Simon, motion passed 7-0.

4. **Other Business:** None

5. **Discussion Item:** None

6. **Adjournment:** Motion by Bergley, 2nd by Collins to adjourn, motion passed 7-0 meeting adjourned at 8:25 p.m.

Respectfully submitted by Ryan Saltis, Community Development Specialist

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
July 28, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, and Brian Thum
Members Absent: Council Member Jimmy Gordon
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: Mayor Jeff Johnson, 705 Main Street he has received several emails and is asking to add a discussion item regarding Bluebird park and the skate park area and teens that are being inappropriate to other users verbally and before it could potentially get physical. Motion by Thum, second by Witte to approve the agenda with the modification to add the discussion as 5a. for July 28, 2020. Motion passed 3-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from June 23, 2020. Motion passed 3-0.

3. Park Visits Annual Park visits were conducted by each board member; staff collected them and will gather all the information and bring back to the August meeting. Zdon added that unless there was anything that needed immediate attention. Thum brought up an item at Legacy, a larger tree/branch had fallen near the Sunnyside picnic table that he moved aside but staff should address this. Witte added about the community garden, and inquired about organic pesticides that could be used and to let the gardeners know of this. Staff asked if any board member has their forms that are electronic to email those to staff.

4. Equipment Requests- Garvey mentioned that staff had received a request from a resident about adding an ADA style swing to Rum River Meadows Park. The city does not have anything in the budget for specific items, but an over all replacement budget for park equipment. Staff is recommending that we look at the budget at the end of the year and see where we are and if the budget allows to add a ADA swing to Rum River Meadows, Academy and Mattson Parks. Zdon asked if staff would have time to apply or research if there are any grants that could be available for this type of equipment. Garvey added that she does watch for grant opportunities and if she does come across one for this or anything else related to the park department, she does research it more.

5. Fir Street Update – Garvey reviewed that in 2015 the PRC Board and City Council had given staff direction to acquire two parcels, through a Conditional Use Deed and staff has tried to get a more solid direction from the State and County as the timeframe we have to develop these lots into a park space. Initially it seemed that is was three years, but staff also found information stating we had 15 years. Staff reached out to the county and they are researching this a bit more and will provide staff more information when they can. Staff will then bring this back to the board to review the information. Staff had brought this item to the board in 2018 with ideas on how to develop this park area and nothing was decided at that time, as this park in unfunded, and when the time comes, we will have to budget for this development and amenities. Zdon asked if it's a Conditional Use Deed what does that mean, does that mean that it is our property forever that will be a park? Garvey responded that is how she understands it to mean, that we own the land and we would have the park forever. Witte asked if the board had discussed getting public input for this park. Garvey responded that when the time comes that is something we can do at the time we are further in the process.

5a. Added Discussion Item: Bluebird Park and skatepark. Zdon reviewed that at approximately 3:30 pm each day, children are being bullied by teens that frequent the skate park. Zdon suggested that the police could add it to their rounds. Mayor Johnson asked do we want to tie up our police with this and also added that he had talked to Chief Muyres regarding this item and police have been doing this daily and have been sitting in the lots and when they leave the teens start back up. The teens also use disrespectful language to adults that are speaking to them. The Mayor is asking the board for direction on what we can do. Thum added that this is between the individuals and that this isn't a city issue, the best we could do is to have police patrol, which they currently are doing, as they are not breaking the law. Parents and children need to try to address this on their own. The Mayor added that he said that this is all verbal at this time, but have made physical threats. Zdon added that then this is something they(those involved) can press charges for. Mayor Johnson also added that there was a physical fight between girls and then now its criminal, Police can now proceed with that. Witte added that there is not really anything we as a city can do, Thum and Zdon agreed. Thum suggested that maybe there is signage that could be placed. Witte inquired about trespassing and this could potentially occur with the Police. Mayor Johnson added that Police are continuing to patrol this area. Mayor Johnson is bringing it to the attention of the board before he sends these concerns he has received from the public to staff. The board discussed signage as a possibility and directed staff to research and see what is available as an option.

6. Department Updates; Staff reviewed that we had our July 7 curious creatures program and it was a big hit. BMW stables for brought out miniature horses. They showed the kids how to rope, feed, groom and saddle a horse. A big THANK YOU to them. July 11 was fireworks and they were launched in the grass area just south of the BMX building. Great show was put on and lots of positive comments. Mayor Johnson added that maybe we should do a 15-minute show for future. Zdon liked the 10-minute show and it was captivating to watch, they were a great steady show. July 10 was Kids day with Kids Dance from 11am-1:00pm and 11am-2:30pm the waterslide. This event was very well attended and some waited over an hour to go down that waterslide. Public works crew was a great help at this event. Brother Ferris performed at the July 18 street dance. The attendance was a bit lower than normal; the weather was unpredictable all day with storms in the forecast. The weather held off for the event. Aug 8 is the next dance with Brat Pack Radio, and will follow the Rum River Rods Car show, which is scheduled that day from 10am-3pm. Garvey continued that tennis lessons are finishing up this week, with three weeks of lessons. The youth classes had enough participants, with classes, M/W and T/Th. The medallion hunt started on July 6 and ended on July 6. Chase Imker was the lucky finder, who found it at Unity Park. Thank you to these local businesses who donated items: Best Western Isanti, Falcon National Bank, Fusion Nails, Isanti Tire and Auto Care, Inc, North 65 Chamber of Commerce, North American Title Company and Strike Life Tributes. Witte asked if a fishing event could be added to our programming. Zdon added that in the past the city and the DNR had this type of event at Martins Landing.

Adjournment: Motion by Witte, second by Thum to adjourn the July 28, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 3-0, meeting adjourned at 6:40 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: September 1, 2020
Subject: Approving Expenditure Allocations for Coronavirus Relief Funds

The City received $454,377.00 in Coronavirus Relief Fund (CRF) monies. Funds may be used for eligible COVID-19 related expenses outlined in the CARES Act. Per Resolution 2020-123 Staff has determined City eligible expenses outlined within the Act and has made the following allocation recommendation:

Category	Description	Approximate Total Cost
Payroll	Payroll reimbursement for eligible staff	$100,000
Public Health and Safety	PPE, testing, public safety and health expenses	$24,000
Emergency Management	Emergency management and EOC expenses	$147,000
Technology	IT, technology and software support	$82,000
Isanti Area Fire District Relief	PPE	*To be determined*
Economic (Business) Relief	Up to *$5,000* grants to eligible businesses and non-profits	*To be determined*

The total costs for Payroll, Public Health and Safety, EM and Technology is $353,000. That leaves $101,377 remaining for Fire District and Economic (Business) Relief. Staff is recommending a Business Grant Program which would give Isanti businesses and non-profits an opportunity to request up to $5,000 for eligible expenses due to COVID-19 negative impacts. More details on this program are in the next Council agenda item.

Request:
Staff is requesting discussion to determine how much of the remaining $101,377 funds should be allocated to the Fire District and to Economic Relief for businesses/non-profits. Staff is also seeking action on this item

Attachments:
- Resolution 2020-XXX
- Fire District requests

1. 31 sets of turnout gear- $2,150 apiece
   $66,650
2. Gear dryers at 3 stations- $16,000 apiece
   $48,000
3. Washer extractor at Station 3- $11,000
   $11,000
4. Audio/visual/networking equipment to enhance distance learning at Station 2 & 3
   $32,000
5. Disposable PPE
   $8,000
6. TOTAL $165,650.00

RESOLUTION 2020-XX

APPROVING EXPENDITURE ALLOCATIONS FOR CORONAVIRUS RELIEF FUNDS

WHEREAS, the City of Isanti received $454,377.00 in Coronavirus Relief Funds (CRF) due to the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act; and,

WHEREAS, the CARES Act requires that the payments from the Coronavirus Relief Fund only be used to cover expenses that:

- are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19);
- were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government;
- were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020;

WHEREAS, Staff has determined that the following approximate expenditures are in the best interest of the City:

Category	**Description**	**Approximate Total Cost**
Payroll	Payroll reimbursement for eligible staff	$100,000
Public Health and Safety	PPE, testing, public safety and health expenses	$24,000
Emergency Management	Emergency management and EOC expenses	$147,000
Technology	IT, technology and software support	$82,000
Isanti Area Fire District Relief	PPE	*To be determined*
Economic Relief	Up to *$5,000* grants to eligible businesses and non-profits	*To be determined*

WHEREAS, unused CRF monies will be sent to Isanti County upon procedures outlined in the CARES Act by November 15th;

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota, hereby approves the following policy and guidance on Coronavirus Relief Funds:

1. The City Administrator or designee will complete necessary paperwork related to Coronavirus Relief Funds and CARES Act.
2. The City Administrator and Finance Director, or designee, will initiate and approve eligible expenses to be reimbursed by Coronavirus Relief Funds which will be within the accounts payable listing reviewed by Council.

3. Total costs as listed per this Resolution are approximate and may be adjusted by the City Administrator.
4. Eligible COVID-19 related expenditures will not exceed the Coronavirus Relief Funds in the amount of $454,377.00.

This Resolution is hereby approved by the Isanti City Council this 1st day of September, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 1, 2020
Subject: Resolution 2020-XXX Approving Isanti Relief Business Grant Program

---

Background:
As part of the Cares Act cities are allowed to provide emergency assistance for businesses that have been impacted by COVID-19. Staff recommends designating funds for business grants in the amount not to exceed $5,000 per eligible business for a total allocation of $_____ (to be determined by Council). These grants are for businesses and non-profits within city limits that are locally owned and operated that have been affected by Executive Orders 20-04 and 20-08 and meet the listed criteria below including but not limited to:

a. Restaurants, cafes, coffeehouses, and other places of public accommodation offering food or beverage for on-premises consumption
b. Taverns, brew pubs, microbreweries, distilleries, wineries, tasting rooms and other places of public accommodation offering alcoholic beverages for on-premises consumption
c. Gymnasiums, fitness centers, indoor sports facilities, indoor exercise facilities, exercise studios, businesses offering massage therapy or similar body work, spas, salons, nail salons, cosmetology salons and barber shops. This includes, but is not limited to, all salons and shops licensed by the Minnesota Board of Cosmetologist Examiners and the Minnesota Board of Barber Examiners.
d. Art and music studios
e. Bowling alleys, skating rinks and other similar recreational or entertainment facilities
f. Other businesses deemed nonessential under executive orders adopted by the Governor of the State of Minnesota
g. Other businesses as approved by the City

2. The business must have been in operation prior to the Governor's Executive Order
3. Be a legal entity registered with the Office of the Minnesota Secretary of State and be in good standing
4. Be a conforming or legally nonconforming use under the current city zoning regulations of the city
5. Not be in violation of the city's zoning code
6. Be in compliance with city ordinances, codes, licensing, and must not have any delinquent taxes, bills, or other charges due to the city

Reporting:
As a condition for receiving funding, all recipients are required to submit a brief report to the City within sixty (60) days of receiving funds, specifying how the funds were used and providing evidence in the form of paid invoices, statements or similar documentation.

Permitted Fund Uses:
Awarded funds may be used exclusively for current payroll obligations (may not include employees who have been laid off), Expenses for Personal Protective Equipment (PPE), lease or mortgage payments, utilities (non-government), accounts payable, payment to suppliers and/or other critical business expenses that can't be paid as a direct result of the COVID-19 pandemic. Awarded funds may not be used for business owner's/manager's personal uses or expenses.

Ineligible Fund Uses:
Assistance cannot be provided to businesses or nonprofits that:

1. Do not have a physical business address within the City of Isanti
2. Are home-based businesses
3. Derive income from passive investments without operational ties to operating businesses
4. Primarily generate income from gambling activities
5. Generate any part of its income from adult-oriented or tobacco/vaping-related activities
6. Have no current or historical financial statements
7. National or corporate chains
8. Business in default before February 29, 2020
9. Individuals who have received any Federal assistance related to the COVID-19 Pandemic.

Request:
Staff is requesting Council to confirm grant funds for eligible businesses not to exceed $5,000 per business as outlined in the Program as well as the total maximum Coronavirus Relief Fund allocation not to exceed for the Program. Staff is requesting action on this item.

RESOLUTION 2020-XXX

APPROVING ISANTI RELIEF BUSINESS GRANT PROGRAM

WHEREAS, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law by President Trump on March 27, 2020, providing the State of Minnesota $1.8 billion, of which 45 percent may be distributed to local jurisdictions; and,

WHEREAS, the City of Isanti received an allocation in CARES funds from the State of Minnesota that must meet the eligibility criteria established by the US Department of Treasury; and,

WHEREAS, creation of a small business relief program is an eligible use of CARES Act funds; and,

WHEREAS, the proposed Isanti Relief Business Grant Program (referred to as "Program") will serve businesses that have been adversely impacted by the COVID-19 pandemic and the COVID-19 Peacetime Emergency; and,

WHEREAS, the program will provide grant funds for operating expenses, including payroll, rent/lease payments, mortgage payments, utility payments (non-government), payments to suppliers, PPE, or other critical business expenses as approved by an authorized program administrator; and,

WHEREAS, the program would serve the following businesses:

- Private, for profit business or non-profit 501(c)(3) or 501(c)(19) veterans organizations located and operated in the City of Isanti (physical presence here);
- Have been operating since December 2019;
- Demonstrate that its operations have been directly and adversely, negatively, affected by the COVID-19 Pandemic;
- The small business or non-profit must be a legal entity registered with the Minnesota Secretary of State, and be in good standing with the MN Dept of Revenue, Secretary of State, Isanti County and City of Isanti as of March 1, 2020;

WHEREAS, the following businesses would be ineligible for the program:

- Do not have a physical business address within the City of Isanti
- Are home-based businesses
- Derive income from passive investments without operational ties to operating businesses
- Primarily generate income from gambling activities
- Generate any part of its income from adult-oriented or tobacco/vaping-related activities
- Have no current or historical financial statements
- National or corporate chains
- Business in default before February 29, 2020
- Individuals who have received any Federal assistance related to the COVID-19 Pandemic; and,

WHEREAS, the Isanti City Council has determined the program is a necessary and reasonable response to the COVID-19 Pandemic, therefore eligible for use of the CARES Act funds;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, that the city hereby implements a business relief program with use of CARES ACT funding, subject to the allocation of funds by the State of Minnesota and the following:

- Authorizes the City Administrator or designee to make final determination of award status.

- The City Administrator or designee has the authority to extend the program beyond the initial deadline of September 25, 2020 if funds are available and allow businesses to re-apply if funds are available, funding not to exceed $_____ for the program.

This Resolution is hereby approved by the Isanti City Council this 1st day of September 2020.

Isanti Relief Business Grant Program

City of Isanti
101-1st Ave NW
P.O. Box 428
Isanti MN 55040
763-444-5512

Isanti Relief Business Grant Program

Purpose
The City of Isanti has developed the Isanti Business Relief Grant Program (referred to as "Program") to provide financial assistance to locally owned and operated businesses adversely impacted by the COVID-19 pandemic.

Eligibility
The Program is available to locally owned and operated businesses located within the City of Isanti

1. Eligible business types include locally owned and operated businesses noted in Executive Orders 20-04 and 20-08, including but not limited to:
    a. Restaurants, cafes, coffeehouses, and other places of public accommodation offering food or beverage for on-premises consumption
    b. Taverns, brew pubs, microbreweries, distilleries, wineries, tasting rooms and other places of public accommodation offering alcoholic beverages for on-premises consumption
    c. Gymnasiums, fitness centers, indoor sports facilities, indoor exercise facilities, exercise studios, businesses offering massage therapy or similar body work, spas, salons, nail salons, cosmetology salons and barber shops. This includes, but is not limited to, all salons and shops licensed by the Minnesota Board of Cosmetologist Examiners and the Minnesota Board of Barber Examiners.
    d. Art and music studios
    e. Bowling alleys, skating rinks and other similar recreational or entertainment facilities
    f. Other businesses deemed nonessential under executive orders adopted by the Governor of the State of Minnesota
    g. Other businesses as approved by the City
2. The business must have been in operation prior to the Governor's Executive Order
3. Be a legal entity registered with the Office of the Minnesota Secretary of State and be in good standing
4. Be a conforming or legally nonconforming use under the current city zoning regulations of the city
5. Not be in violation of the city's zoning code
6. Be in compliance with city ordinances, codes, licensing, and must not have any delinquent taxes, bills, or other charges due to the city

Amount: Up to $5,000 grant

Supporting Documentation:

1. Proof of ownership or signed lease.
2. A W-9 form (with signature)
3. Other supporting documentation you wish to provide to the City to assist in understanding the applicant's situation.
4. Narrative descriptions and receipts (or calculations) of the negative impacts on the business due to COVID-19

Permitted Fund Uses:
Awarded funds may be used exclusively for current payroll obligations (may not include employees who have been laid off or Furlough), expenses for Personal Protective Equipment (PPE) lease or mortgage

payments, utilities, accounts payable, and other critical business expenses that can't be paid as a direct result of the COVID-19 pandemic. Awarded funds may not be used for business owner's/manager's personal uses or expenses.

Ineligible Fund Uses:
Assistance cannot be provided to businesses or non-profits that:

1. Do not have a physical business address within the City of Isanti
2. Are home-based businesses
3. Derive income from passive investments without operational ties to operating businesses
4. Primarily generate income from gambling activities
5. Generate any part of its income from adult-oriented or tobacco/vaping-related activities
6. Have no current or historical financial statements
7. National or corporate chains
8. Business in default before February 29, 2020
9. Individuals who have received any Federal assistance related to the COVID-19 Pandemic

Fund Availability:
Funds are granted on a first come, first serve basis and will be provided until the funds are exhausted or the city-declared state of emergency declaration is lifted, whichever comes first. All applications must be submitted by September 25, 2020 to be considered.

Reporting:
As a condition for receiving funding, all recipients are required to submit a brief report to the city within sixty (60) days of receiving funds, specifying how the funds were used and providing evidence in the form of paid invoices, statements or similar documentation.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 1, 2020
Subject: Resolution 2020-XXX Variance request for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway.

Request: The applicant Scott Zimprch is requesting a variance to build a 580 square foot detached garage in the R-2 zoning district, which exceeds the size of the primary structure.

Overview/Background
On May 12, 2020 the applicant applied for a building permit to construct a detached garage at 720 square feet. On May 14, 2020 the Community Development Director (CDD) e-mailed him and explained that the proposed garage exceeds the size limit according to city code. He e-mailed back with some questions and the last correspondence was an e-mail sent by the CDD on May 25th outlining his options which included the following:

1) Build the detached garage at 580 square feet and there are no other steps
2) Build the garage attached to the house and it can possibly be bigger but can't exceed the size of the house
3) Apply for a variance - I have attached the application and calendar. This will take a public hearing at the Planning Commission and properties within 350' of your property will be noticed as well as a notice in the paper. The Planning Commission makes a recommendation to the City Council. Please call me if you would like to discuss.

On July 13, 2020 a stop work order was issued for this property because a building permit was never issued. The garage foundation has already been poured. This was never approved.

City Code defines Accessory Structure as A subordinate attached or detached building located on the same lot as the principal building, of which the use is incidental and accessory to the use of the principal building. Therefore, in addition to the variance for the size limit of 580 square feet, the garage can not exceed the size of the house, the applicants house is 624 square feet. Section 13 Article four has a maximum detached accessory structure limit of 580 square feet for parcels that are less than one acre.

In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the

applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *An accessory structure larger than the primary structure and larger than what is permitted by code in not a reasonable use of the land.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owner by starting the work without a permit and not meeting size requirements.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for an accessory structure to exceed the size of the primary structure does alter the essential character.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Planning Commission Recommendation:
The Planning Commission held a pubic hearing on August 18, 2020. The applicant was present for the meeting and was there to answer questions. One member from the public spoke in favor of the variance. The Planning Commission recommended denial of the variance with a 4-0 vote.

Staff Recommendation:
Staff recommends denial of the variance because the proposed garage is not in harmony with the general intent of the ordinance and does not meet the practical difficulties. In addition, the applicant started the work without a permit when he was specifically told the proposed garage is too big.

RESOLUTION 2020-XXX

A RESOLUTION DENYING A VARIANCE REQUEST FOR AN ACCESSORY STRUCTURE TO EXCEED 580 SQUARE FEET AT 201 BROADWAY STREET SE

WHEREAS, Scott Zimprich, (the applicant) has applied for a variance to the accessory structure limit of 580 square feet.

WHEREAS, The Planning Commission held a public hearing at the August 18, 2020 regular meeting; and,

WHEREAS, the Planning Commission is recommending denial of the request; and,

WHEREAS, The City of Isanti City Council reviewed the request during the regularly scheduled meeting of September 1, 2020; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested variance and is hereby denied.

Adopted by the City of Isanti City Council on this 1st day of September, 2020.

Attest:

Human Resources/City Clerk

FINDINGS OF FACT AND CONCLUSION
Garage Variance Denial
September 1, 2020
Prepared by Community Development Director Sheila Sellman

Request

Request from Scott Zimprich for a variance to build a 580 square foot detached garage in the R-2 zoning district, which exceeds the size of the primary structure and accessory structure size limits.

Findings of Fact

1. Scott Zimprich submitted a building permit on May 12, 2020 for a detached 720 square foot garage.
2. On May 14, 2020 the Community Development Director e-mailed and explained that the proposed garage exceeds the size limits according to City Code and the permit was not issued.
3. On July 13, 2020 a stop work order was issued for the property, as construction of the garage started without a permit.
4. The property is located at 201 Broadway Street SE
5. The subject site is zoned R-2 single family residential
6. Section 13, Article four of the Zoning Code limits detached accessory structures to 580 square feet for parcels less than one acre in size
7. Section 2 of the Zoning Code defines Accessory Structure as A subordinate attached or detached building located on the same lot as the principal building, of which the use is incidental and accessory to the use of the principal building.
8. A public hearing date before the Planning Commission was scheduled for Tuesday August 18, 2020 following the City Council meeting at City Hall within the Council Chambers.

Conclusions

In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made *(conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *An accessory structure larger than the primary structure and larger than what is permitted by code in not a reasonable use of the land.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owner by starting the work without a permit and not meeting size requirements.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for an accessory structure to exceed the size of the primary structure does alter the essential character.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Decision

The Planning Commission reviewed the request in a public hearing on August 18, 2020. The meeting minutes shall be made a part of the Findings of Fact and Conclusion. Motion by Johnson, second by Collison to deny the variance request. Motion passed 4-2. Gordon and Simon opposed.

The City Council reviewed the request a regularly scheduled meeting on September 1, 2020. The meeting minutes shall be made a part of the Findings of Fact and Conclusion.

LEAGUE of MINNESOTA CITIES

INFORMATION MEMO

Land Use Variances

Learn about variances as a way cities may allow an exception to part of their zoning ordinance. Review who may grant a variance and how to follow and document the required legal standard of "practical difficulties" (before 2011 called "undue hardship"). Links to a model ordinance and forms for use with this law.

RELEVANT LINKS:

I. What is a variance

A variance is a way that a city may allow an exception to part of a zoning ordinance. It is a permitted departure from strict enforcement of the ordinance as applied to a particular piece of property. A variance is generally for a dimensional standard (such as setbacks or height limits). A variance allows the landowner to break a dimensional zoning rule that would otherwise apply.

Sometimes a landowner will seek a variance to allow a particular use of their property that would otherwise not be permissible under the zoning ordinance. Such variances are often termed "use variances" as opposed to "area variances" from dimensional standards. Use variances are not generally allowed in Minnesota—state law prohibits a city from permitting by variance any use that is not permitted under the ordinance for the zoning district where the property is located.

Minn. Stat. § 462.357, subd. 6.

II. Granting a variance

Minnesota law provides that requests for variances are heard by a body called the board of adjustment and appeals; in many smaller communities, the planning commission or even the city council may serve that function. A variance decision is generally appealable to the city council.

Minn. Stat. § 462.357, subd. 6.

A variance may be granted if enforcement of a zoning ordinance provision as applied to a particular piece of property would cause the landowner "practical difficulties." For the variance to be granted, the applicant must satisfy the statutory three-factor test for practical difficulties. If the applicant does not meet all three factors of the statutory test, then a variance should not be granted. Also, variances are only permitted when they are in harmony with the general purposes and intent of the ordinance, and when the terms of the variance are consistent with the comprehensive plan.

Minn. Stat. § 462.357, subd. 6.

III. Legal standards

When considering a variance application, a city exercises so-called "quasi-judicial" authority. This means that the city's role is limited to applying the legal standard of practical difficulties to the facts presented by the application. The city acts like a judge in evaluating the facts against the legal standard. If the applicant meets the standard, then the variance may be granted. In contrast, when the city writes the rules in zoning ordinance, the city is exercising "legislative" authority and has much broader discretion.

A. Practical difficulties

"Practical difficulties" is a legal standard set forth in law that cities must apply when considering applications for variances. It is a three-factor test and applies to all requests for variances. To constitute practical difficulties, all three factors of the test must be satisfied.

1. Reasonableness

The first factor is that the property owner proposes to use the property in a reasonable manner. This factor means that the landowner would like to use the property in a particular reasonable way but cannot do so under the rules of the ordinance. It does not mean that the land cannot be put to any reasonable use whatsoever without the variance. For example, if the variance application is for a building too close to a lot line or does not meet the required setback, the focus of the first factor is whether the request to place a building there is reasonable.

2. Uniqueness

The second factor is that the landowner's problem is due to circumstances unique to the property not caused by the landowner. The uniqueness generally relates to the physical characteristics of the particular piece of property, that is, to the land and not personal characteristics or preferences of the landowner. When considering the variance for a building to encroach or intrude into a setback, the focus of this factor is whether there is anything physically unique about the particular piece of property, such as sloping topography or other natural features like wetlands or trees.

RELEVANT LINKS:

3. Essential character

The third factor is that the variance, if granted, will not alter the essential character of the locality. Under this factor, consider whether the resulting structure will be out of scale, out of place, or otherwise inconsistent with the surrounding area. For example, when thinking about the variance for an encroachment into a setback, the focus is how the particular building will look closer to a lot line and if that fits in with the character of the area.

B. Undue hardship

2011 Minn. Laws, ch. 19, *amending* Minn. Stat. § 462.357, subd. 6.

"Undue hardship" was the name of the three-factor test prior to a May 2011 change of law. After a long and contentious session working to restore city variance authority, the final version of HF 52 supported by the League and allies was passed unanimously by the Legislature. On May 5, Gov. Dayton signed the new law. It was effective on May 6, the day following the governor's approval. Presumably it applies to pending applications, as the general rule is that cities are to apply the law at the time of the decision, rather than at the time of application.

Krummenacher v. City of Minnetonka, 783 N.W.2d 721 (Minn. June 24, 2010).

Minn. Stat. § 462.357, subd. 6.
Minn. Stat. § 394.27, subd. 7.

See Section I, *What is a variance*.

The 2011 law restores municipal variance authority in response to a Minnesota Supreme Court case, *Krummenacher v. City of Minnetonka*. It also provides consistent statutory language between city land use planning statutes and county variance authority, and clarifies that conditions may be imposed on granting of variances if those conditions are directly related to, and bear a rough proportionality to, the impact created by the variance.

In *Krummenacher*, the Minnesota Supreme Court narrowly interpreted the statutory definition of "undue hardship" and held that the "reasonable use" prong of the "undue hardship" test is not whether the proposed use is reasonable, but rather whether there is a reasonable use in the absence of the variance. The new law changes that factor back to the "reasonable manner" understanding that had been used by some lower courts prior to the *Krummenacher* ruling.

The 2011 law renamed the municipal variance standard from "undue hardship" to "practical difficulties," but otherwise retained the familiar three-factor test of (1) reasonableness, (2) uniqueness, and (3) essential character. Also included is a sentence new to city variance authority that was already in the county statutes.

See Section IV-A, *Harmony with other land use controls*.

RELEVANT LINKS:

C. City ordinances

Some cities may have ordinance provisions that codified the old statutory language, or that have their own set of standards. For those cities, the question may be whether you have to first amend your zoning code before processing variances under the new standard. A credible argument can be made that the statutory language pre-empts inconsistent local ordinance provisions. Under a pre-emption theory, cities could apply the new law immediately without necessarily amending their ordinance first. In any regard, it would be best practice for cities to revisit their ordinance provisions and consider adopting language that mirrors the new statute.

Issuance of Variances, LMC Model Ordinance.

Variance Application, LMC Model Form.
Adopting Findings of Fact, LMC Model Resolution.

The models linked at the left reflect the 2011 variance legislation. While they may contain provisions that could serve as models in drafting your own documents, your city attorney would need to review prior to council action to tailor to your city's needs. Your city may have different ordinance requirements that need to be accommodated.

IV. Other considerations

A. Harmony with other land use controls

Minn. Stat. § 462.357, subd. 6.

The 2011 law also provides that: "Variances shall only be permitted when they are in harmony with the general purposes and intent of the ordinance and when the terms of the variance are consistent with the comprehensive plan." This is in addition to the three-factor practical difficulties test. So a city evaluating a variance application should make findings as to:

See LMC information memo, *Taking the Mystery out of Findings of Fact.*

- Is the variance in *harmony with* the purposes and intent of the ordinance?
- Is the variance *consistent with* the *comprehensive plan*?
- Does the proposal put property to use in a *reasonable manner*?
- Are there *unique circumstances* to the property not created by the landowner?
- Will the variance, if granted, alter the *essential character* of the locality?

B. Economic factors

Minn. Stat. § 462.357, subd. 6.

Sometimes landowners insist that they deserve a variance because they have already incurred substantial costs or argue they will not receive expected revenue without the variance. State statute specifically notes that economic considerations alone cannot create practical difficulties. Rather, practical difficulties exist only when the three statutory factors are met.

RELEVANT LINKS:

C. Neighborhood opinion

Neighborhood opinion alone is not a valid basis for granting or denying a variance request. While city officials may feel their decision should reflect the overall will of the residents, the task in considering a variance request is limited to evaluating how the variance application meets the statutory practical difficulties factors. Residents can often provide important facts that may help the city in addressing these factors, but unsubstantiated opinions and reactions to a request do not form a legitimate basis for a variance decision. If neighborhood opinion is a significant basis for the variance decision, the decision could be overturned by a court.

D. Conditions

Minn. Stat. § 462.357, subd. 6.

A city may impose a condition when it grants a variance so long as the condition is directly related and bears a rough proportionality to the impact created by the variance. For instance, if a variance is granted to exceed an otherwise applicable height limit, any conditions attached should presumably relate to mitigating the effect of excess height.

V. Variance procedural issues

A. Public hearings

Minnesota statute does not clearly require a public hearing before a variance is granted or denied, but many practitioners and attorneys agree that the best practice is to hold public hearings on all variance requests. A public hearing allows the city to establish a record and elicit facts to help determine if the application meets the practical difficulties factors.

B. Past practices

While past practice may be instructive, it cannot replace the need for analysis of all three of the practical difficulties factors for each and every variance request. In evaluating a variance request, cities are not generally bound by decisions made for prior variance requests. If a city finds that it is issuing many variances to a particular zoning standard, the city should consider the possibility of amending the ordinance to change the standard.

RELEVANT LINKS:

C. Time limit

Minn. Stat. § 15.99.

A written request for a variance is subject to Minnesota's 60-day rule and must be approved or denied within 60 days of the time it is submitted to the city. A city may extend the time period for an additional 60 days, but only if it does so in writing before expiration of the initial 60-day period. Under the 60-day rule, failure to approve or deny a request within the statutory time period is deemed an approval.

D. Documentation

Minn. Stat. § 15.99, subd. 2.

See LMC information memo, *Taking the Mystery out of Findings of Fact.*

Whatever the decision, a city should create a record that will support it. In the case of a variance denial, the 60-day rule requires that the reasons for the denial be put in writing. Even when the variance is approved, the city should consider a written statement explaining the decision. The written statement should explain the variance decision, address each of the three practical difficulties factors and list the relevant facts and conclusions as to each factor.

Minn. Stat. § 15.99, subd. 2.

If a variance is denied, the 60-day rule requires a written statement of the reasons for denial be provided to the applicant within the statutory time period. While meeting minutes may document the reasons for denial, usually a separate written statement will need to be provided to the applicant in order to meet the statutory deadline. A separate written statement is advisable even for a variance approval, although meeting minutes could serve as adequate documentation, provided they include detail about the decision factors and not just a record indicating an approval motion passed.

VI. Variances once granted

A variance once issued is a property right that "runs with the land" so it attaches to and benefits the land and is not limited to a particular landowner. A variance is typically filed with the county recorder. Even if the property is sold to another person, the variance applies.

VII. Further assistance

Jed Burkett
LMCIT Land Use Attorney
jburkett@lmc.org

If you have questions about how your city should approach variances under this statute, you should discuss it with your city attorney. You may also contact League staff.

To Whom it May Concern:

I am looking at building a garage for my home located at 201 Broadway St. SE. This home currently does not have a garage on the property. I would like to build a 26ftx28ft two stall garage. The current city limit is a 24ftx24ft. I have included my building plans for this project. I would like to build this garage so I can fit two full size vehicles and a little work bench. At the current limit of 24x24 you cannot fit a full-size truck in and walk around all sides of the garage. I would like to extend the size of the garage by 2 feet on the on side and 4 feet on the other side. I feel like this garage will fit in with the neighborhood. There are several garages on my street with garages that are much larger than what I would like to build. If you would consider passing this variance I would love to have a garage on my property.

Sincerely,

Scott Zimprich

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: September 1, 2020
Subject: Resolution Approving a Special Event Application for Rum River BMX to host 2020 USABMX Land O' Lakes National Event

---

Background

The City has received an application for the upcoming special event for the Rum River BMX Association to host the 2020 USABMX Land O' Lakes National Event. The event is scheduled for September 9th – 13th, 2020. Hours of the event are Wednesday September 9th for set up; Thursday September 10th from 12:00pm-9:00pm; Friday September 11th from 9:00am-6:00pm; Saturday September 12th from 6:00am-8:00pm, and Sunday September 13th from 5:00am-5:00pm.

Rum River BMX has fulfilled all requirements, except the temporary sign permit which they are continuing to provide information to Community Development, for the special event application and staff has approved this application.

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT APPLICATION FOR RUM RIVER BMX TO HOST 2020 USABMX LAND O' LAKES NATIONAL EVENT

WHEREAS, the Rum River BMX Association submitted a Special Event application requesting approval to host the USABMX Land O' Lakes National event; and,

WHEREAS, the event is scheduled to take place on Wednesday September 9th for set up; Thursday September 10th from 12:00pm-9:00pm; Friday September 11th from 9:00am-6:00pm; Saturday September 12th from 6:00am-8:00pm, and Sunday September 13th from 5:00am-5:00pm at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, parking for the event will take place on the grass area to the south of the Isanti Indoor Arena, which will be paid parking, which will follow the agreed upon 50/50 fee split, per the Special Event Paid Parking Agreement, for cars and trucks. Volunteer parking will take place in the northeast parking lot in Bluebird park. Camping will occur at the Isanti Rodeo grounds Thursday night through Sunday evening, overflow parking will occur in the south soccer parking lot and no event parking will be permitted at the dog park or north Bluebird parking lots (see attached map); and,

WHEREAS, the estimated number of people to be in attendance is 2,000 per day; and,

WHEREAS, they have requested to have a banner be placed on the city sign posts on the corner of Hwy 65 and Heritage Blvd, and to be placed and removed by city staff from September 2, 2020 – September 14, 2020; and,

WHEREAS, the team pit areas, which will include canopies, will be placed along the grass area on the east side of the pine trees, the grass area east of the BMX building, and the grass area south of the outdoor rink and canopy users must use weights and not stakes in the ground to secure canopies; and,

WHEREAS, the application submittal does require a $100 clean-up deposit fee, which is on file with the City of Isanti; and,

WHEREAS, the applicant has requested that Isanti Parkway be closed in front of the facility on Friday, Saturday and Sunday of the event. Public Works will provide barricades and cones and detour signs, but it is the responsibility of the association to put them out each day and to the side after each night's events, and the compost site will remain accessible when it is open on Thursday and Saturday; and,

WHEREAS, the applicant will be required to provide additional restrooms for the event and will be bringing in 14 units from Absolute Portables,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the special event request with the following conditions:

- Rum River BMX will be responsible for repairing any damage to grass due to parking, camping, or other event activities.

- The requested road closure is permitted with barricades and detour signs provided by Public Works and placed by Rum River BMX Thursday September 10th from 12:00pm-9:00pm; Friday September 11th from 9:00am-6:00pm; Saturday September 12th from 6:00am-8:00pm, and Sunday September 13th from 5:00am-5:00pm and ensuring access is provided to the Compost site on Thursday September 10th and Saturday September 12th.
- Rum River BMX Association will be responsible for the upkeep of all restroom facilities, including those at the south end of the building, for the duration of the event.

This resolution was duly adopted by the Isanti City Council this 1st day of September, 2020.

SPECIAL EVENT PERMIT APPLICATION

City of Isanti
110 First Avenue NW • PO Box 428
Isanti, MN 55040
Phone: 763.444.5512 • Fax: 763.444.5560
www.cityofisanti.us

If you are a planning an event that requires a Special Event Permit, please complete the application and any required supplemental forms. To ensure your application is processed quickly, be specific and complete in all responses. **Applications must be submitted at least 30 days prior to the event to be considered.**

ITEMS TO ACCOMPANY THE APPLICATION

Required with all applications

- ☑ Complete Application Form
- ☐ Cleanup Deposit Fee - $100
- ☑ Proof of Insurance or Certificate of Insurance
- ☑ Site Map
- ☑ Approval Letter from the Property Owner
- ☐ Proof of written notification to property owners within 350 feet of the special event

Check all that apply:

- ☑ Signs will be posted for event:
  - ☑ Temporary Sign Permit Application required
  - ☑ $50 fee
- ☐ Alcohol will be served and/or sold at event:
  - ☐ Licenses (may take up to 60 days to process)
  - ☐ Fees apply, amounts vary by license type.
- ☐ Vendors will be present:
  - ☐ Peddler's Permit (background check required) submitted by event organizer only
  - ☐ $25 fee for one-day applications
  - ☐ Vendor List
- ☑ Event will occur on City Property:
  - ☑ Release and Indemnification Agreement

Supplemental information may be required by City staff.
Additional forms can be found on the City of Isanti website or requested at Isanti City Hall. Please note that additional required permits or licenses may take additional time to process.

EVENT INFORMATION

Event Name: USABMX Land O' Lakes National

Date(s) of Event: Sept 9 th thru Sept 13th 2020

Hours of Event: 9/9 Setup, 9/10 12-9pm, 9/11 9am-6pm, 9/12 6am-8pm & 9/13 5am-5pm

Type of Event: [✓] Open to the Public [ ] Private [ ] Other: _____

Describe Event (List all activities. Provide flyer or other marketing materials as available.):

Four day national bmx race. Race is for riders and families to come and try out their skills against races from all over the North America. Racers compete for a 4x the normal amount of points awarded at a normal race.

City of Isanti
110 1st Avenue NW • PO Box 428 • Isanti, MN 55040 • Phone (763) 444-5512 • Fax (763) 444-5560

Proposed Location of the Event (be specific, site map also required):
Isanti Indoor Arena. Grass area to the east, south, west side of parking lot on east side of the pine trees and directly south of the skate park will used for team canopies. Grass area to the south of track will be used for vehicles, Rodeo grounds are for camping, additional parking per site map only.

Estimated Number of People in Attendance (includes staff, participants, and spectators):
2,000 people per day

Parking Impact – Describe in detail:
Parking shall be on paved surfaces and grass areas as noted on site map Some over flow may be at the Soccer parking lot as needed. No parking allowed at the Dog Park or Blue Park's main parking lot.

Tents, equipment, amusement rides, etc.
Type: BMX teams will bring their own pop up tents.
Size: 12'x12' up to 20'x20'
Location: South, west and east sides of the building. See detailed site map.

Are Fire Prevention or EMS needed? Please specify and if being provided, please identify the name or entity providing these services:
Off duty first responders will be on hand. Allina Heath Services Ambulance may be on site, unless they need to respond to another call.

Are you requesting any street closures? If yes, list streets:
East bound side of Isanti Pkwy will be shut down 9/11 thru 9/13 the hours listed above.

Restrooms (Portable) – Name or entity providing these services; and number of facilities to be provided. When other restroom facilities are not provided on-site or are limited; the applicant will need to pay for additional restroom facilities. For those events exceeding 75 persons, one (1) additional restroom shall be provided; for events exceeding 150 persons, two (2) additional restrooms shall be provided. For events exceeding 250; the Planning for Special Events-Usage Chart shall be used.

Absolute Portable Restrooms, Cambridge MN. Besides the existing bathrooms at the Isanti Indoor Arena, 10 portable bathrooms will be added around the outside of the building & 8 at camping area.

Security Plans – Name or entity providing these services. (A Police Officer is required if alcohol is being served or at the discretion of the Police Chief).
No alcohol will be served during this event. Security is not required.

Clean-up Plans – Describe in detail:
Rum River BMX volunteers will be cleaning up on the property. We will have a roll away dumpster to handle the garbage.

City of Isanti
110 1st Avenue NW • PO Box 428 • Isanti, MN 55040 • Phone (763) 444-5512 • Fax (763) 444-5560

Live entertainment – Describe in detail:
This will be live BMX pedal bike racing.

Will any other public addressing system or sound amplification be used? If so, describe:
Only sound audio system that will be used is the current indoor system.

If the event will be held on public property, please provide the following information: (1) Will tickets be sold for the event? (2) Is a donation of any kind required? (3) What is the purpose of the money that is collected?
Race fees are collected for riders on the track to cover cost of the event.

Depending upon the type of special event, some items may not be required or may be waived as part of the review process. Larger events may require additional information, in order to properly process the request.

APPLICANT SIGNATURE

I declare that the information I have provided on this application is truthful and I understand that falsification of answers on this application will result in denial of the application. -EVENT SPONSOR-
RELEASE AND INDEMNIFICATION AGREEMENT

City of Isanti

THIS IS A RELEASE OF LIABILITY INDEMNIFICATION AGREEMENT. SPECIAL EVENTS HOLDER MUST READ CAREFULLY BEFORE SIGNING.

In consideration for being permitted to engage in the following special event activities on property owned by the City of Isanti:
Bmx pedal bike Race Land O' Lakes National Located at the Isanti Indoor Arena on Sept 9th thru Sept 13th 2020.

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
BMX pedal bike racing.

(Special Events Holder Initials Here) BM

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☑ NO ☐

(Special Events Holder Initials Here) BM

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) LM

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) LM

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

MEMO

To: **Mayor Johnson & City Council Members**

From: Finance Director Betker

Date: September 1, 2020

Subject: 2021 Preliminary Budget and Levy Adoption

Background:

The proposed preliminary property tax levy is $2,987,163 and reflects an increase in the preliminary taxable market value for 2021 of 10.71%. The city will receive updated property tax values from the County in December.

The proposed preliminary property tax rate is 61.18%. An increase of 0.0% from 2020. The 15 year average tax rate from 2006 thru 2020 is 67.63%

As discussed in prior work sessions, other non-levy General Fund revenue sources have been adjusted to reflect prior year trends, rates per the fee schedule, and known agreements.

General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures thru June, actual maintenance agreements and contracted costs. All wages include a 3% COLA for 2021 and include the necessary step increases, where applicable. Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2020 and any necessary inflationary factor was applied. Health Insurance is projected to increase 5.0%. Final renewal numbers on Health Insurance scheduled to be available October 1st 2020.

Current Action:
Consider Resolution Setting the 2021 Final Budget and Levy Meeting
Consider Resolution Approving the 2021 Preliminary General Fund Budget for the City of Isanti
Consider Resolution Adopting the Proposed 2020 Tax Levy Collectible in 2021 for the City of Isanti

Proposed Tax Rate

A Community For Generations.

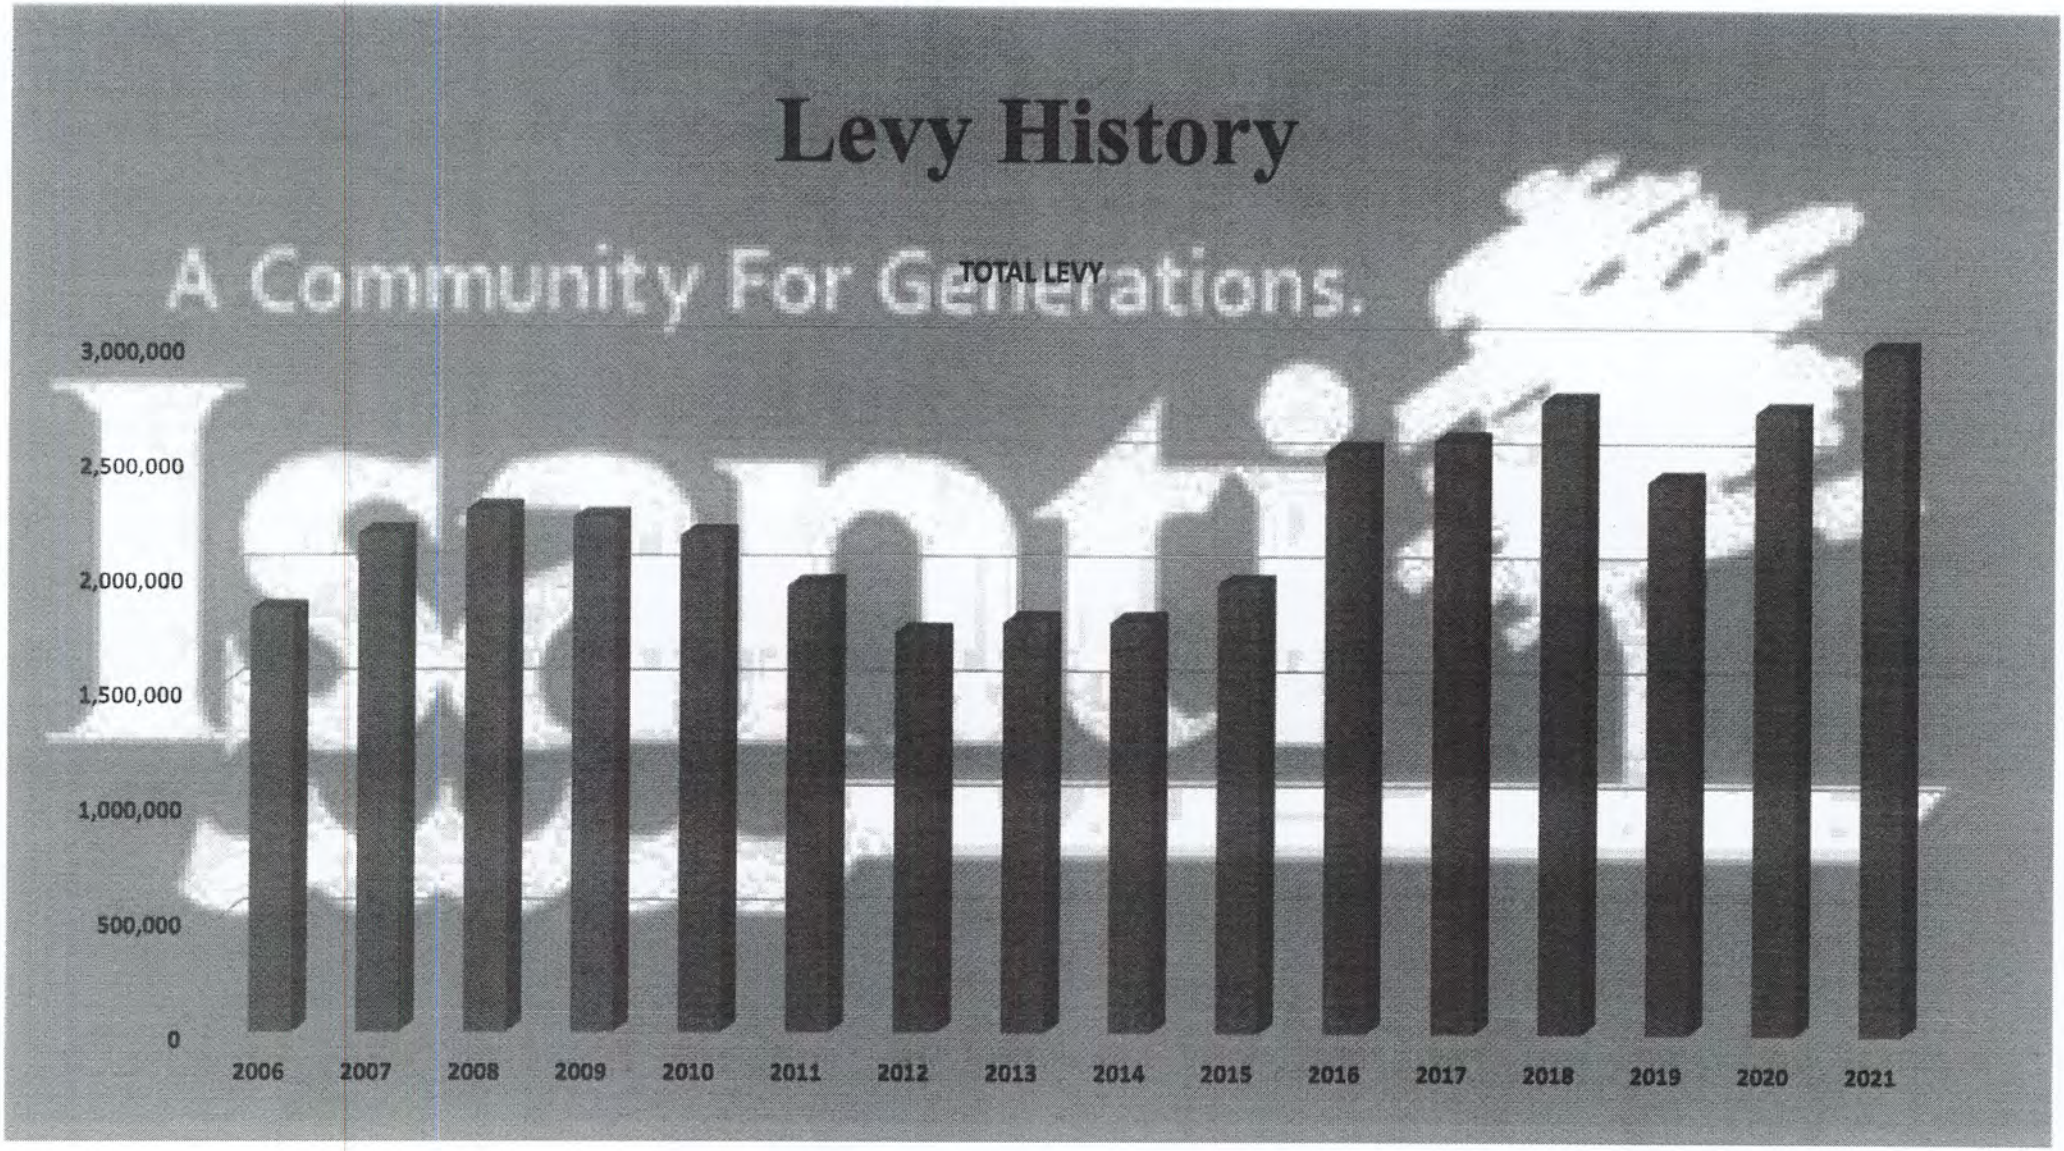
LEVY	2020	2021	CHANGE FROM PRIOR
TAX RATE	61.18%	61.18%	0.00%
AVG. TAX RATE - 2016-2020	74.77%		
AVG. TAX RATE - 2006-2020	67.63%		

Levy History



Tax Rate History

A Community For Generations.

Property Tax Calculation

A Community For Generations.

- Why Tax Rate Is More Important Than Levy Amount
- Levy Will Always go up over time
- Tax Rate Provides Better Comparison Between Cities and Years
- Property Value X Tax Rate = Property Taxes

RESOLUTION 2020-XXX

SETTING THE 2021 FINAL BUDGET AND LEVY MEETING

WHEREAS, before September 30, 2020, at the regularly scheduled meeting at which the City Council adopts a proposed tax levy, the City Council must also announce the time and place of the council meeting at which the budget and levy will be discussed and a final budget and levy will be determined; and,

WHEREAS, the time and place of the meeting that allows for citizen input and deals with the budget and levy must be included in the minutes; and,

WHEREAS, the following information must be provided to the county auditor:

- Time and place of one regular council meeting at which the budget and levy will be discussed and at which a final budget and levy will be determined
- Phone number that city taxpayers may call if they have questions related to the auditor's property tax notice.
- Address where comments will be received by mail;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the City Council has set the following meeting date at which the budget and levy will be discussed, and the final budget and levy will be determined.

   Tuesday, December 1, 2020 at 7:00 p.m.

2. That the City Clerk is hereby instructed to transmit a certified copy of this resolution to the County Auditor of Isanti County, Minnesota and provide the following information:

   a. Phone Number – Isanti City Hall, (763) 444-5512
   b. Mailing Address – Isanti City Hall, PO Box 428, Isanti, MN 55040

This resolution is duly adopted by the Isanti City Council this 1st day of September 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

RESOLUTION 2020-XXX

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: September 1st 2020
Subject: Resolution 2020-XXX Declaring the Official Intent of the City of Isanti to Reimburse Certain Expenditures from the Proceeds of Bonds to be Issued by the City

---

Background:
When bonds are issued preliminary expenditures such as engineering generally don't require a prior declaration of intent be made for the City to reimburse itself with bond proceeds. However, the intent to reimburse for hard costs does require that a declaration be made within 60 days.

This resolution would act as an insurance policy in case we incur costs ahead of the planned liquor store project that would not otherwise be reimbursable thru bond proceeds.

Furthermore the Council should expect that going forward staff intends to bring a "fill in the blank" version of this resolution forward at the first Council meeting of each year to be sure that the City always has all of its options available even in unexpected circumstances.

Recommendation:
Staff is recommending approval of the attached resolution.

Attachments:

- Res 2020-XXX Declaring The Official Intent Of The City Of Isanti To Reimburse Certain Expenditures From The Proceeds Of Bonds To Be Issued By The City

RESOLUTION 2020-XXX

DECLARING THE OFFICIAL INTENT OF THE CITY OF ISANTI TO REIMBURSE CERTAIN EXPENDITURES FROM THE PROCEEDS OF BONDS TO BE ISSUED BY THE CITY

WHEREAS, the Internal Revenue Service has issued Treas. Reg. § 1.150-2 (the "Reimbursement Regulations") providing that proceeds of tax-exempt bonds used to reimburse prior expenditures will not be deemed spent unless certain requirements are met; and,

WHEREAS, the City expects to incur certain expenditures that may be financed temporarily from sources other than bonds, and reimbursed from the proceeds of a tax-exempt bond; and,

WHEREAS, the City has determined to make this declaration of official intent ("Declaration") to reimburse certain costs from proceeds of bonds in accordance with the Reimbursement Regulations;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI AS FOLLOWS:

1. The City proposes to undertake the following projects (the "Projects"):
   Municipal Liquor Store Construction Project

2. The City reasonably expects to reimburse the expenditures made for certain costs of the Projects from the proceeds of bonds in an estimated maximum principal amount of the following:

	2020-2021 Budget
G.O. Abatement Bonds, Series 2021A Lease Revenue Bonds, Series 2021A	$3,325,000

The City may declare other separate statements of reimbursement intent in connection with specific public improvement projects as they are initiated under Minnesota Statutes, Chapters 475, 429 and 444, or for other capital projects, with the understanding that such additional declarations of reimbursement intent will supplement this resolution. All reimbursed expenditures will be capital expenditures, costs of issuance of the bonds, or other expenditures eligible for reimbursement under Section 1.150-2(d)(3) of the Reimbursement Regulations.

3. This Declaration has been made not later than 60 days after payment of any original expenditure to be subject to a reimbursement allocation with respect to the proceeds of bonds, except or the following expenditures: (a) costs of issuance of bonds; (b) costs in an amount not in excess of $100,000 or 5 percent of the proceeds of an issue; or (c) "preliminary expenditures" up to an amount not in excess of 20 percent of the aggregate issue price of the issue or issues that finance or are reasonably expected by the City to finance the project for which the preliminary expenditures were incurred. The term "preliminary expenditures" includes architectural, engineering, surveying, bond issuance, and similar costs that are incurred prior to commencement of acquisition, construction or rehabilitation of a project, other than land acquisition, site preparation, and similar costs incident to commencement of construction.

4. This Declaration is an expression of the reasonable expectations of the City, based on the facts and circumstances known to the City as of the date hereof. The anticipated original expenditures for the Projects and the principal amount of the bonds described in paragraph 2 are consistent with the City's budgetary and financial circumstances. No sources other than proceeds of bonds to be issued by the City are, or are reasonably expected to be, reserved, allocated on a

long-term basis, or otherwise set aside pursuant to the City's budget or financial policies to pay such Project expenditures.

5. This Declaration is intended to constitute a declaration of official intent for purposes of the Reimbursement Regulations.

This Resolution is hereby approved by the Isanti City Council this 1st day of September 2020.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF FULL-TIME POLICE OFFICER TO MICHAEL GLAVAN

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a Full-Time Police Officer position; and,

WHEREAS, the Chief of Police and Human Resources selected Michael Glavan as the most qualified candidate for an open Full-Time Police Officer position; and,

WHEREAS, the candidate's offer is contingent on successfully completing and passing a Police Officer background investigation, medical evaluation, drug test and psychological evaluation;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources has offered the Full-Time Police Officer position to Michael Glavan for the City of Isanti and that he shall be eligible to start in that position after successful meeting all conditions of pre-employment evaluations.
2. That Michael Glavan shall start at Step 5 of the Wage Scale at $34.51 per hour.
3. That Michael Glavan shall be on probationary status per the Personnel Policy in the position of the Full-Time Police Officer position.
4. Michael Glavan's start date is effective on or after September 1, 2020, and will be determined when all above conditions have been met and paperwork is completed.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 1st day of September 2020.

Request for City Council Action- MEMO

To: **Mayor Johnson and Members or City Council**
From: Matt Sylvester, Public Services Director
Date: September 1, 2020
Subject: Resolution Terminating the Buyback Agreement with Crawford's Equipment

---

Background
In 2018 the City of Isanti entered into a Buyback Agreement with Crawford's Equipment. The program consisted of trading our skid steers in each year with an annual cost of $5,400.00 for two machines. Staff reached out to Crawford's Equipment and was informed that they no longer make our current model and that there had been a significant price increase on the model that would be replacing it. The quote received was $6,650.00 for each machine.

Recommendation:
Staff is recomending that we terminate the Buyback Program with Crawford's Equipment because of the price increase and put the skidsteers into the Capital Improvement Plan for replacement.

Requests:
Staff is requesting action on this item.

Attachment:
- Resolution 2020-XXX

RESOLUTION 2020-XXX

TERMINATING THE BUYBACK AGREEMENT WITH CRAWFORDS EQUIPMENT

WHEREAS, in 2018 the City of Isanti had entered into a Buyback Agreement with Crawford's Equipment to purchase new skid steers with an annual cost of $5,400.00 for two machines; and,

WHEREAS, staff reached out to Crawford's Equipment and was informed that they do not make our current model and that there would be a significant price increase; and,

WHEREAS, the current price would be $6,650.00 for each machine; and,

WHEREAS, staff will add to the CIP for future replacement; and,

WHEREAS, because of the price increase, it is no longer in the City's best interest to continue with the Buyback Program;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the City terminate the Buyback Program with Crawford's Equipment and add to the CIP for future replacement.

This resolution was duly adopted by the Isanti City Council this 1st day of September, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 1, 2020
Subject: Development/Subsidy Agreement - Swanees Trucking LLC

Background:
The EDA owns property located at XXX West Dual Blvd (PID 16.125.0020) and has this property for sale for $1. The subject property is a certified Shovel Reay Site. The subject site is zoned Industrial and is ready for development. Swanees Trucking LLC is a trucking company looking for space to expand their office and maintenance shop. They have been in operation since 2015 and are currently located in the city of Coon Rapids. They will be start out with 12 employees (including contract employees) with the plan to increase 35 employees as their business expands.

The EDA held a public hearing at the August 18, 2020 EDA meeting. There was no one from the public present for this item. The EDA recommends approval of the sale and the development/subsidy agreement.

Request:
Approval of development/subsidy agreement

Attachments:
- Development/Subsidy Agreement

CITY OF ISANTI

DEVELOPMENT AND SUBSIDYAGREEMENT FOR SWANEES TRUCKING LLC

This Agreement (hereinafter the "Agreement") is dated as of this 18th day of August, 2020 and is by and between the **City of Isanti**, a Minnesota municipal corporation (the "**City**") and **Swanees Trucking LLC**, a limited liability company under the laws of Minnesota (the "**Developer**").

1. Subject Property. Developer is, or will be, the owner of the Subject Property legally described as Lot 00A, Isanti Centennial Complex 3rd Rearrangement, County of Isanti, State of Minnesota, PID Number 16.125.0020, located at XXX East Dual Blvd. N.E., Isanti, MN 55040. Sale of the Subject Property by the City to Developer at a price below market value is the subsidy contemplated by this Agreement.

2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:

   a. The Developer's Execution of this Agreement. That the Developer enter into this Agreement.

   b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property.

   c. Proof of Authority. That the Developer provide proof that the governing boards or manager of the Developer authorized the Developer's execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board that grants such authority.

   d. Site Plan. That Developer's site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.

3. The Plans. The term "Plans" as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review; (b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

   a. Sanitary sewer
   b. Water
   c. Storm drainage facilities
   d. Stormwater maintenance
   e. Parking lot
   f. Concrete curb and gutter
   g. Lot grading
   h. Landscaping

5. Financial Guaranty for Required Private Improvements. The Developer shall provide a financial guarantee to the City guaranteeing the construction of the Required Private Improvements, and their timely completion. The Developer shall be responsible for a financial guarantee in the amount of **($_____.00),** which amount is 125% of the City Engineer's estimated cost of the Required Private Improvements. Upon completion of Improvements (including the removal of "temporary" erosion control measures as identified in the approved Grading Plan), acceptance by the City, supported by appropriate lien waivers, the Developer may request a reduction in the amount of the financial guarantee.

6. Inspection Fees for the Required Private Improvements. The Developer shall provide an inspection fee to the City to inspect the Required Private Improvements. The Developer shall be responsible for an inspection fee in the amount of **($_____.00)**, which amount is 5% of the City Engineer's estimated cost of the Required Private Improvements. The inspection fee must be in the form of a cash escrow. The balance in the escrow will be refunded upon completion of the Required Private Improvements, acceptance by the City.

7. Maintenance Guarantee for Landscaping. The Developer shall provide the City a maintenance guarantee to ensure the survival of the plantings. Said maintenance guarantee shall consist of cash or a Letter of Credit, approved as to form by the City, in the amount of $_____ [# plantings (XX trees) x cost/planting ($300/tree x 30% average non-survival rate, (XX shrubs) x cost/planting $75/shrub x 30% average non-survival rate], which shall be in effect for a two-year period commencing on the date of the City's acceptance of said plantings as part of the Required Private Improvements.

At the end of the two-year period, the maintenance guarantee shall be returned to the Developer. The determination that all plantings that have been planted in accordance with the Site Plan have either survived or have been replaced shall be made by the City. In the event the Developer fails to maintain the required plantings for a two-year period, the City Council may order the replacement of plantings with City day labor and/or by letting contracts and draw upon the escrow for payment. Only the City Council shall have the authority to direct replacement of the plantings and withdraw from the escrow account. The Developer hereby grants permission and a license to the City and/or its contractors and assigns to enter upon the Site for the purpose of replacing plantings in the event of the Developer's default.

8. Payment of Development Fees. The Developer must pay to the City the fees described on Exhibit A which may include, but are not limited to, Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees.

9. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

   a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with Minnesota Statutes chapter 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and

procedural objections or defenses the Developer may have to such special assessments;

b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;

c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and

d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

10. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. Pursuant to the City's appraisal, the Subject Property is valued at $125,000. The City sold the Subject Property to Developer for $1. The value of the subsidy is the difference between the appraisal value and the purchase price.

b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

c. Subsidy Goals. Developer shall create a minimum of 12 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.

d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.

e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.

11. Miscellaneous.

a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

c. Compliance with Laws and Regulations. If the City determines that the site plan does not comply with all City, State and Federal laws and regulations, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.

d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.

e. Boulevard and Wetland Restoration. The Developer shall be responsible for the cost of restoring all areas disturbed by the development grading operation in accordance with the approved Grading and Erosion Control plan. The Developer shall be responsible for the cost of cleaning any soil, earth, or debris from the wetlands within and adjacent to this Subject Property resulting from grading performed in the development of the Subject Property.

f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.

g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the

right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

i. Plat Approval Expenses. Not applicable.

j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.

k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City's Building Official, which authorizes the structure to be used for its intended purposes.

l. Notices. Required notices shall be in writing, and shall be either hand delivered to the Parties, its employees or agents, or mailed to them by certified or registered mail at the following address:

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
August 25, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:01 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, and Council Member Jimmy Gordon
Members Absent: Brian Thum
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Gordon with no modifications. Motion passed 3-0

2. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from July 28, 2020. Motion passed 3-0.

3. Park Visits Reports Review: Garvey explained that at the July 28, 2020 PRC Board meeting, all board members handed in their assigned park visits and staff has drafted a compilation of each members parks for review and to further discuss items and invited the PRC Board for their input and for prioritization of projects. Aaron Zdon reviewed Academy and Whisper Ridge. His findings for Academy was an overall rating of 5 and items he noted were to rake at landings of swings and slides. Garvey noted that this is battle at most of our playgrounds and that some of them have rubber mats at the slide to assist with this item. Zdon also noted another item is possible better ADA access from the road. Staff noted that they will look at this into more detail as this was not done with the original project as the park area was first developed for the school and that has ADA access via the sidewalk into the park area. Zdon noted for Whisper Ridge an overall rating of 2 and items noted were surface cracks on court, ridges and cracks from roots along trails leading into park area he also wants to ensure we discuss the future of the park in more detail in the near future on the cost to repair vs. cost to remove and replace with green space. Witte asked about a rubberized option for courts and the cost and longevity. Zdon stated we hasn't sure what that would be, Garvey also noted she was not aware of what that cost or option would entail. For tennis court repair the subsurface is what would also need to be replaced to ensure a better surface area. Garvey noted that the Whisper Ridge has a CIP plan and wasn't sure what the timeframe or items were on this park. Brian Thum had reviewed Legacy, Mattson and VFW parks. Thum noted for Legacy an overall rating of a 5 and noted these items of encroaching vegetation by FV overlook bench and stairs. Tree limb by Sunnyside landing had fallen and he requests to move the large park sign closer to the parking lot. Garvey noted that these items will be addressed by public works and are in the short-term plan and the sign was actually in the process of getting moved into the new location now that the parking lot is nearly finished. Garvey also noted that we had a map sign and that has also been returned to the park entrance along the trailhead. Thum also visited Mattson and gave an overall rating of a 3 and had nothing to note for this park. The board wondered the rating of a 3 as they all felt the park was in pretty good shape. For VFW park Thum gave an overall rating of a 4 and had nothing to note for this park. James Witte reviewed River Bluff Preserve, Rum River Meadows, and Isanti Hills Neighborhood (IHN) parks. Witte's findings for River Bluff Preserve were an overall rating of a 4 and items noted were the trails need a good cleaning, as habitat starts to move in on trails in between the steps and s curve. Steps could use the blower for debris. Witte inquired what rock base they use on the steps and to note that this shouldn't be removed when cleaning up the stairs. Branch on south zig/zag trail to look at for possible falling hazard. He noted for Rum River Meadows an overall rating of a 4 and items noted are wood chips kicked out by bench swing. Witte recommend a concrete border around playground. Garvey added that this project was actually completed two weeks ago and was our last playground area to have this completed, which we had on our project list to do. Witte also noted weed control in wood chips. Witte noted for IHN

an overall rating of a 3, and items noted were outdated park, damage to end slide piece. Various carving and scratches on equipment due to vandalism, the mulch looked aged and the pavilion showed no signs of damage. Garvey noted that this park is an example of what staff has mentioned at previous meetings regarding outdated playground equipment and that we can no longer get replacement parts for this playground. Witte added a comment about the volleyball net at Rum River Meadows has a hole and this court does not seem to get used. Garvey added that a volleyball court too often is not on a grass surface and that when Bluebird park was developed this park had that as an option and wasn't installed, and then when the additional lots were secured for RRM it was decided that one could be added to this park area to have one within our park system. Jimmy Gordon reviewed Bluebird, Riverside and Unity parks. Gordon findings for Bluebird were an overall rating of a 5 and items noted were swing chair could use some oil/grease, repaint hopscotch, missing garbage can by pavilion, and a merry-go-round addition was suggested. Garvey noted that many swings in the system squeak and have added this to the maintenance list, and continued that the city has stencils for the other items but not the hopscotch one and will look at end of year budget to see if we can purchase one to have. Gordon reviewed Riverside with an overall rating of a 4 and items noted were black residue on sides of stairs and platform and weeds in tot area in wood chips. Gordon noted for Unity an overall rating of a 4 and items noted were bleachers should be painted and/or boards replaced. Garvey indicated that the bleachers are in the 2021 CIP and will get replaced next year. Garvey then reviewed these items for prioritization:

Short-Term and Immediate Maintenance Projects:

- Academy: Rake mulch
- Bluebird: swing grease/oil, garbage can replacement(ongoing)
- Isanti Hills Neighborhood: mulch
- Legacy: sign to be moved when parking lot is complete and additional map sign to be brought back (completed August)
- Riverside: weeds removed from tot area and residue removal.
- Rum River Bluff Preserve: cut vegetation along trails, debris removal from steps
- Rum River Meadows: concrete edging project completed Aug 10; weeds removed from mulch.

Long-Term Projects:

- Ramp access at Academy from road
- Unity: Bleachers – 2021 CIP
- Discuss future of Whisper Ridge – resurface courts? Larger park overhaul?
- Bluebird Hopscotch – new stencil needed, end of year budget item to review

4. Tree Plan Review- Garvey reviewed the city does not have a tree plan in place, but staff is in the process of researching this in more detail and will bring back to a future meeting. The city has 11 parks and several of these parks are newer and have less trees than other more established parks. The parks that staff recommends to look at in more detail are: Academy, Bluebird, Riverside and Rum River Meadows. This fall PW will be creating the sledding hill in the northwest corner of Bluebird park on the existing hillside. With the addition to the hillside, trees need to be removed on the top of the hill and moved to a new location. Tree moving cost is estimated at $600 for the three trees. Staff is requesting recommendations for tree movement within Bluebird of the three trees that need to be moved for the sledding hill. Garvey reviewed the options within Bluebird to move the trees to bench areas to provide shade and provided pictures for the board to review. Zdon added that when Bluebird was first planned there was a tree plan put in place and it stopped with the crash in the market and to review this plan and the budget implications. Zdon added that they be moved to the play area and the bench areas. Witte asked about Rum River Meadows and that this has a couple of trees within the park area but on the north side of the park and inquired if that moving one to RRM be an option. Zdon asked the budgeting and plan for future years, Garvey noted that she has not started that process and that this was the start and we needed to just move these three trees at this time. It was noted that the bench in RRM on the west end would be the most beneficial to have a tree placed to provide shade. The board reviewed the Bluebird park

option to move the tree to the north bench and the west bench. Staff added that the west bench may not have enough space to plant a new tree, so asked if that was not an option what the next option they would like to see a tree be placed. Zdon suggested to shade the biffys on the north end. Gordon asked if bringing another tree to RRM would be an option. Zdon asked if it was still well used and indicated to add the other tree to provide a shade tree for the picnic tables. Direction was to have two trees at RRM, if the tree on the west side of BB playground would not be a viable option.

5. Department Updates – Garvey reviewed she does not have any updates at this time on the Fir Street item. Garvey created a new promotional event flyer that she gave to the board. Curious Creatures was held on August 11 with the Ice Creme theme with 10 kids at Mattson Park. Street Dance was held August 8th with Brat Pack Radio with 10 vendors and an additional alcohol vendor that was approved by city council. Attendance was a bit more than July's and this dance followed the Rum River Rods Car Show that was during the day. The dog park is being well used and new amenities have been added from our donation from the Rotary Club of Cambridge & Isanti. Staff is making a plaque to be place within the park. Bluebird park has had some vandalism in the past few weeks. A tunnel piece on the playground was damaged and a replacement part has been ordered and hope to have by end of September. The bathrooms on the south end of the BMX building have been vandalized twice in the last couple of weeks and they have been temporarily closed as we fix the hand dryer. The skate park had a few boards replaced that were damaged. The movie schedule has been created and movies picked the schedule will be Nov 6 – The Mighty Ducks 2; Dec 11 – The Polar Express; which we will include a Santa visit this night before the movie, which council approved at their Aug 5 meeting; Jan 22 – Frozen II; Feb 19 – Cars; and Mar 26- The Sandlot which I was not able to show this past March so bringing it back. The Isanti Family Farmers Market continues through Sept 25, Friday's from 2-6pm. The other upcoming events and projects are: the sledding hill project starting Sept 8; Family Day at Legacy Park – Sunday Sept 27 from 3-5pm to include, hiking, smores, and family photos and prize drawings from C-I Hockey Assc, CMK Financial Services, Connexus Energy, Coborn's Marketplace, Isanti Physical Therapy, Rockstad and Co. Relics & Wares), new event of a Candy Cane Flashlight Hunt – Sunday Dec 13 from 5-6:30pm at Legacy Park and the monthly Curious Creatures 9-10am Sept 15 – Back to School at Isanti Hills Neighborhood Park; Oct 6 - Police/Fire, Nov 10 – Gobble, Gobble and Dec 8 – Santa Fun all at Isanti Community Center. Garvey added that she creates Facebook events for the department on the city page. Legacy park parking lot is nearly completed. The community garden's sunflower maze is in full bloom and the maze is available for the gardeners to walk through.

Adjournment: Motion by Witte, second by Gordon to adjourn the August 25, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 3-0, meeting adjourned at 6:48 p.m.

Respectfully Submitted

I. Council Committee Reports

Councilor Lundeen shared that the Isanti Fire District received their new fire truck. Lundeen further shared that the Fire District has shared what they are requesting for PPE.

Councilor Bergley thanked Isanti-Chisago Star Newspaper for printing the council's article in the newspaper.

J. Public Hearings

None

K. Business Items

1. Resolution 2020-153 Approving Expenditure Allocations for Coronavirus Relief Funds

City Administrator Josi Wood shared that staff worked diligently to see what items would be covered for the city. Outlined items include payroll reimbursement for eligible staff for $100,000, PPE, testing, public safety and health expenses for $24,000, Emergency management and EOC expenses for $147,000, IT, technology and software support for $82,000 with a remaining balance of $101,377. Wood stated that staff is looking for direction for how much should go to Isanti Fire District for PPE and how much should go towards Economic Business Relief. Wood further shared that Isanti Fire District has requested $8,000 for PPE.

PPE and audio/ visual for distance learning for Station #1 for $24,000 and Economic relief grants for businesses and non-profits up to $5,000 each.

City Administrator Josi Wood stated the grant funds will be first come first served at the money could potentially run out.

Motion by Bergley, second by Lundeen for $24,000 for PPE and audio/visual for distance learning for Isanti Fire District and $77,377 for economic relief for businesses and non-profits up to $5,000 and authorize City Administrator Josi Wood to discuss with Fire Chief Al Jankovich expenses and what to purchases for the Isanti Fire District. Motion passed 4-0. Motion carried.

2. Resolution 2020-154 Approving Isanti Relief Business Grant Program

Community Development Director Sheila Sellman shared this is a grant program for the businesses that were affected by Covid-19 and the Executive Order 20-04 and 20-08. The grant is for up to $5,000 and the business would need to demonstrate why they need to money and what it will be spent on. Once the first applications have been gone through, if there is money left over, businesses can reapply again to receive more money.

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 4-0. Motion carried.

3. Resolution 2020-XXX Variance request for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway

Community Development Director Sheila Sellman shared that this is for a variance request at 201 Broadway for the applicant to exceed code requirements for a detached accessory structure. Currently, city code limits detached accessory structures to 580 square feet and the accessory structure cannot exceed the size of the house. The applicant at 201 Broadway did submit an application in May and it was denied because it exceeded two code requirements but the applicant went ahead and put the foundation in anyway. The Planning Commission held a public hearing and one person spoke and said they were in

favor of it. The applicant was in attendance at the public hearing and answered a couple questions and is now asking for a variance for a project that has already been started that was denied. Planning Commission recommended denial 4-2 and staff also recommends denial of the variance.

Councilor Lundeen stated that council did give the applicant ideas for him to move forward such as adding onto the house or attaching the garage to the house.

Motion by Lundeen, second by Johnson to deny the variance. Motion did not pass as vote was 2-2 with Gordon and Bergley voted nay.

Consideration of variance request for 201 Broadway will be postponed to the September 15th city council meeting.

City Administrator Josi Wood

4. **Resolution 2020-155** Approving a Special Event Permit Application for Rum River BMX to Host 2020 USABMX Land O' Lakes National Event *(Larry Merchlewitz and Sean Wilson)*

Larry Merchlewitz shared that this is a 3-day national where riders will be getting 4 times the amount of points then they normally get at any race. The permit asks for Isanti Parkway to be closed on in front of Rum River BMX. Camping will be designated to the rodeo grounds as it is a bigger event and all parking fees will be split with the city. The permit also includes a sign permit for a banner to be put up in front of Isanti Equipment.

Motion by Lundeen, second by Bergley to approve the resolution as presented. Motion passed 4-0. Motion carried.

Finance Director Mike Betker

5. **Resolution 2020-156** Setting the 2021 Final Budget and Levy Meeting
6. **Resolution 2020-157** Approving 2021 Preliminary Budget for the City of Isanti
7. **Resolution 2020-158** Adopting the Proposed 2020 Tax Levy Collectible in 2021 for the City of Isanti

Finance Director Mike Betker shared the proposed preliminary property tax levy is $2,987,163 and reflects an increase in the preliminary taxable market value for 2021 of 10.71%. The city will receive updated property tax values from the County in December. The proposed preliminary property tax rate is 61.18%. An increase of 0.0% from 2020. The 15 year average tax rate from 2006 through 2020 is 67.63%. Betker further shared that General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures through June, actual maintenance agreements and contracts costs. All wages include a 3% COLA for 2021 and include the necessary step increases, where applicable. Dental insurance, Worker's Compensation, Property/ Liability/ Volunteer Insurance, and Life/ AD&D Insurance have all been adjusted to reflect premiums paid in 2020 and any necessary inflationary factor was applied. Health Insurance is projected to increase 5.0%. Final renewal numbers on Health Insurance scheduled to be available October 1st 2020.

Motion by Lundeen, second by Bergley to approve K.5, K.6 and K.7. Motion passed 4-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $273,260.55 Payroll in the Amount of $104,795.79

2. **Resolution 2020-159** Approving Application for Exempt Gambling Permit for St. Elizabeth Ann Seton Church
3. **Resolution 2020-160** Declaring the Official Intent of the City of Isanti to Reimburse Certain Expenditures from the Proceeds of Bonds to be Issued by the City
4. **Resolution 2020-161** Offering the Position of Full-Time Police Officer to Michael Glavan
5. **Resolution 2020-162** Offering the Position of Full-Time Police Officer to Jordan Lund
6. **Resolution 2020-163** Terminating the Buyback Agreement with Crawfords Equipment
7. Development/Subsidy agreement for Swanee Trucking
8. **Resolution 2020-164** Authorizing a Reduction in the Letter of Credit for Legacy Pines Second Addition and Moving the Balance to Legacy Pines 3rd Addition Phase One

Motion by Lundeen, second by Bergley to approve Consent Agenda with the modification of adding L.8. Motion passed 4-0. Motion carried.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: September 15, 2020
Subject: Resolution 2020-XXX Variance request for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway.

Request: The applicant Scott Zimprch is requesting a variance to build a 580 square foot detached garage in the R-2 zoning district, which exceeds the size of the primary structure.

Overview/Background
The Council considered the request at the September 1, 2020 meeting, 6 council members were present with one absent. The applicant was not present at the meeting. The Council had a tie vote and postponed the action to the next meeting. Staff notified the applicant in writing of the postponement.

On May 12, 2020 the applicant applied for a building permit to construct a detached garage at 720 square feet. On May 14, 2020 the Community Development Director (CDD) e-mailed him and explained that the proposed garage exceeds the size limit according to city code. He e-mailed back with some questions and the last correspondence was an e-mail sent by the CDD on May 25th outlining his options which included the following:

1) Build the detached garage at 580 square feet and there are no other steps
2) Build the garage attached to the house and it can possibly be bigger but can't exceed the size of the house
3) Apply for a variance - I have attached the application and calendar. This will take a public hearing at the Planning Commission and properties within 350' of your property will be noticed as well as a notice in the paper. The Planning Commission makes a recommendation to the City Council. Please call me if you would like to discuss.

On July 13, 2020 a stop work order was issued for this property because a building permit was never issued. The garage foundation has already been poured. This was never approved.

City Code defines Accessory Structure as A subordinate attached or detached building located on the same lot as the principal building, of which the use is incidental and accessory to the use of the principal building. Therefore, in addition to the variance for the size limit of 580 square feet, the garage can not exceed the size of the house, the applicants house is 624 square feet. Section 13 Article four has a maximum detached accessory structure limit of 580 square feet for parcels that are less than one acre.

In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *An accessory structure larger than the primary structure and larger than what is permitted by code in not a reasonable use of the land.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owner by starting the work without a permit and not meeting size requirements.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for an accessory structure to exceed the size of the primary structure does alter the essential character.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Planning Commission Recommendation:
The Planning Commission held a pubic hearing on August 18, 2020. The applicant was present for the meeting and was there to answer questions. One member from the public spoke in favor of the variance. The Planning Commission recommended denial of the variance with a 4-0 vote.

Staff Recommendation:
Staff recommends denial of the variance because the proposed garage is not in harmony with the general intent of the ordinance and does not meet the practical difficulties. In addition, the applicant started the work without a permit when he was specifically told the proposed garage is too big.

RESOLUTION 2020-XXX

A RESOLUTION DENYING A VARIANCE REQUEST FOR AN ACCESSORY STRUCTURE TO EXCEED 580 SQUARE FEET AT 201 BROADWAY STREET SE

WHEREAS, Scott Zimprich, (the applicant) has applied for a variance to the accessory structure limit of 580 square feet.

WHEREAS, The Planning Commission held a public hearing at the August 18, 2020 regular meeting; and,

WHEREAS, the Planning Commission is recommending denial of the request; and,

WHEREAS, The City of Isanti City Council reviewed the request during the regularly scheduled meeting of September 1, 2020 and postponed to the September 15, 2020 meeting; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota, that it adopts the Findings of Fact and Conclusion related to the requested variance and is hereby denied.

Adopted by the City of Isanti City Council on this 15th day of September, 2020.

Prepared by Community Development Director Sheila Sellman

Request
Request from Scott Zimprich for a variance to build a 580 square foot detached garage in the R-2 zoning district, which exceeds the size of the primary structure and accessory structure size limits.

Findings of Fact
1. Scott Zimprich submitted a building permit on May 12, 2020 for a detached 720 square foot garage.
2. On May 14, 2020 the Community Development Director e-mailed and explained that the proposed garage exceeds the size limits according to City Code and the permit was not issued.
3. On July 13, 2020 a stop work order was issued for the property, as construction of the garage started without a permit.
4. The property is located at 201 Broadway Street SE
5. The subject site is zoned R-2 single family residential
6. Section 13, Article four of the Zoning Code limits detached accessory structures to 580 square feet for parcels less than one acre in size
7. Section 2 of the Zoning Code defines Accessory Structure as A subordinate attached or detached building located on the same lot as the principal building, of which the use is incidental and accessory to the use of the principal building.
8. A public hearing date before the Planning Commission was scheduled for Tuesday August 18, 2020 following the City Council meeting at City Hall within the Council Chambers.

Conclusions
In review of the standards established within Section 21 Administration and Enforcement, Article 5 Variances, Subdivision 4 Procedures (D), the following conclusions have been made (*conclusions to each requirement are shown in italics)*:

An application for a variance shall not be approved unless the variance, if permitted, is in harmony with the general purposes and intent of the ordinance and is consistent with the Comprehensive Plan and findings are made that failure to grant the variance would result in practical difficulties on the applicant. Practical difficulties used in connection with the granting of a variance, means that the property owner meets all of the following criteria:

A. The property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance. *An accessory structure larger than the primary structure and larger than what is permitted by code in not a reasonable use of the land.*

B. The plight of the landowner is due to circumstances unique to the property and has not been caused by the landowner. *This property is not unique and the circumstances are directly caused by the owner by starting the work without a permit and not meeting size requirements.*

C. A variance, if granted, will not alter the essential character of the locality. *Granting a variance for an accessory structure to exceed the size of the primary structure does alter the essential character.*

D. Practical difficulties include but are not limited to, inadequate access to direct sunlight for solar energy systems.
Not applicable.

E. Economic considerations alone do not constitute practical difficulties.
Economic considerations do not play a role in this situation

Decision

The Planning Commission reviewed the request in a public hearing on August 18, 2020. The meeting minutes shall be made a part of the Findings of Fact and Conclusion. Motion by Johnson, second by Collison to deny the variance request. Motion passed 4-2. Gordon and Simon opposed.

The City Council reviewed the request a regularly scheduled meeting on September 1, 2020, the council voted 2 approving the variance and 2 denying the variance, therefore the council postponed the request to the September 15, 2020 meeting. The applicant was not present at the September 1, 2020 meeting and was notified by mail of the proceedings.

LEAGUE of MINNESOTA CITIES

INFORMATION MEMO

Land Use Variances

Learn about variances as a way that cities may allow an exception to part of their zoning ordinance. Review who may grant a variance and how to follow and document the required legal standard of "practical difficulties" (formerly called "undue hardship").

RELEVANT LINKS:

I. What is a variance

A variance is a way that a city may allow an exception to part of a zoning ordinance. It is a permitted departure from strict enforcement of the ordinance as applied to a particular piece of property. A variance is generally for a dimensional standard (such as setbacks or height limits). A variance allows the landowner to break a dimensional zoning rule that would otherwise apply.

Sometimes a landowner will seek a variance to allow a particular use of their property that would otherwise not be permissible under the zoning ordinance. Such variances are often termed "use variances" as opposed to "area variances" from dimensional standards. Use variances are not generally allowed in Minnesota—state law prohibits a city from permitting by variance any use that is not permitted under the ordinance for the zoning district where the property is located.

Minn. Stat. § 462.357, subd. 6.

II. Granting a variance

Minn. Stat. § 462.357, subd. 6.

Minnesota law provides that requests for variances are heard by a body called the board of adjustment and appeals; in many smaller communities, the planning commission or even the city council may serve that function. A variance decision is generally appealable to the city council.

Minn. Stat. § 462.357, subd. 6.

A variance may be granted if enforcement of a zoning ordinance provision as applied to a particular piece of property would cause the landowner "practical difficulties." For the variance to be granted, the applicant must satisfy the statutory three-factor test for practical difficulties. If the applicant does not meet all three factors of the statutory test, then a variance should not be granted. Also, variances are only permitted when they are in harmony with the general purposes and intent of the ordinance, and when the terms of the variance are consistent with the comprehensive plan.

This material is provided as general information and is not a substitute for legal advice. Consult your attorney for advice concerning specific situations.

III. Legal standards

When considering a variance application, a city exercises so-called "quasi-judicial" authority. This means that the city's role is limited to applying the legal standard of practical difficulties to the facts presented by the application. The city acts like a judge in evaluating the facts against the legal standard. If the applicant meets the standard, then the variance may be granted. In contrast, when the city writes the rules in zoning ordinance, the city is exercising "legislative" authority and has much broader discretion.

A. Practical difficulties

"Practical difficulties" is a legal standard set forth in law that cities must apply when considering applications for variances. It is a three-factor test and applies to all requests for variances. To constitute practical difficulties, all three factors of the test must be satisfied.

1. Reasonableness

The first factor is that the property owner proposes to use the property in a reasonable manner. This factor means that the landowner would like to use the property in a particular reasonable way but cannot do so under the rules of the ordinance. It does not mean that the land cannot be put to any reasonable use whatsoever without the variance. For example, if the variance application is for a building too close to a lot line or does not meet the required setback, the focus of the first factor is whether the request to place a building there is reasonable.

2. Uniqueness

The second factor is that the landowner's problem is due to circumstances unique to the property not caused by the landowner. The uniqueness generally relates to the physical characteristics of the particular piece of property, that is, to the land and not personal characteristics or preferences of the landowner. When considering the variance for a building to encroach or intrude into a setback, the focus of this factor is whether there is anything physically unique about the particular piece of property, such as sloping topography or other natural features like wetlands or trees.

RELEVANT LINKS:

3. Essential character

The third factor is that the variance, if granted, will not alter the essential character of the locality. Under this factor, consider whether the resulting structure will be out of scale, out of place, or otherwise inconsistent with the surrounding area. For example, when thinking about the variance for an encroachment into a setback, the focus is how the particular building will look closer to a lot line and if that fits in with the character of the area.

B. Undue hardship

2011 Minn. Laws, ch. 19, *amending* Minn. Stat. § 462.357, subd. 6.

"Undue hardship" was the name of the three-factor test prior to a May 2011 change of law. After a long and contentious session working to restore city variance authority, the final version of HF 52 supported by the League and allies was passed unanimously by the Legislature. On May 5, Gov. Dayton signed the new law. It was effective on May 6, the day following the governor's approval. Presumably it applies to pending applications, as the general rule is that cities are to apply the law at the time of the decision, rather than at the time of application.

Krummenacher v. City of Minnetonka, 783 N.W.2d 721 (Minn. June 24, 2010).

Minn. Stat. § 462.357, subd. 6.
Minn. Stat. § 394.27, subd. 7.

See Section I, *What is a variance.*

The 2011 law restores municipal variance authority in response to a Minnesota Supreme Court case, *Krummenacher v. City of Minnetonka*. It also provides consistent statutory language between city land use planning statutes and county variance authority, and clarifies that conditions may be imposed on granting of variances if those conditions are directly related to, and bear a rough proportionality to, the impact created by the variance.

In *Krummenacher*, the Minnesota Supreme Court narrowly interpreted the statutory definition of "undue hardship" and held that the "reasonable use" prong of the "undue hardship" test is not whether the proposed use is reasonable, but rather whether there is a reasonable use in the absence of the variance. The new law changes that factor back to the "reasonable manner" understanding that had been used by some lower courts prior to the *Krummenacher* ruling.

The 2011 law renamed the municipal variance standard from "undue hardship" to "practical difficulties," but otherwise retained the familiar three-factor test of (1) reasonableness, (2) uniqueness, and (3) essential character. Also included is a sentence new to city variance authority that was already in the county statutes.

See Section IV-A, *Harmony with other land use controls.*

RELEVANT LINKS:

C. City ordinances

Some cities may have ordinance provisions that codified the old statutory language, or that have their own set of standards. For those cities, the question may be whether you have to first amend your zoning code before processing variances under the new standard. A credible argument can be made that the statutory language pre-empts inconsistent local ordinance provisions. Under a pre-emption theory, cities could apply the new law immediately without necessarily amending their ordinance first. In any regard, it would be best practice for cities to revisit their ordinance provisions and consider adopting language that mirrors the new statute.

Issuance of Variances, LMC Model Ordinance.

Variance Application, LMC Model Form.
Adopting Findings of Fact, LMC Model Resolution.

The models linked at the left reflect the 2011 variance legislation. While they may contain provisions that could serve as models in drafting your own documents, your city attorney would need to review prior to council action to tailor to your city's needs. Your city may have different ordinance requirements that need to be accommodated.

IV. Other considerations

A. Harmony with other land use controls

Minn. Stat. § 462.357, subd. 6.

The 2011 law also provides that: "Variances shall only be permitted when they are in harmony with the general purposes and intent of the ordinance and when the terms of the variance are consistent with the comprehensive plan." This is in addition to the three-factor practical difficulties test. So, a city evaluating a variance application should make findings as to:

See LMC information memo, *Taking the Mystery out of Findings of Fact*.

- Is the variance in *harmony with* the purposes and intent of the ordinance?
- Is the variance *consistent with* the *comprehensive plan*?
- Does the proposal put property to use in a *reasonable manner*?
- Are there *unique circumstances* to the property not created by the landowner?
- Will the variance, if granted, alter the *essential character* of the locality?

B. Economic factors

Minn. Stat. § 462.357, subd. 6.

Sometimes landowners insist that they deserve a variance because they have already incurred substantial costs or argue they will not receive expected revenue without the variance. State statute specifically notes that economic considerations alone cannot create practical difficulties. Rather, practical difficulties exist only when the three statutory factors are met.

RELEVANT LINKS:

C. Neighborhood opinion

Neighborhood opinion alone is not a valid basis for granting or denying a variance request. While city officials may feel their decision should reflect the overall will of the residents, the task in considering a variance request is limited to evaluating how the variance application meets the statutory practical difficulties factors. Residents can often provide important facts that may help the city in addressing these factors, but unsubstantiated opinions and reactions to a request do not form a legitimate basis for a variance decision. If neighborhood opinion is a significant basis for the variance decision, the decision could be overturned by a court.

D. Conditions

Minn. Stat. § 462.357, subd. 6.

A city may impose a condition when it grants a variance so long as the condition is directly related and bears a rough proportionality to the impact created by the variance. For instance, if a variance is granted to exceed an otherwise applicable height limit, any conditions attached should presumably relate to mitigating the effect of excess height.

V. Variance procedural issues

A. Public hearings

Minnesota statute does not clearly require a public hearing before a variance is granted or denied, but many practitioners and attorneys agree that the best practice is to hold public hearings on all variance requests. A public hearing allows the city to establish a record and elicit facts to help determine if the application meets the practical difficulties factors.

B. Past practices

While past practice may be instructive, it cannot replace the need for analysis of all three of the practical difficulties factors for each and every variance request. In evaluating a variance request, cities are not generally bound by decisions made for prior variance requests. If a city finds that it is issuing many variances to a particular zoning standard, the city should consider the possibility of amending the ordinance to change the standard.

RELEVANT LINKS:

C. Time limit

Minn. Stat. § 15.99.

A written request for a variance is subject to Minnesota's 60-day rule and must be approved or denied within 60 days of the time it is submitted to the city. A city may extend the time period for an additional 60 days, but only if it does so in writing before expiration of the initial 60-day period. Under the 60-day rule, failure to approve or deny a request within the statutory time period is deemed an approval.

D. Documentation

Minn. Stat. § 15.99, subd. 2.

See LMC information memo, *Taking the Mystery out of Findings of Fact.*

Whatever the decision, a city should create a record that will support it. In the case of a variance denial, the 60-day rule requires that the reasons for the denial be put in writing. Even when the variance is approved, the city should consider a written statement explaining the decision. The written statement should explain the variance decision, address each of the three practical difficulties factors and list the relevant facts and conclusions as to each factor.

Minn. Stat. § 15.99, subd. 2.

If a variance is denied, the 60-day rule requires a written statement of the reasons for denial be provided to the applicant within the statutory time period. While meeting minutes may document the reasons for denial, usually a separate written statement will need to be provided to the applicant in order to meet the statutory deadline. A separate written statement is advisable even for a variance approval, although meeting minutes could serve as adequate documentation, provided they include detail about the decision factors and not just a record indicating an approval motion passed.

VI. Variances once granted

A variance once issued is a property right that "runs with the land" so it attaches to and benefits the land and is not limited to a particular landowner. A variance is typically filed with the county recorder. Even if the property is sold to another person, the variance applies.

VII. Further assistance

Jed Burkett
LMCIT Land Use Attorney
jburkett@lmc.org

If you have questions about how your city should approach variances under this statute, you should discuss it with your city attorney. You may also contact League staff.

To Whom it May Concern:

I am looking at building a garage for my home located at 201 Broadway St. SE. This home currently does not have a garage on the property. I would like to build a 26ftx28ft two stall garage. The current city limit is a 24ftx24ft. I have included my building plans for this project. I would like to build this garage so I can fit two full size vehicles and a little work bench. At the current limit of 24x24 you cannot fit a full-size truck in and walk around all sides of the garage. I would like to extend the size of the garage by 2 feet on the on side and 4 feet on the other side. I feel like this garage will fit in with the neighborhood. There are several garages on my street with garages that are much larger than what I would like to build. If you would consider passing this variance I would love to have a garage on my property.

Sincerely,

Scott Zimprich

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: September 15, 2020
Subject: Resolution 2020-XXX Approving Metering Software and Hardware and Entering into an Agreement with Mueller

Background:
The City currently uses Metering Technologies to supply us with Badger meters and ReadCenter for meter reading software which was installed with an upgrade in 2012. Staff has recently been informed that the meters that we currently use are now obsolete (no longer being manufactured) as well as the software is outdated and will not be supported or serviced in the near future. Staff evaluated the pros and cons of keeping with the Badger meter products or changing vendors to Mueller which is a strong competitor for metering technology. The thorough review considered technology of the software, technology of the meter body and radio system, service, the infrastructure used to support the technology, longevity of the meters, longevity of a software upgrade, and most importantly cost to the city and their residents over a 10+ year period. The analysis by Staff was overwhelmingly in favor or switching to Mueller meters with the Winwater Company as the vendor.

The City will utilize both Badger and Mueller software for approximately 14 months until the Badger radios are replaced with Mueller radios. Staff will begin purchasing Mueller meters/ radios immediately for new homes and meter replacements. The cost of the Mueller full meters are less than the current Badger full meters.

Recommendation:
Staff has the following recommendations:

- Budget Amendment in Water (601) from Chemicals (221) to Meters (232) in the amount of $8,000.01 to purchase Mueller software and hardware to read Mueller meters in drive-by mode.
- Continue to read our Badger meters in mobile drive-by mode until the end of 2021 when the software is unsupported and at that time meter radios will be replaced with Mueller.
- Include meter radio replacement for all meter (approx. 2500) in the Capital Improvement schedule for 2022 and in the rate study for 2020.
- Include meter infrastructure on the Capital Improvement schedule for 2022 for all meters to be read by a fixed network system to complete the meter upgrade.

Request:
Staff is requesting action on this item.

- Mueller Proposal
- Agreement with Mueller

RESOLUTION 2020-XXX

APPROVING METERING SOFTWARE AND HARDWARE AND ENTERING INTO AN AGREEMENT WITH MUELLER

WHEREAS, the current meters the City uses is no longer manufactured and the meter reading software will not be supported with Badger; and,

WHEREAS, Staff evaluated the pros and cons of keeping with the Badger meter products or changing vendors to Mueller. The following were evaluated: software, technology of the meter body and radio system, service, the infrastructure used to support the technology, longevity of the meters, longevity of a software upgrade and most importantly cost to the city and their residents over a 10+ year period; and,

WHEREAS, Staff has recommended that it is in the best interest of the City to change vendors to Winwater Company and install Mueller meter software and technology going forward; and,

WHEREAS, Staff will utilize both Badger and Mueller software/hardware until all meter radios are replaced with Mueller radios; and,

WHEREAS, the quote from Winwater for software/hardware is $8,000.01 and the cost for a full meter is less that what the City is currently purchasing; and,

WHEREAS, a laptop/ equipment and Caselle billing account modifications will be necessary for the conversion in the amount not to exceed $6,000.00; and,

WHEREAS, the cost for this upgrade is unbudgeted due to the short notice received; and,

WHEREAS, funds are available within Water (601) that will be reallocated through a budget amendment from Chemicals (221) to Meters (232) in the amount of $11,000.01;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the following:

- Enter into an agreement with Mueller and authorize the City Administrator to sign necessary documentation.
- Purchase Mueller Software/Hardware and necessary equipment in the amount, not to exceed, $8,000.01.
- Authorize Staff to purchase Mueller meters from Winwater Company.
- Authorize the Finance Director to amend the 2020 budget in Water (601) $14,000.01.
- Authorize Staff to include meter upgrades for radios and fixed network infrastructure into the Capital Improvement schedule for 2022.

This Resolution is hereby approved by the Isanti City Council this 15th day of September, 2020.

Attest:

MUELLER SYSTEMS
MASTER AGREEMENT

THIS MASTER AGREEMENT (this "**Agreement**") is entered into this 15th day of September 2020 between MUELLER SYSTEMS, LLC, a Delaware limited liability corporation having its principal offices at 10210 Statesville Blvd, Cleveland, North Carolina 27013 (referred to in this Agreement as "**Mueller Systems**" or "**Provider**"), and City of Isanti (referred to in this Agreement as "**Customer**"). This Agreement governs the sale by Provider and the purchase by Customer for its own use and not for resale of, as applicable, Equipment, Software, Documentation and other items related to advanced metrology infrastructure systems. In the event of any conflict or inconsistency between the terms and conditions of this Agreement and terms and conditions of any other agreement or document, the terms and conditions of this Agreement shall govern and control and the conflicting or inconsistent terms and conditions are hereby rejected. In consideration of the mutual obligations set forth in this Agreement, Customer and Mueller Systems agree as follows:

1. **DEFINITIONS.**

a. "**Content**" means the information developed or legally acquired by Customer which may be used in connection with or accessed by any module of the Software.

b. "**Documentation**" means the user guides, reference manuals, and installation materials provided by Provider to Customer related to the Software and Equipment.

c. "**Equipment**" means the components, devices, products, equipment and related items provided by Provider identified in Appendix A.

d. "**Services**" means activities related to deployment and installation services, repair services, hosting services and technical support/maintenance services as provided by Mueller Systems and as identified in Appendix B.

e. "**Software**" means the object code versions of Mueller Systems' software identified in Appendix A, together with all subsequent authorized updates, replacements, modifications or enhancements.

2. **SOFTWARE**

a. Software on Equipment License. For Equipment purchased by Customer from Mueller Systems, Mueller Systems hereby grants Customer a limited, non-exclusive, non-sublicensable, non-transferable, perpetual, irrevocable license to use and execute the Software embedded in the Equipment for its internal business purposes in connection with such Equipment ("Firmware").

b. Online Software Access. Subject to the terms of this Agreement and the payment of the fees specified in Section 6a herein, Mueller Systems grants to Customer, for its internal business purposes and during the term of this agreement, a limited, non-exclusive, non-sublicensable, non-transferable right to access and use and make available to Customer's utility users, as applicable, and/or employees the online, hosted Software specified herein.

c. Restrictions. Except as specifically and expressly permitted in writing by Mueller Systems, Customer shall not (i) violate any restriction set forth in this Agreement; (ii) modify, translate, de-compile, reverse compile, disassemble, or create or attempt to create, by reverse engineering or otherwise, the source code from the object code of the Software; (iii) adapt the Software in any way for use to create a derivative work; or (iv) include or combine the Software in or with any other software.

d. Ownership. This Agreement does not grant to Customer any ownership interest in the Software or Documentation. Customer has a license to use the Software and Documentation as provided in this Agreement. Customer hereby agrees and acknowledges that Mueller Systems owns all right, title, and interest in the Software and Documentation, and Customer will not contest those rights or engage in any conduct contrary to those rights. Any copy, modification, revision, enhancement, adaptation, translation, or derivative work of or created from the Software and Documentation made by or at the direction of Customer shall be owned solely and exclusively by Mueller Systems, as shall all patent rights, copyrights, trade secret rights, trademark rights and all other proprietary rights, worldwide.

e. Reservation. Mueller Systems reserves all rights not specifically granted under this Agreement.

3. **EQUIPMENT** In consideration of the fees set forth in Appendix D of this Agreement, Mueller Systems will provide the Equipment identified in Appendix A.

4. **SERVICES** In consideration of the fees set forth in Appendix D of this Agreement, Mueller Systems will provide the Services identified in Appendix B.

5. **CONFIDENTIALITY** The Software, Equipment and Documentation, including any ideas, concepts, know-how and technology contained therein, shall be considered the proprietary and confidential information of Mueller Systems and, as such, shall be subject to the confidentiality provisions of this Agreement. If a separate, written non-disclosure agreement exists between Mueller Systems and Customer, such agreement will control and will apply according to its terms and conditions to all confidential information the parties exchange with each other. If no separate, written non-disclosure agreement exists between Mueller Systems and Customer, the terms listed in Appendix C will apply to the confidential information the parties exchange with each other.

6. **FEES AND PAYMENT**

a. Software Fees. Customer shall pay the Software fees set forth in Appendix D of this Agreement.

b. Equipment Fees. Customer shall pay the Equipment fees set forth in Appendix D of this Agreement. Title to the Equipment, except the Software and Documentation that are subject to licenses provided in this Agreement, passes from Mueller Systems to Customer when Mueller Systems ships the Equipment.

c. Service Fees. Customer shall pay the Service fees set forth in Appendix D of this Agreement.

d. Taxes. All prices and fees are in U.S. dollars unless otherwise specified. All amounts payable under this Agreement are exclusive of all sales, use, value-added, excise, property, withholding, and other taxes and duties. Customer will pay all taxes and duties assessed by any authority in connection with this Agreement and with Customer's performance hereunder. Customer will promptly reimburse Mueller Systems for any and all taxes or duties that Mueller Systems may be required to pay in connection with this Agreement or its performance. This provision does not apply to taxes based on Mueller Systems' income, or any taxes for which Customer is exempt, provided Customer has furnished Mueller Systems with a valid tax exemption certificate.

e. Payment. Unless provided otherwise herein, Customer agrees to pay all amounts specified in Appendix D or otherwise due under this Agreement within thirty (30) days after the date of invoice. Past due amounts will shall bear interest from the due date until paid at a rate of (i) one and one-half percent (1.5%) per month or (ii) the maximum rate permitted by law, whichever is less. All payments made under this Agreement shall be nonrefundable, except as specifically provided otherwise in this Agreement.

7. **TERM; TERMINATION**

a. Term. The term of this Agreement is one (1) year commencing upon the date of this Agreement. This Agreement will automatically renew for subsequent, successive one (1) year periods at the then-current Mueller Systems prices unless either party gives the other party written notice of its intent to not renew at least thirty (30) days prior to the expiration of the then current term. Mueller Systems may increase support fees at any time on thirty (30) days prior notice to Customer. Within such thirty (30) days, Customer may terminate the Agreement by providing written notice to Mueller Systems.

b. Termination for Breach. If either party breaches this Agreement, and such breach is not cured within ten (10) days of the breach, after receiving written notice, the non-breaching party may terminate this Agreement, including all licenses provided herein, effective upon written notice to the other party. The breaching party agrees that if it breaches this Agreement, the non-breaching party will be entitled to injunctive or similar equitable relief and that the breaching party will not argue in any proceeding that its breach will not cause irreparable harm to the non-breaching party or that the non-breaching party can be adequately compensated for any such harm by any remedies other than by injunctive relief.

c. Effect of Termination. Termination of this Agreement shall have the effect designated in Appendix B.

d. Non-Exclusive Remedy. Termination of this Agreement or any license granted hereunder shall not limit the remedies otherwise available to either party, including injunctive relief.

e. Survival. Unless otherwise stated herein, any provision that, by its nature or terms, is intended to survive the expiration or termination of this Agreement, will survive.

8. LIMITED WARRANTIES; REMEDIES

a. Software. Subject to the exclusions herein, including those in Appendix A, Mueller Systems warrants that commencing from the date of shipment or provision to Customer and continuing for the period set forth in Appendix A (the "**Warranty Period**"), (i) the media on which the Software is furnished will be free of defects in materials and workmanship under normal use; and (ii) the Software will perform substantially in conformance with the applicable Documentation provided to Customer by Mueller Systems. Mueller Systems does not warrant that the Software will operate in combinations with other software, except as specified in the Documentation, that the Software will meet the Customer's requirements or that the operation of the Software will be uninterrupted or error-free. Customer assumes responsibility for taking adequate precautions against damages which could be caused by defects, interruptions or malfunctions in the Software or the hardware on which it is installed. Mueller Systems' entire obligation and Customer's exclusive remedy with respect to the Software warranties set forth above shall be, at Mueller Systems' option, to either (x) repair or replace any Software containing an error or condition which is reported by Customer in writing to Mueller Systems which causes the Software not to conform with the warranty set forth herein; or (y) refund a pro-rated amount paid by Customer to Mueller Systems and terminate this Agreement and all licenses provided herein.

b. Services. Mueller Systems warrants that all services provided by it to Customer under this Agreement shall be performed in a workmanlike manner. Mueller Systems' entire obligation and Customer's exclusive remedy with respect to the Service warranties set forth above shall be the re-performance of the applicable non-conforming Service.

c. Equipment. Subject to the exclusions herein, including those in Appendix A, Mueller Systems warrants to Customer that the Equipment will comply with provided specifications for the periods specified in Appendix A. Claims under this Section will be considered if submitted to Mueller Systems within sixty (60) days following the discovery of any noncompliant Equipment covered by this Agreement and provided Mueller Systems or its agents are permitted a commercially reasonable opportunity to examine and analyze the Equipment claimed to be noncompliant. Mueller Systems' entire obligation and Customer's exclusive remedy with respect to the Equipment warranties set forth herein, at Mueller Systems' option, is repair or replacement of any Equipment found noncompliant, subject to the terms and conditions herein, during the applicable warranty period after such Equipment is properly packaged and returned prepaid to Mueller Systems' designated service center.

d. Costs. Any and all costs associated with uninstalling and shipping noncompliant Equipment and Software and installing replacement Equipment and Software will be the responsibility of Customer.

e. Exclusions. The warranties provided by Mueller Systems shall not apply to Equipment and/or Software which: (i) have been altered, except with the express written consent, permission or instruction of Mueller Systems, (ii) have been used in conjunction with another product resulting in the defect, except for those third party products specifically approved by Mueller Systems, (iii) were other than the most current version of the Software (but only to the extent that any failure of the Software would have been avoided by the use of the most current version), (iv) have been damaged by improper environment, abuse, misuse, accident, negligence, act of God, excessive operating conditions, or unauthorized attachments or modifications, (v) have not been properly installed and operated in accordance with the Documentation, or as otherwise instructed by Mueller Systems, or (vi) any other exclusion set forth in any Appendix hereto.

f. DISCLAIMERS. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE

WARRANTIES AND REMEDIES STATED ABOVE ARE EXCLUSIVE AND NO OTHER WARRANTIES OR REMEDIES EXPRESS, IMPLIED OR STATUTORY, APPLY TO THE DOCUMENTATION, THE SOFTWARE, THE EQUIPMENT OR ANY SERVICES TO BE PROVIDED BY MUELLER SYSTEMS UNDER THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO WARRANTIES OR CONDITIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUALITY OR PERFORMANCE, AND ANY IMPLIED WARRANTY ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE, ALL OF WHICH MUELLER SYSTEMS EXPRESSLY DISCLAIMS.

9. **INDEMNIFICATION.** Mueller Systems will indemnify and defend Customer from any third party claim that the Software and Equipment infringe on another person's or company's patent, copyright or other intellectual property right as specified in this Section. This indemnity does not cover and specifically excludes (a) intellectual property rights recognized in countries and jurisdictions other than the United States, and (b) claims relating to infringement of intellectual property rights by a third party's products and software. Mueller Systems has no obligation under this Section for any claim to the extent it results from or arises out of Customer's modification of the Equipment or Software or from any combination, operation or use of the Software or Equipment with other third party products or services. Mueller Systems' duty to indemnify under this Section is contingent upon Mueller Systems receiving prompt notice of a claim and Mueller Systems' right to solely control resolution of a claim. Customer's sole remedy for an indemnified claim under this Section is as follows: Mueller Systems will, at its expense and in its discretion either (a) resolve the claim in a way that permits Customer's continued ownership and use of the affected Software and Equipment, (b) provide a comparable, non-infringing replacement at no cost to Customer, or (c) accept return of the Software and Equipment, provide a reasonable depreciated refund and terminate this Agreement and all licenses herein. This Section is the exclusive statement of Mueller Systems' liability and responsibility for indemnifying Customer for infringement of intellectual property rights

10. **LIMITATION OF LIABILITY.**

a. MUELLER SYSTEMS' MAXIMUM LIABILITY HEREUNDER IS EXPRESSLY LIMITED TO THE TOTAL AMOUNT PAID FOR THE SOFTWARE, SERVICES, AND EQUIPMENT IN THE IMMEDIATELY PRECEDING TWELVE (12) MONTHS AND WILL UNDER NO CIRCUMSTANCE EXCEED THE AMOUNT PAID BY CUSTOMER IN THE IMMEDIATELY PRECEDING TWELVE (12) MONTHS FOR THE SOFTWARE, SERVICES AND EQUIPMENT PROVIDED BY MUELLER SYSTEMS UNDER THIS AGREEMENT. Some states do not allow the limitation and/or exclusion of liability for incidental or consequential damages, so the above limitation may not apply.

b. The provisions of this Agreement allocate the risks between Customer and Mueller Systems. Mueller Systems' pricing reflects this allocation of risk and the limitations of liability specified herein.

11. **NOTICE.** All notices required to be given hereunder shall be in writing. Notice shall be considered delivered and effective upon receipt when sent by registered or certified mail, return receipt requested, addressed to the parties as set forth above. Either party, upon written notice, may change any name or address to which future notice shall be sent.

12. **GENERAL.** The Software will not be exported or re-exported in violation of any export provisions of the United States or any other applicable jurisdiction. The rights and obligations of this Agreement are personal rights granted to the Customer only. The Customer may not transfer or assign any of the rights or obligations granted under this Agreement to any other person or legal entity. Any such purported transfer or assignment shall be null and void. Mueller Systems will be free of liability to the Customer where Mueller Systems is prevented from executing its obligations under this Agreement in whole or in part due to force majeure, such as earthquake, typhoon, flood, fire, and war or any other unforeseen and uncontrollable. Any modification or amendment to any of the provisions of this Agreement will be in writing and signed by an authorized officer of each party. This Agreement does not create or imply any relationship in agency or partnership between the parties. Headings are inserted for the

convenience of the parties only and are not to be considered when interpreting this Agreement. The validity of this Agreement and the rights, obligations, and relationship of the parties resulting from same will be interpreted and determined in accordance with the law of the State of Delaware, and applicable federal law, without regard to its choice of law provisions. The parties specifically exclude from application to the Agreement the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act. If any provision of this Agreement is contrary to and in violation of any applicable law, such provision will be considered null and void to the extent that it is contrary to such law, but all other provisions will remain in effect. The waiver or failure of either party to exercise any right herein shall not be deemed a waiver of any further right hereunder. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all other prior and contemporary agreements, understandings, and commitments between the parties regarding the subject matter of this Agreement.

Mueller Systems – Product Warranty Statement

1. **Limited Warranty**. Mueller Systems, LLC ("Mueller") warrants that, for the duration of the Warranty Period (defined below): (a) each product purchased from Mueller ("Product") will be free from defects in materials and workmanship under normal use, installation and service conditions; (b) the media on which any Software is furnished will be free of defects in materials and workmanship under normal use; and (c) any such Software will substantially conform to the applicable published Mueller functional specifications for such Software. Products will have a warranty period of the greater of (i) one (1) year from date of shipment or (ii) the applicable warranty period for a specific Product stated below in Section 6 ("Warranty Period").

2. **Exclusive Remedy**. Mueller will, at its option, either repair or replace with an equivalent substitute a Product that is in breach of the foregoing warranty during the Warranty Period if Purchaser reports the breach to Mueller within sixty (60) days after Purchaser discovers the breach. At Mueller's request, Purchaser will ship the allegedly defective Product to a repair facility designated by Mueller at Purchaser's expense and risk. If Mueller, in its sole discretion, determines that the Product breached the applicable warranty, Mueller will ship the repaired or replaced Product to Purchaser at Mueller's expense and risk. If Mueller determines that it is unable to repair or replace such Product, it will, at Mueller's sole discretion provide a cash or credit refund to Purchaser. If Mueller repairs or replaces any such defective Product, the Warranty Period for the repaired or replaced Product will continue for the longer of (y) thirty (30) days, or (z) the remainder of the original Warranty Period. Mueller's warranty is subject to exclusions, as set forth in Section 3. This Section 2 sets forth Mueller's entire liability, and the Purchaser's exclusive remedy, for any alleged breach of warranty for any Products.

3. **Exclusions**. Mueller has no obligation under this Product Warranty Statement if (a) a Product has been subject to misuse, neglect or accident or has been damaged through abuse, alternation, installation or application inconsistent with AWWA guidelines or Mueller specifications, including but not limited to Mueller propagation studies, failure to follow Mueller's operation or maintenance instructions or negligence in transportation, handling, or storage, or repaired by anyone other than Mueller or its authorized personnel, (b) with respect to software, there has been a change to the software's operating environment not made or authorized by Mueller or if Purchaser fails to install any correction or enhancement provided by Mueller, or if a virus is introduced through no fault of Mueller, or (c) if any Product fails to satisfy the applicable warranty as a result of any force majeure event. Mueller's Product Return process can be found at www.muellersystemsreturns.com .

4. **Important Disclaimer**. EXCEPT AS EXPRESSLY SET FORTH HEREIN, MUELLER DISCLAIMS ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT AND WARRANTIES ARISING FROM A COURSE OF DEALING, USAGE OR TRADE PRACTICE. TO THE EXTENT ANY IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE EXPRESS WARRANTY PERIOD.

5. **Limitation on Liability**. Mueller has no liability with respect to damage or destruction of property or the personal injury or death of persons resulting from defects in Products or from improper installation, use, maintenance or operation of any Products. In all cases, Mueller's liability shall not exceed the total amount paid by Purchaser to Mueller under this Order.

6. **Product Warranties**. The following provisions in this Section 6 modify the limited warranty in Section 1 with respect to the specific Products identified below:

Automated Meter Reading (AMR) / Advanced Metering Infrastructure (AMI) Products		
Product	**Description**	**Warranty Period**
AMR / AMI Software	These items of Software will perform in accordance with Mueller's published specifications for the duration of the Warranty Period.	One (1) year from date of shipment to Purchaser.
AMR / AMI Hardware – unless otherwise expressly specified herein	During the Warranty Period, these Products will be free from defects in materials and workmanship.	One (1) year from date of shipment to Purchaser.
AMR / AMI Radio Modules – AMI water module endpoints and AMR water module endpoints	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Ten (10) years from date of shipment to Purchaser. Additionally, the unit is covered by a prorated warranty for years eleven (11) through fifteen (15) at a fifty-percent (50%) discount, and years sixteen (16) through twenty (20) at a twenty-five-percent (25%) discount from the date of shipment to Purchaser. All discounts will be calculated on the then current published price of the original product. All prorated warranty discounts are to be used towards the purchase of replacement units.
Encoder Register Products, Wall Pads and Pit Pads.	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Ten (10) years from date of shipment to Purchaser. Additionally, the unit is covered by a prorated warranty for years eleven (11) through fifteen (15) at a fifty-percent (50%) discount, and years sixteen (16) through twenty (20) at a twenty-five-percent (25%) discount from the date of shipment to Purchaser. All discounts will be calculated on the then current published price of the original product. All prorated warranty discounts are to be used towards the purchase of replacement units.
Water Metering Products		
Product	**Description**	**Warranty Period**
All Meter Products not otherwise specified herein	During the Warranty Period, these Products will be free from defects in materials and workmanship.	One (1) year from date of shipment to Purchaser.
Remote Disconnect Meters (RDM) valve and solenoid assembly	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Five (5) year warranty or two-thousand (2,000) actuations of the valve, whichever comes first, from the date of shipment to Purchaser.
Bronze Maincases	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Twenty-Five (25) years from date of shipment to Purchaser.
Composite Maincases	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Fifteen (15) years from date of shipment to Purchaser.
Standard registers for the above listed mechanical meters	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Ten (10) years from date of shipment to Purchaser.

Models 400 and 500 Series Meters	AWWA[1] New Meter Accuracy	5/8" – Five (5) years from the date of shipment to Purchaser or the registration of 500,000 U.S. gallons, whichever comes first; 3/4" – Five (5) years from the date of shipment to Purchaser or the registration of 750,000 U.S. gallons, whichever comes first; 1" – Five (5) years from the date of shipment to Purchaser or the registration of 1,000,000 U.S. gallons, whichever comes first; 1-1/2" – Two (2) years from the date of shipment to Purchaser or the registration of 1,600,000 U.S. gallons, whichever comes first; 2" – Two (2) years from the date of shipment to Purchaser or the registration of 2,700,000 U.S. gallons, whichever comes first.
	AWWA Repaired Meter Accuracy (AWWA M6 Manual)	5/8" – Fifteen (15) years from the date of shipment to Purchaser or the registration of 1,500,000 U.S. gallons, whichever comes first; 3/4" – Fifteen (15) years from the date of shipment to Purchaser or the registration of 2,250,000 U.S. gallons, whichever comes first; 1" – Fifteen (15) years from the date of shipment to Purchaser or the registration of 3,000,000 U.S. gallons, whichever comes first; 1-1/2" – Ten (10) years from the date of shipment to Purchaser or the registration of 5,000,000 U.S. gallons, whichever comes first; 2" – Ten (10) years from the date of shipment to Purchaser or the registration of 8,000,000 U.S. gallons, whichever comes first.
Model HbMAG electromagnetic cold-water meters	During the Warranty Period, these Products will be free from defects in materials and workmanship.	Two (2) years from date of shipment to Purchaser.
Solid State Meters	During the Warranty Period (ten (10) years from date of shipment to Purchaser) these Products will meet or exceed accuracy of +/- 1.5% between the specified minimum flow rate to the specified maximum. Additionally, the unit is covered by a prorated warranty for years eleven (11) through fifteen (15) at a fifty-percent (50%) discount, and years sixteen (16) through twenty (20) at a twenty-five-percent (25%) discount from the date of shipment to Purchaser. All discounts will be calculated on the then current published price of the original product. All prorated warranty discounts are to be used towards the purchase of replacement units for the following sizes: 5/8" Meter — 0.1 gpm to 20 gpm 5/8" x ¾", ¾" Short, and ¾" Long Meter — 0.1 to 30 gpm 1" Meter — 0.4 to 55 gpm 1 ½" Meter — 0.25 to 100 gpm 2" Meter — 1.5 to 160 gpm	

Appendix B
Services

1. Software Services and Support Obligations

[1] American Water Works Association ("AWWA")

a. "Update" to the Software means a subsequent release of the Software that Provider makes generally available to its current customers for the Software. Updates include changes and corrections to the Software as are required to keep the Software in substantial conformance with the applicable Documentation and that are created by Provider as corrections for defects in the Software. Updates shall not include any release, option or future product that Provider licenses separately. Provider shall in its sole discretion determine the nature, content, timing and release of any Updates.

b. Web-based support, consisting of information on the most current release of the Software through Provider's web site.

c. Phone support in the form of advice and counsel via telephone regarding Customer's use of the most current release of the Software, as well as Customer's connectivity and ability to access Content. Phone Support is provided from 8:00 AM to 7:00 PM Eastern Time, Monday through Thursday and 8:00 AM to 5:00 PM Eastern Time on Fridays. All hours and days exclude recognized U.S. holidays observed by Mueller Systems.

2. Software Hosting Services

a. Except as specifically permitted in this Agreement, Customer shall have web-based access the Software hosted by Provider pursuant to this Agreement.

b. Provider shall provide Customer with access and related hosting services to the Software installed on Provider's servers. Provider will also install the Content provided by Customer. Provider will define the appropriate performance specifications and will host the server at a Provider's location. Provider will monitor and perform routine maintenance on the server, and if the server is not operating properly, will make a good faith effort to operate Customer's system on a backup server, if available. Access to Customer's server is restricted to authorized Provider information technology and support personnel only. Differential and full server backups are performed when reasonably practicable.

c. Customer shall be responsible for installing, operating and maintaining the equipment, software, and/or facilities at Customer location recommended by Provider for effective access to and use of the Software installed on Mueller Systems server. Customer shall be responsible for providing and maintaining its own Internet access and all necessary telecommunications equipment at Customer's location necessary for accessing the Software.

d. Upon termination, for any reason, of the Agreement or any license(s) granted herein, Provider shall immediately cease providing access to the Software and Hosting Services. Customer shall (i) immediately stop access and use of all such Provider confidential information (including Software); (ii) shall return all copies of the Software, Documentation, and any Provider confidential information to Provider; and (iii) delete all Software, Documentation, and other confidential information off of any and all storage media possessed or controlled by Customer. Customer shall provide Provider with written certification signed by an officer of Customer that Customer has complied with the provisions of this Section. Customer shall immediately pay all amounts due to Provider.

Appendix C

Confidential Information

For purposes of this Attachment, "party" or "parties" shall mean Provider and Customer, including their respective subsidiaries and affiliates who are providing information under this Agreement. The parties agree to maintain confidential information as follows:

1. Definition of Confidential Information. The parties understand and agree that confidential information is any and all current and future Equipment, Documentation and/or Software information, roadmap, technical or financial information, customer names, addresses and related data, contracts, practices, procedures and other business information, including software reports, strategies, plans, documents, drawings, machines, tools, models, patent disclosures, samples, materials and requests for proposals that may be disclosed between the parties, whether written, oral, electronic or otherwise, however and wherever acquired ("Confidential Information"). Confidential Information excludes any information which would otherwise fall in the definitions above, but which was (a) known to the recipient of the information ("Recipient") before receipt from the disclosing party; (b) publicly available through no fault of Recipient; (c) rightly received by Recipient from a third party without a duty of confidentiality; (d) disclosed by disclosing party to a third party without a duty of confidentiality on the third party; (e) independently developed by Recipient without breach of this or any other confidentiality agreement; or (f) disclosed by Recipient after prior written approval from the disclosing party.

2. Obligations of Confidentiality and Remedies. Recipient agrees to protect the disclosing party's Confidential Information with the same degree of care, but no less than a reasonable degree of care, as Recipient uses with respect to its own Confidential Information. Neither party has any obligation to exchange Confidential Information. Both parties acknowledge and agree that the disclosure of the other party's Confidential Information could cause irreparable harm. Therefore, an injured party is entitled to applicable equitable relief, including injunctions, in addition to other remedies, for such wrongful disclosure of Confidential Information. In addition, disclosure of Confidential Information required by a government body or court of law is not a violation of this Section if the Recipient gives prompt notice of the required disclosure to the disclosing party.

3. Term of Confidentiality Obligations. Recipient's duty to protect Confidential Information expires three (3) years from the date of disclosure of the particular Confidential Information.

4. No Warranties on Confidential Information. Neither party warrants or guarantees the accuracy of any Confidential Information transferred between the parties.

RESOLUTION 2020-XXX

REGARDING MAINTENANCE OF PART-TIME PEACE OFFICER ROSTER

WHEREAS, the City of Isanti maintains a roster of Part-Time Peace Officers (Part-Time Peace Officer Roster"); and,

WHEREAS, the Part-time Peace Officers on the Part-Time Peace Officer Roster provide services to the Isanti Police Department on an as-needed, part-time basis; and,

WHEREAS, due to increased full-time staffing within the Isanti Police Department, the need for Part-Time Peace Officers within the City of Isanti has been substantially reduced; and,

WHEREAS, there are clerical burdens associated with retaining Part-time Peace Officers on the Part-Time Peace Officer roster, even if Part-Time Peace Officers are not requested to provide services or are unable to provide services when requested to do so;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Effective immediately, Human Resources is hereby directed to remove all individuals on the Part-Time Peace Officer Roster who are not members of a collective bargaining unit within the City and who have worked less than forty (40) hours for the City of Isanti within the six-month period prior to the date of this Resolution.

2. Moving forward, Human Resources shall remove any individual on the Part-Time Peace Officer Roster who is not a member of a collective bargaining unit within the City, who has worked less than forty (40) hours for the City of Isanti within a six-month period.

3. Human Resources is directed to forward an executed copy of this resolution to all individuals currently on the Part-Time Peace Officer Roster and to place a copy of the same in their personnel file.

This Resolution is hereby approved by the Isanti City Council this 15th day of September 2020.

RESOLUTION 2020-XXX

APPROVING AMENDMENT TO THE 2020 BUDGET

WHEREAS, on December 3, 2019 the City Council approved the City of Isanti 2020 Budget; and,

WHEREAS, the budget for 2020 has allocated funds for codification 101-41500-112; and,

WHEREAS, the cost for codification is $4,000.00 more than what is budgeted due to the increase of revised Ordinances for City Code and services; and,

WHEREAS, the Isanti City Council authorizes a $4,000 reduction in Training and Instruction (101-41500-208) and an increase in Contracted Services (101-41500-112) of $4,000.00;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Finance Director to amend the 2020 budget.

This Resolution is hereby approved by the Isanti City Council this 15th day of September 2020.

RESOLUTION 2020-XXX

AUTHORIZATION TO PURCHASE ITEMS WITH WELLNESS FUNDS FROM THE APPROVED BUDGET

WHEREAS, City Council has approved a fund for an employee Wellness Program which includes preventative health programs and employee recognition for participation according to Minn. Statute §15.46; and,

WHEREAS, the City Council determined it was in the best interest for the employees to have options for wellness incentives to improve health and reduce stress and/or absenteeism and to promote a positive work environment; and,

WHEREAS, spouses and third parties are not allowed to attend or participate in wellness events and alcohol is not a prohibited expenditure; and,

WHEREAS, the policy has been created to authorize expenditures for food, exercise equipment, team building activities and prizes from challenges to promote healthy activities not to exceed the amount budgeted on an annual basis;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the City of Isanti Wellness Program policy is, as outlined above, per this Resolution is hereby approved.

This Resolution is hereby approved by the Isanti City Council this 15th day of September 2020.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF BUILDING OFFICIAL TO CHRISTOPHER CHANDLER

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a full-time, exempt, Building Official position with full benefits; and,

WHEREAS, Christopher Chandler is selected as the most qualified candidate for the open Building Official position; and,

WHEREAS, the candidate's offer is contingent on successfully passing a background investigation and reference check;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources has offered the Building Official position to Christopher Chandler and that he is eligible to start in that position on or after September 16th, 2020.
2. That Christopher Chandler must successfully pass a background and reference check as required as a condition of the offer before starting.
3. That Christopher Chandler shall start at Step 4 of the wage scale at $63,634.14 annually ($30.59 per hour).
4. That Human Resources is directed to complete all required documentation for the completion of employment offer and place a copy of this resolution in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 15th day of September, 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: September 15, 2020
Subject: Resolution 2020-XXX Entering into an Agreement with Nextera for Hosted Voice/ Phone Services for City Hall
Resolution 2020-XXX Approving Proposals for Automated Laserfiche Services

---

The current phone system at City Hall is lacking in technology to allow for remote capabilities, direct dial, and ability to receive message while out of the office. It is also no longer supported by a service provider. Staff received six quotations from vendors and the best fit for City Hall and the City is to choose Nextera for service.

The City of Isanti does not have an automated process for Accounts Payable, AP Workflow and Invoice capture and processing. Due to the circumstances with COVID-19 it is in the best interest of the City and safety of Staff to limit paper processing and touch points of multiple staff to process the necessary tasks using automation with Laserfiche software.

The expenses will be funded through Coronavirus Relief Funds to assist in dealing with the ongoing negative impacts of COVID-19.

Recommendation:
Staff is recommending to enter into an agreement with Nextera for phone services and Minokaw for Laserfiche automation services.

- Minokaw Proposal

RESOLUTION 2020-XXX

AUTHORIZING TO ENTER INTO AN AGREEMENT WITH NEXTERA FOR HOSTED VOICE / PHONE SERVICES FOR CITY HALL

WHEREAS, phones were installed in City Hall in 2013 and the technology is outdated with limited capabilities such as multiple phones lines, ability to get calls to staff with a direct number, allow for audio conferencing and to handle public services that enable and promote remote capabilities due to COVID-19; and,

WHEREAS, the new phone system would be VOIP through internet data therefore phone lines will no longer be needed; and,

WHEREAS, Staff evaluated six individual vendor quotes that were received for hosted voice services for City Hall; and,

WHEREAS, the lowest ongoing monthly quote was provided by Nextera with an approximate monthly cost of $174.87 which is less that what the City currently pays for phone services;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, the following:

1. Approve use of Coronavirus Relief Funds for the upfront and equipment purchase in the amount of $5,112.50.

2. The City Administrator is hereby authorized to enter into an agreement with Nextera for the provision of hosted voice / phone services for the City of Isanti for a three (3) year period; referenced as Exhibit A.

3. Authorize Staff to terminate the City's agreement for phone lines with Century Link.

4. Authorize Staff to terminate any standing agreements with Marco for Mitel phone services.

This resolution was duly adopted by the Isanti City Council this 15th day of September, 2020.

RESOLUTION 2020-XXX

APPROVING PROPOSAL FOR AUTOMATED LASERFICHE SERVICES

WHEREAS, due to the circumstances with COVID-19 it is in the best interest of the City and safety of Staff to limit paper processing and touch points of multiple staff to process the necessary tasks using process automation;

WHEREAS, automation will also promote remote capabilities due to COVID-19; and,

WHEREAS, the City is currently in an agreement for ongoing Laserfiche support with Minokaw Technologies; and,

WHEREAS, the proposal for services through Minokaw Technologies to automate processes for Accounts Payable, AP Workflow and Invoice capture and processing is $21,450.00; and,

WHEREAS, funding is identified as Coronavirus Relief Funds;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve use of Coronavirus Relief Funds for automated Laserfiche services with Minokaw Technologies in the amount of $21,450.00 and authorize the City Administrator to sign necessary documentation.

This resolution was duly adopted by the Isanti City Council this 15th day of September, 2020.

This Agreement and the most recent Master Service Agreement, together with any attachments hereto, and Nextera's policies and procedures located at www.nextera.net, incorporated by reference herein, constitute a binding commitment between Nextera and Customer. Customer acknowledges that Customer has received, read and understands this Agreement and the Master Service Agreement, and agrees to all of the terms and conditions of the foregoing documents and policies. Early Termination fees may apply as set forth in Section 14 of the Nextera Master Service Agreement.

Customer, if receiving voice services, agrees that those voice services are non-nomadic for 911 purposes. It is expected that Customer shall provide one fixed service address for each telephone number and that each telephone number will only ANI from that location. Nextera assumes no responsibility for emergency service deployment to an erroneous address if such address was as identified by Customer.

Pricing is not inclusive of taxes, inside/premium wiring services, or mandatory surcharges (such as USF) and that the long distance rates are not inclusive of HI, AK, extended area, and international. This Agreement is confidential, not for distribution, and is valid for 15 days from Agreement date.

Master Service Agreement

For: City of Isanti

1. **EFFECTIVE DATE, SERVICES, AND SERVICES TERM.** This Master Service Agreement, along with the service agreement, order forms and all attachments, comprise the entire agreement between the parties ("Agreement") for the communication services described herein and supersede any and all other agreements between the parties related hereto. Description of most services also available at www.nextera.net, incorporated herein by reference. This Agreement is fully binding and enforceable as of the date of executed service agreement ("Effective Date"). NEXTERA agrees to provide to Customer and Customer agrees to procure from NEXTERA, communication services as described herein, at the locations set forth, ("Services") for the number of months set forth ('Services Term"). Customer authorizes NEXTERA to be their primary provider of communications Services as described herein and handle all negotiations for Services and issuance of orders to coordinate these Services. NEXTERA reserves the right, in its sole reasonable discretion, to reject any order for Services. The Services are not for resale. The Services Term commences upon installation of the Services by NEXTERA ("Installation Date"). NEXTERA will use reasonable efforts to install the Services on the date agreed upon by the parties. NEXTERA does not guarantee that Services will be installed and provisioned on Customer's desired due date. Subject to the early termination provisions set forth herein, at the end of the Services Term, this Agreement will automatically be extended for additional term(s) of one (1) year in length ("Renewal Services Term") and all terms and conditions shall apply to additional term lengths as stated in this Agreement unless NEXTERA receives Customer's written notice to terminate this Agreement not less than 30 days prior to the then existing Services Term or Renewal Services Term.

2. **RATES AND CHARGES.** Rates and charges are described in this Agreement and commence upon the Installation Date. Any monthly recurring charges ("MRC") will be billed in advance each month. Any non-recurring charges ("NRC") will be billed on the first invoice after the Installation Date, or if the NRC are incurred after the Installation Date, such charges will be billed on the next invoice thereafter. NEXTERA may assess additional fees in connection with the Services based on cost increases that NEXTERA may incur. NEXTERA maintains the right to bill for charges imposed on NEXTERA from a third party directly to a specific service order or activity. These could include, but are not limited to: technician time, charges to supplement an order, other related charges due to the Customer and or Customer's vendor not being ready at the scheduled time, cancellation of the service order, or an overuse of traffic surcharge due to traffic thresholds being exceeded, or a traffic imbalance. NEXTERA may adjust the rates, charges and fees for the Services pursuant to applicable tariffs or price lists filed with the appropriate regulatory agencies, upon renewal or upon notice. Payments are due on the Payment Due Date set forth on the NEXTERA invoice. Customer must provide payment in full on Payment Due Date and then send NEXTERA written notice of any and all billing disputes within 90 days of the Invoice Date, specifically detailing the dispute and providing supporting documentation for the amount in dispute. NEXTERA will investigate all disputes and if appropriate, credit Customer's account or notify Customer of denial of the dispute. NEXTERA may assess a late fee of 1.5% per month (not to exceed the maximum rate allowed under state law) on all balances not paid when due. Late fees may be assessed, as of the original Due Date, against any disputed amount denied by NEXTERA. NEXTERA has the option to suspend Services and/or to pursue any and all other legal remedies until payment is made. Termination of Services may follow. Customer will pay any and all costs incurred in collection of rates and charges due and payable, including reasonable attorney's fees and all collection agency costs, whether or not a suit is instituted. All payments hereunder will be in U.S. currency.

Customer hereby authorizes NEXTERA to conduct a credit search and agrees to provide NEXTERA with information regarding payment history for communications services, number of years in business, financial statement analysis and commercial credit bureau rating. This Agreement is subject to credit approval. Without waiving any right of termination or any other rights hereunder, NEXTERA may require Customer to tender a deposit up to the maximum permitted by law to guarantee payment hereunder. When Customer establishes acceptable credit history or upon termination of this Agreement, NEXTERA will return the balance of the deposit, if any, to Customer along with interest as required by law.

3. **TAXES AND SURCHARGES**. Customer is responsible for payment of any and all federal, state and local taxes, charges and surcharges imposed on or allowed by regulatory agencies or based upon the provision, sale or use of Nextera's Services (excluding NEXTERA's income taxes). NEXTERA will collect all such taxes, charges, and surcharges unless Customer provides NEXTERA with proof of exemption. Customer will indemnify NEXTERA for any and all costs, claims, taxes, charges, and surcharges levied against NEXTERA relative to such exempt status.

4. **SERVICE CHANGES. MOVES:** Customer may move the physical location of all or part of Services to another location within NEXTERA's serving area provided the following conditions for the move ("New Services") are met: 1) Customer agrees to pay any special construction charges and 3rd party charges imposed on Nextera as a result of discontinuance of service at original location; 2) the New Services provided to the Customer are by NEXTERA; 3) Customer advises NEXTERA that the requested New Services replace existing Services; 4) Customer's request for the disconnection of existing Services and the installation of New Services are received by NEXTERA at the same time; 5) Customer requests NEXTERA to install the New Services on or prior to the disconnection date for the existing Services; and 6) Customer agrees to sign appropriate Agreements and to pay the then current recurring and non-recurring charges related to the new service. **ADDITIONS TO SERVICES:** Customer may request additions to Services and NEXTERA will supply such additions to Customer, subject to the following conditions: 1) NEXTERA commercially offers such additions and necessary facilities are technically and practicably available; 2) the charges for additional Services will be at the same rate as identified within the Service Agreement or, if additional Services are not contained within the Service Agreement, at the then current charges in effect for Services at the time of such additions, and which correspond to the terms of this Agreement. NEXTERA and Customer agree to execute written amendments to this Agreement for any Service Changes.

5. **OUT-OF-SERVICE.** If NEXTERA causes a service interruption, an out-of-service credit will be calculated under the state local exchange tariff. If there is no applicable tariff and the interruption lasts for more than twenty-four (24) consecutive hours after NEXTERA received notice of it, NEXTERA will give Customer credit calculated by: 1) dividing the monthly rate for the affected service by thirty (30) days; and then b) multiplying that daily rate times the number of days, or major fraction that the service was interrupted.

6. **TARIFF APPLICATION.** Customer acknowledges that the Services may be subject, in whole or in part, to one or more provisions of state or federal tariffs or price lists, which may be filed by NEXTERA. In the event of any conflict between any provision of this Agreement and any provision of the tariff or price list, the provision of such tariff or price list will control. This Agreement and the Services will be subject to modifications required or authorized by any regulatory agency in the exercise of its lawful jurisdiction.

7. **COMPLIANCE WITH LAW.** This Agreement is subject to all applicable federal, state, and local laws, regulations, rulings, orders and other actions of governmental agencies ("Rules"), and the obtaining and continuance of any required approvals, authorizations, or tariffs or price lists filed with the FCC or any other governmental agency. NEXTERA will use good faith reasonable efforts to obtain, retain, and maintain such approvals and authorizations. If any such Rule adversely affects the Services or requires NEXTERA to provide Services other than in accordance with the terms of this Agreement, either party may, without liability to the other party, terminate the affected Services upon 30 days prior written notice to the other party. In performing their obligations under this Agreement, the parties will comply with all applicable Rules, specifically including, but not limited to, the Rules governing 911/E-911 and any other emergency services, as discussed below, Customer's use of the Services provided herein and any equipment associated therewith will not: (a) interfere with or impair service over NEXTERA's network; (b) impair privacy of any communications over such network; (c) cause damage of any nature to NEXTERA's assets or Customers; (d) be used to frighten, abuse, torment or harass, or create hazards to NEXTERA or its network; or (e) violate the provisions of any of NEXTERA's policies and procedures, some of which are found at www.nextera.net, including NEXTERA's 911/E-911 Policy. NEXTERA may immediately suspend or terminate, without liability, the Services for any violation of these provisions. Nextera reserves the right to revise the terms and provisions of all of its policies and procedures as it deems appropriate and this Agreement is subject to all revisions.

Subject to NEXTERA's 911/E-911 policy and unless otherwise specifically agreed, (a) NEXTERA will provide Customer with the network connection for each circuit, billing telephone number (BTN) or trunk group that comprise the Services, and (b) NEXTERA will provide the appropriate Public Safety Answering Point (PSAP) with the automatic location identification (ALI), including the same emergency response location, for all BTNs of the circuit or trunk group regardless of the number of lines, trunks, or unique telephone numbers on that circuit or trunk group. Customer will be responsible for providing all other 911 /E-911 services as required by the Rules, including, but not limited to agreements with, and network or other connection to, the local PSAPs. Customer will maintain the necessary databases, updates to transfer the ALI to the appropriate PSAPs. Nextera is not responsible for and will not make any chaabove. Customer will indemnify and hold harmless NEXTERA, its officers, directors, affiliated companies, employees, agents and subcontractors from all liabilities, claims, or damages arising out of personal injury or death or damage to property related to Customer's failure to meet 911/E911 requirements.

8. **SERVICES, MAINTENANCE AND UPGRADE OF FACILITIES.** Services will meet industry standards. NEXTERA will maintain its facilities and equipment used to provide the Services as set forth in its policies and procedures, at no additional charge to Customer, except where work or service calls result from failure or malfunction in, or improper operation of, Customer's facilities and/or equipment. In such event, Customer will reimburse NEXTERA for the cost of the required maintenance at NEXTERA's standard time and material rate. NEXTERA reserves the right to suspend Service for scheduled maintenance or planned enhancements or upgrades or emergencies repairs to NEXTERA' s network without notice to Customer. Customer will grant NEXTERA or cooperate with NEXTERA in obtaining access to its premises for the installation, operation, removal, repair and maintenance of the facilities and equipment for the Services hereunder.

Unless otherwise agreed, Customer will provide equipment compatible with the Services and NEXTERA's network and facilities. Customer will bear the costs of any additional apparatus reasonably required to be installed because of the use of NEXTERA's network or facilities. Customer is responsible for the interface and operation of its facilities and/or equipment in accordance with this Agreement, all Rules and all of NEXTERA's policies and procedures. NEXTERA reserves the right to revise the terms and provisions of its policies and procedures as it deems appropriate and this Agreement is subject to all revisions.

In the event NEXTERA provides any Nextera equipment to Customer for Customer's use during the term of the Agreement, such equipment will remain the sole and exclusive property of NEXTERA, and nothing contained herein will transfer to Customer any right, title or interest whatsoever in such equipment. NEXTERA will properly identify or label the equipment. Upon termination of the Service, Customer grants NEXTERA the right to recover NEXTERA provided equipment from Customer's premises upon the termination of this agreement. In the event Customer fails to return the equipment, NEXTERA may invoice Customer for the then fair market value of such equipment.

NEXTERA will provide Services to Customer using NEXTERA owned and managed facilities in conjunction with facilities of NEXTERA's network partners. NEXTERA reserves the right to substitute, change or rearrange any equipment used in delivering Services that does not affect the quality, cost or type of Services. NEXTERA will manage its network in NEXTERA's sole discretion. Customer will provide all reasonable information and authorizations required by NEXTERA for the purpose of installing Services, performing routine network grooming, maintenance, upgrades, and addressing emergencies. Required information and authorizations include but are not limited to Design Layout Records of any non-NEXTERA end loops connected to the Services and Letters of Agency allowing NEXTERA to act on the Customer's behalf related to the Services and auxiliary third party services. Customer will cooperate in good faith and follow through with any coordination efforts required in a timely manner.

NEXTERA's Wireless and WiMax Customer standard installation includes antenna and radios, non-penetrating antenna mount, up to 250 feet of standard cable weather-sealed and run from the antenna to the Customer Demarcation, service turn-up and testing. A typical installation is 3 hours in length and in the unlikely event of additional installation costs above the 3 hours the Customer will be billed at the current technician rates. NEXTERA owns all equipment that it supplies to the Customer. If service is discontinued for any reason, NEXTERA has the right to remove any or all of its equipment in a workmanlike manner upon 10 days advance notice. Customer Demarcation is defined as the location where Customer plugs into the NEXTERA equipment and is generally located in the Customer equipment room. The Customer agrees to allow personnel of NEXTERA and its sub-contractors reasonable access to the Customer's site for the purpose of installing, repairing, and removing the NEXTERA equipment and, if necessary, Customer shall obtain appropriate authorization from the landlord.

9. **SERVICE SUSPENSION/MAINTENANCE.** NEXTERA may from time to time suspend service for routine maintenance or rearrangement of facilities or equipment. NEXTERA will give Customer advance notification of the service suspension. Such service suspension is not considered an out-of-service condition provided service is restored by the end of the period specified in the notification.

10. **DISCLAIMER/LIMITED WARRANTY.** EXCEPT AS SPECIFICALLY SET FORTH IN THIS AGREEMENT, NEXTERA MAKES NO WARRANTIES, EXPRESS OR IMPLIED, UNDER THIS AGREEMENT AND SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NEXTERA DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE SERVICE WILL MEET THE CUSTOMER'S REQUIREMENTS.

11. **LIMITED LIABILITY.** NEXTERA'S LIABILITY AND THE EXCLUSIVE REMEDY OF CUSTOMER FOR DAMAGES ARISING OUT OF OR RELATED TO THE SERVICES AND/OR THIS AGREEMENT, WILL BE SOLELY LIMITED TO AN AMOUNT NO GREATER THAN THE AMOUNTS PAID BY CUSTOMER TO NEXTERA DURING THE TERM OF THIS AGREEMENT. IN NO EVENT WILL NEXTERA BE LIABLE TO THE CUSTOMER FOR LOSS OF USE, INCOME OR PROFITS, LOSS OF REVENUES, LOSS OF SAVINGS OR HARM TO BUSINESS OR ANY OTHER SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL LOSSES OR DAMAGES, REGARDLESS OF THE FORSEEABILITY THEREOF.

12. **INDEMNIFICATION.** Customer will indemnify, hold harmless, and defend NEXTERA, its officers, directors, affiliated companies, employees, agents and subcontractors from liabilities, claims or damages and expenses whatsoever (including reasonable attorney's fees) arising out of or in connection with Customer's use, resale or sharing of the Services. Customer's indemnification obligations do not apply to claims for damages to real or tangible personal property or for bodily injury or death which is directly caused by NEXTERA due to NEXTERA's gross negligence.

13. **CONFIDENTIALITY.** The parties may have access to certain information, the ownership and confidential status of which is highly important to the other party and is treated or designated by one of the parties as confidential (herein referred to as "Confidential Information"). Neither party will disclose the other party's Confidential Information, directly or indirectly under any circumstances, to any third person without the express written consent of the other party, and neither party will copy, transmit, reproduce, summarize, quote, or make commercial or other use whatsoever of the other party's Confidential Information, except as may be necessary to perform its duties hereunder or as required by the Rules, Each party will exercise the highest degree of care in safeguarding the other party's Confidential Information against loss, theft, or other inadvertent disclosure and take all steps necessary to maintain such confidentiality.

14. **DEFAULT/TERMINATION.** If either party violates any provision of this Agreement or if either party becomes or is declared insolvent or bankrupt, is the subject of any proceedings relating to its liquidation, insolvency or for the appointment of a receiver or similar officer for it, makes an assignment for the benefit of all or substantially all of its creditors, enters into an agreement for the composition, extension, or readjustment of all or substantially all of its obligations, or files a petition seeking relief under any chapter of the Bankruptcy Act, or if an involuntary petition under the Bankruptcy Act is filed with respect to such party, the non-defaulting party may send the defaulting party written notice detailing the default. The defaulting party will have: (a) 10 days from the date of the written notice to cure a payment default, or (b) 30 days from the date of the written notice to cure a non-payment default. If the defaulting party fails to cure, the non-defaulting party may terminate this Agreement and any Services hereunder upon notice or pursue any and all other legal remedies. This Agreement also may be terminated by either party in accordance with the provisions of the then current tariff or price list. If Customer terminates this Agreement or all or any part of the Services at any time after the Effective Date, NEXTERA may charge Customer an early termination fee equal to and including any or all of the following: 100% of the total MRC, surcharges and taxes for the entire Services Term or Services Term then remaining, plus any unpaid activation, installation and/or special construction charges and all other fees or costs, whether previously waived or not, less amounts already paid. Customer will not be liable for the early termination fees set forth above if NEXTERA breaches the Agreement or if 1) Customer agrees to pay any special construction charges and 3rd party charges imposed on Nextera as a result of discontinuance of service; 2) Customer orders from NEXTERA services of equal or greater MRC than the Services terminated; 3) Customer signs a Service Agreement for any other NEXTERA provided New Service(s); 4) both the current Service and the New Service(s) are provided solely by NEXTERA; 5) the order to discontinue Service and the order to establish new Service(s) are received by NEXTERA at the same time; and 6) the New Service(s) installation must be completed within thirty (30) calendar days of the disconnection of Service, unless such installation delay is caused by NEXTERA. Customer acknowledges that NEXTERA's damages for early termination would be difficult to determine and the termination charge(s) constitutes liquidated damages and are not intended as a penalty. All such amounts will become immediately due and payable by Customer to NEXTERA.

15. **FORCE MAJEURE.** In the event that either party's performance is delayed, prevented, or inhibited because of any Act of God, fire, casualty, delay or disruption in transportation, flood, war, strike, lockout, epidemic, destruction or shut-down of facilities, shortage or curtailment, riot, insurrection, governmental acts or directives, any full or partial failure of any communications or computer network or any cause beyond such party's reasonable control, the party's performance will be excused and the time for the performance will be extended for the period of delay or inability to perform resulting from such occurrence. The occurrence of such an event will not constitute grounds for a declaration of default by either party hereunder.

16. **GENERAL.** Any amendment must be in writing and signed by the parties hereto. Facsimile copies of this Agreement and any amendments or modification hereto, including facsimile signatures, will be accepted by the parties as originals. The failure of either party to insist upon the performance of any provision or to exercise any right granted hereunder, will not be construed as a waiver of such provision(s)), and the same will continue in full force. If any provision hereof is held to be invalid, void, or unenforceable, the remainder of the provisions will nevertheless remain unimpaired and in effect. All notices under this Agreement will be in writing and will be made by personal delivery, overnight delivery, certified mail or by facsimile transmission with receipt verification. Notices will be sent to the addresses listed on the front this Agreement and in the case of a notice to NEXTERA, a copy to the Legal Department, 13850 Bluestem Ct, Ste 150, Baxter MN, Fax No. 218-818-6401. The various rights and remedies given to or reserved by either party herein or allowed by law, are cumulative, and no delay or omission to exercise any of its rights will be construed as a waiver of any default or acquiescence, nor will any waiver of any breach or any provision be considered a condonement of any continuing or subsequent breach of the some provision. Customer may not assign its obligations hereunder without the prior written consent of NEXTERA, which will not be unreasonably withheld, This Agreement will be governed by and interpreted in accordance with the laws for the state where the Services are to be provided. Nothing in this Agreement is intended to, or shall be construed, as creating a partnership or any third-party beneficiaries. The provisions of 6, 7, 10, 11, 12, 13, and 14 will survive termination.

Laserfiche Proposal for:

Josi Wood
City Administrator

September 10th, 2020

Dear Josi,

Thank you for the opportunity to present this proposal for the Laserfiche Invoice capture process from Minokaw Technologies. Based on the schedule that is listed in this document we should be able to complete this process in 3 weeks based on the availability of your team, for training and testing.

I am providing you a fixed amount for this project and we will not exceed that amount unless there are additional invoices, processes, or forms that you want to add to the process.

This process does not require any additional licensing for you, just time to get the process done. In order to get this process scheduled, started and completed I would need to get an approval to begin the process. Once you are ready to move forward just email me and I will send this document to you for an electronic signature.

Sincerely,

Ned Weizenegger

ABOUT MINOKAW TECHNOLOGIES

Minokaw Technologies is a tribally owned technology company that specializes in the sales and service of Laserfiche enterprise content management (ECM) software. Minokaw is a subsidiary of Mille Lacs Corporate Ventures, the business arm of the Mille Lacs Band of Ojibwe. Minokaw and its employees have been using, supporting and developing Laserfiche solutions for over 15 years. Four years ago, Minokaw Technologies was started based on that Laserfiche expertise. We have created hundreds of custom business processes and document retention solutions that meet current business needs and we are proactive in recommending solutions to take full advantage of ALL aspects of the Laserfiche platform. Minokaw offers a variety of support solutions post installation to meet client specific needs and provides multiple training options .

We are a Laserfiche Gold Certified Reseller, which requires advanced training and business knowledge of the ECM platform.

ABOUT LASERFICHE

Laserfiche is the world's leading software for enterprise content management, business process automation, and productivity-boosting analytics. From digitizing documents to supporting smarter business decisions, Laserfiche provides a progressive roadmap to help organizations of all sizes embrace the benefits of digital transformation.

Since 1987, Laserfiche Enterprise Content Management software has been trusted by more than 35,000 organizations with 5 million users worldwide to manage, secure and share information. K-12 education is one of their key industries and they have people focused on solutions just on that market. They offer a K-12 Answers Community where K-12 colleagues can share questions and solutions and learn from one another. Along with winning industry awards, Laserfiche has also set the industry standard with a Department of Defense 5015.2-certified records management solution.

OUR SOLUTION

Minokaw Technologies will use Laserfiche Cloud to create an invoice capture process for the City of Isanti. The following tasks will be a part of this process and the time to complete these processes are listed to the right. All timelines are projected hours, and could come in less than the projected amount, but will not exceed the time projected.

- Create 90 Invoice Profiles captures- (90 hours)
- Build a process diagram for approval routing- (15 hours)
- Create a Vendor Table Lookup- (5 hours)
- Create a GL Lookup Table- (5 hours)
- Create a GL table form to update the Gl Table- (5 hours)
- An external forms process for submitting invoices- (5 hours)
- An internal forms process for submitting invoices- (5 hours)
- A vendor table form to update the vendor table- (2 hours)
- Create a process to split accounting codes- (3 hours)
- Training- (8 hours)

MEMORANDUM

Date: September 9, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

Minor punchlist items will be wrapped up this month.

2) 6th Avenue Rehabilitation

The contractor plans to begin work on Monday September 14, 2020, with work planned to be completed in mid to late October 2020.

3) 2020 Pavement Management Project

Minor punchlist items will be wrapped up this month.

4) 2020 Storm System Management Project

Minor remaining items will be completed this fall.

5) Legacy Pines 2nd Addition

The final lift of pavement is scheduled to be completed later this fall. The parking lot to Legacy Pines is open to the public.

6) Legacy Pines 3rd Addition – Phase 1

Utilities have been installed, and street construction is scheduled to be completed this month.

7) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, OCTOBER 6, 2020 – 7:00 P.M.
CITY HALL

A. Call to Order
B. Pledge of Allegiance
C. Roll Call
D. Public Comment
E. Adopt Agenda

F. Proclamations/Commendations/Certificate Award
1. Mayors Proclamation- MN Manufacturer's Week
2. IRIS Infants Remembered in Silence

G. Approve City Council Minutes
1. September 15, 2020- Regular Meeting of the City Council
2. September 15, 2020- Committee of the Whole Meeting

J. Public Hearings

K. Business Items

City Administrator Josi Wood
1. Discussion on Study of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive
2. Isanti Business Relief Grant Program Update and Small Small Business Coaching Discussion *(Steve Fredlund)*
3. Resolution 2020-XXX Approving a Special Event Permit Application for Rum River BMX for MN State Series Finals *(Larry Merchlewitz)*

City Engineer Jason Cook
4. Resolution 2020-XXX Declaring Cost to be Assessed, Ordering Preparation of Proposed Assessment, and Ordering Hearing on Proposed Assessment – 6th Avenue SW Rehabilitation Project

L. Approve Consent Agenda
1. Accounts Payable in the Amount of $441,464.48 Payroll in the Amount of $211,027.77 and Q3 Council Pay in the Amount of $8,605.82
2. Resolution 2020-XXX Accepting New Contract for Regional Safety Group 2021
3. Resolution 2020-XXX Offering the Position of Part-Time Liquor Store Clerk to Meghan Glassel

4. Resolution 2020-XXX Accepting Parks, Recreation and Culture Board Member Brian Thum's Resignation
5. Resolution 2020-XXX Accepting Part-Time Liquor Store Clerk Termination for Elizabeth Kerr
6. Resolution 2020-XXX Approving Snow Plowing Policy and Operational Guidelines
7. Resolution 2020-XXX Execution of Repayment Agreement on Lot 6, Block 3 Villages on the Rum
8. Resolution 2020-XXX Recognizing National Pregnancy and Infant Loss Remembrance Day
9. Resolution 2020-XXX Declaring Metal as Scrap and Authorizing its Disposal
10. Resolution 2020-XXX Authorizing to Enter into an Agreement with Civic Systems for Caselle Connect Software Modules
11. Resolution 2020-XXX Approving Donation Box at Liquor Store
12. Resolution 2020-XXX Awarding Quote and Authorizing to Enter into a Contract for Codification Services
13. Resolution 2020-XXX Approving Application for an Exempt Gambling Permit for Rum River BMX 50/50 Raffle
14. Resolution 2020-XXX Authorizing a Reduction in the Letter of Credit for Heritage Estates

M. Other Communications

N. Closed Session

1. Closed Session for consideration of sale of City owned Real Property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.040.1030 and 16.040.0960.

2. Discussion Regarding Consideration to Purchase Real Property pursuant to Minn. Stat. 13D.05, subd. 3(c) for PID 16.029.2100 and 16.029.2400.

Adjournment

minnesota MANUFACTURING WEEK

F.1.

Proclamation

Whereas: Manufacturing is a dynamic and robust industry, crucial to the health and strength of Minnesota's diverse economy; and

Whereas: Manufacturing added $52.7 billion to Minnesota's economy in 2019, representing the second-largest contribution (14%) to the state's gross domestic product by any industry; and

Whereas: Workers took home $22.1 billion in wages from Minnesota manufacturing jobs in 2019, the second-largest total payroll among private sector industries; and

Whereas: Manufactured exports brought $21 billion into the Minnesota economy in 2019; and

Whereas: Manufacturing in Minnesota pays an average annual wage of $68,081, which is 16% higher than the state's overall average wage; and

Whereas: Manufacturing provides 324,000 highly skilled, well-paying jobs, which significantly contribute to Minnesota's high standard of living and economic vitality.

Now, therefore, I, Jeff Johnson, Mayor of Isanti, do hereby proclaim that the week of October 1 to October 7, 2020 shall be observed as:

MINNESOTA MANUFACTURING WEEK

in the City of Isanti on this 6th day of October, Two Thousand and Twenty

_____

MAYOR, Jeff Johnson

F.2.

IRIS INFANTS REMEMBERED IN SILENCE ©

Founded in 1987
218 Third Ave. NW Faribault MN 55021
Phone: (507) 334-4748 E-mail: support@irisRemembers.com Website: www.irisRemembers.com

Infants Remembered In Silence, Inc. a 501(c)3 nonprofit organization (#41-1700704) would like to respectfully request that the city adopt a resolution endorsing October 15th as Pregnancy and Infant Loss Remembrance Day in accordance with the requirements within the city/county.

Infants Remembered In Silence, Inc. (IRIS) works with thousands of people across Minnesota, and across the USA, who have experienced the death of a child during pregnancy through early childhood. This includes death from miscarriage, ectopic pregnancy, molar pregnancy, stillbirth, neo-natal death, sudden unexplained death of a child (SUDC), sudden infant death syndrome (SIDS), birth defects, illness, accidents, and all other types of early childhood death. Many of these parents live in, deliver in, and have a child die in, or bury a child in this community.

Bereaved parents remember these children annually with a 7 pm candle lighting on October 15th. Some will remember their child/children in their homes while others will remember them in small gatherings around the state and across the nation. This resolution/proclamation would unify these parents in tribute of their children.

United States Government Proclamations:

- 1988 President Ronald Reagan Proclaimed October as National Pregnancy and Infant Loss Awareness Month.
- 2001 House Resolution
  107th Congress – 1st Session
  H.RES.254 IH
- 2006 House Resolution
  109th Congress – 1st Session
  H.CON.RES.222

If you do choose do adopt this proclamation/resolution you may send us any certificates via e-mail to support@irisremembers.com or we can arrange for someone to pick it up.

Respectively submitted August 21, 2020.

Diana Kelley - Founder and Executive Director
Infants Remembered In Silence, Inc. © (IRIS)

K. Business Items

Josi Wood City Administrator

1. **Resolution 2020-165** Variance request for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway

[*Other conversation to be presented at Public Comment*] Scott Zimprich, owner at house, 201 Broadway, suggested a proposed sidewalk from Bluebird Park to the Dog Park on the South side of Isanti Parkway due to many small children in the area.

Scott Zimprich shared his outlook on his request for a variance to build a 580 square foot detached garage, which exceeds the size of the primary structure.

The council considered this request at the September 1, 2020 meeting, four (4) members of the Council were present with one (1) absent. Scott Zimprich was not present at the meeting. The council had a tied 2-2 vote and postponed the action to the September 15, 2020 meeting. On May 12, 2020 the applicant applied for a building permit to construct a detached garage at 720 square feet. On May 14, 2020 the Community Development Director emailed him explaining that the proposed garage exceeds the size limit according to city code. On July 13, 2020 a stop work order was issued for the property because a building permit was never issued and the garage foundation had already been poured.

Motion by Collison, second by Lundeen to deny the variance request at 201 Broadway. Motion passed 3-2 with Gordon and Bergley voting nay.

2. **Resolution 2020-166** Approving Metering Software and Hardware and Entering into an Agreement with Mueller

City Administrator Josi Wood shared that Badger Meters, the current meter company, has informed staff that the current meters being used are now obsolete and no longer will be manufactured. Staff has explored options that are in the best interest of residents and such options include new meters that have different radios and software. Staff recommends switching vendors to Mueller Meters to receive better service and technology. Wood further shared the recommendation to replace radios 2022 and Finance Director Mike Betker will add it to the Capital Improvement Plan as well as into the Rate Study. To make the transition and purchase the software needed to read the new meters it would be an amendment to the budget in water in the amount of $8,000. A new laptop and Caselle billing software will need to be purchase in order to ensure the billing software is able to speak to the new meters for a total amount not to exceed $11,000.01.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

3. **Resolution 2020-177** Approving First Amendment to the Development Agreement for Legacy Pines 3rd Addition Phase 2

City Administrator Josi Wood shared that this was discussed at Committee of the Whole earlier in the night. A request came in from the developer of Everpine Landholdings, LLC. Which holds a developers agreement for Legacy Pines specifically with the 3rd addition he has requested to have his letter of credit split into two parts which then would allow him to keep working on his utilities and not to put up more letter of credit before he has to do the surface work and keeps the project moving along and is a time sensitive issue which is why it is being brought forward to council now.
Motion by Bergley, second by Collison to approve amending the Letter of Credit for Legacy Pines 3rd Addition. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $222,652.70 Payroll in the Amount of $104,290.60

2. **Resolution 2020-167** Regarding Maintenance of Part-Time Peace Officers
3. **Resolution 2020-168** Approving Amendment to the 2020 Budget
4. **Resolution 2020-169** Authorization to Purchase Items with Wellness Funds from the Approved Budget
5. **Resolution 2020-170** Accepting Part-Time Liquor Store Clerk Letter of Resignation for Brian Williams
6. **Resolution 2020-171** Approving the hire of Building Official Christopher Chandler
7. **Resolution 2020-172** Entering into an Agreement with Nextera for Hosted Voice/ Phone Services for City Hall
8. **Resolution 2020-173** Approving Proposals for Automated Laserfiche Services
9. **Resolution 2020-174** Approving Application for Exempt Gambling Permit for Friends of Saint Scholastica
10. **Resolution 2020-175** Authorizing Purchase of Emergency Management Radio Equipment
11. **Resolution 2020-176** Authorizing Purchase of 2021 Chevrolet Tahoe and Equipment for Emergency Management Mobile Command Vehicle

Motion by Bergley, second by Collison to approve Consent Agenda as presented. Motion passed 5-0. Motion carried.

E. Committee Meeting Items

1. PW Updates
    - Street painting of crosswalks, stop bars, school crossings, railroad crossings and parking lots was completed.
    - Public Works crew repaired a storm drain on East Dual Blvd in front of UPS. The repair required a new casting to be installed as well as some curbing.
    - Annual maintenance of the air release valves have been completed for the third time this year. This is part of the quarterly maintenance that is done.
    - Sewer jetting has begun and this year jetting will be done at each lift station and cleaning the lift station itself. Primarily, Pubic Works jets to prevent sewer backups in the system but also to inspect the infrastructure itself.
    - Generator pads have been poured and the generator installs should be starting soon. The work is scheduled to be completed in October.
    - Staff worked through some filter issues at the Waste Water Treatment Plant. It was discovered that the filters were low on potassium Permanganate, allowed to sit then backwashed before being put back in use.
    - Staff cleaned out the backwash tank which is part of annual maintenance. It is an opportunity to discard all the Iron and Manganese that is removed during normal operation.
    - Staff verified gate valves were open prior to hydrant flushing, but during that time staff discovered that 8 gate valves were closed at different locations in town.
    - Staff completed hydrant flushing and was able to complete a small list of hydrant repairs.
    - The sledding hill project has begun and should be completed in late September weather permitting.
    - Public Works crews have been fogging for Mosquitos and will continue through September.
    - Staff was able to pour concrete curbing at Rum River Meadows Park and that will be the last park that gets curbing.

- The Compost Site is open and continues to be busy. The Sunday hours will begin on October 25th with the compost site closing for the season on November 8th.
- The Community Garden is slowing down but the Sunflower Maze is in full bloom.
- The Farmers Market is open until September 25th.

2. Pedestrian Bridge (New Information) Discussion
   - At the January 2020 goal setting meeting discussion was held about a pedestrian bridge project.
   - Council unanimously decided that there were other things to consider at that time.
   - The Federal Highway Administration Division Central Finance Officer has reached out asking what the city is going to do with the funds that were allocated to that project.
   - The total of the bridge is going to cost a little over $4 million dollars and approximately $2.1 million in federal funds and approximately just under $2 million that could potentially be obtained from other grant opportunities.
   - The amount is $200,149,745
   - The preliminary bridge project that was projected in the past was supposed to be placed where the Best Western Hotel is now.
   - Recommendation from Committee is for City Engineer Jason Cook to bring updated cost and information for the project to a future Committee of the Whole meeting.

3. Mixed Radio Network Participation (Mayor Johnson)
   - Mayor Johnson was asked to be a guest on a podcast.
   - The network are advocates for public safety and law enforcement.
   - City Attorney does not recommend using a city facility.
   - City Attorney recommended caution on the Mayor speaking on behalf of the city.
   - Recommendation from Committee is for Mayor Johnson to participate in podcast with Fire Chief Al Jankovich and Chief of Police Travis Muyres.

4. Legacy Pines 3rd Addition Letter of Credit
   - A request came in from the developer of Everpine Landholdings, LLC for the development Legacy Pines 3rd addition, the request is for the following:
     - Pay all necessary fees City fees for the 32 lots in Phase II and the required escrows in connection with Phase II.
     - Post the minimum 10% of total construction costs amount that the City requires for the warranty period.
     - That at the end of construction season, whatever amounts are yet needed to complete the unfinished work be posted with the City at this time.
   - The addition is broken up into three phases.
   - Phase one is near completion.
   - One option to consider is to break the letter of credit into two parts.

- Recommendation from Committee is to move forward with breaking the letter of credit into two parts and bring to City Council meeting later this night of September 15, 2020 for consideration.

5. Coaching Funds for Small Businesses *(Steve Fredlund)*
   - Small Small Business Community has requested $12,000 in funding to provide 20 small businesses in Isanti with four (4) hours of individual business coaching plus lifetime membership at smallsmallbusiness.com
   - Membership also includes post-program discounts on private coaching, group coaching and mastermind groups
   - Recommendation from Committee is to postpone until the October 6th City Council meeting to determine the amount of funding left from the CARES Act.
6. CARES Act Funding for Fire District
   - Chief Jankovich shared that he is greatly appreciated for the CARES Act money that is allocated for the fire district.
   - Jankovich provided a bid for the audio/visual distance learning equipment.
   - Recommendation from Committee is for Fire Chief Al Jankovich, City Administrator Josi Wood and Finance Director Mike Betker to purchase items that have been allocated and approved to be purchased for the Fire District.

F. Adjournment

Meeting was adjourned at 6:18 p.m.

Memo for Council Discussion

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: October 6, 2020
Subject: Discussion on Study of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive

---

Background:
The City partnered with Isanti County, Res 2019-217, to conduct a traffic control and evaluation study for the intersections of Heritage Blvd (County Rd 5) and East Dual Blvd and Credit Union Drive.

The engineering firm chosen by Isanti County was WSB. The full study is attached and represents options for traffic control. Staff is requesting discussion and for a recommendation as to which traffic control, signal or roundabouts, is preferred.

Request:
Staff is requesting discussion and direction on this item.

Attachment:
- WSB Engineering Analysis of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive

Memorandum

To: Richard Heilman, PE, Isanti County Engineer

From: Erik Seiberlich, Senior Project Manager
Sean Delmore, PE, PTOE, Director of Traffic Engineering

Date: September 17, 2020

Re: Analysis of CSAH 5 Intersections with East Dual Boulevard and Credit Union Drive
WSB Project No. 014712-000

A. Introduction

The purpose of this report is to evaluate the traffic control and intersection lane geometry needed for two existing intersections: County State-Aid Highway (CSAH) 5 and East Dual Boulevard, as well as CSAH 5 and Credit Union Drive, located in the City of Isanti in Isanti County, Minnesota. This report will document the existing conditions, operations and safety. It will also analyze existing and proposed intersection geometry using projected traffic volumes.

B. Description of Location

CSAH 5 (Heritage Boulevard) is a four-lane undivided (divided from the Kwik Trip access east to TH 65) minor arterial roadway within the study area. CSAH 5 serves as an east-west route for Isanti County, intersecting the Sherburne County line on the west and the Chisago County line on the east. The only major intersecting roadway is Trunk Highway (TH) 65 in the City of Isanti.

East Dual Boulevard and Credit Union Drive are both two-lane local roadways located within the city limits. The south termini of East Dual Boulevard is located at CSAH 5, as well as the north termini of Credit Union Drive. The intersection with Credit Union Drive is located approximately 1,000-feet west of TH 65. The intersection with East Dual Boulevard is located approximately 300-feet west of Credit Union Drive. Kwik Trip has an access on CSAH 5, skewed slightly east across from Credit Union Drive.

The project location within the context of the surrounding area is represented in **Figure 1**.

wsb

CSAH 5 at East Dual Boulevard and Credit Union Drive
Traffic Analysis
Isanti County, MN
Figure 1. Intersection Locations and Surrounding Network

C. Existing Conditions

The two intersections along CSAH 5 are currently minor approach stop-controlled. A summary of the characteristics of East Dual Boulevard and Credit Union Drive study intersections are as follows:

CSAH 5 and East Dual Boulevard intersection:

- East leg
  - 2 thru lanes
  - 1 exclusive right-turn lane
  - 30 mph speed limit
  - 10,600 ADT (2016 MnDOT)
- West leg
  - 2 thru lanes (1 is shared thru/left-turn lane)
  - 30 mph speed limit
  - Existing crosswalk
  - 10,600 ADT (2016 MnDOT)
- North leg
  - 1 shared lane
  - 30 mph speed limit
  - Existing crosswalk
  - 1,250 ADT (2016 MnDOT)

CSAH 5 and Credit Union Drive intersection:

- East leg
  - 2 thru lanes (1 is shared thru/right-turn lane)
  - 30 mph speed limit
  - 10,600 ADT (2016 MnDOT)
- West leg
  - 2 thru lanes (1 is shared thru/left-turn lane)
  - 30 mph speed limit
  - 10,600 ADT (2016 MnDOT)
- South leg
  - 1 shared lane
  - 30 mph speed limit
- Skewed North leg
  - Kwik Trip Gas Station access
  - 1 shared lane
  - This is an entrance only not an exit from the Kwik Trip

The existing intersection geometry is depicted in **Figure 2.**

Traffic turning movement counts at the intersections of CSAH 5 and East Dual Boulevard, and CSAH 5 and Credit Union Drive were collected on Tuesday September 10, 2019. The results of these traffic counts are provided in **Appendix A**. Existing Average Daily Traffic (ADT) volumes are from Minnesota Department of Transportation (MnDOT) traffic volume map year 2016 and are included in **Figure 2.** A summary of the 3-year (July 2016- June 2019) crash history at the CSAH 5 intersections with East Dual Boulevard and Credit Union Drive are provided in **Table 1 and 2**. Isanti County provided the crash details from the police department. These reports indicate there have been 5 crashes at the East Dual Boulevard intersection and 3 crashes at the Credit Union Drive intersection between July 2016 and June 2019. Existing crash patterns show that both intersections experience a higher-than-average rate of 0.41 crashes per million entering vehicles (East Dual Boulevard) and 0.25 crashes per million entering vehicles (Credit Union Drive), compared to the average rate of 0.19 for an urban thru-stop intersection (2015 MnDOT Crash Toolkit). A Crash Diagram can be found in **Appendix B**.

In recent years, mobility and safety on the CSAH 5 corridor between these intersections has been a concern. Several crashes have occurred since the Kwik Trip Gas Station was opened in early 2019, as

more traffic travels through these intersections, drivers make riskier decisions when turning in and out of the accesses. Different alternatives will identify safer and operationally better intersections that address the increased volumes through this area.

Table 1 – Existing Crash Rate Calculation at CSAH 5 and East Dual Boulevard

Isanti CSAH 5 and East Dual Blvd (July 2016-June 2019)							
Location	Number of Crashes	Daily Entering Vehicles	Crash Rate*			Severity Rate	
			Calculated	Average**	Critical***	Calculated	Average**
Isanti CSAH 5 and East Dual Blvd (July 2016-June 2019)	5	11,225	0.41	**0.19**	0.43	0.41	1.00

*Intersection crash rates are expressed in crashes per million entering vehicles.

**Average for an urban thru-stop intersection using MnDOT 2015 green sheets.

***Critical crash rates are expressed in crashes per million entering vehicles with 0.95 confidence level.

Table 2 – Existing Crash Rate Calculation at CSAH 5 and Credit Union Drive

Isanti CSAH 5 and Credit Union Dr (July 2016-June 2019)							
Location	Number of Crashes	Daily Entering Vehicles	Crash Rate*			Severity Rate	
			Calculated	Average**	Critical***	Calculated	Average**
Isanti CSAH 5 and Credit Union Dr (July 2016-June 2019)	3	11,175	0.25	**0.19**	0.43	0.25	1.00

*Intersection crash rates are expressed in crashes per million entering vehicles.

**Average for an urban thru-stop intersection using MnDOT 2015 green sheets.

***Critical crash rates are expressed in crashes per million entering vehicles with 0.95 confidence level.

Figure 2. 2019 Existing Turning Movements & Geometry

D. Future Conditions

The CSAH 5 corridor is projected to increase within the coming years and different intersection alternatives were identified for the intersections with East Dual Boulevard and Credit Union Drive.

The proposed intersection modifications included four different alternatives:

Alternative 1 (**See Appendix E1**):

- Installation of a traffic signal at the intersection of CSAH 5 and East Dual Boulevard.
- Mill and overlay of CSAH 5 between west of West Dual Boulevard and east of Credit Union Drive with restriping to include two-way left turn lane or exclusive left-turn lanes for all accesses.
- Reduction of eastbound CSAH 5 to one lane by restriping, and roadway widening on the north side of CSAH 5 to maintain the two westbound lanes and right-turn lane for East Dual Boulevard.
- This alternative could work as an interim improvement prior to Alternative 2.

Alternative 2 (**See Appendix E1**):

- Realignment of Credit Union Drive to create a 4-legged intersection with East Dual Boulevard and CSAH 5, and the installation of a traffic signal.
- Mill and overlay with restriping to include exclusive turn lanes on CSAH 5 at the traffic signal.
- Reduction of eastbound CSAH 5 to one lane by restriping, and roadway widening on the south and north side of CSAH 5 to maintain the two westbound lanes.
- Closure of existing Credit Union Drive access to CSAH 5 and realignment of Cherrywood Street to intersect the new road.

Alternative 3 (**See Appendix E1**):

- Installation of a mini-roundabout at each intersection (2 total).
- Restriping west of East Dual Boulevard and east of Credit Union Drive on CSAH 5 for appropriate lane transitions.

Alternative 4 (**See Appendix E1**):

- Realignment of Credit Union Drive to create a 4-legged intersection with East Dual Boulevard and CSAH 5, and the installation of a mini- roundabout.
- Restriping west of East Dual Boulevard and east of Credit Union Drive on CSAH 5 for appropriate lane transitions.
- Closure of existing Credit Union Drive access to CSAH 5 and realignment of Cherrywood Street to intersect the new road.

Recently the Stakeholder Agencies have contacted inquired about the possibility to acquire the land south of the CSAH 5 & East Dual Boulevard intersection. At this time the landowner is not interested in selling or otherwise providing that land for future transportation right-of-way. Due to this Alternatives 2 and 4 will no longer be considered as part of this traffic study.

Traffic Control Analysis

The following subsections detail the analysis used for determining the appropriate traffic control for each intersection or a combined intersection. Thirteen hours of turning movements (6:00 AM-7:00 PM) were counted on Tuesday, September 10, 2019 and used to perform a traffic signal warrant analysis if the two intersections were combined and realigned as one four-legged intersection, and for each intersection separately.

Traffic Signal Warrant Analysis

Part 4 of the MN MUTCD contains information pertaining to highway traffic signals, including a series of traffic-signal warrants that define the minimum conditions under which installing a traffic signal could be justified. These traffic signal warrants have been developed as national guidelines to promote continuity of traffic control devices and to ensure that traffic signals are installed at intersections that benefit from their operations. The following are the nine MN MUTCD traffic signal warrants:

Warrant 1-Eight-Hour Vehicle Volume
Warrant 2-Four-Hour Vehicle Volume
Warrant 3-Peak Hour Vehicle Volume
Warrant 4-Pedestrian Volume
Warrant 5-School Crossing
Warrant 6-Coordinated Signal System
Warrant 7-Crash Experience
Warrant 8-Roadway Network
Warrant 9-Intersection Near a Grade Crossing

According to the MN MUTCD, inclusion of right-turn volumes for warrant analysis is dependent on engineering judgment, site factors and turning movement volumes. By applying engineering judgment, right-turn movements on all approaches of the combined access intersection and separate intersections were included in the analysis due to the lack of existing right-turn lanes on all legs.

The following is the result of the traffic signal warrant analysis for a combined intersection. See **Appendix C1** for additional information.

- Warrant 1 – Eight-Hour Vehicle Volume: **MET**
- Warrant 2 – Four-Hour Vehicle Volume: **MET**
- Warrant 3 – Peak-hour Vehicle Volume: **MET**
- Warrant 4 – Pedestrian Volume: **NOT MET**
- Warrant 5 – School Crossing: **N/A**
- Warrant 6 – Coordinated Signal System: **NOT MET**
- Warrant 7 – Crash Experience: **NOT MET**
- Warrant 8 – Roadway Network: **NOT MET**
- Warrant 9 – Intersection Near a Grade Crossing: **N/A**

Signal Warrants 1, 2 and 3 are met with existing traffic volumes and speed limits, with the realignment of accesses to create a 4-legged intersection.

The following is the result of the traffic signal warrant analysis for the intersection of CSAH 5 and East Dual Boulevard. See **Appendix C2** for additional information.

- Warrant 1 – Eight-Hour Vehicle Volume: **MET**
- Warrant 2 – Four-Hour Vehicle Volume: **MET**
- Warrant 3 – Peak-hour Vehicle Volume: **MET**
- Warrant 4 – Pedestrian Volume: **NOT MET**
- Warrant 5 – School Crossing: **N/A**
- Warrant 6 – Coordinated Signal System: **NOT MET**
- Warrant 7 – Crash Experience: **NOT MET**
- Warrant 8 – Roadway Network: **NOT MET**
- Warrant 9 – Intersection Near a Grade Crossing: **N/A**

Signal Warrants 1, 2 and 3 are met with existing traffic volumes and speed limits at the intersection of CSAH 5 and East Dual Boulevard.

The following is the result of the traffic signal warrant analysis for the intersection of CSAH 5 and Credit Union Drive. See **Appendix C3** for additional information.

- Warrant 1 – Eight-Hour Vehicle Volume: **MET**
- Warrant 2 – Four-Hour Vehicle Volume: **MET**
- Warrant 3 – Peak-hour Vehicle Volume: **MET**
- Warrant 4 – Pedestrian Volume: **NOT MET**
- Warrant 5 – School Crossing: **N/A**
- Warrant 6 – Coordinated Signal System: **NOT MET**
- Warrant 7 – Crash Experience: **NOT MET**
- Warrant 8 – Roadway Network: **NOT MET**
- Warrant 9 – Intersection Near a Grade Crossing: **N/A**

Signal Warrants 1, 2 and 3 are met with existing traffic volumes and speed limits at the intersection of CSAH 5 and Credit Union Drive.

E. All-Way Stop Warrant Analysis

Part 2B of the Minnesota Manual on Uniform Traffic Control Devices (MN MUTCD) contains information pertaining to the all-way stop control with criteria relating to vehicular volumes and crash history that define the minimum conditions under which installing an all-way stop could be justified.

The following are the discussions regarding whether the intersection geometry and/or traffic volumes meet the guidance in the MN MUTCD. Text in *italics* denotes guidance from the MN MUTCD, and regular text denotes discussion on whether conditions meet the guidance. Using the provided count data, all-way stop warrants were analyzed, with the realignment of accesses to create a conventional 4-legged intersection and for each intersection separately.

- *A multi-way stop application can be used as an interim measure while arrangements can be made to install a traffic signal* – A traffic signal is warranted at this intersection; therefore, a multi-way stop application could be used as an interim measure.
- *Five or more reported crashes in a 12-month period that are susceptible to correction by a multi-way stop installation* – Only two right-angle crashes have occurred within the past 5 years at each of the intersection with CSAH 5.
- *Minimum volumes* – 7 of the required 8 hours were met, See **Appendix D1-D3** for volume analysis.
- *Where no single criterion is satisfied, but where the preceding criteria are all satisfied to 80% of the minimum values.* – 11 hours of the required 8 hours were met, See **Appendix D1-D3** for the 80% minimum value analysis.
- *The need to control left-turn conflicts* – Westbound left-turn conflicts would need to be controlled due to relatively high left-turn volumes compared to right-turn volumes, and oncoming traffic is high during peak hours.
- *The need to control vehicle/pedestrian conflicts near locations that generate high pedestrian volumes* – The existing intersections do not experience a high level of pedestrian and bicycle traffic that would require installation of a multi-way stop to provide adequate operations.
- *Locations where a road user, after stopping, cannot see conflicting traffic and is not able to negotiate the intersection unless conflicting cross traffic is also required to stop* – Sightlines are currently visible at both intersections.
- *An intersection of two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve operational characteristics of the intersection* – East Dual Boulevard and Credit Union Drive are not of the same functional classification or design as CSAH 5, traffic operations at the intersection would not benefit from the installation of a multi-way stop.

The signal warrant and 80% volume warrant are met if the two intersections were realigned and combined as one intersection. However, because traffic volumes on CSAH 5 are much higher than the minor approaches, all-way stop control is not recommended if the accesses were combined or if they remain as separate intersections.

Although no traffic warrants for roundabouts currently exist, the MnDOT Intersection Control Evaluation Manual states that if a traffic signal or an all-way stop warrant is met, a roundabout should also be considered as a warranted traffic control device. There are traffic signal and all-way stop warrants that are currently met for both intersections, which makes the installation of a roundabout warranted. The Intersection Control Evaluation Manual also states that site-specific safety issues may cause a roundabout to be justified. As traffic volumes rise at the intersection, safety will become a larger concern as vehicles are turning in and out of the accesses.

Crash Evaluation

Crash reductions for each type of intersection control were estimated based on the proposed layout and the crash reduction factors from the Federal Highway Administration (FHWA) Crash Reduction Factors and the Minnesota Department of Transportation (MnDOT) Roundabout Crash Reduction Factors. **Table 3** shows the projected crash rate and yearly crashes for each traffic control type using the existing traffic volumes.. Fewer crashes mean a reduced cost to the local economy in terms of lost productivity related to property damage, injuries, and congestion on local roadways.

Table 3 – Existing and Projected Crash Rates by Traffic Control Type

Traffic Control	Crash Reduction Factor*	Crash Rate**	Projected Crashes Per Year
Thru-Stop @ East Dual Blvd (Existing)		0.41	1.67
Thru-Stop @ East Dual Blvd (Existing)		0.25	1.00
Combined Thru-Stop (Build with existing crashes)		0.62	2.67
Urban-Thru Stop (State average rate)		0.19	0.80
High Volume, Low Speed Signal (State average rate)		0.72	3.09
Urban Single Lane Roundabout	0.60	0.25	1.08
Urban Multi-lane Roundabout	0.65	0.22	0.95

* Crash reduction factors taken from MnDOT's HSIP Program guidance

** Crash rate for proposed improvements = (1 - CRF) x (existing CR)

Traffic Forecasts

Based on the Minnesota DOT County Growth Rate Table, traffic volumes in Isanti County are projected to rise by 10% over the next 20 years. For future analysis, the 10% increase in traffic movement volumes will be used in all simulations to determine level of service. Year 2039 Forecasted Turning Movements are shown in **Figure 3**.

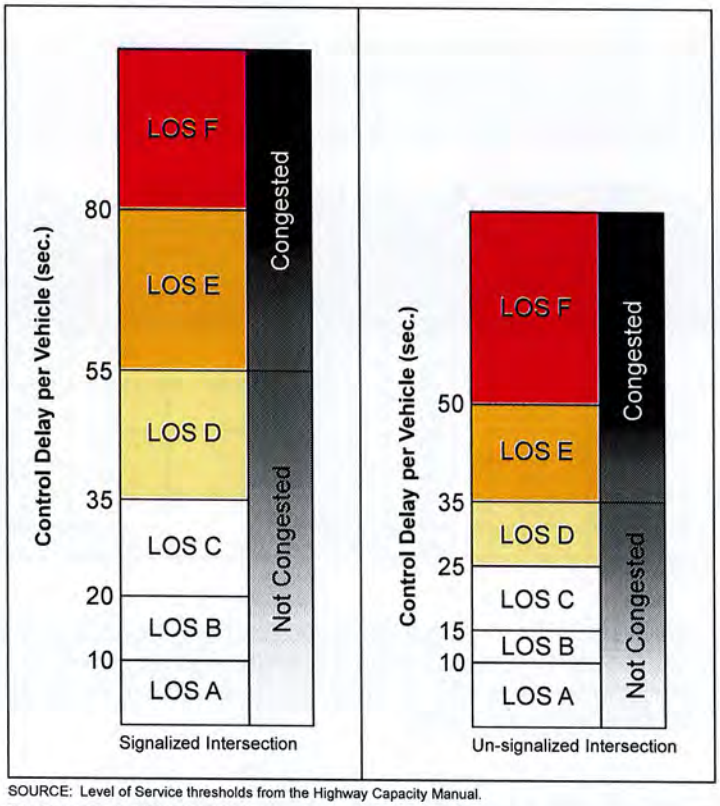
CSAH 5 at East Dual Boulevard and Credit Union Drive
Traffic Analysis
Isanti County, MN
Figure 3. 2039 Forecasted Turning Movements

Intersection Capacity Analysis

Intersection operations are evaluated in terms of average seconds of delay per vehicle, each approach and turning movement for the intersection. The average number of seconds of delay is broken into six ranges assigned letter grades A through F defining each level of service (LOS) as shown in **Figure 4**. The ranges for unsignalized intersections are narrower than the ranges for signalized intersections. This is because many factors including the intangible factors of driver discomfort and frustration are considered. A one-minute delay at a red light is perceived as being more tolerable than waiting one minute for a gap in traffic at a stop sign, especially when there are vehicles queued behind. It is generally recognized that LOS D is the lowest acceptable LOS for urban intersections. Intersection capacity is also defined in terms of queue lengths of stopped vehicles. A 100-foot queue is approximately equal to four cars.



SOURCE: Level of Service thresholds from the Highway Capacity Manual.

K:\Traffic\Level of Service (LOS)\LOS Delay Graphic.ppt

Figure 4 – Level of Service Guidelines

Synchro / SimTraffic software was used to simulate existing and future traffic operations at the CSAH 5 intersection(s) with East Dual Boulevard and Credit Union Drive.

Synchro is a macroscopic software application used for optimizing traffic signal timing and performing capacity analysis of roadway networks consisting of stop, yield, and signalized traffic control conditions. The underlying equations are based on Highway Capacity Manual (HCM) procedures. SimTraffic is a microscopic software application that performs simulation and animation of vehicular traffic based on Synchro inputs. SimTraffic follows individual cars and uses a wide variety of variables (including some random variables) to simulate real-world driver behavior.

PTV Vissim simulation software was used to analyze the future traffic volumes for the two mini-roundabouts in Alternative 3. Vissim is a microsimulation that treats each vehicle individually as it interacts with others through the transportation network mimicking reality.

Highway Capacity Software (HCS) Roundabouts version 7.6 analysis software was used to analyze the future traffic volumes for the proposed mini-roundabout in Alternative 4. HCS is a traffic operations analysis software that implements the methodologies of the HCM.

Traffic operations at the CSAH 5 intersection(s) with East Dual Boulevard and Credit Union Drive were simulated using existing (2019) and 2039 traffic volumes for the existing traffic control and lane geometry (No-Build Condition) and for each proposed traffic control and lane geometry (Build Conditions).

Existing Operations Analysis

The CSAH 5 intersections with East Dual Boulevard and Credit Union Drive are currently both minor approach stop-controlled. These configurations were simulated in Synchro/SimTraffic for both the AM and PM peak hours using existing (2019) traffic volumes. The results of the existing condition traffic operations analysis are summarized in **Table 4**. Detailed modeling results are provided in **Appendix F**.

Table 4 – 2019 Existing Condition Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Thru-Stop	CSAH 5 & East Dual Blvd	WB	0 (A)	0 (A)	0 (A)	3 (A)	0 (A)	1 (A)	0 (A)	2 (A)
		SB	12 (B)	0 (A)	6 (A)		15 (C)	0 (A)	6 (A)	
		EB	7 (A)	3 (A)	0 (A)		7 (A)	2 (A)	0 (A)	
Thru-Stop	Credit Union Dr & CSAH 5	NB	13 (B)	0 (A)	4 (A)	1 (A)	24 (C)	26 (D)	10 (B)	2 (A)
		WB	5 (A)	1 (A)	0 (A)		5 (A)	1 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	3 (A)	
		EB	4 (A)	1 (A)	0 (A)		8 (A)	1 (A)	0 (A)	

* Delay measured in seconds per vehicle

The traffic operations analysis shows that both intersections currently operate at an overall acceptable level of service during peak hours. However, the northbound through movement to the Kwik Trip access north of Credit Union Drive operates at a LOS D during the PM peak hour. As traffic increases on CSAH 5, delays will increase for minor approach traffic.

2019 Build-Alternative 1 (Signal at East Dual Blvd) Traffic Operations Analysis

The 2019 Build-Alternative 1 analysis was modeled using Synchro/SimTraffic software with existing 2019 traffic volumes. This scenario assumes proposed lane geometry, access, and traffic control for Alternative 1. The results of the 2019 Build-Alternative 1 condition traffic operations analysis are summarized in **Table 5**. Further modeling results are provided in **Appendix F.**

Table 5 – 2019 Build Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Signalized	CSAH 5 & East Dual Blvd	WB		9 (A)	2 (A)	12 (B)		11 (B)	3 (A)	11 (B)
		SB	14 (B)		5 (A)		12 (B)		5 (A)	
		EB	10 (B)	15 (B)			12 (B)	12 (B)		
Thru-Stop	Credit Union Dr & CSAH 5	NB	20 (C)	20 (C)	4 (A)	2 (A)	22 (C)	16 (C)	7 (A)	3 (A)
		WB	9 (A)	0 (A)	0 (A)		6 (A)	1 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	4 (A)	
		EB	6 (A)	3 (A)	2 (A)		6 (A)	3 (A)	2 (A)	

* Delay measured in seconds per vehicle

With the existing volumes and the proposed improvements, both intersections are expected to operate with an overall LOS B or better during the AM and PM peak hours. The traffic signal and surrounding improvements are being designed to give gaps for traffic on minor approaches to enter CSAH 5. The exclusive left-turn lanes will also provide storage for turning vehicles so they will not block mainline traffic as occurs in the existing condition.

2019 Build-Alternative 3 (Dual Mini-Roundabouts) Traffic Operations Analysis

The 2019 Build-Alternative 3 analysis was modeled using VISSIM software with existing traffic volumes. This scenario assumes proposed lane geometry, access, and traffic control as described for Alternative 3. The results of the 2019 Build-Alternative 3 condition traffic operations analysis are summarized in **Table 6**. Further modeling results are provided in **Appendix F.**

Table 6 – 2019 Build-Alternative 3 Operations Summary (VISSIM)

Intersection			AM Peak		PM Peak	
Control	Location	Approach	Approach Delay* (LOS)	Intersection Delay* (LOS)	Approach Delay* (LOS)	Intersection Delay* (LOS)
Roundabout	CSAH 5 & East Dual Blvd	WB	3 (A)	3 (A)	3 (A)	4 (A)
		SB	3 (A)		7 (A)	
		EB	3 (A)		4 (A)	
Roundabout	CSAH 5 & Credit Union Dr	NB	4 (A)	3 (A)	4 (A)	5 (A)
		WB	4 (A)		6 (A)	
		EB	2 (A)		4 (A)	

* Delay measured in seconds per vehicle

With the existing volumes and the proposed improvements, both intersections are expected to operate with an overall LOS A during the AM and PM peak hours. The dual mini-roundabouts and surrounding improvements are being designed to give gaps for traffic on minor approaches to enter CSAH 5, as well as slow vehicles down through the corridor.

2039 No-Build Traffic Operations Analysis

The 2039 No-Build analysis was modeled using Synchro/SimTraffic software with projected 2039 traffic volumes as described in the "Traffic Forecasts" section. This scenario assumes existing lane geometry, access, and traffic control. The results of the 2039 No-Build condition traffic operations analysis are summarized in **Table 7.** Further modeling results are provided in **Appendix F**.

Table 7 – 2039 No-Build Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Thru-Stop	CSAH 5 & East Dual Blvd	WB	0 (A)	0 (A)	0 (A)	2 (A)	0 (A)	1 (A)	1 (A)	3 (A)
		SB	14 (B)	0 (A)	6 (A)		20 (C)	0 (A)	10 (B)	
		EB	6 (A)	2 (A)	0 (A)		8 (A)	2 (A)	0 (A)	
Thru-Stop	Credit Union Dr & CSAH 5	NB	18 (C)	25 (D)	7 (A)	2 (A)	39 (E)	30 (D)	17 (C)	3 (A)
		WB	7 (A)	1 (A)	0 (A)		6 (A)	2 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	5 (A)	
		EB	4 (A)	1 (A)	0 (A)		6 (A)	1 (A)	0 (A)	

* Delay measured in seconds per vehicle

With the 2039 projected volumes, the intersections are expected to operate with an overall LOS A during the AM and PM peak hours. Minor approaches delay at both intersections will continue to rise as traffic volumes increase and vehicles make riskier decisions when waiting for gaps in traffic.

2039 Build-Alternative 1 (Signal at East Dual Blvd) Traffic Operations Analysis

The 2039 Build-Alternative 1 analysis was modeled using Synchro/SimTraffic software with projected 2039 traffic volumes as described in the "Traffic Forecasts" section. This scenario assumes proposed lane geometry, access, and traffic control for Alternative 1. The results of the 2039 Build-Alternative 1 condition traffic operations analysis are summarized in **Table 8**. Further modeling results are provided in **Appendix F.**

Table 8 – 2039 Build-Alternative 1 Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Signalized	CSAH 5 & East Dual Blvd	WB		9 (A)	3 (A)	14 (B)		11 (B)	3 (A)	11 (B)
		SB	15 (B)		6 (A)		12 (B)		6 (A)	
		EB	11 (B)	17 (B)			13 (B)	12 (B)		
Thru-Stop	Credit Union Dr & CSAH 5	NB	23 (C)	25 (D)	6 (A)	3 (A)	27 (D)	32 (D)	11 (B)	3 (A)
		WB	11 (B)	0 (A)	0 (A)		7 (A)	1 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	3 (A)	
		EB	6 (A)	3 (A)	2 (A)		0 (A)	3 (A)	2 (A)	

* Delay measured in seconds per vehicle

With the 2039 projected volumes and the proposed geometry, the intersections are expected to continue operating with an overall LOS B or greater during the AM and PM peak hour. The traffic signal at East Dual Boulevard will provide the necessary gaps for minor approach southbound traffic. However, northbound traffic on Credit Union Drive may still experience a LOS D during peak hours, as that intersection is not signalized.

2039 Build-Alternative 3 (Dual Mini-Roundabouts) Traffic Operations Analysis

The 2039 Build-Alternative 3 analysis was modeled using VISSIM software with projected 2039 traffic volumes as described in the "Traffic Forecasts" section. This scenario assumes proposed lane geometry, access, and traffic control for Alternative 3. The results of the 2039 Build-Alternative 3 condition traffic operations analysis are summarized in **Table 9**. Further modeling results are provided in **Appendix F.**

Table 9 – 2039 Build-Alternative 3 Operations Summary (VISSIM)

Intersection			AM Peak		PM Peak	
Control	Location	Approach	Approach Delay* (LOS)	Intersection Delay* (LOS)	Approach Delay* (LOS)	Intersection Delay* (LOS)
Roundabout	CSAH 5 & East Dual Blvd	WB	4 (A)	5 (A)	5 (A)	5 (A)
		SB	4 (A)		8 (A)	
		EB	5 (A)		5 (A)	
Roundabout	CSAH 5 & Credit Union Dr	NB	4 (A)	5 (A)	4 (A)	7 (A)
		WB	6 (A)		9 (A)	
		EB	3 (A)		6 (A)	

* Delay measured in seconds per vehicle

With the 2039 projected volumes and the proposed geometry, the intersections are expected to operate with an overall LOS A during the AM and PM peak hours. The dual mini-roundabouts and surrounding improvements are being designed to give gaps for traffic on minor approaches to enter CSAH 5, as well as slow vehicles down through the corridor. The dual mini-roundabouts are expected to provide efficient operations beyond the 2039 horizon year.

Evaluation Considerations

Right of Way Impacts

Maintaining the existing geometry and traffic control would require no additional right of way. Right of way impacts for the build alternatives are shown in **Table 10**.

Table 10 – Right of Way Impacts

Alternative	Number of Parcels Needing Right of Way	Permanent Right of Way (SF)	Temporary Easement (SF)
1 – Signal Option	3	17,500	4,000
3 – Roundabout Option	5	6,000	2,500

Project Costs (does not include Right of Way)

- Existing Traffic Control Application Control – would require no construction or additional maintenance costs.
- Alternative 1 – Total cost for the installation of a traffic signal and surrounding improvements is estimated to be ~$930,000.
- Alternative 3 – Total cost for the construction of two mini-roundabouts and surrounding improvements is estimated to be ~$1,160,000.

Political Consideration / Public Input

At this point there has been no public involvement with this project. The City of Isanti and Isanti County are in support of improving the corridor.

The City and County have approached the owner of the land south of the CSAH 5 & East Dual Boulevard intersection. At this time the landowner is not interested in selling or otherwise providing that land for future transportation right-of-way.

F. Alternatives Analysis

Several iterations of alternatives were examined and discussed with the County to identify the four alternatives analyzed in the report.

G. Conclusion

Two types of control on the CSAH 5 corridor are justified and appropriate for the corridor, a traffic signal and mini-roundabouts. The two existing intersections on CSAH 5 operate under minor approach stop-control, where minor approaches currently incur long enough delays and make unsafe turns to enter CSAH 5. Both Alternative 1 and Alternative 3 offer sound, safe and suitable solutions for traffic operations on the CSAH 5 corridor. Further discussion and coordination between the County, City and other stakeholders should be taken to determine the future layout of the corridor.

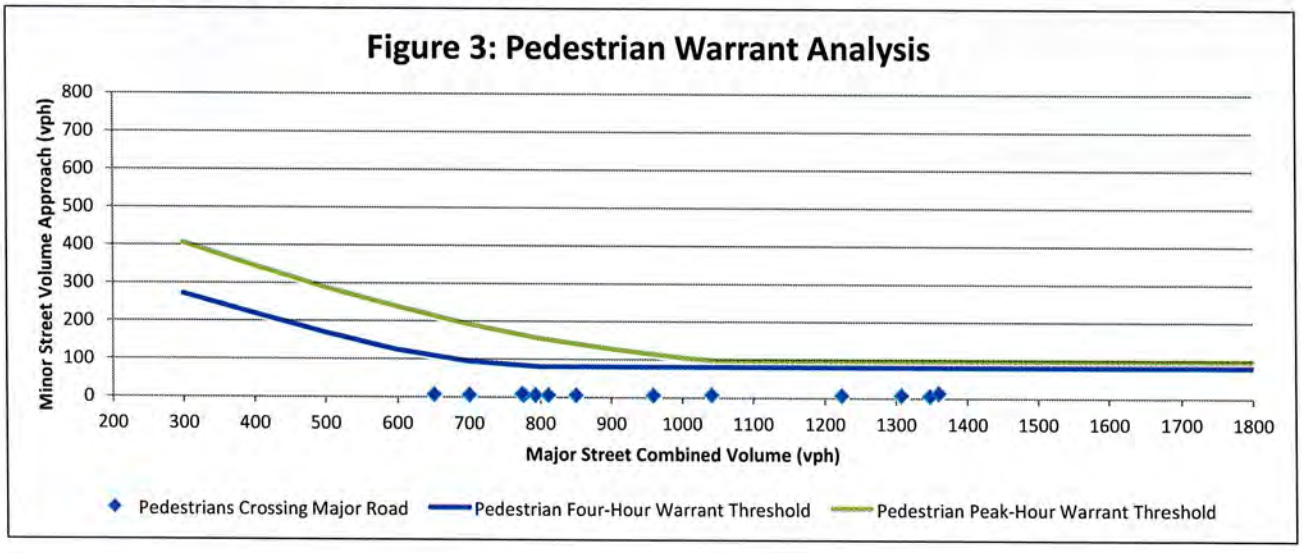
	Met (Hr)	Required (Hr)
Warrant 4 (4-Hour Pedestrian Vol.)	0	4
Warrant 4 (Peak Pedestrian Vol.)	0	1

Is crossing within 300' of other signal or stop sign controlling the major approach?	No
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A

Warrant 4 Satisfied?	Not Satisfied



LOCATION: CSAH 5 & E Dual Blvd/Credit Union Dr
COUNTY: Isanti
REF. POINT:
DATE: 9/27/2019
OPERATOR: Mallori

WARRANT 5 - SCHOOL CROSSING

Is the principal reason for the signal to accommodate the movement of schoolchildren across the major road?	No
Are there at least 20 schoolchildren crossing the major road in the highest crossing hour?	N/A

If both above questions are answered yes, calculate the available gaps below:

Are needed gaps greater than available gaps?	N/A
Is crossing within 300' of other signal or stop sign controlling the major approach?	N/A
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A
Warrant 5 met?	No

WARRANT 6 - COORDINATED SIGNAL SYSTEM

Part A

Is the street a one-way street or a street that has traffic predominately in one direction?	No
Do adjacent traffic control signals provide adequate platooning?	N/A

Part B

Is the street a two-way street?	Yes
Do adjacent traffic control signals provide adequate platooning?	Yes
Will proposed signal provide for progressive operation of traffic?	N/A
Will proposed signal spacing be less than 1000 feet?	N/A

Provide proof of platooning issues:

N/A

Warrant 6 met?	No

LOCATION: CSAH 5 & E Dual Blvd/Credit Union Dr
COUNTY: Isanti

WARRANT 8 - ROADWAY NETWORK

	Major Approach Road	Minor Approach Road
Part of street or highway system that serves as the principal roadway network for through traffic flow	No	No
Rural or suburban highway outside, entering, or traversing a city	No	No
Appears as a major route on an official plan	No	No

Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	Yes
Does the intersection have 5-Year projected traffic volumes that meet Warrants 1, 2, or 3?	Yes
Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	No
Warrant 8 met?	No

WARRANT 9 - INTERSECTION NEAR GRADE CROSSING

Is the principal reason for installation of a signal the proximity of the intersection to a grade crossing controlled by a stop or yield control?	No
Is the center of the railroad track less than 140 feet from the stop line or yield line?	N/A
Clear storage distance (closest to)	N/A
Approach crossing grade	N/A
Rail traffic per day	0
Percent of high-occupancy buses on minor-street approach	0%
Percent of tractor-trailer trucks on minor-street approach	0%

	Met (Hr)	Required (Hr)
Warrant 9	0	1

Warrant 9 met?	No

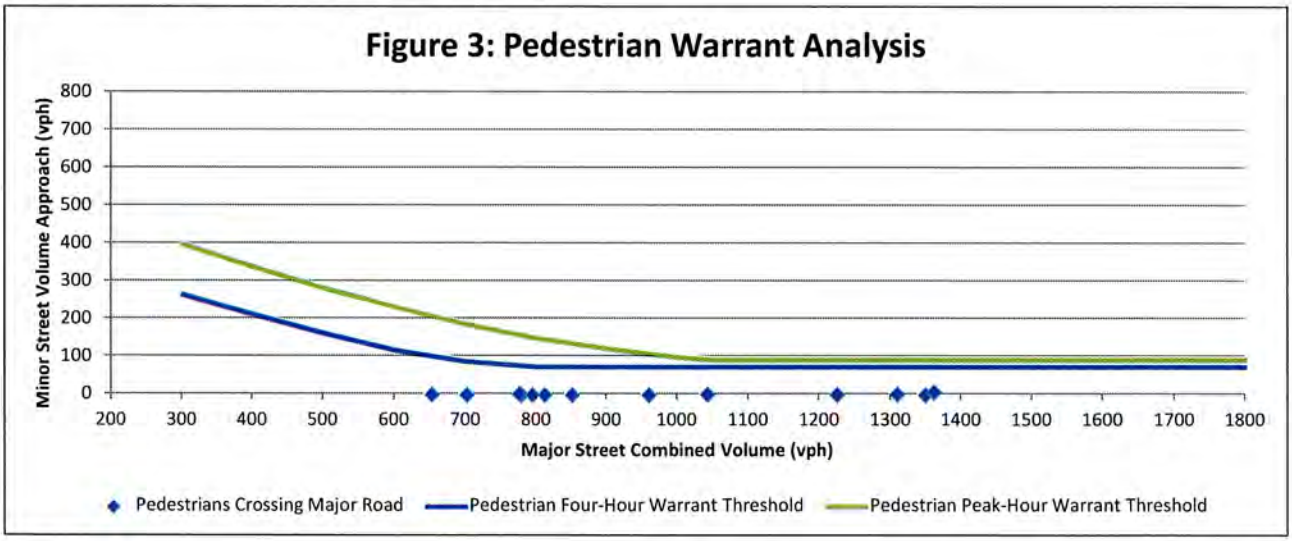
	Met (Hr)	Required (Hr)
Warrant 4 (4-Hour Pedestrian Vol.)	0	4
Warrant 4 (Peak Pedestrian Vol.)	0	1

Is crossing within 300' of other signal or stop sign controlling the major approach?	No
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A

Warrant 4 Satisfied?	Not Satisfied



LOCATION: CSAH 5 & E Dual Blvd
COUNTY: Isanti
REF. POINT:
DATE: 9/27/2019
OPERATOR: Mallori

WARRANT 5 - SCHOOL CROSSING

Is the principal reason for the signal to accommodate the movement of schoolchildren across the major road?	No
Are there at least 20 schoolchildren crossing the major road in the highest crossing hour?	N/A

If both above questions are answered yes, calculate the available gaps below:

Are needed gaps greater than available gaps?	N/A
Is crossing within 300' of other signal or stop sign controlling the major approach?	N/A
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A
Warrant 5 met?	No

WARRANT 6 - COORDINATED SIGNAL SYSTEM

Part A

Is the street a one-way street or a street that has traffic predominately in one direction?	No
Do adjacent traffic control signals provide adequate platooning?	N/A

Part B

Is the street a two-way street?	Yes
Do adjacent traffic control signals provide adequate platooning?	Yes
Will proposed signal provide for progressive operation of traffic?	N/A
Will proposed signal spacing be less than 1000 feet?	N/A

Provide proof of platooning issues:

N/A

Warrant 6 met?	No

	Met (Hr)	Required (Hr)
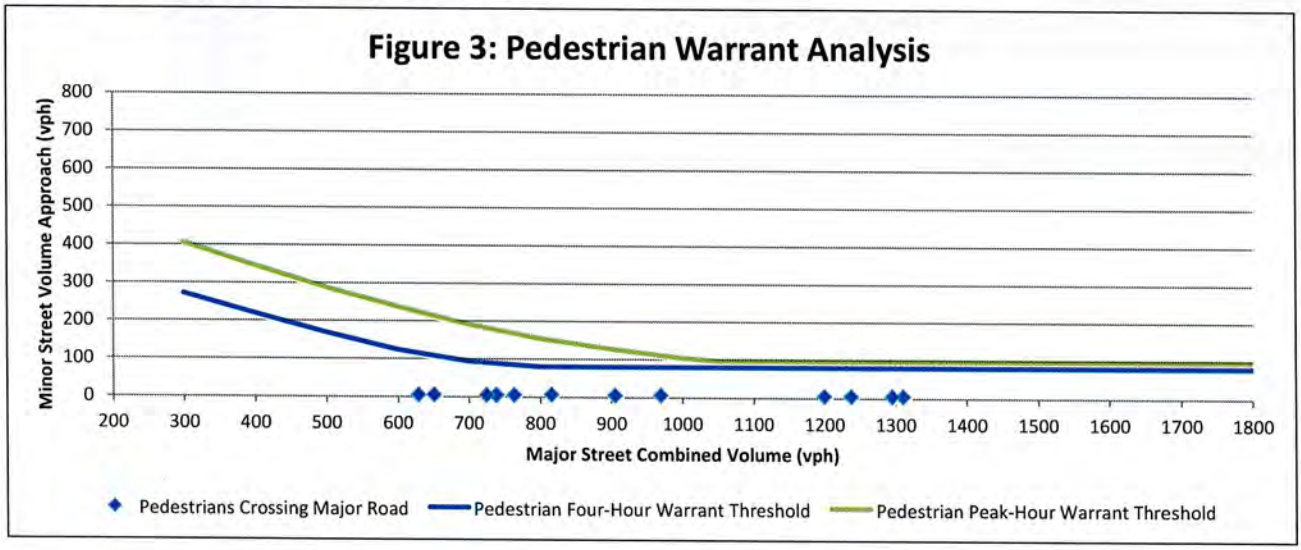
Warrant 4 (4-Hour Pedestrian Vol.)	0	4
Warrant 4 (Peak Pedestrian Vol.)	0	1

Is crossing within 300' of other signal or stop sign controlling the major approach?	No
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A

Warrant 4 Satisfied?	Not Satisfied



LOCATION: CSAH 5 & Credit Union Dr
COUNTY: Isanti
REF. POINT:
DATE: 9/27/2019
OPERATOR: Mallori

WARRANT 5 - SCHOOL CROSSING

Is the principal reason for the signal to accommodate the movement of schoolchildren across the major road?	No
Are there at least 20 schoolchildren crossing the major road in the highest crossing hour?	N/A

If both above questions are answered yes, calculate the available gaps below:

Are needed gaps greater than available gaps?	N/A
Is crossing within 300' of other signal or stop sign controlling the major approach?	N/A
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A
Warrant 5 met?	No

WARRANT 6 - COORDINATED SIGNAL SYSTEM

Part A	
Is the street a one-way street or a street that has traffic predominately in one direction?	No
Do adjacent traffic control signals provide adequate platooning?	N/A
Part B	
Is the street a two-way street?	Yes
Do adjacent traffic control signals provide adequate platooning?	Yes
Will proposed signal provide for progressive operation of traffic?	N/A
Will proposed signal spacing be less than 1000 feet?	N/A

Provide proof of platooning issues:

N/A

Warrant 6 met?	No

WARRANT 8 - ROADWAY NETWORK

	Major Approach Road	Minor Approach Road
Part of street or highway system that serves as the principal roadway network for through traffic flow	No	No
Rural or suburban highway outside, entering, or traversing a city	No	No
Appears as a major route on an official plan	No	No

Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	Yes
Does the intersection have 5-Year projected traffic volumes that meet Warrants 1, 2, or 3?	Yes
Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	No
Warrant 8 met?	No

WARRANT 9 - INTERSECTION NEAR GRADE CROSSING

Is the principal reason for installation of a signal the proximity of the intersection to a grade crossing controlled by a stop or yield control?	No
Is the center of the railroad track less than 140 feet from the stop line or yield line?	N/A
Clear storage distance (closest to)	N/A
Approach crossing grade	N/A
Rail traffic per day	0
Percent of high-occupancy buses on minor-street approach	0%
Percent of tractor-trailer trucks on minor-street approach	0%
