Left-Turn		
Right-Angle	2	
Other		
Is there a need to control left-turn conflicts?		No
Is there a need to control vehicle/pedestrian conflicts near a high pedestrian generator?		No
Are there sight issues (inability to see conflicting traffic) at the intersection?		No
Is the intersection between two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve traffic operational characteristics of the intersection?		No

Notes/explanations:

Other warrants met?	Yes (Signal Justified

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: October 6th, 2020
Subject: Resolution Approving a Special Event Application for Rum River BMX for MN State Series Finals

---

Background

The City has received an application for the upcoming special event planned for the Rum River BMX Association. The MN State Series Finals weekend is scheduled for October 23rd -25th, 2020.

- Hours of the event are Friday October 23rd from 4:00 p.m. to 9:00 p.m., Saturday October 24th from 1:00 p.m. to 6:00 p.m. and Sunday October 25th from 9:00 a.m. to 5:00 p.m.
- Estimates the number of individuals in attendance is 1,000-2,000 per day.
- Team canopies may be put up on the grass outside the arena (to the east and south), all canopies must use weights to secure canopies, the Association will notify participants to not use stakes to protect the irrigation lines.
- The Association is planning for spectator parking to take place at the Indoor Arena and within the Bluebird Park lots as overflow parking, along with the soccer field parking lot.
- Daily event and camper parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs.
- Portable restroom facilities will be provided by the Association for the event, and the organization is responsible for clean-up of the outside areas.
- The standard public addressing system would be used throughout the event.
- Association is not requesting that any roads be closed.

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT APPLICATION FOR RUM RIVER BMX MN STATE SERIES FINALS

WHEREAS, the Rum River BMX Association submitted a Special Event application requesting approval to host the MN State Series Finals; and,

WHEREAS, the event is scheduled to take place on Friday October 23rd from 4:00 p.m. to 9:00 p.m., Saturday October 24th from 1:00 p.m. to 6:00 p.m. and Sunday October 25th from 9:00 a.m. to 5:00 p.m. at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, the south and east sides of the Isanti Indoor Arena will be reserved for team canopies and event activities;

WHEREAS, the canopy users must use weights and not stakes in the ground to secure canopies; and,

WHEREAS, the estimated number of people to be in attendance is 1,000-2,000 per day; and,

WHEREAS, daily event and camper parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs; and,

WHEREAS, overflow parking will occur in the paved lots at Bluebird Park, and the Soccer field parking lot, and there will be no fees for this use; and,

WHEREAS, the applicant is required to provide additional portable restroom facilities for the event, in which the applicant will be contacting its current supplier to do so prior to the event; and,

WHEREAS, the applicant is required to follow all applicable governor orders and their COVID plan;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the Special Event Permit request for the MN State Series Finals race,

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 6th day of October, 2020.

MEMORANDUM

Date: September 29, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation
Public Hearing on Proposed Assessments
City of Isanti, MN
Project No.: R13.120122

The 6th Avenue SW Rehabilitation project has followed the MS 429 Special Assessment procedure. A feasibility report was completed, an Improvement Hearing was held, the project was publicly bid and awarded to the low responsible bidder. The project is scheduled to be completed on time and on budget.

A public hearing is required to be held on the proposed assessment finalizing the assessment process and recording the assessments. At this time, the council needs to call for the public hearing which would be scheduled to be held on November 4, 2020.

Attached is the resolution finalizing the assessment roll and calling for the public hearing on the proposed assessment.

Please contact me with any questions or comments.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

DECLARING COST TO BE ASSESSED, ORDERING PREPARATION OF PROPOSED ASSESSMENT, AND ORDERING HEARING ON PROPOSED ASSESSMENT – 6th AVENUE SW REHABILITATION PROJECT

WHEREAS, a contract has been let for the 2020 6th Avenue SW Rehabilitation Project and described herein the improvement of 6th Avenue SW, from the intersection of South Brookview Lane SW to the intersection of Edgewood Street SW. Project work also included, but not assessed, includes installation of a new watermain and sidewalk construction. The contract (bid) price for such improvement is $538,044.14, and the expenses incurred or to be incurred in the making of such improvement will amount to approximately $126,494.96 so that the total cost of the improvement will be $664,539.10.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The portion of the cost of such improvement to be paid by the city is hereby declared to be $590,259.97 and the portion of the cost to be assessed against benefited property owners is declared to be $74,279.13.

2. Assessments shall be payable in equal annual installments extending over a period of 10 years, the first of the installments to be payable on or before the 15th day of May, 2021, and shall bear interest at the rate of 1.71% percent per annum from the date of the adoption of the assessment resolution.

3. The city clerk, with the assistance of the consulting city engineer, shall forthwith calculate the proper amount to be specially assessed for such improvement against every assessable lot, piece or parcel of land within the district affected, without regard to cash valuation, as provided by law, and a copy of such proposed assessment shall be filed in the city office for public inspection.

AND FUTHERMORE, NOW THEREFORE, BE IT RESOLVED by the City Council of Isanti, Minnesota:

1. The City Clerk hereby notifies that such proposed assessment has been completed and filed in the city office for public inspection.

2. A hearing shall be held on **the 4th day of November, 2020** in the city hall at 7:00 pm. to pass upon such proposed assessment and at such time and place all persons owning

property affected by such improvement will be given an opportunity to be heard with reference to such assessment.

3. The City Clerk is hereby directed to cause a notice of the hearing on the proposed assessment to be published once in the official newspaper at least two weeks prior to the hearing, and the total cost of the improvement shall be stated. The Clerk shall also cause mailed notice to be given to the owner of each parcel described in the assessment roll not less than two weeks prior to the hearing date.

4. The owner of any property so assessed may, at any time prior to certification of the assessment to the county auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the City of Isanti, except that no interest shall be charged if the entire assessment is paid within 30 days from the adoption of the assessment. They may at any time thereafter, pay to the City of Isanti the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the succeeding year.

This resolution was duly adopted by the Isanti City Council this 6th day of October 2020

Attest :

_____
Mayor Jeff Johnson

_____
Katie Brooks
Human Resources/City Clerk

RESOLUTION 2020-XXX

AGREEMENT ESTABLISHING A REGIONAL SAFETY GROUP

WHEREAS, Minnesota Statutes, Section 471.59 authorizes governmental units by agreement of their governing bodies to jointly or cooperatively exercise any power common to them; and

WHEREAS, the Parties have a duty to create a safe workplace for their employees, officials and volunteers; and,

WHEREAS, the Isanti City Council finds that it is in the best interest of the City to create a Regional Safety Group ("RSG") formed by agreements from other nearby cities/entities; and,

WHEREAS, the Parties desire to create a safety group that is innovative and different from a traditional safety and health committee pursuant to Minnesota Rule 5208.0070; and,

WHEREAS, the League of Minnesota Cities Insurance Trust (LMCIT) has developed the Regional Safety Group Initiative to facilitate safety training for cities/entities; and,

WHEREAS, the governing bodies of the Parties believe it is in the best interests of the Parties to cooperatively promote safety and health in the workplace by participating in the Regional Safety Group Initiative; and,

WHEREAS, the Establishing Agreement allows the City of Isanti to begin a new RSG upon adoption of a resolution agreeing to all terms of the Establishing Agreement; and,

WHEREAS, Minnesota Statutes, §471.59, authorizes the Parties by agreement of their governing bodies to jointly or cooperatively exercise any power common to them.

NOW, THEREFORE, in consideration of the mutual covenants made herein, the undersigned Parties agree as follows:

1. Purpose. The purpose of this Agreement is to promote workplace safety and health through the sharing of ideas and knowledge among the Parties and by holding regular joint safety and health training, educational programs, and meetings.

2. Name. The Parties hereby establish a safety group to be known as the CIMM Regional Safety Group (the "RSG").

3. Membership.

   A. LMCIT Members. All member cities/entities of the RSG are members in LMCIT's workers' compensation program.

   B. Initial Members. The initial member cities/entities of the RSG shall be the undersigned Parties executing this Agreement upon the approval of their governing bodies.

   C. New Members. A new member city/entity, that is a member of LMCIT's workers' compensation program, may be added to the RSG upon approval of a majority of the current members, as evidenced by a vote of the group members. Each member city/entity of the RSG

shall be entitled to one vote. Following the approval by the RSG, membership in the RSG is effective upon approval and execution of this Agreement, by a prospective member's governing body and its authorized representatives.

D. Termination of Membership. Any member city/entity may terminate its membership in the RSG upon written notification indicating its intent to withdraw not less than 90 days prior to the end of a current year. Terms will be on an annual calendar basis. Termination takes effect at the end of a current calendar year. A copy of the written termination notice must be sent to the safety coordinator of each member city/entity and to Kris LeRoy, LMCIT Program Manager, or other staff person as designated by LMCIT. Any terminated member shall remain responsible for its share of any costs incurred prior to the effective date of termination. A member city/entity shall also be terminated from the RSG if it is no longer a member of LMCIT's workers' compensation program.

4. Officers and Bylaws: The RSG may adopt bylaws or other rules governing the group that are not inconsistent with this Agreement. The RSG and its officers are not authorized to do any of the following: (a) to receive and expend funds; (b) to enter contracts; (c) to hire employees; (4) to purchase or otherwise acquire and hold real or personal property; or (5) to bring a lawsuit in the name of the RSG.

5. LMCIT Sponsored Training/Meetings. LMCIT offers the RSG safety training/meetings.

   A. Number of Training/Meeting Sessions. The RSG is entitled to twelve (12) training sessions per calendar year with a maximum of 1 per month and a minimum of 1 every-other month. Each training session will be at a site to be determined by the RSG. The date of each training session shall coordinate with the designated training representative.

   B. LMCIT Cost. LMCIT will pay one-half of the cost of each training session up to the maximum of twelve (12) sessions per calendar year. LMCIT will not reimburse members for travel, meals, or other charges.

   C. Member Cost. The remaining cost of each training session shall be paid in equal proportions by each RSG member to LMCIT.* Each member city/entity agrees to pay its share of training costs after receiving an invoice from LMCIT. No member shall be responsible for the unpaid costs of another member. Each member is responsible for its cost even if it does not have a representative attend the training session.

   D. Program Changes. RSG members acknowledge that LMCIT may, at any time, change its obligations to RSG members. Any changes made in the RSG program will be communicated to RSG members within thirty (30) days of the change.

6. Education and Training.

   A. Online Education and Training. LMCIT has established an interactive web-based training program in cooperation with FirstNet Learning. RSG members and their employees, officers, and volunteers are entitled to free access to this online training.

   B. Safety Data Sheet Management service. LMCIT has established an interactive web-based service in cooperation with SDS Access, powered by Damarco Solutions, LLC. RSG members and their employees are entitled to free access to this program to manage their cities safety data sheets.

C. Other Education and Training. An RSG may hold other training and educational sessions or meetings as determined by the group at the members' expense. Approval from LMCIT is not needed for training or meetings for which no LMCIT subsidy is requested.

D. Value Added Time. Each member city will utilize the safety trainer on an alternating basis with each of the members within the RSG. The member will work directly with or instruct the trainer on city-specific needs or records that require reviewing. The subject of this time will be determined by the city in coordination with the trainer.

7. Safety Committee Meetings. As a part of any training session, the members may discuss any matters that would typically be discussed in a "joint labor-management safety and health committee" meeting under Minnesota Statutes, Section 182.676 and take any action authorized under Minnesota Rules, Chapter 5208. LMCIT requires each RSG to hold a joint Safety Committee Meeting every-other-month at a minimum.

8. General Provisions.

A. Modification. No provision of this Agreement may be modified, altered, or rescinded except by a vote of the governing body of a majority of all members. Approved modifications take effect thirty (30) days after the date of approval by the last member approving the modification.

B. Effective Date. This Agreement shall be effective after approval by the governing body of the last initial member to approve this Agreement and execution by that member's authorized representatives.

C. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Minnesota.

D. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original, all of which shall constitute one and the same instrument.

E. Savings Clause. If any court finds any provision of this Agreement to be contrary to law or invalid, the remainder of the Agreement will remain in full force and effect.

NOW, THEREFORE, IT IS HEREBY RESOLVED, the Parties, by action of their respective governing bodies, caused this Agreement to be approved by the City of Isanti Council this 6th day of October 2020.

MEMO for CITY COUNCIL

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: October 6, 2020
Subject: Resolution 2020-XXX Snow Plowing Policy

Background:
Every year the snow plowing policy is reviewed by Committee of the Whole and brought to City Council. Staff has reviewed the policy and is recommending the following changes:

Article II. Procedures

K. Sidewalk Routes to Schools
Whiskey Road - Heritage Blvd to Isanti Parkway West- **to read**
Whiskey Road - Heritage Blvd to the Villages on the Rum Association.

At that point it is the Villages on the Rum Associations sidewalk and their responsibility to clear of snow and ice to Isanti Parkway.

Article V. Administration

A. Council Review
Staff will review the Snow Plowing Policy and Operational Guidelines prior to the next year's snow season and make any recommendations for amendments to the City Council.

Action:
Staff is requesting City Council action on this item.

Attachment:
1. Resolution 2020-XXX Snow Plowing Policy

RESOLUTION 2020-XXX

APPROVING SNOW PLOWING POLICY AND OPERATIONAL GUIDELINES

I. PERSONNEL

All Department of Public Works personnel shall be available for all snow plowing operations, unless on approved leave or unable to respond due to a medical condition.

II. PROCEDURES

A. Alert and Call Out

During normal working hours, the Public Services Director or designee shall be responsible for monitoring street and weather conditions and initiation of snow and ice control procedures.
After hours, on weekends, and during holidays the Police Department shall notify the Public Works On-Call or designee when snow and ice conditions warrant crew alert. Snowplows will not be sent out in situations that may be hazardous due to severely restricted visibility.

B. Salting and Sanding

The City shall consider in order the following factors when establishing application rates and locations for application of salt and/or sand. The City shall use salt as the primary treatment. Sand may be used if there is a traction issue or if weather conditions deem it effective either combined with salt or as a separate treatment.

1) Safety of the Motoring Public
2) Environmental impact of salt usage
3) Cost

Salt or sand shall be applied to the street surface in such quantities so as to provide a level of skid resistance that is consistent with standards normally experienced on city streets throughout the State of Minnesota. It is recognized that a bare pavement policy is not possible at all times during winter.

Streets shall be spot salted (or sanded) to provide skid resistance and traction consistent with area standards in accordance with the following priorities:

1) All controlled intersections along Main Street, Heritage Blvd, County Road 23 and all curves.
2) School zones
3) Commercial and industrial streets
4) Residential – blanket sanding of general snow pack on residential streets will not be done.
5) In rare instances, when ice accumulation renders the streets unsafe to drive, the Public Services Director may authorize blanket sanding of city streets to restore vehicle traction.

C. Snow Plowing

The City will plow all storms of over 2 inches. During the season, snowfall of less than 2 inches may be removed depending on road conditions. Snow plowing shall normally begin when accumulation reaches a point where functional traffic flow is inhibited. Typical plow start time is 3:00 a.m. Plowing may start earlier in the prior evening, or delayed after 3:00 a.m., or may start during the daytime if conditions warrant. Plowing shall begin as close as practicable to the time snowfall ceases and will continue as visibility and operator safety permit. Work periods shall not exceed safe limits that operators can continue without rest.

Snow removal operations shall proceed as rapidly as possible in accordance with the following priorities:

1) Fire Hall Access Area

2) Police Department Access Area
3) Snow Emergency Routes - These routes (listed in this resolution) are typically first plowed. In extreme snowfalls, these routes shall be plowed to maintain the driving lanes in a passable condition until normal snow plowing activities resume.
4) 2" or more snow event, Downtown sidewalks from the Railroad Tracks on the east and traveling west to the intersection of Main and 2nd Avenue.
5) Sidewalk Routes to Schools –Primary sidewalks listed in this resolution.
6) Residential Streets
7) City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot
8) Municipal Liquor Store Parking Lot
9) Alleys
10) Eagle Park Parking Lot
11) Isanti Indoor Arena
12) All Other Sidewalks – Secondary sidewalks (except exempt sidewalks)
13) River Bluff Preserve and Bluebird Park Parking Lots
14) Ice Skating Rink

For a storm of roughly 6 to 10 inches, it shall be the goal of the City to have all streets plowed curb-to-curb within 12 hours after snowfall stops. Storms of larger magnitude or extremely wet snow will take longer depending on severity. Extreme snowfalls may warrant the opening of two lanes in the middle of the street initially with full width plowing to follow at a later time.

It shall be the policy of the City that the opening of driveways will not be the responsibility of the City. Property owners shall be responsible for clearing driveways, and walkways. For a 2"or more snow event, the City shall clean all sidewalks and trails that provide direct access to the Primary, Intermediate and Middle Schools.

D. **Snow Hauling**

Snow may be hauled from streets where snow accumulation has created limited visibility near intersections. Snow may be hauled away in areas, such as cul-de-sacs,

where there is limited space to wing back snow to accommodate for more snow accumulation. Snow will be hauled from the following streets:

1) Main Street between 3rd Avenue and Elim Lane.

Late spring and early fall snowfalls may be left on roadways if melting is determined to be imminent or if substantial damage will be caused to the pavement structure. Clearing of intersection snow banks will be accomplished when needed on collector streets and near schools.

Snow hauling could begin as early as 3:00 a.m. or 1 hour following the beginning of snow removal operations. Hauling will continue for as many nights as is necessary. Snow pickup shall be accomplished using such personnel, equipment and methods appropriate to maintaining a reasonable and safe passage of vehicles and pedestrians at all times. Traffic may be restricted by the Police Chief or his designee as emergency conditions may dictate.

E. Snow Plowing Alleys

Alleys will be opened in the aforementioned priority to provide functional traffic movement.

F. Snow Plowing Cul-de-Sacs

During snow events, the snowplow may complete only a portion of the cul-de-sacs during the first pass. The major portion of the cul-de-sacs shall be plowed during the usual time guidelines for snowplowing but specialized equipment will return for further clearing. Main city streets are cleared first with large snowplows before the smaller equipment begins clearing cul-de-sacs. There will be an effort made to distribute the snow evenly as the snowplow clears snow.

G. Wingbacks

During planned City-wide wingbacks, resident notification will be made on the City Website and by News Blasts. The Public Services Director, Designee or route driver will determine that areas may need wingbacks more often due to drifting snow or other conditions at the time, in these instances notice may not be given.

The Public Works Department will try to minimize impact to driveways and sidewalks but some snow removal may be required by the homeowner.

H. Complaints

Complaints concerning snow and ice removal will be handled in the following manner:

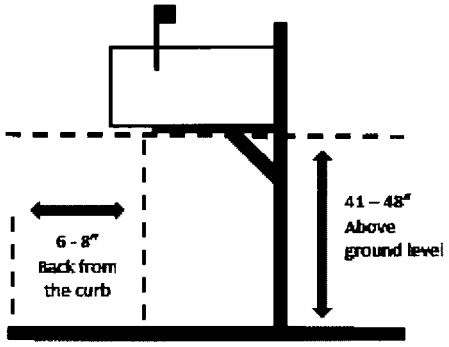
1) All complaints shall be referred to the Public Services Director or designee.
2) Slippery Street and sidewalk complaints shall be listed and given to Public Works for investigation and possible action.
3) All other complaints shall be given to Administration for investigation and possible action.

I. Property Damage

It is recognized by the City that on occasion private property is damaged during snow and ice control operations. Where this happens, it shall be the policy of the City to handle damages in the following manner:

1) **Mailboxes** – Where mailboxes are placed adjacent to the street it shall be the policy of the City that snow shall be plowed to the curb to allow for passage of traffic and mail delivery. It shall be the responsibility of the property owner to keep piled snow away from mailboxes so mail can be delivered.

   Where damage to the mailbox occurs, such damage shall be investigated by the Public Services Director or Designee. If it is determined that the weight of the snow movement caused the damage, the City will not assume responsibility for repair of the mailbox. Per USPS guidelines, mailboxes, as well as any accessory paper boxes, must be mounted at a minimum height of 41 inches above the street level to reduce the possibility of damage during winter snowplowing operations. USPS guidelines also state the post be installed 6-8 inches behind the grass/concrete curb edge and the front of the mailbox should be installed behind the back edge of the concrete curb. If the mailbox was built according to these USPS guidelines or as directed by the Post Master, and was struck directly by the plow, the City will repair or replace the mailbox in kind, not to exceed $100.00.



2) **Boulevard Damage** – The City will repair physical damage to boulevard areas and may replace sod in extreme cases as determined by the Public Services Director. Typical repairs will be with dirt and seed. The City will not repair winter kill or salt damaged lawn areas. The City will not replace or repair sprinkler/ irrigation systems, landscaping or other structures in the boulevard or right-of-way area.

3) **Curbs** – Concrete curbs will not be replaced unless the curb back is broken.

4) **Driveway Ramps** – Damage caused to driveway ramps or fillets where mountable curb is in place will not be repaired by the City unless authorized by the Public Services Director.

5) **Garbage Receptacles** – Garbage or recycling receptacles are not to be placed in the street section or beyond the grass/concrete curb edge. Receptacles are also not to be placed on the sidewalk. The City is not responsible for damage of receptacles or clean-up of waste.

J. Snow Emergency Routes

The following routes are designated as Snow Emergency Routes and shall be marked by signage:

Cajima Street - T.H. 65 to 8th Ave NE

8th Ave NE - Cajima Street to Heritage Blvd

8th Ave SE Boulevard - Heritage Blvd to CSAH 55

Main Street East - Railroad Tracks to T.H. 65

Dahlin Avenue - Broadway to Heritage Blvd

Main Street West - Whiskey Road to Railroad Tracks

First Avenue NW. - Main Street to Heritage Blvd

Centennial Drive - Oakwood Street to Heritage Blvd

Oakwood Street - Whiskey Road to Centennial Drive

Whiskey Road - Heritage Blvd to Isanti Parkway West

Hillock Street NW - Whiskey Road to 11th Avenue NW

11th Avenue NW - Hillock Street NW to Blossom Boulevard

Blossom Boulevard - 11th Avenue NW to Isanti Parkway West

Isanti Parkway West - Blossom Boulevard to 3rd Avenue N.

3rd Avenue N - Heritage Blvd to Isanti Parkway

Isanti Parkway East - 3rd Avenue N to East Dual Boulevard

East Dual Boulevard - Heritage Blvd to Cajima

Cajima Street - East Dual Blvd. to T.H. 65

Railroad Avenue - Main St to South Passage

Palomino Road - Railroad Avenue to T.H. 65

Townsedge Road - Railroad Avenue to T.H. 65

South Passage - Railroad Avenue to Whiskey Rd

Sixth Avenue SW - South Passage to S Brookview Lane

Dogwood Street SW - Whiskey Rd to 3rd Avenue SW

South Passage - Whiskey Rd to Rum River Drive SW

Rum River Drive SW - South Passage to Birch Street SW

Birch Street SW - Rum River Drive SW to Whiskey Rd

K. Sidewalk Routes to Schools

Broadway Street - Railroad Avenue to Candy Avenue

Dahlin Avenue - Broadway Street to Main Street

Main Street West - Whiskey Rd to Dahlin Avenue

Oakwood Street - Whiskey Rd to Centennial Drive

Heritage Blvd - Whiskey Rd to 65

First Avenue N - Main Street to Heritage Blvd

Second Avenue N - Main Street to Heritage Blvd

Fourth Avenue N - Main Street to Heritage Blvd

Fifth Avenue N - Main Street to Heritage Blvd

Fifth Avenue S – Main Street to S Brookview Lane SW

Whiskey Road - South Passage to Heritage Blvd

Whiskey Road - Heritage Blvd to the Villages on the Rum Association

Wendover Street NW - Whiskey Road to Rum River Drive NW

Rum River Drive NW - Wendover Street NW to Hillock Street NW

Eleventh Ave – Winsome Way to Wendover St NW

Nemo – Broadway St SE to Main St E

Isanti Parkway NW – 3rd Ave NW to 701 Isanti Parkway NW

First Ave NW – Broadway St to Heritage Blvd

8th Ave SE – Marion St SE to Heritage

9th Ave SE – Marion St SE to 8th Ave SE

Marion St SE – 8th Ave SE to 9th Ave SE

7th Ave NE – North of Cajima Street

III. POST PLOWING OPERATIONS

Once plowing is completed from curb to curb, post plowing operations will begin in the following priority:

A. Fire Hydrants

Fire hydrants on public streets serving commercial/industrial areas, high density residential units and school facilities shall be plowed or shoveled out so as to be readily accessible for use.

B. Intersections

If in the discretion of staff, snow piles at busy intersections are of such height as to create unsafe conditions, the piles will be pushed back at those intersections on the following streets:

1) County Road 5

2) Main Street
3) County Road 23

IV. EMERGENCY ASSISTANCE

At the discretion of the City Administrator, the Public Services Department can hire either additional equipment or drivers for assistance with snow removal.

V. ADMINISTRATION

A. Council Review

Staff will review the Snow Removal Policy and Operational Guidelines prior to the next year's snow season and make any recommendations for amendments to the City Council.

VI. REPEAL

This resolution repeals all previous snow plow policies.

This Resolution was duly adopted by the Isanti City Council this 6th day of October 2020.

Request for City Council Action

To: Mayor Johnson and Members City Council
From: Sheila Sellman, Community Development Director
Date: October 6, 2020
Subject: RESOLUTION NO. 2019-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 3, VILLAGES ON THE RUM ADDITION WITH J ROBINSON CONSTRUCTION, INC

Background:
On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity and in 2018, the City Council extended the program to December 31, 2019 by Resolution 2018-268. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for 1004 Pleasant View Court described as Lot 6, Block 3, Village on the Rum Addition, for the construction of a single-family home. The business is in 'good standing' upon review of the MN Secretary of State Office as of September 29, 2020.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Request
Staff is requesting that the City Council adopt the attached Resolution.

RESOLUTION 2020-XXX

AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 3, VILLAGES ON THE RUM ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304 and extended the program to December 31, 2019 by Resolution 2018-268; and,

WHEREAS, A boiler plate Repayment Agreement was drafted by the City Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and,

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the properties legally described as: Lot 6, Block 3, Villages on the Rum Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and,

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and,

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to the payment of the building permit; and,

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of September 29, 2020.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 6th day of October, 2020.

Attest: _____ Mayor Jeff Johnson

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2020, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct three single family homes (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the single-family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 6,071.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,692.00** in Water Availability Charges and **$ 3,379.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 2020 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $6,071.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 1004 Pleasant View Court, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

RESOLUTION 2020-XXX

RECOGNIZING NATIONAL PREGNANCY AND INFANT LOSS REMEMBRANCE DAY

WHEREAS, Infants Remembered In Silence, Inc. (IRIS) and many other nonprofit organizations work with thousands of parents all over Minnesota and across the United States who have experienced the death of a child during pregnancy through early childhood; and,

WHEREAS, many of these parents live in, deliver in, have a child die in, or bury a child in our community; and,

WHEREAS, Infants Remembered In Silence (IRIS) a 501(c)(3) nonprofit organization was founded in 1987, 33 years ago, to offer support for parents whose child/children died from miscarriage, ectopic pregnancy, molar pregnancy, stillbirth, neo-natal death, birth defects, sudden unexplained death of a child (SUDC), sudden infant death syndrome (SIDS), illness, accidents and all other types of infants and early childhood death; and,

WHEREAS, Bereaved parents around the world remember their children annually on October 15 with a candle lighting at 7 p.m. Some will remember their child/children in their homes while others will remember them in small gatherings around the state, across the nation and around the world; and this would unify these parents in tribute to their children; and,

WHEREAS, In 1988 President Ronald Reagan proclaimed October as National Pregnancy and Infant Loss Awareness month;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, In honor of the thousands of children that die each year in Minnesota, Infants Remembered In Silence, Inc. (IRIS) respectfully requests that October 15th, 2020 be recognized as Pregnancy and Infant Loss Remembrance Day.

This resolution was duly adopted by the Isanti City Council this 6th day of October 2020.

Request for City Council Action- MEMO

To. **Mayor Johnson and Members of City Council**

From: **Matt Sylvester, Public Services Director**

Date: October 6, 2020

Subject: Consider Resolution to Declare Metal as Scrap and Authorize Its' Disposal

---

Public Works has accumulated miscellaneous items that need to be disposed of. These items are as follows:

Scrap

Iron and Steel leftover from repairs
Old Signs
Old Sign Posts
Old Meter Bodies

Per policy, Resolution 2009-078, based on current pricing, Public Services Director obtained quotes and recommends taking the scrap metal to Midway Iron and Metal in St. Cloud for the best prices on scrap metals. Any items that cannot be taken as scrap will be disposed of.

Request:
It is requested that City Council review and take action on this item.

Attachment:

- Resolution 2020-XXX – Resolution to Declare Metal as Scrap and Authorize Its' Disposal

RESOLUTION 2020-XXX

DECLARING METAL AS SCRAP AND AUTHORIZING ITS DISPOSAL

WHEREAS, it has been determined that the Public Works Department has scrap metal that is of no use to the City; and,

WHEREAS, Resolution No. 2009-078 provides guidelines for the disposal of scrap metal; and,

WHEREAS, among solicited quotations, current pricing yields highest with Midway Iron and Metal in St. Cloud;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City of Isanti, Minnesota, to hereby authorize the following:

1. To declare scrap metal which includes but not limited to: old iron from repairs, aluminum signs, steel signs and old meter parts, located at the Public Works Facility as surplus property and authorize for its disposal.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for the disposal of scrap metal identified per this Resolution.

This Resolution was duly adopted by the Isanti City Council the 6th day of October, 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: October 6, 2020
Subject: Resolution 2020-XXX Entering into an Agreement with Civic Systems, LLC for Caselle Connect Software Modules

---

The City currently uses Caselle Clarity management system for our accounting software. Due to COVID-19, staff has explored options to enhance what we currently use to limit person to person contact and add efficiency with access online for tasks such as taking payments from customers and processing building permits and inspections. The best option staff found was to upgrade our current system to Caselle Connect and add modules to provide the best customer service during this time.

Staff received a proposal from Civic Systems, LLC for a total amount of $20,460.00. The breakdown costs for each module will be funded through the following:

- Coronavirus Relief Funds - $15,780.00 - Accounts Payable, Building Permits, Citizen Portal, Mobile App, Cash Receipting, General Ledger, and Payroll
- Fund 614 Technology - $1,760.00 - Accounts Receivable and Asset Management
- Water 601 and Sewer 602 - $2,920.00 - Utility Billing

Recommendation:
Staff is recommending to enter into an agreement with Civic Systems, LLC for Caselle Connect and modules defined within the proposal.

Attachments:

- Resolution 2020-XXX Entering into an Agreement with Civic Systems, LLC
- Civic Systems, LLC Proposal (Exhibit A)

RESOLUTION 2020-XXX

AUTHORIZING TO ENTER INTO AN AGREEMENT WITH CIVIC SYSTEMS LLC FOR CASELLE CONNECT SOFTWARE MODULES

WHEREAS, the current accounting software system used for Utility Billing, AP, AR, Payroll, Cash Receipting and other operating functions is Caselle Clarity through Civic Systems, LLC; and,

WHEREAS, due to COVID-19, it is in the best interest of the City to add additional modules to allow for Building Permitting/ Inspection processing online with access to a customer portal, and upgrades to Payroll, AP, Cash Receipting, and the General Ledger to minimize person to person contact; and,

WHEREAS, an upgrade to our AR, Asset Management and Utility Billing modules to Caselle Connect is beneficial for enhanced functions which will be funded through Technology, Water and Sewer; and,

WHEREAS, the proposal received by Civic Systems, LLC for such modules was $20,460.00; and,

WHEREAS, funding for modules are identified as follows:

- Coronavirus Relief Funds – Accounts Payable, Building Permits, Citizen Portal, Mobile App, Cash Receipting, General Ledger, and Payroll
- Fund 614 Technology - Accounts Receivable and Asset Management
- Water 601 and Sewer 602 – Utility Billing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, approve the following:

1. Use of Coronavirus Relief Funds for modules defined per this Resolution in the amount of $15,780.00.
2. Use of Funds from 614 Technology for modules defined per this Resolution in the amount of $1,760.00.
3. Use of Funds split from Water and Sewer for modules defined per this Resolution in the amount of $2,920.00
4. The City Administrator or designee is hereby authorized to enter into an agreement and sign corresponding documents with Civic Systems for Caselle Connect with modules for a total amount of $20,460.00 plus annual support fees; referenced as Exhibit A.

This resolution was duly adopted by the Isanti City Council this 6th day of October, 2020.

HARDWARE REQUIREMENTS

Network System Requirements – Caselle® Connect – Network

Important! Using servers or workstations that do NOT meet the specified network system requirements may result in unsatisfactory performance and response times. This document lists the minimum hardware and software requirements for installing Connect.

Network Server Operating System	Microsoft ® Windows 2012, 2012 R2, 2016 Server (64-bit) or 2019 (64-bit)
Network Server Equipment	Intel® Xeon® Quad-Core Processor 3.0 Ghz or higher |Minimum 16 GB of available RAM | 30 GB available disk space for Caselle Connect applications (180 MB) and data | Separate physical hard drive for SQL log file 8-15 K SAS HDD preferred | Color SVGA .28 Monitor | 1 GB Ethernet Network Card | 1 GB Ethernet Switch | DVDRW Drive All hardware must be Microsoft® certified (request printed certification documents). Intel® Core™ i3, Intel® Celeron®, and AMD Sempron™, and Intel® Pentium processors are NOT recommended.
Database Server Equipment and Operating System	• Use the Recommended Network Server. For better performance, increase memory on network server or, use a separate Database Server (same specifications as the Network Server). • Networks with more than ten workstations may require faster processors and/or more memory than the recommended.
Database Software	Microsoft® SQL Server 2012 (64-bit), 2014 (64- bit) or 2016 (64-bit), or 2019 (64-bit)
Network Server and Database Server Power Protection	True On-Line UPS, 600 Voltamps minimum with UPS Monitoring card, cable, and software.
Workstation Computer	Intel Core 2 Duo, i5, or i7 (3 GHz or higher) | 8 GB of available RAM | 30 GB available disk space for Caselle Connect applications (180 MB) and data | LCD Monitor All hardware must be Microsoft® certified (request printed certification documents). Intel® Core™ i3, Intel® Celeron®, and AMD Sempron™, and Intel® Pentium processors are NOT recommended.
Workstation Operating System	Windows 10™ Professional (32-bit or 64-bit).
Workstation Power Protection	UPS/Battery backup unit
Backup System	Network quality system to back up fileserver hard drive on one tape and provide tape read after write verification. Make sure the backup system supports backing up MSSQL Databases. Example: Backup Exec with SQL Agent.
Data File Transfer	DVDRW Drive
Printer	HP Laser Printer or Canon Copiers with PCL or Postscript Drivers
Receipt Printer	Ithaca 9000 and 1500 Series Printers | Star TSP100 | Epson TM – U325, TM-U675, and Epson TM – H6000IV
Internet Access	DSL, ISDN, or T1 Explanation: Caselle® Applications require Internet access to download program updates. Using an Internet connection that is slower than 256 Kbps will take significantly longer to download data.
Email	Email that is compatible with Microsoft® Windows.
Network Installer	Microsoft® Certified
Web Services	IIS 7 (Windows Server 2008, 2012)
miViewPoint Only needed if miViewPoint is being installed.	IIS 7 or later | 30 GB of available disk space for miViewPoint on the IIS and SQL Servers | Modern Web Browser on any PC using miViewPoint (IE11 or greater, up to date Chrome, or up to date Firefox) If miViewPoint is made internet available a modern mobile browser is required.

Attachment A – Caselle Software License Agreement

Caselle
1656 S East Bay Blvd, Ste 100
Provo, UT 84606
CASELLE, INC.
SOFTWARE LICENSE AGREEMENT

Caselle Agrees to provide the software to you, subject to the following terms and conditions.

1. GRANT OF LICENSE

Caselle, Inc. and its Licensors agrees to grant, and You agree to accept a limited, non-transferable, non-exclusive license ("License") to use the computer programs, with the accompanying manuals, literature and other materials ("Software") as detailed under Items, subject to the terms and conditions of this Software License Agreement and subject to termination as provided herein. The term Software shall also include all revisions, updates, enhancements and new modules or add-ons to the existing Software as detailed under Items.

2. TITLE AND CONFIDENTIALITY

Title and full ownership rights to the Software licensed under this agreement, including, without limitation, all intellectual property rights therein and thereto, and any copies You make, remain with Caselle. It is agreed the Software is the proprietary, confidential, trade secret property of Caselle, whether or not any portions thereof are or may be copyrighted and You shall take all reasonable steps necessary to protect the confidential nature of the Software as You would take to protect Your own confidential and trade secret information. You further agree that You shall not make any disclosure of any or all such Software (including methods or concepts utilized therein) to anyone, except to employees, agents, or contractors working for You to whom such disclosure is necessary to the use for which rights are granted hereunder. You shall appropriately notify all employees, agents, and contractors to whom any such disclosure is made that such disclosure is made in confidence and shall be kept in confidence by them. Upon Caselle's request, such employees, agents, and contractors shall enter into an appropriate confidentiality agreement for secrecy and nonuse of such information which by its terms shall be enforceable by injunctive relief at the request of Caselle. If Caselle makes such a request, it shall provide You with the appropriate confidentiality agreements. The obligations imposed by this section upon You, Your employees, agents, and contractors, shall survive and continue after any termination of rights under this Agreement. It shall not be a breach of this agreement if you are required to disclose or make the Software available to a third party or to a court if the Software is required to be disclosed pursuant to a state's "open records" law, or is subpoenaed or otherwise ordered by an administrative agency or court of competent jurisdiction to be produced.

3. LICENSE

You may:

A. Use the Software on a single CPU or network ("System") for the appropriate number of users. The Software may be moved to and used on another System, but shall under no circumstances be used on more than one System at a time.

B. Make System readable copies of the software media provided with the Software as required for backup protection. Such copies may only be used in support of Your use of the Software on the System and may not be used for any other purpose. Each of these copies must have a label placed on the media indicating the Software is a proprietary product of Caselle.

You may not:

A. Rent, lease, sublicense, assign, sell, loan or otherwise transfer this Software, in whole or in part, except as expressly permitted by this Agreement.

B. Inspect, disassemble, decompile, reverse engineer or in any way attempt to determine the internal methods of the Software.

C. Modify the Software or merge it into any other product without the express written consent of Caselle.

D. Reproduce, prepare derivative works based upon, transmit or distribute the Software, or any part of it, in any form or by any means except as expressly permitted in this Agreement.

E. Permanently transfer or assign the Software and the rights under this License to another party without the express written consent of Caselle.

F. Use the Software to provide accounting services to multiple government agencies other than Your own.

Any attempt to do any of the above (A to F) shall void and terminate this Agreement.

4. TERM

This Software License Agreement is and shall be effective from the date of full execution and shall remain in force until terminated. You may terminate this Agreement at any time by notifying Caselle in writing and returning all copies and modifications of the Software within 30 days of such notification. Your License terminates automatically if you materially fail to comply with any terms or conditions of this Agreement and You must return all copies and modifications of the Software to Caselle or its agent within 30 days of receipt of written notification of such termination. For each day You retain the Software without a valid License You agree to pay Caselle $100.

Attachment A – Caselle Software License Agreement

5. WARRANTY

Caselle warrants that it has sufficient right and title to the Software to grant You this License. For one (1) year from the date of receipt of the Software ("Warranty Period"), Caselle also warrants the Software media to be free from defects in materials and workmanship under normal use, and Software operation will substantially conform to the specification published by Caselle. If an error or a defect in the Software or its media becomes apparent within the Warranty Period, You must promptly notify Caselle, in writing, describing the defect. Upon confirming the error or defect Caselle will, at its exclusive option, repair or replace the item or refund the price paid for the defective item. Caselle does not warrant that the functions contained in the Software will meet Your requirements or that the operation of the Software will be uninterrupted or error free. The entire risk as to the results and performance of the Software is assumed by You. The warranty does not cover Software modified by anyone other than Caselle and problems with, or caused by, computer hardware or non-Caselle software.

6. DISCLAIMERS AND LIMITATIONS OF REMEDIES

Except as specifically stated in this Agreement, the Software is Licensed "as is" without warranty of any kind, either express or implied, including, but not limited to implied warranties of merchantability and fitness for a particular purpose. In no event shall Caselle be liable for any indirect, special or consequential damages, including, but not limited to, loss of anticipated profits, revenue or savings, business interruption or loss of business information arising from the use of or inability to use the Software or breach of any expressed or implied warranty, even if Caselle or its agent has been advised of the possibility of such damages. These limitations shall apply notwithstanding the failure of an essential purpose of any limited remedy. Caselle's aggregate liability under this agreement for damage will not, in any event, whether based upon contract, negligence, strict liability in tort, warranty or any other basis, exceed the License fees paid by You for the Software.

7. ADDITIONAL SERVICES

Support, Training and Data Conversion for the Software will be provided directly by Caselle, or its authorized agent, and are subject to separate agreements.

8. GENERAL

A. The Warranty and Limitation of Remedies gives You specific legal rights. You may also have other rights, which vary from state to state, in which case the greater right will apply.

B. This Agreement shall be governed and construed in accordance with the laws of the State of Wisconsin and You hereby consent to the jurisdiction of State and Federal courts in Wisconsin. If any part of this Agreement violates applicable law, that part shall be deemed to be amended to the extent necessary to comply with the law.

C. This Agreement constitutes the entire Agreement between Caselle and You and supersedes any prior Agreement or understanding, written or oral. Except as provided herein, this Agreement may not be amended or supplemented except in writing and properly executed by both parties.

D. If any provision of this Agreement shall be adjudged by a court to be void or unenforceable, the same shall in no way affect any other provision of this Agreement or the validity or the enforceability of this Agreement.

E. All rights and remedies provided herein are cumulative and are in addition to all other rights and remedies available at law or equity.

F. In the event that either party successfully takes legal action to enforce any provision of this Agreement the unsuccessful party shall pay full costs and expenses of such action, including reasonable attorney's fees.

G. Any notice required by this Agreement shall be deemed to have been properly given if sent by registered or certified mail.

H. The waiver of any breach or default of this Agreement shall constitute a waiver only as to such particular breach or default and shall not constitute a waiver of any other breach or default. Failure to act by either party in exercising any right, power, or remedy under this Agreement, except as specifically provided herein, shall not operate as a waiver of any such right, power or remedy, and will not affect the validity of the whole or any part of this Agreement, or prejudice such party's right to take subsequent action.

I. Neither party shall be held liable for delays in any of its performance resulting from acts of God, war, civil disturbance, court order, labor dispute or any other cause beyond its control.

J. The relationship of the Parties shall be solely that of independent contractors. No partnership, joint venture, employment, agency or other relationship is formed, intended or to be inferred under this Agreement. Neither party to this Agreement shall attempt to bind the other, incur liabilities on behalf of the other, act as agent of the other, or authorize any representation contrary to the foregoing.

K. This Agreement is binding upon and shall inure to the benefit of the parties, their successors and assigns. However, this Agreement is not assignable by you. This Agreement is personal to you and neither the Agreement, nor the rights or duties hereunder, may be voluntarily or involuntarily, directly or indirectly, assigned or otherwise transferred without the prior written consent of Caselle. Any unauthorized assignment or transfer shall constitute a breach hereof and shall be voidable by Caselle.

Attachment B – Support Agreement

CIVIC SUPPORT AGREEMENT

This Support Agreement is made by and between the CITY OF ISANTI (client), 110 1st Ave NW, Isanti, MN 55040, and CIVIC SYSTEMS, LLC (Civic), Ten Terrace Court, Madison, Wisconsin 53707-7398.

TERMS AND CONDITIONS

1. DEFINITIONS

For purposes of this Civic Support Agreement, the subsequent capitalized terms will have the following meanings:

A. "Client" – Will denote the CITY OF ISANTI, MN.
B. "Civic" – Will denote Civic Systems, LLC.
C. "Services" – Will denote services related to software training, onsite implementation assistance, and conversion services, as more specifically set forth in the "Conversion Services" attached hereto as Attachment "B".
D. "Software" – Will denote end user computer programs and modules purchased by the Client from Civic, as more specifically set forth in the "Cost Detail" attached hereto as Attachment "A".
E. "Product" – Will denote any goods or services produced by a third-party entity other than Civic.

2. TERM

The initial term of this Support Agreement is for a period of 1 year(s) from the effective date. The effective date is defined as the date the first module is implemented and considered "live". Upon expiration of the initial term of the Support Agreement, it shall be deemed renewed with the same terms and conditions for further successive periods of one (1) year(s) unless either party has given the other party written notice not less than thirty (30) days prior to the expiration of the initial term or subsequent renewal term(s).

3. CHARGES

Civic will invoice client on the effective date and semi-annually thereafter. Invoices are sent in December for Support services rendered in the subsequent six (6) months for January through June. Invoices are sent in June for Support services rendered in the subsequent six (6) months for July through December. All invoices are due within 30 days of the invoice date. Invoices not paid within 30 days are subject to 1.5% interest per month or an annual interest rate of 18% per year. Civic will cease any and all Support services for any invoice not paid within 90 days until payment is made in full. Civic has the right to increase support charges at each anniversary or the effective date. Written notice of such increases shall be given to client not less than thirty (30) days before the anniversary of the effective date.

4. SERVICE HOURS

Civic will provide telephone and web support service five business days a week, from 8 AM to 5 PM Central Standard Time, excluding nationally recognized holidays. Annual support charges do not cover on-site support.

5. SERVICE NOTIFICATION

Client shall notify Civic of support tickets, by contacting Civic support and identifying the issue and symptoms. Notification may be made to Civic via telephone, web, e-mail or fax, as outlined below and in any of the methods outlined in the **SOFTWARE SUPPORT** section below.

Telephone:	608 240 2600
Toll-Free:	800 241 1517
Fax:	608 249 1050
E-mail:	support@civicsystems.com
Website:	http://www.civicsystems.com

6. TERMINATION OF AGREEMENT

This Support Agreement may be terminated as outlined under the **TERM** section above. In addition, Civic or client shall terminate this agreement immediately upon written notice thereof to the other party, in the event the other party shall have breached a material provision of this Support Agreement, which breach shall not have been cured within a thirty (30) day period. If breach is not capable of being cured within such thirty (30) day period, this Support Agreement shall not be terminable so long as the party committing such breach shall have established to the reasonable satisfaction of the other party that it is using all diligent efforts to effect such cure.

This Support Agreement may be terminated by either party effective immediately and without notice, upon: (i) the dissolution, termination of existence, liquidation or insolvency of the other party, (ii) the appointment of a custodian or receiver for the other party, (iii) the institution by or against the other party of any proceeding under the United States Bankruptcy Code or any other foreign, federal or state bankruptcy, receivership, insolvency or other similar law affecting the rights of creditors generally, or (iv) the making by the other party of any assignment for the benefit of creditors.

7. ASSIGNMENTS

Civic shall not assign, transfer or pledge this Support Agreement and/or the services to be performed, whether in whole or in part, nor assign any monies due or to become due to it without the prior written consent of client. A consent to assign shall be subject to such conditions and provisions as client may deem necessary, accomplished by execution of a form signed by client, Civic, and the assignee.

8. PLACE OF USE

The Customer shall provide a suitable, clean location for the installation and operation of the Product, including adequate surge protection on the electrical supply source.

9. RISK OF LOSS

This Support Agreement does not cover service, maintenance or repair necessitated by loss or damage resulting from any cause beyond the control of Civic, including, but not limited to loss or damage due to fire, water, lightning, earthquake, riot, unauthorized service or modifications, theft, or any other cause originating outside the Product.

10. PERFORMANCE

Civic shall exercise its best efforts in performing services covered under this Support Agreement, but shall not be liable for damages, direct or otherwise, for failure to perform services at a location deemed hazardous to health or safety or arising out of delays or failure in furnishing parts or services caused by Acts of God, Acts of Government, labor disputes or difficulties, failure of transportation or other causes beyond its control, or for any consequential damage whatsoever.

11. LIABILITY

Civic is only obligated to provide software support services for the most currently released version of the Software, and the immediately preceding version. Civic shall not be responsible, nor incur liability of any kind, nature or description to client, its agents or employees or any other firm or corporation, whether direct or consequential, in event of failure or fault in condition or operation of the Product or for errors of omission in the transmission or display of information arising from the actual or alleged use of operation of the Product.

Attachment B – Support Agreement

11. Warranty

A. Each party represents and warrants to the other that it has full power and authority to enter into and perform this Agreement and the person signing this Agreement on behalf of each party hereto has been properly authorized and empowered to enter into this Agreement.

B. Client warrants that it has the legal right and authority, and will continue to have the legal right and authority during the term of this Agreement, to operate, configure, provide, place, install, upgrade, add, maintain and repair (and authorize Civic to do any of the foregoing to the extent the same are included in the Services) the hardware, software and data that comprises any of client's information technology system upon which or related to which Civic provides Services under this Agreement.

C. Civic represents and warrants that materials produced or used under this contract, including but not limited to software hardware, documentation, and/or any other item, do not and will not infringe upon any intellectual property rights of another, including without limitation patents, copyrights, trade secrets, trade names, and service marks and names.

D. If a third party claim that the Software infringes upon any intellectual property rights of another which causes client's reasonable use of the software or other material supplied under this contract to be seriously endangered or disrupted, Civic shall promptly, without additional charge to client either procure for client the right to continue using the software or other material, or replace or modify that software or material so that it becomes non-infringing, provided that such replacement or modified software or material has the same functional characteristics as the infringing software or material. If none of the foregoing alternatives are possible even after Civic's best efforts, client shall have the right at its election, to terminate the license to the infringing software and Civic shall promptly refund to client all fees, costs, and charges paid by client to Civic for that software or material and any other software or material reasonably rendered ineffective as the result of said infringement.

E. Civic warrants that any Services that it provides to client under this Agreement will be performed in accordance with generally accepted industry standards of care and competence. Client's sole and exclusive remedy for a breach of Civic's warranty will be for Civic, in its sole discretion, to either: (i) use its reasonable commercial efforts to re-perform or correct the Services, or (ii) refund the fee client paid for the Services that are in breach of Civic's warranty. Client must make a claim for breach of warranty in writing within thirty (30) days of the date that the Services that do not comply with Civic's warranty are performed. This warranty is voided in the event that client makes alterations to the Services provided by Civic or to the environment in which Services are used (including the physical, network and systems environments). If client does not notify Civic of a breach of Civic's warranty during that 30-day period, client will be deemed to have irrevocably accepted the Services.

F. Civic does not warrant any third-party product (each, a "Product"). All Products are provided to client by Civic "AS IS." Civic will, to the extent it is allowed to by its vendors, pass through any warranties and indemnifications provided by the manufacturer of the Product. Client acknowledges that no employee of Civic or any other party is authorized to make any representation or warranty on behalf of Civic that is not in this Agreement.

12. LIMITATION ON LIABILITY

In no event will Civic's liability exceed the license fees, services, and support fees paid to date by the Customer to Civic. This limitation of liability is intended to apply to the full extent allowed by law, regardless of the grounds or nature of any claim asserted, including the negligence of either party. In no event shall either party be liable for ANY lost profits, LOST Business opportunity, lost data, consequential, special, incidental, exemplary or punitive damages arising out of or related to this Agreement.

Customer will indemnify Civic, its parent company (Baker Tilly) and their present or former partners, principals, employees, officers and agents against all costs, fees, expenses, damages and liabilities (including attorney's fees and all defense costs) associated with any third-party claim, relating to or arising as a result of the Services of this Agreement.

In the event Civic is requested by the Customer; or required by government regulation, subpoena, or other legal process to produce its engagement working papers or its personnel as witnesses with respect to its Services rendered for the Customer, so long as Civic is not a party to the proceeding in which the information is sought, Customer will reimburse Civic for its professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

Civic will indemnify Customer against any damage or expense relating to bodily injury or death of any person or tangible damage to real and/or personal property incurred while Civic is performing the Services to the extent such damage is caused solely by the negligent acts or willful misconduct of Civic's personnel or agents in performing the Services.

Customer accepts and acknowledges that any legal proceedings arising from or in connection with the services provided under this Agreement must be commenced within twelve (12) months after the performance of the Services for which the action is brought, without consideration as to the time of discovery of any claim.

13. DEFAULT

In the event of payment default by client, Civic shall be entitled to collect interest and collection costs, including court costs and reasonable attorney fees. In the event of default by the Customer in any term or condition herein, Civic may, at its option, refuse service or terminate its obligations under this Agreement.

14. FORCE MAJEURE

In the event that either party is prevented from performing, or is unable to perform, any of its obligations under this Agreement due to any act of God, fire, casualty, flood, war, strike, lock out, failure of public utilities, injunction or any act, exercise, assertion or requirement of any governmental authority, epidemic, destruction of production facilities, insurrection, inability to obtain labor, materials, equipment, transportation or energy sufficient to meet needs, or any other cause beyond the reasonable control of the party invoking this provision ("Force Majeure Event"), and if such party shall have used reasonable efforts to avoid such occurrence and minimize its duration and has given prompt written notice to the other party, then the affected party's failure to perform shall be excused and the period of performance shall be deemed extended to reflect such delay as agreed upon by the parties.

Attachment B – Support Agreement

15. NOTIFICATION

All notices or communications required or permitted as a part of the Agreement shall be in writing (unless another verifiable medium is expressly authorized) and shall be deemed delivered when:

A. Actually received, or

B. Upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the party, or

C. If not actually received, ten (10) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the respective other party at the address set forth below or

D. Upon delivery by client of the notice to an authorized Civic representative while at client site.

The addresses of the parties to this Agreement are as follows:

Civic Systems, LLC
Ten Terrace Court
P.O. Box 7398
Madison, WI 53707-7398

City of Isanti
110 1st Ave NW
Isanti, MN 55040

16. WAIVER

This instrument contains the entire Agreement for support of the parties. It cannot be changed, altered or modified orally. All changes or modifications must be in writing by the parties hereto.

17. SOFTWARE SUPPORT

The customer will supply the conditions and data which caused the malfunction and help reproduce the failure. The following services are part of the Support Agreement:

A. Telephone and Internet Support – Unlimited and reasonable telephone technical support is provided during the hours specified in the **Service Hours** section above. In addition, client has the ability to log support issues and search a knowledge base utilizing Civic's customer support portal over the internet twenty-four (24) hours a day, seven (7) days a week. Technical support history, including issue and resolution, shall be available to client via the customer support portal over the internet for a period of three (3) years. Civic shall, on occasion, employ software tools that utilize the internet to troubleshoot technical support issues.

B. Bug fixes and Updates – Civic shall provide client with all bug fixes and updates within twenty (20) days of receiving bug fixes and updates upon satisfactory software testing by Civic. Documentation communicating bug fixes, updates, and changes to the database schema shall be sent to client.

C. Software Upgrades – Civic shall provide client with upgrades to the current platform when available. Civic shall provide client with all upgrades within thirty (30) days of satisfactory software testing by Civic. All relevant documentation communicating enhancements, changes to user manuals, changes to the database schema, etc. shall be sent to client.

D. Trained Employees – Support will be provided to any employee that has completed formal training with Civic. Client shall notify Civic of any new employees requiring software support. New employees must schedule formal training with Civic at the current daily rate before support services are provided under the Support Agreement. If software support is required before training takes place, Civic will provide support as long as training has been scheduled with Civic

18. MISCELLANEOUS

This Support Agreement covers those services rendered for pre and post "go-live".

Request for City Council Action - MEMO

To: Mayor Johnson and City Council Members

From: John Jacobi, Liquor Store Manager

Date: September 28th, 2020

Subject: Donation Request for 13th Annual MMBA "Food Drive" promotion in-store

---

Background:
Each year the MMBA supports a Food Drive for the sole purpose of raising funds as well as supplying donations to help support local food shelves in our area. I am requesting that we promote this program in-store and customers can donate nonperishable food items or make a cash donation in any amount that they wish to help support this program. The dates of the Food Drive are October 6th through October 31st, 2020.

Action
Staff is requesting City Council action on this item.

Attachment:

- Resolution 2020-xxx Approving Donation Box at Liquor Store

RESOLUTION 2020-XXX

APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2nd, 2009 City Council approved a donation box policy; and,

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the "MMBA Food Drive"; and,

WHEREAS, the Donation Policy has been reviewed the request and recommended its approval;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the "MMBA Food Drive" at the Isanti Liquor Store from October 6th, 2020 through October 31st ,2020.

Adopted by the Isanti City Council this 6th day of October 2020.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

13th Annual MMBA Food Drive Promotes Community Value

In an effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in a new partnership with Miller Lite is coordinating the *Thirteenth Annual Municipal Liquor Food Drive* **benefiting your local food shelf.**

As in previous years, there will be two competition brackets, based on 2018 annual sales:

$1,000,000 and Above & Below $1,000,000

The individual facility (not city) in each category with the highest weight donated will earn a $1,000 donation to their local food shelf from Miller Lite and MMBA.

In addition:

Through a random drawing, ten $100 donations will be made to food shelves of participating facilities, other than the category winners. So, everyone has a chance to win!

Here are additional details:

- The food drive will run from October 1 – October 31, 2020.
- Each participating MMBA member will collect dry food, can goods & cash for donation to your local food shelf of choice. **Anything your food shelf will accept is eligible to be counted, including, but not limited to, field produce and canned / bottled water.**

NOTE:

Each $1 in cash donations will be counted as 3 pounds of food.

- At the end of the event (November 1), please take the collected food and cash to the food shelf to be weighed. (Contact the MMBA office if you need assistance locating your local food shelf.)

  A week or so after the conclusion of the event, send the MMBA office the information at: kaspszak@outlook.com.

- Coordinate signs with your Miller Lite Distributor.

- Here are some successful ideas to promote the event:

  - ✓ Facility product discount for those donating food
  - ✓ Stapling a flyer to carry-out bags
  - ✓ Displaying the food in the front of the store to catch customer eyes
  - ✓ Reference or total focus in advertising mediums
  - ✓ Miller wholesaler could build a platform of Miller Lite cases for the food to display on, or a wall of cases around an area where donations will be placed.
  - ✓ Local newspaper story
  - ✓ Collect contributions by participating in other community events

Questions:

MMBA: kaspszak@outlook.com
Jon Chance: jonathan.chance@molsoncoors.com

Thanks for your participation!!!!!

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Jaden Moore, Deputy City Clerk/ Human Resources
Date: October 6, 2020
Subject: Resolution 2020-XXX Awarding Quote and Authorizing to Enter into a Contract for Codification Services

---

Background:
Council authorized staff on July 7th, 2020 to advertise an RFP (Request for proposal) for codification services. Staff received two proposals; General Code and American Legal Publishing for such services. The City currently uses General Code for codification services.

Request:
Staff is recommending to enter into a contract to continue receiving services from General Code for codification services as they are lower overall for services per the specifications outlined in the request for proposal. The contract would begin October 7th, 2020 and can end at any time.

Attachments:
- Resolution 2020-XXX Awarding Quote and Authorizing to Enter into a Contract for Codification Services
- Proposals received

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR CODIFICATON SERVICES

WHEREAS, the City of Isanti has determined it is in the City's best interest to receive proposals for codification services; and,

WHEREAS, the Council authorized staff to request proposals for codification services on July 7th, 2020; and,

WHEREAS, the request for proposals for codification was published in the City's official newspaper; and,

WHEREAS, two proposals were received and are attached; and,

Consultant	Base Quotation not including optional/ additional expenses
General Code	**$5,220**
American Publishing	$8,800

WHEREAS, General Code was found to best fit the needs of the City given all rates and services considered;

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota the following:

1. Hereby award the contract for codification services to General Code.
2. Hereby authorize staff to enter into and sign a contract with General Code starting October 7th, 2020 and can end at any time.

This resolution was duly adopted by the Isanti City Council this 6th day of October 2020.

RESOLUTION 2020-XXX

AUTHORIZING A REDUCTION IN THE LETTER OF CREDIT FOR HERITAGE ESTATES

WHEREAS, Level Contracting LLC, (developer) has submitted a written request for a reduction in the letter of credit as described in the development agreement between the developer and the City of Isanti; and,

WHEREAS, the developer has requested a reduction of the remaining balance less the 10% required for the warranty period, leaving a balance of $41,500; and,

WHEREAS, the developer has successfully completed improvements for this development; and,

WHEREAS, the Community Development Director and City Engineer have reviewed the request and recommended approval.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, that the requested reduction in the letter of credit be hereby **APPROVED** as requested, **BE IT FURTHER RESOLVED** that the City Council of the City of Isanti authorizes City Staff to execute said reduction.

This Resolution was duly adopted by Isanti City Council this 6th day of October, 2020.

Attest:

_____
Mayor Jeff Johnson

_____
Katie Brooks
City Clerk/Human Resources

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, OCTOBER 6, 2020 – 7:00 P.M.
CITY HALL

A. Call to Order
B. Pledge of Allegiance
C. Roll Call
D. Public Comment
E. Adopt Agenda

F. Proclamations/Commendations/Certificate Award
1. Mayors Proclamation- MN Manufacturer's Week
2. IRIS Infants Remembered in Silence

G. Approve City Council Minutes
1. September 15, 2020- Regular Meeting of the City Council
2. September 15, 2020- Committee of the Whole Meeting

H. Announcements

1. City Hall Closed Observance of Columbus Day	Monday, October 12, 2020
2. Committee of the Whole	Tuesday, October 20, 2020 at 5:00 p.m.
3. City Council Meeting	Tuesday, October 20, 2020 at 7:00 p.m.
4. Planning Commission Meeting	Tuesday, October 20, 2020 *(Immediately following the City Council Meeting)*

I. Council Committee Reports

J. Public Hearings

K. Business Items

City Administrator Josi Wood
1. Discussion on Study of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive
2. Isanti Business Relief Grant Program Update and Small Small Business Coaching Discussion *(Steve Fredlund)*
3. Resolution 2020-XXX Approving a Special Event Permit Application for Rum River BMX for MN State Series Finals *(Larry Merchlewitz)*

City Engineer Jason Cook
4. Resolution 2020-XXX Declaring Cost to be Assessed, Ordering Preparation of Proposed Assessment, and Ordering Hearing on Proposed Assessment – 6th Avenue SW Rehabilitation Project

L. Approve Consent Agenda
1. Accounts Payable in the Amount of $441,464.48 Payroll in the Amount of $211,027.77 and Q3 Council Pay in the Amount of $8,605.82
2. Resolution 2020-XXX Accepting New Contract for Regional Safety Group 2021
3. Resolution 2020-XXX Offering the Position of Part-Time Liquor Store Clerk to Meghan Glassel

4. Resolution 2020-XXX Accepting Parks, Recreation and Culture Board Member Brian Thum's Resignation
5. Resolution 2020-XXX Accepting Part-Time Liquor Store Clerk Termination for Elizabeth Kerr
6. Resolution 2020-XXX Approving Snow Plowing Policy and Operational Guidelines
7. Resolution 2020-XXX Execution of Repayment Agreement on Lot 6, Block 3 Villages on the Rum
8. Resolution 2020-XXX Recognizing National Pregnancy and Infant Loss Remembrance Day
9. Resolution 2020-XXX Declaring Metal as Scrap and Authorizing its Disposal
10. Resolution 2020-XXX Authorizing to Enter into an Agreement with Civic Systems for Caselle Connect Software Modules
11. Resolution 2020-XXX Approving Donation Box at Liquor Store
12. Resolution 2020-XXX Awarding Quote and Authorizing to Enter into a Contract for Codification Services
13. Resolution 2020-XXX Approving Application for an Exempt Gambling Permit for Rum River BMX 50/50 Raffle
14. Resolution 2020-XXX Authorizing a Reduction in the Letter of Credit for Heritage Estates

M. Other Communications

N. Closed Session

1. Closed Session for consideration of sale of City owned Real Property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.040.1030 and 16.040.0960.

2. Discussion Regarding Consideration to Purchase Real Property pursuant to Minn. Stat. 13D.05, subd. 3(c) for PID 16.029.2100 and 16.029.2400.

Adjournment

minnesota MANUFACTURING WEEK

F.1.

Proclamation

Whereas: Manufacturing is a dynamic and robust industry, crucial to the health and strength of Minnesota's diverse economy; and

Whereas: Manufacturing added $52.7 billion to Minnesota's economy in 2019, representing the second-largest contribution (14%) to the state's gross domestic product by any industry; and

Whereas: Workers took home $22.1 billion in wages from Minnesota manufacturing jobs in 2019, the second-largest total payroll among private sector industries; and

Whereas: Manufactured exports brought $21 billion into the Minnesota economy in 2019; and

Whereas: Manufacturing in Minnesota pays an average annual wage of $68,081, which is 16% higher than the state's overall average wage; and

Whereas: Manufacturing provides 324,000 highly skilled, well-paying jobs, which significantly contribute to Minnesota's high standard of living and economic vitality.

Now, therefore, I, Jeff Johnson, Mayor of Isanti, do hereby proclaim that the week of October 1 to October 7, 2020 shall be observed as:

MINNESOTA MANUFACTURING WEEK

in the City of Isanti on this 6th day of October, Two Thousand and Twenty

_____

MAYOR, Jeff Johnson

F.2.

IRIS INFANTS REMEMBERED IN SILENCE ©

Founded in 1987
218 Third Ave. NW Faribault MN 55021
Phone: (507) 334-4748 E-mail: support@irisRemembers.com Website: www.irisRemembers.com

Infants Remembered In Silence, Inc. a 501(c)3 nonprofit organization (#41-1700704) would like to respectfully request that the city adopt a resolution endorsing October 15th as Pregnancy and Infant Loss Remembrance Day in accordance with the requirements within the city/county.

Infants Remembered In Silence, Inc. (IRIS) works with thousands of people across Minnesota, and across the USA, who have experienced the death of a child during pregnancy through early childhood. This includes death from miscarriage, ectopic pregnancy, molar pregnancy, stillbirth, neo-natal death, sudden unexplained death of a child (SUDC), sudden infant death syndrome (SIDS), birth defects, illness, accidents, and all other types of early childhood death. Many of these parents live in, deliver in, and have a child die in, or bury a child in this community.

Bereaved parents remember these children annually with a 7 pm candle lighting on October 15th. Some will remember their child/children in their homes while others will remember them in small gatherings around the state and across the nation. This resolution/proclamation would unify these parents in tribute of their children.

United States Government Proclamations:

- 1988 President Ronald Reagan Proclaimed October as National Pregnancy and Infant Loss Awareness Month.
- 2001 House Resolution
  107th Congress – 1st Session
  H.RES.254 IH
- 2006 House Resolution
  109th Congress – 1st Session
  H.CON.RES.222

If you do choose do adopt this proclamation/resolution you may send us any certificates via e-mail to support@irisremembers.com or we can arrange for someone to pick it up.

Respectively submitted August 21, 2020.

Diana Kelley - Founder and Executive Director

Josi Wood City Administrator

1. **Resolution 2020-165** Variance request for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway

[*Other conversation to be presented at Public Comment*] Scott Zimprich, owner at house, 201 Broadway, suggested a proposed sidewalk from Bluebird Park to the Dog Park on the South side of Isanti Parkway due to many small children in the area.

Scott Zimprich shared his outlook on his request for a variance to build a 580 square foot detached garage, which exceeds the size of the primary structure.

The council considered this request at the September 1, 2020 meeting, four (4) members of the Council were present with one (1) absent. Scott Zimprich was not present at the meeting. The council had a tied 2-2 vote and postponed the action to the September 15, 2020 meeting. On May 12, 2020 the applicant applied for a building permit to construct a detached garage at 720 square feet. On May 14, 2020 the Community Development Director emailed him explaining that the proposed garage exceeds the size limit according to city code. On July 13, 2020 a stop work order was issued for the property because a building permit was never issued and the garage foundation had already been poured.

Motion by Collison, second by Lundeen to deny the variance request at 201 Broadway. Motion passed 3-2 with Gordon and Bergley voting nay.

2. **Resolution 2020-166** Approving Metering Software and Hardware and Entering into an Agreement with Mueller

City Administrator Josi Wood shared that Badger Meters, the current meter company, has informed staff that the current meters being used are now obsolete and no longer will be manufactured. Staff has explored options that are in the best interest of residents and such options include new meters that have different radios and software. Staff recommends switching vendors to Mueller Meters to receive better service and technology. Wood further shared the recommendation to replace radios 2022 and Finance Director Mike Betker will add it to the Capital Improvement Plan as well as into the Rate Study. To make the transition and purchase the software needed to read the new meters it would be an amendment to the budget in water in the amount of $8,000. A new laptop and Caselle billing software will need to be purchase in order to ensure the billing software is able to speak to the new meters for a total amount not to exceed $11,000.01.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

3. **Resolution 2020-177** Approving First Amendment to the Development Agreement for Legacy Pines 3rd Addition Phase 2

City Administrator Josi Wood shared that this was discussed at Committee of the Whole earlier in the night. A request came in from the developer of Everpine Landholdings, LLC. Which holds a developers agreement for Legacy Pines specifically with the 3rd addition he has requested to have his letter of credit split into two parts which then would allow him to keep working on his utilities and not to put up more letter of credit before he has to do the surface work and keeps the project moving along and is a time sensitive issue which is why it is being brought forward to council now.
Motion by Bergley, second by Collison to approve amending the Letter of Credit for Legacy Pines 3rd Addition. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $222,652.70 Payroll in the Amount of $104,290.60

2. **Resolution 2020-167** Regarding Maintenance of Part-Time Peace Officers
3. **Resolution 2020-168** Approving Amendment to the 2020 Budget
4. **Resolution 2020-169** Authorization to Purchase Items with Wellness Funds from the Approved Budget
5. **Resolution 2020-170** Accepting Part-Time Liquor Store Clerk Letter of Resignation for Brian Williams
6. **Resolution 2020-171** Approving the hire of Building Official Christopher Chandler
7. **Resolution 2020-172** Entering into an Agreement with Nextera for Hosted Voice/ Phone Services for City Hall
8. **Resolution 2020-173** Approving Proposals for Automated Laserfiche Services
9. **Resolution 2020-174** Approving Application for Exempt Gambling Permit for Friends of Saint Scholastica
10. **Resolution 2020-175** Authorizing Purchase of Emergency Management Radio Equipment
11. **Resolution 2020-176** Authorizing Purchase of 2021 Chevrolet Tahoe and Equipment for Emergency Management Mobile Command Vehicle

Motion by Bergley, second by Collison to approve Consent Agenda as presented. Motion passed 5-0. Motion carried.

MINUTES
CITY OF ISANTI
COMMITTEE OF THE WHOLE MEETING
TUESDAY, SEPTEMBER 15, 2020 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley, Steve Lundeen and Dan Collison

D. Public Comment
None

E. Committee Meeting Items

1. PW Updates
    - Street painting of crosswalks, stop bars, school crossings, railroad crossings and parking lots was completed.
    - Public Works crew repaired a storm drain on East Dual Blvd in front of UPS. The repair required a new casting to be installed as well as some curbing.
    - Annual maintenance of the air release valves have been completed for the third time this year. This is part of the quarterly maintenance that is done.
    - Sewer jetting has begun and this year jetting will be done at each lift station and cleaning the lift station itself. Primarily, Pubic Works jets to prevent sewer backups in the system but also to inspect the infrastructure itself.
    - Generator pads have been poured and the generator installs should be starting soon. The work is scheduled to be completed in October.
    - Staff worked through some filter issues at the Waste Water Treatment Plant. It was discovered that the filters were low on potassium Permanganate, allowed to sit then backwashed before being put back in use.
    - Staff cleaned out the backwash tank which is part of annual maintenance. It is an opportunity to discard all the Iron and Manganese that is removed during normal operation.
    - Staff verified gate valves were open prior to hydrant flushing, but during that time staff discovered that 8 gate valves were closed at different locations in town.
    - Staff completed hydrant flushing and was able to complete a small list of hydrant repairs.
    - The sledding hill project has begun and should be completed in late September weather permitting.
    - Public Works crews have been fogging for Mosquitos and will continue through September.
    - Staff was able to pour concrete curbing at Rum River Meadows Park and that will be the last park that gets curbing.

- The Compost Site is open and continues to be busy. The Sunday hours will begin on October 25th with the compost site closing for the season on November 8th.
- The Community Garden is slowing down but the Sunflower Maze is in full bloom.
- The Farmers Market is open until September 25th.

2. Pedestrian Bridge (New Information) Discussion
   - At the January 2020 goal setting meeting discussion was held about a pedestrian bridge project.
   - Council unanimously decided that there were other things to consider at that time.
   - The Federal Highway Administration Division Central Finance Officer has reached out asking what the city is going to do with the funds that were allocated to that project.
   - The total of the bridge is going to cost a little over $4 million dollars and approximately $2.1 million in federal funds and approximately just under $2 million that could potentially be obtained from other grant opportunities.
   - The amount is $200,149,745
   - The preliminary bridge project that was projected in the past was supposed to be placed where the Best Western Hotel is now.
   - Recommendation from Committee is for City Engineer Jason Cook to bring updated cost and information for the project to a future Committee of the Whole meeting.

3. Mixed Radio Network Participation (Mayor Johnson)
   - Mayor Johnson was asked to be a guest on a podcast.
   - The network are advocates for public safety and law enforcement.
   - City Attorney does not recommend using a city facility.
   - City Attorney recommended caution on the Mayor speaking on behalf of the city.
   - Recommendation from Committee is for Mayor Johnson to participate in podcast with Fire Chief Al Jankovich and Chief of Police Travis Muyres.

4. Legacy Pines 3rd Addition Letter of Credit
   - A request came in from the developer of Everpine Landholdings, LLC for the development Legacy Pines 3rd addition, the request is for the following:
     - Pay all necessary fees City fees for the 32 lots in Phase II and the required escrows in connection with Phase II.
     - Post the minimum 10% of total construction costs amount that the City requires for the warranty period.
     - That at the end of construction season, whatever amounts are yet needed to complete the unfinished work be posted with the City at this time.
   - The addition is broken up into three phases.
   - Phase one is near completion.
   - One option to consider is to break the letter of credit into two parts.

- Recommendation from Committee is to move forward with breaking the letter of credit into two parts and bring to City Council meeting later this night of September 15, 2020 for consideration.

5. Coaching Funds for Small Businesses *(Steve Fredlund)*
   - Small Small Business Community has requested $12,000 in funding to provide 20 small businesses in Isanti with four (4) hours of individual business coaching plus lifetime membership at smallsmallbusiness.com
   - Membership also includes post-program discounts on private coaching, group coaching and mastermind groups
   - Recommendation from Committee is to postpone until the October 6th City Council meeting to determine the amount of funding left from the CARES Act.
6. CARES Act Funding for Fire District
   - Chief Jankovich shared that he is greatly appreciated for the CARES Act money that is allocated for the fire district.
   - Jankovich provided a bid for the audio/visual distance learning equipment.
   - Recommendation from Committee is for Fire Chief Al Jankovich, City Administrator Josi Wood and Finance Director Mike Betker to purchase items that have been allocated and approved to be purchased for the Fire District.

F. Adjournment

Meeting was adjourned at 6:18 p.m.

Respectfully Submitted,

Memo for Council Discussion

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: October 6, 2020
Subject: Discussion on Study of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive

---

Background:
The City partnered with Isanti County, Res 2019-217, to conduct a traffic control and evaluation study for the intersections of Heritage Blvd (County Rd 5) and East Dual Blvd and Credit Union Drive.

The engineering firm chosen by Isanti County was WSB. The full study is attached and represents options for traffic control. Staff is requesting discussion and for a recommendation as to which traffic control, signal or roundabouts, is preferred.

Request:
Staff is requesting discussion and direction on this item.

Attachment:
- WSB Engineering Analysis of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive

Memorandum

To: Richard Heilman, PE, Isanti County Engineer

From: Erik Seiberlich, Senior Project Manager
Sean Delmore, PE, PTOE, Director of Traffic Engineering

Date: September 17, 2020

Re: Analysis of CSAH 5 Intersections with East Dual Boulevard and Credit Union Drive
WSB Project No. 014712-000

A. Introduction

The purpose of this report is to evaluate the traffic control and intersection lane geometry needed for two existing intersections: County State-Aid Highway (CSAH) 5 and East Dual Boulevard, as well as CSAH 5 and Credit Union Drive, located in the City of Isanti in Isanti County, Minnesota. This report will document the existing conditions, operations and safety. It will also analyze existing and proposed intersection geometry using projected traffic volumes.

B. Description of Location

CSAH 5 (Heritage Boulevard) is a four-lane undivided (divided from the Kwik Trip access east to TH 65) minor arterial roadway within the study area. CSAH 5 serves as an east-west route for Isanti County, intersecting the Sherburne County line on the west and the Chisago County line on the east. The only major intersecting roadway is Trunk Highway (TH) 65 in the City of Isanti.

East Dual Boulevard and Credit Union Drive are both two-lane local roadways located within the city limits. The south termini of East Dual Boulevard is located at CSAH 5, as well as the north termini of Credit Union Drive. The intersection with Credit Union Drive is located approximately 1,000-feet west of TH 65. The intersection with East Dual Boulevard is located approximately 300-feet west of Credit Union Drive. Kwik Trip has an access on CSAH 5, skewed slightly east across from Credit Union Drive.

The project location within the context of the surrounding area is represented in **Figure 1**.

wsb

CSAH 5 at East Dual Boulevard and Credit Union Drive
Traffic Analysis
Isanti County, MN
Figure 1. Intersection Locations and Surrounding Network

C. Existing Conditions

The two intersections along CSAH 5 are currently minor approach stop-controlled. A summary of the characteristics of East Dual Boulevard and Credit Union Drive study intersections are as follows:

CSAH 5 and East Dual Boulevard intersection:

- East leg
  - 2 thru lanes
  - 1 exclusive right-turn lane
  - 30 mph speed limit
  - 10,600 ADT (2016 MnDOT)
- West leg
  - 2 thru lanes (1 is shared thru/left-turn lane)
  - 30 mph speed limit
  - Existing crosswalk
  - 10,600 ADT (2016 MnDOT)
- North leg
  - 1 shared lane
  - 30 mph speed limit
  - Existing crosswalk
  - 1,250 ADT (2016 MnDOT)

CSAH 5 and Credit Union Drive intersection:

- East leg
  - 2 thru lanes (1 is shared thru/right-turn lane)
  - 30 mph speed limit
  - 10,600 ADT (2016 MnDOT)
- West leg
  - 2 thru lanes (1 is shared thru/left-turn lane)
  - 30 mph speed limit
  - 10,600 ADT (2016 MnDOT)
- South leg
  - 1 shared lane
  - 30 mph speed limit
- Skewed North leg
  - Kwik Trip Gas Station access
  - 1 shared lane
  - This is an entrance only not an exit from the Kwik Trip

The existing intersection geometry is depicted in **Figure 2.**

Traffic turning movement counts at the intersections of CSAH 5 and East Dual Boulevard, and CSAH 5 and Credit Union Drive were collected on Tuesday September 10, 2019. The results of these traffic counts are provided in **Appendix A**. Existing Average Daily Traffic (ADT) volumes are from Minnesota Department of Transportation (MnDOT) traffic volume map year 2016 and are included in **Figure 2.** A summary of the 3-year (July 2016- June 2019) crash history at the CSAH 5 intersections with East Dual Boulevard and Credit Union Drive are provided in **Table 1 and 2**. Isanti County provided the crash details from the police department. These reports indicate there have been 5 crashes at the East Dual Boulevard intersection and 3 crashes at the Credit Union Drive intersection between July 2016 and June 2019. Existing crash patterns show that both intersections experience a higher-than-average rate of 0.41 crashes per million entering vehicles (East Dual Boulevard) and 0.25 crashes per million entering vehicles (Credit Union Drive), compared to the average rate of 0.19 for an urban thru-stop intersection (2015 MnDOT Crash Toolkit). A Crash Diagram can be found in **Appendix B**.

In recent years, mobility and safety on the CSAH 5 corridor between these intersections has been a concern. Several crashes have occurred since the Kwik Trip Gas Station was opened in early 2019, as

more traffic travels through these intersections, drivers make riskier decisions when turning in and out of the accesses. Different alternatives will identify safer and operationally better intersections that address the increased volumes through this area.

Table 1 – Existing Crash Rate Calculation at CSAH 5 and East Dual Boulevard

Isanti CSAH 5 and East Dual Blvd (July 2016-June 2019)							
Location	Number of Crashes	Daily Entering Vehicles	Crash Rate*			Severity Rate	
			Calculated	Average**	Critical***	Calculated	Average**
Isanti CSAH 5 and East Dual Blvd (July 2016-June 2019)	5	11,225	0.41	**0.19**	0.43	0.41	1.00

*Intersection crash rates are expressed in crashes per million entering vehicles.

**Average for an urban thru-stop intersection using MnDOT 2015 green sheets.

***Critical crash rates are expressed in crashes per million entering vehicles with 0.95 confidence level.

Table 2 – Existing Crash Rate Calculation at CSAH 5 and Credit Union Drive

Isanti CSAH 5 and Credit Union Dr (July 2016-June 2019)							
Location	Number of Crashes	Daily Entering Vehicles	Crash Rate*			Severity Rate	
			Calculated	Average**	Critical***	Calculated	Average**
Isanti CSAH 5 and Credit Union Dr (July 2016-June 2019)	3	11,175	0.25	**0.19**	0.43	0.25	1.00

*Intersection crash rates are expressed in crashes per million entering vehicles.

**Average for an urban thru-stop intersection using MnDOT 2015 green sheets.

***Critical crash rates are expressed in crashes per million entering vehicles with 0.95 confidence level.

Isanti County, MN
Figure 2. 2019 Existing Turning Movements & Geometry

D. Future Conditions

The CSAH 5 corridor is projected to increase within the coming years and different intersection alternatives were identified for the intersections with East Dual Boulevard and Credit Union Drive.

The proposed intersection modifications included four different alternatives:

Alternative 1 (**See Appendix E1**):

- Installation of a traffic signal at the intersection of CSAH 5 and East Dual Boulevard.
- Mill and overlay of CSAH 5 between west of West Dual Boulevard and east of Credit Union Drive with restriping to include two-way left turn lane or exclusive left-turn lanes for all accesses.
- Reduction of eastbound CSAH 5 to one lane by restriping, and roadway widening on the north side of CSAH 5 to maintain the two westbound lanes and right-turn lane for East Dual Boulevard.
- This alternative could work as an interim improvement prior to Alternative 2.

Alternative 2 (**See Appendix E1**):

- Realignment of Credit Union Drive to create a 4-legged intersection with East Dual Boulevard and CSAH 5, and the installation of a traffic signal.
- Mill and overlay with restriping to include exclusive turn lanes on CSAH 5 at the traffic signal.
- Reduction of eastbound CSAH 5 to one lane by restriping, and roadway widening on the south and north side of CSAH 5 to maintain the two westbound lanes.
- Closure of existing Credit Union Drive access to CSAH 5 and realignment of Cherrywood Street to intersect the new road.

Alternative 3 (**See Appendix E1**):

- Installation of a mini-roundabout at each intersection (2 total).
- Restriping west of East Dual Boulevard and east of Credit Union Drive on CSAH 5 for appropriate lane transitions.

Alternative 4 (**See Appendix E1**):

- Realignment of Credit Union Drive to create a 4-legged intersection with East Dual Boulevard and CSAH 5, and the installation of a mini- roundabout.
- Restriping west of East Dual Boulevard and east of Credit Union Drive on CSAH 5 for appropriate lane transitions.
- Closure of existing Credit Union Drive access to CSAH 5 and realignment of Cherrywood Street to intersect the new road.

Recently the Stakeholder Agencies have contacted inquired about the possibility to acquire the land south of the CSAH 5 & East Dual Boulevard intersection. At this time the landowner is not interested in selling or otherwise providing that land for future transportation right-of-way. Due to this Alternatives 2 and 4 will no longer be considered as part of this traffic study.

Traffic Control Analysis

The following subsections detail the analysis used for determining the appropriate traffic control for each intersection or a combined intersection. Thirteen hours of turning movements (6:00 AM-7:00 PM) were counted on Tuesday, September 10, 2019 and used to perform a traffic signal warrant analysis if the two intersections were combined and realigned as one four-legged intersection, and for each intersection separately.

Traffic Signal Warrant Analysis

Part 4 of the MN MUTCD contains information pertaining to highway traffic signals, including a series of traffic-signal warrants that define the minimum conditions under which installing a traffic signal could be justified. These traffic signal warrants have been developed as national guidelines to promote continuity of traffic control devices and to ensure that traffic signals are installed at intersections that benefit from their operations. The following are the nine MN MUTCD traffic signal warrants:

Warrant 1-Eight-Hour Vehicle Volume
Warrant 2-Four-Hour Vehicle Volume
Warrant 3-Peak Hour Vehicle Volume
Warrant 4-Pedestrian Volume
Warrant 5-School Crossing
Warrant 6-Coordinated Signal System
Warrant 7-Crash Experience
Warrant 8-Roadway Network
Warrant 9-Intersection Near a Grade Crossing

According to the MN MUTCD, inclusion of right-turn volumes for warrant analysis is dependent on engineering judgment, site factors and turning movement volumes. By applying engineering judgment, right-turn movements on all approaches of the combined access intersection and separate intersections were included in the analysis due to the lack of existing right-turn lanes on all legs.

The following is the result of the traffic signal warrant analysis for a combined intersection. See **Appendix C1** for additional information.

- Warrant 1 – Eight-Hour Vehicle Volume: **MET**
- Warrant 2 – Four-Hour Vehicle Volume: **MET**
- Warrant 3 – Peak-hour Vehicle Volume: **MET**
- Warrant 4 – Pedestrian Volume: **NOT MET**
- Warrant 5 – School Crossing: **N/A**
- Warrant 6 – Coordinated Signal System: **NOT MET**
- Warrant 7 – Crash Experience: **NOT MET**
- Warrant 8 – Roadway Network: **NOT MET**
- Warrant 9 – Intersection Near a Grade Crossing: **N/A**

Signal Warrants 1, 2 and 3 are met with existing traffic volumes and speed limits, with the realignment of accesses to create a 4-legged intersection.

The following is the result of the traffic signal warrant analysis for the intersection of CSAH 5 and East Dual Boulevard. See **Appendix C2** for additional information.

- Warrant 1 – Eight-Hour Vehicle Volume: **MET**
- Warrant 2 – Four-Hour Vehicle Volume: **MET**
- Warrant 3 – Peak-hour Vehicle Volume: **MET**
- Warrant 4 – Pedestrian Volume: **NOT MET**
- Warrant 5 – School Crossing: **N/A**
- Warrant 6 – Coordinated Signal System: **NOT MET**
- Warrant 7 – Crash Experience: **NOT MET**
- Warrant 8 – Roadway Network: **NOT MET**
- Warrant 9 – Intersection Near a Grade Crossing: **N/A**

Signal Warrants 1, 2 and 3 are met with existing traffic volumes and speed limits at the intersection of CSAH 5 and East Dual Boulevard.

The following is the result of the traffic signal warrant analysis for the intersection of CSAH 5 and Credit Union Drive. See **Appendix C3** for additional information.

- Warrant 1 – Eight-Hour Vehicle Volume: **MET**
- Warrant 2 – Four-Hour Vehicle Volume: **MET**
- Warrant 3 – Peak-hour Vehicle Volume: **MET**
- Warrant 4 – Pedestrian Volume: **NOT MET**
- Warrant 5 – School Crossing: **N/A**
- Warrant 6 – Coordinated Signal System: **NOT MET**
- Warrant 7 – Crash Experience: **NOT MET**
- Warrant 8 – Roadway Network: **NOT MET**
- Warrant 9 – Intersection Near a Grade Crossing: **N/A**

Signal Warrants 1, 2 and 3 are met with existing traffic volumes and speed limits at the intersection of CSAH 5 and Credit Union Drive.

E. All-Way Stop Warrant Analysis

Part 2B of the Minnesota Manual on Uniform Traffic Control Devices (MN MUTCD) contains information pertaining to the all-way stop control with criteria relating to vehicular volumes and crash history that define the minimum conditions under which installing an all-way stop could be justified.

The following are the discussions regarding whether the intersection geometry and/or traffic volumes meet the guidance in the MN MUTCD. Text in *italics* denotes guidance from the MN MUTCD, and regular text denotes discussion on whether conditions meet the guidance. Using the provided count data, all-way stop warrants were analyzed, with the realignment of accesses to create a conventional 4-legged intersection and for each intersection separately.

- *A multi-way stop application can be used as an interim measure while arrangements can be made to install a traffic signal* – A traffic signal is warranted at this intersection; therefore, a multi-way stop application could be used as an interim measure.
- *Five or more reported crashes in a 12-month period that are susceptible to correction by a multi-way stop installation* – Only two right-angle crashes have occurred within the past 5 years at each of the intersection with CSAH 5.
- *Minimum volumes* – 7 of the required 8 hours were met, See **Appendix D1-D3** for volume analysis.
- *Where no single criterion is satisfied, but where the preceding criteria are all satisfied to 80% of the minimum values.* – 11 hours of the required 8 hours were met, See **Appendix D1-D3** for the 80% minimum value analysis.
- *The need to control left-turn conflicts* – Westbound left-turn conflicts would need to be controlled due to relatively high left-turn volumes compared to right-turn volumes, and oncoming traffic is high during peak hours.
- *The need to control vehicle/pedestrian conflicts near locations that generate high pedestrian volumes* – The existing intersections do not experience a high level of pedestrian and bicycle traffic that would require installation of a multi-way stop to provide adequate operations.
- *Locations where a road user, after stopping, cannot see conflicting traffic and is not able to negotiate the intersection unless conflicting cross traffic is also required to stop* – Sightlines are currently visible at both intersections.
- *An intersection of two residential neighborhood collector (through) streets of similar design and operating characteristics where multi-way stop control would improve operational characteristics of the intersection* – East Dual Boulevard and Credit Union Drive are not of the same functional classification or design as CSAH 5, traffic operations at the intersection would not benefit from the installation of a multi-way stop.

The signal warrant and 80% volume warrant are met if the two intersections were realigned and combined as one intersection. However, because traffic volumes on CSAH 5 are much higher than the minor approaches, all-way stop control is not recommended if the accesses were combined or if they remain as separate intersections.

Although no traffic warrants for roundabouts currently exist, the MnDOT Intersection Control Evaluation Manual states that if a traffic signal or an all-way stop warrant is met, a roundabout should also be considered as a warranted traffic control device. There are traffic signal and all-way stop warrants that are currently met for both intersections, which makes the installation of a roundabout warranted. The Intersection Control Evaluation Manual also states that site-specific safety issues may cause a roundabout to be justified. As traffic volumes rise at the intersection, safety will become a larger concern as vehicles are turning in and out of the accesses.

Crash Evaluation

Crash reductions for each type of intersection control were estimated based on the proposed layout and the crash reduction factors from the Federal Highway Administration (FHWA) Crash Reduction Factors and the Minnesota Department of Transportation (MnDOT) Roundabout Crash Reduction Factors. **Table 3** shows the projected crash rate and yearly crashes for each traffic control type using the existing traffic volumes.. Fewer crashes mean a reduced cost to the local economy in terms of lost productivity related to property damage, injuries, and congestion on local roadways.

Table 3 – Existing and Projected Crash Rates by Traffic Control Type

Traffic Control	Crash Reduction Factor*	Crash Rate**	Projected Crashes Per Year
Thru-Stop @ East Dual Blvd (Existing)		0.41	1.67
Thru-Stop @ East Dual Blvd (Existing)		0.25	1.00
Combined Thru-Stop (Build with existing crashes)		0.62	2.67
Urban-Thru Stop (State average rate)		0.19	0.80
High Volume, Low Speed Signal (State average rate)		0.72	3.09
Urban Single Lane Roundabout	0.60	0.25	1.08
Urban Multi-lane Roundabout	0.65	0.22	0.95

* Crash reduction factors taken from MnDOT's HSIP Program guidance

** Crash rate for proposed improvements = (1 - CRF) x (existing CR)

Traffic Forecasts

Based on the Minnesota DOT County Growth Rate Table, traffic volumes in Isanti County are projected to rise by 10% over the next 20 years. For future analysis, the 10% increase in traffic movement volumes will be used in all simulations to determine level of service. Year 2039 Forecasted Turning Movements are shown in **Figure 3**.

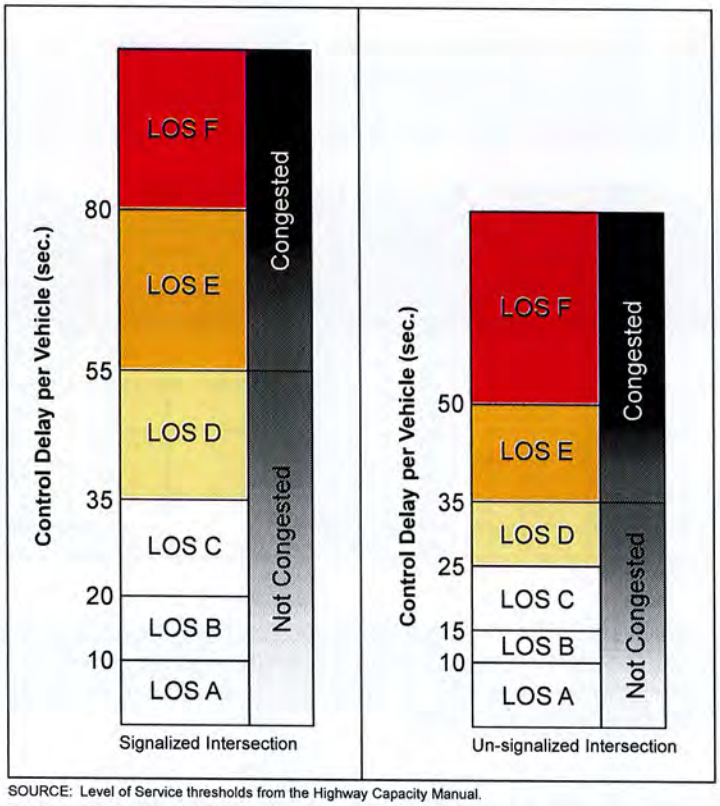
CSAH 5 at East Dual Boulevard and Credit Union Drive
Traffic Analysis
Isanti County, MN
Figure 3. 2039 Forecasted Turning Movements

Intersection Capacity Analysis

Intersection operations are evaluated in terms of average seconds of delay per vehicle, each approach and turning movement for the intersection. The average number of seconds of delay is broken into six ranges assigned letter grades A through F defining each level of service (LOS) as shown in **Figure 4**. The ranges for unsignalized intersections are narrower than the ranges for signalized intersections. This is because many factors including the intangible factors of driver discomfort and frustration are considered. A one-minute delay at a red light is perceived as being more tolerable than waiting one minute for a gap in traffic at a stop sign, especially when there are vehicles queued behind. It is generally recognized that LOS D is the lowest acceptable LOS for urban intersections. Intersection capacity is also defined in terms of queue lengths of stopped vehicles. A 100-foot queue is approximately equal to four cars.



SOURCE: Level of Service thresholds from the Highway Capacity Manual.

K:\Traffic\Level of Service (LOS)\LOS Delay Graphic.ppt

Figure 4 – Level of Service Guidelines

Synchro / SimTraffic software was used to simulate existing and future traffic operations at the CSAH 5 intersection(s) with East Dual Boulevard and Credit Union Drive.

Synchro is a macroscopic software application used for optimizing traffic signal timing and performing capacity analysis of roadway networks consisting of stop, yield, and signalized traffic control conditions. The underlying equations are based on Highway Capacity Manual (HCM) procedures. SimTraffic is a microscopic software application that performs simulation and animation of vehicular traffic based on Synchro inputs. SimTraffic follows individual cars and uses a wide variety of variables (including some random variables) to simulate real-world driver behavior.

PTV Vissim simulation software was used to analyze the future traffic volumes for the two mini-roundabouts in Alternative 3. Vissim is a microsimulation that treats each vehicle individually as it interacts with others through the transportation network mimicking reality.

Highway Capacity Software (HCS) Roundabouts version 7.6 analysis software was used to analyze the future traffic volumes for the proposed mini-roundabout in Alternative 4. HCS is a traffic operations analysis software that implements the methodologies of the HCM.

Traffic operations at the CSAH 5 intersection(s) with East Dual Boulevard and Credit Union Drive were simulated using existing (2019) and 2039 traffic volumes for the existing traffic control and lane geometry (No-Build Condition) and for each proposed traffic control and lane geometry (Build Conditions).

Existing Operations Analysis

The CSAH 5 intersections with East Dual Boulevard and Credit Union Drive are currently both minor approach stop-controlled. These configurations were simulated in Synchro/SimTraffic for both the AM and PM peak hours using existing (2019) traffic volumes. The results of the existing condition traffic operations analysis are summarized in **Table 4**. Detailed modeling results are provided in **Appendix F**.

Table 4 – 2019 Existing Condition Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Thru-Stop	CSAH 5 & East Dual Blvd	WB	0 (A)	0 (A)	0 (A)	3 (A)	0 (A)	1 (A)	0 (A)	2 (A)
		SB	12 (B)	0 (A)	6 (A)		15 (C)	0 (A)	6 (A)	
		EB	7 (A)	3 (A)	0 (A)		7 (A)	2 (A)	0 (A)	
Thru-Stop	Credit Union Dr & CSAH 5	NB	13 (B)	0 (A)	4 (A)	1 (A)	24 (C)	26 (D)	10 (B)	2 (A)
		WB	5 (A)	1 (A)	0 (A)		5 (A)	1 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	3 (A)	
		EB	4 (A)	1 (A)	0 (A)		8 (A)	1 (A)	0 (A)	

* Delay measured in seconds per vehicle

The traffic operations analysis shows that both intersections currently operate at an overall acceptable level of service during peak hours. However, the northbound through movement to the Kwik Trip access north of Credit Union Drive operates at a LOS D during the PM peak hour. As traffic increases on CSAH 5, delays will increase for minor approach traffic.

2019 Build-Alternative 1 (Signal at East Dual Blvd) Traffic Operations Analysis

The 2019 Build-Alternative 1 analysis was modeled using Synchro/SimTraffic software with existing 2019 traffic volumes. This scenario assumes proposed lane geometry, access, and traffic control for Alternative 1. The results of the 2019 Build-Alternative 1 condition traffic operations analysis are summarized in **Table 5**. Further modeling results are provided in **Appendix F.**

Table 5 – 2019 Build Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Signalized	CSAH 5 & East Dual Blvd	WB		9 (A)	2 (A)	12 (B)		11 (B)	3 (A)	11 (B)
		SB	14 (B)		5 (A)		12 (B)		5 (A)	
		EB	10 (B)	15 (B)			12 (B)	12 (B)		
Thru-Stop	Credit Union Dr & CSAH 5	NB	20 (C)	20 (C)	4 (A)	2 (A)	22 (C)	16 (C)	7 (A)	3 (A)
		WB	9 (A)	0 (A)	0 (A)		6 (A)	1 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	4 (A)	
		EB	6 (A)	3 (A)	2 (A)		6 (A)	3 (A)	2 (A)	

* Delay measured in seconds per vehicle

With the existing volumes and the proposed improvements, both intersections are expected to operate with an overall LOS B or better during the AM and PM peak hours. The traffic signal and surrounding improvements are being designed to give gaps for traffic on minor approaches to enter CSAH 5. The exclusive left-turn lanes will also provide storage for turning vehicles so they will not block mainline traffic as occurs in the existing condition.

2019 Build-Alternative 3 (Dual Mini-Roundabouts) Traffic Operations Analysis

The 2019 Build-Alternative 3 analysis was modeled using VISSIM software with existing traffic volumes. This scenario assumes proposed lane geometry, access, and traffic control as described for Alternative 3. The results of the 2019 Build-Alternative 3 condition traffic operations analysis are summarized in **Table 6**. Further modeling results are provided in **Appendix F.**

Table 6 – 2019 Build-Alternative 3 Operations Summary (VISSIM)

Intersection			AM Peak		PM Peak	
Control	Location	Approach	Approach Delay* (LOS)	Intersection Delay* (LOS)	Approach Delay* (LOS)	Intersection Delay* (LOS)
Roundabout	CSAH 5 & East Dual Blvd	WB	3 (A)	3 (A)	3 (A)	4 (A)
		SB	3 (A)		7 (A)	
		EB	3 (A)		4 (A)	
Roundabout	CSAH 5 & Credit Union Dr	NB	4 (A)	3 (A)	4 (A)	5 (A)
		WB	4 (A)		6 (A)	
		EB	2 (A)		4 (A)	

* Delay measured in seconds per vehicle

With the existing volumes and the proposed improvements, both intersections are expected to operate with an overall LOS A during the AM and PM peak hours. The dual mini-roundabouts and surrounding improvements are being designed to give gaps for traffic on minor approaches to enter CSAH 5, as well as slow vehicles down through the corridor.

2039 No-Build Traffic Operations Analysis

The 2039 No-Build analysis was modeled using Synchro/SimTraffic software with projected 2039 traffic volumes as described in the "Traffic Forecasts" section. This scenario assumes existing lane geometry, access, and traffic control. The results of the 2039 No-Build condition traffic operations analysis are summarized in **Table 7.** Further modeling results are provided in **Appendix F**.

Table 7 – 2039 No-Build Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Thru-Stop	CSAH 5 & East Dual Blvd	WB	0 (A)	0 (A)	0 (A)	2 (A)	0 (A)	1 (A)	1 (A)	3 (A)
		SB	14 (B)	0 (A)	6 (A)		20 (C)	0 (A)	10 (B)	
		EB	6 (A)	2 (A)	0 (A)		8 (A)	2 (A)	0 (A)	
Thru-Stop	Credit Union Dr & CSAH 5	NB	18 (C)	25 (D)	7 (A)	2 (A)	39 (E)	30 (D)	17 (C)	3 (A)
		WB	7 (A)	1 (A)	0 (A)		6 (A)	2 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	5 (A)	
		EB	4 (A)	1 (A)	0 (A)		6 (A)	1 (A)	0 (A)	

* Delay measured in seconds per vehicle

With the 2039 projected volumes, the intersections are expected to operate with an overall LOS A during the AM and PM peak hours. Minor approaches delay at both intersections will continue to rise as traffic volumes increase and vehicles make riskier decisions when waiting for gaps in traffic.

2039 Build-Alternative 1 (Signal at East Dual Blvd) Traffic Operations Analysis

The 2039 Build-Alternative 1 analysis was modeled using Synchro/SimTraffic software with projected 2039 traffic volumes as described in the "Traffic Forecasts" section. This scenario assumes proposed lane geometry, access, and traffic control for Alternative 1. The results of the 2039 Build-Alternative 1 condition traffic operations analysis are summarized in **Table 8**. Further modeling results are provided in **Appendix F.**

Table 8 – 2039 Build-Alternative 1 Operations Summary (SimTraffic)

Intersection			AM Peak				PM Peak			
Control	Location	Approach	Movement Delay* (LOS)			Intersection Delay* (LOS)	Movement Delay* (LOS)			Intersection Delay* (LOS)
			Left	Through	Right		Left	Through	Right	
Signalized	CSAH 5 & East Dual Blvd	WB		9 (A)	3 (A)	14 (B)		11 (B)	3 (A)	11 (B)
		SB	15 (B)		6 (A)		12 (B)		6 (A)	
		EB	11 (B)	17 (B)			13 (B)	12 (B)		
Thru-Stop	Credit Union Dr & CSAH 5	NB	23 (C)	25 (D)	6 (A)	3 (A)	27 (D)	32 (D)	11 (B)	3 (A)
		WB	11 (B)	0 (A)	0 (A)		7 (A)	1 (A)	0 (A)	
		SB	0 (A)	0 (A)	0 (A)		0 (A)	0 (A)	3 (A)	
		EB	6 (A)	3 (A)	2 (A)		0 (A)	3 (A)	2 (A)	

* Delay measured in seconds per vehicle

With the 2039 projected volumes and the proposed geometry, the intersections are expected to continue operating with an overall LOS B or greater during the AM and PM peak hour. The traffic signal at East Dual Boulevard will provide the necessary gaps for minor approach southbound traffic. However, northbound traffic on Credit Union Drive may still experience a LOS D during peak hours, as that intersection is not signalized.

2039 Build-Alternative 3 (Dual Mini-Roundabouts) Traffic Operations Analysis

The 2039 Build-Alternative 3 analysis was modeled using VISSIM software with projected 2039 traffic volumes as described in the "Traffic Forecasts" section. This scenario assumes proposed lane geometry, access, and traffic control for Alternative 3. The results of the 2039 Build-Alternative 3 condition traffic operations analysis are summarized in **Table 9**. Further modeling results are provided in **Appendix F.**

Table 9 – 2039 Build-Alternative 3 Operations Summary (VISSIM)

Intersection			AM Peak		PM Peak	
Control	Location	Approach	Approach Delay* (LOS)	Intersection Delay* (LOS)	Approach Delay* (LOS)	Intersection Delay* (LOS)
Roundabout	CSAH 5 & East Dual Blvd	WB	4 (A)	5 (A)	5 (A)	5 (A)
		SB	4 (A)		8 (A)	
		EB	5 (A)		5 (A)	
Roundabout	CSAH 5 & Credit Union Dr	NB	4 (A)	5 (A)	4 (A)	7 (A)
		WB	6 (A)		9 (A)	
		EB	3 (A)		6 (A)	

* Delay measured in seconds per vehicle

With the 2039 projected volumes and the proposed geometry, the intersections are expected to operate with an overall LOS A during the AM and PM peak hours. The dual mini-roundabouts and surrounding improvements are being designed to give gaps for traffic on minor approaches to enter CSAH 5, as well as slow vehicles down through the corridor. The dual mini-roundabouts are expected to provide efficient operations beyond the 2039 horizon year.

Evaluation Considerations

Right of Way Impacts

Maintaining the existing geometry and traffic control would require no additional right of way. Right of way impacts for the build alternatives are shown in **Table 10**.

Table 10 – Right of Way Impacts

Alternative	Number of Parcels Needing Right of Way	Permanent Right of Way (SF)	Temporary Easement (SF)
1 – Signal Option	3	17,500	4,000
3 – Roundabout Option	5	6,000	2,500

Project Costs (does not include Right of Way)

- Existing Traffic Control Application Control – would require no construction or additional maintenance costs.
- Alternative 1 – Total cost for the installation of a traffic signal and surrounding improvements is estimated to be ~$930,000.
- Alternative 3 – Total cost for the construction of two mini-roundabouts and surrounding improvements is estimated to be ~$1,160,000.

Political Consideration / Public Input

At this point there has been no public involvement with this project. The City of Isanti and Isanti County are in support of improving the corridor.

The City and County have approached the owner of the land south of the CSAH 5 & East Dual Boulevard intersection. At this time the landowner is not interested in selling or otherwise providing that land for future transportation right-of-way.

F. Alternatives Analysis

Several iterations of alternatives were examined and discussed with the County to identify the four alternatives analyzed in the report.

G. Conclusion

Two types of control on the CSAH 5 corridor are justified and appropriate for the corridor, a traffic signal and mini-roundabouts. The two existing intersections on CSAH 5 operate under minor approach stop-control, where minor approaches currently incur long enough delays and make unsafe turns to enter CSAH 5. Both Alternative 1 and Alternative 3 offer sound, safe and suitable solutions for traffic operations on the CSAH 5 corridor. Further discussion and coordination between the County, City and other stakeholders should be taken to determine the future layout of the corridor.

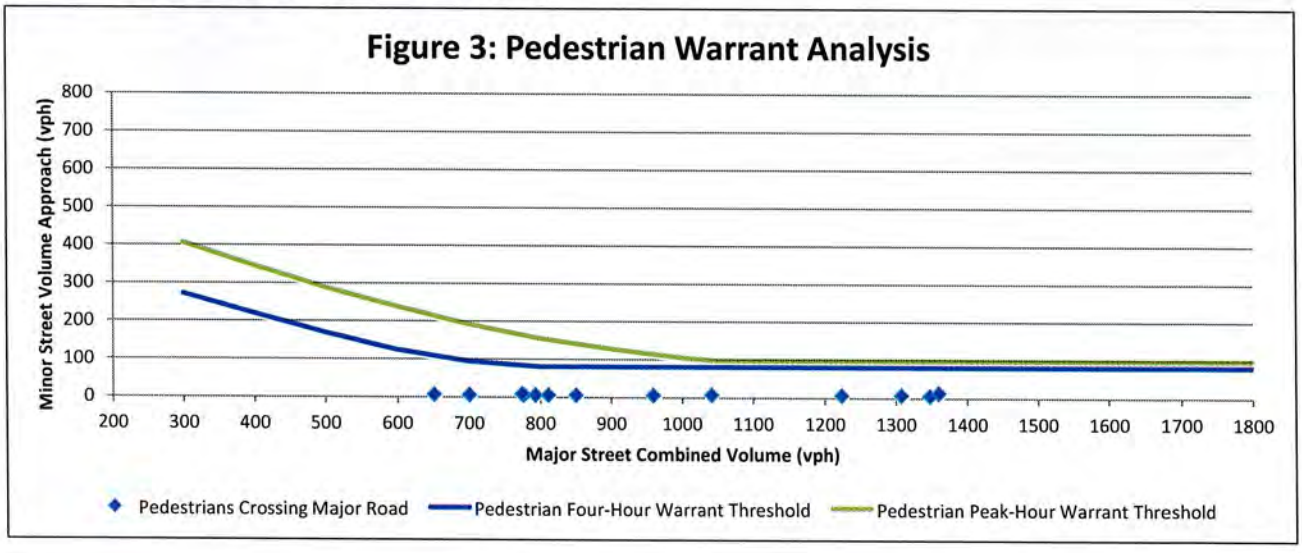
	Met (Hr)	Required (Hr)
Warrant 4 (4-Hour Pedestrian Vol.)	0	4
Warrant 4 (Peak Pedestrian Vol.)	0	1

Is crossing within 300' of other signal or stop sign controlling the major approach?	No
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A

Warrant 4 Satisfied?	Not Satisfied



LOCATION: CSAH 5 & E Dual Blvd/Credit Union Dr
COUNTY: Isanti
REF. POINT:
DATE: 9/27/2019
OPERATOR: Mallori

WARRANT 5 - SCHOOL CROSSING

Is the principal reason for the signal to accommodate the movement of schoolchildren across the major road?	No
Are there at least 20 schoolchildren crossing the major road in the highest crossing hour?	N/A

If both above questions are answered yes, calculate the available gaps below:

Are needed gaps greater than available gaps?	N/A
Is crossing within 300' of other signal or stop sign controlling the major approach?	N/A
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A
Warrant 5 met?	No

WARRANT 6 - COORDINATED SIGNAL SYSTEM

Part A

Is the street a one-way street or a street that has traffic predominately in one direction?	No
Do adjacent traffic control signals provide adequate platooning?	N/A

Part B

Is the street a two-way street?	Yes
Do adjacent traffic control signals provide adequate platooning?	Yes
Will proposed signal provide for progressive operation of traffic?	N/A
Will proposed signal spacing be less than 1000 feet?	N/A

Provide proof of platooning issues:

N/A

Warrant 6 met?	No

LOCATION: CSAH 5 & E Dual Blvd/Credit Union Dr
COUNTY: Isanti

WARRANT 8 - ROADWAY NETWORK

	Major Approach Road	Minor Approach Road
Part of street or highway system that serves as the principal roadway network for through traffic flow	No	No
Rural or suburban highway outside, entering, or traversing a city	No	No
Appears as a major route on an official plan	No	No

Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	Yes
Does the intersection have 5-Year projected traffic volumes that meet Warrants 1, 2, or 3?	Yes
Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	No
Warrant 8 met?	No

WARRANT 9 - INTERSECTION NEAR GRADE CROSSING

Is the principal reason for installation of a signal the proximity of the intersection to a grade crossing controlled by a stop or yield control?	No
Is the center of the railroad track less than 140 feet from the stop line or yield line?	N/A
Clear storage distance (closest to)	N/A
Approach crossing grade	N/A
Rail traffic per day	0
Percent of high-occupancy buses on minor-street approach	0%
Percent of tractor-trailer trucks on minor-street approach	0%

	Met (Hr)	Required (Hr)
Warrant 9	0	1

Warrant 9 met?	No

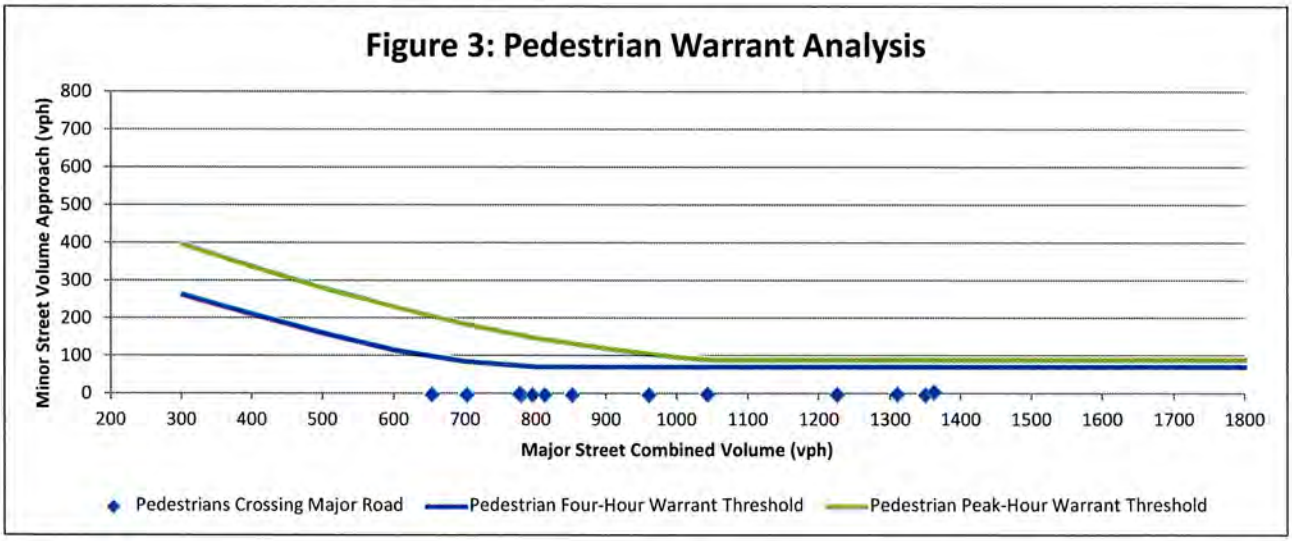
	Met (Hr)	Required (Hr)
Warrant 4 (4-Hour Pedestrian Vol.)	0	4
Warrant 4 (Peak Pedestrian Vol.)	0	1

Is crossing within 300' of other signal or stop sign controlling the major approach?	No
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A

Warrant 4 Satisfied?	Not Satisfied



LOCATION: CSAH 5 & E Dual Blvd
COUNTY: Isanti
REF. POINT:
DATE: 9/27/2019
OPERATOR: Mallori

WARRANT 5 - SCHOOL CROSSING

Is the principal reason for the signal to accommodate the movement of schoolchildren across the major road?	No
Are there at least 20 schoolchildren crossing the major road in the highest crossing hour?	N/A

If both above questions are answered yes, calculate the available gaps below:

Are needed gaps greater than available gaps?	N/A
Is crossing within 300' of other signal or stop sign controlling the major approach?	N/A
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A
Warrant 5 met?	No

WARRANT 6 - COORDINATED SIGNAL SYSTEM

Part A

Is the street a one-way street or a street that has traffic predominately in one direction?	No
Do adjacent traffic control signals provide adequate platooning?	N/A

Part B

Is the street a two-way street?	Yes
Do adjacent traffic control signals provide adequate platooning?	Yes
Will proposed signal provide for progressive operation of traffic?	N/A
Will proposed signal spacing be less than 1000 feet?	N/A

Provide proof of platooning issues:

N/A

Warrant 6 met?	No

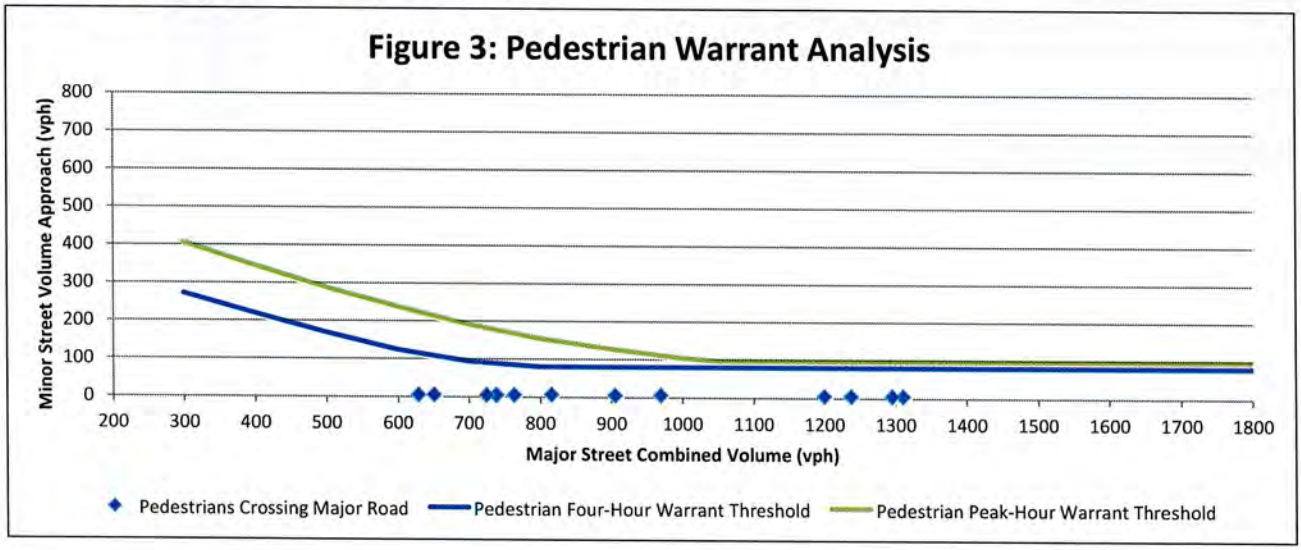
Warrant 4 (4-Hour Pedestrian Vol.)	0	4
Warrant 4 (Peak Pedestrian Vol.)	0	1

Is crossing within 300' of other signal or stop sign controlling the major approach?	No
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A

Warrant 4 Satisfied?	Not Satisfied



LOCATION: CSAH 5 & Credit Union Dr
COUNTY: Isanti
REF. POINT:
DATE: 9/27/2019
OPERATOR: Mallori

WARRANT 5 - SCHOOL CROSSING

Is the principal reason for the signal to accommodate the movement of schoolchildren across the major road?	No
Are there at least 20 schoolchildren crossing the major road in the highest crossing hour?	N/A

If both above questions are answered yes, calculate the available gaps below:

Are needed gaps greater than available gaps?	N/A
Is crossing within 300' of other signal or stop sign controlling the major approach?	N/A
If Yes, will proposed signal inhibit the progression of traffic on the major approach?	N/A
Warrant 5 met?	No

WARRANT 6 - COORDINATED SIGNAL SYSTEM

Part A	
Is the street a one-way street or a street that has traffic predominately in one direction?	No
Do adjacent traffic control signals provide adequate platooning?	N/A
Part B	
Is the street a two-way street?	Yes
Do adjacent traffic control signals provide adequate platooning?	Yes
Will proposed signal provide for progressive operation of traffic?	N/A
Will proposed signal spacing be less than 1000 feet?	N/A

Provide proof of platooning issues:

N/A

Warrant 6 met?	No

WARRANT 8 - ROADWAY NETWORK

	Major Approach Road	Minor Approach Road
Part of street or highway system that serves as the principal roadway network for through traffic flow	No	No
Rural or suburban highway outside, entering, or traversing a city	No	No
Appears as a major route on an official plan	No	No

Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	Yes
Does the intersection have 5-Year projected traffic volumes that meet Warrants 1, 2, or 3?	Yes
Does the intersection have a total existing or immediately projected entering volume of at least 1,000 vehicles per	No
Warrant 8 met?	No

WARRANT 9 - INTERSECTION NEAR GRADE CROSSING

Is the principal reason for installation of a signal the proximity of the intersection to a grade crossing controlled by a stop or yield control?	No
Is the center of the railroad track less than 140 feet from the stop line or yield line?	N/A
Clear storage distance (closest to)	N/A
Approach crossing grade	N/A
Rail traffic per day	0
Percent of high-occupancy buses on minor-street approach	0%
Percent of tractor-trailer trucks on minor-street approach	0%

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: October 6th, 2020
Subject: Resolution Approving a Special Event Application for Rum River BMX for MN State Series Finals

---

Background

The City has received an application for the upcoming special event planned for the Rum River BMX Association. The MN State Series Finals weekend is scheduled for October 23rd -25th, 2020.

- Hours of the event are Friday October 23rd from 4:00 p.m. to 9:00 p.m., Saturday October 24th from 1:00 p.m. to 6:00 p.m. and Sunday October 25th from 9:00 a.m. to 5:00 p.m.
- Estimates the number of individuals in attendance is 1,000-2,000 per day.
- Team canopies may be put up on the grass outside the arena (to the east and south), all canopies must use weights to secure canopies, the Association will notify participants to not use stakes to protect the irrigation lines.
- The Association is planning for spectator parking to take place at the Indoor Arena and within the Bluebird Park lots as overflow parking, along with the soccer field parking lot.
- Daily event and camper parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs.
- Portable restroom facilities will be provided by the Association for the event, and the organization is responsible for clean-up of the outside areas.
- The standard public addressing system would be used throughout the event.
- Association is not requesting that any roads be closed.

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT APPLICATION FOR RUM RIVER BMX MN STATE SERIES FINALS

WHEREAS, the Rum River BMX Association submitted a Special Event application requesting approval to host the MN State Series Finals; and,

WHEREAS, the event is scheduled to take place on Friday October 23rd from 4:00 p.m. to 9:00 p.m., Saturday October 24th from 1:00 p.m. to 6:00 p.m. and Sunday October 25th from 9:00 a.m. to 5:00 p.m. at the Isanti Indoor Arena located at 101 Isanti Parkway NW; and,

WHEREAS, the south and east sides of the Isanti Indoor Arena will be reserved for team canopies and event activities;

WHEREAS, the canopy users must use weights and not stakes in the ground to secure canopies; and,

WHEREAS, the estimated number of people to be in attendance is 1,000-2,000 per day; and,

WHEREAS, daily event and camper parking will occur on the grass south of the Isanti Indoor Arena, per the Special Event Paid Parking Agreement, and the fees for this event will be $5/day for cars and trucks and $25/weekend for RVs; and,

WHEREAS, overflow parking will occur in the paved lots at Bluebird Park, and the Soccer field parking lot, and there will be no fees for this use; and,

WHEREAS, the applicant is required to provide additional portable restroom facilities for the event, in which the applicant will be contacting its current supplier to do so prior to the event; and,

WHEREAS, the applicant is required to follow all applicable governor orders and their COVID plan;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the Special Event Permit request for the MN State Series Finals race,

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 6th day of October, 2020.

Special Events Holder hereby acknowledges, represents, and agrees as follows:

A. We understand that the above described activities are or may be dangerous and do or may involve risks of injury, loss, or damage to us and/or third parties. We further acknowledge that such risks may include but not be limited to bodily injury, personal injury, sickness, disease, death, and property loss or damage, arising from the following circumstances, among others:
BMX pedal bike racing.

(Special Events Holder Initials Here) _____

B. If required by this paragraph, we agree to require each participant to our special event to execute a **RELEASE AND INDEMNIFICATION AGREEMENT** for ourselves and for the City of Isanti, on a form approved by the City of Isanti.

Participant Release and Indemnification required? YES ☑ NO ☐

(Special Events Holder Initials Here) Tom

C. We agree to procure, keep in force, and pay for special event insurance coverage, from an insurer acceptable to the City of Isanti, for the duration of the above described activities.

(Special Events Holder Initials Here) _____

D. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby expressly assume all such risks of injury, loss, or damage to us or any related third party, arising out of or in any way related to the above described activities,

whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

E. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we further hereby exempt, release and discharge the City of Isanti, its officers, and its employees from any and all claims, demands, and actions for such injury, loss or damage to us or to any third party, arising out of or in any way related to the above described activities, whether or not caused by the act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

F. We further agree to defend, indemnify and hold harmless the City of Isanti, its officers, employees, insurers, and self insurance pool, from and against all liability, claims, and demands, court costs and attorney fees, including those arising from any third party claim asserted against the City of Isanti, its officers, employees, insurers or self insurance pool, on account of injury, loss or damage, including without limitation claims arising from bodily injury, personal injury, sickness, disease, death, property damage or loss, or any other loss of any kind whatsoever, which arise out of or are in any way related to the above described activities, whether or not caused by our act, omission, negligence, or other fault of the City of Isanti, its officers, its employees, or by any other cause.

(Special Event Holder Initials Here) _____

G. By signing this **RELEASE AND INDEMNIFICATION AGREEMENT,** we hereby acknowledge and agree that said Agreement extends to all acts omissions, negligence, or other fault of the City of Isanti, its officers, and/or its employees, and that said Agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Minnesota. If any portion thereof is held invalid, it is further agreed that the balance shall, notwithstanding, continue in full legal force and effect.

(Special Event Holder Initials Here) _____

H. We understand and agree that this **RELEASE AND INDEMNIFICATION AGREEMENT** shall be governed by the laws of the State of Minnesota and that jurisdiction and venue for any suit or cause of action under this agreement shall lie in the courts.

(Special Event Holder Initials Here) LM

I. This **RELEASE AND INDEMNIFICATION AGREEMENT** shall be effective as of the date or dates of the applicable special event, shall continue in full force until our responsibilities hereunder are fully discharged, and shall be binding upon us, or successors, representatives, heirs, executors, assigns, and transferees.

(Special Event Holder Initials Here) LM

IN WITNESS THEREOF, THIS RELEASE AND INDEMNIFICATION AGREEMENT is executed by the special event holder, acting by and through the undersigned, who represents that he or she is property authorized to bind the Special Events Holder hereto.

MEMORANDUM

Date: September 29, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation
Public Hearing on Proposed Assessments
City of Isanti, MN
Project No.: R13.120122

The 6th Avenue SW Rehabilitation project has followed the MS 429 Special Assessment procedure. A feasibility report was completed, an Improvement Hearing was held, the project was publicly bid and awarded to the low responsible bidder. The project is scheduled to be completed on time and on budget.

A public hearing is required to be held on the proposed assessment finalizing the assessment process and recording the assessments. At this time, the council needs to call for the public hearing which would be scheduled to be held on November 4, 2020.

Attached is the resolution finalizing the assessment roll and calling for the public hearing on the proposed assessment.

Please contact me with any questions or comments.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

DECLARING COST TO BE ASSESSED, ORDERING PREPARATION OF PROPOSED ASSESSMENT, AND ORDERING HEARING ON PROPOSED ASSESSMENT – 6th AVENUE SW REHABILITATION PROJECT

WHEREAS, a contract has been let for the 2020 6th Avenue SW Rehabilitation Project and described herein the improvement of 6th Avenue SW, from the intersection of South Brookview Lane SW to the intersection of Edgewood Street SW. Project work also included, but not assessed, includes installation of a new watermain and sidewalk construction. The contract (bid) price for such improvement is $538,044.14, and the expenses incurred or to be incurred in the making of such improvement will amount to approximately $126,494.96 so that the total cost of the improvement will be $664,539.10.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The portion of the cost of such improvement to be paid by the city is hereby declared to be $590,259.97 and the portion of the cost to be assessed against benefited property owners is declared to be $74,279.13.

2. Assessments shall be payable in equal annual installments extending over a period of 10 years, the first of the installments to be payable on or before the 15th day of May, 2021, and shall bear interest at the rate of 1.71% percent per annum from the date of the adoption of the assessment resolution.

3. The city clerk, with the assistance of the consulting city engineer, shall forthwith calculate the proper amount to be specially assessed for such improvement against every assessable lot, piece or parcel of land within the district affected, without regard to cash valuation, as provided by law, and a copy of such proposed assessment shall be filed in the city office for public inspection.

AND FUTHERMORE, NOW THEREFORE, BE IT RESOLVED by the City Council of Isanti, Minnesota:

1. The City Clerk hereby notifies that such proposed assessment has been completed and filed in the city office for public inspection.

2. A hearing shall be held on **the 4th day of November, 2020** in the city hall at 7:00 pm. to pass upon such proposed assessment and at such time and place all persons owning

property affected by such improvement will be given an opportunity to be heard with reference to such assessment.

3. The City Clerk is hereby directed to cause a notice of the hearing on the proposed assessment to be published once in the official newspaper at least two weeks prior to the hearing, and the total cost of the improvement shall be stated. The Clerk shall also cause mailed notice to be given to the owner of each parcel described in the assessment roll not less than two weeks prior to the hearing date.

4. The owner of any property so assessed may, at any time prior to certification of the assessment to the county auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the City of Isanti, except that no interest shall be charged if the entire assessment is paid within 30 days from the adoption of the assessment. They may at any time thereafter, pay to the City of Isanti the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the succeeding year.

This resolution was duly adopted by the Isanti City Council this 6th day of October 2020

RESOLUTION 2020-XXX

AGREEMENT ESTABLISHING A REGIONAL SAFETY GROUP

WHEREAS, Minnesota Statutes, Section 471.59 authorizes governmental units by agreement of their governing bodies to jointly or cooperatively exercise any power common to them; and

WHEREAS, the Parties have a duty to create a safe workplace for their employees, officials and volunteers; and,

WHEREAS, the Isanti City Council finds that it is in the best interest of the City to create a Regional Safety Group ("RSG") formed by agreements from other nearby cities/entities; and,

WHEREAS, the Parties desire to create a safety group that is innovative and different from a traditional safety and health committee pursuant to Minnesota Rule 5208.0070; and,

WHEREAS, the League of Minnesota Cities Insurance Trust (LMCIT) has developed the Regional Safety Group Initiative to facilitate safety training for cities/entities; and,

WHEREAS, the governing bodies of the Parties believe it is in the best interests of the Parties to cooperatively promote safety and health in the workplace by participating in the Regional Safety Group Initiative; and,

WHEREAS, the Establishing Agreement allows the City of Isanti to begin a new RSG upon adoption of a resolution agreeing to all terms of the Establishing Agreement; and,

WHEREAS, Minnesota Statutes, §471.59, authorizes the Parties by agreement of their governing bodies to jointly or cooperatively exercise any power common to them.

NOW, THEREFORE, in consideration of the mutual covenants made herein, the undersigned Parties agree as follows:

1. Purpose. The purpose of this Agreement is to promote workplace safety and health through the sharing of ideas and knowledge among the Parties and by holding regular joint safety and health training, educational programs, and meetings.

2. Name. The Parties hereby establish a safety group to be known as the CIMM Regional Safety Group (the "RSG").

3. Membership.

   A. LMCIT Members. All member cities/entities of the RSG are members in LMCIT's workers' compensation program.

   B. Initial Members. The initial member cities/entities of the RSG shall be the undersigned Parties executing this Agreement upon the approval of their governing bodies.

   C. New Members. A new member city/entity, that is a member of LMCIT's workers' compensation program, may be added to the RSG upon approval of a majority of the current members, as evidenced by a vote of the group members. Each member city/entity of the RSG

shall be entitled to one vote. Following the approval by the RSG, membership in the RSG is effective upon approval and execution of this Agreement, by a prospective member's governing body and its authorized representatives.

D. Termination of Membership. Any member city/entity may terminate its membership in the RSG upon written notification indicating its intent to withdraw not less than 90 days prior to the end of a current year. Terms will be on an annual calendar basis. Termination takes effect at the end of a current calendar year. A copy of the written termination notice must be sent to the safety coordinator of each member city/entity and to Kris LeRoy, LMCIT Program Manager, or other staff person as designated by LMCIT. Any terminated member shall remain responsible for its share of any costs incurred prior to the effective date of termination. A member city/entity shall also be terminated from the RSG if it is no longer a member of LMCIT's workers' compensation program.

4. Officers and Bylaws: The RSG may adopt bylaws or other rules governing the group that are not inconsistent with this Agreement. The RSG and its officers are not authorized to do any of the following: (a) to receive and expend funds; (b) to enter contracts; (c) to hire employees; (4) to purchase or otherwise acquire and hold real or personal property; or (5) to bring a lawsuit in the name of the RSG.

5. LMCIT Sponsored Training/Meetings. LMCIT offers the RSG safety training/meetings.

   A. Number of Training/Meeting Sessions. The RSG is entitled to twelve (12) training sessions per calendar year with a maximum of 1 per month and a minimum of 1 every-other month. Each training session will be at a site to be determined by the RSG. The date of each training session shall coordinate with the designated training representative.

   B. LMCIT Cost. LMCIT will pay one-half of the cost of each training session up to the maximum of twelve (12) sessions per calendar year. LMCIT will not reimburse members for travel, meals, or other charges.

   C. Member Cost. The remaining cost of each training session shall be paid in equal proportions by each RSG member to LMCIT.* Each member city/entity agrees to pay its share of training costs after receiving an invoice from LMCIT. No member shall be responsible for the unpaid costs of another member. Each member is responsible for its cost even if it does not have a representative attend the training session.

   D. Program Changes. RSG members acknowledge that LMCIT may, at any time, change its obligations to RSG members. Any changes made in the RSG program will be communicated to RSG members within thirty (30) days of the change.

6. Education and Training.

   A. Online Education and Training. LMCIT has established an interactive web-based training program in cooperation with FirstNet Learning. RSG members and their employees, officers, and volunteers are entitled to free access to this online training.

   B. Safety Data Sheet Management service. LMCIT has established an interactive web-based service in cooperation with SDS Access, powered by Damarco Solutions, LLC. RSG members and their employees are entitled to free access to this program to manage their cities safety data sheets.

C. Other Education and Training. An RSG may hold other training and educational sessions or meetings as determined by the group at the members' expense. Approval from LMCIT is not needed for training or meetings for which no LMCIT subsidy is requested.

D. Value Added Time. Each member city will utilize the safety trainer on an alternating basis with each of the members within the RSG. The member will work directly with or instruct the trainer on city-specific needs or records that require reviewing. The subject of this time will be determined by the city in coordination with the trainer.

7. Safety Committee Meetings. As a part of any training session, the members may discuss any matters that would typically be discussed in a "joint labor-management safety and health committee" meeting under Minnesota Statutes, Section 182.676 and take any action authorized under Minnesota Rules, Chapter 5208. LMCIT requires each RSG to hold a joint Safety Committee Meeting every-other-month at a minimum.

8. General Provisions.

A. Modification. No provision of this Agreement may be modified, altered, or rescinded except by a vote of the governing body of a majority of all members. Approved modifications take effect thirty (30) days after the date of approval by the last member approving the modification.

B. Effective Date. This Agreement shall be effective after approval by the governing body of the last initial member to approve this Agreement and execution by that member's authorized representatives.

C. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Minnesota.

D. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original, all of which shall constitute one and the same instrument.

E. Savings Clause. If any court finds any provision of this Agreement to be contrary to law or invalid, the remainder of the Agreement will remain in full force and effect.

NOW, THEREFORE, IT IS HEREBY RESOLVED, the Parties, by action of their respective governing bodies, caused this Agreement to be approved by the City of Isanti Council this 6th day of October 2020.

MEMO for CITY COUNCIL

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: October 6, 2020
Subject: Resolution 2020-XXX Snow Plowing Policy

Background:
Every year the snow plowing policy is reviewed by Committee of the Whole and brought to City Council. Staff has reviewed the policy and is recommending the following changes:

Article II. Procedures

K. Sidewalk Routes to Schools
Whiskey Road - Heritage Blvd to Isanti Parkway West- **to read**
Whiskey Road - Heritage Blvd to the Villages on the Rum Association.

At that point it is the Villages on the Rum Associations sidewalk and their responsibility to clear of snow and ice to Isanti Parkway.

Article V. Administration

A. Council Review
Staff will review the Snow Plowing Policy and Operational Guidelines prior to the next year's snow season and make any recommendations for amendments to the City Council.

Action:
Staff is requesting City Council action on this item.

Attachment:
1. Resolution 2020-XXX Snow Plowing Policy

RESOLUTION 2020-XXX

APPROVING SNOW PLOWING POLICY AND OPERATIONAL GUIDELINES

I. PERSONNEL

All Department of Public Works personnel shall be available for all snow plowing operations, unless on approved leave or unable to respond due to a medical condition.

II. PROCEDURES

A. Alert and Call Out

During normal working hours, the Public Services Director or designee shall be responsible for monitoring street and weather conditions and initiation of snow and ice control procedures.
After hours, on weekends, and during holidays the Police Department shall notify the Public Works On-Call or designee when snow and ice conditions warrant crew alert. Snowplows will not be sent out in situations that may be hazardous due to severely restricted visibility.

B. Salting and Sanding

The City shall consider in order the following factors when establishing application rates and locations for application of salt and/or sand. The City shall use salt as the primary treatment. Sand may be used if there is a traction issue or if weather conditions deem it effective either combined with salt or as a separate treatment.

1) Safety of the Motoring Public
2) Environmental impact of salt usage
3) Cost

Salt or sand shall be applied to the street surface in such quantities so as to provide a level of skid resistance that is consistent with standards normally experienced on city streets throughout the State of Minnesota. It is recognized that a bare pavement policy is not possible at all times during winter.

Streets shall be spot salted (or sanded) to provide skid resistance and traction consistent with area standards in accordance with the following priorities:

1) All controlled intersections along Main Street, Heritage Blvd, County Road 23 and all curves.
2) School zones
3) Commercial and industrial streets
4) Residential – blanket sanding of general snow pack on residential streets will not be done.
5) In rare instances, when ice accumulation renders the streets unsafe to drive, the Public Services Director may authorize blanket sanding of city streets to restore vehicle traction.

C. Snow Plowing

The City will plow all storms of over 2 inches. During the season, snowfall of less than 2 inches may be removed depending on road conditions. Snow plowing shall normally begin when accumulation reaches a point where functional traffic flow is inhibited. Typical plow start time is 3:00 a.m. Plowing may start earlier in the prior evening, or delayed after 3:00 a.m., or may start during the daytime if conditions warrant. Plowing shall begin as close as practicable to the time snowfall ceases and will continue as visibility and operator safety permit. Work periods shall not exceed safe limits that operators can continue without rest.

Snow removal operations shall proceed as rapidly as possible in accordance with the following priorities:

1) Fire Hall Access Area

2) Police Department Access Area
3) Snow Emergency Routes - These routes (listed in this resolution) are typically first plowed. In extreme snowfalls, these routes shall be plowed to maintain the driving lanes in a passable condition until normal snow plowing activities resume.
4) 2" or more snow event, Downtown sidewalks from the Railroad Tracks on the east and traveling west to the intersection of Main and 2nd Avenue.
5) Sidewalk Routes to Schools –Primary sidewalks listed in this resolution.
6) Residential Streets
7) City Downtown Parking Lot, City Hall Parking lot and Isanti Community Center Lot
8) Municipal Liquor Store Parking Lot
9) Alleys
10) Eagle Park Parking Lot
11) Isanti Indoor Arena
12) All Other Sidewalks – Secondary sidewalks (except exempt sidewalks)
13) River Bluff Preserve and Bluebird Park Parking Lots
14) Ice Skating Rink

For a storm of roughly 6 to 10 inches, it shall be the goal of the City to have all streets plowed curb-to-curb within 12 hours after snowfall stops. Storms of larger magnitude or extremely wet snow will take longer depending on severity. Extreme snowfalls may warrant the opening of two lanes in the middle of the street initially with full width plowing to follow at a later time.

It shall be the policy of the City that the opening of driveways will not be the responsibility of the City. Property owners shall be responsible for clearing driveways, and walkways. For a 2"or more snow event, the City shall clean all sidewalks and trails that provide direct access to the Primary, Intermediate and Middle Schools.

D. **Snow Hauling**

Snow may be hauled from streets where snow accumulation has created limited visibility near intersections. Snow may be hauled away in areas, such as cul-de-sacs,

where there is limited space to wing back snow to accommodate for more snow accumulation. Snow will be hauled from the following streets:

1) Main Street between 3rd Avenue and Elim Lane.

Late spring and early fall snowfalls may be left on roadways if melting is determined to be imminent or if substantial damage will be caused to the pavement structure. Clearing of intersection snow banks will be accomplished when needed on collector streets and near schools.

Snow hauling could begin as early as 3:00 a.m. or 1 hour following the beginning of snow removal operations. Hauling will continue for as many nights as is necessary. Snow pickup shall be accomplished using such personnel, equipment and methods appropriate to maintaining a reasonable and safe passage of vehicles and pedestrians at all times. Traffic may be restricted by the Police Chief or his designee as emergency conditions may dictate.

E. Snow Plowing Alleys

Alleys will be opened in the aforementioned priority to provide functional traffic movement.

F. Snow Plowing Cul-de-Sacs

During snow events, the snowplow may complete only a portion of the cul-de-sacs during the first pass. The major portion of the cul-de-sacs shall be plowed during the usual time guidelines for snowplowing but specialized equipment will return for further clearing. Main city streets are cleared first with large snowplows before the smaller equipment begins clearing cul-de-sacs. There will be an effort made to distribute the snow evenly as the snowplow clears snow.

G. Wingbacks

During planned City-wide wingbacks, resident notification will be made on the City Website and by News Blasts. The Public Services Director, Designee or route driver will determine that areas may need wingbacks more often due to drifting snow or other conditions at the time, in these instances notice may not be given.

The Public Works Department will try to minimize impact to driveways and sidewalks but some snow removal may be required by the homeowner.

H. Complaints

Complaints concerning snow and ice removal will be handled in the following manner:

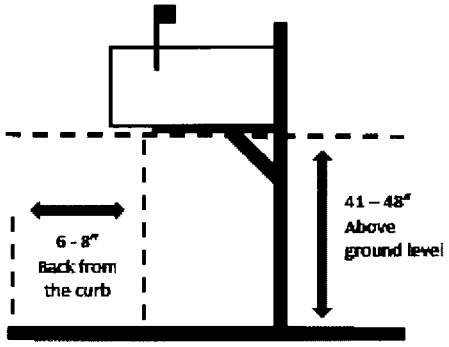
1) All complaints shall be referred to the Public Services Director or designee.
2) Slippery Street and sidewalk complaints shall be listed and given to Public Works for investigation and possible action.
3) All other complaints shall be given to Administration for investigation and possible action.

I. Property Damage

It is recognized by the City that on occasion private property is damaged during snow and ice control operations. Where this happens, it shall be the policy of the City to handle damages in the following manner:

1) **Mailboxes** – Where mailboxes are placed adjacent to the street it shall be the policy of the City that snow shall be plowed to the curb to allow for passage of traffic and mail delivery. It shall be the responsibility of the property owner to keep piled snow away from mailboxes so mail can be delivered.

   Where damage to the mailbox occurs, such damage shall be investigated by the Public Services Director or Designee. If it is determined that the weight of the snow movement caused the damage, the City will not assume responsibility for repair of the mailbox. Per USPS guidelines, mailboxes, as well as any accessory paper boxes, must be mounted at a minimum height of 41 inches above the street level to reduce the possibility of damage during winter snowplowing operations. USPS guidelines also state the post be installed 6-8 inches behind the grass/concrete curb edge and the front of the mailbox should be installed behind the back edge of the concrete curb. If the mailbox was built according to these USPS guidelines or as directed by the Post Master, and was struck directly by the plow, the City will repair or replace the mailbox in kind, not to exceed $100.00.



2) **Boulevard Damage** – The City will repair physical damage to boulevard areas and may replace sod in extreme cases as determined by the Public Services Director. Typical repairs will be with dirt and seed. The City will not repair winter kill or salt damaged lawn areas. The City will not replace or repair sprinkler/ irrigation systems, landscaping or other structures in the boulevard or right-of-way area.

3) **Curbs** – Concrete curbs will not be replaced unless the curb back is broken.

4) **Driveway Ramps** – Damage caused to driveway ramps or fillets where mountable curb is in place will not be repaired by the City unless authorized by the Public Services Director.

5) **Garbage Receptacles** – Garbage or recycling receptacles are not to be placed in the street section or beyond the grass/concrete curb edge. Receptacles are also not to be placed on the sidewalk. The City is not responsible for damage of receptacles or clean-up of waste.

J. Snow Emergency Routes

The following routes are designated as Snow Emergency Routes and shall be marked by signage:

Cajima Street - T.H. 65 to 8th Ave NE

8th Ave NE - Cajima Street to Heritage Blvd

8th Ave SE Boulevard - Heritage Blvd to CSAH 55

Main Street East - Railroad Tracks to T.H. 65

Dahlin Avenue - Broadway to Heritage Blvd

Main Street West - Whiskey Road to Railroad Tracks

First Avenue NW. - Main Street to Heritage Blvd

Centennial Drive - Oakwood Street to Heritage Blvd

Oakwood Street - Whiskey Road to Centennial Drive

Whiskey Road - Heritage Blvd to Isanti Parkway West

Hillock Street NW - Whiskey Road to 11th Avenue NW

11th Avenue NW - Hillock Street NW to Blossom Boulevard

Blossom Boulevard - 11th Avenue NW to Isanti Parkway West

Isanti Parkway West - Blossom Boulevard to 3rd Avenue N.

3rd Avenue N - Heritage Blvd to Isanti Parkway

Isanti Parkway East - 3rd Avenue N to East Dual Boulevard

East Dual Boulevard - Heritage Blvd to Cajima

Cajima Street - East Dual Blvd. to T.H. 65

Railroad Avenue - Main St to South Passage

Palomino Road - Railroad Avenue to T.H. 65

Townsedge Road - Railroad Avenue to T.H. 65

South Passage - Railroad Avenue to Whiskey Rd

Sixth Avenue SW - South Passage to S Brookview Lane

Dogwood Street SW - Whiskey Rd to 3rd Avenue SW

South Passage - Whiskey Rd to Rum River Drive SW

Rum River Drive SW - South Passage to Birch Street SW

Birch Street SW - Rum River Drive SW to Whiskey Rd

K. Sidewalk Routes to Schools

Broadway Street - Railroad Avenue to Candy Avenue

Dahlin Avenue - Broadway Street to Main Street

Main Street West - Whiskey Rd to Dahlin Avenue

Oakwood Street - Whiskey Rd to Centennial Drive

Heritage Blvd - Whiskey Rd to 65

First Avenue N - Main Street to Heritage Blvd

Second Avenue N - Main Street to Heritage Blvd

Third Avenue N - Main Street to Heritage Blvd

Fourth Avenue N - Main Street to Heritage Blvd

Fifth Avenue N - Main Street to Heritage Blvd

Fifth Avenue S – Main Street to S Brookview Lane SW

Whiskey Road - South Passage to Heritage Blvd

Whiskey Road - Heritage Blvd to the Villages on the Rum Association

Wendover Street NW - Whiskey Road to Rum River Drive NW

Rum River Drive NW - Wendover Street NW to Hillock Street NW

Eleventh Ave – Winsome Way to Wendover St NW

Nemo – Broadway St SE to Main St E

Isanti Parkway NW – 3rd Ave NW to 701 Isanti Parkway NW

First Ave NW – Broadway St to Heritage Blvd

8th Ave SE – Marion St SE to Heritage

9th Ave SE – Marion St SE to 8th Ave SE

Marion St SE – 8th Ave SE to 9th Ave SE

7th Ave NE – North of Cajima Street

III. POST PLOWING OPERATIONS

Once plowing is completed from curb to curb, post plowing operations will begin in the following priority:

A. Fire Hydrants

Fire hydrants on public streets serving commercial/industrial areas, high density residential units and school facilities shall be plowed or shoveled out so as to be readily accessible for use.

B. Intersections

If in the discretion of staff, snow piles at busy intersections are of such height as to create unsafe conditions, the piles will be pushed back at those intersections on the following streets:

1) County Road 5

2) Main Street
3) County Road 23

IV. EMERGENCY ASSISTANCE

At the discretion of the City Administrator, the Public Services Department can hire either additional equipment or drivers for assistance with snow removal.

V. ADMINISTRATION

A. Council Review

Staff will review the Snow Removal Policy and Operational Guidelines prior to the next year's snow season and make any recommendations for amendments to the City Council.

VI. REPEAL

This resolution repeals all previous snow plow policies.

This Resolution was duly adopted by the Isanti City Council this 6th day of October 2020.

Request for City Council Action

To: Mayor Johnson and Members City Council
From: Sheila Sellman, Community Development Director
Date: October 6, 2020
Subject: RESOLUTION NO. 2019-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 3, VILLAGES ON THE RUM ADDITION WITH J ROBINSON CONSTRUCTION, INC

Background:
On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity and in 2018, the City Council extended the program to December 31, 2019 by Resolution 2018-268. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for 1004 Pleasant View Court described as Lot 6, Block 3, Village on the Rum Addition, for the construction of a single-family home. The business is in 'good standing' upon review of the MN Secretary of State Office as of September 29, 2020.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Request
Staff is requesting that the City Council adopt the attached Resolution.

Attachments:
- Resolution 2020-XXX
- Repayment Agreements

RESOLUTION 2020-XXX

AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOT 6, BLOCK 3, VILLAGES ON THE RUM ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304 and extended the program to December 31, 2019 by Resolution 2018-268; and,

WHEREAS, A boiler plate Repayment Agreement was drafted by the City Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and,

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the properties legally described as: Lot 6, Block 3, Villages on the Rum Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and,

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and,

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to the payment of the building permit; and,

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of September 29, 2020.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 6th day of October, 2020.

Attest: _____ Mayor Jeff Johnson

_____
Katie Brooks
Human Resources / City Clerk

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2020, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct three single family homes (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the single-family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 6,071.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,692.00** in Water Availability Charges and **$ 3,379.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 2020 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $6,071.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 1004 Pleasant View Court, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

RESOLUTION 2020-XXX

RECOGNIZING NATIONAL PREGNANCY AND INFANT LOSS REMEMBRANCE DAY

WHEREAS, Infants Remembered In Silence, Inc. (IRIS) and many other nonprofit organizations work with thousands of parents all over Minnesota and across the United States who have experienced the death of a child during pregnancy through early childhood; and,

WHEREAS, many of these parents live in, deliver in, have a child die in, or bury a child in our community; and,

WHEREAS, Infants Remembered In Silence (IRIS) a 501(c)(3) nonprofit organization was founded in 1987, 33 years ago, to offer support for parents whose child/children died from miscarriage, ectopic pregnancy, molar pregnancy, stillbirth, neo-natal death, birth defects, sudden unexplained death of a child (SUDC), sudden infant death syndrome (SIDS), illness, accidents and all other types of infants and early childhood death; and,

WHEREAS, Bereaved parents around the world remember their children annually on October 15 with a candle lighting at 7 p.m. Some will remember their child/children in their homes while others will remember them in small gatherings around the state, across the nation and around the world; and this would unify these parents in tribute to their children; and,

WHEREAS, In 1988 President Ronald Reagan proclaimed October as National Pregnancy and Infant Loss Awareness month;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, In honor of the thousands of children that die each year in Minnesota, Infants Remembered In Silence, Inc. (IRIS) respectfully requests that October 15th, 2020 be recognized as Pregnancy and Infant Loss Remembrance Day.

This resolution was duly adopted by the Isanti City Council this 6th day of October 2020.

Request for City Council Action- MEMO

To. **Mayor Johnson and Members of City Council**

From: **Matt Sylvester, Public Services Director**

Date: October 6, 2020

Subject: Consider Resolution to Declare Metal as Scrap and Authorize Its' Disposal

---

Public Works has accumulated miscellaneous items that need to be disposed of. These items are as follows:

Scrap

Iron and Steel leftover from repairs
Old Signs
Old Sign Posts
Old Meter Bodies

Per policy, Resolution 2009-078, based on current pricing, Public Services Director obtained quotes and recommends taking the scrap metal to Midway Iron and Metal in St. Cloud for the best prices on scrap metals. Any items that cannot be taken as scrap will be disposed of.

Request:
It is requested that City Council review and take action on this item.

Attachment:

- Resolution 2020-XXX – Resolution to Declare Metal as Scrap and Authorize Its' Disposal

RESOLUTION 2020-XXX

DECLARING METAL AS SCRAP AND AUTHORIZING ITS DISPOSAL

WHEREAS, it has been determined that the Public Works Department has scrap metal that is of no use to the City; and,

WHEREAS, Resolution No. 2009-078 provides guidelines for the disposal of scrap metal; and,

WHEREAS, among solicited quotations, current pricing yields highest with Midway Iron and Metal in St. Cloud;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City of Isanti, Minnesota, to hereby authorize the following:

1. To declare scrap metal which includes but not limited to: old iron from repairs, aluminum signs, steel signs and old meter parts, located at the Public Works Facility as surplus property and authorize for its disposal.
2. The Public Services Director shall have the authority to sign all necessary paperwork to allow for the process for the disposal of scrap metal identified per this Resolution.

This Resolution was duly adopted by the Isanti City Council the 6th day of October, 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: October 6, 2020
Subject: Resolution 2020-XXX Entering into an Agreement with Civic Systems, LLC for Caselle Connect Software Modules

---

The City currently uses Caselle Clarity management system for our accounting software. Due to COVID-19, staff has explored options to enhance what we currently use to limit person to person contact and add efficiency with access online for tasks such as taking payments from customers and processing building permits and inspections. The best option staff found was to upgrade our current system to Caselle Connect and add modules to provide the best customer service during this time.

Staff received a proposal from Civic Systems, LLC for a total amount of $20,460.00. The breakdown costs for each module will be funded through the following:

- Coronavirus Relief Funds - $15,780.00 - Accounts Payable, Building Permits, Citizen Portal, Mobile App, Cash Receipting, General Ledger, and Payroll
- Fund 614 Technology - $1,760.00 - Accounts Receivable and Asset Management
- Water 601 and Sewer 602 - $2,920.00 - Utility Billing

Recommendation:
Staff is recommending to enter into an agreement with Civic Systems, LLC for Caselle Connect and modules defined within the proposal.

Attachments:

- Resolution 2020-XXX Entering into an Agreement with Civic Systems, LLC
- Civic Systems, LLC Proposal (Exhibit A)

RESOLUTION 2020-XXX

AUTHORIZING TO ENTER INTO AN AGREEMENT WITH CIVIC SYSTEMS LLC FOR CASELLE CONNECT SOFTWARE MODULES

WHEREAS, the current accounting software system used for Utility Billing, AP, AR, Payroll, Cash Receipting and other operating functions is Caselle Clarity through Civic Systems, LLC; and,

WHEREAS, due to COVID-19, it is in the best interest of the City to add additional modules to allow for Building Permitting/ Inspection processing online with access to a customer portal, and upgrades to Payroll, AP, Cash Receipting, and the General Ledger to minimize person to person contact; and,

WHEREAS, an upgrade to our AR, Asset Management and Utility Billing modules to Caselle Connect is beneficial for enhanced functions which will be funded through Technology, Water and Sewer; and,

WHEREAS, the proposal received by Civic Systems, LLC for such modules was $20,460.00; and,

WHEREAS, funding for modules are identified as follows:

- Coronavirus Relief Funds – Accounts Payable, Building Permits, Citizen Portal, Mobile App, Cash Receipting, General Ledger, and Payroll
- Fund 614 Technology - Accounts Receivable and Asset Management
- Water 601 and Sewer 602 – Utility Billing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, approve the following:

1. Use of Coronavirus Relief Funds for modules defined per this Resolution in the amount of $15,780.00.
2. Use of Funds from 614 Technology for modules defined per this Resolution in the amount of $1,760.00.
3. Use of Funds split from Water and Sewer for modules defined per this Resolution in the amount of $2,920.00
4. The City Administrator or designee is hereby authorized to enter into an agreement and sign corresponding documents with Civic Systems for Caselle Connect with modules for a total amount of $20,460.00 plus annual support fees; referenced as Exhibit A.

This resolution was duly adopted by the Isanti City Council this 6th day of October, 2020.

HARDWARE REQUIREMENTS

Network System Requirements – Caselle® Connect – Network

Important! Using servers or workstations that do NOT meet the specified network system requirements may result in unsatisfactory performance and response times. This document lists the minimum hardware and software requirements for installing Connect.

Network Server Operating System	Microsoft ® Windows 2012, 2012 R2, 2016 Server (64-bit) or 2019 (64-bit)
Network Server Equipment	Intel® Xeon® Quad-Core Processor 3.0 Ghz or higher |Minimum 16 GB of available RAM | 30 GB available disk space for Caselle Connect applications (180 MB) and data | Separate physical hard drive for SQL log file 8-15 K SAS HDD preferred | Color SVGA .28 Monitor | 1 GB Ethernet Network Card | 1 GB Ethernet Switch | DVDRW Drive All hardware must be Microsoft® certified (request printed certification documents). Intel® Core™ i3, Intel® Celeron®, and AMD Sempron™, and Intel® Pentium processors are NOT recommended.
Database Server Equipment and Operating System	• Use the Recommended Network Server. For better performance, increase memory on network server or, use a separate Database Server (same specifications as the Network Server). • Networks with more than ten workstations may require faster processors and/or more memory than the recommended.
Database Software	Microsoft® SQL Server 2012 (64-bit), 2014 (64- bit) or 2016 (64-bit), or 2019 (64-bit)
Network Server and Database Server Power Protection	True On-Line UPS, 600 Voltamps minimum with UPS Monitoring card, cable, and software.
Workstation Computer	Intel Core 2 Duo, i5, or i7 (3 GHz or higher) | 8 GB of available RAM | 30 GB available disk space for Caselle Connect applications (180 MB) and data | LCD Monitor All hardware must be Microsoft® certified (request printed certification documents). Intel® Core™ i3, Intel® Celeron®, and AMD Sempron™, and Intel® Pentium processors are NOT recommended.
Workstation Operating System	Windows 10™ Professional (32-bit or 64-bit).
Workstation Power Protection	UPS/Battery backup unit
Backup System	Network quality system to back up fileserver hard drive on one tape and provide tape read after write verification. Make sure the backup system supports backing up MSSQL Databases. Example: Backup Exec with SQL Agent.
Data File Transfer	DVDRW Drive
Printer	HP Laser Printer or Canon Copiers with PCL or Postscript Drivers
Receipt Printer	Ithaca 9000 and 1500 Series Printers | Star TSP100 | Epson TM – U325, TM-U675, and Epson TM – H6000IV
Internet Access	DSL, ISDN, or T1 Explanation: Caselle® Applications require Internet access to download program updates. Using an Internet connection that is slower than 256 Kbps will take significantly longer to download data.
Email	Email that is compatible with Microsoft® Windows.
Network Installer	Microsoft® Certified
Web Services	IIS 7 (Windows Server 2008, 2012)
miViewPoint Only needed if miViewPoint is being installed.	IIS 7 or later | 30 GB of available disk space for miViewPoint on the IIS and SQL Servers | Modern Web Browser on any PC using miViewPoint (IE11 or greater, up to date Chrome, or up to date Firefox) If miViewPoint is made internet available a modern mobile browser is required.

Attachment A – Caselle Software License Agreement

Caselle
1656 S East Bay Blvd, Ste 100
Provo, UT 84606
CASELLE, INC.
SOFTWARE LICENSE AGREEMENT

Caselle Agrees to provide the software to you, subject to the following terms and conditions.

1. GRANT OF LICENSE

Caselle, Inc. and its Licensors agrees to grant, and You agree to accept a limited, non-transferable, non-exclusive license ("License") to use the computer programs, with the accompanying manuals, literature and other materials ("Software") as detailed under Items, subject to the terms and conditions of this Software License Agreement and subject to termination as provided herein. The term Software shall also include all revisions, updates, enhancements and new modules or add-ons to the existing Software as detailed under Items.

2. TITLE AND CONFIDENTIALITY

Title and full ownership rights to the Software licensed under this agreement, including, without limitation, all intellectual property rights therein and thereto, and any copies You make, remain with Caselle. It is agreed the Software is the proprietary, confidential, trade secret property of Caselle, whether or not any portions thereof are or may be copyrighted and You shall take all reasonable steps necessary to protect the confidential nature of the Software as You would take to protect Your own confidential and trade secret information. You further agree that You shall not make any disclosure of any or all such Software (including methods or concepts utilized therein) to anyone, except to employees, agents, or contractors working for You to whom such disclosure is necessary to the use for which rights are granted hereunder. You shall appropriately notify all employees, agents, and contractors to whom any such disclosure is made that such disclosure is made in confidence and shall be kept in confidence by them. Upon Caselle's request, such employees, agents, and contractors shall enter into an appropriate confidentiality agreement for secrecy and nonuse of such information which by its terms shall be enforceable by injunctive relief at the request of Caselle. If Caselle makes such a request, it shall provide You with the appropriate confidentiality agreements. The obligations imposed by this section upon You, Your employees, agents, and contractors, shall survive and continue after any termination of rights under this Agreement. It shall not be a breach of this agreement if you are required to disclose or make the Software available to a third party or to a court if the Software is required to be disclosed pursuant to a state's "open records" law, or is subpoenaed or otherwise ordered by an administrative agency or court of competent jurisdiction to be produced.

3. LICENSE

You may:

A. Use the Software on a single CPU or network ("System") for the appropriate number of users. The Software may be moved to and used on another System, but shall under no circumstances be used on more than one System at a time.

B. Make System readable copies of the software media provided with the Software as required for backup protection. Such copies may only be used in support of Your use of the Software on the System and may not be used for any other purpose. Each of these copies must have a label placed on the media indicating the Software is a proprietary product of Caselle.

You may not:

A. Rent, lease, sublicense, assign, sell, loan or otherwise transfer this Software, in whole or in part, except as expressly permitted by this Agreement.

B. Inspect, disassemble, decompile, reverse engineer or in any way attempt to determine the internal methods of the Software.

C. Modify the Software or merge it into any other product without the express written consent of Caselle.

D. Reproduce, prepare derivative works based upon, transmit or distribute the Software, or any part of it, in any form or by any means except as expressly permitted in this Agreement.

E. Permanently transfer or assign the Software and the rights under this License to another party without the express written consent of Caselle.

F. Use the Software to provide accounting services to multiple government agencies other than Your own.

Any attempt to do any of the above (A to F) shall void and terminate this Agreement.

4. TERM

This Software License Agreement is and shall be effective from the date of full execution and shall remain in force until terminated. You may terminate this Agreement at any time by notifying Caselle in writing and returning all copies and modifications of the Software within 30 days of such notification. Your License terminates automatically if you materially fail to comply with any terms or conditions of this Agreement and You must return all copies and modifications of the Software to Caselle or its agent within 30 days of receipt of written notification of such termination. For each day You retain the Software without a valid License You agree to pay Caselle $100.

Attachment A – Caselle Software License Agreement

5. WARRANTY

Caselle warrants that it has sufficient right and title to the Software to grant You this License. For one (1) year from the date of receipt of the Software ("Warranty Period"), Caselle also warrants the Software media to be free from defects in materials and workmanship under normal use, and Software operation will substantially conform to the specification published by Caselle. If an error or a defect in the Software or its media becomes apparent within the Warranty Period, You must promptly notify Caselle, in writing, describing the defect. Upon confirming the error or defect Caselle will, at its exclusive option, repair or replace the item or refund the price paid for the defective item. Caselle does not warrant that the functions contained in the Software will meet Your requirements or that the operation of the Software will be uninterrupted or error free. The entire risk as to the results and performance of the Software is assumed by You. The warranty does not cover Software modified by anyone other than Caselle and problems with, or caused by, computer hardware or non-Caselle software.

6. DISCLAIMERS AND LIMITATIONS OF REMEDIES

Except as specifically stated in this Agreement, the Software is Licensed "as is" without warranty of any kind, either express or implied, including, but not limited to implied warranties of merchantability and fitness for a particular purpose. In no event shall Caselle be liable for any indirect, special or consequential damages, including, but not limited to, loss of anticipated profits, revenue or savings, business interruption or loss of business information arising from the use of or inability to use the Software or breach of any expressed or implied warranty, even if Caselle or its agent has been advised of the possibility of such damages. These limitations shall apply notwithstanding the failure of an essential purpose of any limited remedy. Caselle's aggregate liability under this agreement for damage will not, in any event, whether based upon contract, negligence, strict liability in tort, warranty or any other basis, exceed the License fees paid by You for the Software.

7. ADDITIONAL SERVICES

Support, Training and Data Conversion for the Software will be provided directly by Caselle, or its authorized agent, and are subject to separate agreements.

8. GENERAL

A. The Warranty and Limitation of Remedies gives You specific legal rights. You may also have other rights, which vary from state to state, in which case the greater right will apply.

B. This Agreement shall be governed and construed in accordance with the laws of the State of Wisconsin and You hereby consent to the jurisdiction of State and Federal courts in Wisconsin. If any part of this Agreement violates applicable law, that part shall be deemed to be amended to the extent necessary to comply with the law.

C. This Agreement constitutes the entire Agreement between Caselle and You and supersedes any prior Agreement or understanding, written or oral. Except as provided herein, this Agreement may not be amended or supplemented except in writing and properly executed by both parties.

D. If any provision of this Agreement shall be adjudged by a court to be void or unenforceable, the same shall in no way affect any other provision of this Agreement or the validity or the enforceability of this Agreement.

E. All rights and remedies provided herein are cumulative and are in addition to all other rights and remedies available at law or equity.

F. In the event that either party successfully takes legal action to enforce any provision of this Agreement the unsuccessful party shall pay full costs and expenses of such action, including reasonable attorney's fees.

G. Any notice required by this Agreement shall be deemed to have been properly given if sent by registered or certified mail.

H. The waiver of any breach or default of this Agreement shall constitute a waiver only as to such particular breach or default and shall not constitute a waiver of any other breach or default. Failure to act by either party in exercising any right, power, or remedy under this Agreement, except as specifically provided herein, shall not operate as a waiver of any such right, power or remedy, and will not affect the validity of the whole or any part of this Agreement, or prejudice such party's right to take subsequent action.

I. Neither party shall be held liable for delays in any of its performance resulting from acts of God, war, civil disturbance, court order, labor dispute or any other cause beyond its control.

J. The relationship of the Parties shall be solely that of independent contractors. No partnership, joint venture, employment, agency or other relationship is formed, intended or to be inferred under this Agreement. Neither party to this Agreement shall attempt to bind the other, incur liabilities on behalf of the other, act as agent of the other, or authorize any representation contrary to the foregoing.

K. This Agreement is binding upon and shall inure to the benefit of the parties, their successors and assigns. However, this Agreement is not assignable by you. This Agreement is personal to you and neither the Agreement, nor the rights or duties hereunder, may be voluntarily or involuntarily, directly or indirectly, assigned or otherwise transferred without the prior written consent of Caselle. Any unauthorized assignment or transfer shall constitute a breach hereof and shall be voidable by Caselle.

Attachment B – Support Agreement

CIVIC SUPPORT AGREEMENT

This Support Agreement is made by and between the CITY OF ISANTI (client), 110 1st Ave NW, Isanti, MN 55040, and CIVIC SYSTEMS, LLC (Civic), Ten Terrace Court, Madison, Wisconsin 53707-7398.

TERMS AND CONDITIONS

1. DEFINITIONS

For purposes of this Civic Support Agreement, the subsequent capitalized terms will have the following meanings:

A. "Client" – Will denote the CITY OF ISANTI, MN.
B. "Civic" – Will denote Civic Systems, LLC.
C. "Services" – Will denote services related to software training, onsite implementation assistance, and conversion services, as more specifically set forth in the "Conversion Services" attached hereto as Attachment "B".
D. "Software" – Will denote end user computer programs and modules purchased by the Client from Civic, as more specifically set forth in the "Cost Detail" attached hereto as Attachment "A".
E. "Product" – Will denote any goods or services produced by a third-party entity other than Civic.

2. TERM

The initial term of this Support Agreement is for a period of 1 year(s) from the effective date. The effective date is defined as the date the first module is implemented and considered "live". Upon expiration of the initial term of the Support Agreement, it shall be deemed renewed with the same terms and conditions for further successive periods of one (1) year(s) unless either party has given the other party written notice not less than thirty (30) days prior to the expiration of the initial term or subsequent renewal term(s).

3. CHARGES

Civic will invoice client on the effective date and semi-annually thereafter. Invoices are sent in December for Support services rendered in the subsequent six (6) months for January through June. Invoices are sent in June for Support services rendered in the subsequent six (6) months for July through December. All invoices are due within 30 days of the invoice date. Invoices not paid within 30 days are subject to 1.5% interest per month or an annual interest rate of 18% per year. Civic will cease any and all Support services for any invoice not paid within 90 days until payment is made in full. Civic has the right to increase support charges at each anniversary or the effective date. Written notice of such increases shall be given to client not less than thirty (30) days before the anniversary of the effective date.

4. SERVICE HOURS

Civic will provide telephone and web support service five business days a week, from 8 AM to 5 PM Central Standard Time, excluding nationally recognized holidays. Annual support charges do not cover on-site support.

5. SERVICE NOTIFICATION

Client shall notify Civic of support tickets, by contacting Civic support and identifying the issue and symptoms. Notification may be made to Civic via telephone, web, e-mail or fax, as outlined below and in any of the methods outlined in the **SOFTWARE SUPPORT** section below.

Telephone:	608 240 2600
Toll-Free:	800 241 1517
Fax:	608 249 1050
E-mail:	support@civicsystems.com
Website:	http://www.civicsystems.com

6. TERMINATION OF AGREEMENT

This Support Agreement may be terminated as outlined under the **TERM** section above. In addition, Civic or client shall terminate this agreement immediately upon written notice thereof to the other party, in the event the other party shall have breached a material provision of this Support Agreement, which breach shall not have been cured within a thirty (30) day period. If breach is not capable of being cured within such thirty (30) day period, this Support Agreement shall not be terminable so long as the party committing such breach shall have established to the reasonable satisfaction of the other party that it is using all diligent efforts to effect such cure.

This Support Agreement may be terminated by either party effective immediately and without notice, upon: (i) the dissolution, termination of existence, liquidation or insolvency of the other party, (ii) the appointment of a custodian or receiver for the other party, (iii) the institution by or against the other party of any proceeding under the United States Bankruptcy Code or any other foreign, federal or state bankruptcy, receivership, insolvency or other similar law affecting the rights of creditors generally, or (iv) the making by the other party of any assignment for the benefit of creditors.

7. ASSIGNMENTS

Civic shall not assign, transfer or pledge this Support Agreement and/or the services to be performed, whether in whole or in part, nor assign any monies due or to become due to it without the prior written consent of client. A consent to assign shall be subject to such conditions and provisions as client may deem necessary, accomplished by execution of a form signed by client, Civic, and the assignee.

8. PLACE OF USE

The Customer shall provide a suitable, clean location for the installation and operation of the Product, including adequate surge protection on the electrical supply source.

9. RISK OF LOSS

This Support Agreement does not cover service, maintenance or repair necessitated by loss or damage resulting from any cause beyond the control of Civic, including, but not limited to loss or damage due to fire, water, lightning, earthquake, riot, unauthorized service or modifications, theft, or any other cause originating outside the Product.

10. PERFORMANCE

Civic shall exercise its best efforts in performing services covered under this Support Agreement, but shall not be liable for damages, direct or otherwise, for failure to perform services at a location deemed hazardous to health or safety or arising out of delays or failure in furnishing parts or services caused by Acts of God, Acts of Government, labor disputes or difficulties, failure of transportation or other causes beyond its control, or for any consequential damage whatsoever.

11. LIABILITY

Civic is only obligated to provide software support services for the most currently released version of the Software, and the immediately preceding version. Civic shall not be responsible, nor incur liability of any kind, nature or description to client, its agents or employees or any other firm or corporation, whether direct or consequential, in event of failure or fault in condition or operation of the Product or for errors of omission in the transmission or display of information arising from the actual or alleged use of operation of the Product.

Attachment B – Support Agreement

11. Warranty

A. Each party represents and warrants to the other that it has full power and authority to enter into and perform this Agreement and the person signing this Agreement on behalf of each party hereto has been properly authorized and empowered to enter into this Agreement.

B. Client warrants that it has the legal right and authority, and will continue to have the legal right and authority during the term of this Agreement, to operate, configure, provide, place, install, upgrade, add, maintain and repair (and authorize Civic to do any of the foregoing to the extent the same are included in the Services) the hardware, software and data that comprises any of client's information technology system upon which or related to which Civic provides Services under this Agreement.

C. Civic represents and warrants that materials produced or used under this contract, including but not limited to software hardware, documentation, and/or any other item, do not and will not infringe upon any intellectual property rights of another, including without limitation patents, copyrights, trade secrets, trade names, and service marks and names.

D. If a third party claim that the Software infringes upon any intellectual property rights of another which causes client's reasonable use of the software or other material supplied under this contract to be seriously endangered or disrupted, Civic shall promptly, without additional charge to client either procure for client the right to continue using the software or other material, or replace or modify that software or material so that it becomes non-infringing, provided that such replacement or modified software or material has the same functional characteristics as the infringing software or material. If none of the foregoing alternatives are possible even after Civic's best efforts, client shall have the right at its election, to terminate the license to the infringing software and Civic shall promptly refund to client all fees, costs, and charges paid by client to Civic for that software or material and any other software or material reasonably rendered ineffective as the result of said infringement.

E. Civic warrants that any Services that it provides to client under this Agreement will be performed in accordance with generally accepted industry standards of care and competence. Client's sole and exclusive remedy for a breach of Civic's warranty will be for Civic, in its sole discretion, to either: (i) use its reasonable commercial efforts to re-perform or correct the Services, or (ii) refund the fee client paid for the Services that are in breach of Civic's warranty. Client must make a claim for breach of warranty in writing within thirty (30) days of the date that the Services that do not comply with Civic's warranty are performed. This warranty is voided in the event that client makes alterations to the Services provided by Civic or to the environment in which Services are used (including the physical, network and systems environments). If client does not notify Civic of a breach of Civic's warranty during that 30-day period, client will be deemed to have irrevocably accepted the Services.

F. Civic does not warrant any third-party product (each, a "Product"). All Products are provided to client by Civic "AS IS." Civic will, to the extent it is allowed to by its vendors, pass through any warranties and indemnifications provided by the manufacturer of the Product. Client acknowledges that no employee of Civic or any other party is authorized to make any representation or warranty on behalf of Civic that is not in this Agreement.

12. LIMITATION ON LIABILITY

In no event will Civic's liability exceed the license fees, services, and support fees paid to date by the Customer to Civic. This limitation of liability is intended to apply to the full extent allowed by law, regardless of the grounds or nature of any claim asserted, including the negligence of either party. In no event shall either party be liable for ANY lost profits, LOST Business opportunity, lost data, consequential, special, incidental, exemplary or punitive damages arising out of or related to this Agreement.

Customer will indemnify Civic, its parent company (Baker Tilly) and their present or former partners, principals, employees, officers and agents against all costs, fees, expenses, damages and liabilities (including attorney's fees and all defense costs) associated with any third-party claim, relating to or arising as a result of the Services of this Agreement.

In the event Civic is requested by the Customer; or required by government regulation, subpoena, or other legal process to produce its engagement working papers or its personnel as witnesses with respect to its Services rendered for the Customer, so long as Civic is not a party to the proceeding in which the information is sought, Customer will reimburse Civic for its professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

Civic will indemnify Customer against any damage or expense relating to bodily injury or death of any person or tangible damage to real and/or personal property incurred while Civic is performing the Services to the extent such damage is caused solely by the negligent acts or willful misconduct of Civic's personnel or agents in performing the Services.

Customer accepts and acknowledges that any legal proceedings arising from or in connection with the services provided under this Agreement must be commenced within twelve (12) months after the performance of the Services for which the action is brought, without consideration as to the time of discovery of any claim.

13. DEFAULT

In the event of payment default by client, Civic shall be entitled to collect interest and collection costs, including court costs and reasonable attorney fees. In the event of default by the Customer in any term or condition herein, Civic may, at its option, refuse service or terminate its obligations under this Agreement.

14. FORCE MAJEURE

In the event that either party is prevented from performing, or is unable to perform, any of its obligations under this Agreement due to any act of God, fire, casualty, flood, war, strike, lock out, failure of public utilities, injunction or any act, exercise, assertion or requirement of any governmental authority, epidemic, destruction of production facilities, insurrection, inability to obtain labor, materials, equipment, transportation or energy sufficient to meet needs, or any other cause beyond the reasonable control of the party invoking this provision ("Force Majeure Event"), and if such party shall have used reasonable efforts to avoid such occurrence and minimize its duration and has given prompt written notice to the other party, then the affected party's failure to perform shall be excused and the period of performance shall be deemed extended to reflect such delay as agreed upon by the parties.

Attachment B – Support Agreement

15. NOTIFICATION

All notices or communications required or permitted as a part of the Agreement shall be in writing (unless another verifiable medium is expressly authorized) and shall be deemed delivered when:

A. Actually received, or

B. Upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the party, or

C. If not actually received, ten (10) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the respective other party at the address set forth below or

D. Upon delivery by client of the notice to an authorized Civic representative while at client site.

The addresses of the parties to this Agreement are as follows:

Civic Systems, LLC
Ten Terrace Court
P.O. Box 7398
Madison, WI 53707-7398

City of Isanti
110 1st Ave NW
Isanti, MN 55040

16. WAIVER

This instrument contains the entire Agreement for support of the parties. It cannot be changed, altered or modified orally. All changes or modifications must be in writing by the parties hereto.

17. SOFTWARE SUPPORT

The customer will supply the conditions and data which caused the malfunction and help reproduce the failure. The following services are part of the Support Agreement:

A. Telephone and Internet Support – Unlimited and reasonable telephone technical support is provided during the hours specified in the **Service Hours** section above. In addition, client has the ability to log support issues and search a knowledge base utilizing Civic's customer support portal over the internet twenty-four (24) hours a day, seven (7) days a week. Technical support history, including issue and resolution, shall be available to client via the customer support portal over the internet for a period of three (3) years. Civic shall, on occasion, employ software tools that utilize the internet to troubleshoot technical support issues.

B. Bug fixes and Updates – Civic shall provide client with all bug fixes and updates within twenty (20) days of receiving bug fixes and updates upon satisfactory software testing by Civic. Documentation communicating bug fixes, updates, and changes to the database schema shall be sent to client.

C. Software Upgrades – Civic shall provide client with upgrades to the current platform when available. Civic shall provide client with all upgrades within thirty (30) days of satisfactory software testing by Civic. All relevant documentation communicating enhancements, changes to user manuals, changes to the database schema, etc. shall be sent to client.

D. Trained Employees – Support will be provided to any employee that has completed formal training with Civic. Client shall notify Civic of any new employees requiring software support. New employees must schedule formal training with Civic at the current daily rate before support services are provided under the Support Agreement. If software support is required before training takes place, Civic will provide support as long as training has been scheduled with Civic

18. MISCELLANEOUS

This Support Agreement covers those services rendered for pre and post "go-live".

A Community For Generations.

Request for City Council Action - MEMO

To: Mayor Johnson and City Council Members

From: John Jacobi, Liquor Store Manager

Date: September 28th, 2020

Subject: Donation Request for 13th Annual MMBA "Food Drive" promotion in-store

---

Background:
Each year the MMBA supports a Food Drive for the sole purpose of raising funds as well as supplying donations to help support local food shelves in our area. I am requesting that we promote this program in-store and customers can donate nonperishable food items or make a cash donation in any amount that they wish to help support this program. The dates of the Food Drive are October 6th through October 31st, 2020.

Action
Staff is requesting City Council action on this item.

Attachment:

- Resolution 2020-xxx Approving Donation Box at Liquor Store

RESOLUTION 2020-XXX

APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2nd, 2009 City Council approved a donation box policy; and,

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the "MMBA Food Drive"; and,

WHEREAS, the Donation Policy has been reviewed the request and recommended its approval;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the "MMBA Food Drive" at the Isanti Liquor Store from October 6th, 2020 through October 31st ,2020.

Adopted by the Isanti City Council this 6th day of October 2020.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

13th Annual MMBA Food Drive Promotes Community Value

In an effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in a new partnership with Miller Lite is coordinating the *Thirteenth Annual Municipal Liquor Food Drive* **benefiting your local food shelf.**

As in previous years, there will be two competition brackets, based on 2018 annual sales:

$1,000,000 and Above & Below $1,000,000

The individual facility (not city) in each category with the highest weight donated will earn a $1,000 donation to their local food shelf from Miller Lite and MMBA.

In addition:

Through a random drawing, ten $100 donations will be made to food shelves of participating facilities, other than the category winners. So, everyone has a chance to win!

Here are additional details:

- The food drive will run from October 1 – October 31, 2020.
- Each participating MMBA member will collect dry food, can goods & cash for donation to your local food shelf of choice. **Anything your food shelf will accept is eligible to be counted, including, but not limited to, field produce and canned / bottled water.**

NOTE:

Each $1 in cash donations will be counted as 3 pounds of food.

- At the end of the event (November 1), please take the collected food and cash to the food shelf to be weighed. (Contact the MMBA office if you need assistance locating your local food shelf.)

  A week or so after the conclusion of the event, send the MMBA office the information at: kaspszak@outlook.com.

- Coordinate signs with your Miller Lite Distributor.

- Here are some successful ideas to promote the event:

  - ✓ Facility product discount for those donating food
  - ✓ Stapling a flyer to carry-out bags
  - ✓ Displaying the food in the front of the store to catch customer eyes
  - ✓ Reference or total focus in advertising mediums
  - ✓ Miller wholesaler could build a platform of Miller Lite cases for the food to display on, or a wall of cases around an area where donations will be placed.
  - ✓ Local newspaper story
  - ✓ Collect contributions by participating in other community events

Questions:

MMBA: kaspszak@outlook.com
Jon Chance: jonathan.chance@molsoncoors.com

Thanks for your participation!!!!!

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Jaden Moore, Deputy City Clerk/ Human Resources
Date: October 6, 2020
Subject: Resolution 2020-XXX Awarding Quote and Authorizing to Enter into a Contract for Codification Services

---

Background:
Council authorized staff on July 7th, 2020 to advertise an RFP (Request for proposal) for codification services. Staff received two proposals; General Code and American Legal Publishing for such services. The City currently uses General Code for codification services.

Request:
Staff is recommending to enter into a contract to continue receiving services from General Code for codification services as they are lower overall for services per the specifications outlined in the request for proposal. The contract would begin October 7th, 2020 and can end at any time.

Attachments:
- Resolution 2020-XXX Awarding Quote and Authorizing to Enter into a Contract for Codification Services
- Proposals received

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR CODIFICATON SERVICES

WHEREAS, the City of Isanti has determined it is in the City's best interest to receive proposals for codification services; and,

WHEREAS, the Council authorized staff to request proposals for codification services on July 7th, 2020; and,

WHEREAS, the request for proposals for codification was published in the City's official newspaper; and,

WHEREAS, two proposals were received and are attached; and,

Consultant	Base Quotation not including optional/ additional expenses
General Code	**$5,220**
American Publishing	$8,800

WHEREAS, General Code was found to best fit the needs of the City given all rates and services considered;

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota the following:

1. Hereby award the contract for codification services to General Code.
2. Hereby authorize staff to enter into and sign a contract with General Code starting October 7th, 2020 and can end at any time.

This resolution was duly adopted by the Isanti City Council this 6th day of October 2020.

Attest: Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Mayor Johnson read each proclamation.

G. Approve City Council Minutes
1. September 15, 2020- Regular Meeting of the City Council
2. September 15, 2020- Committee of the Whole Meeting

Motion by Lundeen, second by Bergley to approve minutes as presented. Motion passed 5-0. Motion carried.

H. Announcements

1. City Hall Closed Observance of Columbus Day	Monday, October 12, 2020
2. Committee of the Whole	Tuesday, October 20, 2020 at 5:00 p.m.
3. City Council Meeting	Tuesday, October 20, 2020 at 7:00 p.m.
4. Planning Commission Meeting	Tuesday, October 20, 2020

(Immediately following the City Council Meeting)

I. Council Committee Reports

Councilmember Lundeen shared that the fire district had their budget session which included a discussion of a 3% COLA increase and purchasing the fire station. Lundeen further shared that their new fire truck was at the meeting for people to see.

Councilmember Collison shared that last weekend's event at Rum River BMX was very successful and busy. Collison also shared that there was some people camping, but the National event had more.

J. Public Hearings

None

K. Business Items

City Administrator Josi Wood

1. Discussion on Study of CSAH 5 Intersections with East Dual Blvd and Credit Union Drive

City Engineer Jason Cook, shared 4 potential alternative intersection designs. Option one; a stoplight on East Dual Blvd, option two; a stoplight on East Dual with a reroute, option three; two mini roundabouts at East Dual Blvd and Credit Union Drive and option 4; single roundabout at East Dual with a reroute.

Councilmembers Bergley, Gordon and Collison recommended option 3 and Mayor Johnson and Councilmember Steve Lundeen recommended option 1.

2. Isanti Business Relief Grant Program Update and Small Business Coaching Discussion *(Steve Fredlund)*

City Administrator Josi Wood shared that the $77,377.00 that city council allocated to the Small Business Relief grant program had great feedback and people were appreciative. Wood continued to share that there were 17 recipients that received funds through the program. The recipients received anywhere from $1,000 to $5,000. Wood further shared that there were only a few applicants who were turned away and all the funds that were allocated to the grant program were used.

Wood stated that there are still some things in the works from the Cares Act funding. Everything has been purchased except two things. One is potentially adding accessibility to the Community Center as there is currently no automatic door openers which would fit into the Cares Act funding. Wood shared that automatic door openers would lower touch points with an approximate cost of $6,500. Also, purchasing air filters for city facilities for $1,700 to enhance air quality. Wood stated the remaining balance after purchasing automatic door openers and air filters is approximately $7,700.

Councilmember Collison stated a lot of places are installing touch free sinks.

Wood stated that city facilities do not have any touchless soup dispensers either and other cities have installed a grab bar to open doors with an individual's foot for bathrooms instead of grabbing a handle.

Councilmember Lundeen stated that touchless faucets and soup dispensers should be looked into for city facilities.

Collison asked Steve Fredlund if businesses could reach out to him directly.

Fredlund confirmed that businesses can reach out to him directly.

Wood stated that the Small Small Business Coaching information can be shared on the covid page on the city's website.

Recommendation from council is to use the remaining Cares Act funding to go towards touchless sinks, soap dispensers and foot pullers for doors.

3. **Resolution 2020-178** Approving a Special Event Permit Application for Rum River BMX for MN State Series Finals *(Larry Merchlewitz)*

Larry Merchlewitz from Rum River BMX shared that the state series final is an accumulation of what has happened since the first race earlier this year. The rider that gets a state plate will go to Tulsa, Oklahoma and will represent Minnesota.

Merchlewitz shared that Detroit Lakes thanked Isanti for holding the Qualifier event.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

4. **Resolution 2020-179** Declaring Cost to be Assessed, Ordering Preparation of Proposed Assessment, and Ordering Hearing on Proposed Assessment – 6th Avenue SW Rehabilitation Project

City Engineer Jason Cook shared the final step to the project is to hold the public hearing to finalize the assessments. At the public hearing, residents would have the opportunity to challenge the assessments or get them officially levied on their tax record for the next 10 years at an interest rate of 1.71%.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $441,464.48 Payroll in the Amount of $211,027.77 and Q3 Council Pay in the Amount of $8,605.82
2. **Resolution 2020-180** Accepting New Contract for Regional Safety Group 2021
3. **Resolution 2020-181** Offering the Position of Part-Time Liquor Store Clerk to Meghan Glassel
4. **Resolution 2020-182** Accepting Parks, Recreation and Culture Board Member Brian Thum's Resignation
5. **Resolution 2020-183** Accepting Part-Time Liquor Store Clerk Termination for Elizabeth Kerr
6. **Resolution 2020-184** Approving Snow Plowing Policy and Operational Guidelines
7. **Resolution 2020-185** Execution of Repayment Agreement on Lot 6, Block 3 Villages on the Rum
8. **Resolution 2020-186** Recognizing National Pregnancy and Infant Loss Remembrance Day
9. **Resolution 2020-187** Declaring Metal as Scrap and Authorizing its Disposal
10. **Resolution 2020-188** Authorizing to Enter into an Agreement with Civic Systems for Caselle Connect Software Modules
11. **Resolution 2020-189** Approving Donation Box at Liquor Store
12. **Resolution 2020-190** Awarding Quote and Authorizing to Enter into a Contract for Codification Services
13. **Resolution 2020-191** Approving Application for an Exempt Gambling Permit for Rum River BMX 50/50 Raffle

~~14. Resolution 2020-XXX Authorizing a Reduction in the Letter of Credit for Heritage Estates~~

Motion by Lundeen, second by Collison to approve Consent Agenda with the modification of removal of L.14. Motion passed 5-0. Motion carried.

M. Other Communications

None

N. Closed Session

Mayor Johnson announced the Council was going into closed sessions at 8:09 p.m. regarding consideration of sale of City owned Real Property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.040.1030 and 16.040.0960 and consideration of sale of City owned Real Property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.040.1030 and 16.040.0960.

1. Closed Session for consideration of sale of City owned Real Property pursuant to Minnesota Statutes Section 13D.05 Subd3 (c) for PID 16.040.1030 and 16.040.0960.

2. Discussion Regarding Consideration to Purchase Real Property pursuant to Minn. Stat. 13D.05, subd. 3(c) for PID 16.029.2100 and 16.029.2400.

Upon reopening of the meeting, no further action was taken.

Adjournment

Motion to adjourn by Bergley, second by Lundeen. Motion passed 5-0. Motion carried. The meeting was adjourned at 9:09 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Strand
Deputy City Clerk/ Human Resources

Economic Development Authority
Meeting Minutes
August 5, 2020

1. **Call to Order:** President Johnson called the meeting to order at 7:47pm
   a. **Pledge of Allegiance**
   b. **Roll Call:** Jeff Johnson, Steve Lundeen, Dan Collison, Paul Bergley, Jimmy Gordon, Luke Merrill. Absent: Justin Neilson. Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood, Finance Director Mike Betker, Assistant Finance Director Pam Dahlheimer, and Chief Muyres.
   c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by Lundeen, second by Collison to approve. Motion passed 6-0

3. Approve Minutes of July 7, 2020 Regular Economic Development Authority Meeting: Motion by Merrill to approve, second by Collison to approve. Motion passed 6-0.

4. Business Items
   a. **Resolution 2020-XXX 2021 crop lease award:** Sellman presented the bids, there was one bid, Calander Farms bid $5,210 for the 2021 crop year. The board discussed that this is the parcel they would like to sell. Sellman indicated that the appraisal has been ordered and should be available at the next meeting. Motion by Lundeen, second by Collison to approve, motion passed 6-0.
   b. **Discussion on subdividing a 15-acre lot the EDA owns 16.124.0020:** Sellman was seeking direction from the EDA on the possibility of subdividing this parcel into 5-acre lots. She mentioned there is a potential buyer if it is subdivided into smaller lots. The EDA agreed it would be good to subdivide if people are looking for smaller lots. Sellman suggested they can advertise "lots can be subdivided" and then the option is there but not to actually subdivide until there is a user. Motion by Lundeen, second by Collison to advertise "lots can be subdivided" motion approved 6-0. Sellman will reach out to the potential user.
   c. **Call a public hearing for August 18, 2020:** Sellman explained there is a proposed buyer for the 2.5 acre EDA lot on East Dual, however the applicant wasn't submitted in time to advertise for a public hearing therefore the request is for the EDA to call a public hearing to consider the sale. Motion by Lundeen, second by Collision to call for the public hearing, motion passed 6-0.
   d. **Discussion on BP Metals:** Sellman explained that the owner of BP Metals has indicated due to Covid-19 he has laid off staff and therefore can't meet the minimum job requirement of 20 employees as required by the subsidy agreement. The Board discussed that he will still bring 15 new jobs to the city and it will get the property back on the tax rolls. Collison stated that 15 jobs is still a good number. Merrill had concerns that everyone will want to make changes and he doesn't want to see that happen with other agreements. The consensus was to allow the change and to bring the amended agreement to City Council.

5. Other Business / Updates / Communications

6. **Adjournment:** Motion by Bergley, second my Lundeen to adjourn. Motion passed 6-0 meeting adjourned at 8:01pm

Respectfully submitted
Sheila Sellman Community Development Director/EDA Secretary

Economic Development Authority
Minutes August 18, 2020

1. **Call to Order:** Chair Johnson opened the meeting at 8:07pm.
   a. **Pledge of Allegiance**
   b. **Roll Call:** EDA Members present: Jeff Johnson, Jimmy Gordon, Steve Lundeen, Dan Collison, Paul Bergley, Luke Merrill, Justin Neilson. Staff present: Community Development Director Sheila Sellman.
   c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by:

3. **Public Hearing**
   a. Sale of EDA owned land located at XXX East Dual BLVD NE PID 16.125.0020 to Swanees Trucking LLC: Sellman reviewed the proposed development of Swanee Trucking who proposes to locate their trucking operations to Isanti. The request is to buy the shovel ready site for this development. Motion by Lundeen second by Collison to approve the sale of EDA owned land PID 16.125.0020, motion passed 7-0.
4. **Adjournment:** Motion by Lundeen, second by Bergley to adjourn, motion passed 7-0, meeting adjourned at 8:20pm.

Respectfully submitted EDA Secretary/Community Development Director Sheila Sellman.

RESOLUTION 2020-XXX
Amending Resolution 2020-063

K.2.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: October 20, 2020
Subject: ORD 2020-XXX - Chapter 87 Keeping of livestock and poultry

---

Background:

Chapter 87 prohibits the keeping of certain animals within city limits. Committee of the Whole reviewed the request to include racing pigeons at their August 18th meeting and recommended adding racing pigeons as a permitted animal.

Staff drafting language for inclusion by adding Section 87-1.2. The City Attorney has reviewed the Ordinance and it has been posted for the required 10- day notice period.

Request:
Staff is requesting action on this item.

Attachment:
- ORD 2020-XXX

ORDINANCE NO. XXX

AN ORDINANCE AMENDING THE CITY CODE AMENDING CHAPTER 87 ARTICLE 1 KEEPING OF CERTAIN ANIMALS

THE CITY OF ISANTI DOES ORDAIN AS FOLLOWS:

I. AMENDMENT

Article I, Section 87-1 are hereby amended as follows:

§ 87-1 **Prohibited animals.**

No person, firm or corporation shall keep, harbor, feed or raise cows, horses, hogs or any other livestock, chicks or poultry~~, or pigeons~~, not in accordance with this chapter, in the City of Isanti.

§ 87-1.2 **Racing Pigeons.**

The City allows the keeping of racing pigeons on residential properties in the R1A zoning district, subject to the following requirements:

A. Racing Pigeon means a pigeon which, through selective breeding, developed the distinctive physical and mental characteristics to enable it to return to its home after having been released a considerable distance therefore, and which is accepted as such by the American Racing Pigeon Union, Inc. or the International Federation of Racing Pigeon Fanciers. Also, commonly known as Racing Homer, Homing Pigeon, or Carrier Pigeon.

B. Lofts, coops or enclosures are required and shall:

(1) Meet all setback requirements for the zoning district of the property or be at least 10 feet from a side or rear property line, whichever is greater.
(2) Not be located in a drainage or utility easement or in a shoreland protection area or in a wetland setback area.
(3) Be at least 30 feet from any residential dwelling on any adjacent property.
(4) Comply with accessory structure zoning requirements.
(5) Be located 10 feet or further from any primary structure on the subject property.
(6) Be located in the rear yard only.
(7) Provide a minimum of one square foot of floor space per bird.
(8) Are prohibited on properties with multifamily structures.

C. Lofts or coops are allowed only on properties within the R1A zoning district.

D. The property owner shall maintain the lofts or coops and/or enclosures such that they are in good condition, not unsightly and free from major defects, and reasonably clean from filth, garbage and any substance that attracts rodents.

E. The property owner shall properly store all animal feed in a rodent proof container.

F. The property owner shall dispose of all animal waste in an appropriate manner on a weekly basis.

G. All pigeons must be banded with owner's information at all times.

H. Only owners in good standing with a pigeon club can allow their birds to fly.

I. The maximum total number of pigeons shall not exceed 100.

J. All persons possessing pigeons shall register and show proof of club membership to the Police Department on an annual basis.

II EFFECTIVE DATE

This ordinance shall take effect upon adoption and publication in the City's Official Newspaper.

Adopted by the City Council this 15th day of October, 2020.

RESOLUTION 2020-XXX

L.2.

APPOINTING ELECTION JUDGES FOR THE 2020 GENERAL ELECTION

WHEREAS, the General Election shall be held on November 3rd, 2020; and,

WHEREAS, the City of Isanti must appoint election judges for both precincts for the City of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The following persons shall be appointed to serve as election judges and/or as alternates for the City of Isanti precinct at the Primary Election to be held on November 3rd, 2020:

Laureen Simons	Allen Garber
Katie Brooks	Ed Honzik
Jaden Moore	Pamela Dahlheimer
Lorraine Torpy	Margaret Engquist
Leroy Johnson	Jensine Ahlberg
Kris Gaffaney	Margaret Johnson
Tabitha Peltier	David Rysted
Ryan Saltis	Elizabeth Anderson
Laura Holmberg	Elaine Fischer
Connie Anderson	Dan Balk
Carter Fournier	

2. Election Judges (non-staff) shall be compensated for mileage to and from training, for election training, and for the hours served as an Election Judge.
3. The Head Judge (non-staff) shall be compensated at a rate of $13.25/hr and Election Judges (non-staff) shall be compensated at $11.25/hr.
4. City Staff is authorized to provide reasonably priced snacks to election judges and to purchase any additional supplies needed in order to ensure elections run efficiently and effectively.
5. The Election Administrator is authorized to train and appoint election judges as necessary.

This Resolution is hereby approved by the Isanti City Council this 20th day of October 2020.

RESOLUTION 2020-XXX

APPROVING ACCEPTANCE OF GRANT FUNDS AND AGREEMENT WITH GRANT TERMS

WHEREAS, the COVID-19 pandemic requires additional efforts and costs to make the election process safe, sanitary, and effective; and,

WHEREAS, the Office of the Minnesota Secretary of State solicited grant applications from counties for grant funding pursuant to Minnesota Laws 2020, chapter 77, section 4 and the federal CARES Act to offset the increased election costs related to the COVID-19 pandemic; and,

WHEREAS, Isanti County received a grant from the Office of the Minnesota Secretary of State in the amount of $32,936.36 for this purpose; and,

WHEREAS, the Office of the Minnesota Secretary of State provided a default allocation for the distribution of the $32,936.36 in grant funds between Isanti County and its municipalities;

NOW, THEREFORE, IT IS HEREBY RESOLVED the governing body of City of Isanti hereby accepts its allocation of grant funds in the amount of $2,243.34 as listed in the "Default Allocation of Secretary of State CARES Grants" document; and,

BE IT FURTHER RESOLVED, the governing body of the City of Isanti hereby agrees to use the funds subject to the provisions of paragraphs 1 through 5, 7 through 11, and 13 through 16 of the 2020 CARES Act Grant Agreement between the State of Minnesota and Isanti County as if it were the grantee.

This Resolution is hereby approved by the Isanti City Council this 20th day of October 2020.

STATE OF MINNESOTA
2020 CARES ACT GRANT AGREEMENT

This Agreement (hereinafter "Agreement") is made between the State of Minnesota, (hereinafter, "State") acting through its Secretary of State, 180 State Office Building, 100 Rev. Dr. Martin Luther King Jr. Boulevard, Saint Paul, MN 55155-1299 ("State") and Isanti County, 555 18th Avenue SW, Cambridge, MN 55008. ("Grantee").

Recitals

1 Under Minnesota Laws 2020, Chapter 77, section 4, Grantee is empowered to apply for the funds requested in this Agreement, and submitted a grant application under subdivision 6 of that section, and State is empowered to enter into this grant.
2 Grantee represents that it is duly qualified and agrees to perform all services described in this Agreement to the satisfaction of State and in accordance with all federal and state laws authorizing this grant. Pursuant to Minn.Stat.§16B.98, Subd.1, Grantee agrees to minimize administrative costs as a condition of this grant.
3 Federal funds for this agreement are provided pursuant to the Coronavirus Aid, Relief, and Economic Security Act, Public Law 116-136, hereinafter the CARES Act.
4 State is in need of assistance to prevent, prepare for, and respond to coronavirus, domestically or internationally, for the 2020 election cycle.
5. Grantee is responsible for elections within their county and is in need of funds to take the necessary steps to so respond in a complete manner.
6. Grantee represents that it has insufficient resources to respond in a complete manner without the grant amount provided pursuant to this agreement.

Agreement

1 ***Effectiveness of Agreement***

1.1 ***Effective date:*** September 1, 2020, or the date all required signatures, including those required by Minnesota Statutes, § 16B.98, Subd. 5, have been affixed to the agreement by Grantee and State, whichever is later. Per Minnesota Statutes.§16B.98, Subd. 11, Grantee submitted and State approved a work plan and budget as part of the Grant Application, incorporated herein. Per Minnesota Statutes §16B.98 Subd. 7, no payments will be made to Grantee until this Agreement is fully approved and executed, and Grantee has been notified by State's Authorized Representative that they are in compliance with the terms of this Agreement.

1.2 ***Expiration date:*** December 31, 2020, or when all funds applied for and provided to Grantee by State have been expended, or returned pursuant to paragraph 4.4, whichever occurs first.

1.3 ***Survival of Terms.*** The following clauses survive the fulfillment of this Agreement: 4. Consideration and Payment; 8. Liability; 9. Audits and Reports; 10. Government Data Practices; 12. Property and Casualty Insurance; 13. Governing Law, Jurisdiction, and Venue; and 14. Data Disclosure.

2 ***Grantee's Duties***

2.1 ***Activities.*** Grantee, who is not a state employee, will comply with required grants management policies and procedures set forth through Minn.Stat.§16B.97,Subd. 4 (a) (1) and will use all funds provided as a result of this Agreement for the federal and state purposes permitted under Public Law 116-136 and Minnesota Laws 2020, chapter 77, section 4, subdivision 4, which are incorporated into this Agreement, and as set forth in the Grant Application previously submitted by Grantee, incorporated herein, and attached hereto. As Chief County Election Official, the County Auditor or Election Director is responsible for fulfilling all requirements of Grantee under this agreement.

2.2 ***Award and Matching Funds.*** Grantee is hereby awarded $32,936.36. Grantee must match the funds expended from this grant with local funds equivalent to 20% of the grant, or 25% of the funds expended on electronic roster systems.

2.3 ***Expenditures.*** Grantee will expend the funds only for the federal and state purposes and as described in the Grant Application submitted by Grantee, which is incorporated into this Agreement, except as set forth in paragraph 2.4 of this Agreement.

Grantee will expend funds granted by this Agreement as well as the required match, on preparations for and the necessary events connected with the primary election to be held August 11, 2020 and the general election to be held November 3, 2020, at which federal offices are on the ballot, no later than November 16, 2020, and will return all unspent grant funds to the State by December 31, 2020.

2.4 ***Municipalities.*** Grantee must work with municipalities within Grantee's jurisdiction to determine a fair, equitable, and mutually agreeable method for allocating grant funds within Grantee's jurisdiction and between municipalities. Grantee and municipalities must enter into an agreement stating the allocation and that the municipality is subject to the same terms as Grantee with respect to these funds. If no agreement is reached by September 8, 2020, Grantee must allocate and distribute the funds based on the default allocation contained in Section G of the Grant Agreement in Exhibit A. If the default allocation is used, the governing body of both Grantee and each municipality receiving funds must approve a resolution setting forth the allocation, and that by accepting the funds, the municipality is subject to the terms set forth in paragraphs 1 through 5; 7 through 11; and 13 through 16 of this Agreement as if it were the Grantee.

Grantee must report the allocation to municipalities within Grantee's jurisdiction to State by September 15, 2020. At the time of that report, Grantee must also certify that they have written agreements with municipalities regarding the allocation and terms, or that the County has utilized the default allocation.

2.5 ***Reporting Requirements.*** Grantee shall report to the State as specified in this Agreement.

2.5.1 Progress Reporting. Grantee shall submit, by November 16, 2020, a financial reporting form to the State utilizing the format identified by the State, stating the amount spent from this grant in calendar year 2020 for authorized expenses or electronic roster systems, a description of each expense or purchase, and how much of the grant award is unexpended and is being returned, if any, and the total of the proportionate match required by Minnesota Laws 2020, Chapter 77, section 4.

2.5.2 Other Requirements. Grantee must maintain financial records for each grant sufficient to satisfy audit standards or other reporting requirements and must transmit those records to the secretary of state upon request of the secretary of state.

2.5.3 Evaluation. State shall have the authority, during the course of this grant period, to conduct an evaluation of the performance of Grantee.

2.5.4 Requirement Changes. State may modify or change all reporting forms at their discretion during the grant period.

2.5.5 Special Requirements. The State reserves the right to append to the Agreement terms, at any time before all grant funds have been expended, special administrative requirements deemed necessary to assure Grantee's successful implementation of the program. The State will notify the Grantee in writing of any special administrative requirements.

2.6 *Accounting Requirements - Fiscal Control and Accounting Procedures.*

Grantee's fiscal control and accounting procedures must be sufficient to:

(a) Permit preparation of reports required by this Agreement,

(b) Permit the tracing of funds to a level of expenditures adequate to determine that funds have not been used in violation of this agreement, and

(c) Support accounting records through source documents, such as: cancelled checks, invoices and paid bills, agreement and sub award documents, and records sufficient to detail history of procurements.

2.7 *Alterations in Spending Plan.*

Any changes in the purposes for which this grant is spent that are still within the federal and state purposes, or adjustments in local allocations, from those set forth in the grant application, must be agreed to by the State.

3 *Time*

Grantee must comply with all the time requirements described in this Agreement. In the performance of matters funded pursuant to this Agreement, time is of the essence.

4 *Consideration and Payment*

4.1 Consideration. The State will make an award to Grantee under this Agreement as follows:

(1) *Grant Award.* Grantee will be awarded the amount listed in paragraph 2.2 of this Agreement.

(2) *Total Obligation.* The total obligation of State to Grantee under this Agreement will not exceed the amount listed in paragraph 2.2 of this Agreement.

4.2 *Fiscal Requirements.* Grantee shall report to the State as provided by paragraph 2.5 of this Agreement.

4.2.1 Financial Guidelines. Grantee's eligible expenditures under this Agreement must be specifically incurred by Grantee or municipalities with an agreement with Grantee. Grantee will report on all expenditures pertaining to this Agreement as provided in paragraph 2.5.

4.2.2 Records. Grantee must retain all financial records for a minimum of six (6) years after the date of submission of the final financial report, or until completion of an audit which has commenced before the expiration of this six-year period, or until any audit findings and/or recommendations from prior audit(s) have been resolved between the Grantee and State, whichever is later, and comply with all other retention and access requirements for records provided in the jurisdiction's retention schedules. Grantee must cooperate with any audits related to the use of these funds conducted by the United States Election Assistance Commission, Office of the Inspector General. In addition, Grantee must maintain records sufficient to report expenditures made during the term of this Agreement upon request of the State, including but not limited to a final report prior to the end of the term of the Agreement

4.3 *Payment Invoices.* State will pay the grant amount to an account of Grantee within 30 days after the effective date of this Agreement.

4.4 *Conditions.*

(1) Payments under this Agreement will be made from federal and state match funds appropriated by Minnesota Laws, 2020, Chapter 77, section 4. Grantee is responsible for compliance with all requirements imposed on these funds and accepts full financial responsibility for any requirements imposed by Grantee's failure to comply with statutory or Agreement requirements.

(2) Grant funds must be used only to increase the funds that would, in the absence of this grant, be made available for the federal and state purposes.

(3) Grantee assures that these grant funds are required for the federal and state purposes because Grantee has insufficient funds to respond completely to the coronavirus pandemic.

(4) Grantee will return all funds unexpended for the federal and state purposes on November 16, 2020 to OSS no later than December 31, 2020,

5 *Satisfaction*

All duties required and agreements or assurances provided by Grantee in this Agreement must be performed to State's satisfaction, as determined at the sole discretion of State's Authorized Representative and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations.

6 *Authorized Representative*

State's Authorized Representative is David Maeda, Director of Elections, 180 State Office Building, 100 Rev. Dr. Martin Luther King Jr. Boulevard, Saint Paul, MN 55155-1299, 651-556-0612, or his successor, and has the responsibility to monitor Grantee's performance and compliance with this Agreement.

Grantee's Authorized Representative is Chad Struss, Auditor-Treasurer, 555 18th Avenue SW, Cambridge, MN 55008 763-689-8209 chad.struss@co.isanti.mn.us .
Grant payment will be made to:
Isanti County
Federal ID Number: 41-6005808

Grantee must be registered as a vendor in the SWIFT system, or must provide a W-9 form with this executed agreement, in order for State to register Grantee in the SWIFT system.

If Grantee's Authorized Representative changes at any time before the funds provided for in this Agreement are fully expended, Grantee must immediately notify the State.

7 *Assignment Amendments, Waiver, and Agreement Complete*

7.1 **Assignment**

Grantee shall neither assign nor transfer any rights or obligations under this Agreement without the prior written consent of State, approved by the same parties who executed and approved this Agreement, or their successors in office.

7.2 **Amendments**

Any amendments to this Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original Agreement, or their successors in office.

7.3 **Waiver**

If State fails to enforce any provision of this Agreement, that failure does not waive the provision or State's right to enforce it.

7.4 **Agreement Complete**

This Agreement contains all negotiations and agreements between State and Grantee. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

8 *Liability*

Grantee must indemnify, save, and hold State, its agents, and employees harmless from any claims or causes of action, including attorney's fees incurred by State, arising from the expenditures of the funds provided by this Agreement by Grantee or Grantee's agents or employees.

9 ***Audits and Reports***

Under Minnesota Statutes, § 16C.05, subd. 5, and 16B.98, subd. 8, Grantee's books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by the State and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement, receipt and approval of all final reports, or the required period of time to satisfy all state and program retention requirements, whichever is later. Grantee must cooperate with any audits related to the use of these funds conducted by the United States Election Assistance Commission, Office of the Inspector General. In addition, Grantee must report expenditures made during the term of this Agreement upon request of the State, including but not limited to a final report prior to the end of the term of the Agreement.

10 ***Government Data Practices***

Grantee and State must comply with the Minnesota Government Data Practices Act, Minnesota Statutes, Ch. 13, as it applies to all data provided by the State under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by Grantee under this Agreement. The civil remedies of Minnesota Statutes, § 13.08 apply to the release of the data referred to in this clause by either Grantee or State.

If Grantee receives a request to release the data referred to in this Clause, Grantee must immediately notify State. State will give Grantee instructions concerning the release of the data to the requesting party before the data is released. Grantee's response to the request shall comply with applicable law.

11 ***Workers' Compensation***

Grantee certifies that it is in compliance with Minnesota Statutes, § 176.181, subd. 2, pertaining to workers' compensation insurance coverage. Grantee's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State's obligation or responsibility.

12 ***Property and Casualty Insurance***

Grantee is required to maintain a property and casualty insurance policy covering "All Risk" (or equivalent) of direct physical loss or damage, including, but not limited to, the perils of transit (if applicable), theft, and flood for devices or systems acquired using funds granted under the Agreement. The insurance limit shall be equal to the replacement cost of any electronic roster systems purchased with funds from this grant. Any deductible shall be the sole responsibility of Grantee.

13 ***Governing Law, Jurisdiction, and Venue***

Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. Venue for all legal proceedings out of this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

14 ***Data Disclosure***

Under Minnesota Statutes, § 270.66, and other applicable law, Grantee consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to the State, to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring Grantee to file state tax returns and pay delinquent state tax liabilities, if any, or pay other state liabilities.

15 ***Termination.***
State may immediately terminate this Agreement with or without cause, upon 30 days' written notice to Grantee.

16 ***Grantee Procurement***
Grantee certifies that it will use the procurement processes applicable in Grantee's jurisdiction in purchasing items or equipment with funds subject to this Agreement.

1. ENCUMBRANCE VERIFICATION
Individual certifies that funds have been encumbered as required by Minnesota Statutes, §§ 16A.15 and 16C.05.

Request for City Council Action

To: **Mayor Johnson and Members of City Council**

From: Matt Sylvester, Public Services Director

Date: October 20, 2020

Subject: Consider Resolution to Purchase a Vanguard Sanitizing System

---

Background:

Public Works will jet approximately one third of the sewer mains in town every year. While jetting staff is continually being exposed to raw sewage on the jetter hose. The raw sewage contains an abundance of Dangerous Bacteria, Viruses, and Parasites. Staff recently discovered a Vanguard Sanitizing System that will remove up to 98% of the Bacteria and Viruses found on the jetter hose. The unit wraps around the jetter hose and sprays the hose with a sanitizer during its retrieval. The unit can also be used to disinfect touch points on the truck as well as tools. The cost for the unit is $10,490.00 from MacQueen Equipment. The funding source for the unit would come from Coronavirus Relief Funds as a necessary expenditure due to the public health emergency with respect to the Coronavirus Disease (Covid 19).

Recommendation:

Staff is recommending to purchase the Vanguard Sanitizing System from MacQueen Equipment in the amount of $10,490.00. The funding source would come from the Coronavirus Relief Funds.

Requests:

Staff is requesting action on this item.

Attachment:

- Resolution 2020-XXX – Authorizing Purchase of Vanguard Sanitizing System

RESOLUTION 2020-XXX

AUTHORIZING PURCHASE OF VANGAURD SANITIZING SYSTEM

WHEREAS, the City of Isanti received $454,377.00 in Coronavirus Relief Funds (CRF) due to the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act; and,

WHEREAS, the funding from the Coronavirus Relief Funds is required to be used for expenditure that:

- Are necessary expenditure incurred due to the public health emergency with respect to the Coronavirus Disease (COVID-19)
- We're not accounted for in the budget most recently approved as of March 27, 2020
- Were incurred during the period that begins on March 1, 2020 and ends on December 31, 2020

WHEREAS, the purchase of Vanguard Sanitizing System for sanitizing the jetter hose and touch points on the truck; and,

WHEREAS, the cost for the Vanguard Sanitizing system is $10,490.00; and,

WHEREAS, staff has determined the purchase to ensure Public Health and Safety are in the best interest of the city;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. The purchase of a Vangaurd Sanitizing System.
2. Funding source identified as Coronavirus Relief Funds.
3. Authorize staff to sign required documentation for the purchase.
4. Authorize payment, if needed at the time of delivery prior to inclusion on Accounts Payable listing.

This resolution was duly adopted by the Isanti City Council the 20th day of October 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: October 20, 2020
Subject: LETG Records Management System Agreement

Background:

All Law Enforcement agencies within Isanti County share a common records management system that is hosted by the Isanti County Sheriff's Office. For past upgrades there has not been an agreed upon financing mechanism for funding.

Recommendation:
Staff is recommending authorization to enter into Memorandum of Understanding formalizing the financing mechanism and guidelines which will govern the City of Isanti Police Departments use of the Isanti County Sheriff's Department LETG Records Management System.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Authorize staff to sign Memorandum of Understanding with Isanti County Sheriffs Office.
2. Approve Resolution as written.

RESOLUTION 2020 -XXX

APPROVING A MEMORANDUM OF UNDERSTANDING WITH ISANTI COUNTY SHERIFFS OFFICE FOR LETG RECORDS MANAGEMENT SYSTEM

WHEREAS, Isanti Police has utilized the LETG records management system hosted by the Isanti County Sheriff's Office since 2007; and,

WHEREAS, the records management system requires system upgrades and maintenance; and,

WHEREAS, staff has determined that a formalized financing mechanism and guidelines are in the best interest of the city; and,

WHEREAS, City staff has authorization to sign related documents;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve a Memorandum of Understanding, Exhibit A, formalizing the financing mechanism and guidelines which will govern the City of Isanti Police Departments use of the Isanti County Sheriff's Department LETG Records Management System.

This Resolution hereby approved by the Isanti City Council this 20th day of October 2020.

MEMORANDUM OF UNDERSTANDING

The purpose of this Memorandum of Understanding is to formalize the financing mechanism and guidelines which will govern the City of Isanti Police Departments use of the Isanti County Sheriff's Department LETG (Law Enforcement Technology Group) Records Management System.

Upon approval by both governing boards, The City of Isanti Police Department agrees to pay the Isanti County Sheriff's Office a pro rata share of the total cost to update servers associated with the LETG Records Management System based upon the mutually agreed upon number of users. The useful life of the upgraded servers is expected to be 3.5 years.

Costs associated with future LETG server/technology upgrades will also be shared pro rata with other benefitted agencies based on the number of users. Isanti County agrees to provide details of this and any future calculations used to determine the City of Isanti's financial obligation. The City of Isanti and Isanti County reserve the right to end this agreement and hence, use of the County maintained LETG Records Management System at any time with 60 days written notice.

Furthermore the City understands that no reimbursement will be made to the City by the County based on remaining useful life of the servers or associated hardware if the City terminates this agreement. Should the County terminate this agreement and hence the City's use of the LETG Records Management System the city shall be reimbursed for the City's pro rata share of the remaining useful life.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: October 20, 2020
Subject: Resolution 2020-XXX A Joint Resolution With Isanti Township For Road Maintenance Of Split Jurisdiction Roads

---

Background:
Staff and Members of Isanti Township Board have discussed a Joint Resolution for Road Maintenance of roads that share half City/ County. The Resolution for Road Maintenance will include 3rd Ave NW between Isanti Parkway and Jackson St NW/ 299th Ave NW, 299th Ave NW between Jackson St NW and the Railroad Tracks, Polk St SW between South Passage SE to the Athens Township line, and Hastings St NE and 279th Ave NE. Both parties agree that annual minor road maintenance will include but is not limited to winter plowing, salt/sanding, pothole patching, grading, ditch mowing, brush cutting and shouldering work. Both parties also agree that at which time there are major repairs or road maintenance to which the addition of gravel, bituminous overlay such as crack filling and chip sealing, and culvert work to Joint Jurisdiction Roads it will be agreed upon separate from this agreement.

Recommendation:
Staff is recommending to accept the joint Resolution with Isanti Township for road maintenance.

Request:
Staff is requesting action on this item.

Attachment:
- Resolution 2020-XXX

A JOINT RESOLUTION

CITY OF ISANTI, MN RESOLUTION 2020-XXX

ISANTI TOWNSHIP RESOLUTION: _____

This Joint Road Maintenance Agreement (the "Agreement") is made and entered into as of this 13 day of October, by and between the City of Isanti, a Minnesota municipal corporation ("City") and the Township of Isanti ("Township").

WHEREAS, there are presently, and may be in the future, certain roadways where both the City and the Township abut or include in their jurisdiction, portions of the right of way or traveled surface hereafter referred to as "Split Jurisdiction Roads:"; and,

WHEREAS, pursuant to and in accordance with the provisions of Minnesota Statutes Section 471.59, the City and Township wish to establish certain agreements and understandings concerning maintenance and repair of these Split Jurisdiction Roads;

NOW, THEREFORE, BE IT RESOLVED, jointly by the City Council of the City of Isanti and the Township Board of Isanti Township as follows:

1) *Agreements Relating to Specific Roadways.* The following terms and conditions shall apply to the following specific roads:
   a. *3rd Avenue NW between Isanti Parkway NW and intersection of Jackson St NW/ 299th Ave NW.* The City shall maintain this Split Jurisdiction Road to include all road maintenance. The Township shall be responsible for ditch maintenance, shouldering and signage repair on the West side of the roadway.
   b. *299th Ave NW between Jackson St NW and the Railroad Tracks.* The Township shall maintain this Split Jurisdiction Road to include all road maintenance. The City shall be responsible for ditch maintenance and signage repair on the South side of the roadway.
   c. *Polk St SW between South Passage SE to Athens Township line.* The City shall be responsible for all annual maintenance of this section of roadway. The City shall only be responsible for signage repair on the West side of the roadway where the City owns the right-of-way.
   d. *Hastings St NE and 279th Ave NE.* The Township shall be responsible for all annual maintenance of these roadways. The Township shall only be responsible for the signage on the West side of Hastings St NE and the South side of 279th Ave NE.

2) *Annual Minor Road Maintenance.* Annual minor road maintenance includes but is not limited to winter plowing, salt/sanding for ice control, pothole patching, grading, ditch mowing, brush cutting and shouldering work.

3) *Major Repairs or Road Improvements.* Major repairs or road improvements, which include addition of gravel, bituminous overlay methods such as chip sealant and crack filling, and culvert work, to Joint Jurisdiction Roads will be agreed upon by the City of Isanti and Isanti Township separate from this agreement.

4) *Good Faith Reasonable Efforts*. The City and the Township agree to use reasonable and good faith efforts to accomplish their respective responsibilities as set forth in this Agreement, except where such efforts are impeded by forces beyond the reasonable control of the party required to perform.

5) *Amending Terms*. This Agreement contains all the agreements relating to the subjects addressed herein, an officially adopted amendment is required to amend or vary any of the terms of this Agreement, and any failure to enforce a portion of this Agreement shall not constitute a waiver of any terms of this Agreement.

MEMORANDUM

Date: October 14, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) 6th Avenue Rehabilitation

The contractor plans to complete this project in the coming month. The final assessment hearing is scheduled for November 4, 2020.

2) TH 65 & Cajima Street RCUT Improvements

Minor punchlist items will be wrapped up this month.

3) 2020 Pavement Management Project

Minor punchlist items will be wrapped up this month.

4) 2020 Storm System Management Project

Minor remaining items will be completed this fall.

5) Legacy Pines 2nd Addition

Minor Punchlist Items will be addressed this month.

6) Legacy Pines 3rd Addition – Phase 1

Street construction is scheduled to be completed this month.

7) Legacy Pines 3rd Addition – Phase 2

Utilities have been installed, and street construction is scheduled to be completed this month.

8) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

E. Committee Meeting Items

1. Police Updates

- The Police Department recently hired two new Full-Time Police Officers. Both Officers came with years of experience from other departments. They are currently in field training and expected to be on solo patrol in early November.
- The 2021 Dodge Durango was put into service in August.
- All 3 of the Dodge Durango patrol vehicles are operated hours every day of the week. The older Ford Explorers are operated by the SRO and CSO.
- All evidence and property located at the Police Department was audited and entered into records management system. This was the first time that the audit and items were recorded into the records management system.
- Evidence property room was updated with key fob access (in addition to analog key) in 2019. CCTV camera was installed on evidence/property room in September 2020. These upgrades enhance the integrity and security of property.

2. Water and Sewer Rate Studies

- Finance Director Mike Betker discussed the water and sewer rate studies.
- Recommendation from Committee is to move forward with option 2 to reduce the water consumption rates in 2021 by 5% and leave unchanged in 2022 and 2023.
- Water base rate would be unchanged in all 3 years and water access charge would go up by 5% each year.
- Recommendation from Committee is to move forward with option 2 to reduce the sewer consumption rates in 2021 by 15% and leave unchanged in 2022 and 2023.
- Sewer base rate would be reduced by 5% in 2021 then unchanged in 2022 and 2023 and sewer access charge would go up by 5% each year.

3. Liquor Store Preliminary Plans

- The proposed layout design of the liquor store was shared.
- The highlights to the design included:
    - A twenty-six-door rail cooler
    - A large beer cave to guarantee cold case beer on demand, without having to spend a lot of staff time re-stocking

- A larger area for backstock, which will not only allow for bigger buys and better deals, but increase staff safety as well
- A designated area to stage curbside pickup orders
- Adequate warm shelf space to stock wider selection of product
- Promo/ Display/ Give Away/ Tasting area will allow the flexibility to promote sales items, display give away items, hold tasting events, etc.
- The proposed location of the sales counter will still allow greeting every customer as they enter the store
- Exterior to match existing city buildings.

- Staff continue to work hard to find the least expensive, yet appropriate interior and exterior options.
- Pallet racking will be used on the sales floor to merchandise beer below, and overstock above.
- The design will allow selection expansion and services as well.

4. 207 Richard Ave- *Update*

- A letter was sent to the lean holder of the property since there is no next of kin or co-owner listed.
- It was stated that either the City or the County may move forward with an abatement.
- Isanti County has statutory authority

5. Draft ORD Chapter 216

- Staff has drafted changes they are recommending to Chapter 216 to be consistent with the League of Minnesota Cities' model policy, policies that were previously adopted by resolution and for Code Enforcement to have more definition of what is considered a nuisance violation.
- Significant changes include:
  - Detailed definitions of noxious weeds, grass and other rank growths.
  - Nuisance for grass over 8".
  - Inclusion of snow and sidewalk clearing to be consistent with the snow plowing policy.
  - Inclusion of objects causing obstructions, wire and limbs that are hazards, obstructing water flow, and building condition.
  - Detailed language for the notice and abatement process and procedures.
- The City Attorney will be reviewing the draft prior to being presented to Council.
- Recommendation from Committee is to move forward and post for the required 10 days and bring to Council for consideration.

6. Pedestrian Overpass/ Underpass- Possible Funding Sources- *Update*

- It has been brought to City staff and City Engineer's attention that $2.15 million was awarded to the City of Isanti through Omnibus Appropriations Act in 2010 and is still available for the City to use on the pedestrian overpass project that was last evaluated in 2010-2011.
- The overpass was proposed to cross TH 65 at Broadway Street and extend a trail across a wetland to 8th Avenue SE. With the completion of the hotel at this location, the alignment and design of the trail and overpass/ underpass may need to be re-evaluated.
- The trail alignment will require easement acquisitions and wetland mitigation to construct the eastern trail section.
- The original concept was to construct a pedestrian overpass. It has been requested to evaluate the possibility of constructing and underpass as an alternative. Until a full study is completed, both options appear viable.
- The extent of retaining walls and ramp lengths will determine which is most cost effective, and the City will need to make a determination as to which type of crossing, they prefer once the feasibility of each has been studied.

- The pedestrian overpass cost estimate has been updated to current 2020 construction costs and is estimated at a total project cost of $4.25 million dollars. The underpass option may prove to have a cost savings, depending on the crossing location selected.
- 2025 is the earliest anticipated fiscal year the below funding sources could all apply and meet all application deadlines. The application year listed below is the anticipated year the application would need to be submitted to request funds for a 2025 construction project.
- The initial estimated cost to the City in 2021, to begin the evaluation of the project, is estimated at $64,000 which includes the creation of a feasibility report and the first three funding applications that would be needed in 2021.
- Depending on which applications are successful, 2022 there would be 1 to 3 more applications to complete for $6,000-$26,000.
- It is highly unlikely to succeed in receiving all the below funds. It is anticipated a best-case scenario would be to receive approximately $1,700,000 in additional funds, leaving $400,000 in local funds required to cover ineligible project costs such as right of way acquisition and design fees plus the cost of the feasibility report ($42,000) and funding applications ($48,000) for a total estimated minimum cost to the City of $490,000.
- Recommendation from Committee is to not move forward with the project at this time.

7. School for All Season Request

- Mayor Johnson received letters from Sharon Grace, a teacher from A School for All Seasons, and her 3rd grade students where they asked for a community center such as a YMCA facility for the community.
- The Mayor and Council appreciated the requests made and discussed potential future options.
- No further recommendations were made from the Committee.

8. Traffic Control at the Intersection of Rum River Drive SW/ Birch St.

- The surrounding homes of the intersection of Rum River Drive SW and Birch St are requesting a stop sign to replace the yield sign.
- Recommendation from Committee is to install 3 stops signs at the intersection of Rum River Drive SW and Birch St

9. Railroad Quiet Zone Estimate

- Trains are required to blow their horns as they cross roadways that do not meet their quiet zone intersection controls, such as raised medians, ped crossing maze, additional crossing arms, new planking and Continuous Warning System Controls.
- The Continuous Warning System is needed at all quiet zone crossings and is part of the control system used at the crossing.
- If the existing controls do not already have the Continuous Warning System it would need to be added for an estimated cost of $100,000 per intersection where it is needed.
- To determine if this is needed at each crossing an initial onsite diagnostic meeting would nee to be held with the Railroad.
- There are 4 railroad crossings within City limits. Each crossing will need different improvements to meet quiet zone requirements. The estimated cost of this project anticipated at each intersection:
    - **South Passage:** $225,000- Ped Maze, Additional Arms, Raised Median, Continuous Warning System
    - **Main Street:** $350,000- Close 1 Ped Crossing, Ped Maze, Raised Median, New Planking, Continuous Warning System
    - **Heritage Boulevard:** $225,000- Raised Median, Continuous Warning System
    - **Isanti Parkway:** $225,000- Raised Median, Continuous Warning System

- Total project cost is estimated at $1,025,000. If all 4 intersections already have the Continuous Warning System the estimated cost would be $625,000.
- No further recommendations were made from the Committee.

10. Mainstreet Speed Discussion

- The speed limit on Main Street from 3rd Avenue to Elim Lane is currently 30 mph. This segment of roadway is treated as the City's downtown with an emphasis on pedestrian walkability throughout this downtown overlay district.
- It has been requested to evaluate the speed limit through this area to determine if a reduced speed is warranted.
- The City of Isanti, Pursuant to Minnesota Statute 169.14 Subd 5h, is authorized to establish speed limits as long as it is implemented in a consistent and understandable manner and communicated through the placement of appropriate signs.
- The City must develop procedures based on safety, engineering and traffic analysis to identify the appropriate speed limit for a Main Street study area.
- The evaluation would consist of reviewing existing traffic speed and volume, identify any safety issues, review crash history, identify any recommendations for crossing enhancements and conduct an engineering study to establish the appropriate speed limit.
- Bolten & Menk can complete the evaluation for an hourly, not to exceed fee of $8,000.
- Should a speed limit of 25 mph be the recommended speed, the council will simply need to pass a resolution adopting this speed limit and post the speed limit at all cross streets, this would include the installation of approximately 11 speed limit signs and 2 end speed limit signs.
- Should the recommendation be to reduce the speed limit below 25 mph, the resolution would need to be submitted to the Commissioner of Transportation for approval before it can be posted and enforced.
- Recommendation from Committee is for Chief of Police Travis Muyres to look into speed limit signs and bring back to Committee of the Whole for further discussion.

F. Adjournment

Meeting was adjourned at 6:39 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Moore
Deputy City Clerk/ Human Resources

CITY OF ISANTI
PLANNING COMMISSION MEETING
TUESDAY, August 18, 2020

1. **Meeting Opening**
   A. Call to Order: Chair Johnson called the meeting to order at 7:29 p.m.
   B. Pledge of Allegiance
   C. Roll Call: Members present: Jeff Johnson, Dan Collison, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon.
   Members Absent: Alexander Collins
   Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis
   D. Agenda Modifications: None

2. **Meeting Minutes**

   A. Approval of Minutes from July 21, 2020 Planning Commission Meeting motion by Collison, second by Lundeen motion passes 6-0.

3. **Public Hearing**

   A. Request from Scott Zimprich for a garage to exceed 580 square feet and to be larger than the house at 201 Broadway. Sellman explained the variance request in which the applicant proposes to construct a larger detached garage than the allowable square footage based on the lot size and would exceed the size of the principal structure on the lot. The applicant has started to pour a concrete slab for the detached garage without approval of the building permit application and a stop work order was issued to the homeowner. The applicant, Scott Zimprich was present at the meeting and available for questions. There was one person, Luke Merrill, present from the public to speak at the public hearing. Luke explained that the homeowner does not currently have a garage on his property, and by allowing the variance, it would increase the property values of neighboring homes as well. The Planning Commission discussed whether a variance should be granted due to the applicant starting the project without City approval, and if the Planning Commission would have to grant all similar applications in the future. Motion for denial of the variance request by Johnson, 2nd by Collison, motion passed 4-2.

4. **Other Business:** None

5. **Discussion Item:** None

6. **Adjournment:** Motion by Bergley, 2nd by Collison to adjourn, motion passed 6-0 meeting adjourned at 8:02 p.m.

Respectfully submitted by Ryan Saltis, Community Development Specialist

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
August 25, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:01 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, and Council Member Jimmy Gordon
Members Absent: Brian Thum
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Gordon with no modifications. Motion passed 3-0

2. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from July 28, 2020. Motion passed 3-0.

3. Park Visits Reports Review: Garvey explained that at the July 28, 2020 PRC Board meeting, all board members handed in their assigned park visits and staff has drafted a compilation of each members parks for review and to further discuss items and invited the PRC Board for their input and for prioritization of projects. Aaron Zdon reviewed Academy and Whisper Ridge. His findings for Academy was an overall rating of 5 and items he noted were to rake at landings of swings and slides. Garvey noted that this is battle at most of our playgrounds and that some of them have rubber mats at the slide to assist with this item. Zdon also noted another item is possible better ADA access from the road. Staff noted that they will look at this into more detail as this was not done with the original project as the park area was first developed for the school and that has ADA access via the sidewalk into the park area. Zdon noted for Whisper Ridge an overall rating of 2 and items noted were surface cracks on court, ridges and cracks from roots along trails leading into park area he also wants to ensure we discuss the future of the park in more detail in the near future on the cost to repair vs. cost to remove and replace with green space. Witte asked about a rubberized option for courts and the cost and longevity. Zdon stated we hasn't sure what that would be, Garvey also noted she was not aware of what that cost or option would entail. For tennis court repair the subsurface is what would also need to be replaced to ensure a better surface area. Garvey noted that the Whisper Ridge has a CIP plan and wasn't sure what the timeframe or items were on this park. Brian Thum had reviewed Legacy, Mattson and VFW parks. Thum noted for Legacy an overall rating of a 5 and noted these items of encroaching vegetation by FV overlook bench and stairs. Tree limb by Sunnyside landing had fallen and he requests to move the large park sign closer to the parking lot. Garvey noted that these items will be addressed by public works and are in the short-term plan and the sign was actually in the process of getting moved into the new location now that the parking lot is nearly finished. Garvey also noted that we had a map sign and that has also been returned to the park entrance along the trailhead. Thum also visited Mattson and gave an overall rating of a 3 and had nothing to note for this park. The board wondered the rating of a 3 as they all felt the park was in pretty good shape. For VFW park Thum gave an overall rating of a 4 and had nothing to note for this park. James Witte reviewed River Bluff Preserve, Rum River Meadows, and Isanti Hills Neighborhood (IHN) parks. Witte's findings for River Bluff Preserve were an overall rating of a 4 and items noted were the trails need a good cleaning, as habitat starts to move in on trails in between the steps and s curve. Steps could use the blower for debris. Witte inquired what rock base they use on the steps and to note that this shouldn't be removed when cleaning up the stairs. Branch on south zig/zag trail to look at for possible falling hazard. He noted for Rum River Meadows an overall rating of a 4 and items noted are wood chips kicked out by bench swing. Witte recommend a concrete border around playground. Garvey added that this project was actually completed two weeks ago and was our last playground area to have this completed, which we had on our project list to do. Witte also noted weed control in wood chips. Witte noted for IHN an overall rating of a 3, and items noted were outdated park, damage to end slide piece. Various carving and scratches on equipment due to vandalism, the mulch looked aged and the pavilion showed no signs of damage. Garvey noted that this park is an example of what staff has mentioned at previous meetings regarding outdated playground equipment and that we can no longer get replacement parts

for this playground. Witte added a comment about the volleyball net at Rum River Meadows has a hole and this court does not seem to get used. Garvey added that a volleyball court too often is not on a grass surface and that when Bluebird park was developed this park had that as an option and wasn't installed, and then when the additional lots were secured for RRM it was decided that one could be added to this park area to have one within our park system. Jimmy Gordon reviewed Bluebird, Riverside and Unity parks. Gordon findings for Bluebird were an overall rating of a 5 and items noted were swing chair could use some oil/grease, repaint hopscotch, missing garbage can by pavilion, and a merry-go-round addition was suggested. Garvey noted that many swings in the system squeak and have added this to the maintenance list, and continued that the city has stencils for the other items but not the hopscotch one and will look at end of year budget to see if we can purchase one to have. Gordon reviewed Riverside with an overall rating of a 4 and items noted were black residue on sides of stairs and platform and weeds in tot area in wood chips. Gordon noted for Unity an overall rating of a 4 and items noted were bleachers should be painted and/or boards replaced. Garvey indicated that the bleachers are in the 2021 CIP and will get replaced next year. Garvey then reviewed these items for prioritization:

Short-Term and Immediate Maintenance Projects:

- Academy: Rake mulch
- Bluebird: swing grease/oil, garbage can replacement(ongoing)
- Isanti Hills Neighborhood: mulch
- Legacy: sign to be moved when parking lot is complete and additional map sign to be brought back (completed August)
- Riverside: weeds removed from tot area and residue removal.
- Rum River Bluff Preserve: cut vegetation along trails, debris removal from steps
- Rum River Meadows: concrete edging project completed Aug 10; weeds removed from mulch.

Long-Term Projects:

- Ramp access at Academy from road
- Unity: Bleachers – 2021 CIP
- Discuss future of Whisper Ridge – resurface courts? Larger park overhaul?
- Bluebird Hopscotch – new stencil needed, end of year budget item to review

4. Tree Plan Review- Garvey reviewed the city does not have a tree plan in place, but staff is in the process of researching this in more detail and will bring back to a future meeting. The city has 11 parks and several of these parks are newer and have less trees than other more established parks. The parks that staff recommends to look at in more detail are: Academy, Bluebird, Riverside and Rum River Meadows. This fall PW will be creating the sledding hill in the northwest corner of Bluebird park on the existing hillside. With the addition to the hillside, trees need to be removed on the top of the hill and moved to a new location. Tree moving cost is estimated at $600 for the three trees. Staff is requesting recommendations for tree movement within Bluebird of the three trees that need to be moved for the sledding hill. Garvey reviewed the options within Bluebird to move the trees to bench areas to provide shade and provided pictures for the board to review. Zdon added that when Bluebird was first planned there was a tree plan put in place and it stopped with the crash in the market and to review this plan and the budget implications. Zdon added that they be moved to the play area and the bench areas. Witte asked about Rum River Meadows and that this has a couple of trees within the park area but on the north side of the park and inquired if that moving one to RRM be an option. Zdon asked the budgeting and plan for future years, Garvey noted that she has not started that process and that this was the start and we needed to just move these three trees at this time. It was noted that the bench in RRM on the west end would be the most beneficial to have a tree placed to provide shade. The board reviewed the Bluebird park option to move the tree to the north bench and the west bench. Staff added that the west bench may not have enough space to plant a new tree, so asked if that was not an option what the next option they would like to see a tree be placed. Zdon suggested to shade the biffys on the north end. Gordon asked if bringing another tree to RRM would be an option. Zdon asked if it was still well used and indicated to add the other tree to provide a shade tree for the picnic tables. Direction was to have two trees at RRM, if the tree on the west side of BB playground would not be a viable option.

5. Department Updates – Garvey reviewed she does not have any updates at this time on the Fir Street item. Garvey created a new promotional event flyer that she gave to the board. Curious Creatures was held on August 11 with the Ice Creme theme with 10 kids at Mattson Park. Street Dance was held August 8th with Brat Pack Radio with 10 vendors and an additional alcohol vendor that was approved by city council. Attendance was a bit more than July's and this dance followed the Rum River Rods Car Show that was during the day. The dog park is being well used and new amenities have been added from our donation from the Rotary Club of Cambridge & Isanti. Staff is making a plaque to be place within the park. Bluebird park has had some vandalism in the past few weeks. A tunnel piece on the playground was damaged and a replacement part has been ordered and hope to have by end of September. The bathrooms on the south end of the BMX building have been vandalized twice in the last couple of weeks and they have been temporarily closed as we fix the hand dryer. The skate park had a few boards replaced that were damaged. The movie schedule has been created and movies picked the schedule will be Nov 6 – The Mighty Ducks 2; Dec 11 – The Polar Express; which we will include a Santa visit this night before the movie, which council approved at their Aug 5 meeting; Jan 22 – Frozen II; Feb 19 – Cars; and Mar 26- The Sandlot which I was not able to show this past March so bringing it back. The Isanti Family Farmers Market continues through Sept 25, Friday's from 2-6pm. The other upcoming events and projects are: the sledding hill project starting Sept 8; Family Day at Legacy Park – Sunday Sept 27 from 3-5pm to include, hiking, smores, and family photos and prize drawings from C-I Hockey Assc, CMK Financial Services, Connexus Energy, Coborn's Marketplace, Isanti Physical Therapy, Rockstad and Co. Relics & Wares); new event of a Candy Cane Flashlight Hunt – Sunday Dec 13 from 5-6:30pm at Legacy Park and the monthly Curious Creatures 9-10am Sept 15 – Back to School at Isanti Hills Neighborhood Park; Oct 6 - Police/Fire, Nov 10 – Gobble, Gobble and Dec 8 – Santa Fun all at Isanti Community Center. Garvey added that she creates Facebook events for the department on the city page. Legacy park parking lot is nearly completed. The community garden's sunflower maze is in full bloom and the maze is available for the gardeners to walk through.

Adjournment: Motion by Witte, second by Gordon to adjourn the August 25, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 3-0, meeting adjourned at 6:48 p.m.

Respectfully Submitted

MEMORANDUM

Date: October 26, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation Project – Final Assessment Hearing
City of Isanti, MN
BMI Project No. R13.120122

Attached is the final assessment roll for the 6th Avenue SW Rehabilitation project.

The assessments for this project are based on 25% of the assessable street cost in accordance with City code 276. The watermain was not assessed as the work was performed to improve city wide water distribution by enlarging the watermain size. The sidewalk was not assessed as it was a new sidewalk not petitioned for by the residents. No work was done on the sanitary sewer.

The final assessments, based on the amount bid and quantities constructed, is $32.55 per assessable front footage. This is an average of $2,751.08 per parcel. The previous assessment project completed in Isanti had an average assessment of $3,298.20 per parcel. The average assessment on this project is $547.12 less per parcel on average.

It is proposed to do a 10-year payment schedule levied on the property taxes with a 1.71% interest rate. beginning in 2021. This comes out to an average parcel cost per year of approximately $300.

The total cost proposed to be assessed to benefiting properties is $74,279.13.

Please contact me at (763) 200-2444 if you have any questions.

RESOLUTION 2020-XXX

ADOPTING ASSESSMENT FOR THE 6th AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to proper notice duly given as required by law, the City Council has met, heard and considered any and all objections to the proposed assessment for the 6th Avenue SW Rehabilitation Project, consisting of the improvement of: 6th Avenue SW, from the intersection of South Brookview Lane SW to South of Dogwood Street SW. Said improvement consisted of the reconstruction of street, curb and gutter, and watermain as well as the construction of a new sidewalk. The proposed assessments are for the above described work excluding the watermain and sidewalk work.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF ISANTI, MINNESOTA:

1. Such proposed assessment, a copy of which is attached hereto and made a part hereof, is hereby accepted and shall constitute the special assessment against the lands named therein, and each tract of land therein included is hereby found to be benefited by the proposed improvement in the amount of the assessment levied against it.

2. Such assessment shall be payable in equal annual installments extending over a period of ten (10) years, the first of the installments to be payable on or before May 15, 2021, and shall bear interest at the rate of 1.71 percent per annum from the date of the adoption of the assessment resolution. To the first installment shall be added interest on the entire assessment from January 1, 2021 until December 31, 2021. To each subsequent installment when due shall be added interest for one year on all unpaid installments.

3. The owner of any property so assessed may, at any time prior to certification of the assessment to the County Auditor, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the City Treasurer, except that no interest shall be charged if the entire assessment is paid within 30 days and may, at any time thereafter, pay to the County of Isanti the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the next succeeding year.

4. The City Clerk shall forthwith transmit a certified duplicate of this assessment to the County Auditor to be extended on the property tax lists of the county. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

This resolution is hereby adopted by the City Council of Isanti, Minnesota this 4th day of November, 2020.

Attest:

Mayor Jeff Johnson

Memo for Council

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: November 4, 2020
Subject: Resolution to Approve Purchase of Property Owned by Kristine L. Yerigan Trust

---

Background:
The City Council has held multiple discussions regarding the municipal liquor store and the potential for relocation of a new store. The site identified as 16.029.2100 and 16.029.2400 which are in one Deed was chosen as the ideal location. The purchase price was negotiated to be $425,000.00 which includes all demolition of buildings, removal of debris, capping of any wells on site, decommissioning of the septic on site and restoring the site to matching grade of the topography.

The attached Purchase Agreement has been reviewed by the City Attorney and trustees, Kristine L. Yerigan and Bruce D. Yerigan, of the land owned by Kristine L. Yerigan Trust.

Request:
Staff is requesting action on this item to approve the purchase of land identified within the Resolution for the purchase price of $425,000.00 plus closing costs.

RESOLUTION 2020-XXX

APPROVING PURCHASE OF PROPERTY OWNED BY KRISTINE L. YERIGAN TRUST

WHEREAS, the City is interested in purchasing the property legally described as:
ALL THAT PART OF THE NORTHWEST QUARTER OF THE SOUTHEAST QUARTER OF SECTION 29, TOWNSHIP 35, RANGE 23, DESCRIBED AS FOLLOWS: BEGINNING AT THE SOUTHWEST CORNER OF THE NORTHWEST QUARTER OF THE SOUTHEAST QUARTER; THENCE NORTH ALONG THE WEST LINE OF SAID NORTHWEST QUARTER OF SOUTHEAST QUARTER A DISTANCE OF 375 FEET; THENCE SOUTH 89 DEGREES 57 MINUTES 50 SECONDS EAST 580.8 FEET; THENCE SOUTH 1 DEGREE 16 MINUTES 15 SECONDS EAST 375 FEET AND TO THE SOUTH LINE OF SAID NORTHWEST QUARTER OF SOUTHEAST QUARTER; THENCE WEST ALONG SAID SOUTH LINE 580.8 FEET, MORE OR LESS, AND TO THE SOUTHWEST CORNER OF SAID NORTHWEST QUARTER OF SAID SOUTHEAST QUARTER, BEING. THE POINT OF BEGINNING AND THERE TO TERMINATE.

TOGETHER WITH A NONEXCLUSIVE EASEMENT FOR INGRESS, EGRESS AND UTILl1Y PURPOSES OVER AND ACROSS THE SOUTH 295 FEET OF THE NORTHEAST QUARTER OF THE SOUTHWEST QUARTER OF SECTION 29, TOWNSHIP 35, RANGE 23 (AS MEASURED AT RIGHT ANGLES TO THE SOUTH LINE OF SAID NORTHEAST QUARTER OF SOUTHEAST QUARTER), LYING EASTERLY OF THE EASTERLY RIGHT-OF-WAY LINE OF STATE TRUNK HIGHWAY NO. 65 AND WESTERLY OF A LINE DRAWN PARAUEL WITH AND DISTANT 66 FEET EASTERLY OF SAID EASTERLY RIGHT-OF-WAY LINE OF STATE TRUNK HIGHWAY NO. 65 (AS MEASURED AT RIGHT ANGLES TO SAID EASTERLY RIGHT-OF-WAY LINE).

AND, ALSO, INCLUDING A NONEXCLUSIVE EASEMENT FOR INGRESS, EGRESS AND UTILITY PURPOSES OVER AND ACROSS THE SOUTH 66 FEET OF THAT PART OF THE NORTHEAST QUARTER OF THE SOUTHWEST QUARTER OF SECTION 29, TOWNSHIP 35, RANGE 23, LYING EASTERLY OF THE EAST RIGHT-OF-WAY LINE OF STATE TRUNK HIGHWAY NO. 65, AS MEASURED AT RIGHT ANGLES TO THE SOUTH LINE OF SAID NORTHEAST QUARTER OF SOUTHWEST QUARTER.

within Isanti County, Minnesota identified as tax ID number 16.029.2100 and 16.029.2400 (the "Property") for use as a new municipal liquor store location; and,

WHEREAS, the owner of the Property, Kristine L. Yerigan Trust, has offered to sell the Property to the City for the purchase price of $425,000.00 which includes demolition of the house and any structures, removal of any waste and debris, and decommissioning of the well and septic on site; and,

WHEREAS, the City Council discussed this purchase in closed session on October 6, 2020; and,

WHEREAS, the Purchase Agreement for said purchase is referenced hereto attached as Exhibit A;

WHEREAS, the Property is comparable to other similar lot properties that recently sold within the past few years near the TH 65 corridor; therefore, the asking price of $425,000.00 including cleanup of the site is deemed to be a reasonable and appropriate price for the purchase of the Property;

NOW, BE IT HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that funding identified as Fund 609-16500 in an amount not to exceed $425,000.00 to purchase the Property, together with payment of such incidental and necessary costs of closing as may be incurred relative to purchase of the Property identified by tax ID number 16.029.2100 and 16.029.2400 is hereby authorized;

IT IS HEREBY FURTHER RESOLVED that City Staff and Officials shall proceed with the acquisition of said parcel as herein provided, and the Mayor and City Administrator are authorized to sign any and all documents necessary or convenient to complete the acquisition subject to the satisfactory review of title work and transfer documents by City Attorney, or designee.

This Resolution is hereby approved by the Isanti City Council this 4th day of November, 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Exhibit A

PURCHASE AGREEMENT

THIS AGREEMENT is made as of October 28, 2020 (the "Effective Date") between **Kristine L. Yerigan as trustee of the Kristine L. Yerigan Trust Dated October 4, 2000**, ("Seller"), and the City of Isanti, a Minnesota municipal corporation ("Buyer").

RECITALS:

A. Seller is the fee owner of the parcel of property located in Isanti County, Minnesota ("Property"), the legal description of which is as follows:

See attached Exhibit A.

B. Seller wishes to convey, and Buyer wishes to purchase the Property, as illustrated in the attached Exhibit B, together with all rights, privileges, easements, and appurtenances belonging thereto.

AGREEMENT:

In consideration of the mutual covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Purchase of Property.** Seller hereby agrees to sell and Buyer hereby agrees to purchase the Property including all easements and rights of every kind and nature benefiting or appurtenant to the Property, subject to the Permitted Encumbrances as provided herein.

2. **Purchase Price and Manner of Payment.** The total purchase price ("Purchase Price") to be paid by Buyer to Seller for the Property shall be $425,000.00), and shall be paid to Seller at closing, subject to the terms of this Agreement.

Earnest Money. Within 14 business days after the Effective Date, Buyer must deposit the sum of $10,000.00 (the "Earnest Money) with a title company of its choice ("Escrow Agent"). At Closing, Escrow Agent shall disburse to Seller the Earnest Money and Buyer shall receive a credit against the Purchase Price in an amount equal to the amount of the Earnest Money.

3. **Buyer Contingencies.** The obligations of Buyer under this Agreement are contingent upon each of the following:

a. **Representation and Warranties.** The representations and warranties of Seller contained in this Agreement must be accurate in all material respects now and on the Closing Date as if made on the Closing Date.

b. **Title**. Title shall have been found marketable, or been made marketable, in accordance with the requirements and terms of Section 6 below.

c. **Performance of Seller's Obligations**. Seller shall have performed all of the obligations required to be performed by Seller under this Agreement as and when required by this Agreement.

d. **Inspection**. Buyer shall have the right to enter the Property through December 1, 2020 (the "Due Diligence Period") and perform such surveys, tests and investigations as Buyer deems advisable, all at Buyer's sole expense. Buyer shall keep the Property free from mechanic's liens arising from such work. Buyer shall be responsible for any property damage or personal injury arising from such work. Buyer shall determine, in its sole judgment, whether the condition of the Property is suitable for Buyer's intended use, and may terminate this Agreement without liability through the end of the Due Diligence Period

If any contingency set forth above has not been satisfied on or before the Closing Date, then this Agreement may be terminated, at Buyer's option, by written notice from Buyer to Seller. Upon such termination, the Earnest Money shall be refunded to Buyer and neither party will have any further rights or obligations regarding this Agreement or the Property. All the contingencies set forth in this Section are for the sole and exclusive benefit of the Buyer and the Buyer shall have the right to waive any contingency by written notice to Seller.

4. **Closing**. The closing of the purchase and sale contemplated by this Agreement ("Closing") shall be held at such place as may be agreed upon by the parties, on or before, December 31, 2021 ("Closing Date"). At the Closing, Buyer shall pay the Purchase Price to Seller and the following closing documents shall be executed and delivered.

a. Seller shall deliver a warranty deed conveying the Property to Buyer, free and clear of all encumbrances, except the following "Permitted Encumbrances":

(1) Property taxes and special assessments to be paid in accordance with this Agreement; and

(2) Building codes and laws and ordinances relating to zoning and land use.

b. A title insurance policy, or a suitably marked-up commitment for title insurance initialed by the Title Insurer, in the form required by this Agreement.

c. An Affidavit by Seller indicating no adverse matters.

d. A closing statement detailing the financial terms of the closing.

e. All other documents necessary to transfer the Property to Buyer free and clear of all

encumbrances except the Permitted Encumbrances.

5. **Costs and Prorations**. Seller and Buyer agree to the following prorations and allocation of costs:

a. **Title Insurance and Closing Fee**. Seller will pay all costs of issuing the title insurance commitment. Buyer will pay all title insurance premiums and surcharges required for the issuance of any title insurance policy. Buyer and Seller will each pay one half of all reasonable and customary closing fees charged by the Title Insurer.

b. **Documentary Taxes**. Seller shall pay the state tax for the deed to be delivered by Seller under this Agreement.

c. **Real Estate Taxes and Levied and Pending Assessments**. General real estate taxes due and payable in 2020 shall be prorated by Seller and Buyer to the Closing Date based upon a calendar fiscal year. Any deferred property taxes or otherwise unpaid taxes, penalties and interest accrued prior to 2020 shall be paid by Seller. Seller shall pay all special assessments levied or pending against the Property as of the date of this Agreement.

d. **Attorney's Fees**. Each party will pay its own attorney's fees, except that a party defaulting under this Agreement or any closing document will pay the reasonable attorney's fees and court costs incurred by the non-defaulting party to enforce its rights regarding such default.

6. **Title**.

a. **Quality of Title**. Seller shall convey good and marketable fee title to the Property to Buyer, subject to no liens, easements, encumbrances, conditions, reservations or restrictions other than the Permitted Encumbrances.

b. **Title Evidence**. Seller shall obtain a commitment ("Title Commitment") for the most current form of ALTA owner's policy of insurance in the amount of the Purchase Price insuring title to the Property subject only to the Permitted Encumbrances. In the event a Survey, or any recertification thereof, shows any encroachments or any improvements upon, from, or onto the Property, or on or between any building setback line, lot line, or any easement, or other condition unacceptable to Buyer, in Buyer's sole discretion, said encroachment, easement, or other condition shall be treated in the same manner as Title Defect(s).

c. **Buyer's objections**. Within twenty days after receiving the last of the Title Evidence, Buyer shall make written objections ("Objections") to the form and or contents of the Title Evidence. Buyer's failure to make Objections within such time period will constitute waiver of Objections. Any matter shown on such Title

Evidence and not objected to by Buyer shall be deemed an additional "Permitted Encumbrance" hereunder. Seller shall have 30 days after receipt of the Objections to cure the objections, during which period the Closing will be postponed as necessary. Seller shall use its best efforts to correct any Objections. If the Objections are not cured within such 30-day period, Buyer will, in addition to any other remedy available at law or under this Agreement, have the option to do either of the following:

(1) Terminate this Agreement; or

(2) Waive the objections and proceed to close, in which case such matters shall be deemed Permitted Encumbrances hereunder.

d. **Title Policy**. Title Insurer shall deliver to Buyer at the closing a title policy issued pursuant to the commitment, or a suitably marked–up commitment initialed by the Title Insurer undertaking to issue such a title policy in the form required by the commitment as approved by Buyer.

7. **Representations and Warranties by Seller**. Seller represents and warrants to Buyer as follows:

a. **Authority**. Seller has the requisite power and authority to enter into and perform this Agreement.

b. **Title to Property**. Seller owns the Property and will deliver it free and clear of all encumbrances except the Permitted Encumbrances.

c. **Rights of Others to Purchase Property**. Seller has not entered into any other contracts for the sale of the Property.

d. **FIRPTA**. Seller is not a "foreign person," "foreign partnership," "foreign trust" or "foreign state" as those terms are defined in § 1445 of the Internal Revenue Code.

e. **Proceedings**. To the best knowledge of Seller, there is no action, litigation, investigation, condemnation or proceeding of any kind pending or threatened against Seller or the Property.

f. **Hazardous Materials**. To Seller's actual knowledge, without duty to investigate, no toxic or hazardous substances (including, with limitation, asbestos, urea foam formaldehyde, the group of organic compounds known as polychlorinated biphenyls, and any hazardous substance as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), 42 U.S.C. § 9601-9657, as amended) have been generated, treated, stored, released, or disposed of, or otherwise deposited in or located on the Property, including with limitation, the surface or subsurface waters of the Property, nor has any activity been

undertaken on the Property which would cause (i) the Property to become a hazardous waste treatment, storage or disposal facility within the meaning of, or otherwise bring the Property within the ambit of the Resource Conservation and Recovery Act of 1976 ("RCRA"), 42 U.S.C. § 6901, et. seq., or any similar state law or local ordinance or any other environmental law; (ii) a release or threatened release of hazardous waste from the Property within the meaning of, or otherwise bring the Property within the ambit of CERCLA, or any similar state law or local ordinance, or any other environmental law; or (iii) the discharge of pollutants or effluents into any water source or system, or the discharge into the air or any emissions, which would require a permit under the Federal Water Pollution Control Act, 33 U.S.C. § 7401, et.seq., or any similar state law or local ordinance or any other environmental law. To the best of Seller's knowledge: (i) there are no substances or conditions in or on the Property which may support a claim or cause of action under RCRA, CERCLA, or any other federal, state, or local environmental statutes, regulations, ordinances, or other environmental regulatory requirements, and (ii) no underground deposits which cause hazardous wastes or underground storage tanks are located on the Property.

g. **Wells and Septic Systems**. Seller shall provide Buyer with a well disclosure statement and a septic system disclosure statement, which disclosure statements are incorporated in this Section by reference.

Seller will defend, indemnify and hold harmless Buyer from and against any expenses or damages, including reasonable attorney's fees that Buyer incurs because of the breach of any of the above representations and warranties. Consummation of this Agreement by Buyer with knowledge of any such breach by Seller will constitute a waiver or release by Buyer of any claims due to such breach. Each of the representations and warranties contained herein shall survive the Closing.

8. **Representations and Warranties by Buyer**. Buyer has the requisite power and authority to enter into and perform this Agreement. This Agreement is subject to formal approval of the Isanti City Council.

9. **Control of Property**. Subject to the provisions of this Agreement, until the Date of Closing, Seller shall have full responsibility and the entire liability for any and all damages or injuries of any kind whatsoever to the Property, to any and all persons, whether employees or otherwise, and to any other property from and connected to the Property, except liability arising from the negligence or willful acts of Buyer, its agents, contractors, or employees, and except as may otherwise be provided by separate agreement between the Parties.

10. **Demolition of Existing Structures**. Seller acknowledges that the Property contains a house, one or more sheds or garages, a well and a septic system. As a condition of this Agreement, prior to Closing, Seller agrees to demolish and remove all structures on the Property, including basements and foundations, electrical service to the structures, any existing appurtenant structures (e.g., decks, porches, satellite dishes), sidewalks, and impervious driveways (but not including culverts for existing driveways). All holes, pits, depressions and low areas created by removal of

the structures shall be filled and compacted with clean fill to the level of the surrounding topography. In addition, all water wells shall be sealed in accordance with Minnesota Department of Health requirements, with water lines removed, and any existing Subsurface Sewage Treatment System shall be removed (not abandoned), including drain lines, in accordance with Minnesota Pollution Control Agency requirements, with any resulting holes, pits and trenches filled to grade with compacted clean fill. Proof of well sealing and SSTS removal shall be provided to Buyer prior to Closing. Any debris, junk, vehicles, machinery and similar items on site shall also be removed by Seller prior to Closing.

11. **Broker's Commission**. Seller and Buyer represent and warrant to each other that they have dealt with no broker, finder or other person entitled to a commission, finder's fee or similar fee in connection with this transaction.

12. **Assignment**. Neither party may assign its rights under this Agreement without prior written consent of the other party. Any such assignment will not relieve such assigning party of its obligations under this Agreement.

13. **Survival**. All of the terms of this Agreement will survive and be enforceable after the Closing.

14. **Notices**. Any notice required or permitted to be given by any party to the other shall be given in writing, and shall be (i) hand delivered to the specified addressee, or (ii) mailed in a sealed wrapper by United States registered or certified mail, return receipt requested, postage prepaid, or (iii) properly deposited with a nationally recognized, reputable overnight courier, properly addressed as follows:

If to Seller: Kristine L. Yerigan
University Ave. N.E. 27585
Isanti, MN 55040

If to Buyer: Josi Wood
City of Isanti
110 1st Ave. N.W.
P.O. Box 428
Isanti, MN 55040

With copy to: Ratwik, Roszak & Maloney, P.A.
Attention: Joseph Langel
730 Second Avenue South, Suite 300
Minneapolis, MN 55402

Notices shall be deemed effective on the earlier of the date of receipt, or in the case of such deposit in the mail or with an overnight courier, on the first business day following such deposit. Any party may change its address for the service of notice by giving written notice of such change to the other party.

15. **Entire Agreement**. This written Agreement constitutes the complete agreement between the parties and supersedes any and all other oral or written agreements, negotiations, understandings and representations between the parties regarding the Property.

16. **Amendment; Waiver**. No amendment of this Agreement, and no waiver of any provision of this Agreement, shall be effective unless set forth in a writing expressing the intent to so amend or waive, and the exact nature of such amendment or waiver, and signed by both parties (in the case of amendment) or the waiving party (in the case of waiver). No waiver of a right in any one instance shall operate as a waiver of any other right, nor as a waiver of such right in a later or separate instance.

17. **Governing Law**. This Agreement is made and executed under and in all respects is to be governed and construed under the laws of the State of Minnesota.

18. **Binding Effect**. This Agreement binds and benefits the parties and their respective successors and assigns.

19. **Remedies**.

a. **Default by Buyer**. If Buyer defaults under this Agreement, Seller shall have the right to terminate this Agreement by giving a 30-day written notice to Buyer pursuant to Minnesota Statutes § 559.21. If Buyer fails to cure such default within 30 days of the date of such notice, this Agreement will terminate or Seller may sue for specific performance of this Agreement or actual damages caused by Buyer's default.

b. **Default by Seller**. If Seller defaults under this Agreement, Buyer may sue for specific performance of this Agreement or actual damages caused by Seller's default.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: November 4, 2020
Subject: Ordinance XXX Amending the City Code, Chapter 253 Rental Dwellings.

Overview/Background:
In February of 2020, a rental ordinance study was conducted by City Staff members to determine what sections of City Code needed to be updated to reflect warranted changes to the rental license process. The amendments proposed to Chapter 53 of City Code include rental license fees, and residency requirements for owners.

The proposed amendments and ordinance were brought to the October 20, 2020 Planning Commission meeting and a public hearing was held. No one from the public spoke on this item at the public hearing. The Planning Commission recommended approval of the ordinance as written and passed 6-0.

Amendment to Section 253-4. Residency Requirements
Currently, code requires owners or their designee live within Isanti County or an adjacent county. Adjacent counties to Isanti County include: Sherburne, Mille Lacs, Kanabec, Pine, and Chisago. According to the current code, someone who lives in Vineland, MN (72.5 miles away, 1 hour, 13 minute drive) or someone lives in Nickerson, MN (89.4 miles away, 1 hour, 26 minute drive) could be a landlord or designee while someone in Hugo, MN (35.7 miles away, 36 minutes away) or Champlin, MN (27.6 miles away, 38 minutes away) cannot due to the counties in which they are located.

Proposed Amendment: Remove Section 253-4 Residency Requirements:
This section should be removed altogether, allowing owners/landlords/agents to reside wherever. This current section to the code might restrict or prevent owners/landlords from owning property in the City that is intended to generate rental income. With the advancements of technology as well as the availability of local contractors to perform maintenance work on rental properties, it is fairly easy for owners/landlords to operate a rental property remotely.

Amendment to Section 253-6 Fees
Currently in City Code, it is written that applicants have a 30-day window (no less than 60, not more than 90) to get their paperwork and fees in to City Staff. In 2019, only 40% of applicants submitted their application and fees in time for renewal of a rental license. Fees for Rental

dwellings have been loosely followed in the past, and it would be beneficial if the city enforced penalties for late submittals by increasing the license fee total in increments of when the paperwork was turned in to City Staff. The chart below resembles what this would look like.

DATES	FEE	Example
Sept. 1 or next business day (nbd)	Renewals are sent	*(single family home)*
Submitted Sept. 1/nbd to 60 days	100% base fee	$150
Submitted 61 days to 90	125% base fee	$175
Submitted 91 days to Dec 31	150% of license base fee	$200
Submitted after December 31	200% of license base fee	$300

Request:
Consider adopting the ordinance amendment

Ordinance XXX

ORDINANCE NO._____

AN ORDINANCE TO AMEND CITY CODE CHAPTER 253 RENTAL DWELLINGS, SECTION 253-4 RESIDENCY REQUIREMENTS, AND SECTION 253-6 FEES

The City Council of the City of Isanti does ordain:

Section 1 – Amendment. Ordinance 434, and Ordinance 438, codified in Chapter 253 of the City Code, Rental Dwellings are hereby amended as follows:

~~**Section 253-4 Residency requirements is removed from City Code**:~~

~~Owners of property for rent must reside within Isanti County or a county adjacent to Isanti County. The owner of the property whether individual, partnership, corporation, etc., must reside within Isanti County or a county adjacent to Isanti County or shall have an appointed and authorized agent that resides within Isanti County or a county adjacent to Isanti County. The agent shall have full authorization to care for all matters pertaining to operations, maintenance, etc., of the subject property and grounds.~~

Section 253-6. Fees is amended and replaced with the following:

A. License fees.

(2) Filing due date and penalty. ~~An applicant shall have an application window from not more than 90 days before the beginning of the licensing period to not less than 60 days before the beginning of the license period to submit the completed application, fees and relevant items. If an application is made less than 60 days before the beginning date of the license period applied for, then the fee shall be accompanied by an additional amount equal to 100% of such license fee. The additional amount shall be a penalty for a late application, with the exception of the first year of the adoption of this chapter. In no case shall there be a lapse in the license period. Failure to maintain the license on a current basis shall constitute a violation of this chapter. The late penalty is established for those licensees who have failed to submit an application as specified in this chapter. All new owners must submit an application, pass an inspection and obtain a new rental license; the old license is not transferable.~~

<u>License renewal letters shall be sent to license holders 90 days before the expiration date of the license. An applicant shall have 30 days from the date stated in the letter to submit a completed application. A completed application includes all fees and relevant items. If the completed application is received in a time period after the 30-day window, in the time period of 60 to 30 days before the expiration date of the license, the fee shall be 125% of the original fee charged for license renewal. If the completed application is</u>

received with less than 30 days before the expiration date of the license, the fee shall be 150% of the license renewal fee. If the application fee is received after the expiration date of the license, the fee shall be 200% of the license fee. Failure to maintain the license on a current basis shall constitute a violation of this Chapter.

EFFECTIVE DATE:

This ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the Isanti City Council this ____day of _____, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: November 4, 2020
Subject: Ordinance XXX Amending the City Code, Chapter 536

Background:
Staff proposes to update the Subdivision ordinance by removing City Planner and Zoning Administrator and replacing with "Community Development Director or designee" and to remove final plat review for the Planning Commission. The final plat should only be reviewed by the City Council since the Council is the only body of approval, in addition adding a planning commission review of the final plat add one month onto the development process.

The Planning Commission held a public hearing at their October 20, 2020 meeting. No one from the public spoke on this item. The Planning Commission recommends approval as drafted.

Request:
Consider adopting the ordinance amendment

ORDINANCE NO. _____

AN ORDINANCE AMENDMENT TO AMEND CITY CODE CHAPTER 536 SUBDIVISION

The City Council of the City of Isanti does ordain:

Section 1 – Amendment Chapter 536 of the City Code, Subdivision is hereby amended as follows:

ARTICLE 1. IN GENERAL

Subdivision 1. Purpose and Scope.

A. Purpose. It is the intent of this Ordinance to safeguard the best interests of the City and to assist the subdivider in harmonizing his or her interests with those of the City of Isanti. Because each subdivision becomes a permanent unit in the legal and physical structure of the community and because piecemeal planning will result in a disconnected patchwork of plats, increased operation costs, and oftentimes a poorly designed system of lots, blocks, public open spaces, and roads; it is the purpose of this Ordinance to set platting regulations and minimum requirements to protect the public health, safety, and general welfare of the community. The City of Isanti deems it necessary to provide regulations requiring platting, and for subdividing of property within the City for the following purposes:

1. To encourage well-planned, efficient, and attractive construction and design; and to prevent the use of land that is not feasible for subdivision;
2. To provide for the health and safety of City residents by requiring necessary services, to include but is not limited to, properly designed and located streets, drainage ways, and through the provision of adequate sewage disposal and water supply systems;
3. To place the cost of improvements against those benefitting from their construction;
4. To make all subdivision of property conform to the Comprehensive Plan and the overall development objectives of the City;
5. To establish procedures and standards for the review of all subdivision plats;
6. To set forth rules and regulations for the subdivision, re-subdivision, or consolidation of real property; and
7. To assure the general design of subdivisions complies with Zoning, Building Code requirements, and other pertinent regulations of the City of Isanti, Isanti County, and the State of Minnesota.

B. Scope. The rules and regulations governing plats and subdivision of land contained herein shall apply throughout the corporate boundaries of the City and within those areas as identified as Tier One. All land subdivisions shall meet or exceed the standards as set forth in this Ordinance. Except in the case of re-subdivision; this Chapter shall not apply to any lot or lots forming a part of a subdivision recorded in the County Offices prior to the effective date of this Ordinance. It is not intended by this Ordinance to repeal, annul, or in any way impair or interfere with, existing provisions or other laws or City Code provisions, except those specifically repealed by, or in conflict with this Chapter, or with restrictions on the land that is imposed or required by such existing provision of law, City Code provision, contract or deed; the provisions of this Ordinance shall control.

C. Applicability. No person shall:

1. Divide or further divide land, or
2. Consolidate residentially zoned lots which come under common ownership after July 17, 2012, or
3. Otherwise alter the boundaries of lots or parcels of land; or,

4. Dedicate land for use as streets, alleys, sidewalks, trails, or other public purposes, except in compliance with the provisions of this Ordinance.

Subdivision 2. Compliance.
Upon adoption of this Ordinance, no lot in a subdivision shall be sold, no permit shall be issued to alter or erect any building upon land in a subdivision, and no building shall be erected in a subdivision unless the subdivision plat has been approved and recorded and until the improvements by the City Council relative to the subdivision have been constructed or arranged for as provided within this Ordinance. Any subdivision creating parcels, tracts, or lots after the adoption of these regulations shall be platted, except for those parcels meeting the requirements of an Administrative Subdivision.

Subdivision 3. Registered Land Surveys and Conveyance by Metes and Bounds.

A. Registered Land Surveys.
All registered land surveys in the City shall be presented to the Planning Commission in the form of a Preliminary Plat in accordance with the standards set forth in this Ordinance for Preliminary Plats. The Planning Commission shall first approve the arrangement, sizes, and relationship of the proposed tracts in such registered land surveys, and those tracts to be used as easements or roads should be so designated. Unless such Planning Commission recommendation and City Council approval in accordance with the City standards set forth in this Ordinance have been obtained, building permits will be withheld for buildings on tracts which have been subdivided by registered land surveys and the City may refuse to take over tracks as streets or roads to improve, repair, or maintain any such tracts unless so approved.

B. Conveyance by Metes and Bounds.
No conveyance of one (1) or more parcels in which the land is described by metes and bounds or by reference to an unapproved registered land survey made after the effective date of this Ordinance shall be filed or recorded except in certain cases of Administrative Subdivisions as defined by this Ordinance. The following conveyances shall be exempt from the provisions of this Ordinance and shall not constitute a subdivision:

1. The parcel was a separate lot of record prior to December 16, 1986.
2. The parcel was the subject of a written agreement to convey, which was entered into prior to the effective date of this Ordinance.
3. The parcel is a single parcel of land of not less than five (5) acres and having a width of not less than three hundred (300) feet and its conveyance does not result in the division of the parcel into two (2) or more lots or parcels, any one of which is less than five (5) acres in area or three hundred (300) feet in width and all parcels have frontage on a public right-of-way.
4. The parcel relates to a division of a lot, which is part of a recorded plat where the division is to permit the adding of a parcel of land to an abutting lot or to create two (2) lots, and the newly created lot will not cause the other remaining portion of the lot to be in violation of this Ordinance or the Zoning Ordinance.
5. Cemetery lots.
6. Parcels resulting from court orders or the adjustments of a lot line by the relocation of a common boundary as the result of a correctional survey of a previously recorded parcel, or an instrument of conveyance to correct a faulty description in a previously recorded instrument of conveyance.
7. Lot line adjustments.

Subdivision 4. Definitions.
For the purpose of this Ordinance, the following words and terms shall be interpreted as herein defined. Words in the present tense include the future; words in the singular include the plural; words in the plural include the singular; the word "shall" is mandatory; and the word "may" is permissive.

Administrative Subdivision means a subdivision whereby the intent is to permit the addition of a parcel of land to an abutting lot, to adjust a lot line or to divide an existing lot into two (2) lots.

Alley means a public thoroughfare which provides secondary access to abutting property.
Block means a tract of land bounded by streets or a combination of streets or public parks, cemeteries, railroad right-of-way, shorelines, unsubdivided acreage, or boundary lines of the corporate limits of the city.

Boulevard means the portion of the street right-of-way between the curb line or edge of the paved roadway and the property line.

Buildable Land means a contiguous land area occurring within the property lines of a parcel or lot; excluding wetlands, steep slopes, flood hazard areas, storm water retention/detention areas, or any other man-made or natural feature that may restrict development.

Caliper Inches means the diameter, in inches, of the trunk of a tree taken six (6) inches above the ground up to and including four (4) inch caliper size, and twelve (12) inches above the ground for larger sizes.

CIC Plat means a Common Interest Community Plat as described in Section 515B.2 – 110 of the Minnesota State Statutes.

City Council means the City Council of the City of Isanti.

City Engineer means the City Engineer for the City of Isanti or their authorized representative.

~~**City Planner** means the City Planner for the City of Isanti or their authorized representative.~~

Cluster Development means a subdivision development that is planned and constructed, so as to arrange residential housing units into compact groupings, in an effort to preserve the natural amenities of the land and provide a unified network of open spaces; which meets the overall density requirements of the Zoning District in which the parcel is located and the Comprehensive Plan.

Common Open Space means any open space; including but not limited to, parks, native areas, playgrounds, trails, and recreational facilities that are owned in common by a group of property owners.

Community Development Director means the Community Development Director for the City of Isanti

Comprehensive Plan means the Comprehensive Land Use Plan prepared and adopted by the City of Isanti, indicating the general locations recommended for major land uses, streets, parks, public buildings, and other public improvements.

Conservancy means the implementation of policies for the protection and preservation of the natural character of lands for their value to scenic enjoyment, native vegetation, wildlife, water and soil conservation, floodplain management, forestry, and other such purposes.

Conservation Easement means a non-possessory interest in real property that imposes limitations or affirmative obligations, the purpose of which include retaining and protecting natural, scenic, or open space values of real property; assuring its availability for agricultural, forest, recreational, or open space use; protecting natural resources; or maintaining air or water quality.

Conservation Land means any parcel or area of undeveloped land conserved in its natural state for perpetuity through deeds or other legal means.

Consolidation means the combining of two (2) or more lots or portions of two (2) or more lots into a lesser number of lots for the purpose of creating a single unified development.

Critical Root Zone means an imaginary circle surrounding the tree trunk with a radius distance of one (1) foot per one (1) inch of tree diameter. Example, a twenty (20) inch diameter tree has a critical root zone with a radius of twenty (20) feet.

Crown means the leaves and branches of a tree or shrub; the upper portion of a tree from the lowest branch on the trunk to the top.

Cul-de-sac means a minor street with only one (1) outlet and having an appropriate turn-around for the safe and convenient reversal of traffic movement.

Design Standards means the specifications for land owners or subdividers for the preparation of plats, both preliminary and final, indicating among other things, the minimum or maximum dimensions of such items as right-of-way, blocks, easements, and lots.

Developer means any person or entity other than a builder who undertakes to improve a parcel of land, by platting, grading, installing utilities, or constructing or improving any building thereon.

Development Agreement means a formal agreement with the City that clearly establishes the developer's responsibility regarding project phasing, the provision of public and private facilities and improvements, and any other mutually agreed to terms and requirements.

Drip Line means an imaginary vertical line that extends from the outermost branches of the tree's canopy to the ground.

Easement means authorization by a property owner to the use of land by the public, a corporation, or persons for specific purposes such as the construction of utilities, drainage ways, or roadways.

Lot means a parcel of land of sufficient size to meet zoning and platting requirements for use, coverage, and buildable area, and to provide such yards, setbacks, parking, landscaping, and other open spaces as are required by this Ordinance and the Zoning Ordinance for the zoning district in which said parcel is located.

Lot Combination means the combining of two (2) or more contiguous lots having the same property owner.

Lot, Flag means a lot not directly fronting or abutting a public right-of-way and where access to the roadway is limited to a narrow private right-of-way.

Metes and Bounds means a description of land prepared by a state registered land surveyor providing measured distances and courses (metes) from known or established points on the surface of the earth (bounds).

Minor Subdivision means a subdivision that result in the creation of four (4) or fewer lots that is processed in a compressed timeframe.

Owner means the person or persons having the right of legal title to, beneficial interest in, or a contractual right to purchase a lot or parcel of land.

Pedestrian Way means public or private right-of-way across a block or within a block to provide access for pedestrians and which may be used for the installation of utility lines, to include but is not limited to, sidewalks and trails.

Percentage of Grade means the distance vertically (up or down) from the horizontal in feet and decimals of a foot for each one hundred (100) feet of horizontal distance.

Planned Unit Development means a large lot or tract of land developed as a unit rather than as an individual development wherein two (2) or more buildings may be located in relationship to each other rather than to lot lines or zoning district boundaries.

Planning Commission means the Planning Commission of the City of Isanti.

Plat, Final means a drawing or map of a subdivision, meeting all the requirements of the City and in such form as required by Isanti County for purposes of recording.

Plat, Preliminary means the preliminary map, drawing, or chart indicating the proposed layout of the subdivision to be submitted to the Planning Commission for consideration and recommendation; and to the City Council for approval.

Protective covenants means contracts made between private parties as to the manner in which land may be used, with the view of protecting and preserving the physical, social, and economic integrity of a given area.

Resubdivision means a consolidation, as defined in this Ordinance, or the division of land which was previously subdivided by means of platting through the Isanti approval process.

Right-of-Way means a strip of public land occupied or intended to be occupied by a road, crosswalk, utility line, railroad, electric transmission line or other similar use.

Root Crown means the point at which the root and stem of a plant meet and primary vascular anatomy changes from that of a stem to that of a root.

Sketch Plan means a generalized plan of a proposed subdivision indicating lot layouts, streets, park areas, and water and sewer systems presented to City officials for discussion purposes prior to the submittal of a Preliminary Plat.

Street means a thoroughfare which affords a principal means of access to abutting property and which has been accepted by the City as a public way.

Street, Collector means a street that serves a dual purpose of accommodating traffic and the provision of more direct access to adjacent properties. Major collectors connect to minor arterials and services shorter trips within the City or County. Minor collector streets provide the connection between neighborhoods and commercial / industrial areas and the major collector / minor arterial system.

Street, Dead-End means a local street that is open at one end only and without special provisions for vehicles turning around. Such street may be intended to connect with another street at the closed end for future development.

Street, Half means any public right-of-way having only one-half the required right-of-way width.

Street, Local means a street designed to provide vehicular access to abutting properties. Such streets are designed for short trips at low speeds.

Street, Minor Arterial means a street that connects urban service areas to cities / towns inside and outside of the region, which services medium to short range trips. Such streets provide connections to collector roads. Land access is restricted to concentrations of commercial or industrial land uses.

Street, Principal Arterial means a street that provides higher speed travel and mobility for long distance trips. These roads function to carry larger volumes of traffic to minor arterials and collectors. Access along such facilities is extremely limited.

Street, Private means a road or street that is not publically owned and maintained and is used by occupants of the development, their guests, and the general public.

Street Width means the street right-of-way width measured at right angles to the centerline of the street.

Subdivider means the owner, or any other person, firm or corporation authorized by the owner undertaking proceedings under the provisions of this Ordinance for the purpose of subdividing or re-subdividing land

Subdivision means the division of a lot, parcel, or tract of land into two (2) or more lots, parcels, or tracts of land for the purpose of transferring ownership or building development; or if a new street is involved, any division or development of a parcel of land. The term includes re-subdivision.

Tangent means a straight line which is perpendicular to the radius of a curve where a tangent meets a curve.

Tree Canopy means the horizontal extension of a tree's branches in all directions from its trunk.

Tree Protection means the measures taken to protect existing trees from damage or loss before, during, and after project construction.

Tree, Significant means any healthy mature tree measuring a minimum of eight (8) inches in tree diameter or greater or any healthy coniferous tree measuring eight (8) feet or more in height. Boxelder, cottonwood, and popular shall not be considered to be significant trees.

Vertical Curve means the surface curvature connecting lines of different percentage of grade.

Viewshed means an area of land, water, or other environmental element that is visible from one (1) or more vantage points.

Woodland means a grouping or cluster of coniferous and / or deciduous trees with contiguous crown cover, occupying five hundred (500) or more square feet of property, which are comprised of primarily deciduous trees between four (4) and twelve (12) caliper inches or coniferous trees between four (4) feet and twelve (12) feet in height.

Zoning Administrator means the ~~City Planner~~ Community Development Director for the City of Isanti and / or their authorized designee.

Zoning Ordinance means the Ordinance adopted by the City of Isanti, which controls the use of land as well as regulates lot size, building bulk and location, and other development standards within the City.

Subdivision 5. Platting Required.
All subdivisions that create five (5) or more parcels or consolidate residentially zoned lots which come under common ownership after July 17, 2012 shall be platted, except as provided otherwise within this Ordinance.

Subdivision 6. Land Suitability.

A. No land shall be subdivided which is held unsuitable for its intended use by the City Council for reasons of flooding, inadequate drainage, soil and rock formations with severe limitations for development, severe erosion potential, unfavorable topography, inadequate water supply or sewage disposal capabilities or any other feature harmful to the health, safety, or welfare of the future residents of the proposed subdivision or community.

B. The City Council may approve the Preliminary and Final Plats if the subdivider improves the land consistent with the standards of this Ordinance and other applicable Ordinances in order to make the area, in the opinion of the City Council, suitable for its intended use. Should the City Council determine that only part of the proposed subdivision can be safely developed, it shall limit development to that part and require that the specifications for development be consistent with such determination.

Subdivision 7. Premature Subdivision.

A subdivision shall be considered premature if any of the following exists:

A. Lack of adequate storm water drainage.

B. Lack of dedicated and improved public streets.

C. Lack of adequate sanitary sewer systems. ISTS shall not be deemed adequate unless consisting of a cluster system designed to connect at a future date to the City's sanitary sewer system, as reviewed and approved by the City Engineer.

D. Lack of adequate off-site public improvements and support systems.

E. Lack of adequate public water supply.

Subdivision 8. Variances.

A. The Planning Commission may recommend a variance from the provisions of this Ordinance when, in its opinion, undue hardship may result from strict compliance. In granting any variance, the City Council shall prescribe any conditions it deems necessary to or desirable for the public interest. In making its findings, as required in this Subdivision, the Planning Commission shall take into account the nature of the proposed use of land and the existing use of land in the vicinity, the number of persons to reside or work in the proposed subdivision and the probable effect of the proposed subdivision upon traffic conditions within the vicinity. No variance shall be granted unless the Planning Commission and City Council find that:

1. There are special circumstances or conditions affecting such property, in which the strict application of the provisions of this Ordinance would deprive the applicant of the reasonable use of his land.
2. The variance is necessary for the preservation and enjoyment of a substantial property right similar to that possessed by other properties in the same district and vicinity. The possibility of increased financial return shall not in itself be deemed sufficient to warrant a variance.
3. The granting of the variance will not be detrimental to the public welfare or injurious to the other property in the immediate area, and will not have an adverse effect upon traffic or public safety.
4. The relief sought from this Ordinance would not in any manner affect the provisions of the Zoning Ordinance and Map or Comprehensive Plan, except that those documents may be amended in the manner prescribed by law.

B. Applications for any variance shall be submitted in writing on the appropriate application form with the required application fee, as provided by the City at the time when the Preliminary Plat is filed for consideration by the Planning Commission. Such application shall fully and clearly state all facts relied upon by the petitioner and shall be supplemented by maps, plans, or other additional data which may aid the Planning Commission in the analysis of the proposed project. The plans for such development shall include such covenants, restrictions, or other legal provisions necessary to guarantee the full achievement of the plan.

C. A Variance from the Subdivision Ordinance shall require the same information and shall follow the same process as outlined within Section 21 of the Zoning Ordinance.

Subdivision 9. Street, Alley, and Utility Vacations.
No public utility easement, street, or alley within the corporate limits of the City shall be vacated or discontinued except in conformity with the following procedural requirements:

A. Petition. Proceedings to vacate a public utility easement, street, or alley shall be commenced by action of the City Council on its own motion / Resolution, or by a petition in writing filed with the ~~City Planner~~ Community Development Director or designee and signed by a majority of the owners of property abutting upon the portion of the public utility easement, highway, street, or alley to be vacated.

B. Reference of Petition to City Administrator. The ~~City Planner~~ Community Development Director or designee shall furnish copies of the petition to the City Administrator and to the Planning Commission for recommendation.

C. Notice of Hearing. A notice shall be published in the official newspaper specifying the date and place of a hearing. Such notice shall not be published less than two (2) weeks prior to the public hearing. A copy of the notice shall be sent at least ten (10) days prior to the public hearing to each abutting property owner. The notice shall contain the time, place, and date of the hearing as well as contain a copy of the petition or proposed Resolution, if Council initiated.

D. Hearing. At the time and place specified in such notice, the City Council shall conduct a public hearing on the petition or proposal, and, at any time following such hearing, the City Council may vacate or discontinue the public utility easement, street, or alley, or portion thereof, in accordance with the petition or proposal, upon adoption of an ordinance to that effect by vote of at least four members of the Council, if Council initiated. If such request is initiated by petition of the majority of abutting property owners, then a simple majority of the quorum is needed.

E. Notice of Completion. Upon the adoption of such Resolution, the City Clerk shall prepare and file with the Isanti County Recorder's Office a notice as required by law. If the petition is denied, a Resolution setting forth the reasons for denial and written findings of fact shall be created.

F. Fee. The application fee as established by City Council Resolution shall be paid at the time of application.

Subdivision 10. Certification of Taxes.
Prior to approving an application for Preliminary Plat, Final Plat, Minor Subdivision, Lot Splits, Preliminary or Final Plat Extension requests, Variances from this Ordinance, and Vacation requests; the applicant shall provide as part of the application request, certification to the City that there are no delinquent property taxes, special assessments, penalties, interest, and municipal utility fees outstanding on the parcel(s) to which the application relates.

Subdivision 11. CIC Plats.
A CIC Plat shall be considered a Final Plat. Application requirements and filing procedures for a CIC Plat shall be filed and processed in the same manner as a Final Plat.

Subdivision 12. Violations and penalties.
Violation of any part of this Ordinance is a misdemeanor, and upon conviction thereof, shall be fined and / or imprisoned as provided for misdemeanor violations under Minnesota State Law.

ARTICLE 2. ADMINISTRATIVE SUBDIVISION

Subdivision 1. Purpose. The provisions of this Section shall apply only to those subdivisions defined as Administrative Subdivisions, where the intent is to adjust a lot line or divide an existing platted lot into two (2) lots, or to add area from an existing abutting lot in an effort to bring the lot receiving additional area further towards compliance with the minimum lot size, lot depth, lot width, or road frontage. While the Administrative Subdivision is an abbreviated review process; standards and requirements of this Ordinance shall apply to the proposed subdivision.

Subdivision 2. Applicability. The following may be considered an Administrative Subdivision. In the event circumstances warrant platting of the following, the ~~City Zoning Administrator~~ Community Development Director or designated representative shall require that subdivision to be processed through the Preliminary and Final Plat processes as identified within this Ordinance. The ~~City Zoning Administrator~~ Community Development Director or designee ~~designated representative~~ may authorize approval of the Administrative Subdivision upon finding:

A. The parcel of land has not previously been the subject of division by the Administrative Subdivision procedure.

B. The division will not result in more than two (2) lots.

C. All newly created lots meet the minimum requirements of the Zoning District in which they are located.

D. The subdivision will not cause any structure on the land to be in violation of the Zoning or Subdivision Ordinance.

E. Any drainage, utility, trail, right-of-way or access easements required by the City shall be granted.

F. Lots shall have the minimum required frontage upon a public roadway.

G. Lots that will not be receiving urban services shall provide evidence that septic system and water supply systems meet requirements. The Building Official shall review such information and may require further documentation.

Subdivision 3. Application Requirements.
Whenever any subdivision of land as outlined within this Section is proposed, and before any contract is made for sale of any part of the parcel, and before any building permit has been issued for the erection of a structure on such proposed subdivision shall be granted, the subdividing owner or his authorized agent, shall file an application and secure approval of an Administrative Subdivision. Such application shall be considered to be officially filed and complete when the ~~Zoning Administrator or their~~ Community Development Director designee has received all of the following items:

A. Complete application form.

B. Application fee and escrow (if required).

C. Acreage calculations for proposed lots.

D. Certification of taxes paid, in accordance with the requirements of this Ordinance.

E. A Certificate of Survey (full size and 11" x 17" reduction) prepared by a licensed land surveyor identifying the following:
   1. A graphic scale not less than one inch to 100 feet.
   2. Name and address of legal owner and / or agent of the property.

3. North arrow.
4. Boundaries, dimensions, and area of existing lots being subdivided and new lots to be created.
5. Legal descriptions of existing lot(s) and legal description of proposed new lots.
6. Easements of record.
7. Water courses, including delineated wetlands.
8. All encroachments, easements, and right-of-way encumbering the property.
9. Existing buildings, structure, and improvements within the parcel(s) to be platted.
10. Locations, widths, and names of all public streets, right-of-way or railroad right-of-way showing type, width, and condition of the improvements.
11. Proposed driveway locations and locations of existing driveways.
12. Location of any abandoned or existing private wells and septic systems.
13. Additional data requirements as determined appropriate by the Zoning Administrator to ensure compliance with City requirements.
14. Drainage and utility easements, along all lot lines.
15. Any required right-of-way dedication.

Section 4. Procedure.

A. Upon submittal of a complete Administrative Subdivision Application, the ~~Zoning Administrator~~ Community Development Director or designee shall request input from the City's planning, engineering, and legal staff, as appropriate.

B. The Administrative Subdivision of land abutting upon any existing or proposed trunk highway, county road or highway or county state-aid highway shall be subject to review by the Minnesota Department of Transportation and / or Isanti County Highway Department. Written notice and a copy of the proposed Administrative Subdivision shall be filed with either or both entities, as deemed appropriate.

C. The Administrative Subdivision of land located within a Floodplain District shall be subject to the review of the Minnesota Department of Natural Resources and / or Watershed District. Written notice and a copy of the proposed subdivision shall be filed with either or both entities, as deemed appropriate.

D. The ~~Zoning Administrator~~ Community Development Director or designee shall have the authority to request additional information pertinent to the Administrative Subdivision. Failure to provide the necessary supportive information may be grounds for denial of the request.

E. The ~~Zoning Administrator~~ Community Development Director or designee shall reach a decision on the requested Administrative Subdivision within one hundred twenty (120) days upon receipt of a complete application, unless the applicant agrees to an extension of the review period.
   1. The ~~Zoning Administrator~~ Community Development Director or designee may approve the Administrative Subdivision with conditions that must be met to ensure that the subdivision is compliant with the regulations of the zoning and subdivision ordinances, as amended, and any other applicable requirements.
   2. The ~~Zoning Administrator~~ Community Development Director or designee may deny the Administrative Subdivision and prepare findings that the subdivision is found to be premature or fails to comply with the regulations of the zoning and subdivision ordinances, as amended, and any other applicable requirements. The applicant may appeal an Administrative Subdivision denial following the procedures as outlined within the Zoning Ordinance.

F. Prior to certification by the City, approving the Administrative Subdivision, the applicant shall supply the deed(s), which grant to the City the easements and / or right-of-way required by this Ordinance.

Subdivision 5. Recording. Upon approval of an Administrative Subdivision, the applicant shall record the deed and the accompanying survey with the Office of the Recorder for Isanti County within ninety (90) days after the date of approval; otherwise the approval of the Administrative Subdivision will be considered void. Verification of such recording shall be provided to the City by the applicant.

ARTICLE 3. MINOR SUBDIVISION PLAT

Subdivision 1. Purpose. The Minor Subdivision Plat procedure for processing applications for the division of land or re-subdivision, including consolidation of land, is to provide for an expedited procedure in those limited cases where strict adherence to the standard platting process is not required. The Minor Subdivision Plat is not intended to be a substitute for the standard platting process set forth in this Ordinance. A Concept Plan is not required. The Planning Commission shall hold the public hearing for both the Preliminary Plat and the Final Plat to be reviewed at the same meeting.

Subdivision 2. Applicability. The Minor Subdivision Plat may be utilized where the following circumstances exist:

A. The property to be divided will result in four (4) or fewer lots.

B. The property has not previously been subject to division by either an Administrative Subdivision or Minor Subdivision Plat.

C. The property to be divided is not part of a Planned Unit Development (PUD).

D. The newly created lots shall meet the requirements of the underlying zoning district; and shall not cause any structure on the land to be in violation of the Zoning Ordinance.

E. No variances are required to complete the subdivision as proposed.

F. All standards, requirements, and improvements required of a standard subdivision are required for a Minor Subdivision.

G. For residentially zoned lots, the proposed lot area of each lot within a re-subdivision or consolidation is no more than twenty (20) percent greater or ten (10) percent less than the average zoning lot area on that same frontage.

H. For residentially zoned lots, the proposed lot width of each lot is no more than twenty (20) percent greater or ten (10) percent less than the average zoning lot width on the same frontage.

Subdivision 3. Application Requirements. All data required for Preliminary and Final Plats are required for the Minor Subdivision Plat. All data shall be submitted to the ~~Zoning Administrator~~ Community Development Director or designee, along with the appropriate application form, filing fees, and escrows (if required).

Subdivision 4. Procedures.

A. Upon submittal of a complete Minor Subdivision Application, the ~~Zoning Administrator~~ Community Development Director or designee shall request input from the City's planning, engineering, and legal staff, as appropriate. The subdivider shall reimburse the City for any legal or engineering costs associated with the review of the Minor Subdivision Plat.

B. The Minor Subdivision of land abutting upon any existing or proposed trunk highway, county road or highway or county state-aid highway shall be subject to review and approval of the Minnesota Department of Transportation and / or Isanti County Highway Department. Written notice and a copy of the proposed Minor Subdivision Plat shall be filed with either or both entities, as deemed appropriate. Access to local collector, minor or arterial roadways is subject to review and approval by the City Engineer.

C. The Minor Subdivision of land located within a Floodplain District shall be subject to the review of the Minnesota Department of Natural Resources and / or Watershed District, as deemed appropriate. Written notice and a copy of the proposed subdivision shall be filed with either or both entities, if necessary.

D. The ~~Zoning Administrator~~ Community Development Director or designee shall have the authority to request additional information pertinent to the Administrative Subdivision. Failure to provide the necessary supportive information may be grounds for denial of the request.

E. The ~~Zoning Administrator~~ Community Development Director or designee shall forward the Minor Subdivision (Preliminary and Final Plat) submittals to the Park and Recreation Board for consideration at their regularly scheduled meeting, if applicable. The applicant is required to attend all meetings with advisory boards and the City Council. Failure of the applicant to attend a meeting may result in the tabling of or denial of the application.

F. The Planning Commission shall hold a public hearing on the proposed Minor Subdivision Plat. Notice of the public hearing shall be published in the City's official newspaper at least ten (10) days before the hearing. The City shall mail written notification of the proposed Minor Subdivision Plat to property owners located within three hundred fifty (350) feet of the subject site. Failure to give mailed notice to individual property owner shall not invalidate the proceedings, provided a bona fide attempt to comply has been made.

G. At the public hearing, the Planning Commission shall receive the written report of the ~~City Planner~~ Community Development Director or designee and shall take testimony from the subdivider and all other interested parties. At the close of the public hearing, the Planning Commission shall consider all the written reports and materials, and the oral testimony, and make a recommendation on the Minor Subdivision Plat to the City Council. The Planning Commission may recommend approval, approval subject to modifications or conditions, or denial. If denial is recommended, the reasons for such recommendation shall be stated in the record.

H. The City Council shall consider the plat at its next meeting following receipt of the Planning Commission recommendation. The City Council shall take action on the application ~~which shall include findings of fact~~, which shall be entered in the proceedings of the City Council and transmitted to the applicant in writing. The lack of a simple majority to approve a Preliminary or Final Plat shall be a denial of the requested application.

I. Upon approval of the Final Plat by the City Council, the applicant ~~City Clerk or their designee~~ shall record it with the Isanti County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

J. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. Three (3) additional 11 inch by 17 inches mylar transparencies shall be given to the ~~City Planner~~, Community Development Director or designee, ~~the City Clerk,~~ and Isanti County. No building permits shall be issued until these conditions have been complied with.

K. Record plans and electronic copies of all final plan documents shall be submitted to the ~~Zoning Administrator~~ Community Development Director or designee and City Engineer.

ARTICLE 4. PRE-APPLICATION MEETING AND SKETCH PLAN

Subdivision 1. Pre-Application Meeting.

A. Prior to the preparation of a preliminary plat, the subdividers or owners shall meet with the ~~City Planner,~~ Community Development Director or designee, City Administrator and other appropriate ~~officials~~ staff in order to be made fully aware of all applicable ordinances, regulations and plans in the area to be subdivided. At this time or at subsequent informal meetings, subdividers shall be invited to submit a sketch plan in simple form showing that consideration has been given to the relationship of the proposed subdivision to existing community facilities that would serve it, to neighboring subdivisions and development, and to the topography of the site.

B. The sketch plan shall be considered as the basis for discussion between the subdivider, City staff, and Planning Commission. Submission of the sketch plan shall not constitute formal filing of a preliminary plat. The Planning Commission shall, on the basis of the sketch plan, unofficially advise the subdivider of the extent to which the proposed subdivision conforms to the design standards of this Ordinance, and the City's Comprehensive Plan and shall discuss possible modifications. The City Council may also review the sketch plan. Any comments provided by the Planning Commission or City Council shall not constitute plat approval and are considered non-binding.

C. Escrow Required for Professional Services. The subdivider or owners shall enter into an escrow agreement and file funds with the City before any review or work can be completed by a consultant for the City, which includes but is not limited to engineering and legal services. Escrow fees are determined by Resolution of the City Council.

Subdivision 2. Content of the Sketch Plan.

The sketch plan should contain the following information:

A. A site location map showing major streets, parks, community facilities, and other significant developments within the subject area.

B. Tract boundaries.

C. North point and scale.

D. Topography and physical features, including lakes, ponds, wetlands, and wooded areas.

E. Proposed uses, to include parks and open spaces.

F. Streets within and adjacent to the tract.

G. Proposed general street layout and design.

H. Proposed lot size and orientation.

I. Proposed zoning change, if any proposed.

J. If the project will be a Planned Unit Development, then such development is subject to the regulations and procedures as presented within Ordinance No. 445, Zoning Ordinance.

K. Any additional items that may aid the Planning Commission in the review of the subdivision request.

ARTICLE 5. PRELIMINARY PLAT

Subdivision 1. Filing Procedures.

A. After the pre-application meeting and review of the sketch plan, the subdivider or owner shall file with the ~~City Planner~~ Community Development Director or designee a completed and signed application for Preliminary Plat Approval on a form provided by the City, along with four (4) full size copies of plans, one (1) 11" x 17" reproducible copy of the plans, and an electronic copy (pdf) of the plans; in accordance with the regulations set forth within this Ordinance. All plats and subdivisions presented for recommendation by the Planning Commission and approval by the City Council shall be accompanied by the filing and escrow fees as established by Resolution of the City Council and by an escrow agreement that the subdivider reimburse the City for its costs to review the Preliminary Plat. The application for Preliminary Plat shall not be deemed complete until all data and supplementary information required by this Ordinance has been received by the City.

B. The Preliminary Plat will be reviewed by all affected City departments to determine whether the subdivision complies with the requirements of this Ordinance and the City of Isanti Zoning Ordinance (Ordinance No. 445), and to determine how the proposed development will affect traffic, utilities, drainage, community facilities, public safety, surrounding developments, natural features, historic sites, open space, etc. Developments meeting the requirements for an Environment Assessment Worksheet (EAW) or Environmental Impact Statement (EIS) shall file the appropriate information for review, distribution, and approval in accordance with Minnesota State Statute requirements, prior to review and approval of the proposed plat by the City.

C. The ~~City Planner~~ Community Development Director or designee shall compile comments from the other City departments and prepare a written report. A copy of that report shall be sent to the subdivider.

D. The ~~City Planner~~ Community Development Director or designee shall also submit copies of the Preliminary Plat to the County Highway Department, State Department of Transportation, Department of Natural Resources Commissioner, and Watershed District, where applicable.

E. Upon receipt by the City of a complete application for Preliminary Plat Approval, including all required supporting documentation, the Planning Commission shall hold a public hearing on the proposed subdivision. The required legal publication shall be made and notices shall be sent to all property owners of record within three hundred fifty (350) feet of the exterior boundaries of the proposed plat. The subdivider is required to obtain the list of property owner's from the County Auditor's Office.

F. The subdivider or duly authorized representative shall attend the Planning Commission meetings at which the proposal is scheduled for consideration.

G. At the public hearing, the Planning Commission shall receive the written report of the ~~City Planner~~ Community Development Director or designee and shall take testimony from the subdivider and all other interested parties. At the close of the public hearing, the Planning Commission shall consider all the written reports and materials, and the oral testimony, and make a recommendation on the Preliminary Plat to the City Council. The Planning Commission may recommend approval, approval

subject to modifications or conditions, or denial. If denial is recommended, the reasons for such recommendation shall be stated in the record.

H. The City Council shall consider the preliminary plat and shall approve or deny the plat within one hundred twenty (120) days of receipt of a complete application. The City Council shall either approve with or without modification or conditions, refer the Preliminary Plat back to the Planning Commission or City staff for further review, or deny the Preliminary Plat. The City shall notify the applicant in writing of the City Council's action stating the conditions of approval or reasons for disapproval of the Preliminary Plat. If approved, the City shall send the applicant a copy of the approval with items requiring modification noted.

I. Conditional approval of a Preliminary Plat shall not constitute approval of the Final Plat. Rather, it shall be deemed to be an expression of approval of the layout submitted on the Preliminary Plat and act as an authorization and guide to proceed with the preparation of the Final Plat. This approval of the Preliminary Plat shall be effective for a period of one (1) year, unless a phasing plan has been approved or an extension is granted by the City Council prior to the termination of such one (1) year period. The developer or applicant must submit the extension request in writing. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension.

J. The subdivider may file a final plat limited to a portion of the Preliminary Plat that they propose to record and develop at that time; provided that such portion must conform to all requirements of this Ordinance.

K. If the subdivider should desire to amend the Preliminary Plat as approved, the subdivider shall resubmit the amended Preliminary Plat, which shall follow the same procedure except for the public hearing. If the amendment, in the opinion of the City, is of such scope that it would constitute a new Preliminary Plat, then such Preliminary Plat shall be refilled and a new public hearing be called.

Subdivision 2. Data Required for Preliminary Plat.
Unless otherwise exempted within this Ordinance, the owner or subdivider shall prepare and submit a Preliminary Plat containing the following information:

A. Identification and description.
   1. Proposed name of subdivision, which shall not duplicate or be similar in pronunciation or spelling to the name of any other plat in the City.
   2. Legal description.
   3. Names and addresses of the record owner, subdivider, land surveyor, engineer, designer of the plat, and any agent having control of the land.
   4. Graphic scale not less than one (1) inch to one hundred (100) feet.
   5. North arrow.
   6. Key map including area within one (1) mile radius of plat.
   7. Date of preparation.

B. Existing conditions.
   1. Boundary lines of proposed subdivision.
   2. Existing zoning classifications for land within and abutting the subdivision.
   3. Acreage and lot dimensions.
   4. Location, right-of-way width, and names of existing or platted streets; locations of parks, buildings and structures, railroad right-of-way, easements, section lines and corporate boundaries within the proposed subdivision and to a distance one hundred fifty (150) feet beyond.

5. Boundary lines of adjoining platted or subdivided land, within one hundred fifty (150) feet, identified by name and ownership including all contiguous land owned or controlled by the subdivider.
6. Topographic data within the property to be subdivided and one hundred (100) feet beyond the property boundary, showing contours as follows: two-foot intervals where slope is ten (10) percent or less; five-foot intervals where slope is ten (10) to fifteen (15) percent; ten-foot intervals where slope is greater than fifteen (15) percent. All areas of the subdivision to be platted with a slope greater than twenty-five (25) percent must be clearly indicated. However, on undevelopable sections or larger acre lots topographic data may be reduced to significant physical characteristics, such as top and toe of slope, if in the opinion of the city the area is viewed as unsuitable for future subdivision. Location and elevations of on-site and abutting water courses, lakes, wetlands, rivers, streams, and marshes at date of survey and their ordinary high water mark plus approximate high and low water elevations shall also be shown. Where the subdivision borders a lake, river or stream, a meander line shall be established at an elevation two (2) feet above the recorded high water elevation of the lake, river or stream. Flood plain areas, location of wooded areas, rocky outcrops, power transmission poles and lines and other significant physical features shall also be shown.
7. An accurate soil report indicating soil conditions, permeability and slope.
8. Utilities on or adjacent to the property, including location, size and invert elevation of public sanitary and storm sewers, catch basins and manholes; location and size of water mains and hydrants; location of gas mains, high pressure lines, fire hydrants, electric and telephone lines, and street lights. The direction, distance to, and size of such facilities shall be indicated.
9. Location of any wetlands.

C. Proposed design features.
1. Layout of proposed streets showing the proposed names, the right-of-way widths, centerline gradients and typical cross sections. Street names shall be assigned or approved by the city. Turn lanes must be shown on collector and minor/major arterial streets.
2. Location and width of proposed pedestrian ways, to include both sidewalks and trails; and utility easements.
3. Lot sizes, layout, numbers and preliminary dimensions of lots and blocks.
4. Minimum building setback lines as required by the zoning ordinance.
5. Areas other than streets, alleys, pedestrian ways and utility easements, intended to be dedicated or reserved for public use, including the size of such areas.
6. Location, size and approximate grade of proposed public sewer and water mains. If public sewer and water are not available the developer shall provide site evaluation data required by Minnesota Pollution Control Agency Individual Sewage Treatment Standards (WPC 409) to determine the suitability of the site for individual sewage systems. References shall be made to "The Isanti County's Policies for Individual Sewage Systems", and the U.S. Department of Agriculture, Soil Conservation Service, and any other available sources. The data required shall be determined by the city. If cluster systems are provided, such systems shall be reviewed and approved by the City Engineer.
7. If the preliminary plat is a rearrangement of a recorded plat, the lot and block arrangement of the original plat, its original name, and all revised or vacated right-of-ways and easements shall be shown by dotted or dashed line.
8. Location, width and height of landscaped buffers between collector and arterial streets as described later in this ordinance. Landscaping must be approved by the ~~City Planner~~ Community Development Director or designee with a minimum of 1 tree per 20 feet of frontage.

D. Supplementary information.

1. Statement of the proposed use of lots stating type of buildings with number of proposed dwelling units or type of business or industry to reveal the effect of the proposed development on traffic, fire hazards, and density of population.
2. Any proposed protective covenants.
3. A drainage plan for the area indicating the direction and rate of natural storm water runoff and those unaltered areas where storm water collects and percolates into the ground. A proposed drainage plan for the developed site indicating the direction and rate of runoff and those areas where storm water will collect and percolate into the ground shall also be included. Storm water plans shall be consistent with the storm water management ordinance (Ord. No. 420).
4. A proposed finished grading plan shown at contour intervals appropriate to the topography or spot elevations indicating the relationship of proposed changes to existing topography and remaining features.
5. If any zoning changes are contemplated, the proposed zoning plans for the areas. A proposed rezoning of property must be reviewed and approved at the time of Preliminary Plat Approval.
6. Where the subdivider owns property adjacent to that proposed for the subdivision, a general development plan of the remaining property depicting the possible relationships between the proposed subdivision and the future subdivision must be provided. The plan shall address the overall land use, traffic circulation, utility easement configurations, and general lot layouts. Note, an Environmental Assessment Review of the project or the cumulative effects of projects may be necessary and must be completed before a preliminary plat is accepted.
7. A soil erosion and sediment control plan. The plan shall include a timing schedule and sequence of operation indicating the anticipated starting and completion dates of the particular development segment and the estimated time of exposure of each area prior to completion of effective erosion and sediment control measures. Gradients of waterways, design of velocity and erosion control measures, and landscaping of the erosion and sediment control system shall also be shown.
8. A vegetation preservation and protection plan to provide stabilization of erosion or sediment-producing areas. This area shall start at the curb line and end six (6) feet from the curb, planted with grass in efforts to protect the storm sewer system.
9. Required variances.
10. Water distribution system.
11. Proposals for street lighting; curb and gutters, sidewalks and boulevard improvements.
12. Such other information as may be requested by the city.
13. A plan showing the locations and "footprints" of houses as described later in this Ordinance.
14. A tree survey and preservation plan, in accordance with the provisions of this Ordinance.

ARTICLE 6. FINAL PLAT

Subdivision 1. Filing Procedures for Final Plat.

A. The owner or subdivider shall file four (4) full size copies, one (1) 11" x 17" reproducible copy, and an electronic copy (pdf version) of the Final Plat not later than one (1) year after the date of approval of the preliminary plat; otherwise, the preliminary plat shall be considered void unless an extension is requested in writing by the subdivider and for good cause granted by the City Council. The City Council may approve up to two (2) extensions, not to exceed two (2) additional years for each extension. It shall be the responsibility of the subdivider to request such extension prior to the expiration of the Preliminary Plat Approval. Such request for extension shall include the following:
   1. An explanation for why the final plat has yet to be applied for;
   2. What good faith efforts have been made to further the platting process; and
   3. The anticipated date of completion.

B. The owner or subdivider shall also submit at the same time an up-to-date certified abstract of title or registered property report and such other evidence as the City Attorney may require showing title or control by the applicant.

C. The Final Plat shall have incorporated all changes or modifications required by the City Council; in all other respects it shall conform to the Preliminary Plat. It may constitute only that portion of the approved preliminary plat which the subdivider proposed to record and develop at the time, provided that the portion conforms to all requirements of this Chapter.

D. The City Council shall consider the Final Plat officially filed after the City Administrator or their designee has examined it and deemed complete. ~~and advised the Planning Commission and City Council that it is in proper form.~~

E. On the same date that it places the Final Plat on file, the ~~City Planner~~ Community Development Director or ~~their~~ designee shall refer copies of the Final Plat ~~to the Planning Commission and one (1) copy~~ to the City Engineer. The abstract of title or registered property report shall be referred to the City Attorney for his or her examination and report. The City Attorney shall report all findings to the City Council within thirty (30) days. ~~The Planning Commission shall review the Final Plat submittal and make recommendations to the City Council.~~ The City Engineer shall review the proposal and report all findings within thirty (30) days of receiving the plat. The City Council shall review the Final Plat and shall approve or disapprove the plat within sixty (60) days of receipt of the completed application.

F. One (1) copy of the Final Plat shall be submitted to the County by the subdivider for purposes of mathematical checking and compliance with State and County law; a certificate of compliance shall be returned to the City prior to final approval by the City and all fees imposed for checking and certification shall be paid for by the subdivider.

G. Upon receiving approval of a Final Plat for a portion of the approved Preliminary Plat the subdivider shall not be required to request a continuation of the City's recognition of the Preliminary Plat so as to maintain its approval, as outlined within the Development Agreement or Resolution. However, the Final Plat application for subsequent phases, unless described otherwise by an approved phasing plan, shall be submitted within one (1) year of approval of the Final Plat for the previous phase. If such time line cannot be met, an extension may be requested in writing for City Council approval.

H. The City Council may either approve or disapprove the Final Plat. If the Final Plat is not approved, the reasons for such action shall be recorded in the official proceedings and shall be transmitted to the applicant. If the Final Plat is approved, such approval shall constitute final acceptance of the subdivision. Should the City Council determine that the Final Plat is inconsistent with the approved Preliminary Plat or requirements of the Preliminary Plat approval are not resolved, the City Council may refer the Final Plat to the Planning Commission for review and recommendation. If there are inconsistencies between the Preliminary and Final Plats, the subdivider shall submit an amended Preliminary Plat, which shall follow the same procedures as the original Preliminary Plat.

I. Upon approval of the Final Plat by the City Council, the applicant ~~City Clerk or his/her designee~~ shall record it with the County Recorder's Office within ninety (90) days after the date of approval; otherwise, failure of the applicant to comply and submit the necessary items and fees for the recording of the Final Plat by the City shall be cause for revoking the City's approval and the Final Plat shall be considered void, unless the developer or applicant requests an extension, in writing and receives approval from the City Council. The City Council may approve up to two (2) extensions for a term not to exceed one (1) additional year for each extension. Fees associated with the recording of the Final Plat will be charged back to the developer or subdivider.

J. The subdivider shall immediately upon approval, furnish the City Administrator or his/her designee with three (3) full size mylar transparencies of the Final Plat, two (2) for the County and one (1) for the City. ~~Three (3)~~ One (1) additional 11 inch by 17 inches mylar transparencies shall be given to the ~~City Planner~~, ~~the City Clerk~~, Community Development Director or designee and Isanti County. No building permits shall be issued until these conditions have been complied with.

Subdivision 2. Data Required for Final Plat.

A. The Final Plat shall be prepared by a land surveyor who is registered in the State of Minnesota and shall be prepared and conform to all State requirements, applicable County regulations, and this Ordinance.

B. The following items shall be included with the Final Plat:

1. Surveying requirements for the Final Plat shall be under the regulation of the County Surveyor. The County Surveyor shall submit a report to the City regarding the conformance of the proposed Final Plat to the County requirements and all provisions of State law for platting.
2. All information required on the Preliminary Plat shall be accurately shown on the Final Plat. Final plans of all improvements to be installed by the subdivider shall be submitted with grades and profiles.
3. Names of new streets and roadways, ~~in accordance with the City's street naming policy~~ shall be provided.
4. Copies of permits granted by other government agencies and regulatory bodies shall be provided.
5. A Tile Opinion, Certificate of Title, or up-to-date abstract showing ownership must be provided.
6. Execution by all owners having interest in the land to be subdivided and any holders of a mortgage therein of deeds or easements for any area to be conveyed for public use and any covenants or association documents shall be required, in such form as shall be approved by the City Attorney.
7. The applicant shall provide all required cash contributions, and conveyances and / or dedication of land, in accordance with earlier City approvals. The applicant shall submit all other data, certificates, affidavits, and endorsements that may be required by the Planning Commission or City Council.
8. Final plat information shall be submitted be submitted with a signed application form, as provided by the City, with four (4) full size copies, one (1) 11" x 17" reproducible copy, and in electronic format (pdf version).

Subdivision 3. As-Built Plans.

A complete set of as-built construction drawings and an electronic copy of such drawings, in a format acceptable to the City Engineer, for public improvements constructed in the subdivision shall be furnished as soon as the construction is complete and has been approved by the City.

Subdivision 4. Development Agreement.

A. As a condition of approval of the Final Plat and prior to the installation of any required improvements, the subdivider shall enter into a Development Agreement with the City requiring the subdivider, at his sole expense, to furnish and construct such improvements as shall be required by the City. Such improvements may include, but are not limited to, streets, sidewalks, public water systems, sanitary sewer systems, surface and storm water drainage systems, and public utility services. The installation of said improvements shall be in conformity with approved construction plans and specifications and all applicable standards and City Code provisions approved by the City Council.

B. Said contract shall provide for the supervision of construction by the City Engineer and shall require that the City be reimbursed for all costs incurred by the City for engineering and legal fees and all other expenses in connection with such improvements. An escrow shall be provided, as stipulated within the Development Agreement, to pay for such costs.

C. No subdivider shall be permitted to start work on any other subdivision without special approval of the City Council, if he or she has previously defaulted on work or commitments within the City or has failed to provide payment on any delinquent accounts associated with prior developments.

Subdivision 5. Performance Bond.

A. The Development Agreement provided for herein shall require the subdivider to provide an irrevocable letter of credit filed with the City or make a cash deposit to be held by the City for required improvements from a financial institution that is FDIC insured. Said insurance must be adequate to cover the full amount of the required surety and shall guarantee conformance and compliance with the conditions placed upon the Subdivision Approval and as defined within the Development Agreement. An amount equal to 125% of the estimated cost of labor and materials for the proposed improvements or development shall be collected. Said project can be handled in stages at the discretion of the City Council. The City shall hold the security until completion of the proposed improvements or development and until all warranty time periods have ended and any delinquent accounts have been paid in full. Failure to comply with the conditions of the Subdivision Approval or the Developer's Agreement and / or the policies and ordinances of the City shall result in the City's ability to draw upon the irrevocable letter of credit or cash deposit, so as to ensure the conditions, policies, and ordinances applicable to the development are implemented and / or constructed.

ARTICLE 7. DESIGN STANDARDS

Subdivsion 1. Generally.

The proposed subdivision shall conform to the comprehensive plan, zoning ordinance, and subdivision ordinance; and any other regulations as deemed appropriate and applicable to the development proposal. The design features set forth in this article are minimum requirements. Subdivision developments shall meet the requirements as provided within the City of Isanti Engineering Design Standards and the Stormwater Management Ordinance (Ord. No. 420). The city may impose additional or more stringent requirements concerning lot size, streets and overall design as deemed appropriate considering the property being subdivided, local traffic patterns (current and projected) and any other City concern.

Subdivision 2. Streets.

A. Streets shall be dedicated as public right-of-way on the plat. The location and design of streets shall consider existing and future street locations, traffic circulation, topographic conditions, storm water run-off, public convenience and safety, and the existing and proposed land uses to be served.

B. Street right-of-way widths shall be consistent with the comprehensive plan and official map, and shall conform to county and state standards. If no such plans or standards are applicable, right-of-way widths shall be not less than the following:

Street Classification	R-O-W Width (Feet)	Pavement Width (Feet)
Minor Arterial	100	36 to 44
Collector	80	36
Local Street (Rural Residential)	60	28
Local Street (Urban Residential)	60	28 to 32
Local Street (Commercial / Industrial)	60	36

Cul-de-sac, turn-around radius (Rural Residential)	60	40
Cul-de-sac, turn-around radius (Urban Residential)	60	45
Cul-de-sac, turn-around radius (Commercial / Industrial)	60	48

C. Insofar as practical, streets shall intersect at right angles. In no case shall the angle formed by the intersection of two (2) streets be less than sixty (60) degrees. Intersections having more than four (4) corners are prohibited.

D. A tangent of at least three hundred (300) feet shall be introduced between reverse curves on arterial and collector streets.

E. When connecting street lines deflect from each other at one (1) point by more than ten (10) degrees they shall be connected by a curve with a radius adequate to ensure a sight distance within the right-of-way of not less than five hundred (500) feet for arterials, three hundred (300) feet for collectors, and one hundred (100) feet for all other streets.

F. Proper design shall consider required turning radius of vehicles for access points or entrances to and from a highway using standards adopted by the Minnesota Department of Transportation (MNDOT).

G. All centerline grades shall be at least five-tenths percent and shall not exceed five (5) percent, for arterial and seven (7) percent for all other streets and alleys. Whenever possible, grades within thirty (30) feet of intersections or railroad crossings shall not exceed three (3) percent.

H. Different connecting street grades shall be connected with vertical curves. Minimum length, in feet, of the vertical curves shall be twenty (20) times the algebraic difference in the percentage of grade of the two (2) adjacent slopes.

I. Local streets shall have a centerline offset of not less than three hundred (300) feet. Offset intersections shall be avoided.

J. The alignment shall discourage through traffic on local streets.

K. The maximum length of a street terminating in a cul-de-sac shall be five hundred (500) feet measured from the center of the adjoining road.

L. Where a proposed subdivision is adjacent to a limited access highway, arterial or collector street, there shall be no direct vehicular or pedestrian access from individual lots to such highways or streets. To the extent feasible access to arterial streets shall be at intervals of not less than one-fourth mile and through existing and established crossroads. Access along collector streets will be restricted and controlled on the final plat.

M. Half streets shall be prohibited except where it will be practical to require the dedication of the other half when the adjoining property is subdivided, in which case the dedication of a half street may be permitted or required. The probable length of time elapsing before dedication of the remainder shall be a factor considered in making this determination.

N. Public streets shall be constructed to design and construction standards as prepared by the City Engineer.

O. Streets may be designed so as to include traffic calming measures to help reduce traffic speeds.

P. Private streets / access drives may be permitted in Residential Districts, providing that the following standards are met:

1. Extension of the public street is not physically feasible as determined by the City. If the City determines that there is need for such extension, this provision shall not apply, and the right-of-way for a public street shall be provided by dedication in the plat;
2. Severe grades make it infeasible according to the City to construct a public street to minimum City standards;
3. The City determines that a public road extension would adversely impact natural amenities, including wetlands or stands of mature trees containing deciduous trees;
4. There is no feasible present or future means of extending right-of-way from other directions;
5. The number of lots to share a common private street does not exceed three (3); and
6. Covenants which assign driveway installation and future maintenance responsibility are submitted and recorded with the titles of the parcels which are benefitted.

Private street / access drive design standards, include:

1. Common sections of a private street serving two (2) units or more must be built to a seven-ton design, paved to a minimum width of twenty (20) feet, utilize a maximum grade of ten (10) percent, and provide a turnaround area acceptable to the Fire Chief or their designee based upon guidelines provided by applicable fire codes. Plans for the street shall be submitted to the city engineer. Upon completion of the driveway, the applicant shall submit a set of "as-built" plans signed by a registered civil engineer.
2. Private streets and access driveways must be located within a private easement of at least thirty (30) feet wide which extends out to the public right-of-way.
3. Private streets must be maintained in good condition and plowed within twenty-four (24) hours of a snowfall greater than two (2) inches. Covenants concerning maintenance shall be filed against all benefiting properties. Parking on the private street or otherwise blocking all or part of the private street shall be prohibited.
4. Private streets that are not usable by emergency vehicles because of obstructions, snow accumulation, or poor maintenance are a public safety hazard. The city may remedy such conditions and assess the cost back to the property pursuant to Minnesota Statutes section 429.101, Subdivision 1(C).
5. The private street shall be provided with adequate drainage facilities to convey storm runoff which may require hydrologic calculations for a ten-year storm should be included. In all zoning districts, these improvements shall include concrete curb and gutter.
6. Street addresses or city approved street name sign, if required, must be posted at the point where the private street intersects the public right-of-way.
7. The private street shall be designed to minimize impacts upon adjoining parcels. The city may require revised alignments and landscaping to minimize impacts. An erosion control plan should be completed and approved prior to construction.
8. Maintenance and repair of utilities located within the private driveway easement shall be the responsibility of the benefiting property.
9. Private reserve strips controlling public access to streets shall be prohibited.

Subdivision 3. Alleys.

Alleys are prohibited, except when utilized as a fire lane in a commercial or industrial development. Alleys may be permitted as a part of a Planned Unit Development, upon approval by the City Council.

Subdivision 4. Blocks.

The length and width of blocks shall be sufficient to provide convenient and safe access, circulation, control and street design. Blocks shall not be longer than one thousand eight hundred (1,800) feet or shorter than three hundred (300) feet except where topography or surrounding development limits the ability to strictly comply or as specifically approved by the City Council to foster innovative design consistent with sound planning principles.

Subdivision 5. Pedestrian Ways.

Pedestrian ways will be required on all blocks. Easements for pedestrian ways shall be at least twenty (20) feet wide for trails only and shall be required in locations deemed necessary to public health, convenience, and necessity. Sidewalks and trails shall meet the location and construction requirements established by this Ordinance.

A. Sidewalks.

1. Location. Sidewalks shall be placed on the west side and the north side of every street, cul-de-sac, or other roadway as identified by the City.
   a. The City may modify the location of sidewalks when necessary, to form a contiguous sidewalk system.
   b. Parcels located within Industrial Districts are exempt from these requirements.
   c. All new subdivision / developments shall install sidewalks at the developer's expense.
2. Construction Standards.
   a. Sidewalks shall be five (5) feet in width with six (6) foot boulevards.
   b. Sidewalks shall be constructed of concrete five (5) inches thick. Where the sidewalk is part of a driveway, it shall be six (6) inches thick.
   c. Sidewalks shall be constructed on a three (3) inch sand cushion. The sand shall meet MNDOT requirements and the Isanti Engineering Design Standards.
   d. Pedestrian curb ramps shall be installed on all corners according to MNDOT standards and City Engineer specifications.
   e. The City Engineer shall inspect sidewalk construction.
   f. All materials, workmanship, and details of the construction of sidewalks on the public right-of-way shall be in accordance with approved plans and specifications by the City Engineer.

B. Trails.

1. Location. Trails shall be placed in accordance with the 2008 Comprehensive Plan and Parks, Trails and Open Space Plan.
   a. The City may modify the location of trails when necessary, to form a contiguous trail system.
   b. All new subdivision / developments shall install trails at the developer's expense.
2. Construction Standards.
   a. Trails shall be at least eight (8) feet in width.
   b. Trails shall be constructed of concrete or bituminous. In some instances, the City may permit a wood chip trail, if located within an environmentally sensitive area.
   c. Trails through wetland areas may be constructed to boardwalk / bogwalk requirements as indicated in the City Engineering Design Standards, in lieu of filling wetlands or wetland mitigation.
   d. Trails shall meet the specifications of the City Engineer.
   e. Concrete pedestrian curb ramps shall be installed on all corners according to MNDOT standards and City Engineer specifications.
   f. The City Engineer shall inspect trail construction.

Subdivision 6. Lots.

A. All lots shall have frontage upon a public street or upon an approved private street or common access road.

B. The lot size, width, shape, and orientation shall be appropriate for the proposed type of development and shall meet the minimum requirements of the Zoning Ordinance.

C. Flag lots shall have a minimum of thirty (30) feet of frontage.

D. Side lines of lots shall be substantially at right angles to straight street lines or substantially radial to curved street lines.

E. Lots shall be graded to drain away from building locations.

F. Lots shall be placed to preserve and protect natural amenities, such as vegetation, wetlands, steep slopes, water courses and historic areas.

G. Lot remnants are prohibited.

H. Street arrangements for the proposed subdivision shall not cause undue hardship to owners of adjoining property in subdividing their own land.

I. Double frontage lots with frontage on two (2) parallel streets or reverse frontage shall not be permitted except where lots back on an arterial or collector street. Such lots shall require additional depth of up to twenty-five (25) percent over the zoning district standards, so as to accommodate adequate vegetative screening along the back lot line. Wherever possible, structures on double frontage lots should face the front of existing structures across the street. If this cannot be achieved, then such lots shall have an additional depth of up to twenty-five (25) percent over the zoning district standards, so as to accommodate vegetation screening along the back lot line.

J. A residential lot will be permitted to have stormwater holding ponds with the following conditions:
   1. Pond area cannot be used in the minimum lot size square footage.
   2. Pond(s) shall be at least 30 feet from a primary structure.

Subdivision 7. Driveways.

A. Driveway grades shall be a minimum of one-half (1/2) percent and a maximum grade of eight (8) percent.

B. Driveway widths and setbacks shall meet the requirements of the Zoning Ordinance for the district in which the parcel is located.

C. No driveway or driveway extension shall be constructed within a required side yard easement.

Subdivision 8. Easements.

A. All easements shall be dedicated by appropriate language on the final plat in accordance with this section.

B. Easements shall be provided that are at least ten (10) feet wide along all street right-of-way lines and five (5) feet along the rear and side lot lines for utilities. If appropriate, easements of lesser or greater width may be required by the city. All utility easements shall have continuity of alignment from block to block.

C. Easements shall be provided along each side of the centerline of any water course or drainage channel, to a width sufficient to provide proper maintenance and protection and to provide for storm water run-off from a 100-year, and twenty-four (24) hour rain event . Where necessary, drainage easements corresponding to lot lines shall be provided. Such easements for drainage purposes shall not be less than ten (10) feet in width.

Subdivision 9. Landscaping Requirements.

A. Landscaping shall meet the requirements as established within Section 15, Subdivision 5 of the City of Isanti Zoning Ordinance.

B. Landscaping must be installed prior to receiving a certificate of occupancy or financial guarantees acceptable to the city must be provided to ensure timely installation.

C. All areas disturbed by site grading and/or construction must be seeded or sodded immediately upon completion of work to minimize erosion. When certificates of occupancy are requested prior to the satisfaction of this requirement, financial guarantees acceptable to the city, must be provided.

D. No dead trees or uprooted stumps shall remain after development. On-site burial is not permitted.

E. Landscaped buffers around the exterior of a residential subdivision shall be required by the city when the Plat is contiguous to collector or arterial streets as defined in the comprehensive plan or when the subdivision plat is adjacent to more or less intensive land uses.

1. Required buffering may consist of berms and/or landscape material consisting of a mix of trees and shrubs and/or tree preservation areas.
2. Fencing may be permitted between the required buffer and the collector or arterial street; providing a combination of coniferous and deciduous trees is planted to soften the appearance of the fence or wall from adjacent properties and the public street.
3. Where appropriate, the city may require additional lot depth and area on lots containing the buffer so that it can be adequately accommodated and the homes protected from impacts. Lot depths and areas may be increased by twenty-five (25) percent over zoning district standards.
4. The landscape plan must be developed with the preliminary and final plat submittals for city approval.
5. Appropriate financial guarantees acceptable to the city shall be required.

F. It is the policy of the City to preserve existing trees and natural woodland areas and with respect to specific site development to retain as far as practical, substantial tree stands which can be incorporated into the overall landscape plan.

G. No clear-cutting of woodland areas shall be permitted except as approved in a subdivision, planned unit development or site plan application.

Subdivision 10. Erosion and Sediment Control.

A. The development shall conform to the topography and soils to create the least potential for soil erosion.

B. Detailed requirements for each plat shall be set forth in the development agreement.

C. Erosion and Sediment Control Plans shall be submitted to the City Engineer for approval. All plans shall be in accordance with MPCA NPDES Phase 2 Permit requirements.

ARTICLE 8. CONSERVATION SUBDIVISION

Subdivision 1. Purpose.

The purpose of the Conservation Subdivision is to protect and retain significant natural areas, as identified in the Natural Resources Analysis and Inventory prepared and adopted in the Comprehensive Plan. The City has identified preservation and enhancement of natural areas of significant importance in the process of planning for future growth and development; and as such, has established the Conservation Subdivision regulations as a tool for encouraging the sustainability of the City's natural resources for future generations.

Subdivision 2. Intent.

It is the intent of the Conservation Subdivision method to:

A. Provide for the unified and planned development of clustered residential uses which are designed and located, in an effort to reduce the perceived density of development, provide privacy for residential dwellings, and to incorporate large tracts of predominantly protected common open space in perpetuity.

B. Allow for the continuation of agricultural uses in those areas best suited for such activities and when adjacent to residential uses are made compatible with such uses.

C. Maintain and protect the City of Isanti's natural character by preserving areas containing such unique and environmentally sensitive natural features such as woodlands, river and stream corridors, drainage ways, wetlands, floodplains, prairies, steep slopes, critical species habitats, and productive agricultural land by setting them aside from development.

D. Connect common open space areas, wetlands, and identified natural areas between adjacent parcels to create environmental corridors throughout the City of Isanti.

E. Preserve scenic views and minimize the views of new development from existing homes and roadways.

F. Allow for greater design flexibility in the siting of residential dwellings and other types of development features than would be permitted by the application of standard regulations; in order to minimize disturbance of landscape elements and sensitive areas, scenic quality, and the overall aesthetic value of the landscape.

G. Increase flexibility in the siting of services and infrastructure through the alteration of road length, utility requirements, drainage requirements, and the amount of paving required for residential development, when possible.

H. Reduce erosion and sedimentation by retaining existing vegetation.

I. Permit various means for owning common open space, preserved landscape elements, agricultural land, and to protect such areas from development in perpetuity.

Subdivision 3. Applicability.

The Conservation Subdivision provides an alternative set of design objectives and standards for subdivision and residential development.

Subdivision 4. Residential Cluster Development.

The purpose of the residential cluster development method seeks to maintain the rural character associated with the outlying areas of the City of Isanti through the preservation of agricultural land, woodlands, natural corridors, and other significant natural features and areas while allowing residential development that is consistent with the goals and objectives of the City Comprehensive Plan. This type of development will allow an alternative to large lot single-family housing and will reduce the cost of constructing and maintaining public facilities and infrastructure. Protected open space will enhance and preserve the natural character of the community and create distinct neighborhoods for future residents.

Subdivision 5. Development Standards.

Conservation Subdivision developers shall comply with the following minimum standards, unless otherwise modified by the City Council based upon a record of findings that the proposed modification(s) would better enhance the natural character more so than the strict interpretation of the Conservation Subdivision regulations of the City of Isanti and would otherwise be consistent with the purpose and intent of the Comprehensive Plan and Conservation Subdivision.

A. Land Area. The minimum land area required for a Conservation Subdivision is five (5) acres.

B. Density Standards. The total number of dwelling units permitted within a Conservation Subdivision may not exceed the density limitation contained within the underlying zoning district. If the following additional standards are met, then the following density bonuses may apply. Density bonuses shall not exceed thirty (30) percent and must be approved and granted by the City Council.

1. A ten (10) percent increase for preserving land in open space with a conservation easement by a qualified land trust.
2. A ten (10) percent increase for the development of common gardens and / or a village green.
3. Developments which preserve additional open space beyond the minimum requirements of this Section may be qualified for a density bonus. The developments shall receive a density bonus of half the additional percentage of open space preserved. For example, each development is required to preserve thirty (30) percent of the land in open space. If the development has fifty (50) percent of its land in open space, the developer is qualified for an additional ten (10) percent density bonus. (½ * (50%-30%)) = 10%

C. Open Space.

1. The total open space area within a Conservation Subdivision shall be at least thirty (30) percent of the total buildable land area. Land that is not buildable shall be considered open space but shall not count towards the buildable land area. Dwelling units shall be grouped so that at least thirty (30) percent of the buildable land of the proposed development remains open space in a large contiguous pattern. The open space shall consist of agricultural lands, natural habitats, pedestrian corridors, neighborhood or community recreation areas, and other environmentally significant areas.
2. Each open space outlot shall be classified as natural habitat, neighborhood recreation, or pedestrian corridor open space, and shall conform to the type of use, location criteria, and deed restrictions of that classification.
   a. Natural Habitat. The development shall preserve the maximum quantity of natural habitat open spaces in contiguous, connected configuration. Natural habitat open spaces may include, but are not limited to fields, wetlands, slopes, bluffs, dense woods, lakes, ponds, streams, shorelands, and other environmentally sensitive areas or desirable viewsheds.
   b. Pedestrian Corridors. The development shall locate pedestrian corridor open spaces in strategic places such that larger open space outlots and designated places of destination both on the development tract and adjacent tracts are connected with one another. Pedestrian corridor open spaces may include, but are not limited to established regional trails, local pathways, paved walkways, and shorelines. Pedestrian corridor outlots shall be a minimum of twenty (20) feet in width. Motorized vehicles shall be prohibited.
   c. Neighborhood Recreation. The development shall locate neighborhood recreation open spaces such that they are an integral part of the neighborhood of surrounding homesites, at an elevation appropriate to their intended recreational use, defined by coherent boundaries, and accessible to all neighborhood residents. Neighborhood recreation open spaces may include, but are not limited to greens, commons, playgrounds, ballfields, gardens, or other recreational areas.
3. All open space shall be subject to conservation easements and used for the purposes as defined within its open space classification section. Habitable structures shall not be permitted in any open space outlot. Ownership of common open space and facilities shall not be transferred to another entity except in conformance with this subdivision. Documentation of the proposed ownership arrangement for common facilities and open space shall accompany the Preliminary Plat, including draft contracts, articles of incorporation, by-laws, etc. The land shall be controlled in one (1) or more of the following manners, as determined by the City.
   a. Homeowner's Association.

Open spaces may be owned in common by the property owners created through the subdivision of the original tract. Management shall be the responsibility of that subdivision's homeowners association. In the case where at least one (1) open space is held in common ownership, a homeowner association shall be established for that subdivision. Membership in the association by all property owners in the subdivision is mandatory. The homeowner association documents or the declaration of covenants, conditions and restrictions shall contain the following information:

(1) The legal description of the common lands and facilities.

(2) The restrictions placed upon the use and enjoyment of the lands or facilities including the persons or entities entitled to enforce the restrictions.

(3) A mechanism for resolving disputes among the owners or association members.

(4) A mechanism to assess and enforce the common expenses for the land or facilities including upkeep and maintenance expenses, real estate taxes, and insurance premiums.

(5) The conditions and timing of the transfer of ownership and control of land or facilities to the association or to common ownership.

b. Land Trust or Private / Non-Profit Conservation Organization. Open space may be deeded to an established land trust or private / non-profit conservation organization. Management shall be the responsibility of the land trust or private / non-profit conservation organization. Maintenance may be performed by the neighborhood homeowners association, through written agreement between the association and the land trust or private / non-profit conservation organization.

(1) Open space may be protected by establishing conservation easements in perpetuity in favor of an established land trust or private / non-profit conservation organization as provided within Minnesota Statutes 84.64 – 84.65. Unless the document establishing the restrictions specifically provides to the contrary, the City shall have no responsibility for the maintenance or management of the area subject to the restrictions. The form and content of the deed or other instrument establishing the restrictions must be approved by the City prior to the execution and delivery thereof.

(2) Stormwater drainage systems located within open spaces or the residential lots shall be covered by utility and drainage easements dedicated on the Final Plat to the City.

c. City of Isanti.

(1) Open space may be deeded to the City of Isanti for open space purposes or conveyed by easement to the City. Open space areas shall be in accordance with the 2008 Comprehensive Plan and the Parks, Trails, and Open Space Plan, subject to City Council Approval.

(2) Open space may be protected by establishing conservation restrictions in perpetuity in favor of the City as provided within Minnesota Statutes 84.64 – 84-65. Unless the document establishing the restrictions specifically provides to the contrary, the City shall have no responsibility for the maintenance or management of the area subject to the restrictions. The form and content of the deed or other instrument establishing the restrictions must be approved by the City prior to the execution and delivery thereof. Notwithstanding any provision of this Ordinance to the contrary, the City may, in cases where conservation restrictions are utilized to meet open space dedication requirements of this Ordinance, waive the requirement that the area subject to the restrictions be platted as a separate outlot.

d. Ownership retained by original landowner. Ownership of common open space may be retained by the original landowner or developer provided that:
   (1) Resident access to the open space is limited by agreement between the owner of the common open space and property owners of the development, as indicated by documents signed at the time of purchase of said lots or dwelling units.
   (2) The open space may be retained by the owner for agricultural purposes.
   (3) The original landowner or legal representative may transfer ownership to another person in compliance with this subsection.

4. Common open space shall be restricted in perpetuity from further subdivision or land development by conservation easement pursuant to Minnesota Statutes, and such conservation easement shall be recorded in the office of the Isanti County Recorder.

D. Lot Design.

Lots shall be sited so as to achieve the following objectives:

1. Lots shall be laid out to receive City services in the most efficient manner and as to maintain the largest portion of contiguous land for open space.
2. Residential lot areas shall consist of buildable land as defined by this Ordinance.
3. Residential lots shall be located in a manner that preserves existing significant trees and woodlands on the site.
4. Lots shall be arranged such that a majority of the principle structures will take visual advantage of an identifiable feature, building, structure, greenway, wetland, woods, lake, stream, or other open space which could be described as a view shed.
5. Lots may be arranged such that the principle structure faces a local street enhanced with landscaping, street trees, boulevards, medians, or other landscaping techniques appropriate to the City's Street Design Standards.
6. Lot size and setbacks shall be consistent with the regulations stated in the zoning district in which the parcel(s) are located. Such standards may be departed from upon approval of the City Council.
7. Lots shall be located in cluster groups and a plat may contain more than one (1) cluster group.
8 In order to establish a cohesive neighborhood, clusters shall include five (5) lots or twenty-five (25) percent of the allowable number of lots on the parcel to be subdivided, whichever is greater. An efficiency of land utilization should be encouraged by maximizing the number of lots in any one cluster development, while adhering to density and open space requirements.

E. Structures.

The structures within the neighborhoods should convey a particular architectural style with similar building materials, components, and roof pitches.

F. Buffer Zones.

1. In conservation subdivisions, buffer zones from the outer boundaries of the lot lines of each cluster group shall conform to the separation distances as provided:
   (a) From other cluster group boundaries, existing and proposed right-of-ways for arterial and collector roadways, agricultural uses, and subdivision site boundaries; a fifty (50) foot buffer zone is required.
   (b) From wetlands, floodplains, water courses, and drainage ways; a seventy-five (75) foot buffer zone is required.
2. Separation distances may be reduced up to fifty (50) percent, if the applicant can demonstrate that such reduced setbacks are more appropriate for the site and will improve the project's conformance with the design objectives, the intent of this Ordinance, and the goals, policies, and objectives of the City of Isanti Comprehensive Plan.

(a) All buffer zones shall be planted with native grasses, shrubs, and trees.
(b) Roads may be substituted for the buffer zone, if it creates an effective barrier between yards and agricultural fields and pastures.

G. Landscaping.
1. Tree preservation and reforestation requirements of this Ordinance shall apply.
2. Existing trees and vegetation considered indigenous and appropriate to the natural landscape shall be preserved to the extent reasonably possible.
3. Landscaping is required along all streets outside of the designated right-of-way to consist of at least one (1) tree for every thirty (30) feet of frontage or placed in clusters at the same ratio.
4. A landscape plan is required for the entire site. Residential lots shall meet the landscaping requirements as provided within the Zoning Ordinance.
5. The overall landscape plan will be given flexibility, if the plan incorporates the placement of buildings on sites to minimize and preserve existing landscaping and trees.

H. Pathways.
Trails and sidewalks shall be identified, which extend through buildable land area or through the open space land to connect to other planned or existing trails and sidewalks on adjacent parcels or along local roadways.

I. Streets.
1. All new roadways shall be constructed and maintained in accordance with this Ordinance and the City of Isanti Design Standards.
2. Dead-end streets are prohibited, unless such street will connect with another street at the closed end with future development, and cul-de-sacs shall be permitted only where topography or other physical conditions justify their use.
3. Roads shall be designed to minimize the visual size and scale of the development and help discourage excessive speeds.
4. Street widths and alignments should be carefully scaled to neighborhood size and be patterned after the character of existing residential streets. Future connections shall be identified and platted as an easement to encourage future connections so as to avoid long cul-de-sacs and potential congestion as development and density increases throughout the City.
5. The applicant shall demonstrate that access from a primary road to the site is adequate and has the capacity to handle traffic generated by the proposed project and will not endanger the safety of the general public.

J. Storm water Management.
1. Storm water management shall meet the requirements established within this Ordinance.

Subdivision 6. Submittals and Review Process.

A. Plans required and submitted under this Section must be submitted in a form which will satisfy the requirements of this Ordinance for Concept, Preliminary and Final Plats.

B. It is the intent of this Section that the requirements of the Subdivision Ordinance be carried out simultaneously with the review of a Planned Unit Development under the Zoning Ordinance.

ARTICLE 9. TREE PRESERVATION

Subdivision 1. Findings and Purpose Statement.

The City recognizes that the preservation and replanting of trees is important in maintaining a healthy and desirable community and finds that it is in the best interest of the City to protect, preserve, and enhance the

natural environment of the community. The City encourages a resourceful and sensible approach to development, redevelopment, and alteration of trees and / or wooded areas. The City also recognizes that a certain amount of tree loss is an inevitable consequence of the development process. The City Council finds that these tree preservation regulations will help to establish a balance between an individual's rights to develop a parcel(s) and the needs of the community to protect aspects of the natural environment. The purpose of the tree preservation regulations include, but are not limited to, the following:

A. Prevention of soil erosion and sedimentation from storm water runoff;

B. Protection and preservation of the environment;

C. Improve air quality and control the urban heat island effect;

D. Protect and increase property values;

E. Assure the orderly development and redevelopment of areas with trees or wooded areas, so as to minimize tree and habitat loss;

F. Improve energy conservation through natural insulation, wind breaks, and shading;

G. Establish natural buffers between conflicting land uses;

H. Provide incentives for creative land use and environmentally compatible site design, which preserves trees and minimizes tree removal and clear cutting during development;

I. Reduce noise pollution;

J. Reforestation of open lands;

K. Establish minimum standards for tree preservation and the mitigation of environmental impacts that result from tree removal; and

L. Enforce tree preservation and protection standards that promote and protect the public health, safety, and welfare of the City.

Subdivision 2. Tree Survey and Preservation Plan.

A. Scope of Application. A tree survey and preservation plan shall be submitted to, approved by the City Council, and implemented in connection with the following:

1. Grading or excavation permit.
2. New development in any zoning district.
3. New building construction in any zoning district.
4. Expansion of any existing commercial, industrial, or institutional building or impervious surface area by 10% or greater of the gross floor area, where an approved tree preservation plan is not on file with the City and trees may be affected by the proposed expansion.

B. Exemptions. The provisions of this Section shall not apply to trees removed as a result of additions to existing structures or construction of new accessory structures for single-family, two-family, or three-family parcels.

C. Tree Survey. Upon submittal of a Preliminary Plat application; a tree survey of the site shall be prepared by a registered landscape architect or licensed forester. This survey shall include the following information: species, size, condition and location of all significant, damaged or diseased trees on site. All significant, damaged or diseased trees shall be tagged and identified by number on the survey. A delineation of the existing canopy coverage area(s) which outlines all areas covered by

tree canopy shall be included as part of the survey. Additionally, all damaged and diseased trees shall be cataloged with the nature and extent of any damage or disease specified.

D. Tree Preservation Plan Requirements.

The tree preservation plan may be submitted or incorporated with a grading, drainage and erosion control plan. All tree preservation plans must be certified by a licensed forester or landscaped architect. To the extent practical, site design shall preserve significant trees as well as woodland areas. Special priority for tree preservation shall be given to areas within floodplains, wetlands, stream corridors, wooded slopes, and along collector and arterial roadway corridors. The tree preservation plan, a narrative and map or series of maps, shall include the following information:

1. A Certificate of Survey, prepared in accordance with City specifications;
2. Information obtained within the tree survey should be presented in both graphic and tabular form;
3. Areas to be graded and limits of land disturbance should be delineated;
4. All significant trees to be removed within the construction area should be identified in both graphic and tabular form;
5. Measures to protect significant trees and woodlands should be noted; and,
6. Signature of the person(s) preparing the plan.

E. Reforestation Plan.

In accordance with this Article, if significant trees and woodlands are removed from the parcel(s) to be developed, the applicant shall provide a reforestation plan. A reforestation plan shall be prepared and signed by a licensed landscape architect or forester and shall contain the following information and adhere to the following criteria:

1. Location and diameter or height of all trees to be planted;
2. List of all replacement trees including species, caliper; and planting method;
3. Statement explaining why replacement trees are necessary; and
4. Rationale for selection of placement/forestation trees.
5. The replacement trees shall be at least two and a half (2 1/2) inches caliper and will be species that conform to the tree list as provided within Section 15, Subdivision 5 of the Zoning Ordinance.
6. No more than one-third (1/3) of the trees may be from any one (1) tree species.
7. Plantings shall be of similar vegetation as found on the site and shall be appropriate for the soil conditions found on the site.
8. Trees to be planted shall be from certified nursery stock.

Subdivision 3. Protective Measures.

A. Required Protective Measures. The tree preservation plan shall identify and require the following measures to be utilized during construction to protect significant trees and woodland areas:

1. Installation of snow fencing or polyethylene laminar safety netting placed at the drip line or at the Critical Root Zone, whichever is greater. No grade change, construction activity, or storage of materials shall occur within the fenced area.
2. Placement of fill against the trunk of the tree, on the root crown, and under the drip line of the tree is prohibited.
3. Prevention of change in soil chemistry due to concrete washout and leakage or spillage of toxic materials such as fuels or paints.
4. Pruning of oak trees must not take place from April 15 through July 1. If wounding of oak trees occurs, a non-toxic tree wound dressing must be applied immediately.

B. Additional Protective Measures. The following tree protection measures are suggested to protect significant trees and woodland areas that are intended to be preserved according to the submitted tree preservation plan and may be required by the City:

1. Installation of retaining walls or tree wells to preserve trees.
2. Placement of utilities in common trenches outside of the drip line of significant trees, or use of tunneled installation.
3. Use of tree root aeration, fertilization, and / or irrigation systems.
4. Transplanting of significant trees into a protected area for later moving into permanent sites within the construction area.
5. Therapeutic pruning of diseased tree branches or damaged and exposed root systems.
6. Installation of root severing protection barriers along Critical Root Zones.
7. Designation of areas for soil and equipment storage to prevent soil compaction in Critical Root Zones.

Subdivision 4. Tree Replacement Ratio

Significant trees or woodlands that are lost and / or removed as defined within this Subdivision shall be replaced in accordance with the requirements as identified below:

A. Significant deciduous trees eight (8) inches or greater shall be replaced by two (2), two and one-half (2.5) inch caliper or greater deciduous trees or two (2), six (6) foot high coniferous trees.

B. Significant deciduous trees twelve (12) inches or greater shall be replaced by three (3), two and one-half (2.5) inch caliper or greater deciduous trees or three (3), six (6) foot high coniferous trees.

C. Significant coniferous trees eight (8) feet high or greater shall be replaced by one (1), six (6) foot high or greater coniferous tree.

D. Significant coniferous trees twelve (12) feet high or greater shall be replaced by two (2), six (6) foot high or greater coniferous trees.

E. In no case will the total number of replacement trees exceed eight (8) trees per acre. Parking lots, driveways, and accessory uses should take existing trees into account prior to construction.

F. Trees Not Counted. The caliper inches of significant trees to be removed for water quality treatment ponds, public trails or sidewalks, and right-of-way for arterial and collector roadways shall be exempt from the calculation of total significant caliper inches on a development site.

Subdivision 5. Compliance with Tree Preservation and Reforestation Plan.

A. The applicant shall implement the tree preservation and reforestation plan prior to and during any construction. The tree protection measures shall remain in place until all grading and construction activity is completed or until a request is made to and approved by the City Administrator or their designee.

B. No significant trees or woodland areas shall be removed until a tree preservation plan is approved and such removals shall be in accordance with the approved plan.

C. The City shall have the right to inspect the development and / or building site in order to determine compliance with the approved tree preservation and reforestation plans.

Subdivision 6. Amendments Tree Preservation and Reforestation Plan.

A. The tree preservation and reforestation plan may be amended after it has been approved by the City Council. The City Administrator or their designee shall have the authority to approve amendments, except that a change resulting in removal of more than ten (10) percent of the significant tree inches

that were shown as preserved on a City Council approved tree preservation plan shall require further review by the City Council.

B. As part of any amendment to a tree preservation plan, the required reforestation and / or restitution shall be increased or decreased as appropriate. Requests for amendments shall be submitted prior to removal of any trees shown as preserved on the approved plan.

Subdivision 7. Performance Guarantee.

A. Upon approval of the tree preservation and reforestation plan, the City shall require an irrevocable letter of credit or cash deposit prior to the issuing of building permits or initiation of work on the proposed improvements or development. Said security shall guarantee conformance and compliance with the conditions of the approval. An amount equal to 125% of the estimated costs to furnish and replace the trees shall be provided to the City.

B. Following written request from the applicant for acceptance, the performance guarantee will be released upon verification by the City that the tree preservation and reforestation plan was followed. In no event shall the performance guarantee be released earlier than two (2) growing seasons after the date of approval of final inspection.

Subdivision 8. Removal of Diseased Trees Required.

Prior to any grading, all diseased, hazardous, and nuisance trees on the subject property shall be identified by the City in accordance with the tree disease control and prevention regulations of the City Code. Any and all diseased or hazardous trees as identified in other sections of this Ordinance shall be removed from the property at the expense of the property owner, at the time of grading, if so directed.

Subdivision 9. Inspection.

The City shall have the right to inspect the development and / or building site in order to determine compliance with the approved tree preservation and reforestation plan. The City shall determine whether the tree preservation and reforestation plan has been implemented as approved.

Subdivision 10. Warranty Requirement.

Any replacement tree(s) which is not alive or healthy, as determined by the City, or which subsequently dies due to construction activity within two (2) growing seasons after the date of project closure shall be removed by the developer and replaced with a new healthy tree meeting the same minimum size requirements within eight (8) months of the tree(s) removal.

Subdivision 11. Public Trees.

A. Authority. The City shall have the right, but does not have the obligation, to plant, prune, maintain and remove trees, plants and shrubs within the public right-of-way of all streets, alleys, avenues, and lanes as may be necessary to insure public safety or to preserve or enhance the symmetry and beauty of such public grounds, pursuant to City Code. The City shall be responsible for the planting and maintenance of public trees, which are located within parks, outlots, and other properties owned by the City.

B. Removal and Installation of Public Trees.

1. No trees, bushes, vines, shrubs, and/or ground cover are to be removed by anyone, including adjacent landowners, from any City-owned land or public right-of-way without the permission of the City of Isanti; unless said tree, bush, vine, shrub, and/or ground cover was planted within the public right-of-way by the adjacent property owner, pursuant to City Code.
2. Street trees, which are located in the public right-of-way or boulevard that die of disease, insects, or natural disaster may be removed by the City. The City shall have the right to remove trees within the boulevard, so as to protect the public health, safety, and welfare.

The City is not responsible for ongoing maintenance and replacement of trees planted within the boulevard by private parties.

C. No person shall intentionally damage, cut, carve, transplant, or remove any public tree; attach any rope, wire, nails, advertisements, or other contrivance to any public tree; allow any gaseous liquid, or solid substance which is harmful to such trees to come into contact with them; or set fire or permit any fire to burn when such fire or the heat thereof will injure any portion of any public tree.

D. Each tree shall be planted a minimum of five (5) feet from the public right-of-way.

ARTICLE 10. PARK DEDICATION

Subdivision 1. Intent.

The City Council recognizes that it is essential to the health, safety, and general welfare of the citizens of the City of Isanti that the character and quality of the natural environment be of major importance in the planning and development of the City, both now and into the future. The preservation of land for public use as parks (active and passive), recreational facilities, playgrounds, trails, wetlands, natural and scenic areas, and public open spaces; are essential for maintaining a healthful and desirable environment for the citizens of the community. The City must provide these amenities, to not only present residents, but future residents that may choose to live, work, and recreate within the community. It is recognized by the City Council that the need for these amenities and natural areas are directly related to the density and intensity of population and development permitted within the City. Increased population, intensity of uses, and the types of development permitted result in greater demands for these types of amenities and facilities. To disregard these principles would result in the deterioration of public spaces, facilities, and the natural environment; which would diminish the quality of life that residents have come to expect within the community.

Subdivision 2. Park Land Dedication Requirements.

A. As a prerequisite to subdivision approval, subdividers shall dedicate land for parks, playgrounds, public open spaces and trails and/or shall make a cash contribution to the city's park fund and trail fund as provided by this section.

B. The park and recreation committee shall recommend to the city council the land dedication and cash contribution requirements for proposed subdivisions. Land dedication shall be consistent with the 2008 Comprehensive Plan and 2030 update and the Parks, Trails, and Open Space Plan.

C. If the property being subdivided was previously subdivided, a credit will be given for similar requirements satisfied in conjunction with the previous subdivision.

D. Land area conveyed or dedicated to the city shall not be used in calculating density requirements of the city zoning ordinance and shall be in addition to and not in lieu of open space requirements for planned unit developments.

E. Where private open space for park and recreation purposes is provided in a proposed subdivision, such areas may be used for credit, at the discretion of the city council, against the requirement of dedication for park and recreation purposes, provided the city council finds it is in the public interest.

F. The city, upon consideration of the particular type of development, may require larger or lesser parcels of land to be dedicated if the city determines that present or future residents would require greater or lesser land for park and playground purposes.

G. In residential plats either a cash donation equal to fifteen (15) percent of the fair market value of the undeveloped property or fifteen (15) percent of the gross land being platted or a combination thereof shall be conveyed to the City.

H. In plats other than residential plats, either a cash donation equal to ten (10) percent of the fair market value of the undeveloped property or ten (10) percent of the gross area of land being platted or a combination thereof shall be conveyed to the city.

I. In lieu of a park land donation, the city may require an equivalent cash donation based upon average undeveloped land value in the city. The cash dedication requirement shall be established annually by the city council.

J. In lieu of a trail donation, trail construction, or trail easement dedication, the city may require a cash donation for the trail system. The cash dedication requirement shall be established annually by the city council.

K. The city may elect to receive a combination of cash, land, and development of the land for park use. The fair market value of the land the city wants and the value of the development of the land shall be calculated. That amount shall be subtracted from the cash contribution required by subsection (k) above. The remainder shall be the cash contribution requirement.

L. "Fair market value" shall be determined as of the time of filing the final plat in accordance with the following:

1. The city and the developer may agree as to the fair market value, or
2. The fair market value may be based upon a current appraisal submitted to the city by the subdivider at the subdivider's expense.
3. If the city disputes such appraisal the city may, at the subdivider's expense, obtain an appraisal of the property by a certified real estate appraiser, which appraisal shall be conclusive evidence of the fair market value of the land.

M. Planned developments with mixed land uses shall make cash and/or land contributions in accordance with this section based upon the percentage of land devoted to the various uses.

N. One hundred percent (100%) of the park and trail cash contribution shall be paid immediately upon approval and execution of the Development Agreement.

O. The cash contributions for parks and trails shall be deposited in either the city's park and recreation development fund or multipurpose pedestrian trail fund and shall be used only for park acquisition or development and trail acquisition or development.

P. Wetlands, ponding areas and drainage ways accepted by the city shall not be considered in the park land and/or cash contribution to the city.

Q. Subdividers of land abutting streets that have been designated in the city's comprehensive plan for the installation of a trail shall be required to dedicate the land for the trail to the city and construct the trail.

Subdivision 3. Determination of Land to be Dedicated.

A. Land to be dedicated shall be reasonably suitable for its intended use and shall be at a location convenient to the people to be served. Factors used in evaluating the adequacy of proposed park and recreation areas shall include size, shape, topography, geology, hydrology, tree cover, access and location.

B. When a proposed park, playground, recreational area, school site or other public ground has been indicated in the city's official map or comprehensive plan and is located in whole or in part within a proposed plat, it shall be designated as such on the plat and shall be dedicated to the appropriate governmental unit.

C. Land dedication shall be selected based upon the policies and recommendations provided within the Comprehensive Plan. Active parkland areas shall be exclusive of wetlands, slopes exceeding twelve (12) percent, ponding areas, or other features unsuitable for active park development. The City may accept natural open space or passive parks containing unique natural environmental features as part of the parkland dedication. Selection of park land for dedication shall be at the discretion of the City Council based upon the policies and recommendations of the Comprehensive Plan and Comprehensive Park, Trails, and Open Space Plan. The City Council may vary from these requirements if a development demonstrates unique attributes sufficient for parks and open space included in the development.

D. Lands to be dedicated shall not be located in drainage ways, floodplains, or ponding areas after the site has been developed.

Subdivision 4. Land in Excess of Dedication Requirements.
Where land requested for public use exceeds the amount legally and reasonably required by the City and the developer will not dedicate the additional amount, the City may consider an option or purchase of said additional amount of land.

Subdivision 5. Standards for Accepting Dedication of Land.
In addition to all the other requirements of this Section, all land to be dedicated to satisfy the park dedication requirements shall meet the following standards:

A. The area dedicated shall meet the needs of the City as identified within the Comprehensive Plan and Comprehensive Parks, Trails, and Open Space Plan;

B. The applicant, prior to Final Plat Approval, deliver to the City Attorney an Abstract of Title or Registered Property Abstract for all land to be dedicated, evidencing good marketable title without liens or encumbrances of any kind. It shall have a marketable title, free and clear of any mortgages, liens, encumbrances, assessments and taxes. The conveyance documents shall be in a form acceptable to the City;

C. The required conveyance of land to be dedicated and any payment of cash equivalency in lieu of land dedication shall be made prior to filing of the final plat or granting of final approval;

D. The removal of trees, topsoil, storage of construction equipment, burying of construction debris, or stockpiling of surplus soil on dedicated land is strictly forbidden without the written approval of the City.

Subdivision 6. Required Improvements to Dedicated Lands.

A. Applicants shall provide finished grading and ground cover for all park, playground, and public open spaces within their development contract; and,

B. Where dedicated park areas fall outside a developer's plat or subdivision, the developer shall establish monumental irons on all dedicated park properties for the purpose of identifying park boundaries. The developer shall also provide a certificate of survey, prepared by a registered land surveyor to the park and recreation department.

ARTICLE 11. REQUIRED IMPROVEMENTS

Subdivision 1. Dedication of Land or Contribution in Cash for Public Purposes.

In every plat or subdivision the developer may be required to dedicate land or make cash contributions for public streets, easements for sewers, electric, gas, water facilities, storm water drainage, holding ponds and similar utilities and improvements.

Subdivision 2. Required Improvements.

A. The subdivider shall submit engineering plans and specifications satisfactory to the city for all required improvements, as listed or as specified in this chapter. These improvements must be initiated within one (1) year of final plat approval and completed within two (2) years.

B. The following public improvements are required in every plat:

1. All subdivision boundary corners, block and lot corners, road intersection corners and points of tangency and curvature shall be marked with durable iron or steel monuments meeting the minimum requirements of state law. The city may, when a subdivision is essentially complete, require a development to have the plat re-staked to replace the original monuments destroyed or obliterated during the construction process.
2. As a rule, the surface water discharge rate from the subdivision is to be retained at the predevelopment rate for a 2-year, 24 -hour; 10-year, 24-hour; and 100-year, 24-hour rain events through the use of surface water detention/retention facilities or other appropriate means as approved by the city engineer. All stormwater requirements are outlined within the Stormwater Management Ordinance.
3. Every street shall have an adequate sub-base and shall be improved with a bituminous or concrete surface in accordance with the design standards specified by the city for urban or rural sections. Except in areas where lot widths exceed one hundred (100) feet or topography or tree cover dictates otherwise, grading shall provide for easy installation of sidewalks.
4. Concrete curb and gutter shall be required for all urban street sections.
5. Sidewalks and trails shall be required, in accordance with the standards presented herein.
6. The subdivider shall be required to provide a connection to the public water system for every lot in the subdivision.
7. Street lighting shall meet the following requirements:
   a. Street lighting type and design shall be approved by the city prior to installation.
   b. 100w High Pressure Sodium (HPS) lights shall be placed at intersections, cul-de-sacs and a maximum of 300 feet in-between.
   c. All County Road intersections require a 150w HPS light.
   d. All commercial lighting shall consist of 250w HPS lights. Total cut-off lighting fixtures (i.e. shoebox design) shall be used in commercial areas.
8. If available, public sanitary sewer main and service connections shall be approved by the city engineer and installed to serve all lots in the subdivision.
9. A system that will adequately accommodate the surface water runoff within the subdivision, as required by this chapter, shall be provided.
10. Street signs of standard design approved by the city shall be installed at each street intersection before building permits will be issued. Regulatory signs shall be installed as required.
11. Where any proposed plat adjoins a natural lake, pond, river or stream, including streams which flow only intermittently, the city may require that a strip of land running along all sides thereof which are contiguous to such lake, pond or stream, be dedicated to the city for public use, or subject to a perpetual easement in favor of the city for the purpose of protecting its hydraulic efficiency and natural character and beauty.
12. All utility lines for telephone, cable tv, internet and electrical service shall be placed underground or where this is not feasible shall be placed in rear lot line easements when carried on overhead poles.

C. Prior to the city signing the final plat and prior to the construction of any improvements, the developer shall provide the city with an irrevocable letter of credit or cash escrow to insure that all improvements required by this chapter will be installed and paid for at no expense to the City. For improvements to be installed by the developer, the developer is obligated to install and complete all such improvements at his own expense and under the supervision and inspection of the city. For improvements which the city agrees to install, the developer shall pay the cost of such improvements through payment of special assessments. As security to the city for installation of the improvements or the payment of the special assessments, the developer shall be required to file a cash escrow or an irrevocable letter of credit in an amount and form acceptable to the city to cover the cost of all public improvements and special assessments. All financial sureties shall be from a financial institution that is FDIC insured.

ARTICLE 12. REPEAL

Isanti Ordinance No. 254, as amended, entitled "An Ordinance Establishing Rules and Regulations of Plats and the Installation of Streets and Other Improvements Establishing Procedures for the Approval and Recording of Plats, and Regulating Subdivisions", is hereby repealed as of the effective date of this Ordinance No. 536

ARTICLE 13. EFFECTIVE DATE

Isanti Ordinance No.536 shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the Isanti City Council this ____ day of _____ 2020.

Attest:

_____
Mayor Jeff Johnson

_____
Katie Brooks Human Resources/City Clerk

Memo for Council

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: November 4, 2020
Subject: Resolution to Approve Survey

Background:
The City Council is voting whether or not to approve the purchase of land for a new municipal liquor store at the November 4th meeting. If the purchase is approved, Staff requests to conduct a survey of the property identified as 16.029.2100 and 16.029.2400 in the amount, not to exceed, $5000.00. The funding source is identified as Fund 609-16500. The benefits to completing a survey prior to ownership is to show possible encroachments, easements, and potential issues that may need to be resolved.

Request:
Staff is requesting action on this item.

RESOLUTION 2020-XXX

APPROVING SURVEY OR PARCELS IDENTIFIED AS 16.029.2100 and 16.029.2400

WHEREAS, the City is interested in purchasing the property identified as tax ID number 16.029.2100 and 16.029.2400 for use as a new municipal liquor store location; and,

WHEREAS, a survey should be completed to show potential encroachment, easement or other possible issues that should be cleared prior to purchase; and,

WHEREAS, Bolton and Menk, Inc. has submitted a fee proposal in the amount, not to exceed, $5000.00 to complete the survey; and,

NOW, BE IT HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that a survey is in the best interest of the City and to accept the proposal from Bolton and Menk, Inc. in the amount, not to exceed, $5000.000 with funding identified as Fund 609-16500.

This Resolution is hereby approved by the Isanti City Council this 4th day of November, 2020.

MEMORANDUM

Date: October 28, 2020

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Surveying Services Proposal to Complete Liquor Store Property Survey
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for surveying services for the topographic survey of the future liquor store site.

In order to keep the proposed schedule on track a site survey is needed as soon as feasible to verify the site conditions and determine the limits of the buildable area.

The proposed scope of survey services will include the following:

- Survey the existing site conditions
- Determine right-of-way limits
- Determine property lines
- Determine easement lines
- Create existing surface of the site in AutoCAD
- Create base linework in AutoCAD

We propose to complete the described scope of work for an hourly, not to exceed, fee of $5,000.

Thank you for the opportunity to present this proposal. Please contact me at (763) 200-2444 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer

RESOLUTION 2020-XXX

OFFERING THE POSITION OF BUILDING OFFICIAL TO STEVEN THORP

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill a full-time, exempt, Building Official position with full benefit package; and,

WHEREAS, the wage scale is $33.78- $42.36 per hour; and,

WHEREAS, Steven Thorp is selected as the most qualified candidate for the open Building Official position; and,

WHEREAS, the candidate's offer is contingent on successfully passing a background investigation and reference check;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources has offered the Building Official position to Steven Thorp and that he is eligible to start in that position on or after November 4th, 2020.
2. That Steven Thorp must successfully pass a background and reference check as required as a condition of the offer before starting.
3. That Steven Thorp shall start at Step 6 of the wage scale at $85,134.40 annually, $40.93 per hour.
4. That Steven Thorp will bank 3 weeks' vacation and accrue at year 2 in the current Personnel Policy.
5. That Human Resources is directed to complete all required documentation for the completion of employment offer and place a copy of this resolution in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 4th day of November 2020.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
October 27, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon, Michael Becker
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Gordon with modification of swearing in new board member. Motion passed 3-0

2. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from August 25, 2020. Motion passed 4-0.

3. Public Hearing: Dan Balk – 411 Hillock St NE – came to request for the city to add pickleball lines to existing tennis courts, in particular Mattson tennis courts. Mike Mueller resident of Cambridge also came to speak about pickleball, and is President of the Cambridge Area Pickleball Assc, a non-profit group which promotes healthy living, with 140 members, and has several areas in Cambridge and Isanti that they can play indoor and outdoor. Pickleball is played on a court surface and is similar to tennis, however the court itself is smaller and a different net and equipment is used. 20x44 is the court size, other outdoor courts in the surrounding area have line for pickleball use. Zdon asked how many people in the league and that the board has discussed this in the past. Witte asked if there has been push back regarding to the different lines on the courts and any confusion regarding playing. Mueller replied that in Cambridge there are dedicated courts for pickleball, at this area there is not. Zdon asked for clarification of what is preferred, and Balk reiterated that they are interested in having lines on a court for practice. Zdon stated that Whisper Ridge is one option to add lines or to add at other court areas. Witte added that we would have to consider resurfacing Whisper Ridge. Zdon stated that this is something that the board has discussed and will have to make some decisions in the very near future and what the future of that area will be. Mueller added that 4 courts can be on a tennis court, if they are placed sideways on the tennis court. Gordon asked the cost of adding lines or courts to, Mueller added that it was about $11,000 which involved new courts and lines. He was not aware what the cost of just adding lines would be to a court. Mueller added that Cambridge added the courts into their street project. Balk added that the lines would be a narrow line to be added, a temporary tape option that could be added. Zdon and Witte added that is something that we can look into. Zdon asked if Balk was familiar with Whisper Ridge and added that parking is very limited and only on street parking is available. Zdon would like to see Mattson as the option. Mueller added that Badminton court lines is the same as pickleball court lines. Motion by Witte for staff to research further on the pickleball court option at either Mattson or Whisper Ridge, seconded by Becker. Motion passed: 4-0

4. New Development Concept Review – Garvey reviewed that a new housing development is being proposed on the east side of Hwy 65, just northeast of the Arts and Science Middle School off of Cajima and 7th Ave NE. The developer met with city staff and has provided a preliminary concept for the PRC board to review, in particular to the park area. The attachments include the proposed park areas for this preliminary proposed development. This is being brought to the PRC Board in the very early steps in the process for review. Garvey added that staff's recommendation is to not accept the land for park dedication and a fee credit. Staff views this land as unusable for the city. Garvey added asked does the PRC Board accept recommending the land/area's as part of their Park Dedication within this new proposed housing development? Garvey added that when a new development is added to the city an option is for park dedication land or a fee based on each lot in

that development, which is $1,500 per lot, and in this development of about 160 lot could be about $224,000 in park dedication fund fees. Garvey added that the two areas being proposed, the larger area of about 12 acres is wetland area and the almost 3 acres is unknown at this time as staff has not gone to this area to view. Zdon asked for clarification on the area and that the current Academy Park is just to the south of this development and just east of the Arts and Science Middle School. Zdon also added that he would not want to accept this land area, especially if they are wetland, and that we would put a park in the north area of the development and close to an existing park and this size development to have some type of park. Zdon asked staff to remind all what Park dedication funds can be used for. Garvey added that the funds can be used for anything new, it cannot be used on any maintenance or existing, anything that is new, land acquisitions or capital improvements. It can be used for capital improvement and purchasing new land. Zdon asked what the balance of the Park dedication fund amount was... Garvey was not sure what the balance was at and didn't want to provide something that was incorrect. Zdon asked if the new Legacy development was platted years ago. Garvey added that the development fees would be current as they are just adding those now. Gordon added that staff is suggesting that staff is recommending to not accept either of these parcels and asked for reiteration. Garvey added that the park dedication fee is $1,500 per lot and with this potentially to be about $224,000 with the approximate 160 lots vs the land being proposed for park area. Gordon added that does the north area to be used for the park, and Zdon added that he didn't want to offset the fees provided over the land. Witte asked about the pond areas within the proposal and specific areas they would like to see a park area. Zdon reiterated that he would rather have the fee's over the land area being proposed so we could build them a park. Motion by Gordon to not accept the land in exchange for the fees, seconded by Witte. Motion passed 4-0.

5. Fir Street Update- Garvey explained that at the July 28 meeting staff reviewed an update on this item and that staff has been able to gather more information from the state on these two parcels. After further information gathering from the state it has been determined that the city has 15 years from the 2015 purchase to have these parcels as a completed park. The planning process will need to continue and staff will bring this back to a future meeting for more detailed planning, and it was brought to the board in 2018 and will revamp it at a future meeting and will discuss this at that time. Zdon added that this area could use park dedication funds for this park.

6. Sledding Hill Rules Signage- Garvey reviewed that the sledding hill was completed in October by Public Works in Bluebird Park. Staff had researched other communities' rules and the League of Mn Cities signage rules and has included a draft rule sign. Staff is recommending to have two signs back to back be installed on an existing 4x4 post close to the flag in the northwest corner of the park, which would be adjacent to the sledding hill. One sign would face the street corner and one sign would face the hillside. The draft rules are as follows:1. Users assume risk of injury, 2. Adults must supervise children, 3. Use caution, 4. Be considerate of others, 5. Do not sled when icy, 6. Do not alter sledding hill and 7. Sled in designated areas only. The sign would be about 18" by 18". Witte asked about combing rule 3 and 4. Becker added that something should be added about horseplay. Witte added sledding prohibited when icy as an option and walk up the side of the hill. Witte added would the hill be open during daylight hours only. Zdon added that during park hours. Garvey added that it would be open during park hours, but it is not lite. Witte added to have it as during daylight hours only. Gordon added that its dark after 5. Witte asked about the type of items to sled with and asked about ski's or snowboard. Are we allowing that? Gordon and Zdon added why not, Zdon stated we would be snowboarding down the hill. Zdon added to watch up the hill, for people coming down the hill. Some type of language to add. Gordon reiterated that the side of the hill verbiage was good and asked if this was run by the city attorney. Garvey added that it was run by League of Mn Cities and past city attorney, but has not by the new attorney, and Gordon

added that it may not be necessary. Witte added about the alterations and adding to that more. Zdon added that the signs need to be made quickly. Zdon agreed to combine 3 and 4 to walk on side and watch those coming down type of language and to add at bottom Have Fun, the most important rule for a sledding hill and Gordon agreed to add it. Witte asked about parking close by. Motion by Witte, seconded by Becker to adjust rules and to combine 3 and 4, walk alongside hill and to have fun. Motion passed 4-0.

7. Tree Plan- Update- Garvey reviewed that staff was able to research and find the original Bluebird Park development plans along with the tree plan that was started and then stopped in 2009, as a result of the economy at that time. The tree plan was just for Bluebird Park and did not include any of the other city parks. The PRC board discussed the Bluebird Park tree plan again in 2015, which they approved staff to move forward with again for Bluebird Park by contacting a college student or arborist to assist with this project. There was also direction to accept donated trees from a local business to be used for parks. A few trees are still at PW growing but not quite ready to be transplanted to a park and they are still small. A plan has not been developed. Staff will continue to work on developing a plan, along with budget/costs and bring this item back to the board in 2021 for further direction and attached was the original tree plan and there are some areas that were crossed off on the plan for trees that were planted and many trees that were planted did not survive.

8. Department Updates – Garvey reviewed that Curious Creatures was held on September 15 at Isanti Hills Neighborhood Park with 15 kids with a Back to School theme and on October 6 17 kids at Isanti Community Center with a Police/Fire theme the police department send two officers to talk about safety and hand out goodie bags to the kids and the fire department dropped off goodie bags with fire hats for staff to hand out as they couldn't make it. The last Street Dance was held September 12 with The Farmer's Daughters. The event went well with about 400 in attendance, which was lower than expected with the Rum River National Race in town, but the pandemic health issue that surrounds us I feel is still affecting attendance for events. The dog park has the new plaque in place for the donation from the Rotary Club of Cambridge & Isanti. Garvey continued that Bluebird Park had the tunnel piece that was damaged earlier in the summer replaced, along with Rum River Meadows swing bracket replaced. The swings are back up. Isanti Family Farmers Market is done for the season as of September 25. Staff conducted a short wrap up meeting after the last day and the vendors mentioned they enjoyed the season and did well, especially consider how 2020 has been. Family Day was September 27 at Legacy Park with self-guided nature hikes, smores and a photo booth were the day's events. We also had a prize drawing this year with items that were from the medallion hunt we had an overwhelming response from. C-I Hockey Assc. (Jumping Jack's, Wintergreens and Pizza Pub gift certificate) – value $150; Coborn's Marketplace - $50 gift certificate; CMK Financial Services gift basket – value $60; Connexus Energy gift basket - value $100; Isanti Physical Therapy massage gift certificate – value $80; Rockstad and Co. Relics & Wares gift basket – value $35. Thank you to these generous local businesses/organizations for supporting our community. Staff handed out 60 tickets to people coming to the Family Day event. Three prizes remain to be picked up, those not picked up by the November 1 deadline, will be drawn at the upcoming movie nights. The community garden closed up October 18 for the season. Sunflowers were planted this past summer and will remain in the garden until next spring for birds and animals to enjoy a meal during the winter months. Our upcoming events are; sledding hill grand opening TBD, Movie Nights will be limited to 15 families until restrictions update on November 6 – The Mighty Ducks 2, December 11 – The Polar Express along with Santa Visit 5-6:45pm and limited to 25 families for the timing with amount of families we can accommodate in that time frame. The Candy Cane Flashlight Hunt will be Sunday December 13 from 5-6:30pm at

Legacy Park; Curious Creatures for November 10 – Gobble, Gobble and December 8 – Santa Fun at Isanti Community Center. Witte asked when the dock would be removed as he noticed it last week when he was there and Garvey added that it was removed late last week.

9. Tobacco Free Policy Review – Garvey reviewed that the City Council adopted Resolution No. 2013-158, which established a Tobacco Free Park Policy. The Council had approved that all youth playground areas, picnic shelters or park buildings, and organized sporting areas, complexes, and facilities located on City-owned park land be included under the policy. A copy of the Resolution and policy has been attached. All city parks and grounds have the specific tobacco free signs or parks signage that states no tobacco use or no tobacco products. Ordinance 295 went in to affect in 2014 which states Smoking on municipal property prohibited. No person shall smoke a cigarette, cigar, pipe or other lighted tobacco-related device, or use a nicotine or lobelia delivery device or other electronic delivery device, or chew or otherwise use tobacco within any municipally owned building or municipally owned vehicle, within or without the City of Isanti municipal limits. The Ordinance will supersede the policy. Staff is requesting for the PRC board to review the policy and provide staff direction of any changes they see are needed and does the PRC Board want to include language that covers parking lots or other specific areas to the ordinance? Gordon and Zdon discussed that the parking lot does not need to be included into the language and should be left as is and technically the parking lot is included in the current language as its written. Motion by Witte and seconded by Becker to approve the Tobacco Free Policy as it is written and not changes.

Adjournment: Motion by Gordon, second by Witte to adjourn the October 27, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 4-0, meeting adjourned at 6:53 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

H. Announcements
1. Committee of the Whole — Tuesday, November 17, 2020 at 5:00 p.m.
2. City Council Meeting — Tuesday, November 17, 2020 at 7:00 p.m.
3. Planning Commission Meeting — Tuesday, November 17, 2020 *(Immediately following the City Council Meeting)*

I. Council Committee Reports
Mayor Johnson shared his concerns about the article that was published in the Isanti-Chisago Star regarding the discussion that was held at the October 6th City Council meeting concerning the projected 4-way intersection by Minnco Credit Union. The Star news said Minnco Credit Untion is unwilling to work with City, but Mayor Johnson clarified that Minnco Credit Union is willing to work with the City but likely the project will be cost prohibitive.

Mayor Johnson congratulated Councilor Steve Lundeen and Councilor Jimmy Gordon on their reelection to the City Council.

J. Public Hearings

1. Resolution 2020-198 Adopting Assessment for the 6th Avenue Rehabilitation Project

City Engineer Jason Cook shared that this is the final assessment hearing for the 6th Avenue SW Rehabilitation Project. There were a couple open houses before the rehabilitation project began as well as an improvement hearing. Cook continued to share that the construction process is wrapping up and it is time to finalize the assessments. The rehabilitation project is from 6th Avenue SW to South Brookview Lane to South of Dogwood Street. The existing street has been reclaimed, replaced failed sections that needed to be repaired, installed the new sidewalk on the West side and enlarging the watermain size while maintaining the existing storm and sanitary sewer. The assessments for the project are based on 25% of the assessable street cost in accordance with City code 276 with the total amount assessable of $74,279.13. The watermain was not assessed as the work was performed to improve city wide water distribution by enlarging the watermain size. The sidewalk was also not assessed as it was a new sidewalk not petitioned for by the residents. The final assessments, based on the amount bid and quantities constructed, is $32.55 per assessable front footage. This is an average of $2,751.08 per parcel. The previous assessment project completed in Isanti had an average of $3,298.20 per parcel. The average assessment on this project is $547.12 less per parcel on average. It is proposed to do a 10-year payment schedule levied on the property taxes with a 1.71% interest rate beginning in 2021. This comes out to an average parcel cost per year of approximately $300.

Mayor Johnson opened the public hearing at 7:16 p.m.

Nicholas Izzo, 1107 Maplewood Ave SW, asked if the assessment is only assessed to those on 6th Avenue or is it to all residents within the City of Isanti.

City Engineer Jason Cook responded by affirming that only those on 6th Avenue would be assessed.

Megan Olson, 501 6th Avenue, asked for clarification to how she is being assessed.

Finance Director Mike Betker stated that for those living on a corner lot, the assessment has been calculated the full length of the short side of the property owners' lot and half of the long portion of the lot.

Megan Olson asked who is responsible for shoveling the sidewalk.

Mayor Johnson responded that the city will shovel it but it is the property owner's responsibility to maintain it.

Marilyn Pelz, 523 Dogwood Street, asked how the assessment will affect her.

City Engineer Jason Cook responded that she is a corner lot and she has been assessed for the full length of the short side of her lot and half of the long portion of the lot.

Levi Klande, 601 Cedar Street SW, shared his frustration and concerns for the failure of maintaining 6th Avenue.

Mayor Johnson closed the public hearing at 7:59 p.m.

Motion by Lundeen, second by Bergley to approve the resolution as presented.

K. Business Items

1. Compensation Study Presentation (*Leah Davis*)

Information was shared with City Council.

City Administrator Josi Wood

2. Resolution 2020-199 Approving Purchase of Property Owned by Kristine L. Yerigan Trust

City Administrator Josi Wood shared that the council has discussed a potential new liquor store many times with the potential for the relocation and where that facility would be. Held a closed session with negotiations for consideration of purchase price for the two parcels. The purchase price was negotiated to be $425,000.000 and has already been

accepted by Kristine and Bruce Yerigan. The purchase price does include all demolition of buildings, removal of debris, capping of any wells on site, decommissioning of the septic on site and restoring the site to matching grade of the topography.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

3. **Ordinance-739** Amending the City Code, Chapter 253 Rental Dwellings

Community Development Director Sheila Sellman shared that the Planning Commission reviewed the proposed ordinance amendment at the October 20th meeting and no one from the public spoke on this item. Sellman stated that the amendment is removing the residency requirements so that owners, landowners and agents are allowed to live wherever. Currently, City Code requires owners or their designee to live within Isanti County or an adjacent county. Additionally, the amendment includes a sliding scale where currently in City Code, it is written that applicants have a 30-day window to get their paperwork and fees in to City Staff. In 2019, only 40% of applicants submitted their application and fees on time for renewal of a rental license. Sellman further shared that this will give an incentive to the applicant for getting their stuff submitted in a timely manner.

Motion by Lundeen, second by Collison to approve ordinance as presented. Motion passed 5-0. Motion carried.

4. **Ordinance-740** Amending the City Code, Chapter 536 Subdivision

Community Development Director Sheila Sellman shared that this ordinance amendment is proposing to update the Subdivision ordinance by removing City Planner and Zoning Administrator and replacing with "Community Development Director or designee" and to remove final plat review for the Planning Commission. The final plat should only be reviewed by the City Council since the Council is the only body of approval, in addition adding a planning commission review of the final plat add one month on to the development process. The Planning Commission held a public hearing at their October 20, 2020 meeting and no one from the public spoke on this item. The Planning Commission recommends approval as drafted.

Motion by Collison, second by Lundeen to approve ordinance as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $1,720,329.80 Payroll in the Amount of $110,888.22
2. **Resolution 2020-200** Accepting Liquor Store Clerk III Letter of Resignation for Danyette Phelps
3. **Resolution 2020-201** Approving Survey or Parcels Identified as 16.029.2100 and 16.209.2400
4. **Resolution 2020-202** Offering the Position of Building Official to Steven Thorp

Motion by Lundeen, second by Gordon to approve the consent agenda as presented. Motion passed 5-0. Motion carried.

M. Other Communications

1. Draft Minutes from the October 27, 2020 Parks, Recreation and Culture Board Meeting

Adjournment

Motion to adjourn by Bergley, second by Lundeen. Motion passed 5-0. Motion carried. The meeting was adjourned at 9:08 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Moore
Deputy City Clerk/ Human Resources

Economic Development Authority
Meeting Minutes October 6, 2020

1. **Call to Order:** EDA President Johnson called the meeting to order at 9:10pm
    a. **Pledge of Allegiance**
    b. **Roll Call:** Jeff Johnson, Steve Lundeen, Dan Collison, Paul Bergley, Jimmy Gordon, Luke Merrill, Justin Nielson. Staff present: Community Development Director Sheila Sellman, City Administrator Josi Wood.
    c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by Collison, second by Bergley to approve the agenda, motion passed 7-0.
3. **Approve minutes of August 5, 2020 regular meeting and August 18, 2020 special meeting**: Motion by Merrill, second by Collision to approve, motion passed 7-0.

4. **Business Items**
    a. **Presentation from Retail Strategies – Retail Academy:** A presentation was given by Retail Strategies for their Retail Academy program. This program provides a real estate education course tailored to your community which covers retail trends, retail expansion, site selection, development process and best practices for retail recruitment They will provide a custom marketing guide, market analysis, demographic reports, peer analysis and identify retailers for the community to target. The EDA discussed sending Community Development Director Sellman to the academy. The consensus was for Sellman to reach out to communities similar in size to Isanti and get testimony on the program, bring back to the next meeting with that information and how this will be funded.
    b. **Appraisal EDA land 16.090.0140:** Sellman reviewed the appraisal with the board. The Board would like to actively list this property for sale.
    c. **Purchase commercial land discussion:** The board had general discussion about buying commercial land. Gordon was not in favor of buying land and to let the market play out. Collison stated the land is an incentive for development. The consensus was to have staff reach out and see if the owners are willing to sell and at what price.

5. **Other Business/Updates/ Communications**
    a. **Isanti Business Relief Grant Program:** Sellman reported the City has given out 17 grants in the amount of $77,377.00.
    b. **Update on Sale to BP Metals:** The sale should close by the end of the month.
    c. **Update on sale to UPS:** Sellman updated the board that negotiations have started up with UPS again and a public hearing to sell the land will likely be at the next meeting.

6. **Closed Session**
    a. **Consideration of sale of EDA land pursuant to Minnesota Statutes Section 13D.05 Subd 3(c) and Subdivision of land for PID 16.124.0020:** EDA Member Neilson excused himself from the room.

7. **Adjournment:** The EDA resumed after closed session. Lundeen motioned staff to start negotiations as discussed in closed session, second by Collision, motion passed 6-0 with Neilson abstaining. Motion by Collision, second by Lundeen to adjourn, motion passed 7-0 meeting adjourned at 10:17pm

Respectfully submitted Sheila Sellman Community Development Director/EDA Secretary

A Community For Generations.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Finance Director Betker
Date: November 17th, 2020
Subject: Certification of Delinquent Charges to be Payable in 2021

Background:
Unpaid delinquent charges for city services is listed in Attachment A. Pursuant to City Code the attached delinquent charges may be certified as unpaid and delinquent to the County Auditor. Final assessment amounts are to include a $30 assessment fee per account per parcel.

Current Action:
Consider resolution certifying the delinquent amounts to Isanti County to be collected with taxes payable in 2021.

RESOLUTION 2020-XXX

APPROVING CERTIFICATION OF DELINQUENT CHARGES FOR CITY SERVICES PAYABLE IN 2021

WHEREAS, pursuant to City Code § 262-7 B. and City Code § 281-5 A. (2), all accounts more than 30 days past due as of September 30, 2019, and the same having been properly billed to the owner or occupant of the premises served, may be certified by the City Clerk as unpaid and delinquent to the County Auditor; and

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That the list of delinquent charges for city services (Attachment 'A'), a copy of which is attached hereto and made a part hereof, identifies the amount of the delinquent water, sewer, and storm water charges that are to be levied against said properties for taxes payable year 2021.

2. The City Clerk shall forthwith transmit a certified duplicate of these listings (delinquent charges for city services) to the county auditor to be extended on the property tax lists of the county. Such assessments shall be collected and paid over in the same manner as other municipal taxes.

This resolution was duly adopted by the Isanti City Council this 17th day of November 2020.

Attest:

_____
Mayor Jeff Johnson

_____
Katie Brooks
Human Resources/City Clerk

A Community For Generations

Isanti

Request for City Council Action

To: Mayor and City Council
From: Sheila Sellman, Community Development Director
Date: November 17, 2020
Subject: Sale of EDA and city land PID 16.029.1400 and 16.053.0151 to UPS

Background:
In May 2019, the EDA directed staff to start negotiations with UPS to sell the EDA owned land east of UPS (PID 16.029.1400) and city owned land 16.053.0151. UPS plans to expand their existing facility. The city attorney and UPS are negotiating the details of the sale and land combination with a sales price of $165,000.00 The city attorney has recommended that the EDA DEED their land to the City and the City will work out the subdivision/land combination with UPS.

At the November 4, 2020 EDA meeting the EDA held a public hearing on the sale. The EDA approved the sale.

Recommendation:
Staff recommends approving the purchase agreement for the sale.

- Purchase Agreement

AGREEMENT FOR PURCHASE AND SALE

THIS AGREEMENT FOR PURCHASE AND SALE (this "Agreement") is made and entered into as of the ____ day of November, 2020, (the "Effective Date") by the City of Isanti Economic Development Authority, Minnesota, a public body corporate and politic and political subdivision of the State of Minnesota ("Authority"), and the City of Isanti, a municipal corporation of the State of Minnesota ("City"), both with an address at 110 1st Avenue NW, Isanti, Minnesota 55040, Attn: Ms. Sheila Sellman, email: ssellman@cityofisanti.us (collectively hereinafter, Authority and City are referred to as "Seller"), and BT Property, LLC, a Delaware limited liability company, having a business address at 55 Glenlake Parkway, NE, Atlanta, GA 30328, Attn: Real Estate Dept./Contract Administrator, emails: bharder@ups.com and rrubin@ups.com ("Buyer").

RECITALS:

A. Buyer owns that certain real property consisting of approximately 2.46+/- acres of land with the improvements thereon, with an address of 500 East Dual Boulevard NE, in the City of Isanti, Isanti County, Minnesota (Parcel I.D. #16.053.0130) (the "Buyer Property").

B. Authority owns that certain unimproved land, the "EDA Parcel" (Parcel I.D. #16.029.1400) in fee simple located nearby the Buyer Property (which is adjacent to and contiguous with the City Parcel defined immediately below), and as more particularly described on Exhibit "A" which is attached hereto and made a part hereof. Seller has agreed to convey the EDA Parcel to Buyer in accordance with the terms and conditions set forth herein below. The EDA Parcel includes approximately 4.0 acres of land as described and shown on Exhibit "A".

C. This purchase shall also include certain other real property owned by City consisting of an approximately .45 acre portion of the tract of land labeled as the "City Parcel" which is contiguous with the Buyer Property and the EDA Parcel, is shown on Exhibit "A", which Seller has also agreed to convey to Buyer (the City Parcel is a portion of Parcel I.D. #16.053.0151) in accordance with the terms and conditions set forth herein below. The EDA Parcel and the City Parcel are sometimes collectively hereinafter referred to as the "City Property").

D. City has agreed to file a re-plat in the real estate records of Isanti County, Minnesota, combining the City Parcel and the EDA Parcel (as described on Exhibit "A") on or before closing.

E. Buyer desires to purchase the City Property from the Seller, and Seller desires to sell the City Property to Buyer in accordance with the terms and conditions contained in this Agreement.

AGREEMENT:

NOW, THEREFORE, for and in consideration of the sum of Eight Thousand Two Hundred Fifty Dollars ($8,250.00) to be paid by Buyer to Stewart Title Guaranty Company as "Escrow Agent" as earnest money and deposited into an interest bearing account as set forth in Section 2 below (the "Deposit'), and in further consideration of the premises, the mutual promises, covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. AGREEMENT TO SELL AND PURCHASE. Seller agrees to sell, transfer and convey to Buyer, and Buyer agrees to purchase from Seller, the City Property, for the "Purchase Price," as such term is defined in Section 2 hereof, and in accordance with the terms and subject to the conditions hereinafter set forth. The City Property shall include the real property as described in Exhibit "A" together with all buildings and

other improvements located on and all easements, rights and privileges appurtenant to the foregoing (the "Real Property"); all of Seller's right, title and interest in and to all fixtures attached to the City Property, plus all of Seller's personal property located thereon except that listed on Exhibit "B" attached hereto (the fixtures and the specific personal property are herein called the "Personal Property"); all of Seller's interest as landlord in all leases, subleases and other occupancy agreements for any portion of the Real Property, and all guaranties thereof, if any (the "Leases"); all of Seller's right, title and interest in and to all contracts and agreements relating to the ownership, operation or maintenance of the Real Property that Buyer notifies Seller in writing prior to the Closing, as herein defined, that Buyer desires that Seller not terminate (the "Contracts"); and all certificates of occupancy, zoning variances, building, use or other permits, approvals, authorizations, licenses and consents obtained from any governmental authority or other person in connection with the development, use, operation or management of the Real Property, including, without limitation, any of the foregoing relating to the undeveloped portion of the Real Property (the "Permits"); all land development plans, as-built plans, surveys, drawings and other plans and specifications relating to the land or buildings comprising the Real Property (the "Plans"); and all payment and performance bonds or warranties or guarantees relating to the Real Property in favor of Seller, including, without limitation, warranties on all of the buildings in the Real Property (the "Warranties"). Notwithstanding the foregoing, Seller shall only be required to transfer Contracts, Permits and Warranties that are transferable without the consent of any third party and those for which any required consents to transfer are obtained by Buyer.

Seller agrees to sell, transfer and convey to Buyer, and Buyer agrees to purchase from Seller, the City Property, for the "Purchase Price," as such term is defined in Section 2 hereof, and in accordance with the terms and subject to the conditions hereinafter set forth.

2. PURCHASE PRICE. Buyer shall pay as the purchase price (the "Purchase Price") to Seller for the City Property the sum of One Hundred Sixty-Five Thousand Dollars ($165,000.00):

(a) Within five (5) business days after the full execution of this Agreement by Buyer and Seller and the delivery of the fully executed Agreement to Buyer (the "Effective Date"), Buyer shall wire transfer the Deposit to Escrow Agent (hereafter identified), to be held in an interest bearing account as earnest money. If this Agreement is terminated herein for any reason other than as a result of Buyer's default pursuant to Section 11.2 herein, the Deposit and all interest earned thereon shall be returned to Buyer. If the Escrow closes, the Deposit and the interest earned thereon, shall be credited against the total Purchase Price, and the Deposit, and any interest earned thereon, shall be paid to Seller. If Buyer is entitled at any time to the return of the Deposit as provided in this Agreement, any interest thereon shall be paid to Buyer. If Seller is entitled to the Deposit due to a Buyer default hereunder, any interest thereon shall be paid to Seller.

(b) The Purchase Price less the Deposit (and any interest earned thereon) and less all other credits due Buyer shall be paid by Buyer to Seller by wire transfer of federal funds at the closing of the sale of the City Property to Buyer (the "Closing").

(c) Notwithstanding anything to the contrary, One Hundred and No/100 Dollars ($100.00) of the Deposit shall be independent consideration ("Independent Consideration") for Seller's execution and delivery of this Contract and shall be non-refundable under all circumstances.

3. ENTRY UPON PROPERTY. Seller agrees that Buyer and its agents and employees shall have the right to enter upon the City Property after the date hereof for the purposes of making inspections of the City Property, obtaining surveys of the City Property, performing soil and environmental testing, or for any other purposes as are deemed necessary or appropriate by Buyer. Buyer shall provide Seller with written notice

prior to commencing any Phase II environmental assessment and shall provide Seller with a copy of all reports generated from such testing. Buyer will indemnify and hold Seller harmless from and against any loss, claim, cause of action or actions to the City Property, that result from Buyer's negligent acts, or those of Buyer's agents, on the City Property prior to the Closing. Buyer shall not be responsible for any loss, claim, cause of action or actions resulting, directly or indirectly, from a pre-existing condition on or about the City Property. In the event that the Closing does not occur, Buyer shall repair any damage to the City Property caused by Buyer's acts as may be practicable to place the City Property in a substantially similar condition as it was prior to such inspections and testing.

Within five (5) days of the date of this Agreement, Seller will provide Buyer with copies of any environmental studies and reports, plans, specifications, drawings, surveys, documents and other information pertaining to the City Property in the possession of Seller or available to Seller. In the event that this Agreement is terminated for any reason, Buyer shall promptly return such information to Seller or destroy the same.

4. CLOSING. 4.1. The Closing shall take place no later than thirty (30) days after the end of the "Investigation Period" (as defined in Section 9.2 hereof, and please see Section 9.2(a) with regard to Buyer's right to accelerate Closing) on a date (the "Closing Date") selected by Buyer. The Closing shall take place in escrow at the offices of the Escrow Agent. Unless otherwise agreed in writing between the parties, the Closing shall take place in escrow. It is agreed that time is of the essence.

4.2 Seller shall deliver to Escrow Agent on or before the Closing Date the following documents duly executed and acknowledged where required by Seller:

(A) Warranty Deed (the "Deed") in proper form for recording in substantially the same form as Exhibit "C" which is attached hereto and made a part hereof conveying good and marketable fee simple title to the City Property to Buyer or to Buyer's nominee subject only to the Permitted Exceptions;

(B) Non-foreign Certification by Seller reasonably acceptable to Buyer and the title company and/or Escrow Agent (the "FIRPTA");

(C) Evidence reasonably satisfactory to Buyer and Escrow Agent that the person executing the documents is duly authorized by Seller to act on its behalf and a certified copy of the ordinances and/or resolutions authorizing the transactions that Seller is obligated for under this Agreement;

(D) Seller's Affidavit in the standard form required by the Escrow Agent;

(E) A Closing Statement as prepared by the Escrow Agent consistent with the terms of this Agreement;

(F) A termination of the farm lease or license, if any, affecting the City Property.

(G) Such other documents as may be reasonably required by Buyer or the Escrow Agent.

4.3 Buyer shall deliver to Escrow Agent on or before the Closing Date, the Purchase Price and the following documents duly executed and acknowledged where required by Buyer:

(A) A Closing Statement as prepared by the Escrow Agent consistent with the terms of this Agreement; and

(B) Such other documents as may be reasonably required by the Escrow Agent.

The delivery to the Escrow Agent by the Buyer of the Purchase Price, and by Seller of the duly executed Deed conveying title to Buyer or its nominee in the condition as required herein together with all other documents and instruments required to be delivered and signed by the terms of this Agreement shall be deemed to be a good and sufficient tender of performance of the terms hereof.

5. TITLE TO THE CITY PROPERTY; RE-PLATTING .

(a) Fee simple title to the City Property shall be conveyed at the time of Closing by the Deed from Seller to Buyer, free of liens, encumbrances, judgments, tenancies, covenants, conditions, restrictions, easements and rights-of-way, whether recorded or unrecorded; subject, however, to (i) those matters (if any) which are not Impermissible Exceptions and which Seller is not required to clear from its title pursuant to the terms of this Section 5 (collectively, the "Permitted Exceptions"). At the Closing, title is to be marketable, good of record and insurable without exception, other than the Permitted Exceptions, at standard market rates by the Title Company.

(b) Buyer shall order a title commitment for the City Property. The cost of such commitment and a standard coverage owner's policy of title insurance in the amount of the Purchase Price shall be at Buyer's expense. Prior to the expiration of the Investigation Period, Buyer shall give notice to Seller of any limitations upon, or defects in, the City Property which Buyer, in Buyer's sole discretion, finds unacceptable (collectively, the "Impermissible Exceptions"). Within ten (10) days after Buyer delivers said list to the Seller, Seller shall deliver to Buyer a written response designating those Impermissible Exceptions (except deeds of trust, mortgages, security interests, judgments, fines, violations, liens and other monetary encumbrances or matters which by their terms can be cured solely by the payment of money, all of which must be cleared and removed from the record by Seller at Seller's expense prior to or at Closing) that Seller elects not to, or is not able to, clear from its title to the City Property on or before the Closing. If any of the Impermissible Exceptions which Seller elects not to cure are unacceptable to Buyer, Buyer in its sole discretion shall be entitled to terminate this Agreement within the fifteen (15) day period following Buyer's receipt of written notice from Seller that Seller elects not to cure such Impermissible Exceptions. If Buyer chooses to terminate this Agreement, Buyer shall be entitled to receive a full refund of the Deposit plus any interest earned thereon. If Buyer does not elect to terminate this Agreement within the time period provided herein, the Impermissible Exceptions that Seller elected not to cure shall become Permitted Exceptions. Notwithstanding anything to the contrary herein, by or at the Closing, Seller shall at Seller's own cost and expense clear title to the City Property of and from all Impermissible Exceptions which consist of deeds of trust, mortgages, security interests, judgments, fines, violations, liens, and other monetary encumbrances or other matters which by their terms may be cured solely by the payment of money and those items which Seller elects to cure.

(c) Seller hereby agrees to cause the EDA Parcel to be deeded to the City, obtain an administrative split of the property constituting Parcel I.D. #16.053.0151 to enable the conveyance of the vertical portion of the City Parcel, as contemplated herein, and as described on Exhibit "A", and obtain all necessary governmental approvals for and prepare a preliminary draft of a plat combining and re-platting

the City Parcel and the EDA Parcel on or before the end of the Investigation Period, for Buyer's approval, such approval not to be unreasonably withheld.

6. REPRESENTATIONS AND WARRANTIES AND OTHER OBLIGATIONS OF SELLER. Seller hereby represents and warrants to Buyer in connection with the City Property, which representations and warranties shall be automatically deemed to be restated on and as of the Closing, and all of which shall survive the Closing:

6.1 Title, Authority and Conflict Matters, Condition.

(a) Seller has, and at the Closing will have, good, fee simple marketable title to the City Property, free and clear of all covenants, conditions, restrictions, easements, liens, charges, mortgages, deeds of trust or other security interests and encumbrances of every nature, kind or character whatsoever, subject only to the Permitted Exceptions.

(b) There are no condemnation or similar proceedings which are pending or, to Seller's actual knowledge, threatened against the City Property or any part thereof, nor to Seller's actual knowledge are there any governmental plans to appropriate or purchase any portion of the City Property.

(c) There are no leases affecting any portion of the City Property, nor are there any parties entitled to be in possession of the City Property.

(d) Seller has not received any written notification from any governmental agency, authority or instrumentality of any pending or threatened assessments on or against the City Property to secure or pay the cost of public improvements to be made with respect to the City Property or any part thereof nor has the Seller issued any such notification nor does Seller have any knowledge of the issuance of any such notification by any other governmental agency.

(e) Seller has all requisite power and authority to execute, deliver and perform this Agreement and all documents and instruments referred to herein to be executed, delivered and performed by Seller, and all necessary or appropriate consents, authorizations or approvals required in connection with the execution, delivery and performance by Seller of this Agreement and the other documents and instruments referred to herein have been duly obtained by Seller.

(f) The conveyance of the City Property to Buyer pursuant hereto will not violate any applicable statute, ordinance, resolution, governmental restriction or regulation, or any private restriction or agreement binding upon or otherwise applicable to Seller or the City Property.

(g) Seller has not received any written notice of nor has any actual knowledge of any contemplated or actual reassessment of the value of the City Property for ad valorem real estate tax purposes, other than any such reassessment which may occur by virtue of the sale of the City Property to Buyer and recordation of the Deed to the City Property, and the City Property will be separately assessed with the Buyer Property for ad valorem real estate tax assessment purposes and shall not be combined with any other real property for such tax assessment purposes.

(h) Seller has not granted or entered into any commitments or other agreements, including, without limitation, any right of first refusal or option to purchase, with or in favor of any third party, which would or could prevent the Seller from consummating the sale of the City Property to Buyer pursuant to

this Agreement or which would bind Buyer subsequent to the consummation of the purchase of the City Property by Buyer.

(i) Improvements. To the best of Seller's knowledge, the improvements on the City Property, if any, are in good repair.

(j) The present zoning classification of the EDA Parcel is I-1, Industrial Park District, and the City Parcel is not zoned. The City Parcel shall be rezoned by the City to the following zoning classification such that Buyer's use of the City Property as a parcel distribution center and for all related and ancillary purposes shall be permitted as of right thereon: I-1, Industrial Park District.

(k) Seller has disclosed to the Buyer the existence of a drainage ditch located on the City Parcel. In the event that Buyer elects to close on the City Property, Seller hereby represents, warrants and agrees that Seller will reasonably cooperate with Buyer with respect to the approval of plans, providing and obtaining governmental approvals, modifying any existing easements, and as otherwise may reasonably be necessary, if the Buyer elects to relocate the drainage ditch. Seller's obligation to cooperate with any election by Buyer to relocate the drainage ditch shall survive Closing.

*6.2 **Environmental Matters***. To Seller's actual knowledge:

(a) No portion of the City Property constitutes "wetlands" under the Clean Water Act, applicable regulations or other state or federal law.

(b) The City Property, including, but not limited to, the soil, groundwater and soil vapor of the City Property does not contain a Hazardous or Toxic Substance (as defined below).

(c) During the time which Seller has owned the City Property, neither Seller nor any third party, has used, generated, manufactured, stored or disposed of on, under, or about the City Property or transported to or from the City Property nor has there been or is there on the City Property, any Hazardous or Toxic Substances.

(d) Neither Seller nor the City Property is subject to any existing, pending or threatened investigation by any governmental authority under any applicable federal, state or local law, regulation or ordinance pertaining to air and water quality, the handling, transportation, storage, treatment, usage, or disposal of Hazardous or Toxic Substances, air emissions, and other environmental matters.

(e) No leak, spill, release, discharge, emission, or disposal of Hazardous or Toxic Substances has occurred on the City Property.

(f) No conditions exist on the City Property which would necessitate remedial action by Seller under any environmental law.

(g) No liens have been asserted against the City Property or the buildings, improvements or fixtures located thereon, for all or any portion of the costs or expenses associated with the reclamation or clean-up of any waste disposal site or other City Property under any environmental laws.

(h) No restrictions or covenants have been placed on the City Property or which restrictions or covenants are threatened to be imposed on the City Property which arise from or are attributable to any Hazardous Substances or any environmental agency having jurisdiction over the City Property.

For the purposes of this Agreement, "Hazardous or Toxic Substances" shall be interpreted broadly to include, but not be limited to, any material or substance that is defined or classified under federal, state, or local laws as: (a) a "hazardous substance" pursuant to section 101 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §9601(14), section 311 of the Federal Water Pollution Control Act, 33 U.S.C. §1321, as now or hereafter amended; (b) a "hazardous waste" pursuant to section 1004 or section 3001 of the Resource Conservation and Recovery Act, 42 U.S.C. §§6903, 6921, as now or hereafter amended; (c) a toxic pollutant under section 307(a)(1) of the Federal Water Pollution Control Act, 33 U.S.C. §1317(a)(1); (d) a "hazardous air pollutant" under section 112 of the Clean Air Act, 42 U.S.C. §7412, as now or hereafter amended; (e) a "hazardous material" under the Hazardous Materials Transportation Uniform Safety Act of 1990, 49 U.S.C. App. §1802(4), as now or hereafter amended; (f) toxic or hazardous pursuant to regulations promulgated now or hereafter under the aforementioned laws; or (g) presenting a risk to human health or the environment under other applicable federal, state or local laws, ordinances, or regulations, as now or as may be passed or promulgated in the future. "Hazardous Substances" shall also include all garbage fill material and waste, whether or not hazardous, and shall also mean any substance that after release into the environment and upon exposure, ingestion, inhalation, or assimilation, either directly from the environment or directly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavior abnormalities, cancer, or genetic abnormalities. "Hazardous or Toxic Substances" specifically includes, but is not limited to, asbestos, polychlorinated biphenyl's ("PCBs"), petroleum and petroleum-based derivatives, and urea formaldehyde.

All representations, warranties, covenants and obligations in this Agreement, and any other certificate or document delivered pursuant to this Agreement, shall survive the date of the Agreement and the delivery of the deed to Buyer. To the extent allowed by law, Seller shall indemnify Buyer, its successors and assigns against, defend, and hold all of them harmless from, all damages and liabilities arising, directly or indirectly, from or in connection with (a) any breach by Seller of any representation or warranty, covenant, agreement or obligation made by Seller in this Agreement, or (b) the ownership, operation, or condition at any time on or prior to Buyer's original occupancy of the City Property.

If this transaction closes and Buyer purchases the City Property from Seller, the fact that Buyer has purchased the City Property shall not be deemed evidence or an indication that the City Property purchased at the time of Closing, was free from all Hazardous Substances, debris or waste, or that Buyer has waived any of Seller's representations in that regard.

7. COVENANTS OF SELLER. In addition to the other covenants and agreements contained in this Agreement, Seller hereby covenants with Buyer that from and after the date of this Agreement and through the date of Closing, Seller:

(a) shall not sell, grant, convey, mortgage, lease, encumber or dispose of the City Property or any part thereof or the improvements located thereon or the appurtenances thereunto belonging;

(b) shall not allow any lien, claim, demand or encumbrance of any nature, kind or character to be asserted against the City Property or any part thereof, other than the lien of City Property taxes and assessments not yet then delinquent;

(c) shall not grant any easement, license or right-of-way in, to or through the City Property or any part thereof, or any leases with respect to the City Property;

(d) shall not create, nor allow to be created, any condition, restriction or covenant of any kind, character or nature whatsoever with respect to the City Property;

(e) shall not seek any change in the zoning of, or conditional use for, the City Property, except as may be requested by Buyer or as otherwise set forth in this Agreement;

(f) until the date of the Closing, at its sole cost and expense shall maintain the City Property and the improvements thereon in good and proper repair; and

(g) during the Investigation Period, Seller has agreed to re-plat the City Parcel and the EDA Parcel, as described in Exhibit A, at Seller's sole cost and expense, in accordance with Section 5(c) and to the satisfaction of Buyer, and in compliance with all applicable legal requirements.

8. INTENTIONALLY OMITTED

9. CONTINGENCIES.

9.1 Buyer's Contingencies. Buyer's obligations to purchase the City Property under this Agreement are expressly made subject to the conditions precedent hereinafter enumerated (all of which are for the sole benefit of Buyer and not of Seller) (the "Buyer's Contingencies"), which must have either been met or expressly waived in writing by Buyer on or before the Closing:

(a) Buyer shall have obtained a commitment from Stewart Title Guaranty Company (the "Title Insurance Company") for an Owner's Policy of Title Insurance with respect to the City Property, in the amount of the Purchase Price, which shall be subject only to the Permitted Exceptions. Such commitment may also show mortgages, deeds of trusts, security interests, judgments, fines, violations, liens or other monetary encumbrances, all of which shall be deemed Impermissible Exceptions, and must be removed from the record and the Owner's Policy of Title Insurance by Seller at its expense at Closing.

(b) The survey obtained by Buyer herein shall be satisfactory to Buyer in Buyer's sole discretion and the re-plat to be prepared and filed by Seller in accordance with the terms and conditions of Section 5(c) above shall also be satisfactory to Buyer in Buyer's sole discretion.

(c) Buyer shall have determined to its complete satisfaction that no portion of any of the City Property constitutes "wetlands" under the Clean Water Act.

(d) Buyer shall have verified to its complete satisfaction the truthfulness and accuracy of all the representations and warranties contained in Section 6 hereof.

(e) Buyer shall have verified to its complete satisfaction that all necessary utilities, water rights, fire, police protection and access are or will be available for Buyer's intended use of the City Property.

(f) Buyer shall be satisfied with the zoning of the City Property in Buyer's sole discretion.

(g) Buyer shall have determined to its complete satisfaction that there are no easements, ordinances, codes, covenants, restrictions, rules, or regulations, either existing or proposed, that would preclude or interfere with Buyer's intended use of the City Property.

(h) Buyer received any approvals necessary for its use of the City Property and all appeal periods shall have expired and any appeals shall have been resolved in favor of Buyer.

(i) Buyer has performed to its satisfaction any and all testing Buyer desires to undertake on the City Property including but not limited to environmental testing and Buyer elects not to terminate the Agreement.

(j) Intentionally deleted.

(k) The City Property shall be otherwise acceptable to Buyer in Buyer's sole discretion.

9.2 Investigation Period.

(a) Buyer shall have the period of ninety (90) days after the Effective Date of this Agreement within which to satisfy the foregoing contingencies and to perform any tests on the City Property that Buyer believes, in its sole discretion, are appropriate or which Buyer desires. If Buyer has been unable to satisfy any of the contingencies set forth herein above within such time period, upon giving Seller written notice of such prior to the expiration of said 90 day period or prior to the end of any of the following extension periods, Buyer shall have three (3) additional thirty (30) day periods within which to satisfy the foregoing contingencies (collectively referred to herein as the "Investigation Period"). During the Investigation Period, Seller shall complete the re-zoning of the Middle Property. Notwithstanding anything to the contrary contained herein, from and after the 60th day of the Effective Date, Buyer shall have the right on no less than fifteen (15) days advance written notice to Seller to cause the Closing of the City Property to occur in accordance with the terms and conditions of this Agreement.

(b) In the event any of the Buyer's Contingencies have not been met on or before the last day of the Investigation Period or Buyer is not satisfied, in its own discretion, with the results of its due diligence with respect to the City Property, at Buyer's sole option, this Agreement shall become null and void, neither party hereto shall have any liability to or recourse against the other pursuant to this Agreement, except with respect to obligations that expressly survive the termination of this Agreement, and the Escrow Agent shall return the Deposit and all interest earned thereon to Buyer.

10. OBLIGATIONS AT CLOSING; PRORATIONS.

10.*1 Obligations at Closing*. At the Closing, the following shall occur:

(a) Buyer shall deliver the Purchase Price to Escrow Agent, in immediately available funds, provided, however, Seller hereby irrevocably authorizes Escrow Agent and the closing attorney, if any, to apply (by paying such amount directly to the holder of such lien) so much of the Purchase Price as is necessary to pay off and discharge of record all mortgages, liens and encumbrances on the City Property.

(b) Seller shall execute, acknowledge and deliver to Buyer the Deed in substantially the same form as Exhibit "C" which is attached hereto and made a part hereof, conveying good and marketable, fee

simple title to the City Property, free and clear of all liens, encumbrances and defects other than City Property taxes and assessments not yet then due and payable and the Permitted Exceptions.

(c) Seller shall pay all assessments and real estate taxes due and owing against the City Property, its attorneys' fees, all costs and fees to prepare and file the re-plat described in Section 5(c) above, costs to record any documents to satisfy title matters, transfer tax and state documentary fee, if any, all title search and examination fees, and all deed preparation costs. Buyer shall pay the recording fees for the Deed, Buyer's attorney's fees, the cost of the survey of the City Property, if so ordered by Buyer and the cost of the title commitment (unless there is no separate charge for the commitment and/or the charge therefore is for the title search and examination fees, which shall be borne by City) and Buyer shall bear the cost of Buyer's title policy and State deed tax. The parties shall split equally any escrow and closing fees. All other costs shall be paid by the party as is customary in the jurisdiction in which the City Property is located.

(d) Seller shall deliver complete and unconditional releases of any and all mortgages or other encumbrances creating liens on the City Property.

(e) Seller shall also execute and deliver the FIRPTA and a form W-9 setting forth Seller's social security number and address.

(f) Seller shall deliver possession of the City Property to Buyer at the Closing, free of the possession of all persons or entities and of all debris and trash.

(g) Seller shall execute and deliver to the Title Insurance Company such affidavits, consents, resolutions or other agreements as may be required to delete all Impermissible Exceptions to title as may be set forth in the title commitment.

(h) Seller will file the plat described in Section 5(c) above in the real estate records of Isanti County, Minnesota.

(i) Seller shall deliver all other documents duly executed and acknowledged by Seller which are required to be delivered by Seller at Closing pursuant to this Agreement including but not limited to those required to be delivered and duly executed in Section 4 herein.

10.*2* Prorations. The parties shall prorate, on the basis of a three hundred sixty-five (365) day year, and in the manner customarily followed in Isanti County, Minnesota through the actual date of the Closing, all rent, taxes and assessments on the City Property that are due and payable in the calendar year in which the Closing occurs.

11. DEFAULT.

11.1 In the event that Seller fails to carry out the terms of this Agreement or refuses to perform any Seller's obligations hereunder, Buyer may, at Buyer's option, treat this Agreement as null and void. If Buyer terminates this Agreement, Buyer shall be entitled to receive a prompt refund of the entire Deposit and any interest thereon. Further, Seller hereby acknowledges that the legal remedy for breach by Seller of this Agreement shall be inadequate and that Buyer shall be entitled to a decree of specific performance

compelling the sale and conveyance of the City Property, or any portion thereof, to Buyer. In addition to all of the foregoing remedies, in the event of a breach of this Agreement by Seller, Buyer shall have all other rights and remedies against Seller as permitted by law or equity.

11.2 . In the event Buyer materially breaches this Agreement, Seller's sole remedy as a consequence thereof shall be to retain the Deposit, and Buyer shall have no further liability, responsibility or obligation to Seller under this Agreement or in connection with the subject matter hereof, except for its indemnification obligations described in Section 3 hereof and any other obligations of Buyer under this Agreement that expressly survive any termination of this Agreement.

12. RISK OF LOSS. All risks of loss of any kind with respect to the City Property, including, but not limited to, damage or destruction of the City Property and improvements thereon and condemnation of the City Property, shall remain upon Seller until the Closing. In the event any portion of the City Property is damaged by fire or other casualty at any time after the date hereof and prior to the Closing, Buyer may, at its sole election, either: (i) terminate this Agreement, whereupon the Deposit shall be returned to Buyer; or (ii) elect to purchase the City Property, whereupon Seller shall assign, transfer and set over unto Buyer at the Closing all of Seller's right, title and interest in and to all insurance proceeds payable in connection with such casualty and shall pay over to Buyer all such proceeds that already have been paid to Seller or on Seller's behalf and Buyer shall receive a credit equal to the deductible amount under Seller's insurance policy. In the event that, prior to the Closing Date, a governmental entity shall commence, or give written notice of its intent to commence, any condemnation proceeding to take any portion of the City Property, Buyer shall have the option either to (a) elect to terminate this Agreement, in which case the Deposit will be returned to Buyer within three (3) days, or (b) complete the acquisition of the City Property, in which case Buyer shall be entitled to the proceeds of such taking, and shall have the right to negotiate and/or litigate the award and Seller shall take such further actions as reasonably may be requested by Buyer in connection therewith. Seller shall promptly notify Buyer of any condemnation proceedings that Seller becomes aware of during the pendency of this Agreement.

13. INTENTIONALLY DELETED.

14. COMMISSIONS. Seller and Buyer each represent and warrant to the other that no real estate commission, broker's fee or other similar fee or commission is now or shall at any time be due with respect to this Agreement except for a brokerage fee due Jupiter Realty Services, LLC ("Buyer's Broker"), the commission of which will be paid for by Seller pursuant to a separate agreement. If any claims for such fees or commissions are made against any of the parties in connection with this transaction (other than the commission due Buyer's Broker), all such claims shall be handled and paid by the party whose actions or alleged commitments formed the basis of such claim, and such party further agrees to indemnify and hold harmless the other party from and against any and all such claims or demands.

15. MISCELLANEOUS.

(a) Assignment of Agreement. Buyer may assign this Agreement to an entity owned in whole or in part by Buyer or an owner of Buyer without the prior written consent of Seller.

(b) Binding Effect. This Agreement shall run to the benefit of Buyer, its successors and assigns, and shall be binding upon Seller and Seller's successors and assigns. All representations, covenants and warranties herein shall survive the Closing and delivery of the Deed.

(c) Notices. All notices or other communications required or permitted hereunder shall be in writing and shall be effective upon receipt whether delivered by personal delivery, email or UPS Next Day Air® delivery or sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to the respective parties as follows:

If to Buyer:

-See address at top of Page 1-

AND:

If to Seller:

-See address at top of Page 1-

Notices shall be deemed received upon the (a) the date of delivery if personally delivered or delivered via UPS Next Day Air® delivery, or (b) when sent, as shown on the sent receipt, if sent by email, or (c) if mailed, upon the date of receipt as disclosed on the return receipt. Notice of change of address shall be given by written notice in the manner detailed in this paragraph. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to constitute receipt of the notice, demand, request or communication sent.

(d) Headings. Descriptive headings herein are for convenience only and shall not control or affect the meaning or construction of any provision of this Agreement.

(e) Time of Essence. Time shall be of the essence with respect to the performance of all obligations of the parties hereunder.

(f) Governing Law. This Agreement shall be construed, interpreted and enforced in accordance with the laws of the State of Minnesota.

(g) Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. .Pdf copies of the executed signature pages transmitted by email shall be effective and binding upon the parties as if such signatures were original signatures.

(h) Severability. If any part of this Agreement should be determined to be invalid, unenforceable, or contrary to law, that part shall be amended, if possible, to conform to law, and if amendment is not possible, that part shall be deleted and other parts of this Agreement shall remain fully effective, but only if, and to the extent, such modification or deletion would not materially and adversely frustrate the parties' essential objectives as expressed in this Agreement.

*(i) **Entire Agreement; Exhibits.*** This Agreement and all Exhibits attached hereto constitute the entire agreement among the parties as it relates to the subject matter hereof, and no amendment, alteration or modification of this Agreement shall be valid unless in each instance such amendment, alteration or modification is expressed in a written instrument duly executed by all of the parties to this Agreement. All Exhibits to this Agreement shall constitute part of this Agreement and shall be deemed to be incorporated in this Agreement by reference and made a part of this Agreement as if set out in full at the point where first mentioned.

*(j) **1031 Exchange.*** Either party may desire to exchange its fee title interest in the City Property for other City Property of like kind and qualifying use within the meaning of Section 1031 of the Internal Revenue Code of 1986, as amended and the regulations, promulgated thereunder. Each party expressly reserves their right to assign its rights under this Agreement to a Qualified Intermediary as provided in Internal Revenue Code Reg. 1.1031(k) - 1(g)(4) on or before the Closing Date. Each party agrees to cooperate reasonably with the other and to execute any documents reasonably necessary to effectuate such an exchange provided such documents do not in any manner increase the liabilities of the other party. For instance, Buyer shall not be required to execute any documents whereby Buyer enters into the chain of title of any City Property other than the City Property.

*(k) **Waiver of Jury Trial.*** To the extent permitted by law, each of Seller and Buyer hereby expressly waives any right to trial by jury of any action, cause of action, claim, demand, or proceeding arising under or with respect to this Agreement, or in any way connected with, related to, or incidental to the dealings of Seller and Buyer with respect to this Agreement and in each case, whether or not existing or hereafter arising, and whether sounding in contract, tort or otherwise. To the extent permitted by law, each of Buyer and Seller hereby agrees that any such action, cause of action, claim, demand, or proceeding shall be decided by a court trial without jury and that Seller or Buyer may file a copy of this Agreement with any court other tribunal as written evidence of the consent of each of Seller and Tenant to the waiver of its right to trial by jury.

*(l) **Performance.*** When the last day prescribed for performance hereunder falls on Saturday, Sunday, or a legal holiday, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday, or a legal holiday.

16. ACCEPTANCE. This Purchase Agreement shall be binding on Buyer only if a fully-executed copy is delivered to Buyer on or before 5:00 p.m. on _____, 2020. Unless such delivery is made, this document shall be null and void.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the date first written above.

MEMORANDUM

Date: November 10, 2020

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Services Proposal to Complete Liquor Store Design & Construction
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for engineering services for the building and site design of the proposed liquor store at 10 6th Avenue SE.

The proposed parking lot and building will meet City zoning requirements. The building can generally be described as a 11,750 square foot building housing the proposed liquor store facilities depicted in the initial layout sketch attached.

Site Design & Construction:

We propose for Bolton & Menk to perform the site design, project management, construction surveying and construction inspection needed to facilitate the completion of the proposed parking lot and utility extension for the new liquor store building.

We propose to complete the site design and specifications, through bidding, for an hourly, not to exceed, fee of $35,000.

We propose to complete site construction staking, project management, and site inspection services, for an hourly, not to exceed, fee of $30,000. This does not include building inspections.

Building Design & Construction:

We proposed to bring Brunton Architects onto the project team to perform the building design through construction. Their proposed scope of work and lump sum fee is attached and includes cost estimating, interior design, structural, mechanical, plumbing, electrical, and fire sprinkling design services from pre-design to project construction and project close out. Bolton & Menk will not add on any overhead fees to take on Brunton Architects as a sub-consultant.

Assumptions made in determining the scope of Brunton Architect's fees:

- Prefabricated concrete walls will be used to reduce project cost and engineering design costs.
- A non-pitched deck roof will be used as the base design.
  - A pitched metal roof would add approximately $300,000 in total project cost and require space inside the building to be taken up by typically roof mounted equipment such as HVAC.

Brunton Architects scope and fees in the attached document are proposed as a lump sum fee of $192,000. These fees are at industry standard and include interior design and alternate building renderings.

The proposed total engineering fees are significantly lower than the budgeted amount for these services.

Please contact me at (763) 200-2444 if you have any questions or need additional information.

RE: Professional Design Services for a New Retail/Municipal Liquor Store in Isanti, MN

Dear Jason:

All of us at Brunton Architects & Engineers are truly honored to be submitting a proposal that encompasses the extent of our professional design services offered. We believe it is the attention to detail that determines the difference between a good project and a great one. Our staff of architects, interior designers, and engineers are dedicated to working side by side with our clients while guiding them through the entire design process from beginning to end.

Brunton Architects & Engineers has assembled a design team with skills best suited for the municipal liquor store project planned for Isanti, Minnesota. Our team is ready and excited to provide architectural design, interior design, mechanical engineering, plumbing design, electrical engineering and structural design engineering services to ensure that the project is custom tailored to your client's specific needs. It is our understanding that the civil design engineering will be provided by Bolton & Menk and are not included as a part of this fee proposal.

Project Understanding

Design services included in this proposal are for an architectural precast concrete building with one steel beam and column line in the middle of the building to help reduce total construction costs. The building is being planned as having 23 ft sidewall heights, steel bar joist roof structure, metal deck, sloped structure with rigid insulation, and polished concrete floors in the retail areas of the building. The proposed building size is approximately 11,750 SF in its footprint. The building will be used as Municipal Liquor Store located in Isanti, MN and is to be located on a City owned commercial

lot. Design services included in this proposal are Architectural, Interior Design (color and material selections), Structural, Mechanical, & Electrical engineering. Preliminary cost estimating will also be provided by Brunton for use in helping to establish construction and FF&E Budgets. Civil design services will be employed directly by the City of Isanti.

At Brunton Architects & Engineers, we look at all design projects from owner, end user, and contractor viewpoints. We pride ourselves on being a design driven firm that is detail oriented in everything we do.

Below is a brief summary of our understanding of the project;

Project Description – Municipal Liquor Store

1. Number of Buildings:	One
2. Size:	roughly 11,750 SF
3. Height/Stories:	One Story
4. Construction Type:	Precast Concrete Walls and bar joist and deck roof**
5. Use:	Retail
6. Location:	Isanti, Minnesota

**An optional metal joist and standing seam metal roofing system can be explored for additional design fees as it greatly increases the design requirements of the project. Its estimated that the increase in construction costs for the different roof structure and roofing system, along with HVAC design requirements might be around $250,000-$350,000. As previously mentioned, the HVAC systems would need to convert to an air handling system and be ground mounted requiring more site area for the units to sit within in an enclosed area. If chosen, the design fee will increase by $36,000 due to additional detailing and engineering needed for all the trades effected.

ARTICLE 1 Scope of Services

1.1 Schematic Design Phase

1.11 The development of refined concept floor plans, a site plan, and exterior/design aesthetics will be developed based on the approved scope. In addition, design solutions will be provided for various exterior elevation studies that face the street.

1.12 Exterior renderings will be produced for review and approval by the City.

1.13 Building code analysis and review of site requirements.

1.14 Hold a meeting for review and approval of the Schematic Design Phase documents and drawings with associated costs.

1.2 Design Development Phase

1.21 Prepare necessary drawings to convey the next level of detail based on the approved Schematic Design Phase. Brunton Architects & Engineers will refine the design and our interior design department will prepare color and material options for your review and approval.

1.22 Coordination with civil, architectural, structural, mechanical, electrical, and plumbing design teams.

1.3 Construction Document Phase

1.31 Preparation and coordination of detailed civil, architectural, interiors, structural, mechanical, and electrical specifications and drawings in preparation for permit review and City approval.

1.32 Final construction documents meeting for review and approval with you and the City.

1.33 Final Review of the International Building Code and Minnesota State Building and ADA accessibility code compliance.

1.4 Bidding & Construction Administration Phase

1.41 Provide Bidding & Construction Administration services for overseeing the construction phase and for compliance with the approved building permit and construction documents.

1.42 Prepare required addendums, as necessary, during bidding.

1.43 Assist in the review of bid results from General Contractors (GC) and/or value engineering. Make recommendation for award of bid to a GC.

1.44 Perform site visits to ensure compliance with construction documents.

1.45 Provide a review of all submitted architectural and engineering shop drawing submittals.

1.46 Generate a list of items in need of repair / replacement at project close out.

1.47 Perform 1-year walk-through with you (12 months from date of completion) to verify that the finished product continues to meet your expectations.

ARTICLE 2 COMPENSATION

2.1 Total fee for project phases listed below.

Professional Fee = $192,000 Lump sum/Not to Exceed*
(*includes Pre-design cost estimating, architectural, interior design, mechanical, plumbing, fire sprinkling, structural, and electrical design engineering)

Schematic Design	25% of Professional Fee
Design Development	20% of Professional Fee
Construction Documentation	45% of Professional Fee
Bidding and Negotiating	5% of Professional Fee
Construction Administration	5% of Professional Fee

ARTICLE 3 REIMBURSABLE EXPENSES

3.1 Reimbursable expenses shall include postage, shipping, messenger services, printing, and reproduction (printing for in-house use by architect and engineer is included).

3.2 All other requested services shall be billed at the following rates.

Senior Architect/Principal	$194.00
Project Architect 2	$142.00

Project Architect 1	$131.00
Project Manager	$132.00
Sr. Mechanical Engineer 2	$168.00
Sr. Mechanical Engineer 1	$157.00
Architectural Technician 2	$115.00
Architectural Technician 1	$105.00
Interior Designer 2	$125.00
Interior Designer 1	$110.00
Interior Design Intern	$ 65.00
Mechanical Technician	$105.00
Clerical	$ 68.00
Mileage Charge	$ 00.58 per mile
Consultants	1.10 times cost
Printing Reproduction	1.10 times cost
Postage	1.10 times cost

*Rates are valid for the 2020/2021 calendar year and are adjusted annually as dictated by market conditions.

ARTICLE 4 PAYMENT

4.1 Billing shall be monthly based on the percentage of the work complete on the last day of the month. Payment shall be due no later than 30 days after the statement date.

4.2 Late charges shall be added at a rate of 1-1/2 percent of the past due amount beginning on the thirty-first day after the statement date.

4.3 A retainer payment of $5,000.00 shall be made upon execution of this agreement and is the minimum payment under this agreement. The retainer amount shall be credited to the Owner's account in the final invoice. Remit all payments to the office of Brunton Architects & Engineers in North Mankato, MN.

ARTICLE 5 MISCELLANEOUS PROVISIONS

5.1 The prices quoted herein shall be in effect until thirty days past the date of the proposal and are subject for review and revision for any work not authorized to be completed after that date.

5.2 Drawings shall remain the property of Brunton Architects and are to be used for the construction of this project only.

ARTICLE 6 MECHANIC'S LIENS

6.1 Any person or company supplying labor or materials for this project may file a lien against your property if that person or company is not paid for the contributions.

6.2 Under Minnesota law, you have the right to pay persons who supplied labor or materials for this project directly and deduct this amount from our contract price, or withhold the amounts due them from us until 120 days after completion of the project unless we give you a lien waiver signed by persons who supplied any labor or material for the project and who gave you timely notice.

Thank you again for the opportunity to present this proposal for your consideration. Please call our office at 507.386.7996 with any questions or concerns regarding the information contained in this document.

Sincerely,

Corey Brunton

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: November 17th 2020
Subject: Resolution Approving 2020 Audit Engagement Letter

Background:
Resolution 2016-298 designated Abdo, Eick & Meyers, LLP as the City's audit firm for 2020. The attached audit engagement letter documents and confirms the auditor's acceptance of the appointment, the objective and scope of the audit, the extent of the auditor's responsibilities to the client and the form of any reports.

Finance Director Betker has reviewed the engagement letter and is recommending acceptance.

Request:
Consider resolution approving engagement letter for 2020 audit.

Attachment(s):
- Resolution 2020-XXX – Approving the Engagement Letter for the 2020 Audit
- 2020 Audit Engagement Letter

RESOLUTION 2020-XXX

APPROVING THE ENGAGEMENT LETTER FOR THE 2020 AUDIT

WHEREAS, MN State Statutes require the City of Isanti to employ a certified public accounting firm to audit, examine and report upon the books and records of the accounts of the City; and,

WHEREAS, the City of Isanti, through Resolution 2016-298, designated the public accounting firm of Abdo, Eick & Meyers, LLP for their auditors for 2020;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Engagement Letter for the 2020 Audit in the amount of $31,700, with funding as follows:

1. 50.0% 101-41500-301 Financial Administration
2. 12.5% 601-49400-301 Water Utility
3. 12.5% 602-49450-301 Sanitary Sewer Utility
4. 12.5% 603-49500-301 Storm Water Utility
5. 12.5% 609-49750-301 Liquor Store

This Resolution is hereby approved by the Isanti City Council this 17th day of November, 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

ABDO EICK & MEYERS LLP
Certified Public Accountants & Consultants

October 29, 2020

Management, Honorable Mayor and City Council
City of Isanti
Isanti, Minnesota

We are pleased to confirm our understanding of the services we are to provide the City of Isanti (the City) for the year ended December 31, 2020. We will audit the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of the City as of and for the year ended December 31, 2020. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management's Discussion and Analysis
2) Schedule of Funding Progress and Employer's Contributions
3) Schedule of Net OPEB Liability, Employer Contributions and Investment Returns

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

1) Combining and Individual Fund Financial Statements and Schedules
2) Summary Financial Report - Revenues and Expenditures for General Operations - Governmental Funds

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

1) Introductory Section

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the City and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the City's financial statements. Our report will be addressed to the City Council of the City. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the City is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting abuse

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, an unavoidable risk exists that some material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of certain assets, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures - Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards.*

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Other Services

We will prepare a general ledger trial balance for use during the audit. Our preparation of the trial balance will be limited to formatting information in the general ledger into a working trial balance. As part of the audit, we will assist with preparation of your financial statements and related notes. You will be required to acknowledge in the written representation letter our assistance with preparation of the financial statements and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. We will also use the financial statements to complete the Office of the State Auditors' Reporting Forms. We will also enter the current year capital asset transactions into our software based on information you provide. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

You are responsible for designing, implementing, establishing and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

You are also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including identification of all related parties and all related party relationships and transactions (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the City received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements that we report.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You are responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. You are also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information. With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide referenced in the Other Services paragraph above. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will provide electronic copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Abdo, Eick & Meyers, LLP and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to any Regulator or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Abdo, Eick & Meyers, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Regulator. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit in February 2021 and to issue our reports no later than June 30, 2021. Steven R. McDonald, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be as follows:

Audit	$ 29,900
GASB 75 Implementation	1,000
2020 Office of the State Auditor's Reporting Form	800
Total	$ 31,700
2020 TIF Reporting Forms	$ 500/District

In an effort to reduce environmental impact, you will receive printable, downloadable PDFs of your report. To receive one (1) paper report, you will be charged $150 for a set-up fee. Additional paper copies will be charged at the rate of $50 per report.

You may also be billed for travel and other out-of-pocket costs such as report production, typing, postage, etc. if not included in the fee listed above The fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will discuss it with you and arrive at a new fee before we incur the additional costs. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Amounts not paid within 30 days from the invoice date will be subject to a late payment charge of .66 percent per month (8 percent per year). If for any reason the account is turned over to collections, additional fees will be added to cover collections cost In accordance with our Firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

Except in the event of your failure to make a payment when due, in the event of a dispute related in any way to our services, our Firm and you agree to discuss the dispute and, if necessary, to promptly mediate in a good faith effort to resolve. We will agree on a mediator, but if we cannot, either of us may apply to a court having personal jurisdiction over the parties for appointment of a mediator. We will share the mediator's fees and expenses equally, but otherwise will bear our own attorneys' fees and mediation cost. Participation in such mediation shall be a condition to either of us initiating litigation. In order to allow time for the mediation, any applicable statute of limitations shall be tolled for a period not to exceed 120 days from the date either of us first requests in writing to mediate the dispute. The mediation shall be confidential in all respects, as allowed or required by law, except our final settlement positions at mediation shall be admissible in litigation solely to determine the prevailing party's identify for purposes of the award of attorneys' fees. In the event you fail to make a payment for services or to reimburse for costs advanced by the Firm on your behalf, the Firm reserves the right to take all legally permissible action, including commencement of litigation in lieu of mediation, and shall have the right to collect its costs, including reasonable attorney's fees, incurred in any such collection or litigation activities.

Should the City of Isanti desire to employ the Firm's partner(s) or employee(s) involved in the performance of any audit, review or attest service for or relating to the City at any time during the then current fiscal year of the City up to and including the date of the audit report for that year, or in the twelve months preceding the audit report date for the immediately preceding year, it must have the written consent of the Firm to enter into an employment contract with the Firm partner or employee. Should the Firm agree to such arrangement, the agreement will include a payment equal to 200% of the partner or employee's current annual salary.

Professional and certain regulatory standards require us to be independent, in both fact and appearance, with respect to the City in the performance of our services. The City shall not, during the term of this agreement and for the twelve months following its termination for any reason, without the prior written consent of the Firm, solicit for employment, or hire any current or former partner or professional employee of the Firm, or any affiliate thereof, if such partner or professional employee has been involved in the performance of any audit, review, or attest service for or relating to the City at any time during the then current fiscal year of the City up to and including the date of the audit report for that year, or in the twelve months preceding the audit report date for the immediately preceding year.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

We have the right to withdraw from this engagement, at our discretion, if you do not provide us with any information we request in a timely manner; refuse to cooperate with our reasonable requests or misrepresent any facts; we have reason to believe you may have engaged, or may be planning to engage, in conduct that is unethical and/or unlawful; you engage in conduct directed toward or affecting firm personnel that is disrespectful, inappropriate, and/or potentially unlawful; or we determine that continuing the engagement is not in the best interests of the firm or threatens legal or reputational harm to the firm. In the event of withdrawal under any of these circumstances, such withdrawal will release us from any obligation to complete your report and will constitute completion of our engagement.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2017 Peer Review Report accompanies this letter.

We appreciate the opportunity to be of service to the City and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please electronically sign this letter.

Sincerely,

Abdo Eick & Meyers, LLP

BRADY MARTZ

CERTIFIED PUBLIC ACCOUNTANTS AND CONSULTANTS

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

January 30, 2018

To the Partners of
Abdo, Eick and Meyers, LLP
and the Peer Review Committee of the Minnesota Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP (the firm) in effect for the year ended May 31, 2017. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including a compliance audit under the Single Audit Act; audits of employee benefit plans, an audit performed under FDICIA and an examination of a SOC 2 service organization.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Abdo, Eick & Meyers, LLP in effect for the year ended May 31, 2017, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Abdo, Eick & Meyers, LLP has received a peer review rating of *pass*.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO JENNAFER HORGEN

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, Jennafer Horgen was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Jennafer Horgen for the City of Isanti and that she shall be eligible to start in that position on or after November 17th, 2020.
2. This position is part time and not eligible for benefits.
3. That Jennafer Horgen shall start at Step 1 of the Wage Scale at $11.89 per hour.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 17th day of November 2020.

RESOLUTION 2020-XXX

APPROVING THE INTERNAL PROMOTION OF LIQUOR STORE CLERK III TO CHRISTY BONCZEK

WHEREAS, the City Council of the City of Isanti is required to approve hiring of all employees; and,

WHEREAS, the Liquor Store Clerk III posting was made available to all internal Liquor store staff; and,

WHEREAS, Human Resources and the Liquor Store Manager deemed current Part-time Liquor Store Clerk employee Christy Bonczek to be the best candidate for the position; and,

WHEREAS, the position of Liquor Store Clerk III is a part-time and non- benefit eligible position; and,

WHEREAS, the promotion for Christy Bonczek will open a position for a part-time Liquor Store Clerk that staff is directed to fill;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Human Resources has offered the Liquor Store Clerk III position to Christy Bonczek for the City of Isanti and that she will be eligible to start in that position effective November 18, 2020.
2. That Christy Bonczek shall start at step 1 of the wage scale at $14.60 per hour.
3. Human Resources are authorized to complete any required documentation for the position change.
4. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 17th day of November 2020.

City Administrator
110 1st Ave NW
Isanti, MN 55040

Executive Summary

Our firm was contracted by the City of Isanti to provide a complete position classification and compensation study for the 2021 budget year. The City has never conducted a formal independent position classification and compensation study but has experienced population growth, organizational changes, changing position responsibilities, and the addition of new positions in recent years. This independent study was viewed by City leadership as an opportunity for Isanti to accomplish a variety of important strategic priorities, including job description updates and review, an analysis of the current municipal and private compensation markets, a review of current and potential Minnesota Pay Equity compliance requirements, a review of current active collective bargaining agreements, and an evaluation of current length of service and performance based step increase award policies.

As part of our study, AEMWS relied upon the accuracy of updated position descriptions provided by the City, however, as part of the job description analysis, we have provided a Fair Labor Standards Act (FLSA) review checklist to support the overtime exemption election for all applicable existing positions. The updated Job Descriptions are included as **Appendix A** of this report. FLSA testing checklists were provided to the City separate from this report.

To achieve the objectives set forth in our project scope of work, we completed a scoring exercise using a model similar to the State of Minnesota Hay Study. Using this model, each position was given a score in the following categories; know-how, problem solving, accountability and special conditions. These categories are intended to measure and rank the level of knowledge, skills, and impact on City operations for each position.

To complete the evaluation and scoring of Isanti positions, we reviewed the organizational structure, job descriptions and requested additional information and clarification from City leadership, as needed. Upon completing the scoring of positions to determine pay equity, our firm also completed a market wage analysis to compare the City's current wage scale, by position, to the overall public employee wage market in Minnesota.

The market analysis consisted of analyzing salary data from comparable local governments in Minnesota by reviewing municipal salary data published by the League of Minnesota Cities (LMC) through their 2020 annual salary survey and by directly soliciting wage data from two (2) municipalities that did not participate in the LMC survey. Private sector wage information, provided by the Minnesota Department of Employment and Economic Development, was also referenced for several positions, as identified by the City, with comparable and/or competitive private sector positions.

The results of both the classification (position scoring) and compensation analysis follow.

Methodology

Historically, the City has relied upon an internally developed step and grade compensation model for positions not governed by a collective bargaining agreement and has performed its own informal compensation analysis on a regular basis to remain competitive. While some positions may have been paid higher or lower than the predicted pay scale, the City has maintained consistent compliance with the Minnesota Pay Equity Act, submitting it's most recent reporting in 2018. The City will be required to submit their next Pay

Equity Report in 2021.

In recent years, the City has experienced population growth, employee turnover, changing position responsibilities, and the addition of new positions which have impacted both the job duties and wage demands for many positions. City leadership is also anticipating population growth of up to 61% over the next 5-10 years. In light of these organizational changes and significant projected growth, the City of Isanti determined that an formal, independent, system-wide position reclassification and market wage analysis was necessary to assist executive leadership in establishing a new, logical and justifiable employee wage and salary framework to build upon in the future.

Scoring Analysis

This section reflects the review and analysis of all Isanti job descriptions. To complete this task AEM Workforce Solutions, LLC used existing and updated job description information for current positions, based on direction from the City. Our firm reviewed the changes and solicited necessary feedback from City representatives to gain the insight needed to score the various positions. The positions were scored using a plan adapted from the Hay method. The model assigned each position a score in the following categories (adapted from the State of Minnesota 2009 Hay Manual): Know-How, Problem Solving, Accountability, and Special Conditions.

Know-How represents the knowledge, skills and abilities (KSAs) an employee needs to be successful in a particular job. The Hay evaluation method places the greatest emphasis on Know-How. Know-How is defined as an expert skill, information or body of knowledge that imparts an ability to cause a desired result. The Know-How category is the most heavily weighted category. If a position is more easily learned, the position will point toward the lower end of the scale.

Know-How category is further divided into three parts: Depth and Breadth of Job-Specific Knowledge (aka Technical and Specialized Know-How and Job-Specific Knowledge); Integrating Know-How (aka Managerial Breadth or Know-How); and Human Relation Skills (aka Human Relations Know-How). A number is assigned for total Know-How points by making several separate choices for each of the three elements described and an overall assessment.

Job-Specific Knowledge includes the position's requirements for knowledge and skills related to practices, procedures, specialized techniques and professional disciplines. It also includes basic and job-specific supervisory and managerial knowledge, skills, and abilities (KSAs), when appropriate. This aspect of Know-How does not make distinctions among differently-sized managerial jobs nor does it include human relation skills. It is important to remember that this element measures the requirements of the position, not the qualifications of an incumbent.

Integrating Know-How considers the need to integrate and manage progressively more diverse functions and is used to rank managerial breadth and scope, from similar to very different functions. When required, basic and job-specific supervisory and managerial knowledge, skills and abilities are included in the Job-Specific part of a Know-How rating. The overall size of an organization directly influences the number of managerial breath categories, because the organizational size often reflects requirements for increased managerial complexity and diversity.

Human Relation Skills is the third element of a job's Know-How rating. It is the active, practicing interpersonal skills typically required for productive working relationships to work with, or through, others inside and/or outside of the organization to get work accomplished. It assumes that each job requires a foundation of basic human relations skills. To be effective, an employee must typically be proficient at the highest level of Human Relations Skill regularly required for the position.

Problem Solving is the process of working through details of a problem to reach a solution. Problem solving may include mathematical or systematic operations and can be a gauge of an individual's critical thinking skills. Problem Solving measures the intensity of the mental process that uses Know-How to: (1) identify, (2) define, and (3) resolve problems. It is a percentage of Know-How, reflecting the fact that "you think with what you know." This is true of even the most creative work. Ideas are put together from something already there. The raw material of any thinking is knowledge of facts, principles and means.

Context includes the influences or environment that limit or guide decision-making such as rules, instructions, procedures, standards, policies, principles from fields of science and academic disciplines. Positions are guided by organizational, departmental or functional goals, policies, objectives and practices circumscribed by procedures and instructions. In general, policies describe the "what" of a subject matter, procedures detail the steps needed to follow through on a policy (i.e., how, where, when, by whom) and instructions outline the specific aspects of how to perform the tasks, such as the operation of a machine or how to select the appropriate letters to use in particular situations.

Thinking Challenge includes the nature of the problems encountered and the mental processes used to resolve the problems. The scale ranges from simple problems to very complex issues, with the premise that simple issues recur regularly in the same form and after a while are resolved by rote or instinct, but very difficult issues require substantial thinking and deliberation. The types of situations encountered and the processes involved in identifying, defining or resolving related problems are considered. Thinking Challenge reflects the degree of difficulty in finding improvements and adapting to changes.

Accountability does not mean being responsible for getting one's own work done. Rather, it reflects responsibility for actions and their consequences and the measured effect of the job on end results for the organization. Accountability includes three factors: Freedom to Act/Empowerment, Magnitude, and Job Impact.

Freedom to Act/Empowerment involves the degree of personal or procedural control or guidance exercised over the position. For example, what constraints are put on an employee in this job? How closely supervised is the position? What kinds of decisions are made higher up in the organization?

Magnitude is the portion of the total organization encompassed by the position's primary purpose. It's most typically indicated by the general dollar size of the area(s) most directly affected by the job, i.e., the resources over which the position has control or influence. A variety of factors are considered such as size of budget is employee responsible for, what degree of influence is held and is this person a decision maker.

Job Impact is considered to be indirect (indirect or contributory) or direct and measurable (shared or primary). It involves the way in which the position's actions affect end results in the agency. For example, how does the employee influence the business - directly or indirectly? Does the employee provide advisory or interpretive services for others to use in making decisions? Is the job an information-recording one? Does it provide a necessary service with a relatively small effect on the business of the agency? "Contributory" and "primary" are, by far, the most frequently used options."

Special Conditions consider the physical effort, environmental conditions, hazard exposure, and sensory attention demands that an employee is commonly subject to in the position. For example, two positions may be assigned identical points in all other areas but the position that is regularly required to work in extreme outdoor conditions (i.e. heat or extreme cold) would receive additional points for these factors.

The work associated with this scoring represents the primary work conducted for this assignment, which is to review positions and functions and provide a consistent measurement and "scoring" of functions and responsibilities within the municipality.

Findings and Recommendations

Position Points

Table 1 represents the total score assigned to each position based on the Methodology discussed.

Table 1: Position Classification and Point Assignment

Position	Department	Points
Liquor Store Clerk II	Liquor	101
Administrative Intern	Administration	110
Economic Development / Marketing Intern	Community Development	110

Community Development Director	Community Development	474
Public Services Director	Public Services	478
Police Chief	Police	518
Finance Director	Administration	529
City Administrator	Administration	717

Market Analysis

This section documents a sample of the wages offered to the employees of comparable local governmental units in Minnesota. The comparable government entities identified for this study were communities of comparable size, complexity, geographic location, and proximity to the metro area.

The City of Isanti is within 30 miles of several communities with populations of over 10,000, including North Branch, Wyoming, and Ramsey, and is within 40 miles of the inner-metro. As a result, the City is likely competing for talented employees with these larger out-state and northern metro communities. The City should consider a competitive compensation scale to attract and retain qualified employees that have the knowledge, skills and abilities to provide service levels expected within the community, particularly considering the significant population growth expected in the next 5-10 years. These factors, coupled with the demand of specific technical and multi-faceted positions within the City, have resulted in the recommendations provided in this survey.

The wages of the comparable positions for the municipalities listed in **Table 2** were compared with those at the City of Isanti. **It should be noted that the governments listed do not always have the exact type or number of positions as Isanti and, in these cases, assumptions about duties and levels of responsibilities were made based on job titles and supervisory reporting information and were used to identify comparable positions.**

Table 2 - Market Survey

The Market Survey lists government agencies that were included in standard demographics for at least one existing position in the market analysis.

Key market wage analysis considerations and findings include:

- All market and City of Isanti wage data is based on 2020 compensation scales.
- Private market wage data, collected from the Minnesota Department of Economic Development's 1st Quarter 2020 report, was used for the following positions:
  - City Administrator (CEO)
  - Assistant Finance Director
  - Assistant Liquor Store Manager
  - Finance Director
  - Human Resources Director
  - Liquor Store Clerk I
  - Liquor Store Clerk II
  - Liquor Store Manager
  - Receptionist/Utility Billing Clerk
  - Utility Billing/Accounting Clerk
- All City of Isanti union agreements are in place through December 31, 2022. Covered positions have been included in the market study but are not included in the proposed step/grade compensation model.
- A negative average market variance indicates that the current City of Isanti wages fall **BELOW** the market
- A positive average market variance indicates that the current City of Isanti wages fall **ABOVE** the market
- Current pay range MINIMUMS for each position were, on average, 3% - 9% below the market minimum pay for similar positions. It is important to note, however, that this is only an average.
- Current pay range MAXIMUMS for each position were, on average, 8% - 14% below the market minimum pay for similar positions. In some cases where Cities are awarding step increases primarily based on length of service, this lower than average maximum pay can create challenges related to retention of experienced employees.
- The significant market variances for many positions typically indicates that either the position wage range is well above or below the market or that the position within the City of Isanti is not comparable, in regard to duties, experience requirements, and responsibilities, to other positions with similar titles in comparable cities.
- Intern positions were very difficult to establish realistic comparable positions for market wage analysis. As a result, our findings reflect preliminary market minimum and maximum wages but, to avoid these outliers from skewing organizational totals, the Intern position variances (current wages compared to market data) were not used when calculating City averages.
- The Background Investigator position was assigned a point classification, based on the job description provided, but was not included in the overall market wage average due to a lack of relevant market comparables.
- Overall, a reevaluation of the existing position classification and wage scale will assist in realigning all positions in relation to the City's internal organizational structure and to the market. Doing so will, presumably have a positive impact on future employee recruitment and current employee satisfaction and retention.
- The League of Minnesota Cities Survey and other Market Survey results are reflective of 2020 wage data. It is important to consider that many cities approve annual Cost of Living Adjustments (COLA) and will plan to do so for a January 1, 2021, effective date. As a result, it should be noted that, should the City not elect to apply a 2021 COLA adjustment to their current compensation model or implement the proposed compensation scale updates, current market variances, as reflected in the following table, may continue to grow.
- Many of our clients are budgeting 2021 cost of living adjustments between 1.5% – 3.0%. Examples of approved 2020 Cost of Living Adjustments, which we anticipate to be somewhat higher than 2021 approved adjustments due to COVID-19 related budget impacts, for several comparable cities are listed below.

Blaine	*3.0%*	*Mounds View*	*3.0%*

Arden Hills	*2.5%*		

Compensation Plan

During initial discussions with City leadership, it was clear that the following key strategic goals and assumptions applied:

- The City of Isanti, in anticipation of continued and significant growth over the next 5-10 years, is motivated to attract and retain qualified talent to facilitate successful City operations and leadership. In order to do this effectively, wage scales must be extremely competitive, preferably slightly above, comparable public employee market averages.
- The City is interested and open to implementing a more performance/merit based step increase award program, rather than awarding steps primarily based on length of service. This change is motivated by the desire to provide better incentives and opportunities to the City's highest performers and it is assumed that doing so would require changes and improvements to the current performance evaluation and management program.
- While employees represented by collective bargaining agreements are not subject to the City of Isanti's internal step and grade compensation program, they still have a desire to evaluate the marketability of current agreed upon wage scales.
- The current Deputy Clerk/Human Resources and Human Resources/City Clerk positions will be reallocating duties and transitioning to City Clerk and Human Resources Director positions, per approved 2020 City staffing plan.
- The current Parks, Recreation, and Culture Manager position, while still included in the study, will likely be transitioned to the Parks, Recreation, and Culture Coordinator during 2021.

The proposed compensation model reflects the following structural components:

- Step and grade model utilizes a total of 12 steps, including the start step, to achieve maximum compensation within a total of 21 grade levels.
- The first 9 steps are intended to be used as the "standard" compensation scale, to be awarded using the City's current step award process, primarily length of service and acceptable performance. The minimum and maximum pay levels for the "Standard" compensation scale are both, on average, within 2% of market minimum and maximums for each position.
- The top 3 steps of the scale are intended to be used as a 100% performance based Bonus Scale. These additional 3 steps could be used to offer compensation levels slightly above the market maximums (on average, 14% above the average market maximum) for the City's highest performers and most impactful employees. Effective implementation and management of the use of this Bonus Scale, including an effective performance management program to consistently identify and motivate high performers, is key to the success of this feature.
- The proposed scale includes a 8.50% adjustment between grades
- The Standard Scale reflects a 3.00% adjustment between steps.
- The Bonus Scale reflects a 4.25% adjustment between steps
- The range within each Standard Scale grade (Step 1 through Step 9) is 26.64%.
- The range within each Bonus Scale grade (step 9 through step 12) is 13.28%

Table 4 - Step and Grade Scale – Proposed Compensation Model

*Indicates position(s) where current rate exceeds the recommended pay scale

When comparing the proposed step and grade scale to the current pay structure, the proposed scale incorporates five (5) additional steps, including the Bonus Scale, within each grade to provide more upward wage opportunity while still aligning within market and budget considerations. The proposed compensation model also has two (2) additional grade levels compared to the existing scale and the range between grades has gone from a variable percentage rate change to a standard 8.50% change. These changes allow for increased consistency and provide additional incentive for employees who are promoted into new positions to have future advancement opportunity within the standard scale. It also expands the scale to allow for future growth.

It is important to note that most non-managerial public services and police department positions are represented by unions and would not be subject to the proposed compensation model if implemented for 2021. The information provided, however, should be useful when evaluating the marketability of current union contract negotiations and agreements.

When comparing the proposed scale to market, the proposed scale is, on average, 2% above market averages on the Minimum Salary, equal to market averages for the Standard Scale Maximum Salary, and 14% above market averages for the Bonus Scale Maximum Salary, in the top 40% of the market. If the City of Isanti proceeds with implementing a more performance driven step increase award program, leaving the Bonus Scale maximum pay step slightly above market averages should assist in retaining and motivating key performers and the talent necessary to guide the City through future growth.

In light of our comprehensive study, our recommendation would be as follows:

- Adopt the proposed step and grade plan, effective January 1, 2021, moving each individual employee to the next salary step, without a decrease in salary, and
- Utilize the step and grade scale to calculate and apply all future annual approved cost of living increases (COLA) for all positions; and
- Utilize the step and grade scale to calculate and consistently apply all future performance and/or longevity based increases (above cost of living amounts); and
- If moving to a performance/merit based step increase award program, develop and document a consistent and intentional performance management program and methodology to provide greater clarity and guidance to City Councilmembers, leadership, and employees related to when and how these increases should be approved and applied going forward.

It should also be noted that, if there were ever an instance that an employee were awarded a wage above their appropriate grade maximum step, the City should consider implementing a formal and documented longevity plan that meets the definition of exceptional service pay to accommodate these types of pay scale exceptions.

Pay Equity Compliance

The existing pay scale for the City of Isanti was tested in the Minnesota Pay Equity Compliance system and was found to be in compliance. The reports generated from the test have been included in **Appendix B** of the report

The proposed scale has also been tested in the Minnesota Pay Equity Compliance system and was found to be in compliance. The reports generated form the test have been included in **Appendix C** of the report. In addition, **Appendix D** includes a publication from the State of Minnesota providing guidance on interpreting and understanding the Minnesota Pay Equity System.

Implementation

The next step in this process is to consider implementation of the Compensation System. Before moving to this step there are several questions the Council will want to consider.

- Should the City adopt a new step and grade plan, including updated job descriptions and position point assignments for existing positions?
- What is the overall cost of implementation, assuming employees would move to the step and grade program and are placed at the step closest to, but not below, their current salary?
- If adopted, how will the existing collective bargaining agreements for the LELS and Local 49 align with the plan, if at all?
- Because the proposed compensation plan is based on 2020 wage data, will the City adopt the plan and apply a Cost of Living Adjustment (COLA) effective January 1, 2021, to ensure that the wages remain in line with the market?
- Does the City's current performance management process provide clear guidance to employees and supervisors as to how and when step increases are awarded? Is the current process what the City hopes to use going forward or are changes in philosophy and/or format expected?
- How should the City address potential future situations where individual employee longevity and/or performance warrants exceptional service pay above the maximum wage for the relevant grade?

If adopted, the proposed step and grade program would place employees at the step that is closest to their current salary, without a decrease in salary, and assumes that employees that are currently being compensated above the proposed wage scale would remain at their current rate of pay. Costs of adopting the proposed program for employees, including all union represented positions, with general increase and COLA variables, are:

Estimated Current Total Gross Payroll	Cost to Implement Proposed Step/Grade		Implement Step/Grade for 2021 with 2.0% COLA		Implement Step/Grade for 2021 with 3.0% COLA	
$ 2,394,000.00	$ 2,443,000.00		$ 2,451,900.00		$ 2,453,500.00	
	$ 49,000.00	Increase	$ 57,900.00	Increase	$ 59,500.00	Increase
	2.05%		2.42%		2.49%	

Closing

Should the City decide to move to the new step and grade plan, we recommend approval at a regular meeting of the City Council.

AEM Workforce Solutions, LLC would like to thank the City of Isanti for the opportunity to prepare and present this Position Classification and Compensation Analysis. We would especially like to thank the leadership team for their assistance in providing the necessary data to conduct the study.

A Community For Generations.

MEMORANDUM

Date: November 9, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) **6th Avenue Rehabilitation**

All street work is complete. Final signage and punchlist items will be completed this month.

2) **TH 65 & Cajima Street RCUT Improvements**

This project is complete. Final closeout paperwork will be processed this month.

3) **2020 Pavement Management Project**

This project is complete. Final closeout paperwork will be processed this month.

4) **2020 Storm System Management Project**

This project is complete. Final closeout paperwork is also complete.

5) **Legacy Pines 2nd Addition**

Minor Punchlist Items will be addressed this month.

6) **Legacy Pines 3rd Addition – Phase 1**

The roadway surface is paved. The contractor will adjust manhole casting this week.

7) **Legacy Pines 3rd Addition – Phase 2**

The roadway surface is paved. The contractor will adjust manhole casting this week.

8) **MS4 Implementation**

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer

AGENDA
CITY OF ISANTI
CITY COUNCIL MEETING
TUESDAY, DECEMBER 1, 2020 – 7:00 P.M.
CITY HALL

Pursuant to Minn Statute 13D.02, the public body has determined that the Isanti City Council will not be able to hold the meeting in person due to the pandemic COVID-19. Pursuant to Minn Statute 13D.021, The Isanti City Council will be holding the City Council meeting via telephone, by using Zoom.

The public can comment at the City Council meeting by visiting this website:
https://zoom.us/j/94946586118?pwd=TUlrYmlhdEdyRkJUcWZ3UHc2R25qZz09

or by calling into this number +1 312 626 6799 US with this meeting ID: 949 4658 6118 and passcode 023560

None

J. Public Hearings
None

K. Business Items
Finance Director Mike Betker
1. **Resolution 2020-203** Approving Certification of Delinquent Charges for City Services Collectible in 2021
Finance Director, Mike Betker, shared that this is the annual assessment for delinquent utilities and this year is a longer list and a higher dollar amount than in the past due to no shutoffs and penalty fees. Betker shared that even if council approves the list for certification payable in 2021, a fair number of people will pay theirs before it

goes to the County or before the end of the year. He will update the County and the charges would not show up on their property tax statement.

Motion by Lundeen, second by Lundeen to approve resolution as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

2. Sale of EDA and City Land PID 16.029.1400 and 16.053.0151 to UPS

Community Development Director, Sheila Sellman, shared that the Economic Development Authority (EDA) reviewed the purchase agreement at their last meeting and recommended approval. Per the City Attorney, the City is looking to sell two parcels of land to UPS so they can expand. During that process, EDA will need to deed land to the City and the City will do the land combination with UPS and sell it to them for their expansion.

Motion by Lundeen, second by Bergley to approve the sale of EDA and City land PID 16.029.1400 and 16.053.0151 to UPS. Motion passed 4-0. Motion carried. (Councilmember Collison exited room prior to Council action)

City Engineer Jason Cook

3. Liquor Store Engineering & Architectural Services Proposal

City Engineer Jason Cook shared that this is the next step in the Liquor Store process now that the land is purchased and it has began being surveyed. This proposal is for the site design and construction of the new store at 10- 6th Avenue SE. Bolten & Menk proposes for them to perform the site design, project management, construction surveying and construction inspection needed to facilitate the completion of the proposed parking lot and utility extension for the new liquor store. Cook further shared at the last meeting it was discussed to have a pitched roof and the cost estimate from Brunton Architects for a pitched roof is roughly $150,000, but with a pitch the HVAC system cannot sit on the roof and has to move into the building and changes the site and all the engineering that goes with it is for an approximate $250,000-$300,000.

Councilmember Lundeen addressed his concerns regarding a flat roof in Minnesota. He also addressed his concern for the cost regarding the HVAC being put in a different location other than the roof due to a pitched roof.

Councilmember Collison stated that in the cities they put HVAC systems on the roof to reduce theft but he did not see the need for that in Isanti.

Motion by Lundeen, second by Collison to postpone to December 1st meeting for further discussion and for Bolten-Menk to bring proposal for RFP to the December 1st meeting. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $466,656.57 Payroll in the Amount of $116,584.10
2. **Resolution 2020-204** Approving the Engagement Letter for the 2020 Audit
3. **Resolution 2020-205** Offering the Position of Part-Time Liquor Store Clerk to Jennafer Horgen
4. **Resolution 2020-206** Approval of Promotion for Liquor Store Clerk III to Christy Bonczek
5. Accepting 2020 Position Classification and Compensation Study Report Presented 11.4.2020

Motion by Lundeen, second by Bergley to approve the consent agenda as presented. Motion passed 5-0. Motion carried.

CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, NOVEMBER 17, 2020 – 5:00 P.M.
CITY HALL

This meeting was held virtually via Zoom.

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (via telephone), Steve Lundeen and Dan Collison

Members Absent: None

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Community Development Director Sheila Sellman, Chief of Police Travis Muyres, Liquor Store Manager John Jacobi and Parks, Recreation and Culture Board Manager Jenny Garvey

D. Public Comment

E. Committee Meeting Items

1. Liquor Updates
   - Gross profit for the months of August through October was approximately 27.23% sales during the same time frame have been continually above 30%. Sales have been over $300,000 every month since March.
   - Liquor Store Manager John Jacobi completed 6 years on the MMBA Board of Directors and 5 years as Vice President of the MMBA, John Jacobi has developed some great relationships with many stores.
   - Personal goals for 2020-2021 are as follows:
     - Continue working through wines, liquor and mixes that are not selling or out of stock and introduce new lines that have better movement.
     - Pull up movement reports and weed out slow sellers.
     - Plan for a larger online presence getting more involved with promotion and online email blasts.
     - Keep a consistent gross profit above 24% and continue to monitor monthly.
     - Plan to conduct online ordering for curbside ordering for curbside pickup abilities for the future location.
     - Work withy committee on Fall/ Holiday Tasting Events and continue doing an in-store tasting the first three Thursdays in October post Covid.
     - Conduct a wine and food pairing training for all employees post Covid.
     - Develop a "Holiday Focus Wine List" for employees to help customers with food and wine pairings.

- Plan on utilizing beer tastings with breweries to help promote new local craft beers post Covid.
- Plan and direct Full-Time department responsibilities utilizing department assignments for 2 Full-Time positions.
- Continue to run an ad in the Scotsman every month for 2021.
- Continue the Facebook page for the liquor store with some boosting opportunities in 2021.

- The MMBA Food Drive ran through the month of October. Customers donated over $200 in cash. Which will be donated to Family Pathways of Isanti County.

2. Proposed 2021 Fee Schedule Changes

- Highlighted changes to the fee schedule include:
  - Flat fees for deck permit and lower level finishes with deck a $300 flat fee and basement finish a $300 flat fee as well.
  - No investigation fee for a Non-profit Peddler's Permit.
  - No fee for a Non-profit Administrative Permit.
  - Councilmember $50 compensation per meeting and board member $25 compensation per meeting per.

3. Proposed 2021 Budget Updates

- The Isanti City Council approved the 2021 preliminary budget on September 1st, 2020. Since then a number of items have warranted further review and consideration. Changes recommended by the Committee will be represented in the 2021 final budget to be considered by the Council on December 1st, 2020.
- The following proposed changes have been broken down into two broad categories. The first is compensation related. These changes include proposed implementation of the compensation study and also hiring a Building Official and ending the contract with MNSpect.
- The second category is simply all other budget related items.
- Highlighted changes to the proposed budget include:
  - The second category is simply all other budget related items.
  - Portable radios will be taken off of the Capital Improvements plan for next year as Covid funds has allowed for them to be purchased. It will stay on the rotation so it is scheduled for its purchase at the end of its life cycle.
  - Towns Edge Road and Isanti Hills will be moved to 2026 and 2025.
  - Increase budget of $44,000 for Stormwater Maintenance Program.
  - Water Meter Network Infrastructure and Water Meter Radios on the existing meters to 2022.
  - Take out all of the old water meters in 2028.

4. Ordinance Drafts for Discussion and Consideration

- Chapter 284 Streets and Sidewalks proposed changes include:
  - Removal of the language referring to an official map as there is no official map. There is City maps such as streets map and addressing map that is updated by the Community Development Director or designee but no official map.

- Placement of numbers on buildings has been changed reflect fire code as the numbers were not large enough.
- Address numbers have been updated due to typos.
- Adding language to what the practice is for damaged sidewalks.
- Snow Removal section has been reevaluated for all chapters to say the same thing where Public Works does it then the resident needs to do it and also have align with Chapter 216, Nuisances.
- Materials on streets, alleys, sidewalks, or public way has language removed and simply references Chapter 216.

- Chapter 227 Parking and Storage proposed changes include:
  - Adjustments to definitions within the chapter.
  - Add parking along the East side of 9th Avenue from 8th Ave NE extending South 500 feet.
  - Add parking along both sides of 8th Avenue NE extending South from Heritage Blvd NE to the intersection of 8th Ave NE and 9th Ave NE
  - Add parking along both sides of 8th Avenue NE extending 300 feet Southwest from intersection of 9th.
  - Add Parking along the West side of 3rd Avenue NW extending 170 feet North from Heritage Blvd NW continuing along the West side of 3rd Avenue NW 550 feet North between the hours of 3:15 and 4:15 Monday thru Friday.
  - Add parking along the east side of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW.
  - Add Section 2, number 10 to include no motorized vehicle permitted to stay stationary on street, roadway or in a municipal parking lot for more than 7 consecutive days without prior approval from the City Administrator or Police Chief or designee.
- Chapter 270 Snowmobiles and Special Vehicles
  - Current Ordinance states that operation can only be done on private property with permission.
  - Recommendation from Committee is to include language to allow for snowmobiles to go to and from trails on roadways.
- Recommendation from Committee is to bring all 3 Ordinances back to Committee of the Whole with changes for further discussion.

5. Discussion on Isanti Community Center Phone

- The Isanti Community Center has a landline phone that is located in the kitchen. This phone is used for Senior Dining Program that is run by Catholic Charities.
- Catholic Charities advertises for people to call Monday-Friday 10:30 a.m.-1:30 p.m., however the phone rings at all hours of the day.
- The phone will ring during other renters' events and staff has received complaints.
- The phone line does have to remain for the fire system, but it does not need to be a line that rings out via a phone.
- With advanced technology and cell phones, this would be an alternative for Catholic Charities to have for their needs.
- The needs of the facility do not warrant a public phone to use.

- If the public phone does stay, Catholic Charities is requesting to place a phone with an answering machine in the kitchen. This will not eliminate the phone from ringing during any renters' event, this will only allow their staff to get messages from their users.
- Another alternative option would be to have their users call Catholic Charities phone number and they can relay the message to their own employees.
- Recommendation from Committee is to remove phone and transfer phone number to Catholic Charities.

6. Goal Setting
- Consensus from Committee is to have goal setting within the January Committee of the Whole meeting.

PLANNING COMMISSION MEETING

TUESDAY, October 20, 2020

Immediately following the 7:00 P.M City Council Meeting;

1. **Meeting Opening**
   - A. Call to Order: Chair Johnson called the meeting to order at 7:15 p.m.
   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon.
     Members Absent: Dan Collison, Alexander Collins
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis, City Engineer Jason Cook
   - D. Agenda Modifications: None

2. **Meeting Minutes**

   A. Approval of Minutes from October 20, 2020 Planning Commission Meeting motion by Bergley, second by Collison motion passes 5-0.

3. **Public Hearing**

   A. Ordinance Amending the City Code, Chapter 253 Rental Dwellings. Saltis explained that the rental dwelling section of City Code needs to be amended to update residency requirements and introduce fees for late submitted rental paperwork. Currently the code restricts owners of rental properties or their agents to reside in adjacent counties to Isanti County. This requirement is proposed to be removed to allow owners, landlords and agents to reside wherever. The advancements of technology and availability of local contractors make it easy to maintain a rental property remotely. The next amendment to the rental dwelling section involved introducing fees for rental paperwork submitted past deadlines. Currently in code, there are no late fees for submitting rental license renewal applications past the deadline, and it is proposed to add these fees to enforce a penalty for late submissions of paperwork. No one from the public was present to speak at the public hearing. The Planning Commission recommended approval of the ordinance amendments. Motion for approval of the ordinance amendments by Lundeen, 2nd by Gordon, motion passed 5-0.

   B. Ordinance Amending the City Zoning Code, Chapter 536 Subdivision. Sellman explained that the Subdivision ordinance should be amended to reflect current positions held by city staff. This would remove the language "City Planner and Zoning Administrator" and replace it with "Community Development Director or designee". The final plats for subdivisions should only be reviewed by the City Council for approval, as the ordinance currently states that the Planning

Commission has to review final plats, which delays the approval process by one month. No one from the public was present to speak at the public hearing. Motion for approval to amend the Subdivision ordinance by Bergley, 2nd by Lundeen, motion passed 5-0.

4. **Other Business:** None

5. **Discussion Item:** Concept Plan. Sellman introduced a concept plan for a possible development located on County Rd 5 that would accommodate home buyers at all stages of life. The lot breakdown as well as current and future zoning of the parcels was discussed. Jay Roos from Paxmar Land Development was present at the meeting and spoke on behalf of the project. The planning commission asked questions to the developer regarding the project and seemed open to allowing for the future land use for the parcels to change from commercial to residential.

6. **Adjournment:** Motion by Lundeen, 2nd by Bergley to adjourn, motion passed 5-0 meeting adjourned at 7:31 p.m.

Respectfully submitted by Ryan Saltis, Community Development Specialist

A Community For Generations.

MEMO

To: **Mayor Johnson & City Council Members**

From: Finance Director Betker

Date: December 1, 2020

Subject: 2021 Final Budget and Levy Adoption

Background:

The proposed final property tax levy is $3,025,763 and reflects an increase in the taxable market value for 2021 of 12.03%.

The proposed final property tax rate is 61.18%. An increase of 0.0% from 2020 and a decrease of 28.81% from the 2017 tax rate of 85.93%. The 15-year average tax rate from 2006 thru 2020 is 67.63%

General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures thru October, actual maintenance agreements and contracted costs. All wages include a 3% COLA for 2021 and include the necessary step increases, where applicable. Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2020 and any necessary inflationary factor was applied. Health Insurance premiums increased, depending on plan structure, between 13.6% and 14.3%.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: December 1st 2020
Subject: Debt Levy Variance from Original Bond Register

Background:

At its September 1st 2020 meeting the Isanti City Council approved the preliminary levies payable in 2021. Debt levies for two bond issues; 2010B and 2011A, were approved at levels that varied from the amounts detailed in the original bond documents. The two bond issues, the originally scheduled levy for 2021 and actual certified levy for 2021 are shown below.

BOND ISSUES	ORIGINAL PRINCIPAL	DATE ISSUED	ORIGINAL 2021 DEBT LEVY	CERTIFIED 2021 DEBT LEVY	AMOUNT OF VARIANCE FROM ORIGINAL SCHEDULE
2010B GO Imp. Bonds	$ 1,825,000	12/1/2010	$ 205,884	$ -0-	$ (205,884)
2011A GO Imp. Bonds	$ 790,000	9/6/2011	$ 53,040	$ 9,367	$ (43,673)

County auditors are required to maintain bond registers that have information relating to any bonded debt issued by local taxing authorities in the county (Minnesota Statutes 475.62). For bonds that have tax levies pledged for payment of all or part of the debt, the county auditor must certify that the debt has been entered in the bond register and that any required tax levies have been made (Minnesota Statutes 475.63). It is the responsibility of the county auditor to make sure that debt levies as noted in the original bond resolution are made according to the levy schedule (Minnesota Statutes 475.64). If the municipality fails to make the needed debt service levy and has not provided a resolution to reduce/increase the levy as provided in statute, the county auditor has the obligation of making the levy for debt service.

To reduce/increase the debt levy, the taxing authority must certify that they are making an irrevocable appropriation of funds actually on hand to the debt service account or that there exists excess funds in the debt service account for payment of the debt (Minnesota Statutes 475.61, subd. 3). The certification should take the form of a resolution appropriating the funds and reducing/increasing the debt levy. The funds must already be on hand, it is not sufficient to anticipate receiving funds in the future.

Both levy amounts were the recommendation of a 2014/2015 Debt Service Financial Analysis by Northland Securities Inc. approved by resolution 2013-149.

Action Required:

Consider attached resolutions that will bring the City of Isanti into compliance with State Statutes 475.61, subd. 3 thru 475.64.

RESOLUTION NO. 2020-XXX

REDUCING DEBT LEVY REQUIREMENTS FOR GENERAL OBLIGATION IMPROVEMENT BONDS; 2010B

WHEREAS, the City of Isanti approved the issuance General Obligation Improvement Bonds; 2010B on December 1st, 2010 in the amount of $1,825,000; and,

WHEREAS, Isanti County has a schedule of bonded debt levy payments on file for the City of Isanti for 2010B General Obligation Bonds in the amount of $205,884; and,

WHEREAS, Resolution 2013-149 approved financial planning services from Northland Securities, Inc; and,

WHEREAS, the scheduled debt levy for taxes payable in 2021 for the 2010B General Obligation Bonds was recommended in the amount of $0.00.

WHEREAS, the City of Isanti has sufficient cash funds to pay the bonded debt due in 2021.

NOW THEREFORE BE IT RESOLVED BY THE City Council of the City of Isanti, Minnesota to reduce the scheduled debt levy for taxes payable in 2021 for the 2010B General Obligation Bonds to $0.00.

This resolution is duly adopted by the Isanti City Council this 1st day of December 2020.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020- XXX Trails, Amending Chapter 300

Background:

Chapter 300, Trails, has been drafted as an amendment with minor changes. The changes included bituminous trails will be plowed when snow is more than 2 inches per the Snow Policy and other minor revisions to clarify the chapter intent.

The Ordinance has been posted for the required 10- day notice period.

ORDINANCE NO._____

AN ORDINANCE AMENDING ORDINANCE NO. 273, ADOPTED ON NOVEMBER 6, 2002 AND ORDINANCE NO. 341, ADOPTED ON MAY 3, 2005 AND ORDINANCE NO. 524, ADOPTED ON FEBRUARY 8, 2012 AND TITLED TRAILS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 273, Ordinance 341, Ordinance 524, Ordinance codified in Chapter 300 of the City Code, are hereby amended as follows:

Chapter 300

TRAILS

§ 300-1. **Purpose.**

§ 300-2. **Trail location.**

§ 300-3. **Snow removal on trails.**

§ 300-4. **Construction.**

§ 300-4. **Motorized transportation prohibited.**

§ 300-5. **Cambridge-Isanti Bike/Walk Trail.**

§ 300-6. **Violations and penalties.**

§ 300-1. Purpose.

The purpose of this chapter is to ensure the proper location, construction, operation, and maintenance of both City and regional trails. This will allow our citizens the ability to walk, bicycle, and other means of nonmotorized use to go from place to place within the City and region. We recognize the importance of trails in and around our City for the safety of our citizens, the health of our citizens, and for the betterment of our community.

§ 300-2. Trail location.

Trails shall be placed as shown on the most current Trail Map. City staff can modify the location of trails to the other side of the roadway in order to promote contiguous nonmotorized movement. All new subdivisions/ developments are expected to install trails, at the developer's expense. Trails may be located in any zone.

§ 300-3. Snow removal on trails.

Snow removal on bituminous trails is the responsibility of the City Public Works Department. It is understood that snow removal along these routes does not take precedence to snow removal along streets. Trails will be plowed when snow is more than two (2) inches and in accordance with the City's Snow Plowing Policy by Resolution. Earthen, woodchip or gravel trails will not have snow removal.

§ 300-4. Construction.

A. Trails shall be at least eight feet wide.

B. Trails must be constructed of ~~portland~~ concrete or bituminous. In some instances, the City may allow for a wood chip trail especially along environmentally sensitive areas. Trails

through wetlands may be constructed to boardwalk/bogwalk requirements as indicated in the City Engineering standards in lieu of filling in wetlands or wetland mitigation.

C. Trails shall be constructed as the City Engineer dictates.

D. Concrete pedestrian curb ramps ~~for the handicapped~~ per ADA compliance shall be installed on all street corners according to MNDOT and City Engineer specifications.

E. The City Engineer and/or Building Official, or their designee, shall ~~must~~ inspect trail construction.

F. All materials, workmanship, and details of the construction of trails on the public rights-of-way of the City shall be in accordance with the current city engineering standards.~~plans and specifications of the Public Services Works Director or assigned personnel.~~

§ 300-5. Motorized transportation prohibited.

Due to the wear on the trail, ~~and the~~ noise they make, and dangers they induce to bikers and walkers, no motorized vehicles are allowed on City trails, such as, ~~to adjoining property owners, no~~ mopeds, four-wheelers, snowmobiles, motorcycles or similar types of motorized transportation. ~~are allowed on City trails~~. This does not refer to designated four-wheel or snowmobile trail routes on City streets.

§ 300-6. Cambridge-Isanti Bike/Walk Trail.

The implementation and enforcement of rules and regulations governing the use of the Cambridge-Isanti Bike/Walk Trail shall apply as approved by resolution of the City Council, as amended from time to time.

§ 300-7. Violations and penalties.

Violators of this chapter shall be guilty of a misdemeanor punishable by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 2 -Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this ___day of _____, 2020.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020-XXX Parks and Recreation Areas, Repealing and Replacing Chapter 230

Background:

Chapter 230, Parks and Recreation Areas, has been drafted as a repeal and replacement. The following significant changes are included in the draft:

- Include Sledding Hill rules.
- Simplify the Chapter to have one section on "Purpose; applicability", "Violations" and "Enforcement".
- Include language regarding special event permits.
- Include language for geocaching.
- Include language for not golfing in park areas.
- Include language for not interfering with games/recreation.
- Include language for not camping unless permitted with a permit.
- Include language for not destroying trees or plantings.
- Include language for not removing wood unless permitted by CA or designee.

The Ordinance has been posted for the required 10- day notice period.

ORDINANCE NO._____

AN ORDINANCE AMENDING ORDINANCE NO. 227, ADOPTED ON MARCH 4, 2003 AND ORDINANCE NO. 313, ADOPTED ON APRIL 6, 2004 AND ORDINANCE NO. 602, ADOPTED ON APRIL 21, 2015 AND ORDINANCE NO. 701, ADOPTED ON MAY 7, 2019 AND TITLED PARKS AND RECREATION AREAS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Repealer. Ordinances 273, 341, and 524, titled Parks and Recreation Areas, codified in Chapter 230 of the City Code, are hereby repealed in their entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 230 is hereby adopted:

Chapter 230
Parks and Recreation Areas

§ 230-1. **Purpose; applicability.**
§ 230-2. **Park rules and regulations.**
§ 230-3. **Dog park rules and regulations.**
§ 230-4. **Skatepark rules and regulations.**
§ 230-5. **Pleasure rink rules and regulations.**
§ 230-6. **Sledding hill rules and regulations.**
§ 230-7. **Violations.**
§ 230-8. **Enforcement.**

§ 230-1 Purpose; applicability.

A. The purpose of this chapter is to ensure the safety of people using the park system and their amenities.

B. This article shall apply to all park and recreation areas controlled by the City of Isanti.

§ 230-2 Park rules and regulations.

A. There shall be no alcoholic beverages, unless otherwise permitted by the City Clerk through the City Council of Isanti.

B. No littering. All refuse and trash related to park use shall be placed in trash and recycle receptacles; provided, however, that residential, commercial, or construction trash or debris shall in no event be placed in such receptacles.

C. There shall be no use of vehicles except on park roads unless otherwise authorized.

D. Pets must be leashed and in compliance with Chapter 87-4.

E. All pet owners are responsible for the proper disposal of pet waste.

F. In any park and recreation area, including trails, it shall be unlawful for any person, firm, company, or corporation to use any restroom in any park in other than a clean and sanitary manner.

G. A permit is required if a person wants the exclusive use of a specific area, building, shelter, other park

facility or for a special event. Any person with a permit must follow rules and regulations within this Chapter as well as any special conditions listed on the permit.

H. Disturbing, harassing or interfering with any person in possession of a valid permit is prohibited.

I. A permit is required for the use of tents, large canopies, inflatables, large games and rides, dunk tanks, etc in park areas.

J. Registration is required for all caches placed in City parks related to a geocaching program.

K. Park hours are 7:00 a.m. to 10:00 p.m. unless posted otherwise.

L. In any park and recreation area, including trails, it shall be unlawful for any person, firm, company, or corporation to:

(1) Possess or discharge firearms, air rifles, BB guns, sling shots, bows and arrows, other weapons, explosives or fireworks.

(2) Be present in a park or recreation area after 10:00 p.m. or before 7:00 a.m. on any day unless permitted through a special event permit issued by City Council.

(3) Camp in, or erect, a tent or other structure, unless permitted through a special event permit issued by the City Council.

(4) Bring in, dump, deposit, leave in or on, or burn on any park land or water or water contiguous to any park any glass bottles, broken glass, discarded vegetation, trash, waste, rubbish, etc.

(5) Advertise, sell or attempt to sell, or solicit for private gain or cause, or operate non-authorized commercial operations without the City's approval.

(6) Start or maintain a fire, except in grills provided as part of the park facility, unless permitted for a city sponsored event approved through City Council. A person responsible for a fire must safely and completely extinguish the fire before leaving.

(7) Possess controlled substances.

(8) Engage in offensive, obscene, or abusive language, or in boisterous or noisy conduct tending reasonably to arouse alarm, anger or resentment in others; or to engage in brawling or fighting; or to engage in conduct creating or tending to create a disturbance or annoyance to other park users, or that interferes with their use or enjoyment of park lands and waters.

(9) Remove, break, destroy, injure, mutilate, deface or in any way damage any structure, monument, fence, flagpole, vehicle, bench, natural growth, ruin, relic, geological formation, or any other City of Isanti park property located in or on City of Isanti parks and park system.

(10) Not clean up after pets.

(11) Injure, molest, pursue or endanger wildlife on any park land and park system land in the City of Isanti.

(12) Hunt or trap on any park land owned by the City of Isanti.

(13) Use of recreational vehicles, including, but not limited to, all-terrain vehicles, snowmobiles, and motorcycles, on parks or park system land.

(14) Non- motorized bicycles in park areas or trails, natural or paved, that are not signed as permitted.

(15) Use a golf club to hit, drive, or otherwise propel a golf ball or other object into or onto City park land.

(16) Interfere with the orderly conduct of games or other recreational activity in a park or park facility.

(17) Overnight parking unless permitted by the City Administrator or designee.

(18) Disturbing, damaging, or destroying any trees or planted areas.

(19) Removal of wood from natural park areas unless permitted by the City Administrator or designee.

(20) Park on grass or other non-designated parking areas unless requested and approved for special events.

§ 230-3 **Skatepark rules and regulations.**

A. Helmets are required to be worn at all times in the skatepark.

B. Knee and elbow pads are suggested to be worn at all times in the skatepark.

C. Altering of skatepark ramps or equipment is prohibited.

D. No bikes are allowed in the skatepark.

E. Users assume risk of injury

F. All other rules for park and recreation areas in the City apply to the skatepark facility.

§ 230-4 **Dog park rules and regulations.**

A. Dog park hours are 7:00 a.m. to 10:00 p.m.

B. Dogs must be in visual sight and voice control of their handler or owner at all times.

C. All pet waste must be cleaned up and disposed of in designated waste receptacles.

D. Dogs must be on leash when entering or exiting the fenced dog park facility.

E. No aggressive dogs are allowed in the dog park facility. At first sign of aggression, dogs must be leashed and removed.

F. Declared dangerous dogs are not allowed in the dog park facility.

G. Female dogs in heat and dogs under the age of four months are prohibited from the dog park facility.

H. Users of the dog park facility do so at their and their dog's own risk. The City is not responsible for any injury or damage caused by or to a person or their dog in the off-leash area.

I. The limit for dogs under one handler or owner is three dogs for each visit or use of the dog park facility.

J. All children under the age of 14 shall be supervised by an adult.

K. All personal property brought in the dog park facility shall be removed when the handler or owner has completed their visit or usage. In no case shall the personal property remain on site for over one day and must be removed by park closure at 10:00 p.m. that day.

L. Dogs are not permitted to dig or otherwise damage the dog park facility. Dogs identified performing this damage shall be prohibited from using the dog park facility.

M. All other rules for park and recreation areas in the City apply to the dog park facility.

§ 230-5 **Outdoor pleasure rink rules and regulations.**

A. Outdoor Pleasure rink hours are 7:00 a.m. to 10:00 p.m.

B. No offensive, obscene or abusive language.

C. No abusive behavior either verbal or physical.

D. No hockey or broomball while people are open skating.

E. No bikes, sleds, cars, or snowmobiles on the ice.

F. No fighting or snowball throwing.

G. No pushing other skaters.

H. Users assume risk of injury.

§ 230-6 **Sledding hill rules and regulations.**

A. Users assume risk of injury

B. Adults must supervise children

C. Use caution

D. Be considerate of others

E. Do not sled when icy

F. Do not alter sledding hill

G. Sled in designated areas only

§ 230 **Violations.**

Violators of this chapter shall be guilty of a misdemeanor.

§ 230-12 **Enforcement.**

A. The City Administrator and his/her designees may, in connection with their duties imposed by law, enforce the provisions of this chapter, and the City Administrator or his/her designees shall have the authority to:

(1) Eject from any park a person acting in violation of this chapter. In addition to immediate removal from a park following a chapter violation, the City Administrator or his/her designee may continually exclude

such person(s) from any or all City of Isanti park and park system areas.

(2) Seize and confiscate any property, animal, thing or device in any park used in violation of any of the provision in this chapter.

B. The City Administrator or his/her designees are specifically authorized to issue administrative citations, and City of Isanti Peace Officers may issue citations for violations of this chapter.

Section 3 -Effective Date.
This ordinance shall take effect upon its passage and publication in the official City newspaper.
Adopted by the City Council this ___day of _____, 2020.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020 - XXX Administrative Penalties, Amending City Code Chapter 65

Background:

Ordinances 576, 690, 705, codified in Chapter 65 of the City Code were amended to clarify the process and to be in compliance with State Laws.

The Ordinance has been posted for the required 10- day notice period.

Request:
Staff is requesting action on this item.

Attachment:

- Ordinance 2020-XXX Administrative Penalties

ORDINANCE NO. _____

AN ORDINANCE AMENDING ORDINANCE NO. 576, ADOPTED ON APRIL 16, 2014 AND ORDINANCE NO. 690, ADOPTED ON JUNE 5, 2018 AND ORDINANCE NO. 705, ADOPTED ON JUNE 4, 2019 AND TITLED ADMINISTRATIVE PENALTIES

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 576, Ordinance 690 and Ordinance 705, codified in Chapter 65 of the City Code, are hereby amended as follows:

Chapter 65

ADMINISTRATIVE PENALTIES

§66-1 Purpose
§65-2 Alternative methods of Enforcement
§65-3 General Provisions
§65-4 Authority to issue order to correct letters and administrative citations
§65-5 Administrative citations
§65-6 Administrative hearing
§65-7 Recovery of civil penalties

65-1. Purpose.
The City Council determined that there is a need for alternative methods of enforcing the City Code. While criminal fines and penalties have been the most frequent enforcement mechanism, there are certain negative consequences for both the City and the accused. The delay inherent in that system does not ensure prompt resolution. Citizens resent being labeled as criminals for violations of administrative regulations. The higher burden of proof and the potential of incarceration do not appear appropriate for most administrative violations. Accordingly, the City Council finds the use of administrative citations and the imposition of civil penalties a legitimate and necessary alternative method of enforcement. This method of enforcement is in addition to any other legal remedy that may be pursued for City Code violations.

65-2. Alternative methods of enforcement.

A. The administrative hearing process provided for within this Article shall be in addition to any other legal or equitable remedy available to the City for City Code violations.

B. The City may initiate a civil enforcement action to obtain code compliance before, during or after an administrative enforcement proceeding.

C. If the final adjudication in the administrative penalty procedure is a finding of no violation, then the City may not prosecute a criminal violation in district court based on the same set of facts. This does not preclude the City from pursuing an administrative penalty or a criminal conviction for a violation of the same provision of the City Code based on a different set of facts. A different date of violation shall constitute a different set of facts and a separate offense.

65-3. General provisions.

A. A violation of a provision of the City Code or a violation of the terms and conditions of a City approval, including permits and licenses, required and granted under this Code is an

administrative offense that may be subject to an administrative citation and civil penalties. Each day a violation exists constitutes a separate offense.

B. An offense may be subject to a civil penalty not exceeding one thousand ($1,000) dollars per separate offense.

C. The City Council will adopt by Ordinance a schedule of penalties for offenses initiated by administrative citations. The City Council is not bound by the schedule when a matter is appealed to it for administrative review.

D. The City Council may adopt a schedule of fees to be paid to administrative hearing officers for their services.

65-4. Authority to issue order to correct letters and administrative citations.
The following City employees and agents are authorized to issue compliance letters and administrative citations for violation of the City Code and other associated Ordinances:

A. Licensed peace officers of the Isanti Police Department;

B. Reserve Officers of the Isanti Police Department;

C. Community Development Director;

D. Community Development Specialist;

E. Animal Control Officer;

F. Building Official;

G. MS4 Technician; or

H. Community Service Officer.

65-5. Administrative citations.

A. A person authorized to enforce provisions of the City Code may issue an administrative citation upon belief that a code violation has occurred. The citation must be issued in person or by first class mail to the person responsible for the violation. The citation must state the date, time, and nature of the offense, the identity of the person issuing the citation, the amount of the scheduled fine, and the manner for paying the fine or appealing the citation. The administrative citation shall be deemed served upon deposit in the U.S. mail to the address of the violator. A certificate of service shall be completed by the official issuing the citation. If the City seeks to impose more than one fine for a continuing violation, a separate citation shall be issued for each violation date.

B. The person responsible for the violation must either pay the scheduled fine or request a hearing within ten (10) calendar days after issuance of the citation. Payment of the fine constitutes admission of the violation. A late payment fee of ten (10%) percent of the scheduled fine amount will be imposed. The fines may be rescinded if compliance is achieved by the compliance date provided.

C. A hearing request must be made in writing and executed by the property owner or person with an ownership interest in the property. It must minimally state the name and mailing address of that person, the person's relationship to the property involved, and a brief statement why the citation is in error and a hearing is being requested. A filing fee, as set forth in the City Fee Schedule,

shall accompany the application. The application is not valid unless the fee is paid. The filing fee is non-refundable.

D. A property owner may request an extension to come into compliance, which may be granted or denied by the City. If an extension to come into compliance is requested and granted, and the property owner does not come into compliance by the extension date, the administrative fine imposed with the citation for the violation shall not be rescinded. Additionally, a request for an extension to the compliance deadline shall constitute an admission to the violation, and a waiver of a right to request a hearing under subpart C above.

65-6. Administrative hearing.

A. The hearing officer shall be a neutral third party appointed by the City Council. The hearing officer is authorized to hear and determine any controversy relating to administrative offenses of the City Code.

B. Notice of the hearing must be served in person or by mail to the person responsible for the violation at least ten (10) calendar days in advance of the hearing, unless a shorter time is accepted by all parties.

C. The hearing officer shall conduct an informal hearing to determine if a violation occurred. The hearing may be recorded but official minutes of the proceeding will not be taken. At the hearing, the parties will have the opportunity to present testimony and question any witnesses, but strict rules of evidence will not apply. The hearing officer must receive testimony and exhibits. The officer must receive and give weight to evidence, including hearsay evidence, which possesses probative value commonly accepted by reasonable and prudent people in the conduct of affairs.

D. The hearing officer has the authority to determine that a violation occurred, to dismiss a citation, to impose or modify (increase or decrease) the scheduled fine, and to modify, stay, or waive a scheduled fine either unconditionally or upon compliance with appropriate conditions. When imposing a penalty for a violation, the hearing officer may consider any or all of the following factors:

1. The duration of the violation;
2. The frequency or reoccurrence of the violation;
3. The history of the violation;
4. The seriousness of the violation;
5. The violator's conduct after issuance of the notice of hearing;
6. The good faith effort by the violator to comply;
7. The economic impact of the penalty on the violator;
8. The impact of the violation upon the community; and
9. Any other factors appropriate to a just result.

E. The hearing officer's decision and supporting reasons are final and as practically as possible be provided in writing to both parties within ten (10) days of the hearing. Any fines or penalties imposed must be paid no later than ten (10) days of the date of the Hearing Officer's order.

F. The failure to attend the hearing constitutes a waiver of the violator's rights to an administrative hearing and an admission of the violation. A hearing officer may waive this result upon good cause shown. Examples of "good cause" are death or incapacitating illness of the accused; a court order requiring the accused to appear for another hearing at the same time; and lack of proper service of the citation or notice of the hearing. "Good cause" does not include forgetfulness and intentional delay.

65-7. Recovery of civil penalties.

A. If a civil penalty is not paid within the time specified, it constitutes:

1. A personal obligation of the violator in all cases;

2. An obligation of the person or business conducting an activity on the property if the violation relates to that activity;

3. An obligation of the owner of the property on which the violation occurred; and

4. A lien upon the real property upon which the violation occurred, if the property owner was found responsible for that violation and the lien can be assessed under Minnesota Statutes 429.101, as amended from time to time. Prior to assessing the lien against the property, the City must attempt to obtain voluntary payment of the administrative penalty and provide the property owner listed on the tax record with notice and an opportunity to be heard.

B. The personal obligation or lien may include the administrative, collection agency and legal costs incurred by the City in connection with collecting the unpaid administrative penalty.

C. A personal obligation may be collected by any appropriate legal means, including use of a collection agency.

D. A late payment fee of ten (10%) percent of the fine will be assessed for each thirty (30) day period, or part thereof, that the fine remains unpaid after the due date.

E. During the time that a civil penalty remains unpaid, no City approval will be granted for a license, permit, or other City approval sought after by the violator or for the property.

F. Failure to pay a fine is grounds for suspending, revoking, denying, or not renewing a license or permit associated with the violation.

G. The City reserves the authority to use the abatement process as outlined within Chapter 216 Nuisances, in lieu of or in addition to the process outlined within this Chapter.

H. In the event of unpaid civil penalties, the City reserves the right to pursue a criminal penalty under the applicable section of the City Code.

EFFECTIVE DATE

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this ___day of _____, 2020.

MEMO for Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020- XXX Public nuisances affecting, peace, safety and general welfare, Repealing and Replacing Chapter 216

Staff has drafted changes they are recommending to Chapter 216 to be consistent with the League's model policy, policies that were previously adopted by Resolution and for Code Enforcement to have more definition of what is considered a nuisance violation.

Significant changes include:

- Detailed definitions of noxious weeds, grass and other rank growths.
- Nuisance for grass over 8".
- Inclusion of snow and sidewalk clearing to be consistent with the snow plowing policy.
- Inclusion of objects causing obstructions, wire and limbs that are hazards, obstructing water flow, and building condition.
- Detailed language for the notice and abatement process and procedures.

The Ordinance has been reviewed by the City Attorney and has been posted for the required 10 – day notice.

Recommendation:
Committee of the Whole recommends approval as presented.

ORDINANCE NO. _____

AN ORDINANCE AMENDING ORDINANCE NO. 123, ADOPTED ON SEPTEMBER 18, 1984 AND ORDINANCE NO. 170, ADOPTED ON NOVEMBER 17, 1992 AND ORDINANCE NO. 209 ADOPTED ON FEBRUARY 17, 1998 AND ORDINANCE NO. 389 ON FEBRUARY 6, 2007 AND ORDINANCE NO. 411 ADOPTED ON AUGUST 30, 2007 AND ORDINANCE NO. 424 ADOPTED ON DECEMBER 27, 2007 AND ORDINANCE NO. 425 ADOPTED ON JANUARY 24, 2008 AND ORDINANCE NO. 431 ADOPTED ON FEBRUARY 19, 2008 AND ORDINANCE NO. 452 ADOPTED ON FEBRUARY 17, 2009 AND ORDINANCE NO. 538 ADOPTED ON AUGUST 8, 2012 AND ORDINANCE NO. 553 ADOPTED ON JUNE 4, 2013 AND ORDINANCE NO. 580 ADOPTED ON JUNE 17, 2014 AND ORDINANCE NO. 676 ADOPTED ON JUNE 20, 2017 AND ORDINANCE NO. 710 ADOPTED ON OCTOBER 1, 2019 AND TITLED NUISANCES.

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Repealer. Ordinance 123, 170, 209, 389, 411, 424, 425, 431, 452, 538, 553, 580, 676 and 710, codified in Chapter 216 of the City Code, are hereby repealed in their entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 216 is hereby adopted:

Chapter 216

NUISANCES

§216-1. Definitions.
§216-2. Public nuisances affecting health, safety, comfort or repose.
§216-3. Public nuisances affecting morals and decency.
§216-4. Public nuisances affecting peace, safety and general welfare.
§216-5. Public Nuisance.
§216-6. Duties of City officers.
§216-7. Abatement.
§216-8. Recovery of cost.
§216-9. Violations and penalties

§ 216-1 **Definitions.**
As used in this chapter, the following terms shall have the meanings indicated:

DYNAMIC BRAKING DEVICE

Any device primarily used on trucks, for the conversion of the engine from an internal combustion engine to an air compressor for the purpose of braking without the use of wheel brakes; also commonly referred to as Jacob's brakes, Jake brakes, engine brakes, or compression brakes.

GRAFFITI

Any unauthorized inscription, work, figure, painting, symbol, or other defacement that is written, etched, marked, scratched, sprayed, drawn, or engraved upon any surface of public or private property.

NOISE

Any sound not occurring in the natural environment, which shall include, but is not limited to, sounds produced by aircraft, highways, motor vehicles, and/or emanating from residential, commercial, and industrial sources.

§ 216-2 **Public nuisances affecting health, safety, comfort or repose.**
The following are hereby declared to be nuisances affecting health:

A. Exposed accumulation of decayed or unwholesome food or vegetable matter. This includes all composting consisting of yard waste and/or kitchen waste which has been left unattended and which causes offensive odors, attracts rodents and/or pests or is unsightly and does not meet the requirements of Chapter 273, Article II.

B. All diseased animals running at large.

C. All ponds or pools of stagnant water.

D. Carcasses of animals not buried or destroyed within 24 hours after death.

E. Accumulations of manure, refuse, or other debris. An accumulation of tin cans, bottles, trash, uprooted tree stumps, logs, limbs, brush, and other cut vegetative debris, or other debris of any nature or description and the throwing, dumping or depositing of any dead animals, manure, garbage, waste, decaying matter, ground, sand, stones, ashes, rubbish, or other material of any kind on private property.

F. Privy vaults and garbage cans which are not rodent-free or fly-tight or which are so maintained as to constitute a health hazard or to emit foul or disagreeable odors.

G. The pollution of any public well or cistern, stream, or body of water by sewage, industrial waste, or other substances.

H. All noxious weeds grass in excess of 8 inches and other rank growths of vegetation upon public or private property.

(1) Noxious weeds and rank vegetation shall include but not be limited to: alum (allium), Buckthorn, Bur Cucumber, Canada Thistle, Corncockle, Cressleaf Groundsel, Curly Dock, Dodder, Field Bindweed, French Weed, Hairy Whitetop, Hedge Bindweed, Hoary Cress, Horsenettle, Johnson grass, Leafy Spurge, Mile-A-Minute Weed, Musk Thistle, Oxeye Daisy, Perennial Sow thistle, Poison Hemlock, Purple Loosestrife, Quack grass, Russian Knapweed, Russian Thistle, Serrated Tussock, Shatter Cane, Sorghum, Wild Carrot, Wild Garlic, Wild Mustard, Wild Onion, Wild Parsnip;

(2) Grapevines when growing in groups of 100 or more and not pruned, sprayed, cultivated, or otherwise maintained for two consecutive years;

(3) Any weeds, grass, or plants, other than trees, bushes, flowers, or other ornamental plants, growing to a height exceeding 12 inches.

(4) Rank vegetation includes the uncontrolled, uncultivated growth of annuals and perennial plants.

(5) The term *Weeds* does not include shrubs, trees, cultivated plants or crops.

(6) In no event shall cultivated plants or crops include plants which have been defined by state statute or administrative rule as being noxious or detrimental plants.

(7) Property owners are responsible for mowing adjacent to their property in the right -of-way to the curb if there is a sidewalk or boulevard.

I. Dense smoke, noxious fumes, gas and soot, or cinders, in unreasonable quantities.

J. All public exposure of persons having a contagious disease.

K. Any offensive trade or business as defined by statute not operating under local license.

L. Any outside storage of rubbish, salvage materials, junk, vehicles without current license plates, not in street operable condition, or not currently insured; or miscellaneous refuse when the same is construed by the City Council to be a menace or a nuisance to the public health, safety, or general welfare and to have a depressing influence on property values in the area.

M. Outdoor smoking near the entrances to buildings. Outdoor smoking areas shall meet the following regulations:

(1) Smoking is prohibited within 15 feet of any entrance, exit, or open window to a building and within 15 feet of a public sidewalk.

(2) Appropriate receptacles for rubbish, garbage, cigarette paraphernalia, etc., shall be provided.

N. Any obstruction to the free flow in a natural waterway or a public street drain, gutter, or ditch with trash, grass, other yard waste or other materials.

O. Depositing or storage of garbage or refuse on a public right-of-way, public property, or on adjacent private property.

Q. Snow clearing or removal from a private property must be contained within the property of which the snow originated or hauled and deposited in an approved location.

§ 216-3 **Public nuisances affecting morals and decency.**
The following are hereby declared to be nuisances affecting public morals and decency:

A. All gambling devices, slot machines, and punch boards, except as otherwise authorized by ordinance.

B. Betting, bookmaking, and all apparatus used in such occupations.

C. All houses kept for the purpose of prostitution or promiscuous sexual intercourse, gambling houses, houses of ill fame, and bawdy houses.

D. All places where intoxicating liquor is manufactured or disposed of in violation of law or where, in violation of law, persons are permitted to resort for the purpose of drinking intoxicating liquor, or where intoxicating liquor is kept for sale or other disposition in violation of law, and all liquor and other property used for maintaining such a place.

E. Any vehicle used for the transportation of intoxicating liquor, or for promiscuous sexual intercourse, or any other immoral or illegal purpose.

F. Graffiti.

(1) Use of graffiti prohibited. It shall be unlawful to apply graffiti to any natural or man-made surface on any publicly or privately owned property without the owner's permission.

(2) Graffiti as nuisance. The existence of graffiti on public or private property shall be declared a nuisance, which is destructive to the rights and values of property owners as well as the entire community and is subject to removal and abatement procedures.

(3) Removal by owner. It shall be the duty of the owner of the property upon which any graffiti is placed to remove such graffiti within 90 days upon written receipt of notice issued by the City to remove the graffiti.

(4) Removal by City. If the property owner fails to remove graffiti within the time allotted, the City shall abate and remove the graffiti. The property owner shall be billed for the cleanup.

G. Public urination – prohibited.

(1) Any person who urinates or defecates on any public street, alley, sidewalk or floor of any building or of any building where the public gathers or has access, or in any other place, whether public or private, where such act could be observed by any member of the public, except in such place that has been designated as a restroom, is guilty of a misdemeanor.

(2) The enforcement provision of this subsection shall not apply to the following individuals who may not be able to adequately control the bodily functions that control urination or defecation:

(a) Children five years of age or younger;

(b) Persons of any age who violate this section due to a verified medical condition.

§ 216-4 **Public nuisances affecting peace, safety and general welfare.**

A. Prohibited nuisances affecting public safety and peace.

(1) All snow and ice that is not removed from public sidewalks within 48 hours after public works has

completed removal of a snow event. It is the adjacent property owner's responsibility to keep the sidewalk clear of snow and hazardous ice and apply de-icing agents if necessary. Reference Chapter 284-14.

(2) Use of the municipal water system for lawn sprinkling in noncompliance with regulations regarding such usage.

(3) Any well, hole, or excavation left uncovered or in such condition as to constitute a hazard to a child or other person, being or coming upon the premises where the same is located, or any discarded or unused device formerly used for refrigeration purposes that restricts the free flow of air, or other similar device or object, which is left outside or in such condition as to be accessible to any child or other person being or coming upon the premises where the same is located.

(4) Materials placed on streets, alleyways, sidewalks, and other public ways which encumber, interfere with, or impede the free flow of pedestrian or vehicular traffic and/or impede the unobstructed lawful use thereof, as prohibited pursuant to § 284-16.

(5) All commercial parking lot facilities shall be maintained and operated in compliance with applicable engineering design and safety standards, including, but not limited to, applicable provisions of the Americans with Disabilities Act (ADA). Any such parking lot that fails to meet said standards as to surfacing, curbing, drainage system, lighting or accessibility, or is otherwise in such disrepair so as to be reasonably deemed to constitute a public safety hazard, as determined by the City Engineer or his or her designee, is hereby declared to be a nuisance. Nuisances constituting an immediate safety hazard shall be subject to immediate abatement. Otherwise, alleviation of nuisances shall be in conformance with timeframes set by the City Engineer or his or her designee.

(6) All trees, hedges, billboards, or other obstructions which prevent people from having a clear view of all traffic approaching an intersection.

(7) All wires and limbs of trees that are so close to the surface of a sidewalk or street as to constitute a danger to pedestrians or vehicles.

(8) Obstructions and excavations affecting the ordinary public use of streets, alleys, sidewalks, or public grounds, except under conditions as are permitted by this ordinance or other applicable law.

(9) Any use of property abutting on a public street or sidewalk or any use of a public street or sidewalk that causes large crowds or people to gather, obstructing traffic and the free use of the street or sidewalk.

(10) All hanging signs, awnings, and other similar structures over streets and sidewalks, so situated as to endanger public safety, or not constructed and maintained as provided by ordinance.

(11) The allowing of rainwater, ice, or snow to fall from any building or structure upon any street or sidewalk or to flow across any sidewalk.

(12) Accumulations in the open of discarded or disused machinery, household appliances, automobile bodies or other materials in a manner conducive to the harboring of rats, mice, snakes, or vermin, or

the rank growth of vegetation among the items so accumulated, or in a manner creating fire, health, or other safety hazards from such accumulation.

(13) Any well, hole, or similar excavation that is left uncovered or in such other condition as to constitute a hazard to any child or other person coming on the premises where it is located.

(14) Obstruction to the free flow of water in a natural waterway or a public street drain, gutter, or ditch with trash or other materials.

(15) The placing or throwing on any street, sidewalk, or other public property of any glass, tacks, nails, bottles, or other substances that may injure any person or animal or damage any pneumatic tire when passing over such substance.

(16) The depositing of garbage or refuse on a public right-of-way or on adjacent private property.

(17) Reflected glare or light from private exterior lighting exceeding 0.5 footcandles as measured on the property line of the property where the lighting is located when abutting any residential parcel, and one footcandle when abutting any commercial or industrial parcel.

(18) All other conditions or things that are likely to cause injury to the person or property of another.

(19) Building Maintenance and Appearance: Buildings, fences, and other structures which have been so poorly maintained that their physical condition and appearance detract from the surrounding neighborhood are declared to be public nuisances because they: 1) are unsightly, 2) decrease adjoining landowners and occupant's enjoyment of their property and neighborhood, and 3) adversely affect property values and neighborhood pattern.

B. Prohibited noise affecting public health, peace, safety or welfare.

(1) General prohibition. It is unlawful for any person to make or cause to be made any distinctly and loudly audible noise that unreasonably annoys, disturbs, injures or endangers the comfort's repose, health, peace, safety, or welfare of any persons; precludes their enjoyment of property; affects their property's value; affects the peace and quiet of any neighborhood; or which cause discomfort or annoyance to any reasonable person of normal sensitivity residing in the area.

(2) All obnoxious noises in violation of Minnesota Rules Chapter 7030, as it may be amended from time to time, which are hereby incorporated by reference into this code, are declared to be nuisances affecting public peace and safety.

(3) Additional standards may be considered when determining a violation of this section, which include, but are not limited to, the following:

(a) Volume of the noise;

(b) Intensity of the noise;

(c) Whether the nature of the noise is usual or unusual;

(d) Volume and intensity of background noise, if any;

(e) Proximity of the noise to residential sleeping;

(f) Nature and zoning of the area within which the noise emanates;

(g) Density of inhabitation of the area within which the noise emanates;

(h) Time of day or night the noise occurs;

(i) Duration of the noise;

(j) Whether the noise is recurrent, intermittent, or constant; and

(k) Whether the noise is produced by a commercial or noncommercial activity.

(4) Specific noises prohibited. The following noises shall be declared to be nuisance noises in violation of this chapter. This listing shall not be deemed to be exclusive.

(a) Horns, signaling devices, sirens, etc. It is unlawful for any to sound any horn, siren, or other signaling device on any vehicle except as a warning sign or emergency.

(b) Radios, phonographs, television sets, and similar devices. It is unlawful for any person to use or operate or permit the use or operation of any radio receiving set, musical instrument, phonograph, paging system, machine or other device for the production or reproduction of sound in a distinctly and audible manner as to disturb the peace, quiet and comfort of any person nearby. Operation of any such device as outlined within Subsection B in a manner as to be plainly audible at the property line of the structure or building in which it is located, in the hallway or apartment adjacent or at a distance of 100 feet if the source is located outside a structure or building shall be prima facie evidence of a violation of this section.

(c) Loudspeakers, amplifiers, and sound trucks. It is unlawful for any person to operate or permit the use or operation of any loudspeaker, sound amplifier or other device for the production or reproduction of sound on a street or other public place for the purpose of commercial advertising or attracting the attention of the public to any commercial establishment or vehicle.

(d) Human noise. Yelling, shouting, hooting, whistling, or singing at any time or place so as to annoy or disturb the quiet, comfort, or of persons in any office, or in any dwelling, hotel/motel, or other place of residence, or in the vicinity of the source.

(e) Exhaust. It is unlawful for any person to discharge the exhaust, or permit the discharge of the exhaust of any steam engine, stationary combustion engine, motor boat, motor vehicle or snowmobile, except through a muffler or other device that effectively prevents loud or explosive noises therefrom and complies with all applicable state laws and regulations.

(f) Defective vehicles or loads. It is unlawful for any person to use any vehicle so out of repair or so loaded as to create loud or unnecessary grating, grinding, rattling or any other noise.

(g) Loading, unloading, and packing. It shall be unlawful for any person to create loud or excessive noise in connection with loading or unloading or unpacking any vehicle; or the opening and destruction of bales, boxes, crates, and containers.

(h) Loud parties or gatherings. It shall be unlawful for any person to participate in any party or gathering of people giving rise to noise, disturbing the peace, quiet, or repose of another person during the hours of 10:00 p.m. to 7:00 a.m. weekdays and 11:00 p.m. and 8:00 a.m. weekends. It shall be prima facie evidence of a violation of this section if the sound of the party or gathering is clearly audible at the property line of the structure or building in which it is located, in the hallway or apartment adjacent or at a distance of 100 feet if the source is located outside a building, or if the noise meets the standards as presented in Subsection B(3). Any person who participates in a party or gathering which generates nuisance noise shall be guilty of maintaining a public nuisance. Every owner or tenant of the premises who has knowledge of the disturbance shall make every effort to see that the disturbance is stopped.

(i) Schools, courts, churches, hospitals. It is unlawful for any person to create any excessive noise on a street, alley or public grounds to any school, institution of learning, church or hospital when the noise unreasonably interferes with the working of the institution or disturbs or unduly annoys its occupants or residents and when conspicuous signs indicate the presence of the institution.

(j) Dynamic braking systems. No person shall use motor vehicle brakes that are in any way operated or activated by the compression of the engine in any motor vehicle upon any public ways located within the City limits of Isanti, including, but not limited to, highways, streets, alleys, easements, or right-of-way.

(k) Domestic power equipment. No person shall operate a power lawn mower, power hedge clipper, chainsaw, mulcher, garden tiller, edger, drill or similar domestic power maintenance equipment except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. to 9:00 p.m. on any weekend or holiday. Snow removal and street sweeping equipment is exempt from this subsection.

(l) Refuse handling. No person shall collect or remove garbage or refuse in any residential district except between the hours of 6:30 a.m. and 6:00 p.m. on any weekday or between the hours of 8:00 a.m. and 6:00 p.m. on any weekend or holiday.

(m) Construction activities. No person shall engage in or permit construction activities involving the use of any kind of electric, diesel, or gas powered machine or other power equipment, manual tools, movement of equipment, and other activities except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. and 8:00 p.m. on any weekend or holiday.

(5) Exceptions. The following shall be declared to be exceptions from the provisions of this Subsection

B. This listing shall not be deemed to be exclusive.

(a) Emergency work. Operations and acts performed exclusively for emergency work to preserve the safety, welfare or public health of the citizens of the City or for emergency work necessary to restore public service or to eliminate a public hazard shall be exempt from the provisions of this subsection. Persons having performed emergency work under this subsection shall inform the Police Department at the time of the need to initiate the work or if during nonbusiness hours of the City offices than upon resumption of business hours of the City. Any person responsible for emergency work shall take all reasonable actions to minimize the amount of noise pollution or vibration.

(b) Approved work. Upon timely application being made and the necessity therefore being established, the City Council may suspend the operation of this section for a specific purpose at a specific location and for a specific length of time by Council action and by giving public notice of the nature and limits of the suspension. The City Engineer may also authorize an exception for dewatering, mass grading, road construction, and other activities for Council approved projects.

C. Prohibited nuisances affecting general welfare.

(1) A violation of any provision of Ordinance No. 445, Zoning, or of a condition imposed under the authority of Ordinance No. 445, Zoning, is considered a public nuisance affecting the general welfare. Such public nuisance may be abated pursuant to the abatement provisions provided within this chapter.

(2) A violation of any provisions of Chapter 227, Parking and Storage, Article III, Parking and Storage of Vehicles and Other Equipment, is considered a public nuisance affecting the general welfare. Such public nuisance may be abated pursuant to the abatement provisions provided within this chapter.

§ 216-5 **Public Nuisance.**
Whoever, by act or omission, causes a nuisance as defined in sections 216-2, 216-3 or 216-4 is guilty of maintaining a public nuisance and may be subject to abatement and/or prosecution as provided herein.

§ 216-6 **Duties of City officers.**
City officials may apply and enforce any provision of this ordinance relating to public nuisances within this jurisdiction. Any peace officer, community service officer or other designated city official shall have the power to inspect private premises and take all reasonable precautions to prevent the commission and maintenance of public nuisances. Except in emergency situations of imminent danger to human life and safety, no peace officer or designated city official will enter private property for the purpose of inspecting or preventing public nuisances without the permission of the owner, resident, or other person in control of the property, unless the officer or person designated has obtained a warrant or order from a court of competent jurisdiction authorizing entry.

§ 216-7 **Abatement Process.**

A. **Procedure**. Whenever the officer charged with enforcement determines that a public nuisance is being maintained or exists on premises in the City, the officer shall notify, in writing, the owner or occupant of the premises of such fact and order that such nuisance be terminated and abated. The notice shall specify the steps to be taken to abate the nuisance and the time, not exceeding 30 days, within which the nuisance is to be abated. If the notice is not complied with within the time specified, the enforcing officer shall report that fact forthwith to the Council. Thereafter, the Council may, after notice to the owner or occupant and an opportunity to be heard, provide for abating the nuisance by the City.

B. **Notice**. Written notice of the violation; notice of the time, date, place, and subject of any hearing before the City Council; notice of the City Council order; and notice of motion for summary enforcement hearing shall be served by a peace officer or designated official on the owner of record and occupant of the premises either in person or by regular, certified or registered mail. If the premise is not occupied, the owner of record is unknown, or if the owner of record or occupant refuses to accept notice, notice of the violation shall be served by positing it on the premises. In the event a nuisance is abated to the satisfaction of the City but recurs within 180 days after such abatement, such recurrence shall be deemed to be a continuation of the same nuisance, and the council may proceed without additional notice or hearing to provide for abatement of said nuisance by the City. In such event, the City shall be entitled to recovery costs in the same manner as for the original abatement, as proved for in § **216-8** of this chapter.

C. **Emergency procedure; summary enforcement**. In cases of emergency, where delay in abatement required to complete the procedure and notice requirements as set forth in subdivisions A. and B. of this section will permit a continuing nuisance to unreasonably endanger public health, safety, or welfare, the City Council may order summary enforcement and abate the nuisance. To proceed with summary enforcement, the peace officer or other designated official shall determine that a public nuisance exists or is being maintained on premises in the city and that delay in abatement will unreasonably endanger public health, safety, or welfare. The officer or designated official shall notify in writing the occupant or owner of the premises of the nature of the nuisance, whether public health, safety, or welfare will be unreasonably endangered by delay in abatement required to complete the procedure set forth in subdivision A. of this section and may order that the nuisance be immediately terminated or abated. If the nuisance is not immediately terminated or abated, the City Council may order summary enforcement and abate the nuisance.

D. **Immediate abatement.** Nothing in this section shall prevent the city, without notice or other process, from immediately abating any condition that poses an imminent and serious hazard to human life or safety. Property/item(s) valued over $100, as determined by the enforcing officer, will be held by the City for seven (7) days. Recovery of all costs incurred for the abatement must be paid by the owner prior to collecting any property/item(s).

E. **Unlawful parties or gatherings.** When law enforcement determines that a gathering is creating such a noise disturbance as prohibited under Section Four, Subdivision B, the officer may order all persons present, other than the owner or tenant of the premises where the disturbance is occurring, to disburse immediately. No person shall refuse to leave after being ordered to do so by law enforcement. Every owner or tenant of such premises who has knowledge of the disturbance shall make every reasonable effort to see that the disturbance is stopped.

F. **Abatement of noxious weeds, rank vegetation, and tall grasses.**

(1) Notice. Written notice of the violation; notice of time, date, location, nuisance, which may include a height measurement of grass, will be sent to the property owner of record of the nuisance lot by posting a notice on the premise door and by mail. On identified foreclosed properties, a property contact will be attempted if the City has record of a party that is involved with the property. This contact is not necessary to effect establishment of a date certain for weed, vegetation, or grass nuisance abatement. The notice will identify a date certain for which the property must be mowed not to exceed 7 working days. The notice will also include the date of which a 7 working day re-inspection will occur.

(2) Abatement Process. If the owner of the property fails to comply within 7 days, the City shall provide for the abatement of the nuisance and authorize the City contracted mowing service or public works to mow the lot. The officer charged with enforcement shall keep records of the cost of abatement and shall provide information to the City Administrator or designee for assessment against the property in accordance with § 216-8.

(2) Reoccurrence. Once the nuisance has been abated on the property, the property will be monitored by re-inspection on a reoccurring 7 day cycle. If the property has no further noxious weed, rank vegetation or tall grass violations after being re-inspected twice, it will no longer be monitored. If the property continues to have the violation, the property will be abated every 7 days without written notification.

G. **Judicial remedy**. Nothing in this section shall prevent the city from seeking a judicial remedy when no other adequate administrative remedy exists.

§ 216-8 **Recovery of cost.**

A. Personal liability. The owner of the premises on which a nuisance has been abated by the City, or a person who has caused a public nuisance on property not owned by that person, shall be personally liable for the cost to the City of the abatement, including administrative costs. As soon as the work has been completed and the cost determined, the City Administrator or other city official shall prepare a bill for the cost and mail it to the owner. Thereupon the amount shall be immediately due and payable at the office of the City Administrator.

B. Assessment. After notice and hearing as provided in Minn. Stat. § 429.061, as it may be amended from time to time, if the nuisance is a public health or safety hazard on private property, the accumulation of snow and ice on public sidewalks, the growth of weeds and rank or tall vegetation on private property or outside the traveled portion of streets, or unsound or insect-infected trees, and noncompliant lawn sprinkling, the City Administrator or designee shall, on or before September 1 next following abatement of the nuisance, list the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minn. Stat. § 429.101 against each separate lot or parcel to which the charges are attributable. The Council may then spread the charges against such property under that statute and other pertinent statutes for certification to the County Auditor and collection along with current taxes the following year or in annual installment, not exceeding 10, as the Council may determine in each case.

§ 216-9 **Violations and penalties.**
Any person convicted of violating any provisions of this chapter is guilty of a misdemeanor and shall be punished by a fine not to exceed $1,000 or imprisonment for not more than 90 days, or both, plus the costs of prosecution in either case.

Section 3 – Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this ___day of _____, 2020.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020- XXX Streets and Sidewalks, Amending City Code Chapter 284

Background:

Staff has drafted changes to Chapter 284, Streets and Sidewalks. Significant changes are as follows:

- Clarify language to be consistent with process by Resolutions.
- Updated addressing language to be consistent with Fire Code.
- Updated staff titles.
- Materials on the street have been removed from this section and referenced within Ch 216.

The Ordinance has been posted for the required 10- day notice period.

Recommendation:
Committee of the Whole recommends approval as presented.

Request:
Staff is requesting action on this item.

Attachment:

- Ordinance 2020-XXX

ORDINANCE NO._____

AN ORDINANCE AMENDING ORDINANCE NO. 109, ADOPTED ON OCTOBER 20, 1984 AND ORDINANCE NO. 256, ADOPTED ON MAY 7, 2002 AND ORDINANCE NO. 502, ADOPTED ON MARCH 16, 2011 AND ORDINANCE NO. 553, ADOPTED ON APRIL 4, 2013 AND ORDINANCE NO. 549, ADOPTED ON APRIL 16, 2013 AND ORDINANCE NO. 600, ADOPTED ON APRIL 7, 2015 AND ORDINANCE NO. 605, ADOPTED ON APRIL 21, 2015 AND TITLED STREETS AND SIDEWALKS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 109, Ordinance 256, Ordinance 502, Ordinance 553, Ordinance 549, Ordinance 600, Ordinance codified in Chapter 284 of the City Code, are hereby amended as follows:

Chapter 284
Streets and Sidewalks

ARTICLE I
Street Naming and Numbering

§284-1. Treatment of existing street names.
§284-2. Official Map.
§284-3. Type and placement of numbering on buildings.
§284-5. Street naming plan to be shown on preliminary plats.
§284-6. Naming and numbering policy.
§284-7. Powers of the Zoning Administrator or his/her designee.
§284-8. Violations and penalties.

ARTICLE II
Location and Maintenance of Sidewalks

§284-9. Purpose.
§284-10. Sidewalk location; exemption.
§284-11. Maintenance required; replacement of damaged sidewalks.
§284-12. Notice to repair.
§284-13. Failure to repair; cost of repair made by City.
§284-14. Snow removal.
§284-15. Construction specifications.
§284-16. Materials on streets, alleys, sidewalks, or public way.
§284-17. Violations and penalties.

ARTICLE III
Traffic Regulations

§284-18. Minnesota Statutes adopted by reference.
§284-19. Exhibition driving.
§284-20. Violations and penalties.

Article I
Street Naming and Numbering

§ 284-1 Treatment of existing street names.
All of the present names of the streets and public ways within the corporate limits of the City of Isanti as assigned and the designations formerly applied to said streets and ways, and whether the same have been fixed by dedication of plats as they appear on file in the office of the County Recorder of Isanti County or by common consent, or otherwise, are hereby revoked, set aside, and extinguished to the extent they are in conflict with the City of Isanti Street Naming and Lot Number Map referenced below.

§ 284-2 Map.

A. From and after the adoption, approval, and publication of this article, there is hereby established a City of Isanti Street Naming and Lot Numbering Map (hereinafter sometimes referred to as the "map"), which will be updated from time to time and is the responsibility of the Community Development Director or his/her designee to maintain. This map will be on permanent file for public inspection in the office of the Community Development Director or his/her designee. It shall be the responsibility of the City to maintain said map

B.

§ 284-3 Type and placement of numbers on buildings.

A. New and existing buildings shall have approved address numbers, building numbers or approved building identification placed in a position that is plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Where required by the fire code official, address numbers shall be provided in additional approved locations to facilitate emergency response. Address numbers shall be Arabic numbers or alphabetical letters. Numbers shall be a minimum of 4 inches (101.6 mm) high with a minimum stroke width of 0.5 inch (12.7 mm). Where access is by means of a private road and the building cannot be viewed from the public way, a monument, pole or other sign or means shall be used to identify the structure. Address numbers shall be maintained.

B. In case a principal building is occupied by more than one business or family dwelling unit, each separate front entrance of such principal building shall bear a separate number, to include a unit number or suite number, if so assigned.

§ 284-5 Street naming plan to be shown on preliminary plats.
The developer, builder, or person making application for preliminary plat shall submit a street naming plan as hereinabove set forth, for review by the Community Development Director or his/her designee. The assignment of names and numbers by the Community Development Director or his/her designee shall be final.

§ 284-6 Naming and numbering policy.

A. City streets shall not be required to fall into any pattern of alphabetical sequence.

B. Major emphasis shall be given to avoiding duplicate and similar sounding names.

C. For all future developments, east-west streets will be designated as streets, and north-south streets will be designated as avenues. Upon approval by the City Council, other designations may be approved, such as parkways, boulevards, trails, courts, etc.

D. Existing street names shall be extended where practical. Avenues shall be numbered and placed within sequential order from the zero starting point.

E. The intersection of the Burlington Northern Railroad line and Main Street shall be considered the zero starting point for the purpose of the lot-numbering system.

F. Numbers shall be assigned to each block in increments of 100 for each block progressing northerly, easterly, southerly, and westerly from said zero starting point.

G. Even numbers shall be assigned to lots on the north side of streets running east-west and on the east side of avenues running north-south.

H. Odd numbers shall be assigned to lots on the south side of streets running east-west and on the west side of avenues running north-south.

I. Where, in the past, odd and/or even numbers have already been assigned along the majority of a street segment and they are not in accordance with the regulations provided in this article, the Community Development Director or his/her designee may continue to assign numbers in accordance with the existing numbers provided.

J. Ordinals shall be placed at the end of each street name, to include NW, SW, NE, or SE, depending upon the location of the street within the City of Isanti street grid system.

K. Street names located on the east side of Trunk Highway 65 shall be consistent with those street names located on the west side of Trunk Highway 65.

L. The City of Isanti has been granted authority through joint resolution with Isanti County to re-address in accordance with this article any property in the Tier One Area. When it has been identified by the appropriate public safety authority that public safety will be enhanced by renumbering and establishing new street names in accordance with this article, the Planning Commission will hold a public hearing to consider such proposals and make recommendations to the City Council for re-addressing in the Tier One Area.

§ 284-7 Powers of the Community Development Director or his/her designee.

A. The Community Development Director or his/her designee shall keep an up-to-date record of all names and numbers assigned under this article.

B. The Community Development Director or his/her designee shall assign to any property owner in the City of Isanti, upon request, a number for each principal building or separate front entrance to such building. In doing so, he/she shall assign only those names and numbers assigned under the provisions of this article; provided, however, that the Community Development Director or his/her designee may assign additional names or numbers in accordance with the system established on the City of Isanti Street Naming and Lot Numbering Map whenever the property has been subdivided, a new front entrance opened, or undue hardship has been worked upon any property owner.

§ 284-8 Violations and penalties.

Violation of this ordinance shall be a misdemeanor and may be punishable by a fine not to exceed $1,000 or imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

Article II

Location and Maintenance of Sidewalks

§ 284-9 Purpose.

The purpose of this article is to ensure the proper placement, location and maintenance of sidewalks. This will allow our citizens the ability to walk, bicycle, and other means of nonmotorized vehicle use to go from place to place within the City.

§ 284-10 Sidewalk location; exemption.

A. Sidewalks shall be placed on the west side and the north side of every street, cul-de-sac, or other necessary area within the City. City staff can modify the location of sidewalks to the other side of the roadway in order to promote contiguous sidewalks and safer pedestrian movement.

B. Industrial Zones are exempt from placing sidewalks, but placing City trails is allowed.

§ 284-11 Maintenance required; replacement of damaged sidewalks.
It is the duty of the property owner abutting on any sidewalk to maintain said sidewalk in a clear, safe and walkable condition.

§ 284-12 Notice to repair.
Whenever any public sidewalk becomes broken, cracked, raised or otherwise in disrepair so as to constitute a hazard to the public passage, the Public Works Department shall give notice in writing of such condition to the owner of the premises abutting the sidewalk. The owner of the property shall be given 30 days from the receipt of the notice to make repairs.

§ 284-13 Failure to repair; cost of repair made by City.
A. If the owner of the premises fails to make such repair within 30 days of being so notified, the Council shall order the necessary repairs made.
B. The cost of such repairs shall constitute a lien against the premises. If the cost of such repair is not paid to the City by September 15 following the making of repairs, the cost shall be certified to the County Auditor as a special assessment against the premises, to be collected in the same manner as any other special assessment.

§ 284-14 Snow removal.
Unless exempted by the City Council, no person shall permit an accumulation of snow or ice to build up or remain on any public sidewalk abutting or otherwise serving lots or parcels located in the City of Isanti 48 hours after public works has completed the removal of a snow event For the purposes of this section, "person" means the owner of record of the lots or parcels or in the event that the premises of any given parcel is under the control of a person other than the owner through a lease or rental agreement, then in that event the lessee or renter shall be responsible for the snow removal required in this article, unless by written agreement the owner is obligated to remove snow and ice from affected sidewalks. If snow or ice is not removed, the City will consider this a nuisance violation in accordance with Chapter § 216. Depending on the severity, the City may have public works or hire a company to remove the snow accumulation and/or ice and bill the property owner for such cost. Any snow and/ or ice events less than 2 inches, in which case the Public Works may not clear, is the property owner's responsibility.

§ 284-15 Construction specifications.
A. Sidewalks shall be five feet wide with six-foot boulevards.
B. Sidewalks must be constructed of portland concrete four inches thick; five inches thick where the sidewalk is part of the driveway.
C. Sidewalks shall be constructed on a three-inch sand cushion. The sand shall be equal to MNDOT regulations and the Isanti engineering design standards.
D. Pedestrian curb ramps for ADA compliance shall be installed on all corners according to MNDOT and City Engineer specifications.
E. The City Engineer and/or Building Official must inspect sidewalk construction.
F. All materials, workmanship, and details of the construction of sidewalks on the public rights-of-way of the City shall be in accordance with the current plans and specifications of the City Administrator or designee.

§ 284-16 Materials on streets, alleys, sidewalks, or public way.
A. No person shall encumber any street, alley, sidewalk, or other public way with barrels, boxes, cans, articles, or any other substances or objects that interfere with the free and unobstructed use thereof. For the purposes of this section, "person" means the responsible owner of record, renter, or occupant of the abutting lot parcel, or building. Such items shall be immediately removed, upon notice from the City to do so. Any such encumbrance shall be deemed a public nuisance in accordance with Chapter § 216 of City Code. Any items deemed to constitute a serious and immediate public health or safety concern may be immediately abated by removal by the City, without prior notice of such abatement, provided notice of such abatement shall be provided to the offending owner of record, renter or occupant of the adjacent lot, parcel or building as soon thereafter as reasonably practicable.
B. Exceptions. Authorized commercial loading zones and community events approved through the appropriate City process and which utilize public streets, alleys, sidewalks, or other public ways are exempt from these

provisions.

§ 284-17 Violations and penalties.
Violation of this article shall constitute a misdemeanor punishable by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Article III
Traffic Regulations

§ 284-18 Minnesota Statutes adopted by reference.
Except as otherwise provided in this chapter, the regulatory and procedural provisions of the Minnesota Statutes, Chapters 168 and 169 (commonly referred to as the "Highway Traffic Regulation Act") and Chapter 171 as amended are hereby incorporated herein and adopted by reference, including the penalty provisions hereof.

§ 284-19 Exhibition driving.

A. Prima facie evidence. It shall be prima facie evidence of exhibition driving when a motor vehicle stops, starts, accelerates, decelerates, or turns at an unnecessary rate of speed so as to cause the tires to squeal, or gears to grind, or sand, gravel or soil to be thrown or an engine to backfire or fishtailing or skidding, or as to two- three- or four-wheeled vehicles, the front tire(s) to lose contact with the ground or roadway surface.

B. Unlawful act. It shall be unlawful for any person to do any exhibition driving on any street, parking lot, or other public or private property, except when an emergency creates necessity for such operation to prevent injury to persons or damage to property; provided that this section does not apply to driving on a licensed racetrack with permission and under the auspices and direction of the licensee.

§ 284-20 Violations and penalties.
Violation of this article shall constitute a petty misdemeanor punishable by a fine not exceeding $300, plus the costs of prosecution.

Section 2 -Effective Date.
This ordinance shall take effect upon its passage and publication in the official City newspaper.
Adopted by the City Council this ___day of _____, 2020.

MEMORANDUM

Date: November 20, 2020

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Proposal to Write and Administer a Request For Proposals for General Architectural Services for the Liquor Store Building
City of Isanti, MN

As directed by the City Council at the November 17, 2020 council meeting, Bolton & Menk will write a Request for Proposal (RFP) to obtain general architectural design services for the proposed liquor store building. This will request general building design services, not actual construction services. The construction contractors will bid on the plans and specifications created by the selected design firm.

The proposed building will be designed to meet city zoning requirements. The building can generally be described as a 11,750 square foot building housing the proposed liquor store facilities depicted in the initial layout sketch. Bolton & Menk will serve as the Civil Engineer on this project and complete the site and utility design through a separate proposal.

The proposed scope of work will be described in the RFP and a lump sum fee will be requested to include the following services: cost estimating, structural engineering design, mechanical engineering design, electrical engineering design, plumbing design, HVAC design, fire sprinkling design, exterior design & interior design, and other related design services from pre-design to project closeout.

Separate proposals for each individual design service will not be requested, as the City does not plan to act as the General Contractor on this project.

Our scope of work to solicit these proposals will include the following:

- Write a Request for Proposal detailing the specific needs and desired type of building the City has conceptualized.
    - Incorporate City Staff, City Council, and City Attorney comments into the RFP.
- Hold one pre-bid meeting to discuss specifics of the project with bidders.
- Respond to bidder questions.
- Issue addenda as needed to address bidder issues or requested changes.
- Receive and compile proposals.
- Compare and contrast proposals for Council to make a selection.
- Assist with contract documents between the City and the selected firm.
- Hold one kickoff meeting with the City and the selected firm.

Should the City elect to proceed with this request for proposal, we propose to complete the above tasks for a lump sum fee of $4,740.

The RFP will be brought to the December 15, 2020 council meeting for approval to be advertised. It is recommended to solicit proposals from up to 5 selected firms. Should the City elect to make this RFP

publicly available, it is recommended to advertise for a minimum of 3 weeks due to the upcoming holiday season.

The received proposals will be brought to the January 19, 2021 council meeting for consideration. Plans and specifications are estimated to be ready for construction contractors to bid in April 2021 with a bid opening in May and construction starting in June 2021 at the earliest.

The contract will be prepared by the City Attorney and be between the City and the selected firm. Bolton & Menk does not warrant the selected firm will meet budgeted project costs, timelines, or desired quality or results.

15 months from award of the contract is the earliest anticipated building occupancy date. Should the City elect to award the Brunton Architects fee proposal previously presented at the November 17, 2020 Council Meeting, the project schedule could be expedited by 3-4 months and the cost to go through this RFP process would not be incurred.

Please contact me at (763) 200-2444 if you have any questions or need additional information prior to the meeting.

MEMORANDUM

Date: November 10, 2020

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Services Proposal to Complete Liquor Store Design & Construction
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for engineering services for the building and site design of the proposed liquor store at 10 6th Avenue SE.

The proposed parking lot and building will meet City zoning requirements. The building can generally be described as a 11,750 square foot building housing the proposed liquor store facilities depicted in the initial layout sketch attached.

Site Design & Construction:

We propose for Bolton & Menk to perform the site design, project management, construction surveying and construction inspection needed to facilitate the completion of the proposed parking lot and utility extension for the new liquor store building.

We propose to complete the site design and specifications, through bidding, for an hourly, not to exceed, fee of $35,000.

We propose to complete site construction staking, project management, and site inspection services, for an hourly, not to exceed, fee of $30,000. This does not include building inspections.

Building Design & Construction:

We proposed to bring Brunton Architects onto the project team to perform the building design through construction. Their proposed scope of work and lump sum fee is attached and includes cost estimating, interior design, structural, mechanical, plumbing, electrical, and fire sprinkling design services from pre-design to project construction and project close out. Bolton & Menk will not add on any overhead fees to take on Brunton Architects as a sub-consultant.

Assumptions made in determining the scope of Brunton Architect's fees:

- Prefabricated concrete walls will be used to reduce project cost and engineering design costs.
- A non-pitched deck roof will be used as the base design.
  - A pitched metal roof would add approximately $300,000 in total project cost and require space inside the building to be taken up by typically roof mounted equipment such as HVAC.

Brunton Architects scope and fees in the attached document are proposed as a lump sum fee of $192,000. These fees are at industry standard and include interior design and alternate building renderings.

The proposed total engineering fees are significantly lower than the budgeted amount for these services.

Please contact me at (763) 200-2444 if you have any questions or need additional information.

RE: Professional Design Services for a New Retail/Municipal Liquor Store in Isanti, MN

Dear Jason:

All of us at Brunton Architects & Engineers are truly honored to be submitting a proposal that encompasses the extent of our professional design services offered. We believe it is the attention to detail that determines the difference between a good project and a great one. Our staff of architects, interior designers, and engineers are dedicated to working side by side with our clients while guiding them through the entire design process from beginning to end.

Brunton Architects & Engineers has assembled a design team with skills best suited for the municipal liquor store project planned for Isanti, Minnesota. Our team is ready and excited to provide architectural design, interior design, mechanical engineering, plumbing design, electrical engineering and structural design engineering services to ensure that the project is custom tailored to your client's specific needs. It is our understanding that the civil design engineering will be provided by Bolton & Menk and are not included as a part of this fee proposal.

Project Understanding

Design services included in this proposal are for an architectural precast concrete building with one steel beam and column line in the middle of the building to help reduce total construction costs. The building is being planned as having 23 ft sidewall heights, steel bar joist roof structure, metal deck, sloped structure with rigid insulation, and polished concrete floors in the retail areas of the building. The proposed building size is approximately 11,750 SF in its footprint. The building will be used as Municipal Liquor Store located in Isanti, MN and is to be located on a City owned commercial

lot. Design services included in this proposal are Architectural, Interior Design (color and material selections), Structural, Mechanical, & Electrical engineering. Preliminary cost estimating will also be provided by Brunton for use in helping to establish construction and FF&E Budgets. Civil design services will be employed directly by the City of Isanti.

At Brunton Architects & Engineers, we look at all design projects from owner, end user, and contractor viewpoints. We pride ourselves on being a design driven firm that is detail oriented in everything we do.

Below is a brief summary of our understanding of the project;

Project Description – Municipal Liquor Store

1.	Number of Buildings:	One
2.	Size:	roughly 11,750 SF
3.	Height/Stories:	One Story
4.	Construction Type:	Precast Concrete Walls and bar joist and deck roof**
5.	Use:	Retail
6.	Location:	Isanti, Minnesota

**An optional metal joist and standing seam metal roofing system can be explored for additional design fees as it greatly increases the design requirements of the project. Its estimated that the increase in construction costs for the different roof structure and roofing system, along with HVAC design requirements might be around $250,000-$350,000. As previously mentioned, the HVAC systems would need to convert to an air handling system and be ground mounted requiring more site area for the units to sit within in an enclosed area. If chosen, the design fee will increase by $36,000 due to additional detailing and engineering needed for all the trades effected.

ARTICLE 1 Scope of Services

1.1 Schematic Design Phase

1.11 The development of refined concept floor plans, a site plan, and exterior/design aesthetics will be developed based on the approved scope. In addition, design solutions will be provided for various exterior elevation studies that face the street.

1.12 Exterior renderings will be produced for review and approval by the City.

1.13 Building code analysis and review of site requirements.

1.14 Hold a meeting for review and approval of the Schematic Design Phase documents and drawings with associated costs.

1.2 Design Development Phase

1.21 Prepare necessary drawings to convey the next level of detail based on the approved Schematic Design Phase. Brunton Architects & Engineers will refine the design and our interior design department will prepare color and material options for your review and approval.

1.22 Coordination with civil, architectural, structural, mechanical, electrical, and plumbing design teams.

1.3 Construction Document Phase

1.31 Preparation and coordination of detailed civil, architectural, interiors, structural, mechanical, and electrical specifications and drawings in preparation for permit review and City approval.

1.32 Final construction documents meeting for review and approval with you and the City.

1.33 Final Review of the International Building Code and Minnesota State Building and ADA accessibility code compliance.

1.4 Bidding & Construction Administration Phase

1.41 Provide Bidding & Construction Administration services for overseeing the construction phase and for compliance with the approved building permit and construction documents.

1.42 Prepare required addendums, as necessary, during bidding.

1.43 Assist in the review of bid results from General Contractors (GC) and/or value engineering. Make recommendation for award of bid to a GC.

1.44 Perform site visits to ensure compliance with construction documents.

1.45 Provide a review of all submitted architectural and engineering shop drawing submittals.

1.46 Generate a list of items in need of repair / replacement at project close out.

1.47 Perform 1-year walk-through with you (12 months from date of completion) to verify that the finished product continues to meet your expectations.

ARTICLE 2 COMPENSATION

2.1 Total fee for project phases listed below.

Professional Fee = $192,000 Lump sum/Not to Exceed*
(*includes Pre-design cost estimating, architectural, interior design, mechanical, plumbing, fire sprinkling, structural, and electrical design engineering)

Schematic Design	25% of Professional Fee
Design Development	20% of Professional Fee
Construction Documentation	45% of Professional Fee
Bidding and Negotiating	5% of Professional Fee
Construction Administration	5% of Professional Fee

ARTICLE 3 REIMBURSABLE EXPENSES

3.1 Reimbursable expenses shall include postage, shipping, messenger services, printing, and reproduction (printing for in-house use by architect and engineer is included).

3.2 All other requested services shall be billed at the following rates.

Senior Architect/Principal	$194.00
Project Architect 2	$142.00

Project Architect 1	$131.00
Project Manager	$132.00
Sr. Mechanical Engineer 2	$168.00
Sr. Mechanical Engineer 1	$157.00
Architectural Technician 2	$115.00
Architectural Technician 1	$105.00
Interior Designer 2	$125.00
Interior Designer 1	$110.00
Interior Design Intern	$ 65.00
Mechanical Technician	$105.00
Clerical	$ 68.00
Mileage Charge	$ 00.58 per mile
Consultants	1.10 times cost
Printing Reproduction	1.10 times cost
Postage	1.10 times cost

*Rates are valid for the 2020/2021 calendar year and are adjusted annually as dictated by market conditions.

ARTICLE 4 PAYMENT

4.1 Billing shall be monthly based on the percentage of the work complete on the last day of the month. Payment shall be due no later than 30 days after the statement date.

4.2 Late charges shall be added at a rate of 1-1/2 percent of the past due amount beginning on the thirty-first day after the statement date.

4.3 A retainer payment of $5,000.00 shall be made upon execution of this agreement and is the minimum payment under this agreement. The retainer amount shall be credited to the Owner's account in the final invoice. Remit all payments to the office of Brunton Architects & Engineers in North Mankato, MN.

ARTICLE 5 MISCELLANEOUS PROVISIONS

5.1 The prices quoted herein shall be in effect until thirty days past the date of the proposal and are subject for review and revision for any work not authorized to be completed after that date.

5.2 Drawings shall remain the property of Brunton Architects and are to be used for the construction of this project only.

ARTICLE 6 MECHANIC'S LIENS

6.1 Any person or company supplying labor or materials for this project may file a lien against your property if that person or company is not paid for the contributions.

6.2 Under Minnesota law, you have the right to pay persons who supplied labor or materials for this project directly and deduct this amount from our contract price, or withhold the amounts due them from us until 120 days after completion of the project unless we give you a lien waiver signed by persons who supplied any labor or material for the project and who gave you timely notice.

Thank you again for the opportunity to present this proposal for your consideration. Please call our office at 507.386.7996 with any questions or concerns regarding the information contained in this document.

Sincerely,

Corey Brunton

A Community For Generations.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: December 1, 2020
Subject: Development Agreement Amendment – Legacy Pines

Background:
The City has entered into a development agreement with Everpine Land Holdings, LLC (developer) for the development of Legacy Pines 2nd and 3rd Addition. As part of each development agreement a Letter of Credit (or cash) is collected as a financial guarantee for the project in the amount equal to 125% of the estimated amount of the required Developer Installed Improvements. According to the agreement "the City shall have the right to retain the financial guarantee until the Developer Installed Improvements have been completed to the satisfaction of the City. The Developer has a right to request reduction of the escrow, or letter of credit (LOC) amount as work on the Developer Installed Improvements progresses. Specifically, the Developer shall send a written request to the City's Engineer for a specific reduction in the amount of the escrow, or letter of credit. The City Engineer shall review that request and make a recommendation to the City as to whether or not the escrow, or letter of credit should be reduced and if so, to what amount. The City shall then decide whether or not to reduce the escrow, or letter of credit. The City, however, will not reduce the escrow, or letter of credit, below 20% of the estimated cost of the Developer Installed Improvements until after submittal of record plan documents as required by paragraph 25, or below ten percent (10%) of the total construction cost of the Developer Installed Improvements until two (2) years following acceptance of the Developer Installed Improvements. At that point, the escrow, or letter of credit shall be released or refunded, as the case may be, assuming no warranty work remains to be done."

At the developers request the Letter of Credit for the 3rd Addition was broken into phases to reduce the cost of the LOC.

The developer has requested to reduce the LOC balance and amend the terms of the development agreement. The table below represents the current amount being held, City Engineers recommended amount to hold and the developers requested amount to hold:

Legacy Pines Phase	Current LOC/Cash	Engineer Recommendation	Developer Requested balance
2nd Addition	$84,006.42	$84,006.42	$20,000
3rd Addition Phase 1	$366,782.13	$172,787.35	$80,000
3rd Addition Phase 2	$351,025.72	139,946.89	$80,000
Total	$801,814.27	396,740.66	$180,000

Please refer to the City Engineer's memo dated November 19, 2020 for his recommendations. There is still outstanding work to be done in each phase. Going against the Engineer recommendation requires a

development agreement amendment for each phase and is not supported by staff. Reducing the LOC puts the city at risk. The LOC is for the city to complete the work if the developer does not.

Request:

Consider the LOC reduction presented in the table above. Staff is not in support of the proposed amendment. If Council would like to amend the agreements, the direction would be to direct staff to work with the City Attorney to draft the amendments.

MEMORANDUM

Date: November 19, 2020

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Legacy Pines Letter of Credit Adjustments
City of Isanti, MN
Project No.: R13.117438

Legacy Pines 2nd Addition:
The Developer has requested a reduction to the remaining Letter of Credit for Legacy Pines 2nd Addition.

We do not recommend reducing the Letter of Credit any further at this time as there are remaining items to complete (signage, striping, turf establishment, updated record drawings, contractor lien waivers) before the Letter of Credit should be lowered to the warranty period levels called out in the Development Agreement.

Legacy Pines 3rd Addition:
The Developer has requested a reduction to the Letters of Credit for Legacy Pines 3rd Addition Phase 1, Phase 2 Utilities, and Phase 2 Street.

They have paid Kuechle Underground for work completed to date, including the installation of all underground utility work, curb & gutter, and the first lift of pavement planned for Phase 1 and Phase 2 of this development. Remaining work items include wear course, sidewalk, lighting, signage & striping.

The work to date has been found to be in compliance with City standards and all tests have passed.

The Development Agreement requires the City retain 125% of any remaining work and 20% of all completed work to date on these phases until the warranty period begins where the Letter of Credit reduces to 10% of the construction cost.

We have calculated the required minimum balances for each Letter of Credit and have the following recommendations:

Phase 1 - Letter of Credit: Recommend reducing Letter of Credit to a balance of **$172,787.35.**
- Hold 125% of remaining work ($111,150.25) and 20% of completed work ($61,637.10).

Phase 2 Utilities - Letter of Credit: Recommend reducing Letter of Credit to a balance of **$44,285.14.**
- Hold 20% of completed work ($44,285.14).

Phase 2 Street - Letter of Credit: Recommend reducing Letter of Credit to a balance of **$95,661.75.**
- Hold 125% of remaining work ($70,982.69) and 20% of completed work ($24,679.06).

The remaining balances of the Letters of Credit are in compliance with the Development Agreement and are anticipated to be sufficient to complete the project as proposed while covering any incurred overhead costs including testing, inspection, and contract administration.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

RE: Legacy Pines Subdivision
Amendment Request to Development Agreement

Dear Sheila:

Please see the attached analysis and request concerning the cash sureties in relation to the Legacy Pines development.

I'm asking that this be put before the Isanti City Council at the earliest time possible. I believe that meeting will be December 1st. Just an advance notice for you – I would very much like to attend that meeting to answer any questions that may arise surrounding this request but I already know that I will be out of town that date. I can make myself available at any earlier date or time if that would work.

Please let me know if you require anything further from me or have any additional questions.

Thank you for your assistance with handling this request.

Sincerely,

EVERPINE LAND HOLDINGS, LLC

Robert J. Machacek
Chief Operating Officer

Legacy Pines Development
Summary of Cash Sureties

Development Addition/Phase	Amount Currently Being Held	Proposed - Your Review	Everpine Land Request
Legacy Pines 2nd Addition	$ 84,006.42	$ 84,006.42	$ 20,000.00
Legacy Pines 3rd Addition - Phase 1	$ 366,782.13	$ 172,787.39	$ 80,000.00
Legacy Pines 3rd Addition - Phase 2	$ 353,025.72	$ 139,946.85	$ 80,000.00
Totals	$ 803,814.27	$ 396,740.66	$ 180,000.00

Work Items Remaining - Per Email of November 17 from Jason Cook, Engineer for the City:

Legacy Pines 2nd Addition:

* Turf Establishment by the City Park parking lot
* Some striping
* Some signage missing

Legacy Pines 3rd Addition - Phases 1 & 2:

* Bituminous Wear Course
* Sidewalk & Ped Ramps
* Signage & Striping
* Turf Establishment & some erosion control
* 1/4 mobilization and traffic control items
* Street Lights (I have already paid for these - just waiting for Connexus Energy to install)

*** Jason's Email notes a total of approximately $145,000 of incomplete work exists**

MY REQUEST:

I have done what I said I would do.

We have made a huge investment in the City of Isanti and deployed a large amount of capital here. For the City to retain approximately $400,000 over the next 6 "dead" winter months (when there's not even $150,000 of work to complete per bids) is a very costly and unnecessary deployment of capital. I believe this project has benefited the City greatly.

We will complete all current incomplete work next Spring along with constructing the 3rd and final phase of the 3rd Addition.

I respectfully submit this request to the Isanti City Council and request an amendment to the current Development Agreement. I am requesting this change and am asking that the current amounts being held be reduced to the amounts shown above in the "Everpine Land Request" column. I hope that the City Council will consider all the various aspects surrounding this request.

Thank you for your consideration.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: December 1, 2020
Subject: Sign Consideration for Best Western

Background: Best Western is requesting consideration of a pylon sign that was denied by previous administration.

The Development Operations and Advisory Committee (DOAC) met in November 2019 to discuss Best Western's freestanding sign. The DOAC has since been dissolved but at that time they reviewed the pylon sign and denied the sign Best Western proposed. The memo is attached for reference. The memo is from the previous Community Development Director he states the Community Development Department "has enforced strict pylon sign regulations to enhance the aesthetics of the TH-65 corridor. All signs either have a brick base or a brick pole cover."

Best Western is located in the TH-65 Overlay District. Highway 65 provides the main entrance into Isanti from the north and south. It is the purpose of this district to enhance the first impression of Isanti through development of a corridor that is inviting, visually appealing and a place that community members want to visit and passersby want to stop. This district is designed and intended to promote the development of an attractive view of the community from Highway 65 through architectural and signage controls, landscaping, screening, building orientation and other features. However, the sign code does not provide design specifics. The code allows a 200 square foot freestanding sign with a maximum height of 45 feet. Based on the purpose of this district it makes sense to hold the signage to a higher standard. Past administration has required freestanding signage along the corridor to have a brick base or brick pole cover and required the same for Best Western.
Best Western recognizes the desire of the district but it is not a code requirement nor called out in their development agreement to provide a sign with a brick base. They have proposed a compromise with the proposed sign. They propose to do a pylon sign that has aluminum skirting on the base, not brick. This is similar in appearance to Strikes Funeral Home's sign.

Planning Commission: The Planning Commission reviewed this request at their November 17, 2020 meeting. No one from the public commented on this item. A representative for the hotel was present for the discussion. The Planning Commission in general liked the sign that was presented, but wanted to keep the signage more in-line with what was approved along TH 65, with a brick base. The Planning Commission asked the hotel to compromise and put a 3-4-layer brick base around the sign and landscaping. The Motion passed 4-2 Gordon and Bergley no.

Request:
Consider approving the sign as proposed with the Planning Commission's recommendation of adding 3-4-layers of brick at the base and landscaping.

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR COPIER SERVICES

WHEREAS, Staff solicited and received quotes for copier services from three companies supporting six different copier vendors due to extended service and performance concerns with the current copier provider; and,

WHEREAS, Staff evaluated the quotes received for costs of overall service and cost per page; and,

WHEREAS, the lowest overall monthly estimated cost is Loffler with the Canon unit which holds State Contract pricing; and,

WHEREAS, incorporation of the new unit will also allow for color printing of materials internally and decommissioning City Hall's current color printer which is cost prohibitive to maintain;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, the following:

1. Hereby award the contract for copier services to Loffler.
2. That the City Administrator is hereby authorized to enter into an agreement with Canon for the copier unit and with Loffler for copier services for the City of Isanti for a five year period.
3. That the City Administrator is hereby authorized to terminate the current contract with Toshiba.

This resolution was duly adopted by the Isanti City Council this 1st day of December, 2020.

Subject: Debt Levy Variance from Original Bond Register

Background:

At its September 1st 2020 meeting the Isanti City Council approved the preliminary levies payable in 2021. Debt levies for two bond issues; 2010B and 2011A, were approved at levels that varied from the amounts detailed in the original bond documents. The two bond issues, the originally scheduled levy for 2021 and actual certified levy for 2021 are shown below.

BOND ISSUES	ORIGINAL PRINCIPAL	DATE ISSUED	ORIGINAL 2021 DEBT LEVY	CERTIFIED 2021 DEBT LEVY	AMOUNT OF VARIANCE FROM ORIGINAL SCHEDULE
2010B GO Imp. Bonds	$ 1,825,000	12/1/2010	$ 205,884	$ -0-	$ (205,884)
2011A GO Imp. Bonds	$ 790,000	9/6/2011	$ 53,040	$ 9,367	$ (43,673)

County auditors are required to maintain bond registers that have information relating to any bonded debt issued by local taxing authorities in the county (Minnesota Statutes 475.62). For bonds that have tax levies pledged for payment of all or part of the debt, the county auditor must certify that the debt has been entered in the bond register and that any required tax levies have been made (Minnesota Statutes 475.63). It is the responsibility of the county auditor to make sure that debt levies as noted in the original bond resolution are made according to the levy schedule (Minnesota Statutes 475.64). If the municipality fails to make the needed debt service levy and has not provided a resolution to reduce/increase the levy as provided in statute, the county auditor has the obligation of making the levy for debt service.

To reduce/increase the debt levy, the taxing authority must certify that they are making an irrevocable appropriation of funds actually on hand to the debt service account or that there exists excess funds in the debt service account for payment of the debt (Minnesota Statutes 475.61, subd. 3). The certification should take the form of a resolution appropriating the funds and reducing/increasing the debt levy. The funds must already be on hand, it is not sufficient to anticipate receiving funds in the future.

Both levy amounts were the recommendation of a 2014/2015 Debt Service Financial Analysis by Northland Securities Inc. approved by resolution 2013-149.

Action Required:

Consider attached resolutions that will bring the City of Isanti into compliance with State Statutes 475.61, subd. 3 thru 475.64.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020- XXX Trails, Amending Chapter 300

Background:

Chapter 300, Trails, has been drafted as an amendment with minor changes. The changes included bituminous trails will be plowed when snow is more than 2 inches per the Snow Policy and other minor revisions to clarify the chapter intent.

The Ordinance has been posted for the required 10- day notice period.

Request:
Staff is requesting action on this item.

Attachment:

- ORD 2020-XXX

ORDINANCE NO._____

AN ORDINANCE AMENDING ORDINANCE NO. 273, ADOPTED ON NOVEMBER 6, 2002 AND ORDINANCE NO. 341, ADOPTED ON MAY 3, 2005 AND ORDINANCE NO. 524, ADOPTED ON FEBRUARY 8, 2012 AND TITLED TRAILS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 273, Ordinance 341, Ordinance 524, Ordinance codified in Chapter 300 of the City Code, are hereby amended as follows:

Chapter 300

TRAILS

§ 300-1. **Purpose.**

§ 300-2. **Trail location.**

§ 300-3. **Snow removal on trails.**

§ 300-4. **Construction.**

§ 300-4. **Motorized transportation prohibited.**

§ 300-5. **Cambridge-Isanti Bike/Walk Trail.**

§ 300-6. **Violations and penalties.**

§ 300-1. Purpose.

The purpose of this chapter is to ensure the proper location, construction, operation, and maintenance of both City and regional trails. This will allow our citizens the ability to walk, bicycle, and other means of nonmotorized use to go from place to place within the City and region. We recognize the importance of trails in and around our City for the safety of our citizens, the health of our citizens, and for the betterment of our community.

§ 300-2. Trail location.

Trails shall be placed as shown on the most current Trail Map. City staff can modify the location of trails to the other side of the roadway in order to promote contiguous nonmotorized movement. All new subdivisions/ developments are expected to install trails, at the developer's expense. Trails may be located in any zone.

§ 300-3. Snow removal on trails.

Snow removal on bituminous trails is the responsibility of the City Public Works Department. It is understood that snow removal along these routes does not take precedence to snow removal along streets. Trails will be plowed when snow is more than two (2) inches and in accordance with the City's Snow Plowing Policy by Resolution. Earthen, woodchip or gravel trails will not have snow removal.

§ 300-4. Construction.

A. Trails shall be at least eight feet wide.

B. Trails must be constructed of ~~portland~~ concrete or bituminous. In some instances, the City may allow for a wood chip trail especially along environmentally sensitive areas. Trails

through wetlands may be constructed to boardwalk/bogwalk requirements as indicated in the City Engineering standards in lieu of filling in wetlands or wetland mitigation.

C. Trails shall be constructed as the City Engineer dictates.

D. Concrete pedestrian curb ramps ~~for the handicapped~~ per ADA compliance shall be installed on all street corners according to MNDOT and City Engineer specifications.

E. The City Engineer and/or Building Official, or their designee, shall ~~must~~ inspect trail construction.

F. All materials, workmanship, and details of the construction of trails on the public rights-of-way of the City shall be in accordance with the current city engineering standards.~~plans and specifications of the Public Services Works Director or assigned personnel.~~

§ 300-5. Motorized transportation prohibited.

Due to the wear on the trail, ~~and the~~ noise they make, and dangers they induce to bikers and walkers, no motorized vehicles are allowed on City trails, such as, ~~to adjoining property owners, no~~ mopeds, four-wheelers, snowmobiles, motorcycles or similar types of motorized transportation. ~~are allowed on City trails~~. This does not refer to designated four-wheel or snowmobile trail routes on City streets.

§ 300-6. Cambridge-Isanti Bike/Walk Trail.

The implementation and enforcement of rules and regulations governing the use of the Cambridge-Isanti Bike/Walk Trail shall apply as approved by resolution of the City Council, as amended from time to time.

§ 300-7. Violations and penalties.

Violators of this chapter shall be guilty of a misdemeanor punishable by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 2 -Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this ___day of _____, 2020.

Memo for City Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020-XXX Parks and Recreation Areas, Repealing and Replacing Chapter 230

Background:

Chapter 230, Parks and Recreation Areas, has been drafted as a repeal and replacement. The following significant changes are included in the draft:

- Include Sledding Hill rules.
- Simplify the Chapter to have one section on "Purpose; applicability", "Violations" and "Enforcement".
- Include language regarding special event permits.
- Include language for geocaching.
- Include language for not golfing in park areas.
- Include language for not interfering with games/recreation.
- Include language for not camping unless permitted with a permit.
- Include language for not destroying trees or plantings.
- Include language for not removing wood unless permitted by CA or designee.

The Ordinance has been posted for the required 10- day notice period.

ORDINANCE NO._____

AN ORDINANCE AMENDING ORDINANCE NO. 227, ADOPTED ON MARCH 4, 2003 AND ORDINANCE NO. 313, ADOPTED ON APRIL 6, 2004 AND ORDINANCE NO. 602, ADOPTED ON APRIL 21, 2015 AND ORDINANCE NO. 701, ADOPTED ON MAY 7, 2019 AND TITLED PARKS AND RECREATION AREAS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Repealer. Ordinances 273, 341, and 524, titled Parks and Recreation Areas, codified in Chapter 230 of the City Code, are hereby repealed in their entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 230 is hereby adopted:

Chapter 230
Parks and Recreation Areas

§ 230-1. **Purpose; applicability.**
§ 230-2. **Park rules and regulations.**
§ 230-3. **Dog park rules and regulations.**
§ 230-4. **Skatepark rules and regulations.**
§ 230-5. **Pleasure rink rules and regulations.**
§ 230-6. **Sledding hill rules and regulations.**
§ 230-7. **Violations.**
§ 230-8. **Enforcement.**

§ 230-1 Purpose; applicability.

A. The purpose of this chapter is to ensure the safety of people using the park system and their amenities.

B. This article shall apply to all park and recreation areas controlled by the City of Isanti.

§ 230-2 Park rules and regulations.

A. There shall be no alcoholic beverages, unless otherwise permitted by the City Clerk through the City Council of Isanti.

B. No littering. All refuse and trash related to park use shall be placed in trash and recycle receptacles; provided, however, that residential, commercial, or construction trash or debris shall in no event be placed in such receptacles.

C. There shall be no use of vehicles except on park roads unless otherwise authorized.

D. Pets must be leashed and in compliance with Chapter 87-4.

E. All pet owners are responsible for the proper disposal of pet waste.

F. In any park and recreation area, including trails, it shall be unlawful for any person, firm, company, or corporation to use any restroom in any park in other than a clean and sanitary manner.

G. A permit is required if a person wants the exclusive use of a specific area, building, shelter, other park

facility or for a special event. Any person with a permit must follow rules and regulations within this Chapter as well as any special conditions listed on the permit.

H. Disturbing, harassing or interfering with any person in possession of a valid permit is prohibited.

I. A permit is required for the use of tents, large canopies, inflatables, large games and rides, dunk tanks, etc in park areas.

J. Registration is required for all caches placed in City parks related to a geocaching program.

K. Park hours are 7:00 a.m. to 10:00 p.m. unless posted otherwise.

L. In any park and recreation area, including trails, it shall be unlawful for any person, firm, company, or corporation to:

(1) Possess or discharge firearms, air rifles, BB guns, sling shots, bows and arrows, other weapons, explosives or fireworks.

(2) Be present in a park or recreation area after 10:00 p.m. or before 7:00 a.m. on any day unless permitted through a special event permit issued by City Council.

(3) Camp in, or erect, a tent or other structure, unless permitted through a special event permit issued by the City Council.

(4) Bring in, dump, deposit, leave in or on, or burn on any park land or water or water contiguous to any park any glass bottles, broken glass, discarded vegetation, trash, waste, rubbish, etc.

(5) Advertise, sell or attempt to sell, or solicit for private gain or cause, or operate non-authorized commercial operations without the City's approval.

(6) Start or maintain a fire, except in grills provided as part of the park facility, unless permitted for a city sponsored event approved through City Council. A person responsible for a fire must safely and completely extinguish the fire before leaving.

(7) Possess controlled substances.

(8) Engage in offensive, obscene, or abusive language, or in boisterous or noisy conduct tending reasonably to arouse alarm, anger or resentment in others; or to engage in brawling or fighting; or to engage in conduct creating or tending to create a disturbance or annoyance to other park users, or that interferes with their use or enjoyment of park lands and waters.

(9) Remove, break, destroy, injure, mutilate, deface or in any way damage any structure, monument, fence, flagpole, vehicle, bench, natural growth, ruin, relic, geological formation, or any other City of Isanti park property located in or on City of Isanti parks and park system.

(10) Not clean up after pets.

(11) Injure, molest, pursue or endanger wildlife on any park land and park system land in the City of Isanti.

(12) Hunt or trap on any park land owned by the City of Isanti.

(13) Use of recreational vehicles, including, but not limited to, all-terrain vehicles, snowmobiles, and motorcycles, on parks or park system land.

(14) Non- motorized bicycles in park areas or trails, natural or paved, that are not signed as permitted.

(15) Use a golf club to hit, drive, or otherwise propel a golf ball or other object into or onto City park land.

(16) Interfere with the orderly conduct of games or other recreational activity in a park or park facility.

(17) Overnight parking unless permitted by the City Administrator or designee.

(18) Disturbing, damaging, or destroying any trees or planted areas.

(19) Removal of wood from natural park areas unless permitted by the City Administrator or designee.

(20) Park on grass or other non-designated parking areas unless requested and approved for special events.

§ 230-3 **Skatepark rules and regulations.**

A. Helmets are required to be worn at all times in the skatepark.

B. Knee and elbow pads are suggested to be worn at all times in the skatepark.

C. Altering of skatepark ramps or equipment is prohibited.

D. No bikes are allowed in the skatepark.

E. Users assume risk of injury

F. All other rules for park and recreation areas in the City apply to the skatepark facility.

§ 230-4 **Dog park rules and regulations.**

A. Dog park hours are 7:00 a.m. to 10:00 p.m.

B. Dogs must be in visual sight and voice control of their handler or owner at all times.

C. All pet waste must be cleaned up and disposed of in designated waste receptacles.

D. Dogs must be on leash when entering or exiting the fenced dog park facility.

E. No aggressive dogs are allowed in the dog park facility. At first sign of aggression, dogs must be leashed and removed.

F. Declared dangerous dogs are not allowed in the dog park facility.

G. Female dogs in heat and dogs under the age of four months are prohibited from the dog park facility.

H. Users of the dog park facility do so at their and their dog's own risk. The City is not responsible for any injury or damage caused by or to a person or their dog in the off-leash area.

I. The limit for dogs under one handler or owner is three dogs for each visit or use of the dog park facility.

J. All children under the age of 14 shall be supervised by an adult.

K. All personal property brought in the dog park facility shall be removed when the handler or owner has completed their visit or usage. In no case shall the personal property remain on site for over one day and must be removed by park closure at 10:00 p.m. that day.

L. Dogs are not permitted to dig or otherwise damage the dog park facility. Dogs identified performing this damage shall be prohibited from using the dog park facility.

M. All other rules for park and recreation areas in the City apply to the dog park facility.

§ 230-5 **Outdoor pleasure rink rules and regulations.**

A. Outdoor Pleasure rink hours are 7:00 a.m. to 10:00 p.m.

B. No offensive, obscene or abusive language.

C. No abusive behavior either verbal or physical.

D. No hockey or broomball while people are open skating.

E. No bikes, sleds, cars, or snowmobiles on the ice.

F. No fighting or snowball throwing.

G. No pushing other skaters.

H. Users assume risk of injury.

§ 230-6 **Sledding hill rules and regulations.**

A. Users assume risk of injury

B. Adults must supervise children

C. Use caution

D. Be considerate of others

E. Do not sled when icy

F. Do not alter sledding hill

G. Sled in designated areas only

§ 230 **Violations.**

Violators of this chapter shall be guilty of a misdemeanor.

§ 230-12 **Enforcement.**

A. The City Administrator and his/her designees may, in connection with their duties imposed by law, enforce the provisions of this chapter, and the City Administrator or his/her designees shall have the authority to:

(1) Eject from any park a person acting in violation of this chapter. In addition to immediate removal from a park following a chapter violation, the City Administrator or his/her designee may continually exclude

such person(s) from any or all City of Isanti park and park system areas.

(2) Seize and confiscate any property, animal, thing or device in any park used in violation of any of the provision in this chapter.

B. The City Administrator or his/her designees are specifically authorized to issue administrative citations, and City of Isanti Peace Officers may issue citations for violations of this chapter.

Section 3 -Effective Date.
This ordinance shall take effect upon its passage and publication in the official City newspaper.
Adopted by the City Council this ___day of _____, 2020.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020 - XXX Administrative Penalties, Amending City Code Chapter 65

Background:

Ordinances 576, 690, 705, codified in Chapter 65 of the City Code were amended to clarify the process and to be in compliance with State Laws.

The Ordinance has been posted for the required 10- day notice period.

Request:
Staff is requesting action on this item.

Attachment:

- Ordinance 2020-XXX Administrative Penalties

ORDINANCE NO. _____

AN ORDINANCE AMENDING ORDINANCE NO. 576, ADOPTED ON APRIL 16, 2014 AND ORDINANCE NO. 690, ADOPTED ON JUNE 5, 2018 AND ORDINANCE NO. 705, ADOPTED ON JUNE 4, 2019 AND TITLED ADMINISTRATIVE PENALTIES

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 576, Ordinance 690 and Ordinance 705, codified in Chapter 65 of the City Code, are hereby amended as follows:

Chapter 65

ADMINISTRATIVE PENALTIES

§66-1 Purpose
§65-2 Alternative methods of Enforcement
§65-3 General Provisions
§65-4 Authority to issue order to correct letters and administrative citations
§65-5 Administrative citations
§65-6 Administrative hearing
§65-7 Recovery of civil penalties

65-1. Purpose.
The City Council determined that there is a need for alternative methods of enforcing the City Code. While criminal fines and penalties have been the most frequent enforcement mechanism, there are certain negative consequences for both the City and the accused. The delay inherent in that system does not ensure prompt resolution. Citizens resent being labeled as criminals for violations of administrative regulations. The higher burden of proof and the potential of incarceration do not appear appropriate for most administrative violations. Accordingly, the City Council finds the use of administrative citations and the imposition of civil penalties a legitimate and necessary alternative method of enforcement. This method of enforcement is in addition to any other legal remedy that may be pursued for City Code violations.

65-2. Alternative methods of enforcement.

A. The administrative hearing process provided for within this Article shall be in addition to any other legal or equitable remedy available to the City for City Code violations.

B. The City may initiate a civil enforcement action to obtain code compliance before, during or after an administrative enforcement proceeding.

C. If the final adjudication in the administrative penalty procedure is a finding of no violation, then the City may not prosecute a criminal violation in district court based on the same set of facts. This does not preclude the City from pursuing an administrative penalty or a criminal conviction for a violation of the same provision of the City Code based on a different set of facts. A different date of violation shall constitute a different set of facts and a separate offense.

65-3. General provisions.

A. A violation of a provision of the City Code or a violation of the terms and conditions of a City approval, including permits and licenses, required and granted under this Code is an

administrative offense that may be subject to an administrative citation and civil penalties. Each day a violation exists constitutes a separate offense.

B. An offense may be subject to a civil penalty not exceeding one thousand ($1,000) dollars per separate offense.

C. The City Council will adopt by Ordinance a schedule of penalties for offenses initiated by administrative citations. The City Council is not bound by the schedule when a matter is appealed to it for administrative review.

D. The City Council may adopt a schedule of fees to be paid to administrative hearing officers for their services.

65-4. Authority to issue order to correct letters and administrative citations.
The following City employees and agents are authorized to issue compliance letters and administrative citations for violation of the City Code and other associated Ordinances:

A. Licensed peace officers of the Isanti Police Department;

B. Reserve Officers of the Isanti Police Department;

C. Community Development Director;

D. Community Development Specialist;

E. Animal Control Officer;

F. Building Official;

G. MS4 Technician; or

H. Community Service Officer.

65-5. Administrative citations.

A. A person authorized to enforce provisions of the City Code may issue an administrative citation upon belief that a code violation has occurred. The citation must be issued in person or by first class mail to the person responsible for the violation. The citation must state the date, time, and nature of the offense, the identity of the person issuing the citation, the amount of the scheduled fine, and the manner for paying the fine or appealing the citation. The administrative citation shall be deemed served upon deposit in the U.S. mail to the address of the violator. A certificate of service shall be completed by the official issuing the citation. If the City seeks to impose more than one fine for a continuing violation, a separate citation shall be issued for each violation date.

B. The person responsible for the violation must either pay the scheduled fine or request a hearing within ten (10) calendar days after issuance of the citation. Payment of the fine constitutes admission of the violation. A late payment fee of ten (10%) percent of the scheduled fine amount will be imposed. The fines may be rescinded if compliance is achieved by the compliance date provided.

C. A hearing request must be made in writing and executed by the property owner or person with an ownership interest in the property. It must minimally state the name and mailing address of that person, the person's relationship to the property involved, and a brief statement why the citation is in error and a hearing is being requested. A filing fee, as set forth in the City Fee Schedule,

shall accompany the application. The application is not valid unless the fee is paid. The filing fee is non-refundable.

D. A property owner may request an extension to come into compliance, which may be granted or denied by the City. If an extension to come into compliance is requested and granted, and the property owner does not come into compliance by the extension date, the administrative fine imposed with the citation for the violation shall not be rescinded. Additionally, a request for an extension to the compliance deadline shall constitute an admission to the violation, and a waiver of a right to request a hearing under subpart C above.

65-6. Administrative hearing.

A. The hearing officer shall be a neutral third party appointed by the City Council. The hearing officer is authorized to hear and determine any controversy relating to administrative offenses of the City Code.

B. Notice of the hearing must be served in person or by mail to the person responsible for the violation at least ten (10) calendar days in advance of the hearing, unless a shorter time is accepted by all parties.

C. The hearing officer shall conduct an informal hearing to determine if a violation occurred. The hearing may be recorded but official minutes of the proceeding will not be taken. At the hearing, the parties will have the opportunity to present testimony and question any witnesses, but strict rules of evidence will not apply. The hearing officer must receive testimony and exhibits. The officer must receive and give weight to evidence, including hearsay evidence, which possesses probative value commonly accepted by reasonable and prudent people in the conduct of affairs.

D. The hearing officer has the authority to determine that a violation occurred, to dismiss a citation, to impose or modify (increase or decrease) the scheduled fine, and to modify, stay, or waive a scheduled fine either unconditionally or upon compliance with appropriate conditions. When imposing a penalty for a violation, the hearing officer may consider any or all of the following factors:

1. The duration of the violation;
2. The frequency or reoccurrence of the violation;
3. The history of the violation;
4. The seriousness of the violation;
5. The violator's conduct after issuance of the notice of hearing;
6. The good faith effort by the violator to comply;
7. The economic impact of the penalty on the violator;
8. The impact of the violation upon the community; and
9. Any other factors appropriate to a just result.

E. The hearing officer's decision and supporting reasons are final and as practically as possible be provided in writing to both parties within ten (10) days of the hearing. Any fines or penalties imposed must be paid no later than ten (10) days of the date of the Hearing Officer's order.

F. The failure to attend the hearing constitutes a waiver of the violator's rights to an administrative hearing and an admission of the violation. A hearing officer may waive this result upon good cause shown. Examples of "good cause" are death or incapacitating illness of the accused; a court order requiring the accused to appear for another hearing at the same time; and lack of proper service of the citation or notice of the hearing. "Good cause" does not include forgetfulness and intentional delay.

65-7. Recovery of civil penalties.

A. If a civil penalty is not paid within the time specified, it constitutes:

1. A personal obligation of the violator in all cases;

2. An obligation of the person or business conducting an activity on the property if the violation relates to that activity;

3. An obligation of the owner of the property on which the violation occurred; and

4. A lien upon the real property upon which the violation occurred, if the property owner was found responsible for that violation and the lien can be assessed under Minnesota Statutes 429.101, as amended from time to time. Prior to assessing the lien against the property, the City must attempt to obtain voluntary payment of the administrative penalty and provide the property owner listed on the tax record with notice and an opportunity to be heard.

B. The personal obligation or lien may include the administrative, collection agency and legal costs incurred by the City in connection with collecting the unpaid administrative penalty.

C. A personal obligation may be collected by any appropriate legal means, including use of a collection agency.

D. A late payment fee of ten (10%) percent of the fine will be assessed for each thirty (30) day period, or part thereof, that the fine remains unpaid after the due date.

E. During the time that a civil penalty remains unpaid, no City approval will be granted for a license, permit, or other City approval sought after by the violator or for the property.

F. Failure to pay a fine is grounds for suspending, revoking, denying, or not renewing a license or permit associated with the violation.

G. The City reserves the authority to use the abatement process as outlined within Chapter 216 Nuisances, in lieu of or in addition to the process outlined within this Chapter.

H. In the event of unpaid civil penalties, the City reserves the right to pursue a criminal penalty under the applicable section of the City Code.

EFFECTIVE DATE

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this ___day of _____, 2020.

MEMO for Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020- XXX Public nuisances affecting, peace, safety and general welfare, Repealing and Replacing Chapter 216

Staff has drafted changes they are recommending to Chapter 216 to be consistent with the League's model policy, policies that were previously adopted by Resolution and for Code Enforcement to have more definition of what is considered a nuisance violation.

Significant changes include:

- Detailed definitions of noxious weeds, grass and other rank growths.
- Nuisance for grass over 8".
- Inclusion of snow and sidewalk clearing to be consistent with the snow plowing policy.
- Inclusion of objects causing obstructions, wire and limbs that are hazards, obstructing water flow, and building condition.
- Detailed language for the notice and abatement process and procedures.

The Ordinance has been reviewed by the City Attorney and has been posted for the required 10 – day notice.

Recommendation:
Committee of the Whole recommends approval as presented.

ORDINANCE NO. _____

AN ORDINANCE AMENDING ORDINANCE NO. 123, ADOPTED ON SEPTEMBER 18, 1984 AND ORDINANCE NO. 170, ADOPTED ON NOVEMBER 17, 1992 AND ORDINANCE NO. 209 ADOPTED ON FEBRUARY 17, 1998 AND ORDINANCE NO. 389 ON FEBRUARY 6, 2007 AND ORDINANCE NO. 411 ADOPTED ON AUGUST 30, 2007 AND ORDINANCE NO. 424 ADOPTED ON DECEMBER 27, 2007 AND ORDINANCE NO. 425 ADOPTED ON JANUARY 24, 2008 AND ORDINANCE NO. 431 ADOPTED ON FEBRUARY 19, 2008 AND ORDINANCE NO. 452 ADOPTED ON FEBRUARY 17, 2009 AND ORDINANCE NO. 538 ADOPTED ON AUGUST 8, 2012 AND ORDINANCE NO. 553 ADOPTED ON JUNE 4, 2013 AND ORDINANCE NO. 580 ADOPTED ON JUNE 17, 2014 AND ORDINANCE NO. 676 ADOPTED ON JUNE 20, 2017 AND ORDINANCE NO. 710 ADOPTED ON OCTOBER 1, 2019 AND TITLED NUISANCES.

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Repealer. Ordinance 123, 170, 209, 389, 411, 424, 425, 431, 452, 538, 553, 580, 676 and 710, codified in Chapter 216 of the City Code, are hereby repealed in their entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 216 is hereby adopted:

Chapter 216

NUISANCES

§216-1. Definitions.
§216-2. Public nuisances affecting health, safety, comfort or repose.
§216-3. Public nuisances affecting morals and decency.
§216-4. Public nuisances affecting peace, safety and general welfare.
§216-5. Public Nuisance.
§216-6. Duties of City officers.
§216-7. Abatement.
§216-8. Recovery of cost.
§216-9. Violations and penalties

§ 216-1 **Definitions.**
As used in this chapter, the following terms shall have the meanings indicated:

DYNAMIC BRAKING DEVICE

Any device primarily used on trucks, for the conversion of the engine from an internal combustion engine to an air compressor for the purpose of braking without the use of wheel brakes; also commonly referred to as Jacob's brakes, Jake brakes, engine brakes, or compression brakes.

GRAFFITI

Any unauthorized inscription, work, figure, painting, symbol, or other defacement that is written, etched, marked, scratched, sprayed, drawn, or engraved upon any surface of public or private property.

NOISE

Any sound not occurring in the natural environment, which shall include, but is not limited to, sounds produced by aircraft, highways, motor vehicles, and/or emanating from residential, commercial, and industrial sources.

§ 216-2 **Public nuisances affecting health, safety, comfort or repose.**
The following are hereby declared to be nuisances affecting health:

A. Exposed accumulation of decayed or unwholesome food or vegetable matter. This includes all composting consisting of yard waste and/or kitchen waste which has been left unattended and which causes offensive odors, attracts rodents and/or pests or is unsightly and does not meet the requirements of Chapter 273, Article II.

B. All diseased animals running at large.

C. All ponds or pools of stagnant water.

D. Carcasses of animals not buried or destroyed within 24 hours after death.

E. Accumulations of manure, refuse, or other debris. An accumulation of tin cans, bottles, trash, uprooted tree stumps, logs, limbs, brush, and other cut vegetative debris, or other debris of any nature or description and the throwing, dumping or depositing of any dead animals, manure, garbage, waste, decaying matter, ground, sand, stones, ashes, rubbish, or other material of any kind on private property.

F. Privy vaults and garbage cans which are not rodent-free or fly-tight or which are so maintained as to constitute a health hazard or to emit foul or disagreeable odors.

G. The pollution of any public well or cistern, stream, or body of water by sewage, industrial waste, or other substances.

H. All noxious weeds grass in excess of 8 inches and other rank growths of vegetation upon public or private property.

(1) Noxious weeds and rank vegetation shall include but not be limited to: alum (allium), Buckthorn, Bur Cucumber, Canada Thistle, Corncockle, Cressleaf Groundsel, Curly Dock, Dodder, Field Bindweed, French Weed, Hairy Whitetop, Hedge Bindweed, Hoary Cress, Horsenettle, Johnson grass, Leafy Spurge, Mile-A-Minute Weed, Musk Thistle, Oxeye Daisy, Perennial Sow thistle, Poison Hemlock, Purple Loosestrife, Quack grass, Russian Knapweed, Russian Thistle, Serrated Tussock, Shatter Cane, Sorghum, Wild Carrot, Wild Garlic, Wild Mustard, Wild Onion, Wild Parsnip;

(2) Grapevines when growing in groups of 100 or more and not pruned, sprayed, cultivated, or otherwise maintained for two consecutive years;

(3) Any weeds, grass, or plants, other than trees, bushes, flowers, or other ornamental plants, growing to a height exceeding 12 inches.

(4) Rank vegetation includes the uncontrolled, uncultivated growth of annuals and perennial plants.

(5) The term *Weeds* does not include shrubs, trees, cultivated plants or crops.

(6) In no event shall cultivated plants or crops include plants which have been defined by state statute or administrative rule as being noxious or detrimental plants.

(7) Property owners are responsible for mowing adjacent to their property in the right -of-way to the curb if there is a sidewalk or boulevard.

I. Dense smoke, noxious fumes, gas and soot, or cinders, in unreasonable quantities.

J. All public exposure of persons having a contagious disease.

K. Any offensive trade or business as defined by statute not operating under local license.

L. Any outside storage of rubbish, salvage materials, junk, vehicles without current license plates, not in street operable condition, or not currently insured; or miscellaneous refuse when the same is construed by the City Council to be a menace or a nuisance to the public health, safety, or general welfare and to have a depressing influence on property values in the area.

M. Outdoor smoking near the entrances to buildings. Outdoor smoking areas shall meet the following regulations:

(1) Smoking is prohibited within 15 feet of any entrance, exit, or open window to a building and within 15 feet of a public sidewalk.

(2) Appropriate receptacles for rubbish, garbage, cigarette paraphernalia, etc., shall be provided.

N. Any obstruction to the free flow in a natural waterway or a public street drain, gutter, or ditch with trash, grass, other yard waste or other materials.

O. Depositing or storage of garbage or refuse on a public right-of-way, public property, or on adjacent private property.

Q. Snow clearing or removal from a private property must be contained within the property of which the snow originated or hauled and deposited in an approved location.

§ 216-3 **Public nuisances affecting morals and decency.**
The following are hereby declared to be nuisances affecting public morals and decency:

A. All gambling devices, slot machines, and punch boards, except as otherwise authorized by ordinance.

B. Betting, bookmaking, and all apparatus used in such occupations.

C. All houses kept for the purpose of prostitution or promiscuous sexual intercourse, gambling houses, houses of ill fame, and bawdy houses.

D. All places where intoxicating liquor is manufactured or disposed of in violation of law or where, in violation of law, persons are permitted to resort for the purpose of drinking intoxicating liquor, or where intoxicating liquor is kept for sale or other disposition in violation of law, and all liquor and other property used for maintaining such a place.

E. Any vehicle used for the transportation of intoxicating liquor, or for promiscuous sexual intercourse, or any other immoral or illegal purpose.

F. Graffiti.

(1) Use of graffiti prohibited. It shall be unlawful to apply graffiti to any natural or man-made surface on any publicly or privately owned property without the owner's permission.

(2) Graffiti as nuisance. The existence of graffiti on public or private property shall be declared a nuisance, which is destructive to the rights and values of property owners as well as the entire community and is subject to removal and abatement procedures.

(3) Removal by owner. It shall be the duty of the owner of the property upon which any graffiti is placed to remove such graffiti within 90 days upon written receipt of notice issued by the City to remove the graffiti.

(4) Removal by City. If the property owner fails to remove graffiti within the time allotted, the City shall abate and remove the graffiti. The property owner shall be billed for the cleanup.

G. Public urination – prohibited.

(1) Any person who urinates or defecates on any public street, alley, sidewalk or floor of any building or of any building where the public gathers or has access, or in any other place, whether public or private, where such act could be observed by any member of the public, except in such place that has been designated as a restroom, is guilty of a misdemeanor.

(2) The enforcement provision of this subsection shall not apply to the following individuals who may not be able to adequately control the bodily functions that control urination or defecation:

(a) Children five years of age or younger;

(b) Persons of any age who violate this section due to a verified medical condition.

§ 216-4 **Public nuisances affecting peace, safety and general welfare.**

A. Prohibited nuisances affecting public safety and peace.

(1) All snow and ice that is not removed from public sidewalks within 48 hours after public works has

completed removal of a snow event. It is the adjacent property owner's responsibility to keep the sidewalk clear of snow and hazardous ice and apply de-icing agents if necessary. Reference Chapter 284-14.

(2) Use of the municipal water system for lawn sprinkling in noncompliance with regulations regarding such usage.

(3) Any well, hole, or excavation left uncovered or in such condition as to constitute a hazard to a child or other person, being or coming upon the premises where the same is located, or any discarded or unused device formerly used for refrigeration purposes that restricts the free flow of air, or other similar device or object, which is left outside or in such condition as to be accessible to any child or other person being or coming upon the premises where the same is located.

(4) Materials placed on streets, alleyways, sidewalks, and other public ways which encumber, interfere with, or impede the free flow of pedestrian or vehicular traffic and/or impede the unobstructed lawful use thereof, as prohibited pursuant to § 284-16.

(5) All commercial parking lot facilities shall be maintained and operated in compliance with applicable engineering design and safety standards, including, but not limited to, applicable provisions of the Americans with Disabilities Act (ADA). Any such parking lot that fails to meet said standards as to surfacing, curbing, drainage system, lighting or accessibility, or is otherwise in such disrepair so as to be reasonably deemed to constitute a public safety hazard, as determined by the City Engineer or his or her designee, is hereby declared to be a nuisance. Nuisances constituting an immediate safety hazard shall be subject to immediate abatement. Otherwise, alleviation of nuisances shall be in conformance with timeframes set by the City Engineer or his or her designee.

(6) All trees, hedges, billboards, or other obstructions which prevent people from having a clear view of all traffic approaching an intersection.

(7) All wires and limbs of trees that are so close to the surface of a sidewalk or street as to constitute a danger to pedestrians or vehicles.

(8) Obstructions and excavations affecting the ordinary public use of streets, alleys, sidewalks, or public grounds, except under conditions as are permitted by this ordinance or other applicable law.

(9) Any use of property abutting on a public street or sidewalk or any use of a public street or sidewalk that causes large crowds or people to gather, obstructing traffic and the free use of the street or sidewalk.

(10) All hanging signs, awnings, and other similar structures over streets and sidewalks, so situated as to endanger public safety, or not constructed and maintained as provided by ordinance.

(11) The allowing of rainwater, ice, or snow to fall from any building or structure upon any street or sidewalk or to flow across any sidewalk.

(12) Accumulations in the open of discarded or disused machinery, household appliances, automobile bodies or other materials in a manner conducive to the harboring of rats, mice, snakes, or vermin, or

the rank growth of vegetation among the items so accumulated, or in a manner creating fire, health, or other safety hazards from such accumulation.

(13) Any well, hole, or similar excavation that is left uncovered or in such other condition as to constitute a hazard to any child or other person coming on the premises where it is located.

(14) Obstruction to the free flow of water in a natural waterway or a public street drain, gutter, or ditch with trash or other materials.

(15) The placing or throwing on any street, sidewalk, or other public property of any glass, tacks, nails, bottles, or other substances that may injure any person or animal or damage any pneumatic tire when passing over such substance.

(16) The depositing of garbage or refuse on a public right-of-way or on adjacent private property.

(17) Reflected glare or light from private exterior lighting exceeding 0.5 footcandles as measured on the property line of the property where the lighting is located when abutting any residential parcel, and one footcandle when abutting any commercial or industrial parcel.

(18) All other conditions or things that are likely to cause injury to the person or property of another.

(19) Building Maintenance and Appearance: Buildings, fences, and other structures which have been so poorly maintained that their physical condition and appearance detract from the surrounding neighborhood are declared to be public nuisances because they: 1) are unsightly, 2) decrease adjoining landowners and occupant's enjoyment of their property and neighborhood, and 3) adversely affect property values and neighborhood pattern.

B. Prohibited noise affecting public health, peace, safety or welfare.

(1) General prohibition. It is unlawful for any person to make or cause to be made any distinctly and loudly audible noise that unreasonably annoys, disturbs, injures or endangers the comfort's repose, health, peace, safety, or welfare of any persons; precludes their enjoyment of property; affects their property's value; affects the peace and quiet of any neighborhood; or which cause discomfort or annoyance to any reasonable person of normal sensitivity residing in the area.

(2) All obnoxious noises in violation of Minnesota Rules Chapter 7030, as it may be amended from time to time, which are hereby incorporated by reference into this code, are declared to be nuisances affecting public peace and safety.

(3) Additional standards may be considered when determining a violation of this section, which include, but are not limited to, the following:

(a) Volume of the noise;

(b) Intensity of the noise;

(c) Whether the nature of the noise is usual or unusual;

(d) Volume and intensity of background noise, if any;

(e) Proximity of the noise to residential sleeping;

(f) Nature and zoning of the area within which the noise emanates;

(g) Density of inhabitation of the area within which the noise emanates;

(h) Time of day or night the noise occurs;

(i) Duration of the noise;

(j) Whether the noise is recurrent, intermittent, or constant; and

(k) Whether the noise is produced by a commercial or noncommercial activity.

(4) Specific noises prohibited. The following noises shall be declared to be nuisance noises in violation of this chapter. This listing shall not be deemed to be exclusive.

(a) Horns, signaling devices, sirens, etc. It is unlawful for any to sound any horn, siren, or other signaling device on any vehicle except as a warning sign or emergency.

(b) Radios, phonographs, television sets, and similar devices. It is unlawful for any person to use or operate or permit the use or operation of any radio receiving set, musical instrument, phonograph, paging system, machine or other device for the production or reproduction of sound in a distinctly and audible manner as to disturb the peace, quiet and comfort of any person nearby. Operation of any such device as outlined within Subsection B in a manner as to be plainly audible at the property line of the structure or building in which it is located, in the hallway or apartment adjacent or at a distance of 100 feet if the source is located outside a structure or building shall be prima facie evidence of a violation of this section.

(c) Loudspeakers, amplifiers, and sound trucks. It is unlawful for any person to operate or permit the use or operation of any loudspeaker, sound amplifier or other device for the production or reproduction of sound on a street or other public place for the purpose of commercial advertising or attracting the attention of the public to any commercial establishment or vehicle.

(d) Human noise. Yelling, shouting, hooting, whistling, or singing at any time or place so as to annoy or disturb the quiet, comfort, or of persons in any office, or in any dwelling, hotel/motel, or other place of residence, or in the vicinity of the source.

(e) Exhaust. It is unlawful for any person to discharge the exhaust, or permit the discharge of the exhaust of any steam engine, stationary combustion engine, motor boat, motor vehicle or snowmobile, except through a muffler or other device that effectively prevents loud or explosive noises therefrom and complies with all applicable state laws and regulations.

(f) Defective vehicles or loads. It is unlawful for any person to use any vehicle so out of repair or so loaded as to create loud or unnecessary grating, grinding, rattling or any other noise.

(g) Loading, unloading, and packing. It shall be unlawful for any person to create loud or excessive noise in connection with loading or unloading or unpacking any vehicle; or the opening and destruction of bales, boxes, crates, and containers.

(h) Loud parties or gatherings. It shall be unlawful for any person to participate in any party or gathering of people giving rise to noise, disturbing the peace, quiet, or repose of another person during the hours of 10:00 p.m. to 7:00 a.m. weekdays and 11:00 p.m. and 8:00 a.m. weekends. It shall be prima facie evidence of a violation of this section if the sound of the party or gathering is clearly audible at the property line of the structure or building in which it is located, in the hallway or apartment adjacent or at a distance of 100 feet if the source is located outside a building, or if the noise meets the standards as presented in Subsection B(3). Any person who participates in a party or gathering which generates nuisance noise shall be guilty of maintaining a public nuisance. Every owner or tenant of the premises who has knowledge of the disturbance shall make every effort to see that the disturbance is stopped.

(i) Schools, courts, churches, hospitals. It is unlawful for any person to create any excessive noise on a street, alley or public grounds to any school, institution of learning, church or hospital when the noise unreasonably interferes with the working of the institution or disturbs or unduly annoys its occupants or residents and when conspicuous signs indicate the presence of the institution.

(j) Dynamic braking systems. No person shall use motor vehicle brakes that are in any way operated or activated by the compression of the engine in any motor vehicle upon any public ways located within the City limits of Isanti, including, but not limited to, highways, streets, alleys, easements, or right-of-way.

(k) Domestic power equipment. No person shall operate a power lawn mower, power hedge clipper, chainsaw, mulcher, garden tiller, edger, drill or similar domestic power maintenance equipment except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. to 9:00 p.m. on any weekend or holiday. Snow removal and street sweeping equipment is exempt from this subsection.

(l) Refuse handling. No person shall collect or remove garbage or refuse in any residential district except between the hours of 6:30 a.m. and 6:00 p.m. on any weekday or between the hours of 8:00 a.m. and 6:00 p.m. on any weekend or holiday.

(m) Construction activities. No person shall engage in or permit construction activities involving the use of any kind of electric, diesel, or gas powered machine or other power equipment, manual tools, movement of equipment, and other activities except between the hours of 7:00 a.m. and 9:00 p.m. on any weekday or between the hours of 8:00 a.m. and 8:00 p.m. on any weekend or holiday.

(5) Exceptions. The following shall be declared to be exceptions from the provisions of this Subsection

B. This listing shall not be deemed to be exclusive.

(a) Emergency work. Operations and acts performed exclusively for emergency work to preserve the safety, welfare or public health of the citizens of the City or for emergency work necessary to restore public service or to eliminate a public hazard shall be exempt from the provisions of this subsection. Persons having performed emergency work under this subsection shall inform the Police Department at the time of the need to initiate the work or if during nonbusiness hours of the City offices than upon resumption of business hours of the City. Any person responsible for emergency work shall take all reasonable actions to minimize the amount of noise pollution or vibration.

(b) Approved work. Upon timely application being made and the necessity therefore being established, the City Council may suspend the operation of this section for a specific purpose at a specific location and for a specific length of time by Council action and by giving public notice of the nature and limits of the suspension. The City Engineer may also authorize an exception for dewatering, mass grading, road construction, and other activities for Council approved projects.

C. Prohibited nuisances affecting general welfare.

(1) A violation of any provision of Ordinance No. 445, Zoning, or of a condition imposed under the authority of Ordinance No. 445, Zoning, is considered a public nuisance affecting the general welfare. Such public nuisance may be abated pursuant to the abatement provisions provided within this chapter.

(2) A violation of any provisions of Chapter 227, Parking and Storage, Article III, Parking and Storage of Vehicles and Other Equipment, is considered a public nuisance affecting the general welfare. Such public nuisance may be abated pursuant to the abatement provisions provided within this chapter.

§ 216-5 **Public Nuisance.**
Whoever, by act or omission, causes a nuisance as defined in sections 216-2, 216-3 or 216-4 is guilty of maintaining a public nuisance and may be subject to abatement and/or prosecution as provided herein.

§ 216-6 **Duties of City officers.**
City officials may apply and enforce any provision of this ordinance relating to public nuisances within this jurisdiction. Any peace officer, community service officer or other designated city official shall have the power to inspect private premises and take all reasonable precautions to prevent the commission and maintenance of public nuisances. Except in emergency situations of imminent danger to human life and safety, no peace officer or designated city official will enter private property for the purpose of inspecting or preventing public nuisances without the permission of the owner, resident, or other person in control of the property, unless the officer or person designated has obtained a warrant or order from a court of competent jurisdiction authorizing entry.

§ 216-7 **Abatement Process.**

A. **Procedure**. Whenever the officer charged with enforcement determines that a public nuisance is being maintained or exists on premises in the City, the officer shall notify, in writing, the owner or occupant of the premises of such fact and order that such nuisance be terminated and abated. The notice shall specify the steps to be taken to abate the nuisance and the time, not exceeding 30 days, within which the nuisance is to be abated. If the notice is not complied with within the time specified, the enforcing officer shall report that fact forthwith to the Council. Thereafter, the Council may, after notice to the owner or occupant and an opportunity to be heard, provide for abating the nuisance by the City.

B. **Notice**. Written notice of the violation; notice of the time, date, place, and subject of any hearing before the City Council; notice of the City Council order; and notice of motion for summary enforcement hearing shall be served by a peace officer or designated official on the owner of record and occupant of the premises either in person or by regular, certified or registered mail. If the premise is not occupied, the owner of record is unknown, or if the owner of record or occupant refuses to accept notice, notice of the violation shall be served by positing it on the premises. In the event a nuisance is abated to the satisfaction of the City but recurs within 180 days after such abatement, such recurrence shall be deemed to be a continuation of the same nuisance, and the council may proceed without additional notice or hearing to provide for abatement of said nuisance by the City. In such event, the City shall be entitled to recovery costs in the same manner as for the original abatement, as proved for in § **216-8** of this chapter.

C. **Emergency procedure; summary enforcement**. In cases of emergency, where delay in abatement required to complete the procedure and notice requirements as set forth in subdivisions A. and B. of this section will permit a continuing nuisance to unreasonably endanger public health, safety, or welfare, the City Council may order summary enforcement and abate the nuisance. To proceed with summary enforcement, the peace officer or other designated official shall determine that a public nuisance exists or is being maintained on premises in the city and that delay in abatement will unreasonably endanger public health, safety, or welfare. The officer or designated official shall notify in writing the occupant or owner of the premises of the nature of the nuisance, whether public health, safety, or welfare will be unreasonably endangered by delay in abatement required to complete the procedure set forth in subdivision A. of this section and may order that the nuisance be immediately terminated or abated. If the nuisance is not immediately terminated or abated, the City Council may order summary enforcement and abate the nuisance.

D. **Immediate abatement.** Nothing in this section shall prevent the city, without notice or other process, from immediately abating any condition that poses an imminent and serious hazard to human life or safety. Property/item(s) valued over $100, as determined by the enforcing officer, will be held by the City for seven (7) days. Recovery of all costs incurred for the abatement must be paid by the owner prior to collecting any property/item(s).

E. **Unlawful parties or gatherings.** When law enforcement determines that a gathering is creating such a noise disturbance as prohibited under Section Four, Subdivision B, the officer may order all persons present, other than the owner or tenant of the premises where the disturbance is occurring, to disburse immediately. No person shall refuse to leave after being ordered to do so by law enforcement. Every owner or tenant of such premises who has knowledge of the disturbance shall make every reasonable effort to see that the disturbance is stopped.

F. **Abatement of noxious weeds, rank vegetation, and tall grasses.**

(1) Notice. Written notice of the violation; notice of time, date, location, nuisance, which may include a height measurement of grass, will be sent to the property owner of record of the nuisance lot by posting a notice on the premise door and by mail. On identified foreclosed properties, a property contact will be attempted if the City has record of a party that is involved with the property. This contact is not necessary to effect establishment of a date certain for weed, vegetation, or grass nuisance abatement. The notice will identify a date certain for which the property must be mowed not to exceed 7 working days. The notice will also include the date of which a 7 working day re-inspection will occur.

(2) Abatement Process. If the owner of the property fails to comply within 7 days, the City shall provide for the abatement of the nuisance and authorize the City contracted mowing service or public works to mow the lot. The officer charged with enforcement shall keep records of the cost of abatement and shall provide information to the City Administrator or designee for assessment against the property in accordance with § 216-8.

(2) Reoccurrence. Once the nuisance has been abated on the property, the property will be monitored by re-inspection on a reoccurring 7 day cycle. If the property has no further noxious weed, rank vegetation or tall grass violations after being re-inspected twice, it will no longer be monitored. If the property continues to have the violation, the property will be abated every 7 days without written notification.

G. **Judicial remedy**. Nothing in this section shall prevent the city from seeking a judicial remedy when no other adequate administrative remedy exists.

§ 216-8 **Recovery of cost.**

A. Personal liability. The owner of the premises on which a nuisance has been abated by the City, or a person who has caused a public nuisance on property not owned by that person, shall be personally liable for the cost to the City of the abatement, including administrative costs. As soon as the work has been completed and the cost determined, the City Administrator or other city official shall prepare a bill for the cost and mail it to the owner. Thereupon the amount shall be immediately due and payable at the office of the City Administrator.

B. Assessment. After notice and hearing as provided in Minn. Stat. § 429.061, as it may be amended from time to time, if the nuisance is a public health or safety hazard on private property, the accumulation of snow and ice on public sidewalks, the growth of weeds and rank or tall vegetation on private property or outside the traveled portion of streets, or unsound or insect-infected trees, and noncompliant lawn sprinkling, the City Administrator or designee shall, on or before September 1 next following abatement of the nuisance, list the total unpaid charges along with all other such charges as well as other charges for current services to be assessed under Minn. Stat. § 429.101 against each separate lot or parcel to which the charges are attributable. The Council may then spread the charges against such property under that statute and other pertinent statutes for certification to the County Auditor and collection along with current taxes the following year or in annual installment, not exceeding 10, as the Council may determine in each case.

§ 216-9 **Violations and penalties.**
Any person convicted of violating any provisions of this chapter is guilty of a misdemeanor and shall be punished by a fine not to exceed $1,000 or imprisonment for not more than 90 days, or both, plus the costs of prosecution in either case.

Section 3 – Effective Date.

This ordinance shall take effect upon its passage and publication in the official City newspaper.

Adopted by the City Council this ___day of _____, 2020.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: December 1, 2020
Subject: Ordinance 2020- XXX Streets and Sidewalks, Amending City Code Chapter 284

Background:

Staff has drafted changes to Chapter 284, Streets and Sidewalks. Significant changes are as follows:

- Clarify language to be consistent with process by Resolutions.
- Updated addressing language to be consistent with Fire Code.
- Updated staff titles.
- Materials on the street have been removed from this section and referenced within Ch 216.

The Ordinance has been posted for the required 10- day notice period.

Recommendation:
Committee of the Whole recommends approval as presented.

Request:
Staff is requesting action on this item.

ORDINANCE NO._____

AN ORDINANCE AMENDING ORDINANCE NO. 109, ADOPTED ON OCTOBER 20, 1984 AND ORDINANCE NO. 256, ADOPTED ON MAY 7, 2002 AND ORDINANCE NO. 502, ADOPTED ON MARCH 16, 2011 AND ORDINANCE NO. 553, ADOPTED ON APRIL 4, 2013 AND ORDINANCE NO. 549, ADOPTED ON APRIL 16, 2013 AND ORDINANCE NO. 600, ADOPTED ON APRIL 7, 2015 AND ORDINANCE NO. 605, ADOPTED ON APRIL 21, 2015 AND TITLED STREETS AND SIDEWALKS

THE CITY COUNCIL OF ISANTI DOES ORDAIN:

Section 1 – Amendment. Ordinance 109, Ordinance 256, Ordinance 502, Ordinance 553, Ordinance 549, Ordinance 600, Ordinance codified in Chapter 284 of the City Code, are hereby amended as follows:

Chapter 284
Streets and Sidewalks

ARTICLE I
Street Naming and Numbering

§284-1. Treatment of existing street names.
§284-2. Official Map.
§284-3. Type and placement of numbering on buildings.
§284-5. Street naming plan to be shown on preliminary plats.
§284-6. Naming and numbering policy.
§284-7. Powers of the Zoning Administrator or his/her designee.
§284-8. Violations and penalties.

ARTICLE II
Location and Maintenance of Sidewalks

§284-9. Purpose.
§284-10. Sidewalk location; exemption.
§284-11. Maintenance required; replacement of damaged sidewalks.
§284-12. Notice to repair.
§284-13. Failure to repair; cost of repair made by City.
§284-14. Snow removal.
§284-15. Construction specifications.
§284-16. Materials on streets, alleys, sidewalks, or public way.
§284-17. Violations and penalties.

ARTICLE III
Traffic Regulations

§284-18. Minnesota Statutes adopted by reference.
§284-19. Exhibition driving.
§284-20. Violations and penalties.

Article I
Street Naming and Numbering

§ 284-1 Treatment of existing street names.
All of the present names of the streets and public ways within the corporate limits of the City of Isanti as assigned and the designations formerly applied to said streets and ways, and whether the same have been fixed by dedication of plats as they appear on file in the office of the County Recorder of Isanti County or by common consent, or otherwise, are hereby revoked, set aside, and extinguished to the extent they are in conflict with the City of Isanti Street Naming and Lot Number Map referenced below.

§ 284-2 Map.

A. From and after the adoption, approval, and publication of this article, there is hereby established a City of Isanti Street Naming and Lot Numbering Map (hereinafter sometimes referred to as the "map"), which will be updated from time to time and is the responsibility of the Community Development Director or his/her designee to maintain. This map will be on permanent file for public inspection in the office of the Community Development Director or his/her designee. It shall be the responsibility of the City to maintain said map

B.

§ 284-3 Type and placement of numbers on buildings.

A. New and existing buildings shall have approved address numbers, building numbers or approved building identification placed in a position that is plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Where required by the fire code official, address numbers shall be provided in additional approved locations to facilitate emergency response. Address numbers shall be Arabic numbers or alphabetical letters. Numbers shall be a minimum of 4 inches (101.6 mm) high with a minimum stroke width of 0.5 inch (12.7 mm). Where access is by means of a private road and the building cannot be viewed from the public way, a monument, pole or other sign or means shall be used to identify the structure. Address numbers shall be maintained.

B. In case a principal building is occupied by more than one business or family dwelling unit, each separate front entrance of such principal building shall bear a separate number, to include a unit number or suite number, if so assigned.

§ 284-5 Street naming plan to be shown on preliminary plats.
The developer, builder, or person making application for preliminary plat shall submit a street naming plan as hereinabove set forth, for review by the Community Development Director or his/her designee. The assignment of names and numbers by the Community Development Director or his/her designee shall be final.

§ 284-6 Naming and numbering policy.

A. City streets shall not be required to fall into any pattern of alphabetical sequence.

B. Major emphasis shall be given to avoiding duplicate and similar sounding names.

C. For all future developments, east-west streets will be designated as streets, and north-south streets will be designated as avenues. Upon approval by the City Council, other designations may be approved, such as parkways, boulevards, trails, courts, etc.

D. Existing street names shall be extended where practical. Avenues shall be numbered and placed within sequential order from the zero starting point.

E. The intersection of the Burlington Northern Railroad line and Main Street shall be considered the zero starting point for the purpose of the lot-numbering system.

F. Numbers shall be assigned to each block in increments of 100 for each block progressing northerly, easterly, southerly, and westerly from said zero starting point.

G. Even numbers shall be assigned to lots on the north side of streets running east-west and on the east side of avenues running north-south.

H. Odd numbers shall be assigned to lots on the south side of streets running east-west and on the west side of avenues running north-south.

I. Where, in the past, odd and/or even numbers have already been assigned along the majority of a street segment and they are not in accordance with the regulations provided in this article, the Community Development Director or his/her designee may continue to assign numbers in accordance with the existing numbers provided.

J. Ordinals shall be placed at the end of each street name, to include NW, SW, NE, or SE, depending upon the location of the street within the City of Isanti street grid system.

K. Street names located on the east side of Trunk Highway 65 shall be consistent with those street names located on the west side of Trunk Highway 65.

L. The City of Isanti has been granted authority through joint resolution with Isanti County to re-address in accordance with this article any property in the Tier One Area. When it has been identified by the appropriate public safety authority that public safety will be enhanced by renumbering and establishing new street names in accordance with this article, the Planning Commission will hold a public hearing to consider such proposals and make recommendations to the City Council for re-addressing in the Tier One Area.

§ 284-7 Powers of the Community Development Director or his/her designee.

A. The Community Development Director or his/her designee shall keep an up-to-date record of all names and numbers assigned under this article.

B. The Community Development Director or his/her designee shall assign to any property owner in the City of Isanti, upon request, a number for each principal building or separate front entrance to such building. In doing so, he/she shall assign only those names and numbers assigned under the provisions of this article; provided, however, that the Community Development Director or his/her designee may assign additional names or numbers in accordance with the system established on the City of Isanti Street Naming and Lot Numbering Map whenever the property has been subdivided, a new front entrance opened, or undue hardship has been worked upon any property owner.

§ 284-8 Violations and penalties.

Violation of this ordinance shall be a misdemeanor and may be punishable by a fine not to exceed $1,000 or imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

Article II

Location and Maintenance of Sidewalks

§ 284-9 Purpose.

The purpose of this article is to ensure the proper placement, location and maintenance of sidewalks. This will allow our citizens the ability to walk, bicycle, and other means of nonmotorized vehicle use to go from place to place within the City.

§ 284-10 Sidewalk location; exemption.

A. Sidewalks shall be placed on the west side and the north side of every street, cul-de-sac, or other necessary area within the City. City staff can modify the location of sidewalks to the other side of the roadway in order to promote contiguous sidewalks and safer pedestrian movement.

B. Industrial Zones are exempt from placing sidewalks, but placing City trails is allowed.

§ 284-11 Maintenance required; replacement of damaged sidewalks.
It is the duty of the property owner abutting on any sidewalk to maintain said sidewalk in a clear, safe and walkable condition.

§ 284-12 Notice to repair.
Whenever any public sidewalk becomes broken, cracked, raised or otherwise in disrepair so as to constitute a hazard to the public passage, the Public Works Department shall give notice in writing of such condition to the owner of the premises abutting the sidewalk. The owner of the property shall be given 30 days from the receipt of the notice to make repairs.

§ 284-13 Failure to repair; cost of repair made by City.
A. If the owner of the premises fails to make such repair within 30 days of being so notified, the Council shall order the necessary repairs made.
B. The cost of such repairs shall constitute a lien against the premises. If the cost of such repair is not paid to the City by September 15 following the making of repairs, the cost shall be certified to the County Auditor as a special assessment against the premises, to be collected in the same manner as any other special assessment.

§ 284-14 Snow removal.
Unless exempted by the City Council, no person shall permit an accumulation of snow or ice to build up or remain on any public sidewalk abutting or otherwise serving lots or parcels located in the City of Isanti 48 hours after public works has completed the removal of a snow event For the purposes of this section, "person" means the owner of record of the lots or parcels or in the event that the premises of any given parcel is under the control of a person other than the owner through a lease or rental agreement, then in that event the lessee or renter shall be responsible for the snow removal required in this article, unless by written agreement the owner is obligated to remove snow and ice from affected sidewalks. If snow or ice is not removed, the City will consider this a nuisance violation in accordance with Chapter § 216. Depending on the severity, the City may have public works or hire a company to remove the snow accumulation and/or ice and bill the property owner for such cost. Any snow and/ or ice events less than 2 inches, in which case the Public Works may not clear, is the property owner's responsibility.

§ 284-15 Construction specifications.
A. Sidewalks shall be five feet wide with six-foot boulevards.
B. Sidewalks must be constructed of portland concrete four inches thick; five inches thick where the sidewalk is part of the driveway.
C. Sidewalks shall be constructed on a three-inch sand cushion. The sand shall be equal to MNDOT regulations and the Isanti engineering design standards.
D. Pedestrian curb ramps for ADA compliance shall be installed on all corners according to MNDOT and City Engineer specifications.
E. The City Engineer and/or Building Official must inspect sidewalk construction.
F. All materials, workmanship, and details of the construction of sidewalks on the public rights-of-way of the City shall be in accordance with the current plans and specifications of the City Administrator or designee.

§ 284-16 Materials on streets, alleys, sidewalks, or public way.
A. No person shall encumber any street, alley, sidewalk, or other public way with barrels, boxes, cans, articles, or any other substances or objects that interfere with the free and unobstructed use thereof. For the purposes of this section, "person" means the responsible owner of record, renter, or occupant of the abutting lot parcel, or building. Such items shall be immediately removed, upon notice from the City to do so. Any such encumbrance shall be deemed a public nuisance in accordance with Chapter § 216 of City Code. Any items deemed to constitute a serious and immediate public health or safety concern may be immediately abated by removal by the City, without prior notice of such abatement, provided notice of such abatement shall be provided to the offending owner of record, renter or occupant of the adjacent lot, parcel or building as soon thereafter as reasonably practicable.
B. Exceptions. Authorized commercial loading zones and community events approved through the appropriate City process and which utilize public streets, alleys, sidewalks, or other public ways are exempt from these

provisions.

§ 284-17 Violations and penalties.
Violation of this article shall constitute a misdemeanor punishable by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Article III
Traffic Regulations

§ 284-18 Minnesota Statutes adopted by reference.
Except as otherwise provided in this chapter, the regulatory and procedural provisions of the Minnesota Statutes, Chapters 168 and 169 (commonly referred to as the "Highway Traffic Regulation Act") and Chapter 171 as amended are hereby incorporated herein and adopted by reference, including the penalty provisions hereof.

§ 284-19 Exhibition driving.

A. Prima facie evidence. It shall be prima facie evidence of exhibition driving when a motor vehicle stops, starts, accelerates, decelerates, or turns at an unnecessary rate of speed so as to cause the tires to squeal, or gears to grind, or sand, gravel or soil to be thrown or an engine to backfire or fishtailing or skidding, or as to two- three- or four-wheeled vehicles, the front tire(s) to lose contact with the ground or roadway surface.

B. Unlawful act. It shall be unlawful for any person to do any exhibition driving on any street, parking lot, or other public or private property, except when an emergency creates necessity for such operation to prevent injury to persons or damage to property; provided that this section does not apply to driving on a licensed racetrack with permission and under the auspices and direction of the licensee.

§ 284-20 Violations and penalties.
Violation of this article shall constitute a petty misdemeanor punishable by a fine not exceeding $300, plus the costs of prosecution.

Section 2 -Effective Date.
This ordinance shall take effect upon its passage and publication in the official City newspaper.
Adopted by the City Council this ___day of _____, 2020.

MEMORANDUM

Date: November 20, 2020

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Proposal to Write and Administer a Request For Proposals for General Architectural Services for the Liquor Store Building
City of Isanti, MN

As directed by the City Council at the November 17, 2020 council meeting, Bolton & Menk will write a Request for Proposal (RFP) to obtain general architectural design services for the proposed liquor store building. This will request general building design services, not actual construction services. The construction contractors will bid on the plans and specifications created by the selected design firm.

The proposed building will be designed to meet city zoning requirements. The building can generally be described as a 11,750 square foot building housing the proposed liquor store facilities depicted in the initial layout sketch. Bolton & Menk will serve as the Civil Engineer on this project and complete the site and utility design through a separate proposal.

The proposed scope of work will be described in the RFP and a lump sum fee will be requested to include the following services: cost estimating, structural engineering design, mechanical engineering design, electrical engineering design, plumbing design, HVAC design, fire sprinkling design, exterior design & interior design, and other related design services from pre-design to project closeout.

Separate proposals for each individual design service will not be requested, as the City does not plan to act as the General Contractor on this project.

Our scope of work to solicit these proposals will include the following:

- Write a Request for Proposal detailing the specific needs and desired type of building the City has conceptualized.
    - Incorporate City Staff, City Council, and City Attorney comments into the RFP.
- Hold one pre-bid meeting to discuss specifics of the project with bidders.
- Respond to bidder questions.
- Issue addenda as needed to address bidder issues or requested changes.
- Receive and compile proposals.
- Compare and contrast proposals for Council to make a selection.
- Assist with contract documents between the City and the selected firm.
- Hold one kickoff meeting with the City and the selected firm.

Should the City elect to proceed with this request for proposal, we propose to complete the above tasks for a lump sum fee of $4,740.

The RFP will be brought to the December 15, 2020 council meeting for approval to be advertised. It is recommended to solicit proposals from up to 5 selected firms. Should the City elect to make this RFP

publicly available, it is recommended to advertise for a minimum of 3 weeks due to the upcoming holiday season.

The received proposals will be brought to the January 19, 2021 council meeting for consideration. Plans and specifications are estimated to be ready for construction contractors to bid in April 2021 with a bid opening in May and construction starting in June 2021 at the earliest.

The contract will be prepared by the City Attorney and be between the City and the selected firm. Bolton & Menk does not warrant the selected firm will meet budgeted project costs, timelines, or desired quality or results.

15 months from award of the contract is the earliest anticipated building occupancy date. Should the City elect to award the Brunton Architects fee proposal previously presented at the November 17, 2020 Council Meeting, the project schedule could be expedited by 3-4 months and the cost to go through this RFP process would not be incurred.

Please contact me at (763) 200-2444 if you have any questions or need additional information prior to the meeting.

MEMORANDUM

Date: November 10, 2020

To: Honorable Mayor Johnson and Members of the City Council
City of Isanti

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Services Proposal to Complete Liquor Store Design & Construction
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for engineering services for the building and site design of the proposed liquor store at 10 6th Avenue SE.

The proposed parking lot and building will meet City zoning requirements. The building can generally be described as a 11,750 square foot building housing the proposed liquor store facilities depicted in the initial layout sketch attached.

Site Design & Construction:

We propose for Bolton & Menk to perform the site design, project management, construction surveying and construction inspection needed to facilitate the completion of the proposed parking lot and utility extension for the new liquor store building.

We propose to complete the site design and specifications, through bidding, for an hourly, not to exceed, fee of $35,000.

We propose to complete site construction staking, project management, and site inspection services, for an hourly, not to exceed, fee of $30,000. This does not include building inspections.

Building Design & Construction:

We proposed to bring Brunton Architects onto the project team to perform the building design through construction. Their proposed scope of work and lump sum fee is attached and includes cost estimating, interior design, structural, mechanical, plumbing, electrical, and fire sprinkling design services from pre-design to project construction and project close out. Bolton & Menk will not add on any overhead fees to take on Brunton Architects as a sub-consultant.

Assumptions made in determining the scope of Brunton Architect's fees:

- Prefabricated concrete walls will be used to reduce project cost and engineering design costs.
- A non-pitched deck roof will be used as the base design.
  - A pitched metal roof would add approximately $300,000 in total project cost and require space inside the building to be taken up by typically roof mounted equipment such as HVAC.

Brunton Architects scope and fees in the attached document are proposed as a lump sum fee of $192,000. These fees are at industry standard and include interior design and alternate building renderings.

The proposed total engineering fees are significantly lower than the budgeted amount for these services.

Please contact me at (763) 200-2444 if you have any questions or need additional information.

RE: Professional Design Services for a New Retail/Municipal Liquor Store in Isanti, MN

Dear Jason:

All of us at Brunton Architects & Engineers are truly honored to be submitting a proposal that encompasses the extent of our professional design services offered. We believe it is the attention to detail that determines the difference between a good project and a great one. Our staff of architects, interior designers, and engineers are dedicated to working side by side with our clients while guiding them through the entire design process from beginning to end.

Brunton Architects & Engineers has assembled a design team with skills best suited for the municipal liquor store project planned for Isanti, Minnesota. Our team is ready and excited to provide architectural design, interior design, mechanical engineering, plumbing design, electrical engineering and structural design engineering services to ensure that the project is custom tailored to your client's specific needs. It is our understanding that the civil design engineering will be provided by Bolton & Menk and are not included as a part of this fee proposal.

Project Understanding

Design services included in this proposal are for an architectural precast concrete building with one steel beam and column line in the middle of the building to help reduce total construction costs. The building is being planned as having 23 ft sidewall heights, steel bar joist roof structure, metal deck, sloped structure with rigid insulation, and polished concrete floors in the retail areas of the building. The proposed building size is approximately 11,750 SF in its footprint. The building will be used as Municipal Liquor Store located in Isanti, MN and is to be located on a City owned commercial

lot. Design services included in this proposal are Architectural, Interior Design (color and material selections), Structural, Mechanical, & Electrical engineering. Preliminary cost estimating will also be provided by Brunton for use in helping to establish construction and FF&E Budgets. Civil design services will be employed directly by the City of Isanti.

At Brunton Architects & Engineers, we look at all design projects from owner, end user, and contractor viewpoints. We pride ourselves on being a design driven firm that is detail oriented in everything we do.

Below is a brief summary of our understanding of the project;

Project Description – Municipal Liquor Store

1.	Number of Buildings:	One
2.	Size:	roughly 11,750 SF
3.	Height/Stories:	One Story
4.	Construction Type:	Precast Concrete Walls and bar joist and deck roof**
5.	Use:	Retail
6.	Location:	Isanti, Minnesota

**An optional metal joist and standing seam metal roofing system can be explored for additional design fees as it greatly increases the design requirements of the project. Its estimated that the increase in construction costs for the different roof structure and roofing system, along with HVAC design requirements might be around $250,000-$350,000. As previously mentioned, the HVAC systems would need to convert to an air handling system and be ground mounted requiring more site area for the units to sit within in an enclosed area. If chosen, the design fee will increase by $36,000 due to additional detailing and engineering needed for all the trades effected.

ARTICLE 1 Scope of Services

1.1 Schematic Design Phase

1.11 The development of refined concept floor plans, a site plan, and exterior/design aesthetics will be developed based on the approved scope. In addition, design solutions will be provided for various exterior elevation studies that face the street.

1.12 Exterior renderings will be produced for review and approval by the City.

1.13 Building code analysis and review of site requirements.

1.14 Hold a meeting for review and approval of the Schematic Design Phase documents and drawings with associated costs.

1.2 Design Development Phase

1.21 Prepare necessary drawings to convey the next level of detail based on the approved Schematic Design Phase. Brunton Architects & Engineers will refine the design and our interior design department will prepare color and material options for your review and approval.

1.22 Coordination with civil, architectural, structural, mechanical, electrical, and plumbing design teams.

1.3 Construction Document Phase

1.31 Preparation and coordination of detailed civil, architectural, interiors, structural, mechanical, and electrical specifications and drawings in preparation for permit review and City approval.

1.32 Final construction documents meeting for review and approval with you and the City.

1.33 Final Review of the International Building Code and Minnesota State Building and ADA accessibility code compliance.

1.4 Bidding & Construction Administration Phase

1.41 Provide Bidding & Construction Administration services for overseeing the construction phase and for compliance with the approved building permit and construction documents.

1.42 Prepare required addendums, as necessary, during bidding.

1.43 Assist in the review of bid results from General Contractors (GC) and/or value engineering. Make recommendation for award of bid to a GC.

1.44 Perform site visits to ensure compliance with construction documents.

1.45 Provide a review of all submitted architectural and engineering shop drawing submittals.

1.46 Generate a list of items in need of repair / replacement at project close out.

1.47 Perform 1-year walk-through with you (12 months from date of completion) to verify that the finished product continues to meet your expectations.

ARTICLE 2 COMPENSATION

2.1 Total fee for project phases listed below.

Professional Fee = $192,000 Lump sum/Not to Exceed*
(*includes Pre-design cost estimating, architectural, interior design, mechanical, plumbing, fire sprinkling, structural, and electrical design engineering)

Schematic Design	25% of Professional Fee
Design Development	20% of Professional Fee
Construction Documentation	45% of Professional Fee
Bidding and Negotiating	5% of Professional Fee
Construction Administration	5% of Professional Fee

ARTICLE 3 REIMBURSABLE EXPENSES

3.1 Reimbursable expenses shall include postage, shipping, messenger services, printing, and reproduction (printing for in-house use by architect and engineer is included).

3.2 All other requested services shall be billed at the following rates.

Senior Architect/Principal	$194.00
Project Architect 2	$142.00

Project Architect 1	$131.00
Project Manager	$132.00
Sr. Mechanical Engineer 2	$168.00
Sr. Mechanical Engineer 1	$157.00
Architectural Technician 2	$115.00
Architectural Technician 1	$105.00
Interior Designer 2	$125.00
Interior Designer 1	$110.00
Interior Design Intern	$ 65.00
Mechanical Technician	$105.00
Clerical	$ 68.00
Mileage Charge	$ 00.58 per mile
Consultants	1.10 times cost
Printing Reproduction	1.10 times cost
Postage	1.10 times cost

*Rates are valid for the 2020/2021 calendar year and are adjusted annually as dictated by market conditions.

ARTICLE 4 PAYMENT

4.1 Billing shall be monthly based on the percentage of the work complete on the last day of the month. Payment shall be due no later than 30 days after the statement date.

4.2 Late charges shall be added at a rate of 1-1/2 percent of the past due amount beginning on the thirty-first day after the statement date.

4.3 A retainer payment of $5,000.00 shall be made upon execution of this agreement and is the minimum payment under this agreement. The retainer amount shall be credited to the Owner's account in the final invoice. Remit all payments to the office of Brunton Architects & Engineers in North Mankato, MN.

ARTICLE 5 MISCELLANEOUS PROVISIONS

5.1 The prices quoted herein shall be in effect until thirty days past the date of the proposal and are subject for review and revision for any work not authorized to be completed after that date.

5.2 Drawings shall remain the property of Brunton Architects and are to be used for the construction of this project only.

ARTICLE 6 MECHANIC'S LIENS

6.1 Any person or company supplying labor or materials for this project may file a lien against your property if that person or company is not paid for the contributions.

6.2 Under Minnesota law, you have the right to pay persons who supplied labor or materials for this project directly and deduct this amount from our contract price, or withhold the amounts due them from us until 120 days after completion of the project unless we give you a lien waiver signed by persons who supplied any labor or material for the project and who gave you timely notice.

Thank you again for the opportunity to present this proposal for your consideration. Please call our office at 507.386.7996 with any questions or concerns regarding the information contained in this document.

Sincerely,

Corey Brunton

A Community For Generations.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: December 1, 2020
Subject: Development Agreement Amendment – Legacy Pines

Background:
The City has entered into a development agreement with Everpine Land Holdings, LLC (developer) for the development of Legacy Pines 2nd and 3rd Addition. As part of each development agreement a Letter of Credit (or cash) is collected as a financial guarantee for the project in the amount equal to 125% of the estimated amount of the required Developer Installed Improvements. According to the agreement "the City shall have the right to retain the financial guarantee until the Developer Installed Improvements have been completed to the satisfaction of the City. The Developer has a right to request reduction of the escrow, or letter of credit (LOC) amount as work on the Developer Installed Improvements progresses. Specifically, the Developer shall send a written request to the City's Engineer for a specific reduction in the amount of the escrow, or letter of credit. The City Engineer shall review that request and make a recommendation to the City as to whether or not the escrow, or letter of credit should be reduced and if so, to what amount. The City shall then decide whether or not to reduce the escrow, or letter of credit. The City, however, will not reduce the escrow, or letter of credit, below 20% of the estimated cost of the Developer Installed Improvements until after submittal of record plan documents as required by paragraph 25, or below ten percent (10%) of the total construction cost of the Developer Installed Improvements until two (2) years following acceptance of the Developer Installed Improvements. At that point, the escrow, or letter of credit shall be released or refunded, as the case may be, assuming no warranty work remains to be done."

At the developers request the Letter of Credit for the 3rd Addition was broken into phases to reduce the cost of the LOC.

The developer has requested to reduce the LOC balance and amend the terms of the development agreement. The table below represents the current amount being held, City Engineers recommended amount to hold and the developers requested amount to hold:

Legacy Pines Phase	Current LOC/Cash	Engineer Recommendation	Developer Requested balance
2nd Addition	$84,006.42	$84,006.42	$20,000
3rd Addition Phase 1	$366,782.13	$172,787.35	$80,000
3rd Addition Phase 2	$351,025.72	139,946.89	$80,000
Total	$801,814.27	396,740.66	$180,000

Please refer to the City Engineer's memo dated November 19, 2020 for his recommendations. There is still outstanding work to be done in each phase. Going against the Engineer recommendation requires a

development agreement amendment for each phase and is not supported by staff. Reducing the LOC puts the city at risk. The LOC is for the city to complete the work if the developer does not.

Request:

Consider the LOC reduction presented in the table above. Staff is not in support of the proposed amendment. If Council would like to amend the agreements, the direction would be to direct staff to work with the City Attorney to draft the amendments.

MEMORANDUM

Date: November 19, 2020

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Legacy Pines Letter of Credit Adjustments
City of Isanti, MN
Project No.: R13.117438

Legacy Pines 2nd Addition:
The Developer has requested a reduction to the remaining Letter of Credit for Legacy Pines 2nd Addition.

We do not recommend reducing the Letter of Credit any further at this time as there are remaining items to complete (signage, striping, turf establishment, updated record drawings, contractor lien waivers) before the Letter of Credit should be lowered to the warranty period levels called out in the Development Agreement.

Legacy Pines 3rd Addition:
The Developer has requested a reduction to the Letters of Credit for Legacy Pines 3rd Addition Phase 1, Phase 2 Utilities, and Phase 2 Street.

They have paid Kuechle Underground for work completed to date, including the installation of all underground utility work, curb & gutter, and the first lift of pavement planned for Phase 1 and Phase 2 of this development. Remaining work items include wear course, sidewalk, lighting, signage & striping.

The work to date has been found to be in compliance with City standards and all tests have passed.

The Development Agreement requires the City retain 125% of any remaining work and 20% of all completed work to date on these phases until the warranty period begins where the Letter of Credit reduces to 10% of the construction cost.

We have calculated the required minimum balances for each Letter of Credit and have the following recommendations:

Phase 1 - Letter of Credit: Recommend reducing Letter of Credit to a balance of **$172,787.35.**
- Hold 125% of remaining work ($111,150.25) and 20% of completed work ($61,637.10).

Phase 2 Utilities - Letter of Credit: Recommend reducing Letter of Credit to a balance of **$44,285.14.**
- Hold 20% of completed work ($44,285.14).

Phase 2 Street - Letter of Credit: Recommend reducing Letter of Credit to a balance of **$95,661.75.**
- Hold 125% of remaining work ($70,982.69) and 20% of completed work ($24,679.06).

The remaining balances of the Letters of Credit are in compliance with the Development Agreement and are anticipated to be sufficient to complete the project as proposed while covering any incurred overhead costs including testing, inspection, and contract administration.

Please contact me if you have any questions.

RE: Legacy Pines Subdivision
Amendment Request to Development Agreement

Dear Sheila:

Please see the attached analysis and request concerning the cash sureties in relation to the Legacy Pines development.

I'm asking that this be put before the Isanti City Council at the earliest time possible. I believe that meeting will be December 1st. Just an advance notice for you – I would very much like to attend that meeting to answer any questions that may arise surrounding this request but I already know that I will be out of town that date. I can make myself available at any earlier date or time if that would work.

Please let me know if you require anything further from me or have any additional questions.

Thank you for your assistance with handling this request.

Sincerely,

EVERPINE LAND HOLDINGS, LLC

Robert J. Machacek
Chief Operating Officer

Legacy Pines Development
Summary of Cash Sureties

Development Addition/Phase	Amount Currently Being Held	Proposed - Your Review	Everpine Land Request
Legacy Pines 2nd Addition	$ 84,006.42	$ 84,006.42	$ 20,000.00
Legacy Pines 3rd Addition - Phase 1	$ 366,782.13	$ 172,787.39	$ 80,000.00
Legacy Pines 3rd Addition - Phase 2	$ 353,025.72	$ 139,946.85	$ 80,000.00
Totals	$ 803,814.27	$ 396,740.66	$ 180,000.00

Work Items Remaining - Per Email of November 17 from Jason Cook, Engineer for the City:

Legacy Pines 2nd Addition:

* Turf Establishment by the City Park parking lot
* Some striping
* Some signage missing

Legacy Pines 3rd Addition - Phases 1 & 2:

* Bituminous Wear Course
* Sidewalk & Ped Ramps
* Signage & Striping
* Turf Establishment & some erosion control
* 1/4 mobilization and traffic control items
* Street Lights (I have already paid for these - just waiting for Connexus Energy to install)

*** Jason's Email notes a total of approximately $145,000 of incomplete work exists**

MY REQUEST:

I have done what I said I would do.

We have made a huge investment in the City of Isanti and deployed a large amount of capital here. For the City to retain approximately $400,000 over the next 6 "dead" winter months (when there's not even $150,000 of work to complete per bids) is a very costly and unnecessary deployment of capital. I believe this project has benefited the City greatly.

We will complete all current incomplete work next Spring along with constructing the 3rd and final phase of the 3rd Addition.

I respectfully submit this request to the Isanti City Council and request an amendment to the current Development Agreement. I am requesting this change and am asking that the current amounts being held be reduced to the amounts shown above in the "Everpine Land Request" column. I hope that the City Council will consider all the various aspects surrounding this request.

Thank you for your consideration.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: December 1, 2020
Subject: Sign Consideration for Best Western

Background: Best Western is requesting consideration of a pylon sign that was denied by previous administration.

The Development Operations and Advisory Committee (DOAC) met in November 2019 to discuss Best Western's freestanding sign. The DOAC has since been dissolved but at that time they reviewed the pylon sign and denied the sign Best Western proposed. The memo is attached for reference. The memo is from the previous Community Development Director he states the Community Development Department "has enforced strict pylon sign regulations to enhance the aesthetics of the TH-65 corridor. All signs either have a brick base or a brick pole cover."

Best Western is located in the TH-65 Overlay District. Highway 65 provides the main entrance into Isanti from the north and south. It is the purpose of this district to enhance the first impression of Isanti through development of a corridor that is inviting, visually appealing and a place that community members want to visit and passersby want to stop. This district is designed and intended to promote the development of an attractive view of the community from Highway 65 through architectural and signage controls, landscaping, screening, building orientation and other features. However, the sign code does not provide design specifics. The code allows a 200 square foot freestanding sign with a maximum height of 45 feet. Based on the purpose of this district it makes sense to hold the signage to a higher standard. Past administration has required freestanding signage along the corridor to have a brick base or brick pole cover and required the same for Best Western.
Best Western recognizes the desire of the district but it is not a code requirement nor called out in their development agreement to provide a sign with a brick base. They have proposed a compromise with the proposed sign. They propose to do a pylon sign that has aluminum skirting on the base, not brick. This is similar in appearance to Strikes Funeral Home's sign.

Planning Commission: The Planning Commission reviewed this request at their November 17, 2020 meeting. No one from the public commented on this item. A representative for the hotel was present for the discussion. The Planning Commission in general liked the sign that was presented, but wanted to keep the signage more in-line with what was approved along TH 65, with a brick base. The Planning Commission asked the hotel to compromise and put a 3-4-layer brick base around the sign and landscaping. The Motion passed 4-2 Gordon and Bergley no.

Request:
Consider approving the sign as proposed with the Planning Commission's recommendation of adding 3-4-layers of brick at the base and landscaping.

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR COPIER SERVICES

WHEREAS, Staff solicited and received quotes for copier services from three companies supporting six different copier vendors due to extended service and performance concerns with the current copier provider; and,

WHEREAS, Staff evaluated the quotes received for costs of overall service and cost per page; and,

WHEREAS, the lowest overall monthly estimated cost is Loffler with the Canon unit which holds State Contract pricing; and,

WHEREAS, incorporation of the new unit will also allow for color printing of materials internally and decommissioning City Hall's current color printer which is cost prohibitive to maintain;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, the following:

1. Hereby award the contract for copier services to Loffler.
2. That the City Administrator is hereby authorized to enter into an agreement with Canon for the copier unit and with Loffler for copier services for the City of Isanti for a five year period.
3. That the City Administrator is hereby authorized to terminate the current contract with Toshiba.

This resolution was duly adopted by the Isanti City Council this 1st day of December, 2020.

Attest:

K. Business Items
Finance Director Mike Betker
1. **Resolution 2020-203** Approving Certification of Delinquent Charges for City Services Collectible in 2021
Finance Director, Mike Betker, shared that this is the annual assessment for delinquent utilities and this year is a longer list and a higher dollar amount than in the past due to no shutoffs and penalty fees. Betker shared that even if council approves the list for certification payable in 2021, a fair number of people will pay theirs before it

goes to the County or before the end of the year. He will update the County and the charges would not show up on their property tax statement.

Motion by Lundeen, second by Lundeen to approve resolution as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

2. Sale of EDA and City Land PID 16.029.1400 and 16.053.0151 to UPS

Community Development Director, Sheila Sellman, shared that the Economic Development Authority (EDA) reviewed the purchase agreement at their last meeting and recommended approval. Per the City Attorney, the City is looking to sell two parcels of land to UPS so they can expand. During that process, EDA will need to deed land to the City and the City will do the land combination with UPS and sell it to them for their expansion.

Motion by Lundeen, second by Bergley to approve the sale of EDA and City land PID 16.029.1400 and 16.053.0151 to UPS. Motion passed 4-0. Motion carried. (Councilmember Collison exited room prior to Council action)

City Engineer Jason Cook

3. Liquor Store Engineering & Architectural Services Proposal

City Engineer Jason Cook shared that this is the next step in the Liquor Store process now that the land is purchased and it has began being surveyed. This proposal is for the site design and construction of the new store at 10- 6th Avenue SE. Bolten & Menk proposes for them to perform the site design, project management, construction surveying and construction inspection needed to facilitate the completion of the proposed parking lot and utility extension for the new liquor store. Cook further shared at the last meeting it was discussed to have a pitched roof and the cost estimate from Brunton Architects for a pitched roof is roughly $150,000, but with a pitch the HVAC system cannot sit on the roof and has to move into the building and changes the site and all the engineering that goes with it is for an approximate $250,000-$300,000.

Councilmember Lundeen addressed his concerns regarding a flat roof in Minnesota. He also addressed his concern for the cost regarding the HVAC being put in a different location other than the roof due to a pitched roof.

Councilmember Collison stated that in the cities they put HVAC systems on the roof to reduce theft but he did not see the need for that in Isanti.

Motion by Lundeen, second by Collison to postpone to December 1st meeting for further discussion and for Bolten-Menk to bring proposal for RFP to the December 1st meeting. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $466,656.57 Payroll in the Amount of $116,584.10
2. **Resolution 2020-204** Approving the Engagement Letter for the 2020 Audit
3. **Resolution 2020-205** Offering the Position of Part-Time Liquor Store Clerk to Jennafer Horgen
4. **Resolution 2020-206** Approval of Promotion for Liquor Store Clerk III to Christy Bonczek
5. Accepting 2020 Position Classification and Compensation Study Report Presented 11.4.2020

Motion by Lundeen, second by Bergley to approve the consent agenda as presented. Motion passed 5-0. Motion carried.

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, NOVEMBER 17, 2020 – 5:00 P.M.
CITY HALL

This meeting was held virtually via Zoom.

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley (via telephone), Steve Lundeen and Dan Collison

Members Absent: None

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Community Development Director Sheila Sellman, Chief of Police Travis Muyres, Liquor Store Manager John Jacobi and Parks, Recreation and Culture Board Manager Jenny Garvey

D. Public Comment

E. Committee Meeting Items

1. Liquor Updates
   - Gross profit for the months of August through October was approximately 27.23% sales during the same time frame have been continually above 30%. Sales have been over $300,000 every month since March.
   - Liquor Store Manager John Jacobi completed 6 years on the MMBA Board of Directors and 5 years as Vice President of the MMBA, John Jacobi has developed some great relationships with many stores.
   - Personal goals for 2020-2021 are as follows:
     - Continue working through wines, liquor and mixes that are not selling or out of stock and introduce new lines that have better movement.
     - Pull up movement reports and weed out slow sellers.
     - Plan for a larger online presence getting more involved with promotion and online email blasts.
     - Keep a consistent gross profit above 24% and continue to monitor monthly.
     - Plan to conduct online ordering for curbside ordering for curbside pickup abilities for the future location.
     - Work withy committee on Fall/ Holiday Tasting Events and continue doing an in-store tasting the first three Thursdays in October post Covid.
     - Conduct a wine and food pairing training for all employees post Covid.
     - Develop a "Holiday Focus Wine List" for employees to help customers with food and wine pairings.

- Plan on utilizing beer tastings with breweries to help promote new local craft beers post Covid.
- Plan and direct Full-Time department responsibilities utilizing department assignments for 2 Full-Time positions.
- Continue to run an ad in the Scotsman every month for 2021.
- Continue the Facebook page for the liquor store with some boosting opportunities in 2021.

- The MMBA Food Drive ran through the month of October. Customers donated over $200 in cash. Which will be donated to Family Pathways of Isanti County.

2. Proposed 2021 Fee Schedule Changes

- Highlighted changes to the fee schedule include:
  - Flat fees for deck permit and lower level finishes with deck a $300 flat fee and basement finish a $300 flat fee as well.
  - No investigation fee for a Non-profit Peddler's Permit.
  - No fee for a Non-profit Administrative Permit.
  - Councilmember $50 compensation per meeting and board member $25 compensation per meeting per.

3. Proposed 2021 Budget Updates

- The Isanti City Council approved the 2021 preliminary budget on September 1st, 2020. Since then a number of items have warranted further review and consideration. Changes recommended by the Committee will be represented in the 2021 final budget to be considered by the Council on December 1st, 2020.
- The following proposed changes have been broken down into two broad categories. The first is compensation related. These changes include proposed implementation of the compensation study and also hiring a Building Official and ending the contract with MNSpect.
- The second category is simply all other budget related items.
- Highlighted changes to the proposed budget include:
  - The second category is simply all other budget related items.
  - Portable radios will be taken off of the Capital Improvements plan for next year as Covid funds has allowed for them to be purchased. It will stay on the rotation so it is scheduled for its purchase at the end of its life cycle.
  - Towns Edge Road and Isanti Hills will be moved to 2026 and 2025.
  - Increase budget of $44,000 for Stormwater Maintenance Program.
  - Water Meter Network Infrastructure and Water Meter Radios on the existing meters to 2022.
  - Take out all of the old water meters in 2028.

4. Ordinance Drafts for Discussion and Consideration

- Chapter 284 Streets and Sidewalks proposed changes include:
  - Removal of the language referring to an official map as there is no official map. There is City maps such as streets map and addressing map that is updated by the Community Development Director or designee but no official map.

- Placement of numbers on buildings has been changed reflect fire code as the numbers were not large enough.
- Address numbers have been updated due to typos.
- Adding language to what the practice is for damaged sidewalks.
- Snow Removal section has been reevaluated for all chapters to say the same thing where Public Works does it then the resident needs to do it and also have align with Chapter 216, Nuisances.
- Materials on streets, alleys, sidewalks, or public way has language removed and simply references Chapter 216.

- Chapter 227 Parking and Storage proposed changes include:
  - Adjustments to definitions within the chapter.
  - Add parking along the East side of 9th Avenue from 8th Ave NE extending South 500 feet.
  - Add parking along both sides of 8th Avenue NE extending South from Heritage Blvd NE to the intersection of 8th Ave NE and 9th Ave NE
  - Add parking along both sides of 8th Avenue NE extending 300 feet Southwest from intersection of 9th.
  - Add Parking along the West side of 3rd Avenue NW extending 170 feet North from Heritage Blvd NW continuing along the West side of 3rd Avenue NW 550 feet North between the hours of 3:15 and 4:15 Monday thru Friday.
  - Add parking along the east side of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW.
  - Add Section 2, number 10 to include no motorized vehicle permitted to stay stationary on street, roadway or in a municipal parking lot for more than 7 consecutive days without prior approval from the City Administrator or Police Chief or designee.
- Chapter 270 Snowmobiles and Special Vehicles
  - Current Ordinance states that operation can only be done on private property with permission.
  - Recommendation from Committee is to include language to allow for snowmobiles to go to and from trails on roadways.
- Recommendation from Committee is to bring all 3 Ordinances back to Committee of the Whole with changes for further discussion.

5. Discussion on Isanti Community Center Phone

- The Isanti Community Center has a landline phone that is located in the kitchen. This phone is used for Senior Dining Program that is run by Catholic Charities.
- Catholic Charities advertises for people to call Monday-Friday 10:30 a.m.-1:30 p.m., however the phone rings at all hours of the day.
- The phone will ring during other renters' events and staff has received complaints.
- The phone line does have to remain for the fire system, but it does not need to be a line that rings out via a phone.
- With advanced technology and cell phones, this would be an alternative for Catholic Charities to have for their needs.
- The needs of the facility do not warrant a public phone to use.

- If the public phone does stay, Catholic Charities is requesting to place a phone with an answering machine in the kitchen. This will not eliminate the phone from ringing during any renters' event, this will only allow their staff to get messages from their users.
- Another alternative option would be to have their users call Catholic Charities phone number and they can relay the message to their own employees.
- Recommendation from Committee is to remove phone and transfer phone number to Catholic Charities.

6. Goal Setting
- Consensus from Committee is to have goal setting within the January Committee of the Whole meeting.

F. Adjournment
Meeting was adjourned at 7:00 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Moore

CITY OF ISANTI

PLANNING COMMISSION MEETING

TUESDAY, October 20, 2020

Immediately following the 7:00 P.M City Council Meeting;

1. **Meeting Opening**
   - A. Call to Order: Chair Johnson called the meeting to order at 7:15 p.m.
   - B. Pledge of Allegiance
   - C. Roll Call: Members present: Jeff Johnson, Steve Lundeen, Jimmy Gordan, Paul Bergley, Arissya Simon.
     Members Absent: Dan Collison, Alexander Collins
     Staff present: Community Development Director Sheila Sellman, Community Development Specialist Ryan Saltis, City Engineer Jason Cook
   - D. Agenda Modifications: None

2. **Meeting Minutes**

   A. Approval of Minutes from October 20, 2020 Planning Commission Meeting motion by Bergley, second by Collison motion passes 5-0.

3. **Public Hearing**

   A. Ordinance Amending the City Code, Chapter 253 Rental Dwellings. Saltis explained that the rental dwelling section of City Code needs to be amended to update residency requirements and introduce fees for late submitted rental paperwork. Currently the code restricts owners of rental properties or their agents to reside in adjacent counties to Isanti County. This requirement is proposed to be removed to allow owners, landlords and agents to reside wherever. The advancements of technology and availability of local contractors make it easy to maintain a rental property remotely. The next amendment to the rental dwelling section involved introducing fees for rental paperwork submitted past deadlines. Currently in code, there are no late fees for submitting rental license renewal applications past the deadline, and it is proposed to add these fees to enforce a penalty for late submissions of paperwork. No one from the public was present to speak at the public hearing. The Planning Commission recommended approval of the ordinance amendments. Motion for approval of the ordinance amendments by Lundeen, 2nd by Gordon, motion passed 5-0.

   B. Ordinance Amending the City Zoning Code, Chapter 536 Subdivision. Sellman explained that the Subdivision ordinance should be amended to reflect current positions held by city staff. This would remove the language "City Planner and Zoning Administrator" and replace it with "Community Development Director or designee". The final plats for subdivisions should only be reviewed by the City Council for approval, as the ordinance currently states that the Planning

Commission has to review final plats, which delays the approval process by one month. No one from the public was present to speak at the public hearing. Motion for approval to amend the Subdivision ordinance by Bergley, 2nd by Lundeen, motion passed 5-0.

4. **Other Business:** None

5. **Discussion Item:** Concept Plan. Sellman introduced a concept plan for a possible development located on County Rd 5 that would accommodate home buyers at all stages of life. The lot breakdown as well as current and future zoning of the parcels was discussed. Jay Roos from Paxmar Land Development was present at the meeting and spoke on behalf of the project. The planning commission asked questions to the developer regarding the project and seemed open to allowing for the future land use for the parcels to change from commercial to residential.

6. **Adjournment:** Motion by Lundeen, 2nd by Bergley to adjourn, motion passed 5-0 meeting adjourned at 7:31 p.m.

Respectfully submitted by Ryan Saltis, Community Development Specialist

A Community For Generations.

Isanti

MEMO

To: **Mayor Johnson & City Council Members**

From: Finance Director Betker

Date: December 1, 2020

Subject: 2021 Final Budget and Levy Adoption

Background:

The proposed final property tax levy is $3,025,763 and reflects an increase in the taxable market value for 2021 of 12.03%.

The proposed final property tax rate is 61.18%. An increase of 0.0% from 2020 and a decrease of 28.81% from the 2017 tax rate of 85.93%. The 15-year average tax rate from 2006 thru 2020 is 67.63%

General Fund expenditures have been adjusted based on prior year actual costs, current year expenditures thru October, actual maintenance agreements and contracted costs. All wages include a 3% COLA for 2021 and include the necessary step increases, where applicable. Dental Insurance, Worker's Compensation, Property/Liability/Volunteer Insurance, and Life/AD&D Insurance have all been adjusted to reflect premiums paid in 2020 and any necessary inflationary factor was applied. Health Insurance premiums increased, depending on plan structure, between 13.6% and 14.3%.

Current Action:
Consider Final 2021 Budget and Associated Resolutions

Attachments:

K. Business Items

Finance Director Mike Betker

Truth-In-Taxation (Presentation, Public Comment)

Finance Director, Mike Betker, shared a PowerPoint presentation in regards to the 2021 Budget. Highlights from the presentation include how property tax is calculated, a proposed tax rate for 2021 of 61.18% with 0.0% change from 2020. Betker continued to share the components of the municipal budget: Operating Revenue/ Expenditures, Intergovernmental Revenue/ Expenditures, Capital Projects and Capital Maintenance/ Replacement and an overview of the budget summary. The proposed Levy is $3,025,763. Betker stated it has gone up due to Public Works building, Amphitheater, Restrooms and Splash Pad projects. Even though the tax rate change is 0.0%, the tax rate has come down a lot with the average tax rate from 2016 to 2020 is 74.77% and the average tax rate from 2006 to 2020 is 67.63%.

Mayor Johnson opened the meeting for public input at 7:38 p.m.

No one from the public spoke.

Councilmember Bergley asked how much money was being saved by hiring a Building Official "in- house".

Betker stated at least $100,000.

Councilmember Lundeen mentioned that keeping the tax rate flat is huge.

Councilmember Gordon shared his concerns regarding building an Amphitheater.

1. **Resolution 2020-208** Adopting the 2021 Final Budget

Motion by Lundeen, second by Bergley. Motion passed 4-1 with Gordon voting nay. Motion carried.

2. **Resolution 2020-209** Adopting Final 2020 Tax Levy, Collectable 2021

Motion by Lundeen, second by Collison. Motion passed 4-1 with Gordon voting nay. Motion carried.

3. **Resolution 2020-210** Adopting Final 2021 Enterprise Fund Budgets

Motion by Collison, second by Bergley. Motion passed 5-0. Motion carried.

4. **Resolution 2020-211** Approving a Cost of Living Adjustment (COLA) for Non-Union Employees

Motion by Bergley, second by Collison. Motion passed 5-0. Motion carried.

5. Consider Debt Levy Variance from Original Bond Register
   A. **Resolution 2020-212** Reducing Debt Levy Requirements for GO Bond 2010B
   B. **Resolution 2020-213** Reducing Debt Levy Requirements for GO Bond 2011A

Motion by Begley to approve 5.A. and 5.B., second by Collison. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

6. **Ordinance-741** Amending City Code, Chapter 300 Trails

City Administrator, Josi Wood, shared that there were no major changes. The changes include bituminous trails will be plowed by Public Works when snow is more than 2 inches per the Snow Plowing Policy and minor revisions to clarify the intent of the chapter.

Motion by Lundeen, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

7. **Ordinance-742** Repealing and Replacing Chapter 230, Parks and Recreation Areas

City Administrator, Josi Wood, shared that the Ordinance was repealed because of significant changes. The chapter has been simplified to have one section on violations and enforcement. The most significant change to the chapter is adding in the sledding hill rules to be enforceable. Wood further shared that language was included regarding; special event permits, geocaching, golfing in park areas, interfering in games/ recreation, camping unless permitted by a permit, destroying plants/ trees and not removing wood unless permitted by City Administrator or designee.

Motion by Lundeen, second by Bergley to approve Ordinance as presented. Motion passed 5-0. Motion carried.

8. **Ordinance-743** Amending City Code Chapter 65, Administrative Penalties

City Administrator, Josi Wood, shared that this was brought before Committee of the Whole a few months back but was not formalized by adopting the Ordinance because this chapter needed to be in conjunction with the fee schedule amendments which will be at the next City Council meeting. There were no major changes or than making sure the chapter was within State Statute compliance and allowing for a $75 Public Hearing fee which pays for the judge.

Motion by Lundeen, second by Bergley to approve Ordinance as presented. Motion passed 5-0. Motion carried.

9. **Ordinance-744** Repealing and Replacing Chapter 216, Public Nuisances Affecting, Peace, Safety and General Welfare

City Administrator, Josi Wood, shared that this chapter was reviewed at the previous Committee of the Whole meeting. There were policies previously adopted by Resolution and for Code Enforcement to have more definition of what is considered a nuisance violation. Changes include detailed definitions of noxious weeds, grass and other rank growths, nuisance grass over 8", inclusion of snow and sidewalk clearing to be consistent with the snow plowing policy, inclusion of objects causing obstructions, wire and limbs that

are hazards, obstructing water flow, and building condition and detailed language for the notice and abatement process and procedures.

Motion by Lundeen, second by Bergley to approve Ordinance as presented. Motion passed 5-0. Motion carried.

10. Ordinance-745 Amending City Code Chapter 284, Streets and Sidewalks
City Administrator, Josi Wood, shared that this was reviewed at the last Committee of the Whole meeting. Significant changes include clarified language to be consistent with process by Resolutions, updated addressing language to be consistent with Fire Code, updated staff titles and materials on the street have been removed from this section and referenced within Chapter 216.

Councilmember Bergley addressed concerns regarding violations and penalties.

Councilmember Gordon addressed concerns regarding section 12 of property owner making repairs to sidewalk.

Motion by Lundeen to approve resolution with added language if a property owner is at fault for damage, they will need to make repairs, second by Gordon. Motion passed 4-1 with Begley voting nay. Motion carried.

~~**11.** Liquor Store RFP Fee Proposal~~
~~**12.** Liquor Store Engineering & Architectural Services Proposal (Postponed from 11-17-2020 Meeting)~~

A motion was made by Lundeen to remove K.11 and K.12 and discuss at a later date, seconded by Bergley. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

13. Development Agreement Amendment Legacy Pines
Community Development Director, Sheila Sellman, shared that the developer has requested to reduce the letter of credit for Legacy Pines Development. When this is done, the City Engineer reviews the request and will bring any of the reductions to Council. In the developer's agreement there is a clause that the City needs to keep 125% of the Engineers estimate until the project is complete, but it can be reduced upon request. 20% is the lowest it can be reduced until it has been completed. The developer has requested lower than what is allowed in the developer's agreement and in order to do that the developers agreement will need to be amended. Staff does not recommend it as it has not been done in the past and holds the City with liability of any improvements that are not done. Sellman further shared that the Engineer's recommendation is to keep $396,740.66 and the Developer is requesting $180,000.

Legacy Pines Developer Bob Machacek stated that he understands the development agreement and he understands why City's do it; but when there is $150,000 of work left to do and the City want to hold almost $400,000 for the next 6 months, he's asking for reasonableness from the City.

Motion by Bergley to drop 10% on the accepted finished work and still stay at 20% for things that are installed that aren't accepted and hold 125% on things not completed by Bergley, second by Gordon. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $285,240.16 Payroll in the Amount of $108,975.88
2. Sign Consideration for Best Western
3. **Resolution 2020-214** Awarding Quote and Authorizing to Enter into a Contract for Copier Services

Motion by Lundeen, second by Bergley to approve consent agenda as presented. Motion passed 5-0. Motion carried.

M. Closed Session

1. City Administrator Performance Review

At 9:25 p.m. the City Council went into closed session regarding performance of the City Administrator.

Upon reopening of the meeting at 9:53 p.m., no action was taken.

Adjournment

Motion by Lundeen, second by Bergley to adjourn. Motion passed 5-0. Motion carried.

Meeting adjourned at 9:53 p.m.

Respectfully Submitted,

Economic Development Authority Meeting Minutes
November 4, 2020

1. **Call to Order:** President Johnson called the meeting to order at 9:11om.
   a. **Pledge of Allegiance**
   b. **Roll Call**: EDA Members present: Jeff Johnson, Steve Lundeen, Dan Collison, Jimmy Gordon, Justin Nielson. Staff present Community Development Director Sheila Sellman, City Administrator Josi Wood. Absent Luke Merrill.
   c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by Lundeen, Second by Nielson to approve, motion passed 6-0.
3. **Approve minutes of October 6, 2020 regular meeting:** Motion by Bergley, Second by Lundeen, motion passed 6-0.

4. **Public Hearing**
   a. Sale of EDA land PID 16.029.1400: Sellman explained that in May 2019 the EDA voted to sell EDA owned land to UPS for an expansion. The public hearing was held and no one from the public was present to speak on this item. The sales price of $165,000 was agreed upon and the purchase agreement was presented. The City Attorney and UPS' counsel is working out the details. Motion by Collins to approve the resolution of approval, second by Nielson motion passed 6-0.

5. **Business Items**

   a.Contract for Retail Academy Services: Sellman reviewed the proposed services indicating the following items will be included: Research-Custom demographic research – historical, current, and projected demographics – to include market trade areas by radius, drive times, and custom trade area. Custom Trade Area identified using Mobile Tracking Data. Retail Gap Analysis for trade area (i.e. leakage and surplus). Peer Market Identification. Trade Area Comparison Analysis. Tapestry Lifestyle Segmentation Analysis – psychographic profile of trade. Identification of priority retail categories for recruitment. Retail prospect identification of at minimum 10 retail prospects to be targeted for recruitment with discussion of site selection criteria. **Real Estate Analysis**: Retail Real Estate Analysis performed by licensed retail real estate professionals. Create Aerial imagery of trade area(s). Identify Target Zones for short- and long-term retail development **Marketing Materials**: Development of Customized Marketing Guide **Retail Academy**: Education on Retail Recruitment Implementation. And one Retail Academy Workshop, totaling six hours. Motion by Collins to approve the contract, second by Lundeen motion passed 5-1, Gordon Nay.

   b. Commercial land discussion: The EDA directed Sellman to come back with sales prices for some commercial land in town, specifically east of TH 65. The EDA discussed if they should own land to offer incentives, the land being the incentive like the Shovel Ready program. Gordon said that is not our place. Johnson asked what do we have to offer, land is a great incentive. Collins asked what it would cost

to make lots shovel ready. The board directed Sellman to discuss land purchase with the Finance director to see if there are even any funds and to find out what it takes to make a property shovel ready.

6. **Other Business/Updates/ Communications**: Sellman provided information on East Central Regional Development Commission COVID relief grant, a flyer was in the packet. The closing on BP metals happened on October 28th.

7. **Adjournment:** Motion by Bergley, second by Lundeen to adjourn, motion passed 6-0 meeting adjourned at 9:56pm

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
October 27, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon, Michael Becker
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Gordon with modification of swearing in new board member. Motion passed 3-0

2. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from August 25, 2020. Motion passed 4-0.

3. Public Hearing: Dan Balk – 411 Hillock St NE – came to request for the city to add pickleball lines to existing tennis courts, in particular Mattson tennis courts. Mike Mueller resident of Cambridge also came to speak about pickleball, and is President of the Cambridge Area Pickleball Assc, a non-profit group which promotes healthy living, with 140 members, and has several areas in Cambridge and Isanti that they can play indoor and outdoor. Pickleball is played on a court surface and is similar to tennis, however the court itself is smaller and a different net and equipment is used. 20x44 is the court size, other outdoor courts in the surrounding area have line for pickleball use. Zdon asked how many people in the league and that the board has discussed this in the past. Witte asked if there has been push back regarding to the different lines on the courts and any confusion regarding playing. Mueller replied that in Cambridge there are dedicated courts for pickleball, at this area there is not. Zdon asked for clarification of what is preferred, and Balk reiterated that they are interested in having lines on a court for practice. Zdon stated that Whisper Ridge is one option to add lines or to add at other court areas. Witte added that we would have to consider resurfacing Whisper Ridge. Zdon stated that this is something that the board has discussed and will have to make some decisions in the very near future and what the future of that area will be. Mueller added that 4 courts can be on a tennis court, if they are placed sideways on the tennis court. Gordon asked the cost of adding lines or courts to, Mueller added that it was about $11,000 which involved new courts and lines. He was not aware what the cost of just adding lines would be to a court. Mueller added that Cambridge added the courts into their street project. Balk added that the lines would be a narrow line to be added, a temporary tape option that could be added. Zdon and Witte added that is something that we can look into. Zdon asked if Balk was familiar with Whisper Ridge and added that parking is very limited and only on street parking is available. Zdon would like to see Mattson as the option. Mueller added that Badminton court lines is the same as pickleball court lines. Motion by Witte for staff to research further on the pickleball court option at either Mattson or Whisper Ridge, seconded by Becker. Motion passed: 4-0

4. New Development Concept Review – Garvey reviewed that a new housing development is being proposed on the east side of Hwy 65, just northeast of the Arts and Science Middle School off of Cajima and 7th Ave NE. The developer met with city staff and has provided a preliminary concept for the PRC board to review, in particular to the park area. The attachments include the proposed park areas for this preliminary proposed development. This is being brought to the PRC Board in the very early steps in the process for review. Garvey added that staff's recommendation is to not accept the land for park dedication and a fee credit. Staff views this land as unusable for the city. Garvey added asked does the PRC Board accept recommending the land/area's as part of their Park Dedication within this new proposed housing development? Garvey added that when a new development is added to the city an option is for park dedication land or a fee based on each lot in

that development, which is $1,500 per lot, and in this development of about 160 lot could be about $224,000 in park dedication fund fees. Garvey added that the two areas being proposed, the larger area of about 12 acres is wetland area and the almost 3 acres is unknown at this time as staff has not gone to this area to view. Zdon asked for clarification on the area and that the current Academy Park is just to the south of this development and just east of the Arts and Science Middle School. Zdon also added that he would not want to accept this land area, especially if they are wetland, and that we would put a park in the north area of the development and close to an existing park and this size development to have some type of park. Zdon asked staff to remind all what Park dedication funds can be used for. Garvey added that the funds can be used for anything new, it cannot be used on any maintenance or existing, anything that is new, land acquisitions or capital improvements. It can be used for capital improvement and purchasing new land. Zdon asked what the balance of the Park dedication fund amount was… Garvey was not sure what the balance was at and didn't want to provide something that was incorrect. Zdon asked if the new Legacy development was platted years ago. Garvey added that the development fees would be current as they are just adding those now. Gordon added that staff is suggesting that staff is recommending to not accept either of these parcels and asked for reiteration. Garvey added that the park dedication fee is $1,500 per lot and with this potentially to be about $224,000 with the approximate 160 lots vs the land being proposed for park area. Gordon added that does the north area to be used for the park, and Zdon added that he didn't want to offset the fees provided over the land. Witte asked about the pond areas within the proposal and specific areas they would like to see a park area. Zdon reiterated that he would rather have the fee's over the land area being proposed so we could build them a park. Motion by Gordon to not accept the land in exchange for the fees, seconded by Witte. Motion passed 4-0.

5. Fir Street Update- Garvey explained that at the July 28 meeting staff reviewed an update on this item and that staff has been able to gather more information from the state on these two parcels. After further information gathering from the state it has been determined that the city has 15 years from the 2015 purchase to have these parcels as a completed park. The planning process will need to continue and staff will bring this back to a future meeting for more detailed planning, and it was brought to the board in 2018 and will revamp it at a future meeting and will discuss this at that time. Zdon added that this area could use park dedication funds for this park.

6. Sledding Hill Rules Signage- Garvey reviewed that the sledding hill was completed in October by Public Works in Bluebird Park. Staff had researched other communities' rules and the League of Mn Cities signage rules and has included a draft rule sign. Staff is recommending to have two signs back to back be installed on an existing 4x4 post close to the flag in the northwest corner of the park, which would be adjacent to the sledding hill. One sign would face the street corner and one sign would face the hillside. The draft rules are as follows:1. Users assume risk of injury, 2. Adults must supervise children, 3. Use caution, 4. Be considerate of others, 5. Do not sled when icy, 6. Do not alter sledding hill and 7. Sled in designated areas only. The sign would be about 18" by 18". Witte asked about combing rule 3 and 4. Becker added that something should be added about horseplay. Witte added sledding prohibited when icy as an option and walk up the side of the hill. Witte added would the hill be open during daylight hours only. Zdon added that during park hours. Garvey added that it would be open during park hours, but it is not lite. Witte added to have it as during daylight hours only. Gordon added that its dark after 5. Witte asked about the type of items to sled with and asked about ski's or snowboard. Are we allowing that? Gordon and Zdon added why not, Zdon stated we would be snowboarding down the hill. Zdon added to watch up the hill, for people coming down the hill. Some type of language to add. Gordon reiterated that the side of the hill verbiage was good and asked if this was run by the city attorney. Garvey added that it was run by League of Mn Cities and past city attorney, but has not by the new attorney, and Gordon

added that it may not be necessary. Witte added about the alterations and adding to that more. Zdon added that the signs need to be made quickly. Zdon agreed to combine 3 and 4 to walk on side and watch those coming down type of language and to add at bottom Have Fun, the most important rule for a sledding hill and Gordon agreed to add it. Witte asked about parking close by. Motion by Witte, seconded by Becker to adjust rules and to combine 3 and 4, walk alongside hill and to have fun. Motion passed 4-0.

7. Tree Plan- Update- Garvey reviewed that staff was able to research and find the original Bluebird Park development plans along with the tree plan that was started and then stopped in 2009, as a result of the economy at that time. The tree plan was just for Bluebird Park and did not include any of the other city parks. The PRC board discussed the Bluebird Park tree plan again in 2015, which they approved staff to move forward with again for Bluebird Park by contacting a college student or arborist to assist with this project. There was also direction to accept donated trees from a local business to be used for parks. A few trees are still at PW growing but not quite ready to be transplanted to a park and they are still small. A plan has not been developed. Staff will continue to work on developing a plan, along with budget/costs and bring this item back to the board in 2021 for further direction and attached was the original tree plan and there are some areas that were crossed off on the plan for trees that were planted and many trees that were planted did not survive.

8. Department Updates – Garvey reviewed that Curious Creatures was held on September 15 at Isanti Hills Neighborhood Park with 15 kids with a Back to School theme and on October 6 17 kids at Isanti Community Center with a Police/Fire theme the police department send two officers to talk about safety and hand out goodie bags to the kids and the fire department dropped off goodie bags with fire hats for staff to hand out as they couldn't make it. The last Street Dance was held September 12 with The Farmer's Daughters. The event went well with about 400 in attendance, which was lower than expected with the Rum River National Race in town, but the pandemic health issue that surrounds us I feel is still affecting attendance for events. The dog park has the new plaque in place for the donation from the Rotary Club of Cambridge & Isanti. Garvey continued that Bluebird Park had the tunnel piece that was damaged earlier in the summer replaced, along with Rum River Meadows swing bracket replaced. The swings are back up. Isanti Family Farmers Market is done for the season as of September 25. Staff conducted a short wrap up meeting after the last day and the vendors mentioned they enjoyed the season and did well, especially consider how 2020 has been. Family Day was September 27 at Legacy Park with self-guided nature hikes, smores and a photo booth were the day's events. We also had a prize drawing this year with items that were from the medallion hunt we had an overwhelming response from. C-I Hockey Assc. (Jumping Jack's, Wintergreens and Pizza Pub gift certificate) – value $150; Coborn's Marketplace - $50 gift certificate; CMK Financial Services gift basket – value $60; Connexus Energy gift basket - value $100; Isanti Physical Therapy massage gift certificate – value $80; Rockstad and Co. Relics & Wares gift basket – value $35. Thank you to these generous local businesses/organizations for supporting our community. Staff handed out 60 tickets to people coming to the Family Day event. Three prizes remain to be picked up, those not picked up by the November 1 deadline, will be drawn at the upcoming movie nights. The community garden closed up October 18 for the season. Sunflowers were planted this past summer and will remain in the garden until next spring for birds and animals to enjoy a meal during the winter months. Our upcoming events are; sledding hill grand opening TBD, Movie Nights will be limited to 15 families until restrictions update on November 6 – The Mighty Ducks 2, December 11 – The Polar Express along with Santa Visit 5-6:45pm and limited to 25 families for the timing with amount of families we can accommodate in that time frame. The Candy Cane Flashlight Hunt will be Sunday December 13 from 5-6:30pm at

Legacy Park; Curious Creatures for November 10 – Gobble, Gobble and December 8 – Santa Fun at Isanti Community Center. Witte asked when the dock would be removed as he noticed it last week when he was there and Garvey added that it was removed late last week.

9. Tobacco Free Policy Review – Garvey reviewed that the City Council adopted Resolution No. 2013-158, which established a Tobacco Free Park Policy. The Council had approved that all youth playground areas, picnic shelters or park buildings, and organized sporting areas, complexes, and facilities located on City-owned park land be included under the policy. A copy of the Resolution and policy has been attached. All city parks and grounds have the specific tobacco free signs or parks signage that states no tobacco use or no tobacco products. Ordinance 295 went in to affect in 2014 which states Smoking on municipal property prohibited. No person shall smoke a cigarette, cigar, pipe or other lighted tobacco-related device, or use a nicotine or lobelia delivery device or other electronic delivery device, or chew or otherwise use tobacco within any municipally owned building or municipally owned vehicle, within or without the City of Isanti municipal limits. The Ordinance will supersede the policy. Staff is requesting for the PRC board to review the policy and provide staff direction of any changes they see are needed and does the PRC Board want to include language that covers parking lots or other specific areas to the ordinance? Gordon and Zdon discussed that the parking lot does not need to be included into the language and should be left as is and technically the parking lot is included in the current language as its written. Motion by Witte and seconded by Becker to approve the Tobacco Free Policy as it is written and not changes.

Adjournment: Motion by Gordon, second by Witte to adjourn the October 27, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 4-0, meeting adjourned at 6:53 p.m.

Memo for Council

To: Mayor Johnson and Members of the City Council
From: City Administrator Josi Wood
Date: December 15th 2020
Subject: Ordinance 2020-XXX Amending Chapter 160 Fees

Background:
The fee schedule is updated annually to reflect any changes proposed by Council, Staff and to accurately reflect costs incurred.

Recommendation:
The Committee of the Whole reviewed and approved the recommended changes and to include that the fees for shelter and athletic rentals for non-profits are 50% off regular fees.

Request:
Staff is requesting action on this item.

Attachment:
- Ord – 2020-XXX

ORDINANCE NO. XXX

AN ORDINANCE AMENDING ORDINANCE 727, ADOPTED ON 4-7-2020 AND TITLED FEES

The City Council of the City of Isanti, Minnesota ordains:

Section 1-Amendment. Ordinance 727, titled fees, codified in Chapter 160 of the City Code, are hereby amended as follows:

Chapter 160

FEES

§ 160-1. Purpose.
§ 160- 2. Enumeration of fees.
§ 160- 3. Other fees.
§ 160-4. Summary publication of chapter authorized.

§160-1. Purpose.

The City Council has determined that it is in the best interest of the residents of the City that a Fee Schedule is established that lists items that fees shall be charged for by the City of Isanti.

§160-2. Enumeration of fees.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: December 15th 2020
Subject: Consider Amendments to City Code Chapter 262

Background:
Committee of the Whole has reviewed the 2020 water and sewer rate studies presented on October 20th 2020 and provided a recommendation for rates effective 2021 thru 2023. Attached is the draft Ordinance Amendment for City Code Chapter 262, Sewer and Water Service Charges that reflects that recommendation. The draft Ordinance was posted beginning December 3rd, meeting the 10-day posting requirement.

If adopted water consumption fees will be reduced 5% in 2021 and remain flat thru 2023. Water base fees will remain at 2020 levels thru 2023. Sewer consumption fess will be reduced 15% in 2021 and remain flat thru 2023. Sewer base fees will be reduced 5% in 2021 and remain flat thru 2023.

Request:
Staff is seeking consideration of the attached Draft Ordinance

Action Required:
Approval of Draft Ordinance

180,001 – 225,000 Gallons	9 Base Fees
225,001 – 275,000 Gallons	10 Base Fees

**Additional usage shall result in proportionately higher base fees in accordance with the foregoing schedule. For example, consumption of 275,001 – 330,000 gallons would result in 11 base fees, 330,001 – 390,000 gallons would result in 12 base fees, and so on.

WATER AND SEWER SERVICE CHARGES

CHAPTER 262

Sewer Rate Table

Year	SAC Fee	Base Fee	Usage per 1,000 Gallons		
			Up to 10,000 gallons	10,001 to 25,000 gallons	Over 25,000 gallons
2016	$ 4,306	$ 22.86	$ 7.26	$ 9.08	$ 11.34
2017	$ 4,435	$ 11.43	$ 7.26	$ 9.08	$ 11.34
2018	$ 3,185	$ 11.77	$ 7.48	$ 9.35	$ 11.68
2019	$ 3,281	$ 12.13	$ 7.70	$ 9.63	$ 12.03
2020	$ 3,379	$ 12.49	$ 7.93	$ 9.92	$ 12.39
2021	$ 3,548	$ 11.87	$ 6.74	$ 8.43	$ 10.53
2022	$ 3,725	$ 11.87	$ 6.74	$ 8.43	$ 10.53
2023	$ 3,912	$ 11.87	$ 6.74	$ 8.43	$ 10.53

Commercial Base Fee Consumption Schedule

Consumption	# of Base Fees
0 – 5,000 Gallons	1 Base Fee
5,001 – 15,000 Gallons	2 Base Fees
15,001 – 30,000 Gallons	3 Base Fees
30,001 – 50,000 Gallons	4 Base Fees
50,001 – 75,000 Gallons	5 Base Fees
75,001 – 105,000 Gallons	6 Base Fees
105,001 – 140,000 Gallons	7 Base Fees
140,001 – 180,000 Gallons	8 Base Fees
180,001 – 225,000 Gallons	9 Base Fees
225,001 – 275,000 Gallons	10 Base Fees
**Additional usage shall result in proportionately higher base fees in accordance with the foregoing schedule. For example, consumption of 275,001 – 330,000 gallons would result in 11 base	

fees, 330,001 – 390,000 gallons would result in 12 base fees, and so on.

Section 2- Effective Date.

This ordinance shall take effect upon its adoption and publication in the City's official newspaper.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Ryan Saltis, Community Development Specialist
Date: December 15, 2020
Subject: Ordinance Amending the City Zoning Ordinance, Section 2: Definitions and Section 15: Fencing, Screening, and Landscaping

---

Overview/Background: City Staff members have found language in the Fencing, Screening and Landscaping Section needed to be updated to reflect current job titles that the city holds and for soil requirements to refer to MNDOT Specifications. The definition for premium topsoil that is found in the Section 2 is accompanied by a premium topsoil chart, which could be updated by MNDOT periodically. Any updates for premium topsoil specifications from MNDOT would make this chart in the definitions section outdated.

Amendment to Section 2: Definitions Currently in the Definitions section of the City Zoning Ordinances, a chart for premium topsoil is provided with language referring to MNDOT specifications standards Section 3877. City staff would like to have the language refer to the MNDOT specifications while leaving out the Section number that these specifications are found. This will prevent the city from having to change the language in the future, in case this section number or specifications change from MNDOT for premium topsoil requirements.

The following definition for Premium Topsoil shall be amended, and the chart removed from Section 2: Definitions:

> Premium Topsoil
> As defined by MNDOT specifications. ~~standard Section 3877, shall meet the following requirements~~

TABLE 1: Premium Topsoil

	Minimum (% of weight)	Maximum (% of weight)
Material Passing 2.0 mm (#10) Sieve	95%	----
Clay	10%	25%
Silt	25%	60%
Sand and Gravel	25%	60%
Organic Matter	5%	15%
pH	6.0	7.1
Soluble Salts	----	0.15 siemens/m

Amendment to Section 15: Fencing, Screening, and Landscaping
Currently, the City Zoning Ordinance refers to the Zoning Administrator or his/her designee. This language should get amended to refer to the Community Development Director or his/her designee, as this current position title should be referenced in the Zoning Ordinances.

Planning Commission Recommendation: The Planning Commission held a public hearing regarding this Ordinance Amendment on November 17, 2020. No one from the public was present at the meeting for comment. The Planning Commission recommended approval of the Ordinance Amendment and the motion passed 6-0.

Request:
Consider adopting/approving the ordinance amending the City Zoning Ordinance Section 2: Definitions and Section 15: Fencing, Screening and Landscaping.

Ordinance- XXX

ORDINANCE NO._____

AN ORDINANCE TO AMEND CITY ZONING CODE, ORDINANCE 445 SECTION 2: DEFINITIONS AND SECTION 15: FENCING, SCREENING, AND LANDSCAPING

The City Council of the City of Isanti does ordain:

Section 1 – Amendment. Ordinance 445, Section 2: Definitions, and Section 15: Fencing, Screening and Landscaping are hereby amended as follows:

Section 2: Definitions is amended and replaced with the following:

Premium Topsoil

As defined by MNDOT specification standards. ~~Section 3877, shall meet the following requirements~~

~~**Table 1: Premium Topsoil**~~

	~~Minimum (% of weight)~~	~~Maximum (% of weight)~~
~~Material Passing 2.0 mm (#10) Sieve~~	~~95%~~	~~---~~
~~Clay~~	~~10%~~	~~25%~~
~~Silt~~	~~25%~~	~~60%~~
~~Sand and Gravel~~	~~25%~~	~~60%~~
~~Organic Matter~~	~~5%~~	~~15%~~
~~pH~~	~~6.0~~	~~7.1~~
~~Soluble Salts~~	~~---~~	~~0.15 siemens/m~~

Section 15: Fencing, Screening, and Landscaping is amended and replaced with the following:

Subdivision 1: General Provisions.

B. Maintenance. All fences shall be properly maintained, so as not to become unsightly, hazardous, or constitute a nuisance. Damaged and destroyed fences shall be removed and replaced within thirty (30) days upon written notice from the ~~Zoning Administrator~~ Community Development Director or his/her designee. All fences shall be maintained at the property owner's expense. The persons, firms, corporations, or individuals constructing or causing the construction of such fence shall be responsible for maintaining that part of the property between the fence and the property line.

Subdivision 2: Residential Fences

B. Exceptions. The following exceptions apply to residential fences.

4. Screening fences, as required by Chapter 227, Article II of the City Code of the City of Isanti; for screening of stored recreational vehicles within the side or rear yard shall meet one of the following acceptable screening options: (Ord. No. 608) a. A fencing screen per Subdivision 4(A) of this Section and shall obscure from view at ground level any neighboring property or public street by at least 80% of the area. b. Installation of a planting screen. Where natural materials, such as trees or hedges are approved in lieu of required screening by means of walls or fences, density and species of planting shall be such to achieve 80% opaqueness year-round from view at ground level at any neighboring property or public street.

(1) Acceptable plantings include arborvitae, upright juniper, upright yew, fountain hemlock, or other species approved by the ~~Zoning Administrator~~ Community Development Director or his/her designee.

(5) All planting screens shall be reviewed and approved by the ~~Zoning Administrator~~ Community Development Director or his/her designee.

(6) Planting screens shall be maintained in a healthy condition. Dead material shall be removed and replaced within thirty (30) days upon written notice of the ~~Zoning Administrator~~ Community Development Director or his/her designee.

Subdivision 4: Screening Fences and Planting Screens

B. Planting Screens.

3. Planting screens shall be maintained in a healthy condition. Dead material shall be removed and replaced within thirty (30) days upon written notice of the ~~Zoning Administrator~~ Community Development Director or his/her designee.

Subdivision 5: Landscaping Requirements

C. Residential Requirements. In addition to the general requirements noted, properties located within residential districts, shall be subject to the following regulations.

1. Soil Requirements. All disturbed areas that are not planned to receive an impervious surface shall be graded and finished with a minimum layer of four (4) inches of Premium Topsoil that is screened, pulverized and

incompliance with the requirements as defined by MNDOT specifications. ~~Section 3877 and as defined within Section 2 of this Ordinance.~~

a. The topsoil shall be hauled from a pre-approved source certified by the Minnesota Department of Transportation or the material shall be tested by an independent laboratory hired by the applicant. ~~and approved by the City prior to hauling any material within the City limits. Lists for both certified sites as well as testing facilities can be obtained from the Building Official or City Engineer.~~ Any material tested that is not within MNDOT Standards ~~the limits identified in the table provided in Section 2 of this Ordinance, thus meeting the definition of Premium Topsoil~~ will be considered not in compliance and rejected from use within the City limits.

EFFECTIVE DATE:

This ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the Isanti City Council this 15th day of December 2020.

From: Sheila Sellman, Community Development Director
Date: December 15, 2020
Subject: Development/Subsidy Agreement – LTL LED (Light the Lamp)

Background:
The EDA owns the 15-acre property located at XXX West Dual Blvd (PID 16.124.0020 and has this property for sale for $1. The subject property is a certified Shovel Reay Site. The subject site is zoned Industrial and is ready for development. Light the Lamp LED/Wolf River Electric is a lighting and electrical company looking to expand. They are currently located in Isanti and have outgrown their space. They plan to buy 10-acres from the EDA to develop with two 16,000 square foot buildings. They will be start out with 35 employees with the plan to increase to 55 employees with their expansions.

The EDA held a public hearing at the December 1, 2020 EDA meeting. There was no one from the public present for this item. The EDA recommends approval of the sale and for the city to enter into a development/subsidy agreement.

Request:
Approval of development/subsidy agreement

Attachments:
- Development/Subsidy Agreement

CITY OF ISANTI

DEVELOPMENT AND SUBSIDYAGREEMENT FOR LTD LED LLC.

This Agreement (hereinafter the "Agreement") is dated as of this 15th day of December, 2020 and is by and between the **City of Isanti**, a Minnesota municipal corporation (the "**City**") and **LTL LED LLC**, a limited liability corporation under the laws of Minnesota (the "**Developer**").

1. Subject Property. The City owns property legally described as Lot OOA of Isanti Centennial Complex 5th Rearrangement, County of Isanti, State of Minnesota, PID Number 16.124.0020, located on Dual Blvd. N.E. in Isanti. This property will be subdivided into three 5-acre parcels, two of which will be sold by the City to Developer (the Subject Property). The sale of the Subject Property at a price below market value is the subsidy contemplated by this Agreement.

2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:

   a. The Developer's Execution of this Agreement. That the Developer enter into this Agreement.

   b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property.

   c. Proof of Authority. That the Developer provide proof that the respective governing boards of the Developer have authorized the Developer's execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board of each entity which grants such authority.

   d. Site Plan. That Developer's site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.

3. The Plans. The term "Plans" as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review; (b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

   a. Sanitary sewer
   b. Water
   c. Storm drainage facilities
   d. Stormwater maintenance
   e. Parking lot
   f. Concrete curb and gutter
   g. Lot grading
   h. Landscaping

5. Financial Guaranty for Required Private Improvements. The Developer shall provide a financial guarantee to the City guaranteeing the construction of the Required Private Improvements, and their timely completion. The Developer shall be responsible for a financial guarantee in the amount of **($_____.00),** which amount is 125% of the City Engineer's estimated cost of the Required Private Improvements. Upon completion of Improvements (including the removal of "temporary" erosion control measures as identified in the approved Grading Plan), acceptance by the City, supported by appropriate lien waivers, The Developer may request a reduction in the amount of the financial guarantee.

6. Inspection Fees for the Required Private Improvements. The Developer shall provide an inspection fee to the City to inspect the Required Private Improvements. The Developer shall be responsible for an inspection fee in the amount of **($_____.00)**, which amount is 5% of the City Engineer's estimated cost of the Required Private Improvements. The inspection fee must be in the form of a cash escrow. The Developer may request a refund of the remaining balance in the escrow upon completion of the Required Private Improvements, acceptance by the City.

7. Maintenance Guarantee for Landscaping. It is herein agreed that the Developer shall provide the City a maintenance guarantee to ensure the survival of the plantings. Said maintenance guarantee shall consist of cash or a Letter of Credit, approved as to form by the City, in the amount of $_____ [# plantings (XX trees) x cost/planting ($300/tree x 30% average non-survival rate, (XX shrubs) x cost/planting $75/shrub x 30% average non-survival rate], which

shall be in effect for a two-year period commencing on the date of the City's acceptance of said plantings as part of the Required Private Improvements.

At the end of the two-year period, the maintenance guarantee shall be returned to the Developer. The determination that all plantings that have been planted in accordance with the Site Plan have either survived or have been replaced shall be made by the City. In the event the Developer fails to maintain the required plantings for a two-year period, the City Council may order the replacement of plantings with City day labor and/or by letting contracts and draw upon the escrow for payment. Only the City Council shall have the authority to direct replacement of the plantings and withdraw from the escrow account. The Developer hereby grants permission and a license to the City and/or its contractors and assigns to enter upon the Site for the purpose of replacing plantings in the event of the Developer's default.

8. Payment of Development Fees. The Developer must pay to the City the fees described on Exhibit A which may include, but are not limited to, Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees.

9. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with

Minnesota Statutes Section 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and procedural objections or defenses the Developer may have to such special assessments;

b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;

c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and

d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

10. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. Pursuant to the City's appraisal, the property prior to subdivision is valued at $505,000. The parties agree that, upon subdivision, the value of the two lots being sold are $168,333 each ($336,666 total). The City sold the two lots (Subject Property) to Developer for $2. The value of the subsidy is the difference between the appraisal value and the purchase price ($336,664).

b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

c. Subsidy Goals. Developer shall create a minimum of 20 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.

d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.

e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.

11. Miscellaneous.

a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by a resolution of the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

c. Compliance with Laws and Regulations. The Developer represents to the City that the Plat complies with all City, County, State, and Federal laws and regulations, including but not limited to: subdivision ordinances, zoning ordinances and environmental regulations. If the City determines that the site plan does not comply, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.

d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.

e. Boulevard and Wetland Restoration. The Developer shall be responsible for the cost of establishing seed in all boulevards within 30 days of the completion of the street improvements, and restoring all other areas disturbed by the development grading operation in accordance with the approved Grading and Erosion Control plan. The Developer shall be responsible for the cost of cleaning any soil, earth, or debris from the wetlands within and adjacent to this Plat resulting from grading performed in the development of the Plat.

f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required

to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.

g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to Stage I, Stage II, and Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

i. Plat Approval Expenses. Not applicable.

j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.

k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City'S Building Official, which authorizes the structure to be used for its intended purposes.

l. Notices. Required notices shall be in writing, and shall be either hand delivered to the Parties, its employees or agents, or mailed to them by certified or registered mail at the following address:

MEMORANDUM

Date: November 11, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Engineering Proposal for the 2021 Pavement Management Project
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal for professional engineering services for the 2021 Pavement Management Project.

Our scope of work will include the following:

- Evaluate the scope of constructing the needed improvements as shown in the 2019-2028 Capital Improvement Plan.
- Evaluate need for seal-coat vs mill & overlay & curb replacement
- Prepare construction plans and specifications
- Establish a Cost Estimate for the proposed improvements

Research, Plans, & Specifications	$24,500

Should the Council approve the Plans and Specifications, our scope also includes:

- Perform bidding and construction administration.
- Perform construction inspection.
- Perform final inspection and project close out.

Construction Administration	$7,200
Field Resident Project Representative	$20,900

We propose to complete the total described scope of work for an hourly, not to exceed, fee of $52,600.

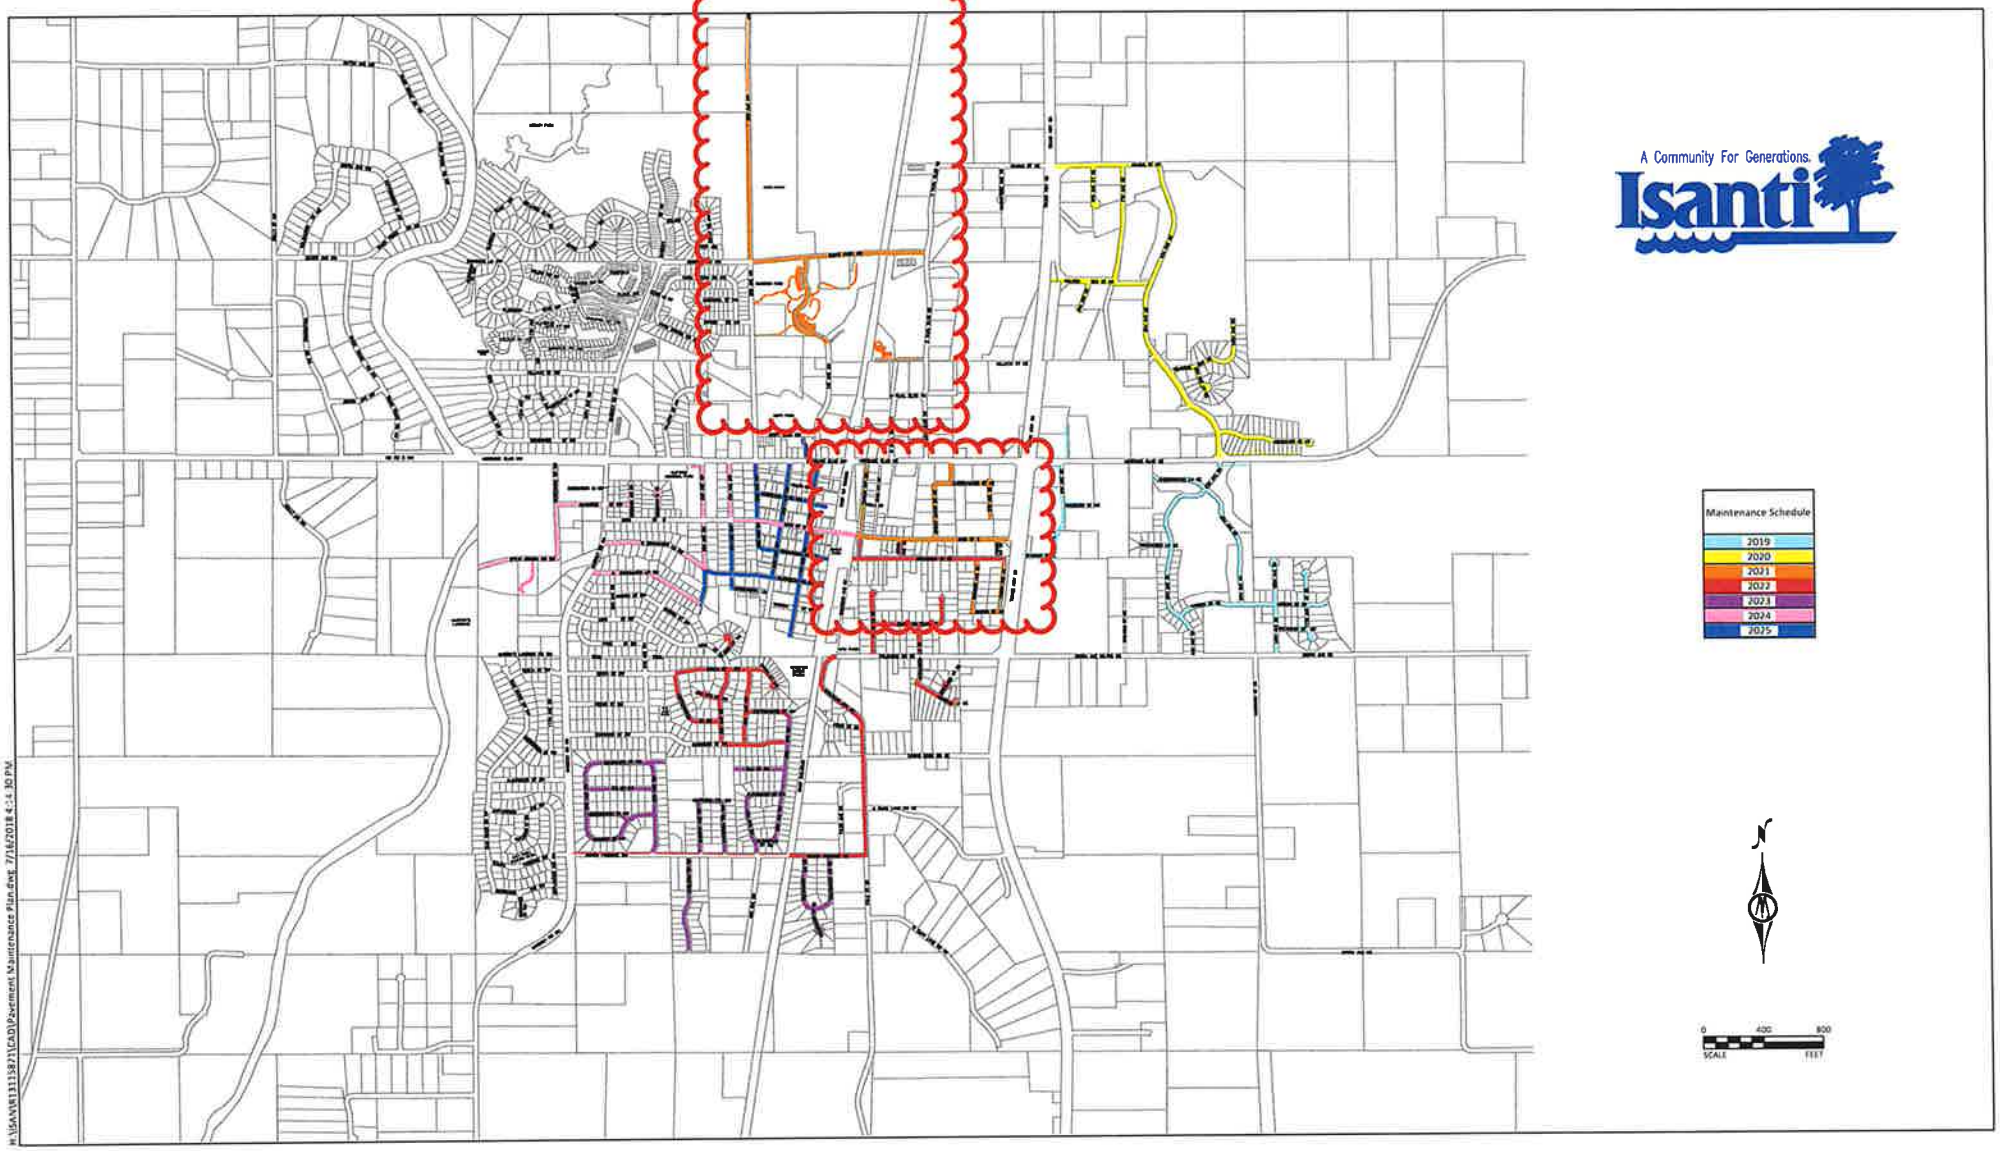
Attached is the Pavement Maintenance Plan map depicting the proposed 2021 maintenance area in the north and central regions of the City. This also includes the parking lots and trails in Bluebird Park.

Thank you for the opportunity to present this proposal. Please contact me at (763) 200-2444 if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

Figure 4: PAVEMENT MAINTENANCE SCHEDULE
JULY, 2018

BOLTON & MENK



RESOLUTION 2020-XXX

AUTHORIZING ENGINEERING SERVICES FOR THE 2021 PAVEMENT MANAGEMENT PROJECT

WHEREAS, it is proposed to perform pavement maintenance on City streets and bituminous trails located north of Palomino Road, east of Highway 65 and west of Whiskey Rd; and,

WHEREAS, these pavement segments are in moderate to poor condition and in need of surface maintenance to extend the life of the pavement; and,

WHEREAS, the Comprehensive Pavement Management System Report, adopted by the City, identified these segments for maintenance; and,

WHEREAS, the 2019-2028 Capital Improvement Plan, adopted by the City, has these pavement segments scheduled for maintenance in 2021; and,

WHEREAS, Bolton & Menk, Inc. has submitted a fee proposal for Engineering Services to complete this project for an hourly, not to exceed, fee of $52,600; and,

WHEREAS, this project is scheduled to be funded by the Gas & Electric Franchise fees as approved in the 2021 budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for this improvement and shall complete all engineering services as outlined in the fee proposal memo for an hourly, not to exceed, fee of $52,600.

This resolution was duly adopted by the Isanti City Council this 15th day of December 2020.

MEMORANDUM

Date: November 11, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E., City Engineer

Subject: 2021 Storm System Maintenance Fee Proposal
City of Isanti, MN

Bolton & Menk, Inc. is pleased to present this proposal to provide engineering services for the 2021 Storm System Maintenance Project.

We are now on year 5 of the 5-year maintenance plan. Last year, the 2020 maintenance area was switched with the 2021 maintenance area to allow more time to coordinate work along the Whiskey Road County ditch. This year, it is now proposed to complete the 2020 maintenance area work as shown in the attached figure.

As discussed previously, A large majority of the aprons in the 2020 project area fall within the County Road right-of-way. These culverts are full of sediment and are lower than the adjacent ditch bottom. If the ditch is not dredged along with the clearing of the culvert pipes, the pipes will simply fill back up with sediment. We have contacted Isanti County regarding the ditch and culverts along County Road 23 and asked if they would be interested in doing a co-operative project where the ditch bottom would be lowered at the same time the culverts are cleaned out and restored. They said that may be a possibility in the future if they have time to budget for it.

At this time, we recommend eliminating the culverts along Whiskey Road from the proposed maintenance project until such time that the County budgets to do ditch maintenance along the segment.

We recommend the scope of work to be completed for the 2021 Storm System Maintenance project is as follows:

- Create Plans and Specifications for ponds and aprons designated for maintenance in the 2020 year of the 5-year maintenance plan as shown in the 2019-2028 Capital Improvement Plan.
- Contact residents regarding private property access conflicts.
- Solicit bids from contractors and provide a recommendation to council.
- Provide a Resident Project Representative during all major work on site.
    - Work with the Contractor on site to ensure the project is completed as intended.
    - Coordinate access, construction schedule, and restoration with residents.

Bolton & Menk proposes to complete the above engineering services for an hourly, not-to-exceed fee of $19,800.00. The fee breakdown is as follows:

Research, Resident Coordination, Plans, Specifications and Bidding	$8,500
Construction Administration	$2,800
Field Resident Project Representative	$8,500

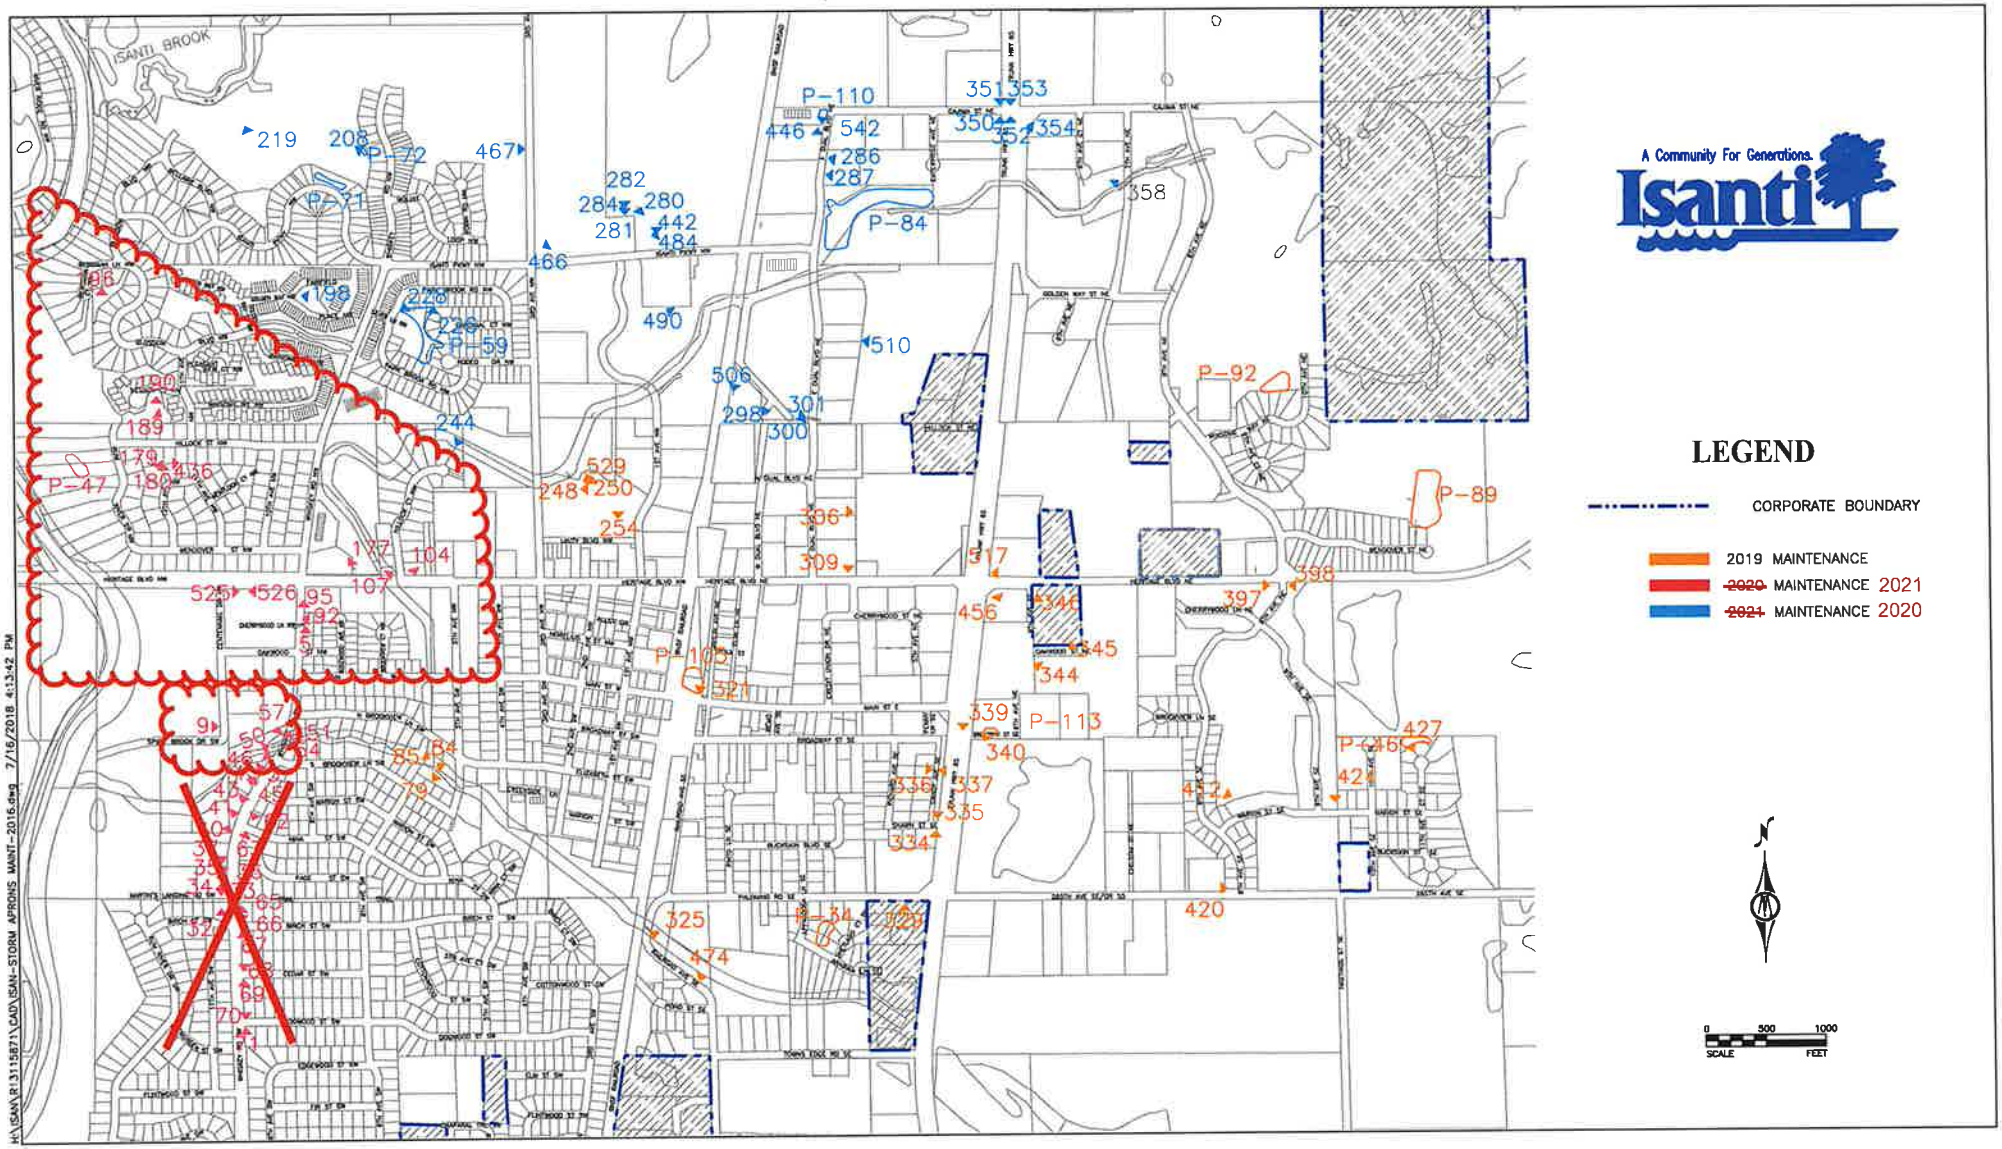
Figure 5: STORM SEWER & PONDS MAINTENANCE PLAN
JULY, 2018

BOLTON & MENK



RESOLUTION 2020-XXX

AUTHORIZING ENGINEERING SERVICES FOR THE 2021 STORM SYSTEM MAINTENANCE PROJECT

WHEREAS, it is proposed to perform storm system maintenance in the west region of the City, and,

WHEREAS, these ponds and aprons are in need of maintenance to restore them to fully functioning storm system infrastructure and comply with the MS4 requirements; and,

WHEREAS, the Storm Sewer Apron & Pond Inventory Report, adopted by the City, identified these ponds and aprons for maintenance; and,

WHEREAS, Bolton & Menk, Inc. has submitted a fee proposal for Engineering Services to complete this project for an hourly, not to exceed, fee of $19,800; and,

WHEREAS, this project is scheduled to be funded by the Storm Water Utility fee as approved in the 2021 budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for this improvement and shall complete all engineering services as outlined in the fee proposal memo for an hourly, not to exceed, fee of $19,800.

This resolution was duly adopted by the Isanti City Council this 15th day of December 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: December 15, 2020
Subject: Development Agreement Amendment – Legacy Pines

Background:
As directed by the City Council at the December 1, 2020 meeting, we have revised the letter of credit and created the development agreement amendments for the 2nd and 3rd Additions of Legacy Pines The following represents the direction given at the December 1st meeting.

Legacy Pines Phase	Completed work 10% held	Non-completed Work 20% held	Remaining work 125% held	Total Held
2nd Addition	$33,706.2	$1,1495.91	$9,111.60	$44,313.72
3rd Add Phase 1	$29,719.55	$2,198.00	$111,150.25	$143,067.80
3rd Phase 2 -Utility	$21,799.77	$725.60	$0	$22,505.37
3rd Phase 2- Street	$11,709.03	$1,261.00	$70,982.69	$83,952.72
Total				$293,839.61

Please refer to the City Engineer's memo dated December 2, 2020 for his recommendations.

Request:
Consider the two development agreement amendments as drafted by the City Attorney.

Attachments:

- City Engineer's memo

CITY OF ISANTI

FIRST AMENDMENT TO THE DEVELOPMENT AGREEMENT FOR LEGACY PINES – 2nd ADDITION

This Amendment is by and between the City of Isanti, a Minnesota municipal corporation, and Everpine Land Holdings, LLC, a Minnesota limited liability company, and amends the Development Agreement – Legacy Pines 2nd Addition – dated _____, by and between the City of Isanti and Everpine Holdings, LLC.

Recitals

A. The City and Everpine Holdings, LLC. entered into the Development Agreement for the development of the Legacy Pines 2nd Addition.

B. Pursuant to Section 14 of the Development Agreement, the Developer provided the City with a letter of credit as a financial guarantee for completion of the Developer Installed Improvements.

C. The Developer requests modification of the financial guarantees in light of the work completed to date.

Agreement

In consideration of the mutual promises set forth below, and other good and valuable consideration the receipt of which is acknowledged, the parties agree as follows:

1. The above recitals are incorporated herein as if fully set forth.

2. Section 13 of the Development Agreement, as modified by the Amendment, is hereby modified so as to require an irrevocable letter of credit in an amount equal to 10 % of completed work, 20% of non-completed work, and 125% of non-installed remaining work.

3. Pursuant to those revised percentages, the following values are required under Developer's letter of credit as of December 2, 2020:

Legacy Pines Development	Completed Work 10% Held	Non-Completed Work 20% Held	Remaining Work 125% Held	Total Held
2nd Addition	$33,706.21	$1,495.91	$9,111.60	$44,313.72

The total letter of credit required for the 2nd Addition is $44,313.72.

4. This amendment is effective as of December 2, 2020.

5. All other terms of the Development Agreement and Amendment not modified by this Second Amendment shall remain in effect as originally stated.

CITY OF ISANTI

SECOND AMENDMENT TO THE DEVELOPMENT AGREEMENT FOR LEGACY PINES – 3rd ADDITION (PHASES 1 AND 2)

This Amendment is by and between the City of Isanti, a Minnesota municipal corporation, and Everpine Land Holdings, LLC, a Minnesota limited liability company, and amends the Development Agreement – Legacy Pines 3rd Addition – dated August 18, 2020, by and between the City of Isanti and Everpine Holdings, LLC.

Recitals

A. The City and Everpine Holdings, LLC. entered into the Development Agreement for the development of the Legacy Pines 3rd Addition. Phase 1 of the 3rd Addition is almost complete and Phase 2 is ongoing.

B. The financial guarantee requirements of Section 13 of the Development Agreement were modified by the first Amendment to the Development Agreement for Legacy Pines 3rd Addition – Phase 2 dated September 30, 2020, and recorded in the Office of the Isanti County Recorder as Document No. A497232 ("the Amendment").

C. The Developer requests further modification of the financial guarantees in light of the work completed to date.

Agreement

In consideration of the mutual promises set forth below, and other good and valuable consideration the receipt of which is acknowledged, the parties agree as follows:

1. The above recitals are incorporated herein as if fully set forth.

2. Section 13 of the Development Agreement, as modified by the Amendment, is hereby modified so as to require an irrevocable letter of credit in an amount equal to 10 % of completed work, 20% of non-completed work, and 125% of non-installed remaining work.

3. Pursuant to those revised percentages, the following values are required under Developer's letter of credit as of December 2, 2020:

Legacy Pines Development	Completed Work 10% Held	Non-Completed Work 20% Held	Remaining Work 125% Held	Total Held
3rd Add - Phase 1	$29,719.55	$2,198.00	$111,150.25	$143,067.80
3rd - Phase 2 - Utility	$21,779.77	$725.60	$0.00	$22,505.37
3rd - Phase 2 - Street	$11,709.03	$1,261.00	$70,982.69	$83,952.72

The total letter of credit required is $249,525.89.

4. This amendment is effective December 2, 2020.
5. All other terms of the Development Agreement and Amendment not modified by this Second Amendment shall remain in effect as originally stated.

MEMORANDUM

Date: December 2, 2020

To: Sheila Sellman, Community Development Director

From: Jason W Cook, P.E.
City Engineer

Subject: Legacy Pines Letter of Credit Adjustments
City of Isanti, MN
Project No.: R13.117438

As directed at the December 1, 2020 council meeting, we have revised the below required Letter of Credit balances to reflect holding 10% of completed work, 20% of non-completed work, and 125% of non-installed remaining work. Along with the revised amounts, an amendment to the current Development Agreement will be required to make these adjustments.

The current Development Agreement requires the City retain 125% of any remaining work and 20% of all installed work to date until the full project is accepted and the warranty period begins where the Letter of Credit reduces to 10% of the construction cost.

The Developer has paid Kuechle Underground for work completed to date. Remaining work items include wear course, sidewalk, lighting, signage, striping and turf establishment.

The work to date has been found to be in compliance with City standards and all tests have passed.

We have calculated the required balances for each Letter of Credit based on Council direction and have the following recommendations:

Legacy Pines Development	Completed Work 10% Held	Non-Completed Work 20% Held	Remaining Work 125% Held	Total Held
2nd Addition	$33,706.21	$1,495.91	$9,111.60	$44,313.72
3rd Add - Phase 1	$29,719.55	$2,198.00	$111,150.25	$143,067.80
3rd - Phase 2 - Utility	$21,779.77	$725.60	$0.00	$22,505.37
3rd - Phase 2 - Street	$11,709.03	$1,261.00	$70,982.69	$83,952.72
				$293,839.61

The revised total retained Letters of Credit is $293,839.61.

This is $102,901.05 less than the current Development Agreement requires but is $113,839.61 more than the developer requested reduction of $180,000.

The remaining balances of the Letters of Credit will require an amendment to the Development Agreement but are anticipated to be sufficient to complete the project as proposed while covering any incurred overhead costs including testing, inspection, and contract administration.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

REMOVING
PART-TIME PEACE OFFICERS FROM ROSTER

WHEREAS, the City of Isanti maintains a roster of Part-Time Peace Officers; and,

WHEREAS, due to increased full-time staffing within the Isanti Police Department, the need for Part-Time Peace Officers within the City of Isanti has been substantially reduced; and,

WHEREAS, there are clerical burdens and a lack of necessity associated with retaining Part-time Peace Officers, even if Part-Time Peace Officers are not requested to provide services or are unable to provide services when requested to do so; and,

WHEREAS, according to Resolution 2020-167 Human Resources is directed to remove all individuals on the Part-Time Peace Officer Roster who are not members of a collective bargaining unit within the City and who have worked less than forty (40) hours for the City of Isanti within the six-month period prior to the date of this Resolution;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. Effective December 15, 2020 the following Part-Time Peace Officers will be removed from the roster. The termination of employment shall not have a negative effect on employment record as they leave in good standing.

    - Cory Spencer
    - Tanner Hagen
    - Erik Knoop
    - Noah Buecksler
    - Brandon Oliver

2. Human Resources is directed to forward an executed copy of this resolution to all individuals currently on the Part-Time Peace Officer Roster and to place a copy of the same in their personnel file.

This Resolution is hereby approved by the Isanti City Council this 15th day of December 2020.

MEMORANDUM

Date: December 07, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: 2020 Pavement Management Project
Final Payment Reconciliation
City of Isanti, MN
BMI Project No.: R13.120119

The 2020 Pavement Management Project has been completed and all final closeout paperwork has been received.

This project was bid as a unit price project, where the City pays for each item completed at the bid price per item as measured once completed. This allows for the actual work completed to be paid, no more, and no less.

The final construction cost for this project came out to $245,185.77. This total was $1,964.44 over the original approved bid amount or 0.8% over. This overage was due to a larger volume of crack filling material needed to fill the cracks in the pavement. The quantity in the plan was an estimate as it would be impossible to know the exact void space on all the cracks on the project.

Attached is the final resolution to close out the project and make final payment.

I will be at the December 15, 2020 City Council meeting to respond to any questions you have concerning this item.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

FINALIZING THE PAYMENT FOR THE 2020 PAVEMENT MANAGEMENT PROJECT

WHEREAS, the City has planned for the 2020 Pavement Management Project; and,

WHEREAS, ASTECH Corporation constructed the project in accordance with the plans and specifications; and,

WHEREAS, ASTECH Corporation has submitted all final paperwork including IC134s and Consent of Surety; and,

WHEREAS, the final construction cost of $245,185.77 was 0.8% ($1,964.44) over the original bid price due to additional crack filling material that was needed to complete the project as planned; and,

WHEREAS, upon approval of the attached final payment of $12,259.29 this will release the retainage balance and enter the project into the 2-year warranty period.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall make the final payment of $12,259.29 for the "2020 Pavement Management Project" to ASTECH Corporation and enter the project into the 2-year warranty period.

2) Funding for the project shall come from Utility Franchise Fees.

This resolution was duly approved by the Isanti City Council this 15th day of December, 2020.

Attest:

_____
Mayor Jeff Johnson

_____
Katie Brooks
Human Resources/City Clerk

L.5.

RESOLUTION 2020-XXX

AUTHORIZATION TO TERMINATE AN EMPLOYEE

WHEREAS, the Council reviewed a draft of a letter relating to the proposed termination of a City employee;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti as follows:

1. The attached letter terminating a City employee is hereby approved by the City Council.

2. Pursuant to Minnesota Statutes section 13.43, subdivision 2, the specific reasons for the termination constitute private data on the employee at this time.

3. The City Human Resources Director is authorized to sign the attached termination letter on behalf of the City.

4. The City Human Resources Director is directed to serve the attached termination letter and a copy of this Resolution on the employee, and to place a copy of the letter and this Resolution in the employee's personnel file.

The motion by _____ for the adoption of the foregoing Resolution was duly seconded by _____ and upon a vote being taken thereon, the following voted in favor thereof:

This Resolution is hereby approved by the Isanti City Council this 15th day of December 2020.

_____
Jeff Johnson, Mayor

MEMORANDUM

Date: December 07, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: 6th Avenue Rehabilitation Project
Project Reconciliation
City of Isanti, MN
BMI Project No.: R13.120122

The 6th Avenue Rehabilitation Project has been completed. Final closeout paperwork will need to be submitted prior to closing out the project.

This project was bid as a unit price project, where the City pays for each item completed at the bid price per item as measured once completed. This allows for the actual work completed to be paid, no more, and no less.

The final construction cost for this project came out to $550,845.42. This total was $12,801.28 over the original approved bid amount or 2.38% over. This overage was due to a larger area of pavement being replaced at each intersection. Each cross street was reconstructed to the end radius to fully reconstruct each intersection. Funding for the added costs shall come from the Municipal State Aid program.

This will reduce the total cost of the future non-state aid cross street projects as more of the intersections have already been repaired while receiving state aid funds now to cover the cost. The quantity in the plan was an estimate and made to be flexible to meet the needs of the project.

Attached is the reconciliation resolution as well as Pay Request No 2. This pay request is anticipated to include all final costs but continues to hold a 5% retainage until the project can be closed out in the spring.

I will be at the December 15, 2020 City Council meeting to respond to any questions you have concerning this item.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

RECONCILING THE CONSTRUCTION COST FOR THE 6TH AVENUE REHABILITATION PROJECT

WHEREAS, ASTECH Corporation constructed the project in accordance with the plans and specifications; and,

WHEREAS, the final construction cost of $550,845.42 was 2.38% ($12,801.28) over the original bid price due to a larger area of pavement being replaced at each intersection to fully reconstruct each intersection in preparation for future cross street project; and,

WHEREAS, the funding for the additional costs shall come from the Municipal State Aid program. This will reduce the total cost of the future non-state aid cross street projects while receiving state aid funding for the work; and,

WHEREAS, the second partial payment of $100,926.25 will cover all remaining incurred construction costs completed by the contractor to date with the exception of holding a 5% retainage until the project is finalized and ready for final payment.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall make the 2nd partial payment in the amount of $100,926.25 for the 6th Avenue Rehabilitation project to ASTECH Corporation.

2) Funding for the added construction cost shall come from Municipal State Aid funds.

This resolution was duly approved by the Isanti City Council this 15th day of December, 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

RESOLUTION 2020-XXX

AMENDMENT TO THE 2020 BUDGET

WHEREAS, on December 3, 2019 the City Council approved the City of Isanti 2020 Budget; and,

WHEREAS, the original, approved 2020 Budget did not provide funding for utilities associated with street lighting; and,

WHEREAS, the Isanti City Council authorizes an amended budget of $49,725 in account 101-43160-380; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Finance Director to amend the 2020 budget.

This Resolution is hereby approved by the Isanti City Council this 15th day of December, 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

MEMORANDUM

Date: December 9, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) **6th Avenue Rehabilitation**

All street work is complete. Final signage and punchlist items will be completed this month.

2) **TH 65 & Cajima Street RCUT Improvements**

This project is complete. Final closeout paperwork will be processed this month.

3) **2020 Pavement Management Project**

This project is complete. Final payment is on the December 15, 2020 council agenda.

4) **2020 Storm System Management Project**

This project is complete. Final payment has been made.

5) **Legacy Pines 2nd Addition**

Minor Punchlist Items will be addressed in the spring.

6) **Legacy Pines 3rd Addition – Phase 1**

Sidewalks and final pavement surfaces will be completed in the spring.

7) **Legacy Pines 3rd Addition – Phase 2**

Sidewalks and final pavement surfaces will be completed in the spring.

8) **MS4 Implementation**

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
November 24, 2020

Call to Order: Aaron Zdon - Chair called the meeting to order at 6:00 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon, Michael Becker
Staff Present: Jenny Garvey - Parks, Recreation and Culture Manager

Motion to approve the agenda motioned by Witte, seconded by Becker with no modifications. Motion passed 4-0

2. Meeting Minutes: Motion by Witte; second by Becker to approve meeting Minutes from October 27, 2020. Motion passed 4-0.

3. Public Hearing: None

4. Isanti Family Farmer's Market and Community Garden Updates – Garvey reviewed that the 2021 Isanti Family Farmer's Market rules and regulations, as well as the 2021 Community Garden rules and regulations is attached for their review and that staff has no changes for either of these items. Zdon asked if any members had anything to add. Witte reviewed that he had reviewed the documents and didn't have any changes to note. Becker added it looks good and Gordon added that we didn't have any complaints from the vendors. Garvey responded that the IFFM vendors were satisfied and that both IFFM and gardeners were very happy that we were able to continue with these areas for the 2020 season. Witte asked if there were any abandoned plots this year. Garvey noted that we had a couple that were not attended too and staff has had communicated with them. Motion to accept these two documents as is. Witte motioned; Becker seconded. Motion passed 4-0.

5. Department Purchases- Garvey explained that staff was able to purchase the following items for 2020 budget, inclusive swing for Rum River Meadows Park, additional replacement belt swings, a hopscotch stencil and a pressure washer for ICC and BMX bathrooms cleaning. The inclusive swing is in response to a resident request for an additional one.

6. Department Updates- Garvey reviewed the department has had to cancel several events due to the COVID 19 pandemic surrounding us, including some upcoming events. Curious Creatures was cancelled for November 10 and December 8. Movie Night for November 6 and December 11 along with the Santa event. The community center is temporarily closed, with the exception to Lions Christmas Project and Sr Dining, as these can continue under the new executive order. The Candy Cane Flashlight hunt for December 13 and the grand opening of the sledding hill for December 16 are on as planned. If things would change staff would alert the public, council and the board of any changes via Facebook or the city website. Public Works will continue to prep and prepare the pleasure rink for use this winter. The sledding hill will be able to remain open for use when we have snow. The rules sign was posted November 18th. Witte inquired about the time of the grand opening, which is at 3:30 for Dec 16th. Witte inquired about the Santa event and ideas of Santa reading or via zoom and maybe something for the future and not necessarily for this year. Garvey replied that she has been brainstorming ideas as well to see if this would be possible. Gordon noted that the Santa may be less expensive as this would be a different format that what was previously set. Garvey added that she has not got in touch with the contracted company as of yet to inquire

about the cancellation of the event and the perimeters within the contract, which may have to be that we postpone the Santa for next year. Zdon asked if there was anything further. Zdon noted that he has heard people are excited that the sledding hill is here and is it being utilized.

Adjournment: Motion by Witte, second by Becker to adjourn the November 24, 2020 meeting of the Parks, Recreation and Culture Board. Motion passed 4-0, meeting adjourned at 6:14 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation and Culture Manager

MEMO

To: **Mayor Johnson & City Council Members**

From: Finance Director Betker

Date: December 28, 2020

Subject: 2021 Final Budget and Levy Adoption

Background:

Per State Statute 275.065 subd. 6 the adopted final levy cannot exceed the adopted preliminary levy. Finance Director Betker made an error in presenting the final levy. The Final levy presented on December 1st proposed a final levy $29,566 more than the adopted preliminary levy from September. To rectify this the Council must approve, on the 28th a levy that matches the preliminary levy. This will result in a 1% reduction in the tax rate compared to 2020. Additionally there will be no change to the 2021 budget except that $29,566 less will go into Fund Balance.

The Final proposed levy is 2,996,197

Current Action:
Consider:
Resolution Adopting the 2021 Final Budget
Resolution Adopting the Final 2020 Tax Levy Collectible 2021

1. Resolution 2020-XXX Declaring Local State of Emergency

G. Adjournment

RESOLUTION 2020-XXX

CONSENTING TO MAYORS DECLARATION OF LOCAL EMERGENCY; EXTENDING THE PERIOD OF THE LOCAL EMERGENCY; AND AUTHORIZING CERTAIN ACTIONS

WHEREAS, The City of Isanti is experiencing the COVID-19 Pandemic; and,

WHEREAS, response and support to affected individuals, communities, medical systems, businesses and government has caused significant impact to the City of Isanti; and,

WHEREAS, by Emergency Executive Order 20-01, Governor Tim Walz has declared a Peacetime State of Emergency to authorize any and all necessary resource to be used in support of the COVID-19 response, as of March 13, 2020; and,

WHEREAS, by Proclamation Declaring a Local Emergency, Mayor Jeff Johnson has declared that a local emergency exists due to the COVID-19 health pandemic; and,

WHEREAS, the City Council of the City of Isanti agrees with the Mayor's findings that the emergency will last for more than three days; and,

WHEREAS, the City Council consents to the declaration of a local emergency and declares that the local emergency will continue in effect until federal or state action declaring an end to the state of emergency for this locality or subsequent determination by the Isanti City Council; and,

WHEREAS, this Resolution invokes the City's emergency operations plan and for the duration of the emergency. The portions that are necessary for response to and recovery from the pandemic emergency are hereby authorized, including but not limited to all appropriate community containment and mitigation strategies. To the extent that state laws and city policies and procedures impede an efficient response or compliance with federal and state directives and recommendations, the City Administrator, Emergency Management Director, and their designees, are hereby authorized to suspend compliance with those laws, policies and procedures as authorized by Emergency Executive Order 20-01 and Minnesota Statutes, Section 12.32, and to take those actions necessary to protect the public health, safety, and welfare; and,

WHEREAS, the City Council agrees with the Mayor's determination that in-person meetings of the City Council, Planning Commission, and other Commissions and Boards of the City of Isanti are not practical or prudent due to the COVID-19 health pandemic, Emergency Executive Order 20-01. The City Council extends the authority of all city public bodies to conduct public meetings pursuant to and in compliance with Minnesota Statute, Section 13D.021

until such time as the presiding officer of each body determines, in consultation with the City Administrator, that it is no longer impractical or imprudent for the respective public body to resume in-person meetings; and,

WHEREAS, The City of Isanti Emergency Management Director requests the City Council declare the City of Isanti in a STATE OF EMERGENCY that a local State of Emergency exists in the City of Isanti due to the COVID-19 health pandemic;

NOW, THEREFORE, IT IS HEREBY RESOLVED, that the Isanti City Council declares the City of Isanti in a STATE OF EMERGENCY for conditions resulting from the COVID-19 health pandemic.

This Resolution is hereby approved by the Isanti City Council this 25th day of March 2020.
