1.	**CITY OFFICES CLOSED**	Tuesday, December 24, 2019 (All day) *(In Observance of Christmas Eve)* Wednesday, December 25, 2019 *(In Observance of Christmas Day)* Wednesday, January 1, 2020) *(In Observance of New Year's Day)*
2.	City Council Meeting	Tuesday, January 7, 2020 at 7:00 p.m.
3.	EDA Meeting	Tuesday, January 7, 2020 *(Immediately following City Council Meeting)*

H. Council Committee Reports

Councilor Lundeen shared that the Joint Powers Agreement that was approved by City Council at the previous City Council meeting on December 3, 2019 has been tabled at the Fire District meeting for further discussion.

I. Public Hearings

None

J. Business Items

1. **Resolution 2019-319** Authorizing Police Department to Accept the Knights of Columbus Winter Coat Donation for Children in Need *(Rick Dassinger)*

Rick Dassinger from Knights of Columbus shared that the Knights of Columbus has been doing the winter coat donation for about 6 years. Dassinger continued to share that the goal every year is to achieve 2 to 4 boxes of coats every year.

Mayor Johnson asked if the coats are brand new.

Dassinger stated that they are new coats and they go out to the garment manufacturers to achieve the best deal for coats.

Councilor Collison asked how many coats are in a box.

Dassinger stated that there are 26 coats per box.

A motion was made by Lundeen, seconded by Collison to approve the resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. **Ordinance-714** Amending City Code Chapter 445 Zoning Ordinance Section 16 Signs

City Administrator Josi Wood shared that this ordinance was discussed at Committee of the Whole. Wood continued to share that this is an amendment to the Chapter 445 for section of signs to clarify the sign area will include the face of the sign and not all the faces.

A motion was made by Lundeen, seconded by Gordon to approve the Ordinance as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

3. **Resolution 2019-320** Authorizing Engineering Services for the 2020 Storm System Maintenance Project

City Engineer Jason Cook shared that this resolution is to continue the annual maintenance program that got identified during the study in 2015 where storm apron and ponds within the city were reviewed for compliance of the MS4 program. Cook continued to share that this coming year was slated to be culverts along Whiskey Road but after review, most of those culverts are sitting half a foot to a foot below the ditch bottom because the ditch is filled in. Cook further shared that he contacted the County to see what their timeline is for ditch maintenance and the County's response is that they do not currently have a schedule for that work. Cook stated that as it is not budgeted at this time and to buy a little more time, he recommends switching to the 2021 maintenance year. Cook stated that there was no specific reason for this segment being before or after the other but it was to break down the overall system. Cook additionally shared that there is no need to do one versus the other so to buy more time Cook recommended doing the northern region of Isanti this coming year.

A motion was made by Lundeen, seconded by Bergley to approve the resolution as presented. Motion passed 5-0. Motion carried.

4. **Resolution 2019-321** Authorizing Engineering Services for the 2020 Pavement Management Project

City Engineer Jason Cook shared that this is for the annual maintenance program that was identified during the pavement evaluations which created a 10 year program where the City is on its 3rd year of going through the system of streets that are identified as needing maintenance prior to bring too failed to perform the maintenance where larger projects would have to be done to rehabilitate them. Cook continued to share that the streets on the Northeast region of the City would be evaluated the need for seal-coat and mill and overlay.

A motion was made by Gordon, seconded by Lundeen to approve the resolution as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

5. **Resolution 2019-322** SAC and WAC Deferral Program

Community Development Director Sheila Sellman shared that this is a program that was created in 2015 to defer SAC and WAC payments and so far, it has been done on single family homes. Sellman continued to share that is defers the payment until a building permit is issued. Sellman further shared that this is approved every year by City Council and Sellman asked the City Council if they would like to approve indefinitely or would like it to still come back to City Council every year because they program expires December 31st, 2019.

A motion was made by Lundeen, seconded by Collison to approve SAC and WAC Deferral Program indefinitely. Motion passed 5-0. Motion carried.

K. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $237,458.76 Payroll in the Amount of $148,764.84
2. **Resolution 2019-323** Approving Part Time Deputy City Clerk/ Human Resources to Full Time Status

City of Isanti
Planning Commission Meeting Minutes
November 19, 2019

Call to Order: Chair Johnson called the meeting to order at 7:38pm.

Roll Call: Commission members present: Mayor Jeff Johnson, Paul Bergley, Jimmy Gordon, Steve Lundeen, Dan Collison, Aryssa Simon, Alexander Collins.
Staff Present: Community Development Director Sheila Sellman, Assistant City Administrator/Special Projects Don Lorsung.

Meeting Minutes: Motion by Lundeen, second by Simon and Collins to approve meeting minutes from the September 17, 2019 meeting. Motion passed 7-0.

Public Hearing
A. A request from Art and Science Academy for a Conditional Use Permit Amendment under City Ordinance 445, Section 6, Article 3, subd 4C. Said request is for a temporary storage container at 1005 7th Avenue NE PID 16.145.0010. Sellman reviewed the staff report and explained that the findings of fact have not been met therefore staff recommended denial. Chair Johnson opened the public hearing, no one from the public spoke on this item except for the applicant, Kevin Fitton. Fitton explained that the school is at capacity and needs additional room for storage. The most cost-effective option for the school is the shipping container. When asked Fitton stated that the least amount of time for the storage container would be five years but he is requesting 7-10 years. The school plans to expand but needs funding and approvals. Lundeen explained that a few years back the city made an effort to remove storage containers from several properties in the city and it would not be fair to allow this now. The Commission suggested building a garage since they will need storage even after the school addition. Fitton said it was not feasible for them to do that. Gordon stated he could support the container for five years. Collins had concerns about the timeline to build the addition. Johnson closed the public hearing at 8:05pm.
Gordon motioned to approve the storage container for five years, Simon seconded the motion, the motion failed 5-2. AYE Gordon and Collins NAY: Johnson, Lundeen, Collison, Bergley and Simon.
Gordon made another motion to approve the storage container for three years, Simon seconded the motion. Motion failed 4-3. AYE: Gordon, Collins, Simon. NAY: Johnson, Collison, Bergley, Lundeen.

Other Business
A. Comprehensive Plan Update

a) Chapter 4 – The Economy: Lorsung reviewed the Economic Development efforts over the past 10-years and projected growth trends along with other key points of the chapter. The Commission had no questions or comments
b) Chapter 5 – Natural Resources: Lorsung reviewed the goals to maintaining natural systems and other key points of the chapter. The Commission had no questions or comments.

B. Commissioner terms expire 12-31-119 (except for Collins 12-31-21): Sellman asked Simon if she wanted to be on the Commission again and she expressed interest. Simon will need to submit an application. Sellman also explained that we will advertise for the open seat.

Discussion Items: None

Adjournment: Motion by Lundeen, second by Bergley to adjourn, motion passed meeting adjourned at 8:30pm.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: December 20, 2019
Subject: City Code Chapter 260, Sewer & 325, Water Amendments and New City Code Chapter 262, Sewer and Water Service Charges

Background:

Staff has finished a complete review of the City Code Chapters regarding Sanitary Sewer and Water Utilities. This complex review involved reviewing existing codes, in which a number of amendments had been added over the course of many years, with existing policy. It is staff's intent to make these codes clearer, consistent and easier to understand. Also, as previously discussed, hotel/motel base charges have been removed and those uses would be subject to commercial rate charges.

New Code Chapter 262:

As a part of this review it was determined that the majority of inquiries and information sought by citizens regard utility service charges. To address this need staff has prepared a draft New Code Chapter 262, Sewer and Water Charges. This new Chapter incorporates all applicable sections of city code chapters 260 and 325, as well as current utility billing policy.

The City Attorney has reviewed the City code amendments and new City Code Chapter.

Recommendation:

Committee of the Whole reviewed the proposed City Code Chapter 260 & 325 Amendments and proposed new City Code Chapter 262 and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 260, Sewer & 325, Water.
2. Approve new City Code Chapter 262, Sewer and Water Service Charges

Attachments:

- Ordinance XXX – An Ordinance to Amend the Code for the City Of Isanti, Chapter 260, Sewers
- Ordinance XXX – An Ordinance to Amend the Code for the City of Isanti, Chapter 325
- Ordinance XXX – An Ordinance to Amend the Code for the City of Isanti Adding Chapter 262, Sewer and Water Service Charges

ORDINANCE NO. _____

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 260, SEWERS

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 260, Sewers, is hereby deleted in its entirety and amended to read as follows:

Chapter 260

SEWERS

Article I Sewers, General Requirements

260-1 Definitions
260-2 Administration
260-3 Destructive acts
260-4 Connection to public sanitary sewer system required
260-5 Authority to inspect
260-6 Liability
260-7 Waste disposal
260-8 Unlawful discharges
260-9 Toilet facilities
260-10 Conflict with additional requirements

Article II Public Sewer Connections

260-11 Standards
260-12 Trunk utility charges
260-13 Meters for private water supply systems
260-14 Permit required
260-15 Permit application
260-16 Permit classes
260-17 Accessibility charge
260-18 Usage charges
260-19 Owner responsible for all costs
260-20 Repairs
260-21 Separate building sewers
260-22 Existing building sewers
260-23 Connections/building sewers

Article III On Site Sewage Treatment Systems

260-24 Connection required, compliance
260-25 Permit required
260-26 Inspection
260-27 Compliance with Standards
260-28 Non-compliant system-connection to public sanitary sewer system
260-29 Point of sale inspection

Article IV Use of Public Sanitary Sewer System

260-30 Discharge to sanitary sewers
260-31 Use of storm drains prohibited
260-32 Prohibited discharges into public sanitary sewers
260-33 Waste interceptors
260-34 Maintenance at owner's expense, waste interceptor
260-35 Other prohibited discharges
260-36 Accidental discharges
260-37 Preliminary treatment
260-38 Maintenance at owner's expense, preliminary treatment facilities
260-39 Control manhole
260-40 Testing and analysis
260-41 Special agreements
260-42 Right to meter sewage flow/other meters
260-43 Other regulations for industrial users
260-44 Recovery of costs
260-45 Miscellaneous provisions
260-46 Violations and penalties

Article I Sewers, General Requirements

260-1 Definitions.

BUILDING DRAIN -- The part of the lowest horizontal piping of a drainage system which receives the discharge from waste and other drainage pipes inside the building.

BUILDING SEWER – The pipe extending from the building drain to the public sewer or another place of disposal.

B.O.D. (Biochemical Oxygen Demand) The quantity of oxygen utilized in the bio-chemical oxidation of organic matter under standardized laboratory procedure, expressed in parts per million by weight.

CITY – The City of Isanti or its officers or employees authorized to perform the functions to which there is reference in the Chapter.

NORMAL STRENGTH SEWAGE WASTE – Wastewater that is primarily introduced by residential users (domestic wastewater strength) with a BOD concentration not greater than 220 mg/l, a total suspended solids (TSS) concentration not greater than 240 mg/l, ammonia nitrogen concentration not greater than 25 mg/l, and total phosphorus concentration not greater than 8 mg/l.

GARBAGE – Solid wastes from the preparation, cooking, and dispensing of food, and from the handling, storage, and sale of produce.

INDIVIDUAL SEWAGE DISPOSAL SYSTEM – A sewage disposal system other than a public community system and which receives sewage from an individual establishment.

INDUSTRIAL WASTE (Wastewater)– The liquid wastes from industrial processes and distinct from residential or domestic strength wastes, and exceeds normal domestic strength.

NATURAL OUTLET –Any outlet into a watercourse, pond, ditch, lake or other body of surface or ground water.

NOTICE – A notice in writing directed to the owner or other person affected for the time specified by the ordinance, stating briefly the condition that is the reason for the notice and the consequences that will result upon failure to comply with the terms of the notice. A notice shall be deemed given when either it is personally served on the person to whom it is directed or mailed to them at their last known address. If the owner or other person cannot be reached by mail so addressed, service may be made upon the occupant of the building or premises. Notification may also be made by posting the notice on the front door of the building.

NPDES PERMIT – National Pollutant Discharge Elimination System Permit (NPDES) is a permit issued by the MPCA, setting the limits on pollutants that a permittee may legally discharge into navigable waters of the United States pursuant to Sections 402 and 405 of the Act.

OWNER – The person, company, corporation, or their authorized agent, that owns a building or premises.

pH – The logarithm of the reciprocal of the concentration of hydrogen ions in terms of grams per liter of solution.

PREMISES – A platted lot or part thereof or unplatted parcel of land, either occupied or unoccupied and/or any building or structure on the property.

PROPERLY SHREDDED GARBAGE – The wastes from the preparation, cooking and dispensing of food that has been shredded to such a degree that all particles will be carried freely under the flow conditions normally prevailing in public sewers, with no particles greater than one-half inch in any dimension.

PUBLIC SANITARY SEWER SYSTEM – A sanitary sewer utility owned, maintained and controlled by the City.

SANITARY SEWAGE – Any water-carried domestic waste, exclusive of subsurface building or roof storm water drainage, of any residence, commercial or industrial establishment, whether treated or untreated, and includes domestic waste. Raw Sewage is sewage that has not been subjected to any treatment process.

SERVICE – Connection to the public sanitary sewer system controlled by the City.

SPECIAL ASSESSMENT – A charge for construction of public sanitary sewer system improvements pursuant to City Code Chapter 276, or a charge for any repair performed by the City or any fees and usage charges which; pursuant to State law, are certified to the County for collection with property taxes.

SEWAGE TREATMENT PLANT (Collection/Disposal System/Works) – An arrangement of any devices, facilities, structures, piping, equipment or processes owned or used by the City for collection and treatment of municipal, domestic and industrial sewage.

STORM SEWER- A sewer that carries storm and/or surface waters and drainage but excludes sanitary sewage and polluted wastes.

SUSPENDED SOLIDS – Solids that either float on the surface of, or are in suspension in water, sanitary sewage, or other liquids, and which are removable by filtering.

WATERCOURSE- A channel in which a flow of water occurs, either continuously or intermittently.

260-2 Administration.

The City Administrator or their designee shall have control and general supervision of all public sanitary sewer collection and treatment systems in the City and shall be responsible for administering the provisions of this Chapter.

260-3 Destructive acts.

No unauthorized persons shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance, or equipment which is part of the public sanitary sewer system. Said person(s) shall be subject to costs and/or penalties pursuant to Sections 260-44 and 260-46 of this Chapter.

260-4 Connection to public sanitary sewer system required.

All buildings and premises discharging sanitary sewage and located in the City and adjacent to any street, alley, public easement or right-of-way in which there is now located, or may in the future be located, a public sanitary sewer shall be required at their expense to install a suitable sanitary sewer service connection in accordance with the provisions of this Chapter.

A. Where a parcel of property in the City has an available connection to the public sanitary sewer system, no owner or occupant shall construct a private sanitary sewage system (SSTS) on the property or make use of any existing private SSTS on the property. Existing SSTS can continue until such time as there is system failure or the system is non-compliant.

B. Use of existing on-site private SSTS for treatment of sanitary sewage in existing buildings and premises where no public sanitary sewer is available in an adjacent right-of-way shall be permitted in accordance with the requirements of this Chapter.

C. Any privy, septic tank, cesspool or other such facility intended or used for the disposal of sewage that is constructed or maintained in violation of any of the provisions of this section of this article is declared to be a public nuisance as per City Code Chapter 216-2 and the City may abate the same in the manner provided by law.

260-5 Authority to inspect.

The City Engineer, Building Official and other duly authorized employees of the City, bearing proper credentials and identification, shall be allowed to enter upon all buildings, premises or properties for the purposes of inspection, observation, measurement, sampling and testing in accordance with the provisions of this Chapter. In the event that access is denied by the owner, authorized agent, or tenant the City may request an administrative search warrant to access the building, premises or property. Nothing in this section shall be construed as to limit the authority of the City to enter any building, premises or property in urgent emergency situations where there is imminent danger to protect the public health, safety and welfare.

260-6 Liability.

In addition to any penalties in this Chapter, any persons or firms violating the provisions of this Chapter may become liable to the City for any expense, loss or damage by reason of such violation.

260-7 Waste disposal.

It shall be unlawful for any person to place, deposit, or permit to be deposited in an unsanitary manner upon public or private property within the City, or in any area under jurisdiction, any human or animal excrement, garbage or objectionable waste.

260-8 Unlawful discharges.

It shall be unlawful to discharge into any natural outlet or to any storm sewer or storm drain, or in any area under the jurisdiction of the City, any sanitary sewage, industrial wastes, or other polluted waters, except where suitable treatment has been provided in accordance with the provisions of this Chapter.

260-9 Toilet facilities.

The owner of each building, dwelling or premises used for human occupancy, employment, recreation, or other purpose, is required at their expense to install and maintain suitable toilet facilities therein and connect such facilities directly to the public sanitary sewer system, unless connected to an existing private SSTS in accordance with the requirements of this Chapter.

260-10 Conflict with additional requirements.

No statement in this Chapter shall be construed to interfere with any additional requirements that may be imposed by the MPCA or the Minnesota Department of Health.

Article II Public Sewer Connections

260-11 Standards.

A. Connection. The connection of a sanitary sewer service into the public sanitary sewer system shall conform to the requirements of the Minnesota Building and Plumbing Code, as adopted by the City. All such connections shall be made gastight and watertight, and verified with the proper testing to prevent infiltration/inflow. All installation and materials shall be approved by the City.

B. Capacity. New connection(s) to the public sanitary sewer utility system shall be permitted as long as sufficient capacity is available in the public sanitary sewer system, including capacity for flow, BODs, nutrient levels and suspended solids, as determined by the City Engineer.

260-12 Trunk Utility Charges.

Trunk utility charges have been established for new subdivided areas of the City that did not pay for the original sanitary sewer system. No system connection shall be made to the City public sanitary sewer system unless all trunk utility charges have been paid and developer-installed public improvements have been accepted or, if applicable, the lot has been fully assessed for the cost of public sanitary sewer improvements.

260-13 Meters for private water supply systems.

All users who operate and maintain a private water supply system shall install a meter for recording water used for domestic purposes and all water discharged to the public sanitary sewer system. The meter shall be provided by the City with the cost of the meter and installation by a licensed plumber paid by the owner.

260-14 Permit required.

No person shall uncover, make any connections with or opening into, use, alter, repair or disturb any public sewer or appurtenance thereof without first obtaining a written permit from the Building Official or City Administrator or their designee and otherwise complying with the terms of this Chapter and the conditions accompanying the permit.

260-15 Permit application.

Applications for permits shall be made in the name of the owner or authorized agent and the licensed plumber or contractor. The permit shall state the location, name of owner, street number of the building or premises to be connected and how occupied. No person shall extend any private building drain or sanitary service connection beyond the approved scope of work for which the sanitary sewer connection permit has been given.

260-16 Permit classes.

A. There shall be two classes of building sanitary sewer permits:

1. Residential or commercial service

2. Establishments producing industrial wastes

B. In either case, the application shall be supplemented by any plans, specifications or any other information considered pertinent in the judgement of the City. An industrial user, as a condition of permit issuance, must provide information describing its wastewater constituents, characteristics, volume and type of activity.

260-17 Accessibility charge.

In addition to any usage fees, trunk fees or special assessments, the sewer access fee (SAC) established by the resolution of the City Council shall be payable prior to the issuance of a building permit. Any applicable building or connection permit fees shall also be paid at the time the permit application is submitted to the City.

260-18 Usage charges.

Upon connection of any building or premises to the public sanitary sewer system, the owner shall pay usage charges each month at rates fixed by the City Council. The sewer service charge shall be payable as of the day of approval by the City of the connection between the building drain and building sewer or the connection between the building sewer and the public sanitary sewer system, whichever connection would permit use of the public sanitary sewer system. The owner is responsible for payment of usage charges and if unpaid shall be a lien on the property pursuant to Section 260-45(B)

260-19 Owner responsible for all costs.

All costs and expense incidental to the installation and connection to the public sanitary sewer system shall be borne by the owner of the building or premises. The owner shall indemnify the City from any loss or damage to the public sanitary sewer system that may be directly or indirectly caused by the installation of the building sewer. Once installed, it shall be the responsibility of the owner to keep the sewer connection and building/premises sewer plumbing in working condition. New sanitary sewer service lines, upon approval by the City Administrator, may be placed under an existing driveway. The owner is liable for any repairs for the service line under the driveway.

260- 20 Repairs.

After initial service connection has been made to the sanitary sewer main, the owner of the building or premises shall be liable for all repairs required to the sanitary sewer service. This includes all sewer connection plumbing and piping from the building drain and/or connection to the sanitary sewer main, including any driveway, landscaping, sidewalk and street repairs. This also includes the thawing of frozen service lines to the sanitary sewer service main. The owner shall complete all repairs as directed by the City. Each day after three calendar days that the owner neglects or fails to act to make or procure services for repairs shall constitute a separate violation of this Chapter. After three calendar days of no action by the owner, the City may then cause the work to be done and recover from the owner the costs of repair work, pursuant to Section 260-45 (B) of this Chapter.

260-21 Separate building sewers.

Every building shall have its own independent connection with a private or public sanitary sewer collection system, except that a group of buildings on a single property may be connected to one or more manholes which are constructed on the premises and connected to a private or public sanitary sewer system. These connections and collection systems shall be approved by the City Engineer. Easements shall be granted to the City for any manhole or private sanitary collection system. When one or more buildings are served by a joint sanitary sewer service line and the opportunity to separate connections is made available by the City, the owner(s) shall connect to an independent connection at their cost and expense.

260-22 Existing building sewers.

Existing older building sewers may be used in conjunction with new buildings or structures only when they are found, on examination and test by the Building Official or their designee, to meet all the requirements of this Chapter.

260-23 Connections / building sewers.

Only an authorized licensed contractor, plumber, or City crews may tap or make connections from the building drain or building sewer into a public sanitary sewer service line.
A building sewer shall be constructed under the following conditions:

A. OSHA Regulations Incorporated by Reference. The Safety and Health Regulations for Construction, Department of Labor, Occupational Safety and Health Administration regarding Excavations, Trenching and Shoring, are hereby adopted by the City and incorporated as part of this Chapter as completely as if set out here in full. If any personnel shall fail to comply with the requirements of the Regulations, the Building Official may, by written notice, stop all work in the trench until there is compliance, including sheeting and bracing if ordered. Each one-half hour of work in the trench after written directive to stop, shall constitute a separate violation herein.

B. Construction. The size, slopes, alignment, materials of construction of a building sanitary sewer and methods of excavating, placing of the pipe, jointing, testing and backfilling of the trench shall all conform to the requirements of the State of Minnesota Building and Plumbing Code or other applicable rules and regulations of the City.

C. Connection point. The connection of the building sewer with the public sewer shall be made at the "Y" branch designated for the property, if suitable. Any other location for the connection shall be only as directed by the City.

D. Inspection. Before covering or backfilling such building sewer, the contractor or plumber must obtain inspection and approval of said sewer construction by the Building Official or their designee.

E. Cost and liability. All costs and expenses incidental to the installation and connection of the building sewer shall be borne by the owner(s). The owner(s) shall indemnify the City from any loss or damage that may directly or indirectly be occasioned by the installation of the building sewer and/or sanitary sewer service line.

Article III On Site Sewage Treatment Systems

260-24 Connection required, compliance.

When a service stub in the right of way or easement for the public sanitary sewer is not available as per Section 260-4(B) of this chapter, the building sanitary sewer shall be connected to a private on-site sanitary sewage treatment system (SSTS) complying with the provisions of this Chapter.

260-25 Permit required.

Prior to commencement of construction or repair of a SSTS, the owner shall first obtain a written permit from the City or it's appointed agent. The applicant shall furnish any plans, specifications or other information as deemed necessary by the permitting agency.

260-26 Inspection.

A permit for a private wastewater disposal system shall not become effective until the installation is completed to the satisfaction of the City or its appointed agent. The City or it's appointed agent shall be allowed to inspect the work at any stage of construction, and, in any event, the applicant for the permit shall notify the City or its appointed agent when work is ready for final inspection and before the underground portions are covered.

260-27 Compliance with standards.

The type, capacities, location, layout, operation, repair and abandonment of a SSTS shall comply with all requirements of MPCA MN Rules Chapters 7080, "Individual Subsurface Sewage Treatment System Standards" as amended from time to time. No septic tank, cesspool or system shall be permitted to discharge to a natural outlet.

260-28 Non-compliant system - connection to public sanitary sewer system.

In the event an existing SSTS system is non-compliant and a service stub in the right of way or easement for the public sanitary sewer main is available, the owner must connect to the public sanitary sewer utility system in the time frame set forth below at their cost and pay all applicable fees per this Chapter. The existing SSTS shall be abandoned and rendered unusable per the requirements of this Chapter.

A. In the case of a failing system, the SSTS shall be upgraded, replaced, repaired, or use discontinued within 180 days of receiving written notice from the City or authorized agent.
B. In the case of an SSTS whose failure is an imminent threat to public health or safety, the system shall be upgraded, replaced, repaired or use discontinued within 60 days of receiving written notice from the City.

260-29 Point of sale inspection.

A. Compliance certificate. No owner of a building located in the City that is not served by the public sanitary sewer system, shall sell such building by conveyance or contract for conveyance without first obtaining a compliance inspection certificate of the SSTS from the City or it's appointed agent prior to the time of sale.

B. Time of sale. Time of sale shall mean when a written purchase agreement is executed by the buyer or, in the absence of a purchase agreement, the time of execution of any document providing for the conveyance by deed or contract.

C. Exception. Upon filing of an executed written agreement by the present and prospective owners, which agreement sets forth the date by which the new owner will complete the necessary corrective action and which agreement and corrective action dates are approved by the City or it's appointed agent, and deposit of sums representing 150% of the cost of the improvements, as estimated by a licensed SSTS designer, the occupancy may be permitted pending issuance of a the point of sale certificate of compliance.

Article IV Use of Public Sanitary Sewer System

260-30 Discharge to sanitary sewers.

No person shall discharge or cause to be discharged any storm water, surface water, ground water, subsurface drainage, sump pump water, cooling water, or unpolluted industrial process waters into any public sanitary sewer system.

260-31 Use of storm drains prohibited.

No person shall permit any sanitary sewage to flow into the public storm drain from any building or premises owned by them or under their control.
260-32 Prohibited discharges into public sanitary sewers.

A. Except as hereinafter provided, no person shall discharge or cause to be discharged any of the following described waters or wastes in any public sewers:

1. Any liquid or vapor having a temperature higher than 150 degrees Fahrenheit.
2. Any water or waste which may contain more than 100 parts per million, by weight, of fat, oil, or grease.
3. Any gasoline, benzene, naphtha, fuel oil, petroleum product or other flammable or explosive liquid, solid or gas.
4. Any garbage that has not been properly shredded.
5. Any ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, paunch manure, or any other solid or viscous substance capable of causing obstruction to the flow in sewers or other interference with the proper operation of the sewage works.
6. Any waters or waste having a pH lower than 6.0 or higher than 8.5 or having any other property to corrode or abrade, cause materials to be deposited or attached to the walls of sewers, or having any other property capable of causing damage or hazard to structures, equipment, and personnel of the sewage works.
7. Any waters or waste containing a toxic, poisonous, or radioactive substance in sufficient quantity to interfere with any sewage treatment process, constitute a hazard to humans, or create any hazard in the sewage treatment plant.
8. Any waters or wastes containing suspended solids of such character and quantity that unusual attention or expense is required to handle such materials at the sewage treatment plant.
9. Any noxious or malodorous gas or substance capable of creating a public nuisance.
10. Any wastewater containing toxic pollutants in sufficient quantity, either singly or by interaction with other pollutants, to inhibit or disrupt any wastewater treatment process, constitute a hazard to humans or animals or create a toxic effect in the receiving water of the wastewater disposal system. A toxic pollutant shall include but not be limited to any pollutant identified pursuant to Section 307(a) of the Clean Water Act.

260-33 Waste interceptor.

Grease, oil and sand interceptors in excess of 100 parts per million shall be provided at the owners or premises expense when they are necessary for the proper handling of liquid wastes containing grease in excessive amounts or any flammable wastes, sand or other harmful ingredient; except that such interceptors shall not be required for residential buildings where there are no contributing commercial uses. All such interceptors shall be of a type and capacity approved by the City Engineer, and shall be located as to be readily available and easily accessible for cleaning and inspection. Waste interceptors are subject to inspection by the Building Official or their appointed agent.

260-34 Maintenance at owner's expense, waste interceptor.

All grease, oil and sand interceptors shall be maintained by the owner, at their expense, in continuously efficient operation at all times. In the event of an emergency, the City reserves the right to perform or contract for any maintenance activities for private interceptors, with all costs to be paid by the owner. The City reserves the right to shut off flows from the building or facility

in event of non-compliance. Unpaid charges shall be a lien on the property pursuant to Section 260-45(B) of this Chapter.

260-35 Other prohibited discharges.

The admission into the public sewers of any of the following waters or wastes is prohibited except upon the written approval of the City Engineer:

A. The admission into the public sanitary sewer of any waters or wastes having:

1. A five day Biochemical Oxygen Demand (BOD) greater than 300 parts per million by weight.
2. Containing more than 350 parts per million by weight of suspended solids.
3. Containing any quantity of substances having the characteristics described in Section 260-32.
4. Having an average daily flow greater than 2% of the average daily sewage flow of the City is prohibited except upon written approval of the City Engineer.
5. Containing in excess of 0.02 mg/l total identifiable chlorinated hydrocarbons.
6. Containing phosphorus in excess of 15 parts per million by weight.

260-36 Accidental discharges.

A. Facilities. Where required by the City, the owner of any building or premises serviced by a public sanitary sewer shall provide protection from an accidental discharge of prohibited materials or other substances regulated by this Chapter. Where necessary, facilities to prevent accidental discharges shall be provided and maintained at the owner's expense.

B. Notification to the City. The owner or their agent shall notify the City immediately upon having a slug or accidental discharge of substances or wastewater in violation of this Chapter to enable countermeasures to be taken by the City to minimize damage to the sewage treatment plant. The notification will not relieve the owner of liability for any expense, loss or damage to City treatment facilities or the sewage treatment process, or for any fines imposed on the City on account thereof under any state or federal law. The owner shall insure that all employees or occupants who may cause or discover such a discharge are advised of the emergency notification procedure.

260-37 Preliminary treatment.

A. The owner shall provide, at the owner's expense, preliminary treatment of waste as may be necessary to:

1. Reduce the Biochemical Oxygen Demand (BOD) to 300 parts per million by weight.
2. Reduce the suspended solids to 350 parts per million by weight.

3. Rectify any violation of Section 260-32.
4. Control the quantities and rates of discharge of such waters and wastes.
5. Comply with Section 260-35.
6. Comply with any MPCA permit limits.

B. Plans, specifications, and any other pertinent information relating to proposed preliminary treatment facilities must be submitted for the approval of the City Engineer and the Minnesota Pollution Control Agency (MPCA) and no construction of such facilities may be commenced until said approvals are obtained in writing.

260-38 Maintenance at owner's expense, preliminary treatment facilities.

Where preliminary treatment facilities are provided, they shall be maintained continuously in satisfactory and effective operation by the owner. In the event of an emergency circumstance where the City has to perform or contract for any maintenance activities for pretreatment facilities, all such costs shall be paid by the owner. The City reserves the right to shut off flows from the building or premises in event of non-compliance. Unpaid charges shall be a lien on the property pursuant to Section 260-45(B) of this Chapter.

260-39 Control manhole.

The owner of any building or premises served by a building sewer carrying industrial wastes shall install a suitable control manhole in the building sewer to facilitate observation, sampling and measurement of the wastes. The manhole may be used for placement of flow or waste measuring devices. The manhole shall be constructed in accordance with plans approved by the City Engineer. Such manhole shall be located in a public easement or right-of-way and shall be accessible by the City at all times. The manhole shall be installed by the owner at their expense, and be maintained to be safe and accessible at all times.

260-40 Testing and analysis.

All measured tests and analysis of the characteristics of water and wastes to which reference is made in this Chapter or required by written agreement, shall be determined with methods employed by the Minnesota Department of Health and MPCA, based upon samples taken at the control manhole provided for in Section 260-39 of this Chapter. In the event that no control manhole has been required, the nearest downstream manhole in the public sanitary sewer system from the point where the building or premise is connected shall be considered the control manhole for the purposes of this Section.

260-41 Special agreements.

No statement contained in this Chapter shall be construed as preventing any special agreement or arrangement between the City and any industrial concern whereby an industrial sanitary sewer waste of unusual strength or character may be accepted by the City for treatment, subject to payment by the industrial concern, providing that National Categorical Pretreatment Standards

and the City's NPDES and State Disposal Permit limitations are not violated. Special agreements shall be approved by resolution of the City Council.

260-42 Right to meter sewage flow / other meters.

A. Metering requirement. The City reserves the right to require metering of sewage flow or to base estimated flow on metered water usage. Any sewage flow metering system shall be approved by the City Engineer.

B. Other meters. If an industrial user had discharges that are subject to Section 260-33 and/or Section 260-37, and also discharges normal strength sewage waste in the public sanitary sewage system, the City may permit or require the installation of other water meters to determine the quantities of normal strength sewage waste that can actually enter the public sanitary sewer system without pre-treatment or a special agreement.

260-43 Other regulations for industrial users.

Any additional regulations or requirements promulgated by the City regarding industrial waste(s) shall be adopted by resolution of the City Council.

260-44 Recovery of costs.

In addition to any penalties that may be imposed for violation of any provision of this Chapter, the City may charge, and if not paid, special assess against, any owner of a building or premises the cost of recovery, repairs or restoration of any portion of the public sanitary sewer system and facilities due to the negligence or non-compliance of the owner pursuant to Section 260-45(B) of this Chapter. This includes service connection installation or repair, and charges for use of the public sanitary sewer system.

260-45 Miscellaneous provisions.

A. Shut off by City only. No person, party or firm, without permission from the City, shall shut off the connection from the building drain or building sewer to the public sanitary sewer system. In emergency situations, in the event where fluid is entering a building or premises from the public sanitary sewer system, the system can be temporarily plugged.

B. Certification of unpaid account balances with taxes. Unpaid sanitary sewer service charges or fees, interest and penalties on accounts shall be certified to the county auditor at least once annually and more often if deemed necessary. Prior to certification, a notice shall be sent by U.S. mail to the account holder and state the date that payment needs to be made prior to certification. The notice shall also inform the account holder of their right to a hearing before the City Council to dispute the amount owed. If approved by the City Council, all delinquent amounts, penalties and charges, including administrative fees, shall be certified to the County Auditor for collection with property taxes.

260-46 Violations and penalties.

Any person violating any provision of this Chapter shall, upon conviction therefore, be punished by a fine not exceeding $1,000 or by imprisonment not exceeding 90 days, or both, plus costs of prosecution in either case. A separate offense shall be deemed committed for each day the violation shall continue.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's official newspaper.

Adopted by the City Council this ____ day of _____2020.

ORDINANCE NO. _____

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 325, WATER

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 325, Water, is hereby deleted in its entirety and amended to read as follows:

Chapter 325

Water

Article I Purpose and Establishment

325-1 Definitions
325-2 Water utility
325-3 Administration
325-4 Connection to the public water system required
325-5 Deficiency of water

Article II Connection and Regulations

325-6 Waterline connections
325-7 Installation of connections
325-8 Authority to inspect
325-9 Meters
325-10 Taking water without authority, operation of valve boxes
325-11 Responsibility for repairs
325-12 Certification of unpaid accounts with taxes

Article III Private Wells

325-13 Private wells
325-14 No Private wells without City authorization

Article IV Water conservation restrictions, critical water deficiency, lawn sprinkling, watering and irrigation

325-15 Intent
325-16 Water conservation Restrictions, critical water deficiency
325-17 Lawn sprinkling , watering and irrigation
325-18 Cross connections prohibited

Article V Violations and penalties

325-19 Violations and penalties

ARTICLE I Purpose and Establishment

325-1 Definitions.

As used in this article, unless the context otherwise requires, the following terms shall have the meanings intended:

CITY – The City of Isanti or its officers or employees authorized to perform the functions to which there is reference in the Chapter.

DEPARTMENT - The city water department.

EMERGENCY - The declaration of a critical water deficiency by the Governor, and/or Mayor.

IRRIGATION - The watering of shrubs, trees, sod, seeded areas, gardens, lawns, or any other outdoor vegetation, except outdoor vegetation utilized for agricultural purposes.

NOTICE – A notice in writing directed to the owner, tenant or other person affected for the time specified by the ordinance, stating briefly the condition that is the reason for the notice, and the consequences that will result upon failure to comply with the terms of the notice. A notice shall be deemed given when either it is personally served on the person to whom it is directed or mailed to them at their last known address. If the owner, tenant or other person cannot be reached by mail, service may be made upon the occupant of the building or premises. Notification may also be made by posting the notice on the front door of the building.

NOTIFICATION TO THE PUBLIC - Notification through local media and city website.

OWNER – The person, company, corporation or their authorized agent that owns a building or premises.

PREMISES – A platted lot or part thereof or unplatted parcel of land, either occupied or unoccupied and/or any building or structure on the property.

PUBLIC WATER SUPPLIER - The city or other entity that owns, manages, or operates a public water supply, as defined in Minn. Statutes § 144.382, subdivision 4.

PUBLIC WATER SUPPLY SYSTEM – The public water supply and utility owned, managed and controlled by the City.

SPECIAL ASSESSMENT – A charge for construction of public water supply system improvements pursuant to City Code Chapter 276, or a charge for any repair performed by the City or any fees and usage charges which, pursuant to State law, are certified to the County for collection with property taxes.

RECLAIMED WATER - Water collected from rooftops, paved surfaces, or other collection devices and all water utilized more than once before re-entering the natural water cycle.

VALVE BOX – Curb stop valve or shut off valve installed on the water service line that controls the flow of water from the public water supply system to a building or premises.

WATER RECIRCULATION SYSTEM - Any system which enables a user to reuse water at least once prior to returning the water to the natural water cycle.

325-2 Water utility.

The City's public water system is to provide safe drinking water to City residents through a distribution system that has capacity for additional planned growth of Isanti. The public water system is only sustainable when there are proper requirements to connect to the system and set appropriate user fees for annual operations, capital improvements and system equipment replacement.

325-3 Administration.

The City Administrator or their designee shall have control and general supervision of the public water system in the City and shall be responsible for administering the provisions of this Chapter to ensure that a compliant, efficient and proper public water system is maintained.

325-4 Connection to the public water system required.

All buildings and premises in the City, unless through a permitted private water supply for domestic use, shall be connected to the public water system. Where a building or premises in the City has connected to the public water system no owner, tenant or occupant shall:

A. Construct any private water supply or well on the property for domestic use or potable water.

B. Make use of an existing private water supply or well for domestic use or potable water not in compliance with the Chapter.

C. Make use of any private water supply or well for commercial or industrial purposes, or as a commercial or industrial domestic or potable water supply without consent of the City.

D. Create or continue a physical connection between a private water supply or well and the plumbing system connected to the public water system.

E. Disconnect from the City water system, unless the disconnection is part of repair of the building or premises service line, or plumbing system.

325-5 Deficiency of water.

The City shall not be liable for any deficiency or failure in the supply of water to customers, whether occasioned by shutting water off for the purpose of making repairs or connections or from any other cause whatsoever. This includes replacement of damaged

equipment or repair of plumbing systems in a building or premises. In the case of fire, or alarm of fire, or in making repairs or construction of new water system improvements, water may be shut off at such time and kept off as long as necessary. In addition, the City Council or City Administrator shall have the right to place reasonable restrictions on the use of the public water system in emergency situations, in accordance with Article IV of this Chapter.

ARTICLE II Connection and Regulations

325-6 Waterline connections.

All connections to the public water system shall be in conformity with the following rules and regulations, except that the City Council may, by resolution, waive the same upon appeal by the owner, showing special conditions justifying such waiver.

A. Separate connection required. Every building or premises served by the public water supply system shall have a separate water service line, valve box and water meter. In the case of existing combined connections between two or more properties, when the opportunity to separate the service connections is available through City or private development, the services shall be separated at the Owner's expense. In the case of a multi-unit building or premises with building units under separate lease or ownership, each unit shall have a separate valve box and meter. Multi-unit buildings without separate valve boxes shall have a shutoff valve accessible to the City.

B. Water service line and valve box location. The water service line and valve box shall be located in boulevard areas in street right-of-way or easements. A setback of 10 feet shall be maintained on either side of the water service line that extends from the water main to the valve box, from any driveway, landscaping or other private improvements. Should a 10 foot setback not be possible due to the characteristics of the lot, the City Administrator or their designee has the authority to approve placement of the water service line and valve box with less than a 10 foot setback. In situations where there is not a 10 foot setback, the owner is responsible for repair of the water service from the water main to and including the valve box. In cases where there is a driveway and/or landscaping over the water service line from the water main to the valve box and repairs are needed, the owner is responsible for repair or replacement of any driveway, landscaping, sprinkler systems or other private improvements. Any existing valve box on the premises or property that is replaced due to a new relocated valve box shall be disconnected and removed. In all cases, the valve box shall be accessible at ground level and operable.

C. Permit required. No owner, firm or corporation shall make any type of connection to the public water supply system without first obtaining a permit from the City. Applications shall include the legal description of the property to be served, the uses for which the connection is requested, the size of service to be used, full name and address of the owner, and when the connection will be made. All fees, including water accessibility charges (WAC) and residential equivalent connection (REC) charges, shall be paid at the time the application is filed. Failure to pay all fees voids the application.

325-7 Installation of connections.

All connections to the public water system shall be in accordance with the following requirements.

A. Licensed plumber required. No person, firm or corporation shall perform work on and/or connect any water service line to the public water supply system valve box unless such person, firm or corporation is a plumber duly licensed under the laws of the State of Minnesota.

B. Pipe requirements. All service lines shall be either copper, polyvinyl chloride (PVC), or ductile iron pipes; lead free brass fittings are required. Use of PVC requires installation of tracer wire in accordance with Minnesota Rural Water Association specifications.

C. Pressure and connections. All ductile iron, PVC or copper pipe must sustain a pressure of not less than 150 pounds per square inch. No person shall excavate in a public street to service a water main unless they obtain a permit from the City.

325-8 Authority to inspect.

The City Engineer, Building Official, and other duly authorized employees of the City, bearing proper credentials and identification, shall be allowed to enter upon all buildings, premises, or properties for the purposed of inspection, observation, measurement, sampling and testing in accordance with the provisions of this Chapter. In the event that access is denied by the owner or authorized agent, or tenant, the City may request an administrative search warrant to access the building, premises or property. Nothing in this section shall be construed as to limit the authority of the City to enter any building, premises, or property in urgent emergency situations where there is imminent danger to protect the public health, safety and welfare.

325-9 Meters.

All water sold or used shall be measured by water meters, unless it is not possible or impractical to install meters as determined by the Public Services Director. Meters shall be installed in every building or premises prior to occupation and/or use of the public water system. All meters and remote readers are the property of the City of Isanti.

A. Applications for meters. All applications for the installation of water meters shall be made to the Community Development Department. All new meters installed shall be purchased by the owner or contractor from the City. The cost of new meters and ancillary equipment shall be set by resolution of the City Council.

B. Installation by licensed plumber. For all new services the water meter shall be installed by a licensed plumber. All meters, fittings, wiring and remote reading devices shall be installed in accordance with the requirements of the Building Official and Public Works Department.

C. Access to meters. All water meters connected to the water system shall be accessible to the City Administrator, Public Works Department or their designee between the hours of 7:00 a.m. and 8:00 p.m. of any business day. Refusal by the owner, or tenant, to allow inspection of the water meter, after notification by the City that admission is required, shall constitute a violation of this Chapter.

D. Repair and replacement of meters. In cases where a water meter needs repair the owner is responsible for such repair by a licensed plumber. Should the City make a repair, the owner shall reimburse the City for the expense of repairing or replacing any such meter. Failure to reimburse the City for water meter repair and service expenses may result in the water supply to the building or premises being shut off or collection through the use of special assessments, as best determined by the City pursuant to Section 325-12 of this Chapter.

E. Bypass of meter. It shall be unlawful for any owner or tenant to tamper with, alter, bypass or in any manner whatsoever interfere with the proper use and functioning of any water meter within the City.

F. Meter accuracy. If an owner questions the accuracy of the water meter and desires their meter to be tested, they shall pay a fee, established by resolution of the City Council. If the meter tests within a range of minus 3% to plus 5%, the meter is deemed accurate. If the meter reads high an adjustment to the water bill will be calculated by the City, in accordance with City Code Chapter 262-4 (G), Utility rate overcharge. In any case, if meter is not accurate and needs to be replaced, the owner shall pay the cost of replacement.

G. Final reading. It shall be the responsibility of the owner to notify the city to request a final reading at the time of customer's building change.

H. Meters for fire protection systems. The owner of a building or premises protected by a private fire protection system connected to the public utility shall, if directed by the City, install a meter purchased from the City on the fire service at their expense. If water from a fire service is being wasted or used for purposes other than fire protection, the owner or occupant will be notified and a charge may be made for the estimated amount of water so used. If such improper conditions are not corrected within 30 days, the water service may be terminated until proper corrections are made.

I. Use of Hydrants – Meters. Appropriation of water from hydrants and use of meters shall be in accordance with the policy for use of City hydrants, as adopted by resolution of the City Council.

J. Frozen meters. Owners shall be responsible for protecting water meters from freezing. If a meter freezes, the owner may be required to relocate the meter to a location approved by the City. If a meter is damaged by freezing, the replacement cost of the meter, per the Fee Schedule, is borne by the owner.

325-10 Taking water without authority, operation of valve boxes

A. Taking water without authority. Taking water without authority, tampering with valve boxes, water meters, water systems, or installation of meter bypasses is strictly prohibited, and if determined by the City Administrator or their designee that probable cause exists to believe that any such violation is occurring or has occurred, shall subject the owner or tenant, to immediate disconnection of service and an estimated bill will be issued for unmetered water use. Charges for disconnection and reconnection shall apply to any reinstatement of a water account under this Section. Repair and replacement of damaged meter equipment shall be charged. All fees, repair and replacement costs, personnel time and the bill for unmetered water use shall be paid in full prior to reinstatement of a water account and reconnection of water service.

B. Operation of valve boxes. The operation of valve boxes and/or gate valves is strictly prohibited without prior approval by the City Administrator or their designee. In the case of a declared emergency, with prior approval as per this paragraph, valve boxes or gate valves may be operated by a licensed plumber.

325-11 Responsibility for repairs.

It is the responsibility of the owner to maintain and repair all plumbing distribution lines, systems and fixtures in a building or premises.

A. Service line repair – owner's responsibility. The cost for all repairs and replacement of the water service line from the valve box to the building or

premises shall be borne entirely by the owner. In the case of failure by the owner to repair any leak after 24 hours written notice by the City, the water may be shut off and will not be reconnected until the repairs are complete and all fees are paid. These fees include disconnection and reconnection fees. It is the City Administrator or their designee's decision to let the leak continue, throttle the valve to reduce flow, or shut off the service. When the waste of water is great, and there is a threat to property or infrastructure or when damage is likely to result from the leak, the water may be turned off if the repair is not completed immediately. The City reserves the right to make the repair if the owner fails to act after written notice by the City. If the repair or replacement of a service line and/or valve box that is the owner's responsibility is made by the City, the costs for labor, contractor and materials shall be billed to the owner. If these costs are unpaid, a lien will be made on the premises and property, pursuant to Section 325-12 of this Chapter.

B. Service line repair – city responsibility. The City is responsible for repair of service line leaks from the watermain up to and including the valve box, if the service line and/or valve box were installed to City standards as per Section 325-6 (B) of this Chapter. The City is not responsible for replacing any infrastructure (lighting, sprinkler systems, etc.) on private property and items such as landscaping, trees, driveway surfacing, etc. in boulevard or easement areas. Boulevard and easement areas will be brought up to grade, raked out and seeded down with grass seed. Driveway areas will be brought up to grade with Class V material and it shall be the owner's responsibility to replace any surfacing.

C. Service line repair – driveways. If the service line is extended and/or the valve box is located under a driveway, the owner assumes all responsibility and costs for maintenance and repair of the service line and/or valve box from the water main to the building or premises. This includes all costs of restoration, including driveway surfacing.

D. Thawing of Water Lines. The City is not responsible for thawing the portion of service line for which the premises owner is responsible per Paragraph A of this Section. Policy regarding the thawing of frozen water service lines is per City resolution, as adopted by the City Council.

325-12 Certification of unpaid accounts with taxes.

Unpaid accounts, charges and fees as per this Chapter shall be certified to the county auditor at least annually, and more often if deemed necessary. Prior to certification, a notice shall be sent by U.S. mail to the account holder and state the date that payment needs to be made prior to certification. The notice shall also inform the account holder of their right to a hearing before the City Council to dispute the amount owed. If approved by the City Council, all delinquent amounts, penalties and charges, including

administrative fees, shall be certified to the County Auditor for collection with property taxes.

ARTICLE III Private Wells

325-13 Private wells.

The City Council finds that due to the threat of contamination of private wells used for human consumption, all private wells shall be tested on an annual basis. Private wells with water that is unfit for human consumption will be required to hook up to the public water system, if available.

A. Annual testing. The City shall require annual testing of water quality from buildings or premises served by private wells in areas where the City water is reasonably available. If the owner objects to inclusion in such survey on the grounds that their building or premises cannot be served by City water, or on other grounds; they may appeal to the City Council within 10 days of receipt of notice of water testing, and the City Council shall thereupon hold a hearing to determine whether or not such premises should be deemed to be within the area where City water is reasonably available. The finding of the City Council shall be conclusive in this regard.

B. Water quality standards. For the purposes of this article, in order for water from private wells located in the City of Isanti to be deemed fit for human consumption, the chemical analysis of such water must indicate that said water complies with the following quality standards:

    1. Bacteriological. The maximum contaminant level for coliform bacteria in water from private wells is zero.

    2. Nitrates. The concentration of nitrates (as N) in water from private wells shall not exceed 10 milligrams per liter.

C. Well water testing; condemnation and replacement.

    1. The owner of each building or premises included in the above survey shall submit a sample of water from their private well to a recognized testing laboratory certified by the State of Minnesota Department of Health for a chemical analysis thereof, the cost of which shall be borne by each of the owners. The results of said chemical analysis indicating whether said water is fit for human consumption and certified to by said testing laboratory shall be submitted to the City Administrator or their designee on or before the first day of November of each year. Such a chemical analysis shall be performed and the results thereof submitted to

the City Administrator or their designee as above stated for so long as any of the premises included in the above survey continue to be served by a private well. In the event that test results are not provided to the City, the City has the right to collect a sample from the building or premises and shall have the water tested and a private well water testing fee, as set by resolution of the City Council, and specified in City Code Chapter A344 Fee Schedule, shall be billed to the owner. If the bill is unpaid, the charges shall become a lien on the property, and collected pursuant to Section 325-12 of this Chapter.

2. If the result of the above chemical analysis shows the water to be fit for human consumption, no further action is required until the annual test is due the next year. If the result of the chemical analysis shows the water to be unfit for human consumption, the City Administrator or their designee shall thereupon notify the owner of each premises affected regarding the test results and need for hookup to the public water supply system. If the well is failing as per Paragraph B (1) of this section, the owner will be allowed to disinfect their well and re-test the well water.

3. Upon their request the owners of said building or premises affected shall have an opportunity to be heard at a hearing held by the City Council. At such hearing, the City Council may resolve that such private well be condemned and that the owner of the affected premises apply immediately for hookup to the City water system, that upon failure or refusal of said owner or owners to so apply, the Council may order such hookup to be made and assess the costs and interest as determined by the City Council, against the premises affected as a special assessment payable in one lump sum with the real estate taxes due the following year as per Section 325-12 of this Chapter.

D. Certain private wells condemned. All private wells used to provide water for human consumption in the City of Isanti, that are included or includable in the survey set forth in Subsection A hereof and if at any time the water therefrom is found to be unfit for human consumption as a result of the chemical analysis of said water, are hereby declared to be a nuisance and are hereby condemned, and upon hearing and proper findings by the City Council, the owner of the building or premises served by such private well are required to apply for and hook up to the City water system, and upon failure or refusal by said owner to so apply and hook up, the Council may order such hookup and assess the costs and interest as determined by the City Council, against the premises affected as a special assessment payable in one lump sum with the real estate taxes due the following year as per Section 325-12 of this Chapter.

325-14. No new private wells without City Council authorization.

No new private wells for human consumption shall be constructed in the City in any area where the public water system is available. In cases of hardship where the public water system is not available, an owner may request an exemption from the City Council to construct a private well. The hardship shall no longer exist once a watermain and a water service line is extended to the parcel. On that date, the owner will have 60 months to connect to the public water supply system unless their well is found unfit for human consumption in accordance with the requirements of this Section.

ARTICLE IV Water Conservation Restrictions, Critical Water Deficiency, Lawn Sprinkling, Watering and Irrigation

325-15 Intent. This article establishes water conservation restrictions, and the plan will be in effect at any time the Governor, and/or Mayor, declares by executive order a critical water deficiency, pursuant to Minn. Statutes 103G.291. This article also regulates lawn sprinkling and irrigation to conserve water resources and prevent harmful and wasteful effects on water resources by limiting lawn sprinkling, lawn watering and irrigation during mid-day hours.

325-16 Water conservation restrictions, critical water deficiency

A. Application

1. This ordinance applies to all customers of public water suppliers who own or control water use on any premises.
2. No owner or person shall make, cause, use, or permit the use of water received from a public water supply for residential, commercial, industrial, governmental, or any other purpose in any manner contrary to any provision in this Article.
3. Mandatory emergency conservation measures shall be implemented based upon the declaration of a critical water emergency by the Governor, and/or Mayor.

B. Waste of water prohibited.

1. Customers or owners shall maintain taps, faucets, valves and other waste facilities so that water waste is eliminated from seeps, dripping faucets, etc.
2. No owner or person shall waste water deliberately by allowing irrigation or sprinkling water to run off onto the street or into the drains.

3. Water may be ran through approved water taps during specified time periods to keep service lines from freezing in accordance with the water tap policy, as adopted by resolution of the City Council.

C. Declaration of critical water deficiency.
Upon the declaration of a critical water deficiency by the Governor, and/ or Mayor, the public water supplier shall immediately post notice of the emergency declaration at the usual meeting place of the city council, or the official city bulletin board. The city shall provide notification to the public as quickly as possible or through established water supply plans, emergency response plans, or procedures.

D. Mandatory emergency water conservation measures.
Upon declaration of a water emergency and notification to the public, the following mandatory restrictions upon nonessential water use shall be enforced:

1. Outdoor irrigation of yards, gardens, golf courses, parklands, and other non-agricultural land, except for those areas irrigated with reclaimed water, is prohibited.
2. Washing or spraying of sidewalks, driveways, parking areas, tennis courts, patios, or other paved areas with water from any pressurized source, including garden hoses, except to alleviate immediate health or safety hazards, is prohibited.
3. The outdoor use of any water-based play apparatus connected to a pressurized source is prohibited.
4. Restaurants and other food service establishments are prohibited from serving water to their customers, unless water is specifically requested by the customer.
5. Operation of outdoor misting systems used to cool public areas is prohibited.
6. The filling of swimming pools, fountains, spas, or other exterior water features is prohibited.
7. The washing of automobiles, trucks, trailers, and other types of mobile equipment is prohibited, except at facilities equipped with wash water recirculation systems, and for vehicles requiring frequent washing to protect public health, safety, and welfare.

E. Variances.
The City Administrator, or his/her designee, is authorized to grant variances to this ordinance where strict application of its provisions would result in serious hardship to a customer. A variance may be granted only for reasons involving health or safety. An applicant may appeal the denial of a variance within five days of the decision by submitting a written appeal to the City Administrator. The City Council shall hear the appeal at the next City Council meeting. The decision of the City Council is final.

F. Violations.

1. Violations shall be determined and cited by the City Administrator or his/her designee.

2. Upon discovery of a first violation, the violator shall be issued, either personally or by mail, a warning letter that sets forth the violation and describes the remedy and fines for future violations.

3. Upon subsequent violations at the same location, the violator shall be issued, either personally or by mail, an administrative citation that sets forth the violation and shall describe the remedy. The City reserves the right to charge the violation as a misdemeanor violation, as per Article V of this Chapter.

4. A violator may appeal the citation within five days of its issuance by submitting a written appeal to the City. The City Council shall hear the appeal at the next City Council meeting. The decision of the City Council is final. Violators may be granted an administrative waiver if evidence is provided that equipment failure was the cause of the violation. A letter from a qualified vendor or invoice for equipment repair will be required to show proof of equipment failure.

G. Severability.

If any provision of this ordinance or the application of any provision to a particular situation is held to be invalid by a court of competent jurisdiction, the remaining portions of the ordinance and the application of the ordinance to any other situation shall not be invalidated.

325-17 Lawn sprinkling, watering and irrigation.

A. Use and regulation.

The use of the municipal water system or any private well or other source of water for lawn sprinkling, lawn watering or lawn irrigation purposes shall be regulated as provided in this article. In the event the City Administrator determines that a water shortage exists, the City Administrator is authorized to restrict the sprinkling, watering or irrigation of lawns within the City by posting a notice at City Hall setting forth the restrictions and providing notification to the public. Such restrictions may include a limitation as to which days of the week, dates of the months, or hours of the day during which lawn sprinkling, lawn watering and lawn irrigation is prohibited. In addition, the City Administrator may declare a total lawn sprinkling, lawn watering and lawn irrigation ban if the City Administrator determines that a water shortage of such magnitude as to threaten the public health or safety exists or will likely exist if such ban is not imposed.

B. Use of private wells.

The use of any private well or source of water other than the City's water system, for lawn sprinkling, lawn watering, or lawn irrigation purposes, shall be

exempt from any restrictions and the annual watering restrictions imposed pursuant to this Section if the owner has registered the private well or other source of water to be used for such purposes with the Public Works Department of the City of Isanti, obtained a water appropriation permit, if required under any applicable State or Federal law or regulation, and posted a sign provided by the Public Works Department that clearly informs the public of the alternative water source. If any owner claims the privilege of exemption from the restrictions otherwise applicable under this Section, a representative of the City may inspect the subject property during reasonable times to ensure compliance with this provision.

C. Annual restrictions.

During the period from May 1 through September 1 annually, all lawns on all property with addresses that end with an odd number may be sprinkled, watered or irrigated only on odd-numbered days, and all lawns on property with addresses that end with an even number may be sprinkled, watered or irrigated only on even-numbered days, provided, however, that during this time period, no lawn sprinkling, lawn watering nor lawn irrigation shall be allowed from 12:00 p.m. to 6:00 p.m. each day. This provision shall automatically apply unless superseded by action of the City Administrator as provided in this Section above imposing more restrictive measures. Notwithstanding the provisions of this Section, the City Administrator or his/her designee, may, upon request of an owner, authorize daily sprinkling, watering or irrigation of newly seeded or sodded lawn areas provided that such permission will not increase the risk of a water shortage of such magnitude as to threaten the public health or safety.

325-18 Cross connections prohibited

No owner, tenant or person shall construct, cause to be constructed or operate any device which provides a cross connection between the municipal water supply and a private well or the sewer system.

Article V Violations and Penalties

325-19 Violations and penalties

A. Any owner, tenant or person violating any provision of this Chapter shall, upon conviction thereof, be punished by a fine not exceeding $1,000 or by imprisonment not exceeding 90 days, or both, plus costs of conviction in either case.

B. An owner, tenant or person violating any provision of Article IV shall be subject to a usage charge for the first, second and third violation occurring within a 12 month

period. The usage charge shall be as set by resolution of the City Council and specified in City Code Chapter A344, Fee Schedule. The usage charge shall be added to the monthly water bill. Any unpaid charges shall become a lien on the property, as per Section 325-12 of this Chapter. Further violations shall be punishable as a misdemeanor violation, as per paragraph A of this Article.

EFFECTIVE DATE:

This ordinance shall take effect upon its adoption and publication in the City's official newspaper.

Adopted by the City Council this ____ day of 2020.

ORDINANCE NO. _____ **J.6.**

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI ADDING CHAPTER 262, SEWER AND WATER SERVICE CHARGES

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 262

SEWER AND WATER SERVICE CHARGES

Article I Sanitary Sewer and Water Rates and Regulations

262-1 Definitions
262-2 Sanitary sewer and water utility charges
262-3 Sanitary sewer and water rate table
262-4 Sanitary sewer and water rates
262-5 Accounts and billing for services
262-6 Right to discontinue service
262-7 Miscellaneous provisions

Article II Special Sewer Treatment Fund

262-8 Special Sewer Treatment Fund

Article III Hook-up Charges for Commercial Malls

262-9 Intent and Purpose
262-10 Administrative standards
262-11 Hookup charges
262-12 Enforcement

Article IV Violations and Penalties

262-13 Violations and Penalties

Article I Sanitary Sewer and Water Rates and Regulations

262-1. Definitions

As used in this article, the following terms shall have the meanings indicated:

CITY – The City of Isanti or its officers or employees authorized to perform the functions to which there is reference in the Chapter.

COMMERCIAL MALLS – A group of attached buildings, or a single building, containing a series of separate stores, offices, or establishments, that are engaged in retail, service, or similar occupations. Such commercial malls may also be known as mini-malls, strip malls, shopping centers, discount centers, or similar titles.

DEPARTMENT – The City sanitary sewer or water department, as a part of the Public Services Department.

IRRIGATION – Means the watering of shrubs, trees, sod and seeded areas.

NORMAL STRENGTH SEWAGE WASTE – Means wastewater that is primarily introduced by residential users with a BOD concentration not greater than 220 mg/l, a total suspended solids (TSS) concentration not great than 240 mg/l, ammonia concentration not greater than 25 mg/l, and total phosphorus concentration not great than 8 mg/l.

NOTICE – A notice in writing directed to the owner, tenant or other person affected for the time specified by the ordinance, stating briefly the condition that is the reason for the notice, and the consequences that will result upon failure to comply with the terms of the notice. A notice shall be deemed given when either it is personally served on the person to whom it is directed to or mailed to them at their last known address. If the owner, tenant or other person cannot be reached by mail service, service may be made upon the occupant of the building or premises. Notification may also be made by a posting the notice on the front door of the building.

OWNER – The person, company, corporation or their authorized agent that owns a building or premises.

PREMISES-A platted lot or part thereof or unplatted parcel of land, either occupied or unoccupied and/or any building or structure on the property.

PUBLIC SANITARY SEWER SYSTEM – The public sanitary sewer utility owned, maintained and controlled by the City.

PUBLIC WATER SUPPLY SYSTEM – The public water supply and utility owned, managed or controlled by the City.

SPECIAL ASSESSMENTS – Means a charge for construction of a public sanitary sewer system or public water supply system improvements pursuant to City Code Chapter 276, or a charge for any repair performed by the City, or any fees and usage charges which, pursuant to State law, are certified to the County for collection with property taxes.

VALVE BOX – Means curb stop or shut off valve installed on the water service line that controls the flow of water from the public water supply system to the building or premises.

262- 2 Sanitary sewer and water utility charges.

Sanitary Sewer and Water Utilities service charges are fees collected from all system users and those who have reasonable access to the public sanitary sewer and water supply systems (sanitary sewer and water utilities). The City Council has determined that in order to pay for the cost of construction, reconstruction, repair, enlargement, improvement, maintenance, operation and use of the City's sanitary sewer and water utilities; the cost of new State and Federal regulations; principal and interest due on obligations issued or to be issued therefor; it is necessary to impose the following just and equitable charges for the use and availability of the sanitary sewer and water utilities service. Fees, as authorized by Minn. Statutes 444.075, for connection to and usage of the sanitary sewer and water utilities system are set based on the financial needs of the sanitary sewer utility and water utility.

262-3 Sanitary sewer and water rate table.

Sanitary sewer and water rate tables have been prepared to provide annual rates for sanitary sewer and water accessibility charges, base fees and usage rates, and are attached as a part of this Chapter. Accessibility charge rates, base fees and sewer rates shall be adjusted periodically, as per the rate table. New charges are applicable beginning on the date of the first meter reading in the month that rates are adjusted.

262-4 Sanitary sewer and water rates.

Sanitary sewer rates for users with normal strength sewage waste (NSSW) are listed in the Sewer Rate Table. Users are charged base fee(s) and usage charges (per gallon). Water rates for users are listed in the Water Rate Table.

A. Base fees are charged as follows:

    1. Single Family dwellings are charged one base fee per unit.
    2. Apartment units are charged 80% of the base fee charge per unit.
    3. Commercial and industrial structures shall be charged base fees per account based on water consumption. The base fee rate and base fee charges shall be set in the Commercial Base Fee Consumption Schedule of the Sanitary Sewer and Water Rate Table.
    4. Irrigation meters, when used in conjunction with residential, commercial or industrial uses, are not subject to base fee charges. To be discussed

B. Base fees – utility not connected or not in service. The owner of any building or premises to which the public sanitary sewer system or water system is available through a service stub in the City right-of-way or easement but either not connected, or installed but not in service, shall pay a monthly availability charge equivalent to 50% of the sewer base fee as provided in the Sewer Rate Table and availability charge equivalent to 50% of the water base fee as provided in the Water Rate Table. Failure by the owner to pay the fee, shall subject them to collection of the fee pursuant to Section 262-7(B) of this Chapter.

C. Usage charge. Upon connection of any building or premises to the public sanitary sewer system and/or water system, the owner shall pay for sewage and water based on water used each month at rates listed in the Sewer Rate Table and Water Rate Table.

D. Sewer charge options – Residential accounts. For the purpose of calculating the sewer usage charge, new residential accounts are billed a minimum of 3,500 gallons per month and charged according to the winter average method. This is calculated by taking the average of water used in the months of January, February and March of each year to get average monthly sewage use. Winter averages are updated annually on the April billing statement. The account holder has the option of electing billing based on actual water usage (gallon per gallon). The election to change sewer charge options shall be made by November 1st for the following year. If the option is to change back to the winter average method, a minimum usage of 3,500 gallons per month will be used until the average is calculated. Election to change calculation of sewer charges may be done annually. For any month during the averaging period that a property is vacant, that account shall be assigned a minimum usage of 3,500 gallons. In no case will the sewer charge exceed the actual metered water usage.

E. Sewer – Commercial accounts. Commercial customers are charged for sewer usage based upon their monthly water usage. If an irrigation system is in place, the owner, at their own expense, may have a separate meter installed for the irrigation system. Only the water usage rate applies to the irrigation meter.

F. Industrial charges. Sanitary sewer base fees, usage rates, or other fees for industrial users with waste flows in excess of normal strength sewage waste shall be set by Special Agreement and are calculated based upon their impact on the sewer plant's capacity and treatment system (BOD, TSS, phosphorus, ammonia, etc.) as outlined in their discharge permit.

G. Accessibility charge. The accessibility charge for connection of a building or premises to the sanitary sewer system or water system is listed in the Sewer Rate Table as the SAC fee (Sewer Accessibility Charge) and the Water Rate Table as the WAC fee (Water Accessibility Charge). The accessibility charge for a single-family dwelling or equivalent shall be 100% of the full connection charge for each unit.

H. Residential equivalency connection charge. Residential equivalency connection charges (RECs) will be established by the City for nonresidential users as per the City Engineer's recommendations.

I. Trunk Utility Charges. Trunk utility charges have been established for new subdivided areas of the City that did not pay for the original sanitary sewer system and water system.

262-5 Accounts and billing for services.

A. Accounts. All accounts shall be carried in the name of the owner who personally, or by their tenant as authorized agent, are designated the account holder and shall apply for sanitary sewer service and/or water service. If the building or premises is rented, the

tenant, if so authorized by the owner, may carry the account in their name. The owner shall, at all times, be personally liable for sanitary sewer and water services used in the building or premises, whether they are occupying the same or not. Any unpaid charges shall become a lien on the property, as per Section 262-7 (B) of this Chapter.

B. Deposit. The City reserves the right to request a deposit for sanitary sewer and water services. The deposit shall be in accordance with the City Fee Schedule. The deposit shall be held as a guarantee to hold the City free from any loss occasioned by failure of payment on the account as per this Chapter. If the deposit is used for payment of delinquent sanitary sewer service and/or water service charges, penalties and interest due, and the deposit is depleted; the sanitary sewer service and/or water service shall be discontinued. The account will be suspended until all delinquent charges and a new deposit are paid to the City.

C. Billing cycle. Sanitary sewer and water service base fees, user charges, fees by special agreement shall be billed on a monthly basis. Bills on accounts for the past month's service are mailed on or about the last business day of the month. Bills are due by the 20th of the following month. If that day is on a holiday or weekend, the charges are due by the end of the next business day. Bills on accounts shall be paid within 5 calendar days of the due date for the account to remain current.

D. Penalty charge and interest on unpaid bills. The monthly charges in this section shall be subject to penalties after the final due date. Unpaid accounts shall be subject to a penalty charge of interest at the rate of 1.5% per month, with a minimum penalty charge of $5.00 per month for unpaid balances of $10.00 or greater.

E. Disconnection. All delinquent and unpaid accounts are subject to disconnection as per Section 260-6 of this Chapter, except as otherwise provided by law. At any time, accounts paid by a check without sufficient funds (non-sufficient funds check), upon discovery by the City, are considered delinquent. These accounts are subject to immediate disconnection unless precluded by state statute. No further notifications or posting will be given. All delinquent amounts, connection and disconnection fees, must be paid prior to sanitary sewer service and/or water service being restored. These accounts shall be required to pay with cash or credit card for delinquent and future account payments.

F. Payment plan for delinquent accounts. The account holder may request a payment plan for the unpaid balance of a delinquent sanitary sewer and/or water utility account owed the City. All delinquent amounts, penalties and charges will be included in the payment plan. The term of repayment shall not exceed 90 days. During the time of the repayment plan, the account shall be kept current. If at any time during the time of repayment the account becomes delinquent by non-payment of charges, the City shall proceed to discontinue services as per Section 262-6 of this Chapter. If disconnected, charges per Section 262-6 will apply and no further payment arrangements will be extended to the account. The owner is responsible for all delinquent charges on the account and if unpaid shall be a lien on the property pursuant to 262-7 (B) of this Chapter. Account holders may utilize a payment plan once annually, and in no case more than 3 times in a 10 year time period.

G. Utility rate overcharge. In the event it has been determined by the City that an account has been overcharged, the City will pay a credit to the account of the monthly overcharge for a period of up to 12 months, provided that the account is current. In the event that the account is delinquent, any credit shall be applied to the unpaid balance, any penalties or interest due the City. In the case where the overcharge in total exceeds $1,000.00, a longer time period of credit shall be determined by the City Council.

H. Utility rate undercharge. In the event an account has been undercharged through no fault of their own, the City will seek recovery for up to 12 months of undercharged use. At the request of the account holder, the City will provide a payment plan for the undercharged usage equivalent to the number of months being charged at no interest to the account holder, provided that payments by the account holder prior to discovery of the undercharge were current. If not current, undercharged usage charges are due upon discovery and notification of the account holder. If the undercharge in total exceeds $1,000.00, a longer time period shall be determined by the City Council. The City reserves the right to collect these charges as per Section 262-7 (B) of this Chapter.

262-6 Right to discontinue service.

A. Notification. The City shall notify the owner or tenant; the account holder whose name the account has been placed in when a sanitary sewer service and/or water service account is 30 days past the due date. This notification shall be by U.S. Mail. This notification shall include:

1. The amount owed the City, including any interest or other appropriate charges.
2. The date by which the account must be paid.
3. Who the account holder may contact regarding this matter. This includes the right of the account holder to discuss the delinquent charge(s) and/or set up a payment plan if applicable as per Section 260-4(F).

If the account is not paid by the date that was in the first notification, the City shall hand deliver a notice to the dwelling or premises by posting on the front entry door. A delinquent posting notice fee, as per the City Fee Schedule, shall be charged to the delinquent party's account to cover administrative costs associated with the preparation and delivery of this notice. This second notice shall state that the delinquent account balance and door posting fee shall be paid by the specified time and date. It shall also state who the account holder may contact to appeal the shutoff. Any appeal must be made prior to the close of the last business day before the day the utility is shutoff. The appeal shall be made to the City Administrator or their designee. The notice shall also include all applicable charges to disconnect and to reconnect the service as per this Chapter and that these fees shall be applied to the account balance.

B. Shutoff. Services will be discontinued to the accounts which have not made payment or arrangements with the City regarding the delinquent account. In the event of a sanitary sewer service in a building or premises served by a private well, if practical a removable plug be placed in the building drain or service connection. If not practical, sewage usage

shall be continued to be billed against the account. Shutoff of services shall not be done in the following situations:

1. The account holder's household has a member of the armed forces that has issued orders for active duty, for deployment, or for a permanent change in duty in accordance with Minn. Statutes 325E.028.
2. In cases where the National Weather Service has issued an excessive heat watch, heat advisory or heat warning, and those warnings and watches are in effect, in accordance with Minn. Statutes 216.0975.

C. Charges. The City shall charge a fee to disconnect services and a fee to reconnect services to a delinquent sanitary sewer service and/or water service account. These charges are due at the time the delinquent account balance is paid to the City.

D. Shutoff by City only. No person, party or firm shall turn on or off the water supply at the valve box, gate valve or restrict a sanitary sewer service without permission of the City. In emergency situations, water may be shut off or turned on, with the City notified as soon as practical.

E. Taking water without authority. Taking water without authority, tampering with valve boxes, water meters, public water systems, or installation of meter bypasses is strictly prohibited, and if determined by the City Administrator or their designee that probable cause exists to believe that any such violation is occurring or has occurred, shall subject the owner or tenant to immediate disconnection of service and an estimated bill will be issued for unmetered water use. Charges for disconnection and reconnection shall apply to any reinstatement of a water account. Repair and replacement of damaged meter equipment shall be charged. All fees, repair and replacement costs, personnel time and unmetered water use shall be paid in full prior to reinstatement of a water account and reconnection of water service.

F. Shutoffs in multiunit buildings. In a situation where the water supply has been shut off to one or more units in a multiunit building by the City, water will not be turned on and/or a meter reinstalled if the account holder has delinquent accounts in other units in the same building.

G. Delinquent account in shared connection. In the event that an account holder has an unpaid delinquent account in a building or premises that receives water service through a common waterline where the shutoff and/or water meter serve other account holders whose accounts are in good standing, the City shall not shutoff utility services. The delinquent account holder is responsible for disconnection and reconnection fees if the account is not paid prior to the disconnection date that the account would have been disconnected. If a monthly reoccurrence, disconnection and reconnection fees shall be charged every 3 month that the account is delinquent. The owner of the building or premises is responsible for all delinquent charges on the account, and if unpaid shall be made a lien on the property pursuant to Section 262-7 (B) of this Chapter.

H. Request for disconnection. The account holder, owner or authorized agent, may request that their sanitary sewer and/or water service be discontinued. The City will then shut off the water and if necessary, remove the water meter. A disconnection fee will be charged and if reconnected, a reconnection feel will also be charged. When the sanitary sewer

service and/or water service is discontinued, a monthly fee equivalent to 50% of the sewer base and water base fee will be charged. The owner is responsible for the base fee charges, and if unpaid shall be a lien on the property pursuant to 262-7 (B) of this Chapter.

I. Disconnection due to other utility disconnection and vacancy. If the account has the electric and/or gas utilities shut off during the time period between October 15 and April 15, and the City determines in good faith that the premises has been vacated by the former account holder and no transfer of the account has been made, the City reserves the right to discontinue sanitary sewer service and/or water service to the premises. The account shall be deemed delinquent and charges to reinstate the account as per this Chapter shall apply.

262-7 Miscellaneous provisions.

A. Refusal to allow access. If an owner refuses to give consent to the City to enter the building or premises served to inspect a meter and/or obtain a reading, the City will pursue an administrative search warrant to gain access.

B. Certification of unpaid account balances with taxes. Unpaid sanitary sewer and/or water service charges, interest and penalties on accounts shall be certified to the county auditor at least once annually, and may be done more often if deemed necessary. Prior to certification, a notice shall be sent by U.S. mail to the account holder and state the date that payment needs to be made prior to certification. The notice shall also inform the account holder of their right to a hearing before the City Council to dispute the amount owned. If approved by the City Council, all delinquent amounts, penalties and charges, including administrative fees, shall be certified to the County Auditor for collection with property taxes.

Article II Special Sewer Treatment Fund

262-8 Special sewer treatment fund.

The funds received from the collection of connection charges authorized by this article shall be deposited in a fund to be known as the "Special Sewage Treatment Fund". The fund shall be administered by the City Council and shall be used for the following purposes, in the following priority:

A. To meet the operational and maintenance costs of the sanitary sewer system.

B. To be applied to the design and construction costs of a new sewage treatment plant, or an addition to the existing plant, and any capital charges represented by bonds or certificates of indebtedness or otherwise incurred in connection therewith.

C. For reasonable requirements for replacement or obsolescence.

Article III Hookup Charges for Commercial Malls

262-9 Intent and purpose.

The intent and purpose of this article is to make certain that each user of the City sewer and water utility system shall pay a fair price for their proportional use of the service.

262-10 Administrative standards.

Whenever in the course of administration and enforcement of this article, it is necessary to make any administrative decision, unless other standards are so provided in this article, the decision shall be made to that the result will be consistent with the intent and purpose of this Article.

262-11 Connection charges.

The sanitary sewer and water connection charges for a commercial mall shall be one sanitary sewer access charge (SAC) or water access charge (WAC) per 3,000 square feet or fraction thereof of building. This shall include both finished and unfinished square footage.

262-12 Part of building permit.

These charges shall be made part of the building permit and payment for them shall be made at the time the building permit is paid for. Failure to pay the charges shall mean that the building permit shall not be issued.

Article IV Violations and Penalties

262-13 Violations and penalties.

Any person violating any provision of this Chapter shall, upon conviction thereof, be punished by a fine not exceeding $1,000.00 or by imprisonment not exceeding 90 days, or both, plus costs of conviction in either case. A separate offense shall be deemed committed for each day the violation shall continue.

EFFECTIVE DATE:
This ordinance shall take effect upon its adoption and publication in the City's official newspaper.

Request for City Council Action Memo

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: January 7, 2020
Subject: Ordinance 2020-XXX- Amending Chapter 227- Parking and Storage

---

Background:

As was reviewed and recommended by Committee of the Whole, staff has drafted an ORD to remove the No Parking on the west side of 9th Ave NE and add No Parking to both sides of 8th Ave NE from Heritage Blvd to the intersection of 9th Ave NE and then extending an additional 300'south on 8th Ave NE.

Staff Request:

Staff is seeking action on this item.

Attachment:

- ORD 2020-XXX

ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 227 PARKING AND STORAGE

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Sub-paragraph (5), Paragraph C., Parking, Stopping, and Standing Provisions, Section 227-2, Parking Regulations, Article II General Parking Regulations, of Chapter 227 of the Code of the City of Isanti is hereby amended to add the following text:

227-2. Parking regulations.

C. Parking, stopping and standing provisions.

(5) No parking is allowed on any of the following streets or highway:

(a) Along either side of Third Avenue NW beginning at its intersection with Isanti Parkway NW to the point at which the City of Isanti corporate boundary ends and Isanti Township begins (Jackson St NW).

(b) Along either side of Railroad Ave SE beginning at its intersection with Palomino Road SE to its intersection with Townsedge Road SE. Along the East side of Railroad Ave SE beginning at its intersection with Main Street E to its intersection with Palomino Road SE.

(c) Along either side of County Road 5 NE/NW beginning at its intersection with Trunk Highway 65 heading west to its intersection with Whiskey Road NW.

(d) Along either side of Fourth Ave SW from its intersection with Main Street W heading south to its intersection with Elizabeth St SW.

(e) Along either side of Elizabeth St SW from its intersection with Fifth Ave SW heading east to its intersection with Second Ave SW.

(f) Along either side of Fifth Ave SW from its intersection with Elizabeth St SW heading south to its intersection with S Brookview Ln SW.

(g) Along either side of Second Ave SW from its intersection with Main St W heading south to its intersection with Elizabeth St SW.

(h) Along either side of Isanti Parkway NW, from Third Avenue NW to East Dual Boulevard NE.

(i) Along either side of Broadway St SE, from Highway 65 NE to 6th Ave NE.

(j) Along either side of 6th Ave NE, from Broadway St SE to Heritage Blvd NE.

(k) Along the West side of Centennial Dr. NW, from Heritage Blvd NW extending South 905' (feet).

(l) Along the South side of Palomino Road SE, from Railroad Avenue SE to Trunk Highway 65.

(m) Along the West side of Dahlin Ave NE, from Heritage Blvd NE to Main St E.

(n) Along the south side of Main Street East, east of the Elim Street NE intersection to Highway 65 NE.

(o) Along the east side of 9th Ave from 8th Ave NE extending south 500' (feet).

(p) Along both sides of 8th Ave NE extending south from Heritage Blvd NE to the intersection of 8th Avenue NE and 9th Ave NE.

(q) Along both sides of 8th Ave NE extending 300' (feet) southwest from the intersection of 9th Ave NE.

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Request for City Council Action

TO: Mayor Johnson and Members of the City Council

FROM: Sheila Sellman, Community Development Director

DATE: January 7, 2020

SUBJECT: Resolution 2020-XXX approving a Conditional Use Permit to operate a microbrewery at 2 Enterprise Ave

---

Overview/Background
The applicant was approved for a Conditional Use Permit (CUP) on February 7, 2018, for a microbrewery at this proposed location. According to City Code Section 21 Subd. 7 if within on year after a CUP has been granted, the permitted work is not completed, the permit shall become null and void. The CUP expired February 7, 2019. The applicant is preparing to open and therefore needs a new CUP.

Analysis of Application
Zoning: The subject property is located at 2 Enterprise Ave NE, and is part of a larger existing building. This property falls within the TH-65 Overlay District of the B-2 Zoning Code. 'Microbrewery' is a Conditional Use in the TH-65 Overlay District.

Parking and Traffic: The parcel is already developed. According to the applicant, there will be up to 50 seats for patrons and up to four employees at a given time. Sit-down restaurants require one stall per 3 seats and 1 space per employee. In this case, 20 stalls would be required. The parking is shared in this location; however, the additional stalls should be striped.

Section 21, Article 2, Subd. 4 addresses performance standards for Conditional Use Permit. The standards and staff responses *(italicized)* are below:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
Staff believes that the existing street is of sufficient capacity to accommodate the type and volume of traffic as a result of this development.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.

The proposed CUP will be in an existing building that already is designed for access and parking. All parking is met under Section 17 of this Ordinance.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Parking for this development does not impact pedestrian circulation.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Adequate off-street parking and off-street loading is provided in accordance with section 17 of this ordinance.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
This section is met.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
This area is surrounded by commercial and industrial uses. This section is met.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
This section is met.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Existing lighting complies with our zoning code. This section is met.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
This is an already developed site, existing stormwater management has been reviewed and approved.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The building already exists, and as such, is compliant with our zoning code.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Existing garbage facilities will be used for trash and recycling purposes.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
The applicant will need to submit a sign permit for review and approval prior to any signage associated with this development being installed.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will be required to obtain all proper licensing from the City, State, County, and Federal Governments as deemed necessary. To date applications have been sent into the state and city liquor licenses have been applied for.

N. Any applicable business licenses mandated by City Code are approved and obtained.
The applicant may be required to obtain proper licensing from the City, State, County, and Federal Government as deemed necessary. To date applications have been sent into the state and city liquor licenses have been applied for.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
This property is in a commercial district, and as such, this section is non-applicable.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.
This use complies with the performance standards of the zoning district.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
Any additional stipulations will be included in the final resolution passed by the City Council.

Planning Commission Recommendation
The Planning Commission held a public hearing at their regular meeting of December 17, 2019. No one from the public was present for this item. The Commission recommend approval as presented.

Staff Recommendation
Staff recommends approval with the following conditions:
1) The additional parking stalls along the south parking lot shall be painted as approved in the original development.
2) Any applicable licensing and permits shall be obtained from the proper City, State, County, and Federal Governments as deemed necessary.
3) Signage to be applied for and reviewed by the City prior to installation.

RESOLUTION 2020-XXX

A RESOLUTION APPROVING THE CONDITIONAL USE PERMIT APPLICATION TO OPERATE A MICROBREWERY AT 2 ENTERPRISE AVE NE SUITE A3

WHEREAS, Warren and Brett Thunstrom (applicants) have requested a Conditional Use Permit approval for the operation of a Microbrewery at 2 Enterprise Avenue NE Suite A3 in the City of Isanti (PID 16.132.0040); and,

WHEREAS, the property is located within the "B-2" General Business District and the "TH-65" Overlay District, of which requires a Conditional Use Permit to operate a Microbrewery in said zoning districts; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on December 17, 2019; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit, and that the requested Conditional Use Permit for a Microbrewery located at the property described within this resolution, be hereby approved with the following conditions:

1) Install (paint) 24 additional parking stalls along the south parking lot as approved in the original development.
2) Obtain any applicable licensing and permits from the proper City, County, State, and Federal Governments as deemed necessary.
3) Obtain sign permit approval from the City prior to any signage being installed.

This resolution was duly adopted by the Isanti City Council this 7th day of January, 2020

_____
Mayor Jeff Johnson

Attest:

_____
Katie Brooks
Human Resources/City Clerk

FINDINGS OF FACT AND CONCLUSION

Request

Request from Warren and Brett Thunstrom (applicants) for a Conditional Use Permit to operate a Microbrewery at the property addressed as 2 Enterprise Avenue NE Suite A3 (PID 16.132.0040) in the City of Isanti.

Findings of Fact

1. The applicants are requesting approval of a Conditional Use Permit for the property described under 'Request.'
2. The property is zoned "B-2" General Business District and included in the "TH-65" Highway 65 Overlay District.
3. The applicants approved for a CUP on February 7, 2018, since the use has not been established said permit expired on February 7, 2019.
4. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on December 17, 2019 at 7:00 p.m. at City Hall within the City Council Chambers.
5. Notice of the Conditional Use Permit application was published with the *Isanti County News* on December 5, 2019. Notices were sent to all property owners located within 350 feet of the aforementioned address.
6. Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2, Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in italics):*

    A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
    The proposed use for the site is consistent with the goals and objectives of the comprehensive plan.

    B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district.
    The proposed use meets the purpose and intent of the "B-2" & "TH-65" zoning districts

C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort.
The proposed use is in a commercial and industrial area. Staff believes that will not be detrimental or endanger the public health, safety, morals, or comfort.

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood.
Staff does not believe that the proposed use will be injurious to the use and enjoyment of the other properties within the immediate vicinity.

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district.
The conditional use will not impede the normal and orderly development and improvement of the surrounding properties. The use will be located within an existing structure.

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed.
Adequate public facilities and services are currently available.

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located.
The conditional use complies to all other regulations within the district in which it is located.

H. The conditional use complies with the general and specific performance standards as specified by within this Article.
The conditional use complies with the general and specific performance standards as specified within this article, as stated by this document.

2. Section 21, Article 2, Subd. 4 addresses performance standards for Conditional Use Permit. The standards and staff responses *(italicized)* are below:

A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
Staff believes that the existing street is of sufficient capacity to accommodate the type and volume of traffic as a result of this development.

B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
The proposed CUP will be in an existing building that already is designed for access and parking. All parking is met under Section 17 of this Ordinance.

C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
Parking for this development does not impact pedestrian circulation.

D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
Adequate off-street parking and off-street loading is provided in accordance with section 17 of this ordinance.

E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.
This section is met.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
This area is surrounded by commercial and industrial uses. This section is met.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
This section is met.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Existing lighting complies with our zoning code. This section is met.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
This is an already developed site, existing stormwater management has been reviewed and approved.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The building already exists, and as such, is compliant with our zoning code.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Existing garbage facilities will be used for trash and recycling purposes.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.

The applicant will need to submit a sign permit for review and approval prior to any signage associated with this development being installed.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will be required to obtain all proper licensing from the City, State, County, and Federal Governments as deemed necessary.

N. Any applicable business licenses mandated by City Code are approved and obtained.
The applicant may be required to obtain proper licensing from the City, State, County, and Federal Government as deemed necessary. To date applications have been sent into the State and city liquor license has been applied for.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district.
This property is in a commercial district, and as such, this section is non-applicable. To date applications have been sent into the State and city liquor license has been applied for.

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.
This use complies with the performance standards of the zoning district.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
Any additional stipulations will be included in the final resolution passed by the City Council.

Decision

The City of Isanti Planning Commission reviewed the request after a public hearing was held on December 17, 2019. The meeting minutes, staff memo, and attachments shall be made part of the Findings of Fact and Conclusion.

Planning Commission Recommendation: Motion by Lundeen, seconded by Bergley to recommend approval of the Conditional Use Permit with conditions. Motion passed unanimously.

COUNTY OF ISANTI
CITY OF ISANTI

ISANTI CITY COUNCIL
CONDITIONAL USE PROCEEDINGS

In the matter of a microbrewery for First Draft Brewery located at 2 Enterprise Ave. N.E., Suite A3, Isanti, Minnesota 55040.

Request: A Conditional Use Permit for a Micro-brewery in the Highway 65 Overlay District

CONDITIONAL USE PERMIT

The above referenced application for a Conditional Use Permit was heard before the City of Isanti Planning Commission on December 17, 2019 and the Isanti City Council on January 7, 2019 pursuant the Isanti Zoning Ordinance, for the following described property:

2 Enterprise Avenue N.E., suite A3, Isanti, legally described as Towns Edge Business Center CIC 2010-1 [PID 16.132.0040].

IT IS HEREBY approved that a Conditional Use Permit be granted at the above described property subject to the following conditions:

1) The additional 24 parking stalls along the south parking lot shall be painted as approved in the original development.
2) Any applicable licensing and permits shall be obtained from the proper City, State, County, and Federal Governments as deemed necessary.
3) Signage to be applied for and reviewed by the City prior to installation.

MEMO

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 7, 2020
Subject: Resolution to Adopt City Mission, Vision and Value Statements

---

One of the 2019 Goal Setting items was to establish a city Mission statement. Through great collaboration with Staff, the below statements were proposed.

Committee of the Whole reviewed the statements at their Dec 17th meeting and recommends approval.

Mission:
To provide a safe healthy vibrant community and manage our resources to enhance the quality of life. We are dedicated to cost-effective governance, professional management and excellent public services.

Vision:
To support and engage the community through leadership, professionalism and integrity to ensure Isanti continues to be a community for generations.

Core Values:
Leadership: To encourage innovation, creativity, and initiative.
Service: To be fair, friendly, helpful and customer-service oriented.
Ethics and Integrity: To be truthful, accountable, responsible, professional, and with good moral standards.
Collaboration: To recognize that our people are our most valuable resource.
Community: To respect and promote our community and share opportunities to succeed.
Stewardship: To consider the long-term consequences of actions, protect our assets, and invest in the future.

Request:
Staff is requesting action on this item.

Attachment:

RESOLUTION 2020-XXX

RESOLUTION TO ADOPT CITY MISSION, VISION, AND VALUE STATEMENTS

WHEREAS, 2019 Council Goal Setting expressed interest in having a City Mission Statement developed; and,

WHEREAS, Staff worked collaboratively to write the following Mission, Vision and Value Statements:

Mission:
To provide a safe healthy vibrant community and manage our resources to enhance the quality of life. We are dedicated to cost-effective governance, professional management and excellent public services.

Vision:
To support and engage the community through leadership, professionalism and integrity to ensure Isanti continues to be a community for generations.

Core Values:
Leadership: To encourage innovation, creativity, and initiative.
Service: To be fair, friendly, helpful and customer-service oriented.
Ethics and Integrity: To be truthful, accountable, responsible, professional, and with good moral standards.
Collaboration: To recognize that our people are our most valuable resource.
Community: To respect and promote our community and share opportunities to succeed.
Stewardship: To consider the long-term consequences of actions, protect our assets, and invest in the future.

WHEREAS, the Council Committee of the Whole reviewed the statements at the December 17th meeting and recommended adoption as presented;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to adopt the City Mission, Vision and Value Statements per this Resolution.

This Resolution is hereby approved by the Isanti City Council this 7th day of January, 2020.

Request for City Council Action- MEMO

To. **Mayor Johnson and Members of City Council**

From: Matt Sylvester, Public Services Director

Date: January 7th, 2020

Subject: Consider a Resolution Authorizing Public Works Staff to Create a Sledding Hill in Bluebird Park

---

Background:
Committee of the Whole met and discussed creating a sledding hill in Bluebird Park. The sledding hill would be built in the NW corner of Bluebird Park using existing dirt on hand. The sledding hill would be 120' long by 50'wide with 10' by 20' flat staging area on top. The hill would have an approximate slope of 4:1 for sledding and a 6:1 slope on the sides and back. It will take 3 Public Works employees 80 hours to create the hill and additional $500.00 for seeding.

Request:
It is requested that City Council review and take action on this item.

Attachment:

- Resolution 2020-XXX – Resolution Authorizing Public Works Staff To Create a Sledding Hill in Bluebird Park

RESOLUTION NO. 2020-XXX

A RESOLUTION AUTHORIZING PUBLIC WORKS STAFF TO CREATE A SLEDDING HILL IN BLUEBIRD PARK

WHEREAS, Committee of the Whole discussed creating a sledding hill in Bluebird Park; and,

WHEREAS, the sledding hill would be in the NW corner of Bluebird Park; and,

WHEREAS, the sledding hill would be 120' long and 50' wide with a 10' by 20' flat staging area on top; and,

WHEREAS, the sledding hill would have a 6:1 slope on the sides and back and a 4:1 slope for sledding in the front; and,

WHEREAS, the Public Works Dept. would be creating the sledding using existing dirt on hand; and,

WHEREAS, the cost to build the hill will be 3 Public Works employees at approximately 80 hours coded to wages and salaries; and,

WHEREAS, there will be an additional cost of $500 for seeding coded to PRC-400;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to authorize Public Works staff to create a sledding hill in the NW corner of Bluebird Park using existing dirt on hand per this resolution.

Adopted by the Isanti City Council this 7th day of January, 2020.

CITY COUNCIL MEMO

To: **Mayor Johnson and Members of City Council**
From: Matt Sylvester, Public Services Director
Date: January 7, 2020
Subject: Resolution 2020-XXX Approving Compost Facility Operation

---

Background:
The City Council has reviewed the compost facility hours and operation and the hiring of seasonal public works staff on an annual basis. Below are the proposed days/hours of operation for the 2020 season. The recommended season open date would be Tuesday, April 21 and season close date would be Sunday, November 8 with hours the same as the 2019 season. As discussed at Committee of the Whole, the 2020 open dates would include adding the first and last 3 Saturday's of the season.

2020 Proposed Compost Hours of Operation:
April 21st – November 8th
Sunday – Noon – 5:00pm
Monday – Closed
Tuesday – 1:00pm – 7:00pm *or sunset
Wednesday – Closed
Thursday – 1:00pm – 7:00pm *or sunset
Friday – Closed
Saturday – Open Noon -5:00pm -April 25th, May 2nd, May9th, Oct 24th, Oct 31st, and Nov 7th.

Closed in Observance of Holidays

- Sunday, May 24 – Memorial Day
- Sunday, July 5 – 4th of July
- Sunday, September 6 – Labor Day

Seasonal Staff:
The 2020 budget has funds for three public works seasonal employees.

Requests:
Staff is seeking action on this item to post compost facility hours and approval to post for seasonal public works employees.

Attachments:

- Res – XXX

RESOLUTION NO. 2020-XXX

APPROVING OPERATION OF THE COMPOST SITE

WHEREAS, the compost facility will open for the 2020 season and be staffed by an attendant to monitor that only grass and leaves be accepted per our permit; and,

WHEREAS, the compost site will also be open the first 3 Saturdays of the season from noon to 5:00 beginning on April 25th and the last 3 Saturdays of the season beginning on October 24th; and,

WHEREAS, the compost site will be open to the public for residential yard waste including grass clippings and leaves when the site is staffed Tuesdays and Thursdays 1:00 p.m. to 7:00 p.m. or sunset and Sundays noon to 5:00 p.m. beginning April 21 and closing November 8; and,

WHEREAS, the compost site will be closed for the following days in observance of the Holiday: May 24, July 5, September 6 and,

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. Staff may post the hours the compost site will be open when it is staffed Tuesdays and Thursdays 1:00 p.m. to 7:00 p.m or sunset, and the first and last 3 Saturdays of the season and Sundays noon to 5:00 p.m.
2. Staff may post the dates the site is open for the season; April 21 - November 8.

Memo

To: **Mayor Johnson and Members of the City Council**

From: Jenny Garvey, Parks, Recreation and Culture Manager

Date: January 7, 2020

Subject: Resolution Approving Isantian Ad Rates and Sponsorship Packages

---

Background:

The City of Isanti offsets some of the expense of printing the quarterly Isantian newsletter by selling advertising space. There are 2.75" x 1.5" standard ads and one half-page ad available. The City emails the rate sheet to past ad purchasers, and City of Isanti businesses. The City also offers sponsorship packages for City programs including the Farmers' Market, Community Garden, and Street Dances. Community Partnership Packages have been developed for local businesses to easily support all of these initiatives. Pricing is as follows:

- Standard Ad: $400/year (runs 4 times)
- Half Page Ad: $1200/year (runs 4 times)
- Tier 1: $650
- Tier 2: $1100
- Tier 3: $1350

Package details are listed in "Exhibit A" of the attached resolution.

Staff Request:

Staff requests City Council approval of the Isantian ad and sponsorship package rates.

Attachment:

- Resolution 2020- XXX
    - Isantian Ad Rate Sheet and Contract

RESOLUTION NO. 2020-XXX

RESOLUTION APPROVING ISANTIAN AD RATES AND SPONSORSHIP PACKAGES

WHEREAS, in 2017, the City of Isanti began handling the advertisements in the Isantian newsletter in-house; and,

WHEREAS, revenue from advertisements supports the cost of publishing the newsletter; and,

WHEREAS, the standard size ad rate will be $400 with twelve (12) ad spaces available, and the half page rate will be $1200 (one available).

WHEREAS, the City of Isanti also seeks local businesses and organizations each year to participate in sponsorship programs for the Street Dances and Farmers' Market/Community Garden (the Cultivate Wellness program); and,

WHEREAS, to encourage business involvement in the community, the City of Isanti will be offering limited time discounted sponsorship packages with purchase of a standard ad in the Isantian newsletter as follows:

- Tier 1: $650
- Tier 2: $1100
- Tier 3: $1350

WHEREAS, participating businesses will be required to submit an order form and contract, attached to this Resolution as "Exhibit A,"

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the Isantian ad rates and sponsorship packages, effective January 8th, 2020.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize City staff to sign participant contracts as they are submitted.

This resolution was duly adopted by the Isanti City Council this 7th day of January, 2020.

To: **Mayor Johnson and Members of the City Council**

From: Jenny Garvey - Parks, Recreation and Culture Manager

Date: January 7, 2020

Subject: Resolution to Extend Site Use Agreement Between the City of Isanti and Catholic Charities

---

Background:

Catholic Charities wishes to continue operating Senior Dining out of the Isanti Community Center in 2020. Per Resolution 2018-285, there is to be a 3% annual increase to the monthly fee for this use. Therefore, the 2020 rate will be $114.73 per month.

Staff recommends approving all other terms of the contract as presented.

Staff Request:

Staff requests City Council approval of the Site Use Agreement with Catholic Charities with the amendment to the monthly rate.

Attachment:

- Resolution 2020- XXX
    - Catholic Charities Senior Dining Program Site Use Agreement

RESOLUTION 2020- XXX

RESOLUTION TO EXTEND SITE USE AGREEMENT BETWEEN THE CITY OF ISANTI AND CATHOLIC CHARITIES

WHEREAS, Catholic Charities requests the City enter into a 2020 Site Use Agreement; and,

WHEREAS, the agreement allows Catholic Charities Senior Dining Program to partner with the City to provide meals for seniors in Isanti and the surrounding communities; and,

WHEREAS, the Isanti Community Center is the site location for the service; and,

WHEREAS, the hours of operation for the service are from 10:30 a.m. to 1:30 p.m.; and,

WHEREAS, due to increased costs associated with the operations of the facility, the City of Isanti will require a 3% annual increase in the monthly fee to Senior Dining; and,

WHEREAS, the 2020 monthly rate will be $114.73,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve entering into the 2020 Site Use Agreement with Catholic Charities, attached to this resolution as 'Exhibit A.'

This Resolution is hereby approved by the Isanti City Council this 7th day of January, 2020.

CATHOLIC CHARITIES SENIOR DINING PROGRAM
SITE USE AGREEMENT

This site use agreement has been prepared for the purpose of defining the rules of the agencies involved in the development and operation of the Senior Dining Program in Isanti, Minnesota.

This agreement made this 1st day of January, 2020 by and between Isanti Community Center, 110 1st Ave, N, PO Box 428, Isanti, MN 55040 hereafter referred to as the Company and the Catholic Charities Senior Dining Program, 157 Roosevelt Road, Suite 200, City of St. Cloud and the State of Minnesota, hereafter called Senior Dining, in consideration of costs, covenants and agreements herein reserved and contained, do hereby agree each with the other as follows:

I. TERM OF AGREEMENT: The term of this agreement shall be in effect January 1, 2020 and continuing until either party deems it necessary to change specifications stated in the agreement. The agreement may be changed by either party upon 60 days written notice thereof to the other.

II. The Senior Dining Program agrees to pay $114.73 per month to help offset the costs of the operation.

III. All correspondence regarding this agreement will be between the Senior Dining Program Director and City of Isanti City of Isanti Community Events and Parks Coordinator. Any issues/concerns regarding this contract can be referred to Ruth Hunstiger, Director of Community Services, at 320-229-4592.

IV. Senior Dining agrees and shall abide, conform to and comply with all the laws of the United States and the State of Minnesota, and all of the ordinances of the City of Isanti Minnesota, together with all the rules and requirements of the Police and Fire Department of the City of Isanti, Minnesota. In addition, all rules and regulations by the Minnesota Department of Health will be complied with. A restaurant license, if required, will be procured yearly by Senior Dining.

V. Senior Dining usually observes the following holidays: New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Other days of closing will be determined by Senior Dining and the Company. Other dates Senior Dining will not occupy the facility are: February 27th, Blood Drive, March 3rd Primary, March 18th Chamber Event, April 23rd Blood Drive, June 17th Mayor's Event, June 25th Blood Drive, August 11th Primary, August 20th Blood Drive, October 15th Blood Drive, November 3rd Elections, December 10th Blood Drive and December 12-20th Isanti Lion's Christmas Project.

VI. Senior Dining agrees to restore the used facilities to ordinary cleanliness after use. Ordinary cleanliness is defined as leaving facilities in the same condition as they were prior to entering. Basic custodial services such as floor maintenance, window washing, cleaning of restrooms, washing and/or painting of walls, and snow removal are the responsibility of the Company. Senior Dining will be responsible for daily set up of the facility according to its preference.

VII. Senior Dining shall at it's own expense procure and maintain comprehensive general combined single limit liability coverage of One Million Dollars ($1,000,000.00) and Workers Compensation Insurance on all staff relating to the site mentioned above. Senior Dining shall hold the building owner harmless for damages or injury occurring on the rented premises for which Senior Dining is found liable.

VIII. The Company agrees to assume sole financial responsibility for the facility due to mechanical and electrical problems and to repair damage as a result of the above. Maintenance and repair costs of equipment owned by the Company will be the responsibility of the Company.

IX. In the event Senior Dining or the Company must cancel all or part of the terms of this agreement, both parties will provide the other agency sixty (60) days notice in writing. Upon written receipt by the Company from Catholic Charities Senior Dining, this agreement is subject to immediate termination by Senior Dining should federal, state or local dollars be reduced or withdrawn.

X. Senior Dining may use the kitchen and dining room during the hours of 10:30 a.m. to 1:30 p.m. Monday through Friday.

XI. The Company agrees to furnish Senior Dining information about insurance coverage and dollar value of each type of coverage carried which relates to the facility and persons using the facility.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Katie Brooks- Human Resources/ City Clerk
Date: January 7, 2020
Subject: EDA Board Member Termination

Background:

The City of Isanti follows federal guidelines for the completion of paperwork for all Employees, Elected Officials, and Board Members. Federal requirements for specific forms require completion within (3) three days of start. Clark Johnson was appointed to an open seat for Economic Development Authority on November 5, 2019 with an official start date on December 3, 2019. After many failed attempts to obtain required documentation from Clark Johnson to complete paperwork, the City must terminate his appointment effective immediately.

Request:
Staff is requesting action on this item to terminate Clark Johnson's appointment.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME COMMUNITY SERVICE OFFICER (CSO) TO JEREMY ROBERTS-LETHABY

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to Community Service Officer position; and,

WHEREAS, the Interviewing Panel selected Jeremy Roberts- Lethaby as the most qualified candidate for the open Part-Time CSO position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Jeremy Roberts- Lethaby for the City of Isanti and that he shall be eligible to start in that position on or after January 8th 2020.
2. That Jeremy Roberts- Lethaby shall start at Step 1 of the wage scale at $17.63 per hour without benefits.
3. That Jeremy Roberts- Lethaby shall be on probationary status per the Personnel Policy in the position of the Community Service Officer.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

Subject: Conflict of Interest Policy Annual Review

Background:
The Conflict of Interest Policy is reviewed annually and all members of the City Council and Board Members are required to fill out the Conflict of Interest Disclosure Form provided by the City Clerk.

Request:
Staff is requesting City Council review this policy and then filling out the Conflict of Interest form.

Attachments:
Conflict of Interest Policy

CONFLICT OF INTEREST POLICY

Purpose

The City Council of the City of Isanti confirms its determination that ethical standards by the employees of the City (Public Officials) are essential to the proper conduct of City affairs. By eliminating conflicts of interest and providing a guide for conduct in City matters, the City Council strives to promote the faith and confidence of the citizens of the City in their government. The following standards of conduct are intended to serve as a guideline for Public Officials in carrying out their responsibilities. This Policy is in addition to any statutory requirements, Attorney General opinions or court rulings, which prescribe allowable actions for Public Officials.

Definition

Public Officials will be defined as follows:

- All employees of the City of Isanti
- Police Reserves

Standards of Conduct

1. Public Officials:
   a. Must not use their positions to secure special privileges or exemptions for themselves or others to intentionally jeopardize the position of employment of others;
   b. Must not engage in, solicit, negotiate for, or promise to accept private employment nor will they render services for private interests or conduct a private business when such employment, service, or business creates a conflict with or impairs the proper discharge of their official duties;
   c. Must not participate in deliberations in any matter before the Council, Board or Commission, which affects that Public Official's, Public Official's spouse or minor child's financial interests directly or indirectly or those of a business, profession or occupation with which the Public Official is associated. Whenever such conflict is recognized, the affected Public Officials must disclose in writing such interest prior to any discussion or vote and disqualify themselves from any further involvement pertaining to the issue;
   d. Must not act as agent or attorney for another in any matter before the Council or any Board or Commission or before any court or administrative board in any matter in which the City is a party;
   e. Must not directly or indirectly receive, or agree to receive, any compensation, gift or reward or gratuity as an inducement to support or influence any matter or proceeding connected with, or related to, the duties of the office; The following types of gifts are permitted under exceptions to the law:
      1. Lawful campaign contributions.
      2. Services to assist an official in the performance of official duties.
      3. Services of insignificant monetary value.
      4. A plaque or similar item.
      5. A trinket or item of insignificant monetary value.
      6. Informational material of unexceptional value.

7. Food or beverage given at a reception, meal, or meeting by an organization before whom the recipient makes a speech or answers questions as part of a program (this exception is only available if the location of the reception, meal, or meeting is away from the recipient's place of work).
8. Gifts given because of the recipient's membership in a group.
9. Gifts between family members.

f. Must not participate in drawings or raffles at events, conferences, or seminars while attending as a City employee where financial participation is required.
g. Must not disclose to others or use to further their personal interest confidential information acquired by them in the course of their official duties.

2. Any Public Official who is an officer, director, partner, agent, proprietor or employee of any firm or has a proprietary interest of 10 percent (10%) or more in any company, business, enterprise or corporation, partnership, labor union or association doing business with the City will make known that interest in writing as provided in the disclosure section of this Policy.
3. No Public Official nor business entity that the Public Official has a financial interest in, in excess of 10 percent (10%), will enter into any contract with the City unless otherwise authorized by law.
4. Public Officials must disclose to the governing body any relationship to another person or entity in any instance where there is a conflict of interest or could be the appearance of a conflict of interest.
5. Public Officials will not have a personal financial interest in any sales, lease, or contract that they are authorized to make in their official capacities.
6. A Public Official will not hold two positions if the positions' functions are incompatible with one another.

Disclosures

Public Officials, elected or appointed, must, no later than thirty (30) days following election or appointment to office and each year thereafter by February 1, complete the Disclosure Form and return it to the City Clerk. All subsequent applicants for appointment on Boards and Commissions will file a completed Disclosure Form together with the application form. Within thirty (30) days after the acquisition or sale of any property, each Public Official will file as a public record with the City Administrator, a list of all real property in the City owned by such person, that person's spouse, or minor child, or in which the Public Official has a beneficial interest, disclosing each individual item held, and by whom. Homestead will be excluded from the above disclosure. Each Public Official must disclose all positions as officer, director, partner, agent, proprietor or employee of any firm in which such Public Official has a proprietary interest of ten percent (10%) or more in any company, business, enterprise, corporation, partnership, labor union or association doing business with the City, and indicate with respect to each such relationship whether services are gratuitous or for compensation.

Disclosure Form

The disclosure information required by this Policy will be set forth on a form made available by the City Clerk or designee.

Discipline
Upon a signed written complaint of any person questioning adherence to this Policy or on the Council's own volition, the Council will refer the matter to the City Attorney for investigation and the City Attorney will report the results of the investigation to the Council within forty-five (45) days thereafter. A copy of such report will be furnished to the person complained against. Such person may request a hearing on this matter before the Council which request will be filed with the City Administrator not later than ten (10) days following receipt by such person of the City Attorney's report.

Upon receipt of the City Attorney's report and at the conclusion of any hearing on the matter, the Council by majority vote may dismiss the complaint as having no merit, may adopt a resolution of censure, or with respect to members of Boards and Commissions, the Council may remove a member from such Board or Commission. In the event the complaint is against a member of the Council, such member will not participate in the Council's deliberations or vote on the issue.

Violations
Any Public Official who violates the Conflict of Interest Law can be found guilty of a gross misdemeanor, be fined up to $3,000, and imprisoned for up to one year. Any contract that has been made illegally is void.

J. Business Items

1. Interview Applicant for Vacant Park, Recreation and Culture Board Seat

There was one applicant for the open Park, Recreation and Culture Board. The applicant was Luke Merrill and he was asked questions specific to the Board.

Motion by Lundeen, second by Bergley to appoint Luke Merrill to the open Park, Recreation and Culture Board seat. Motion passed 5-0. Motion carried.

a. **Resolution 2020-001** Designating Committees and Representatives for City Commissions and Advisory Boards for 2020

Mayor Johnson asked if it was a requirement to have a City Council Representative for the Chamber of Commerce Liaison.

Community Development Director Sheila Sellman stated that it is not a requirement and is up to City Council if they would like a representative at the meeting.

Councilor Lundeen stated that it is nice to have a representative from City Council at the meetings.

Mayor Johnson recommended Committees remain the same as 2019 except Bergley attend Chamber of Commerce meetings.

Motion by Bergley, second by Gordon to approve leaving committees the same as 2019 with the modification of Councilor Bergley attending Chamber of Commerce meetings. Motion passed 5-0. Motion carried.

Mayor Johnson stated that in 2019 he chose Councilor Lundeen as Mayor Pro-Tem and he would like to keep it the same.

Motion to approve by Bergley, second by Gordon to approve Councilor Lundeen as Mayor Pro-Tem. Motion passed 5-0. Motion carried.

2. **Resolution 2020-002** Designating an Official Newspaper, Appointing Depositories and Professional Services and Setting City Council Meetings for year 2020

City Administrator Josi Wood shared that 2 bids were received for the official newspaper. One was from County News Review and the other from Isanti-Chisago County Star. Wood further shared that the bid from County News review is $1.99 per column inch; 11 lines/ inch 408 distributions in the City of Isanti and the bid received from Isanti-Chisago County Star is $2.00 per column inch; 9 lines/ inch; 1885 distributions in 55040 Zip Code. Wood further shared that County News Review who has been our official newspaper for many years has gone to a subscription-based mailing.

Councilor Lundeen asked if the newspapers charge for online reading and a way to track online readers.

Isanti-Chisago Star News, Jeff Andres stated that by law the newspaper cannot charge and that they have to be published free online and for everyone to see online for free.

Motion by Bergley, second by Lundeen to designate Isanti-Chisago Star as the City of Isanti's official newspaper. Motion passed 5-0. Motion carried.

Motion by Gordon, second by Lundeen to approve City Council Meeting dates for 2020 as presented. Motion passed 5-0. Motion carried.

3. **Resolution 2020-003** Authorizing Signatories for the Purpose of Accessing and Maintaining City Funds and Investments, Adding Authorization for Use of the City Credit Card

Motion by Bergley, second by Collison to approve resolution with the revision of adding Department Head to authorizing signatories. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

4. **Ordinance-715** Amending City Code Chapter 260, Sewers
5. **Ordinance-716** Amending City Code Chapter 325, Water
6. **Ordinance-717** Amending City Code Chapter 262, Sewer and Water Service Charges

City Administrator Josi Wood shared that Ordinance 715, Ordinance 716 and Ordinance 717 were presented and discussed at Committee of the Whole.

Councilor Lundeen stated that the stormwater utility fee is twice as high as other cities and numerous residents have brought it to his attention. Lundeen suggested that it the fee should be reviewed.

Wood stated that this year will be the utility rate study because it is 5 years old and it will be included in the study.

Motion by Lundeen, second by Bergley to approve Ordinance 715, Ordinance 716 and Ordinance 717 as presented. Motion passed 5-0. Motion carried.

Ordinance-718 Amending City Code Chapter 227, Parking and Storage
City Administrator Josi Wood shared that this Ordinance was presented at Committee of the Whole. Motion by Lundeen, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

K. Approve Consent Agenda

1. Accounts Payable in the Amount of $729,034.21 Payroll in the Amount of $98,195.07 and Fourth Quarter Payroll for Council/ Boards/ Commissions in the Amount of $8,363.61

MEMO

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 21, 2020
Subject: Resolution to Extend Partnership Agreement with ECRL and Isanti Friends of the Library

---

East Central Regional Library (ECRL) Assistant Director Rachel Garret Howell will be present to provide an update on the Library Outreach Stop, and request to extend the Partnership Agreement through the year 2020. As a part of this, the City Council will also need to consider extending the Partnership Agreement with the Isanti Friends of the Library for the same term.

Request:
Staff is requesting action on this item.

- Res 2020-XXX

RESOLUTION 2020-XXX

APPROVING PARTNERSHIP AGREEMENTS BETWEEN THE CITY OF ISANTI AND THE EAST CENTRAL REGIONAL LIBRARY AND THE ISANTI AREA FRIENDS OF THE LIBRARY

WHEREAS, on December 7, 2010 the City Council approved Resolution No. 2010-274, a Resolution Extending the Original Partnership Agreements Between the City of Isanti and the East Central Regional Library (ECRL) and the Isanti Area Friends of the Library, relating to a ECRL Outreach Stop (formerly Library Link Site) in Isanti City Hall; and,

WHEREAS, the ECRL and the Isanti Area Friends of the Library and the City of Isanti have annually renewed the Partnership Agreements, providing ECRL services through the Outreach Stop at City Hall; and,

WHEREAS, the agreement with the ECRL for an Outreach Stop at the Isanti City Hall has been presented for 2020;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the new Partnership Agreement with the East Central Regional Library Board and the Isanti Area Friends of the Library through the year 2020; that are hereby attached as 'Exhibit A' and 'Exhibit B' and made a part of this resolution.

This resolution was duly adopted by the Isanti City Council this 21st day of January 2020.

_____
Mayor Jeff Johnson

Attest:

Katie Brooks
Human Resources / City Clerk

Exhibit A

East Central Regional Library
Outreach Stop
Partnership Agreement

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL hereby agrees to continue to provide library outreach services in **Isanti** for the community of **Isanti** in **Isanti** County.

A selection of materials and services will be offered in the **Isanti City Hall** facility located at **110 1st Avenue Northwest** in the town of **Isanti**. The facility will be staffed by an ECRL staff member and open 4 hours per week one day a week, thus providing connectivity to reading materials and resources from ECRL.

In order to make this library service partnership successful, the representatives of the community of **Isanti** and the library staff of ECRL agree to accept the following responsibilities:

ECRL will provide:

- Staff to open the outreach stop 4 hours a week once a week
- A minimum of 350 items of library materials and may be adjusted to serve the needs of the public as needed
- Insurance on equipment and materials owned by ECRL
- Weekly delivery service and rotation of collection with new items on a regular schedule
- Maintenance of checkout-dedicated computer, software, scanner and receipt printer

The Community will provide:

- An appropriate facility, handicapped-accessible, with a handicapped-accessible public restroom
- Insurance to protect property and community owned contents
- Insurance to protect against liability
- Internet connectivity to central library catalog and databases – line capacity to be a minimum of 1 MBS
- Maintenance of the book drop
- Parking to accommodate visitors to the outreach stop
- Shoveling of walkways
- Adequate space within that facility for a 14' x 14' minimum Outreach Stop area
- Signage to establish Outreach Stop for East Central Regional Library
- Shelving for a minimum of 350 books and other items
- Comfortable seating and reading tables for 5-8 customers at time
- Utilities for the facility
- Cleaning of the facility
- Security for library computer, equipment and materials when not in active use
- Maintenance of any community-provided computer equipment

The site will be evaluated once a year. If, at the end of each evaluation, the site is determined not viable for the regional library system, or not valuable to the community, ECRL or the community may terminate this agreement with 30 days' notice, without penalty or recrimination. If adequate funding is provided, if the ECRL Board approves and the outreach stop is determined to be viable and valuable to all parties, the agreement may be renewed annually.

Exhibit B

East Central Regional Library
OUTREACH STOP
PARTNERSHIP AGREEMENT between Friends of the Isanti Area Library, Inc. and the City of Isanti

In an effort to create more library service connections in communities across the six-county region served by the East Central Regional Library (ECRL) system, ECRL has agreed pursuant to a Partnership Agreement with the City of Isanti to establish an Outreach Stop for library outreach services in Isanti through a site provided by the City of Isanti. A copy of said agreement between the City of Isanti and ECRL is attached hereto as Exhibit A. As an integral part of the service provision, assistance will be provided by Friends of the Isanti Area Library, Inc., a Minnesota non-profit corporation.

A selection of library materials and services will be offered in Conference Room A, located at City Hall in the City of Isanti. The facility will be staffed by a combination of ECRL staff and community volunteers, with the goal of being open one day a week for 4 hours, serving as many customers from the area as possible, and providing computer connectivity to the reading materials and resource databases of ECRL.

In order to make this library service partnership successful, the representatives of the Friends of the Isanti Area Library and City of Isanti agree to accept the following responsibilities:

The Friends of the Isanti Area Library will provide:

- Internet Connectivity to central library catalog and databases – line capacity to be a minimum of 1 Mbs
- Maintenance of the book drop at the City Hall site;
- Signage to establish location as "Outreach Stop Site to East Central Regional Library"
- Free standing shelving for approximately 350-400 books and other items and any required installation;
- The Friends of the Isanti Area Library may, at their sole option, provide on site Computers for the public, to use for catalog searching, database browsing, Internet surfing. Printers for public use for a fee, with the Friends of the Isanti Area Library responsible for any funds/transactions regarding usage. If such Computer **Equipment is provided, it must meet ECRL minimum standards, and have content-filtering software.**
- Maintenance of any such community-provided computer equipment;
- Commitment to recruiting dependable volunteer staffing to work at site for open hours planned;
- Functional seating and worktable for volunteers;
- Comfortable seating and reading tables for 5-8 customers at a time;
- Identification and assistance in recruiting volunteer workers from the community as needed by the ECRL;

The City of Isanti will provide:

- An appropriate facility at Isanti City Hall, handicapped-accessible, with a handicapped-accessible public restroom;
- Insurance to protect property and community owned contents;
- Insurance to protect against liability;
- Parking to accommodate Link Site traffic;

- Shoveling of walkways into the Link Site as needed;
- Adequate space within that facility for a 14'x14' minimum Link Site service area;
- Cleaning of facility;
- A locked facility for library computer, equipment, and materials when not in active use;
- Allow use of City Hall during normal hours of operation. Typically Monday thru Friday from 8am to 4:30pm.
- Electricity for the Outreach Stop site
- Heat for the Outreach Stop site.
- Cooling for the Outreach Stop site.

Notwithstanding any other provision of this agreement, either party to this agreement may elect to terminate this agreement with or without cause at any time upon not less than 30 calendar day's written notice to the other party hereto. The site will be evaluated annually or more often if deemed appropriate by the Friends of the Isanti Area Library or the City of Isanti. If adequate funding and fulfillment of responsibilities by the Friends of the Isanti Area Library and City of Isanti is provided, and the Outreach Stop site is determined by all parties to continue to be feasible all parties, the agreement may be renewed annually.

Request for City Council Action

To: Mayor Johnson and Members of the City Council
From: Matt Sylvester, Public Services Director
Date: January 21, 2020
Subject: Resolution 2020-XXX Approving Boiler Replacement at the Public Works Shop

---

Background:
In December of 2019 the shop boilers broke down and were not functioning. We called TM Johnson Brothers out to make repairs. TM Johnson Brothers informed us that the boilers were not repairable and would need to be replaced.

The boilers are listed on the 20 year capital improvement plan as "Infloor Heat Boilers (2)" in fund 920 in the Streets department. The boilers had been scheduled for replacement in 2022 at an estimated cost of $26,225. Unfortunately they need to be replaced now as we are only running on the make-up air unit. To accept the recommended quote, Council would authorize by resolution, acceptance of the quote and also authorize the Finance Director to amend the 2020 budget to allow for the expenditure. Future 20 year Capital Improvement Plans will then reflect that change and the estimated 25 year useful life would remain unchanged. Future replacement of the boilers would be planned for year 2045.

Staff reached out to four different vendors for quotes.

- Sun Mechanical
- AIRESERV
- Deans Heating
- TM Johnson Brothers

Recommendation:
Staff is recommending Deans Heating due to their expertise and due diligence in wanting to solve the issues we have with the shop boilers.

Request:
Staff would like action on this item to replace the Boilers at the Public Works Shop.

Attachments:

- Resolution No. 2020-XXX
- Quote-Sun Mechanical
- Quote AIRESERV
- Quote- Deans Heating
- Quote- TM Johnson Bros

RESOLUTION 2020-XXX

APPROVING BOILER REPLACEMENT AT THE PUBLIC WORKS SHOP

WHEREAS, the Public Works shop boilers are broke down and are unrepairable and in need of replacement: and,

WHEREAS, the following quotes were received:

Vendor	Quote
Sun Mechanical	$47,798.00
Deans Heating	$31,775.00
AIRESERV	$31,125.00
TM Johnson Brothers	$25,175.00

WHEREAS, the purchase is unbudgeted, the funding source is defined as Capital Replacement Fund (Fund 920) fund balance, increasing budgeted expenditures to 920-43100-500 Capital Outlay; and,

WHEREAS, the vendor will take the old boilers back with them for recycling;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the quote from_____ in the amount of _____ and allow the Finance Director to make the necessary budget adjustments.

This resolution was duly adopted by the Isanti City Council this 21st day of January 2020.

PROPOSAL SUBMITTED TO
Name: City of Isanti
Street:
City: Isanti

WORK TO BE PERFORMED AT
Date: December 26, 2019
Name: Public Works Building
Address: 100 Isanti Pkwy S, Isanti

Telephone : Matt Sylvester 763-772-5850 email: msylvester@cityofisanti.us

We hereby propose to furnish all materials and perform all the labor necessary for the completion of Heating Venting and Air Conditioning for the public works building.

Price Includes the Following:
Replacement of in-floor heating system to include boiler, piping (near boiler and to manilods), pumps, controls, and flushing and freeze control (to -30 degrees) of system. Correcting the piping and control of the system is necessary to facilitate proper operation of system. Simply replacing the existing boilers with piping as is will result in the system not heating properly and short system life of the boilers.

Boiler will be an NTI TFT399, 94% AFUE, modulating boiler.

All piping, venting, gas piping, and control wiring completed.

All material is guaranteed to be as specified, and the above work performed in accordance with the drawings and specifications submitted for the above work and completed in a substantial workmanlike manner for the sum of: **DOLLARS($31,775.00)**

Payment as follows- 60% upon acceptance of proposal, balance on completion.

RESPECTFULLY SUBMITTED: ___**Loren** _Per Dean's Heating and Air Conditioning Inc.

NOTE: this proposal may be withdrawn by us if not accepted within 90 days.
Any alteration or deviation from the above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimate. Owner to carry fire, tornado and other necessary insurance. Workman's Compensation and Public Liability insurance on above work to be taken out by Dean's Heating and Air Conditioning Inc.

ACCEPTANCE OF PROPOSAL:

The above priced specifications and conditions are satisfactory and are hereby accepted You are authorized to do the work as specified. Payment will be made as outlined above.

JOB PROPOSAL

Date: 12/13/19 Revised 12/20/19

Proposal Submitted to: City of Isanti

Address: PO Box 428
City, MN Zip: Isanti, MN 55040
Phone: 763-772-5850 (Matt)

Quote for boilers at Public works building 100 Isanti Parkway W

Replacement of 2 cast iron slant fin boilers and existing pumps with:

2 – Navien NHB-150 wall mount 95% AFUE natural gas boilers

- All new boiler pumps and piping including floor pumps and all related piping to be revised as necessary to have entire system work properly
- System water treatment and boiler antifreeze
- New expansion tank
- PVC vent and intake piping
- Gas piping to existing gas service
- New electrical wiring for 2 new boilers and all new pumps
- City of Isanti permit and inspection fees
- Removal and disposal of old boilers and all scrap

Note: These new boilers will qualify for Centerpoint rebate, exact amount determined by Centerpoint not reflected in this quote

We propose hereby to furnish material and labor – complete in accordance with above specifications, for the sum of: **$ 25,175.00**

Payment to be made as follows: In full upon completion of work

All material is guaranteed to be specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviations from above specifications involving extra costs will be executed only upon written orders and will become an extra charge over and above the quote. All agreements are contingent upon strikes, accidents or delays beyond our control. Homeowner agrees to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workman's Compensations Insurance. Unless specified differently above, proposal is valid for 30 days from date on top of this page.

Acceptance of Proposal—The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

CITY OF ISANTI
JOB DESCRIPTION

JOB TITLE:	Administrative Assistant/ Intern
DEPARTMENT:	Administration
SUPERVISION:	City Administrator
EFFECTIVE DATE:	January 21, 2020
FLSA STATUS:	Non-Exempt
HOURS WORKED:	25 hours/week average

DEFINITION:
Performs skilled technical, administrative support, under limited supervision. The Intern provides support to the Administration Department by assisting in various roles to enhance the efficiency of the needs for the City of Isanti and gain experience working for Local Government.

SUPERVISION RECEIVED:
Works under the general supervision of the City Administrator

SUPERVISORY FUNCTIONS:
None.

EQUIPMENT/JOB LOCATION:
Works primarily from an office in City Hall. Equipment used includes, but is not limited to, personal computer, printer, scanner, fax machine and copy machine.

ESSENTIAL FUNCTIONS OF THE JOB:
- Assist in writing social media posts.
- Assist with filing, scanning, typing and answering telephone calls.
- Provides backup for administrative duties as needed.
- Organizing projects and updating processes/procedures.
- Assist with electronic filing systems (scanning documents).
- Record retention and the destruction of documents.
- Assist with writing resolutions and memos for City Council.

OTHER DUTIES AND RESPONSIBILITIES
- Performs other related duties as assigned or apparent.

KNOWLEDGE/ABILITIES/SKILLS
- Good communication skills, both written and verbal.
- Ability to communicate effectively in English, both in oral and written formats.
- Ability to work well in a fast-paced environment.
- Ability to multi-task.
- Positive attitude.
- Personable and ability to work with a variety of people and the public.
- Possession of effective problem solving and analytical skills.
- Ability to concentrate and use reasoning and good judgment.
- Ability to establish and achieve priorities in the work environment.
- Must be able to socially, physically, and mentally perform all essential functions of the position in the working conditions described above.

- Ability to perform essential functions during required hours of work.
- Knowledge of methods of indexing records.
- Knowledge of general office procedures, policies, and methods.
- Ability to communicate effectively with other City Officials and the public.
- Ability to operate a PC, software including but not limited to Laserfiche, Word, Outlook, Excel, etc., and meet reasonable typing speed standards.
- Ability to work with non-public data in a confidential manner.
- Performs other related functions as assigned or apparent.

PHYSICAL DEMANDS:

The physical demands described herein are representative of those that must be met by an employee to successfully perform the essential functions of this position.

- The employee is frequently required to sit and talk or hear, use hands to finger, handle or feel objects, tools, or controls; and reach with hands and arms.
- Considerable ability to use large motor skills which include standing, walking, and climbing stairs during the workday.
- Considerable ability to use fine motor skills to manipulate objects requiring manual dexterity.
- The employee will lift and/or move up to 50 pounds for tasks such as folding tables, desk furniture, and setting up rooms for meetings carrying supply boxes and file drawers.
- Specific vision abilities required by this position include close vision, distance vision, peripheral vision and ability to focus as it relates to such tasks as reading, processing paperwork, overseeing public activities, computer deskwork, etc.

MINIMUM QUALIFICATIONS:

- A student in an undergraduate degree program in business, public administration, human resources, or a related field.
- Must be reliable and detail oriented.

PREFERRED QUALIFICATIONS:

- Administrative work experience.
- Local Government experience.

This position description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the city and requirements of the job change.

The city of Isanti is an Equal Opportunity Employer in compliance with the Americans with Disabilities Act. It will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.

The examples given above are intended only as illustrations of various types of work performed and are not necessarily all-inclusive. This position description is subject to change as the needs of the employer and requirements of the position change. The City of Isanti reserves the right to change and/or eliminate any and all job duties if needed.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: January 21, 2020
Subject: Resolution Approving Staff to Submit Applications for Grants Pertaining to the Parks, Recreation and Culture Department

---

Background:
Staff has been made aware that the City would be eligible to apply for funding of grant dollars to help support some of the city's community, park and recreation initiatives. Due to the short notice of when staff is made aware of the potential grant opportunities, staff may need to apply in a short timeframe. In the past staff has had to submit grant opportunities on an individual basis and have missed out on opportunities before staff has had a chance to bring to council for approval of submitting an application.

Recommendation:
City staff is recommending to apply for grant opportunities based upon discretion as it pertains to the PRC department and staff's ability to complete the background work to submit the applications by the deadlines of each grant.

Request:
City staff is requesting action on this item.

RESOLUTION 2020 - XXX

APPROVING STAFF TO SUBMIT APPLICATIONS FOR GRANTS PERTAINING TO PARKS, RECREATION AND CULTURE DEPARTMENT

WHEREAS, City staff is continually notified of eligible grant opportunities; and,

WHEREAS, the City of Isanti has been awarded grants for Parks, Recreation, and Culture projects in the past; and,

WHEREAS, each year there are grants available specific to the types of activities conducted by the Parks, Recreation, and Culture department through organizations like Partners in Healthy Living, the Minnesota Department of Natural Resources, and the Initiative Foundation and other organizations; and,

WHEREAS, City staff has approval for submission of applications to grants listed above and to future grant opportunities that pertain to the Parks, Recreation and Culture department. Submittal of grants that fit within the described areas will be based upon City staff's discretion and their ability to complete the background work to submit the application; and,

WHEREAS, if awarded funding through grant opportunities as outlined in this resolution, funds would be accepted through City Council and distributed through the Parks, Recreation and Culture fund;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve City staff to apply for grant opportunities that pertain to Parks, Recreation, and Culture on a continual basis as needed.

This Resolution hereby approved by the Isanti City Council this 21st day of January 2020.

MEMO for Council Action

To: Mayor Johnson and Members of City Council
From: Jenny Garvey, Parks, Recreation, and Culture Manager
Date: January 21, 2020
Subject: Resolution Approving 2020 Community Garden Handbook and Application Form

---

Background:
Staff have updated the Community Garden Handbook to reflect 2020 registration and garden season dates. There will be no changes to the garden rules or fees in 2020.

Upon approval of the attached documents, staff will update the website to make the new documents available for download and to have the registration forms and handbooks to be available at City Hall. This handbook and form will be updated annually with new dates. If changes to the handbook/rules need to be changed staff will bring these changes at a later time.

Staff Request:
Staff is requesting the 2020 Community Garden Handbook and registration form be approved and for future updates to be approved for date adjustments. If rules/regulations need to be reviewed staff will bring those back for council approval.

RESOLUTION 2020-XXX

APPROVING 2020 COMMUNITY GARDEN HANDBOOK AND APPLICATION FORM

WHEREAS, a community garden was constructed in Spring 2016; and,

WHEREAS, members of the community are allowed to rent ground plots, raised bed or elevated spaces; and,

WHEREAS, a handbook is available for the garden including rules, fees, and dates, and staff have updated the information listed in the handbook for the 2020 garden season; and,

WHEREAS, there will be separate reservation periods for returning gardeners and new gardeners as follows:

- Returning gardeners reserving the *same* plots may begin registering February 1-7, 2020
- Returning gardeners reserving *new* plots may begin registering February 8-14, 2020
- Open registration beginning February 15, 2020

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the 2020 Community Garden handbook and application form.

Adopted by the Isanti City Council this 21st day of January 2020.

(Plots need to be completely cleared no later than this day)

For questions regarding the Isanti Community Garden, please contact the Parks, Recreation, and Culture Manager at 763-444-5512 or isantiparks@cityofisanti.us

Garden Safety Tips:
- Garden in pairs and/or bring a cell phone.
- Bring a water bottle and drink lots of water while you're working.
- Wear protective clothing (hats and lightweight long sleeves) and sunscreen.

Is there a problem in the garden?
- Report theft, vandalism and unusual activities to City of Isanti Staff.
- If you feel an immediate risk or need emergency assistance, call 911.

Isanti Community Garden

Isanti PARKS

2020 Handbook

Community Garden Rules

It is the goal of the City of Isanti to offer a high quality, safe, and accessible space for the public to enjoy the benefits of gardening. In order to achieve this, cooperation is required from all participants to contribute to a positive experience for themselves and other gardeners.

1. The City of Isanti will

- Till the garden plots in the spring and fall.
- Provide access to water through spigots distributed around the garden.
- Stake out and number plots.
- Provide basic gardening tools, e.g. hoses, hand tools, and shovels, for use inside the community garden.

2. Community gardeners will

- Complete a plot reservation form and pay required fees.
- Administer adequate plot maintenance including: weeding, watering, and harvesting in a timely manner keeping the plot tidy and visually appealing.
- Maintain their plots through the end of the season and arrange for care of plots during vacation or other extended absence. In the event that a plot can no longer be maintained, gardeners will notify the City of Isanti as soon as possible.
- Abide by all Rules of Use of the Isanti Community Garden.
- Contribute to a positive experience with fellow gardeners.

Rules of Use

- No refunds will be issued after May 1, 2020.
- All gardening must occur between dawn and dusk.
- Gardeners may allow others to garden at their plot, but the ultimate responsibility of plot maintenance and fees belong to the renter.
- Harvesting of any kind from others' plots is prohibited without permission from primary plot renter.
- Pets are not allowed inside the community garden. Service animals are allowed as needed.
- Children (under 15) in the community garden will be supervised at all times.
- Community garden plots are intended for personal use only. No commercial gardening is allowed.
- Garden plots may not be used to grow illegal plants, controlled substances, shrubs, or trees.
- All plants and temporary structures (ex: trellises) must be contained within the plot boundaries.
- The garden cannot technically be considered organic, but the use of commercial pesticides is not allowed. For a list of acceptable products, contact City of Isanti Staff.
- Garden debris should be placed in the provided compost bins and never in another plot or outside the garden area.
- When provided equipment is used, it must be returned in good condition to the shed. Gardeners should report any lost or damaged tools to City of Isanti staff immediately..

Plot reservations will be taken
February 1 through May 31.
Gardening will begin on May 7, 2020 and
end on October 18, 2020.
(Dates are subject to change due to weather conditions.)

- If a plot is deemed abandoned, it will be reassigned at the discretion of the City of Isanti. A plot will be considered abandoned if any of the following occur:
  - The garden is not planted by June 12, 2020
  - No signs of maintenance
  - Weeds have gone to seed
  - Harvest rotting on vine
  - Gardener has not responded to inquiries from City of Isanti staff.
  - Gardener has not addressed issues within 7 days of being notified by City of Isanti

Notices:

The City of Isanti reserves the right to full access of all plots at all times to ensure that rules are being followed, and if necessary may terminate a plot rental for the safety and welfare of city property.

The City of Isanti assumes no liability for injury, damage, theft, or loss of property belonging to garden users before, during, or after rental.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Police Chief
Date: January 21st, 2020
Subject: Resolution Approving GeoTab Fleet Management GPS

Background:

All Law Enforcement agencies within Isanti County, with the exemption of the Isanti Police Department, are enrolled in the GeoTab Fleet Management GPS system. The system allows dispatch to have a 'live view' of the location of patrol vehicles.

Recommendation:
Staff is recommending approval of integrating Isanti Police into the GeoTab system with Isanti County Sheriff Department.

Funding for the GeoTab system was identified in the FY 2020 Police budget fund 42110-335

- $26.87 per vehicle per month for the 5 patrol vehicles
- $1,612.20 annual

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following actions:

1. Authorize staff to sign GeoTab Fleet Management agreement with Isanti County Sheriff's Office.
2. Approve Resolution as written.

Attachments:

- Res 2020-XXX
- GeoTab Fleet Management agreement

RESOLUTION 2020-XXX

APPROVING FLEET MANAGEMENT SYSTEM FOR THE POLICE DEPARTMENT

WHEREAS, the 2020 Budget included funds for GeoTab Fleet Management GPS system; and,

WHEREAS, the regular Isanti Police patrol vehicles will be equipped with GeoTab Fleet Management GPS system; and,

WHEREAS, the GeoTab Fleet Management GPS system is administered by the Isanti County Sheriff's Office; and,

WHEREAS, The Isanti County Sheriff's Office will bill the city of Isanti Police GeoTab monthly unit fees [5@ $26.87 per month, $1,612.20 annual]; and,

WHEREAS, the City finds it in the best interest to participate in the GeoTab Fleet Management GPS system; and,

WHEREAS, funding has been identified as Police Auto Expense (335);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to sign agreement with Isanti County Sheriff's Office to participate in the GeoTab Fleet Management GPS system in a total amount of $1,612.20 with funding source identified as Auto Expense (335).

This resolution was duly adopted by the Isanti City Council this 21st day of January 2020.

Agreement
between
Isanti County Sheriff's Office
and
Isanti Police Department
relating to

GeoTab Fleet Management GPS

WHEREAS, Isanti County Sheriff's Office has purchased and implemented the use of GeoTab hardware and software to enhance officer safety and simplify fleet tracking and management and;

WHEREAS, it is in the interest for Isanti County Sheriff's Office employees and Isanti Police Department employees to be able to know where each other are at in the time of emergencies, and;

WHEREAS, it is more efficient for all end users to be on the same account instead of having separate ones.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties herein agree as follows:

1. The Isanti Sheriff's Office will maintain an open account with GeoTab.
2. The Isanti County Sheriff's Office will purchase equipment for the Isanti Police Department on their account based on the written request of the Isanti Police Department.
3. The Isanti County Sheriff's Office will invoice the Isanti Police Department once every month for each unit that is in use including monthly fees and any applicable taxes.
4. The Isanti Police Department agrees to pay each invoice on a "Net 30" term.
5. The entire Agreement of the parties is contained herein and this Agreement supersedes all oral Agreements and negotiations had between the parties relating to the subject matter hereof.
6. Any alterations, amendments, deletions or waivers of the provisions of this Agreement shall be valid only when reduced to writing and duly signed by the parties herein.
7. The term of the Agreement is from the date of the last signature hereto and shall continue until terminated as provided herein.
8. This Agreement may be terminated by either party at any time with or without cause, upon ninety (90) days written notice delivered to the address of the parties specified above.

MEMORANDUM

Date: January 15, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

This project has been scheduled to be completed in the spring.

2) Legacy Pines 2nd Addition

This project has been authorized and is scheduled to be completed in 2020.

3) 6th Avenue Rehabilitation

We will complete the feasibility study this month.

4) 2020 Pavement Management Project

We will create the plans and specifications for this project this month.

5) 2020 Storm System Management Project

We will create the plans and specifications for this project this month.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

AGENDA
CITY OF ISANTI
CITY COUNCIL GOAL SETTING WORK SESSION
MONDAY, JANUARY 27, 2020
6:00 PM
CITY HALL

Facilitator Josi Wood, City Administrator

A. Call to Order
B. Pledge of Allegiance
C. Roll Call
D. Welcome and Review Purpose of Goal Setting Session
E. Existing Council Approved Plans
F. 2020 Budgeted Projects
G. 2019 Goals and Progress Summary
    1. 2005 – 2018 Past Goals
H. Goal Setting Discussion Items and Staff's Supporting Documentation
    Memos provided on items #1 - 11
    1. Performance Center/Amphitheater
    2. Lighting Infill
    3. Dynamic Sign
    4. Splash Pad
    5. T.H. 65 Pedestrian Overpass
    6. PRC Community Events
    7. Lodging Tax
    8. Housing Study
    9. Isanti Fire District Lease and Building
    10. Liquor Store Expansion
    11. Public Safety Building
    12. Heritage/ East Dual Intersection Control
    13. Utility Rate Study
    14. Business Marketing – Acquiring New Businesses
    15. Reducing Overall Budget
    16. Water Treatment
    17. New Items Added at Meeting

I. Establish 2020 Goals
J. Adjournment

MEMO

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 27, 2020
Subject: Review Purpose of Goal Setting Session

Purpose:
It has been the City Council's practice to conduct an annual goal setting session to balance workload and demand with available resources. The purpose of our goal setting session is to develop consensus to determine top priorities for 2020, provide direction on the 2020-21 budget principles, and develop a work plan which provides direction to staff for a period of 12 months and beyond. To assist with the prioritization of 2020 projects, staff has assembled several attachments for City Council's review. Attachments for goal setting items reflects the best information available to staff and does not reflect any assumptions regarding the Council's priorities.

Annually, the City Council adopts a comprehensive budget to provide for regular on-going operations, investment in the City's capital assets and infrastructure, and funding for new projects or services prioritized by the City Council. The City includes 30 FT personnel, 20 PT personnel, use of contracted employees and many capital improvement plan (CIP) projects which are outlined below.

After a slide show presentation and review of the items for discussion, including any new items brought to the meeting, Council will be asked to determine top priorities.

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: January 27, 2020
Subject: 2005 - 2018 Years Council Established Goals

2018

- City Website
- Equipment for City Council Communications
- 20 Year Capital Improvement Plan
- Administrator Transition
- Emergency Generators
- Multi-use Skating Rink
- Street Extensions – Richard Avenue SE & 5th Avenue NE
- Traffic Issues on Heritage Boulevard
- Sliding Hill
- City Facility Water Bottle Refill Stations
- 2018 Pavement Management Program
- Continue Marketing Plan and Economic Development Efforts to Diversify and Increase the Tax Base
- Maintain City and Development Standards

2017

- Annexation of Surrounded Properties
- Dog Park – Phase 1 Project
- Consider Relocation of Pleasure Rink
- City Comprehensive Plan Update
- 2017 Pavement Management Program
- Palomino Road Reconstruction
- Railroad Avenue Sidewalk/Trail
- 2017 Liquor Store Tastings Event
- Liquor Store Project Review
- Public Works & Police Department Storage Building Project
- Continue Marketing Plan and Economic Development Efforts to Diversify and Increase the Tax Base
- Maintain City and Development Standards

2016

- 2016 Elections – Implement Polling Places
- Adopt New EDA Marketing Plan
- Hotel Project Options

- 5th Avenue NE Extension – Develop Funding Options
- New City Councilmember Orientation
- City Comprehensive Planning Update
- 2016 Collective Bargaining
- Department Head Salary Review
- City Staffing Plan
- Purchasing Discretion
- Isanti Liquor Tastings Event
- Railroad Avenue Sidewalk
- Continue Marketing Plan and Economic Development Efforts to Diversify and Increase the Tax Base
- Maintain City and Development Standards

2015

- Adopt a Long-Range Revenue Plan (Franchise Fees were implemented)
- Adopt Pavement Management and Utility Improvement Plans
- Complete a Utility Rate Study
- Create Joint Planning Advisory Board with City of Cambridge and Isanti Township - Comprehensive Planning
- Work on Sidewalk Infill on CSAH 23 and Heritage Boulevard
- Continue Marketing Plan and Economic Development Efforts to Diversify and Increase the Tax Base
- Maintain City and Development Standards

2014

- Police Chief Search - Internal Posting Process
- Change Sidewalk Snow Removal Policy
    - Formal Policy Change for Council Consideration
    - Purchase of new equipment
    - Hiring of one new full-time maintenance technician
    - Discontinue charging citizens for un-cleared sidewalks
- Create Joint Planning Meetings with Cambridge and Isanti Township - Compatible Land Usage/ Common Control Boundaries
- County Road 5 (Heritage Blvd) Traffic Study - Traffic Control/ Improvement
- Street Light Infill - Phased Plan for Budget Consideration
- Community Center Improvements / Parking Lot Improvements
    - Tie in Downtown Accessibly to City Hall/ Community Center through Downtown Parking Improvements, Access East of City Hall
    - Community Center Improvements
- Complete Implementation of City Website Improvements
- Continue Economic Development Efforts to Diversify and Increase the Tax Base
- Maintain City Standards

2013

- Community Center
- Finalize Process
- Need to Make it Financially Viable
- HRA Option - Evaluate
- CSAH 5 Aesthetic Standards / Traffic Flow Evaluation
- City Website Update

— Maintain City Standards
— Utility Billing – Pursue In House Billing
— Continue Economic Development Efforts to Diversify and Increase the Tax Base.

2012
— Community Center Review
— Capital Replacement Fund – Municipal Building Reserve
— Review and Recommendation regarding Utility Billing
— Review CSAH 5 Traffic and Congestion Issues
— Main Street Traffic Issues
— Continue Economic Development Efforts to Diversify and Increase the Tax Base.

2011
— Restructure City Government

2010
— Economic Development Comprehensive Plan
— Downtown Plan
— Consideration of EDA to an HRA
— Continue work on Rail Industrial Park
— Budgeting without LGA
— Establishing a list of cuts and prioritize budget items
— Determine the percentage of general funds to reserve
— Restructuring bonded debt

2009
— Complete Long-Term Financial Plan
— Commercial Tax Base
— Disaster Plan
— New Personnel Policy
— City Multi Modal Transportation Plan

2008
— Water Treatment Plant
— Long Term Financial Plan
— Marketing Plan, Strategic Downtown Plan, and Commercial Base

2007
— Increase Commercial Base
— Develop a Marketing Plan for the City
— Public Safety
— Develop a Strategic Downtown Plan
— Stabilize and/or reduce taxes
— Long term financial planning
— Transportation Needs
— Better Communications
— Council By-Laws
— Controls on Spending
— Collecting Dollars due City for Services Rendered

— Enhanced Housing Stock Planning
— Water Treatment Plant
— Annexation Policy
— Review of Service Providers
— Planning Commission / Advisory Boards
— Liquor Store Project
— Discussion of Future Annexations
— Healthier City
— Recreation Opportunities
— Codification
— Phase III Street / Utility Improvements
— Comprehensive Economic Plan
— Intergovernmental Communications
— Viable Comprehensive Plan

2006

— No Record of Goal Session

2005

— Performance Review on all Boards
— Training
— Comprehensive Plan- Participation by all Boards
— Submission of Agenda Items for Boards

MEMORANDUM

Date: January 10, 2020

To: Josi Wood, City Administrator

From: Jason W Cook, P.E.
City Engineer

Subject: Performance Center – Cost Update with Restroom & Concession Stand
City of Isanti, MN
Project No.: R13.120117

Background:
The Park and Recreation Board began looking into this project in 2007. At that time, it was determined that there weren't funds available to construct the project.

In 2011, the project was revived. Site plan designs were approved, and the project went out for bids in August 2011. No bids were received. It was apparent at the time that the larger contractors were too busy to bid the work, and that the small contractors may not have been aware of the project. It does not appear any further attempts were made to construct the project at that time.

In 2019, interest has returned to evaluate the project. We have contacted the same company from 2011 for updated pricing on the preferred design the Park Board selected in 2011.

In addition to updating the costs of the 2011 project scope, We have also evaluated the additional cost to construct a seasonal bathroom and concession stand with the Performance Center.

2020 Cost Estimates:
Performance Center:
The Performance Center that was selected by the Park Board in 2011 is designed by Cedar Forest Products and is called Band Shell #3. It includes 2 dressing rooms (one on each side of a central performance area). It is a wood structure with a shingled roof over the performance area. See the attached image and structure schematic.

The supplier of the structure (Minnesota/Wisconsin Playground (MWP)) has provided updated pricing to deliver the kit of materials to the City. The site grading, concrete pad, and fabrication of the structure are additional costs that the City would need to hire a contractor to complete. MWP has also supplied a cost to perform this work.
Below are the project costs submitted by MWP to construct the Performance Center in 2020 dollars. Plus estimated costs for electrical, testing, access walk and inspection.

Band Shell #3 Kit	$113,625.00
Site Work and Structure Fabrication	$106,632.00
Electrical Service, Inspection, Walk, & Testing	$20,500.00
Performance Center Total Project Cost:	$240,757.00

Bolton & Menk is an equal opportunity employer.

Restroom with Concession Stand:

The proposed site location (near the Performance Center) does not have sanitary sewer or water service readily available. These services would need to be extended 300-400 ft from an adjacent street. The facility would also require a grinder pump with a small force main to provide sanitary sewer service as it would be located in a low area that cannot be serviced with gravity sanitary sewer. The cost estimate is for a standard prefabricated concrete structure with male and female restrooms as well as an un-furnished central concession stand. It would be a seasonal unheated facility planned to be closed in the winter.

Prefab Double Restroom Structure W/ Concessions	$125,000
Grading & Utility Extensions W/ Grinder Pump	$75,000
Restroom & Concession Total Project Cost:	$200,000

Alternate Restroom and Concession Stand Options:

Restroom:

Should the City elect to do a single vault latrine style facility water service could still be extended to the site, but the sewer service cost would not be required. A vault latrine would require regular pumping maintenance and may have scent issues. This would be a co-ed facility.

Concession Stand:

One of the dressing rooms on the primary Performance Center structure could be converted into a concession stand, however it would not have running water.

Single Stall Vault Latrine W/ Water Service	$50,000
Convert Dressing Room to Concession Window	$5,000
Total Alternate Restroom & Concession Option	$55,000

Memo for Council Goal Setting

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 8, 2020
Subject: City Street Lighting Infill – Information and Past Programs

Background:

As requested by City Administrator Josi Wood, I have prepared a memo on City Street Lighting Infill, that provides current cost information and information on past programs,

Current costs:

Staff has contacted Connexus Energy to get current costs for light fixtures, installation and energy costs. Those costs are as follows:

Commercial 30' Shoebox LED Light - $2,848.00
Residential Traditionaire LED Light - $1,453.00
Trenching Costs - $8.25/ft.
Fixture Energy/Maintenance Costs (commercial) $9.76 per month

If for instance, the City were to consider installation of 10 commercial fixtures along Heritage Boulevard (CSAH 5), costs are estimated at $33,936.00 (includes 20% for trenching/miscellaneous costs).

Past Lighting Infill Programs:

The City had 4 phased annual programs, spanning from 2015 to 2018 for street lighting infill. The original project plan prepared in 2013 identified 20 locations in residential areas and 6 locations on collector roads for infill street and trail lighting. The original project and accompanying annual programs were prepared through collaboration of Connexus and City staff. The original project plan and annual programs were reviewed/recommended by the former City Council Public Works Committee. Information on the programs is as follows:

2015 Phase I Program – 4 30' Commercial shoebox fixtures, 2 Cobra fixtures on existing poles, 2 Traditionaire fixtures – Program cost - $22,516.00

2016 Phase II Program – 1 30" Commercial shoebox fixture, 2 Cobra fixtures on existing poles, 2 Traditionaire fixtures – Program cost - $12,634.00

2017 Phase III Program – 3 Cobra Head Fixtures on existing poles, 3 Traditionaire fixtures - $11,257.50

2018 Phase IV Program – 2 Cobra Fixtures on existing poles, 2 upgrades from Traditionaire fixtures to Commercial shoebox fixtures, 1 new Commercial shoebox fixture, 1 Traditionaire fixture - $16,806.25

Memo

To: Josi Wood, City Administrator
From: Sheila Sellman, Community Development Director
Date: January 7, 2020
Subject: City Electronic Reader Board Sign – 2020 goal setting

---

As part of preparation for the 2020 goal setting meeting, I was asked to provide information on a city owned electronic reader board sign (AKA Dynamic signs).

Location
It would be ideal and most cost effective to have a city owned sign on city owned property or city right-of-way (ROW), that being said the most visibility will likely be along Highway 65 or Heritage Blvd (County Road 5) neither of which the City owns ROW.
The city does own some property along Highway 65 south of Cajima and south of Golden Way St. NE, both of these locations are north of Heritage Blvd so they may not be the best locations.

Along highway 65 will give the city the most exposure and visibility. In order to be in this location, the city would need to put the sign on the city owned parcel, obtain an easement from a private land owner or obtain permission from MNDOT to put a sign in their ROW.

Cost
The City of Princeton partnered with their School District and split the cost of the sign, the total for their sign was $30,000. East Bethel's sign cost $74,000. The city owns the sign and leases the site. Forest Lake owns their sign and it cost between $60-$75,000 they have an easement for the site. Besides the cost of the sign itself other costs may be ROW permits, leasing or purchasing land.

Sign
Dynamic signs that are used in conjunction with another freestanding sign may occupy 80% of the actual copy of the sign. Stand alone dynamic sign is limited to 70 square feet. There must be 300 feet in between freestanding signs. Depending on location the freestanding sign can be 120-200 square feet and range in height from 35-45 feet. The sign copy can only change every 20 seconds.

Policy
Items to consider:

- What will be the purpose of the sign?
- Who can have messages on the sign?
    - School
    - Civic groups
    - Events
    - Non-profits

MEMO

To: Mayor Johnson and Members of City Council

From: Jenny Garvey - Parks, Recreation, and Culture Manager
Date: January 10, 2020
Subject: 2020 Goal Setting item – Splash Pad

Staff has been asked to research a splash pad option within the city of Isanti. Staff researched splash pads throughout the state and has developed information on the location, operation system and size options. Below is a list of options to review.

treated water system	**TWO OPTIONS**	untreated water drains to storm sewer system
$650,000	**COST TO BUILD**	$200,000
holding tank about 3.000 gallons, water dissipates during day, unknown daily usage	**WATER USAGE**	approximately 70,000 gallons per day (2 million per month)
5400 sq ft	**SIZE**	3500 sq ft
new building: $165,000	**BATHROOM/CHANGING**	new building: $165,000
Bluebird Park	**LOCATION:**	Bluebird park
<u>Additional items to consider which would add to cost</u>: warming house/rental space, mechanical area, shade structure, benches, fencing, signage, storage, staffing vs unstaffed		
$10,000 per year in chemicals, mntc, advertising, etc (not including Staff time)	**Costs associated with operations**	water usage: approx. $34,000 per month $1,100 per day water cost
Bathrooms and drinking fountain required to be conveniently located. One bathroom per 750 sq ft of spray deck.		

Location Options in Bluebird Park:

MEMORANDUM

Date: January 10, 2020

To: Josi Wood, City Administrator

From: Jason W Cook, P.E.
City Engineer

Subject: Pedestrian Overpass/Underpass – Possible Funding Sources
City of Isanti, MN
Project No.: R13.120117

The Pedestrian Overpass was last evaluated in 2010-2011. It was proposed to cross TH 65 at Broadway Street and extend a trail across a wetland to 8th Avenue SE. With the completion of the hotel at this location, the alignment and design of the trail and overpass/underpass may need to be re-evaluated. In addition to the pedestrian crossing itself, this trail alignment will require easement acquisitions and wetland mitigation to construct the eastern trail section. The 2010 concept layout and rendering are attached.

The original concept was to construct a pedestrian overpass. It has been requested to evaluate the possibility of constructing a pedestrian underpass as an alternative. Until a full study is completed, both options appear viable. The extent of retaining walls and ramp lengths will determine which is most cost effective, and the City will need to make a determination as to which type of crossing they prefer once the feasibility of each has been studied.

The pedestrian overpass cost estimate has been updated to current 2020 construction costs and is estimated at a total project cost of $4.25 million dollars. The underpass option may prove to have a cost savings, depending on the crossing location selected.

2025 is the earliest anticipated fiscal year the below funding sources could all apply and meet all application deadlines. The application year listed below is the anticipated year the application would need to be submitted to request funds for a 2025 construction project.

It is highly unlikely to succeed in receiving all the below funds. We anticipate a best-case scenario would be to receive approximately $2,050,000, leaving $2,200,000 in local funds required.

Following is a summary of state and federal grants that the pedestrian overpass/underpass project is anticipated to be competitive for. All listed programs can be applied for and funds can be combined to deliver the project. If any federal funds are secured, the city will be required to provide a minimum 20% match of the total project cost with non-federal dollars. State sources can be used to meet this match requirement.

MnDOT Local Partnership Program (LPP)
This is a state funded program intended to pay for a portion of the Trunk Highway eligible construction costs of the project and up to 8% of the construction engineering costs (for inspection, contract administration, surveying and materials testing as applicable, based on the Trunk Highway eligible costs.

Bolton & Menk is an equal opportunity employer.

Locally led projects that are not large scale enough to be led by MnDOT. Funds can be used for trail projects that increase pedestrian safety along or crossing Trunk Highways.

Applications for this program are typically due early summer and grant awards announced by early fall. The City has had success with this program on the RCUT project.

Max Award Request: $750,000
Application Year 2020 - Fee Estimate: $5,000 - $7,000

MnDOT Local Road Improvement Program (LRIP)
This is a state funded program intended to pay for local road construction or reconstruction projects with local, regional, or statewide significance that cannot reasonably be funded through other revenue sources. The LRIP funds must be used outside Trunk Highway right-of-way and do not require a set local match.

Applications for this program are typically due early summer and grant awards announced by early fall. If this is awarded, it is unlikely the LRIP Bond Request would also be awarded.

Max Award Request: $1,000,000
Application Year 2023 - Fee Estimate: $5,000 - $7,000

LRIP Bond Request
This is a formal application request to have the project included in upcoming state bonding bill and is intended to pay for public facility construction or reconstruction projects with local, regional, or statewide significance.

Applications for this request are typically due in June and inclusion in the proposed bonding bill announced between later summer through the following early spring. This is the least likely to be awarded and requires significant political support. It is also unlikely to be awarded if the above LRIP program is awarded.

Anticipated Request: $2,000,000
Application Year 2022 - Fee Estimate: $10,000 - $12,000

Transportation Alternatives Program (TAP)
This is a federally funded program intended to pay for pedestrian and bicycle facilities, historic preservation, Safe Routes to School, and more. The primary purpose must be transportation (not recreational). Awards for this program require a 20 percent local match.

Applications for this program are typically due early January and grant awards announced by early spring. If this is awarded, it is unlikely the Safe Routes to School program would also be awarded.

Max Award Request: $365,000
Application Year 2020 - Fee Estimate: $8,000 - $10,000

MnDOT Safe Routes to School (SRTS)
The SRTS program is federally funded and administered by the Minnesota Department of Transportation. The purpose of this program is to enable and encourage children to walk and bike to school in a safe and appealing manner and to improve safety and reduce traffic, fuel consumption and air pollution in the vicinity of schools. Awards for this program require a 20 percent local match. The award amounts vary but typically do not exceed $300,000.

The SRTS application period typically occurs in June. This program was not funded in the last bonding cycle but is anticipated to be funded in the 2020 cycle this spring. If this is awarded, it is unlikely the Transportation Alternatives Program would also be awarded.

Max Award Request: $300,000
Application Year 2022 - Fee Estimate: $8,000 - $10,000

Local and Regional Trail Grant Programs

These programs are administered by the DNR and intended to develop local trail connections and regionally significant trails by local units of government outside of the seven-county metro area and act as complements to the state trail system. The city would only be able to apply to one program for the same project. We will work with DNR program administrators to determine which is the best fit for the pedestrian bridge project. Local governments complete the project and are reimbursed for up to 50 percent of total eligible costs, with a maximum award of $250,000. All work funded with FY 2021 appropriations must be completed no later than June 30, 2022.

Applications for this program are due by March. This is very competitive, and this project may not have the highest likelihood of being awarded.

Max Award Request: $250,000
Application Year 2023 - Fee Estimate: $10,000 - $12,000

Summary

- The earliest anticipated construction season is 2025.
- A feasibility study will need to be completed to determine the location the crossing should occur and if an overpass or underpass will be most cost effective or preferred.
- $2.2 million in local funds are anticipated to be required at a minimum.
- Applications will need to begin completed in 2020 to maximize funding opportunities for a 2025 construction season.

MEMO

To: Mayor Johnson and Members of City Council
From: Jenny Garvey - Parks, Recreation, and Culture Manager
Date: January 10, 2020
Subject: PRC Community Events

Background

Staff researched a variety of programs/events that could be a new addition to the city, some of which came from the direction of city council. Staff also evaluated existing city programs/events and has included those to keep and those to possibly replace.

Existing		**Cost of Event**	**Cost for Participate:**
Earth Day Clean up	Retain	$200	Free
Farmers Market	Retain	$3,000	Various fees
Street Dance	Retain	$16,150 Total	Free to attend
Jubilee Days Booth	Retain	$100	Free
Family Day at Legacy	Retain	$400	Free
Curious Creatures	Retain	$360	Free or $3
Passport to Parks	Replace	$3,200	Free
Celebrate Isanti	Replace	$6,000	Free
	TOTAL	$29,410	

Proposed		**Cost of Event**	**Cost for Participate:**
April	Breakfast with the Bunny	$850	$5-$10
April	Egg Hunt	$1,100	Free
week of jubilee/rodeo	Medallion Hunt	$800	Free
Thursday Jubilee	Parade Float	$4,550	Free
fri jubilee	Kids Event at Bluebird in morning before Farmers Market (similar to Celebrate Isanti events)	$2,000	Free
	Fireworks	$13,000	Free
June/July	Free Tennis lessons kids-adults, Mattson	$100	Free
July	Rocket Building	$100	Free
Dec	Breakfast with Santa *IPS did this event in December	$850	$5
Dec	Candy Cane Flashlight hunt	$600	Free
Winter Jan/Feb 2021	Family Day Legacy/River Bluff	$400	Free
Various Dates	Daytime movie days	$300	Free
	TOTAL	$24,650	

A further breakdown:

Breakfast with Bunny/Santa			
Staff cost*	day of: 4 hrs	4x30	$120
	prep 2 hrs supplies	2x30	$60
	10 hrs planning, set up	10x30	$300
	3 volunteers		
	supplies: crafts, costume		$200

Isanti

Memo

To: Josi Wood, City Administrator
From: Sheila Sellman, Community Development Director
Date: January 9, 2020
Subject: Lodging Tax – goal setting 2020

Revenue generated by the lodging tax is restricted as to its allocation and use. Minnesota State Statute 469. 190 Subd. 3 includes the guidelines for its allocation and use and reads as follows: *Ninety-five percent of the gross proceeds from any tax imposed under subdivision 1 shall be used by the statutory or home rule charter city or town to fund a local convention or tourism bureau for the purpose of marketing and promoting the city or town as a tourist or convention center.*

Therefore, if the city collected a lodging tax the money would need to be used to fund a CVB for the purposes of marketing and promoting the city. This tax does not go into the general fund for other spending. A lodging tax is created by City Ordinance.

The tax is capped at a maximum of 5% of the rent charged. This tax applies to rentals of 30 days or less for lodging at a hotel, motel, rooming house, tourist court, or resort. Based on a study that was conducted by the 2018 EDA Intern, lodging tax that the hotel could generate was around $35, 901. The City can obtain an administrative fee from the tax collected.

A Community For Generations.

Isanti

Memo

To: Josi Wood, City Administrator
From: Sheila Sellman, Community Development Director
Date: January 9, 2020
Subject: Housing Study – 2020 goal setting

The last housing study that was done for the City was in June 2015, this housing study has projections going out to the year 2025.

Maxfield Research is well known for their housing studies and is typically used by cities and developers. The estimate to do an update ranges from $5,500 -$10,000. A full housing study range from $10,000-$20,000.

Often times when developers are seeking assistance from the city it is common to request, they provide a housing study to demonstrate a need.

A Community For Generations.
Isanti

Memo

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: January 27th 2020
Subject: Isanti Fire District Lease

Background:

Beginning in 2015 the Isanti Area Joint Fire District (IAJFD) began paying $32,622.75 annually for lease of the fire station on Heritage Blvd. The IAJFD had previously paid $1.00 annually. Since the start of 2015 the IAJFD has paid $163,113.75 to lease a portion of the building.

The IAJFD approached the City in 2019 to inquire about possibly purchasing the building outright. Over the past 5 years the highest observed estimated market value for the parcel was $495,000. If the IAJFD lease agreement continued for 10 more years unchanged the result would be as follows:

Previously Collected ('15-'19)	$ 163,113.75
Future Collection ('20-'29)	$ 326,227.50
Total Potential Collection	**$ 489,341.25**

If the Council's intent is to eventually consider an agreement that would result in IAJFD ownership of the current building. A few things would need to be considered.

1. How much should the IAJFD pay for the building?
2. Would this be a "lease to own" agreement or outright purchase?
3. Where would the Police Department be housed upon final transfer of ownership to the IAJFD?

Recommendation:

IF the council intends to pursue a transfer of ownership, it is Finance Director Betker's recommendation that a lease to own agreement be negotiated that would provide both time and funding for alternative accommodations for the Police Department.

Request:

Staff is requesting direction on this item.

A Community For Generations.

To: Mayor Johnson and City Council Members

From: John Jacobi, Liquor Store Manager

Date: January 16, 2020

Subject: Liquor Store Expansion / New Store

Background:

Per our ongoing discussions in the 2019 Goal Setting Meeting and other Committee of the Whole meetings throughout 2019. Staff has reached out to consulting agencies to help us decide what direction we would like to go in regards to the liquor store.

Whether we would like to expand our current location or decide to build a new store in the current footprint or decide on a different location.

Recommendation:

Staff is recommending that we look at 3 different proposals to perform a Strategic Business Plan for us.

Consulting Firms are:

- Delaney Consulting
- Dakota Worldwide
- Shenohon Company

Each has a different range and scope depending on how much information we would like to pursue. All proposals will include the following reports:

- Market Analysis
- 3 Year Sales Forecast
- Future Population Forecast
- Current Site Evaluation

Current estimate to perform this work is approximately $30,000 depending on what criteria we set forth for one of these companies to pursue.

MEMORANDUM

Date: January 6, 2020

To: Josi Wood, City Administrator

From: Jason W. Cook, P.E.
City Engineer

Subject: Public Works Garage, Salt Shed & Police Department Building
City of Isanti, MN
Project No.: R13.113062

We have received project cost estimates for a new Public Works garage, Salt Shed, and Police Department Building as requested.

Public Works Garage:

The following items were included in the cost estimate for the Public Works garage:

1. 60'x120' footprint with 18' high walls
2. Fully Insulated
3. Concrete prefabricated walls, metal exterior with no interior walls or columns.
4. 6" concrete floor with trench drain
5. In floor heat
6. Mezzanine & racking along the back wall
7. 6 - tall overhead doors
8. Minor site grading

The total project cost for the above items is estimated at $1,750,000 - $2,000,000.

The total project cost will vary depending on final design considerations (internal wall to separate PD garage section from PW section, PD lockers, etc)

The cost to construct a building capable of a retrofit of insulation and in floor heat was determined to not be cost effective as the footing design, and building structure would be different for an unheated building and the majority of the in floor heat cost is in the installation of the tubing below the concrete.

Salt Shed:

The following items were included in the cost estimate for the Salt Shed:

1. 32'x48' footprint
2. Capable of holding 300-350 tons of salt
3. Bituminous pavement floor
4. 8' concrete prefabricated bunker panel walls
5. Bolt on half pipe fabric roof (19' 6" tall at highest point)
6. Minor site grading

The total project cost for the above items is estimated at $100,000-$125,000.

Bolton & Menk is an equal opportunity employer.

Police Department:

The following items were included in the cost estimate for the Police Department:

1. A 20% larger footprint than the existing facility (55'x78')
2. Attached garage with 6 standard indoor parking stalls
3. Parking lot with equivalent stalls as the existing site.
4. Sanitary sewer and water services
5. Minor site grading

The total project cost for the above items is estimated at $2,000,000 - $2,500,000.

The cost for the Police Department building may significantly vary depending on the needs of the building (number of jail cells, number of offices, etc.)

Attached is a concept site layout of the proposed improvements on the existing Public Works building site. This concept depicts the Police Department building having a separate public access parking lot off Isanti Parkway. The 6 Police Department indoor parking stalls are shown off the public works access driveway behind the gated entrance. The fence would need to be adjusted as shown to maintain security to the public works site. Many of the large pine trees would also need to be removed with this concept layout.

The total estimated project cost for the three items above is $3,850,000 - $4,625,000. These are total project costs for a 2021 construction year. The past few years have seen 10-15% cost increases per year on these types of building projects.

Please contact me if you have any questions.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 28, 2020
Subject: City Code Chapter 76 – Alcoholic Beverages

Background:

Staff has finished a complete review and update of City Code Chapter 76, Alcoholic Beverages. Included in the update is new language for licensing of culinary class limited licenses, micro distilleries and microdistillery cocktail rooms, municipal liquor store, as well as updated language in other sections.

The City Attorney has reviewed the updated city code.

Recommendation:

Committee of the Whole reviewed the proposed updated City Code Chapter 76, Alcoholic Beverages and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 76, Alcoholic Beverages

Attachments:

- Ordinance XXX – An Ordinance Regulating the Possession, Sale and Consumption of Alcoholic Beverages within the City of Isanti, Minnesota

ORDINANCE NO. _____

AN ORDINANCE REGULATING THE POSSESSION, SALE AND CONSUMPTION OF ALCOHOLIC BEVERAGES WITHIN THE CITY OF ISANTI, MINNESOTA

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 76, Alcoholic Beverages, is hereby deleted in its entirety and amended to read as follows:

Article I State Law, Definitions and Public Consumption

§ 76-1. Adoption of State Law by reference.

The provisions of Minn. Stat. § 340A, as they may be amended from time to time, with reference to the definition of terms, conditions of operation, restrictions on consumption, provisions relating to sales, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor and 3.2 percent malt liquor are hereby adopted by reference and are made a part of this Chapter as if set out in full. It is the intention of the City Council that all future amendments to Minn. Stat. § Ch. 340A are hereby adopted by reference or referenced as if they had been in existence at the time this Chapter is adopted.

§76-2. City may be more restrictive than State Law.

The Council is authorized by the provisions of Minn. Stat. § 340A.509, as it may be amended from time to time, to impose, and has imposed in this Chapter, additional restrictions on the sale and possession of alcoholic beverages within its limits beyond those contained in Minn. Stat. § 340A, as it may be amended from time to time.

§ 76-3. Definitions.

In addition to the definitions contained in Minn. Stat. § 340A.101 as it may be amended from time to time, the following terms are defined for purposes of this Chapter:

AIDING AND ABETTING – Adults that are participating, aiding, allowing in any illegal activity related to the event or gathering.

ALCOHOL – Means ethyl alcohol, hydrated oxide of ethyl, or spirits of wine, whiskey, rum, brandy, gin or any other distilled spirits including dilutions and mixtures thereof from whatever source or by whatever process produced.

ALCOHOLIC BEVERAGE - Alcohol, spirits, liquor, wine, beer, and every liquid or solid containing alcohol, spirits, wine, or beer, and which contains one-half of 1 percent or more of alcohol by volume and which is fit for beverage purposes either alone or when diluted, mixed, or combined with other substances.

APPLICANT- Any person making an application for a license under this article.

BEER – Malt liquor that contains not less than one half of 1 percent of alcohol.

BREWER – A person who manufactures malt liquor for sale.

BREW PUB – An establishment in which malt liquor is brewed or manufactured for sale and consumption on tap at the premises where the malt liquor is brewed or for sale and personal consumption off the brewer's premises. It is also a restaurant pursuant to the definition in this Section.

CLUB – An incorporated organization under the law of the state for civic, fraternal, social, or business purposes, for intellectual improvement or for the promotion of sports, or a congressionally chartered veteran's organization which has more than 50 members, has owned or rented a building or space in a building for more than one year that is suitable and adequate for the accommodation of its members, and is directed by a board of directors, executive committee, or other similar body chosen by the members at a meeting held for that purpose. No member, officer, agent or employee shall receive any profit from the distribution or sale of beverages to the members of the cub, or their guests, beyond a reasonable salary or wages fixed and voted on each year by the governing body.

EVENT OR GATHERING - Any group of three or more persons who have assembled or gathered together for a social occasion or other activity.

GUEST – A person not a member of the club licensee but present on the club-licensed premises in the company of a host member.

HOST - To aid, conduct, allow, entertain, organize, supervise, control, or permit a gathering or event.

HOTEL – An establishment where food and lodging are regularly furnished to transients and which has:

A. A dining room serving the general public at tables and having facilities for seating at least 30 guests at one time.

B. At least 25 guest rooms.

INTOXICATING LIQUOR – Ethyl alcohol and distilled, fermented, spirituous, vinous, and malt beverages containing in excess of 3.2 percent alcohol by volume.

LICENSE – A document issued by the City to an applicant permitting them to carry on and transact the business stated therein.

LICENSE FEE- The money paid by the City pursuant to an application and prior to issuance of a license to transact and carry on the business stated therein.

LICENSED PREMISES – The premises described in the approved license application. The license may be issued only for a space that is compact and contiguous. In the case of a restaurant or a club licensed for on-sale of alcoholic beverages and located on a golf course, the term "licensed premises" includes the entire golf course, except for areas where motor vehicles are regularly parked or operated.

LIQUOR - As used in this ordinance, without modification by the words "intoxicating" or a "3.2 percent malt" includes both intoxicating liquor and 3.2 percent malt liquor.

3.2 PERCENT MALT LIQUOR – Any beer, ale, or other beverage made from malt by fermentation and containing not less than one half percent alcohol by volume and not more than 3.2 percent alcohol by weight.

MANUFACTURER – Every person who, by any process of manufacture, fermenting, brewing, distilling, refining, rectifying, or blending, or by the combination of different materials, prepares or produces intoxicating liquor for sale.

OFF-SALE – The sale of alcoholic beverages in original packages for consumption off the premises only.

ON-SALE- The sale of alcoholic beverages for consumption on the licensed premises.

PARENT - A person having legal custody of a juvenile:

A. As natural, adoptive parent, or step-parent;
B. As a legal guardian; or
C. As a person to whom legal custody has been given by order of the court

PERSON - "Person" means any individual, partnership, co-partnership, corporation, or any association of one or more individuals.

RESIDENCE OR PREMISES - Any home, yard, farm, field, land, apartment, condominium, hotel or motel room, or other dwelling unit, or a hall or meeting room, park, or any other place of assembly, public or private, whether occupied on a temporary or permanent basis, whether occupied as a dwelling or specifically for a party or other social function, and whether owned, leased, rented, or used with or without permission or compensation.

RESTAURANT- An eating facility, other than a hotel, open to the general public under the control of a single proprietor or manager, where meals are regularly prepared on the premises, where full waitress/waiter table service is provided, where a customer orders food from printed menus and where the main food course is served and consumed while seated at a single location. To be a restaurant as defined by this section, an establishment shall have a license from the state as required by Minn. Stat. § 157.16, as it may be amended from time to time, and meet the definition of either a "small establishment," "medium establishment" or "large establishment" as defined in Minn. Stat. § 157.16, subd. 3(d), as it may be amended from time to time. The facility shall have a minimum seating capacity for at least 30 guests. An establishment which serves prepackaged food that receives heat treatment and is served in the package or frozen pizza that is heated and served, shall not be considered to be a restaurant for purposes of this ordinance unless it meets the definitions of a "small establishment", "medium establishment" or "large establishment".

UNDERAGE PERSON- Any individual under twenty-one (21) years of age.

WHOLESALER – Any person who sells alcoholic beverages to persons to whom the sale is permitted under Minn. Stat. § 340A.310, from a stock maintained in a warehouse in the state.

§ 76-4. Consumption in public places.

No person shall consume intoxicating liquor or 3.2 percent malt liquor in a public park, on any public street, sidewalk, parking lot or alley, or in any public place other than on the premises of an establishment licensed under this ordinance, or where the consumption and display of liquor is lawfully permitted. Licenses for intoxicating liquor or 3.2 percent malt liquor as per section 76-4 of this chapter may be granted in conjunction with a special event permit, as approved by the city.

§ 76-5. Exceptions

A. Section 76-4 shall not apply to the extent that temporary license for the sale of 3.2 percent malt liquor have been granted or will be granted to clubs, charitable, religious, and non-profit organizations, which such licenses contemplate sale and consumption at any of the prohibited places set forth in Section 76-4 at the time and place for which the temporary license has been granted.

B. Section 76-4 shall not apply if the consumption of intoxicating liquor or 3.2 percent malt liquor occurs in any of the prohibited places designated therein if a valid license or permit has been issued.

C. Section 76-4 shall not apply if consumption of intoxicating liquor or 3.2 percent malt liquor occurs at the Isanti Community Center if arrangements for the use of the Community Center which contemplate such consumption have been property made with the City Administrator or their designee, and all required fees for same have been paid.

ARTICLE II Licensing and Operation

§ 76-6. Raffles, Silent Actions, and fund-raising events for charitable purposes of wine, beer or intoxicating liquors.

No person shall conduct a silent auction, raffle of other fund-raising event pursuant to Minn. Stat. § 340A.707 with prizes or awards of wine, beer or intoxicating liquors without notifying the city clerk of the event at least ten days prior to the occurrence of the event. The event holder shall provide the city with the following information: the person or organization holding the event, the day, time and location of the event, type of fund raising event (silent auction, raffle or otherwise), type and amount of wine, beer, intoxicating liquor to be awarded as prizes, and the charitable purposes to which the event proceeds will be donated.

§ 76-7. Number of licenses which may be issued.

The Council may issue the number of licenses authorized by statute or restrict such number from time to time, as authorized by Minn. Stat. § 340A., as it may be amended from time to time.

§ 76-8. Term and Expiration of Liquor Licenses.

Each license shall be issued for a maximum period of one year. All licenses, except temporary licenses, shall expire on March 31 of each year. Temporary licenses expire according to their terms. Consumption and display permits issued by the Commissioner of Public Safety, and the accompanying city consent to the permit, shall expire on March 31 of each year.

§ 76-9. Kinds of Liquor Licenses.

The following types of licenses are issued under this Chapter.

A. 3.2 percent malt liquor on-sale licenses, which may be issued to drugstores, golf courses, restaurants, hotels, clubs, bowling centers, and establishments used exclusively for the sale of 3.2 percent malt liquor with the incidental sale of tobacco and soft drinks, and served for consumption on the premises only.

B. 3.2 percent malt liquor off-sale licenses, which may be issued to general food stores and drugstores and permit the sale of 3.2% malt liquor at retail in the original package for consumption off the premises only.

C. Temporary 3.2 percent malt liquor licenses which may be issued only to a club, charitable, religious, or nonprofit organization. The temporary license may authorize the sale of 3.2 percent malt liquor in any school or school building.

D. On-sale intoxicating liquor licenses, which may be issued to the following establishments as defined by Minn. Stat. § 340A.101, as it may be amended from time to time,

and this ordinance: hotels, restaurants, bowling centers, theaters, clubs or congressionally chartered veterans' organizations, theaters and exclusive liquor stores. Club licenses may be issued only with the approval of the Commissioner of Public Safety. The Council may in its sound discretion authorize a retail on-sale licensee to dispense intoxicating liquor off the licensed premises at a community festival held within the city under the provisions of Minn. Stat. § 340A.404, subd. 4(b) as it may be amended from time to time. The Council may in its sound discretion authorize a retail on-sale licensee to dispense intoxicating liquor off the licensed premises at any convention, banquet, conference, meeting, or social affair conducted on the premises of a sports, convention, or cultural facility owned by the City, under the provisions of Minn. Stat § 340A.404, subd. 4(a) as it may be amended from time to time; however, the licensee is prohibited from dispensing intoxicating liquor to any person attending or participating in an amateur athletic event being held on the premises.

E. Sunday on-sale intoxicating liquor licenses may be issued only to a restaurant as defined in Section 76-3 of this ordinance, club, bowling center, or hotel which has a seating capacity of at least 30 guests, which holds an on-sale intoxicating liquor license, and which serves liquor only in conjunction with the service of food. Sunday sales licenses may be issued to Brew Pubs, Brewer Taprooms or Cocktail rooms meeting the definition of a restaurant.

F. Temporary on-sale intoxicating liquor licenses, with the approval of the Commissioner of Public Safety, which may be issued only in connection with a social event sponsored by a club, charitable, religious, or other nonprofit corporation that has existed for at least three years; a political committee registered under state law; or a state university. The City may not issue a license for more than 3 four-day, 4 three-day, 6 two-day or 12 one-day temporary licenses (in any combination) not to exceed 12 days total to any one organization or for any location in the City, within a 12-month period.

G. On-sale wine licenses, with the approval of the Commissioner of Public Safety to: theaters, restaurants that have facilities for seating at least 25 guests at one time and meet the criteria of Minn. Stat. § 340A.404, subd. 5, as it may be amended from time to time, and which meet the definition of restaurant in section 3; to licensed bed and breakfast facilities which meet the criteria in Minn. Stat. § 340A.4011, subd. 1, as it may be amended from time to time and to theaters that meet the criteria of Minn. Stat. § 340A.404, subd. 1(b) as it may be amended from time to time. The holder of an on-sale wine license who also holds an on-sale 3.2 percent malt liquor license is authorized to sell malt liquor with a content over 3.2 percent (strong beer) without an additional license.

H. One day consumption and display permits with the approval of the Commissioner of Public Safety to a nonprofit organization in conjunction with a social activity in the city sponsored by the organization.

I. Approval of the issuance of a consumption and display permit by the Commissioner of Public Safety. Consumption and display permits shall expire on March 31 of each year.

J. Culinary class limited on-sale licenses, pursuant to Minn. Stat. § 340A.4041, may be issued to a business establishment not otherwise eligible for an on-sale intoxicating liquor license that, as a part of its business, conducts culinary or cooking classes for which payment is made by each participant or advance registration is required. The license authorizes the licensee to furnish to each participant in each class, at no additional cost to the participant, up to a maximum of 6 ounces of wine or 12 ounces of intoxicating malt liquor, during and as part of the class, for consumption on the licensed premises only.

K. On-sale intoxicating liquor license for Brew Pubs, on-sale 3.2 percent malt liquor license with the approval of the Commissioner of Public Safety, may be issued to brewers who operate a restaurant in their place of manufacture and who meet the criteria established at Minn. Stat. § 340A.24, as it may be amended from time to time. Sales under this license at on-sale may not exceed 3,500 barrels per year. If a brew pub licensed under this section possesses a brew pub off sale license as per Paragraph K., the brew pub's total combined retail sales at on-sale or off-sale may not exceed 3,500 barrels per year, provided that off-sales may not total more than 500 barrels.

L. Brew pub off-sale malt liquor licenses, with the approval of the Commissioner of Public Safety, may be issued to a brewer that meets the criteria established at Minn. Stat. § 340A.24, as it may be amended from time to time. Malt liquor sold off-sale must be removed from the premises before the applicable off-sale closing time at exclusive liquor stores. All malt liquor sold under this license shall be packaged in the manner required by Minn. Stat. § 340A.285 as it may be amended from time to time. Sales under this license may not exceed 500 barrels per year. If a brewer licensed under Paragraph L. of this section possesses a license under Paragraph J. above, the brewer's total retail sales at on-sale or off-sale may not exceed 3,500 barrels per year, provided that off-sales may not total more than 750 barrels.

M. Brewer off-sale malt liquor licenses may also be issued, with approval of the Commissioner, to a holder of a brewer's license under Minn. Stat. § 340A.301, subd. 6(c), (i) or (j) and meeting the criteria established by Minn. Stat. § 340A.28 as may be amended from time to time. The amount of malt liquor sold at off-sale may not exceed 750 barrels annually. Malt liquor sold off-sale must be removed from the premises before the applicable off-sale closing time at exclusive liquor stores. Packaging of malt liquor for off-sale under this license must comply with section 340A.285.

N. Brewer temporary on-sale intoxicating liquor licenses may be issued, with the approval of the Commissioner of Public Safety, to brewers who manufacture fewer than 3,500 barrels of malt liquor in a year for the on-sale of intoxicating liquor in connection with a social event within the municipality sponsored by the brewer.

O. A brewer taproom license may be issued to the holder of a brewer's license under M.S. § 340A.301 Subd. 6(c), (i) or (j) as it may amended from time to time. A brewer's taproom license authorizes on-sale of 3.2 percent or intoxicating malt liquor produced by the brewer for consumption on the premises of or adjacent to one brewery location owned by the brewer. A brewer may have only one taproom license and may not have an ownership interest in a brewer licensed under Minn. Stat. § 340A.301 Subd. 6(d) as it may be amended from time to time. A brewer taproom license may not be issued to a brewer that brews more than 250,000 barrels of malt liquor annually or a winery that produces more than 250,000 gallons of wine annually. Within ten days of issuing a brewer taproom license the City Clerk will inform the Commissioner of Public Safety of the licensee's name, address, trade name and the effective date and expiration date of the license. The City Clerk will inform the Commissioner of Public Safety of a license transfer, cancellation, suspension, or revocation during the license period.

P. A cocktail room license may be issued to the holder of a state microdistillery license if at least 50 percent of the annual production of the licensee is processed and distilled on premises. A microdistillery cocktail room license authorizes on-sale of distilled liquor produced by the distiller for consumption on the premises of or adjacent to one distillery location owned by the distiller. The holder of a microdistillery cocktail room license may also hold a license to operate a restaurant at the distillery. No more than one cocktail room license may be issued to any

distiller and a microdistillery cocktail room license may not be issued to any person having an ownership interest in a distillery licensed under Minn. Stat. § 340A.301 subd. 6 (a). No single entity may hold both a microdistillery cocktail room and taproom license and a microdistillery cocktail room and taproom license may not be co-located. Within ten days of the issuance of a microdistillery cocktail room license, the city shall inform the commissioner of public safety of the licensee's name and address and trade name, and the effective date and expiration date of the license. The city shall also inform the commissioner of public safety of a microdistillery cocktail room license transfer, cancellation, suspension, or revocation during the license period.

Q. A microdistiller off-sale license may be issued to the holder of a state microdistillery license if at least 50 percent of the annual production of the licensee is processed and distilled on premises. A microdistiller off-sale license authorizes off-sale of one 375 milliliter bottle per customer per day of product manufactured on-site provided the product is also available for distribution to wholesalers. Product must be removed from the premises before the applicable closing time.

R. A microdistiller temporary on-sale intoxicating liquor license may be issued to the holder of a state microdistillery license. A microdistillery temporary on-sale intoxicating liquor license authorizes on-sale of intoxicating liquor in connection with a social event within the city sponsored by the microdistillery.

§ 76-10. License fees; pro rata.

A. No license or other fee established by the city shall exceed any limit established by Minn. Stat. Ch. 340A, as it may be amended from time to time, for a liquor license.

B. The Council may establish by ordinance licenses, and by resolution charges for the license fees; for any of the liquor licenses it is authorized by this Chapter to issue.

C. The fee for all licenses, except temporary licenses, granted after the commencement of the license year shall be prorated on a quarterly basis.

D. All license fees shall be paid in full at the time the application is filed with the city. If the application is denied, the license fee shall be returned to the applicant.

E. A refund of a pro rata share of an annual license fee may occur only if authorized by Minn. Stat. § 340A.408, subd. 5, as it may be amended from time to time.

§ 76-11. Council discretion to grant or deny a license.

The Council in its sound discretion may either grant or deny the application for any license or for the transfer or renewal of any license. No applicant has a right to a license under this ordinance.

§76-12. Application for license.

A. Form. Every application for a license issued under this ordinance shall be on a form provided by the city. Every application shall state the name of the applicant, the applicant's age, representations as to the applicant's character, with references as the Council may require, the type of license applied for, the business in connection with which the proposed license will

operate and its location, a description of the premises, whether the applicant is owner and operator of the business, how long the applicant has been in that business at that place, and other information as the Council may require from time to time. An application for an on-sale intoxicating liquor license shall be in the form prescribed by the Commissioner of Public Safety and shall also contain the information required in this section. The form shall be verified and filed with the city. No person shall make a false statement in an application.

B. Financial responsibility. Prior to acceptance of an application or renewal for a license the applicant must file their proof of financial responsibility with the City. The applicant shall demonstrate proof of financial responsibility as defined in Minn. Stat. § 340A.409, as it may be amended from time to time, with regard to liability under Minn. Stat. § 340A.801, as it may be amended from time to time. This proof will be filed with the city and the Commissioner of Public Safety. Any liability insurance policy filed as proof of financial responsibility under this section shall conform to Minn. Stat. § 340A.409, as it may be amended from time to time. Operation of a business which is required to be licensed by this ordinance without having on file with the city at all times effective proof of financial responsibility is a cause for revocation of the license.

§ 76-13. Description of Premises.

The application shall specifically describe the compact and contiguous premises within which liquor may be dispensed and consumed. The description may not include any parking lot or sidewalk.

§ 76-14. Applications for renewal.

At least 90 days before a license issued under this ordinance is to be renewed, an application for renewal shall be filed with the city. The decision whether or not to renew a license rests within the sound discretion of the Council. No licensee has a right to have the license renewed.

§ 76-15. Transfer of license.

No license issued under this ordinance may be transferred without the approval of the Council. Any transfer of stock of a corporate licensee is deemed to be a transfer of the license, and a transfer of stock without prior Council approval is a ground for revocation of the license. An application to transfer a license shall be treated the same as an application for a new license, and all of the provisions of this code applying to applications for a license shall apply.

§ 76-16. Investigation.

A. Preliminary background and financial investigation. On an initial application for a license, on an application for transfer of a license and, in the sound discretion of the Council that

it is in the public interest to do so, on an application for renewal of a license, the city shall conduct a preliminary background and financial investigation of the applicant or it may contract with the Commissioner of Public Safety for the investigation. The applicant shall pay with the application an investigation fee which shall be in addition to any license fee. The results of the preliminary investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license. No license may be issued, transferred, or renewed if the results of the investigation show, to the satisfaction of the Council, that issuance, transfer, or renewal would not be in the public interest.

B. Comprehensive background and financial investigation. If the results of a preliminary investigation warrant, in the sound discretion of the Council, a comprehensive background and financial investigation, the Council may either conduct the investigation itself or contract with the Commissioner of Public Safety for the investigation. The investigation fee for this comprehensive background and financial investigation to be paid by the applicant shall be $500, less any amount paid for the initial investigation if the investigation is to be conducted within the state, and $10,000, less any amount paid for the initial investigation, if the investigation is required outside the state. The unused balance of the fee shall be returned to the applicant whether or not the application is denied. The fee shall be paid in advance of any investigation and the amount actually expended on the investigation shall not be refundable in the event the application is denied. The results of the comprehensive investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license.

§ 76-17. Council Consideration and issuance.

The Council shall investigate all facts set out in the application and not investigated in the preliminary or comprehensive background and financial investigations. For applications for issuance or renewal of annual on-sale licenses for intoxicating and/or 3.2 percent malt liquor, the applicant or their agent must be present at the Council meeting where their application is on the meeting agenda for consideration. After due consideration of the application, background check and public safety report on annual on-sale license renewals; the Council shall in its sound discretion grant or deny the application. No license shall become effective until the proof of financial security has been approved by the Commissioner of Public Safety.

§ 76-18. Restrictions on issuance.

A. Each license shall be issued only to the applicant for the premises described in the application.

B. Not more than one license shall be directly or indirectly issued within the city to any one person.

C. No license shall be granted or renewed for operation on any premises on which taxes, assessments, utility charges, service charges, or other financial claims of the city are delinquent and unpaid.

D. No license shall be issued for any place or any business ineligible for a license under state law.

E. No license shall be granted within 500 feet of any school or church. The distance is to be measured from the closest side of the church to the closest side of the structure on the premises within which liquor is to be sold.

§ 76-19. Conditions of license.

The failure of a licensee to meet any one of the conditions of the license specified below shall result in a suspension of the license until the condition is met.

A. Within 90 days after employment, every person selling or serving liquor in an establishment which has an on-sale license shall receive training regarding the selling or serving of liquor to customers. The training shall be provided by an organization approved by the Council. Proof of training shall be provided by the licensee.

B. Every licensee is responsible for the conduct of the place of business and the conditions of sobriety and order in it. The act of any employee on the licensed premises is deemed the act of the licensee as well, and the licensee shall be liable to all penalties provided by this ordinance and the law equally with the employee.

C. Every licensee shall allow any peace officer, health officer, city employee, or any other person designated by the Council to conduct compliance checks and to otherwise enter, inspect, and search the premises of the licensee during business hours and after business hours during the time when customers remain on the premises without a warrant.

D. No on-sale establishment shall display liquor to the public during hours when the sale of liquor is prohibited.

E. Compliance with financial responsibility requirements of state law and of this ordinance is a continuing condition of any license.

§ 76-20. Hours and days of sale.

A. 3.2 percent malt liquor. No sale of 3.2 percent malt liquor shall be made between 1:00 a.m. and 8:00 a.m. on the days of Monday through Saturday or between 1:00 a.m. and 12:00 p.m. on Sunday.

B. Intoxicating liquor, on-sale. Except as provided in Paragraph C of this section, no sale of intoxicating liquor for consumption on the licensed premises may be made between 1:00 a.m. and 8:00 a.m. on the days of Monday through Saturday, or after 8:00 p.m. on December 24, or after 1:00 a.m. on Sundays. These hours are applicable to all holders of on-sale licenses, including brew pubs, brewers tap rooms and micro distiller's cocktail rooms.

C. Intoxicating liquor, Sunday sales, on-sale. Sales of intoxicating liquor for consumption on a premise issued a Sunday on-sale license shall be permitted between the hours of 8:00 a.m. on Sundays and 1:00 a.m. on Mondays. These hours are applicable to all holders of Sundays on-sale licenses.

D. Intoxicating liquor, off-sale. No sale of intoxicating liquor may be made by exclusive liquor stores on Sundays, except between the hours of 11:00 a.m. and 6:00 p.m., before 8:00 a.m. or after 10:00 p.m. on Monday through Saturday, on Thanksgiving Day, on Christmas Day

(December 25) or after 8:00 p.m. on Christmas Eve (December 24). The Council may further limit the hours of sale of alcoholic beverages. These hours are applicable to all holders of off-sale licenses, including brew pubs, brewers and micro distillers.

F. Display of liquor. No licensee shall display liquor to the public during hours when the sale of liquor is prohibited.

76-21 Closing of premises after legal time of sale; removal of containers

A. It is unlawful for any person other than the on-sale licensee or a bona fide employee actually engaged in the performance of their duties to be on the premises licensed under this Chapter more than 30 minutes after the legal time for making licensed sales; provided, however, that this section shall not apply to licensees, employees of the licensee, and patrons on the licensed premises for the sole purpose of preparing, serving, or consuming food or beverages other than alcoholic beverages.

B. No person shall consume nor shall any on-sale licensee permit any consumption of intoxicating liquor or 3.2 percent malt liquor in an on-sale licensed premises more than 20 minutes after the time when a sale can legally occur.

C. No on-sale licensee shall permit any glass, bottle, or other container containing intoxicating liquor or 3.2 percent malt liquor to remain upon any table, bar, stool, or other place where customers are served, more than 20 minutes after the time when a sale can legally occur.

D. Any violation of any condition of this section may be grounds for revocation or suspension of the license.

§ 76-22. Nudity on the premises of licensed establishments prohibited.

A. The City Council finds that it is in the best interests of the public health, safety, and general welfare of the people of the city that nudity is prohibited as provided in this section on the premises of any establishment licensed under this ordinance. This is to protect and assist the owners, operators, and employees of the establishment, as well as patrons and the public in general, from harm stemming from the physical immediacy and combination of alcohol, nudity, and sex. The Council especially intends to prevent any subliminal endorsement of sexual harassment or activities likely to lead to the possibility of various criminal conduct, including prostitution, sexual assault, and disorderly conduct. The Council also finds that the prohibition of nudity on the premises of any establishment licensed under this ordinance, as set forth in this section, reflects the prevailing community standards of the city.

B. It is unlawful for any licensee to permit or allow any person or persons on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material. It is unlawful for any person to be on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material.

C. A violation of this section is a misdemeanor punishable as provided by law, and is justification for revocation or suspension of any liquor, wine, or 3.2 percent malt liquor license or any other license issued under this ordinance or the imposition of a civil penalty under the provisions of this Chapter.

§ 76-23. Minors on premises.

A. No person under the age of 18 years shall be employed in any rooms constituting the place in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale, except that persons under the age of 18 may be employed as musicians or to perform the duties of a bus person, host or dishwashing services in places defined as a restaurant, hotel, motel or other multi-purpose building serving food in rooms in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale.

B. No person under the age of 21 years may enter a licensed establishment except to work, consume meals on premises that qualify as a restaurant, or attend social functions that are held in a portion of the premises where liquor is not sold.

§ 76- 24. Restrictions on purchase, consumption and possession.

A. No person shall mix or prepare liquor for consumption in any public place of business unless it has a license to sell on-sale, or a permit from the Commissioner of Public Safety under the provisions of Minn. Stat. § 340A.414, as it may be amended from time to time, which has been approved by the Council, and no person shall consume liquor in any such place.

B. No person under the legal drinking age shall consume or possess with the intent to consume or receive delivery of intoxicating or 3.2 percent malt liquor except in the household of the minor's parent or guardian, and then only with the consent of such parent or guardian.

C. No person under the legal drinking age shall possess any intoxicating or 3.2 percent malt liquor. Possession of an alcoholic beverage by a person under the legal drinking age at a place other than the household of a parent or guardian is prima facie evidence of intent to consume it at a place other than the household of the person's parent or guardian.

§ 76-25. Suspension and revocation.

A. The Council shall either suspend for a period not to exceed 60 days or revoke any liquor license upon finding that the licensee has failed to comply with any applicable statute, regulation, or provision of this ordinance relating to liquor. Except in cases of lapse of proof of financial responsibility, no suspension or revocation shall take effect until the licensee has been afforded an opportunity for a hearing pursuant to the Administrative Procedures Act, Minn. Stat. §§ 14.57 to 14.70, as it may be amended from time to time. The Council may act as the hearing body under that act, or it may contract with the Office of Hearing Examiners for a hearing officer.

B. The following are the minimum periods of suspension or revocation which shall be imposed by the Council for violations of the provisions of this ordinance or Minn. Stat. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time:

1. For commission of a felony related to the licensed activity, sale of alcoholic beverages while the license is under suspension, sale of intoxicating liquor where the only license is for 3.2 percent malt liquor, or violation of Section 4, the license shall be revoked.

2. The license shall be suspended by the Council after a finding under division (A) that the licensee has failed to comply with any applicable statute, rule, or provision of this ordinance for at least the minimum periods as follows:

(a) For the first violation within any three-year period, at least one day suspension in addition to any criminal or civil penalties which may be imposed.

(b) For a second violation within any three-year period, at least three consecutive days suspension in addition to any criminal or civil penalties which may be imposed.

(c) For the third violation within any three-year period, at least seven consecutive days suspension in addition to any criminal or civil penalties which may be imposed.

(d) For a fourth violation within any three-year period, the license shall be revoked.

3. The Council shall select the day or days during which the license will be suspended.

C. Lapse of required proof of financial responsibility shall effect an immediate suspension of any license issued pursuant to this ordinance or state law without further action of the Council. Notice of cancellation or lapse of a current liquor liability policy shall also constitute notice to the licensee of the impending suspension of the license. The holder of a license who has received notice of lapse of required insurance or of suspension or revocation of a license may request a hearing thereon and, if a request is made in writing to the Clerk, a hearing before the Council shall be granted within ten days. Any suspension under this division (B) shall continue until the Council determines that the financial responsibility requirements of state law and this ordinance have again been met.

D. The provisions of Section 30 pertaining to administrative penalty may be imposed in addition to or in lieu of any suspension or revocation under this ordinance.

Article III Municipal Liquor Store

§ 76-26. Municipal liquor store continued.

If the city has in existence on the effective date of this ordinance a municipal liquor store for the sale of intoxicating liquor, the store is continued. Except as provided in Section 29, no intoxicating liquor may be sold at retail elsewhere in the city.

§ 76-27. Location.

The municipal liquor store shall be located at a suitable place in the city as the Council determines by motion. However, no premises upon which taxes, assessments, or other public charges are delinquent shall be leased for municipal liquor store purposes. The Council shall have the right to establish additional off-sale and on-sale stores at other locations as it may, from time to time, by motion, determine.

§ 76-28. Operation.

A. Manager. The municipal liquor store shall be in the immediate charge of a Liquor Store Manager selected by the Council and paid compensation as is fixed by the Council. The Manager

shall not be a person who would be prohibited by law or any provision of this ordinance from being eligible for an intoxicating liquor license. The Manager shall furnish a surety bond to the city, conditioned upon the faithful discharge of the duties of the office, in a sum as specified by the Council. The bond premium may be paid by the city or the Manager, in the discretion of the Council. The Manager shall operate the municipal liquor store under the Council's direction and shall perform those duties in connection with the store as may be established by the Council. The Manager shall be responsible to the Council for the conduct of the store in full compliance with this ordinance and with the laws relating to the sale of intoxicating liquor and 3.2 percent malt liquor.

B. Other employees. The Council may also appoint additional employees as may be required and shall fix their compensation. All employees, including the Manager, shall hold their positions at the pleasure of the Council. No person under the age of 18 shall be employed in the store. The Council may require the employees to furnish surety bonds conditioned for the faithful discharge of their duties in a sum as specified by the Council. The premium on the bond may be paid by the city or the employees, as the Council determines.

C. Municipal liquor store fund. All of the revenues received from the operation of a municipal liquor store shall be deposited in a municipal liquor store fund from which all ordinary operating expenses, including compensation of the Manager and employees, shall be paid. Surpluses accumulating in the fund may be transferred to the general fund of the city or to any other appropriate fund of the city by resolution of the Council, and may be expended for any municipal purpose. The handling of municipal liquor store receipts and disbursements shall comply with the procedure prescribed by law and charter for the receipts and disbursements of city funds generally.

D. Financial statement. The Council shall provide within 90 days following the end of the calendar year for publication a balance sheet using generally accepted accounting procedures and a statement of operations of the municipal liquor store for that year. The balance sheet and statement shall be published in accordance with the provisions of Minn. Stat. § 471.6985, as it may be amended from time to time.

E. Hours of operation. The hours during which the sale of intoxicating liquor may be sold shall be as provided in Section 76-21. No person, other than the Manager or a store employee, may remain in the municipal liquor store longer than one-half hour after the time when the sale of intoxicating liquor must cease.

§ 76-29. Proof of financial responsibility.

The city shall demonstrate proof of financial responsibility required by licensees of retail intoxicating liquor establishments under the provisions of Minn. Stat. § 340A.409, as it may be amended from time to time.

§ 76-30. Penalties.

A. Any person violating the provisions of this ordinance or Minn. Stat. Ch. 340A as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time is guilty of a misdemeanor and upon conviction shall be punished as provided by law.

B. The Council shall impose a civil penalty of up to $2,000 for each violation of Minn. Stat. Ch. 340A, as it may be amended from time to time, and of this ordinance. Conviction of a violation in a court of law is not required in order for the Council to impose the civil penalty. A hearing under the Administrative Procedures Act, Minn. Stat. §§ 14.57 to 14.70, as it may be amended from time to time, is not required before the penalty is imposed, but the Council shall hold a hearing on the proposed violation and the proposed penalty and hear any person who wishes to speak. Non-payment of the penalty is grounds for suspension or revocation of the license. The following is the minimum schedule of presumptive civil penalties which must be imposed in addition to any suspension unless the license is revoked:

1. For the first violation within any three-year period, $500.
2. For the second violation within any three-year period, $1,000.
3. For the third and subsequent violations within any three-year period, $2,000.

C. The term "violation" as used in Section 23 includes any and all violations of the provisions in this Chapter, or of Minn. Stat. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time. The number of violations shall be determined on the basis of the history of violations for the preceding three-year period. Revocation shall occur within 60 days following a violation for which revocation is imposed.

Article IV Annual Rodeo Liquor Liability Insurance

76-31. Liability insurance policy limits

A. A condition to the granting of a temporary license for the on-sale of intoxicating liquor or 3.2 percent malt liquor for the Isanti Volunteer Fire Department Relief Association Annual Rodeo and associated events, the Isanti Volunteer Fire Department Relief Association shall have in place liquor liability insurance as per Minn. Stat. § 340A.409 as amended from time to time and liability insurance in the following amounts:

1. Per person (personal injury) $1,000,000
2. Per occurrence: $1,000,000
3. Property damage, per occurrence: $100,000

B. Said insurance shall be in force during the entire period for which the license is issued.

76-32. Maintenance of policy limits every year

Said policy limits shall be maintained each and every year that the Isanti Volunteer Fire Department Relief Association sponsors the rodeo and associated events unless and until the required policy limits as set forth herein are changed by amendment of this article adopted the City Council.

Article V Social Host

§ 76-33. Purpose and Findings. The Isanti City Council intends to discourage underage possession and consumption of alcohol, even if done within the confines of a private residence, and intends to hold persons criminally responsible who host events or gatherings where persons under 21 years of age possess or consume alcohol regardless of whether the person hosting the event or gathering supplied the alcohol. The Isanti City Council finds that:

A. Events and gatherings held on private or public property where alcohol is possessed or consumed by persons under the age of twenty-one are harmful to those persons and constitute a potential threat to public health requiring prevention or abatement.

B. Prohibiting underage consumption acts to protect underage persons, as well as the general public, from injuries related to alcohol consumption, such as alcohol overdose or alcohol-related traffic collisions.

C. Alcohol is an addictive drug which, if used irresponsibly, could have drastic effects on those who use it as well as those who are affected by the actions of an irresponsible user.

D. Often, events or gatherings involving underage possession and consumption occur outside the presence of parents. However, there are times when the parent(s) is/are present and, condone the activity, and in some circumstances provide the alcohol.

E. Even though giving or furnishing alcohol to an underage person is a crime, it is difficult to prove, and an ordinance is necessary to help further combat underage consumption.

F. A deterrent effect will be created by holding a person criminally responsible for hosting an event or gathering where underage possession or consumption occurs.

§ 76-34. Authority. This ordinance is enacted pursuant to Minn. Stat. §145A.05 subdivision 1, as amended from time to time.

§ 76-35. Prohibited Acts.

A. It is unlawful for any person(s) to host, aid and abet or allow an event or gathering at any residence, premises, or on any other private or public property; where alcohol or alcoholic beverages are present when the person knows or reasonably should know that an underage person will or does 1) consume any alcohol or alcoholic beverage; or 2) possess any alcohol or alcoholic beverage with the intent to consume it; and the person fails to take reasonable steps to prevent possession or consumption by the underage person(s)

B. A person is criminally responsible for violating Subdivision 4(a) above if the person intentionally aids, advises, hires, counsels, or conspires with or otherwise procures another

to commit the prohibited act.

C. A person who hosts an event or gathering does not have to be present at the event or gathering to be criminally responsible.

§ **76-36. Exceptions.**

A. This ordinance does not apply to conduct solely between an underage person and his or her parents while present in the parent's household.

B. This ordinance does not apply to legally protected religious observances.

C. This ordinance does not apply to retail intoxicating liquor or 3.2 percent malt liquor licenses, municipal liquor stores, or bottle club permit holders who are regulated by Minn. Stat. §340A.503 Subd.1(a)(1), as amended from time to time.

D. This ordinance does not apply to situations where underage persons are lawfully in possession of alcohol or alcoholic beverages during the course and scope of employment.

§ **76-37. Enforcement**. This ordinance can be enforced by any police officer or sheriff's deputy in the county.

§ **76-38. Severability**. If any section, subsection, sentence, clause, phrase, word, or other portion of this ordinance is, for any reason, held to be unconstitutional or invalid, in whole, or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§ **76-39. Penalty**. Violation of this Article is an Administrative offense punishable by an administrative fee of $75.00, unless specifically charged and prosecuted as a misdemeanor.

§ 76-32. Summary approved.

The Council herby determines that the text of the summary of this ordinance marked "Official Summary of Ordinance No _____," and a copy of which is attached to this ordinance, clearly informs the public of the intent and effect of this ordinance. The Council further determines that publication of the title and this summary will clearly inform the public of the intent and the effect of this ordinance. The Clerk shall file a copy of this ordinance and the summary in the Clerk's office which shall be available for inspection by any person during regular office hours. A copy of the ordinance shall be available in the community library, if there is one, or if not, in any other public location which the council designates.

EFFECTIVE DATE:

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this ____ day of _____, 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 28, 2020
Subject: City Code Chapter 245, Peddlers, Solicitors, Transient Merchants and Mobile Food Units

Background:

Staff has finished a complete review of the City Code Chapter 245, Peddlers, Solicitors, and Transient Merchants. Added new to this city code chapter is mobile food units. Items updated and new include:

- Extension of Solicitor and Peddler licenses to all zoning districts. Previously they had been restricted to residential districts.
- Fund raising activities with donation or payment in exchange for a product would be included in Solicitor licenses.
- Addition of Mobile Food Units in commercial areas on private property, with applicable regulations similar to area cities.
- Mobile Food units may operate in residential or park zoning districts or in City rights of way under a Special Event Permit.

The City Attorney has reviewed the City code amendments.

Recommendation:

Committee of the Whole reviewed the proposed City Code Chapter 245 amendments and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 245, Peddlers, Solicitors, Transient Merchants and Mobile Food Units.

Attachments:

- Ordinance XXX – An Ordinance to Amend the Code for the City Of Isanti, Chapter 245, Peddlers, Solicitors, Transient Merchants and Mobile Food Units.

ORDINANCE NO. ____

AN ORDINANCE REPEALING AND REPLACING ORDINANCE NO. 485, ADOPTED ON MAY 5, 2010, AND TITLED PEDDLERS, SOLICITORS, AND TRANSIENT MERCHANTS

The City Council of the City of Isanti, Minnesota ordains:

- **Section 1 – Repealer.** Ordinance No. 485, titled "Peddlers, Solicitors and Transient Merchants", codified in Chapter 245 of the City Code, is hereby repealed in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 245 is hereby adopted:

Chapter 245

Peddlers, Solicitors, Transient Merchants and Mobile Food Units

245-1. Definitions
245-2. License Required
245-3. Exceptions.
245-4. Ineligible People.
245-5. Application.
245-6. Photographs.
245-7. Fees, Duration.
245-8. Investigation, Issuance, Denial.
245-9. Standards of Conduct.
245-10. Mobile Food Units.
245-11. Exclusion by Placard.
245-12. Special Events.
245-13. Suspension; Revocation.
245-14. Penalty, Enforcement.

§ 245-1. Definitions.

Unless the context clearly indicates otherwise, the words below are defined for the purpose of this section as follows:

1. "Non-commercial door-to-door advocate" is a person who goes door-to-door for the primary purpose of disseminating religious, political, social or other ideological beliefs. For the purpose of this chapter, the term door-to-door advocate shall fall under the term solicitor and include door-to-door canvassing and pamphleteering and is intended for non-commercial purposes.
2. "Peddler" includes a person who goes from place-to-place exhibiting merchandise for sale, making sales, and delivering articles to purchasers.
3. "Transient Merchant" – A person who temporarily sets up business out of a vehicle, trailer, tent or other portable shelter or empty storefront in a commercial district where retail sales are a permitted or conditional use for the purpose of exposing or displaying for sale, selling or attempting to sell and delivering goods, wares, products, merchandise or other personal property and who does not remain or intend to remain in any location for more than 14 consecutive days.

4. "Solicitor" includes a person who goes from place-to-place soliciting orders for the sale of merchandise or personal services for future delivery or future performance, whether or not the person has a sample of the merchandise or is collecting advance payments for the orders. The word also includes activity that has as its ultimate purpose the obtaining of orders even though it may not initially purport to do so. For the purposes of this chapter, the term solicitor shall have the same meaning as the term canvasser.
5. "Regulated activity" means the activity of a peddler, transient merchant, solicitor or mobile food unit as defined in this chapter. The term only includes activities that involve the sale of a product or service. It does not include activities that involve only statements of opinion or belief or that request only a donation.
5. "Licensee" means an individual, partnership, corporation or association licensed within the city under this section and includes a person who is or will be conducting the regulated activity on behalf of the licensee.
6. "Person" means a natural person, a firm, partnership, corporation, any other association of people, and includes the manager or agent of that person or organization.
7. "Occupant" means a person living, staying, or working at a residence, including a guest.
8. "Mobile Food Unit" means a food and beverage service establishment that is a vehicle mounted unit or free-standing food stand.

§ 245-2. License Required.

A person engaging in a regulated activity within the city must first obtain a license from the City Clerk or designee.

§ 245-3. Exceptions.

A person engaging in the following activities is not required to obtain a license and an identification card from the city:

1. Selling personal property at garage sales, rummage sales, or estate sales. This includes persons participating in an organized multi-person bazaar or flea market.
2. Selling newspapers, newsletters, or other similar publications on an established customer delivery route, when attempting to establish a regular delivery route, or when publications are delivered to the community at large.
3. Selling products of the farm or garden grown or raised by the seller, including meat, but such activities must comply with applicable health regulations.
4. Selling at an auction conducted by a licensed auctioneer, or any officers of the court conducting a court ordered sale.
5. Calling upon residents in connection with a regular route service for the sale and delivery of perishable food and dairy products. This includes initial contacts to establish a customer delivery route. This exception does not relieve that person of the duty to comply with other applicable city requirements.

6. Sales or offers for sales by peddlers or solicitors who appear at the customer's home or place of business by an appointment which was made prior to such appearance are exempt from the provisions of this chapter.
7. Non-commercial door-to-door advocates. No license or registration shall be required of any person going from house to house, door to door, business to business, street to street or any other type of place-to-place when the activity is for the purpose of exercising that person's state or federal Constitutional rights, such as the freedom of speech, press, religion and the like, except that this exemption does not apply if the person's exercise of Constitutional rights is merely incidental to a commercial activity.
8. Any person selling or attempting to sell at wholesale any goods, wares, products, merchandise, or other personal property to a commercial retail seller of the items be sold by the wholesaler.

§ 245-4. Ineligible People.

The following people are not eligible for a license and from the city:

1. A person whose license for a regulated activity was revoked by the city or another governmental body within three years before the application date;
2. A person who has been denied a license for regulated activity by the city or another governmental body because of circumstances that occurred within three years before the application date;
3. A person who has violated, or whose representative has violated, a provision of this section within three years before the application date, or who violates a provision of this section during the application period pending issuance of the license;
4. A person who has been convicted within three years before the application date of a crime that adversely reflects on the person's ability to honestly, safely, or lawfully conduct the regulated activities, unless the individual can show sufficient evidence of rehabilitation as defined in Minn. Stat. § 364.03, subd. 3, as it may be amended from time to time; or
5. A person who has falsified information, or omitted material information, required by this section.
6. A person who produces documentation of identification that is torn, pasted, peeled, or otherwise damaged or altered.

§ 245-5. Application.

Application for a license must be made at least ten working days before the regulated activity is proposed to begin and must include an accurate, sworn statement in writing, on a form furnished by the city, that gives the information listed below and includes the required supporting documentation:

1. Full legal name and physical description of the applicant;

2. Complete home and local address of the applicant;
3. A brief description of the proposed activity, its location, and the merchandise or service involved;
4. The dates and hours of the day during which the activity will be conducted;
5. Name, address, and phone number of the person on whose behalf the orders are solicited, together with credentials establishing the applicant's relationship to the person;
6. The source of supply of merchandise proposed to be sold, where the goods are located at the time the application is filed and the proposed method of delivery;
7. Whether or not the applicant has been convicted of any crime other than petty traffic violations, the nature, time and location of the offense and the punishment or penalty imposed;
8. The last cities or other localities, not exceeding five, where the applicant conducted the proposed activity immediately preceding the date of the application and where within those areas the activity took place;
9. Make, model, year, color, and state license number of each motor vehicle to be used in connection with the proposed activity;
10. Social security number, date of birth, and drivers license or state or tribal identification card number;
11. Passport information and visa status if the applicant is not a United States Citizen;
12. The name, address and phone number of the person or company employing the individual, if different from the information in sub-paragraph 5 above; and
13. A copy of all documents to be used by the applicant in the regulated activity.
14. Phone number(s) for the applicant;
15. All names of employees or multiple persons under one license.
16. Mobile Food Unit Additional Requirements

    a. Valid copies of all necessary licenses or permits required by the state or county.

    b. Pictures of mobile food unit vehicle and a site plan showing location of vehicle on the property. Plans and specifications for non-vehicular mobile food stand or unit and a site plan showing the proposed of stand or unit on the property.

    c. A copy of the written permission from the property owner or property owner's agent where the mobile food vendor will be conducting business.

    d. A list of other communities or locations where the applicant has been a mobile food vendor.

§ 245-6. Photographs.

Each individual who will be conducting the regulated activity on behalf of the partnership or organizational applicant (including the applicant) must submit two copies of a recent photograph, showing the head and shoulders of the person in a clear and distinguishable manner. An application is not complete until the required photographs are supplied.

§ 245-7. Fees, Duration.

The application must be accompanied by the required license fees specified in the city fee schedule, which may be amended from time to time by action of the City Council. A license is valid only for the time periods in the calendar year in which it is issued. No fees are required of individuals taking orders for the shipment of goods through interstate commerce.

§ 245-8. Investigation, Issuance, Denial.

1. Within five working days after a complete application is submitted, the Police Department will conduct an investigation regarding the information provided in the application and the eligibility for a license. The City Clerk will issue a license only to eligible people. The license shall bear the name of the applicant; and in the case of additional employees or multiple persons, a copy of the license shall be issued that bears their name and photograph. That copy shall correspond to the copy of record retained by the City. Any alteration of that license and/or photograph invalidates the license.
2. The City Clerk may not issue a license if there are circumstances indicating that the intended recipient may not honestly, lawfully, and safely conduct the proposed regulated activity. The City Clerk must notify an applicant in writing of a denial of a license, specifying the reasons. The applicant may appeal the denial by submitting to the City Clerk a written request within ten days after the denial asking to address the City Council. The City Council may refer the matter to an independent hearing officer or may consider the appeal itself. The City Council or hearing officer may deny a license and/or identification card when they believe such action will protect the public health, safety, or welfare.

§ 245-9. Standards of Conduct.

1. Except for those people specified in section 245-4, a person may conduct regulated activity in the city only if they carry a license with attached photograph identifying the person has been issued a license and it has not been revoked, suspended, or impounded. The license and attached photograph must be shown upon request.
2. A licensee must not transfer its license to another person. A license that has the photograph removed is invalid. Use of that invalid license is a violation of this chapter.
3. A person must not use a license issued to someone other than that person.
4. A person conducting regulated activity must not go onto private property for that purpose when there are signs prominently posted indicating that trespassing and/or solicitation is unwelcome or prohibited.

5. A person must not be on a street, highway, or adjacent boulevard and direct regulated activity toward the occupants of any motor vehicle in transit and must not obstruct the free flow of vehicular or pedestrian traffic on any public street, sidewalk, or other public right-of-way.
6. A person must not conduct regulated activity in a manner that creates a health or safety hazard. No person shall call attention to their business or items to be sold by means of blowing a horn, whistle, bell, or crying out or by any other noise, so as to be unreasonably audible within an enclosed structure.
7. A person must conduct regulated activity in a reasonably courteous manner at all times, must not engage in offensive, obscene, or abusive language, must not push open a door not opened by an occupant, must not place any portion of the person's body through an opened doorway without the invitation of an occupant, and must not physically attempt to stop an occupant from closing a door.
8. A licensee must immediately leave private property when requested to do so by an occupant or owner and must leave immediately upon completion of a transaction or an unsuccessful attempt to contact an occupant.
9. A licensee entering onto residential property must go directly to a door of the house, unless there is an adult present outside of the house or in an open garage. At no time may a licensee go to a window or to the back yard, unless invited to do so by the occupant.
10. A person conducting regulated activity must not make untrue statements to the people contacted regarding the purpose of the contact, orders placed by the neighbors, or the goods and services offered.
11. A licensee must not make statements to the people contacted indicating or implying that the city license constitutes an endorsement of their activities or products by the city.
12. While conducting regulated activity, a licensee must not be accompanied by a person who is not licensed or is not listed in the license application.
13. No person shall conduct business in residential zoned areas before 10:00 a.m. or after 7:00 p.m.

§ 245-10. Mobile Food Units.

1. State License. Mobile food units shall hold a valid license from the State of Minnesota Department of Health or Department of Agriculture. A license is valid for one vehicle or stand. Any conditions of the State Health Department shall be incorporated into the license issued under this Section. A copy of the license shall be submitted to the City.

2. Insurance. A certificate of insurance evidencing the following forms of insurance. The certificate shall be submitted to the City:

a. Commercial general liability insurance, including products and completed operations coverage, with a limit not less than one million dollars ($1,000,000) for each occurrence / two million dollars ($2,000,000) aggregate.

b. Automobile liability insurance with a limit not less than one million dollars ($1,000,000) combined single limit.

c. The City of Isanti shall be named as an additional insured and provided with a certificate of insurance.

d. A signed statement that the licensee shall defend and indemnify the City, its officers and employees for any claims for damage to property or injury to persons which may be occasioned by any activity carried on under the terms of the license.

3. Duration of sales and unit standards. A license shall be valid for one year. The license is valid for one vehicle or stand only. The mobile food unit can operate in the same location for a time period not to exceed 6 months. The unit, stand or vehicle must not have rust, peeling paint, dents and must be maintained in a professional manner. The vehicle or stand must be approved for aesthetics by the City. The license must be displayed in plain view on the vehicle/stand.

4. Overnight storage. No overnight storage of a mobile food truck on city property, including public rights of way, shall be permitted.

5. Signs. No mobile food unit shall use exterior signage (unless issued a temporary sign permit), flags, feathers, banners, bollards, or any other equipment not contained on or within the vehicle or stand.

6. Noise and Lighting. No shouting, blowing a horn, ringing a bell, or use of any sound devices upon any streets, alleys, parks, or other public places of the city or upon any private premises in the city. No vendor shall use or maintain any outside amplifying equipment, televisions, or similar entertainment devices. Lighting will be downcast, concealing light source from view, and must not spill onto adjacent properties and right of ways. Ice cream trucks traveling through a residential district may have outdoor music or noise-making devices to announce their presence.

7. Parking. Mobile food trucks must be located on a paved surface. A mobile food unit may not operate in a traffic lane, on a sidewalk, or in any location which causes an obstruction of traffic, such as queuing of patrons or advancement of vehicles. A pedestrian walkway of 6 feet must be maintained on the service side of the vehicle.

8. Hours of operation. Hours of operation shall be allowed from 8:00 a.m. to 10:00 p.m. In the case of an event authorized under a special event permit, the hours will match the time period indicated in the permit.

9. Waste disposal. Mobile food units shall provide waste disposal, clean up all litter and garbage generated by this use and maintain their site in a clean and hazard free condition. All waste liquids shall be kept in leak proof, nonabsorbent containers which shall be kept covered with tight fitting lids and properly disposed of. No waste liquids, garbage, litter or refuse shall be dumped or drained into the sidewalks, streets, gutters, drains or public trash receptacles. The licensee shall be responsible for all litter and garbage left by customers.

10. Self-containment. Mobile units can't connect to public utilities unless on private property through agreement with the property owner. No power, cable or equipment shall be extended at

any grade across any city street, alley, or sidewalk. Any generators must be self-contained and any noise created by their operation shall not cause a public nuisance, as per Chapter 216, Nuisances.

11. Inspections, Mobile units shall comply with all applicable Fire Codes and may be inspected by the City prior to operation.

12. Locations. Mobile food units shall only be allowed to operate on private property in zoning districts where retail sales are allowed as permitted or conditional uses under the City's zoning codes. Mobile food units may be allowed in public rights of way, residential or park zoning districts in conjunction with an approved special event permit.

13. The mobile food vendor shall not set-up in a manner so to create a traffic hazard and follow police orders. The mobile food unit shall not have a drive through. Ingress and egress to private property shall be through existing driveways only.

14. Mobile food units providing external seating must not block any sidewalk or driveway area or occupy any required parking spaces.

15. Ice cream novelty trucks are allowed to operate within the public right of way in residential districts.

16. Mobile food units are prohibited from vending activities within 150 feet of a food service building or within 500 feet of a community event, unless part of the sponsor license and/or special event permit for the event.

17. No mobile food unit shall sell alcoholic beverages.

18. Mobile food unit vendors shall maintain a fire extinguisher at all times.

19. Mobile food vendors shall maintain their immediate sales location in a clean and hazard free condition.

20. The mobile food vendor shall not operate in such a manner so as to constitute a public nuisance.

§ 245-11. Exclusion by Placard.

No peddler, solicitor or transient merchant, unless invited to do so by the property owner or tenant, shall enter the property of another for the purpose of conducting business when the property is marked with a sign or placard at lease four inches long by four inches wide with print of at least 48 point in size stating "No Peddlers, Solicitors, or Transient Merchants" or "Peddlers, Solicitors and Transient Merchants Prohibited" or other comparable statement. No person other than the property owner or tenant shall remove, deface or otherwise tamper with any sign or placard under this section.

§ 245-12. Special Events.

The following standards shall apply to all events that are authorized by a special event permit.

1. It is not necessary for each transient merchant or mobile food unit to obtain a license under this chapter provided that the sponsor, promoter or organizer of the event obtains a

permit and maintains a list of all participants and assumes responsibility for their activities and conduct.

2. The sponsor, promoter or organizer of the event may designate where peddlers and transient merchants and mobile food unit set up their booths, sales stands or vehicles.

§ 245-13. Suspension; Revocation.

1. The city may suspend or revoke an identification card and/or license, if the person who is the acting on behalf of the licensee, or the licensee has:
   a. Violated a provision of this section, or other local laws governing the same activity, during the license period;
   b. Violated a criminal law during the license period that adversely reflects on the ability to honestly, safely, or lawfully conduct the regulated activity; or
   c. Submitted false information or omitted material information in the licensing process required by this section.
2. If a license is revoked or suspended, all licenses issued to people acting on behalf of the licensee are automatically revoked or suspended.

§ 245-14. Penalty, Enforcement.

1. The Chief of Police, and their designees are authorized to enforce this ordinance. They may impound a license when a person has been found violating a provision of this chapter, when cause exists for suspending or revoking the license, or when the license has been suspended or revoked. When impounding a license, the official must send a notice to the licensee and at the address on the application form, giving the parties ten days to submit a written request for a hearing before the city council. Failure to timely request an appeal constitutes a waiver of that appeal and results in an automatic suspension of the license or card for three years.
2. Any person violating any provision of this chapter shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a maximum fine of $1,000 or a term of imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date. This ordinance becomes effective on the date of its publication in the city's official newspaper.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 28, 2020
Subject: City Code Chapter 119, Burning, Open

Background:

Based on Council policy discussions, staff has finished a review and amendment of City Code Chapter 119, Burning, Open. In the revised code, fees for permits are eliminated and the Isanti Fire District will administer permits for open burning in the City of Isanti.

The City Attorney has reviewed the updated city code.

Recommendation:

Committee of the Whole reviewed the proposed revised City Code Chapter 119, Burning, Open and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 119, Burning, Open.

Attachments:

- Ordinance XXX – An Ordinance Repealing Ordinance No. 666 Adopted on January 3, 2017, and Titled Burning, Open

ORDINANCE NO. _____

AN ORDINANCE REPEALING AND REPLACING ORDINANCE NO. 666 ADOPTED ON JANUARY 3, 2017, AND TITLED BURNING, OPEN

The City Council of the City of Isanti, Minnesota ordains:

Section 1 – Repealer. Ordinance No. 666 titled Burning, Open, codified in Chapter 119 of the City Code, is hereby repealed in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 119 is hereby adopted:

Chapter 119

Burning, Open

ARTICLE I
General Provisions
119-1. Definitions
119-2. Provisions Adopted by Reference

ARTICLE II
Open Burning
119-3. Purpose.
119-4. Permit.
119-5. Denial
119.6. Permit Holder Responsibility
119.7. Revocation
119.8. Violations and Penalties

ARTICLE I
General Provisions

119-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meaning ascribed to them in this section, except where the context clearly indicates a different meaning.

OPEN BURNING – The burning of any matter if the resultant combustion products are emitted directly to the atmosphere without passing through a stack, duct or chimney, except a recreational fire.

RECREATIONAL FIRE – A fire set with approved starter fuel no more than three feet in height, contained within the border of a recreational fire site using dry, clean wood; producing little detectable smoke, odor or soot beyond the property line; conducted with an adult tending the fire at all times; for recreational, ceremonial, food preparation or social purposes; extinguished completely before quitting the occasion; and respecting weather conditions, neighbors, burning bans, and air quality so that nuisance, health or safety hazards will not be created. Mobile cooking devices such as manufactured hibachis, charcoal grills, wood smokers and propane or natural gas devices are not defined as recreational fires.

119-2. Provisions adopted by reference.

The provisions of Minn. Stats. §§ 88.16 and 88.17 and Minnesota State Fire Code (where adopted), are adopted by reference and made a part of this Code as if fully set forth at this point.

ARTICLE II
Open Burning

119-3. Purpose.

The purpose of this article is to establish permitted categories of open burn events for residences and farms within the city and provide for a permitting process for residential and agricultural open burning, except when such open burning is defined as a "recreational fire" as prescribed in this article.

119-4. Permit.

A. No person shall start or allow any open burning on any property in the city without first having obtained an open burn permit, except that a permit is not required for any fire that is a recreational fire as defined herein.

B. Application ~~and Fees~~.

(1) Open burning permits shall be obtained by making application on a form prescribed by the department of natural resources (DNR). The DNR permit application shall be presented to the Isanti Fire District for review prior to the start of any open burning.

(2) DNR open burning applications are available free of charge at the Isanti Fire District office at 401 1st Ave NW in the City of Isanti.

119-5. Violations and Penalties.

Any person violating any provision of this chapter is guilty of a misdemeanor and upon conviction shall be punished by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date. This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

- ORD 2020-XXX

ORDINANCE NO. _____

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 8 CITY COUNCIL, ARTICLE III, SECTION 8-21 ORDER OF BUSINESS AND 8-26 PUBLIC COMMENT AT COUNCIL MEETINGS AND AT PUBLIC HEARINGS

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 8, Article III, Section 8-21:

Section 8-21. Order of Business, is amended as follows:

Section 8-21. Order of business. The order of business for all council meetings shall be:

A. Call to Order
B. Pledge of Allegiance
C. Call of Roll
D. Public Comment (as held)
E. Adopt Agenda
F. Proclamations/Commendations/Certificate Awards (if needed)
G. Approval of minutes
H. Announcements
I. Council Committee reports
J. Public hearings (when scheduled)
K. Business items
L. Consent agenda
M. Other communications
N. Closed Session (only if needed)
O. Adjournment

Section 8-26. Public comment at Council meetings and at Public Hearings C. subparagraphs (3) (9) (10) are deleted and replaced and (13) is deleted as follows:

C. Public comment period. As a part of the regular meeting of the City Council, in accordance with Section 8-21 Order of Business, of this chapter; an informal forum titled "Public Comment" may be held. Public comments during this forum are subject to these limitations:

(3) The presiding officer may place a time limit on the public comment period, if necessary, to allow for the conduct of city business. If there is not sufficient time to hear all public comments, the comment period may be deferred to the next regular meeting or at a continued meeting.

(9) No Council action may take place during public comment. However, Council members may express their views or reaction to a presentation, or ask questions of the presenter. The Council may direct the City Administrator or designee to address specifics in nature, to research and report back at an upcoming regular meeting, or

request an amendment to the regular meeting agenda to further discuss, provide direction to staff or take action.

(10) Public comment items are restricted to City governmental topics, and are not a platform for private agendas, to make personal attacks, to air personality grievances, to make political endorsements, or for political campaign purposes.

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 4th day of February 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 4, 2020
Subject: Ordinance XXX Repealing Chapter 68 of the Isanti City Code of Ordinances Relating to Adult Uses and Adopting a New Chapter 68

Background:
Per the City Attorney, it has been determined that the current regulations regarding adult uses needs to be updated. The attached ordinance was drafted by the League of Minnesota Cities appointed attorney.

Chapter 68 regulates Adult Use; the proposed ordinance repeals the current ordinance and is replaced with the proposed language.
In addition, there will be a zoning ordinance amendment that removes adult uses from the business districts and only permits the use in Industrial zoned districts. This amendment also removes performance standards in the zoning code for adult use. These amendments will go before the Planning Commission at a public hearing on February 18, 2020 and then to the Council for consideration.

Request:
Consider adopting the proposed ordinance to repeal and replace Chapter 68.

Attachments:
- Ordinance-XXX

AN ORDINANCE REPEALING CHAPTER 68 OF THE ISANTI CITY CODE OF ORDINANCES RELATING TO ADULT USES AND ADOPTING A NEW CHAPTER 68

The City Council of the City of Isanti hereby ordains:

Section 1. The current Chapter 68 of the Isanti City Code of Ordinances for the City of Isanti is repealed.

Section 2. The following new Chapter 68 is adopted:

CHAPTER 68. ADULT ESTABLISHMENTS

§ 68-1. Findings and Purpose.

Studies conducted by the Minnesota Attorney General and the Texas City Attorneys' Association, as well as the cities of St. Paul, Alexandria, and Rochester, Minnesota; Indianapolis, Indiana; Phoenix, Arizona; Los Angeles, California; Seattle, Washington; St. Croix County, Wisconsin; Adams County and the City of Denver, Colorado, have examined the impact that adult establishments have on their respective communities. These studies concluded that adult establishments have an adverse impact on surrounding neighborhoods. Those impacts include increased crime rates, lower property values, increased transiency, neighborhood blight and potential health risks. The City Council of the City of Isanti is relying on the studies, many of which were conducted in larger cities, recognizing that the same or similar adverse impacts could occur in a small city such as the City of Isanti. Based on these studies, the City Council makes the following findings regarding the need to regulate adult establishments:

A. The public health, safety, morals and general welfare will be promoted by the city adopting regulations governing adult establishments.

B. Adult establishments have adverse secondary impacts of the types set forth above.

C. The adverse impacts caused by adult establishments tend to diminish if adult establishments are governed by location requirements, licensing requirements and health requirements.

D. It is not the intent to prohibit adult establishments from having a reasonable opportunity to locate in the city.

E. Many members of the public perceive areas within which adult establishments are located as less safe than other areas that do not have such uses.

F. A reasonable licensing procedure is an appropriate mechanism to place the burden of reasonable regulation on the owners and the operators of the adult establishment. A licensing procedure will place an incentive on the operators to see that the adult establishment is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the City. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually-oriented

business, fully in possession and control of the premises and activities occurring therein.

G. The fact that an applicant for an adult use license has been convicted of a sexually-related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this Chapter.

H. The general health, safety, and welfare of the community is promoted by prohibiting nudity in adult establishments. This prohibition is based on concerns of potential adverse effects such as prostitution, exposure to minors, and obscenity.

I. Small cities experience many of the same adverse impacts of adult establishments present in larger communities.

§ 68-2. Definitions.

For the purposes of this chapter only, the words and phrases below are defined as follows:

A. Adult Establishment. Any business that:

(1) devotes a substantial or significant portion of its inventory, stock-in-trade, or publicly-displayed merchandise, or devotes a substantial or significant portion of its floor area (not including storerooms, stock areas, bathrooms, basements, or any portion of the business not open to the public) to, or derives a substantial or significant portion of its gross revenues from items, merchandise, devices or other materials distinguished or characterized by an emphasis on material depicting, exposing, simulating, describing, or relating to Specified Sexual Activities or Specified Anatomical Areas; or

(2) engages in any Adult Use as defined in Paragraph (B) of this section.

B. Adult Use. An adult use is any of the activities and businesses described below:

(1) Adult Bookstore or Videostore. An establishment or business used for the barter, rental, or sale of items consisting of printed matter, pictures, slides, records, audio tape, video, videotape, movies, or motion picture film if a substantial or significant portion of its inventory, stock in trade, or publicly-displayed merchandise consists of, or if a substantial or significant portion of its floor area (not including storerooms, stock areas, bathrooms, basements, or any portion of the business not open to the public) is devoted to, or if substantial or significant portion of its gross revenues is derived from items, merchandise, devices or materials that are distinguished or characterized by an emphasis on material depicting, exposing, simulating, describing, or relating to specified sexual activities or specified anatomical areas.

(2) Adult Entertainment Center. A business or establishment that provides dancing or other live entertainment distinguished or characterized by an

emphasis on the presentation, display, or depiction of "specified sexual activities" or "specified anatomical areas."

(3) Adult Companionship Establishment. A business or establishment that provides the service of engaging in or listening to conversation, talk or discussion between an employee of the establishment and a customer, if such service is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(4) Adult Conversation/Rap Parlor. A business or establishment that provides the service of engaging in or listening to conversation, talk or discussion, if such service is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(5) Adult Health/Sport Club. A health/sport club, which is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(6) Adult Hotel or Motel. Adult hotel or motel means a hotel or motel wherein material is presented which is distinguished or characterized by an emphasis on matter depicting, describing or relating to "specified sexual activities" or "specified anatomical areas."

(7) Adult Massage Parlor, Health Club. A massage parlor or health club which provides the services of massage, if such service is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(8) Adult Motion Picture Theater. A motion picture theater that as a prevailing practice presents movies distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas" for observation by patrons.

(9) Adult Modeling Studio. An establishment whose major business is the provision, to customers, of figure models who are so provided with the intent of providing sexual stimulation or sexual gratification to such customers and who engage in "specified sexual activities" or display "specified anatomical areas" while being observed, painted, painted upon, sketched, drawn, sculptured, photographed or otherwise depicted by such customers.

(10) Adult Motion Picture Arcade. Any place to which the public is permitted or invited wherein coin or slug-operated or electronically, electrically or mechanically controlled or operated still or motion picture machines, projectors or other image-producing devices are maintained to show images to five or fewer persons per machine at any one time, and where the images so displayed are distinguished or characterized by an emphasis on depicting or describing "specified sexual activities" or "specified anatomical areas."

(11) Adult Novelty Business. A business which has as a principal activity the sale of devices which stimulate human genitals or devices which are designed for sexual stimulation.

(12) Adult Sauna. A sauna that provides a steam bath or heat bathing room used for the purpose of bathing, relaxation or reducing, utilizing steam or hot air as a cleaning, relaxing or reducing agent, if the service provided by the sauna is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

Adult Steam Room/Bathhouse Facility. A building or portion of a building used for providing a steam bath or heat bathing room used for the purpose of pleasure, bathing, relaxation, or reducing, utilizing steam or hot air as a cleaning, relaxing or reducing agent if the service provided by the steam room/bathhouse facility is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

C. "Nude" or "Specified Anatomical Areas" means:

(1) The showing of the human male or female genitals, pubic area, buttocks, or anus with less than a fully opaque covering; the showing of the female breast with less than a fully opaque covering of any part of the nipple; the exposure of any device, costume, or covering which gives the appearance of or simulates the genitals, pubic hair, natal cleft, perineum anal region or pubic hair region; or the exposure of any device worn as a cover over the nipples and/or areola of the female breast, which device simulates and gives the realistic appearance of nipples and/or areola; or

(2) Human male genitals in a discernibly turgid state, even if completely and opaquely covered.

D. "Specified Sexual Activities" means:

(1) Actual or simulated acts of sexual intercourse, masturbation, sodomy, bestiality, necrophilia, masochism, sadism or sadomasochism, fellatio or cunnilingus; or

(2) Depiction or display of human genitals in the state of sexual stimulation or arousal; or

(3) Fondling or other erotic touching of human genitals, pubic region, buttocks or female breast.

E. "Substantial or Significant portion" means: 25 % or more.

§ 68-3. Location.

Adult establishments may only be located as permitted in Section 8, Article 1, Subdivision 2 of the City Code.

§ 68-4. License Required.

No person, firm or corporation shall own or operate an adult establishment without having first secured a license as provided for in this chapter.

A. Applications. The application for an adult establishment license shall be submitted on a form provided by the city and shall include:

(1) The name, residence, phone number and birth date of the applicant, if an individual; and if a corporation or partnership, the names, residences, phone number and birth dates of each partner and all officers, directors, and controlling stockholders for the business;

(2) The name, address, phone number and birth date of the manager of such operation, if different from the owners;

(3) Whether the applicant has ever used or has been known by a name other than the applicant's name, and if so, the name or names used and information concerning dates and places where used;

(4) The address and legal description of the premises where the adult establishment is to be located;

(5) A statement detailing each gross misdemeanor or felony relating to a sex offense, obscenity offense or offense related to the operation of adult uses and related activities of which the applicant, or in the case of a corporation or partnership, the owners, partners, officers, directors and controlling stockholders have been convicted, and whether or not the applicant has ever applied for or held a license to operate a similar type of business in other communities;

(6) The activities and types of business to be conducted;

(7) The hours of operation, which shall be limited to 8:00 a.m.-1:00 a.m.;

(8) The provisions made to restrict access by minors;

(9) A building plan of the premises detailing all internal operations and activities.

B. Fees.

(1) Each application for a license shall be accompanied by a receipt from the city for payment in full of the required license fee. Upon rejection of any applications for a license, the Finance Director shall refund the amount paid.

(2) All licenses shall expire at 12:00 midnight on March 31 of each year. Each license shall be issued for a period of one year, except that if a portion of the license year has elapsed when the application is made, a license may be issued for the remainder of the year for a pro-rated fee. In computing such fee, any unexpired fraction of a month shall be counted as one month.

(3) The annual license fee for adult establishments shall be in the amount as set forth in the current City fee schedule.

(4) No part of the fee paid for any license shall be refunded except in the following instances upon application to the City Council within 30 days from the happening of the event. There shall be refunded a pro rata portion of the fee for the unexpired period of the license, computed on a monthly basis, when operation of the licensed business ceases not less than one month before expiration of the license because of:

a. Destruction or damage of the licensed premises by fire or other catastrophe;

b. The licensee's illness;

c. The licensee's death;

d. A change in the legal status making it unlawful for the licensed business to continue.

C. Review and Action on License Application.

(1) The City Council, or such persons as they designate, must complete their investigation within 30 days after the city receives a complete application and all license and investigative fees.

(2) If the application is for a renewal, the applicant shall be allowed to continue business until the City Council has determined to renew or refuse to renew a license. Application for renewal must be submitted with the annual license fee not later than 30 days before the license expires.

(3) If, after such investigation, it appears that the applicant and the place proposed for the business are eligible for a license under the criteria set forth in this subsection, then the license shall be issued by the City Council within 30 days after the investigation is completed. Otherwise the license shall be denied.

(4) Each license shall be issued to the applicant only and shall not be transferable to another holder. Each license shall be issued only for the premises described in the application. No license may be transferred to another premise without the approval of the City Council. If the licensee is a partnership or a corporation, a change in identity of any of the principals of the partnership or corporation shall be deemed a transfer of the license.

(5) An applicant for any license under this section shall deposit with the city at the time an original application is submitted, an amount as set forth in the current City fee schedule to cover the costs involved in verifying the license application and to cover the expense of any investigation needed to assure compliance with this section. If the investigation and verification process is conducted outside the state of Minnesota, the city may require the actual investigation costs not exceeding the amount set forth in the current City fee schedule.

D. Persons Ineligible for License. No license shall be granted to or held by any person:

(1) Under 18.

(2) Who has been convicted of a felony or of violating any federal law, state law or local ordinance relating to sex offenses, obscenity offenses or adult establishments, unless the applicant can show competent evidence of sufficient rehabilitation under Minn. Stat. § 364,05, subd. 3.

(3) Who is not the proprietor of the establishment for which the license is issued.

(4) Who has failed to supply all of the information requested on the license application;

(5) Who gives false, fraudulent, or untruthful information on the license application;

(6) Who has not paid the required license and investigation fees;

(7) Who has been denied a license by the City or any other municipal corporation to operate an adult establishment, or such license has been suspended or revoked, within the preceding twelve (12) months.

E. Places Ineligible for License.

(1) No license shall be granted for adult establishments on any premises where the owner or the applicant has been convicted of a violation of this chapter, or where any license hereunder has been revoked for cause, until one year has elapsed after such conviction or revocation.

(2) Except for uses lawfully existing at the time of this ordinance adoption, no license shall be granted for any adult establishment, which is not in compliance with the city's zoning regulations or applicable building code.

(3) Establishments holding an intoxicating liquor, beer or wine license are ineligible for a license.

(4) No license shall be granted for operation on any premises upon which taxes, assessments, or installments thereof, or other financial claims of the city, are owed by the applicant and are delinquent and unpaid.

F. Conditions of License.

(1) Every license shall be granted subject to the following conditions and all other provisions of this chapter, and of any applicable sections of the code of the city, state law, or federal law, whichever is more restrictive.

(2) All licensed premises shall have the license posted in a conspicuous place at all times.

(3) No minor shall be permitted on the licensed premises.

(4) Any designated inspection officer of the city shall have the unqualified right to enter, inspect and search the premises of a licensee during business hours.

(5) Every licensee shall be responsible for the conduct of his or her place of business and shall maintain conditions of order.

(6) An adult establishment shall not sell or dispense non-intoxicating or intoxicating liquors nor shall it be located in a building which contains a business that sells or dispenses non-intoxicating or intoxicating liquors.

G. Hearing and Appeal Procedures.

Denials, non-renewals, suspensions and revocations of an adult establishment license are governed by this subsection.

(1) Notice and Hearing. In the event that the City proposes to deny or not to renew, suspend or revoke a license, the City will notify the applicant/licensee in writing of the basis for the action. The Council will hold a hearing for the purpose of determining whether to deny, not renew, suspend, or revoke the license. The hearing must be within 30 days of the date of the notice. The City Council must make a decision within 30 days after the close of the hearing or within 60 days of the date of the notice, whichever is sooner. The Council must notify the applicant/licensee of its decision within that period.

(2) Suspension or Revocation. If the Council determines to suspend or revoke a license, the suspension or revocation is not effective until 15 days after notification of the decision to the licensee. If, within that 15 days, the licensee files and serves an action in state or federal court challenging the Council's action, the suspension or revocation is stayed until the conclusion of such action.

(3) Non-renewal. If the City Council determines not to renew a license, the licensee may continue its business for 15 days after receiving notice of such non-renewal. If the licensee files and serves an action in state or federal court within the 15 days for the purpose of determining whether the City acted properly, the licensee may continue in business until the conclusion of the action.

(4) Prompt Judicial Review. After denial or non-renewal of an application, or suspension or revocation of any license, the applicant or licensee may seek prompt judicial review of such action in any court of competent jurisdiction. The court shall promptly review such action.

§ 68-5. Violations and Penalties.

Any person violating any provision of this chapter is guilty of a misdemeanor and upon conviction shall be punished not more than the maximum penalty for a misdemeanor as prescribed by state law.

The City may enforce any provision of this Chapter by mandamus, injunction, or any other appropriate civil remedy in any court of competent jurisdiction, regardless of the status of any related criminal prosecution.

§ 68-6. State Law Inapplicable.

Minnesota Statutes, section 617.242 shall not apply in the City.

§ 68-7. Severability.

The provisions of this chapter shall be severable. If any provision is found to be void, the remaining provisions of the law shall remain valid, unless the court finds the valid provisions of the law are so essentially connected with the void provisions so that the court cannot presume the Council would have enacted the remaining valid provisions without the void one; or unless the court finds the remaining valid provisions, standing alone are incomplete and incapable of being executed in accordance with the legislative intent.

Section 3. This ordinance shall take effect and be in force from and after its publication in the official newspaper of the City of Isanti.

Memo for Council Discussion

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 30, 2020
Subject: Discussion Only - City Code Chapter 276 Amendment and Special Assessment Policy Update

Background:

City staff has prepared updates to the Special Assessment Policy. The updates regard aligning the policy to include funding options (ex. internal project funding), matching policy to current practice, and updates as recommended by the City Engineer, Finance Director and League of Minnesota Cities. As a part of this update, the city code chapter would be amended to include what is needed by ordinance, and a resolution adopted that encompasses the remainder of special assessment polices.

The City Attorney has reviewed the updated city code amendment and policy.

Recommendation:

Consider next steps to adopt the amended City Code (Ordinance) and Special Assessment Policy.

Request:

Staff is requesting City Council discussion and direction.

Action Required:

If the Council concurs, it should direct staff to post the Ordinance and place both the Ordinance and Special Assessment Policy Resolution on the next City Council meeting agenda for consideration.

Attachments:

- Draft Ordinance XXX – An Ordinance Repealing and Replacing Ordinance 161 Adopted on February 19, 1991 and Amended by Ordinance 257 on April 16, 2002 and Titled Special Assessments.
- Draft Special Assessment Policy

For Review and Discussion Only

AN ORDINANCE REPEALING AND REPLACING ORDINANCE 161 ADOPTED ON FEBRUARY 19, 1991 AND AMENDED BY ORDINANCE 257 ON APRIL 16, 2002, AND TITLED SPECIAL ASSESSMENTS

The City Council of the City of Isanti, Minnesota ordains:

Section 1 – Repealer. Ordinance 161 and amending Ordinance 257, codified in Chapter 276 of the City Code is hereby replaced in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 276 is hereby adopted:

SPECIAL ASSESSMENTS

276-1. Deferred assessments

276-1. Deferment of Special Assessments.

A. The Council may defer the payment of any special assessment on homestead property owned by a person who is 65 years of age or older, or a person who is retired by virtue of permanent and total disability, or military persons meeting the criteria under Minn. Statute § 435.193, as amended from time to time. The City Clerk is hereby authorized to record the deferment of special assessments where the following conditions are met:

1. The applicant must apply for the deferment not later than 90 days after the assessment is adopted by the City Council.
2. The applicant must be 65 years of age or older, retired by virtue of permanent and total disability, or meets the military deferral standard in Minnesota Statutes section 435.193.
3. The applicant must be the owner of the property.
4. The applicant must occupy the property as his principal place of residence.
5. The average annual payment for assessments levied against the subject property exceed one percent of the adjusted gross income of the applicant as evidenced by the applicant's most recent federal income tax return. The average annual payment of an assessment shall be the total cost of the assessment divided by the number of years over which it is spread.

B. The deferment shall be granted for as long a period of time as the hardship exists and the conditions aforementioned have been met. However, it shall be the duty of the applicant to notify the City Clerk of any change in status that would affect eligibility for deferment.

C. The entire amount of deferred special assessments shall be due within 60 days after loss of eligibility by the applicant. If the special assessment is not paid within the 60 days, the City Clerk shall add thereto interest at a per annum interest rate according to the terms and conditions of the original special assessments, and the total amount of principal and interest shall be certified to the County Auditor for collection with taxes the following year. Should the applicant demonstrate to the satisfaction of the Council, that full repayment of the deferred special assessment would cause the applicant particular undue financial hardship, the Council may order that the applicant pay within 60 days a sum equal to the number of installments of deferred special assessments outstanding and unpaid to date, including principal and interest, with the balance thereafter paid according to the terms and conditions of the original special assessments.

D. The option to defer the payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following:
1. The death of the owner when there is no spouse who is eligible for deferment.
2. The sale, transfer or subdivision of all or any part of the property.
3. Loss of homestead status on the property.
4. Determination by the Council for any reason that immediate or partial payment would impose no hardship.

Effective Date:

This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this _____ of February, 2020.

Discussion Only

SPECIAL ASSESSMENT POLICY

Section 1. General policy statement.
Section 2. Improvements and maintenance costs eligible for special assessment.
Section 3. Initiation of public improvement projects.
Section 4. Public improvement procedures.
Section 5. Financing of public improvements.
Section 6. General assessment policies.
Section 7. Methods of assessment.
Section 8. Policies of re-assessment.
Section 9. Assessment computations.
Section 10. Deferrals on unimproved parcels
Section 11. Postponed assessments; apportionment; supplemental assessments.

Section 1. General policy statement.

A. The purpose of this policy is to establish a fair and equitable manner of assessing the increase in market value (special benefit) associated with public improvements. The procedures used by the City for levying special assessments are those specified by Minnesota Statutes, Chapter 429, as amended from time to time, which provides that all or a part of the cost of improvements may be assessed against benefiting properties.

B. Three basic criteria must be satisfied before a particular parcel can be assessed. The criteria are as follows:

1. The land must have received special benefit from the improvement.
2. The amount of the assessment must not exceed the special benefit.
3. The assessment must be uniform in relation to the same class of property within the assessment area.

The assessment policy is intended to serve as a guide for a systematic assessment process in the City. There may be exceptions to the policy or unique circumstances or situations which may require special consideration and discretion by city staff and the City Council.

Section 2. Improvements and maintenance costs eligible for special assessments.

A. Public improvements and related acquisition, construction, extension, and maintenance of such improvements, authorized by Minn. Stat. § 429.021 and 459.14, subd. 7, as amended from time to time, are eligible for special assessment within the City.

B. The City is also authorized by ordinance to recover, through special assessment, unpaid special charges as provided in Minn. Stat. § 429.101.

Section 3. Initiation of public improvement projects.

A. Public improvement projects can be initiated in the following ways.

1. Public improvement projects may be initiated by petition of owners of at least 35% in frontage of the property abutting the proposed improvement.

2. Public improvements also may be initiated by the City Council when, in its judgment, such action is required.

3. A resolution ordering any improvements initiated by the Council or by owners of less than 35% of abutting property owners requires a four-fifths majority vote of all members of the Council. A resolution ordering any improvements initiated by owners of not less than 35% of abutting property owners requires a majority vote of all members of the Council. A resolution ordering any improvements initiated by all owners (100%) of abutting property, and assessing the entire cost against their property, may be adopted without a public hearing. All petitioned projects by property owners regarding development of land shall follow the Policies for Petitioned Projects, adopted as City Resolution 2007-240.

Section 4. Public improvement procedure.

A. The following is the general procedure followed by the City Council for all public improvement projects from initiation of such a project through certification of the assessment roll to the County Auditor. Formats for the various reports and resolutions referenced in this section are made a part of the policies and procedures of the City.

1. Staff reviews petition or Developer's request for submission to Council.
2. Council accepts or rejects petition or request. If based upon a petition, the Council adopts a resolution declaring whether the required percentage of property owners has signed. If the petition or request is accepted, Council orders preparation of feasibility report.
3. Staff prepares feasibility report. The report shall preliminarily evaluate whether the proposed improvement is necessary, cost-effective, and feasible and whether it should be made as proposed or in conjunction with another project. The report shall include an estimate of the

cost of the improvement as proposed. Council may refer the report to the Planning and Zoning Commission.

4. Council accepts or rejects feasibility report. If accepted, Council orders public hearing on the improvements.
5. Staff posts and publishes hearing notice and mails notices to affected property owners as provided in Minn. Stat. § 429.031(a), as amended from time to time.
6. Council conducts public hearing.
7. Within six (6) months of the hearing date, Council adopts or rejects resolution ordering improvement to be constructed and advertisement of bids as required in Minn. Stat. § 471.345. If adopted, staff prepares final plans, advertises for and opens bids as provided in Minn. Stat. § 429.041, as amended from time to time, prepares bid tabulation, makes recommendation to City Council for award, and prepares proposed assessment roll. Bonds to finance project costs may be issued at any time after the improvements are ordered.
8. Council reviews proposed assessment roll and orders assessment hearing.
9. Staff publishes hearing notice, mails notice of hearing date and proposed assessments to the affected property owners as provided in Minn. Stat. § 429.061, as amended from time to time.
10. Council conducts assessment hearing and adopts, revises, or rejects resolution determining the amount of the total expense the City will pay, if any, and establishing the assessment roll. If adopted, Council authorizes certification of the assessment to the County Auditor.
11. Council awards contract based on the bids received.
12. Staff certifies the assessment roll to the County Auditor.
13. Staff supervises construction and prepares payments.

Section 5. Financing of public improvements.

A. The City encourages public improvement projects as the area (s) benefiting and needing such improvements develop. Examples of this policy can be seen through the subdivision regulations, zoning ordinance, and building codes. Developers are required to provide the needed improvements and services before development occurs, thereby avoiding unexpected hardships on the property owners purchasing such property and the general public. However, it is recognized that certain areas of the City have developed without all needed public improvements (e.g. parks, water, sewer, and street improvements) and that methods must be found to provide these improvements without causing undue hardships on the general public or the individual property owner.

B. Special assessments are generally accepted as a means by which areas can obtain improvements or services; however, the method of financing these is a critical factor to both the City and the property owner. Full project costs spread over a very short term can cause an undue hardship on the property owner and, likewise, city costs and systems costs spread over a long period of time can produce an undue hardship on the general public of the City.

Section 6. General assessment policies.

A. The cost of any improvement shall be assessed upon property by the improvements based upon benefits received. The following general principles shall be used as a basis of the City's assessment policy:

1. Project Cost. The "project cost" of an improvement includes the costs of all necessary construction work required to accomplish the improvement, plus engineering, legal, administrative, financing and other contingent costs, including acquisition of right-of-way and other property. The finance charges include all costs of financing the project. These costs include but are not limited to financial consultant's fees, bond rating agency fee, bond attorney's fees, and capitalized interest. The interest charged to the project shall be included as financing charges.
2. City Cost. The "city cost" of an improvement is the amount of the total improvement expense the City will pay as determined by Council resolution. Where the project cost of an improvement is not entirely attributed to the need for service to the area served by said improvement, or where unusual conditions beyond the control of the owners of the property in the area served by the improvement would result in an inequitable distribution of special assessments, or for any other reason determined by the City, the City, through the use of other funds, may pay such "city cost."
3. Assessable Cost. The "assessable cost" of an improvement is equal to the "project cost" minus the "city cost."
4. Interest. The City will charge interest on special assessments at a rate specified in the resolution approving the assessment roll. If bonds were sold to finance the improvement project, the interest rate shall be one percent (1%) more than the true interest cost of the bonds, rounded to the nearest quarter of a percent. If no bonds were sold, the interest rate shall be set at one percent (1%) over current market rate for municipal bonds based on the city's current bond rating at the time of the final assessment hearing.
5. Prepayment. Property owners may pay their assessments in full interest free for a period of 30 days after the assessment hearing. After such period interest shall be computed from the date specified in the assessment resolution. The City will transmit a certified duplicate of the assessment roll with each installment, including interest, to the County Auditor, or in lieu of such certification, annually certify to the County Auditor by November 30 in each year, the total amount of installments of and interest on assessments on each parcel which are to become due in the following year. Prior to certification of principal and interest or the first installment thereof, to the County Auditor, a property owner may make a partial prepayment of the principal to the City. Such partial prepayment must be at least $100.00. If the partial prepayment is made after the 30-day "interest free" period allowed by state law, interest will be charged on the amount of the partial prepayment from the date specified in the resolution and paid along with the partial prepayment. After the City has made the first certification of principal and interest to the County Auditor, prepayment will be accepted only for the total amount still owing including interest and must be made prior to November 15 of any year. If a parcel has two or more separate special assessments, prepayment of the remaining principal balance may be made on one or more assessment totals. Tax-exempt parcels such as churches and school properties may make only one partial prepayment to the first certification to the

County Auditor. The remaining principal after the partial prepayment will be paid in equal installments over the remaining term of the special assessments.

6. Extensions. Where an improvement is designed for service of an area beyond that receiving the initial benefit, the City may pay for increased project costs due to such provisions for future service extensions. The City will levy assessments to cover this cost when a new improvement is installed as an extension of the existing improvement upon identification of such additional amount in the notice of hearing for the extensions or new improvements. As an alternative, the City may assess these costs to the area of future benefit immediately.
7. Frontage Roads. Because frontage roads along highways or other arterial streets are deemed to be of benefit to commercial or industrial properties, the entire costs of any improvement on such frontage roads shall be assessable to the benefited properties, even if only those properties on one side of such frontage roads are benefited.
8. Project Assistance. If the City receives financial assistance from the Federal Government, the State of Minnesota, the County, or from any other source to defray a portion of the costs of a given improvement, such aid will be used to reduce the "city cost" of the improvement. The aid will not be used to reduce assessment amounts.
9. Assessable Property. Property owned by the City and other political subdivisions including municipal building sites, parks and playgrounds, but not including public streets, alleys, and right-of-way, shall be regarded as being assessable on the same basis as if such property was privately owned. Private right-of-way shall be assessable.
10. Individual Benefits. The City must construct improvements specifically designed for or shown to be of benefit solely to one or more properties. The costs for these improvements will be assessed directly to such properties, and not included in the assessments for the remainder of the project. An example of this would be utility service lines running from the main lines to the property.

Section 7. Methods of assessment.

A. General Statement. There are different methods of assessment: per lot, adjusted front foot, and area. The feasibility report will recommend one or a combination of these methods for each project, based upon which method would best reflect the benefit received for the area to be assessed. The City Council will select the preferred method of calculating the assessments at the time the project is ordered.

B. Policy Statement. The following methods of assessment, as described and defined below, are hereby established as methods of assessment in the City.

C. "Adjusted Front Footage" Method of Assessment.

The "cost per adjusted front foot" method of assessment shall be based on the quotient of the "assessable cost" divided by the total assessable frontage benefiting from the improvement. For the purpose of determining the "assessable frontage," all properties, including governmental agencies, shall have their frontages included in such calculation.

The actual physical dimensions of a parcel abutting an improvement (i.e., street, sewer, water, etc.) shall not be construed as the frontage utilized to calculate the assessment for a particular parcel. Rather, an "adjusted front footage" will be determined. The purpose of this method is to equalize assessment calculations for lots of similar size. Individual parcels by their very nature differ considerably in shape and area. The following procedures will apply when calculating adjusted front footage. The selection of the appropriate procedure will be determined by the specified configuration of the parcel. All measurements will be scaled from available plat and section maps and will be rounded down to the nearest foot dimension with any excess fraction deleted.

1. *Rectangular Interior Lots.* The rectangular lot is defined as having no more than 2.0 feet difference between the front and rear lot lines. The adjusted front footage is the actual front footage of the lot.
2. *Approximately Rectangular Lots.* For a lot which is approximately rectangular, the adjusted footage is computed by averaging the front and back sides of the lot.
3. *Odd Shaped Lots.* For odd shaped lots such as exist on cul-de-sacs and curved streets, the adjusted front footage is the width measured at the setback line of the lot.
4. *Corner Lot Adjustment.* The short side will be assessed the actual front footage. The long side will be assessed one-half the actual side footage or seventy-five (75) feet, whichever is greater. Where frontage curves so greatly as to give a general appearance of a corner, the lot shall be considered a corner lot.
5. *Neck lots and dead-ends.* A lot or parcel which has a small frontage on a street, with a narrow strip running back 120 feet or more, or a lot or parcel that is served by a street that is improved but either the street dead-ends or the improvement ends at the property line, is assigned an adjusted frontage of 75 feet. Where an improvement is subsequently extended, the lot or parcel that was assigned an adjusted frontage of 75 feet shall have the 75 feet deducted from the footage on the subsequent assessment.
6. Any parcel of land which is not capable of further subdivision pursuant to the applicable zoning ordinance and which has frontage in excess of 330 feet shall be assessed for a maximum adjusted front footage of 330 feet.

B. "Area" Method of Assessment.

The "area" method of assessment shall be based on the number of square feet or acres within the boundaries of the appropriate property lines of the areas benefiting from the project. The assessment rate (i.e., cost per square foot) shall be calculated by dividing the total assessable cost by the total assessable area. On large lots, the City Engineer may determine that only a portion of the lots receives the benefit and may select a lot area for the calculations equal to the benefit received.

All properties included in the benefited area, including other governmental areas, churches, etc., shall be assessable. The following items may not be included in area calculations: public right-of-ways, natural waterways, swamps and lakes and other wetlands designated by the Minnesota Department of Natural Resources, National Wetland Inventory, or the City. The City Engineer will make a recommendation on the boundaries or parameters of the benefited area in the feasibility report.

C. "Per Lot" Method of Assessment.

The "per lot" method of assessment shall be based on equal assessment of all lots within the benefited area. The "assessment per lot" shall be the quotient of the "assessable cost" divided by the total assessable lots or parcels benefiting from the improvement. For the purpose of determining the "lots" or "parcels" all parcels, including governmental agencies, shall be included in such calculations. For any lot that could be subdivided to City minimum lot size standards, said lot shall be assigned the number of lots it could subdivide to.

Section 8. Policies of re-assessment.

The City shall design public improvements to last for a definite period. The life expectancy or service life shall be as stated in the policy statement of this section, or if different, shall be as stated in the resolution ordering improvement and preparation of plans.

A. Policy Statement

The following are the "life expectancies" or "service lives" of public improvements except as may be otherwise stated in the resolution ordering improvement and preparation of plans.

1. Sidewalks - 20 years.
2. Street improvements, including surfacing and curb and gutter - 20 years.
3. Ornamental street lighting - 20 years.
4. Water Mains - 30 years.
5. Sanitary Sewers - 30 years.
6. Storm Sewers - 30 years.

Section 9. Assessment computations.

The following is the typical city assessment for various specified improvements.

A. Street and Curb and Gutter Improvements

1. *New Construction Projects.* New streets are assessed 100% to the abutting benefited properties. Street and curb and gutter improvements will normally be assessed by the adjusted front foot method, however other methods may be utilized if conditions warrant. Cost of construction of streets shall be assessed based on the City standard typical section for residential areas and 9-ton axle load in commercial and industrial areas. Oversizing costs which are incurred in excess of the above shall be 100% assessed to the City.
2. *Reconstruction and Reclamation Projects.* Street reconstructions and reclamations are assessed 25% to the abutting benefited properties. New curb and gutter are 100% assessed. Replaced curb and gutter are assessed 25% to the abutting benefitted properties.

3. *Gravel Streets.* Upgrading of existing gravel street by adding pavement, curb and gutter is considered new construction and all costs are assessed 100%.
4. *Seal Coats and Overlays.* Sealcoats and overlays are considered maintenance and shall not be assessed.
5. *Alleys.* Upgrading existing gravel alleys by adding pavement is assessed 100% to all lots abutting on the alley in the block being improved. Reconstructing existing paved alleys are 100% assessed also.
6. *Driveways.* New driveways are assessed 100% to the property owner. Reconstructed driveways are assessed 25% to abutting benefitted property owners.
7. The assessments for those parcels contained in a benefitted area but outside the City limits shall be deferred until such parcels have been annexed. The City Council may require properties to be annexed before providing City services to them.

B. Sidewalks and Trails

1. *New Construction projects.* In Commercial Districts, the total cost for the installation of new sidewalks or trails for new projects will be assessed 100% against the property owner. In Residential Districts the total cost shall be assessed 100% to the City if the City requires the sidewalk or trail to be built. If the sidewalk or trail is petitioned for by the residents of the street, it shall be assessed 100% to the benefiting property owners. A successful petition shall be one signed by property owners owning a minimum of 51% of the front footage of the street in question.
2. *Reconstruction projects.* 25% percent of the cost shall be assessed to the property owners in the project area and 75% shall be assessed to the City.

C. Storm Sewer Improvements

Policy Statement. The basis for a storm sewer or ditching assessment is not the installation of a pipe or ditch on a particular property but, rather, the installation of pipe or ditch in an area. The definition of these areas is determined by the City Engineer. When the installation of the pipe or ditch is completed in full in an area, the area is assessed in full. Any area which contributes water to this system, whether by ground runoff or by underground piping, is assessed up to the current rate per square foot.

New projects. The total cost for both storm sewers and ditches shall be 25% assessed to the City and 75% assessed to the benefitting property owners in districts involving a mixture of existing uses and vacant land. The total cost shall be assessed 100% to benefitting property owners in districts where all of the land is vacant.

Reconstruction projects. The total cost for both storm sewers and ditches shall be 75% assessed to the City and 25% assessed to the benefitting property owners for reconstruction, system maintenance, or ditch cleaning projects. In cases where the property owner has caused damage to a drainage system by their actions (for example, farming too close to a ditch or causing erosion into a ditch or waterway due to lack of maintenance of property), the property owner shall be assessed 100% of the costs for repairing the damage and reconstructing the drainage system.

D. Sanitary Sewer Assessments

Policy Statement. Sanitary sewers consist of a network of pipes and associated pumping stations, meter stations and appurtenances designed to transport sewage to the municipal waste treatment plant.

1. *Assessment method.* The total cost of an interceptor or trunk line is assessed equally per unit of area over the entire district served by the sewer main. The assessment is generally levied in the current year of construction of the interceptor or trunk sewer, and it is entirely likely that a large number of properties will be assessed which do not immediately have access to the sewer. However, it is considered that such properties do accrue immediate benefit from the interceptor or trunk sewer since it is available to receive lateral sewer connections, which may be initiated by petition of property owners. Sanitary sewer lift stations and additional construction shall be considered as part of the interceptor or trunk sewer and shall be assessed on the same basis.

2. *New projects.* The total cost of sanitary sewer laterals for new projects shall be 100% assessed to the benefitting property. In any new project requiring reconfigurations or additions to the existing sanitary sewer system, 100% of the cost of the project shall be assessed to the benefitting property owners.

3. *Reconstruction projects.* 25% of the cost shall be assessed to the property owners and 75% shall be assessed to the City.

4. *Sanitary sewer building service or hookup.* Sanitary sewer building service or hookup is the connection by the property owner to the City sewer service and is 100% assessable against the benefitting property. The hookup charge shall be determined by the City Council.

5. *Stub-out.* A stub-out is the connector attached to the sewer main that permits individual connection to the service. The cost for a stub-out for new projects is 100% assessable to the property owner.

Parcels outside the City. Reasonable costs for those parcels contained in the area or district served but located outside the City limits shall be deferred until such parcels have been connected to the system or annexed, whichever comes first. Such costs shall be payable to the City through reasonable service and connection charges. The City Council may require properties to be annexed before providing City services to them.

E. Water Main Assessments

Policy Statement. Water mains consist of a network of pressure pipes designed to deliver municipal water to homes within the City. The City Council shall determine the standard size and depth necessary for any particular pipe. If a business or home requires a diameter of pipe in excess of the standard size, then that business or home shall pay for the extra costs associated with oversizing. If the City Council requires a pipe in excess of the standard size, then the City shall pay for the extra costs associated with oversizing.

1. *Assessment method.* Water mains will be assessed on a per-lot or lot-unit basis. The assessment is generally levied in the current year of construction of the water main, and it is entirely likely that a large number of properties will be assessed which do not immediately have access to the water main. However, it is considered that such properties do accrue immediate benefit from the water main since it is available to receive water service connections, which may be initiated by petition of property owners.

2. *New projects.* The total cost of water main for new projects shall be 100% assessed to the benefiting property owners. In any new project requiring reconfigurations or additions to the existing water system, 100% of the cost of the project shall be assessed to the benefiting property owners.

3. *Reconstruction projects.* 25% of the cost shall be assessed to the property owners, and 75% shall be assessed to the City.

4. *Water main building service or hookup.* The connection by the property owner to the City water service is 100% assessable against the benefiting property. The hookup charge shall be determined by the City Council.

5. *Stub-out.* A stub-out is that connector attached to the water main that permits individual connection to the service. The cost for a stub-out for new projects is 100% assessed to the property owner.

6. *Water tower.* Water tower construction may be assessed to benefiting property owners should the City Council determine it necessary to do so.

7. *Parcels outside the City.* The assessments for those parcels contained in a benefitted area but outside the City limits shall be deferred until such parcels have been annexed. The City Council may require properties to be annexed before providing City services to them.

F. Street Boulevard Trees

All street boulevard trees installed as part of new street constructions or in reconstructing existing streets shall be included as part of the overall project costs included in the assessment calculations.

G. Street Lights

All costs for new streetlights installed as part of constructing new streets or streetlights relocated as part of reconstructing streets are included in the overall project costs and included in the assessment calculations. In new subdivisions, the City may require the developer to finance street light improvement rather than assessing the cost.

H. Other Improvements

Based on the City Council determination, any other improvements may be fully assessed or assessed in part.

276-10. Deferrals on unimproved parcels

Deferrals on unimproved parcels. (See Minn. Stat. § 429.061, Subd. 2., as amended from time to time) On improvement projects involving assessments on unimproved parcels, the City Council may decide to defer assessments at the request of the landowner, according to the following:

1. Activation of deferred assessment. Payment of the deferred assessment shall commence when one of the following events occurs:
a. The property is sold as a single parcel.
b. The property is subdivided pursuant to the applicable zoning ordinance, court order, or registered land survey, unless determined by the City Council that such event does not justify activation of the deferred assessments.
c. The property reverts to the State of Minnesota as a result of tax forfeiture.
d. The property or portion thereof is acquired by condemnation for a subsequent project.
e. At a time mutually agreeable to the property owner and the City.

2. Repayment of deferred assessments. Based upon the type of improvement, the repayment period for any bonds sold to finance the project, and the amount of individual assessments, the City Council shall, prior to the adoption of the assessment, determine the length of time over which the deferred assessments shall be paid and shall select one of the following options for payment of the interest on the deferred assessments:
a. Interest shall be added to the principal amount of the assessment when it first becomes payable; or
b. Interest shall be payable annually at the same times as the principal installments of the assessment would have been payable if not deferred. If the City Council and property owner agree, this interest may be deferred also. The unpaid principal balance of deferred assessments shall accrue interest at the same rate as the assessments not deferred.

276-11. Postponed assessments; apportionment; supplemental assessments.

A. Postponed assessments.

1. If the City advances its own funds to pay for improvement costs relating to property abutting on but not initially assessed for the improvement, the City may reimburse itself for all or any portion of this cost by levying assessments against such property upon notice and hearings provided for the assessments at a later date.

2. If the City advances its own funds to pay for improvement costs that benefit nonabutting property not initially assessed for it, but able to use it when extensions or other improvements are made, the City may include all or any portion of the City costs in assessments for later improvements if notice to that effect is included in the notice of hearing on the matter of undertaking the later extension or improvement.

B. Apportionment of assessments upon subdivision of land. If a special assessment is levied against a tract of land which is later subdivided, the installments remaining unpaid can be apportioned among the various lots and parcels in the tract upon a finding that such apportionment will not materially impair collection of the balance due. This may be done upon application of the property owner or by the City Council acting upon its own motion, but notice of such apportionment and of the right to appeal must be mailed to or personally served upon all owners of any part of the tract. The City Council may, and if the assessment has been pledged towards payment of improvement warrants the City Council must, require the owner or owners to furnish surety bonds.

C. Supplemental assessment and reassessment. The City Council may, subject to legal notice and hearing requirements, make supplemental assessments to correct omissions, errors, or mistakes in the assessment relating to the total cost of the improvement or any other particular item. If an assessment is set aside by a court for any reason or if the City Council finds that the assessment or any part of it is excessive or determines on advice of the City Attorney that it is or may be invalid for any reason, the City Council may upon notice and hearing as required for the original assessment, make a reassessment or a new assessment as to such parcel or parcels.

Isanti

Memo for Council Action

To:	**Mayor Johnson and Members of the City Council**
From:	Jenny Garvey – Parks, Recreation & Culture Manager
Date:	February 4, 2020
Subject:	Resolution to the Amend Isanti Legacy Recognition Policy

---

Background:
The COW reviewed the Isanti Legacy Recognition Policy at the January 21, 2020 meeting and asked staff to bring it back to council

Request:
Staff is requesting council approve the amended Isanti Legacy Recognition Policy

Attachment:

- Resolution 2020-XXX
- Exhibit A-Isanti Legacy Medal Recognition Policy

RESOLUTION 2020-XXX

AMENDING THE ISANTI LEGACY MEDAL RECOGNITION POLICY

WHEREAS, the City Council would like to honor those who, through their actions, have brought positive State or National recognition to the City of Isanti; and,

WHEREAS, the City Council would like to honor those who have served the City of Isanti with distinction; and,

WHEREAS, the Isanti Legacy Medal signifies the importance of City of Isanti residents, and those who are members of organizations within the City of Isanti, have had in building the legacy of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby adopts the Isanti Legacy Medal Recognition Policy, as provided in 'Exhibit A'.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

_____
Mayor Jeff Johnson

ATTEST:

_____
Katie Brooks
Human Resources/City Clerk

Exhibit A

ISANTI LEGACY MEDAL RECOGNITION POLICY

Purpose

To honor those who, through their actions, have brought positive State or National recognition to the City of Isanti or those who have served the City of Isanti in a distinct or extraordinary way.

Policy

The Isanti Legacy Medal signifies the importance of City of Isanti residents, and those who are members of organizations within the City of Isanti, have had in building the legacy of Isanti.

Procedure for Nominating

The following procedure should be followed when nominating an individual(s) for the Isanti Legacy Medal:

- Request a nomination form from the City of Isanti or download off the City website.
- Return the nomination form to City Hall,.
- Nominations will be accepted through the Parks, Recreation and Culture Staff.
- Nominees will be reviewed by the d Committee of the Whole who will make recommendations to the City Council.
- Nominees selected may be recognized annually.

Criteria for Nominating

The following criteria should be followed when nominating an individual(s) for the Isanti Legacy Medal:

- The opportunity is open to all Isanti City residents or members of organizations based in the City of Isanti; no age requirement.
- The nominee has either received State or National recognition or served the City of Isanti with distinction.
- The name and address (home or organization) of the individual nominated shall be provided.
- The reason(s) why this person should be nominated.

Isanti Legacy Medal Nomination Form

The Isanti Legacy Medal recipient is an outstanding individual recognized for positively representing the City of Isanti either by State or National recognition or by having served the City of Isanti with distinction.

Fax: (763) 427-0833
Bolton-Menk.com

MEMORANDUM

Date: January 28, 2020

To: Josi Wood, City Administrator

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation
- Preliminary Engineering Report, Call for Public Hearing, Project Engineering Services
City of Isanti, MN
Project No.: R13.120122

Pursuant to your authorization, we have prepared a Preliminary Engineering Report (PER) for the 6th Avenue SW Rehabilitation. Included in the report are exhibits depicting the proposed improvements, estimated costs and discussion regarding funding and the Minnesota State Statute No. 429 (MS-429) assessment procedure.

Should the Mayor and City Council elect to move forward with the improvements, Bolton & Menk, Inc proposes to complete the following scope of services to enable the project to be completed:

- Prepare documents for the required public hearing
- Prepare Plans and Specifications
- Advertise for bids
- Prepare the recommendation to Council to award bid
- Perform construction administration, observation and surveying during the project
- Prepare the final assessment roll and conduct the final assessment hearing

We recommend the following schedule to keep the project on schedule to be constructed this summer:

1) February 4, 2020 Mayor and City Council accepts Report calls for Hearing on the Improvement and Authorizes Preparation of Plans and Specifications.
2) March 4, 2020 Hold Public Hearing
3) March 4, 2020 Mayor and City Council approves plans and orders advertisement of bids
4) March 31, 2020 Open Bids
5) April 7, 2020 Mayor and City Council awards bid
6) June – October, 2020 Project construction
7) November 10, 2020 Conduct final assessment hearing

We propose to assist the City in completing the project in accordance with the scope of services, for an hourly, not-to-exceed fee of $59,537.00 for plan and specification development through bidding and an hourly, not-to-exceed fee of $54,957.00. These fees were included in the estimated project costs in the Preliminary Engineering Report.

In order to proceed with this project and assessment process, we recommend the City Council pass a resolution accepting the feasibility report, call for a public hearing, and authorize development of the plans and specifications.

I will be at the February 4, 2020 City Council meeting to present this report and respond to any questions you have concerning this project. Feel free to contact me with any questions prior to the meeting.

Bolton & Menk is an equal opportunity employer.

I. PROJECT INTRODUCTION

This Preliminary Engineering Report prepared by Bolton & Menk, Inc., as authorized by the Isanti City Council, provides an initial analysis of the feasibility, cost-effectiveness, and necessity of proposed infrastructure improvements along 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. A portion of the improvement costs may be assessed to benefiting property owners. Public assessments applied to the properties described in this report are subject to the requirements of Minnesota State Statute, Chapter 429 (MS 429). This Preliminary Engineering Report is the first step in the special assessment process required by the MS 429 Statute if assessments are applied.

A. Background Information

6th Avenue SW was recognized as needing infrastructure improvements in the City's Pavement Management Plan (PMP), where it received a rating of 4 out of 10 using the Pavement Surface Evaluation and Rating (PASER) rating system for asphalt roads. 6th Avenue SW is part of the Municipal State-Aid-System (MSAS) and these improvements are eligible for MSAS funding.

B. Scope

This report addresses the necessity for street improvements along 6th Avenue South West. Included in this report is a description of proposed improvements, along with the estimated costs. The specific objectives of this report are to:

- Evaluate the need for the project.
- Determine the necessary infrastructure improvements.
- Prepare cost estimates for the proposed improvements.
- Determine the feasibility of the improvements.

II. MS 429 PROCESS AND PROPOSED SCHEDULE

As mentioned above, infrastructure improvements financed through the assessment of benefiting property owners are regulated by Minnesota Statute, Chapter 429 (MS 429). The process prescribed by MS Chapter 429 along with the proposed project schedule is described below.

The benefited parties submit a petition for the proposed improvements to the City Council or, as in this case; the improvement process was authorized by the City Council without a petition.

The City Council passed a *Resolution Ordering Preparation of Report on Improvement* and ordered a Preliminary Engineering Report (PER) for the proposed project.
This was passed on: November 5, 2019

After the City Council considers the Preliminary Engineering Report, the Council may pass a *Resolution Receiving Report and Calling Hearing on Improvement,* as well as a resolution ordering preparation of plans to indicate its plan to continue the process.
Estimated date: February 4th, 2020

A public hearing on the proposed improvements is held. **Estimated date: March 4th, 2020**

After the City Council considers the presentation of the plans and specifications, it may pass a *Resolution Approving Plans and Specifications and Ordering an Advertisement for Bids.* **Estimated date: March 4th, 2020**

The advertisement for bids should be published in the official local newspaper and trade publication such as the "Construction Bulletin" at least three weeks prior to the bid opening date. **Estimated bid opening date: March 31st, 2020**

If the City Council wishes to continue with the improvements after consideration of bids, the City Council may pass a *Resolution Accepting Bid.* This resolution would award the project to the lowest responsible bidder and construction may begin. **Estimated date: April 7th, 2020**

Following completion of the proposed improvements, a public hearing is held to set the final assessment amounts. **Estimated date: November 10, 2020**

III. EXISTING CONDITIONS

The existing conditions are shown in Appendix B, and described in detail below.

A. 6th Avenue SW

The existing street is approximately 32 feet wide back of curb to back of curb with a D418 surmountable curb & gutter. The roadway is located within an existing 66-foot right-of-way. Currently the bituminous pavement is rated as 4 of 10 according to the PASER rating system in 2014, which has declined further over the past 5 years. A rating of 4 or below signifies the pavement condition is in a failed state and regular maintenance is not cost effective. The city has spent an extensive amount of time patching this roadway over the past few years to keep it in a functioning condition. The pavement shows a significant amount of major distress and is in need of reconstruction. The existing pavement section consists of two-inches (2") of bituminous pavement, and six-inches (6") of aggregate base. It was installed as part of the 1990 Brookview South 1st-3rd Additions. The existing curb & gutter is generally found to be in good condition with only isolated areas in poor condition in need of replacement as seen in the below photo.

Figure 1: Curb Raveling

B. **Sidewalk**

There is currently segmented sidewalk along the west side of 6th Avenue SW. There is existing concrete sidewalk north of Edgewood Street SW that ends after approximately 125'. There is also concrete sidewalk that runs south of South Brookview Lane that ends after approximately 140'.

The current City policy is to install sidewalk along the west side of 6th Avenue SW when new construction is proposed. The City has not added sidewalk on reconstruction projects in the past unless it is found to complete system looping or connect isolated trail segments. The addition of sidewalk along the west side of 6th Avenue will complete this system sidewalk loop.

C. **Stormwater Management**

The existing storm sewer system was installed in 1990 and consists of storm sewer piping and catch basins in 6th Avenue SW at the intersections of South Brookview Lane, Marion Street SW, and Nina Street SW. Mainline piping includes 24-inch pipe with most catch basin leads being 12-inch pipe. All pipes appear to be reinforced concrete with no history of sediment build up or failure.

There are multiple high points along 6th Avenue, where roadway drainage north and south of the high points gathers in surmountable curb and gutter, flows to catch basins, and continues in the storm sewer system until outletting. There are four valley gutters in the project limits at the intersections of Cedar Street SW and Birch Street SW. The valley gutters provide East to West drainage at both intersections. Roadway drainage between the intersection of Nina Street SW and Marion Street SW gather in surmountable curb and flows to catch basins and continues North East until outletting into a City pond. Roadway drainage between the intersections of Page Street SW and the West portion of Birch Street SW gathers in surmountable curb and gutter, flows to catch basins, and continues through the system until outletting into a City pond. The East portion of the intersection at Birch Street SW flows across two valley gutters to the West. The intersections of Cedar Street SW and Dogwood Street SW have roadway drainage outletting into a City pond with two valley gutters allowing drainage from Isanti Hills Park to flow across the intersection East to West. The southern portion of the intersection at Dogwood Street SW drains south into a city pond whilst the East portion of the intersection drains to a pond located east of the project.

D. **Sanitary Sewer**

The sanitary sewer system along 6th Avenue SW was constructed in 1990 with additions constructed in 1991-93. The system consists of 8-inch PVC sanitary sewer mains, with service lines typically 4 to 6-inch in diameter. The sanitary sewer pipe is generally 8 to 12 feet deep. There have been no reported breaks and no reported significant sanitary sewer maintenance issues within the project limits.

E. **Watermain**

Currently, there are 6-inch and 8-inch ductile iron pipe (DIP) watermain within the project limits that was originally construction as part of the 1990 Brookeview South 3rd and 5th additions, with additions constructed in 1990-1991. The DIP watermain has generally been found to be in good condition without a significant number of reported maintenance issues and no reported breaks or frozen pipes.

The 6-inch watermain is located between South Brookview Lane SW and Nina Street SW. All remaining watermain to the south in the project limits is 8-inches. A 10-inch watermain has been installed along 5th Avenue SW with a master plan to loop this trunk watermain to the 10-inch pipe in Nina Street SW. The only constriction in the system in this region at this time

is the 6-inch watermain. Should this be enlarged to an 8-inch main the master plan 10-inch loop can be delayed and system flow would improve.

F. **Isanti Hills Park**

Currently Isanti Hills Park has no parking lot or connection point to the park system from 6th avenue SW. There is a vacant lot at 706 6th Avenue SW which is being used as an access point with no existing easements in place. There is a 15-foot existing easement on the north side of 800 6th Avenue SW which could allocate space for improvements. The park currently has a bituminous trail with access from Cottonwood Street SW which ends on the West side of the park. There is currently no water service or sanitary service to the park.

IV. PROPOSED IMPROVEMENTS

The proposed street improvement is a full depth pavement reclamation of the roadway with spot curb repairs. The addition of 5-foot wide concrete sidewalk on the west side of 6th Avenue South West was also analyzed. The upsizing of watermain to complete the City wide loop of the watermain and some minor storm sewer work is proposed and no sanitary sewer work is proposed with this project. The proposed improvements are shown in Appendix C and described in detail below.

A. **Street Improvements – 6th Avenue SW Full Reclamation**

The proposed street would maintain the existing roadway width and design speed. This design would also keep the existing curb in place with only spot repairs as needed. The existing width meets State Aid requirements providing for two 11-foot wide traffic lanes, one 8-foot wide parking lane, and two feet of reaction distance to the curb where there is no parking. Per the State Aid requirements this road is not wide enough to provide parking on both sides of the street so a no parking resolution will need to be passed by the City Council and signage will be required to be installed. We recommend posting no parking on the east side of 6th Avenue. This will provide the largest separation between pedestrians and vehicle traffic while allowing users of the sidewalk to park adjacent to the walk. The proposed pavement section would consist of three and a half-inches (3.5") of bituminous pavement and six-inches (6") of reclaimed aggregate, which would be adequate for a 9-ton design.

The pavement will be reclaimed 9.5-inches deep, grinding the existing 2-inch bituminous section with the top 6-inches of existing aggregate base and one and a half-inches (1.5") of select granular base. The reclaimed material will be salvaged off site to prevent contamination during the watermain installation and 3.5-inches of the reclaimed material will be excavated and hauled away. Once the excavation is complete the salvaged reclaimed material would be brought back and placed as roadway base material.

B. **Concrete Sidewalk**

A 5-foot wide concrete sidewalk is proposed on the west side of the street. This concrete sidewalk will be constructed with a 6 foot boulevard and will connect the sidewalk ending near South Brookview Lane SW and Edgewood St SW. The installation of sidewalk will require the relocation of five utility poles and require coordination with the power company.

This sidewalk would be a safety improvement reducing vehicle/pedestrian conflicts and completing the system wide loop.

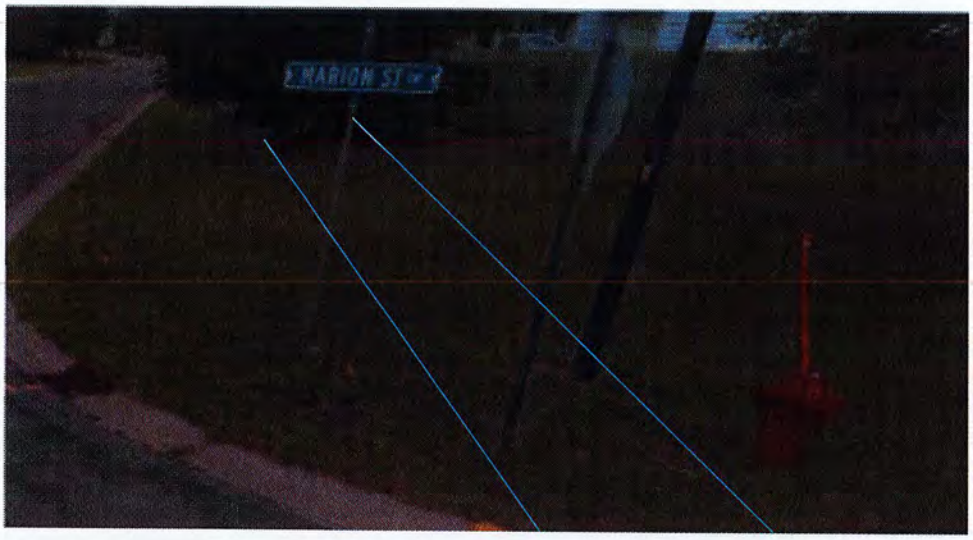

Figure 2: Existing Utility Pole Conflicts with Proposed Sidewalk

C. **Stormwater Management**

The existing storm sewer system will have three catch basins relocated to accommodate space for the sidewalk pedestrian ramps as well as 100 feet of pipe connecting into the existing structures.

The storm sewer has had some drainage issues, however, no existing storm sewer is located near the project that could be extended to 6th Avenue SW. Storm manhole and catch basin castings will be adjusted to fit the proposed surface as needed.

Best Management Practices (BMP's), as required by the Minnesota Pollution Control Agency (MPCA), will be utilized during construction to minimize erosion and sediment runoff from the construction site. These BMP's may include silt fence, stabilized construction exits, and storm water inlet protection.

D. **Sanitary Sewer**

Sanitary sewer within the project limits appears to be in adequate condition and is expected to last for the life expectancy of the proposed street improvements. Therefore, it is proposed the sanitary sewer system remain in-place, adjusting manhole castings as needed to fit the proposed surface.

E. **Watermain**

Proposed watermain improvements include upsizing the mainline from the existing 6-inch to an 8-inch pipe size. The current City watermain system has a 6-inch main section between S Brookeview Lane SW and Nina Street SW. Upsizing the watermain to 8-inch along the project limits would complete a major City wide looping initiative that began in 1989.

To address concerns from the City Public Works staff, any non-functioning valves will be repaired. One water service would be replaced to the Right-of-Way where the 8-inch water main is replaced. A curb patch will be required at the service installation location. The watermain is located under the existing curb so its trench will also require replacing the full curb along the east side of the 6th Avenue SW from South Brookeview Lane SW to Nina Street SW.

F. **Isanti Hills Park**

a. Parking Lot Alternate

The proposed improvements to the access from 6th Avenue SW would include B618 curb and gutter and a bituminous parking lot with 5 stalls. An easement would be required to be obtained from 706 6th Avenue SW to construct these improvements. The existing trail would be extended to the edge of the parking lot. A water service and sewer service would also be installed to the right of way of the park to provide service for a future facility. The additional run-off would drain to the west and follow the valley gutters at the intersection of Cedar Street SW. See Figure D for the concept layout.

b. Bituminous Trail Alternate

The proposed improvements would extend the existing bituminous trail to a new pedestrian ramp on 6th Avenue SW. This trail could fit within the existing easement on 800 6th Avenue SW. There will be no services installed with this alternative. See Figure E for the concept layout.

V. RIGHT-OF-WAY ACQUISITION

Additional Right-of-Way is not expected for the proposed 6th Avenue improvements. An access easement would be required for the Isanti Hills parking lot alternate. No additional permanent easements are anticipated for the bituminous trail alternate. The need for temporary construction easements will be evaluated during the final design process.

VI. APPROVALS/PERMITS

Approvals and permits are required from various public agencies for the construction of this project. They include:

- Minnesota Pollution Control Agency (MPCA) NPDES Stormwater Permit
- Minnesota Department of Health (MDH) Watermain Permit
- Minnesota Department of Transportation (MnDOT) State Aid

VII. PRELIMINARY COST ESTIMATES

The estimated project cost for the improvements is summarized in Table 1, and described in detail in Appendix E. The unit prices for the items of work have been estimated based on similar types of projects completed in the past. The costs shown are estimates that include construction, contingencies, and engineering costs. Actual construction cost would be determined through a competitive bidding process.

Table 1: Estimated Project Costs

6th Avenue IMPROVEMENTS	EST. PROJECT COST
FULL DEPTH RECLAIM	$297,300
WATERMAIN	$67,800
SIDEWALK & DRIVEWAYS	$212,300
TOTAL	$577,400

Isanti Hills Park Parking Lot Alternate	EST. PROJECT COST
PARKING LOT	$48,800
WATERMAIN	$6,500
SANITARY	$7,400
TOTAL	$62,700

Isanti Hills Park Bituminous Trail Alternate	EST. PROJECT COST
TRAIL	$25,400
TOTAL	$25,400

VIII. FUNDING AND ASSESSMENTS

Funding for the project could come from a variety of sources and is broken down as shown in Table 2 and described in detail in Appendix F. Special assessments could be levied in accordance with City Code, Chapter 276 – Special Assessments which states up to 25% of the proposed roadway improvements can be assessed to adjacent land owners at a per front foot basis. It also states that new sidewalk can only be assessed if it is petitioned for by the residents.

MSAS funding allows an advance of up to five years of the City's annual construction allotment of $212,916.00. After the 2020 allotment the City currently has an advance of approximately $61,300 and would be eligible to request up to approximately $1,000,000.00 in additional advanced funding. The City finance department would need to determine how requesting the advance will affect budgeting and bonding.

The proposed concrete sidewalk would not be assessed, as it is new and was not petitioned for by the residents, but it could come out of the State Aid advanced funds. City special assessment ordinance states that new sidewalk can only be assessed if it is petitioned for by the residents.

The water system work is for City-wide improvements and would not be assessed but could come out of the water fund.

Table 2: Funding Sources

6th Ave Reconstruction

Funding Source	Amount	% of Total
Assessments	$74,300	13%
MSAS STREET	$223,000	38%
MSAS WALK	$212,300	37%
Water Fund	$67,800	12%
General Fund	$0	0%
TOTAL	$577,400	100%

Assessment Breakdown	Per Front Foot	Total Frontage
Assessment	$ 32.57	2,282 ft

Average Assessment	$2,752.77
High Assessment	$3,582.70
Low Assessment	$2,442.75

Isanti Hills Park Option A- Parking Lot

Funding Source	Amount	% of Total
Water Fund	$6,500	10%
Sanitary Fund	$7,400	12%
General Fund	$0	78%
Total	$62,700	100%

Isanti Hills Park Option B- Bituminous Trail

Funding Source	Amount	% of Total
General Fund	$25,400	100%
Total	$25,400	100%

IX. RECOMMENDATION

6TH Avenue Reconstruction and Sidewalk

Based on the findings presented in this report, the proposed street improvements are cost effective, necessary, and feasible from an engineering perspective. The concrete sidewalk will be a public safety enhancement and benefit to the City trail system. The watermain improvements would complete the City wide trunk loop and would benefit the City water system. Should the City finance department determine these improvements are financially feasible we recommend that the City Council approve this report, call for a public hearing to follow the MS-429 process, and authorize the preparation of final plans and specifications. We recommend posting no parking on the east side of 6th Avenue. This will provide the largest separation between pedestrians and vehicle traffic while allowing users of the sidewalk to park adjacent to the walk.

Isanti Hills Park

Based on the findings presented in this report, the proposed improvements are cost effective, necessary, and feasible from an engineering perspective. If the City would like to proceed with either park improvement option, it could be added to the overall 6th Avenue improvement project at this time, or be budgeted for in the future.

RESOLUTION 2020-XXX

J.8.a.

RECEIVING FEASIBILITY REPORT, AND CALLING HEARING ON THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution 2019-288 of the City Council adopted November 5, 2019, a report has been prepared by Bolton & Menk, Inc. with reference to the improvement of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. The improvement shall consist of street reconstruction, sidewalk construction, and the installation of watermain. This report was received by the Council on February 4, 2020, and;

WHEREAS, the report provides information regarding whether the proposed project is necessary, cost-effective, and feasible;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The Council will consider the proposed improvement in accordance with the report and the assessment of benefited property for all or a portion of the cost of the improvement pursuant to Minnesota Statutes, Chapter 429, at an estimated total cost of the improvement of $577,400.

2. A public hearing shall be held on such proposed improvement at approximately **7:00 p.m.** on the **4th** day of **March 2020**, in the Council Chambers at Isanti City Hall, 110 1st Avenue NW, Isanti MN, and the City Clerk shall give mailed and published notice of such hearing and improvement as required by law.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

RESOLUTION 2020-XXX

J.8.b.

AUTHORIZING PREPARATION OF PLANS ON THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution 2019-288 of the City Council adopted November 5, 2019, a report has been prepared by Bolton & Menk, Inc. with reference to the improvement of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. The improvement shall consist of street reconstruction, sidewalk construction, and the installation of watermain. This report was received by the Council on February 4, 2020, and;

WHEREAS, as recommended in the Preliminary Engineering Report, in order to keep the proposed project on schedule for a March 2020 bid opening, it is recommended that development of plans and specifications begin in advance of the public hearing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for this improvement and shall prepare plans and specifications for the making of such improvement.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

Attest:

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Travis Muyres, Chief of Police
Date: February 4, 2020
Subject: Authorizing Purchase of 2019 AWD Dodge Durango and Associated Equipment

---

Background:
The Isanti Police Department has a fleet plan to purchase patrol vehicle in 2020 in accordance to Capital Improvement Plan. The 2020 budget for Fund 920 has allocated $46,350 for this purchase.

Dodge Durango AWD V8	29985
Emergency Equip And setup	11809.38
Printer	441.99
Radar	2966
Graphics	960
Watchgaurd system	6230
Radio	3837.5
Toughbook computer	3496.5
	59726.37

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, they should by motion, take the following actions:

1. Approve purchase of 2020 Dodge Durango AWD and associated equipment and authorize the Finance Director to amend the budget accordingly.

- Res 2020-XXX
- Vehicle and Equipment Quotes

RESOLUTION 2020- XXX

AUTHORIZING PURCHASE OF 2019 DODGE DURANGO AWD AND EQUIPMENT

WHEREAS, the police department capital improvement plan approves purchase of police vehicle and equipment for 2020; and,

WHEREAS, the purchase quote for vehicle was utilized under state bid and quotes to equip vehicle as follows:

Dodge Durango AWD V8	29,985.00
Emergency Equip And setup	11,809.38
Printer	441.99
Radar	2,966.00
Graphics	960.00
Watchgaurd camera system	6,230.00
Radio	3,837.50
Toughbook computer	3,496.50
TOTAL	**59,726.37**

WHEREAS, the total purchase amount of vehicle and equipment is $59,726.37; and,

WHEREAS, funding for purchase would be Capital Outlay 101-42110-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. The purchase of a 2020 Dodge Durango AWD V8 pursuit vehicle.
2. To purchase necessary emergency equipment and outfit said vehicle.
3. Authorize the Finance Director to make necessary budget adjustments based on actual final cost.
4. Authorize staff to sign required documentation for the purchase of vehicle and equipment .
5. Authorize payment, if needed at the time of delivery prior to inclusion on Accounts Payable listing.

This resolution was duly adopted by the Isanti City Council the 4th day of February 2020

Product Overview

Main Features

- Vehicle Kit
- printer
- monochrome
- thermal paper
- A4/Legal
- 203 x 200 dpi
- up to 8 ppm
- USB 2.0

Cover your on-the-go printing requirements with the Brother PocketJet PJ-722 Direct Thermal Printer with vehicle kit. With a black and white maximum resolution of 200 dpi, this full-page thermal printer delivers crisp documents. It efficiently prints A4, Legal, Letter A size and Roll media types at a rate of 8 ppm. The monochrome printer is powered and connected to a choice of computer through USB 2.0 interface. When not connected to any system, an optional Li-ion battery in this Brother portable thermal printer provides a run-time 600 pages on a single charge.

- Mobile thermal printer for quick and easy ready to print experience
- USB 2.0 connectivity for flexible and reliable connection
- Car power adapter to power the printer directly from your vehicle

Re: Purchase of Motorola radio communications equipment -**MN Contract # #119587**

This letter serves as authorization for Motorola Solutions to place an order for the communications equipment on the attached sheet for a purchase price of $3,837.50. The City of Isanti agrees to pay Motorola Solutions for the equipment "Net 30 days upon shipment" to:

Granite Electronics
535 N 31st Ave.
St Cloud MN 56303

When Motorola Solutions invoices the City of Isanti, the invoice should reference 800 MHz Radios and be sent to Chief Gene Hill at the following address:

City of Isanti
Po Box 428
Isanti MN 55040
Attn: Police Chief Travis Muyres
(NO e-Invoicing)

For taxation purposes, even if tax-exempt, the equipment sold to City of Isanti will ultimately reside at the following address:

City of Isanti
401 1st Ave N.
Isanti MN 55040

Payments can be authorized solely on this document. I submit that I am a duly authorized official of our entity and that my signature makes this a legal and binding document and that funding has been encumbered for this order. If you have any questions regarding this order, please feel free to contact Travis Muyres at 763-444-4761.

Sincerely yours,

By: _____

Request for City Council Action

To: Mayor Johnson and Members of the City Council
From: Matt Sylvester, Public Services Director
Date: February 4, 2020
Subject: Resolution 2020-XXX Approving Boiler Replacement at the Public Works Shop

---

Background:
In December of 2019 the shop boilers broke down and were not functioning. We called TM Johnson Brothers out to make repairs. TM Johnson Brothers informed us that the boilers were not repairable and would need to be replaced.
The boilers are listed on the 20 year capital improvement plan as "In-floor Heat Boilers (2)" in fund 920 in the Streets department. The boilers had been scheduled for replacement in 2022 at an estimated cost of $26,225. Unfortunately they need to be replaced now as we are only running on the make-up air unit. To accept the recommended quote, Council would authorize by resolution, acceptance of the quote and also authorize the Finance Director to amend the 2020 budget to allow for the expenditure. Future 20 year Capital Improvement Plans will then reflect that change and the estimated 25 year useful life would remain unchanged. Future replacement of the boilers would be planned for year 2045.

Staff reached out to five different vendors for quotes.

- Sun Mechanical
- AIRESERV
- Deans Heating
- TM Johnson Brothers
- Precision Plumbing and Heating

Recommendation:
Staff is recommending Deans Heating due to their expertise and willingness to solve the issues we have with the shop boilers.

Request:
Staff would like action on this item to replace the Boilers at the Public Works Shop.

Attachments:

- Resolution 2020-XXX
- Quote- Sun Mechanical
- Quote AIRESERV
- Quote- Deans Heating
- Quote- TM Johnson Bros
- Quote -Precision Plumbing and Heating

RESOLUTION 2020-XXX

AUTHORIZING THE INSTALLATION OF NEW SHOP BOILERS

WHEREAS, the Public Works shop boilers are broke down and are unrepairable and in need of replacement: and,

WHEREAS, the following quotes were received:

Vendor	**Quote**
Sun Mechanical	$47,798.00
Precision Plumbing and Heating	$43,125.00
Deans Heating	$31,775.00
AIRSERV	$31,175.00
TM Johnson Brothers	$25,175.00

WHEREAS, the purchase is unbudgeted, the funding source is defined as Capital Replacement Fund (Fund 920) fund balance, increasing budgeted expenditures to 920-43100-500 Capital Outlay; and,

WHEREAS, the vendor will take the old boilers back with them for recycling;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the quote from_____ in the amount of _____ and allow the Finance Director to make the necessary budget adjustments.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

Description	Qty	Cost	Total
Thanks for the opportunity to provide and estimate to replace the boiler heating system in the facility. Looking at the system it does need to be completely replaced. This estimate will include all components / equipment to be fully functional and efficient update to the system in place. We are basing this on a 42 BTU's per sq. ft. calculation. System will be flushed and refilled up to 75 gallons of Glycol			
City of Isanti Permits allowance	1	235.00	235.00
Note: We are not responsible for the integrity of existing piping underneath the slab or existing manifolds.			
BASE BID HEATING:	1	42,890.00	42,890.00
Please examine this estimate carefully. We agree to provide the products on this estimate. Errors are subject to change. This estimate is effective for 30 days from the date of estimate. Payment is 100% due upon completion. An annual interest rate of 18% will be applied to all invoices not paid within 30 days of the invoice date. I have read and understand the above notice and agree to these terms. X_____			

Have a great day!

City: Isanti

WORK TO BE PERFORMED AT
Date: December 26, 2019
Name: Public Works Building
Address: 100 Isanti Pkwy S, Isanti

Telephone : Matt Sylvester 763-772-5850 email: msylvester@cityofisanti.us

We hereby propose to furnish all materials and perform all the labor necessary for the completion of Heating Venting and Air Conditioning for the public works building.

Price Includes the Following:
Replacement of in-floor heating system to include boiler, piping (near boiler and to manilods), pumps, controls, and flushing and freeze control (to -30 degrees) of system. Correcting the piping and control of the system is necessary to facilitate proper operation of system. Simply replacing the existing boilers with piping as is will result in the system not heating properly and short system life of the boilers.

Boiler will be an NTI TFT399, 94% AFUE, modulating boiler.

All piping, venting, gas piping, and control wiring completed.

All material is guaranteed to be as specified, and the above work performed in accordance with the drawings and specifications submitted for the above work and completed in a substantial workmanlike manner for the sum of: **DOLLARS($31,775.00)**

Payment as follows- 60% upon acceptance of proposal, balance on completion.

RESPECTFULLY SUBMITTED: ___**Loren** _Per Dean's Heating and Air Conditioning Inc.

NOTE: this proposal may be withdrawn by us if not accepted within 90 days.
Any alteration or deviation from the above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimate. Owner to carry fire, tornado and other necessary insurance. Workman's Compensation and Public Liability insurance on above work to be taken out by Dean's Heating and Air Conditioning Inc.

ACCEPTANCE OF PROPOSAL:
The above priced specifications and conditions are satisfactory and are hereby accepted You are authorized to do the work as specified. Payment will be made as outlined above.

Quote for boilers at Public works building 100 Isanti Parkway W

Replacement of 2 cast iron slant fin boilers and existing pumps with:

2 – Navien NHB-150 wall mount 95% AFUE natural gas boilers

- All new boiler pumps and piping including floor pumps and all related piping to be revised as necessary to have entire system work properly
- System water treatment and boiler antifreeze
- New expansion tank
- PVC vent and intake piping
- Gas piping to existing gas service
- New electrical wiring for 2 new boilers and all new pumps
- City of Isanti permit and inspection fees
- Removal and disposal of old boilers and all scrap

Note: These new boilers will qualify for Centerpoint rebate, exact amount determined by Centerpoint not reflected in this quote

We propose hereby to furnish material and labor – complete in accordance with above specifications, for the sum of: $ **25,175.00**

Payment to be made as follows: In full upon completion of work

All material is guaranteed to be specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviations from above specifications involving extra costs will be executed only upon written orders and will become an extra charge over and above the quote. All agreements are contingent upon strikes, accidents or delays beyond our control. Homeowner agrees to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workman's Compensations Insurance. Unless specified differently above, proposal is valid for 30 days from date on top of this page.

Acceptance of Proposal—The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 4, 2020
Subject: Resolution 2020-XXX Designating Northland Securities as Municipal Financial Advisors

---

Background:
In 2014 the City designated Northland Securities for TIF/Abatement consulting services with a 5-year service contract. The contract has expired and Northland has proposed a new agreement. The following terms have been proposed:

Effective Date: January 2020 through December 31, 2024.

Service	Proposed Rates	2014-2019 Rates
New Tax Increment District-Economic Development District	Hourly - $175/hour, not to exceed $5,500	Hourly - $160/hour not to exceed $4,800
New Tax Increment District – all other districts	Hourly - $175/hour, not to exceed $9,000	Hourly - $160/hour not to exceed $3,200
New Abatement Project	Hourly - $174/hour, not to exceed $3,500	
Economic Development Services	$175/hour	

Staff recommends approving the proposed service contract with the understanding that we are not solely limited to using Northland's services and we may use other advisors as we see fit.

Request:
Consider resolution of approval.

RESOLUTION 2020-XXX

SELECTING NORTHLAND SECURITIES FOR TIF/ABATEMENT CONSULTING SERVICES

WHEREAS, the 5-year term of the TIF / Abatement Consulting Services contract has concluded in 2019; and,

WHEREAS, TIF / Abatement Consulting Services are necessary to assure that TIF/Abatement and other development projects are managed properly by City Staff and/or Consultant; and,

WHEREAS, Northland Securities has met expectations for TIF / Abatement Consulting Services for the 5-year contract and has submitted a proposal (Exhibit A) to continue those services for the City for another 5-year term according to the attached proposal; and

WHEREAS, entering into this agreement does not preclude the city from seeking other advisors dependent on the project;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby select Northland Securities for TIF/Abatement Consulting Services according to the terms outlined in the attached service agreement (Exhibit A).

This Resolution hereby approved by the Isanti City Council this 4th Day of February 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

NORTHLAND SECURITIES

MEMORANDUM

To:	Sheila Sellman, Community Development Director City of Isanti
From:	Jessica Green, Managing Director Public Finance
Date:	January 2, 2020
Re:	Tax Increment Financing and Tax Abatement Services

It is been our pleasure to work with the City of Isanti on tax increment financing and tax abatement projects. We believe Northland has been a valuable asset to the City over the past many years and we hope to continue our relationship with the City in the years ahead.

Northland's current Economic Development Services Agreement expired as of December 31st, 2019 and we would propose to enter into a new agreement for professional services with the City. To that end, we propose the following compensation for our services, effective January 1, 2020 through December 31, 2024.

Service	**Proposed**
New Tax Increment District – Economic Development District	Hourly - $175/hour / Not to exceed $5,500
New Tax Increment District – All other district types	Hourly - $175/hour / Not to exceed $9,000
New Abatement Project	Hourly - $175/hour / Not to exceed $3,500
Economic Development Services	$175/hour

As you can see, our compensation approach provides upside cost protection, but allows the City to benefit if and when projects require less time (and expense).

In addition, the following factors apply:

1. Services for the creation of new TIF districts cover the activities needed to prepare the tax increment financing plan and to conduct the statutory approval process. It does not include services related to the creation of development agreements.
2. No additional compensation is due for the authorization of tax abatement directly related to the issuance of Tax Abatement Bonds.

3. Northland will provide a scope of work and not to exceed cost for work performed on an hourly basis.
4. These terms apply as long as Northland provides debt issuance and management services to the City. At such time that Northland no longer provides such services, all work will be billed at the then current hourly rates subject to a scope of work and budget approved by the City.

I will be the lead staff person for these services in Isanti, and Tammy Omdal will provide support as necessary, as determined by the scope of each project.

Should you have any questions regarding this memo, please do not hesitate to let me know.

RESOLUTION 2020-XXX

OFFERING THE INTERNAL POSITION OF LIQUOR STORE CLERK III TO DANYETTE PHELPS

WHEREAS, the City Council of the City of Isanti is required to approve hiring of all employees; and,

WHEREAS, the Liquor Store Clerk III posting was made available to all internal Liquor store staff; and,

WHEREAS, interviews were conducted for the Liquor Store Clerk III position and the interview panel deemed current Part-time Liquor Store Clerk employee Danyette Phelps to be the best candidate for the position; and,

WHEREAS, the position of Liquor Store Clerk III is a part-time and not benefit eligible; and,

WHEREAS, the promotion for Danyette Phelps will open an open position for a part-time Liquor Store Clerk that staff is directed to fill;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Human Resources has offered the Liquor Store Clerk III position to Danyette Phelps for the City of Isanti and that she will be eligible to start in that position effective immediately.
2. That Danyette Phelps shall start at step 1 of the wage scale at $14.60 per hour.
3. Human Resources are authorized to complete all required documentation for the position change.
4. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

Attest:

Mayor Jeff Johnson

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 4, 2020
Subject: Resolution 2020-XXX Approving staff to submit applications for grants pertaining to Community Development

---

Background:

Staff has been made aware that the City would be eligible to apply for funding of grant dollars to help support the Community Development Department. Due to short notice of when staff is made aware of potential grant opportunities, staff may need to apply in a short timeframe not allowing time to get City Council approval to apply. This resolution is keeping in line with the resolution that was recently approved for The Parks, Recreation and Culture Department.

Staff is recommending approval to apply for grant opportunities based upon discretion of the Community Development Director as it pertains to Community Development, which includes economic development and to complete the work to submit applications by the deadline of each grant.

Request:
Consider resolution for approval.

RESOLUTION 2020-XXX

APPROVING STAFF TO SUBMIT APPLICATIONS FOR GRANTS PERTAINING TO COMMUNITY DEVELOPMENT

WHEREAS, City staff is continually notified of eligible grant opportunities; and,

WHEREAS, the City of Isanti has been awarded grants for Community Development including Economic Development projects in the past; and,

WHEREAS, each year there are grants available specific to the types of activities conducted by the Community Development Department through organizations like DEED, EDAM, East Central Regional Development Commission, MN Economic Development Foundation and other organizations; and,

WHEREAS, City staff has approval for submission of applications to grants listed above and to future grant opportunities that pertain to the Community Development department. Submittal of grants that fit within the described areas will be based upon City staff's discretion and their ability to complete the background work to submit the application; and,

WHEREAS, if awarded funding through grant opportunities as outlined in this resolution, funds would be accepted through City Council and distributed through the EDA or the City.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve City staff to apply for grant opportunities that pertain to Community Development on a continual basis as needed.

This Resolution hereby approved by the Isanti City Council this 4th day of February 2020.

- Exhibit B - City Hall display case reservation and agreement form

RESOLUTION 2020-XXX

RESOLUTION APPROVING CITY HALL DISPLAY CASE POLICY AND RESERVATION/AGREEMENT FORM

WHEREAS, City Council was presented with a request from a local non-profit group to display items within a city facility; and,

WHEREAS, the City of Isanti has determined that it is in the City's best interest to develop a policy for the city hall display case; and,

WHEREAS, the Committee of the Whole reviewed a draft policy on November 19, 2019 and January 21, 2020 and recommends approval; and,

WHEREAS, Staff has developed a city hall display case policy and reservation/agreement form 'Exhibit A and B', respectively;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the city hall display case policy and reservation/agreement form, 'Exhibit A and B'.

Exhibit A

CITY OF ISANTI DISPLAY CASE POLICY

The City of Isanti offers a designated display case, located in the front lobby of city hall to non-profit groups based in the City of Isanti for the display of civic, cultural, educational, and public information exhibits. Use of the display case is subject to the following rules and regulations:

1. A Display Case Reservation and Agreement Form must be completed and signed prior to any public use of the display case.

2. Permission to a group to use the display case does not constitute the city's endorsement of the policies or beliefs, or organization represented in the display.

3. The City assumes no responsibility or liability for the preservation, protection, loss of or damage to any part of a display at any time. All items brought to and placed in the display case are done so at the owner's risk.

4. The display case may not be used for:
   a) Promotion or representation of partisan or individual candidates' political meetings or events (such as political rallies, demonstrations, movies, fundraisers, promotion, protesting, or endorsement of political candidates or agenda).
   b) Promotion or representation of specific religious or philosophical/motivational groups
   c) Promotion or representation of personal or family interests
   d) Promotion or representation of a for-profit business
   e) Displays of a polemic or discriminatory nature
   f) Display of material which is obscene, defamatory, invades a particular person's privacy, or incites violence.
   g) Promotion or representation of any activity or purpose that is in violation of local, state, or federal ordinances or laws, including copyright and public performance laws.

5. The city's display case is not available to individual political parties, candidates, or to individuals or groups who wish to use it to support or oppose political parties or candidates.

6. The determination of the appropriateness of the display or material for posting is solely the decision of city staff or delegated representative.

7. All proposed displays must be artistically pleasing and professionally executed.

8. A sign explaining the display and/or organization should appear "professional" and be done on a computer in a font that is large enough to read or in some sort of stencil.

9. The city display case is kept locked at all times except during setup and removal.

10. No display materials may be left anywhere at city hall in preparation for the setting up or removal of a display. Set up and removal must take place during regular city hall office hours.

11. No hardware, equipment, or objects are allowed in display or in the setting up of the display that may result in the damaging of any of the display case. If such damage occurs, the group or individual responsible for the display will be held responsible. The potential for any such damage may be considered grounds for denial of the display case application. If the setting up of the display would interfere with normal city activities and work, the display will not be permitted.

12. The display case that is designated for the public use display case may contain one group's items at a time.
    a) The area for displaying items will be delegated to each group by the city.

13. A display may remain in the case for six (6) calendar months.
    a) If no other group requests to display items, the group that is currently in the case may extend their time by another 6 months.

14. The use of a city display case is a privilege -- not a right -- and is subject to the City's sole and exclusive discretion. Accordingly, the city reserves the right to deny the use of the display case to any group or individual.

15. The city reserves the right to cancel any scheduled display providing the organization receive a 7 days' notice.

16. If a group or an individual violates the policies or procedures associated with the display case, future use of the display case will not be permitted.

17. If an organization is denied the use of the display case, it can appeal to the City Council.

18. The display case must be restored to its original condition.

19. Groups are required to pick up item(s) after the display time has ended within 2 weeks. If items are not collected within 2 weeks, items will be discarded.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
January 28, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:02 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: None added, motion by Zdon, second by Witte to approve the agenda for January 28, 2020. Motion passed 4-0.

2. Oath of Office: recited by Zdon. Election of chair motion by Witte to nominate Zdon for chair position, seconded by Gordon. Zdon accepted and motion passed 4-0. Witte volunteered to be Vice chair. Thum motioned to nominate Witte to vice chair and seconded by Gordon. Motion passed 4-0. Secretary is assigned to staff, Jenny Garvey (PRC Manager)will be secretary. The annual review of the conflict of interest forms for two members: Brian Thum and James Witte, to be handed back into staff by end of night.

3. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from November 26, 2019. Motion passed 4-0.

4. Review of the Parks, Recreation and Culture Board meeting dates: Garvey reviewed the 2020 dates along with the material submittal dates for 2020 and reminded the board members that if they have an item they would like added to an agenda these are the dates to have items in to staff by. Council already approved schedule not need for motion.

5. Review of Adopt A Park Program Policy and Forms:
In March 2019, staff presented this to the PRC board to review and to come back with changes. Garvey reviewed and updated those changes and is now bringing this back to the board to review. Zdon asked about how this program is being promoted. Garvey responded that staff will utilize Facebook, the city website and the Isantian (city newsletter) to promote this program. Staff was not sure how this was promoted in the past besides just being on the website. Witte also suggested the bulletin board at Coborn's or flyers in the schools. Thum suggested signs at the parks themselves to help promote this program.. Thum motioned to approve the Adopt A Park program policy and forms, seconded by Witte. Motion passed 4-0.

6. Department Updates:
Garvey said that movie night went well with 40 in attendance in December and in January with 31 in attendance and both nights were hosted by Northern Elements Cheer. Movie night for February will be hosted by Isanti Ambassadors. Thum asked if groups have to be specifically located in Isanti. Staff was unsure if they had to be within the city, but noted that a group within the city would have precedence over an outside group and would look more into the detail of this. Staff will review this more and get back to the board. The pleasure rink opened on December 20 for the season and the ice has been maintained by Public Works and has been able to use the new water truck to make smooth ice, even with the temperature fluctuations and staff has noticed that the public is using it and have seen users on the ice. Thum replied that he has used it and the ice is the best it has been in years. Garvey reviewed that curious creatures has been revamped a bit with a new time of 9-10am and utilizing the Isanti Community Center for the winter months to be able to have it go with bad weather days and will still have the option to have the kids go outside. Staff reviewed that the cost will go from $3 to $2 with the decrease in the timeframe of the program. Zdon asked if it affected the cost, staff responded that it would not and this fee is only for non-resident. The board agreed that this was ok with this change of cost. Garvey reviewed that the city had an open house for the city master comp plan. Garvey is still in the process of compiling the PRC comp plan, which is a separate item than the master city comp plan. Staff reviewed the 2020 goal setting from the previous night, staff will move forward with the new programs of a medallion hunt, kids fun day at jubilee days, free tennis lessons, rocket building, candy cane flashlight hunt, family day in winter and daytime movies. Staff will continue for further review are an egg hunt, parade float and fireworks.

DRAFT

Adjournment: Motion by Witte, second by Thum to adjourn the January 28, 2020 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:30 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation, and Culture Manager

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 28, 2020
Subject: City Code Chapter 76 – Alcoholic Beverages

Background:

Staff has finished a complete review and update of City Code Chapter 76, Alcoholic Beverages. Included in the update is new language for licensing of culinary class limited licenses, micro distilleries and microdistillery cocktail rooms, municipal liquor store, as well as updated language in other sections.

The City Attorney has reviewed the updated city code.

Recommendation:

Committee of the Whole reviewed the proposed updated City Code Chapter 76, Alcoholic Beverages and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 76, Alcoholic Beverages

Attachments:

- Ordinance XXX – An Ordinance Regulating the Possession, Sale and Consumption of Alcoholic Beverages within the City of Isanti, Minnesota

ORDINANCE NO. _____

AN ORDINANCE REGULATING THE POSSESSION, SALE AND CONSUMPTION OF ALCOHOLIC BEVERAGES WITHIN THE CITY OF ISANTI, MINNESOTA

THE CITY COUNCIL OF THE CITY OF ISANTI HEREBY ORDAINS AS FOLLOWS:

The Code of the City of Isanti, Chapter 76, Alcoholic Beverages, is hereby deleted in its entirety and amended to read as follows:

Article I State Law, Definitions and Public Consumption

§ 76-1. Adoption of State Law by reference.

The provisions of Minn. Stat. § 340A, as they may be amended from time to time, with reference to the definition of terms, conditions of operation, restrictions on consumption, provisions relating to sales, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor and 3.2 percent malt liquor are hereby adopted by reference and are made a part of this Chapter as if set out in full. It is the intention of the City Council that all future amendments to Minn. Stat. § Ch. 340A are hereby adopted by reference or referenced as if they had been in existence at the time this Chapter is adopted.

§76-2. City may be more restrictive than State Law.

The Council is authorized by the provisions of Minn. Stat. § 340A.509, as it may be amended from time to time, to impose, and has imposed in this Chapter, additional restrictions on the sale and possession of alcoholic beverages within its limits beyond those contained in Minn. Stat. § 340A, as it may be amended from time to time.

§ 76-3. Definitions.

In addition to the definitions contained in Minn. Stat. § 340A.101 as it may be amended from time to time, the following terms are defined for purposes of this Chapter:

AIDING AND ABETTING – Adults that are participating, aiding, allowing in any illegal activity related to the event or gathering.

ALCOHOL – Means ethyl alcohol, hydrated oxide of ethyl, or spirits of wine, whiskey, rum, brandy, gin or any other distilled spirits including dilutions and mixtures thereof from whatever source or by whatever process produced.

ALCOHOLIC BEVERAGE - Alcohol, spirits, liquor, wine, beer, and every liquid or solid containing alcohol, spirits, wine, or beer, and which contains one-half of 1 percent or more of alcohol by volume and which is fit for beverage purposes either alone or when diluted, mixed, or combined with other substances.

APPLICANT- Any person making an application for a license under this article.

BEER – Malt liquor that contains not less than one half of 1 percent of alcohol.

BREWER – A person who manufactures malt liquor for sale.

BREW PUB – An establishment in which malt liquor is brewed or manufactured for sale and consumption on tap at the premises where the malt liquor is brewed or for sale and personal consumption off the brewer's premises. It is also a restaurant pursuant to the definition in this Section.

CLUB – An incorporated organization under the law of the state for civic, fraternal, social, or business purposes, for intellectual improvement or for the promotion of sports, or a congressionally chartered veteran's organization which has more than 50 members, has owned or rented a building or space in a building for more than one year that is suitable and adequate for the accommodation of its members, and is directed by a board of directors, executive committee, or other similar body chosen by the members at a meeting held for that purpose. No member, officer, agent or employee shall receive any profit from the distribution or sale of beverages to the members of the cub, or their guests, beyond a reasonable salary or wages fixed and voted on each year by the governing body.

EVENT OR GATHERING - Any group of three or more persons who have assembled or gathered together for a social occasion or other activity.

GUEST – A person not a member of the club licensee but present on the club-licensed premises in the company of a host member.

HOST - To aid, conduct, allow, entertain, organize, supervise, control, or permit a gathering or event.

HOTEL – An establishment where food and lodging are regularly furnished to transients and which has:

A. A dining room serving the general public at tables and having facilities for seating at least 30 guests at one time.

B. At least 25 guest rooms.

INTOXICATING LIQUOR – Ethyl alcohol and distilled, fermented, spirituous, vinous, and malt beverages containing in excess of 3.2 percent alcohol by volume.

LICENSE – A document issued by the City to an applicant permitting them to carry on and transact the business stated therein.

LICENSE FEE- The money paid by the City pursuant to an application and prior to issuance of a license to transact and carry on the business stated therein.

LICENSED PREMISES – The premises described in the approved license application. The license may be issued only for a space that is compact and contiguous. In the case of a restaurant or a club licensed for on-sale of alcoholic beverages and located on a golf course, the term "licensed premises" includes the entire golf course, except for areas where motor vehicles are regularly parked or operated.

LIQUOR - As used in this ordinance, without modification by the words "intoxicating" or a "3.2 percent malt" includes both intoxicating liquor and 3.2 percent malt liquor.

3.2 PERCENT MALT LIQUOR – Any beer, ale, or other beverage made from malt by fermentation and containing not less than one half percent alcohol by volume and not more than 3.2 percent alcohol by weight.

MANUFACTURER – Every person who, by any process of manufacture, fermenting, brewing, distilling, refining, rectifying, or blending, or by the combination of different materials, prepares or produces intoxicating liquor for sale.

OFF-SALE – The sale of alcoholic beverages in original packages for consumption off the premises only.

ON-SALE- The sale of alcoholic beverages for consumption on the licensed premises.

PARENT - A person having legal custody of a juvenile:

A. As natural, adoptive parent, or step-parent;
B. As a legal guardian; or
C. As a person to whom legal custody has been given by order of the court

PERSON - "Person" means any individual, partnership, co-partnership, corporation, or any association of one or more individuals.

RESIDENCE OR PREMISES - Any home, yard, farm, field, land, apartment, condominium, hotel or motel room, or other dwelling unit, or a hall or meeting room, park, or any other place of assembly, public or private, whether occupied on a temporary or permanent basis, whether occupied as a dwelling or specifically for a party or other social function, and whether owned, leased, rented, or used with or without permission or compensation.

RESTAURANT- An eating facility, other than a hotel, open to the general public under the control of a single proprietor or manager, where meals are regularly prepared on the premises, where full waitress/waiter table service is provided, where a customer orders food from printed menus and where the main food course is served and consumed while seated at a single location. To be a restaurant as defined by this section, an establishment shall have a license from the state as required by Minn. Stat. § 157.16, as it may be amended from time to time, and meet the definition of either a "small establishment," "medium establishment" or "large establishment" as defined in Minn. Stat. § 157.16, subd. 3(d), as it may be amended from time to time. The facility shall have a minimum seating capacity for at least 30 guests. An establishment which serves prepackaged food that receives heat treatment and is served in the package or frozen pizza that is heated and served, shall not be considered to be a restaurant for purposes of this ordinance unless it meets the definitions of a "small establishment", "medium establishment" or "large establishment".

UNDERAGE PERSON- Any individual under twenty-one (21) years of age.

WHOLESALER – Any person who sells alcoholic beverages to persons to whom the sale is permitted under Minn. Stat. § 340A.310, from a stock maintained in a warehouse in the state.

§ 76-4. Consumption in public places.

No person shall consume intoxicating liquor or 3.2 percent malt liquor in a public park, on any public street, sidewalk, parking lot or alley, or in any public place other than on the premises of an establishment licensed under this ordinance, or where the consumption and display of liquor is lawfully permitted. Licenses for intoxicating liquor or 3.2 percent malt liquor as per section 76-4 of this chapter may be granted in conjunction with a special event permit, as approved by the city.

§ 76-5. Exceptions

A. Section 76-4 shall not apply to the extent that temporary license for the sale of 3.2 percent malt liquor have been granted or will be granted to clubs, charitable, religious, and non-profit organizations, which such licenses contemplate sale and consumption at any of the prohibited places set forth in Section 76-4 at the time and place for which the temporary license has been granted.

B. Section 76-4 shall not apply if the consumption of intoxicating liquor or 3.2 percent malt liquor occurs in any of the prohibited places designated therein if a valid license or permit has been issued.

C. Section 76-4 shall not apply if consumption of intoxicating liquor or 3.2 percent malt liquor occurs at the Isanti Community Center if arrangements for the use of the Community Center which contemplate such consumption have been property made with the City Administrator or their designee, and all required fees for same have been paid.

ARTICLE II Licensing and Operation

§ 76-6. Raffles, Silent Actions, and fund-raising events for charitable purposes of wine, beer or intoxicating liquors.

No person shall conduct a silent auction, raffle of other fund-raising event pursuant to Minn. Stat. § 340A.707 with prizes or awards of wine, beer or intoxicating liquors without notifying the city clerk of the event at least ten days prior to the occurrence of the event. The event holder shall provide the city with the following information: the person or organization holding the event, the day, time and location of the event, type of fund raising event (silent auction, raffle or otherwise), type and amount of wine, beer, intoxicating liquor to be awarded as prizes, and the charitable purposes to which the event proceeds will be donated.

§ 76-7. Number of licenses which may be issued.

The Council may issue the number of licenses authorized by statute or restrict such number from time to time, as authorized by Minn. Stat. § 340A., as it may be amended from time to time.

§ 76-8. Term and Expiration of Liquor Licenses.

Each license shall be issued for a maximum period of one year. All licenses, except temporary licenses, shall expire on March 31 of each year. Temporary licenses expire according to their terms. Consumption and display permits issued by the Commissioner of Public Safety, and the accompanying city consent to the permit, shall expire on March 31 of each year.

§ 76-9. Kinds of Liquor Licenses.

The following types of licenses are issued under this Chapter.

A. 3.2 percent malt liquor on-sale licenses, which may be issued to drugstores, golf courses, restaurants, hotels, clubs, bowling centers, and establishments used exclusively for the sale of 3.2 percent malt liquor with the incidental sale of tobacco and soft drinks, and served for consumption on the premises only.

B. 3.2 percent malt liquor off-sale licenses, which may be issued to general food stores and drugstores and permit the sale of 3.2% malt liquor at retail in the original package for consumption off the premises only.

C. Temporary 3.2 percent malt liquor licenses which may be issued only to a club, charitable, religious, or nonprofit organization. The temporary license may authorize the sale of 3.2 percent malt liquor in any school or school building.

D. On-sale intoxicating liquor licenses, which may be issued to the following establishments as defined by Minn. Stat. § 340A.101, as it may be amended from time to time,

and this ordinance: hotels, restaurants, bowling centers, theaters, clubs or congressionally chartered veterans' organizations, theaters and exclusive liquor stores. Club licenses may be issued only with the approval of the Commissioner of Public Safety. The Council may in its sound discretion authorize a retail on-sale licensee to dispense intoxicating liquor off the licensed premises at a community festival held within the city under the provisions of Minn. Stat. § 340A.404, subd. 4(b) as it may be amended from time to time. The Council may in its sound discretion authorize a retail on-sale licensee to dispense intoxicating liquor off the licensed premises at any convention, banquet, conference, meeting, or social affair conducted on the premises of a sports, convention, or cultural facility owned by the City, under the provisions of Minn. Stat § 340A.404, subd. 4(a) as it may be amended from time to time; however, the licensee is prohibited from dispensing intoxicating liquor to any person attending or participating in an amateur athletic event being held on the premises.

E. Sunday on-sale intoxicating liquor licenses may be issued only to a restaurant as defined in Section 76-3 of this ordinance, club, bowling center, or hotel which has a seating capacity of at least 30 guests, which holds an on-sale intoxicating liquor license, and which serves liquor only in conjunction with the service of food. Sunday sales licenses may be issued to Brew Pubs, Brewer Taprooms or Cocktail rooms meeting the definition of a restaurant.

F. Temporary on-sale intoxicating liquor licenses, with the approval of the Commissioner of Public Safety, which may be issued only in connection with a social event sponsored by a club, charitable, religious, or other nonprofit corporation that has existed for at least three years; a political committee registered under state law; or a state university. The City may not issue a license for more than 3 four-day, 4 three-day, 6 two-day or 12 one-day temporary licenses (in any combination) not to exceed 12 days total to any one organization or for any location in the City, within a 12-month period.

G. On-sale wine licenses, with the approval of the Commissioner of Public Safety to: theaters, restaurants that have facilities for seating at least 25 guests at one time and meet the criteria of Minn. Stat. § 340A.404, subd. 5, as it may be amended from time to time, and which meet the definition of restaurant in section 3; to licensed bed and breakfast facilities which meet the criteria in Minn. Stat. § 340A.4011, subd. 1, as it may be amended from time to time and to theaters that meet the criteria of Minn. Stat. § 340A.404, subd. 1(b) as it may be amended from time to time. The holder of an on-sale wine license who also holds an on-sale 3.2 percent malt liquor license is authorized to sell malt liquor with a content over 3.2 percent (strong beer) without an additional license.

H. One day consumption and display permits with the approval of the Commissioner of Public Safety to a nonprofit organization in conjunction with a social activity in the city sponsored by the organization.

I. Approval of the issuance of a consumption and display permit by the Commissioner of Public Safety. Consumption and display permits shall expire on March 31 of each year.

J. Culinary class limited on-sale licenses, pursuant to Minn. Stat. § 340A.4041, may be issued to a business establishment not otherwise eligible for an on-sale intoxicating liquor license that, as a part of its business, conducts culinary or cooking classes for which payment is made by each participant or advance registration is required. The license authorizes the licensee to furnish to each participant in each class, at no additional cost to the participant, up to a maximum of 6 ounces of wine or 12 ounces of intoxicating malt liquor, during and as part of the class, for consumption on the licensed premises only.

K. On-sale intoxicating liquor license for Brew Pubs, on-sale 3.2 percent malt liquor license with the approval of the Commissioner of Public Safety, may be issued to brewers who operate a restaurant in their place of manufacture and who meet the criteria established at Minn. Stat. § 340A.24, as it may be amended from time to time. Sales under this license at on-sale may not exceed 3,500 barrels per year. If a brew pub licensed under this section possesses a brew pub off sale license as per Paragraph K., the brew pub's total combined retail sales at on-sale or off-sale may not exceed 3,500 barrels per year, provided that off-sales may not total more than 500 barrels.

L. Brew pub off-sale malt liquor licenses, with the approval of the Commissioner of Public Safety, may be issued to a brewer that meets the criteria established at Minn. Stat. § 340A.24, as it may be amended from time to time. Malt liquor sold off-sale must be removed from the premises before the applicable off-sale closing time at exclusive liquor stores. All malt liquor sold under this license shall be packaged in the manner required by Minn. Stat. § 340A.285 as it may be amended from time to time. Sales under this license may not exceed 500 barrels per year. If a brewer licensed under Paragraph L. of this section possesses a license under Paragraph J. above, the brewer's total retail sales at on-sale or off-sale may not exceed 3,500 barrels per year, provided that off-sales may not total more than 750 barrels.

M. Brewer off-sale malt liquor licenses may also be issued, with approval of the Commissioner, to a holder of a brewer's license under Minn. Stat. § 340A.301, subd. 6(c), (i) or (j) and meeting the criteria established by Minn. Stat. § 340A.28 as may be amended from time to time. The amount of malt liquor sold at off-sale may not exceed 750 barrels annually. Malt liquor sold off-sale must be removed from the premises before the applicable off-sale closing time at exclusive liquor stores. Packaging of malt liquor for off-sale under this license must comply with section 340A.285.

N. Brewer temporary on-sale intoxicating liquor licenses may be issued, with the approval of the Commissioner of Public Safety, to brewers who manufacture fewer than 3,500 barrels of malt liquor in a year for the on-sale of intoxicating liquor in connection with a social event within the municipality sponsored by the brewer.

O. A brewer taproom license may be issued to the holder of a brewer's license under M.S. § 340A.301 Subd. 6(c), (i) or (j) as it may amended from time to time. A brewer's taproom license authorizes on-sale of 3.2 percent or intoxicating malt liquor produced by the brewer for consumption on the premises of or adjacent to one brewery location owned by the brewer. A brewer may have only one taproom license and may not have an ownership interest in a brewer licensed under Minn. Stat. § 340A.301 Subd. 6(d) as it may be amended from time to time. A brewer taproom license may not be issued to a brewer that brews more than 250,000 barrels of malt liquor annually or a winery that produces more than 250,000 gallons of wine annually. Within ten days of issuing a brewer taproom license the City Clerk will inform the Commissioner of Public Safety of the licensee's name, address, trade name and the effective date and expiration date of the license. The City Clerk will inform the Commissioner of Public Safety of a license transfer, cancellation, suspension, or revocation during the license period.

P. A cocktail room license may be issued to the holder of a state microdistillery license if at least 50 percent of the annual production of the licensee is processed and distilled on premises. A microdistillery cocktail room license authorizes on-sale of distilled liquor produced by the distiller for consumption on the premises of or adjacent to one distillery location owned by the distiller. The holder of a microdistillery cocktail room license may also hold a license to operate a restaurant at the distillery. No more than one cocktail room license may be issued to any

distiller and a microdistillery cocktail room license may not be issued to any person having an ownership interest in a distillery licensed under Minn. Stat. § 340A.301 subd. 6 (a). No single entity may hold both a microdistillery cocktail room and taproom license and a microdistillery cocktail room and taproom license may not be co-located. Within ten days of the issuance of a microdistillery cocktail room license, the city shall inform the commissioner of public safety of the licensee's name and address and trade name, and the effective date and expiration date of the license. The city shall also inform the commissioner of public safety of a microdistillery cocktail room license transfer, cancellation, suspension, or revocation during the license period.

Q. A microdistiller off-sale license may be issued to the holder of a state microdistillery license if at least 50 percent of the annual production of the licensee is processed and distilled on premises. A microdistiller off-sale license authorizes off-sale of one 375 milliliter bottle per customer per day of product manufactured on-site provided the product is also available for distribution to wholesalers. Product must be removed from the premises before the applicable closing time.

R. A microdistiller temporary on-sale intoxicating liquor license may be issued to the holder of a state microdistillery license. A microdistillery temporary on-sale intoxicating liquor license authorizes on-sale of intoxicating liquor in connection with a social event within the city sponsored by the microdistillery.

§ 76-10. License fees; pro rata.

A. No license or other fee established by the city shall exceed any limit established by Minn. Stat. Ch. 340A, as it may be amended from time to time, for a liquor license.

B. The Council may establish by ordinance licenses, and by resolution charges for the license fees; for any of the liquor licenses it is authorized by this Chapter to issue.

C. The fee for all licenses, except temporary licenses, granted after the commencement of the license year shall be prorated on a quarterly basis.

D. All license fees shall be paid in full at the time the application is filed with the city. If the application is denied, the license fee shall be returned to the applicant.

E. A refund of a pro rata share of an annual license fee may occur only if authorized by Minn. Stat. § 340A.408, subd. 5, as it may be amended from time to time.

§ 76-11. Council discretion to grant or deny a license.

The Council in its sound discretion may either grant or deny the application for any license or for the transfer or renewal of any license. No applicant has a right to a license under this ordinance.

§76-12. Application for license.

A. Form. Every application for a license issued under this ordinance shall be on a form provided by the city. Every application shall state the name of the applicant, the applicant's age, representations as to the applicant's character, with references as the Council may require, the type of license applied for, the business in connection with which the proposed license will

operate and its location, a description of the premises, whether the applicant is owner and operator of the business, how long the applicant has been in that business at that place, and other information as the Council may require from time to time. An application for an on-sale intoxicating liquor license shall be in the form prescribed by the Commissioner of Public Safety and shall also contain the information required in this section. The form shall be verified and filed with the city. No person shall make a false statement in an application.

B. Financial responsibility. Prior to acceptance of an application or renewal for a license the applicant must file their proof of financial responsibility with the City. The applicant shall demonstrate proof of financial responsibility as defined in Minn. Stat. § 340A.409, as it may be amended from time to time, with regard to liability under Minn. Stat. § 340A.801, as it may be amended from time to time. This proof will be filed with the city and the Commissioner of Public Safety. Any liability insurance policy filed as proof of financial responsibility under this section shall conform to Minn. Stat. § 340A.409, as it may be amended from time to time. Operation of a business which is required to be licensed by this ordinance without having on file with the city at all times effective proof of financial responsibility is a cause for revocation of the license.

§ 76-13. Description of Premises.

The application shall specifically describe the compact and contiguous premises within which liquor may be dispensed and consumed. The description may not include any parking lot or sidewalk.

§ 76-14. Applications for renewal.

At least 90 days before a license issued under this ordinance is to be renewed, an application for renewal shall be filed with the city. The decision whether or not to renew a license rests within the sound discretion of the Council. No licensee has a right to have the license renewed.

§ 76-15. Transfer of license.

No license issued under this ordinance may be transferred without the approval of the Council. Any transfer of stock of a corporate licensee is deemed to be a transfer of the license, and a transfer of stock without prior Council approval is a ground for revocation of the license. An application to transfer a license shall be treated the same as an application for a new license, and all of the provisions of this code applying to applications for a license shall apply.

§ 76-16. Investigation.

A. Preliminary background and financial investigation. On an initial application for a license, on an application for transfer of a license and, in the sound discretion of the Council that

it is in the public interest to do so, on an application for renewal of a license, the city shall conduct a preliminary background and financial investigation of the applicant or it may contract with the Commissioner of Public Safety for the investigation. The applicant shall pay with the application an investigation fee which shall be in addition to any license fee. The results of the preliminary investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license. No license may be issued, transferred, or renewed if the results of the investigation show, to the satisfaction of the Council, that issuance, transfer, or renewal would not be in the public interest.

B. Comprehensive background and financial investigation. If the results of a preliminary investigation warrant, in the sound discretion of the Council, a comprehensive background and financial investigation, the Council may either conduct the investigation itself or contract with the Commissioner of Public Safety for the investigation. The investigation fee for this comprehensive background and financial investigation to be paid by the applicant shall be $500, less any amount paid for the initial investigation if the investigation is to be conducted within the state, and $10,000, less any amount paid for the initial investigation, if the investigation is required outside the state. The unused balance of the fee shall be returned to the applicant whether or not the application is denied. The fee shall be paid in advance of any investigation and the amount actually expended on the investigation shall not be refundable in the event the application is denied. The results of the comprehensive investigation shall be sent to the Commissioner of Public Safety if the application is for an on-sale intoxicating liquor license or an on-sale wine license.

§ 76-17. Council Consideration and issuance.

The Council shall investigate all facts set out in the application and not investigated in the preliminary or comprehensive background and financial investigations. For applications for issuance or renewal of annual on-sale licenses for intoxicating and/or 3.2 percent malt liquor, the applicant or their agent must be present at the Council meeting where their application is on the meeting agenda for consideration. After due consideration of the application, background check and public safety report on annual on-sale license renewals; the Council shall in its sound discretion grant or deny the application. No license shall become effective until the proof of financial security has been approved by the Commissioner of Public Safety.

§ 76-18. Restrictions on issuance.

A. Each license shall be issued only to the applicant for the premises described in the application.

B. Not more than one license shall be directly or indirectly issued within the city to any one person.

C. No license shall be granted or renewed for operation on any premises on which taxes, assessments, utility charges, service charges, or other financial claims of the city are delinquent and unpaid.

D. No license shall be issued for any place or any business ineligible for a license under state law.

E. No license shall be granted within 500 feet of any school or church. The distance is to be measured from the closest side of the church to the closest side of the structure on the premises within which liquor is to be sold.

§ 76-19. Conditions of license.

The failure of a licensee to meet any one of the conditions of the license specified below shall result in a suspension of the license until the condition is met.

A. Within 90 days after employment, every person selling or serving liquor in an establishment which has an on-sale license shall receive training regarding the selling or serving of liquor to customers. The training shall be provided by an organization approved by the Council. Proof of training shall be provided by the licensee.

B. Every licensee is responsible for the conduct of the place of business and the conditions of sobriety and order in it. The act of any employee on the licensed premises is deemed the act of the licensee as well, and the licensee shall be liable to all penalties provided by this ordinance and the law equally with the employee.

C. Every licensee shall allow any peace officer, health officer, city employee, or any other person designated by the Council to conduct compliance checks and to otherwise enter, inspect, and search the premises of the licensee during business hours and after business hours during the time when customers remain on the premises without a warrant.

D. No on-sale establishment shall display liquor to the public during hours when the sale of liquor is prohibited.

E. Compliance with financial responsibility requirements of state law and of this ordinance is a continuing condition of any license.

§ 76-20. Hours and days of sale.

A. 3.2 percent malt liquor. No sale of 3.2 percent malt liquor shall be made between 1:00 a.m. and 8:00 a.m. on the days of Monday through Saturday or between 1:00 a.m. and 12:00 p.m. on Sunday.

B. Intoxicating liquor, on-sale. Except as provided in Paragraph C of this section, no sale of intoxicating liquor for consumption on the licensed premises may be made between 1:00 a.m. and 8:00 a.m. on the days of Monday through Saturday, or after 8:00 p.m. on December 24, or after 1:00 a.m. on Sundays. These hours are applicable to all holders of on-sale licenses, including brew pubs, brewers tap rooms and micro distiller's cocktail rooms.

C. Intoxicating liquor, Sunday sales, on-sale. Sales of intoxicating liquor for consumption on a premise issued a Sunday on-sale license shall be permitted between the hours of 8:00 a.m. on Sundays and 1:00 a.m. on Mondays. These hours are applicable to all holders of Sundays on-sale licenses.

D. Intoxicating liquor, off-sale. No sale of intoxicating liquor may be made by exclusive liquor stores on Sundays, except between the hours of 11:00 a.m. and 6:00 p.m., before 8:00 a.m. or after 10:00 p.m. on Monday through Saturday, on Thanksgiving Day, on Christmas Day

(December 25) or after 8:00 p.m. on Christmas Eve (December 24). The Council may further limit the hours of sale of alcoholic beverages. These hours are applicable to all holders of off-sale licenses, including brew pubs, brewers and micro distillers.

F. Display of liquor. No licensee shall display liquor to the public during hours when the sale of liquor is prohibited.

76-21 Closing of premises after legal time of sale; removal of containers

A. It is unlawful for any person other than the on-sale licensee or a bona fide employee actually engaged in the performance of their duties to be on the premises licensed under this Chapter more than 30 minutes after the legal time for making licensed sales; provided, however, that this section shall not apply to licensees, employees of the licensee, and patrons on the licensed premises for the sole purpose of preparing, serving, or consuming food or beverages other than alcoholic beverages.

B. No person shall consume nor shall any on-sale licensee permit any consumption of intoxicating liquor or 3.2 percent malt liquor in an on-sale licensed premises more than 20 minutes after the time when a sale can legally occur.

C. No on-sale licensee shall permit any glass, bottle, or other container containing intoxicating liquor or 3.2 percent malt liquor to remain upon any table, bar, stool, or other place where customers are served, more than 20 minutes after the time when a sale can legally occur.

D. Any violation of any condition of this section may be grounds for revocation or suspension of the license.

§ 76-22. Nudity on the premises of licensed establishments prohibited.

A. The City Council finds that it is in the best interests of the public health, safety, and general welfare of the people of the city that nudity is prohibited as provided in this section on the premises of any establishment licensed under this ordinance. This is to protect and assist the owners, operators, and employees of the establishment, as well as patrons and the public in general, from harm stemming from the physical immediacy and combination of alcohol, nudity, and sex. The Council especially intends to prevent any subliminal endorsement of sexual harassment or activities likely to lead to the possibility of various criminal conduct, including prostitution, sexual assault, and disorderly conduct. The Council also finds that the prohibition of nudity on the premises of any establishment licensed under this ordinance, as set forth in this section, reflects the prevailing community standards of the city.

B. It is unlawful for any licensee to permit or allow any person or persons on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material. It is unlawful for any person to be on the licensed premises when the person does not have his or her buttocks, anus, breasts, and genitals covered with a non-transparent material.

C. A violation of this section is a misdemeanor punishable as provided by law, and is justification for revocation or suspension of any liquor, wine, or 3.2 percent malt liquor license or any other license issued under this ordinance or the imposition of a civil penalty under the provisions of this Chapter.

§ 76-23. Minors on premises.

A. No person under the age of 18 years shall be employed in any rooms constituting the place in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale, except that persons under the age of 18 may be employed as musicians or to perform the duties of a bus person, host or dishwashing services in places defined as a restaurant, hotel, motel or other multi-purpose building serving food in rooms in which intoxicating liquors or 3.2 percent malt liquor are sold at retail on sale.

B. No person under the age of 21 years may enter a licensed establishment except to work, consume meals on premises that qualify as a restaurant, or attend social functions that are held in a portion of the premises where liquor is not sold.

§ 76- 24. Restrictions on purchase, consumption and possession.

A. No person shall mix or prepare liquor for consumption in any public place of business unless it has a license to sell on-sale, or a permit from the Commissioner of Public Safety under the provisions of Minn. Stat. § 340A.414, as it may be amended from time to time, which has been approved by the Council, and no person shall consume liquor in any such place.

B. No person under the legal drinking age shall consume or possess with the intent to consume or receive delivery of intoxicating or 3.2 percent malt liquor except in the household of the minor's parent or guardian, and then only with the consent of such parent or guardian.

C. No person under the legal drinking age shall possess any intoxicating or 3.2 percent malt liquor. Possession of an alcoholic beverage by a person under the legal drinking age at a place other than the household of a parent or guardian is prima facie evidence of intent to consume it at a place other than the household of the person's parent or guardian.

§ 76-25. Suspension and revocation.

A. The Council shall either suspend for a period not to exceed 60 days or revoke any liquor license upon finding that the licensee has failed to comply with any applicable statute, regulation, or provision of this ordinance relating to liquor. Except in cases of lapse of proof of financial responsibility, no suspension or revocation shall take effect until the licensee has been afforded an opportunity for a hearing pursuant to the Administrative Procedures Act, Minn. Stat. §§ 14.57 to 14.70, as it may be amended from time to time. The Council may act as the hearing body under that act, or it may contract with the Office of Hearing Examiners for a hearing officer.

B. The following are the minimum periods of suspension or revocation which shall be imposed by the Council for violations of the provisions of this ordinance or Minn. Stat. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time:

1. For commission of a felony related to the licensed activity, sale of alcoholic beverages while the license is under suspension, sale of intoxicating liquor where the only license is for 3.2 percent malt liquor, or violation of Section 4, the license shall be revoked.

2. The license shall be suspended by the Council after a finding under division (A) that the licensee has failed to comply with any applicable statute, rule, or provision of this ordinance for at least the minimum periods as follows:

(a) For the first violation within any three-year period, at least one day suspension in addition to any criminal or civil penalties which may be imposed.

(b) For a second violation within any three-year period, at least three consecutive days suspension in addition to any criminal or civil penalties which may be imposed.

(c) For the third violation within any three-year period, at least seven consecutive days suspension in addition to any criminal or civil penalties which may be imposed.

(d) For a fourth violation within any three-year period, the license shall be revoked.

3. The Council shall select the day or days during which the license will be suspended.

C. Lapse of required proof of financial responsibility shall effect an immediate suspension of any license issued pursuant to this ordinance or state law without further action of the Council. Notice of cancellation or lapse of a current liquor liability policy shall also constitute notice to the licensee of the impending suspension of the license. The holder of a license who has received notice of lapse of required insurance or of suspension or revocation of a license may request a hearing thereon and, if a request is made in writing to the Clerk, a hearing before the Council shall be granted within ten days. Any suspension under this division (B) shall continue until the Council determines that the financial responsibility requirements of state law and this ordinance have again been met.

D. The provisions of Section 30 pertaining to administrative penalty may be imposed in addition to or in lieu of any suspension or revocation under this ordinance.

Article III Municipal Liquor Store

§ 76-26. Municipal liquor store continued.

If the city has in existence on the effective date of this ordinance a municipal liquor store for the sale of intoxicating liquor, the store is continued. Except as provided in Section 29, no intoxicating liquor may be sold at retail elsewhere in the city.

§ 76-27. Location.

The municipal liquor store shall be located at a suitable place in the city as the Council determines by motion. However, no premises upon which taxes, assessments, or other public charges are delinquent shall be leased for municipal liquor store purposes. The Council shall have the right to establish additional off-sale and on-sale stores at other locations as it may, from time to time, by motion, determine.

§ 76-28. Operation.

A. Manager. The municipal liquor store shall be in the immediate charge of a Liquor Store Manager selected by the Council and paid compensation as is fixed by the Council. The Manager

shall not be a person who would be prohibited by law or any provision of this ordinance from being eligible for an intoxicating liquor license. The Manager shall furnish a surety bond to the city, conditioned upon the faithful discharge of the duties of the office, in a sum as specified by the Council. The bond premium may be paid by the city or the Manager, in the discretion of the Council. The Manager shall operate the municipal liquor store under the Council's direction and shall perform those duties in connection with the store as may be established by the Council. The Manager shall be responsible to the Council for the conduct of the store in full compliance with this ordinance and with the laws relating to the sale of intoxicating liquor and 3.2 percent malt liquor.

B. Other employees. The Council may also appoint additional employees as may be required and shall fix their compensation. All employees, including the Manager, shall hold their positions at the pleasure of the Council. No person under the age of 18 shall be employed in the store. The Council may require the employees to furnish surety bonds conditioned for the faithful discharge of their duties in a sum as specified by the Council. The premium on the bond may be paid by the city or the employees, as the Council determines.

C. Municipal liquor store fund. All of the revenues received from the operation of a municipal liquor store shall be deposited in a municipal liquor store fund from which all ordinary operating expenses, including compensation of the Manager and employees, shall be paid. Surpluses accumulating in the fund may be transferred to the general fund of the city or to any other appropriate fund of the city by resolution of the Council, and may be expended for any municipal purpose. The handling of municipal liquor store receipts and disbursements shall comply with the procedure prescribed by law and charter for the receipts and disbursements of city funds generally.

D. Financial statement. The Council shall provide within 90 days following the end of the calendar year for publication a balance sheet using generally accepted accounting procedures and a statement of operations of the municipal liquor store for that year. The balance sheet and statement shall be published in accordance with the provisions of Minn. Stat. § 471.6985, as it may be amended from time to time.

E. Hours of operation. The hours during which the sale of intoxicating liquor may be sold shall be as provided in Section 76-21. No person, other than the Manager or a store employee, may remain in the municipal liquor store longer than one-half hour after the time when the sale of intoxicating liquor must cease.

§ 76-29. Proof of financial responsibility.

The city shall demonstrate proof of financial responsibility required by licensees of retail intoxicating liquor establishments under the provisions of Minn. Stat. § 340A.409, as it may be amended from time to time.

§ 76-30. Penalties.

A. Any person violating the provisions of this ordinance or Minn. Stat. Ch. 340A as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time is guilty of a misdemeanor and upon conviction shall be punished as provided by law.

B. The Council shall impose a civil penalty of up to $2,000 for each violation of Minn. Stat. Ch. 340A, as it may be amended from time to time, and of this ordinance. Conviction of a violation in a court of law is not required in order for the Council to impose the civil penalty. A hearing under the Administrative Procedures Act, Minn. Stat. §§ 14.57 to 14.70, as it may be amended from time to time, is not required before the penalty is imposed, but the Council shall hold a hearing on the proposed violation and the proposed penalty and hear any person who wishes to speak. Non-payment of the penalty is grounds for suspension or revocation of the license. The following is the minimum schedule of presumptive civil penalties which must be imposed in addition to any suspension unless the license is revoked:

1. For the first violation within any three-year period, $500.
2. For the second violation within any three-year period, $1,000.
3. For the third and subsequent violations within any three-year period, $2,000.

C. The term "violation" as used in Section 23 includes any and all violations of the provisions in this Chapter, or of Minn. Stat. Ch. 340A, as it may be amended from time to time or any rules promulgated under that chapter as they may be amended from time to time. The number of violations shall be determined on the basis of the history of violations for the preceding three-year period. Revocation shall occur within 60 days following a violation for which revocation is imposed.

Article IV Annual Rodeo Liquor Liability Insurance

76-31. Liability insurance policy limits

A. A condition to the granting of a temporary license for the on-sale of intoxicating liquor or 3.2 percent malt liquor for the Isanti Volunteer Fire Department Relief Association Annual Rodeo and associated events, the Isanti Volunteer Fire Department Relief Association shall have in place liquor liability insurance as per Minn. Stat. § 340A.409 as amended from time to time and liability insurance in the following amounts:

1. Per person (personal injury) $1,000,000
2. Per occurrence: $1,000,000
3. Property damage, per occurrence: $100,000

B. Said insurance shall be in force during the entire period for which the license is issued.

76-32. Maintenance of policy limits every year

Said policy limits shall be maintained each and every year that the Isanti Volunteer Fire Department Relief Association sponsors the rodeo and associated events unless and until the required policy limits as set forth herein are changed by amendment of this article adopted the City Council.

Article V Social Host

§ 76-33. Purpose and Findings. The Isanti City Council intends to discourage underage possession and consumption of alcohol, even if done within the confines of a private residence, and intends to hold persons criminally responsible who host events or gatherings where persons under 21 years of age possess or consume alcohol regardless of whether the person hosting the event or gathering supplied the alcohol. The Isanti City Council finds that:

A. Events and gatherings held on private or public property where alcohol is possessed or consumed by persons under the age of twenty-one are harmful to those persons and constitute a potential threat to public health requiring prevention or abatement.

B. Prohibiting underage consumption acts to protect underage persons, as well as the general public, from injuries related to alcohol consumption, such as alcohol overdose or alcohol-related traffic collisions.

C. Alcohol is an addictive drug which, if used irresponsibly, could have drastic effects on those who use it as well as those who are affected by the actions of an irresponsible user.

D. Often, events or gatherings involving underage possession and consumption occur outside the presence of parents. However, there are times when the parent(s) is/are present and, condone the activity, and in some circumstances provide the alcohol.

E. Even though giving or furnishing alcohol to an underage person is a crime, it is difficult to prove, and an ordinance is necessary to help further combat underage consumption.

F. A deterrent effect will be created by holding a person criminally responsible for hosting an event or gathering where underage possession or consumption occurs.

§ 76-34. Authority. This ordinance is enacted pursuant to Minn. Stat. §145A.05 subdivision 1, as amended from time to time.

§ 76-35. Prohibited Acts.

A. It is unlawful for any person(s) to host, aid and abet or allow an event or gathering at any residence, premises, or on any other private or public property; where alcohol or alcoholic beverages are present when the person knows or reasonably should know that an underage person will or does 1) consume any alcohol or alcoholic beverage; or 2) possess any alcohol or alcoholic beverage with the intent to consume it; and the person fails to take reasonable steps to prevent possession or consumption by the underage person(s)

B. A person is criminally responsible for violating Subdivision 4(a) above if the person intentionally aids, advises, hires, counsels, or conspires with or otherwise procures another

to commit the prohibited act.

C. A person who hosts an event or gathering does not have to be present at the event or gathering to be criminally responsible.

§ **76-36. Exceptions.**

A. This ordinance does not apply to conduct solely between an underage person and his or her parents while present in the parent's household.

B. This ordinance does not apply to legally protected religious observances.

C. This ordinance does not apply to retail intoxicating liquor or 3.2 percent malt liquor licenses, municipal liquor stores, or bottle club permit holders who are regulated by Minn. Stat. §340A.503 Subd.1(a)(1), as amended from time to time.

D. This ordinance does not apply to situations where underage persons are lawfully in possession of alcohol or alcoholic beverages during the course and scope of employment.

§ **76-37. Enforcement**. This ordinance can be enforced by any police officer or sheriff's deputy in the county.

§ **76-38. Severability**. If any section, subsection, sentence, clause, phrase, word, or other portion of this ordinance is, for any reason, held to be unconstitutional or invalid, in whole, or in part, by any court of competent jurisdiction, such portion shall be deemed severable, and such unconstitutionality or invalidity shall not affect the validity of the remaining portions of this law, which remaining portions shall continue in full force and effect.

§ **76-39. Penalty**. Violation of this Article is an Administrative offense punishable by an administrative fee of $75.00, unless specifically charged and prosecuted as a misdemeanor.

§ 76-32. Summary approved.

The Council herby determines that the text of the summary of this ordinance marked "Official Summary of Ordinance No _____," and a copy of which is attached to this ordinance, clearly informs the public of the intent and effect of this ordinance. The Council further determines that publication of the title and this summary will clearly inform the public of the intent and the effect of this ordinance. The Clerk shall file a copy of this ordinance and the summary in the Clerk's office which shall be available for inspection by any person during regular office hours. A copy of the ordinance shall be available in the community library, if there is one, or if not, in any other public location which the council designates.

EFFECTIVE DATE:

This ordinance shall take effect upon its adoption and publication in the City's Official Newspaper.

Adopted by the City Council this ____ day of _____, 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 28, 2020
Subject: City Code Chapter 245, Peddlers, Solicitors, Transient Merchants and Mobile Food Units

Background:

Staff has finished a complete review of the City Code Chapter 245, Peddlers, Solicitors, and Transient Merchants. Added new to this city code chapter is mobile food units. Items updated and new include:

- Extension of Solicitor and Peddler licenses to all zoning districts. Previously they had been restricted to residential districts.
- Fund raising activities with donation or payment in exchange for a product would be included in Solicitor licenses.
- Addition of Mobile Food Units in commercial areas on private property, with applicable regulations similar to area cities.
- Mobile Food units may operate in residential or park zoning districts or in City rights of way under a Special Event Permit.

The City Attorney has reviewed the City code amendments.

Recommendation:

Committee of the Whole reviewed the proposed City Code Chapter 245 amendments and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 245, Peddlers, Solicitors, Transient Merchants and Mobile Food Units.

Attachments:

- Ordinance XXX – An Ordinance to Amend the Code for the City Of Isanti, Chapter 245, Peddlers, Solicitors, Transient Merchants and Mobile Food Units.

ORDINANCE NO. ____

AN ORDINANCE REPEALING AND REPLACING ORDINANCE NO. 485, ADOPTED ON MAY 5, 2010, AND TITLED PEDDLERS, SOLICITORS, AND TRANSIENT MERCHANTS

The City Council of the City of Isanti, Minnesota ordains:

- **Section 1 – Repealer.** Ordinance No. 485, titled "Peddlers, Solicitors and Transient Merchants", codified in Chapter 245 of the City Code, is hereby repealed in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 245 is hereby adopted:

Chapter 245

Peddlers, Solicitors, Transient Merchants and Mobile Food Units

245-1. Definitions
245-2. License Required
245-3. Exceptions.
245-4. Ineligible People.
245-5. Application.
245-6. Photographs.
245-7. Fees, Duration.
245-8. Investigation, Issuance, Denial.
245-9. Standards of Conduct.
245-10. Mobile Food Units.
245-11. Exclusion by Placard.
245-12. Special Events.
245-13. Suspension; Revocation.
245-14. Penalty, Enforcement.

§ 245-1. Definitions.

Unless the context clearly indicates otherwise, the words below are defined for the purpose of this section as follows:

1. "Non-commercial door-to-door advocate" is a person who goes door-to-door for the primary purpose of disseminating religious, political, social or other ideological beliefs. For the purpose of this chapter, the term door-to-door advocate shall fall under the term solicitor and include door-to-door canvassing and pamphleteering and is intended for non-commercial purposes.
2. "Peddler" includes a person who goes from place-to-place exhibiting merchandise for sale, making sales, and delivering articles to purchasers.
3. "Transient Merchant" – A person who temporarily sets up business out of a vehicle, trailer, tent or other portable shelter or empty storefront in a commercial district where retail sales are a permitted or conditional use for the purpose of exposing or displaying for sale, selling or attempting to sell and delivering goods, wares, products, merchandise or other personal property and who does not remain or intend to remain in any location for more than 14 consecutive days.

4. "Solicitor" includes a person who goes from place-to-place soliciting orders for the sale of merchandise or personal services for future delivery or future performance, whether or not the person has a sample of the merchandise or is collecting advance payments for the orders. The word also includes activity that has as its ultimate purpose the obtaining of orders even though it may not initially purport to do so. For the purposes of this chapter, the term solicitor shall have the same meaning as the term canvasser.
5. "Regulated activity" means the activity of a peddler, transient merchant, solicitor or mobile food unit as defined in this chapter. The term only includes activities that involve the sale of a product or service. It does not include activities that involve only statements of opinion or belief or that request only a donation.
5. "Licensee" means an individual, partnership, corporation or association licensed within the city under this section and includes a person who is or will be conducting the regulated activity on behalf of the licensee.
6. "Person" means a natural person, a firm, partnership, corporation, any other association of people, and includes the manager or agent of that person or organization.
7. "Occupant" means a person living, staying, or working at a residence, including a guest.
8. "Mobile Food Unit" means a food and beverage service establishment that is a vehicle mounted unit or free-standing food stand.

§ 245-2. License Required.

A person engaging in a regulated activity within the city must first obtain a license from the City Clerk or designee.

§ 245-3. Exceptions.

A person engaging in the following activities is not required to obtain a license and an identification card from the city:

1. Selling personal property at garage sales, rummage sales, or estate sales. This includes persons participating in an organized multi-person bazaar or flea market.
2. Selling newspapers, newsletters, or other similar publications on an established customer delivery route, when attempting to establish a regular delivery route, or when publications are delivered to the community at large.
3. Selling products of the farm or garden grown or raised by the seller, including meat, but such activities must comply with applicable health regulations.
4. Selling at an auction conducted by a licensed auctioneer, or any officers of the court conducting a court ordered sale.
5. Calling upon residents in connection with a regular route service for the sale and delivery of perishable food and dairy products. This includes initial contacts to establish a customer delivery route. This exception does not relieve that person of the duty to comply with other applicable city requirements.

6. Sales or offers for sales by peddlers or solicitors who appear at the customer's home or place of business by an appointment which was made prior to such appearance are exempt from the provisions of this chapter.
7. Non-commercial door-to-door advocates. No license or registration shall be required of any person going from house to house, door to door, business to business, street to street or any other type of place-to-place when the activity is for the purpose of exercising that person's state or federal Constitutional rights, such as the freedom of speech, press, religion and the like, except that this exemption does not apply if the person's exercise of Constitutional rights is merely incidental to a commercial activity.
8. Any person selling or attempting to sell at wholesale any goods, wares, products, merchandise, or other personal property to a commercial retail seller of the items be sold by the wholesaler.

§ 245-4. Ineligible People.

The following people are not eligible for a license and from the city:

1. A person whose license for a regulated activity was revoked by the city or another governmental body within three years before the application date;
2. A person who has been denied a license for regulated activity by the city or another governmental body because of circumstances that occurred within three years before the application date;
3. A person who has violated, or whose representative has violated, a provision of this section within three years before the application date, or who violates a provision of this section during the application period pending issuance of the license;
4. A person who has been convicted within three years before the application date of a crime that adversely reflects on the person's ability to honestly, safely, or lawfully conduct the regulated activities, unless the individual can show sufficient evidence of rehabilitation as defined in Minn. Stat. § 364.03, subd. 3, as it may be amended from time to time; or
5. A person who has falsified information, or omitted material information, required by this section.
6. A person who produces documentation of identification that is torn, pasted, peeled, or otherwise damaged or altered.

§ 245-5. Application.

Application for a license must be made at least ten working days before the regulated activity is proposed to begin and must include an accurate, sworn statement in writing, on a form furnished by the city, that gives the information listed below and includes the required supporting documentation:

1. Full legal name and physical description of the applicant;

2. Complete home and local address of the applicant;
3. A brief description of the proposed activity, its location, and the merchandise or service involved;
4. The dates and hours of the day during which the activity will be conducted;
5. Name, address, and phone number of the person on whose behalf the orders are solicited, together with credentials establishing the applicant's relationship to the person;
6. The source of supply of merchandise proposed to be sold, where the goods are located at the time the application is filed and the proposed method of delivery;
7. Whether or not the applicant has been convicted of any crime other than petty traffic violations, the nature, time and location of the offense and the punishment or penalty imposed;
8. The last cities or other localities, not exceeding five, where the applicant conducted the proposed activity immediately preceding the date of the application and where within those areas the activity took place;
9. Make, model, year, color, and state license number of each motor vehicle to be used in connection with the proposed activity;
10. Social security number, date of birth, and drivers license or state or tribal identification card number;
11. Passport information and visa status if the applicant is not a United States Citizen;
12. The name, address and phone number of the person or company employing the individual, if different from the information in sub-paragraph 5 above; and
13. A copy of all documents to be used by the applicant in the regulated activity.
14. Phone number(s) for the applicant;
15. All names of employees or multiple persons under one license.
16. Mobile Food Unit Additional Requirements

    a. Valid copies of all necessary licenses or permits required by the state or county.

    b. Pictures of mobile food unit vehicle and a site plan showing location of vehicle on the property. Plans and specifications for non-vehicular mobile food stand or unit and a site plan showing the proposed of stand or unit on the property.

    c. A copy of the written permission from the property owner or property owner's agent where the mobile food vendor will be conducting business.

    d. A list of other communities or locations where the applicant has been a mobile food vendor.

§ 245-6. Photographs.

Each individual who will be conducting the regulated activity on behalf of the partnership or organizational applicant (including the applicant) must submit two copies of a recent photograph, showing the head and shoulders of the person in a clear and distinguishable manner. An application is not complete until the required photographs are supplied.

§ 245-7. Fees, Duration.

The application must be accompanied by the required license fees specified in the city fee schedule, which may be amended from time to time by action of the City Council. A license is valid only for the time periods in the calendar year in which it is issued. No fees are required of individuals taking orders for the shipment of goods through interstate commerce.

§ 245-8. Investigation, Issuance, Denial.

1. Within five working days after a complete application is submitted, the Police Department will conduct an investigation regarding the information provided in the application and the eligibility for a license. The City Clerk will issue a license only to eligible people. The license shall bear the name of the applicant; and in the case of additional employees or multiple persons, a copy of the license shall be issued that bears their name and photograph. That copy shall correspond to the copy of record retained by the City. Any alteration of that license and/or photograph invalidates the license.
2. The City Clerk may not issue a license if there are circumstances indicating that the intended recipient may not honestly, lawfully, and safely conduct the proposed regulated activity. The City Clerk must notify an applicant in writing of a denial of a license, specifying the reasons. The applicant may appeal the denial by submitting to the City Clerk a written request within ten days after the denial asking to address the City Council. The City Council may refer the matter to an independent hearing officer or may consider the appeal itself. The City Council or hearing officer may deny a license and/or identification card when they believe such action will protect the public health, safety, or welfare.

§ 245-9. Standards of Conduct.

1. Except for those people specified in section 245-4, a person may conduct regulated activity in the city only if they carry a license with attached photograph identifying the person has been issued a license and it has not been revoked, suspended, or impounded. The license and attached photograph must be shown upon request.
2. A licensee must not transfer its license to another person. A license that has the photograph removed is invalid. Use of that invalid license is a violation of this chapter.
3. A person must not use a license issued to someone other than that person.
4. A person conducting regulated activity must not go onto private property for that purpose when there are signs prominently posted indicating that trespassing and/or solicitation is unwelcome or prohibited.

5. A person must not be on a street, highway, or adjacent boulevard and direct regulated activity toward the occupants of any motor vehicle in transit and must not obstruct the free flow of vehicular or pedestrian traffic on any public street, sidewalk, or other public right-of-way.
6. A person must not conduct regulated activity in a manner that creates a health or safety hazard. No person shall call attention to their business or items to be sold by means of blowing a horn, whistle, bell, or crying out or by any other noise, so as to be unreasonably audible within an enclosed structure.
7. A person must conduct regulated activity in a reasonably courteous manner at all times, must not engage in offensive, obscene, or abusive language, must not push open a door not opened by an occupant, must not place any portion of the person's body through an opened doorway without the invitation of an occupant, and must not physically attempt to stop an occupant from closing a door.
8. A licensee must immediately leave private property when requested to do so by an occupant or owner and must leave immediately upon completion of a transaction or an unsuccessful attempt to contact an occupant.
9. A licensee entering onto residential property must go directly to a door of the house, unless there is an adult present outside of the house or in an open garage. At no time may a licensee go to a window or to the back yard, unless invited to do so by the occupant.
10. A person conducting regulated activity must not make untrue statements to the people contacted regarding the purpose of the contact, orders placed by the neighbors, or the goods and services offered.
11. A licensee must not make statements to the people contacted indicating or implying that the city license constitutes an endorsement of their activities or products by the city.
12. While conducting regulated activity, a licensee must not be accompanied by a person who is not licensed or is not listed in the license application.
13. No person shall conduct business in residential zoned areas before 10:00 a.m. or after 7:00 p.m.

§ 245-10. Mobile Food Units.

1. State License. Mobile food units shall hold a valid license from the State of Minnesota Department of Health or Department of Agriculture. A license is valid for one vehicle or stand. Any conditions of the State Health Department shall be incorporated into the license issued under this Section. A copy of the license shall be submitted to the City.

2. Insurance. A certificate of insurance evidencing the following forms of insurance. The certificate shall be submitted to the City:

a. Commercial general liability insurance, including products and completed operations coverage, with a limit not less than one million dollars ($1,000,000) for each occurrence / two million dollars ($2,000,000) aggregate.

b. Automobile liability insurance with a limit not less than one million dollars ($1,000,000) combined single limit.

c. The City of Isanti shall be named as an additional insured and provided with a certificate of insurance.

d. A signed statement that the licensee shall defend and indemnify the City, its officers and employees for any claims for damage to property or injury to persons which may be occasioned by any activity carried on under the terms of the license.

3. Duration of sales and unit standards. A license shall be valid for one year. The license is valid for one vehicle or stand only. The mobile food unit can operate in the same location for a time period not to exceed 6 months. The unit, stand or vehicle must not have rust, peeling paint, dents and must be maintained in a professional manner. The vehicle or stand must be approved for aesthetics by the City. The license must be displayed in plain view on the vehicle/stand.

4. Overnight storage. No overnight storage of a mobile food truck on city property, including public rights of way, shall be permitted.

5. Signs. No mobile food unit shall use exterior signage (unless issued a temporary sign permit), flags, feathers, banners, bollards, or any other equipment not contained on or within the vehicle or stand.

6. Noise and Lighting. No shouting, blowing a horn, ringing a bell, or use of any sound devices upon any streets, alleys, parks, or other public places of the city or upon any private premises in the city. No vendor shall use or maintain any outside amplifying equipment, televisions, or similar entertainment devices. Lighting will be downcast, concealing light source from view, and must not spill onto adjacent properties and right of ways. Ice cream trucks traveling through a residential district may have outdoor music or noise-making devices to announce their presence.

7. Parking. Mobile food trucks must be located on a paved surface. A mobile food unit may not operate in a traffic lane, on a sidewalk, or in any location which causes an obstruction of traffic, such as queuing of patrons or advancement of vehicles. A pedestrian walkway of 6 feet must be maintained on the service side of the vehicle.

8. Hours of operation. Hours of operation shall be allowed from 8:00 a.m. to 10:00 p.m. In the case of an event authorized under a special event permit, the hours will match the time period indicated in the permit.

9. Waste disposal. Mobile food units shall provide waste disposal, clean up all litter and garbage generated by this use and maintain their site in a clean and hazard free condition. All waste liquids shall be kept in leak proof, nonabsorbent containers which shall be kept covered with tight fitting lids and properly disposed of. No waste liquids, garbage, litter or refuse shall be dumped or drained into the sidewalks, streets, gutters, drains or public trash receptacles. The licensee shall be responsible for all litter and garbage left by customers.

10. Self-containment. Mobile units can't connect to public utilities unless on private property through agreement with the property owner. No power, cable or equipment shall be extended at

any grade across any city street, alley, or sidewalk. Any generators must be self-contained and any noise created by their operation shall not cause a public nuisance, as per Chapter 216, Nuisances.

11. Inspections, Mobile units shall comply with all applicable Fire Codes and may be inspected by the City prior to operation.

12. Locations. Mobile food units shall only be allowed to operate on private property in zoning districts where retail sales are allowed as permitted or conditional uses under the City's zoning codes. Mobile food units may be allowed in public rights of way, residential or park zoning districts in conjunction with an approved special event permit.

13. The mobile food vendor shall not set-up in a manner so to create a traffic hazard and follow police orders. The mobile food unit shall not have a drive through. Ingress and egress to private property shall be through existing driveways only.

14. Mobile food units providing external seating must not block any sidewalk or driveway area or occupy any required parking spaces.

15. Ice cream novelty trucks are allowed to operate within the public right of way in residential districts.

16. Mobile food units are prohibited from vending activities within 150 feet of a food service building or within 500 feet of a community event, unless part of the sponsor license and/or special event permit for the event.

17. No mobile food unit shall sell alcoholic beverages.

18. Mobile food unit vendors shall maintain a fire extinguisher at all times.

19. Mobile food vendors shall maintain their immediate sales location in a clean and hazard free condition.

20. The mobile food vendor shall not operate in such a manner so as to constitute a public nuisance.

§ 245-11. Exclusion by Placard.

No peddler, solicitor or transient merchant, unless invited to do so by the property owner or tenant, shall enter the property of another for the purpose of conducting business when the property is marked with a sign or placard at lease four inches long by four inches wide with print of at least 48 point in size stating "No Peddlers, Solicitors, or Transient Merchants" or "Peddlers, Solicitors and Transient Merchants Prohibited" or other comparable statement. No person other than the property owner or tenant shall remove, deface or otherwise tamper with any sign or placard under this section.

§ 245-12. Special Events.

The following standards shall apply to all events that are authorized by a special event permit.

1. It is not necessary for each transient merchant or mobile food unit to obtain a license under this chapter provided that the sponsor, promoter or organizer of the event obtains a

permit and maintains a list of all participants and assumes responsibility for their activities and conduct.

2. The sponsor, promoter or organizer of the event may designate where peddlers and transient merchants and mobile food unit set up their booths, sales stands or vehicles.

§ 245-13. Suspension; Revocation.

1. The city may suspend or revoke an identification card and/or license, if the person who is the acting on behalf of the licensee, or the licensee has:
   a. Violated a provision of this section, or other local laws governing the same activity, during the license period;
   b. Violated a criminal law during the license period that adversely reflects on the ability to honestly, safely, or lawfully conduct the regulated activity; or
   c. Submitted false information or omitted material information in the licensing process required by this section.
2. If a license is revoked or suspended, all licenses issued to people acting on behalf of the licensee are automatically revoked or suspended.

§ 245-14. Penalty, Enforcement.

1. The Chief of Police, and their designees are authorized to enforce this ordinance. They may impound a license when a person has been found violating a provision of this chapter, when cause exists for suspending or revoking the license, or when the license has been suspended or revoked. When impounding a license, the official must send a notice to the licensee and at the address on the application form, giving the parties ten days to submit a written request for a hearing before the city council. Failure to timely request an appeal constitutes a waiver of that appeal and results in an automatic suspension of the license or card for three years.
2. Any person violating any provision of this chapter shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a maximum fine of $1,000 or a term of imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date. This ordinance becomes effective on the date of its publication in the city's official newspaper.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 28, 2020
Subject: City Code Chapter 119, Burning, Open

Background:

Based on Council policy discussions, staff has finished a review and amendment of City Code Chapter 119, Burning, Open. In the revised code, fees for permits are eliminated and the Isanti Fire District will administer permits for open burning in the City of Isanti.

The City Attorney has reviewed the updated city code.

Recommendation:

Committee of the Whole reviewed the proposed revised City Code Chapter 119, Burning, Open and recommends approval as submitted.

Request:

Staff is requesting City Council action on this item.

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 119, Burning, Open.

Attachments:

- Ordinance XXX – An Ordinance Repealing Ordinance No. 666 Adopted on January 3, 2017, and Titled Burning, Open

ORDINANCE NO. _____

AN ORDINANCE REPEALING AND REPLACING ORDINANCE NO. 666 ADOPTED ON JANUARY 3, 2017, AND TITLED BURNING, OPEN

The City Council of the City of Isanti, Minnesota ordains:

Section 1 – Repealer. Ordinance No. 666 titled Burning, Open, codified in Chapter 119 of the City Code, is hereby repealed in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 119 is hereby adopted:

Chapter 119

Burning, Open

ARTICLE I
General Provisions
119-1. Definitions
119-2. Provisions Adopted by Reference

ARTICLE II
Open Burning
119-3. Purpose.
119-4. Permit.
119-5. Denial
119.6. Permit Holder Responsibility
119.7. Revocation
119.8. Violations and Penalties

ARTICLE I
General Provisions

119-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meaning ascribed to them in this section, except where the context clearly indicates a different meaning.

OPEN BURNING – The burning of any matter if the resultant combustion products are emitted directly to the atmosphere without passing through a stack, duct or chimney, except a recreational fire.

RECREATIONAL FIRE – A fire set with approved starter fuel no more than three feet in height, contained within the border of a recreational fire site using dry, clean wood; producing little detectable smoke, odor or soot beyond the property line; conducted with an adult tending the fire at all times; for recreational, ceremonial, food preparation or social purposes; extinguished completely before quitting the occasion; and respecting weather conditions, neighbors, burning bans, and air quality so that nuisance, health or safety hazards will not be created. Mobile cooking devices such as manufactured hibachis, charcoal grills, wood smokers and propane or natural gas devices are not defined as recreational fires.

119-2. Provisions adopted by reference.

The provisions of Minn. Stats. §§ 88.16 and 88.17 and Minnesota State Fire Code (where adopted), are adopted by reference and made a part of this Code as if fully set forth at this point.

ARTICLE II
Open Burning

119-3. Purpose.

The purpose of this article is to establish permitted categories of open burn events for residences and farms within the city and provide for a permitting process for residential and agricultural open burning, except when such open burning is defined as a "recreational fire" as prescribed in this article.

119-4. Permit.

A. No person shall start or allow any open burning on any property in the city without first having obtained an open burn permit, except that a permit is not required for any fire that is a recreational fire as defined herein.

B. Application ~~and Fees~~.

(1) Open burning permits shall be obtained by making application on a form prescribed by the department of natural resources (DNR). The DNR permit application shall be presented to the Isanti Fire District for review prior to the start of any open burning.

(2) DNR open burning applications are available free of charge at the Isanti Fire District office at 401 1st Ave NW in the City of Isanti.

119-5. Violations and Penalties.

Any person violating any provision of this chapter is guilty of a misdemeanor and upon conviction shall be punished by a fine of not to exceed $1,000 or imprisonment for a period not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date. This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: February 4, 2020
Subject: Ordinance to Amend Chapter 8, Article III, Sections 8-21 and 8-26

In consultation with the City Attorney, Staff has amended City Code Chapter 8, Article III, Sections 8-21 and 8-26 to include replacement of "Citizen's Input" with "Public Comment", inclusion within the Order of Business at City Council meetings, and amend subsections (3), (9), and (10) and remove subsection (13).

Recommendation:
Committee of the Whole has recommended approval of this Ordinance.

Attachment:
- ORD 2020-XXX

ORDINANCE NO. _____

AN ORDINANCE TO AMEND THE CODE FOR THE CITY OF ISANTI, CHAPTER 8 CITY COUNCIL, ARTICLE III, SECTION 8-21 ORDER OF BUSINESS AND 8-26 PUBLIC COMMENT AT COUNCIL MEETINGS AND AT PUBLIC HEARINGS

THE CITY COUNCIL OF THE CITY OF ISANTI DOES ORDAIN:

Chapter 8, Article III, Section 8-21:

Section 8-21. Order of Business, is amended as follows:

Section 8-21. Order of business. The order of business for all council meetings shall be:

A. Call to Order
B. Pledge of Allegiance
C. Call of Roll
D. Public Comment (as held)
E. Adopt Agenda
F. Proclamations/Commendations/Certificate Awards (if needed)
G. Approval of minutes
H. Announcements
I. Council Committee reports
J. Public hearings (when scheduled)
K. Business items
L. Consent agenda
M. Other communications
N. Closed Session (only if needed)
O. Adjournment

Section 8-26. Public comment at Council meetings and at Public Hearings C. subparagraphs (3) (9) (10) are deleted and replaced and (13) is deleted as follows:

C. Public comment period. As a part of the regular meeting of the City Council, in accordance with Section 8-21 Order of Business, of this chapter; an informal forum titled "Public Comment" may be held. Public comments during this forum are subject to these limitations:

(3) The presiding officer may place a time limit on the public comment period, if necessary, to allow for the conduct of city business. If there is not sufficient time to hear all public comments, the comment period may be deferred to the next regular meeting or at a continued meeting.

(9) No Council action may take place during public comment. However, Council members may express their views or reaction to a presentation, or ask questions of the presenter. The Council may direct the City Administrator or designee to address specifics in nature, to research and report back at an upcoming regular meeting, or

request an amendment to the regular meeting agenda to further discuss, provide direction to staff or take action.

(10) Public comment items are restricted to City governmental topics, and are not a platform for private agendas, to make personal attacks, to air personality grievances, to make political endorsements, or for political campaign purposes.

EFFECTIVE DATE
This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 4th day of February 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 4, 2020
Subject: Ordinance XXX Repealing Chapter 68 of the Isanti City Code of Ordinances Relating to Adult Uses and Adopting a New Chapter 68

Background:
Per the City Attorney, it has been determined that the current regulations regarding adult uses needs to be updated. The attached ordinance was drafted by the League of Minnesota Cities appointed attorney.

Chapter 68 regulates Adult Use; the proposed ordinance repeals the current ordinance and is replaced with the proposed language.
In addition, there will be a zoning ordinance amendment that removes adult uses from the business districts and only permits the use in Industrial zoned districts. This amendment also removes performance standards in the zoning code for adult use. These amendments will go before the Planning Commission at a public hearing on February 18, 2020 and then to the Council for consideration.

Request:
Consider adopting the proposed ordinance to repeal and replace Chapter 68.

Attachments:
- Ordinance-XXX

AN ORDINANCE REPEALING CHAPTER 68 OF THE ISANTI CITY CODE OF ORDINANCES RELATING TO ADULT USES AND ADOPTING A NEW CHAPTER 68

The City Council of the City of Isanti hereby ordains:

Section 1. The current Chapter 68 of the Isanti City Code of Ordinances for the City of Isanti is repealed.

Section 2. The following new Chapter 68 is adopted:

CHAPTER 68. ADULT ESTABLISHMENTS

§ 68-1. Findings and Purpose.

Studies conducted by the Minnesota Attorney General and the Texas City Attorneys' Association, as well as the cities of St. Paul, Alexandria, and Rochester, Minnesota; Indianapolis, Indiana; Phoenix, Arizona; Los Angeles, California; Seattle, Washington; St. Croix County, Wisconsin; Adams County and the City of Denver, Colorado, have examined the impact that adult establishments have on their respective communities. These studies concluded that adult establishments have an adverse impact on surrounding neighborhoods. Those impacts include increased crime rates, lower property values, increased transiency, neighborhood blight and potential health risks. The City Council of the City of Isanti is relying on the studies, many of which were conducted in larger cities, recognizing that the same or similar adverse impacts could occur in a small city such as the City of Isanti. Based on these studies, the City Council makes the following findings regarding the need to regulate adult establishments:

A. The public health, safety, morals and general welfare will be promoted by the city adopting regulations governing adult establishments.

B. Adult establishments have adverse secondary impacts of the types set forth above.

C. The adverse impacts caused by adult establishments tend to diminish if adult establishments are governed by location requirements, licensing requirements and health requirements.

D. It is not the intent to prohibit adult establishments from having a reasonable opportunity to locate in the city.

E. Many members of the public perceive areas within which adult establishments are located as less safe than other areas that do not have such uses.

F. A reasonable licensing procedure is an appropriate mechanism to place the burden of reasonable regulation on the owners and the operators of the adult establishment. A licensing procedure will place an incentive on the operators to see that the adult establishment is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the City. It is appropriate to require reasonable assurances that the licensee is the actual operator of the sexually-oriented

business, fully in possession and control of the premises and activities occurring therein.

G. The fact that an applicant for an adult use license has been convicted of a sexually-related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this Chapter.

H. The general health, safety, and welfare of the community is promoted by prohibiting nudity in adult establishments. This prohibition is based on concerns of potential adverse effects such as prostitution, exposure to minors, and obscenity.

I. Small cities experience many of the same adverse impacts of adult establishments present in larger communities.

§ 68-2. Definitions.

For the purposes of this chapter only, the words and phrases below are defined as follows:

A. Adult Establishment. Any business that:

(1) devotes a substantial or significant portion of its inventory, stock-in-trade, or publicly-displayed merchandise, or devotes a substantial or significant portion of its floor area (not including storerooms, stock areas, bathrooms, basements, or any portion of the business not open to the public) to, or derives a substantial or significant portion of its gross revenues from items, merchandise, devices or other materials distinguished or characterized by an emphasis on material depicting, exposing, simulating, describing, or relating to Specified Sexual Activities or Specified Anatomical Areas; or

(2) engages in any Adult Use as defined in Paragraph (B) of this section.

B. Adult Use. An adult use is any of the activities and businesses described below:

(1) Adult Bookstore or Videostore. An establishment or business used for the barter, rental, or sale of items consisting of printed matter, pictures, slides, records, audio tape, video, videotape, movies, or motion picture film if a substantial or significant portion of its inventory, stock in trade, or publicly-displayed merchandise consists of, or if a substantial or significant portion of its floor area (not including storerooms, stock areas, bathrooms, basements, or any portion of the business not open to the public) is devoted to, or if substantial or significant portion of its gross revenues is derived from items, merchandise, devices or materials that are distinguished or characterized by an emphasis on material depicting, exposing, simulating, describing, or relating to specified sexual activities or specified anatomical areas.

(2) Adult Entertainment Center. A business or establishment that provides dancing or other live entertainment distinguished or characterized by an

emphasis on the presentation, display, or depiction of "specified sexual activities" or "specified anatomical areas."

(3) Adult Companionship Establishment. A business or establishment that provides the service of engaging in or listening to conversation, talk or discussion between an employee of the establishment and a customer, if such service is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(4) Adult Conversation/Rap Parlor. A business or establishment that provides the service of engaging in or listening to conversation, talk or discussion, if such service is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(5) Adult Health/Sport Club. A health/sport club, which is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(6) Adult Hotel or Motel. Adult hotel or motel means a hotel or motel wherein material is presented which is distinguished or characterized by an emphasis on matter depicting, describing or relating to "specified sexual activities" or "specified anatomical areas."

(7) Adult Massage Parlor, Health Club. A massage parlor or health club which provides the services of massage, if such service is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

(8) Adult Motion Picture Theater. A motion picture theater that as a prevailing practice presents movies distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas" for observation by patrons.

(9) Adult Modeling Studio. An establishment whose major business is the provision, to customers, of figure models who are so provided with the intent of providing sexual stimulation or sexual gratification to such customers and who engage in "specified sexual activities" or display "specified anatomical areas" while being observed, painted, painted upon, sketched, drawn, sculptured, photographed or otherwise depicted by such customers.

(10) Adult Motion Picture Arcade. Any place to which the public is permitted or invited wherein coin or slug-operated or electronically, electrically or mechanically controlled or operated still or motion picture machines, projectors or other image-producing devices are maintained to show images to five or fewer persons per machine at any one time, and where the images so displayed are distinguished or characterized by an emphasis on depicting or describing "specified sexual activities" or "specified anatomical areas."

(11) Adult Novelty Business. A business which has as a principal activity the sale of devices which stimulate human genitals or devices which are designed for sexual stimulation.

(12) Adult Sauna. A sauna that provides a steam bath or heat bathing room used for the purpose of bathing, relaxation or reducing, utilizing steam or hot air as a cleaning, relaxing or reducing agent, if the service provided by the sauna is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

Adult Steam Room/Bathhouse Facility. A building or portion of a building used for providing a steam bath or heat bathing room used for the purpose of pleasure, bathing, relaxation, or reducing, utilizing steam or hot air as a cleaning, relaxing or reducing agent if the service provided by the steam room/bathhouse facility is distinguished or characterized by an emphasis on "specified sexual activities" or "specified anatomical areas."

C. "Nude" or "Specified Anatomical Areas" means:

(1) The showing of the human male or female genitals, pubic area, buttocks, or anus with less than a fully opaque covering; the showing of the female breast with less than a fully opaque covering of any part of the nipple; the exposure of any device, costume, or covering which gives the appearance of or simulates the genitals, pubic hair, natal cleft, perineum anal region or pubic hair region; or the exposure of any device worn as a cover over the nipples and/or areola of the female breast, which device simulates and gives the realistic appearance of nipples and/or areola; or

(2) Human male genitals in a discernibly turgid state, even if completely and opaquely covered.

D. "Specified Sexual Activities" means:

(1) Actual or simulated acts of sexual intercourse, masturbation, sodomy, bestiality, necrophilia, masochism, sadism or sadomasochism, fellatio or cunnilingus; or

(2) Depiction or display of human genitals in the state of sexual stimulation or arousal; or

(3) Fondling or other erotic touching of human genitals, pubic region, buttocks or female breast.

E. "Substantial or Significant portion" means: 25 % or more.

§ 68-3. Location.

Adult establishments may only be located as permitted in Section 8, Article 1, Subdivision 2 of the City Code.

§ 68-4. License Required.

No person, firm or corporation shall own or operate an adult establishment without having first secured a license as provided for in this chapter.

A. Applications. The application for an adult establishment license shall be submitted on a form provided by the city and shall include:

(1) The name, residence, phone number and birth date of the applicant, if an individual; and if a corporation or partnership, the names, residences, phone number and birth dates of each partner and all officers, directors, and controlling stockholders for the business;

(2) The name, address, phone number and birth date of the manager of such operation, if different from the owners;

(3) Whether the applicant has ever used or has been known by a name other than the applicant's name, and if so, the name or names used and information concerning dates and places where used;

(4) The address and legal description of the premises where the adult establishment is to be located;

(5) A statement detailing each gross misdemeanor or felony relating to a sex offense, obscenity offense or offense related to the operation of adult uses and related activities of which the applicant, or in the case of a corporation or partnership, the owners, partners, officers, directors and controlling stockholders have been convicted, and whether or not the applicant has ever applied for or held a license to operate a similar type of business in other communities;

(6) The activities and types of business to be conducted;

(7) The hours of operation, which shall be limited to 8:00 a.m.-1:00 a.m.;

(8) The provisions made to restrict access by minors;

(9) A building plan of the premises detailing all internal operations and activities.

B. Fees.

(1) Each application for a license shall be accompanied by a receipt from the city for payment in full of the required license fee. Upon rejection of any applications for a license, the Finance Director shall refund the amount paid.

(2) All licenses shall expire at 12:00 midnight on March 31 of each year. Each license shall be issued for a period of one year, except that if a portion of the license year has elapsed when the application is made, a license may be issued for the remainder of the year for a pro-rated fee. In computing such fee, any unexpired fraction of a month shall be counted as one month.

(3) The annual license fee for adult establishments shall be in the amount as set forth in the current City fee schedule.

(4) No part of the fee paid for any license shall be refunded except in the following instances upon application to the City Council within 30 days from the happening of the event. There shall be refunded a pro rata portion of the fee for the unexpired period of the license, computed on a monthly basis, when operation of the licensed business ceases not less than one month before expiration of the license because of:

a. Destruction or damage of the licensed premises by fire or other catastrophe;

b. The licensee's illness;

c. The licensee's death;

d. A change in the legal status making it unlawful for the licensed business to continue.

C. Review and Action on License Application.

(1) The City Council, or such persons as they designate, must complete their investigation within 30 days after the city receives a complete application and all license and investigative fees.

(2) If the application is for a renewal, the applicant shall be allowed to continue business until the City Council has determined to renew or refuse to renew a license. Application for renewal must be submitted with the annual license fee not later than 30 days before the license expires.

(3) If, after such investigation, it appears that the applicant and the place proposed for the business are eligible for a license under the criteria set forth in this subsection, then the license shall be issued by the City Council within 30 days after the investigation is completed. Otherwise the license shall be denied.

(4) Each license shall be issued to the applicant only and shall not be transferable to another holder. Each license shall be issued only for the premises described in the application. No license may be transferred to another premise without the approval of the City Council. If the licensee is a partnership or a corporation, a change in identity of any of the principals of the partnership or corporation shall be deemed a transfer of the license.

(5) An applicant for any license under this section shall deposit with the city at the time an original application is submitted, an amount as set forth in the current City fee schedule to cover the costs involved in verifying the license application and to cover the expense of any investigation needed to assure compliance with this section. If the investigation and verification process is conducted outside the state of Minnesota, the city may require the actual investigation costs not exceeding the amount set forth in the current City fee schedule.

D. Persons Ineligible for License. No license shall be granted to or held by any person:

(1) Under 18.

(2) Who has been convicted of a felony or of violating any federal law, state law or local ordinance relating to sex offenses, obscenity offenses or adult establishments, unless the applicant can show competent evidence of sufficient rehabilitation under Minn. Stat. § 364,05, subd. 3.

(3) Who is not the proprietor of the establishment for which the license is issued.

(4) Who has failed to supply all of the information requested on the license application;

(5) Who gives false, fraudulent, or untruthful information on the license application;

(6) Who has not paid the required license and investigation fees;

(7) Who has been denied a license by the City or any other municipal corporation to operate an adult establishment, or such license has been suspended or revoked, within the preceding twelve (12) months.

E. Places Ineligible for License.

(1) No license shall be granted for adult establishments on any premises where the owner or the applicant has been convicted of a violation of this chapter, or where any license hereunder has been revoked for cause, until one year has elapsed after such conviction or revocation.

(2) Except for uses lawfully existing at the time of this ordinance adoption, no license shall be granted for any adult establishment, which is not in compliance with the city's zoning regulations or applicable building code.

(3) Establishments holding an intoxicating liquor, beer or wine license are ineligible for a license.

(4) No license shall be granted for operation on any premises upon which taxes, assessments, or installments thereof, or other financial claims of the city, are owed by the applicant and are delinquent and unpaid.

F. Conditions of License.

(1) Every license shall be granted subject to the following conditions and all other provisions of this chapter, and of any applicable sections of the code of the city, state law, or federal law, whichever is more restrictive.

(2) All licensed premises shall have the license posted in a conspicuous place at all times.

(3) No minor shall be permitted on the licensed premises.

(4) Any designated inspection officer of the city shall have the unqualified right to enter, inspect and search the premises of a licensee during business hours.

(5) Every licensee shall be responsible for the conduct of his or her place of business and shall maintain conditions of order.

(6) An adult establishment shall not sell or dispense non-intoxicating or intoxicating liquors nor shall it be located in a building which contains a business that sells or dispenses non-intoxicating or intoxicating liquors.

G. Hearing and Appeal Procedures.

Denials, non-renewals, suspensions and revocations of an adult establishment license are governed by this subsection.

(1) Notice and Hearing. In the event that the City proposes to deny or not to renew, suspend or revoke a license, the City will notify the applicant/licensee in writing of the basis for the action. The Council will hold a hearing for the purpose of determining whether to deny, not renew, suspend, or revoke the license. The hearing must be within 30 days of the date of the notice. The City Council must make a decision within 30 days after the close of the hearing or within 60 days of the date of the notice, whichever is sooner. The Council must notify the applicant/licensee of its decision within that period.

(2) Suspension or Revocation. If the Council determines to suspend or revoke a license, the suspension or revocation is not effective until 15 days after notification of the decision to the licensee. If, within that 15 days, the licensee files and serves an action in state or federal court challenging the Council's action, the suspension or revocation is stayed until the conclusion of such action.

(3) Non-renewal. If the City Council determines not to renew a license, the licensee may continue its business for 15 days after receiving notice of such non-renewal. If the licensee files and serves an action in state or federal court within the 15 days for the purpose of determining whether the City acted properly, the licensee may continue in business until the conclusion of the action.

(4) Prompt Judicial Review. After denial or non-renewal of an application, or suspension or revocation of any license, the applicant or licensee may seek prompt judicial review of such action in any court of competent jurisdiction. The court shall promptly review such action.

§ 68-5. Violations and Penalties.

Any person violating any provision of this chapter is guilty of a misdemeanor and upon conviction shall be punished not more than the maximum penalty for a misdemeanor as prescribed by state law.

The City may enforce any provision of this Chapter by mandamus, injunction, or any other appropriate civil remedy in any court of competent jurisdiction, regardless of the status of any related criminal prosecution.

§ 68-6. State Law Inapplicable.

Minnesota Statutes, section 617.242 shall not apply in the City.

§ 68-7. Severability.

The provisions of this chapter shall be severable. If any provision is found to be void, the remaining provisions of the law shall remain valid, unless the court finds the valid provisions of the law are so essentially connected with the void provisions so that the court cannot presume the Council would have enacted the remaining valid provisions without the void one; or unless the court finds the remaining valid provisions, standing alone are incomplete and incapable of being executed in accordance with the legislative intent.

Section 3. This ordinance shall take effect and be in force from and after its publication in the official newspaper of the City of Isanti.

Memo for Council Discussion

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: January 30, 2020
Subject: Discussion Only - City Code Chapter 276 Amendment and Special Assessment Policy Update

Background:

City staff has prepared updates to the Special Assessment Policy. The updates regard aligning the policy to include funding options (ex. internal project funding), matching policy to current practice, and updates as recommended by the City Engineer, Finance Director and League of Minnesota Cities. As a part of this update, the city code chapter would be amended to include what is needed by ordinance, and a resolution adopted that encompasses the remainder of special assessment polices.

The City Attorney has reviewed the updated city code amendment and policy.

Recommendation:

Consider next steps to adopt the amended City Code (Ordinance) and Special Assessment Policy.

Request:

Staff is requesting City Council discussion and direction.

Action Required:

If the Council concurs, it should direct staff to post the Ordinance and place both the Ordinance and Special Assessment Policy Resolution on the next City Council meeting agenda for consideration.

Attachments:

- Draft Ordinance XXX – An Ordinance Repealing and Replacing Ordinance 161 Adopted on February 19, 1991 and Amended by Ordinance 257 on April 16, 2002 and Titled Special Assessments.
- Draft Special Assessment Policy

For Review and Discussion Only

AN ORDINANCE REPEALING AND REPLACING ORDINANCE 161 ADOPTED ON FEBRUARY 19, 1991 AND AMENDED BY ORDINANCE 257 ON APRIL 16, 2002, AND TITLED SPECIAL ASSESSMENTS

The City Council of the City of Isanti, Minnesota ordains:

Section 1 – Repealer. Ordinance 161 and amending Ordinance 257, codified in Chapter 276 of the City Code is hereby replaced in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 276 is hereby adopted:

SPECIAL ASSESSMENTS

276-1. Deferred assessments

276-1. Deferment of Special Assessments.

A. The Council may defer the payment of any special assessment on homestead property owned by a person who is 65 years of age or older, or a person who is retired by virtue of permanent and total disability, or military persons meeting the criteria under Minn. Statute § 435.193, as amended from time to time. The City Clerk is hereby authorized to record the deferment of special assessments where the following conditions are met:

1. The applicant must apply for the deferment not later than 90 days after the assessment is adopted by the City Council.
2. The applicant must be 65 years of age or older, retired by virtue of permanent and total disability, or meets the military deferral standard in Minnesota Statutes section 435.193.
3. The applicant must be the owner of the property.
4. The applicant must occupy the property as his principal place of residence.
5. The average annual payment for assessments levied against the subject property exceed one percent of the adjusted gross income of the applicant as evidenced by the applicant's most recent federal income tax return. The average annual payment of an assessment shall be the total cost of the assessment divided by the number of years over which it is spread.

B. The deferment shall be granted for as long a period of time as the hardship exists and the conditions aforementioned have been met. However, it shall be the duty of the applicant to notify the City Clerk of any change in status that would affect eligibility for deferment.

C. The entire amount of deferred special assessments shall be due within 60 days after loss of eligibility by the applicant. If the special assessment is not paid within the 60 days, the City Clerk shall add thereto interest at a per annum interest rate according to the terms and conditions of the original special assessments, and the total amount of principal and interest shall be certified to the County Auditor for collection with taxes the following year. Should the applicant demonstrate to the satisfaction of the Council, that full repayment of the deferred special assessment would cause the applicant particular undue financial hardship, the Council may order that the applicant pay within 60 days a sum equal to the number of installments of deferred special assessments outstanding and unpaid to date, including principal and interest, with the balance thereafter paid according to the terms and conditions of the original special assessments.

D. The option to defer the payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following:
1. The death of the owner when there is no spouse who is eligible for deferment.
2. The sale, transfer or subdivision of all or any part of the property.
3. Loss of homestead status on the property.
4. Determination by the Council for any reason that immediate or partial payment would impose no hardship.

Effective Date:

This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this _____ of February, 2020.

Discussion Only

SPECIAL ASSESSMENT POLICY

Section 1. General policy statement.
Section 2. Improvements and maintenance costs eligible for special assessment.
Section 3. Initiation of public improvement projects.
Section 4. Public improvement procedures.
Section 5. Financing of public improvements.
Section 6. General assessment policies.
Section 7. Methods of assessment.
Section 8. Policies of re-assessment.
Section 9. Assessment computations.
Section 10. Deferrals on unimproved parcels
Section 11. Postponed assessments; apportionment; supplemental assessments.

Section 1. General policy statement.

A. The purpose of this policy is to establish a fair and equitable manner of assessing the increase in market value (special benefit) associated with public improvements. The procedures used by the City for levying special assessments are those specified by Minnesota Statutes, Chapter 429, as amended from time to time, which provides that all or a part of the cost of improvements may be assessed against benefiting properties.

B. Three basic criteria must be satisfied before a particular parcel can be assessed. The criteria are as follows:

1. The land must have received special benefit from the improvement.
2. The amount of the assessment must not exceed the special benefit.
3. The assessment must be uniform in relation to the same class of property within the assessment area.

The assessment policy is intended to serve as a guide for a systematic assessment process in the City. There may be exceptions to the policy or unique circumstances or situations which may require special consideration and discretion by city staff and the City Council.

Section 2. Improvements and maintenance costs eligible for special assessments.

A. Public improvements and related acquisition, construction, extension, and maintenance of such improvements, authorized by Minn. Stat. § 429.021 and 459.14, subd. 7, as amended from time to time, are eligible for special assessment within the City.

B. The City is also authorized by ordinance to recover, through special assessment, unpaid special charges as provided in Minn. Stat. § 429.101.

Section 3. Initiation of public improvement projects.

A. Public improvement projects can be initiated in the following ways.

1. Public improvement projects may be initiated by petition of owners of at least 35% in frontage of the property abutting the proposed improvement.

2. Public improvements also may be initiated by the City Council when, in its judgment, such action is required.

3. A resolution ordering any improvements initiated by the Council or by owners of less than 35% of abutting property owners requires a four-fifths majority vote of all members of the Council. A resolution ordering any improvements initiated by owners of not less than 35% of abutting property owners requires a majority vote of all members of the Council. A resolution ordering any improvements initiated by all owners (100%) of abutting property, and assessing the entire cost against their property, may be adopted without a public hearing. All petitioned projects by property owners regarding development of land shall follow the Policies for Petitioned Projects, adopted as City Resolution 2007-240.

Section 4. Public improvement procedure.

A. The following is the general procedure followed by the City Council for all public improvement projects from initiation of such a project through certification of the assessment roll to the County Auditor. Formats for the various reports and resolutions referenced in this section are made a part of the policies and procedures of the City.

1. Staff reviews petition or Developer's request for submission to Council.
2. Council accepts or rejects petition or request. If based upon a petition, the Council adopts a resolution declaring whether the required percentage of property owners has signed. If the petition or request is accepted, Council orders preparation of feasibility report.
3. Staff prepares feasibility report. The report shall preliminarily evaluate whether the proposed improvement is necessary, cost-effective, and feasible and whether it should be made as proposed or in conjunction with another project. The report shall include an estimate of the

cost of the improvement as proposed. Council may refer the report to the Planning and Zoning Commission.

4. Council accepts or rejects feasibility report. If accepted, Council orders public hearing on the improvements.
5. Staff posts and publishes hearing notice and mails notices to affected property owners as provided in Minn. Stat. § 429.031(a), as amended from time to time.
6. Council conducts public hearing.
7. Within six (6) months of the hearing date, Council adopts or rejects resolution ordering improvement to be constructed and advertisement of bids as required in Minn. Stat. § 471.345. If adopted, staff prepares final plans, advertises for and opens bids as provided in Minn. Stat. § 429.041, as amended from time to time, prepares bid tabulation, makes recommendation to City Council for award, and prepares proposed assessment roll. Bonds to finance project costs may be issued at any time after the improvements are ordered.
8. Council reviews proposed assessment roll and orders assessment hearing.
9. Staff publishes hearing notice, mails notice of hearing date and proposed assessments to the affected property owners as provided in Minn. Stat. § 429.061, as amended from time to time.
10. Council conducts assessment hearing and adopts, revises, or rejects resolution determining the amount of the total expense the City will pay, if any, and establishing the assessment roll. If adopted, Council authorizes certification of the assessment to the County Auditor.
11. Council awards contract based on the bids received.
12. Staff certifies the assessment roll to the County Auditor.
13. Staff supervises construction and prepares payments.

Section 5. Financing of public improvements.

A. The City encourages public improvement projects as the area (s) benefiting and needing such improvements develop. Examples of this policy can be seen through the subdivision regulations, zoning ordinance, and building codes. Developers are required to provide the needed improvements and services before development occurs, thereby avoiding unexpected hardships on the property owners purchasing such property and the general public. However, it is recognized that certain areas of the City have developed without all needed public improvements (e.g. parks, water, sewer, and street improvements) and that methods must be found to provide these improvements without causing undue hardships on the general public or the individual property owner.

B. Special assessments are generally accepted as a means by which areas can obtain improvements or services; however, the method of financing these is a critical factor to both the City and the property owner. Full project costs spread over a very short term can cause an undue hardship on the property owner and, likewise, city costs and systems costs spread over a long period of time can produce an undue hardship on the general public of the City.

Section 6. General assessment policies.

A. The cost of any improvement shall be assessed upon property by the improvements based upon benefits received. The following general principles shall be used as a basis of the City's assessment policy:

1. Project Cost. The "project cost" of an improvement includes the costs of all necessary construction work required to accomplish the improvement, plus engineering, legal, administrative, financing and other contingent costs, including acquisition of right-of-way and other property. The finance charges include all costs of financing the project. These costs include but are not limited to financial consultant's fees, bond rating agency fee, bond attorney's fees, and capitalized interest. The interest charged to the project shall be included as financing charges.
2. City Cost. The "city cost" of an improvement is the amount of the total improvement expense the City will pay as determined by Council resolution. Where the project cost of an improvement is not entirely attributed to the need for service to the area served by said improvement, or where unusual conditions beyond the control of the owners of the property in the area served by the improvement would result in an inequitable distribution of special assessments, or for any other reason determined by the City, the City, through the use of other funds, may pay such "city cost."
3. Assessable Cost. The "assessable cost" of an improvement is equal to the "project cost" minus the "city cost."
4. Interest. The City will charge interest on special assessments at a rate specified in the resolution approving the assessment roll. If bonds were sold to finance the improvement project, the interest rate shall be one percent (1%) more than the true interest cost of the bonds, rounded to the nearest quarter of a percent. If no bonds were sold, the interest rate shall be set at one percent (1%) over current market rate for municipal bonds based on the city's current bond rating at the time of the final assessment hearing.
5. Prepayment. Property owners may pay their assessments in full interest free for a period of 30 days after the assessment hearing. After such period interest shall be computed from the date specified in the assessment resolution. The City will transmit a certified duplicate of the assessment roll with each installment, including interest, to the County Auditor, or in lieu of such certification, annually certify to the County Auditor by November 30 in each year, the total amount of installments of and interest on assessments on each parcel which are to become due in the following year. Prior to certification of principal and interest or the first installment thereof, to the County Auditor, a property owner may make a partial prepayment of the principal to the City. Such partial prepayment must be at least $100.00. If the partial prepayment is made after the 30-day "interest free" period allowed by state law, interest will be charged on the amount of the partial prepayment from the date specified in the resolution and paid along with the partial prepayment. After the City has made the first certification of principal and interest to the County Auditor, prepayment will be accepted only for the total amount still owing including interest and must be made prior to November 15 of any year. If a parcel has two or more separate special assessments, prepayment of the remaining principal balance may be made on one or more assessment totals. Tax-exempt parcels such as churches and school properties may make only one partial prepayment to the first certification to the

County Auditor. The remaining principal after the partial prepayment will be paid in equal installments over the remaining term of the special assessments.

6. Extensions. Where an improvement is designed for service of an area beyond that receiving the initial benefit, the City may pay for increased project costs due to such provisions for future service extensions. The City will levy assessments to cover this cost when a new improvement is installed as an extension of the existing improvement upon identification of such additional amount in the notice of hearing for the extensions or new improvements. As an alternative, the City may assess these costs to the area of future benefit immediately.
7. Frontage Roads. Because frontage roads along highways or other arterial streets are deemed to be of benefit to commercial or industrial properties, the entire costs of any improvement on such frontage roads shall be assessable to the benefited properties, even if only those properties on one side of such frontage roads are benefited.
8. Project Assistance. If the City receives financial assistance from the Federal Government, the State of Minnesota, the County, or from any other source to defray a portion of the costs of a given improvement, such aid will be used to reduce the "city cost" of the improvement. The aid will not be used to reduce assessment amounts.
9. Assessable Property. Property owned by the City and other political subdivisions including municipal building sites, parks and playgrounds, but not including public streets, alleys, and right-of-way, shall be regarded as being assessable on the same basis as if such property was privately owned. Private right-of-way shall be assessable.
10. Individual Benefits. The City must construct improvements specifically designed for or shown to be of benefit solely to one or more properties. The costs for these improvements will be assessed directly to such properties, and not included in the assessments for the remainder of the project. An example of this would be utility service lines running from the main lines to the property.

Section 7. Methods of assessment.

A. General Statement. There are different methods of assessment: per lot, adjusted front foot, and area. The feasibility report will recommend one or a combination of these methods for each project, based upon which method would best reflect the benefit received for the area to be assessed. The City Council will select the preferred method of calculating the assessments at the time the project is ordered.

B. Policy Statement. The following methods of assessment, as described and defined below, are hereby established as methods of assessment in the City.

C. "Adjusted Front Footage" Method of Assessment.

The "cost per adjusted front foot" method of assessment shall be based on the quotient of the "assessable cost" divided by the total assessable frontage benefiting from the improvement. For the purpose of determining the "assessable frontage," all properties, including governmental agencies, shall have their frontages included in such calculation.

The actual physical dimensions of a parcel abutting an improvement (i.e., street, sewer, water, etc.) shall not be construed as the frontage utilized to calculate the assessment for a particular parcel. Rather, an "adjusted front footage" will be determined. The purpose of this method is to equalize assessment calculations for lots of similar size. Individual parcels by their very nature differ considerably in shape and area. The following procedures will apply when calculating adjusted front footage. The selection of the appropriate procedure will be determined by the specified configuration of the parcel. All measurements will be scaled from available plat and section maps and will be rounded down to the nearest foot dimension with any excess fraction deleted.

1. *Rectangular Interior Lots.* The rectangular lot is defined as having no more than 2.0 feet difference between the front and rear lot lines. The adjusted front footage is the actual front footage of the lot.
2. *Approximately Rectangular Lots.* For a lot which is approximately rectangular, the adjusted footage is computed by averaging the front and back sides of the lot.
3. *Odd Shaped Lots.* For odd shaped lots such as exist on cul-de-sacs and curved streets, the adjusted front footage is the width measured at the setback line of the lot.
4. *Corner Lot Adjustment.* The short side will be assessed the actual front footage. The long side will be assessed one-half the actual side footage or seventy-five (75) feet, whichever is greater. Where frontage curves so greatly as to give a general appearance of a corner, the lot shall be considered a corner lot.
5. *Neck lots and dead-ends.* A lot or parcel which has a small frontage on a street, with a narrow strip running back 120 feet or more, or a lot or parcel that is served by a street that is improved but either the street dead-ends or the improvement ends at the property line, is assigned an adjusted frontage of 75 feet. Where an improvement is subsequently extended, the lot or parcel that was assigned an adjusted frontage of 75 feet shall have the 75 feet deducted from the footage on the subsequent assessment.
6. Any parcel of land which is not capable of further subdivision pursuant to the applicable zoning ordinance and which has frontage in excess of 330 feet shall be assessed for a maximum adjusted front footage of 330 feet.

B. "Area" Method of Assessment.

The "area" method of assessment shall be based on the number of square feet or acres within the boundaries of the appropriate property lines of the areas benefiting from the project. The assessment rate (i.e., cost per square foot) shall be calculated by dividing the total assessable cost by the total assessable area. On large lots, the City Engineer may determine that only a portion of the lots receives the benefit and may select a lot area for the calculations equal to the benefit received.

All properties included in the benefited area, including other governmental areas, churches, etc., shall be assessable. The following items may not be included in area calculations: public right-of-ways, natural waterways, swamps and lakes and other wetlands designated by the Minnesota Department of Natural Resources, National Wetland Inventory, or the City. The City Engineer will make a recommendation on the boundaries or parameters of the benefited area in the feasibility report.

C. "Per Lot" Method of Assessment.

The "per lot" method of assessment shall be based on equal assessment of all lots within the benefited area. The "assessment per lot" shall be the quotient of the "assessable cost" divided by the total assessable lots or parcels benefiting from the improvement. For the purpose of determining the "lots" or "parcels" all parcels, including governmental agencies, shall be included in such calculations. For any lot that could be subdivided to City minimum lot size standards, said lot shall be assigned the number of lots it could subdivide to.

Section 8. Policies of re-assessment.

The City shall design public improvements to last for a definite period. The life expectancy or service life shall be as stated in the policy statement of this section, or if different, shall be as stated in the resolution ordering improvement and preparation of plans.

A. Policy Statement

The following are the "life expectancies" or "service lives" of public improvements except as may be otherwise stated in the resolution ordering improvement and preparation of plans.

1. Sidewalks - 20 years.
2. Street improvements, including surfacing and curb and gutter - 20 years.
3. Ornamental street lighting - 20 years.
4. Water Mains - 30 years.
5. Sanitary Sewers - 30 years.
6. Storm Sewers - 30 years.

Section 9. Assessment computations.

The following is the typical city assessment for various specified improvements.

A. Street and Curb and Gutter Improvements

1. *New Construction Projects.* New streets are assessed 100% to the abutting benefited properties. Street and curb and gutter improvements will normally be assessed by the adjusted front foot method, however other methods may be utilized if conditions warrant. Cost of construction of streets shall be assessed based on the City standard typical section for residential areas and 9-ton axle load in commercial and industrial areas. Oversizing costs which are incurred in excess of the above shall be 100% assessed to the City.
2. *Reconstruction and Reclamation Projects.* Street reconstructions and reclamations are assessed 25% to the abutting benefited properties. New curb and gutter are 100% assessed. Replaced curb and gutter are assessed 25% to the abutting benefitted properties.

3. *Gravel Streets.* Upgrading of existing gravel street by adding pavement, curb and gutter is considered new construction and all costs are assessed 100%.
4. *Seal Coats and Overlays.* Sealcoats and overlays are considered maintenance and shall not be assessed.
5. *Alleys.* Upgrading existing gravel alleys by adding pavement is assessed 100% to all lots abutting on the alley in the block being improved. Reconstructing existing paved alleys are 100% assessed also.
6. *Driveways.* New driveways are assessed 100% to the property owner. Reconstructed driveways are assessed 25% to abutting benefitted property owners.
7. The assessments for those parcels contained in a benefitted area but outside the City limits shall be deferred until such parcels have been annexed. The City Council may require properties to be annexed before providing City services to them.

B. Sidewalks and Trails

1. *New Construction projects.* In Commercial Districts, the total cost for the installation of new sidewalks or trails for new projects will be assessed 100% against the property owner. In Residential Districts the total cost shall be assessed 100% to the City if the City requires the sidewalk or trail to be built. If the sidewalk or trail is petitioned for by the residents of the street, it shall be assessed 100% to the benefiting property owners. A successful petition shall be one signed by property owners owning a minimum of 51% of the front footage of the street in question.
2. *Reconstruction projects.* 25% percent of the cost shall be assessed to the property owners in the project area and 75% shall be assessed to the City.

C. Storm Sewer Improvements

Policy Statement. The basis for a storm sewer or ditching assessment is not the installation of a pipe or ditch on a particular property but, rather, the installation of pipe or ditch in an area. The definition of these areas is determined by the City Engineer. When the installation of the pipe or ditch is completed in full in an area, the area is assessed in full. Any area which contributes water to this system, whether by ground runoff or by underground piping, is assessed up to the current rate per square foot.

New projects. The total cost for both storm sewers and ditches shall be 25% assessed to the City and 75% assessed to the benefitting property owners in districts involving a mixture of existing uses and vacant land. The total cost shall be assessed 100% to benefitting property owners in districts where all of the land is vacant.

Reconstruction projects. The total cost for both storm sewers and ditches shall be 75% assessed to the City and 25% assessed to the benefitting property owners for reconstruction, system maintenance, or ditch cleaning projects. In cases where the property owner has caused damage to a drainage system by their actions (for example, farming too close to a ditch or causing erosion into a ditch or waterway due to lack of maintenance of property), the property owner shall be assessed 100% of the costs for repairing the damage and reconstructing the drainage system.

D. Sanitary Sewer Assessments

Policy Statement. Sanitary sewers consist of a network of pipes and associated pumping stations, meter stations and appurtenances designed to transport sewage to the municipal waste treatment plant.

1. *Assessment method.* The total cost of an interceptor or trunk line is assessed equally per unit of area over the entire district served by the sewer main. The assessment is generally levied in the current year of construction of the interceptor or trunk sewer, and it is entirely likely that a large number of properties will be assessed which do not immediately have access to the sewer. However, it is considered that such properties do accrue immediate benefit from the interceptor or trunk sewer since it is available to receive lateral sewer connections, which may be initiated by petition of property owners. Sanitary sewer lift stations and additional construction shall be considered as part of the interceptor or trunk sewer and shall be assessed on the same basis.

2. *New projects.* The total cost of sanitary sewer laterals for new projects shall be 100% assessed to the benefitting property. In any new project requiring reconfigurations or additions to the existing sanitary sewer system, 100% of the cost of the project shall be assessed to the benefitting property owners.

3. *Reconstruction projects.* 25% of the cost shall be assessed to the property owners and 75% shall be assessed to the City.

4. *Sanitary sewer building service or hookup.* Sanitary sewer building service or hookup is the connection by the property owner to the City sewer service and is 100% assessable against the benefitting property. The hookup charge shall be determined by the City Council.

5. *Stub-out.* A stub-out is the connector attached to the sewer main that permits individual connection to the service. The cost for a stub-out for new projects is 100% assessable to the property owner.

Parcels outside the City. Reasonable costs for those parcels contained in the area or district served but located outside the City limits shall be deferred until such parcels have been connected to the system or annexed, whichever comes first. Such costs shall be payable to the City through reasonable service and connection charges. The City Council may require properties to be annexed before providing City services to them.

E. Water Main Assessments

Policy Statement. Water mains consist of a network of pressure pipes designed to deliver municipal water to homes within the City. The City Council shall determine the standard size and depth necessary for any particular pipe. If a business or home requires a diameter of pipe in excess of the standard size, then that business or home shall pay for the extra costs associated with oversizing. If the City Council requires a pipe in excess of the standard size, then the City shall pay for the extra costs associated with oversizing.

1. *Assessment method.* Water mains will be assessed on a per-lot or lot-unit basis. The assessment is generally levied in the current year of construction of the water main, and it is entirely likely that a large number of properties will be assessed which do not immediately have access to the water main. However, it is considered that such properties do accrue immediate benefit from the water main since it is available to receive water service connections, which may be initiated by petition of property owners.

2. *New projects.* The total cost of water main for new projects shall be 100% assessed to the benefiting property owners. In any new project requiring reconfigurations or additions to the existing water system, 100% of the cost of the project shall be assessed to the benefiting property owners.

3. *Reconstruction projects.* 25% of the cost shall be assessed to the property owners, and 75% shall be assessed to the City.

4. *Water main building service or hookup.* The connection by the property owner to the City water service is 100% assessable against the benefiting property. The hookup charge shall be determined by the City Council.

5. *Stub-out.* A stub-out is that connector attached to the water main that permits individual connection to the service. The cost for a stub-out for new projects is 100% assessed to the property owner.

6. *Water tower.* Water tower construction may be assessed to benefiting property owners should the City Council determine it necessary to do so.

7. *Parcels outside the City.* The assessments for those parcels contained in a benefitted area but outside the City limits shall be deferred until such parcels have been annexed. The City Council may require properties to be annexed before providing City services to them.

F. Street Boulevard Trees

All street boulevard trees installed as part of new street constructions or in reconstructing existing streets shall be included as part of the overall project costs included in the assessment calculations.

G. Street Lights

All costs for new streetlights installed as part of constructing new streets or streetlights relocated as part of reconstructing streets are included in the overall project costs and included in the assessment calculations. In new subdivisions, the City may require the developer to finance street light improvement rather than assessing the cost.

H. Other Improvements

Based on the City Council determination, any other improvements may be fully assessed or assessed in part.

276-10. Deferrals on unimproved parcels

Deferrals on unimproved parcels. (See Minn. Stat. § 429.061, Subd. 2., as amended from time to time) On improvement projects involving assessments on unimproved parcels, the City Council may decide to defer assessments at the request of the landowner, according to the following:

1. Activation of deferred assessment. Payment of the deferred assessment shall commence when one of the following events occurs:
a. The property is sold as a single parcel.
b. The property is subdivided pursuant to the applicable zoning ordinance, court order, or registered land survey, unless determined by the City Council that such event does not justify activation of the deferred assessments.
c. The property reverts to the State of Minnesota as a result of tax forfeiture.
d. The property or portion thereof is acquired by condemnation for a subsequent project.
e. At a time mutually agreeable to the property owner and the City.

2. Repayment of deferred assessments. Based upon the type of improvement, the repayment period for any bonds sold to finance the project, and the amount of individual assessments, the City Council shall, prior to the adoption of the assessment, determine the length of time over which the deferred assessments shall be paid and shall select one of the following options for payment of the interest on the deferred assessments:
a. Interest shall be added to the principal amount of the assessment when it first becomes payable; or
b. Interest shall be payable annually at the same times as the principal installments of the assessment would have been payable if not deferred. If the City Council and property owner agree, this interest may be deferred also. The unpaid principal balance of deferred assessments shall accrue interest at the same rate as the assessments not deferred.

276-11. Postponed assessments; apportionment; supplemental assessments.

A. Postponed assessments.

1. If the City advances its own funds to pay for improvement costs relating to property abutting on but not initially assessed for the improvement, the City may reimburse itself for all or any portion of this cost by levying assessments against such property upon notice and hearings provided for the assessments at a later date.

2. If the City advances its own funds to pay for improvement costs that benefit nonabutting property not initially assessed for it, but able to use it when extensions or other improvements are made, the City may include all or any portion of the City costs in assessments for later improvements if notice to that effect is included in the notice of hearing on the matter of undertaking the later extension or improvement.

B. Apportionment of assessments upon subdivision of land. If a special assessment is levied against a tract of land which is later subdivided, the installments remaining unpaid can be apportioned among the various lots and parcels in the tract upon a finding that such apportionment will not materially impair collection of the balance due. This may be done upon application of the property owner or by the City Council acting upon its own motion, but notice of such apportionment and of the right to appeal must be mailed to or personally served upon all owners of any part of the tract. The City Council may, and if the assessment has been pledged towards payment of improvement warrants the City Council must, require the owner or owners to furnish surety bonds.

C. Supplemental assessment and reassessment. The City Council may, subject to legal notice and hearing requirements, make supplemental assessments to correct omissions, errors, or mistakes in the assessment relating to the total cost of the improvement or any other particular item. If an assessment is set aside by a court for any reason or if the City Council finds that the assessment or any part of it is excessive or determines on advice of the City Attorney that it is or may be invalid for any reason, the City Council may upon notice and hearing as required for the original assessment, make a reassessment or a new assessment as to such parcel or parcels.

Memo for Council Action

To:	**Mayor Johnson and Members of the City Council**
From:	Jenny Garvey – Parks, Recreation & Culture Manager
Date:	February 4, 2020
Subject:	Resolution to the Amend Isanti Legacy Recognition Policy

---

Background:
The COW reviewed the Isanti Legacy Recognition Policy at the January 21, 2020 meeting and asked staff to bring it back to council

Request:
Staff is requesting council approve the amended Isanti Legacy Recognition Policy

Attachment:

- Resolution 2020-XXX
- Exhibit A-Isanti Legacy Medal Recognition Policy

RESOLUTION 2020-XXX

AMENDING THE ISANTI LEGACY MEDAL RECOGNITION POLICY

WHEREAS, the City Council would like to honor those who, through their actions, have brought positive State or National recognition to the City of Isanti; and,

WHEREAS, the City Council would like to honor those who have served the City of Isanti with distinction; and,

WHEREAS, the Isanti Legacy Medal signifies the importance of City of Isanti residents, and those who are members of organizations within the City of Isanti, have had in building the legacy of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota hereby adopts the Isanti Legacy Medal Recognition Policy, as provided in 'Exhibit A'.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

_____
Mayor Jeff Johnson

ATTEST:

_____
Katie Brooks
Human Resources/City Clerk

Exhibit A

ISANTI LEGACY MEDAL RECOGNITION POLICY

Purpose

To honor those who, through their actions, have brought positive State or National recognition to the City of Isanti or those who have served the City of Isanti in a distinct or extraordinary way.

Policy

The Isanti Legacy Medal signifies the importance of City of Isanti residents, and those who are members of organizations within the City of Isanti, have had in building the legacy of Isanti.

Procedure for Nominating

The following procedure should be followed when nominating an individual(s) for the Isanti Legacy Medal:

- Request a nomination form from the City of Isanti or download off the City website.
- Return the nomination form to City Hall,.
- Nominations will be accepted through the Parks, Recreation and Culture Staff.
- Nominees will be reviewed by the d Committee of the Whole who will make recommendations to the City Council.
- Nominees selected may be recognized annually.

Criteria for Nominating

The following criteria should be followed when nominating an individual(s) for the Isanti Legacy Medal:

- The opportunity is open to all Isanti City residents or members of organizations based in the City of Isanti; no age requirement.
- The nominee has either received State or National recognition or served the City of Isanti with distinction.
- The name and address (home or organization) of the individual nominated shall be provided.
- The reason(s) why this person should be nominated.

Isanti Legacy Medal Nomination Form

The Isanti Legacy Medal recipient is an outstanding individual recognized for positively representing the City of Isanti either by State or National recognition or by having served the City of Isanti with distinction.

MEMORANDUM

Date: January 28, 2020

To: Josi Wood, City Administrator

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation
- Preliminary Engineering Report, Call for Public Hearing, Project Engineering Services
City of Isanti, MN
Project No.: R13.120122

Pursuant to your authorization, we have prepared a Preliminary Engineering Report (PER) for the 6th Avenue SW Rehabilitation. Included in the report are exhibits depicting the proposed improvements, estimated costs and discussion regarding funding and the Minnesota State Statute No. 429 (MS-429) assessment procedure.

Should the Mayor and City Council elect to move forward with the improvements, Bolton & Menk, Inc proposes to complete the following scope of services to enable the project to be completed:

- Prepare documents for the required public hearing
- Prepare Plans and Specifications
- Advertise for bids
- Prepare the recommendation to Council to award bid
- Perform construction administration, observation and surveying during the project
- Prepare the final assessment roll and conduct the final assessment hearing

We recommend the following schedule to keep the project on schedule to be constructed this summer:

1) February 4, 2020 Mayor and City Council accepts Report calls for Hearing on the Improvement and Authorizes Preparation of Plans and Specifications.
2) March 4, 2020 Hold Public Hearing
3) March 4, 2020 Mayor and City Council approves plans and orders advertisement of bids
4) March 31, 2020 Open Bids
5) April 7, 2020 Mayor and City Council awards bid
6) June – October, 2020 Project construction
7) November 10, 2020 Conduct final assessment hearing

We propose to assist the City in completing the project in accordance with the scope of services, for an hourly, not-to-exceed fee of $59,537.00 for plan and specification development through bidding and an hourly, not-to-exceed fee of $54,957.00. These fees were included in the estimated project costs in the Preliminary Engineering Report.

In order to proceed with this project and assessment process, we recommend the City Council pass a resolution accepting the feasibility report, call for a public hearing, and authorize development of the plans and specifications.

I will be at the February 4, 2020 City Council meeting to present this report and respond to any questions you have concerning this project. Feel free to contact me with any questions prior to the meeting.

Bolton & Menk is an equal opportunity employer.

I. PROJECT INTRODUCTION

This Preliminary Engineering Report prepared by Bolton & Menk, Inc., as authorized by the Isanti City Council, provides an initial analysis of the feasibility, cost-effectiveness, and necessity of proposed infrastructure improvements along 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. A portion of the improvement costs may be assessed to benefiting property owners. Public assessments applied to the properties described in this report are subject to the requirements of Minnesota State Statute, Chapter 429 (MS 429). This Preliminary Engineering Report is the first step in the special assessment process required by the MS 429 Statute if assessments are applied.

A. Background Information

6th Avenue SW was recognized as needing infrastructure improvements in the City's Pavement Management Plan (PMP), where it received a rating of 4 out of 10 using the Pavement Surface Evaluation and Rating (PASER) rating system for asphalt roads. 6th Avenue SW is part of the Municipal State-Aid-System (MSAS) and these improvements are eligible for MSAS funding.

B. Scope

This report addresses the necessity for street improvements along 6th Avenue South West. Included in this report is a description of proposed improvements, along with the estimated costs. The specific objectives of this report are to:

- Evaluate the need for the project.
- Determine the necessary infrastructure improvements.
- Prepare cost estimates for the proposed improvements.
- Determine the feasibility of the improvements.

II. MS 429 PROCESS AND PROPOSED SCHEDULE

As mentioned above, infrastructure improvements financed through the assessment of benefiting property owners are regulated by Minnesota Statute, Chapter 429 (MS 429). The process prescribed by MS Chapter 429 along with the proposed project schedule is described below.

The benefited parties submit a petition for the proposed improvements to the City Council or, as in this case; the improvement process was authorized by the City Council without a petition.

The City Council passed a *Resolution Ordering Preparation of Report on Improvement* and ordered a Preliminary Engineering Report (PER) for the proposed project.
This was passed on: November 5, 2019

After the City Council considers the Preliminary Engineering Report, the Council may pass a *Resolution Receiving Report and Calling Hearing on Improvement,* as well as a resolution ordering preparation of plans to indicate its plan to continue the process.
Estimated date: February 4th, 2020

A public hearing on the proposed improvements is held. **Estimated date: March 4th, 2020**

After the City Council considers the presentation of the plans and specifications, it may pass a *Resolution Approving Plans and Specifications and Ordering an Advertisement for Bids.* **Estimated date: March 4th, 2020**

The advertisement for bids should be published in the official local newspaper and trade publication such as the "Construction Bulletin" at least three weeks prior to the bid opening date. **Estimated bid opening date: March 31st, 2020**

If the City Council wishes to continue with the improvements after consideration of bids, the City Council may pass a *Resolution Accepting Bid.* This resolution would award the project to the lowest responsible bidder and construction may begin. **Estimated date: April 7th, 2020**

Following completion of the proposed improvements, a public hearing is held to set the final assessment amounts. **Estimated date: November 10, 2020**

III. EXISTING CONDITIONS

The existing conditions are shown in Appendix B, and described in detail below.

A. 6th Avenue SW

The existing street is approximately 32 feet wide back of curb to back of curb with a D418 surmountable curb & gutter. The roadway is located within an existing 66-foot right-of-way. Currently the bituminous pavement is rated as 4 of 10 according to the PASER rating system in 2014, which has declined further over the past 5 years. A rating of 4 or below signifies the pavement condition is in a failed state and regular maintenance is not cost effective. The city has spent an extensive amount of time patching this roadway over the past few years to keep it in a functioning condition. The pavement shows a significant amount of major distress and is in need of reconstruction. The existing pavement section consists of two-inches (2") of bituminous pavement, and six-inches (6") of aggregate base. It was installed as part of the 1990 Brookview South 1st-3rd Additions. The existing curb & gutter is generally found to be in good condition with only isolated areas in poor condition in need of replacement as seen in the below photo.

Figure 1: Curb Raveling

B. **Sidewalk**

There is currently segmented sidewalk along the west side of 6th Avenue SW. There is existing concrete sidewalk north of Edgewood Street SW that ends after approximately 125'. There is also concrete sidewalk that runs south of South Brookview Lane that ends after approximately 140'.

The current City policy is to install sidewalk along the west side of 6th Avenue SW when new construction is proposed. The City has not added sidewalk on reconstruction projects in the past unless it is found to complete system looping or connect isolated trail segments. The addition of sidewalk along the west side of 6th Avenue will complete this system sidewalk loop.

C. **Stormwater Management**

The existing storm sewer system was installed in 1990 and consists of storm sewer piping and catch basins in 6th Avenue SW at the intersections of South Brookview Lane, Marion Street SW, and Nina Street SW. Mainline piping includes 24-inch pipe with most catch basin leads being 12-inch pipe. All pipes appear to be reinforced concrete with no history of sediment build up or failure.

There are multiple high points along 6th Avenue, where roadway drainage north and south of the high points gathers in surmountable curb and gutter, flows to catch basins, and continues in the storm sewer system until outletting. There are four valley gutters in the project limits at the intersections of Cedar Street SW and Birch Street SW. The valley gutters provide East to West drainage at both intersections. Roadway drainage between the intersection of Nina Street SW and Marion Street SW gather in surmountable curb and flows to catch basins and continues North East until outletting into a City pond. Roadway drainage between the intersections of Page Street SW and the West portion of Birch Street SW gathers in surmountable curb and gutter, flows to catch basins, and continues through the system until outletting into a City pond. The East portion of the intersection at Birch Street SW flows across two valley gutters to the West. The intersections of Cedar Street SW and Dogwood Street SW have roadway drainage outletting into a City pond with two valley gutters allowing drainage from Isanti Hills Park to flow across the intersection East to West. The southern portion of the intersection at Dogwood Street SW drains south into a city pond whilst the East portion of the intersection drains to a pond located east of the project.

D. **Sanitary Sewer**

The sanitary sewer system along 6th Avenue SW was constructed in 1990 with additions constructed in 1991-93. The system consists of 8-inch PVC sanitary sewer mains, with service lines typically 4 to 6-inch in diameter. The sanitary sewer pipe is generally 8 to 12 feet deep. There have been no reported breaks and no reported significant sanitary sewer maintenance issues within the project limits.

E. **Watermain**

Currently, there are 6-inch and 8-inch ductile iron pipe (DIP) watermain within the project limits that was originally construction as part of the 1990 Brookeview South 3rd and 5th additions, with additions constructed in 1990-1991. The DIP watermain has generally been found to be in good condition without a significant number of reported maintenance issues and no reported breaks or frozen pipes.

The 6-inch watermain is located between South Brookview Lane SW and Nina Street SW. All remaining watermain to the south in the project limits is 8-inches. A 10-inch watermain has been installed along 5th Avenue SW with a master plan to loop this trunk watermain to the 10-inch pipe in Nina Street SW. The only constriction in the system in this region at this time

is the 6-inch watermain. Should this be enlarged to an 8-inch main the master plan 10-inch loop can be delayed and system flow would improve.

F. **Isanti Hills Park**

Currently Isanti Hills Park has no parking lot or connection point to the park system from 6th avenue SW. There is a vacant lot at 706 6th Avenue SW which is being used as an access point with no existing easements in place. There is a 15-foot existing easement on the north side of 800 6th Avenue SW which could allocate space for improvements. The park currently has a bituminous trail with access from Cottonwood Street SW which ends on the West side of the park. There is currently no water service or sanitary service to the park.

IV. PROPOSED IMPROVEMENTS

The proposed street improvement is a full depth pavement reclamation of the roadway with spot curb repairs. The addition of 5-foot wide concrete sidewalk on the west side of 6th Avenue South West was also analyzed. The upsizing of watermain to complete the City wide loop of the watermain and some minor storm sewer work is proposed and no sanitary sewer work is proposed with this project. The proposed improvements are shown in Appendix C and described in detail below.

A. **Street Improvements – 6th Avenue SW Full Reclamation**

The proposed street would maintain the existing roadway width and design speed. This design would also keep the existing curb in place with only spot repairs as needed. The existing width meets State Aid requirements providing for two 11-foot wide traffic lanes, one 8-foot wide parking lane, and two feet of reaction distance to the curb where there is no parking. Per the State Aid requirements this road is not wide enough to provide parking on both sides of the street so a no parking resolution will need to be passed by the City Council and signage will be required to be installed. We recommend posting no parking on the east side of 6th Avenue. This will provide the largest separation between pedestrians and vehicle traffic while allowing users of the sidewalk to park adjacent to the walk. The proposed pavement section would consist of three and a half-inches (3.5") of bituminous pavement and six-inches (6") of reclaimed aggregate, which would be adequate for a 9-ton design.

The pavement will be reclaimed 9.5-inches deep, grinding the existing 2-inch bituminous section with the top 6-inches of existing aggregate base and one and a half-inches (1.5") of select granular base. The reclaimed material will be salvaged off site to prevent contamination during the watermain installation and 3.5-inches of the reclaimed material will be excavated and hauled away. Once the excavation is complete the salvaged reclaimed material would be brought back and placed as roadway base material.

B. **Concrete Sidewalk**

A 5-foot wide concrete sidewalk is proposed on the west side of the street. This concrete sidewalk will be constructed with a 6 foot boulevard and will connect the sidewalk ending near South Brookview Lane SW and Edgewood St SW. The installation of sidewalk will require the relocation of five utility poles and require coordination with the power company.

This sidewalk would be a safety improvement reducing vehicle/pedestrian conflicts and completing the system wide loop.

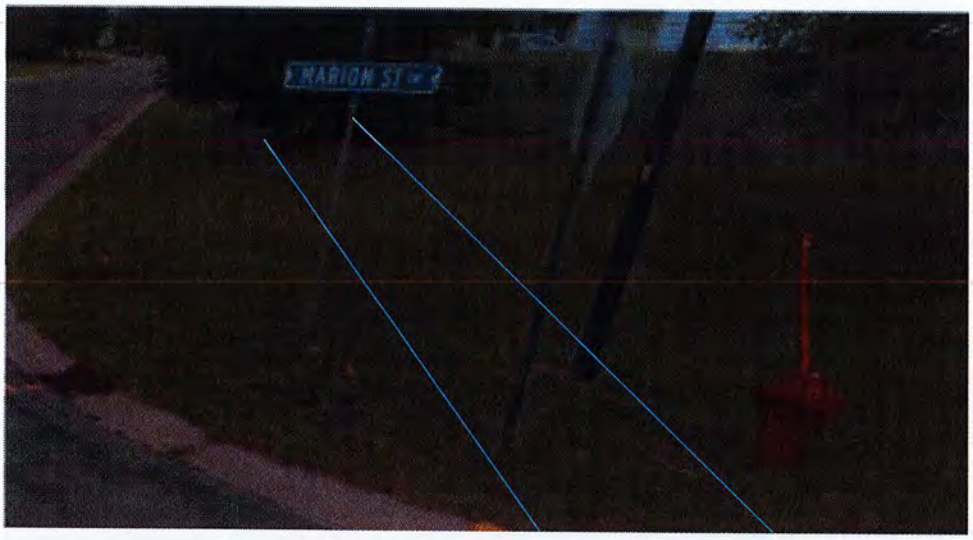

Figure 2: Existing Utility Pole Conflicts with Proposed Sidewalk

C. **Stormwater Management**

The existing storm sewer system will have three catch basins relocated to accommodate space for the sidewalk pedestrian ramps as well as 100 feet of pipe connecting into the existing structures.

The storm sewer has had some drainage issues, however, no existing storm sewer is located near the project that could be extended to 6th Avenue SW. Storm manhole and catch basin castings will be adjusted to fit the proposed surface as needed.

Best Management Practices (BMP's), as required by the Minnesota Pollution Control Agency (MPCA), will be utilized during construction to minimize erosion and sediment runoff from the construction site. These BMP's may include silt fence, stabilized construction exits, and storm water inlet protection.

D. **Sanitary Sewer**

Sanitary sewer within the project limits appears to be in adequate condition and is expected to last for the life expectancy of the proposed street improvements. Therefore, it is proposed the sanitary sewer system remain in-place, adjusting manhole castings as needed to fit the proposed surface.

E. **Watermain**

Proposed watermain improvements include upsizing the mainline from the existing 6-inch to an 8-inch pipe size. The current City watermain system has a 6-inch main section between S Brookeview Lane SW and Nina Street SW. Upsizing the watermain to 8-inch along the project limits would complete a major City wide looping initiative that began in 1989.

To address concerns from the City Public Works staff, any non-functioning valves will be repaired. One water service would be replaced to the Right-of-Way where the 8-inch water main is replaced. A curb patch will be required at the service installation location. The watermain is located under the existing curb so its trench will also require replacing the full curb along the east side of the 6th Avenue SW from South Brookeview Lane SW to Nina Street SW.

F. **Isanti Hills Park**

a. Parking Lot Alternate

The proposed improvements to the access from 6th Avenue SW would include B618 curb and gutter and a bituminous parking lot with 5 stalls. An easement would be required to be obtained from 706 6th Avenue SW to construct these improvements. The existing trail would be extended to the edge of the parking lot. A water service and sewer service would also be installed to the right of way of the park to provide service for a future facility. The additional run-off would drain to the west and follow the valley gutters at the intersection of Cedar Street SW. See Figure D for the concept layout.

b. Bituminous Trail Alternate

The proposed improvements would extend the existing bituminous trail to a new pedestrian ramp on 6th Avenue SW. This trail could fit within the existing easement on 800 6th Avenue SW. There will be no services installed with this alternative. See Figure E for the concept layout.

V. RIGHT-OF-WAY ACQUISITION

Additional Right-of-Way is not expected for the proposed 6th Avenue improvements. An access easement would be required for the Isanti Hills parking lot alternate. No additional permanent easements are anticipated for the bituminous trail alternate. The need for temporary construction easements will be evaluated during the final design process.

VI. APPROVALS/PERMITS

Approvals and permits are required from various public agencies for the construction of this project. They include:

- Minnesota Pollution Control Agency (MPCA) NPDES Stormwater Permit
- Minnesota Department of Health (MDH) Watermain Permit
- Minnesota Department of Transportation (MnDOT) State Aid

VII. PRELIMINARY COST ESTIMATES

The estimated project cost for the improvements is summarized in Table 1, and described in detail in Appendix E. The unit prices for the items of work have been estimated based on similar types of projects completed in the past. The costs shown are estimates that include construction, contingencies, and engineering costs. Actual construction cost would be determined through a competitive bidding process.

Table 1: Estimated Project Costs

6th Avenue IMPROVEMENTS	EST. PROJECT COST
FULL DEPTH RECLAIM	$297,300
WATERMAIN	$67,800
SIDEWALK & DRIVEWAYS	$212,300
TOTAL	$577,400

Isanti Hills Park Parking Lot Alternate	EST. PROJECT COST
PARKING LOT	$48,800
WATERMAIN	$6,500
SANITARY	$7,400
TOTAL	$62,700

Isanti Hills Park Bituminous Trail Alternate	EST. PROJECT COST
TRAIL	$25,400
TOTAL	$25,400

VIII. FUNDING AND ASSESSMENTS

Funding for the project could come from a variety of sources and is broken down as shown in Table 2 and described in detail in Appendix F. Special assessments could be levied in accordance with City Code, Chapter 276 – Special Assessments which states up to 25% of the proposed roadway improvements can be assessed to adjacent land owners at a per front foot basis. It also states that new sidewalk can only be assessed if it is petitioned for by the residents.

MSAS funding allows an advance of up to five years of the City's annual construction allotment of $212,916.00. After the 2020 allotment the City currently has an advance of approximately $61,300 and would be eligible to request up to approximately $1,000,000.00 in additional advanced funding. The City finance department would need to determine how requesting the advance will affect budgeting and bonding.

The proposed concrete sidewalk would not be assessed, as it is new and was not petitioned for by the residents, but it could come out of the State Aid advanced funds. City special assessment ordinance states that new sidewalk can only be assessed if it is petitioned for by the residents.

The water system work is for City-wide improvements and would not be assessed but could come out of the water fund.

Table 2: Funding Sources

6th Ave Reconstruction

Funding Source	Amount	% of Total
Assessments	$74,300	13%
MSAS STREET	$223,000	38%
MSAS WALK	$212,300	37%
Water Fund	$67,800	12%
General Fund	$0	0%
TOTAL	$577,400	100%

Assessment Breakdown	Per Front Foot	Total Frontage
Assessment	$ 32.57	2,282 ft

Average Assessment	$2,752.77
High Assessment	$3,582.70
Low Assessment	$2,442.75

Isanti Hills Park Option A- Parking Lot

Funding Source	Amount	% of Total
Water Fund	$6,500	10%
Sanitary Fund	$7,400	12%
General Fund	$0	78%
Total	$62,700	100%

Isanti Hills Park Option B- Bituminous Trail

Funding Source	Amount	% of Total
General Fund	$25,400	100%
Total	$25,400	100%

IX. RECOMMENDATION

6TH Avenue Reconstruction and Sidewalk

Based on the findings presented in this report, the proposed street improvements are cost effective, necessary, and feasible from an engineering perspective. The concrete sidewalk will be a public safety enhancement and benefit to the City trail system. The watermain improvements would complete the City wide trunk loop and would benefit the City water system. Should the City finance department determine these improvements are financially feasible we recommend that the City Council approve this report, call for a public hearing to follow the MS-429 process, and authorize the preparation of final plans and specifications. We recommend posting no parking on the east side of 6th Avenue. This will provide the largest separation between pedestrians and vehicle traffic while allowing users of the sidewalk to park adjacent to the walk.

Isanti Hills Park

Based on the findings presented in this report, the proposed improvements are cost effective, necessary, and feasible from an engineering perspective. If the City would like to proceed with either park improvement option, it could be added to the overall 6th Avenue improvement project at this time, or be budgeted for in the future.

RESOLUTION 2020-XXX

J.8.a.

RECEIVING FEASIBILITY REPORT, AND CALLING HEARING ON THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution 2019-288 of the City Council adopted November 5, 2019, a report has been prepared by Bolton & Menk, Inc. with reference to the improvement of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. The improvement shall consist of street reconstruction, sidewalk construction, and the installation of watermain. This report was received by the Council on February 4, 2020, and;

WHEREAS, the report provides information regarding whether the proposed project is necessary, cost-effective, and feasible;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The Council will consider the proposed improvement in accordance with the report and the assessment of benefited property for all or a portion of the cost of the improvement pursuant to Minnesota Statutes, Chapter 429, at an estimated total cost of the improvement of $577,400.

2. A public hearing shall be held on such proposed improvement at approximately **7:00 p.m.** on the **4th** day of **March 2020**, in the Council Chambers at Isanti City Hall, 110 1st Avenue NW, Isanti MN, and the City Clerk shall give mailed and published notice of such hearing and improvement as required by law.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

Attest:

Human Resources/City Clerk

RESOLUTION 2020-XXX

J.8.b.

AUTHORIZING PREPARATION OF PLANS ON THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution 2019-288 of the City Council adopted November 5, 2019, a report has been prepared by Bolton & Menk, Inc. with reference to the improvement of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. The improvement shall consist of street reconstruction, sidewalk construction, and the installation of watermain. This report was received by the Council on February 4, 2020, and;

WHEREAS, as recommended in the Preliminary Engineering Report, in order to keep the proposed project on schedule for a March 2020 bid opening, it is recommended that development of plans and specifications begin in advance of the public hearing;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

Bolton & Menk, Inc., as the City Engineer, is hereby designated as the engineer for this improvement and shall prepare plans and specifications for the making of such improvement.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

Attest:

Date: February 4, 2020
Subject: Authorizing Purchase of 2019 AWD Dodge Durango and Associated Equipment

---

Background:
The Isanti Police Department has a fleet plan to purchase patrol vehicle in 2020 in accordance to Capital Improvement Plan. The 2020 budget for Fund 920 has allocated $46,350 for this purchase.

Dodge Durango AWD V8	29985
Emergency Equip And setup	11809.38
Printer	441.99
Radar	2966
Graphics	960
Watchgaurd system	6230
Radio	3837.5
Toughbook computer	3496.5
	59726.37

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, they should by motion, take the following actions:

1. Approve purchase of 2020 Dodge Durango AWD and associated equipment and authorize the Finance Director to amend the budget accordingly.

RESOLUTION 2020- XXX

AUTHORIZING PURCHASE OF 2019 DODGE DURANGO AWD AND EQUIPMENT

WHEREAS, the police department capital improvement plan approves purchase of police vehicle and equipment for 2020; and,

WHEREAS, the purchase quote for vehicle was utilized under state bid and quotes to equip vehicle as follows:

Dodge Durango AWD V8	29,985.00
Emergency Equip And setup	11,809.38
Printer	441.99
Radar	2,966.00
Graphics	960.00
Watchgaurd camera system	6,230.00
Radio	3,837.50
Toughbook computer	3,496.50
TOTAL	**59,726.37**

WHEREAS, the total purchase amount of vehicle and equipment is $59,726.37; and,

WHEREAS, funding for purchase would be Capital Outlay 101-42110-500;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota hereby authorizes the following:

1. The purchase of a 2020 Dodge Durango AWD V8 pursuit vehicle.
2. To purchase necessary emergency equipment and outfit said vehicle.
3. Authorize the Finance Director to make necessary budget adjustments based on actual final cost.
4. Authorize staff to sign required documentation for the purchase of vehicle and equipment .
5. Authorize payment, if needed at the time of delivery prior to inclusion on Accounts Payable listing.

This resolution was duly adopted by the Isanti City Council the 4th day of February 2020

Attest: _____ Mayor Jeff Johnson

Product Overview

Main Features

- Vehicle Kit
- printer
- monochrome
- thermal paper
- A4/Legal
- 203 x 200 dpi
- up to 8 ppm
- USB 2.0

Cover your on-the-go printing requirements with the Brother PocketJet PJ-722 Direct Thermal Printer with vehicle kit. With a black and white maximum resolution of 200 dpi, this full-page thermal printer delivers crisp documents. It efficiently prints A4, Legal, Letter A size and Roll media types at a rate of 8 ppm. The monochrome printer is powered and connected to a choice of computer through USB 2.0 interface. When not connected to any system, an optional Li-ion battery in this Brother portable thermal printer provides a run-time 600 pages on a single charge.

- Mobile thermal printer for quick and easy ready to print experience
- USB 2.0 connectivity for flexible and reliable connection
- Car power adapter to power the printer directly from your vehicle

Re: Purchase of Motorola radio communications equipment -**MN Contract # #119587**

This letter serves as authorization for Motorola Solutions to place an order for the communications equipment on the attached sheet for a purchase price of $3,837.50. The City of Isanti agrees to pay Motorola Solutions for the equipment "Net 30 days upon shipment" to:

Granite Electronics
535 N 31st Ave.
St Cloud MN 56303

When Motorola Solutions invoices the City of Isanti, the invoice should reference 800 MHz Radios and be sent to Chief Gene Hill at the following address:

City of Isanti
Po Box 428
Isanti MN 55040
Attn: Police Chief Travis Muyres
(NO e-Invoicing)

For taxation purposes, even if tax-exempt, the equipment sold to City of Isanti will ultimately reside at the following address:

City of Isanti
401 1st Ave N.
Isanti MN 55040

Payments can be authorized solely on this document. I submit that I am a duly authorized official of our entity and that my signature makes this a legal and binding document and that funding has been encumbered for this order. If you have any questions regarding this order, please feel free to contact Travis Muyres at 763-444-4761.

Sincerely yours,

By: _____

Request for City Council Action

To: Mayor Johnson and Members of the City Council
From: Matt Sylvester, Public Services Director
Date: February 4, 2020
Subject: Resolution 2020-XXX Approving Boiler Replacement at the Public Works Shop

---

Background:
In December of 2019 the shop boilers broke down and were not functioning. We called TM Johnson Brothers out to make repairs. TM Johnson Brothers informed us that the boilers were not repairable and would need to be replaced.
The boilers are listed on the 20 year capital improvement plan as "In-floor Heat Boilers (2)" in fund 920 in the Streets department. The boilers had been scheduled for replacement in 2022 at an estimated cost of $26,225. Unfortunately they need to be replaced now as we are only running on the make-up air unit. To accept the recommended quote, Council would authorize by resolution, acceptance of the quote and also authorize the Finance Director to amend the 2020 budget to allow for the expenditure. Future 20 year Capital Improvement Plans will then reflect that change and the estimated 25 year useful life would remain unchanged. Future replacement of the boilers would be planned for year 2045.

Staff reached out to five different vendors for quotes.

- Sun Mechanical
- AIRESERV
- Deans Heating
- TM Johnson Brothers
- Precision Plumbing and Heating

Recommendation:
Staff is recommending Deans Heating due to their expertise and willingness to solve the issues we have with the shop boilers.

Request:
Staff would like action on this item to replace the Boilers at the Public Works Shop.

RESOLUTION 2020-XXX

AUTHORIZING THE INSTALLATION OF NEW SHOP BOILERS

WHEREAS, the Public Works shop boilers are broke down and are unrepairable and in need of replacement: and,

WHEREAS, the following quotes were received:

Vendor	**Quote**
Sun Mechanical	$47,798.00
Precision Plumbing and Heating	$43,125.00
Deans Heating	$31,775.00
AIRSERV	$31,175.00
TM Johnson Brothers	$25,175.00

WHEREAS, the purchase is unbudgeted, the funding source is defined as Capital Replacement Fund (Fund 920) fund balance, increasing budgeted expenditures to 920-43100-500 Capital Outlay; and,

WHEREAS, the vendor will take the old boilers back with them for recycling;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the quote from_____ in the amount of _____ and allow the Finance Director to make the necessary budget adjustments.

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

PROPOSAL SUBMITTED TO
Name: City of Isanti
Street:
City: Isanti

WORK TO BE PERFORMED AT
Date: December 26, 2019
Name: Public Works Building
Address: 100 Isanti Pkwy S, Isanti

Telephone : Matt Sylvester 763-772-5850 email: msylvester@cityofisanti.us

We hereby propose to furnish all materials and perform all the labor necessary for the completion of Heating Venting and Air Conditioning for the public works building.

Price Includes the Following:
Replacement of in-floor heating system to include boiler, piping (near boiler and to manilods), pumps, controls, and flushing and freeze control (to -30 degrees) of system. Correcting the piping and control of the system is necessary to facilitate proper operation of system. Simply replacing the existing boilers with piping as is will result in the system not heating properly and short system life of the boilers.

Boiler will be an NTI TFT399, 94% AFUE, modulating boiler.

All piping, venting, gas piping, and control wiring completed.

All material is guaranteed to be as specified, and the above work performed in accordance with the drawings and specifications submitted for the above work and completed in a substantial workmanlike manner for the sum of: **DOLLARS($31,775.00)**

Payment as follows- 60% upon acceptance of proposal, balance on completion.

RESPECTFULLY SUBMITTED: ___**Loren** _Per Dean's Heating and Air Conditioning Inc.

NOTE: this proposal may be withdrawn by us if not accepted within 90 days.
Any alteration or deviation from the above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimate. Owner to carry fire, tornado and other necessary insurance. Workman's Compensation and Public Liability insurance on above work to be taken out by Dean's Heating and Air Conditioning Inc.

ACCEPTANCE OF PROPOSAL:
The above priced specifications and conditions are satisfactory and are hereby accepted You are authorized to do the work as specified. Payment will be made as outlined above.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 4, 2020
Subject: Resolution 2020-XXX Designating Northland Securities as Municipal Financial Advisors

---

Background:
In 2014 the City designated Northland Securities for TIF/Abatement consulting services with a 5-year service contract. The contract has expired and Northland has proposed a new agreement. The following terms have been proposed:

Effective Date: January 2020 through December 31, 2024.

Service	Proposed Rates	2014-2019 Rates
New Tax Increment District-Economic Development District	Hourly - $175/hour, not to exceed $5,500	Hourly - $160/hour not to exceed $4,800
New Tax Increment District – all other districts	Hourly - $175/hour, not to exceed $9,000	Hourly - $160/hour not to exceed $3,200
New Abatement Project	Hourly - $174/hour, not to exceed $3,500	
Economic Development Services	$175/hour	

Staff recommends approving the proposed service contract with the understanding that we are not solely limited to using Northland's services and we may use other advisors as we see fit.

Request:
Consider resolution of approval.

- Service Contract

RESOLUTION 2020-XXX

SELECTING NORTHLAND SECURITIES FOR TIF/ABATEMENT CONSULTING SERVICES

WHEREAS, the 5-year term of the TIF / Abatement Consulting Services contract has concluded in 2019; and,

WHEREAS, TIF / Abatement Consulting Services are necessary to assure that TIF/Abatement and other development projects are managed properly by City Staff and/or Consultant; and,

WHEREAS, Northland Securities has met expectations for TIF / Abatement Consulting Services for the 5-year contract and has submitted a proposal (Exhibit A) to continue those services for the City for another 5-year term according to the attached proposal; and

WHEREAS, entering into this agreement does not preclude the city from seeking other advisors dependent on the project;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby select Northland Securities for TIF/Abatement Consulting Services according to the terms outlined in the attached service agreement (Exhibit A).

This Resolution hereby approved by the Isanti City Council this 4th Day of February 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

Exhibit A

NORTHLAND SECURITIES

MEMORANDUM

To:	Sheila Sellman, Community Development Director City of Isanti
From:	Jessica Green, Managing Director Public Finance
Date:	January 2, 2020
Re:	Tax Increment Financing and Tax Abatement Services

It is been our pleasure to work with the City of Isanti on tax increment financing and tax abatement projects. We believe Northland has been a valuable asset to the City over the past many years and we hope to continue our relationship with the City in the years ahead.

Northland's current Economic Development Services Agreement expired as of December 31st, 2019 and we would propose to enter into a new agreement for professional services with the City. To that end, we propose the following compensation for our services, effective January 1, 2020 through December 31, 2024.

Service	**Proposed**
New Tax Increment District – Economic Development District	Hourly - $175/hour / Not to exceed $5,500
New Tax Increment District – All other district types	Hourly - $175/hour / Not to exceed $9,000
New Abatement Project	Hourly - $175/hour / Not to exceed $3,500
Economic Development Services	$175/hour

As you can see, our compensation approach provides upside cost protection, but allows the City to benefit if and when projects require less time (and expense).

In addition, the following factors apply:

1. Services for the creation of new TIF districts cover the activities needed to prepare the tax increment financing plan and to conduct the statutory approval process. It does not include services related to the creation of development agreements.
2. No additional compensation is due for the authorization of tax abatement directly related to the issuance of Tax Abatement Bonds.

3. Northland will provide a scope of work and not to exceed cost for work performed on an hourly basis.
4. These terms apply as long as Northland provides debt issuance and management services to the City. At such time that Northland no longer provides such services, all work will be billed at the then current hourly rates subject to a scope of work and budget approved by the City.

I will be the lead staff person for these services in Isanti, and Tammy Omdal will provide support as necessary, as determined by the scope of each project.

Should you have any questions regarding this memo, please do not hesitate to let me know.

RESOLUTION 2020-XXX

OFFERING THE INTERNAL POSITION OF LIQUOR STORE CLERK III TO DANYETTE PHELPS

WHEREAS, the City Council of the City of Isanti is required to approve hiring of all employees; and,

WHEREAS, the Liquor Store Clerk III posting was made available to all internal Liquor store staff; and,

WHEREAS, interviews were conducted for the Liquor Store Clerk III position and the interview panel deemed current Part-time Liquor Store Clerk employee Danyette Phelps to be the best candidate for the position; and,

WHEREAS, the position of Liquor Store Clerk III is a part-time and not benefit eligible; and,

WHEREAS, the promotion for Danyette Phelps will open an open position for a part-time Liquor Store Clerk that staff is directed to fill;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. That Human Resources has offered the Liquor Store Clerk III position to Danyette Phelps for the City of Isanti and that she will be eligible to start in that position effective immediately.
2. That Danyette Phelps shall start at step 1 of the wage scale at $14.60 per hour.
3. Human Resources are authorized to complete all required documentation for the position change.
4. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference

This resolution was duly adopted by the Isanti City Council this 4th day of February 2020.

Attest:

Mayor Jeff Johnson

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: February 4, 2020
Subject: Resolution 2020-XXX Approving staff to submit applications for grants pertaining to Community Development

---

Background:

Staff has been made aware that the City would be eligible to apply for funding of grant dollars to help support the Community Development Department. Due to short notice of when staff is made aware of potential grant opportunities, staff may need to apply in a short timeframe not allowing time to get City Council approval to apply. This resolution is keeping in line with the resolution that was recently approved for The Parks, Recreation and Culture Department.

Staff is recommending approval to apply for grant opportunities based upon discretion of the Community Development Director as it pertains to Community Development, which includes economic development and to complete the work to submit applications by the deadline of each grant.

Request:
Consider resolution for approval.

Attachments:

- Resolution 2020-XXX

RESOLUTION 2020-XXX

APPROVING STAFF TO SUBMIT APPLICATIONS FOR GRANTS PERTAINING TO COMMUNITY DEVELOPMENT

WHEREAS, City staff is continually notified of eligible grant opportunities; and,

WHEREAS, the City of Isanti has been awarded grants for Community Development including Economic Development projects in the past; and,

WHEREAS, each year there are grants available specific to the types of activities conducted by the Community Development Department through organizations like DEED, EDAM, East Central Regional Development Commission, MN Economic Development Foundation and other organizations; and,

WHEREAS, City staff has approval for submission of applications to grants listed above and to future grant opportunities that pertain to the Community Development department. Submittal of grants that fit within the described areas will be based upon City staff's discretion and their ability to complete the background work to submit the application; and,

WHEREAS, if awarded funding through grant opportunities as outlined in this resolution, funds would be accepted through City Council and distributed through the EDA or the City.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve City staff to apply for grant opportunities that pertain to Community Development on a continual basis as needed.

This Resolution hereby approved by the Isanti City Council this 4th day of February 2020.

RESOLUTION 2020-XXX

RESOLUTION APPROVING CITY HALL DISPLAY CASE POLICY AND RESERVATION/AGREEMENT FORM

WHEREAS, City Council was presented with a request from a local non-profit group to display items within a city facility; and,

WHEREAS, the City of Isanti has determined that it is in the City's best interest to develop a policy for the city hall display case; and,

WHEREAS, the Committee of the Whole reviewed a draft policy on November 19, 2019 and January 21, 2020 and recommends approval; and,

WHEREAS, Staff has developed a city hall display case policy and reservation/agreement form 'Exhibit A and B', respectively;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the city hall display case policy and reservation/agreement form, 'Exhibit A and B'.

Exhibit A

CITY OF ISANTI DISPLAY CASE POLICY

The City of Isanti offers a designated display case, located in the front lobby of city hall to non-profit groups based in the City of Isanti for the display of civic, cultural, educational, and public information exhibits. Use of the display case is subject to the following rules and regulations:

1. A Display Case Reservation and Agreement Form must be completed and signed prior to any public use of the display case.

2. Permission to a group to use the display case does not constitute the city's endorsement of the policies or beliefs, or organization represented in the display.

3. The City assumes no responsibility or liability for the preservation, protection, loss of or damage to any part of a display at any time. All items brought to and placed in the display case are done so at the owner's risk.

4. The display case may not be used for:
   a) Promotion or representation of partisan or individual candidates' political meetings or events (such as political rallies, demonstrations, movies, fundraisers, promotion, protesting, or endorsement of political candidates or agenda).
   b) Promotion or representation of specific religious or philosophical/motivational groups
   c) Promotion or representation of personal or family interests
   d) Promotion or representation of a for-profit business
   e) Displays of a polemic or discriminatory nature
   f) Display of material which is obscene, defamatory, invades a particular person's privacy, or incites violence.
   g) Promotion or representation of any activity or purpose that is in violation of local, state, or federal ordinances or laws, including copyright and public performance laws.

5. The city's display case is not available to individual political parties, candidates, or to individuals or groups who wish to use it to support or oppose political parties or candidates.

6. The determination of the appropriateness of the display or material for posting is solely the decision of city staff or delegated representative.

7. All proposed displays must be artistically pleasing and professionally executed.

8. A sign explaining the display and/or organization should appear "professional" and be done on a computer in a font that is large enough to read or in some sort of stencil.

9. The city display case is kept locked at all times except during setup and removal.

10. No display materials may be left anywhere at city hall in preparation for the setting up or removal of a display. Set up and removal must take place during regular city hall office hours.

11. No hardware, equipment, or objects are allowed in display or in the setting up of the display that may result in the damaging of any of the display case. If such damage occurs, the group or individual responsible for the display will be held responsible. The potential for any such damage may be considered grounds for denial of the display case application. If the setting up of the display would interfere with normal city activities and work, the display will not be permitted.

12. The display case that is designated for the public use display case may contain one group's items at a time.
    a) The area for displaying items will be delegated to each group by the city.

13. A display may remain in the case for six (6) calendar months.
    a) If no other group requests to display items, the group that is currently in the case may extend their time by another 6 months.

14. The use of a city display case is a privilege -- not a right -- and is subject to the City's sole and exclusive discretion. Accordingly, the city reserves the right to deny the use of the display case to any group or individual.

15. The city reserves the right to cancel any scheduled display providing the organization receive a 7 days' notice.

16. If a group or an individual violates the policies or procedures associated with the display case, future use of the display case will not be permitted.

17. If an organization is denied the use of the display case, it can appeal to the City Council.

18. The display case must be restored to its original condition.

19. Groups are required to pick up item(s) after the display time has ended within 2 weeks. If items are not collected within 2 weeks, items will be discarded.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
January 28, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:02 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: None added, motion by Zdon, second by Witte to approve the agenda for January 28, 2020. Motion passed 4-0.

2. Oath of Office: recited by Zdon. Election of chair motion by Witte to nominate Zdon for chair position, seconded by Gordon. Zdon accepted and motion passed 4-0. Witte volunteered to be Vice chair. Thum motioned to nominate Witte to vice chair and seconded by Gordon. Motion passed 4-0. Secretary is assigned to staff, Jenny Garvey (PRC Manager)will be secretary. The annual review of the conflict of interest forms for two members: Brian Thum and James Witte, to be handed back into staff by end of night.

3. Meeting Minutes: Motion by Witte; second by Gordon to approve meeting Minutes from November 26, 2019. Motion passed 4-0.

4. Review of the Parks, Recreation and Culture Board meeting dates: Garvey reviewed the 2020 dates along with the material submittal dates for 2020 and reminded the board members that if they have an item they would like added to an agenda these are the dates to have items in to staff by. Council already approved schedule not need for motion.

5. Review of Adopt A Park Program Policy and Forms:
In March 2019, staff presented this to the PRC board to review and to come back with changes. Garvey reviewed and updated those changes and is now bringing this back to the board to review. Zdon asked about how this program is being promoted. Garvey responded that staff will utilize Facebook, the city website and the Isantian (city newsletter) to promote this program. Staff was not sure how this was promoted in the past besides just being on the website. Witte also suggested the bulletin board at Coborn's or flyers in the schools. Thum suggested signs at the parks themselves to help promote this program.. Thum motioned to approve the Adopt A Park program policy and forms, seconded by Witte. Motion passed 4-0.

6. Department Updates:
Garvey said that movie night went well with 40 in attendance in December and in January with 31 in attendance and both nights were hosted by Northern Elements Cheer. Movie night for February will be hosted by Isanti Ambassadors. Thum asked if groups have to be specifically located in Isanti. Staff was unsure if they had to be within the city, but noted that a group within the city would have precedence over an outside group and would look more into the detail of this. Staff will review this more and get back to the board. The pleasure rink opened on December 20 for the season and the ice has been maintained by Public Works and has been able to use the new water truck to make smooth ice, even with the temperature fluctuations and staff has noticed that the public is using it and have seen users on the ice. Thum replied that he has used it and the ice is the best it has been in years. Garvey reviewed that curious creatures has been revamped a bit with a new time of 9-10am and utilizing the Isanti Community Center for the winter months to be able to have it go with bad weather days and will still have the option to have the kids go outside. Staff reviewed that the cost will go from $3 to $2 with the decrease in the timeframe of the program. Zdon asked if it affected the cost, staff responded that it would not and this fee is only for non-resident. The board agreed that this was ok with this change of cost. Garvey reviewed that the city had an open house for the city master comp plan. Garvey is still in the process of compiling the PRC comp plan, which is a separate item than the master city comp plan. Staff reviewed the 2020 goal setting from the previous night, staff will move forward with the new programs of a medallion hunt, kids fun day at jubilee days, free tennis lessons, rocket building, candy cane flashlight hunt, family day in winter and daytime movies. Staff will continue for further review are an egg hunt, parade float and fireworks.

DRAFT

Adjournment: Motion by Witte, second by Thum to adjourn the January 28, 2020 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:30 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation, and Culture Manager

J. Business Items

City Administrator Josi Wood

1. **Ordinance-719** Amending City Code Chapter 76, Possession, Sale and Consumption of Alcoholic Beverages

Assistant City Administrator/ Special Projects Don Lorsung shared that staff has finished a complete review and update of City Code Chapter 76. Lorsung further shared that included in the update is the new language for licensing of Culinary Class Limited Licenses, Micro Distilleries, Micro Distilleries Cocktail Rooms, Municipal Liquor Store as well as reordered and updated language. Lorsung continued to share that the City Attorney has reviewed the updated City Code and Committee of the Whole and recommended for City Council consideration.

Motion by Collison, Second by Bergley to approve Ordinance as presented. Motion passed 5-0. Motion carried.

2. **Ordinance-720** Repealing and Replacing Ordinance No. 485, Adopted on May 5, 2010, and Titled Peddlers, Solicitors, and Transient Merchants

Assistant City Administrator/ Special Projects Don Lorsung shared that staff has finished a complete review and update of City Code Chapter 485 with added language for mobile food units. Lorsung further shared that the major changes to the code are include extension to Peddler, Solicitor and Transient Merchant licenses to all zoning districts, fundraising activity with payment or exchange for product would be included in solicitor licenses per recommendation of the City Attorney and the addition to Mobile Food units in commercial areas and private property with applicable regulations. Lorsung stated that the City Attorney has reviewed the updated City Code and Committee of the Whole has recommended City Council consideration.

Councilmember Collison asked if the code included football coupon cards.

Lorsung state that they would need to get a solicitor permit for the entire organization before they can proceed with the activity.

Motion by Gordon, second by Bergley to approve Ordinance as presented. Motion passed 5-0. Motion carried.

3. **Ordinance-721** Repealing and Replacing Ordinance No. 666 Adopted on January 3, 2017, and Titled Burning, Open

Chief of Police Travis Muyres shared that this ordinance was brought to Committee of the Whole. Muyres further shared that the changes include permits are eliminated from the City and transfers issuance of permits through the fire district. Muyres continued to share that the City Attorney has reviewed the updated City Code and Committee of the Whole has recommended City Council consideration.

Motion by Collison, second by Lundeen to approve the Ordinance as presented. Motion passed 5-0. Motion carried.

4. **Ordinance-722** Amending the Code for the City of Isanti, Chapter 8 City Council, Article III, Section 8-21 Order of Business and 8-26 Public Comment at Council Meetings and at Public Hearings

City Administrator Josi Wood shared that this was reviewed at Committee of the Whole per advice from the City Attorney that he recommend that citizen input should be renamed to public comment and place it within the call of order in the City Council meeting.

Motion by Lundeen, second by Bergley to approve the Ordinance as presented. Motion passed 5-0. Motion carried.

5. **Ordinance-723** Repealing Chapter 68 of the Isanti City Code of Ordinances Relating to Adult Uses and Adopting a New Chapter 68

Community Development Director Sheila Sellman shared that per the City Attorney that the regulations for adult uses needs to be updated. Sellman further shared that the draft ordinance was drafted by the League of Minnesota Cities Attorney. Sellman continued to share that it has been reviewed at Committee of the Whole and the Committee has recommended approval. Sellman further stated that this ordinance repeals the current ordinance with the drafted language and in addition there will be some zoning ordinance amendments that will take place for zoning districts and where it is a permitted use and will be coming forth to the Planning Commission. Sellman further stated that all zoning ordinances need to have a public hearing at the Planning Commission before it can be reviewed at City Council.

Mayor Johnson asked if the ordinance is going to Planning Commission too.

Sellman shared that this ordinance only goes before City Council but based on some of the changes in the ordinance there needs to be changes to the zoning code.

Motion by Lundeen, second by Gordon to approve the Ordinance as presented. Motion passed 5-0. Motion carried.

6. Proposed Ordinance and Policy (Discussion Only)

   City Administrator Josi Wood shared that the reason it is coming to City Council in draft form is because it was not brought to Committee of the Whole. Wood further shared that she would like advisory from City Council whether or not drafts need to be sent to Committee of the Whole by advice and direction from the City Attorney that it is unnecessary and can potentially prolong the passing of ordinances. Wood continued to share that the City Attorney said most cities have staff post for the 10 days that is required by state statute to give notice to the public and then go right before City Council.

   Motion by Lundeen, second by Gordon to approve staff to post draft ordinances for the required 10 days and bring directly to City Council meetings.

   a. City Code Chapter 276 Amendment
   b. Draft Special Assessment Policy

   Assistant City Administrator/ Special Projects Don Lorsung shared that the City Code Chapter 276 was developed in 1991 and has only been amended once over the years. Lorsung further shared that the updates to the policy include funding options, matching policy to current practice and updates recommended by the City Engineer, Finance Director and the League of Minnesota Cities. Lorsung continued to share that as a part of this update the City Code Chapter itself will be amended to be include deferral of assessments and move to a resolution for Special Assessment Policy to be

reviewed from time to time. Lorsung stated that the City Attorney has reviewed the Ordinance City Code and Policy and recommends consideration.

Motion by Lundeen, second by Bergley to post Ordinance for the required 10 days. Motion passed 5-0. Motion carried.

7. **Resolution 2020-020** Amending the Isanti Legacy Recognition Policy

City Administrator Josi Wood shared that this was discussed at Committee of the Whole and is to bring awareness to residents and citizens to make sure they know that City Council would like to recognize either state or national recognition that has been done within the City or anything within that nature. Wood stated there is a form that residents and citizens can receive from the Parks, Recreation and Culture Manager. Wood further shared that recommendations would come to Committee of the Whole and if Committee of the Whole recommended that they be recognized by City Council then it would be brought to City Council and they would be awarded with a Legacy medal.

Motion by Collison, second by Begley to approve resolution as presented. Motion passed 5-0. Motion carried.

City Engineer Jason Cook

8. 6th Avenue Rehabilitation Preliminary Engineering Report
    a. **Resolution 2020-021** Receiving Feasibility Report and Calling Hearing on the 6th Avenue SW Rehabilitation Project
    b. **Resolution 2020-022** Authorizing Preparation of Plans on the 6th Avenue SW Rehabilitation Project

City Engineer Jason Cook shared a brief presentation regarding 6th Avenue SW Rehabilitation project.

Councilmember Lundeen asked how often Isanti Hills Park gets used.

City Administrator Josi Wood stated that Isanti Hills Parks is not heavily used but it is one that is in need of deciding if City Council would like to replace it or use the funds elsewhere.

Councilmember Collison stated that it may not be used as much due to it being outdated and an older park.

City Council further discussed this matter.

Motion by Lundeen, second by Collison to approve resolution as presented. Motion passed 5-0. Motion carried.

Chief of Police Travis Muyres

9. **Resolution 2020-023** Authorizing Purchase of 2019 AWD Dodge Durango and Associated Equipment

Chief of Police Travis Muyres shared that this is included in the Capital Improvement Plan along with the Fleet Management Plan and is up for purchase of another fully marked squad vehicle. Muyres continued to share that it was budgeted and allocated for $46,350 and the difference between that and the $59,726 is because Community Service Officer was added which changed the Fleet Management Plan

because a vehicle was retained that was going to be replaced so the Community Service Officer will be driving that vehicle.

Motion by Gordon, second by Lundeen to approve resolution as presented. Motion passed 5-0. Motion carried.

Public Services Director Matt Sylvester

10. Resolution 2020-024 Approving Boiler Replacement at the Public Works Shop

Public Services Director Matt Sylvester shared that in December 2019 the Boiler broke down at the Public Works Shop where TM Johnson Bros. were called to make repairs where TM Bros. informed staff that it is not repairable and the boiler would need to be replaced. Sylvester continued to share that boilers are on the 20-year Capital Improvement Plan as in floor heat boilers in fund 920 in the streets department. The boilers had been scheduled to be replaced in 2022 with the approximate cost of $26,225 however, needs to be replaced now as it is only being run on the makeup air unit. Sylvester further shared to accept the quote City Council would authorize resolution for acceptance of the quote and also authorize the Finance Director to amend the 2020 budget to allow the expenditure with recommendation to accept quote form Deans Heating.

Motion by Lundeen, second by Gordon to approve resolution with recommendation to accept quote from Deans Heating. Motion passed 5-0. Motion carried.

K. Approve Consent Agenda

1. Accounts Payable in the Amount of $328,199.66 Payroll in the Amount of $107,229.84
2. **Resolution 2020-025** Designating Northland Securities as Municipal Financial Advisors
3. **Resolution 2020-026** Approving the Promotion of Danyette Phelps for the Position of Liquor Store Clerk III
4. **Resolution 2020-027** Approving Staff to Submit Applications for Grants Pertaining to Community Development
5. **Resolution 2020-028** Approving City Hall Display Case Policy and Reservation/ Agreement Form
6. **Resolution 2020-029** Approving an Exempt Gambling Permit to the Cambridge-Isanti Rotary Club

Motion by Bergley, second by Collison to approve Consent Agenda as presented. Motion passed 5-0. Motion carried.

L. Other Communications

1. Draft Minutes from the January 28, 2020 Parks, Recreation and Culture Board Meeting

Adjournment

Motion by Bergley, second by Lundeen to adjourn. Motion passed 5-0. Motion carried. The meeting was adjourned at 8:06 p.m.

Jaden Moore

Jaden Moore
Deputy City Clerk/ Human Resources

Request for City Council Action- MEMO

To: **Mayor Johnson and Members of City Council**

From: Katie Brooks, Human Resources/ City Clerk

Date: February 18, 2020

Subject: Resolution to Interview Candidate to Fill a Vacant Economic Development Authority (EDA) Board Seat and to Remove EDA Board Member Jill Reller and Parks, Recreation and Culture Board Member Luke Merrill

---

Background:

- Currently, there is two seat vacancies on the Economic Development Authority (EDA) Board. The City is required to make certain official appointments to City Boards. Advertisements were placed to seek interested candidates for the vacant seat. One application and Interest Disclosure form was received from Justin Nielsen. The applicant lives within the City limits.

- A letter of resignation was received on February 2, 2020 from Jill Reller for her Economic Development Authority Board Member seat.

- A letter of resignation was received on January 2, 2020 from Luke Merrill for his Parks, Recreation and Culture Board Member Seat

Attachment:

- Amending Resolution 2020-001

Action:

- City Council has the authority to appoint applicant Justin Nielsen to Economic Development Authority Board Seat.

- City Council will now officially remove Luke Merrill from Park, Recreation and Culture Board and Jill Reller from Economic Development Authority as they have resigned from their seats.

RESOLUTION 2020-XXX

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Don Lorsung, Assistant City Administrator/Special Projects
Date: February 10, 2020
Subject: City Code Chapter 276, Special Assessments and Resolution 2020-XXX, Special Assessment Policy

---

Background:

City staff has prepared updates to the Special Assessment Policy. The updates regard aligning the policy to include funding options (ex. internal project funding), matching policy to current practice, and updates as recommended by the City Engineer, Finance Director and League of Minnesota Cities. As a part of this update, the city code chapter would be amended to include what is needed by ordinance, and a resolution adopted that encompasses the remainder of special assessment polices.

The City Attorney has reviewed the updated city code amendment and policy.

Recommendation:

City Council reviewed the draft amended City Code (Ordinance) and draft Special Assessment Policy at their February 4, 2020 regular meeting.

Request:

Staff is requesting City Council action on the draft Ordinance and Resolution (Special Assessment Policy).

Action Required:

If the Council concurs, it should by motion, take the following actions:

1. Approve the amendments to City Code Chapter 276, Special Assessments
2. Approve Resolution 2020-XXX, A Resolution To Establish A Special Assessment Policy

Attachments:

- Draft Ordinance XXX – An Ordinance Repealing and Replacing Ordinance 161 Adopted on February 19, 1991 and Amended by Ordinance 257 on April 16, 2002 and Titled Special Assessments.
- Draft Resolution 2020-XXX, A Resolution to Establish A Special Assessment Policy

AN ORDINANCE REPEALING AND REPLACING ORDINANCE 161 ADOPTED ON FEBRUARY 19, 1991 AND AMENDED BY ORDINANCE 257 ON APRIL 16, 2002, AND TITLED SPECIAL ASSESSMENTS

The City Council of the City of Isanti, Minnesota ordains:

Section 1 – Repealer. Ordinance 161 and amending Ordinance 257, codified in Chapter 276 of the City Code is hereby replaced in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 276 is hereby adopted:

SPECIAL ASSESSMENTS

276-1. Deferred assessments

276-1. Deferment of Special Assessments.

A. The Council may defer the payment of any special assessment on homestead property owned by a person who is 65 years of age or older, or a person who is retired by virtue of permanent and total disability, or military persons meeting the criteria under Minn. Statute § 435.193, as amended from time to time. The City Clerk is hereby authorized to record the deferment of special assessments where the following conditions are met:

1. The applicant must apply for the deferment not later than 90 days after the assessment is adopted by the City Council.
2. The applicant must be 65 years of age or older, retired by virtue of permanent and total disability, or meets the military deferral standard in Minnesota Statutes section 435.193.
3. The applicant must be the owner of the property.
4. The applicant must occupy the property as his principal place of residence.
5. The average annual payment for assessments levied against the subject property exceed one percent of the adjusted gross income of the applicant as evidenced by the applicant's most recent federal income tax return. The average annual payment of an assessment shall be the total cost of the assessment divided by the number of years over which it is spread.

B. The deferment shall be granted for as long a period of time as the hardship exists and the conditions aforementioned have been met. However, it shall be the duty of the applicant to notify the City Clerk of any change in status that would affect eligibility for deferment.

C. The entire amount of deferred special assessments shall be due within 60 days after loss of eligibility by the applicant. If the special assessment is not paid within the 60 days, the City Clerk

shall add thereto interest at a per annum interest rate according to the terms and conditions of the original special assessments, and the total amount of principal and interest shall be certified to the County Auditor for collection with taxes the following year. Should the applicant demonstrate to the satisfaction of the Council, that full repayment of the deferred special assessment would cause the applicant particular undue financial hardship, the Council may order that the applicant pay within 60 days a sum equal to the number of installments of deferred special assessments outstanding and unpaid to date, including principal and interest, with the balance thereafter paid according to the terms and conditions of the original special assessments.

D. The option to defer the payment of special assessments shall terminate and all amounts accumulated plus applicable interest shall become due upon the occurrence of any one of the following:
1. The death of the owner when there is no spouse who is eligible for deferment.
2. The sale, transfer or subdivision of all or any part of the property.
3. Loss of homestead status on the property.
4. Determination by the Council for any reason that immediate or partial payment would impose no hardship.

Effective Date:

This Ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the City Council this 18th day of February, 2020.

RESOLUTION 2020-XXX

TO ESTABLISH A SPECIAL ASSESSMENT POLICY

WHEREAS, the City of Isanti has had a Special Assessment Policy in place by ordinance and city code since 1991; and,

WHEREAS, the Special Assessment Policy needed to be updated to reflect policy changes and project improvement funding methods; and,

WHEREAS, the Special Assessment Policy is to establish a fair and equitable manner of assessing costs for public improvements that benefit properties in accordance with State Statute; and,

WHEREAS, it was determined by the City Attorney that this policy could be adopted by resolution of the City Council;

NOW THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, that the attached Special Assessment Policy (Attachment A) is hereby approved:

This resolution was duly adopted by the Isanti City Council the 18th of February, 2020.

Attachment A

SPECIAL ASSESSMENT POLICY

Section 1. General policy statement.
Section 2. Improvements and maintenance costs eligible for special assessment.
Section 3. Initiation of public improvement projects.
Section 4. Public improvement procedures.
Section 5. Financing of public improvements.
Section 6. General assessment policies.
Section 7. Methods of assessment.
Section 8. Policies of re-assessment.
Section 9. Assessment computations.
Section 10. Deferrals on unimproved parcels
Section 11. Postponed assessments; apportionment; supplemental assessments.

Section 1. General policy statement.

A. The purpose of this policy is to establish a fair and equitable manner of assessing the increase in market value (special benefit) associated with public improvements. The procedures used by the City for levying special assessments are those specified by Minnesota Statutes, Chapter 429, as amended from time to time, which provides that all or a part of the cost of improvements may be assessed against benefiting properties.

B. Three basic criteria must be satisfied before a particular parcel can be assessed. The criteria are as follows:

1. The land must have received special benefit from the improvement.
2. The amount of the assessment must not exceed the special benefit.
3. The assessment must be uniform in relation to the same class of property within the assessment area.

The assessment policy is intended to serve as a guide for a systematic assessment process in the City. There may be exceptions to the policy or unique circumstances or situations which may require special consideration and discretion by city staff and the City Council.

Section 2. Improvements and maintenance costs eligible for special assessments.

A. Public improvements and related acquisition, construction, extension, and maintenance of such improvements, authorized by Minn. Stat. § 429.021 and 459.14, subd. 7, as amended from time to time, are eligible for special assessment within the City.

B. The City is also authorized by ordinance to recover, through special assessment, unpaid special charges as provided in Minn. Stat. § 429.101.

Section 3. Initiation of public improvement projects.

A. Public improvement projects can be initiated in the following ways.

1. Public improvement projects may be initiated by petition of owners of at least 35% in frontage of the property abutting the proposed improvement.

2. Public improvements also may be initiated by the City Council when, in its judgment, such action is required.

3. A resolution ordering any improvements initiated by the Council or by owners of less than 35% of abutting property owners requires a four-fifths majority vote of all members of the Council. A resolution ordering any improvements initiated by owners of not less than 35% of abutting property owners requires a majority vote of all members of the Council. A resolution ordering any improvements initiated by all owners (100%) of abutting property, and assessing the entire cost against their property, may be adopted without a public hearing. All petitioned projects by property owners regarding development of land shall follow the Policies for Petitioned Projects, adopted as City Resolution 2007-240.

Section 4. Public improvement procedure.

A. The following is the general procedure followed by the City Council for all public improvement projects from initiation of such a project through certification of the assessment roll to the County Auditor. Formats for the various reports and resolutions referenced in this section are made a part of the policies and procedures of the City.

1. Staff reviews petition or Developer's request for submission to Council.
2. Council accepts or rejects petition or request. If based upon a petition, the Council adopts a resolution declaring whether the required percentage of property owners has signed. If the petition or request is accepted, Council orders preparation of feasibility report.
3. Staff prepares feasibility report. The report shall preliminarily evaluate whether the proposed improvement is necessary, cost-effective, and feasible and whether it should be made as proposed or in conjunction with another project. The report shall include an estimate of the cost of the improvement as proposed. Council may refer the report to the Planning and Zoning Commission.

4. Council accepts or rejects feasibility report. If accepted, Council orders public hearing on the improvements.
5. Staff posts and publishes hearing notice and mails notices to affected property owners as provided in Minn. Stat. § 429.031(a), as amended from time to time.
6. Council conducts public hearing.
7. Within six (6) months of the hearing date, Council adopts or rejects resolution ordering improvement to be constructed and advertisement of bids as required in Minn. Stat. § 471.345. If adopted, staff prepares final plans, advertises for and opens bids as provided in Minn. Stat. § 429.041, as amended from time to time, prepares bid tabulation, makes recommendation to City Council for award, and prepares proposed assessment roll. Bonds to finance project costs may be issued at any time after the improvements are ordered.
8. Council reviews proposed assessment roll and orders assessment hearing.
9. Staff publishes hearing notice, mails notice of hearing date and proposed assessments to the affected property owners as provided in Minn. Stat. § 429.061, as amended from time to time.
10. Council conducts assessment hearing and adopts, revises, or rejects resolution determining the amount of the total expense the City will pay, if any, and establishing the assessment roll. If adopted, Council authorizes certification of the assessment to the County Auditor.
11. Council awards contract based on the bids received.
12. Staff certifies the assessment roll to the County Auditor.
13. Staff supervises construction and prepares payments.

Section 5. Financing of public improvements.

A. The City encourages public improvement projects as the area (s) benefiting and needing such improvements develop. Examples of this policy can be seen through the subdivision regulations, zoning ordinance, and building codes. Developers are required to provide the needed improvements and services before development occurs, thereby avoiding unexpected hardships on the property owners purchasing such property and the general public. However, it is recognized that certain areas of the City have developed without all needed public improvements (e.g. parks, water, sewer, and street improvements) and that methods must be found to provide these improvements without causing undue hardships on the general public or the individual property owner.

B. Special assessments are generally accepted as a means by which areas can obtain improvements or services; however, the method of financing these is a critical factor to both the City and the property owner. Full project costs spread over a very short term can cause an undue hardship on the property owner and, likewise, city costs and systems costs spread over a long period of time can produce an undue hardship on the general public of the City.

Section 6. General assessment policies.

A. The cost of any improvement shall be assessed upon property by the improvements based upon benefits received. The following general principles shall be used as a basis of the City's assessment policy:

1. Project Cost. The "project cost" of an improvement includes the costs of all necessary construction work required to accomplish the improvement, plus engineering, legal, administrative, financing and other contingent costs, including acquisition of right-of-way and other property. The finance charges include all costs of financing the project. These costs include but are not limited to financial consultant's fees, bond rating agency fee, bond attorney's fees, and capitalized interest. The interest charged to the project shall be included as financing charges.
2. City Cost. The "city cost" of an improvement is the amount of the total improvement expense the City will pay as determined by Council resolution. Where the project cost of an improvement is not entirely attributed to the need for service to the area served by said improvement, or where unusual conditions beyond the control of the owners of the property in the area served by the improvement would result in an inequitable distribution of special assessments, or for any other reason determined by the City, the City, through the use of other funds, may pay such "city cost."
3. Assessable Cost. The "assessable cost" of an improvement is equal to the "project cost" minus the "city cost."
4. Interest. The City will charge interest on special assessments at a rate specified in the resolution approving the assessment roll. If bonds were sold to finance the improvement project, the interest rate shall be one percent (1%) more than the true interest cost of the bonds, rounded to the nearest quarter of a percent. If no bonds were sold, the interest rate shall be set at one percent (1%) over current market rate for municipal bonds based on the city's current bond rating at the time of the final assessment hearing.
5. Prepayment. Property owners may pay their assessments in full interest free for a period of 30 days after the assessment hearing. After such period interest shall be computed from the date specified in the assessment resolution. The City will transmit a certified duplicate of the assessment roll with each installment, including interest, to the County Auditor, or in lieu of such certification, annually certify to the County Auditor by November 30 in each year, the total amount of installments of and interest on assessments on each parcel which are to become due in the following year. Prior to certification of principal and interest or the first installment thereof, to the County Auditor, a property owner may make a partial prepayment of the principal to the City. Such partial prepayment must be at least $100.00. If the partial prepayment is made after the 30-day "interest free" period allowed by state law, interest will be charged on the amount of the partial prepayment from the date specified in the resolution and paid along with the partial prepayment. After the City has made the first certification of principal and interest to the County Auditor, prepayment will be accepted only for the total amount still owing including interest and must be made prior to November 15 of any year. If a parcel has two or more separate special assessments, prepayment of the remaining principal balance may be made on one or more assessment totals. Tax-exempt parcels such as churches and school properties may make only one partial prepayment to the first certification to the County Auditor. The remaining principal after the partial prepayment will be paid in equal installments over the remaining term of the special assessments.

6. Extensions. Where an improvement is designed for service of an area beyond that receiving the initial benefit, the City may pay for increased project costs due to such provisions for future service extensions. The City will levy assessments to cover this cost when a new improvement is installed as an extension of the existing improvement upon identification of such additional amount in the notice of hearing for the extensions or new improvements. As an alternative, the City may assess these costs to the area of future benefit immediately.
7. Frontage Roads. Because frontage roads along highways or other arterial streets are deemed to be of benefit to commercial or industrial properties, the entire costs of any improvement on such frontage roads shall be assessable to the benefited properties, even if only those properties on one side of such frontage roads are benefited.
8. Project Assistance. If the City receives financial assistance from the Federal Government, the State of Minnesota, the County, or from any other source to defray a portion of the costs of a given improvement, such aid will be used to reduce the "city cost" of the improvement. The aid will not be used to reduce assessment amounts.
9. Assessable Property. Property owned by the City and other political subdivisions including municipal building sites, parks and playgrounds, but not including public streets, alleys, and right-of-way, shall be regarded as being assessable on the same basis as if such property was privately owned. Private right-of-way shall be assessable.
10. Individual Benefits. The City must construct improvements specifically designed for or shown to be of benefit solely to one or more properties. The costs for these improvements will be assessed directly to such properties, and not included in the assessments for the remainder of the project. An example of this would be utility service lines running from the main lines to the property.

Section 7. Methods of assessment.

A. General Statement. There are different methods of assessment: per lot, adjusted front foot, and area. The feasibility report will recommend one or a combination of these methods for each project, based upon which method would best reflect the benefit received for the area to be assessed. The City Council will select the preferred method of calculating the assessments at the time the project is ordered.

B. Policy Statement. The following methods of assessment, as described and defined below, are hereby established as methods of assessment in the City.

C. "Adjusted Front Footage" Method of Assessment.

The "cost per adjusted front foot" method of assessment shall be based on the quotient of the "assessable cost" divided by the total assessable frontage benefiting from the improvement. For the purpose of determining the "assessable frontage," all properties, including governmental agencies, shall have their frontages included in such calculation.

The actual physical dimensions of a parcel abutting an improvement (i.e., street, sewer, water, etc.) shall not be construed as the frontage utilized to calculate the assessment for a particular parcel. Rather, an "adjusted front footage" will be determined. The purpose of this method is to equalize

assessment calculations for lots of similar size. Individual parcels by their very nature differ considerably in shape and area. The following procedures will apply when calculating adjusted front footage. The selection of the appropriate procedure will be determined by the specified configuration of the parcel. All measurements will be scaled from available plat and section maps and will be rounded down to the nearest foot dimension with any excess fraction deleted.

1. *Rectangular Interior Lots.* The rectangular lot is defined as having no more than 2.0 feet difference between the front and rear lot lines. The adjusted front footage is the actual front footage of the lot.
2. *Approximately Rectangular Lots.* For a lot which is approximately rectangular, the adjusted footage is computed by averaging the front and back sides of the lot.
3. *Odd Shaped Lots.* For odd shaped lots such as exist on cul-de-sacs and curved streets, the adjusted front footage is the width measured at the setback line of the lot.
4. *Corner Lot Adjustment.* The short side will be assessed the actual front footage. The long side will be assessed one-half the actual side footage or seventy-five (75) feet, whichever is greater. Where frontage curves so greatly as to give a general appearance of a corner, the lot shall be considered a corner lot.
5. *Neck lots and dead-ends.* A lot or parcel which has a small frontage on a street, with a narrow strip running back 120 feet or more, or a lot or parcel that is served by a street that is improved but either the street dead-ends or the improvement ends at the property line, is assigned an adjusted frontage of 75 feet. Where an improvement is subsequently extended, the lot or parcel that was assigned an adjusted frontage of 75 feet shall have the 75 feet deducted from the footage on the subsequent assessment.
6. Any parcel of land which is not capable of further subdivision pursuant to the applicable zoning ordinance and which has frontage in excess of 330 feet shall be assessed for a maximum adjusted front footage of 330 feet.

B. "Area" Method of Assessment.

The "area" method of assessment shall be based on the number of square feet or acres within the boundaries of the appropriate property lines of the areas benefiting from the project. The assessment rate (i.e., cost per square foot) shall be calculated by dividing the total assessable cost by the total assessable area. On large lots, the City Engineer may determine that only a portion of the lots receives the benefit and may select a lot area for the calculations equal to the benefit received.

All properties included in the benefited area, including other governmental areas, churches, etc., shall be assessable. The following items may not be included in area calculations: public right-of-ways, natural waterways, swamps and lakes and other wetlands designated by the Minnesota Department of Natural Resources, National Wetland Inventory, or the City. The City Engineer will make a recommendation on the boundaries or parameters of the benefited area in the feasibility report.

C. "Per Lot" Method of Assessment.

The "per lot" method of assessment shall be based on equal assessment of all lots within the benefited area. The "assessment per lot" shall be the quotient of the "assessable cost" divided by the total assessable lots or parcels benefiting from the improvement. For the purpose of determining the "lots" or "parcels" all parcels, including governmental agencies, shall be included in such calculations. For any lot that could be subdivided to City minimum lot size standards, said lot shall be assigned the number of lots it could subdivide to.

Section 8. Policies of re-assessment.

The City shall design public improvements to last for a definite period. The life expectancy or service life shall be as stated in the policy statement of this section, or if different, shall be as stated in the resolution ordering improvement and preparation of plans.

A. Policy Statement

The following are the "life expectancies" or "service lives" of public improvements except as may be otherwise stated in the resolution ordering improvement and preparation of plans.

1. Sidewalks - 20 years.
2. Street improvements, including surfacing and curb and gutter - 20 years.
3. Ornamental street lighting - 20 years.
4. Water Mains - 30 years.
5. Sanitary Sewers - 30 years.
6. Storm Sewers - 30 years.

Section 9. Assessment computations.

The following is the typical city assessment for various specified improvements.

A. Street and Curb and Gutter Improvements

1. *New Construction Projects.* New streets are assessed 100% to the abutting benefited properties. Street and curb and gutter improvements will normally be assessed by the adjusted front foot method, however other methods may be utilized if conditions warrant. Cost of construction of streets shall be assessed based on the City standard typical section for residential areas and 9-ton axle load in commercial and industrial areas. Oversizing costs which are incurred in excess of the above shall be 100% assessed to the City.
2. *Reconstruction and Reclamation Projects.* Street reconstructions and reclamations are assessed 25% to the abutting benefited properties. New curb and gutter are 100% assessed. Replaced curb and gutter are assessed 25% to the abutting benefitted properties.
3. *Gravel Streets.* Upgrading of existing gravel street by adding pavement, curb and gutter is considered new construction and all costs are assessed 100%.
4. *Seal Coats and Overlays.* Sealcoats and overlays are considered maintenance and shall not be assessed.

5. *Alleys.* Upgrading existing gravel alleys by adding pavement is assessed 100% to all lots abutting on the alley in the block being improved. Reconstructing existing paved alleys are 100% assessed also.
6. *Driveways.* New driveways are assessed 100% to the property owner. Reconstructed driveways are assessed 25% to abutting benefitted property owners.
7. The assessments for those parcels contained in a benefitted area but outside the City limits shall be deferred until such parcels have been annexed. The City Council may require properties to be annexed before providing City services to them.

B. Sidewalks and Trails

1. *New Construction projects.* In Commercial Districts, the total cost for the installation of new sidewalks or trails for new projects will be assessed 100% against the property owner. In Residential Districts the total cost shall be assessed 100% to the City if the City requires the sidewalk or trail to be built. If the sidewalk or trail is petitioned for by the residents of the street, it shall be assessed 100% to the benefiting property owners. A successful petition shall be one signed by property owners owning a minimum of 51% of the front footage of the street in question.
2. *Reconstruction projects.* 25% percent of the cost shall be assessed to the property owners in the project area and 75% shall be assessed to the City.

C. Storm Sewer Improvements

Policy Statement. The basis for a storm sewer or ditching assessment is not the installation of a pipe or ditch on a particular property but, rather, the installation of pipe or ditch in an area. The definition of these areas is determined by the City Engineer. When the installation of the pipe or ditch is completed in full in an area, the area is assessed in full. Any area which contributes water to this system, whether by ground runoff or by underground piping, is assessed up to the current rate per square foot.

New projects. The total cost for both storm sewers and ditches shall be 25% assessed to the City and 75% assessed to the benefitting property owners in districts involving a mixture of existing uses and vacant land. The total cost shall be assessed 100% to benefitting property owners in districts where all of the land is vacant.

Reconstruction projects. The total cost for both storm sewers and ditches shall be 75% assessed to the City and 25% assessed to the benefitting property owners for reconstruction, system maintenance, or ditch cleaning projects. In cases where the property owner has caused damage to a drainage system by their actions (for example, farming too close to a ditch or causing erosion into a ditch or waterway due to lack of maintenance of property), the property owner shall be assessed 100% of the costs for repairing the damage and reconstructing the drainage system.

D. Sanitary Sewer Assessments

Policy Statement. Sanitary sewers consist of a network of pipes and associated pumping stations, meter stations and appurtenances designed to transport sewage to the municipal waste treatment plant.

1. *Assessment method.* The total cost of an interceptor or trunk line is assessed equally per unit of area over the entire district served by the sewer main. The assessment is generally levied in the current year of construction of the interceptor or trunk sewer, and it is entirely likely that a large number of properties will be assessed which do not immediately have access to the sewer. However, it is considered that such properties do accrue immediate benefit from the interceptor or trunk sewer since it is available to receive lateral sewer connections, which may be initiated by petition of property owners. Sanitary sewer lift stations and additional construction shall be considered as part of the interceptor or trunk sewer and shall be assessed on the same basis.

2. *New projects.* The total cost of sanitary sewer laterals for new projects shall be 100% assessed to the benefitting property. In any new project requiring reconfigurations or additions to the existing sanitary sewer system, 100% of the cost of the project shall be assessed to the benefitting property owners.

3. *Reconstruction projects.* 25% of the cost shall be assessed to the property owners and 75% shall be assessed to the City.

4. *Sanitary sewer building service or hookup.* Sanitary sewer building service or hookup is the connection by the property owner to the City sewer service and is 100% assessable against the benefitting property. The hookup charge shall be determined by the City Council.

5. *Stub-out.* A stub-out is the connector attached to the sewer main that permits individual connection to the service. The cost for a stub-out for new projects is 100% assessable to the property owner.

Parcels outside the City. Reasonable costs for those parcels contained in the area or district served but located outside the City limits shall be deferred until such parcels have been connected to the system or annexed, whichever comes first. Such costs shall be payable to the City through reasonable service and connection charges. The City Council may require properties to be annexed before providing City services to them.

E. Water Main Assessments

Policy Statement. Water mains consist of a network of pressure pipes designed to deliver municipal water to homes within the City. The City Council shall determine the standard size and depth necessary for any particular pipe. If a business or home requires a diameter of pipe in excess of the standard size, then that business or home shall pay for the extra costs associated with oversizing. If the City Council requires a pipe in excess of the standard size, then the City shall pay for the extra costs associated with oversizing.

1. *Assessment method.* Water mains will be assessed on a per-lot or lot-unit basis. The assessment is generally levied in the current year of construction of the water main, and it is entirely likely that

a large number of properties will be assessed which do not immediately have access to the water main. However, it is considered that such properties do accrue immediate benefit from the water main since it is available to receive water service connections, which may be initiated by petition of property owners.

2. *New projects.* The total cost of water main for new projects shall be 100% assessed to the benefiting property owners. In any new project requiring reconfigurations or additions to the existing water system, 100% of the cost of the project shall be assessed to the benefiting property owners.

3. *Reconstruction projects.* 25% of the cost shall be assessed to the property owners, and 75% shall be assessed to the City.

4. *Water main building service or hookup.* The connection by the property owner to the City water service is 100% assessable against the benefiting property. The hookup charge shall be determined by the City Council.

5. *Stub-out.* A stub-out is that connector attached to the water main that permits individual connection to the service. The cost for a stub-out for new projects is 100% assessed to the property owner.

6. *Water tower.* Water tower construction may be assessed to benefiting property owners should the City Council determine it necessary to do so.

7. *Parcels outside the City.* The assessments for those parcels contained in a benefitted area but outside the City limits shall be deferred until such parcels have been annexed. The City Council may require properties to be annexed before providing City services to them.

F. Street Boulevard Trees

All street boulevard trees installed as part of new street constructions or in reconstructing existing streets shall be included as part of the overall project costs included in the assessment calculations.

G. Street Lights

All costs for new streetlights installed as part of constructing new streets or streetlights relocated as part of reconstructing streets are included in the overall project costs and included in the assessment calculations. In new subdivisions, the City may require the developer to finance street light improvement rather than assessing the cost.

H. Other Improvements

Based on the City Council determination, any other improvements may be fully assessed or assessed in part.

276-10. Deferrals on unimproved parcels

Deferrals on unimproved parcels. (See Minn. Stat. § 429.061, Subd. 2., as amended from time to time) On improvement projects involving assessments on unimproved parcels, the City Council may decide to defer assessments at the request of the landowner, according to the following:

1. Activation of deferred assessment. Payment of the deferred assessment shall commence when one of the following events occurs:
a. The property is sold as a single parcel.
b. The property is subdivided pursuant to the applicable zoning ordinance, court order, or registered land survey, unless determined by the City Council that such event does not justify activation of the deferred assessments.
c. The property reverts to the State of Minnesota as a result of tax forfeiture.
d. The property or portion thereof is acquired by condemnation for a subsequent project.
e. At a time mutually agreeable to the property owner and the City.

2. Repayment of deferred assessments. Based upon the type of improvement, the repayment period for any bonds sold to finance the project, and the amount of individual assessments, the City Council shall, prior to the adoption of the assessment, determine the length of time over which the deferred assessments shall be paid and shall select one of the following options for payment of the interest on the deferred assessments:
a. Interest shall be added to the principal amount of the assessment when it first becomes payable; or
b. Interest shall be payable annually at the same times as the principal installments of the assessment would have been payable if not deferred. If the City Council and property owner agree, this interest may be deferred also. The unpaid principal balance of deferred assessments shall accrue interest at the same rate as the assessments not deferred.

276-11. Postponed assessments; apportionment; supplemental assessments.

A. Postponed assessments.

1. If the City advances its own funds to pay for improvement costs relating to property abutting on but not initially assessed for the improvement, the City may reimburse itself for all or any portion of this cost by levying assessments against such property upon notice and hearings provided for the assessments at a later date.

2. If the City advances its own funds to pay for improvement costs that benefit nonabutting property not initially assessed for it, but able to use it when extensions or other improvements are made, the City may include all or any portion of the City costs in assessments for later improvements if notice to that effect is included in the notice of hearing on the matter of undertaking the later extension or improvement.

B. Apportionment of assessments upon subdivision of land. If a special assessment is levied against a tract of land which is later subdivided, the installments remaining unpaid can be

apportioned among the various lots and parcels in the tract upon a finding that such apportionment will not materially impair collection of the balance due. This may be done upon application of the property owner or by the City Council acting upon its own motion, but notice of such apportionment and of the right to appeal must be mailed to or personally served upon all owners of any part of the tract. The City Council may, and if the assessment has been pledged towards payment of improvement warrants the City Council must, require the owner or owners to furnish surety bonds.

C. Supplemental assessment and reassessment. The City Council may, subject to legal notice and hearing requirements, make supplemental assessments to correct omissions, errors, or mistakes in the assessment relating to the total cost of the improvement or any other particular item. If an assessment is set aside by a court for any reason or if the City Council finds that the assessment or any part of it is excessive or determines on advice of the City Attorney that it is or may be invalid for any reason, the City Council may upon notice and hearing as required for the original assessment, make a reassessment or a new assessment as to such parcel or parcels.

MEMORANDUM

Date: February 12, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Approval of Plans and Authorization to Advertise for Bids
2020 Pavement Management Project
City of Isanti, MN
BMI Project No.: R13.120119

We request that the City Council approve the plans and specifications, entitled "2020 Pavement Management Project" and authorize advertisement for bids.

Following is the schedule for the 2020 Pavement Management Project:

Approve Plans & Specs, Authorize Advertisement for Bids	February 18, 2020
Open Bids	March 10, 2020
Commence Construction	June, 2020
Substantial Completion of Construction	August 31, 2020

We are requesting that the City Council approve plans and specifications and authorize advertisement for bids.

I will be at the February 18, 2020 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact us with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

ACCEPTING PLANS AND SPECIFICATIONS AND AUTHORIZING ADVERTISEMENT FOR BID FOR THE 2020 PAVEMENT MANAGEMENT PROJECT

WHEREAS, the City has planned for the 2020 Pavement Management Project; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, the Engineer's Estimate is within the planned budget; and,

WHEREAS, a public bid opening is recommended to be held on March 10th, 2020 to receive competitive bids to complete the construction project in the 2020 construction season;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall accept the plans and specifications as completed by Bolton & Menk, Inc. dated February 7, 2020.

2) That the City shall authorize the advertisement for bids for this project with a bid opening date scheduled for March 10, 2020.

This resolution was duly approved by the Isanti City Council this 18th day of February 2020.

Attest: Mayor Jeff Johnson

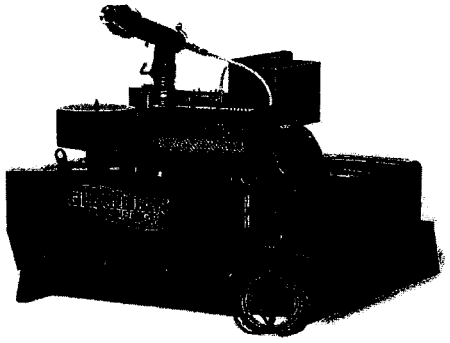
Guardian ULV

The Guardian line of ULV sprayers from ADAPCO

Guardian 190 G4

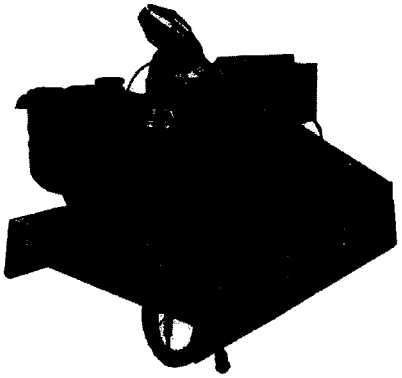
The Guardian 190 G4 sets a new standard in professional mosquito control. Built to endure the most rigorous application needs, this ULV workhorse employs advanced aerosol generator technology and is outfitted with the highest quality components and key features.



- 19 HP KOHLER Twin Cylinder Electronic Fuel Injected (EFI) engine
- 3 Year Limited Warranty
- 12 gallon EPA-compliant fuel tank
- 350 CFM Howden ROOTS high output blower
- Vectored Air Atomization Technology (VAAT)
    - Laser Tested Aluminum Alloy Nozzle
- Oversized lockable pump box for easy calibration and maintenance
- Fixed flow in-cab control is standard with optional upgrading available with ADAPCO's Monitor 4S application tracking system

Guardian 95 G4

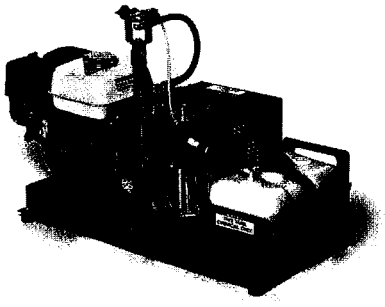
ADAPCO offers high performance in a compact design with the Guardian 95 G4. Ideal for less demanding programs or private applicators, the 95 G4 is a dependable, professional quality sprayer with a budget-friendly price. This machine offers a space saving footprint.



- 9.5 HP KOHLER Command PRO OHV fuel efficient engine
- 1 Year Limited Warranty
- 175 CFM Howden ROOTS high output blower
- Vectored Air Atomization Technology (VAAT)
    - Laser Tested Aluminum Alloy Nozzle
- Oversized lockable pump box for easy calibration and maintenance
- Fixed flow in-cab control is standard with optional upgrading available with ADAPCO's Monitor 4S application tracking system and variable flow
- In-cab control provides spray switch control, engine off and hot start ignition

Guardian 55 ES

The Guardian 55 ES is ADAPCO's solution for professional-quality mosquito and flying insect control on a price conscience budget. Perfectly sized to easily spray golf courses, barn & stable areas, and other low output areas. The 55 ES has a lightweight design with a compact footprint.



- 5.5 HP commercial quality fuel efficient HONDA engine
- 1 Year Limited Warranty
- Portable, lightweight aluminum construction
- Aluminum compressor with cast iron cylinder
- 2.5 gallon formulation tank or drop in a 2.5 gallon RTU jug with included cap & pickup tube
- Flow rates adjustable with stainless steel orifice disks
- Optional wired remote available

Typhoon 1

One Machine Provides Total Flexibility: Adulticide, Larvacide, Barrier Spray

- 2-Year limited warranty
- Can be outfitted with the automated "Synchroflow System"
- Available with radar or GPS speed sensing

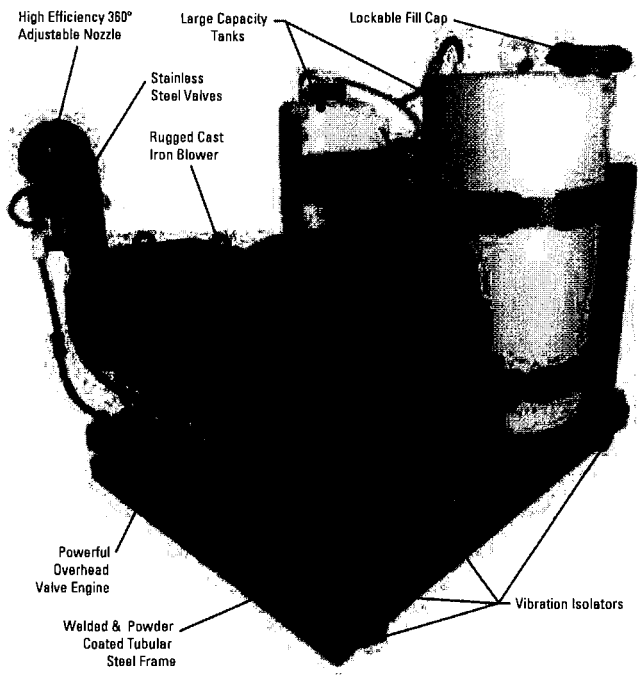
High Output Diaphragm Pump

Remote Control

Part #	Description
64600-1	Typhoon 1 (w/FMI Pump)
64600-2	Typhoon 1 (w/Diaphragm Pump)

Considered the industry standard for medium-sized, vehicle mounted ULV cold foggers, the Typhoon 1 has the power and features of much more expensive machines.

Powered by a rugged overhead valve engine mounted onto a powder coated, welded steel frame, the Typhoon 1 is available with a choice of three different pumping systems (Diaphragm, Digital Gear or FMI Piston) and a variety of options tailored to fit your needs. The highly efficient "Multi-Mist" nozzle has years of proven experience in producing uniform droplet spectrums with more than 90% of droplets below 20 microns (VMD) at the recommended flow rates and pressures. With flow rate capabilities ranging from 0-128 oz/min (0-3.8 ltrs/min) using the diaphragm pumping system, higher flow rates and larger droplets can be achieved making the machine also ideal for barrier spraying and larvacide work. When paired with GPS systems like Dyna-Trax 2 and a GPS mapping software provider, the Typhoon 1 has full recording and reporting capability to assist in complying with EPA and/or other agency reporting requirements.



TYPHOON 1

SPECIFICATIONS: DIAPHRAGM PUMP, GEAR PUMP, FMI PUMP

Engine	Kohler 9.5 Hp (277 cc), 4-cycle, OHV, electric start. Optional Honda 10.5 Hp (344 cc), 4-cycle, OHV, or Yanmar diesel
Blower	High volume, positive displacement, rotary type; 8.5 psi @ 2750 rpm; 12 psi (0.82 bar) 205 cfm (5.8 cubic meters/min)
Pump Systems	Diaphragm pump - high volume, corrosive resistant Gear pump - stainless steel, magnetically coupled FMI - ceramic piston with carbon cylinder Optional radar syncroflo automatic control with digital display
Nozzles	High efficiency single nozzle, adjusts 360 degrees, removable for cleaning
Gauges	Digital Tachometer/Hourmeter for engine; liquid filled pressure gauge for nozzle boom pressure
Weight	Empty: 297 lbs; 135 kg. Full: 412 lbs; 187 kg

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Matt Sylvester, Public Services Director
Date: February 18.2020
Subject: Consider Resolution Approving Exempt Sidewalk from Snow Removal

---

Background:
Every year the snow plowing policy is reviewed, staff had brought this to the October 16, 2019 COW meeting and has been waiting for "The Villages on The Rum Association" to grant the easement for the sidewalk along Whiskey Rd. That easement has been granted. There are no changes to the Snow Plowing Policy.

Recommendation:
Staff is recommending to accept the easement from "Villages on the Rum" and to remove the sidewalk on Bellaire Blvd NW from the exempt sidewalk list.

Action:
Staff is requesting City Council action on this item.

Attachments
1. Resolution 2020-XXX Exempt Sidewalk

RESOLUTION 2020-XXX

APPROVING EXEMPT SIDEWALK FROM SNOW REMOVAL

WHEREAS, sections of sidewalk is identified for exemption by the City Council, shall not be required to have snow removal; and,

WHEREAS, the following property is exempt from the sidewalk snow removal requirement until future development:

- 7th Avenue NE – Sidewalk section between Cajima St NE and Golden Way NE (no development on either side);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City of Isanti, Minnesota that the sidewalk listed above is exempt from snow removal.

This Resolution was duly adopted by the Isanti City Council this 18th day of February 2020.

RESOLUTION 2020-XXX

ADOPTING ORDINANCE NOTIFICATION POLICY

WHEREAS, the Minnesota Legislature had adopted Chapter 77, requiring a ten (10) day notification of non- interim proposed ordinances; and,

WHEREAS, in order to comply with the new legislation, the City Council recognizes that a policy is necessary to provide a process of notification that is in compliance for non-interim proposed ordinances; and,

WHEREAS, this Resolution supersedes; and,

WHEREAS, the City Council recognizes that the ordinance adoption timeframe has been significantly lengthened by the notification requirement;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to adopt the policy that provides for the procedures and steps necessary for the notification of non-interim ordinances, with said process and steps that are hereby listed below and made a part of this resolution:

1. Proposed Ordinances shall be reviewed by the City Administrator or their designee. The City Administrator or their designee shall decide whether to proceed with public notification of the pending ordinance, or review the pending ordinance with the City Council at a regular meeting prior to public notification.
2. Proposed Ordinances shall be placed on the City Website and posted a minimum of ten (10) days prior to date of the City Council Meeting where a final vote on the ordinance is scheduled.
3. Failure of a party to receive notification under this process shall not invalidate an approved ordinance.

This resolution was duly adopted by the Isanti City Council this 18th day of February 2020.

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Matt Sylvester, Public Services Director
Date: February 18, 2020
Subject: Consider Resolutions Accepting Quotes from Dirtworks and Vessco for WWTP Filter Repairs

---

Background:
In July 2019 the filters at the WWTP began giving Public Works trouble during a backwash. After many trouble shooting attempts to resolve the issue it was determined that the media from the filters will need to be removed. After removing the media two issues were found. The air header was plugged from the piping breaking down between the Blower Building and the Tertiary Building. All of the piping would need to be replaced. The underdrain nozzles from the backwash pumps were plugged with fine particles of sand from the backwash pit. The underdrain nozzles will need to be replaced also along with the media in the filters.

Staff recieved a quote from Dirtworks to replace the air piping from the blower building to the filters for $35,500.00.
Staff also received a quote from Vessco for the underdrain nozzles, air header, and media for $29,600. Public Works Staff will be doing the work of installing them.

Recommendation:
Staff is recommending Dirtworks replace the air piping and the purchase of the underdrain nozzles, air header, and media from Vessco.

Request:
Staff is requesting action on this item.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: February 18th 2020
Subject: Resolution 2020-XXX Authorizing the Closing of Utility Franchise Fund 225

Background:

Currently utility franchise fees are collected to cover the costs associated with our ongoing and annual pavement management plan. The fees collected are received by the Utility Franchise Fund (Fund 225). All expenses associated with pavement management projects are coded to the Pavement Management Projects Fund (Fund 440). The only use of utility franchise fees is for pavement management projects, and the only source of funding for pavement management projects is utility franchise fees.

Annually Finance Director Betker makes journal entries to move money from fund 225 to fund 440. During each of the last 2 year end audits our Auditors have recommended that we consider closing fund 225 to fund 440 since there is no other activity taking place except for the receiving and transferring of revenue to fund 440.

Recommendation:

Finance Director Betker is recommending that Fund 225 be closed to Fund 440 effective 12/31/2019.

Request:

Staff is requesting action on this item.

Action Required:

Consider Resolution 2020-XXX Authorizing the closing of Utility Franchise Fund 225

Attachments:

Res 2020-XXX Authorizing the closing of Utility Franchise Fund 225

RESOLUTION 2020-XXX

AUTHORIZING THE CLOSING OF UTILITY FRANCHISE FUND 225

WHEREAS, the City Council of Isanti finds that it is important to review financing to eliminate deficits in certain funds and close funds with no recent activity or for projects that are materially complete; and

WHEREAS, the City Council of Isanti finds that it is in the best interest of the community to close Utility Franchise Fund 225 to Pavement Management Projects Fund 440.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of Isanti, Minnesota, to:

Close Fund 225 – Utility Franchise to Fund 440 – Pavement Management Projects, effective December 31st 2019.

Adopted by the Isanti City Council this 18th day of February 2020.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: February 18, 2020
Subject: Resolution Amending the Adopt A Park Program Policy

Background:
The City of Isanti created an Adopt-A-Park Program on June 4th, 2013. The PRC Board reviewed the Adopt A Park Program Policy and Forms at the January 28, 2020 meeting and is recommending the amended policy of requiring a 1 year commitment instead of the previous 2 year commitment for council approval.

Request:
Staff is requesting council approve the amended Adopt A Park Program Policy and Forms

Human Resources/City Clerk

Adopt-A-Park Program

The goal of the Adopt-A-Park Program is to provide interested individuals, groups, or organizations with a public service opportunity that allows volunteers to help maintain the City of Isanti Park System. The program encourages and promotes community involvement, but also enables the City to further beautify and improve park areas. The Adopt-A-Park Program duties and responsibilities supplement the work of City staff; and by working together we hope to help area residents, businesses, and service organizations to become better connected to the community in which they live, work, and recreate.

Time Commitment

1. A commitment of a minimum of one year is required.
2. By adopting a park, the volunteer(s) or participant(s) can clean-up as frequently as they so choose. However, clean-up should occur at least three (3) times each year, preferably one time each in the spring, summer, and fall.
3. The adoption commitment period begins April 1st and concludes October 31st of each year.

Program Guidelines

1. All Adopt-A-Park projects should aim to benefit the majority of park users.
2. Participation in the Adopt-A-Park Program is on a first-come, first serve basis. Applications are accepted throughout the year.
3. All participants under the age of 18 must have adult supervision and must submit a parental release form prior to performing any duties associated with the Adopt-A-Park Program.
4. All groups must have a designated supervisor who is able to meet the responsibilities noted for the position.
5. Adopt-A-Park activities should occur during the daylight hours of park open times (7:00 a.m. to 10:00 p.m.) and during good weather conditions.
6. Work responsibilities associated with Adopt-A-Park activities can be physically demanding. All participants should be in good physical condition and able to complete the tasks.
7. The group supervisor shall contact Parks, Recreation & Culture (PRC) Manager at (763) 444-5512 or at isantiparks@cityofisanti.us at least one (1) week in advance of the date that the group will be performing tasks outlined in the Adopt-A-Park Program materials.
8. Participants may not modify or add to the existing landscape or site design without receiving prior authorization from the Parks, Recreation, and Culture Board and the City Council.
9. The City may contact volunteer groups for special project assistance, when needed. Participation by group members is voluntary.
10. The city of Isanti will provide bags, gloves and safety vests to the assigned group to perform tasks assigned under the Adopt-A-Park Program. All items and materials should be picked up at least 48 hours in advance of the group's scheduled clean-up date. Borrowed and unused supplies must be returned to Isanti City Hall within the following week of clean up.
11. The group shall report any vandalism or potential safety hazards to PRC Manager.

DRAFT

Bluebird	Mattson	Rum River Meadows	Whisper Ridge
Isanti Hills Neighborhood	Riverside	Unity	

Possible Tasks Associated with Adopt-A-Park Program

Litter pick - up	Weeding	Planting/watering of flowers/trees	Painting
Raking	Sweeping	Mulching	Buckthorn Removal

Safety Tips

Each participant in the Adopt-A-Park Program must review the information regarding the program as well as these safety guidelines before performing services at the adopted site and abide by them while performing such services/duties.

1. Participants must abide by all state and local laws, rules and regulations, all written and verbal guidelines, directions and instructions from city staff.
2. Work only during daylight hours and in appropriate weather conditions.
3. Stay away from areas that may have recently applied chemical pesticides.
4. Participants should be aware of extreme conditions, under which they may be working, to include but is not limited to heat, insects, sun, natural environments, etc. Participants should wear protective clothing and equipment including work gloves, durable shoes and long sleeved shirts/pants to prevent injury from sharp objects, insect stings/bites, sunburn, and poison ivy. Light colored clothing is recommended as it is most visible.
5. Do not overexert yourself. Take needed breaks and drink plenty of water.
6. Participants should never pick up any heavy, large, or hazardous materials, park equipment or operate/move park maintenance equipment. Notify the city staff for pick-up of these types of materials or items.
7. Use caution in areas where hazardous conditions may exist such as: along roadways, in parking lots, on bridges, near/on construction sites, near open water, and other areas where mowing, tree trimming, or pest control is in progress.
8. Be aware of your surroundings to ensure your safety and the safety of others (group members/park patrons). Be especially careful when using tools.
9. Do not wear earphones or headsets, engage in horseplay, or other types of conduct that may divert your attention from your work or impair your ability to perceive hazardous or dangerous situations.

Group Supervisor Responsibilities

1. Identify in writing to the PRC Department the projects to be completed and date of the proposed clean-up. Such information shall be provided at least one (1) week prior to the scheduled clean-up day.
2. If intended projects would result in modifications, changes, or additions to the park landscape or design; those shall be provided to Park and Recreation staff in advance, so as to be reviewed by the Parks, Recreation, and Culture Board and approved by the City Council.
3. Submit a complete roster with all group volunteers.
4. Return all completed and signed Adoption Registration Form and Adoption Agreement as well as Liability Waivers and/or Parental Release Forms for each participant.
5. Provide a first aid kit on the day of the event for participants and have emergency contact numbers available.

Adopt-A-Park Agreement Form

The City of Isanti, acting by and through its Parks, Recreation & Culture Department, Public Works Department, and _____ ("volunteer/participant") agree to the terms set forth in this Agreement which governs the services the Volunteer(s)/Participant(s) will perform at _____ (Park Location).

Recital

The City desires to provide interested persons and organizations with an opportunity for community involvement through voluntary participation in an Adopt-A-Park Program.

Agreement

1. The Participant(s) will provide the services designated on the possible tasks associated with the Adopt-A-Park Program. All services performed under this Agreement shall be performed on an uncompensated basis by Individual/Group volunteers. The Individual/Group will perform any activity which the City has previously approved and will not subcontract or hire others to perform services hereunder. The City may perform or cause others to perform the activities listed in the possible tasks associated with the Adopt-A-Park Program at its discretion.

2. The participant(s) will use only non-motorized hand tools to perform services under this Agreement and will take all reasonable precautions to protect its participating members and the public against injury and against damage to property.

3. The participant(s) shall abide by the Safety Tips. The representative ("group supervisor") who signs this Agreement, or his or her designee, shall ensure that each person to perform services under this Agreement will read and abide by the Safety Tips and will sign a Liability Waiver in the form accompanying this Agreement.

4. The participant(s) will not discriminate against any person desiring to perform services under this Agreement due to the person's race, color, creed, religion, national origin, disability, age, gender, affectional preference, marital status or status with regards to public assistance.

5. All participant(s) and any other persons who may perform any activities covered under this Agreement shall not be considered employees of the City. Accordingly, the City is not responsible or liable for any injury or any other claims, expenses, or losses sustained by such persons while engaged in any of the activities covered under this Agreement.

6. The participant(s) shall defend, indemnify and hold harmless the City of Isanti, its officials, employees and agents, from any and all claims, causes of action, lawsuits, damages, losses

MEMORANDUM

Date: February 12, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

A preconstruction meeting will be held in March, for spring construction.

2) 6th Avenue Rehabilitation

We will complete the plans and specifications this month.

3) 2020 Pavement Management Project

We will bring the plans and specifications to Council for approval this month.

4) 2020 Storm System Management Project

We will bring the plans and specifications to Council for approval this month.

5) Legacy Pines 2nd Addition

This project has been authorized and is scheduled to be completed in 2020.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX
Amending Resolution 2020-007

APPROVING OPERATION OF THE COMPOST SITE

WHEREAS, the compost facility will open for the 2020 season and be staffed by an attendant to monitor that only grass and leaves be accepted per our permit; and,

WHEREAS, the compost site will also be open the first 3 Sundays of the season from noon to 5:00 beginning on April 26th and the last 3 Sundays of the season beginning on October 25th; and,

WHEREAS, the compost site will be open to the public for residential yard waste including grass clippings and leaves when the site is staffed Tuesdays and Thursdays 1:00 p.m. to 7:00 p.m. or sunset and Saturdays noon to 5:00 p.m. beginning April 21 and closing November 8; and,

WHEREAS, the compost site will be closed for the following days in observance of the Holiday: May 24, July 5, September 6 and,

WHEREAS, the City Council of Isanti is rescinding Resolution 2020-007;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ISANTI, MINNESOTA AS FOLLOWS:

1. Staff may post the hours the compost site will be open when it is staffed Tuesdays and Thursdays 1:00 p.m. to 7:00 p.m. or sunset, and the first and last 3 Sundays of the season and Saturday's noon to 5:00 p.m.
2. Staff may post the dates the site is open for the season; April 21 - November 8.

This resolution was duly adopted by the Isanti City Council this 4th day of March 2020.

Attest:

_____
Mayor Jeff Johnson

_____
Katie Brooks
Human Resources/City Clerk

3. EDA Meeting	Wednesday, March 4, 2020 *(Following the City Council Meeting)*

I. Council Committee Reports

None

J. Public Hearings

None

K. Business Items

1. a. Ordinance-XXX An Ordinance Repealing and Replacing Ordinance No. 485, Adopted on May 5, 2010, and Titled Peddlers, Solicitors, and Transient Merchants

City Administrator Josi Wood shared that the intent from City Council at the December Committee of the Whole meeting is that non-profit organizations would not be charged. Wood continued to share that with the new ordinance solicitors do not get charged the fee as there is no fee for solicitors in the fee schedule. Wood further shared that it is recognized that some organizations may be bringing good to a home it may be considered a peddler and there is a license fee but it would be waived. The original exemption in the original ordinance was ambiguous and created liability for the City which is why that statement was removed. The original ordinance only listed non-profits and did not list out tax-exempt organizations and entities which school districts are not non-profits.

Council member Steve Lundeen shared that he would like to see it that non-profit and tax-exempt organizations do not need to apply for a permit if under the age of 18 years old.

Council member Dan Collison that typically the organizations are out as groups where adults will be there working with them and he does not see a need for them to pull a permit.

Andrea Koukol 201 4th Ave shared that the Boy Scouts do a tree lot in the Coborns parking lot and have been charged in the past for a permit to sell the trees in the Coborns lot. Koukol asked if Non-Transient sitting still opportunities for the youth non-profit organizations will be included.

Council member Dan Collison asked if the Boy Scouts used to be charged when the activity was performed at Reichels.

Koukol responded that they were not charged.

Trent Koukol 201 4th Ave shared that he is the scout master for Isanti and the last 4 years Boy Scouts have been selling trees and when the Boy Scouts sold corn at the Co-Op they had to apply for a permit to sell corn.

Wood stated that this would be an exact example of an administrative permit at Committee of the Whole with the deer hide boxes were non-profits.

Mayor Johnson stated that they would be asked to fill out permit but the fee would be waived.

Motion by Mayor Johnson, second by Lundeen to post ordinance for 10 days as presented. The verbiage was clarified to state "Disseminating religious, political, social or ideological beliefs, including pamphleteering and canvassing for non-commercial purposes, or soliciting for, or selling, merchandise on behalf of a tax-exempt and non-profit organizations." The intent for this addition was to clarify excluding charging fees for tax exempt and non-profit organizations. Motion passed 5-0. Motion carried.

1. Resolution 2020-030 Interview Applicant for Vacant Economic Development Authority Board Seat and Accepting Resignations for Board Members Jill Reller and Luke Merrill

Applicant Justin Nielsen was interviewed by Mayor Johnson for the open Economic Development Authority Seat. Johnson asked questions specific to Economic Development Authority.

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. City Code Chapter 276, Special Assessments and Special Assessment Policy
   a. **Ordinance-724** an Ordinance Repealing and Replacing Ordinance 161 Adopted on February 19, 1991 and Amended by Ordinance 257 on April 16, 2002, and Titled Special Assessments

Assistant City Administrator/ Special Projects Don Lorsung shared that this is a revised and updated Special Assessments policy that includes the funding options that had been discussed with City Council, use of MSA Funds and how it relates to special assessment process and the financing of City projects. Lorsung continued to share that this policy matches current practices to make sure it is up to date. Lorsung further shared that the City Engineer has looked at 3 different policies from other cities in preparing the policy. Lorsung stated staff and the City Attorney have reviewed.

Motion by Collison, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

b. Resolution 2020-031 To Establish a Special Assessment Policy
Assistant City Administrator/ Special Projects Don Lorsung shared that this resolution and Ordinance go hand in hand. Lorsung continued to share that a lot of the areas from the old Ordinance and moved them to become a policy under resolution. Lorsung further shared that the ordinance contains what it has to for legal purposes and the rest of the policy items became a resolution so it is readily to review in the future for any other updates.

Motion by Lundeen, second by Bergley to approve the resolution as presented.

City Engineer Jason Cook

3. **Resolution 2020-032** Accepting Plans and Specifications and Authorizing Advertisement for Bid for the 2020 Pavement Management Project

City Engineer Jason Cook shared that this is to continue moving the project forward. Cook continued to share that the design and specifications and has come to almost the estimated bid amount for the project in the budget. Cook further shared that it is recommended to put out advertisement for bids and see what contractors come in at.

Motion by Lundeen. Second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: March 4, 2020
Subject: Development and Business Subsidy Agreement for BP Metals

---

Background:
On February 18, 2020 the EDA entered into a purchase agreement with BP Metals for the sale of EDA land located at 825 East Dual Blvd. The subject site is one of the EDA's Shovel Ready industrial lots. The sale is for $1 and therefore triggers a business subsidy agreement. The agreement for consideration is a combination development agreement and business subsidy agreement.

The 2017 land appraisal indicates the subject site is worth $210,000. It has always been advertised for $1 and the City has held this land for future development. A key decision on the sale was the user and the job growth they are brining to the city. When BP Metals opens, they will start with 20 employees, these are new jobs within the city of Isanti, and they have plans for expansion that could result in up-to 40 jobs. BP metals has been in operation since 2000 and have outgrown their space in the City of Blaine, the owner is a long-time resident of Isanti and is looking forward to moving his business to town.

Request:
Consideration of the Development and Business Subsidy agreement for BP Metals.

Attachments:
- Development and Business Subsidy Agreement

CITY OF ISANTI

DEVELOPMENT AND SUBSIDYAGREEMENT FOR BP METALS, INC.

This Agreement (hereinafter the "Agreement") is dated as of this _____ day of _____, 2020 and is by and between the **City of Isanti**, a Minnesota municipal corporation (the "**City**") and **BP Metals, Inc.**, a corporation under the laws of Minnesota (the "**Developer**").

1. Subject Property. Developer is, or will be, the owner of the Subject Property legally described as Lot 1, Block 1, Isanti Centennial Complex 6th Rearrangement, County of Isanti, State of Minnesota, PID Number 16.137.0010, located at 825 Dual Blvd. N.E., Isanti, MN 55040. Sale of the Subject Property by the City to Developer at a price below market value is the subsidy contemplated by this Agreement.

2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:

   a. The Developer's Execution of this Agreement. That the Developer enter into this Agreement.

   b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property.

   c. Proof of Authority. That the Developer provide proof that the respective governing boards of the Developer have authorized the Developer's execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board of each entity which grants such authority.

   d. Site Plan. That Developer's site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.

Draft

3. The Plans. The term "Plans" as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review; (b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

a. Sanitary sewer
b. Water
c. Storm drainage facilities
d. Stormwater maintenance
e. Parking lot
f. Concrete curb and gutter
g. Lot grading
h. Landscaping

5. Financial Guaranty for Required Private Improvements. The Developer shall provide a financial guarantee to the City guaranteeing the construction of the Required Private Improvements, and their timely completion. The Developer shall be responsible for a financial guarantee in the amount of **($_____.00),** which amount is 125% of the City Engineer's estimated cost of the Required Private Improvements. Upon completion of Improvements (including the removal of "temporary" erosion control measures as identified in the approved Grading Plan), acceptance by the City, supported by appropriate lien waivers, The Developer may request a reduction in the amount of the financial guarantee.

6. Inspection Fees for the Required Private Improvements. The Developer shall provide an inspection fee to the City to inspect the Required Private Improvements. The Developer shall be responsible for an inspection fee in the amount of **($_____.00)**, which amount is 5% of the City Engineer's estimated cost of the Required Private Improvements. The inspection fee must be in the form of a cash escrow. The Developer may request a refund of the remaining balance in the escrow upon completion of the Required Private Improvements, acceptance by the City.

7. Maintenance Guarantee for Landscaping. It is herein agreed that the Developer shall provide the City a maintenance guarantee to ensure the survival of the plantings. Said maintenance guarantee shall consist of cash or a Letter of Credit, approved as to form by the City, in the amount of $_____ [# plantings (XX trees) x cost/planting ($300/tree x 30% average non-survival rate, (XX shrubs) x cost/planting $75/shrub x 30% average non-survival rate], which shall be in effect for a two-year period commencing on the date of the City's acceptance of said plantings as part of the Required Private Improvements.

draft

At the end of the two-year period, the maintenance guarantee shall be returned to the Developer. The determination that all plantings that have been planted in accordance with the Site Plan have either survived or have been replaced shall be made by the City. In the event the Developer fails to maintain the required plantings for a two-year period, the City Council may order the replacement of plantings with City day labor and/or by letting contracts and draw upon the escrow for payment. Only the City Council shall have the authority to direct replacement of the plantings and withdraw from the escrow account. The Developer hereby grants permission and a license to the City and/or its contractors and assigns to enter upon the Site for the purpose of replacing plantings in the event of the Developer's default.

8. Payment of Development Fees. The Developer must pay to the City the fees described on Exhibit A which may include, but are not limited to, Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees.

9. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

   a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with Minnesota Statutes Section 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and

draft

procedural objections or defenses the Developer may have to such special assessments;

b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;

c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and

d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

10. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. Pursuant to the City's appraisal, the Subject Property is valued at $210,000. The City sold the Subject Property to Developer for $1. The value of the subsidy is the difference between the appraisal value and the purchase price.

b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

c. Subsidy Goals. Developer shall create a minimum of 20 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.

d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.

draft

e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.

11. Miscellaneous.

a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by a resolution of the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

c. Compliance with Laws and Regulations. The Developer represents to the City that the Plat complies with all City, County, State, and Federal laws and regulations, including but not limited to: subdivision ordinances, zoning ordinances and environmental regulations. If the City determines that the site plan does not comply, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.

d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.

e. Boulevard and Wetland Restoration. The Developer shall be responsible for the cost of establishing seed in all boulevards within 30 days of the completion of the street improvements, and restoring all other areas disturbed by the development grading operation in accordance with the approved Grading and Erosion Control plan. The Developer shall be responsible for the cost of cleaning any soil, earth, or debris from the wetlands within and adjacent to this Plat resulting from grading performed in the development of the Plat.

f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.

draft

g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to Stage I, Stage II, and Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

i. Plat Approval Expenses. Not applicable.

j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.

k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City'S Building Official, which authorizes the structure to be used for its intended purposes.

l. Notices. Required notices shall be in writing, and shall be either hand delivered to the Parties, its employees or agents, or mailed to them by certified or registered mail at the following address:

MEMORANDUM

Date: February 26, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation
Public Hearing & Project Authorization
City of Isanti, MN
Project No.: R13.120122

An Informational Open House was conducted on February 25th, 2020. Nine individuals representing Six properties attended. There is a total of 27 properties on the assessment roll. The majority of attendees agreed the roadway was in need of repair and that a sidewalk would be beneficial. Two property owners stated they felt the proposed assessments were fair.

Following the Public Hearing input, should you decide to proceed with the project, a resolution ordering the improvement has been included in the Council packet.

Following is a schedule for the project:

1) March 4, 2020 – Hold Public Hearing, Mayor and City Council order the improvements
2) March 17, 2020 – Mayor and City Council reviews and approves final plans and orders advertisement of bids
3) April, 2020 – Open bids
4) April, 2020 – Mayor and City Council awards bid
5) June 2020 – Commence construction
6) November, 2020 – Substantial construction completion
7) November, 2020 – Conduct final assessment hearing

I will be at the March 4, 2020 Council meeting to provide a condensed presentation on the project and assist with questions during the Public Hearing. Please contact me with any questions or comments.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

AUTHORIZING IMPROVEMENT ON THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution 2020-021 of the City Council adopted February 4, 2020, fixed a date for a council hearing on the improvement of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. The improvement shall consist of street reconstruction, sidewalk construction, and the installation of watermain; and,

WHEREAS, ten days' mailed notice and two weeks' published notice of the hearing was given, and the hearing was held thereon on the 4th day of March, 2020, at which all persons desiring to be heard were given an opportunity to be heard thereon;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota as follows:

1. Such improvement is necessary, cost-effective, and feasible as detailed in the feasibility report.

2. Such improvement is hereby ordered as proposed.

This resolution was duly adopted by the Isanti City Council this 4th day of March 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Katie Brooks, Human Resources/City Clerk
Date: March 4, 2020
Subject: Amending ORD 720, City Code Chapter 425, Peddlers, Solicitors, Transient Merchants and Mobile Food Units

Background:

At the February 18, 2020 City Council meeting staff was directed to add a subsection to clarify intent of the ordinance 720. This section exempts certain organizations from needing an application and approval from the City for peddlers, solicitors and transient merchants for tax-exempt and non-profits. Below is the added subsection that has been posted for 10 days as required by state statute.

§ 245-3. Exceptions.

9. *Disseminating religious, political, social or ideological beliefs, including pamphleteering and canvassing for non-commercial purposes, or soliciting for, or selling, merchandise on behalf of a tax-exempt and non-profit organizations.*

Request:
Staff is requesting approval on this item.

Attachments:
ORD 2020-XXX

ORDINANCE NO. XXX

ORDINANCE AMENDING 720, CITY CODE CHAPTER 425, PEDDLERS, SOLICITORS, TRANSIENT MERCHANTS, AND MOBILE FOOD UNITS

The City Council of the City of Isanti, Minnesota ordains:

- **Section 1 – Repealer.** Ordinance No. 485, titled "Peddlers, Solicitors and Transient Merchants", codified in Chapter 245 of the City Code, is hereby repealed in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 245 is hereby adopted:

Chapter 245

Peddlers, Solicitors, Transient Merchants and Mobile Food Units

245-1. Definitions
245-2. License Required
245-3. Exceptions.
245-4. Ineligible People.
245-5. Application.
245-6. Photographs.
245-7. Fees, Duration.
245-8. Investigation, Issuance, Denial.
245-9. Standards of Conduct.
245-10. Mobile Food Units.
245-11. Exclusion by Placard.
245-12. Special Events.
245-13. Suspension; Revocation.
245-14. Penalty, Enforcement.

§ 245-1. Definitions.

Unless the context clearly indicates otherwise, the words below are defined for the purpose of this section as follows:

1. "Non-commercial door-to-door advocate" is a person who goes door-to-door for the primary purpose of disseminating religious, political, social or other ideological beliefs. For the purpose of this chapter, the term door-to-door advocate shall fall under the term solicitor and include door-to-door canvassing and pamphleteering and is intended for non-commercial purposes.
2. "Peddler" includes a person who goes from place-to-place exhibiting merchandise for sale, making sales, and delivering articles to purchasers.
3. "Transient Merchant" – A person who temporarily sets up business out of a vehicle, trailer, tent or other portable shelter or empty storefront in a commercial district where retail sales are a permitted or conditional use for the purpose of exposing or displaying for sale, selling or attempting to sell and delivering goods, wares, products, merchandise or other personal property and who does not remain or intend to remain in any location for more than 14 consecutive days.
4. "Solicitor" includes a person who goes from place-to-place soliciting orders for the sale of merchandise or personal services for future delivery or future performance, whether or not the person has a sample of the merchandise or is collecting advance payments for the orders. The word also includes activity that has as its ultimate purpose the obtaining of orders even though it may not initially purport to do so. For the purposes of this chapter, the term solicitor shall have the same meaning as the term canvasser.
5. "Regulated activity" means the activity of a peddler, transient merchant, solicitor or mobile food unit as defined in this chapter. The term only includes activities that involve the sale of a product or service. It does not include activities that involve only statements of opinion or belief or that request only a donation.
5. "Licensee" means an individual, partnership, corporation or association licensed within the city under this section and includes a person who is or will be conducting the regulated activity on behalf of the licensee.
6. "Person" means a natural person, a firm, partnership, corporation, any other association of people, and includes the manager or agent of that person or organization.

7. "Occupant" means a person living, staying, or working at a residence, including a guest.
8. "Mobile Food Unit" means a food and beverage service establishment that is a vehicle mounted unit or free-standing food stand.

§ 245-2. License Required.

A person engaging in a regulated activity within the city must first obtain a license from the City Clerk or designee.

§ 245-3. Exceptions.

A person engaging in the following activities is not required to obtain a license and an identification card from the city:

1. Selling personal property at garage sales, rummage sales, or estate sales. This includes persons participating in an organized multi-person bazaar or flea market.
2. Selling newspapers, newsletters, or other similar publications on an established customer delivery route, when attempting to establish a regular delivery route, or when publications are delivered to the community at large.
3. Selling products of the farm or garden grown or raised by the seller, including meat, but such activities must comply with applicable health regulations.
4. Selling at an auction conducted by a licensed auctioneer, or any officers of the court conducting a court ordered sale.
5. Calling upon residents in connection with a regular route service for the sale and delivery of perishable food and dairy products. This includes initial contacts to establish a customer delivery route. This exception does not relieve that person of the duty to comply with other applicable city requirements.
6. Sales or offers for sales by peddlers or solicitors who appear at the customer's home or place of business by an appointment which was made prior to such appearance are exempt from the provisions of this chapter.
7. Non-commercial door-to-door advocates. No license or registration shall be required of any person going from house to house, door to door, business to business, street to street or any other type of place-to-place when the activity is for the purpose of exercising that person's state or federal Constitutional rights, such as the freedom of speech, press, religion and the like, except that this exemption does not apply if the person's exercise of Constitutional rights is merely incidental to a commercial activity.
8. Any person selling or attempting to sell at wholesale any goods, wares, products, merchandise, or other personal property to a commercial retail seller of the items be sold by the wholesaler.
9. Disseminating religious, political, social or ideological beliefs, including pamphleteering and canvassing for non-commercial purposes, or soliciting for, or selling, merchandise on behalf of a tax-exempt and non-profit organizations.

§ 245-4. Ineligible People.

The following people are not eligible for a license and from the city:

1. A person whose license for a regulated activity was revoked by the city or another governmental body within three years before the application date;
2. A person who has been denied a license for regulated activity by the city or another governmental body because of circumstances that occurred within three years before the application date;
3. A person who has violated, or whose representative has violated, a provision of this section within three years before the application date, or who violates a provision of this section during the application period pending issuance of the license;

4. A person who has been convicted within three years before the application date of a crime that adversely reflects on the person's ability to honestly, safely, or lawfully conduct the regulated activities, unless the individual can show sufficient evidence of rehabilitation as defined in Minn. Stat. § 364.03, subd. 3, as it may be amended from time to time; or
5. A person who has falsified information, or omitted material information, required by this section.
6. A person who produces documentation of identification that is torn, pasted, peeled, or otherwise damaged or altered.

§ 245-5. Application.

Application for a license must be made at least ten working days before the regulated activity is proposed to begin and must include an accurate, sworn statement in writing, on a form furnished by the city, that gives the information listed below and includes the required supporting documentation:

1. Full legal name and physical description of the applicant;
2. Complete home and local address of the applicant;
3. A brief description of the proposed activity, its location, and the merchandise or service involved;
4. The dates and hours of the day during which the activity will be conducted;
5. Name, address, and phone number of the person on whose behalf the orders are solicited, together with credentials establishing the applicant's relationship to the person;
6. The source of supply of merchandise proposed to be sold, where the goods are located at the time the application is filed and the proposed method of delivery;
7. Whether or not the applicant has been convicted of any crime other than petty traffic violations, the nature, time and location of the offense and the punishment or penalty imposed;
8. The last cities or other localities, not exceeding five, where the applicant conducted the proposed activity immediately preceding the date of the application and where within those areas the activity took place;
9. Make, model, year, color, and state license number of each motor vehicle to be used in connection with the proposed activity;
10. Social security number, date of birth, and drivers license or state or tribal identification card number;
11. Passport information and visa status if the applicant is not a United States Citizen;
12. The name, address and phone number of the person or company employing the individual, if different from the information in sub-paragraph 5 above; and
13. A copy of all documents to be used by the applicant in the regulated activity.
14. Phone number(s) for the applicant;
15. All names of employees or multiple persons under one license.
16. Mobile Food Unit Additional Requirements

    a. Valid copies of all necessary licenses or permits required by the state or county.

    b. Pictures of mobile food unit vehicle and a site plan showing location of vehicle on the property. Plans and specifications for non-vehicular mobile food stand or unit and a site plan showing the proposed of stand or unit on the property.

c. A copy of the written permission from the property owner or property owner's agent where the mobile food vendor will be conducting business.

d. A list of other communities or locations where the applicant has been a mobile food vendor.

§ 245-6. Photographs.

Each individual who will be conducting the regulated activity on behalf of the partnership or organizational applicant (including the applicant) must submit two copies of a recent photograph, showing the head and shoulders of the person in a clear and distinguishable manner. An application is not complete until the required photographs are supplied.

§ 245-7. Fees, Duration.

The application must be accompanied by the required license fees specified in the city fee schedule, which may be amended from time to time by action of the City Council. A license is valid only for the time periods in the calendar year in which it is issued. No fees are required of individuals taking orders for the shipment of goods through interstate commerce.

§ 245-8. Investigation, Issuance, Denial.

1. Within five working days after a complete application is submitted, the Police Department will conduct an investigation regarding the information provided in the application and the eligibility for a license. The City Clerk will issue a license only to eligible people. The license shall bear the name of the applicant; and in the case of additional employees or multiple persons, a copy of the license shall be issued that bears their name and photograph. That copy shall correspond to the copy of record retained by the City. Any alteration of that license and/or photograph invalidates the license.
2. The City Clerk may not issue a license if there are circumstances indicating that the intended recipient may not honestly, lawfully, and safely conduct the proposed regulated activity. The City Clerk must notify an applicant in writing of a denial of a license, specifying the reasons. The applicant may appeal the denial by submitting to the City Clerk a written request within ten days after the denial asking to address the City Council. The City Council may refer the matter to an independent hearing officer or may consider the appeal itself. The City Council or hearing officer may deny a license and/or identification card when they believe such action will protect the public health, safety, or welfare.

§ 245-9. Standards of Conduct.

1. Except for those people specified in section 245-4, a person may conduct regulated activity in the city only if they carry a license with attached photograph identifying the person has been issued a license and it has not been revoked, suspended, or impounded. The license and attached photograph must be shown upon request.
2. A licensee must not transfer its license to another person. A license that has the photograph removed is invalid. Use of that invalid license is a violation of this chapter.
3. A person must not use a license issued to someone other than that person.
4. A person conducting regulated activity must not go onto private property for that purpose when there are signs prominently posted indicating that trespassing and/or solicitation is unwelcome or prohibited.
5. A person must not be on a street, highway, or adjacent boulevard and direct regulated activity toward the occupants of any motor vehicle in transit and must not obstruct the free flow of vehicular or pedestrian traffic on any public street, sidewalk, or other public right-of-way.
6. A person must not conduct regulated activity in a manner that creates a health or safety hazard. No person shall call attention to their business or items to be sold by means of blowing a horn, whistle, bell, or crying out or by any other noise, so as to be unreasonably audible within an enclosed structure.

7. A person must conduct regulated activity in a reasonably courteous manner at all times, must not engage in offensive, obscene, or abusive language, must not push open a door not opened by an occupant, must not place any portion of the person's body through an opened doorway without the invitation of an occupant, and must not physically attempt to stop an occupant from closing a door.
8. A licensee must immediately leave private property when requested to do so by an occupant or owner and must leave immediately upon completion of a transaction or an unsuccessful attempt to contact an occupant.
9. A licensee entering onto residential property must go directly to a door of the house, unless there is an adult present outside of the house or in an open garage. At no time may a licensee go to a window or to the back yard, unless invited to do so by the occupant.
10. A person conducting regulated activity must not make untrue statements to the people contacted regarding the purpose of the contact, orders placed by the neighbors, or the goods and services offered.
11. A licensee must not make statements to the people contacted indicating or implying that the city license constitutes an endorsement of their activities or products by the city.
12. While conducting regulated activity, a licensee must not be accompanied by a person who is not licensed or is not listed in the license application.
13. No person shall conduct business in residential zoned areas before 10:00 a.m. or after 7:00 p.m.

§ 245-10. Mobile Food Units.

1. State License. Mobile food units shall hold a valid license from the State of Minnesota Department of Health or Department of Agriculture. A license is valid for one vehicle or stand. Any conditions of the State Health Department shall be incorporated into the license issued under this Section. A copy of the license shall be submitted to the City.

2. Insurance. A certificate of insurance evidencing the following forms of insurance. The certificate shall be submitted to the City:

a. Commercial general liability insurance, including products and completed operations coverage, with a limit not less than one million dollars ($1,000,000) for each occurrence / two million dollars ($2,000,000) aggregate.

b. Automobile liability insurance with a limit not less than one million dollars

($1,000,000) combined single limit.

c. The City of Isanti shall be named as an additional insured and provided with a certificate of insurance.

d. A signed statement that the licensee shall defend and indemnify the City, its officers and employees for any claims for damage to property or injury to persons which may be occasioned by any activity carried on under the terms of the license.

3. Duration of sales and unit standards. A license shall be valid for one year. The license is valid for one vehicle or stand only. The mobile food unit can operate in the same location for a time period not to exceed 6 months. The unit, stand or vehicle must not have rust, peeling paint, dents and must be maintained in a professional manner. The vehicle or stand must be approved for aesthetics by the City. The license must be displayed in plain view on the vehicle/stand.

4. Overnight storage. No overnight storage of a mobile food truck on city property, including public rights of way, shall be permitted.

5. Signs. No mobile food unit shall use exterior signage (unless issued a temporary sign permit), flags, feathers, banners, bollards, or any other equipment not contained on or within the vehicle or stand.

6. Noise and Lighting. No shouting, blowing a horn, ringing a bell, or use of any sound devices upon any streets, alleys, parks, or other public places of the city or upon any private premises in the city. No vendor shall use or maintain any outside amplifying equipment, televisions, or similar entertainment devices. Lighting will be downcast, concealing light source from view, and must not spill onto adjacent properties and right of ways. Ice cream trucks traveling through a

residential district may have outdoor music or noise-making devices to announce their presence.

7. Parking. Mobile food trucks must be located on a paved surface. A mobile food unit may not operate in a traffic lane, on a sidewalk, or in any location which causes an obstruction of traffic, such as queuing of patrons or advancement of vehicles. A pedestrian walkway of 6 feet must be maintained on the service side of the vehicle.

8. Hours of operation. Hours of operation shall be allowed from 8:00 a.m. to 10:00 p.m. In the case of an event authorized under a special event permit, the hours will match the time period indicated in the permit.

9. Waste disposal. Mobile food units shall provide waste disposal, clean up all litter and garbage generated by this use and maintain their site in a clean and hazard free condition. All waste liquids shall be kept in leak proof, nonabsorbent containers which shall be kept covered with tight fitting lids and properly disposed of. No waste liquids, garbage, litter or refuse shall be dumped or drained into the sidewalks, streets, gutters, drains or public trash receptacles. The licensee shall be responsible for all litter and garbage left by customers.

10. Self-containment. Mobile units can't connect to public utilities unless on private property through agreement with the property owner. No power, cable or equipment shall be extended at any grade across any city street, alley, or sidewalk. Any generators must be self-contained and any noise created by their operation shall not cause a public nuisance, as per Chapter 216, Nuisances.

11. Inspections, Mobile units shall comply with all applicable Fire Codes and may be inspected by the City prior to operation.

12. Locations. Mobile food units shall only be allowed to operate on private property in zoning districts where retail sales are allowed as permitted or conditional uses under the City's zoning codes. Mobile food units may be allowed in public rights of way, residential or park zoning districts in conjunction with an approved special event permit.

13. The mobile food vendor shall not set-up in a manner so to create a traffic hazard and follow police orders. The mobile food unit shall not have a drive through. Ingress and egress to private property shall be through existing driveways only.

14. Mobile food units providing external seating must not block any sidewalk or driveway area or occupy any required parking spaces.

15. Ice cream novelty trucks are allowed to operate within the public right of way in residential districts.

16. Mobile food units are prohibited from vending activities within 150 feet of a food service building or within 500 feet of a community event, unless part of the sponsor license and/or special event permit for the event.

17. No mobile food unit shall sell alcoholic beverages.

18. Mobile food unit vendors shall maintain a fire extinguisher at all times.

19. Mobile food vendors shall maintain their immediate sales location in a clean and hazard free condition.

20. The mobile food vendor shall not operate in such a manner so as to constitute a public nuisance.

§ 245-11. Exclusion by Placard.

No peddler, solicitor or transient merchant, unless invited to do so by the property owner or tenant, shall enter the property of another for the purpose of conducting business when the property is marked with a sign or placard at lease four inches long by four inches wide with print of at least 48 point in size stating "No Peddlers, Solicitors, or Transient Merchants" or "Peddlers, Solicitors and Transient Merchants Prohibited" or other comparable statement. No person other than the property owner or tenant shall remove, deface or otherwise tamper with any sign or placard under this section.

§ 245-12. Special Events.

The following standards shall apply to all events that are authorized by a special event permit.

1. It is not necessary for each transient merchant or mobile food unit to obtain a license under this chapter provided

that the sponsor, promoter or organizer of the event obtains a permit and maintains a list of all participants and assumes responsibility for their activities and conduct.

2. The sponsor, promoter or organizer of the event may designate where peddlers and transient merchants and mobile food unit set up their booths, sales stands or vehicles.

§ 245-13. Suspension; Revocation.

1. The city may suspend or revoke an identification card and/or license, if the person who is the acting on behalf of the licensee, or the licensee has:
   a. Violated a provision of this section, or other local laws governing the same activity, during the license period;
   b. Violated a criminal law during the license period that adversely reflects on the ability to honestly, safely, or lawfully conduct the regulated activity; or
   c. Submitted false information or omitted material information in the licensing process required by this section.
2. If a license is revoked or suspended, all licenses issued to people acting on behalf of the licensee are automatically revoked or suspended.

§ 245-14. Penalty, Enforcement.

1. The Chief of Police, and their designees are authorized to enforce this ordinance. They may impound a license when a person has been found violating a provision of this chapter, when cause exists for suspending or revoking the license, or when the license has been suspended or revoked. When impounding a license, the official must send a notice to the licensee and at the address on the application form, giving the parties ten days to submit a written request for a hearing before the city council. Failure to timely request an appeal constitutes a waiver of that appeal and results in an automatic suspension of the license or card for three years.
2. Any person violating any provision of this chapter shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a maximum fine of $1,000 or a term of imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date. This ordinance becomes effective on the date of its publication in the city's official newspaper.

Adopted by the City Council this 4 day of March 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: March 4, 2020
Subject: Resolution Adopting Policy to Waive Specified Fees for Qualified Non-Profit and Tax-Exempt Organizations in the City of Isanti

---

At the February 18, 2020 City Council meeting, Council made it clear to amend Chapter 245 Peddlers, Solicitors and Transient Merchants to include an exemption for non-profit and tax-exempt organizations from needing to apply or pay the permit fee. It was also expressed that non-profits and tax-exempt organizations shall not pay an Administrative Permit. A permit would still need to be filed with the City.

Application and related fees per the Fee Schedule will apply for all other permits and facilities not defined within the attached Resolution unless exempted by the applicable Ordinance.

Action Required:
If the Council concurs to allow Staff to waive the permit application for Administrative Permits upon receipt with proof of qualified status, it should by motion, approve the Resolution as written.

Attachment:
- Resolution 2020-XXX

RESOLUTION 2020-XXX

ADOPTING POLICY TO WAIVE SPECIFIED FEES FOR QUALIFIED NON-PROFIT AND TAX-EXEMPT ORGANIZATIONS IN THE CITY OF ISANTI

WHEREAS, the City Council supports the efforts by qualified non-profit and tax exempt organizations that educate and enhance the lives of the youth and young adults of the City of Isanti; and,

WHEREAS, the City charges fees for permits to defray administrative and operational costs; and,

WHEREAS, the City Council desires to assist with the efforts of qualified non-profit and tax exempt organizations with such programs that benefit the citizens of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to waive the following fee for a specified permit, with said process and steps that are hereby listed below and made a part of this resolution.

1. City staff are authorized to waive the following permit fee:

    a. Administrative Permit

2. A qualified non-profit and tax exempt organization serving youth and young adults in the City of Isanti shall submit proof of non-profit and/or tax exempt status for waiver of the permit fee as specified in paragraph 1 to the City Administrator or their designee.

3. The organization must also submit any other permit application as required by the City. Timelines for submission of proof of non profit and/or tax exempt status as outlined in paragraph 2 shall follow the same timeline as required for the processing of a permit.

This resolution was duly adopted by the Isanti City Council this 4th day of March, 2020.

APPROVING PAWNSHOP LICENSE TO NORTHERN PAWN, INC.

WHEREAS, the City has received an application for renewal of a Pawnshop License from Joe Niles, Northern Pawn, Inc. for the operation of a pawnshop at 303 Credit Union Drive Suite 9; and,

WHEREAS, all City fees are current and the required license fee and bond have been received; and,

WHEREAS, all taxes assessments against the property are current; and,

WHEREAS, the Isanti Police Department has conducted a background check on the applicant for the pawnshop license and found no reason to deny the renewal of the license; and,

WHEREAS, the City has not received any information to preclude the issuance of the pawnshop license to the applicant;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. That the City hereby authorizes the issuance of a Pawnshop License to Joe Niles, Northern Pawn, Inc. to operate a pawnshop at 303 Credit Union Drive, Suite 9, Isanti MN 55040 for a license period from April 1, 2020 to March 31, 2021.
2. The transaction fee shall be subject to the current fee that is set by the City Council within the Fee Schedule.
3. The license shall be subject to all conditions as provided within City Code Chapter 233.
4. That the Mayor and City Clerk are hereby authorized to sign all required documents to provide for the issuance of the pawnshop license.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: March 4, 2020
Subject: Resolution 2020-XXX granting an extension to the recording of final plat Legacy Pines 2nd Addition

---

Background:
On November 5, 2019 the City Council approved the development agreement and final plans for Legacy Pines 2nd Addition. This document along with the plat are required to be recorded before any development can begin.

According to City Code, Final Plats are to be recorded within 90 days of approval, in this case that deadline is March 6, 2020. The developer, Jason Bebeau, Everpine Land Holdings, is requesting and extension of 60-days to record the plat. He is requesting the extension stating that early winter conditions affected the timing to record the plat.

With a winter approval it is common for developers to wait to record their documents, if they can't prep the site it doesn't make sense for them to pay their development fees and let it sit over winter. The extension if granted will for May 6, 2020. If the extension is granted the 2019 fees as shown in the approved development agreement will apply. If the extension is not granted then the fees should be revised to 2020 fee schedule and the development agreement will need to be amended. Staff can support the extension but recommends that if it is not filed by this deadline he will need to reapply and all fees are updated per the 2020 fee schedule.

Request:
Consider resolution to extend the recording of the plat for 60-days.

- Resolution of approval 2019-289

RESOLUTION 2020-XXX

APPROVING THE EXTENSION OF RECORDING OF THE FINAL PLAT FOR LEGACY PINES 2ND ADDITION

WHEREAS, Odyssey Homes, Inc. has an approved final plat known as Legacy Pines 2nd Addition consisting of 33 residential lots; and,

WHEREAS, a Development Agreement for Legacy Pines 2nd Addition has been approved by the City Council of the City of Isanti; and,

WHEREAS, Subdivision Ordinance 536, Article 6, Subdivision 1 (I) requires all plats shall be recorded with the County Recorder's Office within ninety days after the date of approval;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves the extension for 60-days to record the plat.

This Resolution hereby approved by the City Council of the City of Isanti this 4th day of March, 2020.

Ms. Sheila Sellman
Community Development Director
City of Isanti
110 1st Avenue NW
Isanti, MN 55040

RE: Legacy Pines 2nd Addition
Request for Extension

Dear Sheila:

I am writing this to request an extension on the time to file the plat for Legacy Pines 2nd Addition.

Given the timing of the City Approvals last Fall along with the early onset of Winter, we were not able to get the plat recorded as we would of liked. I am requesting a 60-day extension from the City in order for us to get this accomplished.

I thank you and the City Council in advance for your consideration and assistance with this project.

Sincerely,

Jason Bebeau
Everpine Land Holdings

RESOLUTION 2019-289

APPROVING THE DEVELOPMENT AGREEMENT FOR LEGACY PINES 2ND ADDITION

WHEREAS, Odyssey Homes, Inc. has an approved final plat known as Legacy Pines 2nd Addition consisting of 33 residential lots; and,

WHEREAS, a Development Agreement for Legacy Pines 2nd Addition has been prepared and reviewed by the Developer and is ready for consideration by the City Council of the City of Isanti;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves this Resolution with the following conditions:

1) A Letter of Credit in an amount approved by the City Engineer and in form approved by the City Attorney is submitted to the City.

2) Prior to the signing of the development agreement any outstanding escrows, fees and/or financial guarantees, as stated within the development agreement, shall be established and/or paid.

IT IS FINALLY RESOLVED, that the City Council of the City of Isanti, Minnesota hereby direct the Mayor and City staff to execute said development agreement.

This Resolution hereby approved by the City Council of the City of Isanti this 5th day of November, 2019.

Memo for Council Action

To: **Mayor Johnson and Members of City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: March 4, 2020
Subject: Resolution 2020-XXX Amending the Lease Agreement with Rum River BMX - Special Event Paid Parking Agreement

---

Background:
On request by RRBMX, amending the terms was discussed at the COW meeting on April 16th, 2019 to allow for fees to be collected on additional lots and for the City to assist RRBMX in securing National events. RRBMX also requested to have the city "loan" $8,000 in order for RRBMX to secure a National event. Staff had the city attorney review the "loan" request. The city attorney has informed us that there is no legal basis for granting such a loan. Staff has included a new draft for the agreement, which includes a 50/50 split in parking revenue fees.

Recommendation: Staff is recommending that the parking fee revenue be split with RRBMX 50/50 for Tier 2 events. Tier 1 events to be split at 50/50 after the initial $8,000 is met in parking fee revenue.

Request:
Staff is requesting action on this item.

Attachment:

- Draft Amended Exhibit G – Special Event Paid Parking Agreement and Map

RESOLUTION 2020-XXX

AMENDING THE LEASE AGREEMENT WITH RUM RIVER BMX ASSOCIATION EXHIBIT G – SPECIAL EVENT PAID PARKING AGREEMENT

WHEREAS, the Tenant, Rum River BMX Association (RRBMX) and the City of Isanti desire to modify the Lease Agreement to include an update to Exhibit G - Special Event Paid Parking Agreement; and,

WHEREAS, city staff updated the Special Event Paid Parking Agreement to address use of additional parking areas, which includes the south gravel soccer complex parking lot North off of Isanti Parkway NW next to the Public Works complex, and the south paved parking lot of Bluebird park; and,

WHEREAS, the City of Isanti will invoice RRBMX following an event for 50% of the revenue of all tickets not returned on Tier 2 events; and,

WHEREAS, the City of Isanti will invoice RRBMX following an event for 50% of the revenue of all tickets not returned on Tier 1 events, after the initial $8,000 has been met; and,

WHEREAS, the Lease Agreement in its entirety with Exhibit G shall supersede all previous versions,

NOW, THEREFORE, IT IS HEREBY SUPERCEDES RESOLUTION by the City Council of the City of Isanti, Minnesota to approve the amendment to the Rum River BMX Lease Agreement, Exhibit G – Special Event Paid Parking Agreement as attached as 'Appendix I".

EXHIBIT G
Special Event Paid Parking Agreement

Intent
It is the intent of this Special Event Paid Parking Agreement for the City of Isanti and the Rum River BMX Association to establish an understanding of both the City's and the Association's respective responsibilities with regards to use of the overflow parking space at the Isanti Indoor Arena (IIA) and the surrounding area (see Map 1), including associated parking fees. This agreement may be amended from time to time by agreement of both parties, and may be terminated at anytime with or without cause by not less than 6 months written notice to the other party. So long as this agreement is in place it shall be reviewed every two (2) years, the start date of which is August 1, 2018. The City of Isanti shall make its best efforts to notify the Rum River BMX Association whenever this policy is discussed in the future.

Purpose
The purpose of this Special Event Paid Parking agreement is to ensure that the City of Isanti does not incur costs associated with maintenance of the affected property due to uses beyond those normally associated with public open spaces. The types of events that are taking place at Isanti Indoor Arena (IIA) will be categorized as Tier 1 or Tier 2. Tier 1 events will be National or Gold Cup series events. Tier 2 events will be District or State series events. The category must be included on the Special Event Permit Application. It shall be noted that all other Special Event parking must take place on designated/approved areas. Rum River BMX Association may be permitted to use parking lot A for team canopies and event activities other than parking during Tier 1 events, as long as this use is clearly indicated in the Special Event Permit application.

Description of Open Space and Parking Lots
The use of the open space and parking lots, hereafter referred to as "Overflow Parking,"
Parking Lot A: paved parking lot west of and adjacent to the IIA building
Parking Lot B: small paved parking lot on north end of Bluebird park to the east of 1st Ave NW
Parking lot C: grassy area south of IIA (101 Isanti Parkway NW, Isanti, MN 55040) in Bluebird Park (201 Isanti Parkway NW, Isanti, MN 55040) from the paved trail south of the parking lot south to 1st Avenue NW, and from the tree line east to the storm pond;
Parking Lot D: gravel parking lot on the south end of the Cambridge-Isanti soccer complex,(north of Isanti Parkway NW)
Parking Lot E: south paved parking lot in the south end of Bluebird Park to the east of 1st Ave NW

A map of the Overflow Parking areas is attached to this agreement as Map 1.

Use of Overflow Parking
Parking in the overflow parking areas shall only be permitted through the filing and approval of a Special Event Permit application by Rum River BMX Association to the City of Isanti. Written approval from the Cambridge-Isanti Soccer Club must be included in the permit application for use of parking lot D. Such application is required no later than thirty (30) days prior to the event start date. Passenger vehicles may be parked in all the designated overflow parking areas for the duration of an event. Recreation Vehicles (RVs) may only be parked in parking lot C for the duration of an event, including overnight camping, as long as such use is requested in the Special Event Permit application.

Overflow Parking Fees
In such instances when overflow parking has been granted, Rum River BMX Association will be responsible for collecting user fees, the amounts of which will be identified within the Special Event Permit application. Parking lots C, D and E are granted paid parking permission for Tier 1 events. Parking lot C is granted paid parking permission for Tier 2 events.

An RV fee will be assessed to a truck and trailer or self-propelled recreational vehicle; the parking permit of which will remain with the "engine." Recreational towed vehicles will be assessed the same fee as a car or truck. There will be no fees charged for cargo trailers. Car and/or tent camping will be allowed and vehicles will be assessed the car/truck fee. RV parking/camping will only be allowed in parking lot C for any type of event.

The City of Isanti will receive a percentage of parking revenue and Rum River BMX Association will receive a percentage of parking revenue based on events type (Tier 1 or Tier 2). These percentages will be based upon events that are occurring at the IIA. The breakdown for the revenue generated from parking fees will be divided up as follows:

- Tier 1 events will include a split of 50% to the City of Isanti and 50% to the Rum River BMX. (includes parking lots: C, D and E)
    - When a national event is secured by RRBMX, 100% of the parking fee revenue will go to RRBMX until $8,000 is met and then the parking fee revenue will be split 50/50
- Tier 2 events will include a split of 50% to the City of Isanti and 50% to the Rum River BMX. (includes parking lot: B and C)

The City of Isanti will issue numbered parking passes to the Rum River BMX Association prior to approved events. Parking passes must be displayed on paid vehicle dashes. Rum River BMX will be responsible for returning all unused passes, and will be invoiced for 75% or 50% of the revenue for all passes not returned, depending of event type. Passes must be returned to the City of Isanti within ten (10) businesses days after the end of each event. The City of Isanti will invoice the Rum River BMX Association within thirty (30) days of receipt of the returned parking passes.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: March 4th 2020
Subject: 2020 Budget Amendment

Background:
Per discussion and the recommendation of the Committee of the Whole from the February 18th 2020, the attached resolution would authorize Finance Director Betker to amend the budget to transfer $82,026 from Fund 920 to the General Fund.

Recommendation:
Committee of the Whole discussed the proposed amendment February 18th 2020 and recommends approval as presented.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following action:

1. Approve Resolution as written.

Attachments:

- Res 2020-XXX Approving Amendment to the 2020 Budget

RESOLUTION 2020-XXX

APPROVING AMENDMENT TO THE 2020 BUDGET

WHEREAS, on December 3, 2019 the City Council approved the City of Isanti 2020 Budget; and,

WHEREAS, at its February 18th 2020 meeting the Committee of the Whole recommended a transfer from Fund 920 to the General Fund in the amount of $82,026; and,

WHEREAS, the Isanti City Council authorizes a transfer of $82,026 from the Capital Maintenance and Replacement Fund (Fund 920) to the General Fund (Fund 101);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Finance Director to amend the 2020 budget.

This Resolution is hereby approved by the Isanti City Council this 4th day of March, 2020.

MEMO for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: March 4, 2020
Subject: Resolution to Approve Memorandum of Understanding with the City of Cambridge for Administrative Citation Hearing Officer

---

Robert Roby has been the City of Cambridge's administrative hearing officer since 2014 and has agreed to continue with contract for another year. Since 2014, the City of Isanti has obtained a Memorandum of Understanding (MOU) with the City of Cambridge to also use Robert Roby's services. The fee for his services is $75.00 per appeal hearing, $225.00 per hour for hearings that require additional testimony or process time. The City of Cambridge will be voting on the Administrative Hearing Officer Service Provider Agreement on March 2, 2020.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, approve Resolution as written and approve signature of the MOU.

RESOLUTION 2020-XXX

APPROVING EXTENSION OF MOU WITH THE CITY OF CAMBRIDGE FOR ADMINISTRATIVE CITATION HEARING OFFICER SERVICES

WHEREAS, the City provides for the issuance of administrative citations for specific traffic offenses designated at Minn. Stat. § 169.999, subd. 1(b)(1), (2) and (3), in the amount designated at Minn. Stat. §169.999, subd. 5, as it may be amended from time to time; and,

WHEREAS, the City Council has approved City Code Chapter 65, Administrative Penalties which authorizes issuance of administrative citations for specified City Code violations; and,

WHEREAS, since 2014 the City has entered into a Memorandum of Understanding with the City of Cambridge to provide Administrative Citation Hearing Officer Services to the City of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1) The City hereby approves extension of the Memorandum of Understanding, 'Exhibit A' that provides the services of a neutral third party through a joint powers agreement with the City of Cambridge and appoints said neutral third party to hear and rule on challenges to administrative traffic citations and administrative citations for city code violations. Such appointment shall be an unbiased non–employee. In the event the MOU is terminated, the city will contract with a qualified private company to provide a neutral third-party Hearing Officer. The contract shall be for a two-year period and shall expire on February 28, 2022, unless terminated at an earlier date.

2) The City of Isanti shall make payment to MN Mediation Services, LLC, Robert C. Roby, for Administrative Citation Hearing Officer services rendered at the rate of $75.00 per appeal hearing, 20-minute allotment, and $225.00 per hour for additional time. In the event City of Isanti services are held in Cambridge, for convenience of the Hearing Officer, invoices sent from the City of Cambridge shall be paid in the place of payment directly to MN Mediation Services, LLC.

The motion for the adoption of the foregoing resolution was proposed by Councilmember Lundeen and was duly seconded by Councilmember Bergley and upon vote being taken thereon, the following voted in favor: _____. And the following voted against the same: _____.

This Resolution is hereby approved by the Isanti City Council this 4th day of March, 2020.

Administrative Hearing Officer Service Provider Agreement

The City of Cambridge and Robert Roby hereby enter into a contract for administrative hearing officer services. The administrative hearing officer will handle administrative citation appeal hearings for administrative citations pursuant to Minnesota Statutes which requires cities to provide a "civil process" for citation appeals and retain a "neutral third party to hear and rule on challenges" to a citation. Under this agreement, these services may be provided to another governmental entity pursuant to a Joint Powers Agreement through the City of Cambridge.

Duties
Act as the neutral presiding officer who conducts the appeal hearing, actively listen to the evidence and arguments of the parties, and issue a final decision. The Administrative Hearing Officer must prepare written findings of facts after the conclusion of the hearing supporting his decision as to whether or not the appeal was granted or denied by applying deductive and inductive reasoning. The written findings of fact must be provided to the City and appellant within five business days of the hearing date.

Hearings must be tape recorded on recording equipment and provided by the entity hosting the hearing location. The proceedings will not be as formal as a court of law, but should be modeled after an administrative law judge proceeding. Other municipal jurisdictions, such as the City of Isanti, and the City of Braham may be served under the terms of this agreement.

Compensation
Compensation will be based upon a per citation hearing basis of $75 per appeal hearing.

The City of Cambridge will try to schedule hearings for one day per month between the hours of 8:00 am – 4:30 pm. Hearing locations will alternate between Cambridge City Hall, Braham City Hall, and Isanti City Hall. The hearing schedule will depend upon the demand for appeal hearings. Hearings will be booked in 20-minute increments for hearings without witnesses other than appellant and scheduled together so that there are not gaps in the hearing schedule whenever possible. Hearings that require additional testimony or process time will be scheduled separately and billed at $225 per hour. Hearing dates will be negotiated between the governmental entities and the administrative hearing officer so a mutually agreed upon schedule can be developed.

Contract Period
March 1, 2020 – February 28, 2022.

Termination
Either the City of Cambridge or the Service Provider may terminate this agreement upon 60 days written notice prior to the effective date of termination of the agreement. The agreement shall

thereafter be deemed terminated as of the effective date specified in said notice, or as of the 60th day following the date said notice is hand delivered or mailed by first class US Mail, postage prepaid from the party electing to terminate the agreement to the other part, whichever of said dates is later.

MEMORANDUM OF UNDERSTANDING
ADMINISTRATIVE CITATION HEARING OFFICER

This memorandum of understanding (MOU) is made and entered into as of this 2nd day of March, 2020 between the City of Cambridge, a Minnesota municipal corporation, and the City of Isanti, a Minnesota municipal corporation.

PURPOSE
Pursuant to Minnesota Statutes §471.59 which authorizes the joint and cooperative exercise of powers common to contracting parties, the City of Isanti desires to enter into an MOU with the City of Cambridge in order to provide contracted personnel for Administrative Citation Hearing Officer services (known as Service Provider) pursuant to the terms of a contract that the City of Cambridge has with the Service Provider (the "Service Provider Agreement" a copy of which is attached as Attachment One) and which the City of Isanti has reviewed and approved of.

PROCEDURE
The City Administrator (or designee) of Isanti shall contact the Service Provider, and establish a working relationship and mutually beneficial schedule whereby the Service Provider can be available in each city to perform contracted services. Each City will provide a room accessible to the public where hearings on appeals of Administrative Citations from the city will be heard. Under the direction of their respective City Administrators, the Police Chiefs of the City of Cambridge and Isanti shall set out the contract between the Service Provider and the City of Cambridge. In the event of any proposed change in the terms of the contract with the Service Provider, the City Administrator (or designee) of Cambridge shall notify the City Administrator (or designee) of Isanti of the proposed change, and the City of Isanti shall have not less than 30 days to approve such change or to notify the City of Cambridge of its election to terminate its participation under this memorandum.

COMPENSATION
On a monthly basis, the City of Cambridge will provide the City of Isanti with an invoice for the cost of contracted services attributable to the City of Isanti. These charges will be in conformance with the Service Provider Agreement and will be paid within 30 days of the receipt of invoice.

LIABILITY & INDEMNIFICATION
The City of Cambridge shall be solely responsible for and shall hold the City of Isanti harmless from any liability, judgments, loss, costs, or damage, including any costs of defense or settlement incurred as a result of any worker's compensation claims made by any employee of the City of Cambridge resulting from any services provided to the City of Isanti under this MOU by any employee of the City of Cambridge resulting from any services provided to the City of Isanti under this MOU by any employee of the City of Cambridge and from any alleged negligence or intentional wrongful acts committed by an employee or agent of the City of Cambridge while providing services for the City of Isanti pursuant to the provisions of this MOU.

The City of Isanti shall be solely responsible for and shall hold the City of Cambridge harmless from any liability, judgments, loss, cost, or damages, including any cost of defense or settlement incurred as a result of any workers compensation claims made by any employee of the City of Isanti or for any alleged negligence or intentional wrongful acts or omissions of any employees or any agents of the City of Isanti (other than employees or agents of the City of Cambridge providing services pursuant to this MOU) which pertain in any manner to this MOU.

Nothing herein shall be deemed a wavier by either party of the limitations on liability set forth in Minnesota Statutes, Chapter 466: and neither party is required to indemnify the other in any amount in excess of the limits set forth in

Minnesota Statutes, Section 466.04, less any amount the indemnifying party is required to pay on behalf of itself, its officers, agents and employees for claims arising out of the same occurrence.

EXECUTION AND TERMINATION

Upon the adoption of this memorandum of understanding by the governing bodies of the Cities of Cambridge and Isanti, a signed copy of this MOU shall be forwarded to each City. The MOU shall be effective at such time and date the agreement was adopted and the MOU has been duly signed on behalf of each City. The agreement shall be run from March 1, 2020 – February 28, 2022 unless terminated sooner.

Either the City may terminate this MOU as follows: a written notice shall be given by the City Administrator (or designee) of the City electing to terminate this MOU to the City Administrator (or designee) of the City to be notified of the termination of at least 30 days prior to the effective date specified in said notice, or as of the 30th day following the date said notice is hand delivered or mailed by first class US Mail, postage prepaid from the party electing to terminate the MOU to the other party, whichever of said dates is later.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO SCOTT NORSWORTHY

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, Scott Norsworthy was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Scott Norsworthy for the City of Isanti and that she shall be eligible to start in that position on or after March 4th 2020.
2. This position is part time and not eligible for benefits.
3. That Scott Norsworthy shall start at Step 1 of the Wage Scale at $11.89 per hour.
4. That Scott Norsworthy shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

CITY OF ISANTI

REQUEST FOR PROPOSALS

UNIFORM & RUG SERVICES

Proposals Due: March 27, 2020

I. INTRODUCTION

This request has been prepared by the City of Isanti to retain uniform and rug services from a qualified business.

The primary objective of requesting proposals is for the City to determine which parties can offer the highest quality of service at the most reasonable cost.

II. INSTRUCTIONS FOR PROPOSERS

A. The City will accept electronic or written proposals. Responses must clearly address all of the items listed in this request for proposal. Parties choosing to submit a written proposal please submit to:

Katie Brooks
Human Resources/City Clerk
City of Isanti
110 1st Ave NW P.O. Box 428
Isanti, MN 55040

Electronic proposal submissions are to be attached to an email with the subject line "Isanti Uniform & Rug Services Proposal" Questions or request for clarification may be directed to Katie Brooks, Human Resources/City Clerk by phone at (763) 444-5512 or via email at KBrooks@cityofisanti.us.

B. **All proposals must be received no later than 4:30 pm on Friday, March 27, 2020**. Any vendors submitting proposals after the date and time listed above are not guaranteed consideration. Proposals submitted should be clearly labelled "Proposal for Rugs & Uniforms".

III. SERVICES / SCOPE OF WORK:

The City is seeking proposals from qualified parties interested in providing both uniform rental/lease (and laundry servicing) as well as rug servicing. The service requirements outlined below are the current needs of the City of Isanti.

City Location	Product/Item Needed	Quantity Needed	Frequency Serviced
Isanti Liquor Store	3 x 4 Mat	2	Weekly
	4 x 6 Mat	2	Weekly
	3 x 10 Mat	3	Weekly
	3 x 5 Scraper Mat	1	Weekly
	Wet Mop	2	Weekly
	24" Dust Mop	2	Weekly
	Bar Towels	75	Monthly
Isanti City Hall	4 x 6 Mat	4	Weekly
	4 x 6 Mat	2	Bi-Monthly
	3 x 10 Mat	1	Weekly
	5 x 8 Logo Mat	1	Weekly
Isanti Public Works	Industrial Shirts	5	Weekly
	Hi-Vis shirts	30	Weekly
	Jeans	35	Weekly

	Industrial Jackets	7	Weekly
	3 x 4 Mat	2	Bi-Monthly
	3 x 10 Mat	2	Bi-Monthly
	Air Freshener	2	Weekly
	Shop Towels	150	Bi-Monthly
Isanti Police Dept.	4 x 6 Mat	2	Bi-Monthly
	5 x 8 Logo Mat	1	Bi-Monthly
Isanti Comm. Center	4 x 6 Mat	2	Weekly
	3 x 10 Mat	2	Weekly
	Wet Mops	2	Bi-monthly
	Bar towels/rags	12	Bi-monthly

Rental/Lease Uniforms & Laundry Servicing:
Rental/lease proposals should include the cost associated with ongoing laundry and repair of these items for the length of the contract. The City is seeking proposals to supply full uniforms to the Public Works employees. The City wishes all shirts to include a City logo. The City is also requesting quotes on high visibility wear clothing, specifically t-shirts that are approved by OSHA standards. The attached worksheet details the items in which we are requesting to receive a quote.

Rugs & Towels
The City is seeking proposals to supply floor rugs and roll towels to City Buildings. The City is interested in seeing the costs associated with including our logo on some of the rugs. Parties interested in supplying rugs and rug services to the City are encourage to complete the attached worksheet. This worksheet indicates the number, size and desired change-out timeframe of rugs and roll towels for the City. The attached worksheet details the items in which we are requesting to receive a quote.

Other Charges
Please indicate in your proposal a list of all other charges that could be applied to the City of Isanti in your party's provision of uniform and rug services.

IV. PROPOSAL EVALUATION AND CONTRACT AWARD

A. The City intends to award a contract to the proposer(s) evaluated to be best qualified to perform the work for the City, cost and other factors considered.

B. The City shall not be liable for any expenses incurred by the proposer including, but not limited to, expenses associated with the preparation of the proposal or final contract negotiations.

C. The City of Isanti reserves the right to reject any and all proposals or to request additional information from any or all proposers.

D. It is anticipated that the City will establish a contract with a selected business for a five (5) year term. A contract for this term will be prepared and entered into with the successful proposer.

V. TERM OF CONTRACT:

The Contract Term shall be five (5) years; from April 8, 2020 to March 31, 2025.

A Community For Generations.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey – Parks, Recreation & Culture Manager
Date: March 4th, 2020
Subject: Approving ASCAP Music License Annual Fee

Background:
In 2017, the city entered into an agreement with the American Society of Composers, Authors, and Publishers (ASCAP) for use of music at our facilities, which includes the street dances, Isanti community center and Isanti Municipal Liquor store. The city will continue this annual agreement to be shared among the Parks, Recreation and Culture and Liquor Store budgets.

Request:
To approve the fee of the annual ASCAP music license to be shared among the Parks, Recreation, and Culture and the Liquor Store budgets.

- Resolution 2020-XXX

RESOLUTION 2020 - XXX

APPROVING ASCAP MUSIC LICENSE ANNUAL FEE

WHEREAS, the City of Isanti is required to have an annual license through the American Society of Composers, Authors, and Publishers (ASCAP) for use of music at its facilities; and,

WHEREAS, live music is performed at Street Dances and recorded music is played at Isanti Liquor and Isanti Community Center; and,

WHEREAS, the annual fee is split among Parks, Recreation and Culture and Liquor Store budgets;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the annual fee for the ASCAP music license to be split evenly among the Parks, Recreation, and Culture and the Liquor Store dept budgets.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: March 4th 2020
Subject: Liquor Store Market Study

Background:
Per discussion at the January 27th 2020 Goal Setting meeting and the February 18th 2020 recommendation of the Committee of the Whole, the proposal to update the 2006 liquor store market study has been attached. Cost is $7,000 plus travel expenses. This is an unbudgeted item. The attached resolution would authorize Finance Director Betker to amend the budget for 609-49750-112 (Contracted Services) based on final actual costs.

Recommendation:
Committee of the Whole reviewed the proposal February 18th 2020 and recommends approval as presented.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following action:

1. Approve Resolution as written.

Attachments:

- Res 2020-XXX Accepting Proposal for Municipal Liquor Store Market Analysis
- Proposal from Dakota Worldwide

RESOLUTION 2020-XXX

ACCEPTING PROPOSAL FOR MUNICIPAL LIQUOR STORE MARKET ANALYSIS

WHEREAS, the City of Isanti may be considering a Municipal Liquor Store Project that may include an addition to the existing Municipal Liquor Store or relocation of the facility; and,

WHEREAS, the City of Isanti desires to have a market analysis completed that will assist the City in evaluating the feasibility of a Municipal Liquor Store Project; and,

WHEREAS, Dakota Worldwide completed the last liquor store market analysis in 2006; and,

WHEREAS, the City of Isanti has received a proposal from Dakota Worldwide to update the 2006 market study in the amount of $7,000 plus travel expenses; and,

WHEREAS, the City of Isanti intends to amend the Liquor Store budget based on final actual costs; and,

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby accepts the proposal from Dakota Worldwide for $7,000 plus travel expenses for the Municipal Liquor Market Analysis as outlined in their proposal.

2. The City Administrator and Liquor Store Manager are directed to work with the vendor on this analysis with the findings and recommendations reported back to the City Council.

3. The Finance Director is authorized to amend the Liquor Store budget for Contracted Services based on final actual cost.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

Market Analysis Proposal
Isanti Liquor
Isanti, Minnesota

Scope of Project

The purpose of this project is to determine the feasibility of either expanding the existing Isanti Liquor store or relocating it to a new facility on Highway 65.

The project begins with field work. Competitors will be identified and evaluated based on facility size, sale volume and operations. Government officials for all the communities that will be affected by the new or enlarged liquor store will be queried. Building permits and subdivision activity reports will be reviewed to determine the potential market changes and population variances from the 2010 Census. Possible road changes that may affect traffic patterns will also be taken into consideration.

When the fieldwork is complete, our analyst will build a LOCUS™ model for the entire trade area. Once a model of the current marketplace has been constructed, The remodeled store and the new store will be introduced in the LOCUS™ model and three year sales forecasts generated.

Forecasts will be based on site characteristics, population changes, existing demographics and lifestyles, competitive strengths, and any possible market changes that are likely to occur.

The price for the entire project is $7,000 plus expenses. Expenses are essentially travel expenses for Dakota's market analyst.

Deliverables

Deliverables will include a competition map and a detailed report. The report will include:

- An executive summary of the market analysis findings
- Three year sales forecasts for all sites or sizes tested
- Trade area delineation and its adult population
- Current adult population estimates, and demographic based on Census 2010 and Synergos Technologies POPstats population estimates
- Future population estimates going out five years from the market date
- Competitive evaluations that include estimated sales volumes and sales per sales area square foot as well as a brief narrative about each competitor
- Site evaluation including photographs, the site's physical characteristics, traffic patterns, ingress/egress, parking, traffic counts and adjacent retail help
- Current market reports showing the marketplace as it exists today with the liquor potential, existing stores' images, and a summary of potential by sector.
- All market changes that may occur and affect sales in the projected marketplace.
- Projected future marketplace reports that show the dollars taken away from the competition, the effects of market changes if applicable, and the market shares by sector

Dakota Worldwide requires a 50% down payment before field work commences. Once a down payment is received, your project will be scheduled. Timing is approximately three weeks from the beginning of the field work to when the final report is delivered.

Thank you for your interest in having Dakota Worldwide as a partner in your endeavors to expand your liquor operations. Please do not hesitate to contact me if you have any further questions.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
February 25, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:02 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: None added, motion by Witte, second by Thum to approve the agenda for February 25, 2020. Motion passed 4-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from January 28, 2020. Motion passed 4-0.

3. Discussion Items presented by PRC Board Member Thum: Thum brought to the board an idea of adding a walkway to connect the main Isanti Indoor Arena parking lot to the northeast parking lot in Bluebird Park. Thum is a frequent visitor to this facility. Thum added that this facility is getting more use and the extended parking areas are being utilized. One in particular is the parking lot that is in the northeast section of the park, just north of the skate park. The grass area between main parking lot, which runs along the tree line gets flooded or is very saturated with water throughout the year as it's a low lying area. Thum suggested a walkway be added to this area. Thum added that people have to walk along the street, which has no sidewalk to access the facility to avoid the grass area. There is a path that runs to the facility, but is south of the skate park and have to walk that distance to access the path. Zdon asked what the process was and if BMX was willing to help fund this project. Zdon also added that when the parking lot re-structure occurred a few years ago this idea was briefly discussed and he also agreed that this is an area that is difficult to walk through. Zdon and Thum were not sure if BMX would be in agreement with this addition. Zdon also added that this is a non-budgeted item this would need to be reviewed. Garvey added that this project would have to also meet ADA standards. The board discussed options and that maybe the city engineer could review this area. Witte clarified the area of question. Zdon continued that he would also like to see adding a pathway to the existing skate park and the parking lot. Zdon also commented that parking spaces would be lost with the addition of a walkway. Thum added that he has not talked or discussed this with the BMX board. Garvey added that City Engineer Jason Cook was in the audience, in which Cook reviewed that a culvert could be added and that the parking spots could be crossed off and labeled no parking, and a quick estimate was about $2,500. Cook also added there is a catch basin in this area and could maybe capture some of the water. Zdon added that he would prefer to have a walkway vs a catch basin. Thum agreed that he would also like to see the walkway option. Zdon added that in a prior PRC meeting the board had discussed the path in the south area that jogs out by the pleasure rink and straightening it out. Witte added that he also recalled this discussion. Motion by Witte, second by Thum, to look at the trails in the section in Bluebird Park by the skate park, the arena and the parking lots.

Thum also brought to the board to discuss the item of canopies to be set up along the tree line grass area and the parking lot. Zdon added that this was not a city/PRC rule, he recalled that this is a BMX item they had decided to put in place. Garvey continued that this is correct and that she reached out to BMX contacts and this was put in place by BMX, as cars were scratched by bikes. Garvey added that the restriction as a city for canopies is that they cannot be staked into the ground where the sprinkler system is in place.

The third item Thum brought to discuss was the idea of insect control around the staging area for racers in the IIA which is on the east side of the building and the rain garden is on this side of the building. Garvey commented that the rain garden is a pollinator area and mosquito control in the rain garden would not be possible. Thum added if there are any plants at that are a natural mosquito control. Garvey continued that she does not have that background knowledge but can look into this item further.

4. Department Updates:
Garvey reviewed that staff will move forward with the an egg hunt for 2021, a parade float option for 2020 and fireworks for 2020 after the parade in July. Garvey continued that a sledding hill will be added in 2020 to Bluebird Park and Public works will start this project in the fall timeframe. The spring newsletter will have a Parks calendar insert, so be on the watch for this when it is mailed out. It includes the events and a calendar

for 2020. The street dances are June 20, with The Farmer's Daughters, July 18 will be Brother Ferris and August 8 with The Brat Pack.

Adjournment: Motion by Witte, second by Thum to adjourn the February 25, 2020 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:25 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation, and Culture Manager

J. Public Hearings

None

K. Business Items

1. a. Ordinance-XXX An Ordinance Repealing and Replacing Ordinance No. 485, Adopted on May 5, 2010, and Titled Peddlers, Solicitors, and Transient Merchants

City Administrator Josi Wood shared that the intent from City Council at the December Committee of the Whole meeting is that non-profit organizations would not be charged. Wood continued to share that with the new ordinance solicitors do not get charged the fee as there is no fee for solicitors in the fee schedule. Wood further shared that it is recognized that some organizations may be bringing good to a home it may be considered a peddler and there is a license fee but it would be waived. The original exemption in the original ordinance was ambiguous and created liability for the City which is why that statement was removed. The original ordinance only listed non-profits and did not list out tax-exempt organizations and entities which school districts are not non-profits.

Council member Steve Lundeen shared that he would like to see it that non-profit and tax-exempt organizations do not need to apply for a permit if under the age of 18 years old.

Council member Dan Collison that typically the organizations are out as groups where adults will be there working with them and he does not see a need for them to pull a permit.

Andrea Koukol 201 4th Ave shared that the Boy Scouts do a tree lot in the Coborns parking lot and have been charged in the past for a permit to sell the trees in the Coborns lot. Koukol asked if Non-Transient sitting still opportunities for the youth non-profit organizations will be included.

Council member Dan Collison asked if the Boy Scouts used to be charged when the activity was performed at Reichels.

Koukol responded that they were not charged.

Trent Koukol 201 4th Ave shared that he is the scout master for Isanti and the last 4 years Boy Scouts have been selling trees and when the Boy Scouts sold corn at the Co-Op they had to apply for a permit to sell corn.

Wood stated that this would be an exact example of an administrative permit at Committee of the Whole with the deer hide boxes were non-profits.

Mayor Johnson stated that they would be asked to fill out permit but the fee would be waived.

Motion by Mayor Johnson, second by Lundeen to post ordinance for 10 days as presented. The verbiage was clarified to state "Disseminating religious, political, social or ideological beliefs, including pamphleteering and canvassing for non-commercial purposes, or soliciting for, or selling, merchandise on behalf of a tax-exempt and non-profit organizations." The intent for this addition was to clarify excluding charging fees for tax exempt and non-profit organizations. Motion passed 5-0. Motion carried.

1. Resolution 2020-030 Interview Applicant for Vacant Economic Development Authority Board Seat and Accepting Resignations for Board Members Jill Reller and Luke Merrill

Applicant Justin Nielsen was interviewed by Mayor Johnson for the open Economic Development Authority Seat. Johnson asked questions specific to Economic Development Authority.

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

2. City Code Chapter 276, Special Assessments and Special Assessment Policy
   a. **Ordinance-724** an Ordinance Repealing and Replacing Ordinance 161 Adopted on February 19, 1991 and Amended by Ordinance 257 on April 16, 2002, and Titled Special Assessments

Assistant City Administrator/ Special Projects Don Lorsung shared that this is a revised and updated Special Assessments policy that includes the funding options that had been discussed with City Council, use of MSA Funds and how it relates to special assessment process and the financing of City projects. Lorsung continued to share that this policy matches current practices to make sure it is up to date. Lorsung further shared that the City Engineer has looked at 3 different policies from other cities in preparing the policy. Lorsung stated staff and the City Attorney have reviewed.

Motion by Collison, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

b. Resolution 2020-031 To Establish a Special Assessment Policy
Assistant City Administrator/ Special Projects Don Lorsung shared that this resolution and Ordinance go hand in hand. Lorsung continued to share that a lot of the areas from the old Ordinance and moved them to become a policy under resolution. Lorsung further shared that the ordinance contains what it has to for legal purposes and the rest of the policy items became a resolution so it is readily to review in the future for any other updates.

Motion by Lundeen, second by Bergley to approve the resolution as presented.

City Engineer Jason Cook

3. **Resolution 2020-032** Accepting Plans and Specifications and Authorizing Advertisement for Bid for the 2020 Pavement Management Project

City Engineer Jason Cook shared that this is to continue moving the project forward. Cook continued to share that the design and specifications and has come to almost the estimated bid amount for the project in the budget. Cook further shared that it is recommended to put out advertisement for bids and see what contractors come in at.

Motion by Lundeen. Second by Bergley to approve resolution as presented. Motion passed 5-0. Motion carried.

Isanti

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: March 4, 2020
Subject: Development and Business Subsidy Agreement for BP Metals

---

Background:
On February 18, 2020 the EDA entered into a purchase agreement with BP Metals for the sale of EDA land located at 825 East Dual Blvd. The subject site is one of the EDA's Shovel Ready industrial lots. The sale is for $1 and therefore triggers a business subsidy agreement. The agreement for consideration is a combination development agreement and business subsidy agreement.

The 2017 land appraisal indicates the subject site is worth $210,000. It has always been advertised for $1 and the City has held this land for future development. A key decision on the sale was the user and the job growth they are brining to the city. When BP Metals opens, they will start with 20 employees, these are new jobs within the city of Isanti, and they have plans for expansion that could result in up-to 40 jobs. BP metals has been in operation since 2000 and have outgrown their space in the City of Blaine, the owner is a long-time resident of Isanti and is looking forward to moving his business to town.

Request:
Consideration of the Development and Business Subsidy agreement for BP Metals.

- Development and Business Subsidy Agreement

CITY OF ISANTI

DEVELOPMENT AND SUBSIDYAGREEMENT FOR BP METALS, INC.

This Agreement (hereinafter the "Agreement") is dated as of this _____ day of _____, 2020 and is by and between the **City of Isanti**, a Minnesota municipal corporation (the "**City**") and **BP Metals, Inc.**, a corporation under the laws of Minnesota (the "**Developer**").

1. Subject Property. Developer is, or will be, the owner of the Subject Property legally described as Lot 1, Block 1, Isanti Centennial Complex 6th Rearrangement, County of Isanti, State of Minnesota, PID Number 16.137.0010, located at 825 Dual Blvd. N.E., Isanti, MN 55040. Sale of the Subject Property by the City to Developer at a price below market value is the subsidy contemplated by this Agreement.

2. Conditions of Approval. The City has approved development of the Subject Property, as subsidized by the City, subject to satisfaction of the following conditions:

   a. The Developer's Execution of this Agreement. That the Developer enter into this Agreement.

   b. Marketable Title. That the Developer obtain, and retain, title to the Subject Property.

   c. Proof of Authority. That the Developer provide proof that the respective governing boards of the Developer have authorized the Developer's execution of this Agreement. This proof of authority may be satisfied by providing the City with a certified copy of the minutes of the governing board of each entity which grants such authority.

   d. Site Plan. That Developer's site plans, as required by the Isanti City Code, be completed by Developer and reviewed and approved by the City.

Draft

3. The Plans. The term "Plans" as used in this Agreement means the Site Plans prepared by Developer. The Plans are subject to: (a) Planning Commission review; (b) approval of the City Council; and (c) such further revisions as the Developer may propose and the City approves. The Plans shall not be attached to this Agreement but are in the City's files.

4. Required Private Improvements. The private improvements the Developer will construct or install are as follows:

a. Sanitary sewer
b. Water
c. Storm drainage facilities
d. Stormwater maintenance
e. Parking lot
f. Concrete curb and gutter
g. Lot grading
h. Landscaping

5. Financial Guaranty for Required Private Improvements. The Developer shall provide a financial guarantee to the City guaranteeing the construction of the Required Private Improvements, and their timely completion. The Developer shall be responsible for a financial guarantee in the amount of **($_____.00),** which amount is 125% of the City Engineer's estimated cost of the Required Private Improvements. Upon completion of Improvements (including the removal of "temporary" erosion control measures as identified in the approved Grading Plan), acceptance by the City, supported by appropriate lien waivers, The Developer may request a reduction in the amount of the financial guarantee.

6. Inspection Fees for the Required Private Improvements. The Developer shall provide an inspection fee to the City to inspect the Required Private Improvements. The Developer shall be responsible for an inspection fee in the amount of **($_____.00)**, which amount is 5% of the City Engineer's estimated cost of the Required Private Improvements. The inspection fee must be in the form of a cash escrow. The Developer may request a refund of the remaining balance in the escrow upon completion of the Required Private Improvements, acceptance by the City.

7. Maintenance Guarantee for Landscaping. It is herein agreed that the Developer shall provide the City a maintenance guarantee to ensure the survival of the plantings. Said maintenance guarantee shall consist of cash or a Letter of Credit, approved as to form by the City, in the amount of $_____ [# plantings (XX trees) x cost/planting ($300/tree x 30% average non-survival rate, (XX shrubs) x cost/planting $75/shrub x 30% average non-survival rate], which shall be in effect for a two-year period commencing on the date of the City's acceptance of said plantings as part of the Required Private Improvements.

draft

At the end of the two-year period, the maintenance guarantee shall be returned to the Developer. The determination that all plantings that have been planted in accordance with the Site Plan have either survived or have been replaced shall be made by the City. In the event the Developer fails to maintain the required plantings for a two-year period, the City Council may order the replacement of plantings with City day labor and/or by letting contracts and draw upon the escrow for payment. Only the City Council shall have the authority to direct replacement of the plantings and withdraw from the escrow account. The Developer hereby grants permission and a license to the City and/or its contractors and assigns to enter upon the Site for the purpose of replacing plantings in the event of the Developer's default.

8. Payment of Development Fees. The Developer must pay to the City the fees described on Exhibit A which may include, but are not limited to, Sanitary Sewer Connection (Trunk) Fees, Water Connection (Trunk) Fees.

9. Developer Defaults. If the Developer defaults in the performance of one or more of the Developer's obligations under this Contract, i) the City gives the Developer 30 days written notice of the default and ii) the Developer fails to cure the default within said 30 days, then the City may pursue any and all remedies available at law or in equity including, but not limited to, the following:

   a. The City may, at its option, perform or engage one or more third parties to perform the Developer's obligations. If, in the reasonable judgment of the City's staff, the Developer's default creates an immediate risk to public health or safety, the City may perform or engage one or more third parties to perform the work before the City provides the notice described in the initial paragraph of this Section, but the City must use commercially reasonable efforts to notify the Developer as promptly as possible that the City is undertaking to perform the Developer's obligation or obligations. If the City performs one or more obligations of the Developer, the Developer must reimburse the City for any costs or expenses the City incurs, including costs and expenses for City staff time, to perform the work within 30 days after the City notifies the Developer, in writing, of the costs and expenses the City incurred to perform the work. If the Developer does not reimburse the City within said 30 day period, the City may pursue any remedies available to the City either at law or in equity or, in the alternative, the City may draw on the financial guaranty the Developer has provided to the City pursuant to this Agreement to reimburse itself for the expenses the City incurs to perform the work. This Agreement is a license for the City to act, and it shall not be necessary for the City to seek a Court Order for permission to enter the Developer Property. As an alternative to seeking recovery from the Developer or the financial guaranty, the City may levy special assessments against the Developer Property in accordance with Minnesota Statutes Section 429, and the Developer, for itself and its successors in title, hereby expressly waives any and all substantive and

draft

procedural objections or defenses the Developer may have to such special assessments;

b. The City may commence an action in Isanti County District Court to pursue any remedy available to the City at law or in equity including, but not limited to, injunctive relief;

c. The City may refuse to grant building permits for improvements to be constructed on the Subject Property until the Developer has cured all of its defaults; and

d. The City may draw upon all or any portion of the financial guaranty the Developer has provided to the City and (i) use all or any portion of the proceeds from the financial guaranty to reimburse the City pursuant to subsection (a) above; (ii) use all or any portion of the proceeds from the financial guaranty to satisfy any judgment the City obtains against the Developer pursuant to subsection (b) above; (iii) use all or any portion of the proceeds to reimburse the City pursuant to Section 11 (j) below; and (iv) hold all or any portion of the proceeds for a reasonable time for the future application as described in subsections (i), (ii) and (iii) of this paragraph.

10. Business Subsidy. As a condition of developing the Subject Property, Developer and City agree to the following terms:

a. Subsidy. Developer acknowledges and agrees that it received a business subsidy from the City in the form of a reduced purchase price for the Subject Property. Pursuant to the City's appraisal, the Subject Property is valued at $210,000. The City sold the Subject Property to Developer for $1. The value of the subsidy is the difference between the appraisal value and the purchase price.

b. Public Purpose. The public purposes for granting the subsidy are to create jobs within the City of Isanti and to increase the City's tax base.

c. Subsidy Goals. Developer shall create a minimum of 20 full-time, or full-time equivalent, jobs within two years of the date of this Agreement. All jobs shall meet or exceed State minimum wage requirements. Developer shall continue to meet or exceed said employment goals for at least five years after the date of this Agreement. In the event these requirements are not met, Developer shall pay the City the amount of the subsidy in a single lump sum payment or as otherwise agreed to in writing by the parties.

d. Statement of Need. Developer represents that without the business subsidy contemplated by this Agreement, Developer would not relocate its existing business to the City.

draft

e. Reporting. Developer shall provide reports to the City as required by Minnesota Statutes section 116J.994, subdivision 7, on forms provided by the City.

11. Miscellaneous.

a. Invalidity of Any Section. If any portion, section, subsection, sentence, clause, paragraph or phrase of this Agreement is for any reason invalid, such decision shall not affect the validity of the remaining portion of this Agreement.

b. Written Amendments Only. The action or inaction of the City or the Developer shall not constitute a waiver or amendment to the provisions of this Agreement. To be binding, amendments or waivers shall be in writing, signed by the parties, and approved by a resolution of the City Council. The City's or the Developer's failure to promptly take legal action to enforce this Agreement shall not be a waiver or release.

c. Compliance with Laws and Regulations. The Developer represents to the City that the Plat complies with all City, County, State, and Federal laws and regulations, including but not limited to: subdivision ordinances, zoning ordinances and environmental regulations. If the City determines that the site plan does not comply, the City may, at its option, refuse to allow any construction or development work on the Subject Property until the Developer does comply. Upon the City's demand Developer shall cease work until there is compliance.

d. Mailbox Locations. If the Developer desires to construct a mailbox within the public right of way, the Developer agrees that the placement of a mailbox along public streets is subject to the approval by the Postmaster. Utility locates will be necessary.

e. Boulevard and Wetland Restoration. The Developer shall be responsible for the cost of establishing seed in all boulevards within 30 days of the completion of the street improvements, and restoring all other areas disturbed by the development grading operation in accordance with the approved Grading and Erosion Control plan. The Developer shall be responsible for the cost of cleaning any soil, earth, or debris from the wetlands within and adjacent to this Plat resulting from grading performed in the development of the Plat.

f. Construction, Hours and Entrance Signs. The City restricts construction and delivery hours to Monday through Friday 7:00 a.m. to 9:00 p.m., weekends and holidays, 8:00 a.m. to 8:00 p.m. The Developer is required to provide a sign at each entrance point stating delivery and construction operation hours. Said signs are not to exceed 80 square feet in size and must be clearly visible at all times during the construction period.

draft

g. Construction Site Maintenance. The Developer shall adhere to all of the City ordinances relating to, but not limited to, dumping of garbage, site development, construction debris, open burning, etc. The City reserves the right to withhold permits, inspections, or certificates of occupancy to correct violations relating to construction site maintenance.

h. Estimated Cost. It is understood and agreed that cost amounts set forth in this Agreement as to Stage I, Stage II, and Required Private Improvements, unless qualified as fixed amounts, are estimated. The Developer agrees to pay the entire cost of said improvements including interest, engineering and legal fees related thereto.

i. Plat Approval Expenses. Not applicable.

j. Reimbursement to the City. The Developer agrees to reimburse the City for all costs incurred by the City in defense or enforcement of this Agreement, or any portion thereof, including court costs and reasonable engineering and attorney's fees.

k. Certificate of Occupancy. The term "Certificate of Occupancy" as used in this Agreement shall be defined as a document issued by the City'S Building Official, which authorizes the structure to be used for its intended purposes.

l. Notices. Required notices shall be in writing, and shall be either hand delivered to the Parties, its employees or agents, or mailed to them by certified or registered mail at the following address:

MEMORANDUM

Date: February 26, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E.
City Engineer

Subject: 6th Avenue SW Rehabilitation
Public Hearing & Project Authorization
City of Isanti, MN
Project No.: R13.120122

An Informational Open House was conducted on February 25th, 2020. Nine individuals representing Six properties attended. There is a total of 27 properties on the assessment roll. The majority of attendees agreed the roadway was in need of repair and that a sidewalk would be beneficial. Two property owners stated they felt the proposed assessments were fair.

Following the Public Hearing input, should you decide to proceed with the project, a resolution ordering the improvement has been included in the Council packet.

Following is a schedule for the project:

1) March 4, 2020 – Hold Public Hearing, Mayor and City Council order the improvements
2) March 17, 2020 – Mayor and City Council reviews and approves final plans and orders advertisement of bids
3) April, 2020 – Open bids
4) April, 2020 – Mayor and City Council awards bid
5) June 2020 – Commence construction
6) November, 2020 – Substantial construction completion
7) November, 2020 – Conduct final assessment hearing

I will be at the March 4, 2020 Council meeting to provide a condensed presentation on the project and assist with questions during the Public Hearing. Please contact me with any questions or comments.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

AUTHORIZING IMPROVEMENT ON THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution 2020-021 of the City Council adopted February 4, 2020, fixed a date for a council hearing on the improvement of 6th Avenue SW from South Brookview Lane SW to Edgewood Street SW. The improvement shall consist of street reconstruction, sidewalk construction, and the installation of watermain; and,

WHEREAS, ten days' mailed notice and two weeks' published notice of the hearing was given, and the hearing was held thereon on the 4th day of March, 2020, at which all persons desiring to be heard were given an opportunity to be heard thereon;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota as follows:

1. Such improvement is necessary, cost-effective, and feasible as detailed in the feasibility report.

2. Such improvement is hereby ordered as proposed.

This resolution was duly adopted by the Isanti City Council this 4th day of March 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Katie Brooks, Human Resources/City Clerk
Date: March 4, 2020
Subject: Amending ORD 720, City Code Chapter 425, Peddlers, Solicitors, Transient Merchants and Mobile Food Units

Background:

At the February 18, 2020 City Council meeting staff was directed to add a subsection to clarify intent of the ordinance 720. This section exempts certain organizations from needing an application and approval from the City for peddlers, solicitors and transient merchants for tax-exempt and non-profits. Below is the added subsection that has been posted for 10 days as required by state statute.

§ 245-3. Exceptions.

9. *Disseminating religious, political, social or ideological beliefs, including pamphleteering and canvassing for non-commercial purposes, or soliciting for, or selling, merchandise on behalf of a tax-exempt and non-profit organizations.*

Request:
Staff is requesting approval on this item.

Attachments:
ORD 2020-XXX

ORDINANCE NO. XXX

ORDINANCE AMENDING 720, CITY CODE CHAPTER 425, PEDDLERS, SOLICITORS, TRANSIENT MERCHANTS, AND MOBILE FOOD UNITS

The City Council of the City of Isanti, Minnesota ordains:

- **Section 1 – Repealer.** Ordinance No. 485, titled "Peddlers, Solicitors and Transient Merchants", codified in Chapter 245 of the City Code, is hereby repealed in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 245 is hereby adopted:

Chapter 245

Peddlers, Solicitors, Transient Merchants and Mobile Food Units

245-1. Definitions
245-2. License Required
245-3. Exceptions.
245-4. Ineligible People.
245-5. Application.
245-6. Photographs.
245-7. Fees, Duration.
245-8. Investigation, Issuance, Denial.
245-9. Standards of Conduct.
245-10. Mobile Food Units.
245-11. Exclusion by Placard.
245-12. Special Events.
245-13. Suspension; Revocation.
245-14. Penalty, Enforcement.

§ 245-1. Definitions.

Unless the context clearly indicates otherwise, the words below are defined for the purpose of this section as follows:

1. "Non-commercial door-to-door advocate" is a person who goes door-to-door for the primary purpose of disseminating religious, political, social or other ideological beliefs. For the purpose of this chapter, the term door-to-door advocate shall fall under the term solicitor and include door-to-door canvassing and pamphleteering and is intended for non-commercial purposes.
2. "Peddler" includes a person who goes from place-to-place exhibiting merchandise for sale, making sales, and delivering articles to purchasers.
3. "Transient Merchant" – A person who temporarily sets up business out of a vehicle, trailer, tent or other portable shelter or empty storefront in a commercial district where retail sales are a permitted or conditional use for the purpose of exposing or displaying for sale, selling or attempting to sell and delivering goods, wares, products, merchandise or other personal property and who does not remain or intend to remain in any location for more than 14 consecutive days.
4. "Solicitor" includes a person who goes from place-to-place soliciting orders for the sale of merchandise or personal services for future delivery or future performance, whether or not the person has a sample of the merchandise or is collecting advance payments for the orders. The word also includes activity that has as its ultimate purpose the obtaining of orders even though it may not initially purport to do so. For the purposes of this chapter, the term solicitor shall have the same meaning as the term canvasser.
5. "Regulated activity" means the activity of a peddler, transient merchant, solicitor or mobile food unit as defined in this chapter. The term only includes activities that involve the sale of a product or service. It does not include activities that involve only statements of opinion or belief or that request only a donation.
5. "Licensee" means an individual, partnership, corporation or association licensed within the city under this section and includes a person who is or will be conducting the regulated activity on behalf of the licensee.
6. "Person" means a natural person, a firm, partnership, corporation, any other association of people, and includes the manager or agent of that person or organization.

7. "Occupant" means a person living, staying, or working at a residence, including a guest.
8. "Mobile Food Unit" means a food and beverage service establishment that is a vehicle mounted unit or free-standing food stand.

§ 245-2. License Required.

A person engaging in a regulated activity within the city must first obtain a license from the City Clerk or designee.

§ 245-3. Exceptions.

A person engaging in the following activities is not required to obtain a license and an identification card from the city:

1. Selling personal property at garage sales, rummage sales, or estate sales. This includes persons participating in an organized multi-person bazaar or flea market.
2. Selling newspapers, newsletters, or other similar publications on an established customer delivery route, when attempting to establish a regular delivery route, or when publications are delivered to the community at large.
3. Selling products of the farm or garden grown or raised by the seller, including meat, but such activities must comply with applicable health regulations.
4. Selling at an auction conducted by a licensed auctioneer, or any officers of the court conducting a court ordered sale.
5. Calling upon residents in connection with a regular route service for the sale and delivery of perishable food and dairy products. This includes initial contacts to establish a customer delivery route. This exception does not relieve that person of the duty to comply with other applicable city requirements.
6. Sales or offers for sales by peddlers or solicitors who appear at the customer's home or place of business by an appointment which was made prior to such appearance are exempt from the provisions of this chapter.
7. Non-commercial door-to-door advocates. No license or registration shall be required of any person going from house to house, door to door, business to business, street to street or any other type of place-to-place when the activity is for the purpose of exercising that person's state or federal Constitutional rights, such as the freedom of speech, press, religion and the like, except that this exemption does not apply if the person's exercise of Constitutional rights is merely incidental to a commercial activity.
8. Any person selling or attempting to sell at wholesale any goods, wares, products, merchandise, or other personal property to a commercial retail seller of the items be sold by the wholesaler.
9. Disseminating religious, political, social or ideological beliefs, including pamphleteering and canvassing for non-commercial purposes, or soliciting for, or selling, merchandise on behalf of a tax-exempt and non-profit organizations.

§ 245-4. Ineligible People.

The following people are not eligible for a license and from the city:

1. A person whose license for a regulated activity was revoked by the city or another governmental body within three years before the application date;
2. A person who has been denied a license for regulated activity by the city or another governmental body because of circumstances that occurred within three years before the application date;
3. A person who has violated, or whose representative has violated, a provision of this section within three years before the application date, or who violates a provision of this section during the application period pending issuance of the license;

4. A person who has been convicted within three years before the application date of a crime that adversely reflects on the person's ability to honestly, safely, or lawfully conduct the regulated activities, unless the individual can show sufficient evidence of rehabilitation as defined in Minn. Stat. § 364.03, subd. 3, as it may be amended from time to time; or
5. A person who has falsified information, or omitted material information, required by this section.
6. A person who produces documentation of identification that is torn, pasted, peeled, or otherwise damaged or altered.

§ 245-5. Application.

Application for a license must be made at least ten working days before the regulated activity is proposed to begin and must include an accurate, sworn statement in writing, on a form furnished by the city, that gives the information listed below and includes the required supporting documentation:

1. Full legal name and physical description of the applicant;
2. Complete home and local address of the applicant;
3. A brief description of the proposed activity, its location, and the merchandise or service involved;
4. The dates and hours of the day during which the activity will be conducted;
5. Name, address, and phone number of the person on whose behalf the orders are solicited, together with credentials establishing the applicant's relationship to the person;
6. The source of supply of merchandise proposed to be sold, where the goods are located at the time the application is filed and the proposed method of delivery;
7. Whether or not the applicant has been convicted of any crime other than petty traffic violations, the nature, time and location of the offense and the punishment or penalty imposed;
8. The last cities or other localities, not exceeding five, where the applicant conducted the proposed activity immediately preceding the date of the application and where within those areas the activity took place;
9. Make, model, year, color, and state license number of each motor vehicle to be used in connection with the proposed activity;
10. Social security number, date of birth, and drivers license or state or tribal identification card number;
11. Passport information and visa status if the applicant is not a United States Citizen;
12. The name, address and phone number of the person or company employing the individual, if different from the information in sub-paragraph 5 above; and
13. A copy of all documents to be used by the applicant in the regulated activity.
14. Phone number(s) for the applicant;
15. All names of employees or multiple persons under one license.
16. Mobile Food Unit Additional Requirements

    a. Valid copies of all necessary licenses or permits required by the state or county.

    b. Pictures of mobile food unit vehicle and a site plan showing location of vehicle on the property. Plans and specifications for non-vehicular mobile food stand or unit and a site plan showing the proposed of stand or unit on the property.

c. A copy of the written permission from the property owner or property owner's agent where the mobile food vendor will be conducting business.

d. A list of other communities or locations where the applicant has been a mobile food vendor.

§ 245-6. Photographs.

Each individual who will be conducting the regulated activity on behalf of the partnership or organizational applicant (including the applicant) must submit two copies of a recent photograph, showing the head and shoulders of the person in a clear and distinguishable manner. An application is not complete until the required photographs are supplied.

§ 245-7. Fees, Duration.

The application must be accompanied by the required license fees specified in the city fee schedule, which may be amended from time to time by action of the City Council. A license is valid only for the time periods in the calendar year in which it is issued. No fees are required of individuals taking orders for the shipment of goods through interstate commerce.

§ 245-8. Investigation, Issuance, Denial.

1. Within five working days after a complete application is submitted, the Police Department will conduct an investigation regarding the information provided in the application and the eligibility for a license. The City Clerk will issue a license only to eligible people. The license shall bear the name of the applicant; and in the case of additional employees or multiple persons, a copy of the license shall be issued that bears their name and photograph. That copy shall correspond to the copy of record retained by the City. Any alteration of that license and/or photograph invalidates the license.
2. The City Clerk may not issue a license if there are circumstances indicating that the intended recipient may not honestly, lawfully, and safely conduct the proposed regulated activity. The City Clerk must notify an applicant in writing of a denial of a license, specifying the reasons. The applicant may appeal the denial by submitting to the City Clerk a written request within ten days after the denial asking to address the City Council. The City Council may refer the matter to an independent hearing officer or may consider the appeal itself. The City Council or hearing officer may deny a license and/or identification card when they believe such action will protect the public health, safety, or welfare.

§ 245-9. Standards of Conduct.

1. Except for those people specified in section 245-4, a person may conduct regulated activity in the city only if they carry a license with attached photograph identifying the person has been issued a license and it has not been revoked, suspended, or impounded. The license and attached photograph must be shown upon request.
2. A licensee must not transfer its license to another person. A license that has the photograph removed is invalid. Use of that invalid license is a violation of this chapter.
3. A person must not use a license issued to someone other than that person.
4. A person conducting regulated activity must not go onto private property for that purpose when there are signs prominently posted indicating that trespassing and/or solicitation is unwelcome or prohibited.
5. A person must not be on a street, highway, or adjacent boulevard and direct regulated activity toward the occupants of any motor vehicle in transit and must not obstruct the free flow of vehicular or pedestrian traffic on any public street, sidewalk, or other public right-of-way.
6. A person must not conduct regulated activity in a manner that creates a health or safety hazard. No person shall call attention to their business or items to be sold by means of blowing a horn, whistle, bell, or crying out or by any other noise, so as to be unreasonably audible within an enclosed structure.

7. A person must conduct regulated activity in a reasonably courteous manner at all times, must not engage in offensive, obscene, or abusive language, must not push open a door not opened by an occupant, must not place any portion of the person's body through an opened doorway without the invitation of an occupant, and must not physically attempt to stop an occupant from closing a door.
8. A licensee must immediately leave private property when requested to do so by an occupant or owner and must leave immediately upon completion of a transaction or an unsuccessful attempt to contact an occupant.
9. A licensee entering onto residential property must go directly to a door of the house, unless there is an adult present outside of the house or in an open garage. At no time may a licensee go to a window or to the back yard, unless invited to do so by the occupant.
10. A person conducting regulated activity must not make untrue statements to the people contacted regarding the purpose of the contact, orders placed by the neighbors, or the goods and services offered.
11. A licensee must not make statements to the people contacted indicating or implying that the city license constitutes an endorsement of their activities or products by the city.
12. While conducting regulated activity, a licensee must not be accompanied by a person who is not licensed or is not listed in the license application.
13. No person shall conduct business in residential zoned areas before 10:00 a.m. or after 7:00 p.m.

§ 245-10. Mobile Food Units.

1. State License. Mobile food units shall hold a valid license from the State of Minnesota Department of Health or Department of Agriculture. A license is valid for one vehicle or stand. Any conditions of the State Health Department shall be incorporated into the license issued under this Section. A copy of the license shall be submitted to the City.

2. Insurance. A certificate of insurance evidencing the following forms of insurance. The certificate shall be submitted to the City:

a. Commercial general liability insurance, including products and completed operations coverage, with a limit not less than one million dollars ($1,000,000) for each occurrence / two million dollars ($2,000,000) aggregate.

b. Automobile liability insurance with a limit not less than one million dollars

($1,000,000) combined single limit.

c. The City of Isanti shall be named as an additional insured and provided with a certificate of insurance.

d. A signed statement that the licensee shall defend and indemnify the City, its officers and employees for any claims for damage to property or injury to persons which may be occasioned by any activity carried on under the terms of the license.

3. Duration of sales and unit standards. A license shall be valid for one year. The license is valid for one vehicle or stand only. The mobile food unit can operate in the same location for a time period not to exceed 6 months. The unit, stand or vehicle must not have rust, peeling paint, dents and must be maintained in a professional manner. The vehicle or stand must be approved for aesthetics by the City. The license must be displayed in plain view on the vehicle/stand.

4. Overnight storage. No overnight storage of a mobile food truck on city property, including public rights of way, shall be permitted.

5. Signs. No mobile food unit shall use exterior signage (unless issued a temporary sign permit), flags, feathers, banners, bollards, or any other equipment not contained on or within the vehicle or stand.

6. Noise and Lighting. No shouting, blowing a horn, ringing a bell, or use of any sound devices upon any streets, alleys, parks, or other public places of the city or upon any private premises in the city. No vendor shall use or maintain any outside amplifying equipment, televisions, or similar entertainment devices. Lighting will be downcast, concealing light source from view, and must not spill onto adjacent properties and right of ways. Ice cream trucks traveling through a

residential district may have outdoor music or noise-making devices to announce their presence.

7. Parking. Mobile food trucks must be located on a paved surface. A mobile food unit may not operate in a traffic lane, on a sidewalk, or in any location which causes an obstruction of traffic, such as queuing of patrons or advancement of vehicles. A pedestrian walkway of 6 feet must be maintained on the service side of the vehicle.

8. Hours of operation. Hours of operation shall be allowed from 8:00 a.m. to 10:00 p.m. In the case of an event authorized under a special event permit, the hours will match the time period indicated in the permit.

9. Waste disposal. Mobile food units shall provide waste disposal, clean up all litter and garbage generated by this use and maintain their site in a clean and hazard free condition. All waste liquids shall be kept in leak proof, nonabsorbent containers which shall be kept covered with tight fitting lids and properly disposed of. No waste liquids, garbage, litter or refuse shall be dumped or drained into the sidewalks, streets, gutters, drains or public trash receptacles. The licensee shall be responsible for all litter and garbage left by customers.

10. Self-containment. Mobile units can't connect to public utilities unless on private property through agreement with the property owner. No power, cable or equipment shall be extended at any grade across any city street, alley, or sidewalk. Any generators must be self-contained and any noise created by their operation shall not cause a public nuisance, as per Chapter 216, Nuisances.

11. Inspections, Mobile units shall comply with all applicable Fire Codes and may be inspected by the City prior to operation.

12. Locations. Mobile food units shall only be allowed to operate on private property in zoning districts where retail sales are allowed as permitted or conditional uses under the City's zoning codes. Mobile food units may be allowed in public rights of way, residential or park zoning districts in conjunction with an approved special event permit.

13. The mobile food vendor shall not set-up in a manner so to create a traffic hazard and follow police orders. The mobile food unit shall not have a drive through. Ingress and egress to private property shall be through existing driveways only.

14. Mobile food units providing external seating must not block any sidewalk or driveway area or occupy any required parking spaces.

15. Ice cream novelty trucks are allowed to operate within the public right of way in residential districts.

16. Mobile food units are prohibited from vending activities within 150 feet of a food service building or within 500 feet of a community event, unless part of the sponsor license and/or special event permit for the event.

17. No mobile food unit shall sell alcoholic beverages.

18. Mobile food unit vendors shall maintain a fire extinguisher at all times.

19. Mobile food vendors shall maintain their immediate sales location in a clean and hazard free condition.

20. The mobile food vendor shall not operate in such a manner so as to constitute a public nuisance.

§ 245-11. Exclusion by Placard.

No peddler, solicitor or transient merchant, unless invited to do so by the property owner or tenant, shall enter the property of another for the purpose of conducting business when the property is marked with a sign or placard at lease four inches long by four inches wide with print of at least 48 point in size stating "No Peddlers, Solicitors, or Transient Merchants" or "Peddlers, Solicitors and Transient Merchants Prohibited" or other comparable statement. No person other than the property owner or tenant shall remove, deface or otherwise tamper with any sign or placard under this section.

§ 245-12. Special Events.

The following standards shall apply to all events that are authorized by a special event permit.

1. It is not necessary for each transient merchant or mobile food unit to obtain a license under this chapter provided

that the sponsor, promoter or organizer of the event obtains a permit and maintains a list of all participants and assumes responsibility for their activities and conduct.

2. The sponsor, promoter or organizer of the event may designate where peddlers and transient merchants and mobile food unit set up their booths, sales stands or vehicles.

§ 245-13. Suspension; Revocation.

1. The city may suspend or revoke an identification card and/or license, if the person who is the acting on behalf of the licensee, or the licensee has:
   a. Violated a provision of this section, or other local laws governing the same activity, during the license period;
   b. Violated a criminal law during the license period that adversely reflects on the ability to honestly, safely, or lawfully conduct the regulated activity; or
   c. Submitted false information or omitted material information in the licensing process required by this section.
2. If a license is revoked or suspended, all licenses issued to people acting on behalf of the licensee are automatically revoked or suspended.

§ 245-14. Penalty, Enforcement.

1. The Chief of Police, and their designees are authorized to enforce this ordinance. They may impound a license when a person has been found violating a provision of this chapter, when cause exists for suspending or revoking the license, or when the license has been suspended or revoked. When impounding a license, the official must send a notice to the licensee and at the address on the application form, giving the parties ten days to submit a written request for a hearing before the city council. Failure to timely request an appeal constitutes a waiver of that appeal and results in an automatic suspension of the license or card for three years.
2. Any person violating any provision of this chapter shall be guilty of a misdemeanor, and upon conviction thereof, shall be punished by a maximum fine of $1,000 or a term of imprisonment not to exceed 90 days, or both, plus costs of prosecution in either case.

Section 3 – Effective Date. This ordinance becomes effective on the date of its publication in the city's official newspaper.

Adopted by the City Council this 4 day of March 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: March 4, 2020
Subject: Resolution Adopting Policy to Waive Specified Fees for Qualified Non-Profit and Tax-Exempt Organizations in the City of Isanti

---

At the February 18, 2020 City Council meeting, Council made it clear to amend Chapter 245 Peddlers, Solicitors and Transient Merchants to include an exemption for non-profit and tax-exempt organizations from needing to apply or pay the permit fee. It was also expressed that non-profits and tax-exempt organizations shall not pay an Administrative Permit. A permit would still need to be filed with the City.

Application and related fees per the Fee Schedule will apply for all other permits and facilities not defined within the attached Resolution unless exempted by the applicable Ordinance.

Action Required:
If the Council concurs to allow Staff to waive the permit application for Administrative Permits upon receipt with proof of qualified status, it should by motion, approve the Resolution as written.

Attachment:
- Resolution 2020-XXX

RESOLUTION 2020-XXX

ADOPTING POLICY TO WAIVE SPECIFIED FEES FOR QUALIFIED NON-PROFIT AND TAX-EXEMPT ORGANIZATIONS IN THE CITY OF ISANTI

WHEREAS, the City Council supports the efforts by qualified non-profit and tax exempt organizations that educate and enhance the lives of the youth and young adults of the City of Isanti; and,

WHEREAS, the City charges fees for permits to defray administrative and operational costs; and,

WHEREAS, the City Council desires to assist with the efforts of qualified non-profit and tax exempt organizations with such programs that benefit the citizens of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to waive the following fee for a specified permit, with said process and steps that are hereby listed below and made a part of this resolution.

1. City staff are authorized to waive the following permit fee:

    a. Administrative Permit

2. A qualified non-profit and tax exempt organization serving youth and young adults in the City of Isanti shall submit proof of non-profit and/or tax exempt status for waiver of the permit fee as specified in paragraph 1 to the City Administrator or their designee.

3. The organization must also submit any other permit application as required by the City. Timelines for submission of proof of non profit and/or tax exempt status as outlined in paragraph 2 shall follow the same timeline as required for the processing of a permit.

This resolution was duly adopted by the Isanti City Council this 4th day of March, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: March 4, 2020
Subject: Resolution 2020-XXX granting an extension to the recording of final plat Legacy Pines 2nd Addition

---

Background:
On November 5, 2019 the City Council approved the development agreement and final plans for Legacy Pines 2nd Addition. This document along with the plat are required to be recorded before any development can begin.

According to City Code, Final Plats are to be recorded within 90 days of approval, in this case that deadline is March 6, 2020. The developer, Jason Bebeau, Everpine Land Holdings, is requesting and extension of 60-days to record the plat. He is requesting the extension stating that early winter conditions affected the timing to record the plat.

With a winter approval it is common for developers to wait to record their documents, if they can't prep the site it doesn't make sense for them to pay their development fees and let it sit over winter. The extension if granted will for May 6, 2020. If the extension is granted the 2019 fees as shown in the approved development agreement will apply. If the extension is not granted then the fees should be revised to 2020 fee schedule and the development agreement will need to be amended. Staff can support the extension but recommends that if it is not filed by this deadline he will need to reapply and all fees are updated per the 2020 fee schedule.

Request:
Consider resolution to extend the recording of the plat for 60-days.

Attachments:
- Resolution 2020-XXX
- Letter of request
- Resolution of approval 2019-289

RESOLUTION 2020-XXX

APPROVING THE EXTENSION OF RECORDING OF THE FINAL PLAT FOR LEGACY PINES 2ND ADDITION

WHEREAS, Odyssey Homes, Inc. has an approved final plat known as Legacy Pines 2nd Addition consisting of 33 residential lots; and,

WHEREAS, a Development Agreement for Legacy Pines 2nd Addition has been approved by the City Council of the City of Isanti; and,

WHEREAS, Subdivision Ordinance 536, Article 6, Subdivision 1 (I) requires all plats shall be recorded with the County Recorder's Office within ninety days after the date of approval;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves the extension for 60-days to record the plat.

This Resolution hereby approved by the City Council of the City of Isanti this 4th day of March, 2020.

Isanti, MN 55040

RE: Legacy Pines 2nd Addition
Request for Extension

Dear Sheila:

I am writing this to request an extension on the time to file the plat for Legacy Pines 2nd Addition.

Given the timing of the City Approvals last Fall along with the early onset of Winter, we were not able to get the plat recorded as we would of liked. I am requesting a 60-day extension from the City in order for us to get this accomplished.

I thank you and the City Council in advance for your consideration and assistance with this project.

Sincerely,

Jason Bebeau
Everpine Land Holdings

RESOLUTION 2019-289

APPROVING THE DEVELOPMENT AGREEMENT FOR LEGACY PINES 2ND ADDITION

WHEREAS, Odyssey Homes, Inc. has an approved final plat known as Legacy Pines 2nd Addition consisting of 33 residential lots; and,

WHEREAS, a Development Agreement for Legacy Pines 2nd Addition has been prepared and reviewed by the Developer and is ready for consideration by the City Council of the City of Isanti;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota hereby approves this Resolution with the following conditions:

1) A Letter of Credit in an amount approved by the City Engineer and in form approved by the City Attorney is submitted to the City.

2) Prior to the signing of the development agreement any outstanding escrows, fees and/or financial guarantees, as stated within the development agreement, shall be established and/or paid.

IT IS FINALLY RESOLVED, that the City Council of the City of Isanti, Minnesota hereby direct the Mayor and City staff to execute said development agreement.

This Resolution hereby approved by the City Council of the City of Isanti this 5th day of November, 2019.

Memo for Council Action

To: **Mayor Johnson and Members of City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: March 4, 2020
Subject: Resolution 2020-XXX Amending the Lease Agreement with Rum River BMX - Special Event Paid Parking Agreement

---

Background:
On request by RRBMX, amending the terms was discussed at the COW meeting on April 16th, 2019 to allow for fees to be collected on additional lots and for the City to assist RRBMX in securing National events. RRBMX also requested to have the city "loan" $8,000 in order for RRBMX to secure a National event. Staff had the city attorney review the "loan" request. The city attorney has informed us that there is no legal basis for granting such a loan. Staff has included a new draft for the agreement, which includes a 50/50 split in parking revenue fees.

Recommendation: Staff is recommending that the parking fee revenue be split with RRBMX 50/50 for Tier 2 events. Tier 1 events to be split at 50/50 after the initial $8,000 is met in parking fee revenue.

Request:
Staff is requesting action on this item.

- Draft Amended Exhibit G – Special Event Paid Parking Agreement and Map

RESOLUTION 2020-XXX

AMENDING THE LEASE AGREEMENT WITH RUM RIVER BMX ASSOCIATION EXHIBIT G – SPECIAL EVENT PAID PARKING AGREEMENT

WHEREAS, the Tenant, Rum River BMX Association (RRBMX) and the City of Isanti desire to modify the Lease Agreement to include an update to Exhibit G - Special Event Paid Parking Agreement; and,

WHEREAS, city staff updated the Special Event Paid Parking Agreement to address use of additional parking areas, which includes the south gravel soccer complex parking lot North off of Isanti Parkway NW next to the Public Works complex, and the south paved parking lot of Bluebird park; and,

WHEREAS, the City of Isanti will invoice RRBMX following an event for 50% of the revenue of all tickets not returned on Tier 2 events; and,

WHEREAS, the City of Isanti will invoice RRBMX following an event for 50% of the revenue of all tickets not returned on Tier 1 events, after the initial $8,000 has been met; and,

WHEREAS, the Lease Agreement in its entirety with Exhibit G shall supersede all previous versions,

NOW, THEREFORE, IT IS HEREBY SUPERCEDES RESOLUTION by the City Council of the City of Isanti, Minnesota to approve the amendment to the Rum River BMX Lease Agreement, Exhibit G – Special Event Paid Parking Agreement as attached as 'Appendix I".

This resolution was duly adopted by the Isanti City Council this 4th day of March, 2020.

EXHIBIT G
Special Event Paid Parking Agreement

Intent
It is the intent of this Special Event Paid Parking Agreement for the City of Isanti and the Rum River BMX Association to establish an understanding of both the City's and the Association's respective responsibilities with regards to use of the overflow parking space at the Isanti Indoor Arena (IIA) and the surrounding area (see Map 1), including associated parking fees. This agreement may be amended from time to time by agreement of both parties, and may be terminated at anytime with or without cause by not less than 6 months written notice to the other party. So long as this agreement is in place it shall be reviewed every two (2) years, the start date of which is August 1, 2018. The City of Isanti shall make its best efforts to notify the Rum River BMX Association whenever this policy is discussed in the future.

Purpose
The purpose of this Special Event Paid Parking agreement is to ensure that the City of Isanti does not incur costs associated with maintenance of the affected property due to uses beyond those normally associated with public open spaces. The types of events that are taking place at Isanti Indoor Arena (IIA) will be categorized as Tier 1 or Tier 2. Tier 1 events will be National or Gold Cup series events. Tier 2 events will be District or State series events. The category must be included on the Special Event Permit Application. It shall be noted that all other Special Event parking must take place on designated/approved areas. Rum River BMX Association may be permitted to use parking lot A for team canopies and event activities other than parking during Tier 1 events, as long as this use is clearly indicated in the Special Event Permit application.

Description of Open Space and Parking Lots
The use of the open space and parking lots, hereafter referred to as "Overflow Parking,"
Parking Lot A: paved parking lot west of and adjacent to the IIA building
Parking Lot B: small paved parking lot on north end of Bluebird park to the east of 1st Ave NW
Parking lot C: grassy area south of IIA (101 Isanti Parkway NW, Isanti, MN 55040) in Bluebird Park (201 Isanti Parkway NW, Isanti, MN 55040) from the paved trail south of the parking lot south to 1st Avenue NW, and from the tree line east to the storm pond;
Parking Lot D: gravel parking lot on the south end of the Cambridge-Isanti soccer complex,(north of Isanti Parkway NW)
Parking Lot E: south paved parking lot in the south end of Bluebird Park to the east of 1st Ave NW

A map of the Overflow Parking areas is attached to this agreement as Map 1.

Use of Overflow Parking
Parking in the overflow parking areas shall only be permitted through the filing and approval of a Special Event Permit application by Rum River BMX Association to the City of Isanti. Written approval from the Cambridge-Isanti Soccer Club must be included in the permit application for use of parking lot D. Such application is required no later than thirty (30) days prior to the event start date. Passenger vehicles may be parked in all the designated overflow parking areas for the duration of an event. Recreation Vehicles (RVs) may only be parked in parking lot C for the duration of an event, including overnight camping, as long as such use is requested in the Special Event Permit application.

Overflow Parking Fees
In such instances when overflow parking has been granted, Rum River BMX Association will be responsible for collecting user fees, the amounts of which will be identified within the Special Event Permit application. Parking lots C, D and E are granted paid parking permission for Tier 1 events. Parking lot C is granted paid parking permission for Tier 2 events.

An RV fee will be assessed to a truck and trailer or self-propelled recreational vehicle; the parking permit of which will remain with the "engine." Recreational towed vehicles will be assessed the same fee as a car or truck. There will be no fees charged for cargo trailers. Car and/or tent camping will be allowed and vehicles will be assessed the car/truck fee. RV parking/camping will only be allowed in parking lot C for any type of event.

The City of Isanti will receive a percentage of parking revenue and Rum River BMX Association will receive a percentage of parking revenue based on events type (Tier 1 or Tier 2). These percentages will be based upon events that are occurring at the IIA. The breakdown for the revenue generated from parking fees will be divided up as follows:

- Tier 1 events will include a split of 50% to the City of Isanti and 50% to the Rum River BMX. (includes parking lots: C, D and E)
    - When a national event is secured by RRBMX, 100% of the parking fee revenue will go to RRBMX until $8,000 is met and then the parking fee revenue will be split 50/50
- Tier 2 events will include a split of 50% to the City of Isanti and 50% to the Rum River BMX. (includes parking lot: B and C)

The City of Isanti will issue numbered parking passes to the Rum River BMX Association prior to approved events. Parking passes must be displayed on paid vehicle dashes. Rum River BMX will be responsible for returning all unused passes, and will be invoiced for 75% or 50% of the revenue for all passes not returned, depending of event type. Passes must be returned to the City of Isanti within ten (10) businesses days after the end of each event. The City of Isanti will invoice the Rum River BMX Association within thirty (30) days of receipt of the returned parking passes.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: March 4th 2020
Subject: 2020 Budget Amendment

Background:
Per discussion and the recommendation of the Committee of the Whole from the February 18th 2020, the attached resolution would authorize Finance Director Betker to amend the budget to transfer $82,026 from Fund 920 to the General Fund.

Recommendation:
Committee of the Whole discussed the proposed amendment February 18th 2020 and recommends approval as presented.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following action:

1. Approve Resolution as written.

Attachments:

- Res 2020-XXX Approving Amendment to the 2020 Budget

RESOLUTION 2020-XXX

APPROVING AMENDMENT TO THE 2020 BUDGET

WHEREAS, on December 3, 2019 the City Council approved the City of Isanti 2020 Budget; and,

WHEREAS, at its February 18th 2020 meeting the Committee of the Whole recommended a transfer from Fund 920 to the General Fund in the amount of $82,026; and,

WHEREAS, the Isanti City Council authorizes a transfer of $82,026 from the Capital Maintenance and Replacement Fund (Fund 920) to the General Fund (Fund 101);

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to authorize the Finance Director to amend the 2020 budget.

This Resolution is hereby approved by the Isanti City Council this 4th day of March, 2020.

MEMO for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: March 4, 2020
Subject: Resolution to Approve Memorandum of Understanding with the City of Cambridge for Administrative Citation Hearing Officer

---

Robert Roby has been the City of Cambridge's administrative hearing officer since 2014 and has agreed to continue with contract for another year. Since 2014, the City of Isanti has obtained a Memorandum of Understanding (MOU) with the City of Cambridge to also use Robert Roby's services. The fee for his services is $75.00 per appeal hearing, $225.00 per hour for hearings that require additional testimony or process time. The City of Cambridge will be voting on the Administrative Hearing Officer Service Provider Agreement on March 2, 2020.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, approve Resolution as written and approve signature of the MOU.

Attachments:

- Resolution 2020-XXX
- Administrative Hearing Officer Service Provider Agreement Draft
- MOU for Administrative Citation Hearing Officer with City of Cambridge.

RESOLUTION 2020-XXX

APPROVING EXTENSION OF MOU WITH THE CITY OF CAMBRIDGE FOR ADMINISTRATIVE CITATION HEARING OFFICER SERVICES

WHEREAS, the City provides for the issuance of administrative citations for specific traffic offenses designated at Minn. Stat. § 169.999, subd. 1(b)(1), (2) and (3), in the amount designated at Minn. Stat. §169.999, subd. 5, as it may be amended from time to time; and,

WHEREAS, the City Council has approved City Code Chapter 65, Administrative Penalties which authorizes issuance of administrative citations for specified City Code violations; and,

WHEREAS, since 2014 the City has entered into a Memorandum of Understanding with the City of Cambridge to provide Administrative Citation Hearing Officer Services to the City of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1) The City hereby approves extension of the Memorandum of Understanding, 'Exhibit A' that provides the services of a neutral third party through a joint powers agreement with the City of Cambridge and appoints said neutral third party to hear and rule on challenges to administrative traffic citations and administrative citations for city code violations. Such appointment shall be an unbiased non–employee. In the event the MOU is terminated, the city will contract with a qualified private company to provide a neutral third-party Hearing Officer. The contract shall be for a two-year period and shall expire on February 28, 2022, unless terminated at an earlier date.

2) The City of Isanti shall make payment to MN Mediation Services, LLC, Robert C. Roby, for Administrative Citation Hearing Officer services rendered at the rate of $75.00 per appeal hearing, 20-minute allotment, and $225.00 per hour for additional time. In the event City of Isanti services are held in Cambridge, for convenience of the Hearing Officer, invoices sent from the City of Cambridge shall be paid in the place of payment directly to MN Mediation Services, LLC.

The motion for the adoption of the foregoing resolution was proposed by Councilmember Lundeen and was duly seconded by Councilmember Bergley and upon vote being taken thereon, the following voted in favor: _____. And the following voted against the same: _____.

This Resolution is hereby approved by the Isanti City Council this 4th day of March, 2020.

Attest: Mayor Jeff Johnson

Administrative Hearing Officer Service Provider Agreement

The City of Cambridge and Robert Roby hereby enter into a contract for administrative hearing officer services. The administrative hearing officer will handle administrative citation appeal hearings for administrative citations pursuant to Minnesota Statutes which requires cities to provide a "civil process" for citation appeals and retain a "neutral third party to hear and rule on challenges" to a citation. Under this agreement, these services may be provided to another governmental entity pursuant to a Joint Powers Agreement through the City of Cambridge.

Duties
Act as the neutral presiding officer who conducts the appeal hearing, actively listen to the evidence and arguments of the parties, and issue a final decision. The Administrative Hearing Officer must prepare written findings of facts after the conclusion of the hearing supporting his decision as to whether or not the appeal was granted or denied by applying deductive and inductive reasoning. The written findings of fact must be provided to the City and appellant within five business days of the hearing date.

Hearings must be tape recorded on recording equipment and provided by the entity hosting the hearing location. The proceedings will not be as formal as a court of law, but should be modeled after an administrative law judge proceeding. Other municipal jurisdictions, such as the City of Isanti, and the City of Braham may be served under the terms of this agreement.

Compensation
Compensation will be based upon a per citation hearing basis of $75 per appeal hearing.

The City of Cambridge will try to schedule hearings for one day per month between the hours of 8:00 am – 4:30 pm. Hearing locations will alternate between Cambridge City Hall, Braham City Hall, and Isanti City Hall. The hearing schedule will depend upon the demand for appeal hearings. Hearings will be booked in 20-minute increments for hearings without witnesses other than appellant and scheduled together so that there are not gaps in the hearing schedule whenever possible. Hearings that require additional testimony or process time will be scheduled separately and billed at $225 per hour. Hearing dates will be negotiated between the governmental entities and the administrative hearing officer so a mutually agreed upon schedule can be developed.

Contract Period
March 1, 2020 – February 28, 2022.

Termination
Either the City of Cambridge or the Service Provider may terminate this agreement upon 60 days written notice prior to the effective date of termination of the agreement. The agreement shall

thereafter be deemed terminated as of the effective date specified in said notice, or as of the 60th day following the date said notice is hand delivered or mailed by first class US Mail, postage prepaid from the party electing to terminate the agreement to the other part, whichever of said dates is later.

For the City of Cambridge:

Jim Godfrey, Mayor

MEMORANDUM OF UNDERSTANDING
ADMINISTRATIVE CITATION HEARING OFFICER

This memorandum of understanding (MOU) is made and entered into as of this 2nd day of March, 2020 between the City of Cambridge, a Minnesota municipal corporation, and the City of Isanti, a Minnesota municipal corporation.

PURPOSE
Pursuant to Minnesota Statutes §471.59 which authorizes the joint and cooperative exercise of powers common to contracting parties, the City of Isanti desires to enter into an MOU with the City of Cambridge in order to provide contracted personnel for Administrative Citation Hearing Officer services (known as Service Provider) pursuant to the terms of a contract that the City of Cambridge has with the Service Provider (the "Service Provider Agreement" a copy of which is attached as Attachment One) and which the City of Isanti has reviewed and approved of.

PROCEDURE
The City Administrator (or designee) of Isanti shall contact the Service Provider, and establish a working relationship and mutually beneficial schedule whereby the Service Provider can be available in each city to perform contracted services. Each City will provide a room accessible to the public where hearings on appeals of Administrative Citations from the city will be heard. Under the direction of their respective City Administrators, the Police Chiefs of the City of Cambridge and Isanti shall set out the contract between the Service Provider and the City of Cambridge. In the event of any proposed change in the terms of the contract with the Service Provider, the City Administrator (or designee) of Cambridge shall notify the City Administrator (or designee) of Isanti of the proposed change, and the City of Isanti shall have not less than 30 days to approve such change or to notify the City of Cambridge of its election to terminate its participation under this memorandum.

COMPENSATION
On a monthly basis, the City of Cambridge will provide the City of Isanti with an invoice for the cost of contracted services attributable to the City of Isanti. These charges will be in conformance with the Service Provider Agreement and will be paid within 30 days of the receipt of invoice.

LIABILITY & INDEMNIFICATION
The City of Cambridge shall be solely responsible for and shall hold the City of Isanti harmless from any liability, judgments, loss, costs, or damage, including any costs of defense or settlement incurred as a result of any worker's compensation claims made by any employee of the City of Cambridge resulting from any services provided to the City of Isanti under this MOU by any employee of the City of Cambridge resulting from any services provided to the City of Isanti under this MOU by any employee of the City of Cambridge and from any alleged negligence or intentional wrongful acts committed by an employee or agent of the City of Cambridge while providing services for the City of Isanti pursuant to the provisions of this MOU.

The City of Isanti shall be solely responsible for and shall hold the City of Cambridge harmless from any liability, judgments, loss, cost, or damages, including any cost of defense or settlement incurred as a result of any workers compensation claims made by any employee of the City of Isanti or for any alleged negligence or intentional wrongful acts or omissions of any employees or any agents of the City of Isanti (other than employees or agents of the City of Cambridge providing services pursuant to this MOU) which pertain in any manner to this MOU.

Nothing herein shall be deemed a wavier by either party of the limitations on liability set forth in Minnesota Statutes, Chapter 466: and neither party is required to indemnify the other in any amount in excess of the limits set forth in

Minnesota Statutes, Section 466.04, less any amount the indemnifying party is required to pay on behalf of itself, its officers, agents and employees for claims arising out of the same occurrence.

EXECUTION AND TERMINATION

Upon the adoption of this memorandum of understanding by the governing bodies of the Cities of Cambridge and Isanti, a signed copy of this MOU shall be forwarded to each City. The MOU shall be effective at such time and date the agreement was adopted and the MOU has been duly signed on behalf of each City. The agreement shall be run from March 1, 2020 – February 28, 2022 unless terminated sooner.

Either the City may terminate this MOU as follows: a written notice shall be given by the City Administrator (or designee) of the City electing to terminate this MOU to the City Administrator (or designee) of the City to be notified of the termination of at least 30 days prior to the effective date specified in said notice, or as of the 30th day following the date said notice is hand delivered or mailed by first class US Mail, postage prepaid from the party electing to terminate the MOU to the other party, whichever of said dates is later.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME LIQUOR STORE CLERK TO SCOTT NORSWORTHY

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the staff was directed to advertise and accept applications to fill a Liquor Store Part-Time Clerk position; and,

WHEREAS, Scott Norsworthy was selected as the most qualified candidate for the open Part-Time Liquor Store Clerk position. Offers are contingent on successfully passing a background check and reference check. If any of the mentioned contingencies are not met, the offer can and will be rescinded;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Part-Time Liquor Store Clerk position to Scott Norsworthy for the City of Isanti and that she shall be eligible to start in that position on or after March 4th 2020.
2. This position is part time and not eligible for benefits.
3. That Scott Norsworthy shall start at Step 1 of the Wage Scale at $11.89 per hour.
4. That Scott Norsworthy shall be on probationary status per the Personnel Policy in the position of the Part-Time Clerk position.
5. That Human Resources is directed to complete all required documentation for the completion of the employment offer.
6. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

CITY OF ISANTI

REQUEST FOR PROPOSALS

UNIFORM & RUG SERVICES

Proposals Due: March 27, 2020

I. INTRODUCTION

This request has been prepared by the City of Isanti to retain uniform and rug services from a qualified business.

The primary objective of requesting proposals is for the City to determine which parties can offer the highest quality of service at the most reasonable cost.

II. INSTRUCTIONS FOR PROPOSERS

A. The City will accept electronic or written proposals. Responses must clearly address all of the items listed in this request for proposal. Parties choosing to submit a written proposal please submit to:

Katie Brooks
Human Resources/City Clerk
City of Isanti
110 1st Ave NW P.O. Box 428
Isanti, MN 55040

Electronic proposal submissions are to be attached to an email with the subject line "Isanti Uniform & Rug Services Proposal" Questions or request for clarification may be directed to Katie Brooks, Human Resources/City Clerk by phone at (763) 444-5512 or via email at KBrooks@cityofisanti.us.

B. **All proposals must be received no later than 4:30 pm on Friday, March 27, 2020**. Any vendors submitting proposals after the date and time listed above are not guaranteed consideration. Proposals submitted should be clearly labelled "Proposal for Rugs & Uniforms".

III. SERVICES / SCOPE OF WORK:

The City is seeking proposals from qualified parties interested in providing both uniform rental/lease (and laundry servicing) as well as rug servicing. The service requirements outlined below are the current needs of the City of Isanti.

City Location	Product/Item Needed	Quantity Needed	Frequency Serviced
Isanti Liquor Store	3 x 4 Mat	2	Weekly
	4 x 6 Mat	2	Weekly
	3 x 10 Mat	3	Weekly
	3 x 5 Scraper Mat	1	Weekly
	Wet Mop	2	Weekly
	24" Dust Mop	2	Weekly
	Bar Towels	75	Monthly
Isanti City Hall	4 x 6 Mat	4	Weekly
	4 x 6 Mat	2	Bi-Monthly
	3 x 10 Mat	1	Weekly
	5 x 8 Logo Mat	1	Weekly
Isanti Public Works	Industrial Shirts	5	Weekly
	Hi-Vis shirts	30	Weekly
	Jeans	35	Weekly

	Industrial Jackets	7	Weekly
	3 x 4 Mat	2	Bi-Monthly
	3 x 10 Mat	2	Bi-Monthly
	Air Freshener	2	Weekly
	Shop Towels	150	Bi-Monthly
Isanti Police Dept.	4 x 6 Mat	2	Bi-Monthly
	5 x 8 Logo Mat	1	Bi-Monthly
Isanti Comm. Center	4 x 6 Mat	2	Weekly
	3 x 10 Mat	2	Weekly
	Wet Mops	2	Bi-monthly
	Bar towels/rags	12	Bi-monthly

Rental/Lease Uniforms & Laundry Servicing:
Rental/lease proposals should include the cost associated with ongoing laundry and repair of these items for the length of the contract. The City is seeking proposals to supply full uniforms to the Public Works employees. The City wishes all shirts to include a City logo. The City is also requesting quotes on high visibility wear clothing, specifically t-shirts that are approved by OSHA standards. The attached worksheet details the items in which we are requesting to receive a quote.

Rugs & Towels
The City is seeking proposals to supply floor rugs and roll towels to City Buildings. The City is interested in seeing the costs associated with including our logo on some of the rugs. Parties interested in supplying rugs and rug services to the City are encourage to complete the attached worksheet. This worksheet indicates the number, size and desired change-out timeframe of rugs and roll towels for the City. The attached worksheet details the items in which we are requesting to receive a quote.

Other Charges
Please indicate in your proposal a list of all other charges that could be applied to the City of Isanti in your party's provision of uniform and rug services.

IV. PROPOSAL EVALUATION AND CONTRACT AWARD

A. The City intends to award a contract to the proposer(s) evaluated to be best qualified to perform the work for the City, cost and other factors considered.

B. The City shall not be liable for any expenses incurred by the proposer including, but not limited to, expenses associated with the preparation of the proposal or final contract negotiations.

C. The City of Isanti reserves the right to reject any and all proposals or to request additional information from any or all proposers.

D. It is anticipated that the City will establish a contract with a selected business for a five (5) year term. A contract for this term will be prepared and entered into with the successful proposer.

V. TERM OF CONTRACT:

The Contract Term shall be five (5) years; from April 8, 2020 to March 31, 2025.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey – Parks, Recreation & Culture Manager
Date: March 4th, 2020
Subject: Approving ASCAP Music License Annual Fee

Background:
In 2017, the city entered into an agreement with the American Society of Composers, Authors, and Publishers (ASCAP) for use of music at our facilities, which includes the street dances, Isanti community center and Isanti Municipal Liquor store. The city will continue this annual agreement to be shared among the Parks, Recreation and Culture and Liquor Store budgets.

Request:
To approve the fee of the annual ASCAP music license to be shared among the Parks, Recreation, and Culture and the Liquor Store budgets.

Attachment:
- Resolution 2020-XXX

RESOLUTION 2020 - XXX

APPROVING ASCAP MUSIC LICENSE ANNUAL FEE

WHEREAS, the City of Isanti is required to have an annual license through the American Society of Composers, Authors, and Publishers (ASCAP) for use of music at its facilities; and,

WHEREAS, live music is performed at Street Dances and recorded music is played at Isanti Liquor and Isanti Community Center; and,

WHEREAS, the annual fee is split among Parks, Recreation and Culture and Liquor Store budgets;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the annual fee for the ASCAP music license to be split evenly among the Parks, Recreation, and Culture and the Liquor Store dept budgets.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: March 4th 2020
Subject: Liquor Store Market Study

Background:
Per discussion at the January 27th 2020 Goal Setting meeting and the February 18th 2020 recommendation of the Committee of the Whole, the proposal to update the 2006 liquor store market study has been attached. Cost is $7,000 plus travel expenses. This is an unbudgeted item. The attached resolution would authorize Finance Director Betker to amend the budget for 609-49750-112 (Contracted Services) based on final actual costs.

Recommendation:
Committee of the Whole reviewed the proposal February 18th 2020 and recommends approval as presented.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, take the following action:

1. Approve Resolution as written.

Attachments:

- Res 2020-XXX Accepting Proposal for Municipal Liquor Store Market Analysis
- Proposal from Dakota Worldwide

RESOLUTION 2020-XXX

ACCEPTING PROPOSAL FOR MUNICIPAL LIQUOR STORE MARKET ANALYSIS

WHEREAS, the City of Isanti may be considering a Municipal Liquor Store Project that may include an addition to the existing Municipal Liquor Store or relocation of the facility; and,

WHEREAS, the City of Isanti desires to have a market analysis completed that will assist the City in evaluating the feasibility of a Municipal Liquor Store Project; and,

WHEREAS, Dakota Worldwide completed the last liquor store market analysis in 2006; and,

WHEREAS, the City of Isanti has received a proposal from Dakota Worldwide to update the 2006 market study in the amount of $7,000 plus travel expenses; and,

WHEREAS, the City of Isanti intends to amend the Liquor Store budget based on final actual costs; and,

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. The City Council hereby accepts the proposal from Dakota Worldwide for $7,000 plus travel expenses for the Municipal Liquor Market Analysis as outlined in their proposal.

2. The City Administrator and Liquor Store Manager are directed to work with the vendor on this analysis with the findings and recommendations reported back to the City Council.

3. The Finance Director is authorized to amend the Liquor Store budget for Contracted Services based on final actual cost.

This Resolution is hereby approved by the Isanti City Council this 4th day of March 2020.

Market Analysis Proposal
Isanti Liquor
Isanti, Minnesota

Scope of Project

The purpose of this project is to determine the feasibility of either expanding the existing Isanti Liquor store or relocating it to a new facility on Highway 65.

The project begins with field work. Competitors will be identified and evaluated based on facility size, sale volume and operations. Government officials for all the communities that will be affected by the new or enlarged liquor store will be queried. Building permits and subdivision activity reports will be reviewed to determine the potential market changes and population variances from the 2010 Census. Possible road changes that may affect traffic patterns will also be taken into consideration.

When the fieldwork is complete, our analyst will build a LOCUS™ model for the entire trade area. Once a model of the current marketplace has been constructed, The remodeled store and the new store will be introduced in the LOCUS™ model and three year sales forecasts generated.

Forecasts will be based on site characteristics, population changes, existing demographics and lifestyles, competitive strengths, and any possible market changes that are likely to occur.

The price for the entire project is $7,000 plus expenses. Expenses are essentially travel expenses for Dakota's market analyst.

Deliverables

Deliverables will include a competition map and a detailed report. The report will include:

- An executive summary of the market analysis findings
- Three year sales forecasts for all sites or sizes tested
- Trade area delineation and its adult population
- Current adult population estimates, and demographic based on Census 2010 and Synergos Technologies POPstats population estimates
- Future population estimates going out five years from the market date
- Competitive evaluations that include estimated sales volumes and sales per sales area square foot as well as a brief narrative about each competitor
- Site evaluation including photographs, the site's physical characteristics, traffic patterns, ingress/egress, parking, traffic counts and adjacent retail help
- Current market reports showing the marketplace as it exists today with the liquor potential, existing stores' images, and a summary of potential by sector.
- All market changes that may occur and affect sales in the projected marketplace.
- Projected future marketplace reports that show the dollars taken away from the competition, the effects of market changes if applicable, and the market shares by sector

Dakota Worldwide requires a 50% down payment before field work commences. Once a down payment is received, your project will be scheduled. Timing is approximately three weeks from the beginning of the field work to when the final report is delivered.

Thank you for your interest in having Dakota Worldwide as a partner in your endeavors to expand your liquor operations. Please do not hesitate to contact me if you have any further questions.

CITY OF ISANTI
PARKS, RECREATION, AND CULTURE BOARD MEETING MINUTES
February 25, 2020

Call to Order: Jenny Garvey – PRC Manager called the meeting to order at 6:02 p.m.

Roll Call: Members Present: James Witte, Aaron Zdon, Council Member Jimmy Gordon and Brian Thum
Staff Present: Jenny Garvey, Parks, Recreation, and Culture Manager

Agenda/Modifications: None added, motion by Witte, second by Thum to approve the agenda for February 25, 2020. Motion passed 4-0.

2. Meeting Minutes: Motion by Witte; second by Thum to approve meeting Minutes from January 28, 2020. Motion passed 4-0.

3. Discussion Items presented by PRC Board Member Thum: Thum brought to the board an idea of adding a walkway to connect the main Isanti Indoor Arena parking lot to the northeast parking lot in Bluebird Park. Thum is a frequent visitor to this facility. Thum added that this facility is getting more use and the extended parking areas are being utilized. One in particular is the parking lot that is in the northeast section of the park, just north of the skate park. The grass area between main parking lot, which runs along the tree line gets flooded or is very saturated with water throughout the year as it's a low lying area. Thum suggested a walkway be added to this area. Thum added that people have to walk along the street, which has no sidewalk to access the facility to avoid the grass area. There is a path that runs to the facility, but is south of the skate park and have to walk that distance to access the path. Zdon asked what the process was and if BMX was willing to help fund this project. Zdon also added that when the parking lot re-structure occurred a few years ago this idea was briefly discussed and he also agreed that this is an area that is difficult to walk through. Zdon and Thum were not sure if BMX would be in agreement with this addition. Zdon also added that this is a non-budgeted item this would need to be reviewed. Garvey added that this project would have to also meet ADA standards. The board discussed options and that maybe the city engineer could review this area. Witte clarified the area of question. Zdon continued that he would also like to see adding a pathway to the existing skate park and the parking lot. Zdon also commented that parking spaces would be lost with the addition of a walkway. Thum added that he has not talked or discussed this with the BMX board. Garvey added that City Engineer Jason Cook was in the audience, in which Cook reviewed that a culvert could be added and that the parking spots could be crossed off and labeled no parking, and a quick estimate was about $2,500. Cook also added there is a catch basin in this area and could maybe capture some of the water. Zdon added that he would prefer to have a walkway vs a catch basin. Thum agreed that he would also like to see the walkway option. Zdon added that in a prior PRC meeting the board had discussed the path in the south area that jogs out by the pleasure rink and straightening it out. Witte added that he also recalled this discussion. Motion by Witte, second by Thum, to look at the trails in the section in Bluebird Park by the skate park, the arena and the parking lots.

Thum also brought to the board to discuss the item of canopies to be set up along the tree line grass area and the parking lot. Zdon added that this was not a city/PRC rule, he recalled that this is a BMX item they had decided to put in place. Garvey continued that this is correct and that she reached out to BMX contacts and this was put in place by BMX, as cars were scratched by bikes. Garvey added that the restriction as a city for canopies is that they cannot be staked into the ground where the sprinkler system is in place.

The third item Thum brought to discuss was the idea of insect control around the staging area for racers in the IIA which is on the east side of the building and the rain garden is on this side of the building. Garvey commented that the rain garden is a pollinator area and mosquito control in the rain garden would not be possible. Thum added if there are any plants at that are a natural mosquito control. Garvey continued that she does not have that background knowledge but can look into this item further.

4. Department Updates:
Garvey reviewed that staff will move forward with the an egg hunt for 2021, a parade float option for 2020 and fireworks for 2020 after the parade in July. Garvey continued that a sledding hill will be added in 2020 to Bluebird Park and Public works will start this project in the fall timeframe. The spring newsletter will have a Parks calendar insert, so be on the watch for this when it is mailed out. It includes the events and a calendar

for 2020. The street dances are June 20, with The Farmer's Daughters, July 18 will be Brother Ferris and August 8 with The Brat Pack.

Adjournment: Motion by Witte, second by Thum to adjourn the February 25, 2020 meeting of the Parks, Recreation, and Culture Board. Motion passed 4-0, meeting adjourned at 6:25 p.m.

Respectfully Submitted
Jenny Garvey
Parks, Recreation, and Culture Manager

J. Public Hearings
1. Consideration of Development and Business Subsidy Agreement for BP Metals

Mayor Johnson shared that he toured BP Metals with City Administrator Josi Wood and Community Development Director Sheila Sellman. Johnson continued to share that it is a remarkable company with remarkable owners.

Mayor Johnson opened the Public Hearing at 7:03 p.m.

With no comments from the public, Mayor Johnson closed the Public Hearing at 7:03 p.m.

Motion by Bergley, second by Gordon to approve the request as presented. Motion passed 4-0. Motion carried.

2. 6th Avenue Rehabilitation - Improvement Hearing & Project Authorization

a. Resolution 2020-042 Authorizing Improvement on the 6th Avenue Rehabilitation Project

Mayor Johnson shared that an open house was held last Tuesday for this project.

City Engineer Jason Cook shared that 9 people attended the open house. Cook presented a slideshow relating to the project with proposed improvements such as reclaiming existing street section, patch concrete curb where needed, 5-foot concrete sidewalk along west side of 6th Avenue, replacing 6-inch watermain with 8-inch watermain and protect existing storm and sanitary sewer.

Mayor Johnson asked how thick the pavement currently is.

Cook stated it was found to be between two and a half and four and a half inches.

Johnson asked what thickness is standard.

Cook stated three and a half is standard and it was found that there was a little bit to be thicker than originally thought. Cook further shared that the street was constructed over three different phases and one of the phases went in a little thicker than the ones but in the end, they are all in a failed condition.

Councilmember Lundeen asked what the pros and cons are for going with asphalt over concrete for the surface sidewalk.

Cook shared that for life expectancy asphalt gets surface wear where it will fail sooner than concrete. Cook continued to share that City standard is a 5-foot walk with a 6-foot boulevard which is what is being recommended.

Cook shared that part of the project replacement of signs to meet reflective standards.

Cook shared that the projects estimated costs are as follows: street improvements $297,300, Watermain Improvements $67,800, Concrete Sidewalk Improvements $212,300 with a total projected cost of $577,400.

Cook shared that proposed project schedule with open house held on February 25, 2020, Public Hearing & Authorize project March 4, 2020, approve plans and specs and advertise for bids March 17, 2020, Award bid April 2020, Estimated Construction Period June-November 2020 and Final Assessment Hearing November 2020.

Councilmember Bergley asked if it was received well.

Cook stated at the open house it was received well and that majority of the questions were based on assessment amount. The letter that was received had the range of assessments without giving individual numbers because it was not locked into that detail yet. Once explaining that it is only assessing street costs that trying to stay consistently fair with all projects before and after.

Johnson shared that everyone was in agreeance that the street needed to be repaired and questions of what the cost was going to be, if a person had a corner lot if they were going to have to pay twice and how fees will be paid.

Lundeen asked if there was any state aid funding for this project.

Cook stated that yes, the entire project is state aid eligible excluding the watermain. Cook continued to share that other portions of the cost are anticipated to be covered by using state aid funds.

Lundeen asked if the state aid funding figured into the $297,300 for watermain and $212,300 for concrete sidewalk improvement.

Mayor Johnson stated that the $297,300 and $212,300 is without state aid funding so it could potentially be less.

Councilmember Gordon asked that the only cost to the City is $67,800.

Cook stated yes because the $297,300 and $212,300 is covered by state aid funding.

Gordon asked that it is still being assessed even though the City does not have that cost because of the state aid funding.

Cook shared to be fair, all residents are to be assessed at the same portion of their street no matter where they are if they are on a state aid route or not. Ensuring consistency with the assessment procedure.

Councilmember Bergley asked what the options would be for a resident to pay.

Johnson stated that there is an option to pay it all upfront or the second option would be a ten-year payment plan.

Finance Director Mike Betker stated that a resident can pay very early in the process this year and have no interest cost or make annual payments on the ten-year period and a third option would be is to repay somewhere in the ten-year period. Betker continued to share that a resident can repay at any point during the ten years however, any time after November 15th the next years interest is accrued in its entirety on the 15th.

Johnson asked what would happen if someone wanted to redo their driveway when the street is being redone.

Cook shared that for the project the City is restricted to the right of way that the work is being done in and those costs are usually included in the street costs and distributed to everyone uniformly but from the right of way to the apron of the home the resident would need to contact the contractor in order to receive a price. Cook further shared that it would be a private deal between the homeowner and the contractor.

Johnson asked what the City Code is for the width of a driveway.

Community Development Director stated that according to the City of Isanti's Zoning Ordinance it is 30 feet.

Mayor Johnson opened the Public Hearing at 7:25 p.m.

Blake Pendzimas, 28117 Polk Street, asked if a portion of people's driveways would be tarred?

Cook stated that City wide the average right of way is 60 feet wide so it would be 33 feet from center of the road. Cook continued to share in a project that is being run by the City if a driveway is impacted, the City will replace how much is impacted up to the right of way.

Ryan Ingberg, 600 Cedar Street, shared that he is one that is worried about money and that his driveway does not fall on 6th Avenue but still has to pay the cost while his neighbor uses this road on a daily basis and multiple times gets away without paying. Ingberg asked what happens years from now when Cedar Street gets done and his neighbor has to pay and Inberg has to pay again.

Cook referenced the assessment policy for corner lots.

Johnson stated that those residents on a corner lot had been taken into consideration and those with corner lots would be discounted.

Kristen Lorsung, 311 6th Avenue SW, asked if the sidewalk will tear up her grass.

Cook stated that the plan is to resod from the back of the curb to the sidewalk and from the back of the sidewalk to whatever it takes to tie back into the existing grass.

Lorsung stated that she will be losing a tree and asked if that will be replaced.

Johnson asked how many trees will be taken out because of this project.

Cook stated that he did not have the number in front of him but he believed it was less than a dozen.

Johnson stated that he would work on possibly getting the tree replaced.

Lorsung stated that she was told that she could go 32 feet on her driveway and now she is hearing 30 feet. Lorsung asked if there is going to be enough room when she goes 30 feet.

Community Development Director Sheila Sellman stated it is 30 feet in the right of way.

City Administrator Josi Wood stated so everyone is on the same page, the best would be to have Kristen Lorsung and Community Development Director Sheila Sellman meet. Wood continued to share that Sellman is the one who does the permits and that way there would not be any sort of discrepancies of what Lorsung has imaged.

Mayor Johnson closed the Public Hearing at 7:53 p.m.

A motion was made by Lundeen, second by Gordon to approve resolution as presented. Motion passed 4-0. Motion carried.

K. Business Items

City Administrator Josi Wood

1. **Ordinance-725** Amending Ordinance No. 720, Adopted on January 21, 2020, and Titled Peddlers, Solicitors, and Transient Merchants

   City Administrator Josi Wood shared that as discussed at the February 18th City Council meeting it was to add in an exception excluding tax exempt, non-profit organizations from needing to obtain a permit for transient merchant, peddler or solicitor. Wood further shared that it has been memorialized within the document and ready for approval.

   Motion by Bergley, second by Lundeen to approve Ordinance as presented. Motion passed 4-0. Motion carried.

2. **Resolution 2020-043** Adopting Policy to Waive Specified Fees for Qualified Non-Profit and Tax-Exempt Organizations in the City of Isanti

   Motion by Lundeen, second by Bergley. Motion passed 4-0. Motion carried.

3. Liquor License and Pawnshop Renewals
   a. **Resolution 2020-044** Approving a Liquor License Renewal for Junction Bowl and Whistle Stop Bar & Grill
   b. **Resolution 2020-045** Approving a Liquor License Renewal for Rum River VFW 2735
   c. **Resolution 2020-046** Approving a Liquor License Renewal for Wintergreen's Golf and Grill
   d. **Resolution 2020-047** Approving a Liquor License Renewal for Thunder Brothers Brewery, Inc.
   e. **Resolution 2020-048** Approving a Pawnshop License Renewal for Northern Pawn, Inc.

   Councilor Lundeen asked Chief of Police Travis Muyres if there are any issues with any of the renewals.

   Chief of Police Travis Muyres stated that part of the renewal was to review prior year and call volumes and there was nothing that was outlined or concerning from previous years.

   Mayor Johnson stated that there was a representative from each of the above businesses.

   Motion by Lundeen, second by Bergley to approve resolutions 3.a, 3.b, 3.c, 3.d and 3.e as presented. Motion passed 4-0. Motion carried.

4. **Resolution 2020-049** Granting an Extension to the Recording of Final Plat Legacy Pines 2nd Addition

   Community Development Director Sheila Sellman shared that in the City's ordinance when receiving a final plat approval, the document needs to be recorded within 90 days of approval. Sellman continued to share that Legacy Pines 2nd Addition has asked for an extension because the 90 days would be up on Friday March 6th, 2020. Sellman continued to share that it is being asked for a 60-day extension.

Public Services Director Matt Sylvester

5. **Resolution 2020-050** Amending the Lease Agreement with Rum River BMX Special Event Paid Parking Agreement

Public Services Director Matt Sylvester shared that the loan request from Rum River BMX to secure their events. Sylvester continued to share that after research and communication with the City Attorney the City Attorney informed city staff that the City has no legal basis to grant them the loan. Rum River BMX and the City of Isanti have come to an agreement for a 50/50 split and parking revenue fees. Sylvester stated that staff is recommending 50/50 split on Tier 2 and Tier 1 events to be 50/50 split but after Rum River BMX secures $8,000.

Motion by Bergley, second by Gordon to approve resolution as presented. Motion passed 4-0. Motion carried.

6. **Resolution 2020-051** Approving Operation of the Compost Site

Public Services Director Matt Sylvester shared that this went to City Council to have the Compost Site open Sundays throughout the season and then open on Saturdays for the first three Saturdays and the last three Saturdays. Sylvester continued to share that this is to switch to have the compost site open throughout the Summer on Saturdays and be open the first three Sundays and the last three Sundays of the season.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 4-0. Motion carried.

7. **Resolution 2020-052** Accepting Proposal for Municipal Liquor Store Market Analysis

Councilmember Jimmy Gordon stated that he does not want to spend the $7,000 that the market analysis will take when the money should not be used to build a Liquor Store until the City is debt free from all the debt it has already.

Mayor Johnson stated that it went from being $30,000 to $7,000 which is a huge drop. Johnson further stated that this is going to show if the Liquor Store should be rebuilt, expand or remodel.

Gordon stated when the City has the money, a market analysis should be done but not when the City does not have the cash to build or add onto the Liquor Store.

Finance Director Mike Betker shared that there are two types of debt that a City carries. One is general obligation debt which is paid for through a tax levy so there is a direct line between any resident's tax bill and that debt being paid. Betker continued to share that the other kind of debt is revenue debt and this debt in large part is going to issued by an enterprise fund (water, sewer and Liquor Store) and is paid through the revenues of that entity not through tax levy. Betker further stated that being informed of whether the Liquor Store should add on, remodel or build is going to affect what happens with the Fire Hall, Public Works and Police Department and he would rather spend the $7,000 and have a better-informed decision for all the projects and an investment worthwhile.

Councilmember Steve Lundeen stated that he thinks it's a good idea and if anything, it will put the issue to bed on expanding or building new.

Councilmember Paul Bergley stated that he was on Liquor Committee before it went to Committee of the Whole and he has seen the numbers and John has taken that Liquor Store to the

maximum;It has to end somewhere because it does pump so much money into the City and to maximize that this study will show that.

Betker stated the last analysis was done in 2006. Dakota Worldwide did the last market analysis which is why the City is able to get the great price of $7,000 because they are only updating. The market study that Dakota Worldwide did in 2006 projected the Liquor Store sales would have grown 150% in three years.

Motion by Lundeen, Second by Bergley to approve resolution as presented. Motion passed 3-1 with Gordon voting Nay. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $150,035.02 Payroll in the Amount of $102,446.37
2. **Resolution 2020-053** Approving Applications for Exempt Gambling Permits for Rum River BMX 50/50 Raffles
3. **Resolution 2020-054** Approving Amendment to the 2020 Budget
4. **Resolution 2020-055** Approving Extension of MOU with the City of Cambridge for Administrative Citation Hearing Officer
5. **Resolution 2020-056** Offering the Position of Part-Time Liquor Store Clerk to Scott Norsworthy

4. **Business Items**
   a. Marketing/Work Plan Update. Sellman reviewed some of the updates to the plan and asked the board about memberships. The EDA agreed to keep the GPS:45:93 membership and have Sellman attend CVN events. The Inventors and Entrepreneurs Club is fairly new and meets the 4th Tuesday of the month in the evening. EDA Member Bergley will try to attend these meetings. The EDA would like to partner with the City for a housing study update. Discussion on Facebook. The EDA decided to post ribbon cuttings on the city's webpage but not to advertise and to share the Chambers postings to the City's page. The EDA discussed a focus on business recruitment specifically restaurants. The EDA decided to remove Clinic/medical campus from the work plan since we have Alina clinic now. Johnson brought up the property behind Minnoco gas station, that is prime real estate but has access issues, the EDA should look into purchasing. The EDA had mixed thoughts on owning that large tract of land. Johnson explained it would be a lot easier to recruit businesses if the site was development ready. Sellman will look into shovel ready program for that lot, if the city needs to own can they partner with the current owner, should they EDA buy it etc. Sellman will update the plan per the EDA's direction and will bring the final version for adoption to the March meeting.

5. **Other Business / Updates / Communications:** Sellman reviewed the tours/visits her and the mayor have conducted. Sellman updated the EDA on the recent new businesses in town, ribbon cuttings and hand written "Welcome Cards."
   Lundeen announced that EDA member Reller submitted her letter of resignation and he thanked her for her service.

6. **Adjournment:** Motion by Bergley, second by Lundeen, adjourned at 8:40pm.

Respectfully Submitted – Sheila Sellman Community Development Director/EDA Secretary

Sheila Sellman

Economic Development Authority
Meeting Minutes
February 18, 2020

1. **Call to Order:** Chair Johnson called the meeting to order at 7:58pm.
   a. **Pledge of Allegiance**
   b. **Roll Call:** Members Present – Johnson, Lundeen, Bergley, Gordon, and Collison. Staff present- Sheila Sellman Community Development Director
   c. **Agenda Modifications:** None

2. **Approval of the Agenda:** Motion by Lundeen, second by Bergley motion passed 5-0

3. **Public Hearing**
   a. Sale of EDA owned land located at 825 Dual Street NE PID 16.137.0010 to BP Metals Inc. Sellman gave an overview of the land for sale which is part of the Shovel Ready program advertised for $1. The purchase agreement has been presented to the buyer, BP Metals and they agreed to the terms. The public hearing was open, no one from the public was present. Blake Pendzimas, owner of BP Metals addressed the EDA and answered questions they had about the business. Motion by Lundeen to approve the purchase agreement, 2nd by Bergley, motion passed 5-0.

4. **Adjournment:** Motion by Lundeen, second by Bergley meeting adjourned at 8:10pm.

From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: March 17, 2020
Subject: Resolution Approving a Special Event Application for BMX 2020 Race for Life and DK Gold Cup Qualifier

---

Background

The City has received an application for the upcoming special event planned for the Rum River BMX Association. The Race for Life and DK Gold Cup Qualifier weekend is scheduled for April 4-5, 2020. Hours of the event are 10:00 am to 6:00 pm on Saturday, April 4 and 7:00 am to 5:00 pm Sunday, April 5. Rum River BMX estimates the number of individuals in attendance is 800 per day. Portable restroom facilities will be provided by the Association for the event, and the organization is responsible for clean-up of the outside areas. Team canopies may be put up on the grass outside the arena, all canopies must use weights to secure canopies, the Association will notify participants to not use stakes to protect the irrigation lines. The Association is planning for parking to take place at the Indoor Arena and within the Bluebird Park lots – no parking will be allowed on the grass for this event. The standard public addressing system would be used throughout the event. Association is not requesting that any roads be closed. A portion of the race fees collected on Saturday will benefit the Cancer Society.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation, and Culture Manager
Date: March 17, 2020
Subject: Resolution 2020-XXX Approving a Special Event Request for the 2020 Downtown Street Dances

Background

City staff has submitted a special event permit application to host three downtown street dances. The first street dance will be held Saturday, June 20 from 7:00 p.m. to 11:00 p.m. featuring *The Farmer's Daughters*. The second is on Saturday, July 18 from 7:00 p.m. to 11:00 p.m. featuring *Brother Ferris*. The third dance is on Saturday, August 8 from 7:00 p.m. to 11:00 p.m. featuring *The Brat Pack*.

The dances will be held at the intersection of 1st Avenue and Main Street. The estimated number of people to be in attendance is 500 - 1000 people per dance. A beer wagon, food vendors, and non-food vendors will be present at each dance. Alcohol sales will be monitored through the use of wristbands and law enforcement presence. The event will be free to the public. A 15' x 35' stage will be set-up in the right-of-way between Isanti Retail Meats and the Creamery. Parking for the event will be located at City Hall, the public lot behind Isanti Custom Meats/Isanti Post Office, and some street parking.

Given that the events are street dances, some roadways will be closed for the event. Main Street from the Railroad tracks to 2nd Ave NW as well as 1st Ave NW from City Hall to the alley behind Custom Meats and the Post office will be closed for the event. The city contracted portable restrooms company will provide restroom facilities for the event. Portables will be placed on 1st Ave south of Main Street and on the grass lot east of Retail Meats (pending approval from Retail Meats). Additional trash and recycling receptacles will be brought in for the events; City staff will clean up after the event. There will be a public addressing system and sound amplification provided outside by the band on stage. Both Public Works and the Police Department will be providing assistance with the event.

Should the weather not cooperate for any of the events, the event will be cancelled. Any cancellations will be posted to the City's website and the City of Isanti Facebook page as early as possible.

The attached site plan shows the location of components for the event on Main Street. Copies of letters that will be sent to surrounding property owners have also been attached for Council review. The complete application as well as departmental review are attached.

Staff Request

City staff is requesting approval of the Street Dance Special Event Permit application and attachments.

RESOLUTION 2020-XXX

APPROVING THE SPECIAL EVENT APPLICATION FOR THE 2020 DOWNTOWN STREET DANCES

WHEREAS, the City of Isanti will be hosting Downtown Street Dances to be held at the intersection of 1st Avenue and Main Street within downtown Isanti on Saturday, June 20, 2020 from 7:00 p.m. to 11:00 p.m., Saturday, July 18, 2020 from 7:00 p.m. to 11:00 p.m., and Saturday, August 8, 2020 from 7:00 p.m. to 11:00 p.m.; and,

WHEREAS, the events are free and open to the public; and,

WHEREAS, the City of Isanti will require assistance from both the Police Department and Public Works Department for the events; and,

WHEREAS, City staff are requesting that the $100.00 clean up deposit fee and the $50.00 temporary sign permit fee be waived for this event;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby waive the $100.00 clean up deposit and $50.00 temporary sign permit fee and approve assistance and authority in the areas as provided below for the Street Dances to be held on Saturday, June 20, Saturday, July 18, and Saturday, August 8, 2020:

1. Assistance from both Public Works and the Police Department for the event when necessary.
2. Closure of a portion of Main Street W beginning at the Railroad tracks to 2nd Ave NW. Closure of 1st Ave NW/SW from City Hall to the alley behind Custom Meats and the Post Office.
3. Placement of a stage within City right-of-way located between Isanti Retail Meats and the Creamery.
4. Parking to be provided at City Hall, public parking areas behind Isanti Custom Meats and the Post Office, and on City streets.
5. Ability to serve alcohol from a beer wagon and have designated food and non-food vendors present and located as shown on the site plan.
6. Allow a public address system and sound amplification for the bands.
7. No back up locations will be booked.
8. Placement of temporary directional signs on City property and private property (with property owner permission) to direct individuals to the event and parking areas.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the 'Permit' for the above stated Special Events.

This Resolution hereby approved by the Isanti City Council this 17th day of March, 2020.

Isanti

March 10, 2020

Dear Isanti Business Owner:

The City of Isanti will be hosting street dances throughout the Summer of 2020. The bands will perform on an outdoor stage at the corner of 1st Avenue and Main Street, between Isanti Retail Meats and the Creamery Crossing on the following Saturday nights from 7:00 – 11:00pm.

- **June 20**, (*The Farmer's Daughters*)
- **July 18** (*Brother Ferris*)
- **August 8** *(The Brat Pack)*.

The bands will be setting up and performing sound check beginning as early as 3:00 pm on these dates. Please be advised that music will be played at levels within City approved regulations.

The street dance will require street closures for participant safety. The road closures will begin between 1:00pm and 2:00 pm on June 20 and July 18 and 8:00 am for August 8. Please note:

- Main Street will be closed from just west of the railroad tracks to 2nd Avenue.
- 1st Avenue will be closed from the alley south of Main Street to the alley north of Main Street south of City Hall.
- **No Parking will be allowed on the closed portion of Main Street:**
  - **June 20 and July 18 from 2:00 pm until midnight.**
  - **August 8 from 8:00 am until midnight for the Rum River Rods Car show and street dance activities.**
- Please make plans for this in advance of the event.

We appreciate your cooperation.

We hope you will take advantage of the heightened foot traffic that will be in the Downtown Isanti area during the time of these events. You are welcome to hand out information to promote your business such as coupons to redeem at a later date or a discount offered for this day.

We hope that these events prove advantageous for your business.

If you have any questions, please contact me.

Sincerely,

Jenny Garvey

Dear Isanti Resident:

The City of Isanti will be hosting street dances throughout the Summer of 2020. The bands will perform on an outdoor stage at the corner of 1st Avenue and Main Street, between Isanti Retail Meats and the Creamery Crossing on the following Saturday nights from 7:00 – 11:00pm.

- **June 20**, (*The Farmer's Daughters*)
- **July 18** (*Brother Ferris*)
- **August 8** *(The Brat Pack)*.

If you live close to the intersection of Main Street and 1st Avenue you may be able to hear the music from your home. The bands will be setting up and performing sound check beginning as early as 3:00 pm on these dates. Please be advised that music will be played at levels within City approved regulations.

The street dance will require street closures for participant safety. The road closures will begin between 1:00pm and 2:00 pm on June 20 and July 18 and 8:00 am for August 8. Please note:

- Main Street will be closed from just west of the railroad tracks to 2nd Avenue.
- 1st Avenue will be closed from the alley south of Main Street to the alley north of Main Street south of City Hall.
- **No Parking will be allowed on the closed portion of Main Street:**
  - **June 20 and July 18 from 2:00 pm until midnight.**
  - **August 8 from 8:00 am until midnight for the Rum River Rods Car show and street dance activities.**
- These road closures will not affect accessibility to your home.
- Please make plans for this in advance of the event.

We appreciate your cooperation.

We hope you will attend the street dance events and enjoy the music, food vendors and activities that will be present.

If you have any questions or concerns please contact me.

Sincerely,

Jenny Garvey

Mike,
I am writing to see if the City of Isanti would be able to place temporary signs along the street for the street dances and farmers market for 2020 season. The farmers market signs would be the day of and the street dance signs would be the week of. The signs are 18"x24" corrugated with metal step stakes.

The farmers market is Fridays May 29 – Sept 25.
The street dances are: June 20, July 18, and August 8.

Please let me know if you have any questions.

MEMORANDUM

Date: March 10, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E., City Engineer

Subject: 6th Avenue SW Rehabilitation
City of Isanti, MN
No Parking Restriction for State-Aid Route
BMI Project No. R13.120122

As stated in the Preliminary Engineering Report for this project, dated January 28, 2020, the existing 6th Avenue SW street width of 32 feet is not wide enough to allow on-street parking on both sides of the roadway in accordance with Municipal State Aid System (MSAS) requirements. Therefore, in order to expend MSAS funds on 6th Avenue SW for the 6th Avenue SW Rehabilitation project, an ordinance amending Chapter 227 – Parking and Storage must be approved to state no parking is allowed along the east side of 6th Avenue SW from South Brookview Lane to Edgewood Street SW. As part of the project, No Parking signs will be installed on the east side of the roadway along this route.

An ordinance is attached for Council action to restrict parking on the east side of 6th Avenue SW from South Brookview Lane to Edgewood Street SW.

Please contact me if you have any questions or need additional information.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

ESTABLISHING NO PARKING ON PARTICULAR MUNICIPAL STATE AID ROUTES WITHIN THE CITY OF ISANTI

WHEREAS, the City has planned the improvement of 6th Avenue SW, State Aid Route No. 116, State Aid Project No. 245-116-001 from South Brookview Lane to Edgewood Street SW; and,

WHEREAS, the City will be expending Municipal State Aid Funds on the improvements of this street; and,

WHEREAS, the roadway does not provide adequate width for parking on both sides of the street; and approval of the proposed construction as a Municipal State Aid Street project must therefore be conditioned upon certain parking restrictions;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

That the City shall ban the parking of motor vehicles at all times on:

1.) **6th Avenue SW**, State Aid Route No. 116, from South Brookview Lane to Edgewood Street SW on the east side of the roadway;

This resolution was duly approved by the Isanti City Council this 17th of March 2020.

MEMORANDUM

Date: March 17, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W Cook, P.E., City Engineer

Subject: Approval of Plans and Authorization to Advertise for Bids
6th Avenue SW Rehabilitation
City of Isanti, MN
BMI Project No.: R13.120122

We request that the City Council approve the plans and specifications, entitled "6th Avenue SW Rehabilitation", and authorize advertisement for bids.

At the Improvement Hearing, a resident requested holding the final assessment hearing before the end of the construction project to lock in current low interest rates. Should the Council choose to accelerate the final assessment hearing we recommend holding the hearing after bids are received.

Following is the schedule for the 6th Avenue SW Rehabilitation Project:

Approve Plans & Specs, Authorize Advertisement for Bids	March 17, 2020
Open Bids	April 14, 2020
Final Assessment Hearing/Award Contract	May 5, 2020
Commence Construction	June, 2020
- 2 Months of Active Construction anticipated	
Final Completion of Construction	November, 2020

As required by the Minnesota State Statute Chapter 429 process, we are requesting that City Council approve plans and specifications and authorize advertisement for bids.

A resolution is attached to approve the plans and authorize the advertisement for bids.

I will be at the March 17, 2020 City Council meeting to respond to any questions you have concerning the approval of plans and specifications or the authorization to advertise for bids.

Please contact me with any questions or if you would like any additional information prior to the meeting as well.

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

APPROVING PLANS AND ORDERING ADVERTISEMENT FOR BIDS FOR THE 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, pursuant to Resolution No. 2020-022 passed by the Council, the City Engineer, Bolton & Menk, Inc. has prepared plans and specifications for the 6th Avenue SW Rehabilitation project. The improvements shall consist of in whole or a part in the above mentioned improvement area: street reconstruction, sidewalk construction, and the installation of a new watermain;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota:

1. Such plans and specifications, copies of which are on file in the City Offices, are hereby approved.
2. Bolton & Menk, Inc. shall prepare and cause to be inserted in the official paper and in Finance & Commerce and on QuestCDN an advertisement for bids upon the making of such improvement under such approved plans and specifications. The advertisement shall be published for 21 days, shall specify the work to be done, shall state that bids will be received by the Clerk until 2:00 pm on April 14, 2020 at which time they will be publicly opened in the Council Chambers of the City Hall by the City Engineer, will then be tabulated, and will be considered by the council at approximately 7:00 p.m. on May 5, 2020, in the Council Chambers of the City Hall. Any bidder whose responsibility is questioned during consideration of the bid will be given an opportunity to address the Council on the issue of responsibility. No bids will be considered unless sealed and filed with the Clerk and accompanied by a bid bond payable to the City of Isanti for five percent (5%) of the amount of such bid.

This resolution was duly adopted by the Isanti City Council this 17th day of March 2020.

RE: Award Recommendation – 2020 Storm System Maintenance
City of Isanti, Minnesota
BMI Project No. R13.120121

Honorable Mayor Johnson and Members of the City Council:

Five contractors were contacted to request a bid for the 2020 Storm System Maintenance project. Only one contractor submitted a bid by the deadline of March 10, 2020. The bid was checked and tabulated and the final results are summarized as follows:

Bidder	Bid
Dirtworks, Inc.	$103,770.00
Engineer's Estimate	*$98,200.00*

Dirtworks Inc.'s bid is within the anticipated budget. We recommend award of this project to Dirtworks Inc. in the amount of $103,770.00.

If you have any questions, please contact me.

Sincerely,

BOLTON & MENK, INC.

Jason W. Cook

RESOLUTION 2020-XXX

AWARDING THE BID FOR THE
2020 STORM SYSTEM MAINTENANCE PROJECT

WHEREAS, the City has planned for the 2020 Storm System Maintenance project; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, five Contractors were contacted requesting bids; and,

WHEREAS, a private bid opening was held on March 10th, 2020; and,

WHEREAS, one bid was received; and,

WHEREAS, Dirtworks Inc. was the responsible low bidder with a bid of $103,770.00; and,

WHEREAS, this bid price is within the anticipated budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "2020 Storm System Maintenance" to Dirtworks Inc. in the amount of $103,770.00.

2) Funding for the project shall come from the Storm Water Utility fund.

This resolution was duly approved by the Isanti City Council this 17th day of March, 2020.

RE: Award Recommendation – 2020 Pavement Management Project
City of Isanti, Minnesota
BMI Project No. R13.120119

Honorable Mayor Johnson and Members of the City Council:

Two bids were received on the 2020 Pavement Management Project on March 10, 2020. The bids were checked and tabulated and the final results are summarized as follows:

Bidder	Bid
ASTECH Corporation	$243,221.33
Allied Blacktop Co	$283,280.65
Engineer's Estimate	*$276,784.40*

ASTECH's bid is within the anticipated budget. We recommend award of this project to ASTECH Corporation in the amount of $243,221.33.

If you have any questions, please contact me.

Sincerely,

BOLTON & MENK, INC.

Jason W. Cook

RESOLUTION 2020-XXX

AWARDING THE BID FOR THE
2020 PAVEMENT MANAGEMENT PROJECT

WHEREAS, the City has planned for the 2020 Pavement Management Project; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, a public bid opening was held on March 10th, 2020; and,

WHEREAS, two bids were received; and,

WHEREAS, ASTECH Corporation was the responsible low bidder with a bid of $243,221.33; and,

WHEREAS, this bid price is within the anticipated budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "2020 Pavement Management Project" to ASTECH Corporation in the amount of $243,221.33.

2) Funding for the project shall come from Utility Franchise Fees.

This resolution was duly approved by the Isanti City Council this 17th day of March, 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: March 17, 2020
Subject: Ordinance-XXX Approving Adult Use Zoning Code Amendment

---

Request:
Per the City Attorney, it has been it has been determined that the current regulations regarding adult uses needs to be updated. The attached ordinances were drafted by the League of Minnesota Cities appointed attorney.

Overview/Background:
The City Council recently repealed and adopted a new Chapter 68 which regulates adult use. As part of that update some zoning items need to be changed. The proposed amendment removes adult uses as a permitted use from the business districts and only permits the use in Industrial zones. The Amendment also removed performance standards and accessory use.
Accessory use is removed, as by definition the sales of some adult material can be incidental to retail sales.

The Planning Commission held a public hearing at their regular meeting of February 18, 2020. No one from the public was present for this item.

Staff Recommendation:
Staff recommends approval of the proposed ordinance amendments

Attachments:
- Proposed Ordinance Amendment

ORDINANCE NO. _____
AN ORDINANCE AMENDING SECTIONS OF THE ISANTI ZONING ORDINANCE RELATED TO ADULT USES

The City Council of the City of Isanti hereby ordains:

Section 1. Section 7, Article Two, Subdivision 6 of the Isanti Zoning Ordinance is amended as follows:

Subdivision 6: Permitted Accessory Uses

A. Accessory buildings and uses customarily incidental to any of the permitted uses. Accessory buildings are subject to the regulations as provided within Section 13 of this Ordinance.

~~B. Adult uses (accessory) may be permitted by an interim use permit, providing such use meets the requirements of an Adult Use (accessory) as regulated within Section 13 of this Ordinance and the Isanti Code of Ordinances.~~

~~C~~ B. Off-street parking and loading, in accordance with Section 17 of this Ordinance.

EXHIBIT A

2020 Isanti City Council Goals

- Performance Center/ Amphitheater
  - Staff will present options for inclusion of the 2021 and future budgets utilizing available capital funds.
- Lighting Infill
  - Staff will present options for inclusion of the 2021 and future budgets to set aside funds for future lighting infill projects.
- Splash Pad and Public Safety Buildings – Police and Public Works
  - Staff will present options for potential funding to COW.
- Liquor Store
  - Bolton and Menk, Inc. will evaluate the size of the lot and determine the maximum capacity and possible layout for a potential liquor store expansion.
- Isanti Fire District Lease and Building
  - Staff will meet with Fire Chief Jankovich to discuss their interest and possible appraisal of the building. Discussions will continue at COW regarding the Fire District lease and building.
- Heritage/ East Dual Intersection
  - Staff will work with the County and present options to COW to achieve an intersection control signal.
- Reducing Overall Budget
  - Staff will continue to bring forwards options that have the least impact on the budget and work to minimize debt.
- Business Marketing/ Acquiring Businesses
  - Staff will continue to market the City of Isanti, strive for adding new businesses and retaining the fantastic businesses that are currently here.
- Utility Rate Study
  - Staff will be completing an in-house utility rate study and strive for ways to reduce water, sewer and storm charges.
- Dynamic Reader Board Sign
  - Staff will bring to 2021 goal setting for future discussion.
- Lodging Tax
  - Staff will present more information to COW regarding the specifics of implementing a lodging tax.
- Parks, Recreation and Culture Events
  - Staff will move forward with updating 2020 events as discussed at the meeting. More information regarding egg hunt, firework and parade events will be discussed at COW and brought forward to Council.
- Housing Study
  - Staff will reach out to the East Central Regional Development Commission to determine if they will update the 2015 Housing Study. Staff will bring an update and potential cost to COW for more discussion.

RESOLUTION 2020-XXX

APPROVING THE SALE OF SURPLUS / ABANDONED PROPERTY HELD BY THE POLICE DEPARTMENT TO AN AUTHORIZED RETAILER

WHEREAS, the police department obtains surplus or abandoned property on a regular basis; and,

WHEREAS, the owners of all abandoned property are sought after and typically they are unable to be located; and,

WHEREAS, resolution 2016-197 provides guidelines for the disposal of surplus property; and,

WHEREAS, the police department has surplus ammunition; and,

WHEREAS, the ammunition is no longer of use to the police department and the sale of such property is in the best interest of the city; and,

WHEREAS, this resolution authorizes the use of an authorized retailer for sale of surplus ammunition; and,

WHEREAS, the sale of the surplus ammunition to an authorized retailer would mitigate the fortuitous sale of the surplus ammunition to be sold through a "straw purchase" to those unable to lawfully possess ammunition; and,

WHEREAS, the surplus ammunition will be sold to an authorized retailer;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby authorize the following:

1. Approve the sale of the below listed surplus and abandoned property to an authorized retailer and the proceeds to be deposited into the Isanti Forfeiture Fund:
   Surplus ammunition.

2. The Chief of Police shall have the authority to sign all necessary paperwork to allow for the process for auction of the surplus item identified per this resolution.

This resolution is hereby approved by the Isanti City Council this 17th day of March 2020.

RESOLUTION 2020-XXX

EMERGENCY PERSONNEL PLANNING POLICY

WHEREAS, during an emergency management situation as defined by the Emergency Management Director, the City will follow the Center for Disease Control (CDC), Minnesota Department of Health (MDH) and Isanti County Public Health guidelines and recommended/ suggested emergency planning and risk mitigation steps; and,

WHEREAS, there may be times during an emergency management situation, such as a pandemic, where Alternative Work Arrangements (AWA) may be a necessity to keep business operations functioning and employees and the public safe; and,

WHEREAS, AWA may be considered during times of Local, State or Federal recommended guidelines during community mitigation or emergency management strategies; and,

WHEREAS, AWA may include working remotely, flexible work options, paid administrative leave; and,

WHEREAS, the City Administrator, or their designee, will determine which AWA best fits the needs of the City to keep employees and the public safe; and,

WHEREAS, in emergency situations, requiring risk mitigation and management planning, the City Administrator, or their designee, will determine: 1) if employee leave banks must be exhausted prior to requested absence; 2) if employees will be allowed to go into deficit in their leave banks; 3) if paid or unpaid leave is authorized; 4) if health insurance premiums shall be pro-rated; and,

WHEREAS, the basis for such determination will be to not provide employees a financial incentive to risk the public's heath, safety and/ or well-being;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to approve the Emergency Personnel Policy as outlined per this Resolution.

This resolution was duly adopted by the Isanti City Council this 17th day of March, 2020.

Memo for Council Action

To: **Mayor Johnson and Members of City Council**
From: Jenny Garvey - Parks, Recreation and Culture Manager
Date: March 17, 2020
Subject: Resolution 2020-XXX Approving Staff to Apply for MN DNR Grant

---

Background:
Staff is applying for a MN DNR grant and as part of the process the grant must include a separate resolution for the grant itself. Staff has previously been provided direction to apply for grants related to the department. The resolution includes information that staff has the approval to proceed with the grant and that the city is aware of the grant process and funding requirements.

Request:
Staff is requesting action on this item.

Attachment:

- Resolution 2020-XXX

RESOLUTION 2020-XXX
APPROVING STAFF TO APPLY FOR A MN DNR GRANT

BE IT RESOLVED that City of Isanti act as legal sponsor for the project contained in the Outdoor Recreation grant application to be submitted on March 27, 2020 and that Jenny Garvey/Matt Sylvester/Josi Wood is hereby authorized to apply to the Department of Natural Resources for funding of this project on behalf of City of Isanti.

BE IT FURTHER RESOLVED that the applicant has read the Conflict of Interest Policy contained in the Outdoor Recreation Grant Program Manual and certifies it will report any actual, potential, perceived or organizational conflicts of interest upon discovery to the related to the application or a grant award to the State.

BE IT FURTHER RESOLVED that City of Isanti has the legal authority to apply for financial assistance, and financial capability to meet the match requirement (if any) and ensure adequate construction, operation, maintenance and replacement of the proposed project for its design life.

BE IT FURTHER RESOLVED that City of Isanti has not incurred any development costs and has not entered into a written purchase agreement to acquire the property described in the Cost Breakdown section on this application.

BE IT FURTHER RESOLVED that City of Isanti has or will acquire fee title or permanent easement over the land described in the site plan included in the application.

BE IT FURTHER RESOLVED that, upon approval of its application by the State,
City of Isanti may enter into an agreement with the State for the above-referenced project, and that City of Isanti certifies that it will comply with all applicable laws and regulations as stated in the grant agreement including dedicating the park property for uses consistent with the funding grant program into perpetuity.

NOW, THEREFORE BE IT RESOLVED that Josi Wood is hereby authorized to execute such agreements as are necessary to implement the project on behalf of the applicant.

I CERTIFY THAT the above resolution was adopted by the City Council of the City of Isanti on March 17, 2020.

MEMORANDUM

Date: March 11, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

A preconstruction meeting will be held in April, with construction planned to begin in early May, 2020.

2) 6th Avenue Rehabilitation

We will bring the plans and specifications to the March 17, 2020 Council meeting for approval and authorization to advertise for bids.

3) 2020 Pavement Management Project

We will bring a recommendation of award to the March 17, 2020 Council meeting for approval.

4) 2020 Storm System Management Project

We will bring a recommendation of award to the March 17, 2020 Council meeting for approval. The contractor plans to begin this work at the end of March if approved.

5) Legacy Pines 2nd Addition

This project has been authorized and is scheduled to be completed in 2020.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

H. Announcements

1. Park, Recreation, & Culture Board Meeting	Tuesday, March 24, 2020 at 6:00 p.m.
2. City Council Meeting	Tuesday, April 7, 2020 at 7:00 p.m.
3. EDA Meeting	Tuesday, April 7, 2020 *(Following the City Council Meeting)*

Councilmember Bergley asked if the Park, Recreation and Culture Board meeting on Tuesday, March 24th will be cancelled as City Hall is closed to the public.

City Administrator Josi Wood shared that if the City of Isanti moves into the next phase of the pandemic plan the next phase is to cancel all board and commissions except for City Council. Wood continued to share that it may come very soon.
Mayor Johnson stated that the Declaration for the COVID-19 is a global pandemic by the World Health Organization means that there are community level outbreaks of COVID-19. Johnson continued to share that as of March 17th, 2020 there are no confirmed cases of COVID-19 in the City of Isanti or Isanti County but stated that it is likely that will change. Johnson stated that the City has very fortunate to have highly skilled medical facilities, outstanding law enforcement officers and emergency responders working closely with the Isanti County Public Health Department and the Minnesota Department of Health. Johnson further shared that COVID-19 has been recognized by the CDC to have more serious symptoms that are likely to effect the elderly population and those with serious chronic medical conditions with no vaccinations available at this time, governing bodies across the state and the county are working together to slow the spread of the virus down. Along with many other cities across the state the City of Isanti has decided to close City Hall and the Police Department to the public effective Wednesday, March 18th, 2020 through Friday, March 27, 2020 and at that time it will be reevaluated and determine if needed the dates need to be extended. Johnson stated the announcement was shared on the City's website, police and City Facebook pages. Johnson further stated that the chairs in the chamber have been separated for social distancing.

Councilmember Lundeen shared that other cities are doing the same thing where they will still issue building permits, inspections on homes or buildings as long as they are not occupied. Lundeen further shared that if the buildings are occupied, they are not entering the home.

I. Council Committee Reports
None

J. Public Hearings
None

K. Business Items

~~1. New Emergency Notification System for Isanti County *(Ross Benzen)-update only*~~
Ross Benson informed staff ahead of time he had to cancel.

1. **Resolution 2020-063** Interview Applicant for Vacant Economic Development Authority Board Seat (Luke *Merrill*)
Applicant Luke Merrill was interviewed via Skype by Mayor Johnson for the open Economic Development Authority seat. Johnson asked questions specific to Economic Development Authority.

   Councilmember Bergley asked for clarification on the question Merrill was asked about what he sees for the potential future growth for Isanti.

   Merrill stated he thought the town is well developed at the moment for how many citizens Isanti is at. Merrill continued to share that the community continues to grow and it is important to evaluate new options that are coming to town, but he does not want to over pollute the City with businesses that he does not think are a good fit and that it is important for someone on EDA to voice their opinions and different mind sets.

   Councilmember Gordon stated that all businesses should be encouraged to invest in Isanti and create more jobs and tax-base.

Bergley stated that his concern is limiting the economic opportunity to bring more businesses into Isanti. Bergley further stated that residents had concern over another dollar store opening, but if they meet the requirements of zoning code and City ordinances then they can be allowed.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 3-1 with Bergley voting Nay. Motion carried.

2. Resolution 2020-XXX Consider the 3.2 Off-Sale Liquor License Application for Coborn's, Inc
City Administrator Josi Wood shared that an application has come in from Coborns and they were notified to attend the meeting so City Council could ask questions and the last staff had heard they were attending however, there is no representative from Coborns in the audience. Wood further stated that it is up to City Council's discretion if they want to grant this license or not.

Councilmember Lundeen stated he heard that Coborns would be asking for a 3.2 license and he believes Cub Foods in Cambridge has 3.2 there as well as Wal-Mart.

Mayor Johnson asked if it has ever come up about any gas stations in Isanti that would like to sell 3.2.

Wood stated it was brought up when Kwik Trip came to Isanti and per city code 3.2 is only allowed in grocery stores and it does not allow for convenience stores to sell 3.2 alcohol and that was to limit it because Isanti does have a Municipal Liquor store and most sales to go there.

Assistant City Administrator/ Special Projects Don Lorsung shared that in Cambridge's situation the businesses may have had the 3.2 license before they authorized strong liquor in the community.

Lundeen stated Cambridge had the municipal liquor store prior to Wal-Mart being built.

Lorsung stated that Cambridge might have had a prior grocer that had 3.2.

Bergley stated that he does not feel threatened as for the city's municipal liquor store.

Wood stated per city code that a representative need to be present at the meeting this will need to be postponed to a future City Council meeting when they can attend.

City Administrator Josi Wood

3. **Resolution 2020-064** Approving a Special Event Application for BMX 2020 Race for Life and DK Gold Cup Qualifier Event *(Larry Merchlewitz)*
Larry Merchlewitz shared that every year Rum River BMX is given the chance to have a "Race for Life" where Rum River BMX raises money for children suffering with leukemia. Merchlewitz continued to share that the Gold Cup Qualifier is a race to earn points for a regional plate and currently in Minnesota three tracks awarded the Gold Cup Qualifier including Rum River BMX, New Ulm and Detroit Lakes. Merchlewitz stated it is expected to draw a lot of attendees to the Gold Cup Qualifier. Merchlewitz stated that unfortunately, due to the COVID-19 epidemic, the Gold Cup Qualifier and Race for Life will need to be postponed and that the new date for Race for Life and Gold Cup Qualifier the same weekend as the State Qualifier. Merchlewitz stated the Race for Life will be June 26th, Gold Cup Qualifier will be June 27th and the State Qualifier will be June 28th.

City Administrator Josi Wood stated the State Qualifier on June 28th will have a separate Special Event Permit.

Motion by Lundeen, second by Bergley to approve the resolution with the dates of June 26th and June 27th. Motion passed 4-0. Motion carried.

4. **Resolution 2020-064** Approving a Special Event Request for the 2020 Downtown Street Dances
City Administrator Josi Wood shared that this Summer there will be some fun events going on including the street dances. Wood continued to share that on June 20th it will be The Farmers Daughter, July 18th will be Brother Ferris and August 8th will be The Brat Pack. Wood further stated that it will be similar to pervious years where it will be downtown at the intersection of First and Main.

Motion by Lundeen, second by Bergley to approve resolution as presented. Motion passed 4-0. Motion carried.

City Engineer Jason Cook

5. **Resolution 2020-065** Establishing No Parking on Particular Municipal State Aid Routes within the City of Isanti
City Engineer Jason Cook stated that this is the same item that has been discussed a couple times and in order to meet the state aid criteria for the project "no parking" must be assigned to one side of the street. Cook further stated that as discussed in the past, recommendation is for the east side of the road for the length of the project and allowing parking on the west side. Cook further stated this is a required resolution and approval to be able to use the state aid funds on the project.

Motion by Lundeen, second by Bergley to approve resolution as presented.

6. **Resolution 2020-066** Approving Plans and Ordering Ad for Bids for 6th Avenue SW Rehabilitation Project
City Engineer Jason Cook stated this resolution is to move forward with the completed plans and specs. Cook continued to share that the plans and specs have been reviewed by city staff and state aid and are asking for authorization to advertise for bids April 14th.

Motion by Bergley, second by Lundeen to approve resolution as presented. Motion passed 4-0. Motion carried.

7. **Resolution 2020-067** Awarding the Bid for the 2020 Storm System Maintenance Project
City Engineer Jason Cook shared that the bid was submitted to five different contractors and only one of which submitted a bid. Cook further stated the bid received was from Dirtworks. Cook continued to share that Dirtworks did the work last year and know what the project is and did a great job previously. The bid received from Dirtworks is in the amount of $103,770 which was slightly over the engineers estimate but is still under what was budgeted.

Motion by Gordon, second by Lundeen to approve resolution as presented. Motion passed 4-0. Motion carried.

8. **Resolution 2020-068** Awarding the Bid for the 2020 Pavement Management Project
City Engineer Jason Cook shared that this project is over the threshold to advertise and publicly bid. Cook continued to share that two bids were received both of which have done work in the City and both have done reasonable and acceptable work. The lowest bid was from AZTECH Corporation with $243,221.33 and they are also the ones that got the project last year.

Motion by Bergley, second by Gordon to approve resolution as presented. Motion passed 4-0. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $387,095.66 Payroll in the Amount of $107,732.94
2. **Resolution 2020-070** Approving a Check to be Written to Isanti Ambassadors for Volunteering at the Community Movie Night
3. **Ordinance-726** Approving Adult Use Zoning Code Amendment
4. **Resolution 2020-071** Approving Goals for Year 2020
5. **Resolution 2020-072** Approving the Sale of Surplus/Abandoned Property Held by the Police Department to an Authorized Retailer
6. **Resolution 2020-073** Emergency Personnel Planning Policy
7. **Resolution 2020-074** Approving Staff to Apply for MN DNR Grant
8. **Resolution 2020-075** Approving and Adopting the Emergency Preparedness and Response Plan-Pandemic and Public Health Emergency Plan and Continuity of Operations Plan

Motion by Lundeen, second by Bergley to approve the Consent Agenda. Motion passed 4-0. Motion carried.

MINUTES
CITY OF ISANTI
CITY COUNCIL COMMITTEE OF THE WHOLE MEETING
TUESDAY, MARCH 17, 2020 – 5:00 P.M.
CITY HALL

Mayor Johnson called the meeting to order at 5:00 p.m.

The Pledge of Allegiance was recited.

Members Present: Mayor Jeff Johnson, Councilors: Jimmy Gordon, Paul Bergley and Steve Lundeen

Members Absent: Dan Collison

Staff Present: City Administrator Josi Wood, Human Resources/ City Clerk Katie Brooks, Chief of Police Travis Muyres, City Engineer Jason Cook, Assistant City Administrator/ Special Projects Don Lorsung and Finance Director Mike Betker

Others Present: Fire Chief Al Jankovich and Don Hansen

D. Public Comment

- Fire Chief Al Jankovich stated he would like to be added to the agenda to share Annual Isanti Fire District Report.

E. Committee Meeting Items

1. a. Isanti Fire District Annual Report

- An entry level live burn is where firefighters are brought in after they have completed their firefighter basic training where they are set down on the floor where a fire is set in front of the firefighter. Jankovich continued to share the fire is made of straw, pallets and cardboard and not anything hazardous. Jankovich stated that it is to show the firefighter what the heat feels like in their gear and orientate the firefighter with the situation.
- There were 52 fire calls with actual fire and 79 rescue and emergency medical service incidents.
- Isanti Fire District was awarded a grant from the DNR to assist with the purchase of a grass fire truck and also able to purchase a truck from the DNR with the program that the DNR has. Jankovich further shared that the truck is stationed at Station 2.
- City of Isanti will contribute $238,744.52 towards the 2020 budget. The percentage of the City of Isanti's contribution to the total of Isanti Fire Districts budget s 38% with City of Isanti's total runs accounting for 46% of Isanti Fire Districts total runs.
- Councilmember Steve Lundeen asked what the Fire District was doing in response to the COVID-19 epidemic. Jankovich shared that the Fire District

assists EMS at medical calls because of their location as they are able to be on scene first. Jankovich continued to share that Isanti Fire District will continue to respond to critical EMS calls if somebody is unresponsive and in dire need of immediate interventions the Fire District will respond in typical fashion but if the person is not complaining of a life threatening situation then the Fire District is going to standby and allow EMS transport their patients as they normally would without the assistance of fire rescue.

- No further recommendations were made from Committee.

1. PW Updates
    - Early spring has left 300 tons of extra salt on hand which will carry into the next year.
    - Doors were posted in February for tree trimming and the list is completed.
    - Snow was hauled from busy intersections and cul-de-sacs in January.
    - Pothole patching has begun.
    - Public Works staff have been out doing yard repairs from plow damages.
    - Clearing brush in storm ponds have begun and will continue as time permits.
    - Publics Works has taken advantage of our warmer weather and has begun street sweeping.
    - Public Works staff have cleared storm drains as the snow melts.
    - Compost site will be on April 21.
    - The MPCA issued a draft permit for the waste water treatment facility with some minor changes. The biggest change being that the total phosphorus will be a 12-month moving total instead of a 12-month calendar total. The total phosphorus will remain at 908 kilograms per year.
    - Public Works staff began working on the waste water treatment facility filter underdrain piping.
    - First round flush of the air release valves was completed.
    - Routine maintenance in the pretreat building was completed.
    - Public Works staff has performed annual routine maintenance on the MIOX machine as well as the filter backwash tank.
    - Chlorine piping was replaced at the water treatment plant.
    - Progressive mower was purchased from Minnesota Equipment.
    - The mosquito fogging unit from Adapco was purchased and delivered.
    - The following reports have been completed: DNR Water Conservation Report, Tier II Report for Homeland Security, Solid Waste Report and Water Conservation Report.
    - No further recommendations were made from Committee.

2. Housing Study Update
    - At the 2020 goal setting meeting staff was directed to look into the City's housing study.

- Staff suggested waiting to do an update because Humphrey School student group is researching an East Central MN study which would be free.

3. Delinquent Charges on Utility Account
   - Utility customer contacted city staff with a request to have late fees removed from their account, and to ask that the Committee be informed that customers receiving a semiannual stormwater billing did not have a 6-month billing period listed on bills.
   - Staff believes that the problem has been corrected and will verify that solution with the next printing of semiannual stormwater bills at the end of May.
   - Recommendation from Committee is for staff to let customer know the issue has been fixed and that if the customer pays bill by the end of the month the $5 fee will be waived.

4. Food Truck Fees
   - Staff is drafting an ordinance to include food truck fees. The proposed fees will mirror Cambridge's food truck fees of $25 per day, $75 per month and $200 for seasonal (up to 6 months) per food truck.
   - Street Dance food trucks will align with these fees.
   - Recommendation from Committee is to move forward and post draft ordinance and bring to City Council meeting.

5. Fire District Lease Discussion
   - At the 2020 goal setting meeting staff was directed to review the lease payment for the Isanti Area Joint Operating District.
   - Beginning in 2015 the Isanti Area Joint Fire District began paying $32,622.75 annually for lease of the fire station on Heritage Blvd. Isanti Area Joint Fire District had previously paid $1.00 annually. Since the start of 2015 the Isanti Area Joint Fire District has paid $163,113.75 to lease a portion of the building.
   - The Isanti Area Joint Fire District approached the City in 2019 to inquire about possibly purchasing the building outright. If the Isanti Area Joint Fire District lease agreement continued for 10 more years unchanged the result would be as follows:

Previously Collected (2015-2019)	$ 163,113.75
Future Collection (2020-2029)	$ 326,227.50
Total Potential Collection	**$ 489,341.25**

   - Recommendation from Committee is for City Administrator Josi Wood and Finance Director Mike Betker to meet with Fire Chief Al Jankovich to discuss laying out the framework for a possible transfer of ownership for the current Police Department and Fire Department building and to discuss if Isanti Area Joint Operating District lease agreement fee shall be a $1.00 annually.

6. Tree Discussion
    - Staff requested clarification on tree replacement for street projects, water main break, curb stop leak, etc. as city policy is that the city does not replace trees.
    - Recommendation from Committee is to look at a tree program for city who would like trees at a discounted cost and leave city policy as is.

7. Annexed Parcel Code Enforcement Discussion
    - December 2019 Committee of the Whole meeting the Committee discussed general code enforcement on parcels recently annexed into the City. The focus was mostly on parking and vehicles. It was agreed that any outside storage of rubbish, junk, inoperable vehicles, miscellaneous refuse or garbage will be enforced immediately.
    - February Committee of the Whole a rough draft of an ordinance amendment was presented. The draft included limits on size of vehicles and number of vehicles for parcels over 1-acre. It was suggested that the current code be enforced when property ownership changed and until the people that live there are allowed to have what they currently have for vehicles, trailers etc. Committee directed staff to look at the logistics on this idea.
    - Direction from Committee was for staff to send out letters to annexed parcels notifying them of this meeting and discussion and have indicated that once staff is directed to draft an ordinance for consideration, they will receive notice and a copy of the proposed ordinance.
    - Recommendation from Committee is for staff to draft new ordinance with enforcing new rules for when the properties switch owners and have the city attorney review the draft ordinance and bring to city council meeting.

8. Credit Card Policy Discussion
    - Currently the City of Isanti has one credit card for city/staff to use. That card is kept in the office of the Finance Director's office and must be signed out to be used. After the purchase is made the card is checked back in.
    - Recommendation from Committee is to move forward with staff drafting a new credit card policy with staff having credit cards with their name on it issued to them to use for purchases and bring to city council meeting.

9. Adding Trails to Bluebird Park Discussion
    - The February 25th Park, Recreation and Culture Board meeting discussed adding walkways to Bluebird Park.
    - The walkway would be from the main BMX parking lot to the parking lot to the west which used to be the skate park pad.
    - The result would be loss of two parking spaces in the main BMX parking lot and the curb in the BMX parking lot would need to be cut. Rum River BMX is okay with losing two spots.
    - People currently walk out to Isanti Parkway because it gets wet along the pine trees.
    - The trail section addition would be about 50' between the two parking lots. A section of culvert will need to be added to maintain drainage along with some

grading. The section of trail would be 8' wide consistent with what is currently in Bluebird Park.

- The trail section would need to be contracted out as Public Works does not have the equipment to pave the section of trail.
- The work is a non-budgeted park improvement at this time.
- Staff has received an estimated quote for $7,500.
- No further recommendations were made from Committee.

10. Painting Redbird Fence Discussion

- Redbirds ball field fence said they agreed that the back of the fence could be painted or stained and requested to use city equipment to do so.
- The city does not allow things that have been purchased to be used by another group.
- Public Works can paint the fence but Redbirds would be billed for it.
- Recommendation from Committee is for staff to review lease agreement for Redbirds to paint the fence.

11. Discussion on Funding for Fireworks and Float

- Approximately $6,700 for 12 minutes fireworks show similar to Brooklyn Park, Buffalo, Sartell and Mille Lacs Band.
- There is adequate funding within the parks budget and allocate it to fireworks if Committee recommends.
- Consensus from Committee is to each out to firework vendors and bring to city council meeting.
- Building a parade float could potentially be overtime for staff.
- Consensus from Committee is not to have float in the parade.

12. Emergency Management Discussion

- Updates to Emergency Preparedness and Response Plan as the last update was 2009.
- The COVID-19 pandemic has made it necessary for updates.
- Recommendation from Committee is to move forward and bring to city council meeting later in the evenings.

F. Adjournment

Meeting was adjourned at 6:41 p.m.

Respectfully Submitted,

Jaden Moore

Deputy City Clerk/ Human Resources

City of Isanti
Planning Commission Meeting Minutes
February 18, 2020

Call to Order: Chair Johnson called the meeting to order at 7:42pm.
Roll Call: Commissioners present: Mayor Jeff Johnson, Paul Bergley, Jimmy Gordon, Steve Lundeen, Dan Collison, Aryssa Simon, and Alexander Collins.
Staff Present: Community Development Director Sheila Sellman, Assistant City Administrator/Special Projects Don Lorsung, and Planner Matt Lindholm

Meeting Minutes: Motion by Bergley, 2nd by Collison to approve minutes from the January 21, 2020 Planning Commission Meeting. Motion passed 7-0.

Public Hearing

A. A request from the City of Isanti to Amend Ordinance No. 445 Zoning; Section 7, Article Two, Subdivision 6: Permitted Accessory Uses. Section 8, Article One, Subdivision 2: Permitted Uses. Section 8, Article One, Subdivision 2 adding Subdivision 16: Location of Adult Establishment. Section 8, Article One, Subdivision 4: Interim Uses. Section 8, Article One, Subdivision 6: Permitted Accessory Uses. Section 12, Article three, Subdivision 6: Permitted Accessory Uses. Section 13, Article Two, Subdivision 2 (Use Regulations for Adult Uses) is repealed: Sellman explained this removes Adult Use from the B-2 General Business District as a permitted use and accessory use while allowing Adult Use in the I-1 Industrial Park District as a permitted use. The Amendment also removes performance standards (per recent repeal/adoption in Chapter 68) and accessory use. Accessory use is removed as by definition the sales of some adult material can be incidental to retail sales, as protected under the US Constitution's 1st Amendment. The public hearing was open, and no one was present for this item. Johnson closed the public hearing.
Motion by Lundeen, 2nd by Gordon to approve the ordinance amendment. Motion passed 7-0. Bergley asked the reason of this request. Sellman said it was a result of updating Chapter 68 in City Code.

Other Business: None.

Discussion Item

A. Comprehensive Plan Update – Chapter 8, Transportation: Lorsung reviewed current/future goals and the importance of long-term planning of transportation corridors and roadways. Bergley asked when County Road 9 (CR-9) might be considered a major roadway. Lorsung stated that he didn't have traffic counts on hand but estimated an increase in traffic. Bergley presumed CR-9 was already considered a major roadway and was curious as to how close it was to status change. Lorsung said that it would be beyond 2030 that CR-9 may be tied in.

Adjournment: Motion by Bergley, 2nd by Collison to adjourn. Motion passed 7-0. Meeting adjourned at 7:56pm.

Respectfully Submitted
Matt Lindholm, Planner/Secretary

E. Adopt Agenda
Motion by Lundeen, second by Bergley to approve the agenda as presented. Motion passed 4-0. Motion carried.

F. Business Items

1. **Resolution 2020-076** Declaring Local State of Emergency
Mayor Johnson read the resolution.

Councilmember Bergley asked if the Chief of Police Travis Muyres is the Emergency Management Director.

Johnson confirmed that the Emergency Management Director is Chief of Police Travis Muyres,

Bergley asked if there is a plan in place,

Chief of Police Travis Muyres shared that the City of Isanti's Emergency Operations Plan as a whole and the Pandemic Plan is one section in there and has been in place for the City of

Isanti for many years. The plan was updated and presented at the last City Council meeting on March 17. Muyres continued to share that the motion and action does not mean anything is going to change tomorrow operationally, but gives them abilities to work with the city's partners including Isanti County Emergency Management, Alina Health, Isanti Fire which is already laid out in the Emergency Operations Plan.

Bergley stated that the County Board and City of Cambridge did this as well.

Mayor Johnson stated that it suspends everything, but City Council meetings, but residents are allowed to call in just as Councilmember Gordon is for the meeting now.

Bergley asked if there were any specific actions that are being taken.

City Administrator Josi Wood shared now that GoToMeeting.com is set up the City will continue to do meetings that have things on the agenda that need to be brought forward whether it be City Council or Planning Commission. Wood continued to share that the public will be notified on the City of Isanti's Facebook page and the City of Isanti website. Wood further shared that there will be a code similar to Councilmember Gordon called in on as well as the public listening to the meeting today. The public can call in to speak at public comment, during public hearings. During a local state emergency state statute allows if found prudent to not hold meetings in person form that they can be done this way so moving forward this is how meetings will be done until it is determined that it is not prudent to do so. Wood stated in regards to city operations, specifically with staffing, we have begun staggering staff shifts. With Public Works, Police Department and in City Hall some staff are doing it in a way where they are working from home and they may come in depending on what functions they are providing with the order Governor Walz has made that takes effect on Friday it is to make sure that the critical staff that is needed to do what needs to be done. Staff were given the capability to work remotely to keep the separation between different staff members but have the ability to continue to work. Wood added that for the public updates for COVID-19 have been posted on the City's Facebook page and on the City's website under the Emergency Preparedness page such as the water shut off notice which usually happened in April have been delayed as well as residents will not be experiencing late fees during this time due to COVID-19. Wood stated that City Hall is not open to the public, but staff is still available by phone or email to answer questions.

Councilmember Gordon asked for clarification that this is opening lines of communication with the county and state to make it easier to work with them and not necessarily putting a response plan in place but allowing that to implemented if needed.

Wood stated to clarify that the city is in response planning and have implemented the plan, but have not implemented the Emergency Operations Center which is the next phase. Wood further stated that the city is in the emergency planning operations plan where critical services are being performed and limiting staff.

Gordon stated the City has implemented the operations part now that it is declaring the emergency.

Wood confirmed.

Gordon asked what is being done on a city level is not more restrictive than what the Governor implemented.

Johnson stated that what the Governor puts in place it must be complied and as far as the City level goes this is being implemented to make sure residents, families and staff is safe, secure and essentially do not get sick but if it hits here we are giving the authorization to react to it and do as necessary without City Council approval.

Muyres stated that the biggest thing enacted today by this council will open up more opportunities for him to reach out to bigger agencies such as county, state and federal to get more resources to plan with them. Muyres continued to share that there is not anything in the Emergency Management Plan regarding a curfew like what the Governors has put in place.

Gordon asked if the Liquor Store will remain open.

Wood stated that the Governors order did make it clear that one of the things that can remain open is Liquor Stores. The City's liquor store will continue to remain open and right now is operating at normal hours and schedules but if staff becomes sick and unable to work hours may become limited.

A motion was made by Lundeen, seconded by Bergley to approve resolution as presented. Motion passed 4-0. Motion carried.

G. Adjournment

Motion to adjourn by Bergley, second by Lundeen. Motion passed 4-0. Motion carried. The meeting was adjourned at 6:27 p.m.

Respectfully Submitted,

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Josi Wood, City Administrator
Date: April 7, 2020
Subject: Repealing in its Entirety City Code Ch. 160, Ordinance 713, and Previous Ordinances Titled Fees, and Adopting Ordinance - XXX Titled Fees

---

Background:

Ordinances 429, 433, 436, 437, 449, 463, 497, 500, 511, 515, 521, 523, 531, 540, 546, 556, 559, 561, 565, 566 ,570, 577, 587, 598, 591, 606, 615, 627 ,632, 642, 653, 662, 677, 668, 685, 691, 694, 698, 706, and 713, codified in Chapter 160 of the City Code are hereby repealed in their entirety and replaced with a draft Ordinance for Council review.

Fees listed, as well as the items that are charged fees, within City Code allows the City to enforce our fees per our City Attorney. City Code Ch. 160 had the items listed by Ordinance, however, fees were adopted by Resolution.

The draft Ordinance fees are the same as what was last approved by Council plus includes the new fees as discussed and recommended by Committee of the Whole for Food Trucks.

Request:
Staff is requesting action on this item.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Travis Muyres, Chief of Police
Date: April 7, 2020
Subject: Ordinance Amending Chapter 233 Pawn Shops

Background:
Chapter 233 in City Code requires licensed Pawnbrokers to report transactons via the specified Automated Pawn System [APS]. The city has utilized the Minneapolis Police Departments APS as the specified automated pawn system for the city. As of March 1st 2020 Minneapolis Police Department halted their APS system and is no longer operable.

Chapter 233 has been amended to allow for an alternative to the Minneapolis Police Department APS that was listed in the chapter.

Staff drafted and City Attorney reviewed the proposed changes. The draft was posted on March 26th 2020 for public notice.

Request:
Staff is requesting action on this item

ORDINANCE No. _____

AN ORDINANCE REPEALING AND REPLACING ORDINANCE 345 ADOPTED ON OCTOBER 18, 2005 AND AMENDED BY ORDINANCE 427 ADOPTED ON JANUARY 15, 2008 AND AMENDED BY ORDINANCE 471 ADOPTED ON NOVEMBER 17, 2009 AND AMENDED BY ORDINANCE 545 ADOPTED ON NOVMEBER 20, 2012 AND AMENDED BY ORDINANCE 634 ADOPTED ON MARCH 15, 2016 AND ORDINANCE 635 ADOPTED ON MARCH 15, 2016 AND TITLED PAWN SHOPS

The City Council of the City of Isanti, Minnesota ordains:

Section 1 – Repealer. Ordinance 345 and amending Ordinances 427, 471, 545, 634 and 635, codified in Chapter 233 of the City Code is hereby replaced in its entirety and replaced with the ordinance set forth below.

Section 2 – Ordinance. The following Chapter 233 is hereby adopted:

Chapter 233

PAWN SHOPS

§ 233-1. Purpose.
§ 233-2. Definitions.
§ 233-3. Reportable transactions.
§ 233-4. Billable transaction.
§ 233-5. License required.
§ 233-6. License fees.
§ 233-7. Expiration of license.
§ 233-8. Application requirements.
§ 233-9. Bond requirements.
§ 233-12. Receipt requirements.
§ 233-13. Redemption period.
§ 233-14. Holding period.
§ 233-15. Police Department order to hold property.
§233-16. Inspection of premises, items and records.
§233-17. Labeling of items.
§233-18. Prohibited acts.

§ 233-10. Required records.

§ 233-11. Reports to Isanti Police Department.

§233-19. Denial, suspension or revocation of license.

§233-20. Business at only one place.

§233-21. Violations and penalties.

233-1 Purpose.

The City of Isanti finds that use of services provided by pawnbrokers provides an opportunity for the commission of crimes and their concealment because pawn businesses have the ability to receive and transfer property stolen by others easily and quickly. The City of Isanti also finds that consumer protection regulation is warranted in transactions involving pawnbrokers. The City of Isanti further finds that the pawn industry has outgrown the city's current ability to effectively or efficiently identify criminal activity related to pawn shops. The purpose of this chapter is to prevent pawn businesses from being used as facilities for the commission of crimes, and to assure that such businesses comply with basic consumer protection standards, thereby protecting the public health, safety, and general welfare of the citizens of the City.

To help the Isanti Police Department better regulate current and future pawn businesses, decrease and stabilize costs associated with the regulation of the pawn industry, and increase identification of criminal activities in the pawn industry through the timely collection and sharing of pawn transaction information, this chapter also implements and establishes the required use of an automated pawn system.

233-2 Definitions.

When used in this article, the following words shall mean:

AUTOMATED PAWN SYSTEM – A computer database, accessible from remote locations, designed to input and retrieve data on pawnbroker transactions.

PAWNBROKER – Except as provided in this paragraph, "pawnbroker" means an person engaged in whole or in part in the business of lending money on the security of pledged goods

left in pawn, or in the business of purchasing tangible personal property to be left in pawn on the condition that it may be redeemed or repurchased by the seller for a fixed price within a fixed period of time. The following are exempt from the definition of "pawnbroker". Any bank regulated by the State of Minnesota, the comptroller of the currency of the United States, the Federal Deposit Insurance Corporation, the board of governors of the Federal Reserve System, or any other federal or state authority and their affiliates; any bank or savings association whose deposits or accounts are eligible for insurance by the Federal Deposit Insurance Corporation or any successor to it and all affiliates of those banks and savings associations; any state or federally chartered credit union; and any industrial loan and thrift company or regulated lender subject to licensing and regulation by the Department of Commerce.

233-3 Reportable transaction.

Every transaction conducted by a pawnbroker in which merchandise is received through a pawn, purchase, consignment or trade, or in which a pawn is renewed, extended or redeemed, or for which a unique transaction number or identifier is generated by their point-of-sale software, or an item is confiscated by law enforcement, is reportable except:

A. The bulk purchase or consignment of new or used merchandise from a merchant, manufacturer or wholesaler having an established permanent place of business, and the retail sale of said merchandise, provided the pawnbroker must maintain a record of such purchase or consignment which describes each item, and must mark each item in a manner which relates it to that transaction record.

B. Retail and wholesale sales of merchandise originally received by pawn or purchase, and for which all applicable hold and/or redemption periods have expired.

233-4 Billable transaction.

Every reportable transaction conducted by a pawnbroker is a billable transaction except renewals, redemptions or extensions of existing pawns on items previously reported and continuously in the licensee's possession, voided transactions and confiscations.

233-5 License required.

No person shall engage in the business of pawnbroker at any location without a pawn broker's license for that location. No pawnbroker license may be transferred to a different location or a different person. Issuance of a license under this chapter shall not relieve the licensee from obtaining any other licenses required to conduct business at the same or other locations.

233-6 License fees.

A. The application must be accompanied by the license fees specified, which may be amended from time to time by action of the City Council.

B. License fees will be prorated if applied for and issued after April 1st.

C. The billable transaction license fee shall reflect the cost of processing transactions and other related regulatory expenses as determined by the Isanti City Council by ordinance and adjusted as necessary. Licensees shall be notified in writing thirty (30) days before any adjustment is implemented.

D. Billable transaction fees shall be billed monthly are due and payable within thirty (30) days. Failure to do so is a violation of this chapter.

233-7 Expiration of license.

All licenses shall expire on March 31st.

233-8 Application requirements.

A. Contents. An application form provided by the City Clerk's Office must be completed by every applicant for a new license or for renewal of an existing license. Every new applicant and renewals of an existing license must provide all the following information.

1. If the applicant is a natural person:

(a) The name, place and date of birth, street resident address, and phone number of applicants.

(b) Whether the applicant is a citizen of the United States or resident alien.

(c) Whether the applicant has ever used or has been known by a name other than the applicant's name, and if so, the name or names used and information concerning dates and places used.

(d) The name of the business if it is to be conducted under a designation, name, or style other than the name of the applicant and a certified copy of the certificate as required by Minnesota Statutes, Section 333.01, as amended from time to time.

(e) The street address at which the applicant has lived during the preceding five (5) years.

(f) The type, name and location of every business or occupation in which the applicant has been engaged during the preceding five (5) years and the name(s) and address(s) of the applicant's employer(s) and partner(s), if any, for the proceeding five (5) years.

(g) Whether the applicant has ever been convicted of a felony, crime, or violation of any ordinance other than a traffic ordinance. If so, the applicant must furnish information as to the time, place, and offense of all such convictions.

(h) The physical description of the applicant.

(i) Applicant's current personal financial statement and true copies of the applicant's federal and state tax returns for the two (2) years prior to application.

(j) If the applicant does not manage the business, the name of the manager(s) or other person(s) in charge of the business and all information concerning each of them required in a. through h. of subdivision (1) of this section.

2. If the applicant is a partnership:

(a) The name(s) and address(s) of all general and limited partners and all information concerning each general partner required in subdivision (1) of this section.

(b) The name(s) of the managing partner(s) and the interest of each partner in the licensed business.

(c) A true copy of the partnership agreement shall be submitted with the application. If the partnership is required to file a certificate as to a trade name pursuant to Minnesota Statutes, Section 333.01, as amended from time to time, a certified copy of such certificate must be attached to the application.

(d) A true copy of the federal and state tax returns for partnership for the two (2) years prior to application.

(e) If the applicant does not manage the business, the name of the manager(s) or other person(s) in charge of the business and all information concerning each of them required in a. through h. of subdivision (1) of this section.

3. If the applicant is a corporation or other organization:

(a) The name of the corporation or business form, and if incorporated, the state of incorporation.

(b) A true copy of the Certificate of Incorporation, Articles of Incorporation or Association Agreement, and By-laws shall be attached to the application. If the applicant is a foreign corporation, a Certificate of Authority as required by Minnesota Statutes, Section 303.06, as amended from time to time, must be attached. Any proposed change to either the articles or the by-laws of the corporation must be reported to the City Clerk at least 14 days prior to the date such change is to be adopted by the corporation. In the case of a corporate application, the application must also describe fully the relationship of the corporation to any other corporation including the name, business address, state of incorporation, names of stockholders, directors and officers thereof as provided hereafter, but in the case of publicly-held corporations, the city may accept disclosure documents required by the Securities and Exchange Commission of the United States of America in lieu of such information.

(c) The name of the manager(s) or other person(s) in charge of the business and all information concerning each manager, proprietor, or agent required in a. through h. of subdivision (1) of this section.

(d) A list of all persons who control or own an interest in excess of five (5) Percent in such organization or business form or who are officers of the corporation or business form and all information concerning said persons required in subdivision (1) above. This subdivision (d), however, shall not apply to a corporation whose stock is publicly traded on a stock exchange and is applying for a license to be owned and operated by it.

4. For all applicants:

(a) Whether the applicant holds a current pawnbroker, precious metal dealer or secondhand goods dealer license from any other governmental unit.

(b) Whether the applicant has previously been denied, or had revoked or suspended, a pawnbroker, precious metal dealer, or secondhand dealer license from any other governmental unit.

(c) The location of the business premises.

(d) If the applicant does not own the business premises, a true and complete copy of the executed lease.

(e) The legal description of the premises to be licensed.

(f) Whether all real estate and personal property taxes that are due and payable for the premises to be licensed have been paid, and if not paid, the years and amounts that are unpaid.

(g) Whenever the application is for premises either planned or under construction or undergoing substantial alteration, the application must be accompanied by a set of preliminary plans showing the design of the proposed premises to be licensed.

(h) Such other information as the City of Isanti or issuing authority may require.

(i) The applicant and/or their legal representative shall be present at the City Council meeting where the application for a new license, or renewal of an existing license, is under consideration. Applications will not be considered for approval unless the applicant or the applicant's legal representative is present at the meeting.

B. New manager.

1. When a licensee places a manager in charge of a business, or if the named manager(s) in charge of a licensed business changes, the licensee must complete and submit the appropriate application within 14 days. The application must include all appropriate information required in this section.

2. Upon completion of a background investigation of a new manager, the licensee must pay an amount equal to the cost of the investigation to assure compliance with this chapter. If the investigation process is conducted solely within the State of Minnesota, the fee shall be the cost of the Investigation, as set by the City of Isanti. If the investigation is conducted outside the State of Minnesota, the issuing authority may recover the actual investigation costs.

C. Application execution. All applications for a license under this chapter must be signed and sworn to under oath or affirmation by the applicant. If the application is that of a natural person, it must be signed and sworn to by such person; if that of a corporation, by an officer thereof; if that of a partnership, by one of the general partners; and if that of an unincorporated association, by the manager or managing officer thereof.

D. Investigation. All license applications submitted under this article must be referred to the Isanti Police Department to conduct a background investigation. Every individual or person having any beneficial interest must be so investigated. The Isanti Police Department must investigate into the truthfulness of the statements set forth in the application. The applicant must furnish to the Isanti Police Department's license inspector such evidence as the inspector may reasonably require in support of the statements set forth in the application. The Chief of Police or their designee must report the findings and comments to the City Administrator who must order or conduct such additional investigations as the administrator deems necessary or as the City Council directs.

E. Persons ineligible for a license. No licenses under this chapter will be issued to an applicant who is a natural person, a partnership if such applicant has any general partner or managing partner, a corporation or other organization if such applicant has any manager, proprietor or agent in charge of the business to be licensed, if the applicant:

1. Is a minor at the time that the application is filed.

2. Has been convicted of any crime directly related to the occupation licensed as prescribed by Minnesota Statutes, Section 364.03, Subd. 2 as amended from time to time, and has not shown competent evidence of sufficient rehabilitation and present fitness to perform the duties of a licensee under this chapter as prescribed by Minnesota Statutes, Section 364.03, Subd. 2, as amended from

time to time; and has not shown competent evidence of sufficient rehabilitation and present fitness to perform the duties of a licensee under this article as prescribed by Minnesota Statutes 364.03, Subd. 3 as amended from time to time.

3. Is not of good moral character or repute.

4. Has been the subject of an investigation by a consumer protection agency, State Attorney General's office, Better Business Bureau, or similar group or agency and such investigation has indicated a pattern of disregard of consumer rights in the conduct of the business.

5. Holds an intoxicating liquor license under Chapter 76 of the Isanti City Code of Ordinances.

6. Has knowingly falsified or misrepresented information on the application.

7. Is not the real party with interest in the business being licensed or registered;

8. Has had an interest in a corporation, partnership, association, enterprise, business or firm that had a pawnbroker, precious metal or secondhand goods dealer's license denied or revoked as a result of a violation of law within five years of the date the license or registration application is submitted to the issuing authority; or

9. Owes taxes or assessments to the state, county, school district or City that are due or delinquent.

233-9 Bond required.

Before a license will be issued, every applicant must submit a bond on the forms provided by the licensing authority. The bond will be $5,000. All bonds must be conditioned that the principal will observe all laws in relation to pawnbrokers, and will conduct business in conformity thereto, and that the principal will account for and deliver to any person legally entitled any goods which have come into the principal's hand through the principal's business as a pawnbroker, or in lieu thereof, will pay the reasonable value in money to the person. The bond shall contain a provision that no bond may be canceled except upon 30 days' written notice to the City of Isanti, which shall be served upon the licensing authority.

233-10 Records required.

At the time of any reportable transaction other than renewals, extensions or redemptions, every licensee must immediately record in English the following information by using ink or other

indelible medium on forms or in a computerized record approved by the Isanti Police Department.

A. A complete and accurate description of each item including, but not limited to, any trademark, identification number, serial number, model number, brand name, or other identifying mark on such an item.

B. The purchase price, amount of money loaned upon, or pledged therefore.

C. The maturity date of the transaction and the amount due, including monthly and annual interest rates and all pawn fees and charges.

D. Date, time and place the item of property was received by the licensee, and the unique alpha and/or numeric transaction identifier that distinguishes it from all other transactions in the licensee's records.

E. Full name, current residence address, current residence telephone number, date of birth and accurate description of the person from whom the item of the property was received, including: sex, height, weight, race, color of eyes and color of hair.

F. The identification number and state of issue from any of the following forms of identification of the seller.

1. Current valid Minnesota driver's license.

2. Current valid Minnesota identification card.

3. Current valid photo identification card issued by another state or province of Canada.

G. The signature of the person identified in the transaction.

H. Color Photographs or videos.

1. Effective sixty (60) days from the date of notification by the Isanti Police Department of acceptable video standards the licensee must also take a color photograph or color video recording of:

(a) Each customer involved in a reportable transaction.

(b) Every item pawned or sold that does not have a unique serial or identification number permanently engraved or affixed.

2. If a photograph is taken, it must be at least two (2) inches in length by two (2) inches in width and must be maintained in such a manner that the photograph can be readily matched and correlated with all other records of the transaction to which they relate. Such photographs must be available to the Isanti Police Department or the Isanti Police Department's designee, upon request. The major portion of the photograph must include an identifiable front facial close-up of the person who pawned or sold the item. Items photographed must be accurately depicted, and serial or identification numbers shall be photographed if applicable. The licensee must inform the person that they are being photographed by displaying a sign of sufficient size in a conspicuous place in the premises. If a video photograph is taken, the video camera must zoom in on the person pawning or selling the item so as to include an identifiable close-up of that person's face. Items photographed by video must be accurately depicted. Video photographs must be electronically referenced by time and date so they can be readily matched and correlated with all other records of the transaction to which they relate. The licensee must inform the person that he or she is being videotaped orally and by displaying a sign of sufficient size in a conspicuous place on the premises. The licensee must keep the exposed videotape for three months.

I. Digitized photographs. Effective 60 days from the date of notification by the Isanti Police Department licensees must fulfill the color photograph requirements as specified in subsection H above by submitting them as digital images, in a format specified by the issuing authority, electronically cross- referenced to the reportable transaction they are associated with. Notwithstanding the digital images may be captured from required video recordings, this provision does not alter or amend the requirements in Subsection H.

J. Renewals, extensions and redemptions. For renewals, extensions and redemptions, the licensee shall provide the original transaction identifier, the date of the current transaction, and the type of transaction.

K. Inspection of records. The records must at all reasonable times be open to inspection by the Isanti Police Department or authorized city employees or agents. Data entries shall be retained for at least three (3) years from the date of transaction. Entries of required digital images shall be retained a minimum of ninety (90) days

233-11 Reports to Isanti Police Department.

A. Effective no later than sixty (60) days after the Isanti Police Department provides licensees with the current version of the automated pawn interchange file specification format or similar automated record system that may be specified by the City. Licensees must submit every reportable transaction to the Isanti Police Department daily in the following manner: Licensees must provide to the Isanti Police Department all reportable transaction information by transferring it from their computer to the automated pawn system interchange file specification format or similar automated record system as specified by the City via a modem using the current version. All required records must be transmitted completely and accurately after the close of the business each day in accordance with standards and procedures established by the issuing authority. Any transaction that does not meet the automated pawn system interchange file specification format must be corrected and resubmitted the next business day. The licensee must display a sign of sufficient size, in a conspicuous place in the premises, which informs patrons that all transactions are reported to the Isanti Police Department daily.

B. Billable transaction fees. Licensees will be charged for each billable transaction reported to the Isanti Police Department.

1. If a licensee is unable to successfully transfer the required reports by modem, the licensee must provide the Isanti Police Department, upon request, printed copies of all reportable transactions along with the video tape(s) for that date, by noon the next business day.

2. If the problem is determined to be in the licensee's system and is not corrected by the close of the first business day following the failure, the licensee must continue to provide the required reports as detailed in the section titled DAILY REPORTS TO ISANTI POLICE DEPARTMENT (b)(1), and must be charged a fifty dollar ($50.00) reporting failure penalty, daily, until the error is corrected.

3. If the problem is determined to be outside the licensee's system, the licensee must continue to provide the required reports as specified in the section titled DAILY REPORTS TO ISANTI POLICE DEPARTMENT (b)(1), and resubmit all such transactions via modem when the error is corrected.

4. If a licensee is unable to capture, digitize or transmit the photographs required in the section titled RECORDS REQUIRED subdivision 10, the licensee must immediately take all required photographs with a still camera, cross-reference the photographs to the correct transaction, and make the pictures available to the Isanti Police Department upon request.

5. Regardless of the cause or origin of the technical problems that prevented the licensee from uploading their reportable transactions, upon correction of the problem, the licensee shall upload every reportable transaction from every business day the problem had existed.

6. As referred to in the section titled DAILY REPORTS TO ISANTI POLICE DEPARTMENT (b) (1) through (3) notwithstanding, the Isanti Police Department may, upon presentation of extenuating circumstances, delay the implementation of the daily reporting penalty.

233-12 Receipt required.

Every licensee must provide a receipt to the party identified in every reportable transaction and must maintain a duplicate of that receipt for three (3) years. The receipt must include at least the following information.

A. The name, address and telephone number of the licensed business.

B. The date and time the item was received by the licensee.

C. Whether the item was pawned or sold, or the nature of the transaction.

D. An accurate description of each item received including, but not limited to, any trademark, identification number, serial number, model number, brand name, or other identifying mark on such an item.

E. The signature or unique identifier of the licensee or employee that conducted the transaction.

F. The amount advanced or paid.

G. The monthly and annual interest rates, including all pawn fees and charges.

H. The last regular day of business by which the item must be redeemed by the pledger without risk that the item will be sold, and the amount necessary to redeem the pawned item on that date.

I. The full name, current residence address, current residence telephone number, and date of birth of the pledger or seller.

J. The identification number and state of issue from any of the following forms of identification of the seller:

1. Current valid Minnesota driver's license.
2. Current valid Minnesota identification card.
3. Current valid photo driver's license or identification card issued by another state or province of Canada.
4. Current valid military identification card.

5. Current valid passport.

K. Description of the pledger or seller including approximate sex, height, weight, race, color of eyes and color of hair.

L. The signature of the pledger or seller.

M. All printed statements as required by state statute 325J.04 subdivision 2 as amended from time to time, or any other applicable rule or law.

233-13 Redemption period.

Any person pledging, pawning or depositing an item for security must have a minimum of ninety (90) days from the date of that transaction to redeem the item before it may be forfeited and sold. During the ninety (90) day holding period, items may not be removed from the licensed location except as provided in the section titled BUSINESS AT ONLY ONE PLACE. Licensees are prohibited from redeeming any item to anyone other than the person to whom the receipt was issued or, to any person identified in a written and notarized authorization to redeem the property identified in the receipt, or to a person identified in writing by the pledger at the time of the initial transaction and signed by the pledger, or with approval of the Isanti Police Department license inspector. Written authorization for release of property to persons other than original pledger must be maintained along with original transaction record in accordance with the Section 233-10 Records Required.

233-14 Holding period.

Any item purchased or accepted in trade by a licensee must not be sold or otherwise transferred for 21 days from the date of the transaction. Exceptions shall be given to media items, to include VHS tapes, CD, DVD, Blue-Ray Discs, HD_DVD, audio cassettes, books, video games and other items deemed similar. Such media items must not be sold or otherwise transferred for 14 days from the date of transaction.

233-15 Isanti Police Department order to hold property.

A. Investigative hold. Whenever a law enforcement official from any agency notifies a licensee not to sell an item, the item must not be sold or removed from the premises. The

investigative hold shall be confirmed in writing by the originating agency within seventy-two (72) hours and will remain in effect for fifteen (15) days from the date of initial notification, or until the investigative order is canceled, or until an order to hold/confiscate is issued, pursuant to the section titled ISANTI POLICE DEPARTMENT ORDER TO HOLD PROPERTY (b), whichever comes first.

B. Order to hold. Whenever the Isanti Police Department or the Isanti Police Department's designee, notifies a licensee not to sell an item, the item must not be sold or removed from the licensed premises until authorized to be released by the Isanti Police Department or the Isanti Police Department's designee. An order to hold can include: direct correspondence by the Isanti Police Department or Isanti Police Department's designee verbally or in writing; or a hold order within an Automated Pawn System. The order to hold shall expire ninety (90) days from the date it is placed unless the Isanti Police Department or the Isanti Police Department's designee determines the hold is still necessary and notifies the licensee in writing.

C. Order to confiscate. If an item is identified as stolen or evidence in a criminal case, the Isanti Police Department or the Isanti Police Department's designee may:

1. Physically confiscate and remove it from the shop, pursuant to a written order from the Isanti Police Department or the Isanti Police Department's designee; or

2. Place the item on hold or extend the hold as provided herein, and leave it in the licensed premises under the control of the licensee who shall be responsible for maintaining possession of the item. When an item is confiscated, the person doing so shall provide identification upon request of the licensee, and shall provide the licensee the name and phone number of the confiscating agency and investigator, and the case number related to the confiscation. When an order to hold/confiscate is no longer necessary, the Isanti Police Department or the Isanti Police Department's designee shall so notify the licensee.

233-16 Inspection of premise, items and records.

At all times during the terms of the license, the licensee must allow law enforcement officials to enter the premises where the licensed business is located, including all off-site storage facilities as authorized herein, during normal business hours, except in an emergency. The purpose of

inspecting such premises and inspecting the items, wares and merchandise and records therein is to verify compliance with this chapter or applicable laws.

233-17 Labeling of items.

Licensees must attach a label to every item at the time it is pawned, purchased or received in inventory from any reportable transaction. Permanently recorded on this label must be the number or name that identifies the transaction in the shop's records, the transaction date, the name of the item and the description or the model and serial number of the item as reported to the Isanti Police Department, whichever is applicable, and the date the item is out of pawn or can be sold, if applicable. Labels shall not be re-used.

233-18 Prohibited acts.

A. No person under the age of eighteen (18) years may pawn or sell or attempt to pawn or sell goods with any licensee, nor may any licensee receive any goods from a person under the age of eighteen (18) years.

B. No licensee may receive any goods from a person of unsound mind or from persons who are clearly under the influence of an intoxicating substance.

C. No licensee may receive any goods, unless the seller presents identification in the form of a valid driver's license, a valid State of Minnesota identification card, or current valid photo driver's license or identification card issued by the state or providence of residency of the person from whom the item was received ,or valid passport, or valid military identification card.

D. No licensee may receive any item of property that possesses an altered or obliterated serial number or identification number or any item of property that has had its serial number removed.

E. No person may pawn, pledge, sell, consign, leave, or deposit any article of property which they do not have lawful ownership of. No person shall pawn, pledge, sell, consign, leave, or deposit the property of another, whether with permission or without; nor shall any person pawn, pledge, sell, consign, leave, or deposit any article of property in which another has a security interest in.

F. No person seeking to pawn, pledge, sell, consign, leave, or deposit any article of property with any licensee shall give a false or fictitious name; false date of birth; false or out of date address of residence; or telephone number; nor present a false or altered identification, or the identification of another; to any licensee.

233-19 Denial, suspension or revocation.

Any license under this chapter may be denied, suspended or revoked for one or more of the following reasons.

A. The proposed use does not comply with the any applicable law or rule, including applicable zoning laws.

B. The proposed use does not comply with any health, building, building maintenance or other provisions of this Code of Ordinances or state law.

C. The applicant or licensee has failed to comply with one or more provisions of this chapter.

D. The applicant is not a citizen of the United States or a resident alien, or upon whom it is impractical or impossible to conduct a background or financial investigation due to the unavailability of information.

E. Fraud, misrepresentation or bribery in securing or renewing a license.

F. Fraud, misrepresentation or false statements made in the application and investigation for, or in the course of the applicant's business dealings.

G. Violation within the preceding five (5) years, of any law relating to theft, damage or trespass to property, sale of a controlled substance, or operation of a business, or any other crime showing a lack of moral turpitude.

H. The owner of the premises licensed or to be licensed would not qualify for a license under the terms of this chapter.

233-20. Business at only one place.

A license under this chapter authorizes the licensee to carry on its business only at the permanent place of business designated in the license. However, upon written request, the Isanti Police Department license inspector may approve an off-site locked and secured storage facility. The licensee shall permit inspection of the facility in accordance with the section titled INSPECTION OF ITEMS. All provisions of this chapter regarding record keeping and reporting apply to the facility and its contents. Property shall be stored in compliance with all provisions of city code. The licensee must either own the building in which the business is conducted, and any approved off-site storage facility, or have a lease on the business premise that extends for more than six (6) months.

233-21 Severability.

Should any section, subsection, clause or other provision of this chapter be declared by a court of competent jurisdiction to be invalid such decision shall not affect the validity of the ordinance as a whole or any part other than the part so declared invalid.

233-22 Violations and penalties.

Any person convicted of violating any provision of this chapter is guilty of a misdemeanor, punishable by a fine of not to exceed $1,000 or imprisonment for a period of 90 days, or both, but in either case the costs of prosecution may be added.

EFFECTIVE DATE.

This ordinance takes effect upon its passage and publication in the official newspaper of the City of Isanti.

Adopted by the Isanti City Council this 7th day of April 2020.

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: April 7, 2020
Subject: **Amendment to the Development Agreement for Legacy Pines – Phase I**

Background:
The City entered into a Development Agreement with Odyssey Homes, Inc. in 2018 for the development of Legacy Pines – Phase I. The development is complete at this time and per the development agreement we are holding 10% of the original letter of credit for a warranty.

Odyssey Homes is requesting an Amendment to the Development Agreement in order to assign the agreement to Everpine Land Holdings LLC and for them to post a warranty bond in place of the letter of credit, and to release said letter of credit. The city attorney has reviewed the request and prepared the amendment.

Request:
Consider Amendment to the development agreement

Attachments:
- Amendment to the Development Agreement

CITY OF ISANTI

AMENDMENT TO THE DEVELOPMENT AGREEMENT FOR LEGACY PINES – PHASE 1

This Amendment is by and between the City of Isanti, a Minnesota municipal corporation, and Everpine Land Holdings, LLC, a Minnesota limited liability company, and amends the Development Agreement – Legacy Pines (Phase 1) – dated November 7, 2018, by and between the City of Isanti and Odyssey Homes, Inc.

Recitals

A. The City and Odyssey Homes, Inc. entered into the Development Agreement for Phase 1 of the Legacy Pines development. That phase was fully constructed by Odyssey Homes, Inc.

B. Pursuant to Section 14 of the Development Agreement, Odyssey Homes, Inc. provided the City with a letter of credit as a financial guarantee for completion of the Municipal Improvements. The Municipal Improvements were completed by Odyssey Homes, Inc. and accepted by the City. Consequently, the letter of credit was reduced to $169,111.16, which is 10% of the original amount.

C. Section 13 of the Development Agreement required Odyssey Homes, Inc. to post a warranty bond to guarantee completion of warranty items related to the Municipal Improvements. No bond was provided; the letter of credit served as security for the warranty work.

D. Everpine Land Holdings, LLC acquired Odyssey Homes, Inc.'s interest in the Development Agreement – Legacy Pines (Phase 1) – and is the assignee of the letter of credit provided to the City by Odyssey Homes, Inc.

E. Everpine Land Holdings, LLC desires to substitute a warranty bond for the existing letter of credit as security for the Municipal Improvements and the City is amenable to said substitution.

Agreement

In consideration of the mutual promises set forth below, and other good and valuable consideration the receipt of which is acknowledged, the parties agree as follows:

1. The above recitals are incorporated herein as if fully set forth.

2. The City accepts and approves assignment of the Development Agreement from Odyssey Homes, Inc. to Everpine Land Holdings, LLC. Everpine acknowledges

sole responsibility for all continuing and remaining Developer obligations under the Development Agreement.

3. Section 33(a) of the Development Agreement is hereby modified by replacing Odyssey Homes, Inc. with the following:

   Everpine Land Holdings, LLC
   4655 Nicols Road, Suite 106
   Eagan, MN 55122

4. Everpine shall provide the City with a bond to guarantee completion of warranty items pursuant to Section 13 of the Development Agreement. The form of the bond is subject to approval by the City. Upon receipt and acceptance of the bond, the City will release the existing letter of credit.

5. This amendment is effective April ____, 2020.

6. All other terms of the Development Agreement not modified by this Amendment shall remain in effect as originally stated.

RESOLUTION 2020-XXX

OFFERING THE POSITION OF PART-TIME PUBLIC WORKS SEASONAL TO GENE WEST

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill two Seasonal positions for part time employment; and,

WHEREAS, Gene West is selected as the most qualified candidate for the open Seasonal position as he has worked for the city in previous years. The offer is contingent on successfully passing a background check;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Public Works Seasonal position to Gene West for the City of Isanti and shall be eligible to start on or after April 7th, 2020.
2. That former City of Isanti seasonal employee Gene West shall start at the wage scale of $13.50 per hour as Gene West is re-hired from previous years.
3. Seasonal hires shall not work more than 100 days per the Union Contact in the position of the Public Works Seasonal position effective Spring through Fall 2020.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offers.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 7th day of April, 2020.

CITY OF ISANTI

CONTRACT FOR PORTABLE TOILET SERVICES

This agreement is made as of the ____ day of April 2020, between the City of Isanti, a Minnesota Municipal Corporation **("City")**, and Absolute Portable Restrooms **("Contractor")**. The **City** and the **Contractor** agree as follows:

SECTION 1. PURPOSE

The purpose of this agreement is to establish a standardized portable toilet servicing procedure for portable toilet units placed on City property.

SECTION 2. SERVICES TO BE PERFORMED

A. The **Contractor** shall provide portable toilets and service the units as listed on Attachment 'A'.

B. The **Contractor** shall not be required to service the portable toilets on State of Minnesota legal holidays; provided, however, that service shall occur on the routes reasonably in advance thereof or thereafter as the **City** and **Contractor** may agree so that the schedule can be completed regardless of a holiday.

SECTION 3. TERM OF CONTRACT

A. The term of this **Contract** shall be April 8, 2020 through April 30, 2025.

SECTION 4. CONTRACTOR'S EQUIPMENT

A. All vehicles used by the **Contractor** to service the portable toilet units placed on municipal properties shall be painted and marked uniformly and shall be identified on both sides of the cab. All required equipment to service the units shall be maintained in good usable condition on each vehicle.

B. The **Contractor** shall make all collections of materials in vehicles with closed tops so that contents will not spill or leak. All of the **Contractor's** vehicles shall be kept clean and as free from offensive odors as possible and shall not be allowed to stand in any street or other place longer than is reasonably necessary to service the units.

C. The **Contractor** shall keep all equipment used in the performance of the work required by this Contract in good operating condition and in a clean, sanitary condition. Cabs shall be cleaned daily and the exterior of the vehicle shall be thoroughly washed at least one time per week. All of the **Contractor's** equipment is subject to periodic inspection by the **City**.

SECTION 5. CONTRACTOR'S OPERATIONS

A. The **Contractor** shall establish and maintain, in a location approved by the City Administrator, an office staffed and capable of accepting complaints and customer calls. The office shall be in service during the hours of 8:00 a.m. and 5:00 p.m. on all days of service as specified herein. The address and telephone number of the office shall be given to the **City** in writing. Any changes in address and telephone number of the office shall be given to the **City** in writing at least ten (10) working days prior to such change. An emergency contact phone number for evenings, holidays and weekends to address emergency events shall be provided to the **City**.

B. Complaints on service will be taken and collected by the **City** in addition to those received at the **Contractor's** office. The **City** will notify the **Contractor** of all complaints it receives. The **Contractor** is responsible for all corrective actions. A record of all such complaints and the action taken thereon shall be kept by the **Contractor** and reported monthly to the Public Services Director. All complaints shall be answered by the **Contractor** courteously and promptly.

C. The **City** shall notify the **Contractor** by 12:00 noon on the day following the scheduled service of any missed stops. The **contractor** is required to service such locations before 5:00 p.m. on the date of notification.

D. The **Contractor's** employees shall handle all servicing of the units with reasonable care to avoid any spillage or leakage to occur. Any spillage or leakage shall be immediately cleaned up.

E. The performance of the Contract shall be done by the **Contractor** utilizing such equipment and work methods as are adequate to insure proper and satisfactory collection and disposal of the materials at all times. **Contractor's** failure to perform shall not be excused by adverse conditions of weather, breakdown and similar hindrances, which on other work might be regarded as "acts of providence".

SECTION 6. COMPENSATION

The **City** will compensate the **Contractor** for the rental and servicing of portable toilets located on designated municipal property as set forth in Attachment A and the Quote Form that was submitted by the **Contractor**, attached hereto and made a part hereof.

The **Contractor** will look to the particular entity receiving services under this contract as set forth in Section 'B' or Section "C" attached hereto and made a part hereof for compensation due from such entity for the rental and servicing of portable toilets for the benefit of that entity. The **City** will not be responsible for payment of services and servicing of toilets provided at the request of said entities; however said entities shall be entitled to receive services from the **Contractor** at the pricing set forth in Section 'B' or "C" at any time during the term of this contract.

The **Contractor** will provide rental and servicing of portable toilets for Special Events sponsored in whole or in part by the Chamber of Commerce at the pricing set forth in Section 'C' attached hereto and made a part hereof. The Chamber may designate the number and location of portable toilets needed and shall be solely responsible for payment of all compensation due the Contractor for the services so requested. The **City** shall have no responsibility for payment for the rental and servicing of portable toilets requested by the Chamber under this contract.

SECTION 7. LIABILITY INSURANCE / INDEMNIFICATION

The **Contractor** shall indemnify and hold harmless the **City** and its officers, agents and employees from and against all claims, damages, losses or expenses, including attorney fees, for which it may be held liable, arising out of or resulting from the assertion against them of any claims, debts or obligations in consequence of the performance of this **Contract** by the **Contractor**, its employees, agents or subcontractors. **Contractor** will carry, for the duration of this Agreement, liability insurance coverage and shall provide a Certificate of Liability Insurance to the City and shall name the **City of Isanti** as an additional insured, an amount of not less than $500,000.00, insuring against personal injury or property damage for liability to third parties. The **Contractor** shall provide a copy of his license to haul as authorized and approved by Isanti County.

SECTION 8. TERMINATION

The **City** shall have the right to terminate this Contract prior to the expiration with 60 days' written notice or, if in the City's opinion, there has been a breach of Contract.

SECTION 9. PENALTIES AND DAMAGES

A. Failure by the **Contractor** to perform under this Contract, may result in its termination and/or claims by the **City** for damages.
B. In the event of breach of this Contract by the **Contractor**, or proven negligence by the **Contractor**, the **Contractor** agrees to pay, in addition to the actual damages sustained by the **City** as a result thereof, the cost, including reasonable attorney's fees incurred by the **City** in pursuing any of its rights under this Contract.

SECTION 10. SUCCESSORS AND ASSIGNS

The **Contractor** binds itself, its successors, executors, administrators and assigns to the **City** in respect to all covenants of this Contract, except that the **Contractor** shall not assign or transfer any part of its interest in this Contract nor shall the **Contractor** assign any moneys due, or to become due, without the **City's** written consent.

SECTION 11. AMENDMENT, MODIFICATION OR WAIVER

No amendment, modification, or waiver of any condition, provision, or term of this Contract shall be valid or of any effect unless made in writing, signed by the party or parties to be bound or by its duly authorized representative, and specifying with particularity the extent and nature of such amendment, modification, or waiver. Any waiver by any party or any default of another party shall not affect or impair any right arising from any subsequent default.

SECTION 12. SEVERABLE PROVISIONS

Each provision, section, sentence, clause, phrase, and word of this Contract is intended to be severable. If any provision, section, sentence, clause, phrase, or word hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of this Contract.

SECTION 13. ENTIRE CONTRACT

This Contract contains the entire understanding of the parties hereto with respect to the transactions contemplated hereby and supersedes all prior agreements and understanding between the parties with respect to such subject matter. No representations, warranties, undertakings, or promises, whether oral, implied, written, or otherwise, have been made by either party hereto to the other unless expressly stated in this Contract or unless mutually agreed to in writing between the parties hereto after the date hereof, and neither party has replied on any verbal representations, agreements, or understandings not expressly set forth herein.

SECTION 14. CAPTIONS, HEADINGS OR TITLES

All captions, headings or titles in the paragraphs or sections of this Contract are inserted for convenience of reference only and shall not constitute a part of this Contract as a limitation of the scope of the particular paragraphs or sections to which they apply.

The representative of Absolute Portable Restrooms hereby acknowledges receipt of this Contract and has reviewed the conditions of this Contract and has agreed that they comply with the terms of this Contract.

This contract for refuse service for municipal facilities is hereby entered into on the ____day of April 2020, between Absolute Portable Restrooms and the City of Isanti for the period from April 8, 2020 through April 30, 2025.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: April 7, 2020
Subject: Resolution 2020-XXX Awarding Contract for Rug and Uniform Services

---

Council authorized Staff on March 4th, 2020 to advertise for proposals for rug and uniform services. Staff received two proposals; Cintas and UniFirst for such services.

Recommendation:
Staff is recommending to enter into a five-year contract with UniFirst for rug and uniform services as they are lower overall for costs per item and replacement per the specifications outlined in the request for proposal.

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR RUG & UNIFORM SERVICES FOR ALL CITY DEPARTMENTS

WHEREAS, the Council authorized staff to request proposals for rug and uniform services on March 4, 2020; and,

WHEREAS, the request for proposals for rug and uniform services was published in the City's official newspaper; and,

WHEREAS, quotes were received from Cintas and UniFirst which are presented as "Exhibit A and B" respectively; and,

WHEREAS, Staff evaluated the quotes received for costs of servicing and replacement costs of items; and,

WHEREAS, the lower overall quote was provided by UniFirst; and,

WHEREAS, UniFirst also holds the State bid contract for rug and uniform services and the new contract would reflect the state bid pricing; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, the following:

1. Hereby award the contract for rug and uniform services to UniFirst.

2. That the City Administrator is hereby authorized to enter into a contract with UniFirst for the provision of rug and uniform services for the City of Isanti for a five (5) year period starting April 8, 2020 and ending March 31, 2025.

3. That UniFirst (contractor) shall submit monthly statements for services provided in a given month to the city and receive compensation in the amounts as provided within the attached contract.

This resolution was duly adopted by the Isanti City Council this 7th day of April, 2020.

RESOLUTION 2020-XXX

ACCEPTING FULL-TIME ASSISTANT CITY ADMINISTRATOR/ SPECIAL PROJECTS COORDINATOR LETTER OF RESIGNATION FOR DONALD LORSUNG

WHEREAS, Assistant City Administrator/ Special Projects Coordinator Donald Lorsung has submitted a letter of resignation stating his retirement to the City of Isanti on March 25, 2020; and,

WHEREAS, the effective date of this notice is May 9, 2020; and,

WHEREAS, Donald Lorsung is leaving employment in good standing as he has been employed since November of 2005; and,

WHEREAS, this position was created for the duration of Donald Lorsung's employment contract and is not intended to be filled after deployment;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to hereby approve as follows:

1. That the resignation of Donald Lorsung is hereby accepted effective May 9, 2020.

2. That Human Resources and the City Administrator will evaluate at a later date if department needs warrant filling the Assistant City Administrator position prior to filling.

This Resolution is hereby approved by the Isanti City Council this 7th day of April, 2020.

RESOLUTION 2020-XXX

AWARDING QUOTE FOR OUTSOURCING THE MOWING OF NUISANCE WEED/GRASS ABATEMENT LOTS

WHEREAS, the City of Isanti has determined that is in the City's best interest to accept quotes for the outsourcing of mowing services for nuisance weed/grass abatement lots located within the city; and,

WHEREAS, a request for quotes for the services was published in the City's official newspaper; and,

WHEREAS, quotes were received and a tally of the quotes is provided on the attached;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota as follows:

1. To hereby award the low quote for mowing services for nuisance residential weed/grass abatement lots as provided within the specifications so posted and published to **Duff Companies, LLC** for the 2020 mowing season.
2. To hereby award the low quote for mowing services for nuisance large tract weed/grass abatement as provided within the specifications so posted and published to **Duff Companies, LLC** for the 2020 mowing season.
3. That **Duff Companies, LLC** provides a Certificate of Compliance as required under the Minnesota Workers' Compensation Law (if required).
4. That **Duff Companies, LLC** provides a copy of their liability insurance and names the City as an 'additional insured'.
5. That the quotation as signed by the vendor for the 2020 Growing Season constitutes a contract with the City of Isanti for said services. Mowing rates are listed in Attached Quotation.
6. That City staff is authorized to charge the administrative fee for billing of properties abated as designated in the City Fee Schedule; with the administrative fee, rate charge and any applicable sales tax charged to the responsible party.

This Resolution is hereby approved by the Isanti City Council this 7th day of April, 2020.

Attest: _____ Mayor Jeff Johnson

2020 REQUEST FOR QUOTATION
For Nuisance Weed Abatement on Private Property

Company Name/Address:

Duff Companies, LLC
28555 Bayshore Drive NW
Isanti, MN 55040

Phone: (612) 850-5404 Email address: duff@usfamily.net

Quotations will be received until 12:00 pm on March 6, 2020. Quotations are requested from commercial mowing firms for furnishing labor and equipment for the abatement/cutting of weeds and tall grass on developed and vacant residential lots within the City of Isanti. Also requested is a base fee plus an hourly mowing rate for large tracts. The City reserves the right to consider the large tract rate fee quote separately from the residential lot mowing fee quote. The properties for which services are being requested will be in violation of the City's weed nuisance ordinance. Generally grass and weeds will be 8" or more in height. The City reserves the right to accept or reject quotes received for these services.

THIS CONTRACT IS FOR THE 2020 GROWING SEASON.

Requirements – Minimum:

A. Performance

- The cost per site will include the following: mowing and trimming around structures, posts, fences and objects. Ancillary clearing of loose paper/cardboard debris prior to mowing. Care shall be taken not to damage trees and shrubs.
- Areas must be cut within two working days of date of City request via e-mail Note: There will be a $25 penalty fee for each site not mowed within the two working days (week days), unless there is approval by the Public Works Director to extend this period due to weather or extenuating circumstances.
- In the event the selected contractor cannot mow in the time specified, the City has the right to contact alternate mowing contractors to perform the work.
- Streets, sidewalks and driveways must be free of cutting debris. Bagging and removal of clippings is not required.
- Weeds and grass must be cut and trimmed to 3" height.
- Insurance – must carry a $1 million liability coverage policy and workers compensation insurance (if required). A certificate of insurance with the City of Isanti named as an additional insured will be required. Service providers shall meet all City requirements prior to providing services to the City.

- In the event of non-performance or at the City's discretion, services from the vendor may be terminated by written notice from the City.
- Regarding Large Lot mowing, a 50 foot perimeter is to be mowed around the property where it abuts a street or property line of a developed area. The contractor must have equipment capable of mowing rough larger multi-acre areas. These areas may have weeds, brush and small trees (up to 2 inches) that will need to be removed. It is the contractor's responsibility to check areas prior to mowing for rocks and debris that may damage their equipment. Care should be taken not to mow over the extension of water curb boxes, wood stakes or other property markers. The Contractor should consult with City officials concerning whether only perimeter mowing of the areas is required or if the entire site needs to be mowed.
- Mowing contractors must be available for the entire mowing season which could start as early as April and extend as late as the end of October.
- The selected mowing contractor will meet with City staff prior to the start of the mowing season and shortly after mowing has started to ensure an efficient process.

B. Communication and Billing
- The City will e-mail the address of lots/sites that will require mowing to the contractor.
- The contractor will have two full business days after the date the e-mail is sent to complete the work.
- Once the work is completed on a property, the contractor will notify the City by e-mail that the service has been completed (on the day of service).
- Invoices must be submitted for payment with specific dates that services were performed. At the end of each month, the contractor will submit a statement reflecting all invoices previously submitted for payment. Payment will only be made from invoices.

C. Equipment Required: Please list this equipment below.
- Commercial grade self-propelled walk or rider mower and weed trimmers.
- For Large Lot Mowing – commercial grade equipment capable of mowing rough areas, brush and small trees.

Quote For Services / Other Required Information

D. Amount for Service (includes all transportation and travel time)

1. **Residential Lot - Cost per Site** $ 55.00

2. **Mobilization Fee** (if owner has cut) $ 30.00

3. **Base Fee Plus Hourly Mowing Fee for Large Tracts*** $ 40.00

*The City reserves the right to consider this quote separately

Please provide a list of EQUIPMENT available to fulfill requirements of contract:

1. 60" Zeroturn & 2 48" zeroturn mowers
2. 4 weedwhips
3. 3 blowers

Please provide 3 references that you provided commercial mowing services in 2019.
(Name/Contact Information)

1. Corri Lewitski, City of Cambridge (763) 552-3257
2. Monica Peterson, WillowBridge (763) 438-3085
3. Don Howard, Isanti Village Apartments (763) 444-5442

In submitting this quotation, the vendor agrees that acceptance of any or all quotations by the below designated party within a thirty (30) day period constitutes a Contract.

Signed: _____ Date: 2-20-2020

Firm Name: Duff Companies, LLC

AN AUTHORIZED EMPLOYEE OF THE COMPANY MUST SIGN ALL QUOTATIONS.

QUOTES SUBMITTED MUST BE CLEARLY MARKED: Quote for Nuisance Weed Abatement Services

PLEASE SUBMIT QUOTES TO:

Matt Lindholm, Planner
City of Isanti
P.O. Box 428
Isanti, MN 55040

For further information or questions, please call: (763) 444-5512.

2020 REQUEST FOR QUOTATION
For Nuisance Weed Abatement on Private Property

Company Name/Address:

B+M Lawn and Landscape Services, Inc.

32354 Lever St. NE

Cambridge, MN 55008

Phone: 763-689-3703 Email address: b.m.lawnlandscape@gmail.com

Quotations will be received until 12:00 pm on March 6, 2020. Quotations are requested from commercial mowing firms for furnishing labor and equipment for the abatement/cutting of weeds and tall grass on developed and vacant residential lots within the City of Isanti. Also requested is a base fee plus an hourly mowing rate for large tracts. The City reserves the right to consider the large tract rate fee quote separately from the residential lot mowing fee quote. The properties for which services are being requested will be in violation of the City's weed nuisance ordinance. Generally grass and weeds will be 8" or more in height. The City reserves the right to accept or reject quotes received for these services.

THIS CONTRACT IS FOR THE 2020 GROWING SEASON.

Requirements – Minimum:

A. Performance

- The cost per site will include the following: mowing and trimming around structures, posts, fences and objects. Ancillary clearing of loose paper/cardboard debris prior to mowing. Care shall be taken not to damage trees and shrubs.
- Areas must be cut within two working days of date of City request via e-mail Note: There will be a $25 penalty fee for each site not mowed within the two working days (week days), unless there is approval by the Public Works Director to extend this period due to weather or extenuating circumstances.
- In the event the selected contractor cannot mow in the time specified, the City has the right to contact alternate mowing contractors to perform the work.
- Streets, sidewalks and driveways must be free of cutting debris. Bagging and removal of clippings is not required.
- Weeds and grass must be cut and trimmed to 3" height.
- Insurance – must carry a $1 million liability coverage policy and workers compensation insurance (if required). A certificate of insurance with the City of Isanti named as an additional insured will be required. Service providers shall meet all City requirements prior to providing services to the City.

- In the event of non-performance or at the City's discretion, services from the vendor may be terminated by written notice from the City.
- Regarding Large Lot mowing, a 50 foot perimeter is to be mowed around the property where it abuts a street or property line of a developed area. The contractor must have equipment capable of mowing rough larger multi-acre areas. These areas may have weeds, brush and small trees (up to 2 inches) that will need to be removed. It is the contractor's responsibility to check areas prior to mowing for rocks and debris that may damage their equipment. Care should be taken not to mow over the extension of water curb boxes, wood stakes or other property markers. The Contractor should consult with City officials concerning whether only perimeter mowing of the areas is required or if the entire site needs to be mowed.
- Mowing contractors must be available for the entire mowing season which could start as early as April and extend as late as the end of October.
- The selected mowing contractor will meet with City staff prior to the start of the mowing season and shortly after mowing has started to ensure an efficient process.

B. Communication and Billing
- The City will e-mail the address of lots/sites that will require mowing to the contractor.
- The contractor will have two full business days after the date the e-mail is sent to complete the work.
- Once the work is completed on a property, the contractor will notify the City by e-mail that the service has been completed (on the day of service).
- Invoices must be submitted for payment with specific dates that services were performed. At the end of each month, the contractor will submit a statement reflecting all invoices previously submitted for payment. Payment will only be made from invoices.

C. Equipment Required: Please list this equipment below.
- Commercial grade self-propelled walk or rider mower and weed trimmers.
- For Large Lot Mowing – commercial grade equipment capable of mowing rough areas, brush and small trees.

Quote For Services / Other Required Information

D. Amount for Service (includes all transportation and travel time)

1. **Residential Lot - Cost per Site** $ 85.00

2. **Mobilization Fee** (if owner has cut) $ 50.00

3. **Base Fee Plus Hourly Mowing Fee for Large Tracts*** $ 200.00 base fee
$ 85.00 / hr.

*The City reserves the right to consider this quote separately

Please provide a list of EQUIPMENT available to fulfill requirements of contract:

1. John Deere Zero-Turn Mowers

2. John Deere 3720 with 12-foot Progressive Mower

3. Cat Skidsteer with Brush Cutter Attachment

Please provide 3 references that you provided commercial mowing services in 2019.
(Name/Contact Information)

1. GracePointe Crossing / Jon Boehmer, 952-240-3880

2. New Hope Community Church / Brian Larson, 763-552-7979

3. Affinity Plus Federal Credit Union / Kari Magnuson, 651-312-9696

In submitting this quotation, the vendor agrees that acceptance of any or all quotations by the below designated party within a thirty (30) day period constitutes a Contract.

Memo for Council Action

To: **Mayor Johnson and Members of the City Council**
From: Travis Muyres, Chief of Police
Date: April 7, 2020
Subject: AUTOMATED PAWN SYSTEM CONTRACTS

Background:
Chapter 233 in City Code requires licensed Pawnbrokers to report transactons via the specified Automated Pawn System [APS] and pay the city a per item transaction in accordance to the fee schedule to offset the APS contract fees.

Pawn transaction fees collected:
2018- $3,486.50
2019- $2,840.50

As of March 1st 2020 we no longer have access to the APS system due to Minneapolis Police Deparment halting their APS system.

The APS is an important investigatory tool for the police department. The system allows the investigator to search for stolen items, enter stolen items for other agencies to look for, and gather further investigatory information. Numerous criminal cases were solved utilizing the APS system.

There are now two other APS systems available for reporting pawn transactions:

LEADS Online: $1,975.00
Utilized by 94 MN agencies
Has added investigatory tools such as:

- Ebay data base search
- Metal Theft data
- Phone forensics
- Image search- search for stolen items via images
- CompStat mapping

RAPID: $500
Utilized by 18 MN agencies

Request:
Staff is requesting to enter into a contract with both LEADS Online and RAPID

Attachments:

- Resolution 2020-XXX
- RAPID quotation
- LEADS Online quotation

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR AUTOMATED PAWN SYSTEMS

WHEREAS, staff requested proposals for Automated Pawn Systems [APS]; and,

WHEREAS, two vendors were found that operated APS systems in Minnesota; and,

WHEREAS, quotes were received from LEADS Online and RAPID which are presented as attached; and,

WHEREAS, Staff has determined the necessity for both systems in order to conduct thorough investigations; and,

WHEREAS, Staff has determined access to only one database would significantly hinder criminal investigations;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, authorizes staff to enter into a contract with LEADS Online and RAPID for the provision of APS and investigatory database access for the City of Isanti for a three (3) year period starting April 8, 2020 and ending March 31, 2023.

This resolution was duly adopted by the Isanti City Council this 7th day of April, 2020.

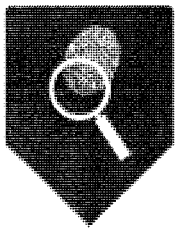
LeadsOnline

Proposal for Isanti Police Department



April 1, 2020

The nationwide comprehensive case solving power of LeadsOnline is built to help address some of the staffing shortages your agency is most likely experiencing today while also helping significantly increasing clearance rates.

The Problem: More cases. Fewer investigators to work them.

Out of town is out of reach. You know it. The crooks know it.

Even if you could keep up with all the businesses in your jurisdiction where a suspect might sell something, the bad guy can always sell it in another jurisdiction, leaving you to guess which one.

Majority of crimes get minor attention. 1 in 15.

Transaction records are the key to solving cases. According to research, less than one in fifteen are checked. Your current process may be too tedious to be the standard procedure.

Overwhelmed and Understaffed?

Investigators are overloaded, and often do not have the time to run and re-run every case. Even major crime cases can be overlooked as new cases are coming in.

Agencies have open CID positions with additional retirements coming next year. The case load isn't getting any lighter. Cases are set to "Inactive" or "Info Only" due to insufficient resources.

We're on CompStat. How can we be two months behind?

Transaction information more than two weeks behind is of limited value to a department running on a CompStat-style management process.

Case details on persons and property are often delayed. Relevant transaction information arrives after the initial case and is only searched once. Cases are closed before evidence comes in. Pawnshops only hold incoming property (i.e. your evidence) for a short time, then it's gone. Destroyed by delay.

Accountable, but totally dependent on another agency?

Investigators call better-equipped agencies for help, but it's just not realistic for every case. Other departments with full caseloads of their own really can't dedicate full attention to yours.

The "CSI Effect"

Citizens think you have technology, but some tools are from the flip-phone era. When outdated software is hard to use or runs slow, cases go unchecked and unsolved.

Different Formats and Abbreviations

Other records are from standard agency-owned sources. These transaction records are from different business types with different software types. Different everything. This creates problems.

Our Mission

- Enforce laws, preserve peace, protect life and property.
- Solve crime and reduce the fear of crime in your jurisdiction.
- Improve the level of service to the community with existing manpower.
- Run all cases, including person crimes, missing persons and trafficking.
- Turn over every stone with unlimited investigators and unlimited searches.

The Solution: Work smarter not harder. Solve Crimes.

LeadsOnline is a quick, comprehensive way for your investigators to run suspects and property in every case. It saves time and provides access to a suspect's activity, even outside your jurisdiction.

Coverage Everywhere

- ✓ Each day, more than **400,000 transactions** are reported via LeadsOnline.
- ✓ Find your **homicide suspect** even when he flees to Las Vegas.
- ✓ LeadsOnline receives transaction information from all **50 states**.
- ✓ Law enforcement network includes **4,400+ agencies in 47 states + D.C.**

Leveraging Technology

- ✓ Search once for persons and property and **save it to continue receiving alerts.**
- ✓ Run **arrest records** and lists of known suspects and stolen property.
- ✓ Identify **crime patterns** among related cases and subjects.
- ✓ Detect activity by **possible associates of persons related to the case.**
- ✓ **Compare images of property and sellers** based on your case information.

Crime-Solving Innovation

- ✓ Advanced system finds suspects and property even when **misspelled.**
- ✓ Capabilities are **specifically designed for criminal investigations.**
- ✓ Every **two weeks**, enhancements are made to help solve more crimes.
- ✓ Feedback from thousands **of investigators** keeps making it better and better.

Fast and User Friendly

- ✓ **Fast.** Sub-second search times.
- ✓ Always on. **Available 24/7/365.**
- ✓ Easy to use. **Nothing to install.** Simply log in and catch crooks.
- ✓ **Cross browser compatible.**

Reporting and Compliance Monitoring

- ✓ **Free for businesses to report** and friendly customer service provided.
- ✓ Transaction Monitor **helps ensure compliance** of businesses in your jurisdiction.
- ✓ See alerts for **missing information and common mistakes.**
- ✓ Businesses have their own dashboard and can **resolve** any reporting issues.

Undeniable Evidence

Analysis confirms that suspects in cases of all kinds are found in LeadsOnline, and the actionable intelligence can link the offender to your case and others.

Persons 54%		Property 52%		Society 58%	
Assault	59	Arson	60	Loitering / Vagrancy	50
Homicide	57	Bad Checks	90	Disorderly Conduct	59
Human Trafficking	100	Burglary / Breaking & Entering	65	DUI	46
Kidnapping / Abduction	51	Counterfeiting / Forgery	43	Drug / Narcotic	60
Missing Person	50	Destruction / Damage / Vandalism	55	Family Nonviolent	62
Runaway	9	Embezzlement	58	Peeping Tom	47
Sex, Forcible	48	Fraud	42	Obscene Material	20
Sex, Nonforcible	54	Larceny / Theft	46	Prostitution	100
		Motor Vehicle Theft	60	Traffic	42
		Robbery	67	Trespass Real Property	65
		Stolen Property Offenses	58	Weapon Law Violations	71

* The table above represents the percent of searchable case persons found in LeadsOnline. Data reflects averages by NIBRS case type from >100K cases submitted by agencies uploading files to RTC in 2019.

Respected Nationwide

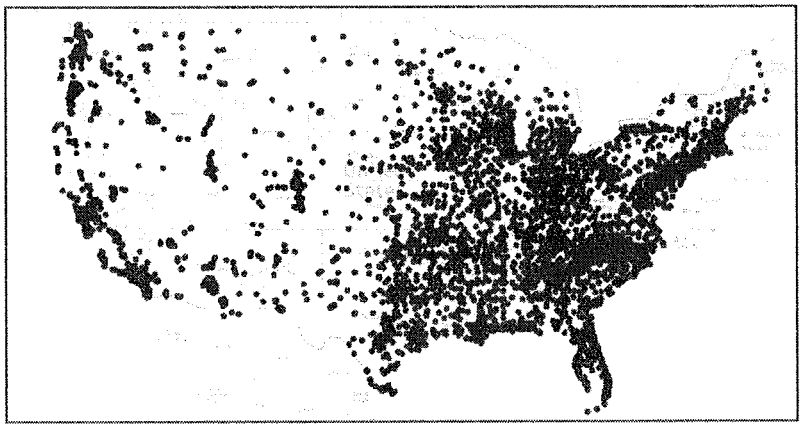
Trusted by America's largest and most respected law enforcement agencies:

More Agencies Use LeadsOnline Than All Other Processes Combined

4,500+	47,248	500,000+
Law enforcement agencies	**Criminal investigators**	**Transactions each day**

The Power of Networking

Ask your FBINAA forum or other law enforcement leaders. You'll get a positive response.



"More success in our very first week with LeadsOnline than in all of last year."
- Washington County Sheriff's Office, Oregon

"The death was brutal. A LeadsOnline search was done and a ticket was found 2,335 miles away, and west of the incident rather than northeast where the focus had been."
- Fayetteville Police Department, North Carolina

See many more examples at https://news.leadsonline.com/.

No agency has "extra money," but the cost/benefit should make this decision easy. Add every investigator in your agency working cases. Unlimited users. Unlimited searches. Unlimited cases. Unlimited access. Unlimited training. An all-inclusive system designed to work hard for you and your investigators. Please see the included pricing chart for service level capabilities and fees.

Sincerely,

Megan Lee

Request for City Council Action

To: **Mayor Johnson and Members City Council**
From: Jenny Garvey – Parks, Recreation & Culture Manager
Date: April 7, 2020
Subject: Resolution Authorizing a Fireworks Display

Background:
At the March 17th COW meeting the consideration of a fireworks display was discussed and staff was directed to request quotes from companies.

Staff received two quotes.

Pyrotechnic Display, Inc	Hollywood Pyrotechnics, Inc.
$6,000.00	$7,000.00

The fireworks display will be launched from Bluebird Park on Thursday July 9 at approximately 10pm and will last approximately 12 minutes. Funding will be provided for by budget amendment reducing expenses in 101-45300-491 $1,000 and increasing expenditures in 101-45300-497 by $1,000 to provide sufficient funding within 101-45300-497.

Recommendation:
Staff is recommending that Pyrotechnic be awarded the fireworks display in the amount of $6,000.00

Request:
Staff is requesting action on this item.

Attachments:
- Resolution 2020-XXX
- Pyrotechnic Display, Inc Quote – Exhibit A

RESOLUTION 2020-XXX

AUTHORIZING A FIREWORKS DISPLAY

WHEREAS, the City of Isanti received two quotes for a fireworks display; and,

WHEREAS, the following two quotes were received; and,

Pyrotechnic Display, Inc. (PDI)	Hollywood Pyrotechnics, Inc.
$6,000	$7,000

WHEREAS, City staff will move forward with PDI for the fireworks display in the amount of $6,000; and,

WHEREAS, PDI requests that the City of Isanti enter into an Agreement to have a fireworks display; and,

WHEREAS, Bluebird Park is the site location for the fireworks display; and,

WHEREAS, the time for the fireworks display will begin at approximately 10:00 p.m. on Thursday July 9th, 2020; and,

WHEREAS, the fireworks show length will last approximately 12 minutes; and,

WHEREAS, funding will be provided for by budget amendment reducing expenses in 101-45300-491 $1,000 and increasing expenditures in 101-45300-497 by $1,000 to provide sufficient funding within 101-45300-497; and,

WHEREAS, if inclement weather or other unknown postponement or cancellation occurs, the contracts Section 6 will be implemented; and,

WHEREAS, allow city staff to sign such an Agreement;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, to approve the Agreement with Pyrotechnic Display, Inc, attached as Exhibit 'A', with the fireworks display scheduled for approximately 10 p.m. Thursday July 9 within Bluebird Park and the funding source to be 101-45300-497 and authorize city staff to execute said agreement.

This Resolution is hereby approved by the Isanti City Council this 7th day of April, 2020.

9405 River Road SE – Clear Lake, MN 55319

Important Details and Information

Our entire product line is brought to our facility and tested for safety and performance before it is released into our inventory.

During the permit process we supply aerial site photos and drawings reflecting the required safety distance and other specific requirements as requested by the city safety officials.

Your display is designed based on NFPA 1123 guidelines for safety and insurance requirements, along with your request of "most desired" products and effects. Final display may be adjusted based on local safety official requirements.

Product adjustments may occur due to product availability, shoot site requirements, enhancements to our inventory.

The display will be computer programmed and fired electronically for safety, precision design, varied tempo and visual diversity.

Our Professional Display Operators receive detailed layouts and diagrams reflecting equipment placement, and pyrotechnic product sequence and location.

Any sprinkler system at the shoot site needs to be turned off the day of display.

Our crew will tear down the fireworks equipment the night of the display and search the shoot site grounds for any unexploded fireworks and return them to our facility for proper disposal.

All of our equipment and fireworks are transported to the shoot site in Commercial Vehicle Trucks by our drivers who have valid Commercial Drivers Licenses with the appropriate endorsements.

All trash from the display is returned to our facility and properly disposed of.

We will require a signed contract to secure your display in our schedule.

PYROTECHNIC DISPLAY, INC.
FIREWORKS DISPLAY AGREEMENT

This agreement is entered into this **11th** day of **March** 2020 between Pyrotechnic Display, Inc., a Minnesota Corporation with offices in Clear Lake, Minnesota, ("Pyrotechnic") and **City of Isanti** of the City of **Isanti** State of **Minnesota** ('Customer"), for the purchase of a fireworks display. ("Agreement")

SECTION 1 FIREWORKS DISPLAY

Pyrotechnic agrees to furnish for the Customer **(1)** fireworks display(s), as per the specifications agreed to and made part of this Agreement, on the evening of **July 9,** 2020 ("Fireworks Display").

SECTION 2 CONTRACT PRICE

In consideration for the Fireworks Display, Customer agrees to pay Pyrotechnic the sum of **$6,000.00 (Six thousand and 00/100 dollars).** A service fee of 1.5% per month shall be added to the Contract Price, or any portion of the Contract Price, or any portion of the Contract Price due, if it is not paid within 15 days of the date payment becomes due under this Agreement.

SECTION 3 MATERIALS AND SERVICES

Pyrotechnic shall be responsible for providing inventory meeting the specifications for the Fireworks Display, and the services of an operator who will be responsible for preparing and conducting the Fireworks Display. Pyrotechnic shall prepare a final design prior to the Fireworks Display, and the exact specifications will be supplied to the Customer after the final design, upon request.

SECTION 4 INSURANCE

Pyrotechnic Display, Inc. shall obtain a Public Liability and Property Damage and Workers Compensation Insurance. Those entities/individuals listed on the certificate of insurance shall be deemed an additional insured per this contract.

SECTION 5 LOCATION

Customer shall be responsible for providing a suitable location for the Fireworks Display. Customer shall cooperate with Pyrotechnic to ensure that the site is suitable for the Fireworks Display, and Pyrotechnic shall have the right to reject a proposed site for lack of accessibility, fire or other safety reasons.

In addition to providing the location, Customer shall be responsible for:

- Providing an appropriate staging area, and a minimum spectator setback of **350** feet.
- Providing for the staging area to be roped off or otherwise clearly marked as off limits to unauthorized personnel.
- Searching the fallout area at first light following a nighttime display.
- Providing security, police and fire protection, to ensure 1) that the staging area and the surrounding setback area will be free from unauthorized persons, and 2) the safety of people in or around the display location.

SECTION 6 WEATHER RELATED POSTPONEMENT AND CANCELLATION.

Customer acknowledges that the Fireworks Display will be provided so long as weather, and weather related conditions, including but not limited to drought and fire risk, permit. In the event of a postponement of the Fireworks display, Customer shall be responsible for payment based on the schedule below, which shall be due within 30 days of the date agreed to in Section 1. If Customer does not reschedule the Fireworks Display within the twelve-month period, an additional 30% of the Contract Price shall be due from the Customer for damages and expenses relating to the cancellation.

If customer chooses to postpone or cancel the Fireworks Display for any reason, customer shall be responsible for payment of the Contract Price based on the schedule below, which shall be due within 15 days of the date agreed to in Section 1.

In the case of postponement or cancellation, Customer shall pay, as an additional fee, the following percentage of the Contract Price.

- At any time prior to the scheduled date of the Fireworks Display, 5% of the Contract Price.
- At any time on the scheduled date for the Fireworks Display, 20% of the Contract Price
- After the commencement of the Fireworks Display, where Pyrotechnic's operator has not determined that the postponement is necessary for weather or weather related circumstances, 100% of the Contract Price.

The Customer agrees to pay any and all collection costs, including reasonable attorney's fees and court costs incurred by Pyrotechnic Display, Inc. in the collection or attempted collections of any amount due under this agreement and invoice.

SECTION 7 ENTIRE AGREEMENT

This Contract and the Fireworks Exhibition and Display Program constitutes the entire agreement between the parties hereto, and there are no other understandings, either oral or written, regarding to the subject matter hereof. The parties hereto do mutually and severally guarantee terms, conditions, and payments of this contract, these articles to be binding upon the parties, themselves, their heirs, executors, administrators, successors and assigns.

4. Planning Commission Meeting	Tuesday, April 21, 2020 *(Immediately following the City Council Meeting)*

I. Council Committee Reports

Councilmember Dan Collison stated that he would like to apologize for his recent absences as he was taking care of health issues and glad to be back.

Mayor Johnson, Councilmember Lundeen and Councilmember Gordon shared they are glad to have Councilmember Collison back.

Mayor Johnson stated that with the COVID 19 Pandemic, May 9th is scheduled to be the City's Clean-up day and asked Council if they would like the date to remain the same.

Councilmember Collison asked the time and if it was a Saturday.

City Administrator Josi Wood shared that it is a Saturday and is from 8 a.m. to noon. Wood continued to share that this date has been moved back from previous years to fall after the city-wide garage sale however, the city-wide garage sale will not happen this year.

Collison asked when people pulled up in their cars, if would Public Works unload for them.

Wood stated that staff from Public Works that work the event typically help unload things because they are heavy and then take payment. Wood continued to share that it is asked that residents prepay but it does not always happen so money is collected there. Wood further shared that Public Works would wear gloves for their safety.

Mayor Johnson stated that Public Works could wear rubber gloves, masks and have hand sanitizer provided to them.

Collison stated that his concern is if employees are comfortable doing the clean-up day.

Wood stated that if Governor Walz's stay at home order gets extended out to May 9th, the City would cancel but if there is not a stay at home order at that time, she agreed with the recommendation to keep the clean-up day.

Collison stated that with the warm weather a lot of people have been cleaning because they have been home.

Councilmember Steve Lundeen stated that as long as the staff are okay with it and feel comfortable.

Councilmember Jimmy Gordon stated that he has no problem moving forward with it.

Mayor Johnson stated he has had a lot of questions regarding the compost site.

Collison stated that it should be treated that same way as the clean-up day and move forward with it.

Mayor Johnson stated for residents to show proof of address the resident can hold up the ID where Public Works does not have to take it to confirm their address.

Wood stated that some other Cities have cancelled theirs and they are receiving a lot of push back from their residents because they have no place to take their yard waste. Wood continued to share the City could keep the compost site open as long as there is not a stay at home order.

Lundeen stated that the person in the booth should wear a mask.

Wood stated there will only be one person working so it will not be changing hands multiple times.

Johnson stated the compost site will stay as well.

Mayor Johnson asked City Council if Parks should be closed.

Councilmember Collison stated there have been other cities that have closed their parks and they have received a lot of grief. Collison continued to share that City Council has to trust their residents are going to keep their distance from other people visiting the parks as well. Collison further shared that closing them down would be a bad decision.

Lundeen stated that 1/3 of people want the parks closed, 1/3 don't want them closed and a 1/3 that do not care.

Collison stated that he has seen more people out on their bikes and walking than he has seen in the parks.

Wood stated that Governor Walz's stay at home order has maintained all parks and trails to be open and she has called almost daily to make sure that it has included the playground equipment and that is has not changed. Wood further shared that the Governors order states it is up to the local jurisdictions what they want to do with playground equipment and there is no order to close them. Wood continued to share that there are signs going up in the parks to remind people to maintain social distancing, wash hands regularly and to not use the park if sick.

Lundeen shared that if someone is worried, they need to be accountable and not go to the park. Lundeen continued to share that the ones that do choose to go to the park also need to be accountable and maintain social distancing, wash their hands and wear gloves.

Mayor Johnson stated he is glad Council is all on the same page about leaving the parks open.

Councilmember Steve Lundeen shared that the Fire District meeting was about 5 minutes long. Lundeen continued to share that the meeting was to pay bills and everything is being on held off for the time being and the Joint Powers Agreement still has not shown movement with Oxford Township.

City Administrator Josi Wood stated that she has been working on the lease for the Fire Department building and also working with Fire Chief Jankovich to amend the Joint Powers Agreement which is what the City Attorney has recommended for the lease language because what it states in the Joint Powers Agreement contradicts what the lease agreement says. Wood further stated that Fire Board will likely see it on one of the board meetings to get the language changed and the lease fee in the Joint Powers Agreement.

J. Public Hearings

None

K. Business Items

City Administrator Josi Wood

1. **Ordinance-727** Amendment to City Code Chapter 160, Fees

City Administrator Josi Wood shared that the Ordinance is being repealed in its entirety. Wood continued to share that 160 included all the items that the City charges a fee for however, it did not contain the fee amount. The fee amount was always approved annually by resolution. The City Attorney has recommended that that is not best practice so the Ordinance is being repealed with a stand-alone Ordinance including the fees. Wood further shared that it also includes food truck fees that was discussed at Committee of the Whole otherwise the rest of the fees remain the same.

Motion by Lundeen, second by Gordon to approve Ordinance as presented. Motion passed 5-0. Motion carried.

Chief of Police Travis Muyres

2. **Ordinance-728** Repealing and Replacing Chapter 233, Pawnshops

City Administrator Josi Wood shared that the Pawnshop Ordinance has been completely reviewed by the City Attorney and city code listed specifically what type of automated pawn system the pawnshop was to use and what the city utilized. Wood continued to share that what was being utilized was a software from Minneapolis Police

Department but is no longer supported which made the city code obsolete because it named it by name. Wood further shared that it has now been generalized to call it automated pawn system and does not have the name in city code to be in compliance with state law for what is available.

Motion by Lundeen, second by Collison to approve Ordinance as presented. Motion passed 5-0. Motion carried.

Community Development Director Sheila Sellman

3. Amendment to the Development Agreement for Legacy Pines- Phase I

City Administrator Josi Wood shared that this is an amendment for phase I which is complete. Wood continued to share that the Development Agreement is with Odyssey Homes and they have requested to assign the agreement to Everpine Land Holdings, LLC. Odyssey Homes has also requested because the development is complete per the Development Agreement, the City has 10% of the original letter of credit they are requesting a warranty bond in place of a letter of credit which has been reviewed with the City Attorney and City Engineer and the money being held is sufficient the City can release it and get a warranty bond for the exact amount.

Motion by Lundeen, second by Collison to approve the Amendment to the Development Agreement for Legacy Pines-Phase 1. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Accounts Payable in the Amount of $362,100.30 Payroll in the Amount of $214,468.20 and First Quarter Payroll for Council/ Boards/ Commissions in the Amount of $9,063.35
2. **Resolution 2020-077** Offering Seasonal Maintenance Worker Position to Gene West
3. **Resolution 2020-078** Awarding Quote and Authorizing to Enter into a Contract for Portable Toilet Services
4. **Resolution 2020-079** Awarding Quote and Authorizing to Enter into A Contract for Rug & Uniform Services for All City Departments
5. Approving Request for Proposals for Refuse Services
6. **Resolution 2020-080** Accepting Full-Time Assistant City Administrator/ Special Projects Coordinator Letter of Resignation for Donald Lorsung
7. **Resolution 2020-081** Awarding Quote for Outsourcing the Mowing of Nuisance Weed/Grass Abatement Lots
8. **Resolution 2020-082** Awarding Quote and Authorizing to Enter into a Contract for Automated Pawn Systems
9. **Resolution 2020-083** Specifying Automated Pawn System for Reporting
10. **Resolution 2020-084** Authorizing a Fireworks Display

Councilmember Gordon shared that when the fireworks were first talked about it was estimated at $13,000 and now it is $6,000 which he believes is pretty reasonable. Gordon continued to share that he had heard that North Branch cancelled their summer days and asked when the fireworks have to be purchased by and does the City have to commit to that if unsure if it will be going on at that time.

City Administrator Josi Wood shared that if cancelled or postponing any time prior to the scheduled date of the fireworks display the City will pay 5% of $6,000.

Councilmember Steve Lundeen stated that if the pandemic pushes out until then they will not be able to show up. Lundeen further stated that this pandemic is unusual circumstances.

Wood stated that staff would have to reach out to Pyrotechnic Display, Inc to receive their thoughts.

Councilmember Dan Collison stated that even if the rodeo did not go on people could still watch the fireworks.

Wood suggested that City Council can approve the resolution but staff can hold off with executing and signing the contract until staff has determined moving forward with Summer events. Wood further suggested going through the month of April before having the contract signed.

Motion by Collison, second by Bergley to approve the Consent Agenda. Motion passed 5-0. Motion carried.

M. Other Communications
None

Adjournment

Motion to adjourn by Lundeen, second by Collison. Motion passed 5-0. Motion carried. The meeting was adjourned at 7:30 p.m.

Management, Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) for the year ended December 31, 2019. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 16, 2019. Professional standards also require that we communicate to you the following information related to our audit.

Our Responsibility Under Auditing Standards Generally Accepted in the United States of America and *Government Auditing Standards*

As stated in our engagement letter, our responsibility, as described by professional standards, is to express opinions about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement. As part of our audit, we considered the internal control over financial reporting (internal control) of the City. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control. We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Significant Audit Findings

In planning and performing our audit of the financial statements, we considered the City's internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. As described below, we identified a deficiency that we consider to be a significant deficiency, finding 2019-001.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

2019-001 **Preparation of Financial Statements**

Condition: As in prior years, we were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Recent auditing standards require auditors to communicate this situation to the City Council as an internal control deficiency. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.

Criteria: Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.

Cause: From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.

Effect: The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.

Recommendation: Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management Response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

People + Process. Going Beyond the Numbers

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on the City's compliance with those requirements. As a result of our testing we noted no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or statutes set forth by the State of Minnesota.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements. The City changed accounting policies during 2019 related to accounting for fiduciary activities (GASB 84). We noted no transactions entered into by the City during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were depreciation on capital assets, allocation of payroll and compensated absences, liability for other post-employment benefit, and the liability of the City's pensions.

- Management's estimate of depreciation is based on estimated useful lives of the assets. Depreciation is calculated using the straight-line method.
- Allocations of gross wages and payroll benefits are approved by City Council within the City's budget and are derived from each employee's estimated time to be spent servicing the respective functions of the City. These allocations are also used in allocating accrued compensated absences payable.
- The City's liability for other post-employment benefits was estimated to be zero primarily based on the assumption that employees, whom participate in the health insurance plan, will retire after the age of 65 and not continue to participate in the plan following retirement.
- Management's estimate of its pension liability is based on several factors including, but not limited to, anticipated investment return rate, retirement age for active employees, life expectancy, salary increases and form of annuity payment upon retirement.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole. The disclosures in the financial statements are neutral, consistent, and clear. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The following material misstatements detected as a result of audit procedures were corrected by management: Recognizing expense activity for business subsidy payments.

We also assisted in preparing a number of year end accounting entries. These were necessary to adjust the City's records at year end to correct ending balances. The City should establish more detailed processes and procedures to reduce the total number of entries in each category. The City will receive better and timelier information if the preparation of year end entries is completed internally.

People + Process. Going Beyond the Numbers

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated April 1, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the City's financial statements or determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Matters

We applied certain limited procedures to the required supplementary information (RSI) (Management's Discussion and Analysis, the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employer's Contributions, and the Schedule of changes in the City's OPEB Liability), which is information that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the supplementary information (combining and individual fund financial statements and schedules), which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

We were not engaged to report on the introductory section, which accompanies the financial statements but is not RSI. We did not audit or perform other procedures on this other information and we do not express an opinion or provide any assurance on it.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the City's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes

The following Governmental Accounting Standards Board (GASB) Statements have been issued and may have an impact on future City financial statements: [1]

GASB Statement No. 87 - *Leases*

Summary

The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2019. Earlier application is encouraged.

Leases should be recognized and measured using the facts and circumstances that exist at the beginning of the period of implementation (or, if applied to earlier periods, the beginning of the earliest period restated). However, lessors should not restate the assets underlying their existing sales-type or direct financing leases. Any residual assets for those leases become the carrying values of the underlying assets.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

This Statement will increase the usefulness of governments' financial statements by requiring reporting of certain lease liabilities that currently are not reported. It will enhance comparability of financial statements among governments by requiring lessees and lessors to report leases under a single model. This Statement also will enhance the decision-usefulness of the information provided to financial statement users by requiring notes to financial statements related to the timing, significance, and purpose of a government's leasing arrangements.

GASB Statement No. 89 - *Accounting for Interest Cost Incurred before the End of a Construction Period*

Summary

The objectives of this Statement are (1) to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and (2) to simplify accounting for interest cost incurred before the end of a construction period.

This Statement establishes accounting requirements for interest cost incurred before the end of a construction period. Such interest cost includes all interest that previously was accounted for in accordance with the requirements of paragraphs 5–22 of Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements, which are superseded by this Statement. This Statement requires that interest cost incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred for financial statements prepared using the economic resources measurement focus. As a result, interest cost incurred before the end of a construction period will not be included in the historical cost of a capital asset reported in a business-type activity or enterprise fund.

This Statement also reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles.

Future Accounting Standard Changes (Continued)

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2019. Earlier application is encouraged. The requirements of this Statement should be applied prospectively.

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will improve financial reporting by providing users of financial statements with more relevant information about capital assets and the cost of borrowing for a reporting period. The resulting information also will enhance the comparability of information about capital assets and the cost of borrowing for a reporting period for both governmental activities and business-type activities.

GASB Statement No. 91 - *Conduit Debt Obligations*

Summary

The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. This Statement achieves those objectives by clarifying the existing definition of a conduit debt obligation; establishing that a conduit debt obligation is not a liability of the issuer; establishing standards for accounting and financial reporting of additional commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations; and improving required note disclosures.

All conduit debt obligations involve the issuer making a limited commitment. Some issuers extend additional commitments or voluntary commitments to support debt service in the event the third party is, or will be, unable to do so.

An issuer should not recognize a conduit debt obligation as a liability. However, an issuer should recognize a liability associated with an additional commitment or a voluntary commitment to support debt service if certain recognition criteria are met. As long as a conduit debt obligation is outstanding, an issuer that has made an additional commitment should evaluate at least annually whether those criteria are met. An issuer that has made only a limited commitment should evaluate whether those criteria are met when an event occurs that causes the issuer to reevaluate its willingness or ability to support the obligor's debt service through a voluntary commitment.

This Statement also addresses arrangements - often characterized as leases - that are associated with conduit debt obligations. In those arrangements, capital assets are constructed or acquired with the proceeds of a conduit debt obligation and used by third-party obligors in the course of their activities. Payments from third-party obligors are intended to cover and coincide with debt service payments. During those arrangements, issuers retain the titles to the capital assets. Those titles may or may not pass to the obligors at the end of the arrangements.

This Statement requires issuers to disclose general information about their conduit debt obligations, organized by type of commitment, including the aggregate outstanding principal amount of the issuers' conduit debt obligations and a description of each type of commitment. Issuers that recognize liabilities related to supporting the debt service of conduit debt obligations also should disclose information about the amount recognized and how the liabilities changed during the reporting period.

Effective Date and Transition

The requirements of this Statement are effective for reporting periods beginning after December 15, 2020. Earlier application is encouraged.

People + Process. Going Beyond the Numbers

Future Accounting Standard Changes (Continued)

How the Changes in This Statement Will Improve Accounting and Financial Reporting

The requirements of this Statement will improve financial reporting by eliminating the existing option for issuers to report conduit debt obligations as their own liabilities, thereby ending significant diversity in practice. The clarified definition will resolve stakeholders' uncertainty as to whether a given financing is, in fact, a conduit debt obligation. Requiring issuers to recognize liabilities associated with additional commitments extended by issuers and to recognize assets and deferred inflows of resources related to certain arrangements associated with conduit debt obligations also will eliminate diversity, thereby improving comparability in reporting by issuers. Revised disclosure requirements will provide financial statement users with better information regarding the commitments issuers extend and the likelihood that they will fulfill those commitments. That information will inform users of the potential impact of such commitments on the financial resources of issuers and help users assess issuers' roles in conduit debt obligations.

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Council
City of Isanti, Minnesota

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City as of December 31, 2019, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Standards

As described in Note 8 to the financial statements, the City adopted the provisions of Governmental Accounting Standard Board (GASB) Statement No. 84, Fiduciary Activities, for the year ended December 31, 2019. Adoption of the provisions of these statements results in significant change to the classifications of the components of the financial statements.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis starting on page 17 and the Schedules of Employer's Share of the Net Pension Liability and the Schedules of Employer's Contributions, the related note disclosures, and the Schedule of Changes in the City's OPEB Liability and Related Ratios starting on page 78 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section and combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to basic the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 1, 2020 on our consideration of the City's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management of the City of Isanti, Minnesota, (the City), we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended December 31, 2019.

Financial Highlights

- The assets and deferred outflows of the City exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by $45,277,834. Of this amount, $8,543,416 (unrestricted net position) may be used to meet the City's ongoing obligations to citizens and creditors.

- The City's total net position increased by $704,441. This was largely a result of operating income within business-type activities of $866,729 as well as capital contributions of $660,344 from connection fees.

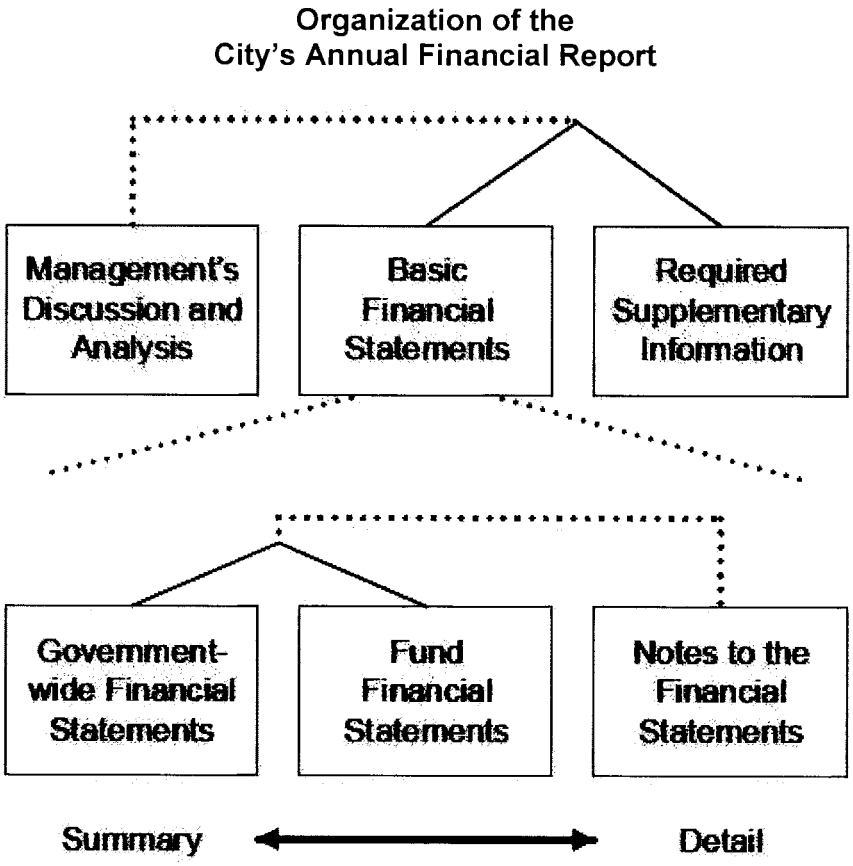
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of $4,546,376, an increase of $471,632, in comparison with the prior year.

- At the end of the current fiscal year, unassigned fund balance for the General fund was $1,254,221, or 32.5 percent of 2019 expenditures and transfers out.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplemental information in addition to the basic financial statements themselves.

The following chart shows how the required parts of this annual report are arranged and relate to one another. In addition to these required elements, we have included a section with combining and individual fund financial statements and schedules that provide details about nonmajor governmental funds, which are added together and presented in single columns in the basic financial statements.



The following chart summarizes the major features of the City's financial statements, including the portion of the City's activities they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

Major Features of the Government-wide and Fund Financial Statements

		Fund Financial Statements		
	Government-wide Statements	**Governmental Funds**	**Proprietary Funds**	**Fiduciary Funds**
Scope	Entire City government (except fiduciary funds) and the City's component units	The activities of the City that are not proprietary or fiduciary, such as police, fire and parks	Activities the City operates similar to private businesses, such as the water and sewer system	Instances in which the City administers resources on behalf of someone else, such as developers
Required financial statements	• Statement of Net Position • Statement of Activities	• Balance Sheet • Statement of Revenues, Expenditures and Changes in Fund Balances	• Statements of Net Position • Statements of Revenues, Expenses and Changes in Fund Net Position • Statements of Cash Flows	• Statement of fiduciary net position
Accounting basis and measurement focus	Accrual accounting and economic resources focus	Modified accrual accounting and current financial resources focus	Accrual accounting and economic resources focus	Accrual accounting and economic resources focus
Type of asset/liability information	All assets and liabilities, both financial and capital, and short-term and long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter; no capital assets included	All assets and liabilities, both financial and capital, and short-term and long-term	All assets and liabilities, both short-term and long-term; fund do not currently contain capital assets, although they can
Type of deferred outflows/inflows of resources information	All deferred outflows/inflows of resources, regardless of when cash is received or paid	Only deferred outflows of resources expected to be used up and deferred inflows of resources that come due during the year or soon thereafter; no capital assets included	All deferred outflows/inflows of resources, regardless of when cash is received or paid	
Type of inflow/out flow information	All revenues and expenses during year, regardless of when cash is received or paid	Revenues for which cash is received during or soon after the end of the year; expenditures when goods or services have been received and the related liability is due and payable	All revenues and expenses during the year, regardless of when cash is received or paid	All additions and deductions during the year, regardless of when cash is received or paid

Government-wide Financial Statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City's assets and deferred inflows of resources and liabilities and deferred outflows of resources, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenue (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, public works, culture and recreation, economic development and interest on long-term debt. The business-type activities of the City include water, sewer, storm water and a liquor store.

The government-wide financial statements start on page 31 of this report.

Fund Financial Statements. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds and the fiduciary fund.

Governmental Funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact by the City's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains 35 individual governmental funds, 7 of which are Debt Service funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures and changes in fund balances for the General fund and Debt Service fund, both of which are considered to be major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements or schedules* elsewhere in this report.

The City adopts an annual appropriated budget for its General fund. A budgetary comparison statement has been provided for the General fund to demonstrate compliance with this budget.

The basic governmental fund financial statements start on page 36 of this report.

Proprietary Funds. The City maintains one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its water, sewer, liquor store, and storm water.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for each of the enterprise funds, all of which are considered to be major funds of the City.

The basic proprietary fund financial statements start on page 42 of this report.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements start on page 49 of this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents *required supplementary information* concerning the City's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information can be found starting on page 78 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented following the notes to the financial statements. Combining and individual fund financial statements and schedules start on page 84 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows of resources by $45,277,834 at the close of the most recent fiscal year.

By far, the largest portion of the City's net position (77.1 percent) reflects its investment in capital assets (e.g., land, buildings, machinery and equipment); less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

City of Isanti's Summary of Net Position

	Governmental Activities			Business-type Activities		
	2019	2018	Increase (Decrease)	2019	2018	Increase (Decrease)
Assets						
Current and other assets	$ 6,631,435	$ 6,104,257	$ 527,178	$ 8,017,400	$ 6,984,348	$ 1,033,052

Total Deferred Inflows of Resources	2,306,197	2,073,936	232,261	108,148	110,120	(1,972)
Net Position						
Net investment in capital assets	13,819,212	14,287,678	(468,466)	21,105,692	20,924,492	181,200
Restricted	1,809,514	2,821,511	(1,011,997)	-	-	-
Unrestricted	1,407,179	375,476	1,031,703	7,136,237	6,164,236	972,001
Total Net Position	$ 17,035,905	$ 17,484,665	$ (448,760)	$ 28,241,929	$ 27,088,728	$ 1,153,201

An additional portion of the City's net position (4.0 percent) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position,* $8,543,416, may be used to meet the City's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City is able to report positive balances in all three categories of net position, both for the City as a whole, as well as for its separate governmental and business-type activities.

Governmental Activities. The City's net position increased $704,441 during the current fiscal year. Governmental activities decreased the City's net position by $448,760. Significant changes from the prior year are noted below:

City of Isanti's Changes in Net Position

	Governmental Activities			Business-type Activities		
	2019	2018	Increase (Decrease)	2019	2018	Increase (Decrease)

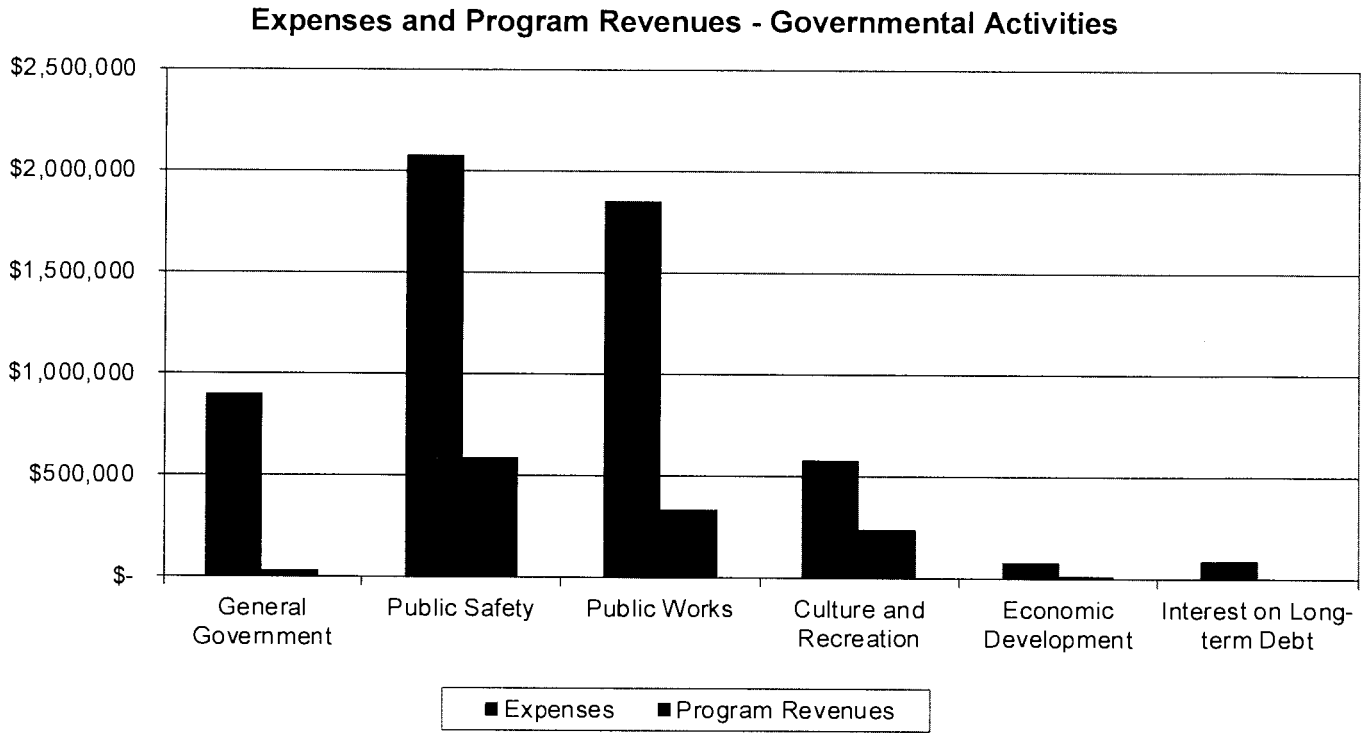
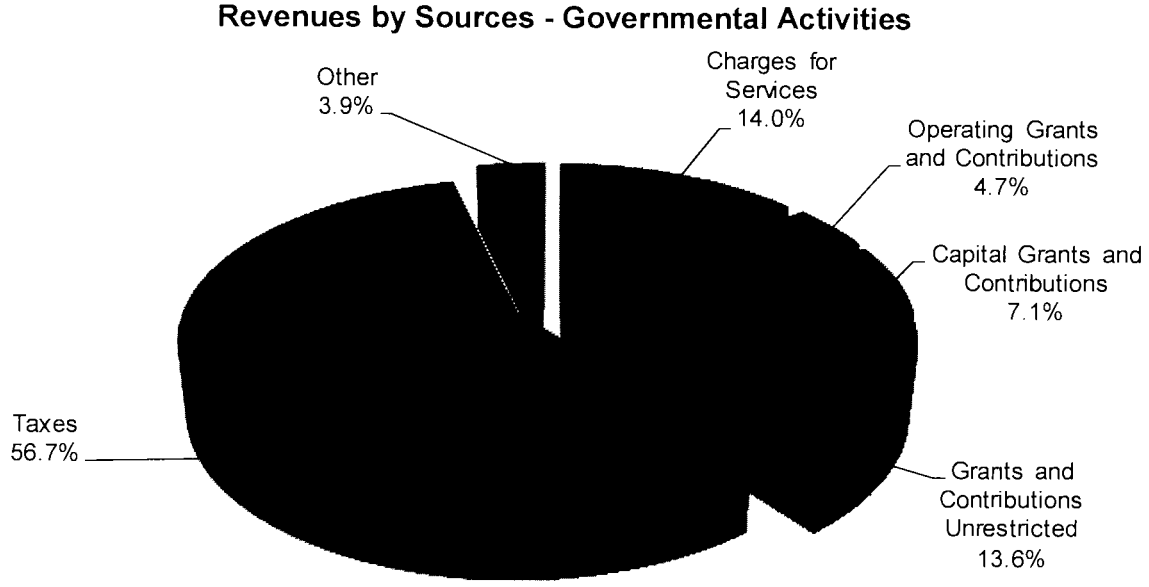
Transfers - Internal Activities	393,523	734,250	(340,727)	(393,523)	(734,250)	340,727
Change in Net Position	(448,760)	(533,411)	84,651	1,153,201	986,872	166,329
Net Position, January 1	17,484,665	18,018,076	(533,411)	27,088,728	26,101,856	986,872
Net Position, December 31	$ 17,035,905	$ 17,484,665	$ (448,760)	$ 28,241,929	$ 27,088,728	$ 1,153,201

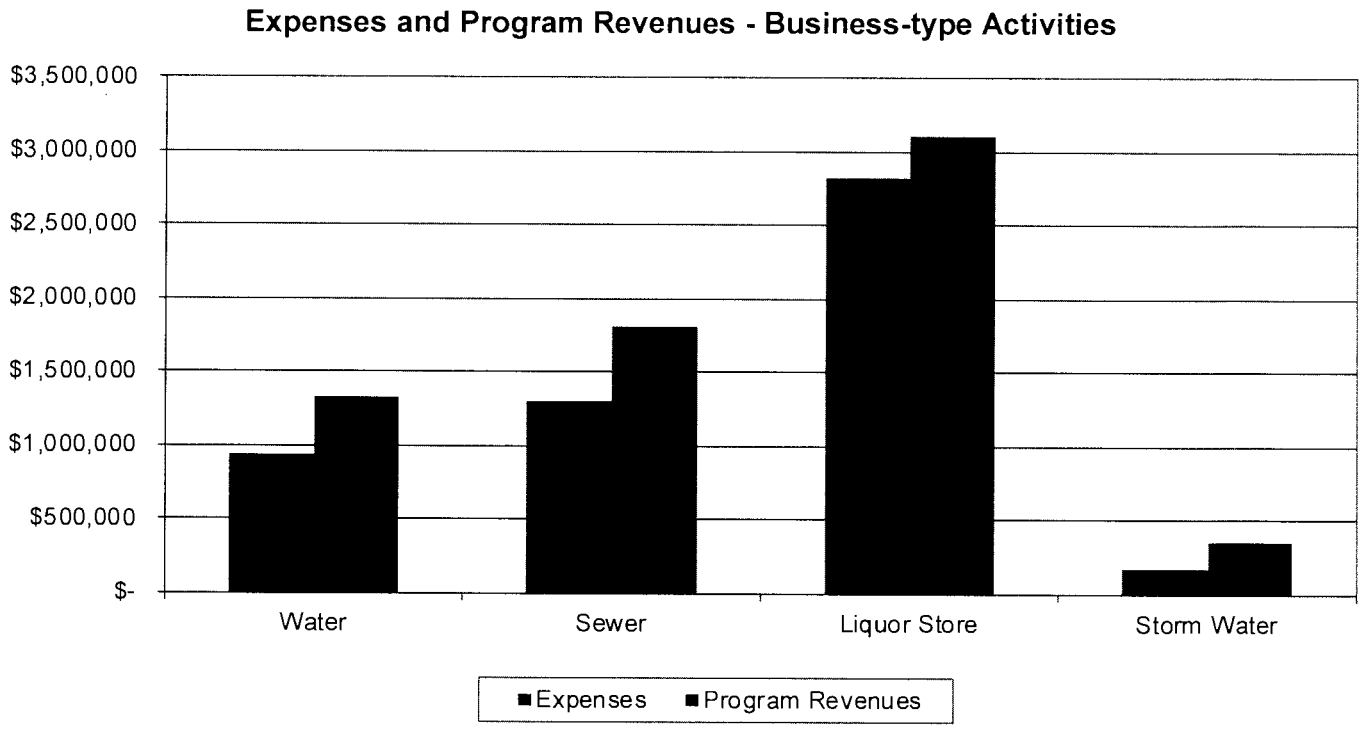
- Property taxes decreased $471,409 from the prior year in line with the City's budget and capital improvement plan.
- Economic development expenses decreased $1,235,637 during the year due to a business subsidy agreement the city had in 2018.

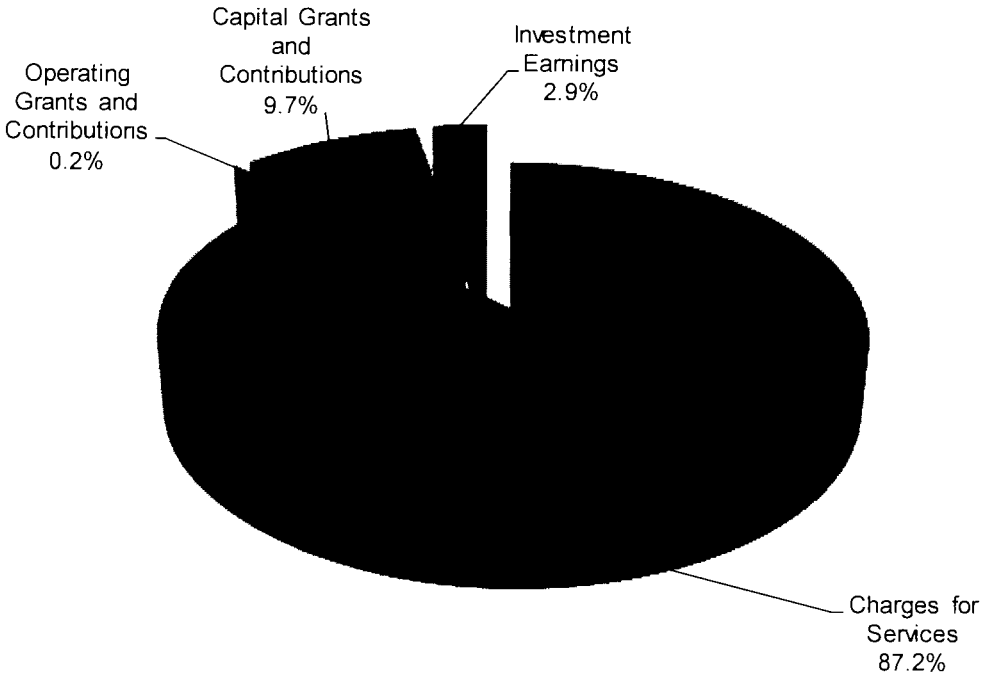
The following graph depicts various governmental activities and shows the revenues and expenses directly related to those activities.





Business-type Activities. Business-type activities increased the City's net position by $1,153,201. The main reason for the increase was charges for services increased $416,011 from the prior year. Additional information noted below:





Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of $4,546,376, an increase of $471,632 in comparison with the prior year. Of this total amount, 15.6 percent, or $708,644, constitutes unassigned fund balance, which is available for spending at the City's discretion. The remainder of fund balance of $3,837,732 is not available for new spending because it is either 1) nonspendable ($9,058), 2) restricted ($1,440,248), 3) Assigned ($1,778,774) or 4) committed ($609,652). For further classification, refer to Note 3F on page 68 of this report.

The General fund is the chief operating fund of the City. As a measure of the General fund's liquidity, it may be useful to compare fund balance to total fund expenditures and transfers out. Fund balance represents 31.0 percent of budgeted 2019 expenditures and transfers out. Of the fund balance, $1,254,221 is unassigned and will be used for cash flow for general operations and will be used to support operations until funds are received in June from the first tax settlement.

The Debt Service fund balance decreased $145,105 during the year mainly due to regularly scheduled principal and interest payments exceeding sources during the year.

The Capital Replacement fund has an increase in fund balance of $238,022 with an ending balance of $797,706.

Proprietary Funds. The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Unrestricted net position of the enterprise funds at the end of the year amounted to $7,136,237. Other factors concerning the finances of this fund have already been addressed in the discussion of the City's business-type activities.

General Fund Budgetary Highlights

The City's original General fund budget was amended during the year, increasing expenditures $76,326 with a budget to decrease fund balance by $598,703. Revenues were $109,314 over budget. This is primarily due to licenses and permits being more than budgeted by $43,798. Expenditures were under budget by $189,299. The largest variance in the General fund expenditures is due to culture and recreation which was $69,841 under budget.

Capital Assets and Debt Administration

Capital Assets. The City's investment in capital assets for its governmental and business type activities as of December 31, 2019, amounts to $45,435,126 (net of accumulated depreciation). This investment in capital assets includes land, structures, improvements, machinery and equipment, park facilities, roads and highways.

Major capital asset events during the current fiscal year included the following:

- 2018 Street Improvements that were finished and capitalized in 2019.
- 2019 Stormwater Improvements
- SCADA System Upgrades
- Water Chlorination System
- A/V Equipment (Council Chambers)
- Squad Vehicles and Police Equipment.

City of Isanti's Capital Asset
(Net of Depreciation)

	Governmental Activities			Business-type Activities		
	2019	2018	Increase (Decrease)	2019	2018	Increase (Decrease)
Land	$ 2,424,266	$ 2,424,266	$ -	$ 94,237	$ 94,237	$ -
Construction in Progress	115,870	358,518	(242,648)	160,599	-	160,599

Machinery and Equipment	499,087	379,752	119,335	605,634	515,502	90,132
Vehicles	177,966	135,705	42,261	63,358	72,263	(8,905)
Total	$ 17,044,869	$ 18,086,837	$ (1,041,968)	$ 28,390,257	$ 28,873,075	$ (482,818)

Additional information on the City's capital assets can be found in Note 3D starting on page 62 of this report.

Long-term Debt. At the end of the current fiscal year, the City had total bonded debt outstanding of $10,415,056. While all of the City's bonds have revenue streams, they are all backed by the full faith and credit of the City.

City of Isanti's Outstanding Debt

	Governmental Activities			Business-type Activities		
	2019	2018	Increase (Decrease)	2019	2018	Increase (Decrease)
G.O. Bonds	$ 2,190,000	$ 2,390,000	$ (200,000)	$ -	$ -	$ -
G.O. Improvement Bonds	1,000,000	1,370,000	(370,000)	335,000	370,000	(35,000)
G.O. Revenue Bonds	-	-	-	6,890,056	7,513,056	(623,000)
Bond Premium	35,657	39,159	(3,502)	59,509	65,527	(6,018)
Total	$ 3,225,657	$ 3,799,159	$ (573,502)	$ 7,284,565	$ 7,948,583	$ (664,018)

Minnesota statutes limit the amount of net general obligation debt a City may issue to three percent of the market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2019, the City is under the legal debt margin.

Additional information on the City's long-term debt can be found in Note 3E starting on page 64 of this report.

Economic Factors and Next Year's Budgets and Rates

- Property tax valuations within the City increased in 2019 and have continued to increase for 2020.
- The 2019 budget includes a property tax levy of $2,721,006 which is 12.69% higher than the 2019 levy but left the tax rate unchanged.
- The 2020 budget includes an amount for Local Government Aid in the amount of $737,393.
- Franchise fees were implemented in 2016 to offset capital improvements, specifically pavement management costs.
- Isanti County has an average unemployment rate for 2019 of 4.1%. This compares with unemployment rates of 3.2% for the State of Minnesota and 3.7% for the United States.

All of these factors were considered in preparing the City's budget for the 2019 fiscal year.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director, City of Isanti, 110 1st Avenue Northwest, PO Box 428, Isanti, Minnesota 55040.

City of Isanti, Minnesota
Reconciliation of the Balance Sheet
to the Statement of Net Position
Governmental Funds
December 31, 2019

Amounts reported for the governmental activities in the statement of net position are different because

Total Fund Balances - Governmental Funds	$ 4,546,376
Capital assets used in governmental activities are not financial resources and therefore are not reported as assets in governmental funds.	
Cost of capital assets	34,624,682
Less: accumulated depreciation	(17,579,813)
Noncurrent liabilities, including bonds payable, are not due and payable in the current period and therefore are not reported as liabilities in the funds.	
Noncurrent liabilities at year-end consist of	
Bond principal payable	(3,190,000)
Plus bond premium	(35,657)
Compensated absences payable	(173,241)
Other postemployment benefits payable	(198,139)
Pension liability	(1,410,848)
Some receivables are not available soon enough to pay for the current period's expenditures, and therefore are reported as unavailable revenue in the funds.	
Taxes receivable	27,604
Special assessments receivable	912,800
Governmental funds do not report long-term amounts related to pensions.	
Deferred outflows of pension resources	1,067,006
Deferred inflows of pension resources	(1,545,974)
Governmental funds do not report a liability for accrued interest until due and payable.	(8,891)
Total Net Position - Governmental Activities	$ 17,035,905

The notes to the financial statements are an integral part of this statement.

The notes to the financial statements are an integral part of this statement.

City of Isanti, Minnesota

Reconciliation of the Statement of Revenues, Expenditures and
Changes in Fund Balances to the Statement of Activities
Governmental Funds
For the Year Ended December 31, 2019

Amounts reported for governmental activities in the statement of activities are different because

Total Net Change in Fund Balances - Governmental Funds	$ 471,632
Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over the estimated useful lives as depreciation expense.	
Capital outlays	346,218
Depreciation expense	(1,388,186)
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.	
Principal repayments	570,000
Amortization of bond premium	3,502
Interest on long-term debt in the statement of activities differs from the amount reported in the governmental funds because interest is recognized as an expenditure in the funds when it is due, and thus requires the use of current financial resources. In the statement of activities, however, interest expense is recognized as the interest accrues, regardless of when it is due.	2,296
Long-term pension activity is not reported in governmental funds.	
Pension expense	(13,500)
Other post employment benefit expense	(14,375)
Pension other revenue	10,520
Certain revenues are recognized as soon as they are earned. Under the modified accrual basis of accounting, certain revenues cannot be recognized until they are available to liquidate liabilities of the current period.	
Property taxes	(100,539)
Special assessments	(367,616)
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.	
Compensated absences	31,288
Change in Net Position - Governmental Activities	$ (448,760)

The notes to the financial statements are an integral part of this statement.

Note 1: Summary of Significant Accounting Policies

A. Reporting Entity

The City of Isanti, Minnesota (the City) operates under "Optional Plan A" form of government as defined in the State of Minnesota statutes. The City is governed by an elected Mayor and four-member City Council. The City Council exercises legislative authority and determines all matters of policy. The City Council appoints personnel responsible for the proper administration of all affairs relating to the City.

The City has considered all potential units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board (GASB) has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the primary government to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on the primary government. The blended component units, although legally separate entities are, in substance, part of the City's operations and so data from these units are combined with data of the City. The City has the following component unit:

Blended Component Unit. The Economic Development Authority (EDA) of the City was created pursuant to Minnesota statutes 469.090 through 469.108 to carry out economic and industrial development and redevelopment consistent with policies established by the City Council. The City has the authority to approve and modify the EDA's budget, and the City Council has the ability to veto, overrule, or modify the decisions of the EDA Board of Commissioners. The EDA is governed by a total of seven commissioners, two of which are residents and five are City Council members. The EDA activities are blended and reported as a special revenue fund due to substantively the same governing board and due to the City having operation responsibility. Separate financial statements are not issued for this component unit.

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the primary government. *Governmental activities,* which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities,* which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. Amounts reported as *program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues.*

Separate financial statements are provided for governmental funds, proprietary funds, and the fiduciary fund, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting,* as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Note 1: Summary of Significant Accounting Policies (Continued)

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting.* Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the year in which the resources are measurable and become available.

Non-exchange transactions, in which the City receives value without directly giving equal value in return, include property taxes, grants, entitlement and donations. On an accrual basis, revenue from property taxes is recognized in the year for which the tax is levied. Revenue from grants, entitlements and donations is recognized in the year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted, matching requirements, in which the City must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the City on a reimbursement basis. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Unearned revenue arises when assets are recognized before revenue recognition criteria have been satisfied. Grants and entitlements received before eligibility requirements are met are also recorded as unearned revenue.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

The City reports the following major governmental funds:

The *General fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Debt Service funds* account for the accumulation of resources and payment of general obligation bond principal and interest from governmental resources and special assessment bond principal and interest from special assessment levies when the City is obligated in some manner for the payment.

The *Capital Replacement fund* is the City's capital fund. It accounts for costs associated with capital projects within the City.

The City reports the following major proprietary funds:

The *Water fund* accounts for the costs associated with the City's water system and ensure that user charges are sufficient to pay for those costs.

The *Sewer fund* accounts for the costs associated with the City's sewer system and ensure that user charges are sufficient to pay for those costs.

The *Liquor Store fund* accounts for the costs associated with the City's liquor operations.

Note 1: Summary of Significant Accounting Policies (Continued)

As a general rule the effect of interfund activity has been eliminated from government-wide financial statements.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position/Fund Balance

Deposits and Investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. The proprietary funds' portion in the government-wide cash and temporary investments pool is considered to be cash and cash equivalents for purposes of the statement of cash flows.

Cash balances from all funds are pooled and invested, to the extent available, in certificates of deposit and other authorized investments. It is the City's policy to refrain from investing in banks, savings and loan associations or credit unions whose equity to asset ratio is less than 10 percent. Earnings from such investments are allocated on the basis of applicable participation by each of the funds.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The City's recurring fair value measurements are listed in detail on page 59.

The City has the following recurring fair value measurements as of December 31, 2019:

- US Treasury securities of $798,820 are valued using quoted market prices (Level 2 inputs)
- Negotiable certificates of deposit of $5,204,058 are valued using a matrix pricing model (Level 1 inputs)

Note 1: Summary of Significant Accounting Policies (Continued)

The City may invest idle funds as authorized by Minnesota statutes, as follows:

1. Direct obligations or obligations guaranteed by the United States or its agencies.

2. Shares of investment companies registered under the Federal Investment Company Act of 1940 and received the highest credit rating, rated in one of the two highest rating categories by a statistical rating agency, and have a final maturity of thirteen months or less.

3. General obligations of a state or local government with taxing powers rated "A" or better; revenue obligations rated "AA" or better.

4. General obligations of the Minnesota Housing Finance Agency rated "A" or better.

5. Obligation of a school district with an original maturity not exceeding 13 months and (i) rated in the highest category by a national bond rating service or (ii) enrolled in the credit enhancement program pursuant to statute section 126C.55.

6. Bankers' acceptances of United States banks eligible for purchase by the Federal Reserve System.

7. Commercial paper issued by United States banks corporations or their Canadian subsidiaries, of highest quality category by at least two nationally recognized rating agencies, and maturing in 270 days or less.

8. Repurchase or reverse repurchase agreements and securities lending agreements with financial institutions qualified as a "depository" by the government entity, with banks that are members of the Federal Reserve System with capitalization exceeding $10,000,000, a primary reporting dealer in U.S. government securities to the Federal Reserve Bank of New York, or certain Minnesota securities broker-dealers.

9. Guaranteed investment contracts (GIC's) issued or guaranteed by a United States commercial bank, a domestic branch of a foreign bank, a United States insurance company, or its Canadian subsidiary, whose similar debt obligations were rated in one of the top two rating categories by a nationally recognized rating agency.

Investment Policy

The City's investment policy incorporates Minnesota statutes as described above which reduces the City's exposure to credit, custodial credit and interest rate risks. Specific risk information for the City is as follows:

- *Credit Risk* is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Ratings provided by various credit rating agencies where applicable indicate associated credit risk. The City's investments in Government Agencies are fully backed by the U.S. Government and are rated AAA.

- *Custodial Credit Risk* for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. The City limits its exposure to custodial credit risk by purchasing insured or registered investments. It is the City's policy to refrain from investing in banks, savings and loan associations or credit unions whose equity to asset ratio is less than 10%.

- *Concentration of Credit Risk.* Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer. The City limits investments in any one institution to 5%. The City has invested more than 5 percent of investments in the following issuers: Federal Home Loan Mortgage Corporation (8.31%).

- *Interest Rate Risk* is the risk that changes in interest rates will adversely affect the fair value of an investment. Using the segmented time distribution method, the interest rate risk of these investments ranges from less than 6 months to more than 3 years.

Note 1: Summary of Significant Accounting Policies (Continued)

Property Taxes

The City Council annually adopts a tax levy in December and certifies it to the County for collection in the following year. The County is responsible for collecting all property taxes for the City. These taxes attach an enforceable lien on taxable property within the City on January 1 and are payable by the property owners in two installments. The taxes are collected by the County Auditor and tax settlements are made to the City during January, July and December each year.

Delinquent taxes receivable include the past six years' uncollected taxes. Delinquent taxes have been offset by a deferred inflow of resources for taxes not received within 60 days after year end in the governmental fund financial statements.

Accounts Receivable

Accounts receivable include amounts billed for services provided before year end. Unbilled utility enterprise fund receivables are also included for services provided in 2019. The City annually certifies delinquent water and sewer accounts to the County for collection in the following year. Therefore, there has been no allowance for doubtful accounts established.

Special Assessments

Special assessments represent the financing for public improvements paid for by benefiting property owners. These assessments are recorded as receivables upon certification to the County. Special assessments are recognized as revenue when they are received in cash or within 60 days after year end. All special assessments receivable are offset by a deferred inflow of resources in the governmental fund financial statements.

Interfund Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Inventories and Prepaid Items

Inventories are valued at lower of cost or market, using the first-in, first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Land Held for Resale

Land held for resale is valued at the lower of the cost or the market value of the property.

Note 1: Summary of Significant Accounting Policies (Continued)

Capital Assets

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than $5,000 (amount not rounded) and an estimated useful life in excess of one year.

In the case of initial capitalization of general infrastructure assets (i.e., those reported by governmental activities) the City chose to include items dating back to June 30, 1980. The City was able to estimate the historical cost for the initial reporting of these assets through backtrending (i.e., estimating the current replacement cost of the infrastructure to be capitalized and using an appropriate price-level index to deflate the cost to the acquisition year or estimated acquisition year). As the City constructs or acquires capital assets each period, including infrastructure assets, they are capitalized and reported at historical cost. The reported value excludes normal maintenance and repairs which are essentially amounts spent in relation to capital assets that do not increase the capacity or efficiency of the item or extend its useful life beyond the original estimate. In the case of donations the City values these capital assets at the acquisition value of the item at the date of its donation.

Property, plant and equipment are depreciated using the straight-line method over the following estimated useful lives:

Assets	Useful Lives in Years
Buildings and Structures	40
Infrastructure	10 to 50
Furniture and Equipment	3 to 20
Improvements other than Buildings	10 to 20

Deferred Outflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has only one item that qualifies for reporting in this category. Accordingly, the item, deferred pension resources, is reported only in the statements of net position. This item results from actuarial calculations and current year pension contributions made subsequent to the measurement date.

Pensions

For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Public Employees Retirement Association (PERA) and additions to/deductions from PERA's fiduciary net position have been determined on the same basis as they are reported by PERA except that PERA's fiscal year end is June 30. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. The General fund is typically used to liquidate the governmental net pension liability.

The total pension expense for the GERP and PEPFP was as follows:

	GERP	PEPFP	Total Pension Expense
Pension Expense	$ 242,525	$ 143,822	$ 386,347

Note 1: Summary of Significant Accounting Policies (Continued)

Compensated Absences

It is the City's policy to permit employees to accumulate a limited amount of earned but unused vacation, which is paid to the employee upon separation. A portion of unused sick leave may also be paid upon separation from City service. In governmental fund types the cost of these benefits is recognized when payments are made to the employees. The General fund is typically used to liquidate governmental compensated absences payable.

Postemployment Benefits other than Pensions

Under Minnesota statue 471.61, subdivision 2b., public employers must allow retirees and their dependents to continue coverage indefinitely in an employer-sponsored health care plan, under the following conditions: 1) Retirees must be receiving (or eligible to receive) an annuity from a Minnesota public pension plan, 2) Coverage must continue in a group plan until age 65, and retirees must pay no more than the group premium, and 3) Retirees may obtain dependent coverage immediately before retirement. All premiums are funded on a pay-as-you-go basis. The liability was actuarially determined, in accordance with GASB 75, at January 1, 2019. The General fund is typically used to liquidate governmental other postemployment benefits payable.

Long-term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. The recognition of bond premiums and discounts are amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as an expense in the period incurred.

In the fund financial statements, governmental fund types recognized bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred Inflows of Resources

In addition to liabilities, the statement of net position and fund financial statements will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources,* represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has three types of items, *unavailable revenue* and *resources received in advance,* and *deferred pension resources.*

- *Unavailable revenue* arises only under a modified accrual basis of accounting that qualifies as needing to be reported in this category. Accordingly, the item, *unavailable revenue,* is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from two sources: property taxes and special assessments. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

- *Resources received in advance* is reported in both the governmental fund financial statements and within the government-wide financial statements. This item is reported for amounts that have been received before time requirements are met, but after all other eligibility requirements have been met.

- *Deferred pension resources* is reported only in the statements of net position and results from actuarial calculations.

Note 1: Summary of Significant Accounting Policies (Continued)

The City has an additional item which qualifies for reporting in this category. The item, deferred pension resources, is reported only in the statements of net position and results from actuarial calculations.

Furthermore, the City has additional items which qualify for reporting in this category on the statement of net position. The items, deferred pension resources and deferred other postemployment benefit resources, are reported only in the statement of net position and results from actuarial calculations involving net differences between projected and actual earnings on plan investments and changes in proportions.

Fund Balance

In the fund financial statements, fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of resources reported in the governmental funds. These classifications are defined as follows:

Nonspendable - Amounts that cannot be spent because they are not in spendable form, such as prepaid items.

Restricted - Amounts related to externally imposed constraints established by creditors, grantors or contributors; or constraints imposed by state statutory provisions.

Committed - Amounts constrained for specific purposes that are internally imposed by formal action (resolution) of the City Council, which is the City's highest level of decision-making authority. Committed amounts cannot be used for any other purpose unless the City Council modifies or rescinds the commitment by resolution.

Assigned - Amounts constrained for specific purposes that are internally imposed. In governmental funds other than the General fund, assigned fund balance represents all remaining amounts that are not classified as nonspendable and are neither restricted nor committed. In the General fund, assigned amounts represent intended uses established by the City Council itself or by an official to which the governing body delegates the authority. The City Council has adopted a fund balance policy which delegates the authority to assign amounts for specific purposes to the Finance Committee.

Unassigned - The residual classification for the General fund and also negative residual amounts in other funds.

The City considers restricted amounts to be spent first when both restricted and unrestricted fund balance is available. Additionally, the City would first use committed, then assigned, and lastly unassigned amounts of unrestricted fund balance when expenditures are made. The City has formally adopted a fund balance policy for the General fund. The City's policy is to maintain a minimum unassigned fund balance of 50 percent of the following year's budgeted expenditures and transfers out.

Net Position

Net position represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources. Net position is displayed in three components:

a. Net investment in capital assets - Consists of capital assets, net of accumulated depreciation reduced by any outstanding debt attributable to acquire capital assets.

b. Restricted net position - Consists of net position balances restricted when there are limitations imposed on their use through external restrictions imposed by creditors, grantors, laws or regulations of other governments.

c. Unrestricted net position - All other net position balances that do not meet the definition of "restricted" or "net investment in capital assets".

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

Note 2: Stewardship, Compliance and Accountability

A. Budgetary Information

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for the General fund and Economic Development Authority. All annual appropriations lapse at year end. The City does not use encumbrance accounting.

In May of each year, all departments of the City submit requests for appropriations to the City Administrator so that a budget may be prepared. Before September 30, the proposed budget is presented to the City Council for review. The City Council holds public hearings and a final budget is prepared and adopted in early December.

The appropriated budget is prepared by fund, function and department. The City's department heads may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the City Council. The legal level of budgetary control is the department level. The original budget was amended in 2019 increasing expenditures $76,326 for a total budgeted decrease in fund balance of $598,703.

B. Deficit Fund Equity

The following funds had deficit fund equity at December 31, 2019:

Fund	Amount
Nonmajor	
Isanti Indoor Arena	$ 167,588
Street Construction	15,328
City Parking Improvements	74,687
2017 Palomino Road Southeast Improvements	287,974

These deficits will be eliminated with future state aid, franchise taxes and transfers from other funds.

Note 3: Detailed Notes on All Funds

A. Deposits and Investments

Deposits

Custodial credit risk for deposits and investments is the risk that in the event of a bank failure, the City's deposits and investments may not be returned or the City will not be able to recover collateral securities in the possession of an outside party. In accordance with Minnesota statutes and as authorized by the City Council, the City maintains deposits at those depository banks, all of which are members of the Federal Reserve System.

Minnesota statutes require that all City deposits be protected by insurance, surety bond or collateral. The market value of collateral pledged must equal 110 percent of the deposits not covered by insurance, bonds, or irrevocable standby letters of credit from Federal Home Loan Banks. Authorized collateral in lieu of a corporate surety bond includes:

- United States government Treasury bills, Treasury notes, Treasury bonds;
- Issues of United States government agencies and instrumentalities as quoted by a recognized industry quotation service available to the government entity;
- General obligation securities of any state or local government with taxing powers which is rated "A" or better by a national bond rating service, or revenue obligation securities of any state or local government with taxing powers which is rated "AA" or better by a national bond rating service;
- General obligation securities of a local government with taxing powers may be pledged as collateral against funds deposited by that same local government entity;
- Irrevocable standby letters of credit issued by Federal Home Loan Banks to a municipality accompanied by written evidence that the bank's public debt is rated "AA" or better by Moody's Investors Service, Inc., or Standard & Poor's Corporation; and
- Time deposits that are fully insured by any federal agency.

Minnesota statutes require that all collateral shall be placed in safekeeping in a restricted account at a Federal Reserve Bank, or in an account at a trust department of a commercial bank or other financial institution that is not owned or controlled by the financial institution furnishing the collateral. The selection should be approved by the City.

At year end, the City's carrying amount of deposits was $6,642,742 and the bank balance was $6,843,987. Of the bank balance, $500,000 was covered by Federal depository insurance, $2,241 was covered by National Credit Union Share Insurance Fund coverage, and the remaining balance was collateral held in the City's name.

Note 3: Detailed Notes on All Funds (Continued)

At year end, the City's investment balances were as follows:

Types of Investments	Credit Quality/ Ratings (1)	Segmented Time Distribution (2)	Amount	Fair Value Measurement Using Level 1	Fair Value Measurement Using Level 2
Pooled Investments at Amortized Cost					
Broker Money Markets	N/A	Less than 1 year	$ 14,439	$ -	$ -
Non-pooled Investments at Fair Value					
Negotiable CDs	N/A	Less than 1 year	1,138,021	1,138,021	-
Negotiable CDs	N/A	1 to 5 years	3,809,240	3,809,240	-
Negotiable CDs	N/A	More than 5 years	256,797	256,797	-
U.S. Government Agency Securities	AAA	1 to 5 years	798,820	-	798,820

B. Loans Receivable

In 2011, the City's Revolving Loan fund loaned $50,000 to H.M. Chris, LLC for 10 years at 3 percent interest. The monthly payment is $529. As of December 31, 2019, the loan receivable was $9,297.

In 2012, the City's Revolving Loan fund loaned $22,500 to K & D Investments for 10 years at 3 percent interest. The monthly payment is $298. The loan was paid in full in 2019.

In 2013, the City's Revolving Loan fund loaned $25,000 to the Isanti Parkway Center for 7 years at 3 percent interest. The monthly payment is $331. As of December 31, 2019, the loan receivable was $2,286.

In 2015, the City's Revolving Loan fund loaned $427,000 to Mom's Food Co-op Inc. for 7 years at zero percent interest. The monthly payment is $321. As of December 31, 2019, the loan receivable was $169,167.

In 2016, the City's Revolving Loan fund loaned $15,000 to RPF, LLC for 7 years at 3 percent interest. The monthly payment is $199. As of December 31, 2019, the loan receivable was $7,910.

C. Interfund Receivables, Payables and Transfers

In 2009, the Sewer enterprise fund advanced funds to the General fund to cover the City portion of the 2009 Street Improvements. Future General fund property tax levies will be utilized to repay the advance. Repayments will include interest of 3.25 percent. An additional $23,274 was borrowed between the funds in 2010. The loan was paid in full in 2019.

In 2011, the Water and Sewer enterprise funds each loaned $15,897 to the General fund to cover the City portion of the Deer Haven Improvements. General fund property tax levies will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2019 is $6,357.

In 2016, the General fund loaned $25,060 to the TIF 9 nonmajor governmental fund to cover demolition costs. Future tax increment or land sale proceeds will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2019 is $25,060.

In 2017, the Liquor fund loaned $107,237 to the General fund to cover land purchase costs. Future land sale proceeds will be utilized to repay these advances. Repayments are interest free. The outstanding balance at December 31, 2019 is $53,619.

In 2018, the Liquor fund loaned $257,652 to the General fund to cover the 2018 Street and Utility Improvement Project. The loan is expected to be paid back over a ten year period from future levy dollars. Repayments are interest free. The outstanding balance at December 31, 2019 is $257,652.

In 2018, the Water and Sewer funds loaned $283,300 and $566,700, respectively to the General fund for the business subsidy agreement relating to City development. The loan is expected to be paid back over a ten year period from future levy dollars. Repayments are interest free. The outstanding balance at December 31, 2019 is $765,000.

Depreciation expense was charged to programs of the business-type activities as follows:

Water	$ 399,781
Sewer	564,320
Stormwater	41,000
Liquor store	21,245
Total Depreciation Expense - Business-type Activities	$ 1,026,346

Note 3: Detailed Notes on All Funds (Continued)

E. Long-term Debt

General Obligation (G.O.) Bonds

The City issues G.O. bonds to provide funds for the acquisition and construction of major capital facilities. G.O. bonds have been issued for both general government and business-type activities. These bonds are reported in the proprietary funds if they are expected to be repaid from proprietary fund revenues. In addition, bonds have been issued to refund G.O. bonds.

G.O. bonds are direct obligations and pledge the full faith and credit of the government. G.O. bonds currently outstanding are as follows:

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Tax Abatement Bonds, Series 2014A	$ 2,560,000	0.50 - 2.50 %	10/01/14	02/01/30	$ 1,965,000
G.O. Bonds, Series 2014B	1,420,000	0.50 - 2.50	10/01/14	02/01/24	225,000
Total G.O. Bonds					$ 2,190,000

Annual debt service requirements to maturity for the G.O. bonds are as follows:

Year Ending December 31,	Governmental Activities		
	Principal	Interest	Total
2020	$ 205,000	$ 55,266	$ 260,266
2021	210,000	51,319	261,319
2022	210,000	47,220	257,220
2023	215,000	42,545	257,545
2024	220,000	37,243	257,243
2025 - 2029	930,000	108,681	1,038,681
2030	200,000	3,500	203,500
Total	$ 2,190,000	$ 345,774	$ 2,535,774

Note 3: Detailed Notes on All Funds (Continued)

G.O. Revenue Bonds

The following bonds were issued to finance capital improvements in the enterprise funds. They will be repaid from future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City. Annual principal and interest payments on the bonds and enterprise G.O. improvement bonds are expected to require over 87 and 51 percent of net revenues from the Water and Sewer funds, respectively. Principal and interest paid for 2019 and total customer net revenues for the Water fund were $520,199 and $1,077,961, respectively. Principal and interest paid for 2019 and total customer net revenues for the Sewer fund were $225,771 and $1,382,297 respectively.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
MPFA - Water Revenue Bonds, Series 2007A	$ 965,000	2.63 %	07/10/08	08/20/26	$ 415,000
MPFA - Water Revenue Bonds, Series 2008	5,064,256	3.04	10/07/08	08/20/28	2,693,056
G.O. Utility Revenue Bonds, Series 2010A	835,000	2.00 - 3.70	07/01/10	12/01/24	310,000
MPFA - Water Revenue Bonds, Series 2011	479,047	1.533	11/23/11	08/20/31	437,000
G.O. Utility Revenue Bonds, Series 2014B	1,030,000	0.50 - 2.50	10/01/14	02/01/25	645,000
MPFA - Sewer Revenue Bonds, Series 2016A	2,525,000	2.00	07/15/16	12/01/29	2,390,000
Total G.O. Revenue Bonds					$ 6,890,056

Annual debt service requirements to maturity for the G.O. revenue bonds are as follows:

Year Ending December 31,	Business-type Activities		
	Principal	Interest	Total
2020	$ 728,000	$ 170,504	$ 898,504
2021	753,000	152,684	905,684
2022	774,000	133,922	907,922
2023	789,000	114,284	903,284
2024	805,000	93,949	898,949
2025 - 2029	2,963,056	196,311	3,159,367
2030 - 2031	78,000	1,794	79,794
Total	$ 6,890,056	$ 863,448	$ 7,753,504

Note 3: Detailed Notes on All Funds (Continued)

G.O. Improvement (Special Assessment) Bonds

The following bonds were issued to finance various improvements and will be repaid from special assessments levied on the properties benefiting from the improvements and/or ad valorem tax levies. All special assessment debt is backed by the full faith and credit of the City. Each year the combined assessment and tax levy equals 105 percent of the amount required for debt service. The excess of 5 percent is to cover any delinquencies in tax or assessment payments. The business-type bonds will be repaid from special assessments and future net revenues pledged from the Water and Sewer funds and are backed by the taxing power of the City.

Description	Authorized and Issued	Interest Rate	Issue Date	Maturity Date	Balance at Year End
G.O. Improvement Refunding Bonds, Series 2010B	$ 1,825,000	2.00 - 3.20 %	12/01/10	12/01/21	$ 740,000
G.O. Improvement Bonds, Series 2011A	790,000	0.60 - 2.70	09/29/11	02/01/22	260,000
G.O. Refunding Bonds, Series 2013A	2,160,000	0.35 - 2.50	02/01/13	12/01/28	335,000
Total G.O. Improvement Bonds					$ 1,335,000

Annual debt service requirements to maturity for the G.O. improvement bonds are as follows:

Year Ending December 31,	Governmental Activities			Business-type Activities		
	Principal	Interest	Total	Principal	Interest	Total
2020	$ 450,000	$ 28,631	$ 478,631	$ 35,000	$ 6,990	$ 41,990
2021	460,000	15,578	475,578	35,000	6,430	41,430
2022	90,000	1,215	91,215	35,000	5,870	40,870

City technology improvements	-	-	-	8,746	8,746
Total Committed	$ -	$ -	$ -	$ 609,652	$ 609,652
Assigned to					
Capital projects	$ -	$ -	$ 1,778,774	$ -	$ 1,778,774
Unassigned	$ 1,254,221	$ -	$ -	$ (545,577)	$ 708,644

Note 4: Defined Benefit Pension Plans - Statewide

A. Plan Description

The City participates in the following cost-sharing multiple-employer defined benefit pension plans administered by the Public Employees Retirement Association of Minnesota (PERA). PERA's defined benefit pension plans are established and administered in accordance with Minnesota statutes, chapters 353 and 356. PERA's defined benefit pension plans are tax qualified plans under Section 401(a) of the Internal Revenue Code.

General Employees Retirement Plan (GERP)

All full-time and certain part-time employees of the City are covered by the General Employees Retirement Plan (GERP). GERP members belong to the Coordinated Plan. Coordinated Plan members are covered by Social Security.

Public Employees Police and Fire Plan (PEPFP)

The PEPFP, originally established for police officers and firefighters not covered by a local relief association, now covers all police officers and firefighters hired since 1980. Effective July 1, 1999, the PEPFP also covers police officers and firefighters belonging to a local relief association that elected to merge with and transfer assets and administration to PERA.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

B. Benefits Provided

PERA provides retirement, disability and death benefits. Benefit provisions are established by state statute and can only be modified by the state legislature. Vested, terminated employees who are entitled to benefits but are not receiving them yet are bound by the provisions in effect at the time they last terminated their public service.

GERP Benefits

GERP benefits are based on a member's highest average salary for any five successive years of allowable service, age, and years of credit at termination of service. Two methods are used to compute benefits for PERA's Coordinated Plan members. Members hired prior to July 1, 1989 receive the higher of Method 1 or Method 2 formulas. Only Method 2 is used for members hired after June 30, 1989. Under Method 1, the accrual rate for Coordinated members is 1.2 percent of average salary for each of the first 10 years of service and 1.7 percent of average salary for each additional year. Under Method 2, the accrual rate for Coordinated members is 1.7 percent for average salary for all years of service. For members hired prior to July 1, 1989 a full annuity is available when age plus years of service equal 90 and normal retirement age is 65. For members hired on or after July 1, 1989 normal retirement age is the age for unreduced Social Security benefits capped at 66.

Benefit increases are provided to benefit recipients each January. Increases are related to the funding ratio of the plan. If the General Employees Plan is at least 90 percent funded for two consecutive years, benefit recipients are given a 2.5 percent increase. If the plan has not exceeded 90 percent funded, or have fallen below 80 percent, benefit recipients are given a one percent increase. A benefit recipient who has been receiving a benefit for at least 12 full months as of June 30 will receive a full increase. Members receiving benefits for at least one month but less than 12 full months as of June 30 will receive a pro rata increase.

PEPFP Benefits

Benefits for the PEPFP members first hired after June 30, 2010, but before July 1, 2014, vest on a prorated basis from 50 percent after five years up to 100 percent after ten years of credited service. Benefits for PEPFP members first hired after June 30, 2014 vest on a prorated basis from 50 percent after ten years up to 100 percent after twenty years of credited service. The annuity accrual rate is 3.0 percent of average salary for each year of service. A full, unreduced pension is earned when members are age 55 and vested, or for members who were first hired prior to July 1, 1989, when age plus years of service equal at least 90.

Annuities, disability benefits and survivor benefits are increased effective every January 1. Beginning January 1, 2019, the postretirement increase will be fixed at 1 percent. Recipients that have been receiving the annuity or benefit for at least 36 months as of the June 30 before the effective date of the increase will receive the full increase. For recipients receiving the annuity or benefit for at least 25 months but less than 36 months as of the June 30 before the effective date of the increase will receive a reduced prorated increase.

C. Contributions

Minnesota statutes chapter 353 sets the rates for employer and employee contributions. Contribution rates can only be modified by the state Legislature.

General Employees Fund Contributions

Coordinated Plan members were required to contribute 6.50 percent of their annual covered salary in fiscal year 2019 and the City was required to contribute 7.50 percent for Coordinated Plan members. The City's contributions to the General Employees Fund for the years ending December 31, 2019, 2018 and 2017 were $112,189, $108,556 and $104,864, respectively. The City's contributions were equal to the required contributions for each year as set by state statute.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

Police and Fire Fund Contributions

Police and Fire member's contribution rates increased from 10.80 percent of pay to 11.30 percent and employer rates increased from 16.20 percent to 16.95 percent on January 1, 2019. The City's contributions to the Police and Fire Fund for the years ending December 31, 2019, 2018 and 2017 were $113,940, $104,226 and $113,975, respectively. The City's contributions were equal to the required contributions for each year as set by state statute.

D. Pension Costs

General Employees Fund Pension Costs

At December 31, 2019, the City reported a liability of $1,127,870 for its proportionate share of the General Employees Fund's net pension liability. The City's net pension liability reflected a reduction due to the State of Minnesota's contribution of $16 million to the fund in 2019. The State of Minnesota is considered a non-employer contributing entity and the state's contribution meets the definition of a special funding situation. The State of Minnesota's proportionate share of the net pension liability associated with the City totaled $35,165. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportionate share of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2018 through June 30, 2019 relative to the total employer contributions received from all of PERA's participating employers. At June 30, 2019, the City's proportionate share was 0.0204 percent which was a decrease of 0.0014 percent from its proportion measured as of June 30, 2018.

For the year ended December 31, 2019, the City recognized pension expense of $239,891 for its proportionate share of General Employees Fund's pension expense. In addition, the City recognized an additional $2,634 as pension expense (and grant revenue) for its proportionate share of the State of Minnesota's contribution of $16 million to the General Employees Fund.

At December 31, 2019, the City reported its proportionate share of General Employees Plan's deferred outflows of resources and deferred inflows of resources, and its contributions subsequent to the measurement date, from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	$ 44,212	$ 2,305
Changes in Actuarial Assumptions	6,525	98,420
Net Difference Between Projected and Actual Earnings on Plan Investments	-	127,569
Changes in Proportion	14,062	65,340
Contributions Paid to PERA Subsequent to the Measurement Date	61,682	-
Total	$ 126,481	$ 293,634

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

The $61,682 reported as deferred outflows of resources related to pensions resulting from the City's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2020. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

2020	$ (71,796)
2021	(110,959)
2022	(47,896)
2023	1,816

Police and Fire Fund Pension Costs

At December 31, 2019, the City reported a liability of $698,378 for its proportionate share of the Police and Fire Fund's net pension liability. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City's proportionate share of the net pension liability was based on the City's contributions received by PERA during the measurement period for employer payroll paid dates from July 1, 2018 through June 30, 2019 relative to the total employer contributions received from all of PERA's participating employers. At June 30, 2019, the City's proportionate share was 0.0656 percent which was an increase of 0.0014 percent from its proportionate share measured as of June 30, 2018.

For the year ended December 31, 2019, the City recognized pension expense of $134,966 for its proportionate share of the Police and Fire Plan's pension expense. The City also recognized $8,856 for the year ended December 31, 2019, as revenue and an offsetting reduction of net pension liability for its proportionate share of the State of Minnesota's on-behalf contributions to the Police and Fire Fund. Legislation passed in 2013 required the State of Minnesota to begin contributing $9 million to the Police and Fire Fund each year until the plan is 90 percent funded or until the State Patrol Plan (administered by the Minnesota State Retirement System) is 90 percent funded, whichever occurs later. In addition, the state will pay $4.5 million on October 1, 2018 and October 1, 2019 in direct state aid. Thereafter, by October 1 of each year, the state will pay $9 million until full funding is reached or July 1, 2048, whichever is earlier.

At December 31, 2019, the City reported its proportionate share of Police and Fire Plan's deferred outflows of resources and deferred inflows of resources, and its contributions subsequent to the measurement date, from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	$ 59,253	$ 130,261
Changes in Actuarial Assumptions	761,222	975,882
Net Difference Between Projected and Actual Earnings on Plan Investments	-	150,516
Changes in Proportion	107,686	103,829
Contributions Paid to PERA Subsequent to the Measurement Date	58,947	-
Total	$ 987,108	$ 1,360,488

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

The $58,947 reported as deferred outflows of resources related to pensions resulting from the City's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended December 31, 2020. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

2020	$ (40,266)
2021	(91,796)
2022	(290,805)
2023	(19,902)
2024	10,442

E. Actuarial Assumptions

The total pension liability in the June 30, 2019 actuarial valuation was determined using an individual entry-age normal actuarial cost method and the following actuarial assumptions:

Inflation	2.50% per year
Active Member Payroll Growth	3.25% per year
Investment Rate of Return	7.50%

Salary increases were based on a service-related table. Mortality rates for active members, retirees, survivors and disabilitants were based on RP-2014 tables for males or females, as appropriate, with slight adjustments to fit PERA's experience. Cost of living benefit increases for retirees are assumed to be 1.25 percent per year for General Employees Plan and 1.0 percent per year for Police and Fire Plan.

Actuarial assumptions used in the June 30, 2019 valuation were based on the results of actuarial experience studies. The most recent four-year experience study in the General Employees Plan was completed in 2019. The most recent four-year experience study for Police and Fire Plan was completed in 2016. Economic assumptions were updated in 2018 based on a review of inflation and investment return assumptions.

The following changes in actuarial assumptions and plan provisions occurred in 2019:

General Employees Fund

Changes in Actuarial Assumptions

- The mortality projection scale was changed from MP-2017 to MP-2018.

Changes in Plan Provisions

- The employer supplemental contribution was changed prospectively, decreasing from $31.0 million to $21.0 million per year. The State's special funding contribution was changed prospectively, requiring $16.0 million due per year through 2031.

Police and Fire Fund

Changes in Actuarial Assumptions

- The mortality projection scale was changed from MP-2017 to MP-2018.

Changes in Plan Provisions

- There have been no changes since the prior valuation.

Note 4: Defined Benefit Pension Plans - Statewide (Continued)

The State Board of Investment, which manages the investments of PERA, prepares an analysis of the reasonableness on a regular basis of the long-term expected rate of return using a building-block method in which best-estimate ranges of expected future rates of return are developed for each major asset class. These ranges are combined to produce an expected long-term rate of return by weighting the expected future rates of return by the target asset allocation percentages. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Long-term Expected Real Rate of Return
Domestic Equity	35.5 %	5.10 %
Private Markets	25.0	5.30
Fixed Income	20.0	0.75
International Equity	17.5	5.90
Cash Equivalents	2.0	-
Total	100.00 %	

F. Discount Rate

The discount rate used to measure the total pension liability in 2019 was 7.50 percent. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and employers will be made at rates set in Minnesota Statutes. Based on these assumptions, the fiduciary net position of the General Employees Fund and the Police and Fire Fund were projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

G. Pension Liability Sensitivity

The following presents the City's proportionate share of the net pension liability for all plans it participates in, calculated using the discount rate disclosed in the preceding paragraph, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate 1 percentage point lower or 1 percentage point higher than the current discount rate:

	1 Percent Decrease (6.50%)	Current (7.50%)	1 Percent Increase (8.50%)
General Employees Fund	$ 1,854,158	$ 1,127,870	$ 528,175
Police and Fire Fund	1,526,525	698,378	14

H. Pension Plan Fiduciary Net Position

Detailed information about each pension plan's fiduciary net position is available in a separately-issued PERA financial report that includes financial statements and required supplementary information. That report may be obtained on the Internet at www.mnpera.org.

Note 5: Postemployment Benefits Other Than Pensions

A. Plan Description

The City operates a single-employer retiree benefit plan ("the Plan") that provides health, life and dental insurance to eligible employees and their families through the City's health insurance plan. The full cost of the benefits is covered by the plan. Benefit and eligibility provisions are established through negotiations between the City and various unions representing City employees and are renegotiated each two-year bargaining period. The Plan does not issue a publicly available report. At December 31, 2019, the 31 active plan members/employees were covered by the benefit terms.

B. Funding Policy

OPEB benefits have historically been funded on a pay-as-you-go basis (PAYGO). Plan sponsors may set up a trust and pre-fund the benefits. There is no requirement to pre-fund benefit. However, continuing on a PAYGO basis will create a Total OPEB Liability (TOL) on the balance sheet. Results throughout the report assume continued funding under PAYGO. The overall single discount rate is 3.30%.

C. Actuarial Methods and Assumptions

The City's total OPEB liability of $313,352 was measured as of December 31, 2019, and the total OPEB liability used to calculate the total OPEB liability was determined by an actuarial valuation as of January 1, 2019. Roll forward procedures were used to roll forward the total OPEB liability to the measurement date.

The total OPEB liability in the January 1, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Discount Rate	3.30%
20-Year Municipal Bond Yield	3.30%
Inflation Rate	2.50%
Salary Increases	3.00%
Medical Trend Rate	6.50% as of January 1, 2019 grading to 5.00% over 6 years

The discount rate is based on the estimated yield of 20-Year AA-rated municipal bonds. The overall single discount rate is 3.30%. Mortality rates were based on the RP-2014 White Collar Mortality Tables with MP-2017 Generational Improvement Scale. The actuarial assumptions used in the December 31, 2018 valuation were based on input from a variety of published sources of historical and projected future financial data. Each assumption was reviewed for reasonableness with the source information as well as for consistency with the other economic assumptions.

D. Changes in the Total OPEB Liability

	Total OPEB Liability (a)
Balances at December 31, 2018	$ 275,219
Changes for the Year:	
Service cost	28,959
Interset	10,024
Benefit payments	(850)
Net Changes	38,133
Balances at December 31, 2019	$ 313,352

There are no assumption changes.

Note 5: Postemployment Benefits other than Pensions (Continued)

E. Sensitivity of the Total OPEB Liability

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage point lower (2.30 percent) or 1-percentage-point higher (4.30 percent) than the current discount rate:

1 Percent Decrease (2.3%)	Current (3.3%)	1 Percent Increase (4.3%)
$ 341,858	$ 313,352	$ 286,752

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a Healthcare Cost Trent Rates that is 1-percentage point lower (5.50 percent decreasing to 4.00 percent) or 1-percentage-point higher (7.50 percent increasing to 6.00 percent) than the current discount rate:

1 Percent Decrease (5.5% Decreasing to 4%)	Healthcare Cost Trend Rates (6.5% Decreasing to 5%)	1 Percent Increase (7.5% Decreasing to 6%)
$ 271,483	$ 313,352	$ 362,887

F. OPEB Expense

For the year ended December 31, 2019, the City recognized OPEB expense of $38,983. There are no deferred inflows or outflows associated with the OPEB plan.

Note 6: Other Information

A. Legal Debt Margin

In accordance with Minnesota statutes, the City may not incur or be subject to net debt in excess of three percent of the estimated market value of taxable property within the City. Net debt is payable solely from ad valorem taxes and, therefore, excludes debt financed partially or entirely by special assessments, enterprise fund revenues, or tax increments. As of December 31, 2019, the City is under the legal debt margin.

B. Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the City carries insurance. The City obtains insurance through participation in the League of Minnesota Cities Insurance Trust (LMCIT), which is a risk sharing pool with approximately 800 other governmental units. The City pays an annual premium to LMCIT for its workers compensation and property and casualty insurance. The LMCIT is self-sustaining through member premiums and will reinsure for claims above a prescribed dollar amount for each insurance event. Settled claims have not exceeded the City's coverage in any of the past three fiscal years.

Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities, if any, include an amount for claims that have been incurred but not reported (IBNRs). The City's management is not aware of any incurred but not reported claims.

Note 6: Other Information (Continued)

C. Isanti Area Joint Operating Fire Board District

In October of 2002, the City and the towns of Athens, Bradford, Isanti, Oxford, Spencer Brook and Stanford, entered a joint powers agreement to acquire and pay for new fire department substations in the townships. The City shall deposit in advance quarterly contributions with the treasurer of the Isanti Area Joint Operating Fire fund. The amount of the quarterly contributions to the fund shall be according to the proportions established in the fire protection contract. Upon termination of the agreement, any real property or buildings owned by the Board shall become the sole property of the City or Township in which the property lies. The City contributed $231,246 to the Board in 2019. The City's equity interest and its share of the net income (loss) of the District is not measurable and it is not explicit; therefore, no equity interest is reported in the government-wide financial statements.

D. Cambridge-Isanti Bike-Walk Trail

On September 8, 2008, the City entered into a joint and cooperative agreement with Isanti County, Isanti Township, and the City of Cambridge for the construction, operation, and maintenance of a bike-walk trail that connects the cities of Cambridge and Isanti. The trail was constructed with Federal and State grants received by Isanti County and the City of Cambridge. Isanti is responsible for maintaining and operating the part of the trail lying south of the centerline of the right of way of 301st Avenue. The agreement will terminate after 20 years. The City contributed $7,500 to the cooperative during 2019.

E. North Trunk Highway 65 Corridor Coalition

On September 19, 2006, the City of Isanti joined the North Trunk Highway 65 Corridor Coalition. The Coalition consists of cities, counties, and towns from Highway 10 in Blaine to the northern reaches of Kanabec County. The agreement states that the City must support the preservation and upgrade of the corridor to meet future transportation needs for various modes including, but not limited to, highway improvements, bus improvements, commuter, freight rail, multi-use paths, and Intelligent Transportation Systems (ITS).

Note 7: Commitments and Contingencies

A. Concentrations

The City receives a significant amount of its annual General fund revenue from the State of Minnesota from the Local Government Aid (LGA). The amount received in 2019 was $635,435 for LGA. This accounted for 19.0 percent of General fund revenues.

B. Tax Increment Districts

The City's tax increment districts are subject to review by the State of Minnesota Office of the State Auditor (OSA). Any disallowed claims or misuse of tax increments could become a liability of the applicable fund. Management has indicated that they are not aware of any instances of noncompliance which would have a material effect on the financial statements.

Note 8: Subsequent Event

In December 2019, a novel strain of coronavirus (COVID-19) surfaced. The spread of COVID-19 around the world in the first quarter of 2020 has caused significant volatility in U.S. and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies and, as such, the Company is unable to determine if it will have a material impact to its operations.

06/30/17	0.0216	1,378,930	17,319	1,396,249	1,389,926	100.5	75.9
06/30/16	0.0211	1,713,216	22,401	1,735,617	1,310,966	132.4	68.9
06/30/15	0.0219	1,134,972	-	1,134,972	1,284,497	88.4	78.2

Note: Schedule is intended to show 10-year trend. Additional years will be reported as they become available.

Schedule of Employer's PERA Contributions - General Employees Fund

Year Ending	Statutorily Required Contribution (a)	Contributions in Relation to the Statutorily Required Contribution (b)	Contribution Deficiency (Excess) (a-b)	City's Covered Payroll (c)	Contributions as a Percentage of Covered Payroll (b/c)
12/31/19	$ 112,189	$ 112,189	$ -	$ 1,495,849	7.5 %
12/31/18	108,556	108,556	-	1,447,416	7.5
12/31/17	104,864	104,864	-	1,398,189	7.5
12/31/16	105,054	105,054	-	1,400,725	7.5
12/31/15	97,034	97,034	-	1,293,790	7.5

Note: Schedule is intended to show 10-year trend. Additional years will be reported as they become available.

Notes to the Required Supplementary Information - General Employee Fund

Changes in Actuarial Assumptions

2019 - The mortality projection scale was changed from MP-2017 to MP-2018.

2018 - The mortality projection scale was changed from MP-2015 to MP-2017. The assumed benefit increase was changed from 1.00 percent per year through 2044 and 2.50 percent per year thereafter to 1.25 percent per year.

2017 - The Combined Service Annuity (CSA) loads were changed from 0.8 percent for active members and 60 percent for vested and non-vested deferred members. The revised CSA loads are now 0.0 percent for active member liability, 15.0 percent for vested deferred member liability and 3.0 percent for non-vested deferred member liability. The assumed post-retirement benefit increase rate was changed from 1.0 percent per year for all years to 1.0 percent per year through 2044 and 2.5 percent per year thereafter.

2016 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2035 and 2.5 percent per year thereafter to 1.0 percent per year for all future years. The assumed investment return was changed from 7.9 percent to 7.5 percent. The single discount rate was changed from 7.9 percent to 7.5 percent. Other assumptions were changed pursuant to the experience study dated June 30, 2015. The assumed future salary increases, payroll growth and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

2015 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2030 and 2.5 percent per year thereafter to 1.0 percent per year through 2035 and 2.5 percent per year thereafter.

Changes in plan provisions

2019 - The employer supplemental contribution was changed prospectively, decreasing from $31.0 million to $21.0 million per year. The state's special funding contribution was changed prospectively, requiring $16.0 million due per year through 2031.

2018 - The augmentation adjustment in early retirement factors is eliminated over a five-year period starting July 1, 2019, resulting in actuarial equivalence after June 30, 2024. Interest credited on member contributions decreased from 4.00 percent to 3.00 percent, beginning July 1, 2018. Deferred augmentation was changed to 0.00 percent, effective January 1, 2019. Augmentation that has already accrued for deferred members will still apply. Contribution stabilizer provisions were repealed. Postretirement benefit increases were changed from 1.00 percent per year with a provision to increase to 2.50 percent upon attainment of 90.00 percent funding ratio to 50.00 percent of the Social Security Cost of Living Adjustment, not less than 1.00 percent and not more than 1.50 percent, beginning January 1, 2019. For retirements on or after January 1, 2024, the first benefit increase is delayed until the retiree reaches normal retirement age; does not apply to Rule of 90 retirees, disability benefit recipients, or survivors. Actuarial equivalent factors were updated to reflect revised mortality and interest assumptions.

2017 - The State's contribution for the Minneapolis Employees Retirement Fund equals $16,000,000 in 2017 and 2018, and $6,000,000 thereafter. The Employer Supplemental Contribution for the Minneapolis Employees Retirement Fund changed from $21,000,000 to $31,000,000 in calendar years 2019 to 2031. The state's contribution changed from $16,000,000 to $6,000,000 in calendar years 2019 to 2031.

2015 - On January 1, 2015, the Minneapolis Employees Retirement Fund was merged into the General Employees Fund, which increased the total pension liability by $1.1 billion and increased the fiduciary plan net position by $892 million. Upon consolidation, state and employer contributions were revised.

Schedule of Employer's Share of PERA Net Pension Liability - Police and Fire Fund

Fiscal Year Ending	City's Proportion of the Net Pension Liability	City's Proportionate Share of the Net Pension Liability (a)	State's Proportionate Share of the Net Pension Liability Associated with the City (b)	Total (a+b)	City's Covered Payroll (c)	City's Proportionate Share of the Net Pension Liability as a Percentage of Covered Payroll ((a+b)/c)	Plan Fiduciary Net Position as a Percentage of the Total Pension Liability
06/30/19	0.0656 %	$ 698,378	$ -	$ 698,378	$ 668,403	104.5 %	89.3 %
06/30/18	0.0617	657,658	-	657,658	649,935	101.2	88.8
06/30/17	0.0700	945,083	-	945,083	723,699	130.6	85.4
06/30/16	0.0660	2,648,695	-	2,648,695	637,473	415.5	63.9
06/30/15	0.0620	704,465	-	704,465	563,393	125.0	86.6

Note: Schedule is intended to show 10-year trend. Additional years will be reported as they become available.

Schedule of Employer's PERA Contributions - Police And Fire Fund

Year Ending	Statutorily Required Contribution (a)	Contributions in Relation to the Statutorily Required Contribution (b)	Contribution Deficiency (Excess) (a-b)	City's Covered Payroll (c)	Contributions as a Percentage of Covered Payroll (b/c)
12/31/19	$ 113,940	$ 113,940	$ -	$ 672,213	16.9 %
12/31/18	104,266	104,266	-	643,617	16.2
12/31/17	113,975	113,975	-	703,552	16.2
12/31/16	110,692	110,692	-	683,285	16.2
12/31/15	98,214	98,214	-	606,260	16.2

Note: Schedule is intended to show 10-year trend. Additional years will be reported as they become available.

Notes to the Required Supplementary Information - Police and Fire Fund

Changes in Actuarial Assumptions

2019 - The mortality projection scale was changed from MP-2017 to MP-2018.

2018 - The mortality projection scale was changed from MP-2016 to MP-2017.

2017 - Assumed salary increases were changed as recommended in the June 30, 2016 experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates. Assumed rates of retirement were changed, resulting in fewer retirements. The Combined Service Annuity (CSA) load was 30 percent for vested and non-vested deferred members. The CSA has been changed to 33 percent for vested members and 2 percent for non-vested members. The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees. Assumed termination rates were decreased to 3.0 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall. Assumed percentage of married female members was decreased from 65 percent to 60 percent. Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females. The assumed percentage of female members electing joint and survivor annuities was increased. The assumed post-retirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter. The single discount rate was changed from 5.6 percent to 7.5 percent.

2016 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2037 and 2.5 percent per year thereafter to 1.0 percent per year for all future years. The assumed investment return was changed from 7.9 percent to 7.5 percent. The single discount rate was changed from 7.9 percent to 5.6 percent. The assumed future salary increases, payroll growth and inflation were decreased by 0.25 percent to 3.25 percent for payroll growth and 2.50 percent for inflation.

2015 - The assumed post-retirement benefit increase rate was changed from 1.0 percent per year through 2030 and 2.5 percent per year thereafter to 1.0 percent per year through 2037 and 2.5 percent per year thereafter.

Changes in plan provisions

2018 - As set by statute, the assumed post-retirement benefit increase was changed from 1.0 percent per year through 2064 and 2.5 percent per year, thereafter, to 1.0 percent for all years, with no trigger. An end date of July 1, 2048 was added to the existing $9.0 million state contribution. New annual state aid will equal $4.5 million in fiscal years 2019 and 2020, and $9.0 million thereafter until the plan reaches 100 percent funding, or July 1, 2048, if earlier. Member contributions were changed from 10.80 percent to 11.30 percent of pay, effective January 1, 2019 and 11.80 percent of pay, effective January 1, 2020. Employer contributions were changed from 16.20 percent to 16.95 percent of pay, effective January 1, 2019 and 17.70 percent of pay, effective January 1, 2020. Interest credited on member contributions decreased from 4.00 percent to 3.00 percent, beginning July 1, 2018. Deferred augmentation was changed to 0.00 percent, effective January 1, 2019. Augmentation that has already accrued for deferred members will still apply. Actuarial equivalent factors were updated to reflect revised mortality and interest assumptions.

Notes to the Required Supplementary Information - Police and Fire Fund (Continued)

2017- Assumed salary increases were changed as recommended in the June 30, 2016 experience study. The net effect is proposed rates that average 0.34 percent lower than the previous rates. Assumed rates of retirement were changed, resulting in fewer retirements. The combined service annuity (CSA) load was 30.00 percent for vested and non-vested, deferred members. The CSA has been changed to 33.00 percent for vested members and 2.00 percent for non-vested members. The base mortality table for healthy annuitants was changed from the RP-2000 fully generational table to the RP-2014 fully generational table (with a base year of 2006), with male rates adjusted by a factor of 0.96. The mortality improvement scale was changed from Scale AA to Scale MP-2016. The base mortality table for disabled annuitants was changed from the RP-2000 disabled mortality table to the mortality tables assumed for healthy retirees. Assumed termination rates were decreased to 3.00 percent for the first three years of service. Rates beyond the select period of three years were adjusted, resulting in more expected terminations overall. Assumed percentage of married female members was decreased from 65.00 percent to 60.00 percent. Assumed age difference was changed from separate assumptions for male members (wives assumed to be three years younger) and female members (husbands assumed to be four years older) to the assumption that males are two years older than females. The assumed percentage of female members electing joint and survivor annuities was increased. The assumed postretirement benefit increase rate was changed from 1.00 percent for all years to 1.00 percent per year through 2064 and 2.50 percent thereafter. The single discount rate was changed from 5.60 percent per annum to 7.50 percent per annum.

2015 - The post-retirement benefit increase to be paid after attainment of the 90 percent funding threshold was changed, from inflation up to 2.5 percent, to a fixed rate of 2.5 percent.

Schedule of Changes in the City's Total OPEB Liability and Related Ratios

	2019	2018
Total OPEB Liability		
Service cost	$ 28,959	$ 28,116
Interest	10,024	8,792
Benefit payments	(850)	-
Net Change in Total OPEB Liability	38,133	36,908
Total OPEB Liability - Beginning	275,219	238,311
Total OPEB Liability - Ending	$ 313,352	$ 275,219
Covered - Employee Payroll	$ 2,059,503	$ 1,999,517
City's total OPEB liability as a percentage of covered employee payroll	15 %	14 %

Note: Schedule is intended to show 10-year trend. Additional years will be reported as they become available.

INDEPENDENT AUDITOR'S REPORT
ON MINNESOTA LEGAL COMPLIANCE

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City) as of and for the year ended December 31, 2019, and the related notes to the financial statements, and have issued our report thereon dated April 1, 2020.

In connection with our audit, nothing came to our attention that caused us to believe that the City of Isanti failed to comply with the provisions of the contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing sections of the *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

This report is intended solely for the information and use of those charged with governance and management of the City and the State Auditor and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and City Council
City of Isanti, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the City of Isanti, Minnesota (the City), as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated April 1, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified However, as described in the accompanying Schedule of Finding and Response, we identified certain deficiencies in internal control that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying Schedule of Finding and Response as item 2019-001 to be a significant deficiency.

5201 Eden Avenue, Suite 250
Edina, MN 55436
952.835.9090 | Fax 952.835.3261

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance and identified no other matters that are required to be reported under *Government Auditing Standards.*

The City's Response to the Finding

The City's response to the finding identified in our audit are described in the accompanying Schedule of Finding and Response. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

BLANK INTENTIONALLY

City of Isanti, Minnesota
Schedule of Finding and Response
For the Year Ended December 31, 2019

Finding	Description
2019-001	**Preparation of Financial Statements**
Condition:	As in prior years, we were requested to draft the audited financial statements and related footnote disclosures as part of our regular audit services. Recent auditing standards require auditors to communicate this situation to the City Council as an internal control deficiency. Ultimately, it is management's responsibility to provide for the preparation of your statements and footnotes, and the responsibility of the auditor to determine the fairness of presentation of those statements. It is our responsibility to inform you that this deficiency could result in a material misstatement to the financial statements that could have been prevented or detected by your management. Essentially, the auditors cannot be part of your internal control process.
Criteria:	Internal controls should be in place to provide reasonable assurance over the reliability of financial records and reporting.
Cause:	From a practical standpoint, we both prepare your statements and determine the fairness of that presentation at the same time in connection with our audit. This is not unusual for us to do with organizations of your size.
Effect:	The effectiveness of the internal control system relies on enforcement by management. The effect of deficiencies in internal controls can result in undetected errors in financial reporting. We have instructed management to review a draft of the auditor prepared financials in detail for accuracy; we have answered any questions that management might have, and have encouraged research of any accounting guidance in connection with the adequacy and appropriateness of classification of disclosures in your statements. We are satisfied that the appropriate steps have been taken to provide you with the completed financial statements.
Recommendation:	Under these circumstances, the most effective controls lie in management's knowledge of the City's financial operations. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost and other considerations. Regarding the specific situations listed above, we would offer the following specific recommendations: 1) Utilize a disclosure checklist to ensure all required disclosures are present and agree to work papers, and 2) Agree your accounting information from your accounting software to the amounts reported in the financial statements.

Management Response:

For now, the City accepts the degree of risk associated with this condition and thoroughly reviews a draft of the financial statements.

From: Josi Wood, City Administrator
Date: April 21, 2020
Subject: Resolution to Approve Memorandum of Understanding with the Cambridge-Isanti Independent School District No. 911 for the School Resource Officer Program

---

Superintendent Nate Rudolph reached out to the City to discuss the current MOU for the School Resource Officer program. With school being completed remotely due to the Governor's Order in response to Covid-19, his request was to suspend the program for the remainder of the 2019-2020 school year. The requested date would make the amended SRO agreement effective April 1, 2020.

Request:
Staff is requesting action on this item.

Action Required:
If the Council concurs, it should by motion, approve Resolution as written and approve signature of the MOU.

RESOLUTION 2020-XXX

APPROVING A MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF ISANTI AND INDEPENDENT SCHOOL DISTRICT NO. 911 FOR THE SCHOOL RESOURCE OFFICER PROGRAM

WHEREAS, an amendment to the Memorandum of Understanding (MOU) for the School Resource Officer program has been prepared by Staff and the City Attorney and it has been reviewed by Cambridge-Isanti School Superintendent Rudolph; and,

WHEREAS, the MOU is attached hereto as "Exhibit A';

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the amendment to the MOU between the City of Isanti and Independent School District No. 911 to suspend the School Resource Officer program for the remainder of the 2019-2020 school season is hereby approved and is authorized to be signed.

This Resolution is hereby approved by the Isanti City Council this 21st day of April, 2020.

Attest:

_____
Mayor Jeff Johnson

_____
Katie Brooks
Human Resources/City Clerk

'Exhibit A'

AMENDMENT TO MEMORANDUM OF UNDERSTANDING BETWEEN CITY OF ISANTI AND INDEPENDENT SCHOOL DISTRICT No. 911

School Resource Officer Program

This Amendment is entered into by and between the City of Isanti and Independent School District No. 911, Cambridge-Isanti.

Recitals

A. The City and the School District entered into a Memorandum of Understanding dated July 19, 2018, concerning the assignment of a School Resource Officer to District schools.

B. Due to the COVID-19 pandemic and Executive Order 20-19, District schools closed for in-person instruction and switched to distance learning methods.

C. The closure of District schools eliminated the need for the SRO Program for the remainder of the 2019-2020 school year.

D. The parties wish to suspend, but not terminate, the MOU in light of the temporary school closures.

Agreement

1. The MOU is hereby suspended for the remainder of the 2019-2010 school year effective April 1, 2020. The SRO Program will restart at the beginning of the 2020-2021 school year unless otherwise agreed to in writing by the parties.

2. Reimbursement by the District to the City pursuant to the "SRO Funding" section of the MOU shall be calculated with an end date of March 31, 2020. Vacation days taken prior to that date shall be compensated pursuant to the MOU. No additional "District covered vacation days" need to be compensated by the District.

3. All terms of the MOU not otherwise modified by this Amendment remain in effect.

Request for City Council Action- MEMO

To: Mayor Johnson and Members of City Council

From: John Jacobi, Liquor Store Manager

Date: April 21, 2020

Subject: Donation Request for 7th Annual MMBA "Help Our Local Animals "Supplies Drive promotion in-store

---

Background:

- Each year the MMBA supports a Pet drive for the sole purpose of raising funds as well as pet supply donations to help support local pet shelters in our area. I am requesting that we promote this program in-store and customers can donate pet supply items or a cash donation in any amount they wish to help support this program. The dates of the donations are May 1st through May 31st, 2020.

Action:

Staff is requesting City Council action on this item.

Attachment:

- Resolution 2020-XXX Approving Donation Box at Liquor Store

RESOLUTION 2020-XXX

APPROVING DONATION BOX AT LIQUOR STORE

WHEREAS, on June 2nd, 2009 City Council approved a donation box policy; and,

WHEREAS, Isanti Liquor is requesting use of a donation box at the liquor store in support of the "MMBA Pet Drive"; and,

WHEREAS, the Donation Policy has been reviewed the request and recommended its approval;

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Isanti, Minnesota hereby approves placement of a donation box for the "MMBA Pet Drive" at the Isanti Liquor Store from May 1, 2020 through May 31, 2020.

Adopted by the Isanti City Council this 21st day of April 2020.

Attest:

Mayor Jeff Johnson

Katie Brooks
Human Resources/City Clerk

7th Annual MMBA "Help Our Local Animals" Supplies Drive

In an effort to help members Promote the Community Value of their Municipal Liquor Operation, MMBA, in partnership with now Coors Light, is coordinating the *7th Annual Municipal "Help Our Local Animals" Supplies Drive* **benefiting your local animal shelter or other related animal cause.**

This is an effort to support animals in need. We'll be raising both supplies and funds. You in turn will donate everything to the local animal program of your choice.

Participating individual cities will be randomly drawn to win one of ten $200 donations to your local animal shelter from Molson Coors and MMBA.

Also new in 2020, the MMBA will be helping to pay for adopted pets during the month of May. The MMBA will pay $100 to the 1st 30 people who adopt a pet from a MN shelter or human society! Forms will need to be acquired and turned into a municipal location. Details to come on the process.

So, everyone has a chance to win!

Here are additional details:

- The Supplies Drive has been pushed to May 1 – May 31, 2020.
- Each participating MMBA member will collect money and / or pet supplies (food, blankets, leashes, kennels, etc) for donation to your local shelter or animal cause of choice. Please reach out to your local animal causes and discuss items of need and anything they can do to help publicize this event
- At the end of the event (June 1), please take the collected supplies and cash to the recipient. (Contact the MMBA office if you need assistance locating your local cause.)

- Coors Light POS to help Support the event

    - Signage from your Coors Distributor - One 3x5 banner - One 1x2 foot sign – Please contact them and discuss the info you would like on your custom sign.

    - 100 donation cards (with scannable UPC) will be created and provided by your distributor.

    - Bucket for collection of cash if you do not want to scan

    - Additional signage and donation cards can be obtained by contacting your Coors Distributor. Get creative!

    - Materials will arrive the end of April.

Here are some successful ideas to promote the event:

- ✓ Product discount for those donating supplies – IE 5%-10%
- ✓ Stapling a flyer to carry-out bags
- ✓ Photo's of animals from your local shelter / cause that need adoption or help
- ✓ Displaying the donated supplies in the front of the store to catch customer eyes
- ✓ Reference or total focus in advertising mediums
- ✓ Coors wholesaler could build a platform of Coors Light cases for the supplies to display on, or a wall of cases around an area where donations will be placed.
- ✓ Local newspaper story
- ✓ Collect contributions by participating in other community events

Any and all additional display/feature consideration for Coors Light is greatly appreciated!

If you would like to participate in this event, contact the MMBA Office at:

Phone: 612-799-1629 or 866-938-3925
Email: kaspszak@outlook.com

If you have questions about POS, please address with your local Coors Distributor.

If you have any issues contacting your local distributor, please contact Jon Chance

Phone: 612-718-6862
Jonathan.chance@molsoncoors.com

Thanks for your participation!!!!!

RESOLUTION 2020-XXX

APPROVING THE HIRE OF PART-TIME PUBLIC WORKS SEASONAL JOEL BAZEY

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to advertise and accept applications to fill two Seasonal positions for part time employment; and,

WHEREAS, Joel Bazey is selected as the most qualified candidate for the open Seasonal position. The offer is contingent on successfully passing a background check;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources is hereby directed to offer the Public Works Seasonal position to Joel Bazey for the City of Isanti and shall be eligible to start on or after April 21st, 2020.
2. Joel Bazey shall start at the wage scale of $13.00 per hour.
3. Seasonal hires shall not work more than 100 days per the Union Contact in the position of the Public Works Seasonal position effective Spring through Fall 2020.
4. That Human Resources is directed to complete all required documentation for the completion of the employment offers.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This Resolution is hereby approved by the Isanti City Council this 21st day of April 2020.

Memo for Council Action

To: Mayor Johnson and Members of the City Council
From: Finance Director Betker
Date: April 21, 2020
Subject: Resolution 2020-XXX Approving Purchasing & Fuel Card Policy

Background:
Currently the City of Isanti has one credit card for city/staff use. That card is kept in the Finance Director's office and must be signed out to be used. After purchase(s) are complete the card is checked back in to the Finance Director's office. It has been this way since at least the start of 2013.

The primary problem with this method is security and fraud detection. When one card is shared among multiple staff, if fraud were committed (unpermitted charges) it would be difficult to identify the perpetrator simply because multiple people will have had the card in their possession over time. If any one individual decided to write down the pertinent credit card information then use that information to commit fraud while they understood the card to be in someone else's possession, it may prove exceedingly difficult to identify the perpetrator of the fraud.

Recommendation:
This item was discussed at Committee of the Whole on March 17th, 2020 and was recommended to bring to Council with a revised credit card policy. The Finance Director in consultation with the City Administrator will make a determination as to the best available credit card for City use based on the financial interest of the City giving primacy to fraud detection, deterrence and mitigation. Secondary consider will be given to the City's ability to earn cash back and a preference to work with a local banking institution.

Request:
Consideration and approval of attached resolution and policy.

Attachments:
Resolution 2020-XXX Approving Purchasing and Fuel Card Policy
'Exhibit A' Purchasing and Fuel Card Policy

RESOLUTION 2020-XXX

ADOPTING PURCHASING AND FUEL CARD POLICY AND AUTHORIZING STAFF TO ENTER INTO A BUSINESS CREDIT CARD PROGRAM

WHEREAS, pursuant to MN Statute 471.382, the Isanti City Council may authorize the use of a credit card by any City officer or employee otherwise authorized to make a purchase on behalf of the City; and,

WHEREAS, the City Council had adopted Resolution 2005-011 and Resolution 2018-168, a Credit Card Policy, that this Resolution and Credit Card Policy will supercede; and,

WHEREAS, the Credit Card Policy hereto attached as "Exhibit A' will provide guidance, and instructions regarding use of the City credit and fuel cards;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the attached City of Isanti Purchasing and Fuel Card Policy 'Exhibit A' is hereby approved as well as the following:

1. Staff is authorized to enter into an agreement, and sign necessary documentation, with a banking institution for a business credit card program which allows for cash back.
2. Staff is authorized to pay an annual fee if the program benefits will outweigh the annual fee cost.
3. Staff is authorized to deposit all funds received from the cash back program into Fund 920, Capital Improvement Plan Fund, which will be reported to Council annually.

This Resolution is hereby approved by the Isanti City Council this 21st day of April, 2020.

CITY OF ISANTI
PURCHASING AND FUEL CARD POLICY

The City of Isanti may provide a purchasing credit card and/or fuel card (collectively referred to as credit cards or cards for purposes of this policy) to employees (also referred to as cardholder) who show a business reason for usage of a card or drive city vehicles on a regular basis. Credit cards will not be provided to city employees merely for the personal convenience of the employee. This policy is designed to provide rules and regulations and sets forth the authority and responsibility to the employee involved in the use of credit cards.

A. Guidelines

1. Department Heads are responsible for ensuring the integrity of the credit card use within their Department by upholding City policies and procedures. Department Heads are responsible for overseeing card activity and must have an understanding of the rules and regulations as set forth within this Policy. While the Department Head holds the responsibility of oversight, administration of the day-to-day activity and usage of the credit card will be managed through designation of the employee.
2. No employee will intentionally use a City card for personal purchases. Unauthorized use or abuse of a City card may result in disciplinary action, up to and including termination of employment.
3. A card purchase must comply with all statutes, rules and city policies. The Department Head should sign and approve the overall monthly statement that shall constitute his/her approval of each individual charge.
4. Under no circumstances may cards be used by non-city employees.
5. No cash advances are permitted using city cards.
6. It is the cardholder's responsibility to safeguard the credit card and protect it from theft and unauthorized use.
7. The city reserves the right to cancel an employee's credit card for any reason.
8. Prior to employee issuance of a City Card the employee must sign acknowledgement of this policy for the privilege and convenience of using a credit card under the City's name.

B. Obtaining a Purchasing or Fuel Card

1. Purchasing Card

   A City employee who wishes to obtain a city purchasing card to use in the conduct of city business shall submit a request to his or her Department Head Supervisor. The request shall include reasons why the employee wishes to obtain the card. All requests must be recommended for approval by the City Administrator, including a recommendation for a credit limit. Employees who seek to obtain a card for use but do not wish to keep the card in their possession may have the Finance Director hold onto the card.

   The City Administrator will forward approved requests to the Finance Director for processing. The approval will include a specific dollar limit which will not exceed $5,000.00.

   City purchasing cards will generally be issued when the following criteria are met:
   The staff member is a Department Head.
   The staff member has primary responsibility for purchasing equipment and supplies for his or her department.

2. Fuel Card
   The Public Services Director, Police Chief and City Administrator may recommend issuance of fuel cards only to employees authorized to make certain fuel purchases. Fuel cardholders must sign the policy acknowledgement form to use city fuel cards prior to any use. No personal use of the fuel card is permitted.
   a) Permissible Fuel Card Purchases
      - Fuel purchases are restricted to self-service fuel of the type and grade specified by the vehicle manufacturer.
      - Bulk fuel when approved by the Department Head.
   b) Prohibited Fuel Card Purchases Include, but are not limited to:
      - Food or personal items
      - Pre-paid services or coupon books

C. Card Profiles

Each Card is assigned a single profile. The profile specifies the authorized employee (cardholder) or other identifying profile (i.e. vehicle or equipment). Each card will have a designated individual card limit. Requests for increases in the limit should be submitted to the City Administrator for approval and then to Finance Director for processing.

D. Making Purchases

1. Purchases may be made in person, by phone, fax, e-mail, Internet, or mail. If the purchase is made via the Internet, ensure it is a secure site. Look for "https" in the URL and check for the lock or key icon in the Security Status bar in the Address bar (do not enter confidential information if there is no lock or key icon on the Address bar). You should be confident that the site is using your information properly and in a secure manner before providing any information.
2. When making a purchase by fax, call the merchant and provide the card number over the phone instead of including it on the fax documentation. If the card number is provided over the telephone, the cardholder should be alert to others in the surrounding area that may hear the card information.
3. The cardholder should initial and indicate the appropriate budget category to which each charge should be coded.
4. Cardholders who make purchases not approved by the Department Head will become personally responsible for the amount of the purchase.
5. When making a purchase or placing an order, remember the following:
   a) Provide the merchant with the Tax ID number and/or Sales and Use Tax Certificate of Exemption;
   b) Take advantage of any government discounts or price agreements, if applicable;
   c) Supply your cardholder name and expiration date of the card;
   d) Provide delivery instructions;
   e) Obtain receipts/invoices showing the details and pricing for each item ordered;
   f) Do not split orders or purchase the same item from several vendors to circumvent the limits of which a purchase requisition must be completed (see City's Purchasing Policy).

E. Documentation of Transactions

The cardholder is responsible for ensuring that every transaction has valid supporting documentation. The nature of the goods or services received will determine what information the invoice or receipt must contain. However, all invoices should contain basic information about the transaction. These are:

a) Vendor or merchant name
b) Transaction date
c) Itemized information
d) Quantity
e) Description
f) Unit Price
g) Line Price (quantity x unit price)
h) Total invoice amount
i) Confirmation of receipt of goods or services.

If the documentation is a cash register receipt, then the cardholder's signature must be on the receipt. The signed charge transaction slip must also be signed and attached to the cash register receipt. If the items were shipped, the receiving employee must sign the packing slip and the invoice if it comes in the shipment, and forward this documentation to the cardholder. The cardholder must then forward the signed packing slip, invoice and all other pertinent documentation to the Finance Department for processing.

F. Card Cancellation

The card and signed Return Card Acknowledgement shall be returned to the Finance Department when an employee is terminated from employment, submits their notice of separation from the City of Isanti, or loses their card privileges for any reason. Transfers within the same department may also require cancellation of the card if the cardholder's job responsibilities change and they no longer require the need of a City card. The absence of obtaining a Return Card Acknowledgement signature from the employee does not limit the Finance Director from cancelling a card upon direction of the City Administrator.

G. Lost or Stolen Card

Cardholder's are required to immediately report any lost or stolen credit card to the Finance Department Director and Department Head if applicable.

H. Sales Tax Exemption

1. Purchases made are exempt from Minnesota Sales Tax. Cardholders should use the State of Minnesota Sales and Use Tax Certificate of Exemption (ST-3) as documentation. Purchases made in other states are subject to that state's sales tax. Cardholders are responsible for ensuring that merchants do not charge tax. If taxes are charged, the cardholder must contact the merchant to obtain a credit to the account. Documentation of attempts to obtain credit for any State Sales Tax charged in error must be maintained with the documentation for the transaction where the tax was charged.
2. Exceptions:
   a) Purchases in restaurants are not required to have sales tax removed due to the varying ability of restaurants to exempt sales tax. Cardholders may still attempt to have sales tax removed, however, if unsuccessful, the transaction will not be considered a policy violation.
   b) Purchases for the liquor store are not exempt to sales tax.

I. Card Security

Cardholders should always treat the City of Isanti credit card with at least the same level of care as one does their own personal credit cards. The card should be maintained in a secure location and the card account number should be carefully guarded. The only person entitled to use the card is the person whose name appears on the face of the card. The card may not be lent to another person for any reason.

J. Credits

If a cardholder returns merchandise, a credit should be issued to the cardholder's card and a credit receipt obtained. Under no circumstances should a cardholder receive cash or a credit voucher. The cardholder should contact the vendor first to obtain the credit and ensure the credit is applied. If the vendor refuses to issue a credit to the cardholder's account, the next step would be to contact the Finance Department to resolve the issue and they will obtain the credit on behalf of the cardholder. Cardholders should avoid merchants with restrictive merchandise return policies.

By signing this policy, I acknowledge and accept my responsibilities for the privilege and convenience of using credit cards under the City's name as a Cardholder. I confirm reading and understanding the above rules, procedures and responsibilities.

Request for City Council Action

To: Mayor Johnson and Members City Council
From: Sheila Sellman, Community Development Director
Date: April 21, 2020
Subject: **RESOLUTION 2020-XXX AUTHORIZING THE EXECUTION OF REPAYMENT AGREEMENT ON LOTS 4, BLOCK 1, SUN PRAIRIE FOURTH ADDITION WITH J ROBINSON CONSTRUCTION, INC**

Background:
On December 19, 2017 the City Council amended and extended a SAC and WAC deferral program through Resolution 2017-304 to continue to spur development activity and in 2018, the City Council extended the program to December 31, 2019 by Resolution 2018-268. J Robinson Construction, Inc. has requested that the City execute a Repayment Agreement for three new lots legally described as Lot 2, Block 1, Sun Prairie Fourth Addition, for the construction of three homes. The business is in 'good standing' upon review of the MN Secretary of State Office as of April 15, 2020.

The form of the Repayment Agreement is consistent with the form approved by the City Council on December 19, 2017. The Repayment Agreement will be dated as of the date that the Building Permit is paid for by the Developer.

Request
Staff is requesting that the City Council adopt the attached Resolution.

RESOLUTION 2020-XXX

AUTHORIZATION AND EXECUTION OF REPAYMENT AGREEMENT ON LOT 4, BLOCK 1, SUN PRAIRIE FOURTH ADDITION WITH J ROBINSON CONSTRUCTION, INC

WHEREAS, the City of Isanti adopted a SAC and WAC Deferral program on December 19, 2017 which is documented by Resolution 2017-304 and extended the program to December 31, 2019 by Resolution 2018-268; and

WHEREAS, A boiler plate Repayment Agreement was drafted by City Development Attorney and the City Council directed Staff to utilize this agreement for parties interested in SAC and WAC Deferral for commercial or residential development; and

WHEREAS, J Robinson Construction, Inc (the "Developer") has asked the City of Isanti to enter into a Repayment Agreement for the properties legally described as: Lot 4, Block 1, Sun Prairie Fourth Addition (the "Property") and has agreed to pay the recording fee associated with the filing of the Repayment Agreement; and

WHEREAS, the Developer has stated the it will be the owner of the Property at the time of execution of the Repayment Agreement; and

WHEREAS, the date of the Repayment Agreement will be when the Developer signs prior to the payment of the building permit; and

WHEREAS, the Developer is registered, active and is in good standing with the Minnesota Secretary of State Office as of April 15, 2020.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota authorized the Mayor and City Administrator to execute the Repayment Agreement attached hereto contingent upon satisfactory proof of ownership witnessed in a recorded instrument of conveyance to the Developer.

This Resolution hereby approved by the Isanti City Council this 21st day of April 2020.

Attest: _____ Mayor Jeff Johnson

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2020, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct three single family homes (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the single-family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 6,071.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,692.00** in Water Availability Charges and **$ 3,379.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 2020 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $6,071.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 205 9th Ave SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS

THIS REPAYMENT AGREEMENT; STATUTORY SHORT FORM MORTGAGE; AND DEED RESTRICTIONS ("AGREEMENT"), made on or as of the ____ day of _____, 2020, by and between the City of Isanti, Minnesota, a Minnesota municipal corporation (hereinafter referred to as the "City") having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040, and J Robinson Construction, Inc. , a corporation under the laws of the State of Minnesota (hereinafter referred to as the "Developer"), having its principal office at 27178 Tamarack St NW, Isanti, MN 55040.

WITNESSETH:

WHEREAS, the Developer intends to construct three single family homes (the "Improvements") on certain real property (the "Property") in the City; and

WHEREAS, in connection with the construction of the Improvements there are certain water and sanitary sewer charges that are payable by the Developer to the City; and

WHEREAS, the Developer has demonstrated to the satisfaction of the City that the Developer is unable to pay the full amount of the charges now and has asked the City to defer such charges and make them payable at a future point in time; and

WHEREAS, the City believes that the development of the Improvements by the Developer is in the best interests of the City and, therefore, it is willing to defer the charges if doing so will facilitate the development and viability of the Improvements.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I
Definitions

Section 1.1. Definitions. In this Agreement, unless a different meaning clearly appears from the context:

"Agreement" means this Agreement, as the same may be from time to time modified, amended, or supplemented.

"City" means the City of Isanti, Minnesota, its successors and assigns.

"County" means Isanti County, Minnesota.

"Deferred Charges" means the utility charges described in Section 3.1 of this Agreement being deferred by the City and which the Developer is obligated to pay in accordance with this Agreement.

"Developer" means J Robinson Construction, Inc, a Minnesota Corporation, its successors and assigns.

"Event of Default" means an action by the Developer listed in Article IV of this Agreement.

"Improvements" means the single-family home to be constructed by the Developer on the Property.

"Property" means the real property described on the attached Schedule A to this Agreement.

"State" means the State of Minnesota.

ARTICLE II
Representations

Section 2.1. Representations by the City. The City makes the following representations as the basis for the undertaking on its part herein contained:

(a) The City is a statutory city duly organized and existing under the laws of the State. Under State law, the City has the power to enter into this Agreement and to perform its obligations hereunder.

Section 2.2. Representations by the Developer. The Developer represents that:

(a) The Developer is a corporation duly organized and authorized to transact business in the State, is not in violation of any provisions of its Bylaws or the laws of the State, has power to enter into this Agreement and has duly authorized the execution, delivery and performance of this Agreement by proper action of its Board of Directors.

ARTICLE III
Deferred Charges, Payment and Security

Section 3.1. Deferred Charges. The Developer owes to the City the sum of **$ 6,071.00** in deferred utility charges ("Deferred Charges"). The Deferred Charges consist of **$ 2,692.00** in Water Availability Charges and **$ 3,379.00** in Sewer Availability Charges. The City has agreed to defer the payment of the Deferred Charges as described in this Agreement.

Section 3.2. Payment of the Deferred Charges. The Developer covenants and agrees that it will pay the Deferred Charges to the City on the earliest to occur of the following:

(a) on the date that is one hundred and twenty (120) days after the date of this Agreement;

(b) on the date that the Developer sells or transfers the Property or Improvements, or any portion thereof; or

(c) on the date that the City issues a certificate of occupancy for the Improvements.

Interest shall accrue on the Deferred Charges at the rate of zero percent (0%) from the date hereof and continuing until the Deferred Charges and all accrued interest have been paid in full.

Section 3.3. Payment of Costs.

(a) The Developer shall pay all costs for title work and recording of this Agreement.

(b) The Developer shall pay all costs incurred by the City in connection with the preparation and implementation of this Agreement and related documents, including, without limitation, fees of attorneys related the preparation of this Agreement and related documents, if the Developer fails to complete construction of the Improvements within one hundred and twenty (120) days after the date of this Agreement.

Section 3.4 Security. As security for Developer's obligation of repayment of the Deferred Charges and Costs identified in Sections 3.1 and 3.3, Developer hereby grants and the City shall and hereby does have, a lien on the Property in the full amount necessary to satisfy any repayment obligation of the fees and charges identified in Sections 3.1 and 3.3 under this Agreement and the cost including reasonable attorney's fees, of collecting the same.

Section 3.5 Notice. At least 10 days before the date of any sale, cash out refinance, transfer or other conveyance of the Property or, in the event of a sale by contract for deed, Developer or their heirs, executors or representatives, shall give the City notice thereof.

Section 3.6 Mortgage. To secure any such repayment of the Deferred Charges under Section 3.1 and 3.3 as may become due under the provisions of this Article, the Developer hereby

grants to the City a Statutory Short Form Mortgage pursuant to the provisions of Minnesota Statutes Section 507.15 (2016) as follows:

UNIFORM SHORT FORM MORTGAGE

This statutory mortgage, made this ___ day of _____, 2020 between the City of Isanti, a Minnesota Municipal having its principal office at 110 First Avenue N.W. PO Box 428, Isanti, Minnesota 55040 (the "Mortgagor"), and J Robinson Construction, Inc., a corporation under the laws of the State of Minnesota having its principal office at 27178 Tamarack St NW, Isanti, MN 55040 (the "Mortgagee"),

Witnesseth, that to secure the payment of the Deferred Charges by the Mortgagee to the Mortgagor of $6,071.00 as described in Article 3 of this Agreement (the "Indebtedness") the Mortgagor, hereby mortgages to the mortgagee and grants a security interest in the real property located at 205 9th Ave SE, in the City of Isanti, Isanti County, Minnesota, as legally described and set forth in "Schedule A" attached hereto and made a part hereof ("Property"), subject only to any liens or encumbrances of record thereon as of the date hereof.

And Mortgagor agrees and covenants with the Mortgagee the following statutory covenants;

1. To warrant the title to the Property, subject only to prior encumbrances of record as of the date hereof.
2. To pay the indebtedness as herein provided.
3. To pay all taxes.
4. To keep the buildings located on the Property insured against fire, windstorm and extended coverage for their full insurable value for the protection of the Mortgagee.
5. That the Property shall be kept in repair and no waste shall be committed.
6. That the whole of the principal sum shall become due after default, in the payment of any installment of principal or interest, or of any tax, or in the performance of any other covenant, at the option of the Mortgagee.

If default be made in any payment or covenant herein, the mortgagee shall have the statutory power of sale, and on foreclosure may retain statutory costs and attorney's fees.

Section 3.7. In the event Mortgagor or their heirs, executors or representatives shall fail or refuse to make a required repayment of the Indebtedness within the limited period set forth herein, the Mortgagee may, with or without notice to Mortgagor foreclose said lien in the same manner as provided pursuant an action for the foreclosure of mortgage upon said Property, as by statute provided, or may at its option proceed with foreclosure by advertisement pursuant to the statutory power of sale which the Mortgagor grants to the Mortgagee provided under this Mortgage, in accordance with applicable law. In the event of default by Mortgagor on any of Mortgagor's obligations under the terms of this Mortgage, Mortgagee shall also have the right to pursue any remedy available to it at law or in equity.

ARTICLE IV
Events of Default

Section 4.1. Events of Default Defined. The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean, whenever it is used in this Agreement (unless the context otherwise provides), any one or more of the following events:

(a) Failure by the Developer to pay when due any payments required to be paid under this Agreement.

(b) The Developer of the following: (i) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under United States Bankruptcy Laws or any similar Federal or State Laws; or (ii) make an assignment for the benefit of its creditors; or (iii) admits, in writing, its inability to pay its debts generally as they become due; or (iv) be adjudicated, bankrupt or insolvent.

Section 4.2. City's Remedies on Default. Whenever any Event of Default by Developer referred to in Section 4.1 of this Agreement occurs, the City may take any one or more of the following actions after providing ten (10) days written notice to the Developer of the Event of Default, but only if the Event of Default has not been cured within said ten (10) days:

(a) Declare the entire outstanding balance of the Deferred Charges immediately due and payable;

(b) Terminate this Agreement;

(c) Deny issuance of certificates of occupancy or temporary certificates of occupancy;

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the City to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the Developer under this Agreement, including the remedies provided under Article 3.

Section 4.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or Developer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in this Article IV.

Section 4.4. No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other

party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5. Costs of Enforcement. Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten (10) days of written demand by the City, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6. Certificate of Occupancy. The City may deny a certificate of occupancy or temporary certificate of occupancy for the Property until all amounts owed to the City under the terms of this Agreement have been paid by Developer.

ARTICLE V
Additional Provisions

Section 5.1. Representatives Not Individually Liable. No member, official, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach or for any amount which may become due to Developer or successor in interest or on any obligations under the terms of this Agreement.

Section 5.2. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of the Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 5.3. Notices and Demands. Except as otherwise expressly provided in this Agreement, a notice, demand, or other communication under the Agreement by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally; and

(a) in the case of the Developer, is addressed to or delivered personally to J Robinson Construction, Inc. 27178 Tamarack St NW, Isanti, MN 55040; and

(b) in the case of the City, is addressed to or delivered personally to the City at 110 First Avenue N.W., P.O. Box 428, Isanti, Minnesota 55040,

or at such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided in this Section.

Section 5.4. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the City or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the City and the Developer or any third party.

Section 5.5. Release. Upon payment of all fees and charges under Article III in accordance with the provisions of this Agreement, the City will furnish Developer with a Release of Mortgage for the Property within a reasonable period of time following the request. Developer shall be responsible for recording the Release of Mortgage.

Section 5.6. Modifications. This Agreement may be modified solely through written amendments hereto executed by the Developer and the City.

Section 5.7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 5.8. Judicial Interpretation. Should any provision of this Agreement require judicial interpretation, the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party who itself or through its agent or attorney prepared the same, it being agreed that the agents and attorneys of both parties have participated in the preparation hereof.

Section 5.9. Run with the Land. This Agreement may be recorded against the Property and shall run with the aforesaid Property and shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, executors, representatives, successors and assigns.

IN WITNESS WHEREOF, the City has caused this Agreement to be duly executed in its name and behalf and the Developer has caused this Agreement to be duly executed in its name and behalf on or as of the date first above written.

RE: Award Recommendation – 2020 6th Avenue SW Rehabilitation
City of Isanti, Minnesota
BMI Project No. R13.120122

Honorable Mayor Johnson and Members of the City Council:

Sevem bids were received on the 2020 6th Avenue SW Rehabilitation Project on April 14, 2020. The bids were checked and tabulated and the final results are summarized as follows:

Bidder	Bid
ASTECH Corporation	$538,044.14
Meyer Contracting Inc	$560,466.92
Dresel Contracting Inc	$567,644.02
Jones Construction Services	$569,072.75
C&L Excavating Inc	$597,455.75
Kuechle Underground	$635,475.10
J.R. Ferche, Inc	$812,125.25
Engineer's Estimate	*$472,618.50*

ASTECH's bid is within the anticipated budget. We recommend award of this project to ASTECH Corporation in the amount of $538,044.14.

If you have any questions, please contact me.

Sincerely,

BOLTON & MENK, INC.

RESOLUTION 2020-XXX

AWARDING THE BID FOR THE 2020 6TH AVENUE SW REHABILITATION PROJECT

WHEREAS, the City has planned for the 2020 6th Avenue SW Rehabilitation Project; and,

WHEREAS, the plans and specifications have been completed for these improvements; and,

WHEREAS, the funding for this project is, in part, planned to use State Aid funds, and special assessments following the MS 429 process; and,

WHEREAS, a public bid opening was held on April 14th, 2020; and,

WHEREAS, seven bids were received; and,

WHEREAS, ASTECH Corporation was the responsible low bidder with a bid of $538,044.14; and,

WHEREAS, this bid price is within the anticipated budget;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1) That the City shall award the project entitled "2020 6th Avenue SW Rehabilitation" to ASTECH Corporation in the amount of $538,044.14.

2) Funding for the project shall come from Municipal State Aid funds, Special Assessments, and the Water Utility Fund.

This resolution was duly approved by the Isanti City Council this 21st day of April, 2020.

MEMORANDUM

Date: April 14, 2020
To: Honorable Mayor Johnson and Members of the City Council
City of Isanti
From: Jason W Cook, P.E.
City Engineer
Subject: Resolution for Municipal State Aid Funds Advancement
Isanti, Minnesota
BMI Project No: R13.120122

In order for the Finance Department of the Mn/DOT Municipal State Aid System (MSAS) to release our previously approved use of MSAS funds, a resolution must be passed requesting the State-Aid advancement. This will release funds to reimburse the City for the 2020 6th Avenue SW Rehabilitation project. $582,701.18 of the $664,539.10 total proposed project cost is eligible for MSAS funding.

We recommend approval of the attached resolution requesting the State Aid advancement of $582,701.18.

If you have any questions concerning the proposed funding feel free to contact me prior to the meeting.

JWC

Bolton & Menk is an equal opportunity employer.

RESOLUTION 2020-XXX

REQUESTING ADVANCEMENT OF MUNICIPAL STATE AID FUNDS

WHEREAS, the City of Isanti has implemented Municipal State Aid Projects in 2020 which require State Aid funds in excess of those available in its Municipal Account, and

WHEREAS, said City is prepared to pay for the construction of said projects through the use of an advance from the Municipal State Aid Construction Fund to supplement the available funds in their Municipal State-Aid Construction Account, and

WHEREAS, the advance is based on the following determination of estimated expenditures:

	Total Project Cost	**State Aid Eligible**	**Total City Cost**
2020 6th Avenue SW Rehabilitation	**$664,539.10**	**$582,701.18**	**$81,837.92**

Account Balance as of date 4/14/2020	($52,690.46)
Estimated Eligible Expenditures:	
Project #245-116-001– 2020 6th Avenue SW Rehabilitation	($582,701.18)
Total Amount Currently Available for Advance	$1,054,974.54
Advance Amount Requested	$582,701.18

WHEREAS, repayment of the funds so advanced will be made in accordance with the provisions of Minnesota Statutes 162.08, Subd. 5 & 7 and Minnesota Rules, Chapter 8820, and

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City Of Isanti, Minnesota:

1. That the Commissioner of Transportation be and is hereby requested to approve this advance for financing approved Municipal State Aid Highway Project(s) of the City of Isanti in an amount up to $468,934.44 in accordance with Minnesota Rules 8820.1500, Subp. 9.

2. The City Council authorizes repayments from subsequent accruals to the Municipal Account of said City from future year allocations until fully repaid.

This resolution was duly adopted by the Isanti City Council this 21st day of April, 2020.

RESOLUTION 2020-XXX

APPROVING SPECIAL EVENT PERMIT REVISED DATES

WHEREAS, due to Covid-19 mitigation measures, events are being delaying; and,

WHEREAS, Special Event Permits have been approved by City Council by Resolution which states the specifics regarding the events including the dates; and,

WHEREAS, Council will allow for the date to change on all Special Event Permits which were approved without going back to Council if Staff agrees that the new date would not change any logistics approved by Council;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve that staff has the authority to approve a revised Special Event Permit that has been approved by City Council if a date change is requested due to Covid-19.

Adopted by the Isanti City Council this 21st day of April, 2020.

RESOLUTION 2020-XXX

ACCEPTING DONATION OF LIGHTING IMPROVEMENT AT THE POLICE DEPARTMENT

WHEREAS, MN Statute 465.03 requires that cities accept donations for the benefit of its citizens in accordance with the terms prescribed by the donor; and,

WHEREAS, Wolf River Electric approached the city to donate materials and labor to upgrade the Police Department squad room lighting; and,

WHEREAS, the total monetary value of the donation is $3146.84; and,

WHEREAS, Wolf River Electric will provide and install lighting in compliance with State Code; and,

WHEREAS, Wolf River Electric will supply the city with liability insurance certificate upon request; and,

WHEREAS, Wolf River Electric may use the installation for its marketing purposes in the future;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to accept the lighting upgrade donation from Wolf River Electric.

This Resolution is hereby approved by the Isanti City Council this 21st day of April, 2020.

MEMORANDUM

Date: April 15, 2020

To: Honorable Mayor Johnson and Members of the City Council

From: Jason W. Cook, P.E.
City Engineer

Subject: Project Status Report
Isanti, MN
Project No.: R13.120117

Please find listed below a status report of the current projects in the City of Isanti:

1) TH 65 & Cajima Street RCUT Improvements

A preconstruction meeting was held on April 15, 2020, with construction planned to begin at the end of April.

2) 6th Avenue Rehabilitation

Bids were opened on April 14, 2020. Seven bids were received. We will bring an award recommendation to the April 21, 2020 Council meeting.

3) 2020 Pavement Management Project

A preconstruction meeting will be held this month.

4) 2020 Storm System Management Project

The majority of this project has been completed in the past month. Minor remaining items will be completed in the coming weeks.

5) Legacy Pines 2nd Addition

This project has been authorized and is scheduled to be completed in 2020.

6) MS4 Implementation

We will continue to assist the City as requested to meet MS4 requirements.

In addition to the current projects listed above we have completed and accepted 55 private developments and 76 city contracts since being selected as your City Engineer in 2008.

Please contact me if you have any questions.

Bolton & Menk is an equal opportunity employer.

Motion by Collison, second by Bergley to approve minutes as presented. Motion passed 5-0.

H. Announcements

1.	City Council Meeting	Tuesday, May 5, 2020 at 7:00 p.m.
2.	EDA Meeting	Tuesday, May 5, 2020 *(Following the City Council Meeting)*
3.	Park Rec and Culture Board	Tuesday April 28th - *Cancelled*

I. Council Committee Reports
Councilmember Steve Lundeen shared that he attended the Fire District meeting last Wednesday and he is now the chair of the Fire District. Lundeen continued to share that the Fire District has been in discussion to get Oxford Township on board with the Joint Powers Agreement changes. Lundeen further shared that the hang up is that Oxford wants to raise the hours of charge from 8 hours to 10 hours and as of right now for the month of April calls are not being charged and if the Fire District would have been able to charge for those calls it would have been covered by now. Lundeen stated that he motioned to move forward with 10-hour charge rather than 8 so hopefully the Joint Powers Agreement will get somewhere.

Mayor Johnson asked Councilmember Collison if he has been to BMX Committee meetings.

Councilmember Collison responded he has not.

Councilmember Jimmy Gordon shared that nothing is going on with Park Recreation and Culture Board and the last meeting was cancelled and the upcoming meeting will probably be cancelled.

City Administrator Josi Wood shared that Rum River BMX were informed from the USA BMX that the National event in May will be postponed. Wood shared that another date has not been chosen, but the event has been postponed.

J. Public Hearings

None

K. Business Items

1.a. Rock Barrier at Unity Park Discussion

Mayor Jeff Johnson shared that the Fire District is looking to move rocks to park cars at Unity Park for the Rodeo grounds.

Councilmember Jimmy Gordon stated that if 4 rocks could be moved out of there then it would open it up for two lanes of traffic.

Councilmember Steve Lundeen stated that he had been assured by Fire Chief Al Jankovich that the Fire Department would do whatever they got to do to try and make something work such as resod, reseed and put down black dirt.

Councilmember Collison asked if the Fire Department is willing to put back what they take out.

Lundeen stated absolutely.

Johnson stated that he has also spoke with Chief Jankovich and he is willing to do whatever he has to do to make it work between the City and the Rodeo.

Wood stated that two representatives from the Fire District were on the phone.

Jason Polzin and Eric Kvamme both stated that they were in attendance virtually.

Jason Polzin shared that he has spoken with Jimmy Gordon as well as Al Jankovich and he agrees that if the rocks are moved it would make it easier to get trucks in and out of the softball field. Eric further shared that it was suggested to drive between the boulders but that is where the pedestrians walk and the Fire District was trying to do this safer.

Gordon stated that he tried to make that turn with his truck and the turn is difficult with a larger vehicle so in order to make that happen 4 rocks would need to be moved at the beginning from the North end of the rocks and then 3 rocks from where the port-a-potty pad which would give a straight shot into the softball field with two lanes.

Johnson stated that he would like to go to the site location with Public Services Director Matt Sylvester and Eric or Jason to point out what is needed and bring back to City Council.

Collison stated that he did not think it needed to be brought back to City Council.

Lundeen agreed that it would not need to be brought back to City Council.

Collison asked if City Council could vote for Mayor Johnson and Public Services Director Matt Sylvester can make the determination.

Wood stated if Mayor Johnson and Public Services Director Matt Sylvester go out and make the determination and make the recommendation to the Fire District that the Fire District will need to turn in a Special Event Permit and the best place to vote on it would be part of their permit because it would be in resolution and in the application as a formal request. Wood further shared that City Council votes on Special Event Permits as a business item. If Council wanted to approve the permit as written Council would do so or if City Council wanted to approve the Special Event permit with modifications council would have the chance then.

Gordon stated that they are looking for how to fill the permit out.

Johnson offered if firefighters Jason and/or Eric were available the following day, they can tell Matt Sylvester and himself what they want and apply for a permit.

Johnson asked if 9:00 a.m. would work for Eric and Jason.

Eric stated 9:00 a.m. would work.

Wood stated that the Public Services Director Matt Sylvester may be out in the morning.

Johnson asked Public Services Director Matt Sylvester if 9:00 a.m. would work.

Sylvester stated that 9:00 a.m. would work.

Johnson stated he and Sylvester would meet Eric and Jason at 9:00 a.m. Wednesday, April 22nd, 2020.

1. Update Regarding Clean-Up Day and Compost Site *(Administrator Wood)*
   City Administrator Josi Wood shared that she wanted to update the City Council and the public that at the last City Council meeting there was discussion on keeping the Compost Site and Clean-Up Day open and available for residents. Wood continued to share that in that discussion as long as Governor Walz did not extend the stay at home order. Wood continued to share that the Governor did extend the stay at home order, however, there were modifications to the order that would allow for landscaping and she had reached out to the critical sector as they are the ones that get to make the determination of what does get to be open during the stay at home order and they said that the Compost Site and the Clean-Up Day to take safety precautions however, the City of Isanti can have those open.

2. **Resolution 2020-085** Accepting the 2019 Annual Financial Report and Management Letter
   A recorded video presentation by Steve McDonald from Abdo Eick & Meyers was shared regarding the 2019 Financial Statement Audit as well as financial highlights. McDonald shared that there were no findings of any instances for noncompliance with testing. McDonald continued to share that there had been one finding during the internal control finding which has been consistent in previous years.

   McDonald shared that the City has a target of maintaining a reserve of 50% of which the city plans to spend in the following years and currently the city is at 31% which is below recommended minimums. McDonald continued to share that generally it is seen to be 35% to 50% being the target and even though it is below that number there is still adequate cash flow to fund the first 5 months but not much there for out of the ordinary expenses. McDonald further shared that the General Fund balance went backwards $147,000 and the city had planned for a decrease of $598,000 when the 2019 budget was approved.

McDonald stated the uniqueness of the 2019 budget is that there was over $500,000 planned in use of reserves.

McDonald continued with the Enterprise Fund, made up of the Water, Sewer, Storm Water, and Liquor Funds. McDonald shared that both the water and sewer funds have healthy cash balances and good operating margins. McDonald continued to share that storm water has had an increase in cash balances for 4 years, an ending balance of $376,000 and operating margins that are positive. McDonald stated the liquor fund sales have increased for the last 3 years and the gross profit is healthy compared to statewide averages at almost 27% with consistent cash balances with decent profitability.

McDonald went on to share that taxes have shown consistent decreases for the last 3 years and is now trending lower than the county averages and approaching the statewide averages. McDonald continued to share that taxes per capita have been consistent with years presented but did decrease in 2019 with current expenditures per capita have been consistent except for 2018 where the business subsidy was done. McDonald further shared that capital expenditures per capita have bounced around a little with trending down for the last 3 years.

Motion by Lundeen, second by Collison to approve the resolution as presented. Motion passed 5-0. Motion carried.

City Administrator Josi Wood

3. **Resolution 2020-086** Approving a Memorandum of Understanding Between the City of Isanti and Independent School District No. 911 for the School Resource Officer Program

City Administrator Josi Wood shared that Superintendent Nate Rudolph reached out to her and requested that with school not in session and remoting in to have the school resource officer program suspended for the remainder of the school year effective April 1st, 2020. Wood continued to share that the Rudolph has the intent to keep the program going beginning next year but has asked to not incur the cost due to not needing the resource officer in the building. Wood further shared that the attorney did draft the MOU and Rudolph has already reviewed it as well as the School Districts Finance Director and they do agree that this is what they are requesting. Wood went on to share it has to go to the school board too.

Councilmember Bergley asked if the School Resource Officer is Full-Time. Mayor Johnson confirmed that the School Resource Officer is Full-Time.

Wood stated that the School Resource Officer is Full-Time in the schools, but the City does carry his insurance and he does work shifts when school is not in session such as Summer and Spring Breaks, etc. Wood further stated this agreement has been in place for about a year.

Gordon asked if the City would continue to pay his salary.

Wood shared that he is put back into rotation as a Patrol Officer along with the other officers.

Motion by Lundeen, second by Gordon to approve resolution as presented. Motion passed 5-0. Motion carried.

L. Approve Consent Agenda

1. Consider Accounts Payable in the Amount of $453,861.03 Payroll in the Amount of $101,235.86
2. **Resolution 2020-087** Approving Donation Box at Liquor Store
3. **Resolution 2020-088** Approving the Hire of Part-Time Public Works Seasonal Joel Bazey
4. **Resolution 2020-089** Adopting Purchasing and Fuel Card Policy and Authorizing Staff to Enter into a Business Credit Card Program
5. **Resolution 2020-090** Authorization and Execution of Repayment Agreement on Lot 4, Block 1, Sun Prairie Fourth Addition with J Robinson Construction, Inc
6. **Resolution 2020-091** Authorization and Execution of Repayment Agreement on Lot 5, Block 1, Sun Prairie Fourth Addition with J Robinson Construction, Inc

Motion to adjourn by Bergley, second by Lundeen. Motion passed 5-0. Motion carried. The meeting was adjourned at 7:40 p.m.

Respectfully Submitted,

Jaden Moore

Jaden Moore

Deputy City Clerk/ Human Resources

CITY OF ISANTI
PLANNING COMMISSION
MEETING MINUTES
MARCH 17, 2020

1. Meeting Opening.

A. Call to Order.

Chairman Johnson called the meeting to order at 7:39 p.m.

B. Pledge of Allegiance.

The Pledge of Allegiance was recited.

C. Roll Call.

Members Present: Jeff Johnson, Paul Bergley, Jimmy Gordon, Alexander Collins, Steve Lundeen and Aryssa Simon.

Members Absent: Dan Collison

Staff Present: City Clerk/Human Resources Katie Brooks, Assistant City Administrator / Special Projects Don Lorsung

Others Present: None.

D. Agenda Modifications.

Lorsung stated there were none. Motion by Lundeen, seconded by Bergley to adopt the agenda. Motion passed 6-0.

2. Approval of Minutes.

Motion by Simon, second by Bergley to approve the February 18, 2020 Planning Commission Meeting Minutes. Motion passed 6-0.

3. Public Hearings

A. Consider Adoption of the 2020 Comprehensive Plan Update

Lorsung presented draft copies of the plan to the Commission to review. He then presented a PowerPoint on the 2020 Comprehensive Plan Update that summarized the plan and also presented the draft 2020 Future Land Use Map. Bergley asked for clarification on location of new areas guided for industrial development. Chairman Johnson opened the Public Hearing at 7:48 p.m. There were no comments presented at the Public Hearing. Chairman Johnson closed the Public Hearing at 7:49 p.m. Bergley and Johnson expressed gratitude for staff work on the comprehensive plan update.

Motion by Lundeen, seconded by Bergley to approve adoption of the 2020 Comprehensive Plan Update. Motion passed 6-0.

4. Other Business.

A. Appointing Secretary due to resignation

Lorsung overviewed a memo prepared by Community Development Director Sheila Sellman and clarified her recommendation that the Community Development Director or their designee shall be officially appointed Secretary to the Planning Commission. That way the Community Development Director would have the flexibility to serve or have their designee perform the functions of Secretary.

After further discussion a motion was made Lundeen, seconded by Gordon to appoint the Community Development Director or their Designee as Secretary of the Planning Commission. Motion carried 6-0.

5. Discussion Items

A. Development of land

Chairmain Johnson asked which board should discuss development of a parcel of land on the east side of Highway 65. After discussion, staff recommended that conversation regarding that parcel should start with the Economic Development Authority.

6. Other Communications.

A. None.

7. Adjournment

Motion by Bergley second by Lundeen to adjourn the March 17, 2020 meeting of the Planning Commission. Motion was unanimously approved.

The meeting adjourned at 7:52 p.m.

Respectfully submitted,

_____

Don Lorsung
Assistant City Administrator/Special Projects

Memo for Council Action

K.1.

To: **Mayor Johnson and Members of the City Council**
From: Jenny Garvey - Parks, Recreation, and Culture Manager
Date: May 5, 2020
Subject: Resolution 2020-XXX Approving a Special Event Permit Request for the Cambridge-Isanti School District Senior Graduation Parade

---

Background

City staff has submitted a special event permit application to conduct a parade for Cambridge-Isanti School District seniors for graduation. The event will take place on Friday June 5th. This event will start in the City of Cambridge at 5:00 p.m. and enter into the City of Isanti on 3rd Ave at approximately 5:45 p.m.

The parade route will follow the attached route plan (subject to change), as in a similar way that the Jubilee Days Parade. The City of Isanti Police Department will assist with road crossings and Public Works will assist with clean up along the parade route after the event. No road closures or parking restrictions are being requested.

The approximate attendance in spectators is 2,000, and the number of vehicles in the parade to be approximately 200. The spectators along the route will have to follow the social distancing guidelines that are in place.

We will not have restrooms, a public address system, live entertainment, tents and tickets will not be sold for this event.

The complete application, along with the proposed parade route plan, as well as departmental review are attached.

This event is contingent upon the Cambridge-Isanti School Board and the City of Cambridge for approval.

Staff Request

City staff is requesting approval of the Cambridge-Isanti School District Senior Graduation Parade Special Event Permit application and attachments.

RESOLUTION 2020-XXX

APPROVING A SPECIAL EVENT PERMIT APPLICATION FOR A CAMBRIDGE-ISANTI SCHOOL DISTRICT SENIOR GRADUATION PARADE

WHEREAS, the City of Isanti has submitted a Special Event application requesting a permit to host a parade for Cambridge-Isanti (C-I) School District Seniors; and,

WHEREAS, a parade is scheduled to take place Friday, June 5 and will start in the City of Cambridge at 5:00 p.m. and will proceed to the City of Isanti; and,

WHEREAS, the parade will start in the City of Isanti at approximately at 5:45pm and end approximately at 7:45pm; and,

WHEREAS, the parade will enter the City of Isanti via 3rd Ave and will proceed through the city and end on Richard Ave, similar to the Jubilee parade route and a route map is included in the application and subject to change; and,

WHEREAS, the estimated number of parade vehicles to be in attendance is 200; and,

WHEREAS, the estimated number of people to be in attendance along the route for the parade is 2,000; and,

WHEREAS, the applicant will not be required to provide restrooms for the event; and,

WHEREAS, the City of Isanti is requesting Police assistance for traffic control; and,

WHEREAS, no public addressing systems or live entertainment will be utilized during the event; and,

WHEREAS, the $100 clean-up deposit fee is waived; and,

WHEREAS, no posting of temporary signage is being requested;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota to hereby approve the special event permit application for C-I School District Senior Graduation Parade.

AND FURTHERMORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that this Resolution is hereby the "Permit" for the above stated Special Event.

This resolution was duly adopted by the Isanti City Council this 5th day of May 2020.

Attest: _____
Mayor Jeff Johnson

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: May 5, 2020
Subject: Resolution 2020-XXX Approving a Conditional Use Permit – 1321 Heritage Blvd

---

Background:
The applicant, Tibetan American Foundation of Minnesota (TAFM), is requesting a Conditional Use Permit (CUP) for a Religious Institution at 1321 Heritage Blvd.

Overview/Background:
In the B-2, General Business District zoning district Religious Institution requires a Conditional Use Permit (CUP). Spirt River Church previously occupied the space and did not have a CUP, therefore TAFM needs one. If Spirit River had one it would just transfer, since CUP's run with the land, but for whatever reason there isn't one recorded for this property.

Analysis of Application:
The Planning Commission shall hold a public hearing and consider possible adverse effects of the proposed Conditional Use. The judgment of the Planning Commission shall be based upon, but is not limited to the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
   The subject property is not serviced by city sewer and water.

2. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district. *Religious Institutions are a Conditional Use in the B-2 zoning district, applying for the CUP meets the purpose and intent.*

3. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort. *The establishment will not be detrimental or endanger the public. The site has historically been used as a religious institution or gathering place.*

4. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood. *The use is a continuation of what has been there and will not diminish or impair property values.*

5. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district. *The conditional use will not impede on the normal and orderly development and improvement of surrounding property.*

6. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed. *The site is not served by City sewer and water and is not planned to be in the near future.*

7. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located. *The use meets this requirement.*

8. The conditional use complies with the general and specific performance standards as specified by within this Article. *The use meets this requirement.*

Recommendations:
The Planning Commission held a public hearing on April 21, 2020 the applicant attended virtually and was able to answer any questions. No one spoke in opposition. The Planning Commission unanimously recommends approval with the condition that the parking lot be fixed within one year.

Staff also recommends approval of the Conditional Use Permit with the Planning Commissions condition to fix the parking lot. The site has historically been used as a religious institution/gathering space.

RESOLUTION 2020-XXX

APPROVING THE CONDITIONAL USE PERMIT APPLICATION TO OPERATE A RELIGIOUS INSTITUTION AT 1321 HERTIAGE BLVD NE

WHEREAS, Tibetan American Foundation of American (applicant) has requested a Conditional Use Permit approval for the operation of Religious Institution Avenue NE Suite A3 in the City of Isanti (PID 16.132.0040); and,

WHEREAS, the property is located within the "B-2" General Business District, of which requires a Conditional Use Permit to operate an Institutional Use; and,

WHEREAS, the City of Isanti Planning Commission conducted a public hearing on the proposed Conditional Use Permit on April 21, 2020 and recommended approval;

NOW, THEREFORE, IT IS HEREBY RESOLVED, by the City Council of the City of Isanti, Minnesota that it adopts the Findings of Fact and Conclusion related to the requested Conditional Use Permit, and that the requested Conditional Use Permit for a Religious Institution located at 1321 Heritage Blvd NE, is hereby approved with the following conditions:

1) The parking lot be repaired within one year of approval.

This resolution was duly adopted by the Isanti City Council this 5th day of May, 2020

FINDINGS OF FACT AND CONCLUSION

Request

Request from Tibetan American Foundation of Minnesota for a Conditional Use Permit to operate a Religious Institution at the property located at 1321 Heritage Blvd, in the City of Isanti.

Findings of Fact

1. The applicant is requesting approval of a Conditional Use Permit for the property described under 'Request.'
2. The property is zoned "B-2" General Business District.
3. A public hearing on the matter was scheduled before the City of Isanti Planning Commission on April 21, 2020 at 7:30 p.m. at City Hall within the City Council Chambers Virtually.
4. Notice of the Conditional Use Permit application was published with the *County Star* on April 6, 2020. Notices were sent to all property owners located within 350 feet of the aforementioned address.
5. Section 21, Article 2: Conditional Use Permits, Subdivision 3(D) of the Zoning Ordinance establishes factors that the judgement of the Planning Commission shall be based upon when reviewing a Conditional Use Permit request as well as Section 21, Article 2: Conditional Use Permits, Subdivision 4 General Performance Standards of the Zoning Ordinance establishes additional general standards that shall be used to evaluate any proposed Conditional Use Permit request.

Conclusions

1. In review of the standards established in Section 21, Article 2, Conditional Use (D); the following conclusions have been made (*conclusions to each requirement are shown in italics):*

   A. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the goals and objectives of the Comprehensive Plan, including public facilities and capital improvement plans.
      a. The subject property is not serviced by city sewer and water.

   B. The proposed action meets the purpose and intent of this Ordinance and the underlying zoning district. *Religious Institutions are a Conditional Use in the B-2 zoning district, applying for the CUP meets the purpose and intent.*

   C. The establishment, maintenance or operation of the conditional use will promote and enhance the general public welfare and will not be detrimental or endanger the public health, safety, morals, or comfort. *The establishment will not be detrimental or endanger the public. The site has historically been used as a religious institution or gathering place.*

D. The conditional use will not be injurious to the use and enjoyment of other property within the immediate vicinity for the purposes already permitted; nor substantially diminish or impair property values within the neighborhood. *The use is a continuation of what has been there and will not diminish or impair property values.*

E. The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district. *The conditional use will not impede on the normal and orderly development and improvement of surrounding property.*

F. Adequate public facilities and services are available or can be reasonably provided to accommodate the use which is proposed. *The site is not served by City sewer and water and is not planned to be in the near future.*

G. The conditional use shall, in all other respects, conform to the applicable regulations of the district in which it is located. *The use meets this requirement.*

H. The conditional use complies with the general and specific performance standards as specified by within this Article. *The use meets this requirement.*

2. Section 21, Article 2, Subd. 4 addresses performance standards for Conditional Use Permit. The standards and staff responses *(italicized)* are below:

   A. The use and the site in question shall be served by a street of sufficient capacity to accommodate the type and volume of traffic which would be generated an adequate public right-of-way shall be provided.
   Staff believes that the existing street is of sufficient capacity to accommodate the type and volume of traffic as a result of this development.

   B. The site design for access and parking shall minimize internal as well as external traffic conflicts and shall be in compliance with Section 17 of this Ordinance.
   The proposed CUP will be in an existing building that already is designed for access and parking. All parking is met under Section 17 of this Ordinance.

   C. If applicable, a pedestrian circulation system shall be clearly defined and appropriate provisions made to protect such areas from encroachment by parked or moving vehicles.
   Parking for this development does not impact pedestrian circulation.

   D. Adequate off-street parking and off-street loading shall be provided in compliance with Section 17 of this Ordinance.
   Adequate off-street parking and off-street loading is provided in accordance with section 17 of this ordinance.

   E. Loading areas and drive-thru facilities shall be positioned so as to minimize internal site access problems and maneuvering conflicts, to avoid visual or noise impacts on any adjacent residential use or district, and provided in compliance with Section 17 of this Ordinance.

This section is met.

F. Whenever a non-residential use is adjacent to a residential use or district, a buffer area with screening and landscaping shall be provided in accordance with the provisions of Section 15 of this Ordinance.
This area is surrounded by residential uses. This section is met.

G. General site screening and landscaping shall be provided in compliance with Section 15 of this Ordinance.
The site is already developed. This section is met.

H. All exterior lighting shall be directed so as not to cast glare toward or onto the public right-of-way or neighboring residential uses or districts, and shall be in compliance with Section 14 of this Ordinance.
Existing lighting complies with our zoning code. This section is met.

I. The site drainage system shall be subject to the review and approval of the City Engineer.
This is an already developed site, existing stormwater management has been reviewed and approved.

J. The architectural appearance and functional design of the building and site shall not be so dissimilar to the existing and potential buildings and area so as to cause a blighting influence. All sides of the principal and accessory structures are to have essentially the same or coordinated, harmonious exterior finish materials and treatment.
The building already exists, and as such, is compliant with our zoning code.

K. Provisions shall be made for daily litter control, an interior location for recycling and trash handling and storage or an outdoor, enclosed receptacle area shall be provided in compliance with Section 14 of this Ordinance.
Existing garbage facilities will be used for trash and recycling purposes.

L. All signs and informational or visual communication devices shall be in compliance with Section 16 of this Ordinance.
The applicant will need to submit a sign permit for review and approval prior to any signage associated with this development being installed.

M. The use and site shall be in compliance with any federal, state, or county laws or regulations that are applicable and any related permits shall be obtained and documented to the City.
The applicant will be required to obtain all proper licensing from the City, State, County, and Federal Governments as deemed necessary.

N. Any applicable business licenses mandated by City Code are approved and obtained.
The applicant may be required to obtain proper licensing from the City, State, County, and Federal Government as deemed necessary.

O. The hours of operation may be restricted when there is judged to be an incompatibility with a residential use or district. *This requirement is met as proposed.*

P. The use complies with the applicable performance standards of the zoning district in which it is located and where applicable, any non-conformities shall be eliminated.
This use complies with the performance standards of the zoning district.

Q. Additional Stipulations. All conditions pertaining to a specific site are subject to change when the City Council, upon investigation in relation to a formal request, finds that the general public health, safety, and welfare, can be served as well or better by modifying or expanding the conditions set forth herein.
Any additional stipulations will be included in the Conditional Use Permit approved by the City Council.

Decision

The City of Isanti Planning Commission reviewed the request after a public hearing was held on April 21, 2020. The staff memo, and attachments shall be made part of the Findings of Fact and Conclusion.

Planning Commission Recommendation: Motion by Bergley, seconded by Lundeen to recommend approval of the Conditional Use Permit with conditions. Motion passed unanimously.

STATE OF MINNESOTA
COUNTY OF ISANTI
CITY OF ISANTI

ISANTI CITY COUNCIL
CONDITIONAL USE PROCEEDINGS

In the matter of a Religious Institution Use, for 1321 Heritage Blvd NE, Isanti Minnesota

Request: A Conditional Use Permit for a Religious Institution

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: May 5, 2020
Subject: Ordinance XXX An ordinance approving the amendment to Ordinance 445 (Zoning) The Official Zoning Map.

Background:

Request
The applicant Deann Bunes of Serenity Circle Counseling is requesting to rezone property located at 201 Main Street from R3-A Low Density Residential to B-1 Central Business District with D-1 Downtown Overlay to build a new office building. The R3-A district does not allow office buildings.

Overview/Background
The purpose of the Comprehensive Land Use Plan is to ensure the orderly growth and development of the city while maintaining a sound infrastructure and economy. The subject site has a Comprehensive Land Use designation of CBD, Central Business District. This land use designation identifies with commercial and retail uses in historic downtown. Development is regulated by the Comprehensive Land Use Plan (Comp Plan) and the Zoning Code. The Comp Plan pertains to the long-range plan for the site and the zoning code provides use and development requirements. Typically, the comp plan and zoning district should be the same or compatible. Rezoning the subject site would make achieve this. The site is suitable for an office building and is an extension of downtown.

Review of Amendment
When reviewing any zoning ordinance text amendment or zoning map change, the Planning Commission must consider and make findings based on the following factors, as provided within the Zoning Ordinance:

Section 21 Administration and Enforcement, Article 1: Text and Map states:
"D. The Planning Commission shall conduct a public hearing and report its findings and make recommendations to the City Council. The Planning Commission shall consider possible adverse effects of the proposed amendment. The judgement of the Planning Commission with regard to the application shall be based upon, but is not limited to, the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
3. There is adequate infrastructure available to service the proposed action.

4. There is adequate buffer or transition provided between potentially incompatible districts."

Staff Recommendation

Planning Commission held a public hearing on April 21, 2020 the applicant was available for questions. The Adjacent property owners asked if they were being rezoned as well and the commission stated that it was only for this parcel they will remain residential. The Planning Commission unanimously recommend approval. Staff recommends approval of the rezoning request.

ORDINANCE XXX
AN ORDINANCE APPROVING AN AMENDMENT TO ORDINANCE 445 (ZONING): THE OFFICIAL ZONING MAP

THE CITY OF ISANTI DOES ORDAIN:

WHEREAS, the proposed rezoning is consistent with Isanti Municipal Code (Zoning Code) Section 21, Article, subd. 4(d); and,

WHEREAS, the rezoning is consistent with the City's Comprehensive Land Use Plan; and,

WHEREAS, the Planning Commission held a public hearing on this matter at the April 21, 2020 meeting; and,

WHEREAS, the Planning Commission recommended approval of the rezoning for the described property in Exhibit A from R3-A Low Density Residential to B-1 Central Business District with D-1 Overlay;

NOW, THEREFOR, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota that the property legally described on Exhibit A attached hereto, subject to easements, restrictions and reservations of record, approve the re-zone request from R3-A Low Density Residential to B-1 Central Business with D-1 Overlay.

This resolution was duly adopted by the Isanti City Council this 5th day of May, 2020

Request for City Council Action

To: Mayor Johnson and Members of City Council
From: Sheila Sellman, Community Development Director
Date: May 5, 2020
Subject: Ordinance XXX An ordinance Amending Ordinance 445,Section 7, Article 1 to include commercial recreation as a conditional use.

Background:
Scott Boecker has requested an ordinance amendment to allow for Commercial Recreation in the Central Business District. He is specifically looking at a space downtown. The current ordinance does not allow commercial recreation in the B-1, Central Business District. The purpose of the "B-1" Central Business District (CBD) is to "promote mutually compatible business activities in downtown Isanti. What makes the Central Business District unique from the General Business District is that it is a commercial area that serves as a focal point both culturally and historically for the City of Isanti. Commercial uses, to include but are not limited to retail, office, and service uses; encourage and support pedestrian movement and activity within the Central Business District."

The applicant is requesting to add this use as a permitted use in the B-1 district, however the other business districts in town allow commercial recreation as a conditional use, therefore staff recommends if added, it should be a conditional use and because this amendment is not site specific it would apply to all of the B-1 district.

Specifically, the applicant is looking to open an indoor playground and fitness center for children. His indoor facility will offer playground structure, inflatables, climbing wall, obstacle course, toddler area and much more. The facility will have open play, birthday parties and fitness kid's classes.

Proposed Zoning Ordinance Amendment
Attached for Planning Commission review and recommendation is a draft ordinance amending Zoning Ordinance No. 445, Section 7, Article One, Subdivision 3; Conditional Uses; adding Commercial Recreation as a Conditional Use. The Planning Commission should discuss if added, whether or not this should be permitted or a CUP.

Review of Amendments
When reviewing any zoning ordinance text amendment or zoning map change, the Planning Commission must consider and make findings based on the following factors, as provided within the Zoning Ordinance:

Section 21 Administration and Enforcement, Article 1: Text and Map states:
"D. The Planning Commission shall conduct a public hearing and report its findings and make recommendations to the City Council. The Planning Commission shall consider possible adverse effects of the proposed amendment. The judgement of the Planning Commission

with regard to the application shall be based upon, but is not limited to, the following factors:

1. The proposed action has been considered in relation to the specific policies and provisions of and has been found to be consistent with the City Comprehensive Plan, including public facilities and capital improvement plans.
2. The proposed action meets the purpose and intent of this Ordinance or in the case of a map amendment; it meets the purpose and intent of the individual district.
3. There is adequate infrastructure available to service the proposed action.
4. There is adequate buffer or transition provided between potentially incompatible districts."

Recommendations

The Planning Commission held a public hearing regarding this matter on April 21, 2020. The applicant was available for questions. The Planning Commission recommends approval of the ordinance as written.

Staff Recommends also approval of the proposed text amendment to add commercial recreation to the B-1 (CBD) district as a Conditional Use.

RESOLUTION 2020-XXX

APPROVING THE OFFER FOR THE POSITION OF COMMUNITY DEVELOPMENT SPECIALIST TO RYAN SALTIS

WHEREAS, the City Council of Isanti is required to approve hiring of all employees; and,

WHEREAS, staff has selected and made a conditional offer of employment to Ryan Saltis as the most qualified candidate for the position; and,

WHEREAS, Ryan Saltis has successfully passed a background investigation and reference check required by the City of Isanti;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, as follows:

1. That Human Resources has offered the Community Development Specialist position to Ryan Saltis and that he is eligible to start in that position on May 11th, 2020.
2. That Ryan Saltis has successfully pass a background and reference check as required in the conditional offer.
3. That Ryan Staltis shall start at Step 1 of the wage scale at $51,828.00 annually, $24.92 hourly.
4. That Human Resources is directed to complete all required documentation for the completion of employment offer and place a copy of this resolution in the employee's personnel file for future reference.

This resolution is hereby approved by the City Council this 5th day of May, 2020.

Attest: _____ Mayor Jeff Johnson

RESOLUTION 2020-XXX

L.3.

OFFERING THE POSITION OF ADMINISTRATIVE ASSISTANT INTERNSHIP TO SARAH BJORK

WHEREAS, the City Council of the City of Isanti is required to approve all new employees; and,

WHEREAS, the City Council approved to fill a paid part-time Administrative Assistant Internship in the 2020 budget working 20-29 hours a week; and,

WHEREAS, current Administrative Assistant Intern, Sarah Bjork, was offered possible secondary internship duties as a Community Development Internship as the City of Isanti is not filling the position of Community Development Intern in 2020; and,

WHEREAS, this temporary internship position will not be eligible for PERA or health insurance benefits; and,

WHEREAS, the internships are within budget and will last until end of Summer/beginning of Fall and subject to passing a background investigation;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL of the City of Isanti, Minnesota as follows:

1. That Human Resources is hereby directed to offer the Administrative Assistant Internship to Sarah Bjork for the City of Isanti effective May 6, 2020 and later.
2. Sarah Bjork will perform duties assigned for the Administrative Assistant Internship and assist with some duties in Community Development department.
3. The wage for the Administrative Assistant Internship will be $14.00 per hour.
4. That Human Resources is directed to complete all additional documentation for the completion of the employment offer and successfully passing a background investigation.
5. That Human Resources is directed to forward an executed copy of this resolution to the employee and place a copy in the employee's personnel file for future reference.

This resolution was duly adopted by the Isanti City Council this 5th day of May, 2020.

MEMO for City Council

To: **Mayor Johnson and Members of the City Council**
From: Josi Wood, City Administrator
Date: May 5, 2020
Subject: Approving Request for Proposals for Position Classification and Compensation Study

---

Council approved a compensation study titled "comparative worth study" in the 2020 Budget. Staff has drafted a request for proposals (RFP) with the criteria and objectives that would meet the needs of the City.

A position classification and compensation study has not been completed and will give staff needed information including a classification system to standardize our points for all positions as well as the pay equity report and also to determine where Isanti compares to other municipalities and comparable entities for pay and benefits. Having this information will allow Isanti to compile information to determine longevity and retention of highly skilled staff.

Recommendation:
Staff is recommending approval of the RFP as written to post on May 6th with a due date of May 26th.

JOB POSITION TITLES BY DEPARTMENT.....9

I. GENERAL INFORMATION AND CONDITIONS

I. The City of Isanti is accepting proposals for professional services for the development and implementation of a job evaluation and compensation study of the current position descriptions, classifications, equity, compensation, and evaluation process for its employees.

II. The goal is to comprise a complete plan and process development including:

- Evaluating each position utilizing an up to date job description.
- Provide salaries commensurate with assigned duties.
- Attract and retain qualified employees.
- Creating opportunity for management and employee input through utilizing key participants.
- Compile and analyze market comparable and competitive data.
- Ensure regulatory compliance.
- Draft new design according to City philosophy.
- Create a transition and implementation plan.
- Provide necessary tools to manage plan going forward.

III. It is expected that the Consultant will furnish detailed data informational material for all affected positions.

IV. It is the City's desire to present findings and recommendation of any necessary changes to members of the City Council. Please outline your requirements for presentation, timing, and fee structure. A representative may be expected to provide or assist in conducting these informational meetings, if deemed necessary.

V. Minor revisions to original proposals, if requested by the City, may be negotiated following the proposal deadline and prior to being submitted to the Council for approval.

VI. All proposals must comply with Federal and State regulations pertaining to compensation standards, including but not limited to pay equity legislation, ADA, and FLSA.

VII. Your proposal will be accepted until 4:30 p.m. on **May 26, 2020** in the office of the following: City of Isanti, Attention: Josi Wood, 110 1st Ave NW, PO Box 428. Your original proposal should be mailed and a copy be submitted electronically emailed to Josi Wood, jwood@cityofisanti.us. Proposal should be labeled "Proposal-Compensation Study 2020."

VIII. After a thorough review of the proposals, the results will be presented to the City Council. If you have any questions concerning the specifications, etc., please contact Josi Wood (City Administrator) jwood@cityofisanti.us 763-444-5512.

IX. The City reserves the right to accept or reject any and all proposals that are in the best interest of the City and its employees. The consultation award will be based upon, but not necessarily limited to, rates, options, methodology, project design, timeline, and the

experience of the carrier with municipalities and similar governmental instrumentalities and labor markets.

II. PROJECT BACKGROUND AND GOALS

Isanti is a growing community on the north side of the northern Twin Cities suburbs with approximately 6200 in population. The City has approximately 45 position descriptions (a listing of position titles is enclosed) of which are subject to the State of Minnesota Pay Equity Compliance requirements.

Isanti has 6 departments and employs 33 full-time (9 are exempt), 19 part-time, 3 interns and 3 seasonal employees which are included as Appendix A. Of this, 16 employees are organized in the following unions:

- International Union of Operating Engineers Local No. 49 which represents our Public Works Department Maintenance Workers (7 employees)
- Law Enforcement Labor Services, Inc #217 which represents our Police Department Officers (8 employees)
- Law Enforcement Labor Services, Inc #416 which represents our Police Department Lieutenant (1 employee)

The collective bargaining agreement is a three -year contract and will expire on December 31, 2022.

The City currently has a step-system pay structure. Most positions are on a 6-step program. The City has been in compliance with pay equity requirements in the past. Throughout the years there have been several changes in position classifications, new position additions, and compensation schedule adjustments. There is a need to have the entire job evaluation, compensation and benefits system reviewed by an outside professional consultant. The City recognizes the need to validate the process and methodology utilized for determining classification for newly established positions as well as a need to have the entire job evaluation and compensation system reviewed and updated for internal and external pay equity. Currently there is a combination of two classification systems being used. The City is interested in implementing a system to match other area municipalities for comparison purposes.

Management may also want to explore various methods of payment such as merit vs. step systems while creating consistency throughout. Longevity pay is currently utilized in the Police unions, however, may also be an option for other positions.

Employee and management involvement through participation and informational meetings on the process and outcomes will be an integral component to the success and acceptance of any outcome.

III. SCOPE OF WORK

To meet the needs of the City, proposals shall include the following milestones:

A. Job Classification and Compensation System

- Evaluation and analysis of City needs and philosophy.
- Thorough evaluation of each position to determine a job value, by assigning points to the position based on standard factors.
- Objective classification ranking of each position and the provision of internal pay equity.
- Evaluation of existing job descriptions and the recommendations of revisions to assure compliance with ADA and other State and Federal requirements.
- Develop principles of comparability to external labor markets including public, private and market/comparable cities.
- Provide a wage/labor market comparability study and the analysis of supporting data for the development of a pay structure while assuring internal and external equity and compliance with State Pay Equity Compensation Standards. The wage/labor market comparability study should take into account that the City of Isanti is interested in how competitive the City is with other metro suburban cities.
- Provide recommendations and options for a newly designed evaluation and compensation system. Include the feasibility of implementing a performance-based compensation system or a performance-based component of the system.
- Provide system testing to assure compliance.
- Detail the appropriate number of pay ranges (and pay steps, if applicable) and the weight given to internal equity and external market comparisons.
- Recommend pay grade adjustments and/or reassignment of positions to appropriate pay grades as needed.
- Integrate job evaluation rankings and market comparisons into the recommended pay levels.
- Determine exempt and non-exempt status for each position.

B. Implementation and Sustainability

- Recommend the best approach to coordinate the recommended pay plan with the current pay plan, including an implementation timeline that considers the City's budget constraints.
- Recommend policies, guidelines and procedures for administration, including how the plan can be adjusted for cost of living and how employees advance through salary ranges.
- Provide training and tools, resources and documentation for City staff to maintain the system independently post-implementation.
- Determine the validity for requests for reclassification and/or compensation changes outside of the routine review process.

C. Pay Equity Report

Provide a completed pay equity report required by Minnesota Management and Budget, including an explanation of the new compensation system and methodology and how that plan

satisfies pay equity compliance.

D. Optional Services
The City may, during the term of this contract, desire to purchase additional services from the company to enhance the level of service. Companies should respond in detail regarding the ability to provide optional services. The optional services are in addition to requirements set forth in this RFP; these costs must be readily distinguishable from the costs quoted for the required scope of services.

E. Project Timeline
Identify a concrete, reasonable timeline for the completion of each component in the process. The City desires to have a project completion date of July 31, 2020.

F. Presentation
Ability to present findings and recommendations to Staff and Council, including written reports and oral reports if requested.

G. Cost Proposal
- Provide a comprehensive, detailed cost proposal that covers all costs associated with successful implementation of the system and services required of this RFP.
- Proposals shall clearly define optional services and reimbursable costs not included in basic fees, including any hourly rates or fees for post-contract or optional services.
- Proposals shall include a "not to exceed" lump sum fee protection.
- Proposals shall include identification of proposed milestones. Payment will be made by the City upon agreed-upon milestones as identified in the contract.
- Proposals shall identify costs for all aspects including potential areas in which the City can provide assistance resulting in cost savings to the City.

IV. CONSULTANT SUBMITTAL

The proposal shall contain the following information:

A. Provide references of municipalities in the State of Minnesota who have implemented and are currently utilizing the compensation system being proposed or a similar system designed, developed, and implemented by your organization. Include the name and phone number of the contact person at each municipality, as well as a description of the services performed, implementation date, and the names of the personnel from your office that worked on the project at each municipality.

B. Names and relative backgrounds of the personnel to be assigned to the project.

C. Information stating your organization's approach to the development of a compensation system for the City of Isanti. Include information and outcome documents on the job evaluation system being proposed as well as sample job descriptions, policies and procedures, and questionnaires employees will be required to complete. Also include

information on how your organization will handle each aspect identified in the job description and questionnaires.

D. Identify your approach to creating union and non-union involvement with the development of the position classifications and compensation schedules.

E. Identify a concrete timeline for the completion of each component in the process as well as implementation guidelines.

F. The proposal should clearly define the timelines, proposed fees, and the scope of services to be provided during each of the following specific project components:

- Introduction and Project Orientation
- Position Analysis
- Position Descriptions for full-time, part-time, temporary, seasonal, and internships.
- Position Classifications/Ranking/Grades/Evaluation
- Wage/Labor Benchmarks/Market Pricing
- System Structure Development according to City of Isanti philosophy
- System testing for equity and fairness
- Preparation of final documents for the plan, including presentation, policy, guidelines and procedures for administration (such as how the plan is adjusted for cost of living and how employees advance through the ranges and any other pertinent information). Any written and computerized data and supporting information must be submitted as appropriate.
- Training on the system maintenance and updating such as position additions and wage structure updates.
- System Implementation.
- Future assistance that can be provided by your organization.

G. Proposals shall clearly define additional services and/or reimbursable costs not included in the basic fees, including any hourly rates or fees for post contract services.

H. Proposals shall include a "not to exceed" lump sum fee protection.

I. Identify cost estimates for all aspects including potential areas in which the City of Isanti's staff can provide assistance resulting in cost savings to the City.

V. PROJECT COMPLETION

It is the intent of the City to provide as much support and assistance to the consultant to ensure that the project is completed by July 31, 2020.

VI. OTHER

A. Questions regarding this Request for Proposal should be directed to:

Josi Wood
City Administrator
City of Isanti
110 1st Ave NW, PO Box 428
Isanti, MN 55040
Telephone: 763-444-5512
Email: jwood@cityofisanti.us

B. The City of Isanti reserves the right to reject any and or all proposals for any, or no reason, and furthermore reserve the right to accept any proposal deemed to be in the best interest of the City.

C. One original mailed and an electronic copy emailed of the proposal is to be submitted by 4:30 p.m. on Tuesday, **May 26, 2020**, to Josi Wood at the above address and email.

D. Finalists may be requested to make a presentation to City Staff for evaluation.

From: Josi Wood, City Administrator
Date: May 5, 2020
Subject: Resolution 2020-XXX Awarding Contract for Refuse Services

---

Council authorized Staff on April 7th, 2020 to advertise for proposals for refuse services. Staff received three proposals; Waste Management, Ace Solid Waste and LePage & Sons for such services.

Recommendation:
Staff is recommending to enter into a three-year contract with Ace Solid Waste for refuse services as they are lower overall for services per the specifications outlined in the request for proposal.

RESOLUTION 2020-XXX

AWARDING QUOTE AND AUTHORIZING TO ENTER INTO A CONTRACT FOR REFUSE SERVICES FOR ALL CITY FACILITIES

WHEREAS, the Council authorized staff to request proposals for refuse services on April 7, 2020; and,

WHEREAS, the request for proposals for refuse services was published in the City's official newspaper; and,

WHEREAS, quotes were received from Ace Solid Waste, Waste Management, and LePage & Sons which are presented as "Exhibit A, B and C" respectively; and,

WHEREAS, Staff evaluated the quotes received for costs of servicing refuse at all City facilities and locations; and,

WHEREAS, the lower overall quote was provided by Ace Solid Waste; and,

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Isanti, Minnesota, the following:

1. Hereby award the contract for refuse services to Ace Solid Waste.

2. That the City Administrator is hereby authorized to enter into and sign a contract with Ace Solid Waste for the provision of refuse services for the City of Isanti for a three (3) year period starting May 15, 2020 and ending May 31, 2023.

3. That Ace Solid Waste (contractor) shall submit monthly statements for services provided in a given month to the city and receive compensation in the amounts as provided within the agreed upon contract.

This resolution was duly adopted by the Isanti City Council this 5th day of May, 2020.
